Glastonbury Landowners Association

Board of Directors Meeting Minutes

July 13, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.
The meeting was called to order by Laura Boise at 7:10 p.m., at Golden Ratio Woodworks.
PRESENT: Laura Boise (President), Richard Bolen aka Richard, (Vice-President), Sheridan Stenberg (Treasurer), Alyssa Angelis (left at 7:35), Gerald Dubiel, Dan Kehoe, Jr., Charlotte Mizzi, Paul Ranttalo, William Smith (arrived 7:20) & Rich Spallone (aka Rich).
ABSENT: Janet Naclerio, Frances Owen and Alyssa Angelis (after 7:35 p.m.)
ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary)
LANDOWNERS/GUESTS: Leo & Dorothy Keeler (brief visit prior to the meeting)

2. Set Agenda.

3. Approval of Meeting Minutes: June 15, 2009
MOTION: Gerald motioned and Paul seconded to approve the June15, 2009 meeting minutes with amendments. **Motion carried.** (1 abstention – Charlotte, who was not present)

4. Treasurer Reports-Budget Variance, Check & Deposit – SS
Sheridan reviewed "Check Detail, June 2009" and "Deposit Detail, June 2009" and the "Budget Variance Report, June 2009."
UNANIMOUS AGREEMENT: The Board approved the Treasurer's June 2009 reports.

5. Officers' Reports

5.1 Executive Committee – LB/RB/SS/JN

5.1.1 Summer Newsletter - DOK

5.1.1.3 Discuss topics/date timelines for articles - DOK
ACTION ITEM: ***Board*** – If writing an article for newsletter, send to Denise by e-mail no later than August 1.

5.2 Election Committee – Board/DOK

5.2.1 Timelines for candidate info and mailings - DOK
ACTION ITEM: Board Members Up for Re-election: By August 10 meeting, confirm with Denise if you plan to run as a Board candidate in November.

6. UNFINISHED BUSINESS

6.1 Project Review – AA/RS

6.1.1 GLA's easement in upper South – GD (Transfer to Sept. Agenda)

6.1.1.1 Possible gate at end of Sagittarius – WS
William reviewed that the gate would be on the GLA's Common Land and is a part of the Forest Service's fence.
MOTION: William motioned and Charlotte seconded to allocate $100 for the cost of constructing a gate at the end of Sagittarius if those interested (Ken & Debbie DeGraaf and Philip Hoag) were willing to construct the gate.
Motion carried unanimously.

ACTION ITEM: ***Laura*** - Contact the DeGraafs and Philip regarding the GLA's offer to provide $100 for gate materials if they are willing to construct the gate.

6.2 Community Committee –LB/RB

6.2.1 Landowner Concerns

6.2.1 Status of weed removal at NG reservoir - CM

Discussion.

ACTION ITEM: ***Gerald & Paul*** - Reseed NG reservoir and facilitate weed spraying one more time..

6.2.2 Complaint re: K. Ulrich property - LB

Laura reported that she spoke with Monique Brunson, who wrote up the most recent complaint regarding the Ulrich property. Laura plans to write a 30-day notice to Ulrich to clean up her property.

ACTION ITEM: ***Laura*** - Prior to sending a 30-day notice letter, speak to Randy Taylor (City Sanitarian) and Ulrich's daughter, Julie.

6.4 Road and WeedCommittee – WS/RS

6.4.1 Status of road mileage/gravel & cost allocation project – Road Committee

It was reviewed that the Road Committee needs to put together for future GLA Boards, a map of problem areas in addition to information re: road mileage, gravel and cost allocation for the GLA Roads.

6.4.2 Update: NG Chip Sealing Project – WS/RS

Discussion.

ACTION ITEM: ***William*** – Finalize: (1) Announcement to mail to Landowners re: NG chip sealing voting outcome, etc.; (2) Special Assessment payment schedules, (3) Form and instructions for investors; (4) List of talking points to use when talking to potential investors, and; **(5)** Payment solutions to help carry loan for chip sealing.

ACTION ITEM: ***Denise*** –Draft a telephone tree announcement re: final chip sealing meeting on July 16 (meeting required by the GLA's bylaws) & e-mail to Sheridan.

ACTION ITEM: ***Laura/Charlotte/Denise*** – Attend/facilitate July 16 meeting.

ACTION ITEM: ***Road Committee*** – Write a thank you letter to the chip sealer company; ask if they would inform us when they plan to be in the area again. Send to Denise to put on letterhead, etc.

ACTION ITEM: ***Denise*** – Add to procedures project that the Road Committee needs to keep an eye on the chip sealing needs of our roads and that it should ask road contractors to inform the GLA as to when they plan to be in the area again.

7. NEW BUSINESS

7.1 Project Review – AA/RS

7.1.1 62 (NG) - Brad Smith, Cabin Placement & Septic

Alyssa reviewed.

MOTION: Alyssa motioned and Richard seconded to approve Brad Smith's cabin placement and septic application on Parcel 62 (NG) on the conditions that the electric and plumbing permits are obtained and the land is reseeded after construction. **Motion carried unanimously.**

7.1.2 63 (SG) - John and Pam Richardson, Driveway and Well
Alyssa reviewed.
MOTION: Alyssa motioned and Charlotte seconded to approve John and Pam Richardson's driveway and well application for Parcel 63 (SG) on the conditions that the placement of the well shall be at least 50 feet from the property line and disturbed land will be reseeded following construction. **Motion carried unanimously.**

7.1.3 36-B (NG) – Patricia Harth, Room Addition
Alyssa reviewed.
MOTION: Alyssa motioned and Richard seconded to approve Patricia Harth's room addition on Lot 36-B (NG) on the condition that the proper septic and electric permits are obtained and any disturbed land will be reseeded after construction. **Motion carried unanimously.**

7.2 Road/Weed –WS/RS
7.2.1 Discuss road maintenance – WS/RS Tabled.

7.3 Website -DK
7.3.1 Website upgrades –DK
Discussion. It was suggested that theGLA's website should provide helpful information to new landowners when they first move to Glastonbury.
MOTION: Dan motioned and Charlotte seconded to approve Dan changing the GLA website so that it can be easily maintained. **Motion carried unanimously.**

7.4 Recreation Committee –LB/JN
7.4.1 PVRC –LB – addition to agenda
Laura confirmed that the lawnmower had been purchased.

8. **Comment Period for Visiting Landowners. (5-10 min.)** No landowners present.

9. **Adjournment – 8:49 p.m.**

10. **Next Meeting is August 10, 2009, St. John's Church, 6:45-8:30 p.m. (The location of the meeting was later changed to Sheridan Stenberg's home)**

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312, Emigrant, Montana 59027

July 2, 2009

Ms. Kathleen Ramp
P.O. Box 1457
Morgan Hill, CA 95038

Re: Gate Blocking Access to the Glastonbury Landowners Association Easement

Dear Kathleen,

Your reply to our last request that we, the Glastonbury Landowners Association, be given access to our easement which is blocked by your gate is unacceptable. Your suggestion of opening the gate for necessary entry ignores the legal right of our members to use the easement for access to our common land which borders your property.

The easement, which runs with the land, states "…a perpetual easement and right-of-way over and across the hereinafter described real property, for the purpose of ingress and egress by foot, or with animals, vehicles, loads or otherwise…"

"…each of the parties may maintain their own combination lock on the gate contained on the easement area, and will provide the other party with the combination thereto…"

The foregoing excerpt is on record in the recorders office of Park County at Roll 20 page 154.

There have been numerous complaints by our members seeking access to our common land by way of our easement.

We must insist that you comply with the written agreement and furnish us with the combination to the locks on the gate at once. Thank you for your cooperation.

Very truly yours,

H. Richard Bolen
Vice-President

Glastonbury Landowners Association

Board of Directors Meeting Minutes

August 10, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.

The meeting was called to order by Richard at 7:10 p.m., at Sheridan Stenberg's home.
PRESENT: Richard Bolen aka Richard, (Vice-President), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Dan Kehoe, Jr., Charlotte Mizzi, Paul Ranttalo & William Smith.
ABSENT: Laura Boise (President), Janet Naclerio (Secretary), Frances Owen & Rich Spallone
ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary)
LANDOWNERS/GUESTS: Monique Brunson, Clare Parker, Ed Debrowski

2. Set Agenda.

3. Approval of Meeting Minutes: July 13, 2009

MOTION: Charlotte motioned and Alyssa seconded to approve the July 13, 2009 meeting minutes with amendments. **Motion carried unanimously.**

4. Treasurer Reports-Budget Variance, Check & Deposit – SS

Sheridan reviewed "Check Detail, July 2009" and "Deposit Detail, July 2009" and the "Budget Variance Report, July 2009." In addition, a breakdown of maintenance costs per road, prepared by Charlene, was distributed.
MOTION: William motioned and Charlotte seconded to approve the Treasurer's July 2009 reports. **Motion carried unanimously.**
ACTION ITEM: ***Sheridan*** – On behalf of the Board, request that Charlene places the Treasurers reports on portrait or landscape so that all columns on the reports can be read.

5. Officers' Reports

5.1 Executive Committee – LB/RB/SS/JN

5.1.1 Summer Newsletter - DOK

5.1.1.1 Review timelines (past due) for submitting articles - DOK
ACTION ITEM: ***Board*** - E-mail articles to Denise by August 16.
ACTION ITEM: ***Denise & Board*** - Include in newsletter: (1) Use reflectors on person and bikes at night; request Landowners to remind their renters, guests, friends, etc.; (2) Announce stolen signs & request Landowners to inform Board re: any related information, (3) Information on constructing bicycle/walking path in NG (see 7.2.2 below), and; (4) Remind drivers to slow down .

5.1.1.2 Plan mailing date & volunteers, etc. – DOK/SS
Mailing date: August 24.

5.2 Election Committee – Board/DOK

5.2.1 Brief review of candidate information for August mailing - DOK
Discussion. Richard (SG), Paul (NG) and William (NG) have decided to run for re-election in November 2009. Frances (SG), Dan (SG) and Charlotte (NG) have decided not to run for re-election.

5.3 Budget Committee –SS/LB/RB/JN/CM/DK

5.3.1 Discuss 2010 Budget - RB A brief discussion included the need for assessments to be raised in 2010 based on continued increases in the cost of living, including the cost of road maintenance labor and materials.
ACTION ITEM: ***Budget Committee*** - Include maintenance of fences & signs in budget.

File: MtgMins 08 10 09
Draft (s): 09 16 09 -final
Final Approval:09 14 09

5.4 Ad Hoc Planning Committee for 2010 and Future (added to agenda)

UNANIMOUS AGREEMENT: The Board will meet on August 31 to brainstorm/plan how it might accomplish all its responsibilities, including the possibility of hiring contractors to handle time-consuming projects that extend far beyond the hours that volunteer Board members can continue to offer.

ACTION ITEM: ***Denise*** – Send a special private meeting notice to the Board regarding August 31 meeting & request information regarding Board jobs to be used in the meeting.

ACTION ITEM: ***Board*** – Send ideas for special meeting agenda to Richard via e-mail.

5.5 Discuss location for meetings - Board

Discussion included future location of Board meetings..

MOTION: Sheridan motioned and Dan seconded that the Board meetings will continue to be held at St. John's Church and to accept E. Story's offer to credit the GLA with 2 meetings. **Motion carried.**

ACTION ITEM: ***Sheridan*** – Inform Janet about the Board's decision to continue meeting at St. John's & request she contact E. Story regarding credit and future bookings.

6. UNFINISHED BUSINESS

6.1 Community Committee –LB/RB

6.1.1 Landowner Concerns

6.1.1.1 Status of weed removal at NG reservoir – GD/PR

Gerald reported that Ed Schilling sprayed the NG reservoir area. At the end of August, the area will be reseeded and graded a little bit.

6.2 Road & Weed Committee – WS/RS

6.2.1 Status of road mileage/gravel & cost allocation project – Rd Committee

Per William, Charlene was providing this information on road/cost allocations she provided for the September Treasurer's report. More information will be reported when new costs and allocations are determined.

ACTION ITEM: ***Rd Committee*** – Conduct a meeting and bring proposals for identification labels to be used by landowners and their guests to use when hunting, etc. Invite Richard Bolen to meeting. Present proposal at September meeting.

6.2.2 Weeds –GD ***(added to agenda)***

Discussion included weed spraying and planting grass seed after spraying.

ACTION ITEM: ***Gerald*** – Check if the GLA has any Toredon left.

ACTION ITEM: ***Road Committee*** – Include cost of grass seed in budget

6.3 Website -DK

6.3.1 Update re: Website upgrades –DK Tabled.

6.4 Upper South Fence Repair & Posting Signs–FO ***(added to agenda)***

Frances reported: (1) Neil Kremer told her he repaired all of the fence on the side of K. Ramp's property; next week he will repair fencing near Everett Johnston's property. (2) The fence in High South is being left open and cows are walking over the guards. Three signs on GLA Common Land will be posted by Steve H… (sp?) stating "Close gate at all times."

File: MtgMins 08 10 09
Draft (s): 09 16 09 -final
Final Approval:09 14 09

7. NEW BUSINESS

7.1 Road/Weed –WS/RS

7.1.1 Update re: Chip Sealing Project -WS

Discussion included positive comments and further paving requests from Landowners.

7.1.2 Discuss Quonset Hut placement – WS/PR

Discussion included the problem of placing hut at end of hill based on wet land vs placing it on Recreation Land where it would not be seen.

ACTION ITEM: ***Road Committee*** – Bring proposed Quonset Hut placement proposal to September 14 meeting for Board vote.

ACTION ITEM: ***Laura/Denise*** – Add Quonset Hut placement & vote to Sept. agenda.

7.2 Recreation Committee – LB/JN

7.2.1 Discuss storage of PVRC lawnmower -PR

Paul proposed that a lean-to or shed for lawnmower storage be constructed.

ACTION ITEM: ***Paul*** – Bring to September meeting a proposal for lawnmower storage and price for Board vote.

ACTION ITEM: ***Laura/Denise*** – Add lawnmower storage proposal/vote - 9/14 agenda.

7.2.2 Path for walking/bicycling on Recreation Land and other areas of NG - D/PR ***(added to agenda)***

Gerald reviewed that he and Paul will construct a walking/bicycle path around Fridley Creek, along the Story's land and then on to the Recreation Land. The Church gave permission to build this path on parts of their property.

7.3 Project Review Committee – AA/RS ***(added to agenda)***

7.3.1 Lot 35-A (SG)/Clare Parker – Manufactured Home Placement – AA

Alyssa ,William and Clare reviewed details of the application. Clare explained that Twin Pillars, Inc (shelter) owns Lot 35-A and she was its President and would be transferring ownership of the lot to her son, Ed Debrowski, who plans to place a manufactured home on the pre-existing home site, where there had previously been a manufactured home. Discussion.

MOTION: Alyssa motioned and Dan seconded to approve the manufactured home placement on Lot 35-A (SG) with the conditions that: (1) the missing page in the application would be submitted; (2) an electrical permit will be acquired, and: (3) the ground will be reseeded after construction. **Motion carried unanimously.**

Note re: Twin Pillars Shelter: Clare also explained that she wants to be released from the liability of the potentially hazardous underground storage area in the shelter and therefore, she plans to clean it out and remove it.

8. Comment Period for Visiting Landowners. (5-10 min.)

Monique Brunson offered positive comments regarding the meeting and that it was good to see the Board working together so harmoniously.

9. Adjournment – 9:15p.m.

10. Next Meeting is September 14, 2009, St. John's Church, 6:45-8:30 p.m.

File: MtgMins 08 10 09

Glastonbury Landowners Association

Board of Directors Meeting Minutes

September 14, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.

The meeting was called to order by Richard at 7:05 p.m., at St. John's Church.

PRESENT: Laura Boise (President),Richard Bolen aka Richard, (Vice-President), Sheridan Stenberg (Treasurer), Janet Nacelrio (Secretary), Alyssa Angelis, Gerald Dubiel, Dan Kehoe, Jr., Charlotte Mizzi, Frances Owen, Paul Ranttalo,William Smith & Rich Spallone.

ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary)

LANDOWNERS/GUESTS: Debbie DeGraaf,, Chuck Muto, Kristi Sones, Bob Sones, Philip Hoag.

2. Set Agenda.

3. Approval of Meeting Minutes: August 10, 2009

MOTION: Dan motioned and Richard seconded to approve the August 10, 2009 meeting minutes with amendments. **Motion carried unanimously.**

4. Treasurer Reports-Budget Variance, Check & Deposit – SS

Sheridan reviewed "Check Detail, August 2009" and "Deposit Detail, August 2009" and the "Budget Variance Report, August 2009."

UNANIMOUS AGREEMENT: The Board approved the August Treasurer Reports.

5. Officers' Reports

5.1 Budget Committee –SS/LB/RB/JN/CM/DK

5.1.1 Review/discuss 2010 Budget Draft & Vote - LB

The 2010 Budget draft, previously e-mailed to the Board prior to the meeting, was distributed and discussed. Landowners also participated.

ACTION ITEM: ***Alyssa*** – Develop documentation to explain where project fees are allocated.

ACTION ITEM: ***Board*** – By September 21: Call or Email to Laura any additions/changes/edits or questions on the 2010 draft budget, so she can incorporate them into the final Draft. She will send out to the entire Board for review before the final vote on the Budget.

UNANIMOUS AGREEMENT: The Board will meet on Monday, Sept. 28, 7 p.m., at Sheridan's house for a private meeting to review/finalize any additional suggested changes, and vote on the 2010 budget draft.

ACTION ITEMS: ***Laura*** – After Sept 21, e-mail to Denise, the updated 2010 draft budget, which has incorporated suggested Board changes for copying.

ACTION ITEM: ***Denise*** – E-mail to the Board a Sept. 28 meeting notification and attach the updated 2010 Budget draft for final review.

5.2 Election/Annual Meeting Committee – Sheridan (Chair), Board, DOK

5.2.1 Brief Review/Discussion of "Election/Annual Meeting Preparations"

Denise distributed a list of dates and information concerning preparation for the Oct election mailing and the Annual Meeting/elections.

ACTION ITEM: ***Denise*** – E-mail draft of Annual Meeting Agenda to the Board for review and suggestions.

ACTION ITEM: ***Denise*** – If there is room, include the GLA hunting guideline reminders in the October election mailing. Include explanation that renters are guests and do not have the automatic right to hunt, etc.

6. UNFINISHED BUSINESS

6.1 Road Committee – WS/RS

6.1.1 Update re: Chip Sealing Project –WS/SS

6.1.1.1 Status of Investments

Sheridan and William discussed several options for handling the $20,000 that still remains on the chip sealing bill. $12,000 of this amount is expected to be received in the form of chip seal assessments due on Oct. 31. Discussion.

UNANIMOUS AGREEMENT: The Board approved to give William and Sheridan the authority to make one of the following three decisions to handle paying the $21,975 remaining on the chip sealing bill.

1) Borrow it from the bank
2) Accept investor's money if it is received in time
3) Have the flexibility, since this bill is due on the 11th, to borrow approximately $6,000 out of the GLA 2010 budget (the actual amount would be based on the amount of chip sealing assessments that are received by Oct. 31) and then pay it back into the budget as future chip sealing assessment payments are received.

6.1.1.2 Status of thank you letter to the chip sealer company

William and Sheridan reported that a thank you wasn't necessary as they had already thanked the company by correspondence and on the phone.

6.1.2 Proposal for Landowner/Guest I. D. when hunting; Board Vote – Rd Committee

The Road Committee reported that this proposal has not been finalized and they need to meet. Philip Hoag expressed interest and was requested to e-mail his ideas to the Road Committee.

ACTION ITEM: ***William/Rd Committee*** – Meet and finalize a proposal/with cost, regarding landowner/guest i.d.. for use when hunting. Submit the proposal at the Oct. 5 meeting.

6.1.3 "No Parking" Signs on GLA Easement on Hercules Road (SG) *(added to agenda)*

Philip Hoag submitted a verbal complaint regarding the "No Parking" signs installed on the GLA easements on Hercules Road (SG) by K. Ramp and W. Wunsch. Discussion included Laura citing GLA Covenant 8.03 regarding Parking. "The platted road easements shall not be used for parking except in the areas designated by the Association" There does not seem to be a conflict with the Covenants, as a parking area has not yet been designated.

ACTION ITEM: ***Richard*** – Check the Covenants further concerning the extent of control that the GLA has regarding signs placed near GLA road easements, etc. Report back to the Board at the Oct. 5 meeting.

6.2 Project Review

6.2.1 Update re: status of constructing a gate at end of Sagittarius – LB

Discussion included Debbie DeGraaf's agreement to buy the above gate (submit the gate bill to the GLA for payment) and to install it as per the Board's prior proposal.

7. NEW BUSINESS

7.1 Road/Weed –WS/RS

7.1.1 Proposal for Quonset Hut placement & vote – WS/PR

William reported that he is waiting to talk to Dave regarding the wetlands at the end of Sirius.

ACTION ITEM: ***William*** – Prior to Oct. 5 meeting, e-mail a proposal to the Board regarding the hut placement.

ACTION ITEM: ***Laura/Denise*** – Place Quonset hut proposal on Oct. 5 agenda

7.1.2 Status of check for remaining toradon – GD Tabled.

7.1.3 Discuss Road Portion of Budget ***(added to agenda)***

Discussion.

7.2 Recreation Committee – LB/JN

7.2.1 Proposal for storage of PVRC lawnmower & vote-- PR

ACTION ITEM: ***Budget Committee*** – Determine if the GLA can afford $500 to build a secure storage area for the PVRC lawnmower. Contact Charlene.

7.2.2 North Glastonbury Walking Path *(added to agenda)*

Discussion included that labor (done by Gerald, Paul, Reba Deal and others) and gravel (Mike Atkins) was being donated to this project. Paul was requesting $100 for gas and oil to be used for his back hoe while carving out the path.

MOTION: Gerald motioned and Rich seconded for the GLA to approve $100 to be used for gas and oil in Paul's back hoe when used to construct the new walking path in North Glastonbury. **Motion carried.** (1 abstention – Paul)

7.3 Project Review Committee – AA/RS

7.3.1 Parcel 74 (SG)/Richard & Alyssa Allen - Pole Barn

Alyssa reviewed. Discussion.

MOTION: Rich motioned and Richard seconded to approve Richard and Alyssa Allen's Pole Barn application on Parcel 74 (SG) and to waive the sanitation bond fee (based on the small size of the project) and the $25 application fee (as Alyssa had processed the application herself). **Motion carried.** (1 abstention – Alyssa) *Note:* Alyssa did submit the $50 impact fee.

7.3.2 Complaint re: Parcel 35-A (SG)/Clare Parker Manufactured Home –

Alyssa reported that she received a complaint from Pamela May claiming that the GLA Board should not have approved the application for a building project on this lot, assuming that the project should not have been allowed without a variance and neighborhood input, according to the Master Plan. However, this project did not fall under those guidelines and did not require neighborhood review, as Alyssa clarified that there had already been a home-site approved by

the GLA years before the Master Plan was created, and in fact, a home had existed there for many years prior to the formation of the GLA. Because of this pre-existing home site and development, the board was obligated to grandfather this project and allow the placement of the new manufactured home as a replacement for the one that had already existed. In addition, even though there was a shelter on this particular lot, there was nothing in their particular covenants or with the DEQ that excluded the dwelling site that had been established with the tenants-in-common arrangement, followed by the formal subdivision with Park County. The owners clarified that although the earlier manufactured home had been removed, they had never relinquished their right to use the site for the placement of a dwelling. In essence, the GLA did not treat this project as a variance since all pre-existing development of home sites and set backs were grandfathered.

ACTION ITEM: ***Alyssa*** – Write to Pamela May in response to her letter.

ACTION ITEM: ***Alyssa*** – Add to Project Review Processing Procedure: If appropriate, when processing project applications, request Denise to research any prior application on the same parcel.

ACTION ITEM: ***Alyssa*** – Modify project application requesting applicant to provide any historical information about their lot or building site of which they may be aware.

8. Comment Period for Visiting Landowners. (5-10 min.) *See 6.1.3.*

9. Adjournment – 9:45 p.m.

10. Next Meeting is October 5, 2009, St. John's Church, 6:45-8:30 p.m.

File: MtgMins 09 14 09 FINAL
Draft (s): 10 06 09 - Final
Final Approval: 10 05 09 w/amendments

Glastonbury Landowners Association

Board of Directors Meeting Minutes

October 5, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.

The meeting was called to order by Richard at 7:55 p.m., at St. John's Church.

PRESENT: Laura Boise (President), Richard Bolen aka Richard, (Vice-President), Sheridan Stenberg (Treasurer), Gerald Dubiel, Dan Kehoe, Jr., Charlotte Mizzi, Paul Ranttalo,

ABSENT: Janet Nacelrio (Secretary), Alyssa Angelis, Frances Owen, William Smith & Rich Spallone.

ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary)

LANDOWNERS/GUESTS: None.

2. Set Agenda (additions were made)

3. Approve Meeting Minutes for September 14 , 2009

MOTION: Dan motioned and Sheridan seconded to approve the September 14, 2009 meeting minutes with amendments. **Motion carried unanimously.**

4. Treasurer Reports-Budget Variance, Check & Deposit – SS

Discussion

ACTION ITEM: Sheridan will direct Charlene to correct the Budget Variance Report.

5. Officers' Reports

5.1 Election/Annual Meeting Committee – Sheridan (Chair), Board, DOK

a) Review draft of annual meeting agenda

UNANIMOUS AGREEMENT: The Board approve the annual meeting draft agenda as presented w/minor changes

b) Discuss Content of Committee Reports

ACTION ITEM: ***Board Committee Chairs/Officers*** - Bring an outline of your report to the Nov. 9 meeting and be prepared to briefly review.

c) Review Annual Meeting Handouts to be Copied. Done.

d) Volunteer Spots for Board & Landowners

Discussion included assignment of Board members for set-up and preparation.

5.1.2 Discuss Private Meeting criteria (new addition to agenda)

Discussion.

UNANIMOUS AGREEMENT: Private meetings should cover only legal issues. Other issues of a sensitive nature can be discussed, based on the discretion of the Board, during the regular meeting in ways that do not divulge Landowner confidentiality.

5,1,3 2010 Budget Issues (new addition to agenda)

5.1.3.1 Chip Sealing and Road Budget

Discussion included adding $4,000 to the Road Budget for contingencies.

ACTION ITEM: ***Sheridan*** - At Nov. 9 meeting Sheridan will bring a proposal regarding the Road Budget and the chip sealing loan.

File: MtgMins 10 05 09 FINAL
Draft (s): 11 09 09-Final
Final Approval: 11 09 09

UNANIMOUS APPROVAL: The Board approved the allocation of $30 for 1 (one) month of *e-receptionist* service to record/forward calls from Landowners. After a 1 month trial, the Board will determine if the GLA wants to continue to use this service

5.1.3.2 Committee Policy Reminder (added to agenda)
Discussion. When a Committee wishes to transfer allocated budget money from a certain area in their budget to another area, the Committee needs to first propose the transfer to the Board for approval.

5.1.3.3 Road Budget – CM
Discussion.
UNANIMOUS AGREEMENT: The Board agreed to combine the North and South road budgets as one when documenting the Road budget and to seek confirmation from William and Rich that they agree as well.

6. UNFINISHED BUSINESS

6.1 Road Committee – WS/RS

6.1.1 Proposal for Landowner/Guest I. D. when hunting; Board Vote – Rd Committee
Discussion regarding identification of Landowners is reflected in 6.1.3 below.

6.1.2 Status of research re: "No Parking" Signs on GLA Easement on Hercules Road (SG) - RB

6.1.3.1 Illegal Parking Letter Draft
Discussion included suggestions/edits on letter and no parking notices.
ACTION ITEM: ***Richard/Road Committee/Denise*** – Finalize illegal letter and parking notices to be inserted into October 9 Election Letter mailing.
ACTION ITEM: ***Denise*** – Xerox parking notices for election mailing; make 50 copies each for Rich and Frances

6.1.3 Designated Parking Lot between Parcels 95 & 97 (SG) (added to agenda)
The Board discussed the ongoing communication from Landowners who have submitted their concerns regarding the lack of any legal parking space when trying to access Recreation Land.
MOTION: Richard motioned and Sheridan seconded for the GLA to construct a designated GLA Landowner parking area in GLA's easement that borders Parcel 71. The area will fit 10 vehicles. and the GLA will spend up to $300 to be transferred from the legal fund. If additional expense is required, it will have to be reviewed and approved by the Board. **Motion carried.** (Paul Ranttalo abstained)

ACTION ITEM: ***Richard*** – Contact Walter Wunsch to explain that the parking area that the GLA will construct is within the GLA's legal easement.

ACTION ITEM: ***Rich*** - Order a sign for the designated parking area that reads: "Designated Parking for Glastonbury Landowners Only."

6.2 Project Review

6.2.1 Shelter Project - DK

ACTION ITEM: ***Dan*** – Call Tony Silva regarding shelter status.
ACTION ITEM: ***Dan*** – Ask Rich the status of Hansard clean-up around shelter
ACTION ITEM: ***Dan*** – Develop shelter check status list to pass on to new Board. Prepare clean up report for annual meeting.

7. NEW BUSINESS

7.1 Road/Weed –WS/RS

7.1.1 Proposal for Quonset Hut placement & vote – WS/PR

Pending answer from the State.

7.1.2 Status of check for remaining tordon - GD

Gerald reported he's waiting for a response from Stew Schilling re: torridon status.

7.2 Project Review - AA

7.2.1 40-A (SG)/Wallace House Project Update – AA/SS

Discussion.

UNANIMOUS AGREEMENT: The Board agreed to refund the Wallace's application fees for Parcel 40-A (SG) since they are withdrawing the application. The appropriate fees will need to be resubmitted if they should decide to apply again in the future.

ACTION ITEM: ***Alyssa/Denise*** – Insert a note into in the Wallace's file regarding their refund and conditions.

7.1.2 GAV Water Line

Gerald reported information regarding the GAV water line. ***(Denise needs a simple statement from Gerald concerning his report)***

8. Comment Period for Visiting Landowners. (5-10 min.)

9. Adjournment – 9:00

10. Next Meeting is November 9, 2009, St. John's Church, 6:45-8:30 p.m.
Annual Meeting is Saturday, November 14, 2009 at Emigrant Hall.

File: MtgMins 10 05 09 FINAL
Draft (s): 11 09 09-Final
Final Approval: 11 09 09

Glastonbury Landowners Association

Board of Directors Meeting Minutes

November 9, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.

The meeting was called to order by Laura at 7:10 p.m., at St. John's Church.
PRESENT: Laura Boise (President), Richard Bolen aka Richard, (Vice-President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), Alyssa Angelis, Gerald Dubiel, Paul Ranttalo, Rich Spallone snd William Smith.
ABSENT: Alyssa Angelis, Dan Kehoe, Jr., Charlotte Mizzi and Frances Owen
ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary)

2. Set Agenda

3. Approve Meeting Minutes for October 5, 2009

MOTION: Sheridan motioned and Richard seconded to approve the Oct. 5, 2009 minutes. **Motion carried.** (Abstentions – Alyssa, Rich and Janet didn't attend)

4. Treasurer Reports-Budget Variance, Check & Deposit – SS

UNANIMOUS AGREEMENT: The Board approved the above reports.

5. Officers' Reports

5.1 Election/Annual Meeting Committee – Sheridan (Chair), Board, DOK

The Board discussed the following.

a) Meeting agenda
b) Basic Content of Committee Reports
c) Handouts to be copied. Include policies to post on walls.
d) Details for setup and conducting the meeting
e) Vote for candidates

5.2 2010 Budget – Additional Proposals

5.2.1 Chip Sealing/Road Budget - SS

Sheridan reviewed C. Murphy's Nov. 4, 2009 chip sealing proposal (see attached). Discussion.

UNANIMOUS AGREEMENT: The Board approved borrowing $10,000 from the North Glastonbury road budget for 2010 to pay off the remaining balance owed on the chip sealing project, as this will save us the cost of loan origination fees, and interst which would have to be paid if we borrowed the remaining amount from the bank. The General Fund will be repaid as the special chip sealing assessments are received in 2010 - 2011.

5.2.2 PVRC – Cement pad - LB

UNANIMOUS AGREEMENT: The Board agreed to an amendment in the budget to include a small amount to install a cement pad on the recreation land. Further research will be done to determine the type of pad that is needed and the cost to install a foundation for the Tennis Court enclosure which was donated a few years ago in order to get it off the ground.

5.2.3 NG Fire Hydrant – GD Tabled.

5.3 2010 Budget – Final Vote
UNANIMOUS AGREEMENT: The Board approved the 2010 budget w/amendments.

5.4 Discuss possibility of changing date of orientation meeting - LB
UNANIMOUS AGREEMENT: The Board agreed to cancel the November 23rd Orientation Meeting. General orientation information will be covered at the December 14 meeting and more fully in a private training meeting prior to the open Board meeting on January 11.

6. UNFINISHED BUSINESS

6.1 Road Committee – WS/RS

6.1.1 Report on use of Landowner/Guest I. D. forms and illegal parking signs on GLA Easement on Hercules Road – Rd Committee
Rich reported that it appears landowners aren't using the parking identification forms in their cars and we need to develop more notices to give to people who have parked illegally or those we happen to see who are about to do so, etc.. Notices should reiterate that it is a violation of Montana law to park or trespass on to private property. If an individual trespasses to hunt without permission, etc., this can be reported to Jim Miller, the Game Warden of Paradise Valley? Or Park County.

ACTION ITEM: ***Denise*** – Print out more illegal parking notices and give to Board members at the December meeting.
ACTION ITEM: ***Denise*** – Find the GLA legal document that includes a statement which gives permission to firefighters and emergency responders to access our private roads when necessary.

6.1,2 Shelter Project Status List - DK Tabled.

6.2 Community Committee

6.2.2 Complaint re: Parcel 82, SG (added to agenda)
ACTION ITEM: ***Denise*** – Research 4 names/addresses of Parcel 82, SG tenants in common.

7. NEW BUSINESS

7.1 Road/Weed –WS/RS

7.1.1 Proposal for Quonset Hut placement & vote – WS/PR
William reported he received the State's o.k. to place the Quonset Hut on the land at the bottom of Sirius Road and did not see any problem with this placement.
UNANIMOUS AGREEMENT: The Board approved placing the Quonset Hut on the land near the bottom of Sirius Road based on prior Board discussion and the State's approving the site for this structure.
ACTION ITEM: ***William*** – Submit an official application.

7.1.2 Status of check for remaining torridon - GD
ACTION ITEM: ***Gerald*** - Inform the Board, via e-mail, of the status of the remaining torridon.

7.1.3 **New action item**
ACTION ITEM: ***Denise*** – Research document re: transfer of GLA easement (1977-82)

8. **Comment Period for Visiting Landowners. (5-10 min.) None.**

9. **Adjournment: 9:05 p.m.**

10. **Next meetings:**
a) Annual Meeting – Sat, Nov. 14, 2009 at Emigrant Hall
b) Board Meeting: December 14, 2009, St. John's Church, 6:45-8:30 p.m.

File: MtgMins 11 09 09 FINAL
Draft (s): 12 15 09 - Final
Final Approval: 12 14 09 w/amendments

CHIP SEALING INCOME & EXPENSES - AS OF 10-31-2009

Income

From Investors	**$42,500**
From Landowners	**+ 51,399**
Total received	**$93,899**

Expenses

Paid in full **$117,907 (under estimate of $133,700)**

Borrowed from General Fund **$24,008**

Didn't collect by Oct. 31/late **$ 7,849**

Expected yearly chip seal income 2010-2013 **$21,058 per year x 4 years = $84,232**

PROPOSAL TO PAY BACK GLA GENERAL FUND

We can pay back the General Fund as the 2009/2010 chip seal assessments come in. Propose using $10,000 of the $15,000 North Glastonbury road budget for 2010 to pay back the General Fund. ***NG will just have basic grading in 2010, no gravel or mag chloride.***

Expected 2009 & 2010 chip seal income	**$ 21,058 + 7,849 = $28,907**
Investor payback Aug. 2010	**- 19,799**
Left to pay back General Fund	**$ 9,108**

Owe General Fund	**$ 24,008**
From NG 2010 Road Budget	**-10,000**
Left over chip seal income	**- 9,108**
Amount still owing General Fund	**$ 4,900 pay back General Fund in 2011**

GLA SCHEDULE TO REPAY INVESTORS

There were four investors who invested a total of **$42,500.**
Investor repayment schedule below: Total payback with interest = **$47,100**

Payback in August 2010:

Investor #1	$ 4,033.54
Investor #2	4,610.50
Investor #3	1,154.87
Investor #4	10,000.00-full payoff-no interest
Total	**$19,798.91**

Payback August 2011

Investor #1	$4,033.54-paid in full
Investor #2	4,610.50
Investor #3	1,154.87
Total	**$9,798.91**

Payback August 2012, 2013 & 2014

Investor #2	$4,610.50
Investor #3	1,154.87
Total	**$5,834.37**

Subject: how the final chip sealing payment impacts the budget

Dear Exec. Board and Road Com. Chairmen,

The good news is that the chip sealing company has been paid in full! We did not get the loan from Sky Federal so we avoided loan fees! There is still a chance for another investor or a chance that Investor #4 might be willing to extend his $10,000 loan payoff over two years. If this does not happen then our projection is that we ill be short in paying back the general fund by $4,900 in 2010. Our budget variance report show that we have done well in sticking to budget this year, no emergencies, only $1,383 over budget in two areas and $10,898 under budget in several areas (includes not doing the Quonset hut installation this year.) Sheridan will point out these items in the budget variance report at the meeting. This will help us to get by without feeling a pinch in the general fund budget even though we had to borrow to pay the chip sealer. There is still snow plow money, annual meeting money, gen. operating expenses money, etc.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

December 14, 2009

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order and opening prayer.

The meeting was called to order by Laura at 7:10 p.m., at St. John's Church.

PRESENT: Laura Boise (President), Sheridan Stenberg (Treasurer), Alyssa Angelis (arrived at 7:50 p.m.), Gerald Dubiel, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo, Rich Spallone and William Smith.

ABSENT: Richard Bolen, Janet Naclerio

ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary); Ed Dobrowski

2. Set Agenda

3. Approve Meeting Minutes for November 9, 2009

MOTION: Sheridan motioned and William seconded to approve the Nov. 9, 2009 minutes with amendments. **(Motion carried.** Abstained - new Directors Clare, Daniel and Neil; Alyssa wasn't present for this vote, but would have had to abstain due to absence at Nov. 9 meeting.)

4. Treasurer Reports-Budget Variance, Check & Deposit – SS

4.1 Proposal for GLA Office Equipment –DOK/LB

Discussion.

UNANIMOUS AGREEMENT: The Board approved to allocate in 2010, the balance of of funds remaining in the 2009 budgets for the Policies & Procedures Project and Administrative Secretary to: (1) Purchase a laptop computer and hard drive, and; (2) Cover e-receptionist expenses in addition to those funds already allocated.

5. Officers' Reports

5.1 Election/Annual Meeting – Sheridan (Chair), Board, DOK

a) Brief evaluation.

UNANIMOUS AGREEMENT: The Board agreed the meeting went well.

b) Suggestions

ACTION ITEM: ***Denise*** – Add to Annual Meeting/Elections procedure and agenda:

- Place the election nomination forms for candidates on GLA website
- After the votes are counted at the annual meeting and announced, add to the agenda that a Road Committee meeting will be held with the landowners for further discussion, questions & answers.

5.2 Brief Overview of Board Orientation

5.2.1 Review Board Ethics/Procedures

a) Laura reviewed in detail the Board ethics and roles, Board and Committee responsibilities and procedures at Board meetings, criteria on how to request agenda items and present issues to the Board for vote or discussion at meeting, procedure for requesting Board approval for allocation of funds, etc.

It was recommended that all Directors review their orientation binder.

ACTION ITEM: Denise will collect orientation binders of ongoing Board members in order to insert updates.

b) New Board Meeting Agenda Procedure: Each agenda item will include the projected time to cover it. A stop watch will be used to help keep everyone on track.

File: MtgMins 12 14 09 FINAL
Draft (s): 02 09 10 - Final
Final Approval: 01 11 10 w/amendments

ACTION ITEM: ***Denise*** – Purchase a stop watch for Board meetings.

5.2.2 Determine Board Officers and Committee Chairs
UNANIMOUS AGREEMENT: The Board discussed and agreed upon the following officers, committee chairs and committee members for 2010.

Officers:
President - Laura Boise Vice President - Richard Bolen
Secretary - Janet Naclerio Treasurer - Sheridan Stenberg

Committee Chairs/Members

Community Committee: Chair - Richard Bolen
Complaints - All Board Members
Welcoming - Janet Naclerio w/support from Sheridan Stenberg & Charlene Murphy (GLA bookkeeper)

Election Committee: Chair – Sheridan Stenberg
Members - All Board Members

Executive Committee (Automatically comprised of the Board Officers)
Members - Laura Boise, Richard Bolen, Janet Naclerio & Sheridan Stenberg

Project Review Committee: Chairs - Alyssa Angelis/Rich Spallone (Alyssa will fill position until a replacement is found and trained)
Members - Gerald Dubiel, Paul Ranttalo

Master Plan Compliance Subcommittee: Chairs – Clare Parker/Neil Kremer
Members - Paul Ranttalo
(Note: the Board changed this committee's name to include "compliance")

Road/Weed Committee: Chairs - William Smith/Rich Spallone
Members - Gerald Dubiel & Paul Ranttalo

Recreation Committee: Chairs – Laura Boise & Janet Naclerio

Website Committee: Chair – Daniel O'Connell

Budget Committee: Chair – To Be Determined
Members – Executive Committee w/support from Charlene Murphy (GLA bookkeeper) *Note: Other directors may join this committee*

ACTION ITEM: ***Laura*** – Ask absent Board members, who did not express their role preference prior to the meeting, if he/she agrees to serve in the roles as listed above.

5.2.3 Confirm schedules for Jan. 11 Orientation Meeting and Board Meeting
The Board agreed that another orientation meeting would probably not be required since the main orientation topics had been discussed adequately.

File: MtgMins 12 14 09 FINAL
Draft (s): 02 09 10 - Final
Final Approval: 01 11 10 w/amendments

ACTION ITEM: ***Laura*** - Review the contents of the orientation binder to determine if and when additional topics need review and discussion.

5.2.4 Board Resignation *(new to agenda)*
Alyssa announced her resignation but will continue to handle Project Reviews until her replacement is found. She offered to train her replacement(s) and will be available for consultation in the future if needed. Discussion.

ACTION ITEM: ***Alyssa*** – Write up a job description for Project Review and then discuss it with Creative Digital Office and Ed Dobrowski.

ACTION ITEM: ***Denise*** – Add to the Policy & Procedure project that when outgoing or resigning Board members with specialized Board responsibilities are in the process of leaving, the Board member will give proper notice to the Board and help to train his/her replacement.

5.6 Newsletter – DOK
Laura and Janet volunteered to develop the newsletter.
a) Topics - Denise reviewed topics (also included in an e-mail to Laura)
Include in newsletter: Reminder to keep the GLA Landowner I.D. form (mailed to landowners in October) in car glove compartment so as to be handy to post on dashboard when parking while hunting, hiking or in the case the car has broken down and needs to be vacated, etc.

b) Articles due date - Jan. 3
Newsletter to Denise to xerox date – Jan. 5

c) Folding/stuffing date - Jan. 8 (Sheridan)
January 11-15 - Charlene to work on stuffing; to be mailed/postmarked Jan. 15

6. UNFINISHED BUSINESS
6.1 Road Committee – WS/RS
6.1.1 Report on use of Landowner/Guest I. D. forms and illegal parking signs on GLA Easement on Hercules Road – Rd Committee
Rich reported that it appears that most landowners do not use their yellow parking identification forms mailed to them by the GLA in October 2009. Many still park in Kathleen Ramp's driveway; she has not posted any signs there. Discussion.

6.1.2 K. Ramp's easement *(added to agenda)*
Gerald reported that according to his research, it appears that K. Ramp's easement was not conveyed from the previous owners to the Church.
ACTION ITEM: ***Richard*** – Do further research for legal documents regarding K. Ramp's easement.

6.1.3 Road Signs *(added to the agenda)*
Sheridan reported that missing signs on Capricorn will be installed when weather permits.

File: MtgMins 12 14 09 FINAL
Draft (s): 02 09 10 - Final
Final Approval: 01 11 10 w/amendments

6.2 Master Plan Compliance Subcommittee *(added to agenda)*
Discussion included that the goal of Clare and Neil working on the MP Compliance Committee will be to continue the project of contacting landowners with shelters and associated storage units to determine if they are in compliance with the Master Plan, Bylaws and Covenants.
ACTION ITEM: ***Denise*** – Request Dan Kehoe to forward all information/materials regarding the shelter compliance project to her and she will organize for Neil and Clare.

7. NEW BUSINESS

7.1 Website Committee *(added to agenda)*
ACTION ITEM: ***Alyssa*** - Write up explanation of project review budget changes to post on the GLA website.

7.2 Road Committee –WS/RS *(added to agenda)*
7..2.1 Encroachments on landowner easements/driveways.
Discussion included recent sightings of driveways with rocks and/or other items on them that might be considered as "encroachments."
ACTION ITEM: ***William*** – Draft a letter to send to Landowners who have items that may be encroaching on their neighbor's easements or driveway and vice versa. Include in the letter: (a) Explanation of liability issues concerning encroaching items that may become damaged or cause damage, and; (b) How to identify easements by yellow plastic-capped corner pins.

8. Comment Period for Visiting Landowners. No comments.

9. Adjournment - 9:45 p.m.

10. January 11, 2009, St. John's Church

File: MtgMins 12 14 09 FINAL
Draft (s): 02 09 10 - Final
Final Approval: 01 11 10 w/amendments

Glastonbury Landowners Association

Board of Directors Meeting Minutes

January 11, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order.

The meeting was called to order by Laura at 6:55 p.m., at St. John's Church.
PRESENT: Laura Boise (President), Richard Bolen (Vice President) aka Richard, Janet Naclerio (Secretary - **Took MtgMin Notes)**, Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo and. Rich Spallone (aka Rich)
ABSENT: William Smith, Denise Orr Kirk (GLA Administrative Secretary)
ALSO ATTENDING: Ed Dobrowski

2. Set Agenda.

3. Approve Meeting Minutes for December 14, 2009

MOTION: Sheridan motioned and Clare seconded to approve the December 14, 2009 minutes with amendments. **Motion carried.** (2 Abstentions - Janet and Richard, who did not attend the meeting).

4. Treasurer Reports - Budget Variance, Check & Deposit – SS

4.1 Increase in Administrative Secretary's Hourly Wage

Discussion.
MOTION: Sheridan motioned and Richard B. seconded to approve an increase in the Administrative Secretary's hourly wage from $13.00/hour to $15.00/hour, effective January 1, 2010. **Motion carried.** (1 abstention - Neil)

4.2 Chip Sealing

Discussion and review of the 2009 end-of-year report.

5. Officers' Reports

5.1 Goals for 2010

ACTION ITEM - ***Committee Chairs:*** Submit 2010 goals to Denise by March Board meeting.

5.2 Review/vote on recommended contractors to assist with administrative duties and project review

Alyssa gave the board an overview of the skills and experience of an individual at Creative Digital Office who could possibly assist the Board with administrative duties and project review. Discussion.
MOTION: Alyssa motioned and Janet seconded to proceed with contacting and interviewing the individual from Creative Digital Office and possibly retaining her to handle some of the GLA's administrative duties on a project-by-project basis. **Motion carried unanimously.**

6. UNFINISHED BUSINESS

6.1 e-Receptionist Procedure – LB/DO

The board discussed the possible need to have an additional line added to our e-Receptionist service for $5.00/month.
UNANIMOUS AGREEMENT: The Board approved the adding of another line to our e-Receptionist message service for an additional $5.00/month.

File: MtgMins 01 11 10 Final
Draft (s): 02 09 10 -FINAL
Final Approval: 02 08 10

6.2 Research of legal documents re K. Ramp's easement – RB

Discussion. Alan Shaw will get back to the GLA with information that the CUT has on acquisition of the original easement.

7. NEW BUSINESS

7.1. Project Review – AA/RS

7.1.1 Lot 41-E (SG) Patrick Klein – Home & Variance Application - AA

Alyssa presented the project and described the variance request in regards to the building height. In essence, the slope of the land and log construction on a full, walk-out basement made the overall height from the lowest point of the land to be 3 feet above the standards. The Board considered the placement of the house in respect to the overall terrain and the possible impact on neighbors.

MOTION: Alyssa motioned and Janet seconded to approve the application with the following conditions: 1) The other members in the Klein's subdivision be contacted about the variance and asked to give their input, 2) Gerald will meet the Klein's on-site to verify that setbacks from property lines are being met; 3) the necessary electrical, septic, and plumbing permits be obtained; 4) any disturbed land be re-seeded. **Motion carried unanimously.**

7.1.2 Clarification re: the conditions of Alyssa's resignation from the Board *(new agenda item)*

Alyssa confirmed that she will continue working on the Board until someone is found to replace her as the Project Review Chairperson and she finishes training that person.

7.2 Road Committee – WS/RS

7.2.1 Draft of letter re: encroachments of landowner easements/driveways. TABLED.

7.3 Park County's Request, dated Jan. 5, 2010 for Census Takers to use Glastonbury Roads *(new agenda item)*

MOTION: Richard motioned and Sheridan seconded to grant permission for the Park County census takers to use Glastonbury roads. **Motion carried unanimously.**

7.4 Website - DO

The Board discussed and considered the pros and cons to Daniel's proposal to change the GLA website name from GLA-MT.org to GLAMT.org.

MOTION: Alyssa motioned Sheridan seconded to keep our current website name as it has been, www.GLA-MT.org. **Motion carried.** (1 objection – Daniel)

8. Comment Period for Visiting Landowners.

9. Adjournment: 8:35 p.m.

10. Next meeting: February 8, 2010, 6:45 p.m. at St. John's Church

File: MtgMins 01 11 10 Final
Draft (s): 02 09 10 -FINAL
Final Approval: 02 08 10

Glastonbury Landowners Association

Board of Directors Meeting Minutes

FINAL

February 8, 2010

CONFIDENTIAL – DO NOT COPY

1. **Call to order.**
   The meeting was called to order by Laura at 7:10 p.m., at St. John's Church.
   PRESENT: Laura Boise (President), Richard Bolen (Vice President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo, Rich Spallone (aka Rich) and William Smith
   ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary), Donna Lash, Linda Ulrich, Val O'Connell, Darryl Windorski and Danelie Howe.

2. **Set Agenda.**

3. **Approve Meeting Minutes for January 11, 2010**
   UNANIMOUS AGREEMENT: The Board approved the January 11, 2010 minutes with amendments. (1 Abstention – William, who did not attend meeting)

4. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   UNANIMOUS AGREEMENT: The Board approved the January 2010 Treasurer Reports.

   ACTION ITEM: ***Denise*** - Ask Charlene to change the title of "Virtual Office" to "Virtual Message Service" and to use this new title in all future reports and references.

5. **Officers' Reports**
   5.1 Update re: contractors to assist with administrative duties and Project Review work - LB/AA (5 min)
   Laura and Alyssa introduced Donna Lash to the Board and reviewed her professional skills and qualifications. They reported that they recently interviewed her and presented her as the best qualified candidate to fulfill administrative assistant duties (ie. meeting minutes, agendas and newsletters) and Project Review work.

   MOTION: Richard motioned and William seconded to approve the hiring of Donna Lash to assist with administrative duties and project review work at $15/hour. Donna will sign a *confidentiality agreement, which she has agreed to do. **Motion carried unanimously.**

   Note: A *confidentiality agreement is standard procedure when hiring administrative contractors to work for the Board.

   5.2 Review Standard Process for Newsletters, and Conflict Resolutions (10 min)
   a) Newsletter Process
   ACTION ITEM: ***Denise*** – Send newsletter process to Janet when completed.
   ACTION ITEM: ***Denise*** - Facilitate (1) Announcement to be put on Glastonbury telephone trees requesting landowners to inform the GLA if they have renters and would like us to send an extra newsletter to them to pass on to their renters, and; (2) Placing the same announcement in each newsletter.

b) Conflict Resolution
Laura passed around rough drafts of organizational, committee and conflict resolution flow charts as examples of what might be used in our procedural manuals. Discussion.

ACTION ITEM: ***Laura, Denise & Ronda A*** – Solidify conflict resolution process and flow chart and e-mail to Board members for feedback.

ACTION ITEM: ***Laura*** – E-mail the organizational and committee flow charts to the Board and request feedback

ACTION ITEM: ***Denise*** – Add discussion/approval of organizational, committee and conflict resolution flow charts to March agenda, if completed.

ACTION ITEM: ***Board*** – Bring orientation books to March meeting for update

5.3 Electronic form for Submitting Agenda Items – LB/DOK (3 min)
Agenda Procedure: Each Board member was given an "Agenda Item Request Form, Draft 02 02 10" to review and keep. Laura explained that the form will be finalized and sent electronically to each Board member whenever agenda items are requested prior to meetings. Answers to all questions on the form will be required before an agenda item will be considered.

5.4 April 15 Newsletter Planning & Procedure – LB/DOK (3 min)
Newsletter Procedure: The newsletter process will be formatted as a flow chart. Donna will facilitate/manage the process and Janet will oversee the editing. A project check list will be sent to all who will be a part of the process.

5.5 GLA Board & Committee Goals for 2010 – All Chairs (15 min)
ACTION ITEM: ***Denise*** – When all the Board and Committee Goals are received, compile them and e-mail to all Board members.

5.6 Office Equipment Purchases ***(added to agenda)***
ACTION ITEM: ***Laura, Janet, Dan and Donna*** – Review and discuss laptop and copier purchases.

6. UNFINISHED BUSINESS
6.1 Project Review – AA/RS
6.1.1 Response/update from A. Shaw re: K. Ramp's easement – RB (5 min)
Laura reported she has not yet received a response for A. Shaw.
ACTION ITEM: ***Laura*** – Call A. Shaw again.

6.1.2 Update re: Lot 41-E (SG)/Patrick Klein – Home & Variance application-AA (3-5min)
Alyssa reported: (1) The first two conditions listed in the motion to approve this application have been met. See Item 7.1.1 - Board of Directors Meeting Minutes, January 11, 2010; and (2) She spoke to all neighbors affected by this variance, and;

(3) Gerald met with the owners on site and determined that the setbacks are correct.

6.1.3 Report on Project Review budget changes to post on website – AA
ACTION ITEM: ***Alyssa*** – Work with Daniel to update project review fees and general information for website.

6.1.4 South Glastonbury Fire Pond – WS/RS (3-5min)
Laura reported that she spoke to Philip Hoag (volunteer with local fire department) and asked him if the South Glastonbury fire pond (which was previously rejected for fire fighting use by former fire chief, Mike Graham) could be used again. Philip stated the new fire chief was agreeable to inspect the pond for future use.
ACTION ITEM: ***William*** – Call Philip Hoag to determine what the GLA needs to do to bring the fire pond up to speed prior to inspection.

6.2 Road & Weed Committee –WS/RS
6.2.1 Letter draft re: encroachments of landowner easements/driveways-WS
William reported that he will need to discuss this issue in a Committee meeting prior to composing the letter.
ACTION ITEM: ***William*** – Hold a Committee meeting to discuss encroachment of landowner easements/driveways, etc.
ACTION ITEM: ***William*** - Write an article for the April newsletter explaining the ramifications of possible encroachment deviations by landowners with parcels.
that encroach on GLA easements. Work with Richard Bolen for legal consultation.
Eventually send letters to specific landowners in question.

6.2.2 Plowing of County Roads
Rich reported that he has noticed that the County plows and upgrades Cinnabar Road, a county road, but that it will not do the same for Dry Creek Road, which is also a county road. Therefore, GLA has, over the years, maintained Dry Creek to prevent accidents for our residents. [Note: Some years ago, the GLA formally requested the County to maintain Dry Creek, but the request was rejected].
Discussion included that a request to the County to maintain Dry Creek Road might be facilitated by contacting the County Commissioner by phone, at Commissioner meetings and by a landowner initiated petition demanding the county to maintain the road.

ACTION ITEM: ***Daniel*** – Draft information about the Dry Creek Road and lack of county maintenance to post on GLA website. Submit draft to Board for approval prior to posting.

7. NEW BUSINESS
7.1 Recreation Committee update – LB/JN (3-5 min)
Laura reported that the Committee is working on a Master Plan, fundraising ideas to install tennis courts and a community picnic.

7.2 Website Update - E-receptionist message service – Daniel / Board (2-3 min)
Daniel reported that he has set up a website with information that can be accessed by non-landowners. Discussion included (1) Daniel's ideas regarding possible use of the website for landowner blogging, complaints, conflict resolution; (2) Revisiting changing the name of the GLA website; (3) Selling space for advertising on our site, and; (4) Changing the name of the website to "mygla.org".

ACTION ITEM: ***Daniel*** – If pursuing the name change of the GLA website, e-mail a new proposal to the Board listing the pros and cons, and request that this item be placed on the March agenda.

ACTION ITEM: ***Daniel*** - Write a brief announcement for the April newsletter regarding the opening of the new GLA website.

8. Comment Period for Visiting Landowners. (5 min)

a) Assessments -Linda Ulrich (Landowner)
Linda Ulrich reported that she knows of approximately 20 landowners who would like the GLA Board to discontinue raising assessments and offered to brainstorm with the Board to discover other ways to meet our financial obligations. Discussion included the Board's request to Linda as described in Action Item below.
ACTION ITEM: ***Linda Ulrich*** – (a) Contact the 20 landowners mentioned and gather ideas and solutions pertaining to lowering the assessments and submit in writing; (b) Discuss ideas with Sheridan and William.

b) Overdue Assessment Penalties & Lowering GLA Expenses - Darryl Windorski
Darryl reported that he is currently out of work, was offended to learn of the policy that interest charges would be added to his past due assessments and that he believed this policy was usury. Discussion included the Board's explanation of the legality of interest fees on past due assessments, payment plan options offered to landowners, the Board's willingness to consider hardship cases and, in Darryl's case, the consideration of waiving interest fees based on his expressed intent to submit payment as soon as he is employed.
ACTION ITEM: ***Darryl*** – Submit to the Board the ideas that he believes will help cut GLA costs.

ACTION ITEM: ***Denise*** – Call Darryl & explain procedure for getting on the GLA agenda, etc.

Note: The Board discussed the possibility of holding a community meeting to focus on the GLA budget and consider ideas as to how expenses might be cut.

9. Adjournment: 9:40 p.m.

10. Next meeting: March 8, 2010, 6:45 p.m., St. John's Church, Emigrant

File: MtgMins 02 08 10
Draft (s): 03 9 10-FINAL
Final Approval: 03 08 10

Board of Directors Meeting Minutes

March 8, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by President Laura Boise at 7:10 pm at St. John's Church.

Present: Laura Boise (President), Richard Bolen (Vice-President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo.

Absent: William Smith and Rich Spallone (aka Rich)
Also Attending: Denise Orr Kirk (GLA Administrative Secretary), Donna Lash (Asst. GLA Administrative Secretary), Kathie Garcia and Danelie Howe

2. Set Agenda

3. Approve meeting minutes for February 8, 2010

MOTION: Richard motioned and Daniel seconded approve the minutes with one amendment. **Motion carried unanimously.**

4. Treasurer's reports – Budget Variance, Check and Deposit – SS

MOTION: Janet motioned and Paul seconded to approve the March, 2010 Treasurer's report. **Motion carried unanimously.**

4,1 Timeline for Submitting Invoices to the GLA ***(added to the agenda)***

Discussion.

UNANIMOUS AGREEMENT: New Policy: Contractors working for the GLA will be requested to submit invoices within 90 days from the date of the prior invoice or completion of work. This will assist Board in evaluating the GLA monthly budget.

ACTION ITEM: ***Denise*** **/PDW Project:** Contract forms for GLA vendors should include a request for submission of invoice within 90 days, preferably 30 if possible, of the date pf the prior invoice or completion of work.

5. Officer's reports

5.1 Proposal/vote about for legal consultation on lien procedures

Richard reported that through his research on legal parameters of filing liens in Montana, it has been difficult to determine whether the GLA is using the most appropriate lien form and what is the proper procedure for refilling liens. He asked the Board's approval to contact a title attorney for a projected expense of approximately $200-$300 and noted he would do whatever possible to keep the fee low. Discussion included that placing liens on properties with past due assessments has been the primary process for collecting delinquent assessments.

MOTION: Richard motioned and Alyssa seconded to approve Richard to seek legal counsel from a Montana title attorney about the statute of limitations on liens, to confirm which lien form the GLA should use when filing liens and associated questions. **Motion carried unanimously.**

ACTION ITEM: ***Richard*** – Per the Board's request:: (a) inform the title attorney that the GLA is a non-profit organization with a limited budget, and; (b) determine a projected fee prior to hiring the attorney.

5.2 April Newsletter LB/DOK/DL

5.2.1 Review handout re: newsletter process timelines,

Each attending Board member received a handout that included the role description of each newsletter team member and the various timelines for the April 15 mailing date.

5.2.2 Review/determine topics & authors
The following newsletter assignments will be due March 20.
ACTION ITEM: ***Daniel*** – Write article re: web site update
ACTION ITEM: ***William & Rich*** - Write articles re: (1) Date/place of future Road Committee meeting with landowners to plan road management and discuss/explore ideas to cut GLA road and general expenses; (2) The potential liability for landowners who encroach on GLA road easements, and ;(3) History of GLA maintenance of Dry Creek Road, a Park County road, etc.
ACTION ITEM: ***Laura*** - Write updated articles re: (1) Fire safety reminders and (2) PVRC soccer sign up
ACTION ITEM: ***Paul*** - Write articles re: (1) Spring road maintenance schedule, and; (2) New walking path for GLA community and request for volunteers to help maintain.
ACTION ITEM: ***Gerald*** – Spring weed spraying schedule

5.3 Policy and Procedures Project Update – LB/DOK
Drafts of Posters for Board Meeting Use: Laura distributed samples of posters (i.e. Meeting Norms, Communication Techniques and Landowner Participation previously approved by past Boards) which will be displayed at all future GLA Board Meetings for Landowner and Board reference, when needed.
New Check Request Forms & Cash Advance Forms: Denise distributed updated forms to replace older versions in the Board Orientation binders and for use, when necessary.

ACTION ITEM: ***Denise*** – Send electronic copies of the meeting posters to the Board via e-mail and request suggestions and/or approval.

ACTION ITEM: ***Denise*** **– Procedure:** Add to Board Orientation Meeting planning procedure, that a *separate* orientation meeting (not to be combined with a regular meeting) should be scheduled after the annual elections in order to thoroughly bring new Board members and ongoing ones up to date with meeting procedures and protocol. The meeting might possibly include role playing and a potluck.

5.4 Office equipment acquisition – JN/DL/DO
ACTION ITEM: ***Daniel &Alyssa*** - Prepare office equipment recommendation; discuss with Janet, Donna and Denise to confirm that proposed equipment is practical for secretarial purposes; send final proposal to the Board for approval.

6. UNFINISHED BUSINESS
6.1 Project Review
6.1.1 K. Ramp's easement – RB Tabled

6.1.2 Report on requirements for South Glastonbury fire pond – WS Tabled

6.2 Road Committee – WS/RS Tabled
6.2.1 Landowner encroachment on GLA easements – Tabled

7. NEW BUSINESS
7.1 Project review – AA/RS
7.1.1 Lot 40-E (SG)/Les Seago - Residence, Well, Septic, Driveway- AA
Alyssa reviewed the application.

MOTION: Alyssa motioned and Richard seconded to grant preliminary approval to the Les Seago application for residence, well, septic and driveway on Lot 40-E (SG) with the following conditions: (1) The new owner signs the project application; (2) The building elevation drawings be submitted; (3) the necessary septic, electrical and plumbing permits be acquired, and; (4) The land be reseeded after construction. **Motion carried. (1 abstention – Paul)**

7.2 Roads and Weeds – WS/RS Tabled

7.2.1 Review/approve draft position concerning county maintenance of Dry Creek Road – DO Daniel reported that more research is needed to complete this work.

7.3 Web site upgrades – DO ***(added to the agenda)***

Daniel reported that per his recent e-mail survey to the Board, eight favored adding an additional website named "MYGLA.org" which would have functions designed specifically for landowners.
ACTION ITEM: ***Daniel*** - Take necessary steps to create an additional domain name of MYGLA.org. and ensure that the new website will have a link to bring viewers to the original GLA-MT.org website.
Policy Reminders: It was noted that all contents, additions and changes to the GLA website need to be approved by the Board prior to placing them on the website. Also, when asking for email votes from the Board, a voting form must be used and hard copies presented as backup.
ACTION ITEM: ***Gerald & Daniel*** **-** Draft an update report concerning GLA's website feature of listing real estate sales in Glastonbury and the potential revenue that could be generated by creating an opportunity for others to advertise on our website.

8. Comment period by visiting landowners

The Board answered Kathie Garcia's questions. Based on hardships faced by elderly Haitians after the recent earth quake, she stated that she believes it is important that all should consider helping the elderly in our community to be prepared for unexpected emergencies.
ACTION ITEM: ***Kathie Garcia*** **-** Volunteered to write April 15 newsletter article re: the importance of the elderly being prepared for emergencies and how neighbors can assist.
ACTION ITEM: ***Denise*** **-** Send Kathie Garcia current Board policy and procedures as concerning how landowners can request that an item be placed on the GLA Board Meeting Agenda and how to contact the Board through the Virtual Message Service.

9. Adjournment: The meeting adjourned at 8:50 pm.

10. Next meeting: April 12, 2010, 6:45 p.m. at St. John's Church

Questions re: Liens for Attorney

Based on the lien form the GLA has used up to this point:

1) ***How long after filing these liens*** do we need to renew them?

2) What form do we use to renew the lien?

3) Should we be using a different lien form?
If so, what is it?

4) Should we be using a different lien release form.

a) Do we need to release a lien within one month of being paid to avoid penalties/fees, etc.?

5) Is there any way to assure that the GLA will receive past due assessments when a property goes through foreclosure or is, for example, becomes the property of the city because property taxes haven't been paid, and it is auctioned off, etc.?

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

April 12, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to Order: The meeting was called to order by Vice-President Richard Bolen at 7:05pm at St. John's Church

PRESENT: Richard Bolen (Vice-President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Rich Spallone (aka Rich), and Paul Ranttalo.

ABSENT: Laura Boise (President), William Smith and Clare Parker.

ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary), Donna Lash (Asst. GLA Administrative Secretary), Danelie Howe, Chuck Muto, Kristine Sones, Robert Sones, Val O'Connell, Paula Trisdale, Ron Wartman and Sylvia Marshall.

2. Set Agenda – An issue to be presented by landowner Paula Trisdale was placed on the agenda under New Business.

3. Approve Meeting Minutes of March 8, 2010

MOTION: Sheridan motioned and Janet seconded to approve the March 8, 2010 minutes. **Motion carried.** (1 abstention – Rich, who did not attend meeting)

4. Treasurer Reports-Budget Variance, Check & Deposit - SS

MOTION: Janet motioned and Rich seconded to approve the March 2010 Treasurer reports. **Motion carried unanimously.**

5. Officers' Reports

5.1 April 15 newsletter update – DL/DOK

Donna & Denise reported the newsletter mailing was on schedule. Newsletters were given to attending Board members to save postage.

5.2 Lien research with title attorney - RB Tabled

5.3 Review new meeting posters - DOK

Board members were given notebook size versions of Board Meeting posters regarding norms, etiquette and Landowner meeting participation to insert into their orientation binders. These were also inserted into the Landowner sign-in notebook for Landowner guests to review. The posters will be blown up and posted at the May meeting.

5.4 Update re: office equipment research – DO/AA

Daniel reported that research is still in process as windows to windows compatibility concerns between Mac computers and other PC computers are still being considered. Board discussion revealed that not all Board members can open up documents formatted in docx, which they receive from other Board members from time to time.

ACTION ITEM: ***Denise*** - Send documents saved in the docx format to Daniel for further compatibility review on a Mac computer.

ACTION ITEM: ***Board Members who need to update Microsoft Word Software*** – Download docx conversion (link is normally provided when you cannot open a docx document); contact Daniel by phone or e-mail for assistance, if needed.

Board of Directors Meeting Minutes

April 12, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

6. UNFINISHED BUSINESS

6.1 Project Review – AA/RS

6.1.1 Lot 40-E (SG)/Les Seago project update -AA

Alyssa reported that the application has been retracted and the fees were not retained except for the application fee.

7. NEW BUSINESS

7.1 Project Review – AA/RS

Alyssa reviewed the applications

7.1.1 Lot 35-A (SG)/Clare Parker, garage addition - AA

MOTION: Alyssa motioned and Rich seconded to approve Clare Parker's Lot 35-A (SG) garage addition application with the following conditions: (1) any disturbed land is to be reseeded after construction, and; (2) the necessary electrical permits are obtained. **Motion carried unanimously.**

7.1.2 Parcel 66 (NG)/Ronda Alexander, house addition - AA

MOTION: Alyssa moved and Rich seconded to approve Ronda Alexander's Parcel 66 (NG) house addition application subject to the condition that any disturbed land is to be reseeded after construction. **Motion carried unanimously.**

7.2 Paula Trisdale – Request to the GLA for Letter

Paula disclosed that she and her husband, James Trisdale, are being sued by a neighboring Landowners, Leo and Dorothy Keeler, for alleged non-compliance with the GLA Covenants. She presented her perspective on the history of her neighbor's complaint leading up to the lawsuit. Richard also recounted the efforts of the GLA to assist in resolving the complaint. Paula requested that the GLA write a letter, which she will give to her lawyer, describing the Trisdale's level of compliance with the GLA Covenants as pertaining to the neighbor's complaint.

ACTION ITEM: ***Richard w/Board Input*** - Draft a letter from the GLA to the Trisdales that states the GLA's perspective on the Trisdale's level of compliance with the Covenants as pertaining to each area of their neighbor's complaint. Circulate to the Board for review/input.

8. Comment Period for Visiting Landowners

Questions and discussion regarding the following topics included: (a) Richard explained that the title attorney will be consulted to clarify legal questions regarding lien filing. These questions could not be verified through research, etc; (b) How Landowners may propose a motion to Board members (who are their elected representatives) for consideration, but may not actually make a motion or second it; (c) How the Covenants can be amended (see Covenants, Section 2.05), and; (d) Clarification that the GLA is not involved in any way with the Park County census regarding the township issue and cannot pose a position on that proposal. Richard noted that the GLA did grant permission for township census takers to use GLA Common Roads in response to a request from the Park County Commissioners.

In addition, a Landowner made a positive comment that the Board appeared to be the "most open" he had seen in years.

9. Adjournment: The meeting adjourned at 8:30 pm.

10. Next meeting: May 10, 2010, 6:45 pm at St. John's Church.

Glastonbury Landowners Association Newsletter

Spring 2010

New Nature Walking Path Progresses

We are very excited about the continued work of developing the new nature walking path through our local cottonwood and willow groves next to Fridley Creek. Eventually, the walking path will be 2.5 to 3.5 miles long, and will extend all the way to the Recreation Park.

When finished, the path will have a stabilized gravel surface for pedestrian traffic and bicycles. There will also be resting benches along the way for bird watching or checking out the beaver traffic in the creek.

Additional donations of gravel are needed to assist us in the completion of this project. If you are interested in helping to accomplish any of this, or if you are interested in developing a walking path in South Glastonbury, please leave your contact information with our Voice Message Service at 451-0033.

Fire Safety and Prevention

It's springtime, and as firefighters across the country gear up for summer fire season, we would like Landowners to be reminded of fire safety and prevention measures. Because vegetation acts as fuel during a fire, it is important to reduce all unwanted vegetation at least 30 feet around homes and other buildings, and mow around your green power and telephone boxes. To learn more about fire prevention, go to: www.firewise.com.

Even though weather and vegetation play a significant role, it is important to know that seventy-five percent of wildfires are caused by people being careless. That means seventy five percent can be avoided by always having immediate access to water near your home, and being aware of fire safety measures.

Although the Glastonbury Covenants only require chimney spark arresters to be installed in new residences, it is strongly recommended that they be installed on *all* chimneys and stove pipes in older homes as well. Also remember that stove pipes must be cleaned each year to help prevent chimney fires. Spring and summer months are perfect times to take care of this.

Before doing any spring burn off, a fire permit is required. They can be obtained from the Emigrant Store or the Livingston Ranger District: 222-1892.

All Glastonbury Residents need to be in the Know

The GLA Board encourages Landowners to keep their renters and guests informed about the Association and the covenants, policies and rules which govern our community. Many residents remain unaware of this important information. Landlords: please share the newsletters and all of the above with your renters and guests, as appropriate. The GLA will be happy to send extra newsletters to you to assist in this process. Feel free to request these from our Administrative Secretary. See page 3 for contact information details.

Glastonbury Road Committee News

Spring Road Grading Schedule

Road grading generally begins sometime in May to coincide with spring rains, weather permitting. Please remember to drive slowly and carefully once the grading is complete, as there can be loose gravel, and we want to preserve our investment.

Weed Spraying Schedule & Tips for Weed Control

Weed spraying along road easements and GLA Common Land generally occurs in late June. If a Landowner does not want the easement portion of his parcel to be sprayed, please be aware that it then becomes his/her responsibility to pull all weeds and place "no spray" signs *visibly* along the easement areas of his/her property. If the weeds are not removed prior to the time of spraying, the weeds will be sprayed.

Although the GLA takes care of weed spraying along the easements, weed eradication is the responsibility of each Landowner on his/her own property. Please understand that per the Park County Weed Control Board, it is unlawful for anyone to allow noxious weeds to propagate on their property.

There are many varieties of noxious weeds, and since some of them have beautiful flowers that could otherwise be thought to be wildflowers, it is important to be able to identify them. It is necessary to remove and control these so they do not choke out real wildflowers and beneficial grasses. You can find pictures of noxious weeds that are a problem locally and ways to control and eradicate them at the County Extension Office. Go to www.weedawareness.org for more information.

Remember that spring is the best time to take steps toward controlling weeds on your property when grass is turning green and small weeds are coming up. It takes little effort to pull weeds when the ground is soft after spring rains. Also, it takes only a small amount of weed killer to do the job if treated before the plants have a chance to take root.

Native grass seeds can also be planted to assist with weed control, since the weeds cannot compete with native grasses. Grass seeds can be planted after the weeds are controlled. As new seeds need constant watering in the initial germination and growth period, some Landowners have had great success planting seed in early spring to catch the spring rains. However, the Montana State University Extension Office recommends waiting until the end of May to plant, when the risk of frost has passed.

Native grass seed, like sheep fescue, takes two years to get established. During those two years, the grass will not need to be watered if it is not mowed. But if mowed, then watering is essential for the grass to survive.

Please remember that the GLA Covenants (Section 4.05) require Landowners to make reasonable efforts to control and prevent the spread of noxious weeds on their properties. It is our hope that this information will assist you in doing so.

Glastonbury Landowners Association Newsletter

Spring 2010

GLA Road Easements

It has come to our attention that there are owners who are unaware that the GLA road easements extend approximately 30 feet from the center of the roads and that the roads do not always exactly follow the platted center

Landowners need to be aware that they may have unknowingly established bushes, trees, mailboxes, fences, driveway entrance boulders, rock pillars, etc., within these easements. Where this occurs, owners need to understand that they may be responsible for any potential liability caused by encroachments. The GLA believes it is in everyone's interest to keep the easement areas open and free of encroachment.

Maintenance of Dry Creek Road

Although Dry Creek Road, which is the only entrance road to South Glastonbury, is a county road, the Park County snow removal schedule has not designated it for early morning snow removal. In the interest of safety and convenience to the owners, the GLA has been clearing the snow to allow for early morning winter traffic.

If Landowners would like to see the GLA's expense of snowplowing and maintaining Dry Creek Road reallocated to other road priorities in SG, then all early morning snow removal and maintenance calls for this road should be directed to Ed Hillman, Park County Road and Bridge Supervisor. He can be contacted at 222-4182 or cell phone 223-2860.

For newer owners, it is also important to understand that, because Dry Creek Road was originally a very poorly maintained gravel road with many pot-holes, and the county rarely graded it and had no plans to upgrade it with gravel or asphalt, the owners requested and voted to have the road paved, with the county agreeing to chip seal and maintain it.

Landowners Invitation to a Special Road Meeting, May 20, 2010, 7 p.m. at St. John's Church

After a round of enthusiastic and constructive discussion between the Road Committee and Landowners at our 2009 Annual Meeting, the Road Committee announced that it would hold a joint committee and interested Landowner meeting to further discuss road planning and road budget matters. The Road Committee looks forward to this special meeting with Landowners on May 20.

Given that 78% of the GLA budget is allocated just for road maintenance, we are interested in hearing from Landowners regarding what their greatest needs and priorities are for the roads. Please come and share your ideas as we continue this important discussion concerning the future planning of our roads. If you are unable to attend, you can send your ideas in writing, via e-mail through our website or by calling William Smith at 223-9040, Rich Spallone at 223-0215, or Paul Ranttalo at 333-4672.

Youth Soccer Association

Sign-ups start in May. Contact Jodi Allen at 222-9086 if your children are interested in Recreational Youth Soccer this season,

Recreational Park Development

If you are would like to donate your time, materials or expertise to assist with the development of recreational facilities or community activities at our North Glastonbury Recreational Park, please call Chris Kelley at 333-4714.

Financial donations can be mailed to: The PVRC, P.O. Box 906, Emigrant, MT 59027.

Community Garden Development

For those of you with green thumbs and interested in helping to establish a Community Garden or Farmers Market this summer, please contact Danilie Howe at 333-4839.

Community Clean-Up

Springtime is clean-up time. Please remember that if you have any old inoperable vehicles, part of your car registration fee covers the disposal of these vehicles. Per the Department of Transportation in Livingston, if you would like to have one removed, call Clay Williams at 578-2581 to make arrangements.

Good News for Shelter Owners

This spring the GLA would like to help facilitate the completion of shelter projects in need of backfilling and reclaiming of disturbed areas by coordinating needs and resources. To find out more, and make arrangements for the group discount, please call Clare Parker at 406-333-4614.

Clarification for All Landowners

From time to time, the GLA Board has heard from Landowners and Non-Landowners, who believe that the GLA is affiliated with or working with various activities and organizations in the area. For clarification, the Association is not affiliated with the County Commissioners, the Township project, any church or organization, local community halls, centers or telephone tree service providers.

Forest Stewardship Summer Workshop June 3, 4 & 11, 2010

The M.S.U. Forestry Extension will be offering a Forest Service Stewardship Workshop in Bozeman, Montana this summer on the above dates. Local residents, who have attended this workshop, highly recommend it. For registration forms, go to: www.cfc.umt.edu/extensionforestry or call (406) 243-2773.

Revised Meeting Schedule for the GLA Board of Directors & Annual Elections 2010

Below is our revised/corrected GLA Board Meeting schedule for the remainder of 2010. It will also be posted on our website. Please do not use the schedule posted in our winter newsletter. Our apologies for any inconvenience this may have caused.

Regular Board Meetings are held at St. John's Church in Emigrant, Montana and usually fall on the second Monday of each month. If additional meetings or a change in the schedule is needed, we will post these on our website. Landowners are welcome to attend these meeting and may subscribe to receive monthly meeting agendas via our website.

Although meeting dates rarely change, we encourage Landowners to check the GLA website prior to traveling to a meeting *just in case* a change has been posted.

2010 Meeting Dates for Board of Directors
6:45 p.m. - 9 p.m. (approximately)
St. John's Church, Emigrant

April 12
May 10
June 14
July 12
Aug. 9
Sept. 13
Oct. 4 (1rst Monday)
Nov. 8
Nov. 22 (Private Orientation Meeting for Board Members Only)
Dec. 13

2010 Annual Landowner Business Meeting and Elections
8:45 a.m. – Noon (approximately)
Emigrant Hall, Emigrant
Saturday, November 13

Are you Selling your Property?

If so, when your property sells, please remember to forward the name and contact information of the new Landowner to the GLA. This important communication helps us to keep our Landowner database up-to-date and allows us to connect with new owners, welcome them to our community and share important information pertaining to membership in the Association.

Please contact our Treasurer, Sheridan Stenberg, at (406) 333-4589 with new owner information or complete the "transfer of property" form on the GLA website.

GLA Contact Information

Please direct your questions, comments or concerns to the GLA in one of the following ways:

Mail: **P.O. Box 312, Emigrant MT 59027**

Phone: **406-451-0033 / GLA Message Service**

E-mail: **www.gla-mt.org** (Hit the "Contact Us" prompt and an e-mail message form will be provided)

*We are in the process of redesigning the GLA website with the goal of making it more user-friendly for Landowners. If you have ideas for improving our website or can volunteer design or web development experience, feel free to leave a message for Daniel at our Message Service number above. Thank you.

E-mail Subscriptions for Newsletters

To assist in reducing mailing expenses, you can request to receive your GLA newsletter by e-mail. Sign up at: www.gla-mt.org.

Effective Communication Techniques

Communication Etiquette

Don't Use Judgmental Tactics

- **Blaming**: "You're the one who..."
- **Interpreting**: "You tried to manipulate..."
- **Judging**: "You are deceptive..."
- **Moralizing**: "You're motivated by..."
- **Exaggerating**: "Everyone/No One thinks..."

"You" Creates Defensiveness

- "You misunderstood..."
- "You always..."
- "You never..."
- "You told me..."
- "You need to..."

Use "I" Statements

- "I see it this way...
- "I had another perspective on..."
- "I think it might be helpful to..."
- "I was wondering if...

Be specific

- **Vague**: "I want you to be more considerate of my needs."
- **Specific**: "I'd appreciate it if you would ask me about ... before you do..."

Minimizing Miscommunication

Restate and/or Clarify

- "If I understand correctly, you would suggest that we..."
- "What I heard was...is that correct?"
- "I'm a little confused about...would you mind stating it again?"

Stay Focused on the Issue

- Keep personal stories out of the conversation
- Minimize the number of words; too many words causes listener to lose interest
- Use notes to help you keep focused

Keep Repetition to a Minimum

- Beginning of Communication: state purpose of communication
- During Communication: repeat points only if listener asks or indicates confusion
- End of Conversation: summarize (repeat) what you discussed and agreed upon

Glastonbury Landowners Association, Inc.

Board Meeting Norms

Meeting Etiquette

- Respect each person's input
- Be patient and understanding
- Communicate honestly and tactfully
- Curtail interruptions and sidebars
- Remain open to suggestions
- Honor allotted timeframes
- Stay on task
- Focus on the facts
- Leave out personal biases/stories
- Allow differences and resolve promptly

GLA's Rules of Order

President's or Appointed Chair's (Executive Officers)Role

- Chairs meeting; not allowed to vote except to break tie
- If President or Appointed Chair wants to comment on motion, Chair is relinquished to Vice President or Executive Officer

Motions

- Any Board member may make a motion
  - Board Members may call for a vote any time after motion has been seconded
  - If motion not seconded, issue is off the table
- If motion seconded, issue is open for discussion
  - Discussion time limit: approximately 3 minutes per person
- Motion must be voted on or amended before moving to new motion
- Amendment to motion must be voted on before voting on original motion
  - If amendment passes, then original motion with amendment is voted on
  - If amendment isn't passed, then original motion is voted on

Unanimous Consent

Routine matters may be decided by unanimous consent

- if there is objection to unanimous consent, vote must be taken

Glastonbury Landowners Association, Inc.

Landowner Participation at Board Meetings

Requesting Additions to Agenda

Prior to Board Meeting

- Submit agenda item(s) to Committee Chair, Board Officer or Administrative Secretary at least 15 days prior to scheduled meeting
  - Present specific request on "Landowner Agenda Item Request" form
  - Provide documentation to support agenda item
- Submitting agenda item(s) prior to meeting allows the Board to:
  - Review concern/issue
  - Determine if item should be handled at meeting or another time
  - Request additional information/documents
  - Schedule time allotment on the agenda if applicable

At Beginning of Board Meeting – When Agenda is Set

- May request agenda item only at beginning of meeting, when agenda is set
- Board will determine whether or not to place item on agenda
  - If added, Board will assign agenda slot and time frame
  - If not added, Board will follow-up with Landowner to decide best plan of action

Landowner Involvement

Comment Period for Landowners

- An open forum is planned at end of meeting for Landowners
  - Utilize this time for items not included on agenda
  - Landowner may submit comments on "Landowner Comment Form"

- If invited to discuss agenda item prior to Comment Period at meeting:
  - Plan 3-5 minutes for presentation unless Board communicates otherwise
  - Honor Board Meeting Norms and Effective Communication Techniques
  - Provide written documentation for all Board Members and Assistant Administrative Secretary at beginning of meeting (13 copies)

Glastonbury Landowners Association, Inc.

Agenda Items: GLA Landowner Request Form

Landowners may request an item be added to the agenda of a monthly GLA Board Meeting as follows:

1. **Timeline for Submitting Agenda Items is 15 Days Before a scheduled Board Meeting**
   a. Submit this form to the appropriate Board Officer or Committee Chairperson ***at least 15 days prior to a scheduled meeting.*** You may mail your request or hand-deliver it to the appropriate Board Member and Assistant Administrative Secretary. For your reference, a list of the 2010 Board meeting dates, Board Officers, and Committee Chairpersons are on the back of this form.
   b. Receiving your agenda request 2 weeks prior to a monthly meeting allows the Board time to review your item, determine if it should be handled during or outside of a Board meeting, request additional information/documents, and, if applicable, allot time on the meeting agenda for the item to be presented.

2. **Time-Sensitive/Critical Agenda Items Arising After the 15-Day Timeline**
   a. Contact the appropriate Board Officer or Committee Chairperson as soon as possible.
   b. Submit your written request and explain why it needs to be considered at the upcoming Board meeting.

3. **Time-Sensitive/Critical Agenda Items Arising at a Board Meeting**
   a. Landowners may request that a timely item be added to the agenda completing this form and submitting it to the Assistant Administrative Secretary before the start of the meeting. It will be at the Board's discretion whether or not to place the item on the agenda
   b. At the beginning of each Board meeting, the chairperson "sets" the agenda by asking Board members if there are items that might be added to the agenda or existing items that should be removed. During that discussion, it will be at the Board's discretion whether or not to add new items.
   c. At the end of the meeting a 10 minute open forum comment period is scheduled for Landowners.

Please keep a copy of your completed form for your records.

Please print:

Board of Directors Meeting Minutes

May 10, 2010 6:45

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order: The meeting was called to order by Vice-President Richard Bolen at 7:12 p.m. at St. John's Church.

PRESENT: Richard Bolen (Vice-President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell and William Smith
ABSENT: Laura Boise (President), Clare Parker, Rich Spallone (aka Rich) and Paul Ranttalo.
ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary), Donna Lash (GLA Assistant Administrative Secretary), Val O'Connell, and Ken and Deb DeGraff.

2. Set Agenda A project review application was placed on the agenda under New Business

3. Approve Meeting Minutes of April 12, 2010
MOTION: Alyssa motioned and Sheridan seconded to approve the April 12, 2010 minutes with an amendment. **Motion carried.** (1 abstention – William, who did not attend meeting)

4. Treasurer Reports-Budget Variance, Check & Deposit – SS
MOTION: Alyssa motioned and William seconded to approve the April 12, 2010 Treasurer reports. **Motion carried unanimously.**

5. Officer Reports

5.1 Summer newsletter - DL

5.1.1 Review July 15 time line.
Articles will be due June 15, 2010.

5.1.2 Determine topics and authors
The Board approved the following newsletter articles and writing assignments:
ACTION ITEM: ***William/Charlene*** – Write article on 5/20 Road Meeting
ACTION ITEM: ***Gerald*** - Write progress report on NG walking path
ACTION ITEM: ***Donna*** - Write articles re: mowing reminder for fire prevention, reminder re: using reflectors for safe night walking and bicycling, and request for written Landowner input for 2011 budget planning.
ACTION ITEM: ***Laura/Denise*** – Write article re: November Annual Meeting.
ACTION ITEM: ***Laura*** – Write article re: activities at the Recreation Land.
ACTION ITEM: ***Gerald*** - Ask Charlotte Mizzi to write article re: update on GAV community garden
ACTION ITEM: ***Donna*** – Write articles per discussion at June meeting, re: classified ads from businesses and individuals for website.

5.2 Website report – DO/GD

5.2.1 Feature of listing real estate sales and resulting revenue – DO
Daniel reported: (1) There are 4 newsletter subscriptions from the existing website, and; (2) A realtor has requested to list a Glastonbury property on our website property for sale feature. Discussion.
MOTION: Daniel motioned and William seconded to establish a non-refundable $60/year fee for each real estate listing of Glastonbury property on the website and that he and William will write the contract details. **Motion carried unanimously.**

ACTION ITEM: ***Alyssa*** – Send the newsletter in PDF format to Daniel
ACTION ITEM: ***Daniel*** – Place PDF copy of newsletter on GLA website
ACTION ITEM: ***Daniel/William*** – Write contract details for property listings on the GLA website and send to Richard for review.
ACTION ITEM: ***Donna*** – Add to June 14 Board Meeting Agenda: discussion concerning classified ads from businesses and individuals for website.

5.3 Poster information for board meeting protocol – LB/DOK
Denise displayed 3 meeting protocol posters to be posted at all future meetings..

5.4 Recommendation for new office equipment – DO/AA
Alyssa reviewed reasons for recommending a MAC computer. Discussion.
MOTION: Alyssa motioned and Sheridan seconded to purchase a MAC computer for the GLA. Alyssa and Daniel will ascertain the best price and model per the allocated budget. **Motion carried.** (1 abstention - Neil.)

5.5 Report on lien procedure research –RB Tabled.

6. UNFINISHED BUSINESS
6.1 Project Review –
6.1.1 Update re: information from A. Shaw on K. Ramp's easement –RB
Richard reported that the easement is in dispute and that he will follow up on this issue. Ken and Deb DeGraff inquired about the status of K. Ramp's locked gate and expressed concern about this long standing issue.
ACTION ITEM: ***Richard*** – Resume research on the K. Ramp easement issue and locked fence. Keep the DeGraffs updated on the fence issue.

6.2 Road & Weed Committee –WS/RS
6.2.1 May 20 Road/Budget Meeting with Landowners – WS
William reported he will conduct the meeting and reviewed the agenda. Charlene will handle the publicity and minute taking and Sheridan the refreshments.
ACTION ITEM: ***Donna*** -Coordinate GLA refreshments supplies with Sheridan.
ACTION ITEM: ***Denise*** - Assist Charlene to reformat publicity poster. Xerox meeting materials.

6.2.2 South Glastonbury Fire Pond – WS/RS Tabled

6.2.3 Draft letter re: encroachments of landowner easements/driveways – WS (5 min) Tabled

6.2.4 Review draft position concerning county maintenance of Dry Creek Road for website – WS/DO
William reported that a letter is being written by Walter Wunsch asking the Park County Commissioners to review the maintenance of Dry Creek. Photos of the existing Dry Creek road condition will be sent with the letter.
UNANIMOUS AGREEMENT: The Board agreed that when the county response to this matter is received, it will be reported in the newsletter, but not on the website.

ACTION ITEM: ***William*** – Contact County Weed Staff to discuss possibility of giving a weed map report to Landowners. If it appears that schedules are compatible, arrange with Janet to book St. John's Church.
ACTION ITEM: ***William, Board*** - Be aware that blue road signs indicate private roads, and green road signs designate public roads.
ACTION ITEM: ***Donna*** – Write a short article for the July newsletter that explains the significance of blue and green road signs, etc.

6.2.5 Proposal re: schedule of repayment from general fund for chip sealing ***(Added to the Agenda)*** Discussion.
MOTION: Whereas, North Glastonbury asphalt roads received crack sealing and chip sealing which did not benefit South Glastonbury roads;
Whereas an amount totaling $20,023.00 was paid from the general fund toward the chip sealing contractor's invoice in order to meet contractor's demand for payment;
Whereas the money was paid out of the general fund and from year to year North Glastonbury and South Glastonbury are each entitled to half of these funds, therefore only half of this amount ($10,011.50) is required to be repaid;
Whereas North Glastonbury has agreed to repay this amount in total through deductions from its share of the road budget;
Whereas, an extraordinary deduction in any one year from this share of the budget would cripple the Road Committee's ability to provide adequate road maintenance;
Therefore, I, William Smith (William) motion, seconded by Alyssa, that the GLA Board adopt the schedule for repayment of $10,011.50) to the general fund in four equal annual payments of $4000 in the years 2010, 2011, 2012, and 2013 and a final payment of $4023.00 in 2014. **Motion carried unanimously.**

6.3 Complaint updates – RB **6.3 Complaint updates – RB**
Richard reported: (1) He responded to the Trisdale's April 5 letter to the Board (the Trislales submitted this letter to the Board at the April 12 Board Meeting). Richard's response was also directed to the Keelers and copies were sent to the Board;
(2) The Trisdales filed a counter complaint against the Keelers, and; (3) Richard will respond to another letter from a letter from the Trisdales, dated April 12, 2010, which requests withdrawal from the GLA; he will clarify that Landowner rights and responsibilities transfer with the land, and thus it is not possible to withdraw membership from GLA when one owns land in Glastonbury.

ACTION ITEM: ***Richard*** – Draft response to the Trisdale's letter requesting withdrawal from the GLA.

7. NEW BUSINESS
7.1 Project Review – AA
7.1.1 Lot 86 (SG)/Guy Gravert, barn. –AA ***(Added to the Agenda)***
Alyssa reviewed the application.

MOTION: Alyssa motioned and William seconded to approve the Lot 86 (SG) Guy Gravert barn application with the following conditions: (1) Lot line setbacks and building heights are clarified, (2) Any disturbed land is to be reseeded after construction, and; (3) the necessary electrical permits are obtained. **Motion carried unanimously.**

7.2 Administrative Secretary Schedule ***(Added to the agenda)***

Denise announced that she will no longer be attending board meetings, but will continue to work with Donna, Assistant Administrative Secretary, and handle other administrative duties, including the PDW Project.

ACTION ITEM: ***Board Members*** – Continue to **cc** Denise regarding all Board related matters, including emails to Donna.

8. **Comment Period for Visiting Landowners.**

9. **Adjournment:** The meeting adjourned at 9:47 pm.

10. **Next meeting:** June 14, 2010, 6:45 pm at St. John's Church.

Board of Directors Meeting Minutes

June 14, 2010 6:45

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order: The meeting was called to order by President Laura Boise at 7:13 p.m. at St. John's Church.
PRESENT: Laura Boise (President), Richard Bolen (Vice-President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Paul Ranttalo, Daniel O'Connell and Rich Spallone (aka Rich)
ABSENT: Neil Kremer, Clare Parker, and William Smith
ALSO ATTENDING: Donna Lash (Asst. GLA Administrative Secretary), and Val O'Connell.

2. Set Agenda The agenda was adopted as presented.

3. Approve Meeting Minutes of May 10, 2010
MOTION: Alyssa motioned and Sheridan seconded to approve the May 10, 2010 minutes with an amendment. **Motion carried.** (3 abstentions – Richard, Laura & Paul did not attend meeting)

4. Treasurer Reports-Budget Variance, Check & Deposit – SS
MOTION: Alyssa motioned and Richard seconded to approve the May 10, 2010 Treasurer reports. **Motion carried unanimously.**

5. Officer Reports

5.1 July Newsletter Progress Report – LB/DL
Donna reminded board members that the newsletter articles are due 6/15/10. Discussion. Weed spraying article will be deleted from newsletter as weed spraying will take place 7/4/10.
See additional newsletter article information in Sections 6.1 and 8 below.

5.2 New office equipment follow-up – AA/DO
Daniel reported that delivery of the new Apple computer, which cost $1,099, is expected mid-week. A Microsoft Office software installation (also included in budget) will be purchased.
ACTION ITEM: ***Alyssa*** – Deliver Microsoft Office software to Daniel for GLA purchase.

6. UNFINISHED BUSINESS

6.1 Road and Weed Committee – WS/RS

6.1.1 Follow-up report on May 20 meeting with Landowners – RS/SS
Sheridan distributed copies of Charlene's notes from the May 20 meeting and a draft of a road maintenance survey that was requested during the chip sealing project. Discussion.
ACTION ITEM: ***Laura*** – From Charlene's drafts and newsletter article, create a letter to Landowners introducing idea of road survey and request responses be given online, by email, or regular mail. Re-write road survey so that it is more educational and indicative of Landowner references.
ACTION ITEM: ***Donna*** – Write newsletter article to educate Landowners about road maintenance costs using Charlene's notes of May 20 meeting and introduce idea of future road survey
ACTION ITEM: ***Rich*** – Send gravel delivery costs for Upper South, Lower South and North Glastonbury to Laura, Sheridan, and Donna for survey and newsletter.

6.1.2 Review research on weeds in Glastonbury &potential weed map meeting – GD
Gerald shared weed maps and weed inventories that Melissa Bridges is generating for Park County and in particular for Glastonbury. He reported that when Melissa gathers more data, she will be willing to share it with the GLA board. Discussion on cheat grass followed.
ACTION ITEM: ***Gerald*** – Write article for newsletter on cheat grass control and management. In addition to weeding cheat grass when it is young, the article will explain how to use of vinegar and dish washing soap for cheat grass control.

ACTION ITEM: ***Gerald/ Rich*** – Make lists of (a) areas where there are significant noxious weed populations in Glastonbury and give list to Laura, and (b) names of owners who don't want weeds sprayed near their properties.

ACTION ITEM: ***Laura*** – Using Gerald's and Rich's lists, help to initiate the creation of a database containing known weed infested areas, including names of property owners and their parcels; (b) Review and update GLA's standard letter that notifies specific owners of serious knapweed or noxious weed control issues on their properties. Facilitate mailing, and; (c)Initiate the creation of a database containing names/parcel numbers of Landowners, who do not wish to have weeds sprayed near their properties

NEW BUSINESS

7.1 Project Review – AA

7.1.1 Pam Richardson, Parcel 63 (SG) – Withdrawal of driveway & well application.
MOTION: Alyssa motioned and Daniel seconded to refund Pam Richardson's Parcel 63 (SG) driveway and well application fee less the processing and impact fees of $22.50 and $25,00. **Motion carried unanimously**.
ACTION ITEM: ***Alyssa/Sheridan*** – Facilitate refund of Pam Richardson's Parcel 63 (SG) barn application fee less the processing and impact fees of $22.00 and $25.00.

7.2 Website - DO

7.2.1 Daniel introduced a proposal that board member photos and short bios be put on the updated website.
ACTION ITEM: ***Daniel*** – Draft a proposal for board member photos and bios to be placed on website. Email to Denise for email distribution to the board for voting approval.
UNANIMOUS AGREEMENT: If the Board approves Daniel's email proposal to post their photos and short bios on the updated website, this information will only be accessed by Glastonbury Landowners using a security code
ACTION ITEM: ***Denise*** –Format DO's website proposal and email to board members to vote upon.
ACTION ITEM: ***Daniel*** – Send draft of Landowner web-site security access code/password to Richard for review.

7.2.2 Report on use of virtual message service (added to the agenda)
ACTION ITEM: ***Daniel*** – Check with Denise to see that all phone messages are forwarded to her as well as to the intended recipient.

7.2.3 Web site contract for real estate listings – DO

Daniel reported the real estate listings contract and terms of use for website is ready for Richard's review.

ACTION ITEM: ***Daniel*** – Send drafts of the contract and related terms of use to be used for placing ads for sale of Glastonbury real estate on the GLA website to Richard; then, when these documents are ready, send copies to all Board members for review.

ACTION ITEM: ***Daniel*** – Write an article for 7/15/10 newsletter announcing potential website real estate listing service for Landowners. Note that the $60/year/listing handling fee is reasonable for text and photos of property for sale.

ACTION ITEM: ***Alyssa*** – Draft a letter to real estate agents, who list Glastonbury properties, announcing this advertising option. Send copy of letter to Denise, Daniel and Donna.

ACTION ITEM: ***Donna*** – Place mailing details of letter to Realtors on July agenda.

7.2.4 Discussion on classified ads for individuals and businesses – DO/WS Tabled

8. **Comment Period for Visiting Landowners.**
   Val O'Connel offered to write up two suggestions that she will send to Donna regarding:
   a) Property owners near significant road washouts, who may be willing to assess themselves for gravel to improve the roads if GLA would do the grading. This information may possibly be added to road maintenance survey.
   b) Promotional "2 for 1" handing fee for real estate.
   Discussion included numerous ramifications of this promotion.

9. **Adjournment: 9:15**

10. **Broke for Private Meeting**

11. **Readjourned**

12. **Next meeting:** July 12, 2010, 6:45 pm at St. John's Church.

Board of Directors Meeting Minutes

December 13, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Laura at 7:12 p.m. at St. John's Church.
   PRESENT: Laura Boise (President), Richard Bolen (Vice President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Paul Ranttalo, and Rich Spallone (aka Rich).
   ABSENT: Clare Parker and William Smith
   ALSO ATTENDING: Donna Lash (GLA Assistant Administrative Secretary) and Val O'Connell.

2. **Review Meeting Norms**

3. **Set Agenda**

4. **Approve Meeting Minutes for November 8, 2010**
   Discussion.
   MOTION: Janet motioned and Richard seconded to approve the minutes as written. (4 abstentions: Daniel, Neil, Paul, and Alyssa who did not attend meeting.)
   Motion carried unanimously.

5. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Alyssa motioned and Rich seconded to accept the Treasurer's reports for November, 2010. **Motion carried unanimously.**

6. **Officers' Reports**
   6.1 Changing Board Orientation Meeting Date to March – LB
   The Board discussed how the orientation meeting needed to be rescheduled for a variety of reasons.
   UNANIMOUS CONSENT: The Board Orientation Meeting will be held Monday, March 14, 2011 at St. John's Church in place of regular board meeting.
   Action Item: ***Managerial Committee*** – Review and plan for how we will handle regular monthly business for March based on this meeting being for orientation.

   6.2 2011 Board Meeting Schedule (added to Agenda)
   Janet's reported that the monthly meeting dates chosen by the Board have been confirmed with Eileen Storey.

7. **UNFINISHED BUSINESS**
   7.1 Managerial Committee – LB/AA
   7.1.1 Status of Complaints – RB Tabled.
   7.1.2 Status of Items for Attorney Review - LB
   Discussion.
   ACTION ITEM: ***Daniel/ Sheridan*** – Do research regarding independent contractor requirements so we may include questions relating to this in the document being prepared for attorney review.

   7.1.3 December Newsletter – LB/AA
   a) Review article topics & articles-due timeline
   Discussion included near-record November snow removal efforts and cost.
   ACTION ITEM: ***Laura*** - Write an article summarizing the November snow removal effort and related reflections.

ACTION ITEM: ***All Board Members*** - Email other newsletter items to Laura.

b) Mailing preparation date and volunteers
Discussion included the possibility of the need to send newsletter in December and invoices after Saturday, January 1, 2011.
UNANIMOUS CONSENT: The Board agreed that if the newsletter was finished and ready to mail by mid-December, it could be sent out ahead of the January invoice mailing. Otherwise, it can be mailed with the invoices in early January.
ACTION ITEM: ***Janet & Sheridan*** – If ready, fold/stuff newsletter before Christmas.

8. NEW BUSINESS

8.1 Managerial Committee – LB/AA

8.1.2. Review/discuss Don McCue's 12/7/10 hang-gliding request – LB/AA
Discussion included: (1) Don McCue had requested permission to hang-glide from a neighbor's property in Glastonbury and the neighbor denied his request; (2) Don also requested clarification as to whether it was permissible to hang-glide in Glastonbury.
UNANIMOUS CONSENT: The Board agreed that a policy on the use of hang-gliders in Glastonbury was needed to preserve the quiet use and enjoyment of property.
ACTION ITEM: ***Managerial Committee*** – Research potential policy for hang gliding in Glastonbury. Inform Don McCue and Michael Rosa of final approved policy once developed and approved.

8.2 Project Review Committee – AA/RS

8.2.1 Lot 25-E (SG) – Kathleen Rakela: Update on variance request – AA
Alyssa reported that she spoke with Kathleen regarding how the Master Plan requires that we conduct a variance process for her request to install a guest house on a lot that is slightly smaller than required by the Master Plan. Kathleen indicated that she was unable to pay the variance fee and could not proceed unless the fee was waived. She also said that her potential buyer no longer seemed to have any interest in her lot.
ACTION ITEM: ***Alyssa*** – Write a letter to Kathleen affirming her choice to not proceed with the variance.

8.2.2 Lot 28-C (NG) – Kraig Kolberg: Update on 11/8/10 application to install single-wide mobile home – AA
Alyssa reported that Kraig had retracted his application and had Sheridan destroy his check which she complied with.
ACTION ITEM: ***Alyssa*** – Write a letter to Kraig confirming his decision to retract his application.

8.3 Roads & Weeds Committee – WS/RS

8.3.1 Report on snowplowing for November blizzard – WS/RS
Discussion included the tremendous effort to remove record-level snowdrifts during severe snowstorm, and rescues of those who were ill-prepared to deal with the extreme weather.

8.4 Community Committee

8.4.1 Proposal/Vote to form "Emergency Preparedness Subcommittee" – WS/LB

Discussion. Because of the intensity of the storm, it was proposed that an Emergency Preparedness Subcommittee be created to assist in helping the community during extreme conditions that may arise in the future.

MOTION: Neil motioned and Alyssa seconded to form the GLA Emergency Preparedness Subcommittee with Laura and William to serve as committee chairs. **Motion carried unanimously.**

8.4.1.1 Proposal/vote to hold "GLA Emergency Preparedness" special meeting with GLA Board and Landowners in January 2011.

a) Determine Meeting Date

UNANIMOUS CONSENT: The Board will hold a special meeting for GLA Landowners to discuss GLA Emergency Preparedness at St. John's Church on **Wednesday, January 26, 2011** at 6:30 p.m.

b) Meeting agenda topics & assignments

The Board discussed that the meeting could review block captains for different neighborhoods and various methods of how to mobilize for emergencies (fire, power outages and snow storms, etc.) and interface with local and county resources. An emergency response manual could be developed.

ACTION ITEM: ***Paul*** - Ask Ross Brunson to create a Power Point presentation showing photos of the November snow removal scene to be used at the Emergency Preparedness Meeting.

ACTION ITEM: ***Road Committee*** – Establish a list of potentially needed road/snow equipment, including items such as skid steer.

c) Meeting notification methods (i.e. newsletter, telephone tree, posters)

Discussion.

ACTION ITEM: ***Managerial Committee*** – Handle meeting notification for January 26 Preparedness Meeting.

8.5 Election Committee – SS/Board

8.5.1 Review 2010 Annual Meeting/Elections – SS/Board

Discussion.

UNANIMOUS CONSENT: Per a suggestion from Denise, the Board will end voting for new Board Members at future annual meetings at 11:15 rather than noon so as to accommodate a timely vote count and noon adjournment.

ACTION ITEM: ***Denise*** – Incorporate the new 11:15 a.m. voting cutoff time into all preliminary election mailings and the Annual Meeting/Elections agenda.

9. Comment Period for Visiting Landowners

Val O'Connell made some suggestions regarding items to include in Emergency Manual.

10. Adjournment: The meeting adjourned at 9 pm.

11. Next Board Meeting: January 10, 2011, 6:45 p.m. at St. John's Church

File: MtgMins 12 13 10
Draft (s): 01 06 11-FINAL

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

July 12, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order.

The meeting was called to order by Laura at 7:15 p.m., at St. John's Church.
PRESENT: Laura Boise (President), Richard Bolen (Vice President) aka Richard, Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Daniel O'Connell, Clare Parker and William Smith,
ABSENT: Donna Lash (GLA Assistant Administrative Secretary), Neil Kremer, Paul Ranttalo, Rich Spallone and Janet Naclerio (Secretary).
ALSO ATTENDING: Denise Orr Kirk (GLA Administrative Secretary), Darryl Windorski, Debbie DeGraaf, Val O'Connel.

2. Set Agenda.

3. Approve Meeting Minutes of June 14, 2010

Discussion.

MOTION: Alyssa motioned and Daniel seconded to approve the June 14, 2010 minutes with amendments. **Motion carried.** (2 abstentions – William and Clare, who didn't attend meeting)

4. Treasurer Reports - Budget Variance, Check & Deposit – SS

UNANIMOUS AGREEMENT: The Board approved the Budget Variance Report (January through June 2010), the Deposit Detail Report (June 2010) and the Check Detail (June 2010).

5. Officers' Reports

5.1 Summer Newsletter report – LB/DOK

Denise reported that per the Board's recent email vote of approval the summer newsletter was not mailed in July as originally planned, but will be mailed in August with the election letter and possibly a road letter and survey. This change was based on the fact that the summer newsletter doesn't contain timely information and the expense of a second mailing will be eliminated. Discussion.

UNANIMOUS AGREEMENT: The Board agreed that the summer newsletter will be mailed in mid or late August (specific date to be determined). The contents of the mailing will also include the first election announcement letter, a road letter and road survey.
ACTION ITEM: ***Laura/William*** – Develop and finalize road letter and road survey
ACTION ITEM: ***Laura/Donna/Denise*** – Finalize newsletter

5.2 Report on lien research – RB

Richard will be meeting with an attorney.

5.3 Review procedure for Board members to present motions at Board meetings – LB

A review of the following procedures was discussed:
(1) Prior to drawing conclusions or submitting the motion to the Board for vote. .
The procedure for bringing motions to the Board begins at the Committee level with extensive preliminary inquiry, discussion, research and agreement among Committee members as to what will be the step in the review process. The Committee Chair should request from the Administrative Secretary information documenting any policy, procedure or practice that has been developed and used by the current or past Boards. Prior to requesting that the

File: MtgMins 07 12 10
Draft (s):03 25 13 - FINAL
Final Approval: 08 09 10

item be placed on a meeting agenda, the Committee should have created a fully developed motion with background information to accompany it.
(2) A handout entitled "Brief background on past practices of the GLA Board when communicating questions or concerns to one another" was distributed; it includes a list of communication guidelines. (See attached).

5.4 Review purpose of development of Policies & Procedures – LB
Review/discussion included that the goal of the Policies and Procedures project has been and will continue to be for the purpose of assisting the Board to determine best and legally sound practices for the Association and to document these for future use and reference.

5.5 Review guidelines/parameters for holding confidential meetings – LB
Laura and Richard reviewed: (1) The Bylaws allow the Board to determine when it needs to hold confidential/private meetings; (2) In the past, at the advice of our attorney, the Board determined that private meetings should be held specifically when legal and confidential matters concerning landowners and/or Board members needed discussion that would not be appropriate to discuss in a public meeting.

5.6 Vote re: consulting attorney for legal review of list of policies – LB (5 min)
Laura listed a number of GLA policies and procedures that need legal review and clarification. Discussion.
MOTION: Richard motioned and Daniel seconded to approve submitting a number of GLA policies and procedures (including those related to private meetings, Executive Committee functions, employee vs independent contractor options, liens and GLA road Access, etc.) to our attorney for legal clarification Motion carried unanimously.

6. UNFINISHED BUSINESS

6.1 Research update on K. Ramp's easement as requested by DeGraff's – RB
Richard reported that he is in process of working on this project with attorney.

6.2 Road & Weed Committee –WS/RS

6.2.2 South Glastonbury Fire Pond – WS/RS
Laura reported that she spoke with Philip Hoag and that the GLA needs to receive permission from the Hardesty's to further prepare the fire pond area.

6.2.3 Letter draft re: encroachments of landowner easements –WS
William reported that the article on encroachments included in the GLA spring newsletter has resulted in some landowners adjusting their properties, etc. Discussion.

ACTION ITEM: ***William*** – Draft a sample letter that the GLA might send to Landowners regarding easement encroachments and forward letter to Laura to submit to our attorney.

ACTION ITEM: ***Laura*** – Submit draft encroachment letter (from WS) to attorney for review and advice regarding the type of liability/responsibility of the GLA if encroachment problems should occur and whether GLA should sign a disclaimer.

File: MtgMins 07 12 10
Draft (s):03 25 13 - FINAL
Final Approval: 08 09 10

6.2.4 Dry Creek Road maintenance position and negotiation updates - WS
William reported that a letter would be sent to the County concerning maintenance of Dry Creek Road. Discussion included that Park County has allegedly stated that it does not have money to maintain this road.

ACTION ITEM: ***Daniel*** – Contact Tim Brockett regarding his research concerning taxes paid in different areas of the GLA.

6.2.5 Map showing locations of known weed infestations – GB/RS
Gerald reported that this is pending.

6.2.6 Weed Spraying – GD
Discussion included that weed spraying will be done in a couple of weeks and was not done during the July 4th period as was previously planned and announced.
ACTION ITEM: ***Sheridan*** – Facilitate telephone tree regarding spraying weeds
ACTION ITEM: ***Laura*** – Call landowners, who usually handle their own weeds, to inform them that spraying will take place in roughly two weeks.
ACTION ITEM: ***Gerald and Road Committee*** – Identify areas where weeds are growing that the GLA can send weed notification letters to the appropriate Landowners.
ACTION ITEM: ***Gerald*** – Contact the weed sprayer, and confirm clearly identified spraying locations with him, etc.

6.3 Website
6.3.1 Votes re: updated website – DO
Discussion. See attached background information for the following 3 motions.

a) GLA Websites for Public and Members (Landowners)
Discussion.
MOTION: Daniel motioned and Clare seconded to approve that the new GLA website include both a public and Members only portion for the new GLA website. The Members only portion will be accessible to members by password and the other level of the website will be accessible to the public. **Motion carried unanimously.**

Discussion included: Landowners will be asked to register online to use the "Members Only" website. Registration will include using their parcel number, phone number, email address and agreeing to terms of use, etc.

b) **Posting Board Biographies and Pictures on Website.**
Discussion.
UNANIMOUS AGREEMENT: The Board agreed *not* to post Board pictures on website. A unanimous agreement to post them was not reached. .

MOTION: Daniel motioned and Clare seconded to approve that the new GLA website include Board member biographies and that these will only be viewable by the Members and not accessible to the public, being password protected. **Motion carried unanimously.**

ACTION ITEM: ***Denise*** – Send election bios to Board members to revise/update for website. Send bios (edited by Board) to Daniel when received.

ACTION ITEM: ***Board*** – After inserting revisions on your election bios, return to Denise, who will send to Daniel to post on the new website..

c) Web Address Names
Discussion.
MOTION: Daniel motioned and Sheridan seconded to approve that the present web address of gla-mt.org be kept and used as a redirect to the mygla.org address. Members can at their choosing type in gla-mt.org and will be taken to the mygla.org address.
Motion carried unanimously.

ACTION ITEM: ***Donna/Denise*** – **Newsletter:** Place a small announcement in summer newsletter to reflect mygla.org information (see motion above).

6.3.2 Ad contract/terms of use status for real estate listings– DO/WS/RB
Discussion.
ACTION ITEM: ***Daniel*** – Review terms of use with Richard.

6.3.3 Determine whether to offer classified ads to Landowners– DO
Discussion.
UNANIMOUS AGREEMENT: The Board agreed to postpone the consideration of offering classified ads on our website to a later time. The terms of use will need to be created for this feature, etc.

6.3.4 New laptop update: insurance & Asst Admin Secy training –DO (3 min)
Daniel reported that Donna had not yet been trained on laptop and the GLA will need to determine whether there is a need for additional insurance coverage and a lease contract for the laptop, etc. Discussion.
UNANIMOUS AGREEMENT: ***Laura/Richard*** – Add to the list for attorney review: clarify "terms of use" for contractors/employees using GLA office equipment.

6.3.5 Proposal to Create Legal Officer and Committee – DO (added to agenda)
Daniel stated that he believed the Bylaws suggest that the GLA create a legal committee and a legal officer.
MOTION: Daniel motioned and Clare seconded to create a legal committee and a legal officer role, which Daniel would like to fill.
Discussion included that the Board has given the Executive Committee the responsibility of researching and working on complaints and issues of a legal nature prior to presenting the issues to the Board for vote. This committee acts under the direction of the whole Board; it also interacts with the GLA attorney when directed by the Board.
Motion did not carry. *(Daniel then withdrew this motion.)*
Discussion.

7. **NEW BUSINESS**

7.1 Project Review – AA/RS (5 min)

7.1.1 Lot 40-E (SG)/Les Seago – Residence/well/septic/driveway - AA

Alyssa reviewed the application. Discussion.

MOTION: Alyssa motioned and Clare seconded to approve Les Seago's Lot 40-E (SG)s residence/well/septic/driveway application based on the following conditions: (1) All disturbed land is reseeded after construction; (2) All necessary permits are obtained, and (3) The owner of this lot must sign the application. **Motion carried unanimously.**

7.1.2 Lot 32-A-3 (SG)/Pedro A. Pinardo – Driveway application - AA

Alyssa reported that she received the application earlier in the day. Discussion included: (a) Determination of the exact location of the driveway; (b) Pedro was requested to provide Park County's final subdivision plat map and conditions of approval. .

MOTION: Alyssa motioned and Clare seconded to approve placement of a driveway on Pedro Pinardo's Lot 32-A-3 (SG) with the condition that disturbed land be reseeded after construction. This motion does not approve any permanent structures. **Motion carried unanimously.**

7.2 Website – DO

7.2.1 Ad letter to realtors – AA/DO Tabled.

7.3 Election Committee (added to agenda)

It was noted that the chair for the Election Committee had not yet been selected. Sheridan, who chaired the Election Committee last year, volunteered to chair it again in 2010

UNANIMOUS AGREEMENT: The Board agreed to have Sheridan chair the Election Committee.

8. **Comment Period for Visiting Landowners.**

Darryl Windorski – (1) Shared concern regarding assessment increases; (2) Suggested interested Landowners with skills could help with road maintenance and snow plowing; (3) Suggested the GLA advertise for landowners to submit bids on road work, etc. Discussion.

Val O'Connell – (1) Inquired how the PVRC budget could be utilized; (2) Recommended putting weed map on website; (3) Recommended establishment of legal officer and committee

ACTION ITEM: ***Donna*** – Write a brief article in the newsletter inviting licensed, e experienced and qualified individuals, who are interested in working on GLA roads, to offer bids to the Road Committee. Consult with William Smith to determine content.

9. **Adjournment: 10:30 p.m.**

10. **Next meeting: August 9, 2010, St. John's Church**

2010-07-12_BDGNAUX.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Agenda

July 12, 2010 6:45 – 8:30 pm

St. John's Church, Emigrant, MT

1. Call to order, opening prayer
2. Set Agenda *(All proposed agenda items must first be sent to the appropriate Committee Chair or Officer at least 15 days prior to the meeting. If, at the beginning of the meeting, the Board receives additional items of a timely nature, it will determine if these should be added to the agenda at that time.)*
3. Approve Meeting Minutes of June 14, 2010 – (5 min.)
4. Treasurer Reports-Budget Variance, Check & Deposit – SS (5 min)
5. Officers' Reports
   - 5.1 Summer Newsletter report – LB/DOK (5 min)
   - 5.2 Report on lien research – RB (5 min)
   - 5.3 Review the procedure for bringing motions to the Board – LB (2 min)
   - 5.4 Review purpose of development of Policies & Procedures – LB (2 min)
   - 5.5 Review guidelines/parameters for holding confidential meetings – LB (3 min)
   - 5.6 Vote re: consulting attorney for legal review of list of policies – LB (5 min)
6. UNFINISHED BUSINESS
   - 6.1 Research update on K. Ramp's easement as requested by DeGraff's – RB (5 min)
   - 6.2 Road & Weed Committee –WS/RS
     - 6.2.2 South Glastonbury Fire Pond – WS/RS (5 min)
     - 6.2.3 Letter draft re: encroachments of landowner easements –WS (5 min)
     - 6.2.4 Dry Creek maintenance position and negotiation updates - WS (5 min)
     - 6.2.5 Map showing locations of known weed infestations – GB/RS (3 min)
   - 6.3 Website
     - 6.3.1 Votes re: updated website – DO/DOK (5min)
     - 6.3.2 Ad contract/disclaimer status for real estate listings– DO/WS/RB - (3 min)
     - 6.3.3 Determine whether to offer classified ads to Landowners– DO (3min)
     - 6.3.4 New laptop update: insurance & Asst Admin Secy training –DO (3 min)
7. NEW BUSINESS
   - 7.1 Project Review – AA/RS (5 min)
     - 7.1.1 Lot 40-E (SG)/Les Seago – Residence/well/septic/driveway - AA (5 min)
   - 7.2 Website – DO
     - 7.2.1 Ad letter to realtors – AA/DO (3 min)
8. Comment Period for Visiting Landowners. (5-10 min.)
9. Adjournment
10. Next meeting: August 9, 2010, St. John's Church

Board of Directors Meeting Minutes

August 9, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order: The meeting was called to order by President Laura Boise at 7:16 p.m. at St. John's Church.
PRESENT: Laura Boise (President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer (arrived approx 8:30 pm), Daniel O'Connell, William Smith and Clare Parker.
ABSENT: Richard Bolen (Vice-President) aka Richard, Paul Ranttalo and Rich Spallone (aka Rich)
ALSO ATTENDING: Val O'Connell, Kathy Garcia, Sean Halling, Rudy Parker, Ron Wartman and Donna Lash (Asst. GLA Administrative Secretary),

2. Review Meeting Norms
Board members and Landowners read over the Board meeting norms and guidelines listed on the posters which are displayed at each meeting. Laura reviewed the procedure for both Board members and Landowners, who may be interested in bringing motions to the Board for vote. (i.e. The first step includes contacting the appropriate GLA Committee and, if necessary the Administrative Secretary, for initial inquiry and discussion. If the initial inquiry does not produce satisfaction, a written request with specific details is submitted to the Committee. The Committee will compile pertinent research regarding the topic, discuss it and present its recommendation to the Board via a motion or a request for further discussion and/or action.)

3. Set agenda

4. Approve Meeting Minutes on July 12, 2010
Discussion. In Agenda item 6.3.5, Daniel corrected his statement in which he said he believed the Bylaws "require" to he believed they "suggest" that the GLA to create a legal committee and legal officer.
MOTION: Alyssa motioned and Sheridan seconded to approve the July 12, 2010 minutes as amended. **Motion carried.** (1 abstention – Janet, who did not attend the July meeting)

5. Treasurer's Report – Budget Variance, Check & Deposit – SS
Sheridan reviewed the reports.
UNANIMOUS AGREEMENT: The Board agreed to accept the Budget Variiance, Check and Deposit Reports of July 2010.

6. Officer Reports

6.1 Report on items to be reviewed by attorney – LB/RB
Laura reported that she is working with various Board members and Administrative Secretary to compile, research and present summaries and questions concerning an extensive list of items needing legal review and written response by our attorney.
ACTION ITEM: ***Sheridan***– Compile the pending fiscal concerns that need legal review
ACTION ITEM: ***Daniel*** – Summarize pending questions regarding function of Executive Committee and procedures for private board meetings.
ACTION ITEM: ***Denise*** – Compile any other administrative questions that need legal review.

7. UNFINISHED BUSINESS

7.1 Complaints - RB

7.1.1 Report re: Meeting w/Park County Director of Environmental Health re: K. Ullrich property/Parcel (NG) – LB

Laura reported that there is a timely renewed networking effort involving the Park County Environmental Health Director Barbara Woodbury, relatives of Kathleen Ullrich, and the GLA to create a plan of action for K Ullrich to resolve some alleged non-compliant property use matters.
ACTION ITEM: ***Laura*** – Continue to coordinate GLA assistance as needed to bring K. Ullrich's property into compliance with property and sanitation laws

Kathy Garcia, neighbor of Ullrich, thanked Laura and the GLA for helping to resolve an encroachment onto the Garcia property. Kathy stated she is willing to negotiate a new boundary line with Ullrich and that when the matter is resolved, she intends to erect a fence to mark the line.

7.1.2 Complaint updates – RB tabled

7.2 Road and Weed Committee – WS/RS

7.2.1 Letter re: encroachments on landowners easements/driveway for atty review WS/RS Discussion.
ACTION ITEM: ***Road Committee*** – Work on encroachment letter at Road Committee Meeting scheduled for week of August 16, 2010.
ACTION ITEM: ***William*** – Complete draft of encroachment letter and give to Richard for review.

7.2.2 Report on research on taxes paid in different areas of GLA – DO
Discussion. .
ACTION ITEM: ***Daniel*** – Use County Records to document county real estate tax payments made by Glastonbury residents and give the research to William
ACTION ITEM: ***William*** - Use Daniel's research on real estate tax data paid by Glastonbury residents in the ongoing negotiations with the county about the maintenance of Dry Creek Road.

7.2.3 Report on July weed sprayer and outline of spray areas – GD
Gerald announced that the spraying was done at the end of July and that there were no requests for GLA assistance with weed management. Discussion included removing cheat grass in the fall.
ACTION ITEM: ***Gerald/ Donna*** –Write a newsletter article suggesting both chemical and natural management techniques for cheat grass and note that fall is an ideal time to reseed a former cheat grass area.
ACTION ITEM: ***Laura*** - Research natural cheat grass management methods.

7.3.1 Website Committee – DO
Daniel reported that his work on the terms of use for potential real estate listings on the GLA web site has been given to Richard for review.
UNANIMOUS AGREEMENT: The Board agreed to accept the terms of use for the GLA website as will be recommended by Richard and Daniel.

Daniel said work is underway with Denise to get both the current and some of the older newsletters up on the website.
ACTION ITEM: ***Denise*** - Create pdf format for old newsletters and send to Daniel to upload on website.
ACTION ITEM: ***Denise*** - Email existing election bios to board members for updating.
ACTION ITEM: ***Board*** - Update bios that Denise will email to you. Email these back to Denise, who will then forward to Daniel.

8. NEW BUSINESS

8.1 Project Review – AA

8.1.1 Lot 51-E (NG), Jane and David Hohman – Review of potential bldg site - AA

Alyssa reviewed. Discussion.

MOTION: Alyssa motioned and William seconded to approve Jane and David Hohman's application for the proposed home site on Lot 51-E (NG) with the condition that the 50 ft. setback requirement be adhered to for any future home site development, and that project plans shall be submitted to the Project Review Committee prior to any such development. **Motion carried unanimously.**

8.1.2 Lot 35-A (SG), Ed Dobrowski, Greenhouse & Chicken Coop - AA

Alyssa reviewed. Discussion.

MOTION: Alyssa motioned and Sheridan seconded to approve Ed Dobrowski's application for a greenhouse and chicken coop with the condition that all disturbed land is to be reseeded and that an electrical permit be acquired if any electricity were to be installed. **Motion carried unanimously.**

8.1.3 Parcel 40 (NG), Lot 1, Lisa and William Buford, Variance request for additional full-time residence - AA

Alyssa reviewed. Discussion.

MOTION: Alyssa motioned and Sheridan seconded to have the Project Review Committee begin the variance process as requested by the Bufords. **Motion carried. (1 abstention – William)**

8.1.4 Parcel 89 (SG), Sean Halling, Manufactured Home Placement – AA

Alyssa reviewed. Discussion.

MOTION: Alyssa motioned and Sheridan seconded to approve Sean Halling's application for the placement of a manufactured home with the condition that any disturbed land is to be reseeded. **Motion carried unanimously.**

The board reminded Sean, who was present at the meeting, of the limited ability of the GLA to provide snow removal services to Sagittarius Skyway as outlined in our Road Policy document.

9. **Comment Period for Visiting Landowners.**

Rudy Parker: Based on a prior statement by Daniel regarding an invoice from Rudy Parker, former GLA Webmaster, Daniel apologized to Rudy and stated the invoice was in perfect order and that Rudy had done fine work in the past and he recommended Rudy for future GLA jobs.

Val O'Connell: Requested: (1) Landowners who attend board meetings receive the same handouts as board members, (2) GLA legal matters be handled by a legal committee

ACTION ITEM: ***Laura*** – Add to attorney review: giving Landowners at Board Meetings the s same handouts as Board Members

9. **Adjournment:** The meeting adjourned at 9:00 p.m.

10. **Next meeting:** September 13, 2010 6:45 p.m.at St. John's Church.

Board of Directors Meeting Minutes

September 13, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. Call to order.

The meeting was called to order by Richard at 7:15 p.m., at St. John's Church.
PRESENT: Richard Bolen (Vice President) aka Richard, Sheridan Stenberg (Treasurer), Alyssa Angelis, Gerald Dubiel, Neil Kremer, Daniel O'Connell, and William Smith,
ABSENT: Laura Boise (President), Janet Naclerio (Secretary), Clare Parker, Paul Ranttalo, Rich Spallone (aka Rich)
ALSO ATTENDING: Donna Lash (GLA Assistant Administrative Secretary), Kristi Sones, Valerie O'Connell and Ben Barnard.

2. Meeting norms

3. Set agenda

4. Approve Meeting Minutes of August 9, 2010

Discussion. Alyssa reported some minor edits needed for 8.1 Project Review.
MOTION: Sheridan motioned and Alyssa seconded to approve the August 9, 2010 minutes with amendments which Alyssa will email to Donna. **Motion carried.** (1 abstention – Richard, who did not attend the meeting)
ACTION ITEM: ***Alyssa*** **-** Send approved edits for section 8.1 of the August 9, 2010 minutes to Donna.

5. Treasurer Reports - Budget Variance, Check & Deposit – SS

MOTION: Alyssa motioned and Daniel seconded to approve the August 2010 Treasurer Reports. **Motion carried unanimously.**

6. Officers' Reports

6.1 Announce Budget Planning Committee

Sheridan announced that the annual Budget Committee Meeting will be held Thursday, September 30, 7:00 pm at Sheridan's home. All board members are invited. Discussion. Note: Email notification of this meeting has already been sent to all board members.

7. NEW BUSINESS

7.1 Election Committee – SS/Board

Discussion.

7.1.1 Update re: Board candidate nominations

Discussion included Gerald and Sheridan announcing their decision to run and Alyssa expressing she was in process of making this determination. It was reported that Rich sent an email message stating he would run if the Board would want him to do so. Discussion. Alyssa nominated Rich as a candidate for the November 13 elections..
ACTION ITEM: ***Donna*** **-** Call Rich Spallone to tell him he has been nominated by Alyssa for re-election to the Board.

7.1.2 October election mailing.

Sheridan expects the mailing to be done by October 11, 2010.

File: MtgMins 09 13 10 FINAL
Draft (s): 07 21 13 - FINAL
Final Approval: 10 04 10

8. UNFINISHED BUSINESS

8.1 Complaints – RB Tabled

8.2 Road and Weed Committee – WS/RS

8.2.1 Report on encroachment letter to landowners re easements/driveway - WS
William said it is still on the table, as he has not had time to work on it.
ACTION ITEM: ***William*** - Draft letter to Landowners explaining their potential liability of their land uses, which encroach on road easements; send draft to Richard to review from a legal perspective.

8.2.2 Report on county tax payments from Glastonbury – DO
Discussion. Daniel will continue to research this information for use in a letter to be written by Walter Wunsch regarding Dry Creek Road.
ACTION ITEM: ***Daniel*** - Continue research into the amount of real estate tax that is generated for Park County by Glastonbury landowners and provide this information to William and Walter.

8.3 Website Committee

8.3.1 Report on status of "Terms of Use" for potential real estate listings on the GLA web site.
Discussion. Daniel said the new site is close to completion.

9. NEW BUSINESS

9.1 Project Review Committee – AA/RS

9.1.1 Lot 40-1, NG – Lisa Buford House Addition and Shed Placement –AA
Discussion.
Motion: Alyssa motioned and Gerald seconded to approve the Lisa Buford house addition and shed placement on Lot 40-1 (NG) on the condition that electrical and plumbing permits are obtained. **Motion carried.** (1 abstention - William)

10. Comment period for Visiting Landowners.
Val O'Connell submitted comments and requests on the Landowner Comment form and reviewed them verbally.
ACTION ITEM: ***Denise*** – Add Val's requests to current list of questions to be presented to our attorney.

11. Adjournment: The meeting adjourned at 9:07 pm.

12. Next meeting: October 4, 2010, 6:45 pm., St. John's Church.

Board of Directors Meeting Minutes

October 4, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Laura at 7:22 p.m., at St. John's Church.
   PRESENT: Laura Boise (President), Sheridan Stenberg (Treasurer), Alyssa Angelis, Neil Kremer, Daniel O'Connell, Paul Ranttalo, Rich Spallone (aka Rich) and William Smith.
   ABSENT: Richard Bolen (Vice President) aka Richard, Janet Naclerio (Secretary), Clare Parker, and Gerald Dubiel.
   ALSO ATTENDING: Donna Lash (GLA Assistant Administrative Secretary) Danilie Howe, and Valerie O'Connell.

2. **Review Meeting Norms**

3. **Set Agenda**

4. **Approve Meeting Minutes of September 13, 2010**
   Discussion.
   MOTION: Sheridan motioned and Neil seconded to approve the September 13, 2010 minutes. **Motion carried.** (3 abstentions – Laura, Paul and Rich who did not attend the meeting.)

5. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   UNANIMOUS CONSENT: The Treasurer's reports for September, 2010 were accepted.

6. **Officers' Reports**
   6.1 Update re: collection of pending legal matters for attorney review – LB
   Discussion.
   ACTION ITEM: ***Daniel*** – Compile list of questions about the GLA's compliance with State requirements and take to Executive Committee for recommendations.
   6.2 Proposed Covenant Amendment re: Lien Collections on Foreclosed Properties – LB/SS
   Discussion.
   MOTION: Sheridan motioned, seconded by Rich, to authorize Laura to consult with legal counsel to create a proposal to amend the GLA Covenants and/or Bylaws to allow the GLA to pursue a lien through foreclosure, bankruptcy, or Sheriff's sale.
   Motion carried unanimously.
   ACTION ITEM: ***Laura*** **-** Draft an amendment, using the format of past amendments to the Bylaws and/or Covenants as appropriate, and then seek legal review of the amendment.
   a) **Vote to approve amendment content**
   Discussion.
   UNANIMOUS CONSENT: The Board agreed to approve whatever legal counsel recommends regarding an amendment to either the Bylaws or Covenants that will give the GLA standing to collect on liens at time of property foreclosures, bankruptcy or Sheriff's sale.
   b) **Vote to approve submitting amendment to attorney for review**
   This vote is included in 6.2.a, unanimous agreement (see above).

c) **Determine when amendment will be mailed to Landowners for vote**
Discussion included the Board's preference to include the amendment vote in the December Newsletter mailing, however, based on the timing and direction from our legal counsel, it may be mailed at another time.

6.3 Proposed contents of December mailing to Landowners – LB
Discussion. Laura reported to the Board the potential contents of the December mailing.

6.4 Review Status of Policies & Procedures, Board Meeting Manual, and November 22 Board Orientation Meeting – LB
Discussion. Laura reported that the new Board Meeting Manual is being prepared for the orientation meeting.

6.5 Proposal to Streamline Administrative Duties & Vote – LB/AA
Discussion. Laura presented a proposal to create a Managerial Committee to oversee and facilitate administrative duties on behalf of the Board. Alyssa presented a document outlining the tasks the committee would oversee and facilitate in addition to the financial and other benefits this new committee would offer to the GLA.
MOTION: Sheridan motioned, seconded by Neil, to form the Managerial Committee which will perform duties as outlined in the "Managerial Committee Overview" document as presented by Alyssa at the October 4 Meeting, with the understanding that adjustments to the Committee's purpose and its duties may be modified as needed and approved of by the Board. **Motion carried unanimously.**
ACTION ITEM: ***Alyssa*** – Send updated Managerial Committee document to Donna for inclusion with the minutes.

7. UNFINISHED BUSINESS

7.1 Road and Weed Committee – WS/RS

7.1.1 Report on Encroachment Letter to Landowners re: Easements/Driveway - WS/RS
Discussion.
ACTION ITEM: ***Sheridan*** – Send copy of draft letter to all Board Members.
ACTION ITEM: ***Board*** – Review William's Encroachment Letter and send comments or suggestions to William.

7.1.2 Follow-up on Quonset Hut
Discussion.
UNANIMOUS CONSENT: The Board agreed that the Quonset Hut will have the north end open and the south end closed with doors.

7.2 Website Committee – DO

7.2.1 Discuss & Vote on Final Upgrades to Website
Discussion. Daniel reported that password access for Landowners is not necessary due to the nature of the information being made available on the website, which at this time, is not confidential or private.
UNANIMOUS CONSENT: The new version of the website will not be made accessible to the community until all content has been reviewed by the Managerial Committee and approved by the Board.
ACTION ITEM: ***Managerial Committee*** – Review website content and provide updated or corrected information to Daniel for placing on new website.

7.2.2 Discuss & Vote on How to Handle Old Unused Domain Names (added to agenda)

Discussion.

MOTION: Alyssa motioned and Daniel seconded to not renew the unused domain names that had been reserved for possible use. **Motion carried unanimously.**

7.2.3 Discuss & Vote on Renewing Current Domain Names for 3–5 yrs (added to agenda)

Daniel reviewed with the Board that our new website hosting service, provided by Web Faction, was working well for our needs. He recommended that we continue to use them to host our website for years to come, and that we could receive a discount on the cost by purchasing a 5-year subscription. Discussion.

MOTION: Alyssa motioned, seconded by Rich, to commit to web hosting with Web Faction at the discounted cost of $330 for 5 years. **Motion carried unanimously.**

7.2.4 Discuss & vote on debit card for on-line & over-phone renewals (added to agenda)

Daniel reviewed the circumstances where it was most expedient to be able to make online purchases for the GLA via a debit card. Discussion.

MOTION: Alyssa motioned, seconded by Daniel, that the GLA will acquire a debit card to be used for on-line and phone purchases; any such purchases shall be pre-approved by the Board, and overseen and accounted for by the Treasurer. **Motion carried unanimously.**

ACTION ITEM: ***Sheridan & Managerial Committee*** – Work together to develop letter to the GLA's bank providing Board motion documentation showing debit card acquisition approval; apply for debit card; inform bookkeeper regarding debit card.

8. NEW BUSINESS

8.1 Project Review Committee – AA/RS

8.1.1 Parcel 40, Lot 1 (NG)/Lisa & William Buford: Modification of Addition Placement

Discussion.

UNANIMOUS AGREEMENT – The Board approved the new location of the addition on Parcel 40, Lot 1 (NG)/Lisa & William Buford with the condition that any disturbed land is reseeded.

ACTION ITEM – ***Alyssa & Managerial Committee*** – Send preliminary approval to Lisa & William Buford

8.2 PVRC Committee – LB/JN

8.2.1 Vote on Funds re: Pad Preparation for Chain Link Fencing Donated to the PVRC – LB

Laura reviewed that $500 had been budgeted for 2010, but that it would take an additional $300 toward preparing an area as a first step in the utilization of the donated chain link fencing. Discussion.

MOTION: Alyssa motioned, seconded by William, to allocate $300 in additional funds from what is remaining in the 2010 budget toward preparation of the area for utilization of chain link fencing for the PVRC. **Motion carried unanimously.**

8.4 Budget Committee – SS/JN/LB/RB/WS/AA

8.4.1 Report on 2011 Budget Planning – LB
A proposed budget from the Budget Planning Committee for 2011 was distributed and discussed by the Board.

8.4.2 Vote re: Using 2010 Road Budget Surplus for Fall Grading
Discussion included that 2010 budget money for the roads should be paid to contractors before the year ends so that our budget is balanced for 2010.
UNANIMOUS CONSENT: Approximately $7,000 that is remaining in the current 2010 budget will be allocated to the Fall grading so that it is not carried over to next year's budget.

8.4.3 Vote to Approve 2011 Budget
It was reported that the Quonset Hut requires more money to install than originally estimated.
MOTION: Sheridan motioned, seconded by Alyssa, to adopt the 2011 budget as clarified and amended during the meeting to include an additional $1,860 toward the Quonset Hut installation. **Motion carried unanimously.**

8.5 Election Committee – SS/Board

8.5.1 Planning re: Volunteers for Election Mailing
Tabled.

8.5.2 Planning re: Volunteers for Annual Meeting, November 13, 2010
Discussion.
ACTION ITEM: ***All Board Members*** – Assist in Annual Meeting setup by arriving an hour ahead of time on November 13, 2010.

9. Comment Period for Visiting Landowners
Val offered comments and suggestions to the Board on issues that have been noted by the Board in past meetings.

10. Adjournment: The meeting adjourned at 10:08 pm.

11. Next Meeting: November 8, 2010, 6:45 pm., St. John's Church.

File: MtgMins 10 04 10
Draft (s): 10 23 10 - FINAL
Final Approval: 10 04 10

Glastonbury Landowners Association, Inc.

North Glastonbury Chip Sealing Project Tally as of October 31, 2010

Total for the Job paid to contractors	$121,876
Used extra 2009 NG Road Budget	- 3,969
Paid to contractors from funds	**$117,907**

NG Chip Income as of 12-31-2009

From 4 investors	$42,500
From Landowners	+55,384
Total Income	**$97,884**

	$117,907
	-97,884
Borrowed from General Fund	**$20,023**

Proposal for paying back the General Fund, accepted by the GLA Board:
Of the $20,023 that was borrowed in 2009, $10,000 was from NG funds and $10,000 from SG funds. **$2,000 per year for 5 years** (2010 – 2015) from NG Road Budget will not be spent and returned to SG and the general fund.

Expected Chip Income in 2010	**$22,388**	**2011 income**	**$22,388**
Collected as of 10-31-2010	**$20,431**	**2011 investor payments**	**- 9,808**
July 2010 payments (see below)	**$19,808**	**Balance 2011 NG road work**	**$12,105**

A Fifth Investor paid **$6,000** in December 2009. This money was put into Savings as reserve for the payback of investors in 2010, if needed. As of July 2010 we needed to use $2,164.11 of this $6,000 leaving $3,835.89 in savings.

Investor Payments in July 2010:

Investor #1	$4,033.54
Investor #2	$4,619.50
Investor #3	$1,154.87
Investor #4	$10,000.00 – full payoff-no interest
Total	**$19,807.91**

Investor Payments July 2011

Investor #1	$4,033.54 – paid in full
Investor #2	$4,619.50
Investor #3	$1,154.87
Total	**$9,807.91**

Investor Payments July 2012

Investor #2	$4,619.50
Investor #3	$1,154.87
Investor #5	$6,945.75
Total	**$12,789.12**

Investor Payments July 2013 & 2014

Investor #2	$4,619.50
Investor #3	$1,154.87
Total per year	**$5,843.37**

Glastonbury Landowners Association, Inc.

Road and Weed Committee Activities and Expenses as of Oct. 30, 2010

Board of Directors Meeting Agenda

December 13, 2010 - 6:45 p.m.

1. Call to order, opening
2. Review Meeting Norms
3. Set agenda
4. Approve November 8, 2010 Meeting Minutes
5. Treasurer's Reports – Budget Variance, Check & Deposit – SS
6. Officer Reports
   6.2 Changing Board Orientation Meeting date to March – LB (1 min)
7. UNFINISHED BUSINESS
   7.1 Managerial Subcommittee – LB/AA
      7.1.1 Status of Complaints – RB (3 min)
      7.1.2 Status of Items for Attorney Review (1 min)
      7.1.3 December Newsletter – LB/AA (5 min)
         a) Review article topics & articles-due timeline
         b) Mailing preparation date and volunteers
8. NEW BUSINESS
   8.1 Managerial Committee – LB/AA
      8.1.2. Review/discuss Don McCue's 12/7/10 hang-gliding request – LB/AA (5–10 min)
   8.2 Project Review Committee – AA/RS
      8.2.1 Lot 25-E (SG) – K. Rakela: Update on variance request – AA (2 min)
      8.2.2 Lot 28-C (NG) – Kraig Kolberg: Update on 11/8/10 application to install single-wide mobile home – AA (1 min)
   8.3 Roads & Weeds Committee – WS/RS
      8.3.1 Report on snowplowing for November blizzard – WS/RS (5 min)
   8.4 Community Committee
      8.4.1 Proposal/Vote to form "Emergency Preparedness Subcommittee" – WS/LB (15 min)
         8.4.1.1 Proposal/vote to hold "GLA Emergency Preparedness" special meeting with GLA Board and Landowners in January 2011
            a) Meeting date
            b) Meeting agenda topics & assignments
            c) Meeting notification methods (i.e. Dec. newsletter, telephone tree, posters)
   8.5 Election Committee – SS/Board
      8.5.1 Review 2010 Annual Meeting/Elections – SS/Board (3 min)
9. Comment Period for Visiting Landowners
10. Adjournment
11. Next Board Meeting: January 10, 2011, 6:45 p.m. at St. John's Church

12/03/10

Snow Plowing and Related Expenses for the Storm of November 2010

(Draft as of 12/13/10 ; Pending additional information)

North Glastonbury

1-Masterworks Construction – Pouwell Gelderloos

Backhoe 20.25 hours x $75 = $1,518.75

2-Black Diamond Quarry

Large bucket Front Loader 2.5 hours X $110 = $880

3-Ed Dowbrowski

GLA Truck 2.5 hours x $20 = $50

4-Paul Ranttalo

Backhoe 21 hours x $75 = $1,575
GLA Truck 20 hours x $21 = $ 420
Plow repair 1.3 hours x $20 = $ 26
GAV Plowing ___ hrs x__? = $ 180

5-Rich Spallone 1.5 hours x $75 = $112.50 (Dry Creek)

Total North Glastonbury = $4,762.25

Lower South Glastonbury

1-Ed Dowbrowski

GLA Truck 13 hours x $20 = $260
Skid Steer 7 hours x $45 = $280
Backhoe 3.5 hours x $65 = $227.50

2-Rich Spallone

Plow truck 3 hours x $75 = $225

3-Paradise Construction

Skid Steer 2 hours x $50 = $100

Total Lower South Glastonbury = $1,092.50

High South Glastonbury

1-Rich Spallone

Snow Blower 21 hours x $75 = $1,575
Plow truck 16.42 hours x $75 = $1,231
2 – Hank Savich = $ 600
3 – Mike Adkins = ??? **
Total High South = $3,406.00 ???**

Total South Glastonbury = $4,498.50

Grand Total = $9,260.75** (So far)

(Pending incoming bill indicated by ???)**

Thank you to all the people who worked to clear the roads!

Draft Snow Plow Expenses – Thanksgiving storm 11-2010 – 4:00 p.m.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

November 8, 2010

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Laura at 7:05 p.m. at St. John's Church.
   PRESENT: Laura Boise (President), Richard Bolen (Vice President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Gerald Dubiel, Clare Parker, Rich Spallone (aka Rich) and William Smith.
   ABSENT: Alyssa Angelis, Neil Kremer, Daniel O'Connell, and Paul Ranttalo.
   ALSO ATTENDING: Donna Lash (GLA Assistant Administrative Secretary) and Danilee Howe.

2. **Review Meeting Norms**

3. **Set Agenda**
   Add agenda item 8.1.2 for Craig Kolberg building application for Lot 28C (NG)

4. **Approve Meeting Minutes for October 4, 2010**
   Discussion.
   MOTION: Sheridan motioned and Rich seconded to approve the October 4, 2010 minutes with a potential adjustment in the 2011 budget for the Quonset Hut. **Motion carried.**
   (2 abstentions: Richard and Janet who did not attend meeting.)

5. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Richard motioned and William seconded to accept the Treasurer's reports for October 2010. **Motion carried unanimously.**
   ACTION ITEM: ***Laura*** - Contact Charlene with new Quonset Hut budget information.

6. **Officers' Reports**
   6.1 December Newsletter – LB
   Discussion of potential articles for newsletter.
   ACTION ITEM: ***Donna*** – Write an article about how special road improvement and assessment districts can be created.
   ACTION ITEM: ***Donna*** – Write an article announcing that because December is designated as the Board orientation/training month, there will be no regular December board meetings.
   ACTION ITEM: ***Donna*** – Send email notice of this new policy to all board members.
   6.2 [mis-numbered, skipped for consistency with Agenda]
   6.3 Change Board Orientation Meeting Date to Monday, December 13, 2010 – LB
   Discussion.
   UNANIMOUS CONSENT: The Board Orientation Meeting will be held on December 13, 2010, and if necessary, other regular monthly items will be addressed at a separate meeting on the same night.
   6.4 Approve 2011 Meeting Schedule
   Discussion.
   UNANIMOUS CONSENT: The board approved the 2011 meeting schedule. The February 7, 2011 and October 10, 2011 dates were finalized.
   6.5 Discuss/vote re: Ombudsman – SS
   Discussion.
   UNANIMOUS CONSENT: The Board nominated Hettie Wortelboer as an ombudsman candidate for North Glastonbury.

File: MtgMins 11 08 10
Draft (s): 12 13 10-FINAL
Final Approval: 01 10 11

7. UNFINISHED BUSINESS

7.1 Community Committee – RB

7.1.1 Status of Complaints – RB Tabled.

8. NEW BUSINESS

8.1 Project Review Committee – AA/RS

8.1.1 Lot 25-E (SG) - K. Rakela – Variance request – RS

Rich reviewed the letter from Kathleen Rakela (received 10/7/10) describing how her potential buyer had a need for a guesthouse on the lot, and how the lot size was slightly smaller than required by the master plan in order to do so. Discussion.

UNANIMOUS AGREEMENT: The Board agreed that this request to allow a guesthouse on a smaller lot size than required would be handled through the variance process.

ACTION ITEM: ***Alyssa*** – Contact Kathleen Rakela to begin the variance process.

8.1.2 Lot 28-C (NG) – M. Grenier/C. Kolberg – Single-wide Mobile Home – RS

Discussion.

MOTION: William motioned, seconded by Sheridan, to approve a temporary, 18-month (according to Master Plan Section 1.45) use of a single-wide home on Lot 28-C (NG) for Craig Kolberg with the conditions that: 1) The owner of the land, Mark Grenier, submit a permanent home application at the December 13, 2010 GLA Board Meeting; 2) The single-wide be re-sided and re-roofed with a pitched roof, and: 3) the existing airstream trailer be removed and the single-wide be placed in the same location. **Motion carried.** (One abstention: Rich)

UNANIMOUS AGREEMENT: The Board confirmed the need to uphold the GLA policy requiring that building applications be submitted two weeks prior to the Board Meeting to allow for Board review and/or action.

8.2 Election Committee – SS/Board

8.2.1 Review/vote for candidates – SS

GLA Board members voted anonymously for both NG & SG candidates; the voting results will be used by the Board representative when casting proxy votes.*

ACTION ITEM: ***Denise / Alyssa*** – Document Board proxy voting procedures.

8.2.2 Vote to approve agenda for Annual Meeting/Elections

UNANIMOUS AGREEMENT: The Annual Meeting Agenda was approved.

8.2.3 Review/discuss content of committee reports – Officers/Committee Chairs

Discussion.

8.2.4 Finalize assignments and details for conducting Annual Meeting

Discussion.

8.2.5 Handouts to be copied and Nov. 10 submittal timeline

Discussion.

9. Comment Period for Visiting Landowners – None.

10. Adjournment: The meeting adjourned at 9:45 pm

11. Next Meeting: Monday, December 13, 2010, 6:45 pm, St. John's Church.

* Each year there are a number of Landowners who mail completed proxy forms to the GLA. Landowners indicate on these forms that they are giving their permission to the Board (as a whole) to vote on their behalf (i.e. to be their proxy.) At the November elections, the Administrative Secretary hands all Board designated proxies to a Board representative, who will then cast votes for each proxy based on the above voting results. That Board member is usually the current President, unless he/she is a candidate running for re-election.

Board of Directors Meeting Minutes

January 10, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard at 7:05 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President) Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Neil Kremer, Clare Parker, William Smith, and Rich Spallone (aka Rich).
   ABSENT: Daniel O'Connell and Paul Ranttalo.
   ALSO ATTENDING: Donna Lash (GLA Assistant Administrative Secretary), Danilee Howe and Steven Boise.

2. **Set Agenda**

3. **Approve Meeting Minutes for December 13, 2010**
   Discussion.
   MOTION: Sheridan motioned and Laura seconded to approve the December 13, 2010 minutes as written.
   Motion carried. (1 abstention: Clare, who did not attend the meeting.)

4. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Alyssa motioned and William seconded to accept the Treasurer's reports for December 2010. **Motion carried unanimously.**

5. **Officers' Reports - none**

6. **UNFINISHED BUSINESS**
   6.1 Managerial Committee – LB/AA
   6.1.1 Status of Complaints – RB
   Richard reviewed the status of the past complaint regarding the GLA's easement road being blocked by a locked gate on Kathleen Ramp's Parcel 97 (SG). Discussion.
   ACTION ITEM: ***Richard*** – Direct the GLA's attorney to draft a letter to Kathleen Ramp's attorney requiring her to honor the GLA's easement rights on her Parcel 97 (SG)..

   6.1.2 Status of Items for Attorney Review – LB
   The preparation of these items is in process.
   ACTION ITEM: ***Sheridan*** – Summarize State guidelines on independent contractors and provide a summary document for attorney review.

7. **NEW BUSINESS**
   7.1 Managerial Committee – LB/AA
   7.1.1 Review Level of Managerial Work - AA
   Alyssa commented on the large number of tasks that are being handled by the Committee since October and that the Committee is continuing the process of determining how it will handle all ongoing administrative work. Discussion.
   ACTION ITEM: ***Managerial Committee*** – Continue discussions to define the tasks of the Managerial Committee and how they will be delegated.

   7.1.2 Special Assessments for Unforeseen Expenses - AA
   Alyssa reviewed some of the past unforeseen expenses such as the flooding on roads in both North and South Glastonbury a couple of years ago, and the

File: MtgMins 01 10 11

Final Approval: 02 21 11

November 2010 blizzard. She pointed out how in the past, we have been able to cover these unforeseen expenses by taking funds from other budgeted administrative areas. However, this was only possible because there were volunteers handling these administrative duties, and it has become evident that we can no longer rely on volunteers with the required skills and availability to perform this type of work. The Board discussed the need to retain budgeted funds for administrative duties and to use the special assessment option to cover unforeseen expenses.

ACTION ITEM: ***Managerial Committee*** – In the January newsletter, introduce the idea of a special assessment to cover unforeseen snow removal costs and other emergency situation costs. This will also be used to replenish reserve funds that had been set aside for future snow removal expenses.

ACTION ITEM: ***Managerial Committee*** – Draft a proposal for a special assessment/snow removal contingency fund and list services that would be cut if a special assessment is not approved by Landowners. Bring proposal to February Board meeting.

ACTION ITEM: ***Richard*** – Review the GLA's Covenants & Bylaws to determine and list the GLA's required services to Landowners.

7.1.3 Clarify Telephone Tree Management / Messaging Service – LB

The Board discussed that there needs to be an organized management team to perform the many tasks associated with the GLA communicating messages to Landowners via the Telephone Tree (sent out by Maydell Goulart).

ACTION ITEM: ***Managerial Committee*** – Draft a job description and recommend a job assignment for managing the messages that the GLA will send through the Telephone Tree sent out by Maydell Goulart. Bring proposal to February 7 Board Meeting.

7.2 Roads & Weeds Committee – WS/RS

7.2.1 Snowplowing Authorization Process –WS

The Board discussed reasons to document the process/procedure which the Road Committee uses as a guideline when authorizing snowplowing contractors to do snow removal.

ACTION ITEM: ***Managerial & Road Committee*** – Draft a procedure to budget, select, and authorize independent snow removal contractors.

ACTION ITEM: ***Managerial Committee*** – Review and assess Road Committee plan for snow removal to determine cost effective procedures and efficient communication.

7.2.2 Michael Koltonow Snowplowing Concerns – WS

The GLA recently received a call from Michael Koltonow, who expressed his concerns about how the GLA administered snow plowing. Rich reported that he spoke with Michael and clarified the GLA's snow removal strategy and how it was based on resources and manpower. Rich reported that Michael gained a better understanding of how the GLA worked and was satisfied with the job the GLA snowplowing contractors were doing.

7.3 Community Committee – RB/LB

7.3.1 GLA Emergency Preparedness Subcommittee – WS/LB

7.3.1.1 Discuss GLA Emergency Preparedness Process

Discussion points included:

File: MtgMins 01 10 11
Draft (s): 01 19 11; 01 31 11; 02 01 11; 02 02 11-FINAL
Final Approval: 02 21 11

a) The Road Committee needs to bring ideas to the Board to help with solving problems associated with emergency road related situations.
b) Develop procedures for the GLA to utilize notification methods to communicate with Landowners via our website, our message service and telephone trees when dealing with emergencies related to snow, fire, floods, etc. (Includes responding by letter)
b) Develop procedures for better communication between the GLA and contractors/helpers during emergencies (i.e. create a call center)

7.3.1.2 **Plan 1/26/11 GLA Emergency Preparedness Meeting**
ACTION ITEM: ***Managerial Committee*** - Coordinate January 26, 2011 Preparedness Meeting plans, handouts, refreshments and PowerPoint presentation with Laura and William. Review with Richard.
ACTION ITEM: ***Board Volunteers for Preparedness Meeting*** - Set up for meeting at 6 pm at St. John's so that meeting can begin at 6:30 pm.
ACTION ITEM: ***William*** - Provide easel for January 26 meeting.

a) Propose/vote on agenda

The Board determined that there will not be a formal agenda, but that the meeting will be designed to allow for expression of ideas from both Landowners and Board members.

b) Pre-meeting tasks (See Action Items under 7.3.1.2)

The following details were discussed, but not recorded in the minutes.

1) PowerPoint photo presentation
2) Notification
3) Identify materials needed / who will prepare them / assign tasks

c) Determine meeting personnel

The following details were discussed, but not recorded in the minutes.

1) Set up
2) Registration
3) Note-taking – William will take notes on the easel
4) Refreshments
5) Clean up

8. **Comment Period for Visiting Landowners – none**
9. **Adjournment** - The meeting adjourned at 8:48 pm.
10. **Next Board Meeting: February 7, 2011, 6:45 p.m. at St. John's Church**
[Note: The Feb. 7 meeting was cancelled and rescheduled for Feb. 21]
Reminder: Special GLA Emergency Preparedness Meeting on January 26, 6:30 p.m., St. John's Church.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

February 21, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard at 7:16 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel (arrived: 7:40 p.m.), Clare Parker, Paul Ranttalo and Rich Spallone (aka Rich).
   ABSENT: Laura Boise (Vice President), Neil Kremer, Daniel O'Connell and William Smith.
   ALSO ATTENDING: Charlene Murphy (GLA Assistant Administrative Secretary), Ron Wartman, George Martin, Cami & Ben Bernard.

2. **Set Agenda**

3. **Approve Meeting Minutes for January 10, 2011.**
   MOTION: Janet motioned and Sheridan seconded to approve the January 10, 2011 minutes as written. **Motion carried.** (1 abstention - Paul Rantallo, who did not attend the meeting.)

4. **Treasurer's Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Alyssa motioned and Janet seconded to accept the Treasurer's reports for January 2011. **Motion carried unanimously.**

5. **Officer Reports**
   5.1 Report on research re: list of services required by GLA Covenants/Bylaws – RB
   a) Road Research
   Richard Bolen reported on his research of the GLA Covenants/Bylaws and cited Sections 8h and 8c from the Glastonbury Covenants. Section 8h: "The Association is not obligated to provide maintenance or snowplowing in excess of the amount that has been paid by Landowners through the annual assessment." Section c: "limited by resources and equipment"
   Discussion included that the GLA has the responsibility of maintaining the roads to the best of its ability and within the limits of its income. The GLA does not have the authority to spend beyond the limits of its income. (Other points of discussion will be included in notes that will be attached to the minutes after further review)

6. **UNFINISHED BUSINESS**
   6.1 Managerial Committee – LB/AA
   6.1.1 Status of Complaints – RB
   6.1.1,1 GLA's K. Ramp/Parcel 97
   Discussion. Richard reported that he spoke with James Kozlik who is willing to help gather information regarding the easement on SG 97.

   6.1.2 Status of Items for Attorney Review – LB (1 min)
   6.1.2.1 Summary of guidelines for independent contractors vs. employees – SS
   Sheridan presented research from our accountant Kat Moody and the IRS guidelines describing how we can be in compliance with the issue of independent contactors vs. employees: (1). To be compliant as a state not-for-profit corporation, the GLA needs to hire independent contractors and treat them as subcontractors, not as employees. (2) The GLA needs to send 1099 forms to all independent contractors each year even though the GLA's former accountant (Tom Shellenberg) had once stated this was not needed. Further Discussion included that further research will be

File: MtgMins 02 21 11
Drafts: 02 27 11; 03 05 11; 04 11 11 - FINAL
Final Approval: 04 11 11

needed. *(Note: Other details of research presented by Sheridan will be documented and attached to the final approved meeting minutes of 2/21/11.)*

ACTION ITEM: ***Richard/Daniel***– Further research independent contractor/employee requirements for the not-for-profit status organization at the state level

MOTION: Alyssa motioned and Sheridan seconded that the GLA follow a policy that anyone doing work for the GLA must be established as an independent contractor and comply with all guidelines and regulations by the IRS and state laws. **Motion carried unanimously.**

ACTION ITEM: ***Road Committee***– Follow up to determine whether the snow plow drivers of our GLA trucks and other equipment are in compliance with independent contractor requirements.

UNANIMOUS AGREEMENT: The Board agreed that the GLA will send 1099 forms to all independent contractors each year.

ACTION ITEM: ***Charlene (Bookkeeper)*** - Create files on independent contractors who work for the GLA. Files will include copies of their workman's comp exempt status, the scope of work, written contracts for each independent contractor stating that the GLA provides no benefits, etc

ACTION ITEM: ***Charlene (Bookkeeper)*** –Acquire the appropriate1099 forms, gather needed information from independent contractors and send 1099 forms to all Independent Contractors working for the GLA each year. If time permits, send 1099 forms to independent contractors for 2010.

ACTION ITEM: ***Denise/Charlene*** – Incorporate new policies re: creating files on independent contractors and sending 1099 forms to them. Add these to the policy and procedure documents for the Treasurer and Bookkeeper.

7. **NEW BUSINESS**
   - **7.1 Project Review Committee – AA/RS**
     - **7.1.1 Lot 54-C (NG) Lori and Billy Guldan: Garage/Workshop – AA**

       Discussion. Gerald reported that he inspected the building site and the necessary setbacks will be met.

       Motion: Alyssa motioned and Paul seconded to approve the application for Lori and Billy Guldan's garage/shop building on Lot 54-C (NG) with the condition that if electricity is to be installed, the applicants will obtain an electrical permit, and any disturbed land will be reseeded after construction. **Motion carried unanimously.**

   - **7.2 Road & Weed Committee – WS/RS**
     - **7.2.1 Snow Removal & Contractors**

7.2.1.1 Review proposal for procedures re: snow removal contractors –Road & Managerial Committees

a) New Procedure for Snow Contractors

To clarify the GLA's relationship with snow contractors and prevent misunderstandings between the GLA and the same, Richard proposed that prior to taking on any job for the GLA, a contractor must first acquire a GLA contract/agreement form signed by the Road Committee Chairs and by the contractor. The form would authorize the details of a specific job (ie designated location and time frame) and conditions of payment for that job, etc. Contractors would be required to include the form with their bill. Prior to payment, at least 2 GLA Board members (Committee Chairs?) would need to review and approve payment. The Treasurer will have a file for each Independent contractor that contains all necessary information regarding the contractor (ie. workman's comp exempt status, tax ID numbers, etc.)

ACTION ITEM: ***Charlene - (Acting as volunteer secretary for the Road Committee)*** - Draft a contractor authorization/agreement form and submit to Managerial Committee for formatting/finalization.

ACTION ITEM: ***Managerial Committee*** – Finalize contractor job authorization/agreement form and submit to Richard and Road Committee for final approval.

ACTION ITEM: ***Managerial Committee*** – Document new procedures for contractors and job authorization/agreement forms

b) Contractor who billed the GLA without authorization

Rich reported that billing protocol had been broken when a contractor, Steve Sirios billed the GLA for snow removal work but had not received authorization to do the job. Steve had been informed of the GLA's policy regarding authorization.

ACTION ITEM: ***Sheridan*** – Call Steve Sirios tomorrow. Give copy of Steve's bill to Richard Bolen.

ACTION ITEM: ***Richard*** – Draft a letter to Steve stating that he needs prior approval to remove snow and must submit a signed authorization form prior to working for the GLA. Give draft to Management Committee for finalization and mailing.

7.2.1.2 Report on research re: Road Committee plan for snow removal – Road & Managerial Committees

Discussion. See above.

7.4 Community Committee – RB/LB

7.4.1 GLA Emergency Preparedness Subcommittee WS/LB

7.4.1.1 Review January 26 Emergency Preparedness Meeting – WS/LB. Tabled.

File: MtgMins 02 21 11
Drafts: 02 27 11; 03 05 11; 04 11 11 - FINAL
Final Approval: 04 11 11

7.4.1.2 Review and vote on proposal for special assessment for snow removal/contingency fund – AA

Discussion points included: (1) Snow removal in January 2011 has already spent the entire year's snow removal budget. (2) In order to proceed with a Special Assessment needed to cover the unusually high snow removal expenses for this winter season, a letter must be drafted and mailed out with a ballot asking for Landowner approval of the proposed special assessment. (3) Suggestion that the special assessment be $50.00 per assessment with owners in High South (accessed by Hercules Road) paying a double assessment. This would bring in approximately $35,000. Special Assessments funds would be set aside for snow removal and road repair only. (4) Road Committee reported that the roads will be potholed and damaged by this season's heavy snow fall since this creates a lot of moisture on the road that cannot be absorbed by the frozen surface below. (5) Rich believes $35,000 is needed to pay for snow removal, repairs and for reserve for future weather emergencies. (6) The amount of the special assessment must be well justified. If the vote fails to pass it, the GLA will need to raise the assessments 10% in 2012's budget. This 10% would be about $12,000. (7) The GLA spent more than $12,000 in just the Thanksgiving storm.

Motion: Alyssa motioned and Gerald seconded to proceed with the special assessment of $50 per assessment and double this amount in High South. Denise will draft the special letter with input from the Managerial Committee, the Road Committee, the Treasurer and Bookkeeper. The letter will give the facts and figures to justify the amount being requested. The special meeting required for Landowner comment regarding the special assessment will be held at the earliest possible time depending on when this letter/ballot is mailed. **Motion carried unanimously.**

ACTION ITEM: ***Denise w/Managerial & Road Committees, Treasurer and Bookkeeper*** – Draft special assessment letter.

7.4.1.3 Discuss telephone tree management / messaging service for emergencies – LB

Discussion.

Procedure for Telephone Trees: One person will work with the Managerial & Road Committee to compose the emergency telephone trees. When the trees are completed, Clare will be the contact person to work with Maydell Goulart, who calls out the trees,

7.4.1.4 Discuss procedure for communication between the GLA & contractors/helpers during emergencies – Road & Management Committees

Discussion. This topic was covered to some extent in 7.2.1.1, the rest was tabled.

8. **Comment Period for Visiting Landowners**
9. **Adjournment 9:30 p.m.**
10. **Next Board Meeting: March 14, 2011, 6:45 p.m. at St. John's Church**

File: MtgMins 02 21 11
Drafts: 02 27 11; 03 05 11; 04 11 11 - FINAL
Final Approval: 04 11 11

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

April 11, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:35 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President) arrived 7:50 p.m., Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Neil Kremer, Clare Parker, and Rich Spallone (aka Rich) arrived 8:00 p.m..
   ABSENT: Daniel O'Connell, Paul Ranttalo and William Smith.
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant)

   GENERAL CONSENSUS: It was agreed that in order to help the Board to know when quorum will be reached, any Board member who will be late or unable to attend a meeting shall contact another Board member by e-mail or phone ahead of time.

2. **Set Agenda**
   Added: 7.1.3 Project Review – NG 22-A, Sheridan Stenberg Greenhouse
   Added: 6.2.2 Road & Weed - Quonset Hut status and request to complete.

3. **Approve Meeting Minutes for February 21, 2011**
   Discussion. Edits include the removal of 2 question marks on page 2; page numbers need to be changed.
   MOTION: Sheridan motioned and Gerald seconded to approve the Feb. 21 minutes as amended. **Motion carried.** (1abstention - Neil Kremer, who did not attend the meeting.)

4. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   a) Follow-up on Snowplowing Bill from Steve Sirois
   Sheridan reported that she spoke with Steve Sirois regarding the bill for snowplowing work that had not been authorized by the Road Committee. She discussed with Steve that the GLA had explained to him the authorization requirement prior to his work, and both came to terms that the GLA would not issue payment for that bill.

   b) Dry Creek Road Snowplowing Bills
   The Board discussed the possibility of sending the GLA's bills for snow removal on Dry Creek Road to Park County.
   ACTION ITEM: ***Charlene*** – Check with William and Rich about billing Park County for snow removal on Dry Creek Road.

   c) February 2011 Treasurer Reports
   The February reports that were prepared for the March meeting had been e-mailed to the Board for review in March. Since the March meeting was cancelled, however, the February reports were not printed out and distributed to the Board as hard copies.

   d) March 2011 Treasurer Reports
   MOTION: Alyssa motioned and Clare seconded to approve the Treasurer reports for March 2011. **Motion carried unanimously.**

5. **Officer Reports**
   5.1 Proposal to replace April newsletter w/upcoming special assessment letter – AA
   Discussion. Alyssa reported that the Managerial Committee was unable to complete many pending projects due to people's overloaded schedules and unforeseen personal issues. It was suggested that instead of doing a Spring Newsletter, the usual weed spraying and grading information be mentioned in the Special Assessment letter/mailing/ballot. The

File: MtgMins 04 11 11
Draft (s): 04 14 11, 05 05 11, 05 07 11, 05 09 11; 02 11 12-FINAL
Final Approval: 05 10 11

Board expressed concern about the delay in getting out Special Assessment letter, the administrative budget and agreed that it would like to have Denise commit to more hours of GLA work. Also discussed was the possibility of offering a $200 incentive bonus to help Denise expedite her work and obtain her independent contractor designation.

ACTION ITEM: ***Alyssa & Laura*** - Ask Denise if she can commit more hours to GLA work, and if a $200 incentive bonus would be helpful in obtaining theindependent contractor status.
ACTION ITEM: ***Laura, Richard and Janet*** - Meet to create a process of communication between the Managerial Committee and the Board to determine how correspondence and communication about pending tasks (such as letter-writing) can better flow, and perhaps compile a set of simple template letters.

6. **UNFINISHED BUSINESS**
   - **6.1.1 Status of items for attorney review – LB et al**
     - **6.1.1.1 Research concerning independent contractors vs. employees**
       See February 21, 2011 Meeting Minutes re: federal requirements.

       6.1.1.1.1 Update re: research of state requirements – RB
       Discussion. Daniel O'Connell has not completed research on state requirements.
       ACTION ITEM: ***Daniel*** - Research state requirements concerning independent contractors vs. employees.

       6.1.1.1.2 Determine if GLA contractors are in compliance with independent contractor requirements –AA
       The Board reviewed how it appears that all of the administrative contractors meet the independent contractor requirements. However, there is still a question concerning snowplow drivers of GLA trucks.
       ACTION ITEM: ***Road Committee*** - Meet and make a recommendation regarding the independent contractor status of snowplow drivers of GLA trucks.

       6.1.1.1.3 Update on 1099 forms – CRM/SS
       Discussion. Charlene reported that there was not enough time to send out 1099 forms for 2010. She will acquire the software and information to do this on time for the upcoming 2011 tax year.

       6.1.1.1.4 Job titles for GLA independent contractors – AA
       Discussion. Alyssa stated that since the GLA does not have employees, any job titles or references to the independent contractors we use should reflect this. Some suggestions were as follows:
       "Managerial Support" or "Administrative Support" as a title for Denise;
       "Bookkeeping Services" and "Board Meeting Assistant" for Charlene.
       ACTION ITEM: ***Alyssa*** **–** Discuss job title possibilities with Denise.

File: MtgMins 04 11 11
Draft (s): 04 14 11, 05 05 11, 05 07 11, 05 09 11; 02 11 12-FINAL
Final Approval: 05 10 11

6.1.1.1.5 GLA snow plow trucks/equipment ownership issues– AA
Discussion.
ACTION ITEM: ***Road Committee*** – Meet to discuss the snowplow trucks/equipment ownership issues; present recommendations at May Board Meeting.

6.2 Road & Weed Committee- WS/RS

6.2.1 Proposal for Meeting to Discuss Snow Removal & Contractors - AA
Alyssa proposed the following:

(a) Road Committee will meet to review & document the following:
- **Management procedure for facilitating snow removal using dispatchers. Clear guidelines for hiring snowplowers.**
- **Procedure for snow removal contractors to use.**
- **Procedure for communication between the GLA & contractors/helpers during emergencies.**

(b) Present above documents to the Board for review and final approval
Discussion.
ACTION ITEM: ***Road Committee*** – If possible, meet before the May 9 Board meeting to discuss items listed in 6.2.1 above and present to Board.

6.2.2 Quonset Hut Status and Request - GD
Discussion. Gerald reported that Paul needs two more hours to complete work on the Quonset hut door, estimated to cost $150.00.
MOTION: Alyssa motioned and Sheridan seconded to approve $150 to complete the work on the Quonset hut door. **Motion carried unanimously.**

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Parcel 8 (NG)/ E & R Properties, LLC, Ronalee Johnson: Greenhouse – AA
Alyssa reviewed the project and noted that the Tenant-in-Common owner, Svend Andersen, had also signed the application. Gerald did the on-sight inspection of the building site and verified that the necessary setbacks are met.
MOTION: Alyssa motioned and Rich seconded to approve Ronalee Johnson's greenhouse application on Parcel 8 (NG) with the following conditions: (a) any disturbed land be reseeded, and; (b) if electrical service is to be installed, an electrical permit must be obtained. **Motioned carried unanimously.**

7.1.2 Lot 36-C (NG)/ Aija-Mara Accatino: Garage & Small Addition – AA
Alyssa reviewed the application. Discussion included: (a) Due to the small lot size and existing house placement, the garage would encroach on the 15-foot setback from the subdivision's private access road and public utility easement by approximately 3 feet; (b) The garage would not be in the easement, but 12 feet away from it rather than the required 15 feet per GLA Covenants, Section 6.02, and; (c) A minor variance process must take place to ensure no member of the subdivision would be opposed to the garage placement.
MOTION: Alyssa motioned and Clare seconded that Aija-Mara Accatino's garage and sunroom application on Lot 36-C (NG) be approved with the following conditions: (a) Disturbed land be reseeded; (b) Necessary electrical permits be obtained, and; (c) GLA's variance process reveals there is no member of Parcel 36

subdivision, who opposes to the garage setback of 12 feet from the road. **Motion carried.** (2 abstentions - Rich & Gerald, due to conflict of interest.)
ACTION ITEM: ***Alyssa*** – Conduct minor variance process for Aija-Mara Accatino's Lot 36-C (NG) garage 12-foot setback.

7.1.3 Lot 22-A (NG)/ Sheridan Stenberg - Greenhouse
Discussion.
MOTION: Alyssa motioned and Rich seconded to approve Sheridan Stenberg's application for a greenhouse on Lot 22-A (NG) with the condition that any disturbed land be reseeded. **Motion carried unanimously.**

7.2 Community Committee – RB/LB
7.2.1 GLA Emergency Preparedness Subcommittee – WS/LB
7.2.1.1 Review Jan. 26, 2011 Emergency Preparedness Meeting – WS/LB
Tabled.

8. Comment Period for Visiting Landowners. None

9. Adjournment: 9:21 p.m.

10. Next Public Board Meeting: May 9, 2011, 6:45 p.m. at St. John's Church.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

May 9, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Laura Boise at 7:00 p.m. at St. John's Church.
   PRESENT: Laura Boise (Vice President) Janet Naclerio (Secretary), Daniel O'Connell, Clare Parker, Paul Ranttalo, William Smith, and Rich Spallone (aka Rich).
   Alyssa Allen, Gerald Dubiel and Neil Kremer arrived 7:50 pm.
   ABSENT: Richard Bolen, Sheridan Stenberg.
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Val O'Connell (Landowner), and Danilee Howe (Neighbor).

2. **Set Agenda**
   Add 7.4.2. Questions re: Collection Committee (DKO)

3. **Approve Meeting Minutes for April 11, 2011**
   Discussion. Two minor edits. First edit, 5.1, remove "expedite her work and." Second edit, 6.1.1.1.3 remove the extra word, "have."
   MOTION: Janet motioned and Clare seconded to accept the April 11, 2011 minutes as amended. **Motion carried.** (3 Abstentions: Paul; William and Daniel, who did not attend the meeting.)

4. **Treasurer's Reports - Budget Variance, Check & Deposit – SS**
   Charlene presented reports in Sheridan's absence.
   UNANIMOUS AGFREEMENT: The Board approved the April 2011Treasurer's Reports

5. **Officer Reports**
   5.1 Special Assessment Letter – LB/RB/AA
   5.1.1 Proposed revisions based on Attorney input – LB
   Discussion points: (1) Laura reported conversation with our attorney, who confirmed that Landowners who do not live in High South cannot legally vote for a special assessment amount that would be higher for High South Landowners than for themselves. Only High South Landowners could vote for an additional increase for the High South owners. (2) A new special assessment motion will need to be voted on in order to override the motion made in February regarding the special assessments. (3) The Board agreed to set the precedent of proceeding carefully in the process of establishing a special road assessment. (4) The Board discussed wording and points that should be contained in the letter. (Note Taker has copy of main points discussed.)
   ACTION ITEM: ***Laura*** – Work with Richard and the Managerial Committee to develop the special assessment letters based on attorney input and accurate figures of amount spent on snow removal in each area. The estimate of repair costs will be divided equally among all areas. Email letter draft to the Road Committee for approval. Then email to the entire Board for vote of approval.
   ACTION ITEM: ***Road Committee*** - Submit an estimate of repair costs to paved and gravel roads to Laura.

6. **UNFINISHED BUSINESS**
   6.1 Managerial Committee – LB/AA
   6.1.1 Procedure for communication between Managerial Committee & Board, etc. – (LB/AA/RB/JN) Tabled.

   6.1.2 Update re: GLA Job Titles for administrative personnel – AA Tabled.

File: MtgMins 05 09 11
Draft: 06 13 11; 06 27 11 - FINAL
Final Approval: 06 27 11

6.2 Project Review Committee – AA/RS

6.2.1 Update re: Variance on Garage Setback for Lot 36-C (NG) - Aija-Mara Accatino – AA

Alyssa reported that she contacted all the neighbors on parcel NG 36 and no one was opposed to the variance for the garage setback for lot NG 36-C, therefore the previous motion to approve the variance with this condition was fulfilled.

6.3 Road & Weed Committee - WS/RS

6.3.1 Proposal re: Management Details for Snowplowing & Contractors. Tabled.

6.3.2 Report on Independent Contractor Status of GLA Snowplow Drivers Tabled.

6.3.3 Recommendations re: snowplow trucks/equipment ownership issues

Action Item: ***Road Committee*** – Review independent contractor issue as it applies to the snowplow trucks and drivers and make a recommendation to the Board.

6.3.4 Weed Spraying (WS) ***- Added to the agenda***

William is a member of the County Weed Management Committee. He needs to step down from that position and asked if anyone on the Board would be interested in taking it on. The next County Weed Management Committee meeting will be held in the Forest Service building, 2:00 p.m., Tuesday, May 10, 2011.

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - 5 Residences – AA

Alyssa described the proposed plans for the Ericksons, which includes 5 dwellings to be used by their family. Since they own 2 original, undivided parcels, the Master Plan allows them to have 4 full-time residences. If the two parcels were subdivided into two lots on #90 and two lots on #91, there could be a house and guesthouse on each lot, for a total of 8 dwellings (4 houses and 4 guesthouses.) Since their proposed plan is to build a total of 5 dwellings, they would have to go through a major variance process. Alyssa reported that the Ericksons were already willing to agree not to develop any more dwellings on either of their parcels, limiting the dwellings to the proposed 5 on Parcel 91. The Board also discussed that the plat map they submitted did not show the correct road easement location, which had been changed in 2003, and they would have to move the buildings or work with the GLA to possibly relocate the easement cul-de-sac. Road access was discussed and Alyssa reported that the Ericksons had indicated that they would be willing to improve Upper Sagittarius Skyway at their own expense, and that they were not expecting road maintenance and snowplowing services from the GLA.

UNANIMOUS CONSENT: The Board agreed that Alyssa should proceed with the variance process for the additional building on Erickson Parcels 90 & 91 SG. An agreement would be drawn up describing that the Erickson's will not further develop beyond the 5 proposed dwellings, and this agreement runs with the land.

ACTION ITEM: ***Alyssa*** – Proceed with the variance process for the Ericksons

ACTION ITEM: ***Project Review Committee*** – Inform Cikan Architects that the plat map being used shows the incorrect easement location and explore what can be done to move buildings out of the easement.

File: MtgMins 05 09 11
Draft: 06 13 11; 06 27 11 - FINAL
Final Approval: 06 27 11

7.2 Community Committee – RB/LB

7.2.1 GLA Emergency Preparedness Subcommittee – WS/LB

7.2.1.1 Review January 26 Emergency Preparedness Meeting – WS/LB
The Board concluded that there had been adequate discussion concerning the meeting and further discussion was not needed.

7.3 Road & Weed Committee – WS/RS

7.3.1 Research re: Billing Park County for GLA Snowplowing of Dry Creek Road – CRM/WS/RS Tabled.

7.3.2 Discuss Proposal for Rural Special Improvement Districts w/Park County Governing Body – WS Tabled.

7.4 Collections Committee – RB/SS /RS/CRM

7.4.1 Report on research, meeting, and attorney recommendations Tabled. (Richard was not present to give an update).

7.4.2 Questions re: Collection Committee (DK0) ***Added to the agenda***
Discussion/questions included: (1) The role of the Collection Committee, (2) The proposal for Committee members to sign a confidentiality agreement, and; (3) Daniel requested to join the Committee.
UNANIMOUS AGREEMENT: The Board approved Daniel's joining the Collection Committee.
UNANIMOUS AGREEMENT: The Board approved the creation of a confidentiality/conflict of interest form to be created for each Collection Committee member to sign.
ACTION ITEM: ***Janet/ Charlene/Denise*** – Write a Confidentiality/Conflict of interest agreement for the Collection Committee.
ACTION ITEM: ***Charlene*** - Send Collection Committee information to Daniel.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Agenda

May 9, 2011 - 6:45 p.m.

1. Call to order
2. Set Agenda
3. Approve April 11, 2011 Meeting Minutes
4. Treasurer's Reports – Budget Variance, Check & Deposit – SS (2 min)
5. Officer Reports
   - 5.1 Special Assessment Letter – LB/RB/AA
     - 5.1.1 Proposed revisions based on Attorney input – LB (5 min)
6. UNFINISHED BUSINESS
   - 6.1 Managerial Committee – LB/AA
     - 6.1.1 Procedure for communication between Managerial Committee & Board, etc. – (LB/AA/RB/JN)
     - 6.1.2 Update re: GLA Job Titles for administrative personnel – AA (2 min)
   - 6.2 Project Review Committee – AA/RS
     - 6.2.1 Update re: Variance on Garage Setback for Lot 36-C (NG) - Aija-Mara Accatino – AA (1 min)
   - 6.3 Road & Weed Committee - WS/RS
     - 6.3.1 Proposal re: Management Details for Snowplowing & Contractors
     - 6.3.2 Report on Independent Contractor Status of GLA Snowplow Drivers
     - 6.3.3 Recommendations re: snowplow trucks/equipment ownership issues
7. NEW BUSINESS
   - 7.1 Project Review Committee – AA/RS
     - 7.1.1 Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - 5 Residences – AA (20 min)
   - 7.2 Community Committee – RB/LB
     - 7.2.1 GLA Emergency Preparedness Subcommittee – WS/LB
       - 7.2.1.1 Review January 26 Emergency Preparedness Meeting – WS/LB (5 min)
   - 7.3 Road & Weed Committee – WS/RS
     - 7.3.1 Research re: Billing Park County for GLA Snowplowing of Dry Creek Road – CRM/WS/RS
     - 7.3.2 Discuss Proposal for Rural Special Improvement Districts w/Park County Governing Body – WS (5 mins)
   - 7.4 Collections Committee – RB/SS /RS/CRM
     - 7.4.1 Report on research, meeting, and attorney recommendations (5 min)
8. Comment Period for Visiting Landowners
9. Adjournment
10. Next Public Board Meeting: June 13, 2011 6:45 p.m. at St. John's Church

Board of Directors Meeting Minutes

June 13, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:05 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President) Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Daniel O'Connell, Paul Ranttalo, William Smith, and Rich Spallone (aka Rich).
   ABSENT: Neil Kremer and Clare Parker
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Tim Brockett, Walter and Regina Wunsch, Val O'Connell, Danilie Howe, Chuck Tanner, Peter Naclerio, Frank Cikan, and Mary Ann Svehla of Cikan Architects, P.C.

2. **Set Agenda**
   The following agenda items were added:
   5.1.1 Daniel requested a discussion on contract obligations as pertaining to the project review proposal of Parcels 90 & 91 (SG).
   7.2.4 Formation of a legal officer position, change the word "committee" to "officer" in this agenda item.

3. **Approve Meeting Minutes for May 9, 2011** Tabled.

4. **Treasurer's Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Laura motioned and Janet seconded to accept the Treasurer's reports for May 2011. **Motion carried. (1 abstention – Daniel)**

5. **Officer Reports**
   5.1 Proposed Policy for Handling Legal Issues and E-mail Communication – LB
   a) Proposal for handling legal issues: Laura reported that due to differing interpretations of our Covenants and Bylaws among some Board Members, she spoke with Hertha Lund, our attorney, who advised that any questions be presented to her for legal interpretation. Then, based on this legal advice, policies will be drafted, discussed and approved or disapproved by the Board's vote.
   b) E-mail communication among Board Members: Laura reported that Hertha advised that e-mail not be used as a means to discuss important issues. She recommended that the GLA hire Alanah Griffith (an attorney who specializes in homeowner association law) to draft a policy regarding e-mail communication that the Board can then vote to adopt. When the Board develops a policy based on our attorney's advice; that policy will be reviewed by the attorney before the Board votes on it.

   MOTION: Laura motioned and Alyssa seconded to send legal questions to the attorney and use the legal advice given to create policies. (We can create a policy for e-mail communications that are not based on weighty issues that require deliberation among the whole Board.) **Motion carried. (9 in favor; 1 opposed – Daniel).**

   ACTION ITEM: ***Board*** – Submit questions along with any documentation to Richard to be forwarded to the attorney.

   5.1.1 Contract Obligations
   Daniel stated that a contract is being made between the GLA and the Ericksons as part of the conditions for potentially approving the Erickson's building project on Parcels 90 & 91 (SG), and that according to the Bylaw Article VI-B, a contract must be less than 5 years or it requires 51% membership approval.

File: MtgMins 06 13 11
Draft (s): 06 21 11; 06 23 11; 07 12 11; 09 21 11; 10 31 11-FINAL
Final Approval: 10 17 11; See attached edited draft showing approved edits by Board on 10 17 11.

before, during and after their construction activities for any damage they cause to the association roads leading to their parcels. **[Superceded by refinements made at June 27, 2011 meeting.]**

6. Snow plowing of the last .6 of a mile of Upper Sagittarius Skyway will be paid for by the Ericksons when they need access.
7. Each dwelling will have impact fees for construction.
8. Each dwelling pays an assessment.
9. The GLA is not obligated to provide any road maintenance.
10. Property is not to be resold as a Commercial Lodging facility such as a B&B or guest ranch because of road impact.
11. Variance grants permission to build 5 dwellings as stated in the Ericksons'site plan with the 25-foot setback for 3 of the dwellings.
12. Ericksons must adhere to their site plan as they proceed with the buildings regarding size and location. The first phase is for buildings 2 and 5, which are shown in the current application.
13. Ericksons will submit application details and individual project review forms for the other 3 buildings when they are ready to proceed with phase 2.
14. Outbuilding development will be limited and the Ericksons will submit a project review application for any future outbuildings.
15. Limit commercial activity
16. Require the Ericksons' attorney to draw up an agreement that addresses all the Board's concerns and requirements.
17. Hertha will review this agreement.

MOTION: Daniel motioned and William seconded to table the Erickson's project review until some of these issues are sorted out such as what agreement we will make with the Ericksons. **Motion carried. (6 in favor; 3 opposed)**
Discussion.
AMENDMENT TO ABOVE MOTION: William motioned and Gerald seconded to amend Daniel's motion that tabled the variance on five buildings until more information is gathered and instead allow "phase one" of the project that includes buildings 2 and 5 to go forward using a new project review form. **Motion did not carry. (3 in favor – William, Gerald & Daniel; 5 opposed.)**

GENERAL CONSENSUS AGREEMENT: The Board agreed to meet on Monday, June 20, 2011 at 7:00 pm to continue deliberations on this variance.

ACTION ITEM: ***Janet*** – Contact Eileen Story to determine if St. John's Church can be booked on June 20 and inform the Board of the outcome.

6.2 Community Committee – RB/LB

6.2.1 Review 2010 Letters from J. Johnson requesting ban of fireworks in Glastonbury

The Board reviewed Johnson's letters proposing that fireworks should be banned from Glastonbury as they have seriously disturbed her pets and are a potential fire hazard. The Board did not agree to limit the use of fireworks in Glastonbury. Discussion included: (1) Fireworks are not allowed in Golden Age Village where J. Johnson lives but are allowed on Glastonbury private land; (2) It is up to individual Landowners to use fireworks responsibly and limit the fire hazard, (3) Since shooting firearms is allowed on GLA private land and fireworks are an

accessible to all association Landowners. The Ericksons are willing to pay for snow removal on Upper Sagittarius Skyway when they need access in winter.
f) Alyssa said that a fire fill tank of 20,000 gallons would be installed close to the cul-de-sac, and this cistern could be used for fire protection for all High South properties. Alyssa mentioned how Greg Coleman pointed out that a development with a watered green lawn is easier to protect than dry grass in a fire. She showed photos of the building site that illustrated how all trees are much more than 100 feet away.
g) Alyssa reported on the input from four neighboring Landowners submitted on the variance response forms. None of the adjacent Landowners were opposed to the variance. The owners of Parcel 89 said he agrees with the variance. The owners of Parcel 92 indicated that they liked the residential nature of the project. The owner of Parcel 93 responded, "it is an appropriate use of land and preserves the natural resources." Tim Brockett, owner of Parcel 88A, says he approves the compound in principal, has no problem with a residential compound, but hopes it doesn't turn into a subdivision or commercial operation. His concerns are possible fire hazard of buildings being 25–30 feet apart, road not being accessible to fight a fire in winter, large enough septic and drain field for large family, wants to move the project 500 feet to the hilltop and have no buildings on Parcel 90.

6.1.1.2 Further Discussion Points
a) The idea of a conservation easement to be placed on Parcel 90;
b) Whether or not to ban all buildings on 90 or just dwellings;
c) Whether or not to limit outbuildings on either Parcel;
d) Whether the Forest Service need to be contacted since property borders their land;
e) The Erickson's attorney could draw up an agreement that would run with the land and restrict any future residential development on Parcel 90 and restrict future commercial use of the residential cluster on Parcel 91 into perpetuity;
f) The GLA would review any future outbuilding projects on either Parcel;
g) Hertha Lund will review any agreement presented by the Erickson's attorney
h) The variance has to do with the density of dwellings per parcel
i) Whether or not the Erickson's have a valid hardship or need for a variance. Daniel stated that the Board cannot offer a variance based on the Erickson's not using Parcel 90, and felt that the steep terrain does not bar them from using their land.
j) Daniel questioned the number of variances for the Erickson's project review.

6.1.1.3 The Board listed a number of conditions that would be required in order to give preliminary approval for the variance as follows:
1. Limit number of dwellings on both parcels to five dwellings on Parcel 91 and no dwellings on Parcel 90.
2. Ownership of Parcels 90 and 91 stays as one ownership entity and will not be subdivided.
3. Must follow state/county laws regarding sanitation, septic, drain fields, etc.
4. The GLA doesn't regulate fire protection, therefore the Ericksons will abide by all fire regulations.
5. The last .6 of a mile of Sagittarius Skyway is considered a jeep trail and is not maintained by the Association. Any improvements to the road will be done voluntarily by the Ericksons' at their own expense, and they are responsible

File: MtgMins 06 13 11
Draft (s): 06 21 11; 06 23 11; 07 12 11; 09 21 11; 10 31 11-FINAL
Final Approval: 10 17 11; See attached edited draft showing approved edits by Board on 10 17 11.

ACTION ITEM: ***Richard*** - Consult the attorney about how Bylaw Article VI-B applies to the conditions of the Erickson's potential project approval.

5.2 Update on Special Assessment Letter – LB/RB/AA/Road Committee

Discussion included: (1) The Road Committee determined that an additional special assessment of $90 for the 69 High South Landowners would cover the costs of snow removal in High South for the 2010 – 2011 snow season; (2) The $90 is in addition to the $30 per assessment that all Glastonbury Landowners will be asked to approve by vote, and; (3) There is a need to contact all Landowners by phone before the letter goes out to encourage them to vote.

ACTION ITEM: ***Charlene*** – Work with William, Rich and Managerial Committee to draft the special assessment letter. Send final draft to all Board Members.

ACTION ITEM: ***Board*** – Organize a team to contact High South Landowners regarding the $90 proposed assessment and all Landowners about the $30 special assessment and encourage them to vote to approve these assessments when the letter comes to them.

6. UNFINISHED BUSINESS

6.1 Project Review Committee – AA/RS

6.1.1 Update re: Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - 5 Residences – AA

6.1.1.1 Overall Review and Discussion

a) Alyssa enumerated the ways that impact on the community is being reviewed including fire safety, sanitation, ground water, road usage, view shed, etc. and how she has investigated potential problems by contacting Mike Inman at the Park County Planning office, Greg Coleman with the Paradise Valley Fire Department and Barbara Woodbury the County Sanitarian. A site evaluation will be done by C&H Engineering and will have to show that there will be no pollution to Gol Meier Creek and that drain fields will meet State/County requirements.

b) Alyssa showed a new site map that uses the correct plat map and how the proposed buildings have been moved out of the easement. In addition to the variance requests for the dwellings to be placed on Parcel 91 only and the additional 5th dwelling, there is also a variance request to decrease the setback requirement for three buildings from 50 to 25 feet on the Common-Use land boundary and Forest Service boundary due to the steepness of the terrain.

c) Val O'Connell expressed concern about one foundation vs. more than one foundation for each of the five buildings. The architects stated there is only one foundation for each building.

d) Alyssa and Cikan Architects said that the Ericksons are willing to establish some sort of an agreement that nothing will be built on Parcel 90, and that this would run with the land. The Ericksons chose to place the five dwellings in a cluster so that they will serve as a gathering place for family and will reduce development impact on the land. It is important to the Ericksons to preserve the natural environment by avoiding long driveways and scarring the land with cuts and fills. They will use stone and recycled wood materials in the buildings to fit in with surrounding land.

e) The Erickson want to be good neighbors and contribute to the community by improving the section of Upper Sagittarius Skyway to the cul-de-sac at their own expense. These road improvements would make the Common Land more

American tradition, limiting their use could be considered taking away Landowner rights, and; (4) It was suggested that a phone tree be sent out with a friendly reminder about fireworks safety.
ACTION ITEM: ***Charlene*** – Work with Managerial Committee to send out a phone tree (via Maydell Goulart) reminding Landowners to use fireworks carefully, etc.
ACTION ITEM: ***Managerial Committee*** – Respond to J. Johnson.

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Parcel 52 (NG)/Legacy Ranch – Driveway – AA

Alyssa explained that the proposed development was only for the beginning of the driveway and entry point on Aquarius Lane, and that once the rest of the driveway was determined, the owner would submit an updated map. Gerald had inspected the site and verified that the visibility requirements had been met and that no culvert is needed.
MOTION: Alyssa motioned and Gerald seconded to approve Parcel 52 (NG) Legacy Ranch driveway with the condition that an updated site map will be submitted when the rest of the driveway location has been determined. **Motion carried unanimously.**

7.1.2 Parcel 74 (SG)/Alyssa & Richard Allen – Greenhouse – AA

Alyssa reviewed that due to the location of the existing house, which is 35 feet from the boundary, the proposed greenhouse on the southeast corner would have to be 37 feet from the boundary. Gerald verified the setback distances. Alyssa requested that the sanitation bond be waived since there will be minimal construction debris and no outside contractors will be used. Laura suggested that the impact fee be reduced to $50 due to the size of the project.
MOTION: Sheridan motioned and Gerald seconded to approve Alyssa & Richard Allen's application for a greenhouse on Parcel 74 (SG) with the condition that disturbed land be reseeded and an electrical permit be obtained if needed. The sanitation bond is waived and the impact fee reduced to $50. **Motion carried. (1 abstention – Alyssa)**

7.2 Miscellaneous Questions & Considerations – RB/DKO & Board

7.2.1 Dissolving of the Collection Committee – RB/DKO

At a private Board meeting, the Board approved the formation of the Collection Committee as an advisory committee to the Board. Daniel stated that he believed it should have been formed at a public meeting and that the minutes of February 21, 2011 should to reflect that the committee was formed out-of-order in a private meeting. **[See the meeting minutes for July 14, 2011, which will contain attorney clarification about this situation.]**

7.2.2 Proposal re: Handling Past Due Assessments - RB

1) Richard reviewed the following steps and information that could be used for handling past due assessments:
(a) Send a demand collection letter to all lien accounts. This would be the final offer before turning the account over to a collection agency or collection attorney. (b) Our Bylaws state that any costs incurred in collecting will be added to what is owed. (c) Action Collection Services Inc. of Bozeman charges 35% of amount

collected, which is added by contract. The agency would not charge us anything; instead, their fee is taken from what they collect. The agency employs two attorneys. (d) Richard reviewed what he learned from two attorneys who handle collections.

• Attorney Rick Landers does collection work with homeowner associations using lien foreclosures and pursing judgments. He recommends a title search, costing $100, to check for a clear title. He charges $175 per hour plus costs, a lawsuit filing fee of $125, and he requires a $2,000 retainer.

• Attorney Alanah Griffith does collection work and she recommends justice court rather than foreclosures. She estimates about $800 per collection. Richard said that Alanah offered to train someone in the paperwork procedures and how to do further collections to keep down the costs to the GLA.

2) Board Discussion Points

a) Richard said that the Board could use a collection agency to pursue collection of smaller lien accounts.

b) Valery voiced concern about the need for a collection agency for any reason. She stated that collection agencies cannot legally seize a debtor's assets, bank accounts, or paychecks, nor publicly disclose the debt. Their services are mainly used to find people, write letters and make phone calls.

c) Richard proposed that an attorney could be used to collect from out-of-state Landowners who would be concerned about being sued in Montana.

d) Foreclosure vs. judgments. Richard reported that both attorneys did not like the foreclosure process.

e) Judgments in justice court can be very effective.

f) Foreclosure may not be very effective and could be used as a last resort because the Homestead Act of Montana allows for an exemption to owners losing their home up to $250,000 if they are living in it as a primary residence. Careful research will be needed before we can consider using foreclosure as a method of collection.

g) There are websites such as "reportcard.com" that are useful for further research.

h) A three-layer approach was suggested.

1. Send a strongly-worded letter to all lien accounts.
2. On a case-by-case basis, determine whether to use a collection agency, an attorney, or do nothing for hardship situations.
3. Pursue foreclosure as a last resort.

i) Daniel suggested that a legal officer deal with liens.

7.2.3 Eisvang Response Letter (6/10/11) to the GLA – SS Tabled.

7.2.4 Formation of Legal Officer Position – DKO Tabled.

7.2.5 Legal Status of GLA Committees – DKO Tabled.

7.2.6 Procedure for developing the GLA Agenda – AA Tabled.

7.2.7 Procedure re: letters writing, etc. – AA Tabled.

7.2.8 Secretarial Duties – JN
Daniel commented that the Secretary should take the meeting minutes. Janet clarified that she always takes the minutes in her own personal notebook and oversees the minutes being taken by another minute-taker. This is the policy that was in place on the Board when she became the Secretary nine years ago. Its purpose being that the Secretary should be actively participating in the meeting.

8. **Comment Period for Visiting Landowners**
Val O'Connell said she would submit a list of 15 legal things that she is concerned about in addition to a list of 15 legal concerns regarding the Erickson application.

9. **Adjournment: 10:35 p.m.**

10. **Next scheduled Board Meetings:** June 20, 2011, 7:00 p.m. at St. John's Church, and July 11, 2011, 6:45 p.m. at St. John's Church.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

June 27, 2011- a continuation of the June 13, 2011 meeting

FINAL

CONFIDENTIAL – DO NOT COPY

(Note: The same agenda for the June 13th meeting was used for the June 27th meeting. In the June 27th minutes below, the phrase "See 6/13/11 minutes" indicates that the agenda item was addressed on June 27 and can be found in the June 13th minutes.)

1. **Call to order**
   The meeting was called to order by Richard at 7:12 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President) Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Neil Kremer arrived 7:35 p.m., Daniel O'Connell, Clare Parker, Paul Rantallo, William Smith, and Rich Spallone (aka Rich).
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Robert & Kristi Sones, Donna Lash, Chris Williams, Val O'Connell, Debbie & Ken DeGraaf, Kathie Garcia, Charlotte Mizzi, Marjorie Lombard, Jim Phipps, Lisa Buford, Peter Naclerio, Rudy Parker, Tim Brockett, Frank Maglio, Danilie Howe, Attorney Susan Swimley, Frank Cikan, Mary Ann Svehla, and Eric Howe.

2. **Set Agenda**

3. **Approve Meeting Minutes for May 9, 2011**
   Discussion.
   MOTION: William motioned and Gerald seconded to approve the May 9, 2011 meeting minutes as written. **Motion carried. (2 abstentions – Daniel & Sheridan)**

4. **Treasurer's Reports - Budget Variance, Check & Deposit** (See 6/13/11 minutes.)

5. **Officer Reports**
   5.1 Proposed Policy for Handling Legal Issues & E-mail Communication
   (See 6/13/11 minutes.)

   5.2 Update on Special Assessment Letter – LB/RB/AA/Road Committee
   (See 6/13/11 minutes.)

6. **UNFINISHED BUSINESS**
   6.1 Project Review Committee
   6.1.1 Update re: Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - 4 Residences
   (Note: this is a continuation of the June 13 discussion on this project. See June 13 Meeting Minutes for details regarding Part 1 of the review. Part 2 of this discussion is stated below.)
   Alyssa reported that as a result of input from Attorney Susan Swimley, the Erickson's have changed their variance request from 5 dwellings to 4 dwellings. Alyssa distributed copies of a document summarizing the current variance request. In addition, a document from Cikan Architects summarizing the findings of Attorney Swimley had been distributed to the Board via e-mail earlier that day, and a hardcopy of this document was distributed to each Board member at the meeting along with the revised site plan of 4 dwellings.
   Various aspects were covered as follows:
   a) Alyssa reviewed some of the historical information of what has occurred with the project so far, and how the Erickson's have shown their intent to contribute to the community by already establishing an agreement with the GLA giving them permission to make improvements to the GLA roads leading to their property at

File: MtgMins 06 27 11
Draft (s): 07 09 11; 07 13 11; 07 14 11
Final Approval: 10 17 11

their own expense. The Erickson's understand that the GLA is not obligated to maintain the road and provide snow removal on upper Sagittarius Skyway.

b) Attorney Swimley presented her findings of how the Erickson's revised variance project of 4 dwellings meets the requirements of the GLA Covenants, Master Plan and Bylaws.

1. The variance requesting that the 2 allowed dwellings from Parcel 90 be moved to Parcel 91 was due to the hardship of topography. Between the 2 Parcels, the only area of flat land is on Parcel 91 where the proposed dwellings would be clustered. There would be no harm to the community because the dwelling density would stay the same between the 2 Parcels, with no added impact to the GLA roads. The cluster of dwellings would minimize scarring to the land by avoiding large cuts and fills, and have less visual impact on neighboring properties.
2. The variance requesting a 25-foot setback rather than the 50-foot setback is also due to the hardship of topography. In order to place the dwellings on the flat building site the 25-foot setback is required, and it would be a hardship to move the buildings to the 50-foot setback due to the steep terrain and limited flat area for building. There is no harm done by this setback variance because there is still ample distance to the Common Use land and its access and use is not affected. Three of the buildings are one story high and all the buildings are designed to blend into the landscape.
3. Master Plan Section 4.2.4 regarding one variance process does not apply because the Erickson's are not asking to reduce the acreage or to increase the number of lots. Tracts are not changing size and density remains the same.
4. When there is ambiguity regarding the meaning of covenants, the general rule is to decide in favor of the owner being allowed to exercise their constitutional right to use their property.

c) Attorney Swimley answered questions from Landowners and Board Members, and responded to a number of concerns as follows:

- A good job was done in the Covenants regarding the road obligation issue, and the GLA Road Policy adequately addresses the concern of the GLA having liability to provide more in road services than it is capable of.
- Native American privileges do not apply to this project because this land is not designated as Native American land such as a reservation.
- The potential conditions of the project approval do not require a contract with the GLA.
- In order to make sure that any future owner of the property must abide by any conditions established with the Erickson's, the GLA could require that the Erickson's give full disclosure of any conditions that are part of the project approval to any potential buyer in the future.
- Should the development be used commercially in the future, there would not be additional obligation for the GLA to provide road services. Maintenance of the roads is an obligation to a reasonable standard, and the standard is set by the GLA.

d) The Erickson's Architect, Frank Cikan, clarified that the Erickson's "Bambeday" document was not intended to be a part of the project or the variance information, but was strictly to be used by him to understand how the Erickson's

wanted to use space. This document was created by the Erickson's so that Frank could incorporate their ideas into the design, but it does not reflect the actual project as it has evolved into the current design being presented.

e) Frank Cikan answered questions from Landowners and Board Members, and commented on a number of concerns as follows:

- Observing the 50-foot setback would have a significant impact on the design. A medicine wheel is surrounded by buildings like a plaza. Requiring a 50-foot setback would crowd the separation distance of buildings and cause an additional hardship of necessitating a 20-foot high retaining wall on the side where the land slopes down.
- Regarding the issue of hardship created by placing 2 dwellings on each parcel rather than a cluster on one parcel, access to Parcel 90 would be difficult due to terrain. Without the cluster design, the medicine wheel concept would no longer exist, and the whole design around this motif would be gone.

f) Other issues discussed by the Board included the following:

- The development possibly being used for a commercial lodging facility or corporate retreat which would have heavy impact on the roads.
- The necessary documents would need to be in place to protect the GLA from liabilities regarding road services.
- The assessments to be billed would include 4 house assessments and 2 land assessments.
- As a way to ensure that no further dwellings would be built on Parcel 90, the 2 allowed dwellings for Parcel 90 could be billed in the assessments as pertaining to this Parcel. Essentially, each Parcel would be billed for 1 land assessment and 2 dwelling assessments.
- Multi-family dwellings refer to separate families, not families of origin. The design intent of the Erickson project is not to have multi-family dwellings.
- The possibility that the pre-Master Plan setback distance of 25 feet could be grandfathered-in since the Erickson's bought their parcels prior to the Master Plan being adopted.
- The project will be done in 2 phases. At this point, the Board is reviewing a site plan of 4 buildings, which includes the specific details of the first 2 buildings proposed for Phase 1. When the other 2 buildings for Phase 2 are intended to be built, the detailed plans will be submitted for review by the Board.
- Any future outbuildings would be reviewed through the GLA project review process.
- Impact fees for the variance request need to be adjusted on the application to reflect the actual costs incurred by the GLA in processing the application.
- The Erickson's are making a big contribution to the community by pledging to improve the roads thru the canyon of Hercules and the portion of upper Sagittarius Skyway and the parking area for the Common Use land.

g) Various comments from Landowners at the meeting included the following:

- Tim Brockett suggested that the Erickson's subdivide both parcels and place a dwelling on each of the 4 lots, close together in the middle of the acreage to avoid a variance. He is concerned with future commercial use if the Erickson's sell.

- Deb DeGraaf asked if the easement and access to GLA Common Use Land and National Forest Land will still exist. The Board clarified that the parking area and easement/access will remain the same.
- Val O'Connell asked why a driveway is a hardship. Attorney Swimley stated an extra driveway on Parcel 90 is a hardship due to the slope, the cuts and fills required. Rich stated that blasting of solid rock would be required as well.
- Kathie Garcia stated she was involved with the Master Plan Committee for a long time. The intention of the Master Plan was never to limit families from living on the same property. And the community goal is beauty and harmony in an enlightened community. She is concerned that the Board's delay in granting this variance is a problem due to the short building season.
- Charlotte Mizzi stated she has no problem with the project. She worked on the Master Plan for years and is glad to see more families moving here.

MOTION 1: Janet motioned and William seconded that the Board wait to vote on this project until Hertha Lund can be present at the July 11 meeting to answer questions and give advice about this variance.
Discussion. Discussion included that a list of written questions will be given to Hertha to research prior to the next meeting. The date of the meeting may change, as it will be based on Hertha's availability.
Motion 1 failed (4 in favor; 6 opposed).

MOTION 2: Daniel motioned to table this entire variance project until Hertha can come to our meeting in person. **Motion 2 failed (was not seconded).**

MOTION 3: Alyssa motioned and Rich seconded to grant a conditional, preliminary approval for the variance project with contingencies that must be met for the preliminary approval to be valid.
Discussion. Discussion included how this approval with contingencies will allow the Erickson's attorney to move forward with fulfilling the Board's requirements and to work on addressing the Board's concerns. Hertha Lund will be involved in reviewing the project and will also present her findings in person and answer the Board's legal questions. No building is allowed until the conditions of the preliminary approval are met.

1ST AMENDMENT TO MOTION 3: William proposed an amendment to the motion and Laura seconded that language be included in the variance approval that this is a residential project.

2ND AMENDMENT TO MOTION 3: William proposed another amendment to the motion and Alyssa seconded that for clarification the main residence that was previously labeled #5 is now re-labeled to #4, and the garage/dwelling remains #2. The architectural drawings and site plan showing the placement of the four dwellings will be a part of the project variance documentation and included in the motion. Therefore, the residential variance project to be approved is for a site plan of 4 dwellings located on Parcel 91, with the architectural details provided for Phase 1 buildings labeled #2 and #4.

This conditional preliminary approval is based on the following contingencies:

File: MtgMins 06 27 11
Draft (s): 07 09 11; 07 13 11; 07 14 11
Final Approval: 10 17 11

1. The GLA and the Erickson's attorney will formulate a Road Policy Acknowledgement that protects the GLA into perpetuity regarding its obligation to provide road services to upper Sagittarius Skyway.
2. The project and all proposed documents and agreements will be reviewed by the GLA's attorney, Hertha Lund, for her approval before the preliminary approval can be valid, and adjustments to the project can be made to incorporate any recommended changes.
3. The preliminary approval for this project is based on residential use. A legal way to constrain commercial activity such as a B&B or commercial lodging facility will be established. This agreement will extend into perpetuity in case the property is sold.
4. Applicable assessments for 2 dwellings and 1 land assessment will be charged equally on each of the Parcels 90 and 91.
5. A legal way to limit any further dwellings on Parcel 90 will be established and will run with the land.
6. A reasonable basis for maintaining the roads impacted by the Erickson's construction activities will be established, and the Erickson's will agree to remedy any damage to the roads caused by their construction activities throughout the 2 different phases of the project.
7. The Erickson's will agree to pay the GLA for extra expenses related to the processing of this variance, such as our attorney coming to the July meeting.
8. Once the contingencies for approval are met, the standard conditions of approval will be added such as obtaining necessary permits and reseeding disturbed land.

Discussion: 1) Board members discussed the fact that Daniel O'Connell has threatened in an e-mail sent to the Board on June 11 that any Board Member who votes in favor of this project will be sued. The Board expressed concern that this threat fosters fear and intimidation. 2) Daniel then stated that this is an incomplete project review application document. He feels it does not meet the criteria of a hardship and he stated that he will sue based on the project as it now stands. **Motion 3 carried. (7 in favor; 2 opposed; 2 Abstentions: Laura and Gerald.)**

Clarification: This Motion 3 that carried includes the motion, the amendments and the conditions as listed above for Motion 3.

ACTION ITEM: ***Richard*** – Contact Hertha requesting her involvement in reviewing the Erickson project and her attendance at the July meeting. Contact the Board regarding the best meeting date based on Hertha's schedule.

ACTION ITEM: ***Alyssa*** – Work with Richard and other Board Members to prepare a packet of information about the Erickson project for Hertha's review.

ACTION ITEM: ***Alyssa*** – Contact the Erickson's regarding the adjustments that need to be made to the variance impact fee to reflect the actual costs incurred by the GLA in processing the application.

6.2 Community Committee – RB/LB

6.2.1 Review 2010 Letters requesting ban of fireworks (See 6/13/11 minutes.)

7. **NEW BUSINESS**

7.1 Project Review Committee – AA/RS

7.1.1 Parcel 52 (NG) – Legacy Ranch – Driveway – AA (See 6/13/11 minutes.)

7.1.2 Parcel 74 (SG) – R. Allen – Greenhouse – AA (See 6/13/11 minutes.)

7.2 Miscellaneous Questions & Considerations – RB/DKO & Board

7.2.1 Dissolving of the Collections Committee - RB/DKO (See 6/13/11 minutes.)

7.2.2 Proposal re: Handling Past Due Assessments - RB (See 6/13/11 minutes.)

7.2.3 Eisvang Response Letter (6/10/11) to the GLA - SS

Discussion included: (a) Review of Eisvang's 6/10/11 letter in response to the GLA's 5/11/11 letter; (b) Sheridan reported the Eisvangs have paid up back due assessments for two of their properties and have stated they will not pay back due assessments for their other 3 properties, (c) The GLA will file liens on these 3 properties; (d) The Board needs a collection procedure so that it can act to collect GLA Landowner lien accounts; (e) Rich asked the Board to take the steps needed to legally form a Collection Committee so that a collection procedure can be formulated and acted on. (See section 7.2.8 below regarding formation of committees.)

ACTION ITEM: ***Richard*** - Outline a collection policy to be voted on by the Board at the July meeting.

7.2.4 Formation of Legal Advisory Committee – DKO Tabled.

7.2.5 Legal Status of GLA Committees – DKO Tabled.

7.2.6 Procedure for developing the GLA Agenda – AA Tabled.

7.2.7 Procedure re: letters writing, etc. – AA Tabled.

7.2.8 Formation of Committees – AA - ***added to agenda***

Based on Rich's comment in section 7.2.3e and Daniel's belief that the Collection Committee, which was formed by the Board several months ago, was formed illegally. Alyssa reported the following: According to preliminary information that Alyssa is aware of from Hertha and according to our Bylaws, the Collection Committee had been formed legally. Daniel requested that all of Hertha's comments be put in writing for the Board's review.

ACTION ITEM: ***Richard*** - Request from Hertha that her comments be put in writing regarding the forming of committees and all other pertinent information.

8. **Comment Period for Visiting Landowners**

9. **Adjournment: 10:41 pm**

10. **Next Public Board Meeting: July 11, 2011 6:45 p.m. at St. John's Church.**
NOTE: The July 11 date was changed to July 14.

File: MtgMins 06 27 11
Draft (s): 07 09 11; 07 13 11; 07 14 11
Final Approval: 10 17 11

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

July 14, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:04 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President) Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo, William Smith, and Rich Spallone (aka Rich).
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Danilie Howe, Tim Brockett, Charlotte Mizzi, Peter Naclerio, Ian Scott, Ben Van der Vegt, Val O' Connell, Atty. Hertha Lund, Bjorn Boyer, Frank Cikan, Mary Ann Svehla, Eric Howe and Atty. Susan Swimley.

2. **Set Agenda**
   Items Added to New Business:
   7.1 Petition from Glastonbury Landowners for a Special Meeting - RB
   7.3.4 Proposal for Landowner Participation – DKO
   7.3.5 Review Website Committee Duties - AA

3. **Approve Meeting Minutes for June 13, 2011 & June 27, 2011**
   Janet asked for clarification on 6.1.1.3 "Amendment to above motion" on June 13, 2011 minutes, page 4. She requested that the names of the three Board members who voted "yes" should be listed. The Board clarified that William, Daniel and Gerald voted "yes" to this particular amendment to the motion. Daniel then passed out hard copies of his edits to the June 13, 2011 minutes. It was decided by consensus to postpone reviewing the June minutes until the end of the meeting to make the best use of the visiting attorney's time. [Due to lateness of meeting, review of minutes did not take place but was postponed.]
   ACTION ITEM: ***Daniel*** - Send an electronic file of his June 13, 2011 meeting minute edits to Charlene for distribution.

4. **Treasurer's Reports - Budget Variance, Check & Deposit Detail – SS**
   Comments by Daniel: (a) Suggested Alyssa be paid using her business name; (b) Requested that Alyssa send a copy of her independent contractors certificate to the Board; (c) Requested a copy of the meeting minutes in which Managerial Committee was formed and payment to contractors was discussed.
   MOTION: Laura motioned and Sheridan seconded to accept the June 2011 Treasurer's Reports. **Motion carried.** (1 opposed – Daniel)
   ACTION ITEM: ***Alyssa*** - Send copy of Independent Contractor's exemption certificate to the Board.
   ACTION ITEM: ***Denise*** - Send excerpt of meeting minutes to the Board where the Managerial Committee was formed and payment of contractor were discussed.

5. **Officer Reports**
   5.1 Update on Special Assessment Letter – LB/RB/AA/Road Committee
   Discussion. Updated information from Road Committee has been added. Final draft of letter will be sent to the Board when completed.

   5.2 Update on Questions to be Submitted for Attorney Review – RB Tabled.

File: MtgMins 07 14 11
Draft (s):08 06 11; 09 17 11; 09 18 11; 09 19 11; 09 21 11; 10 14 11
Final Approval: 10 17 11

GLA 02919

6. UNFINISHED BUSINESS

6.1 Project Review Committee – AA/RS

6.1.1 Continuation of Project Review for Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - 4 Residences – AA

Review by Alyssa of Updated Application

An update to the Erickson's application (dated 6/27/11) was distributed to the Board. It showed that the number of residences was reduced from 5 to 4. Certain areas on the application where changes had been made were initialed by Mr. Erickson, and included an update to the impact fees to be charged so these would be based on the actual administrative and legal costs incurred by the GLA in processing the variance. A new site map with building footprints for the 4 residences was included. Alyssa briefly summarized the status of the project and reviewed the preliminary, conditional approval that was granted by the Board at the June 27, 2011 meeting.

Comments/Counsel from Hertha Lund, attorney

Hertha Lund came to the meeting at the request of the Board to advise the Board regarding the Erickson's project that she reviewed prior to the meeting. She began by giving an overview of how the Board was to interpret the Association's governing documents. She pointed out that the Bylaws state that the Board has the power to interpret all the provisions of the Bylaws, and such interpretation shall be binding on all parties. If there is a conflict between the Articles and the Bylaws, the Articles shall control. In the hierarchy of these documents the Articles are number one, followed by the Covenants, then the Bylaws and finally, the Master Plan.

Hertha described how the Covenants are an overarching document that pertains to how a property can be developed, and section 4.2 of the Master Plan describes how the Board is to apply certain criteria when reviewing a building project with a proposed variance to the Master Plan. She confirmed that the Board has the right to grant variances, and as the Board goes through a variance process, it must make a determination based on factual findings in order to grant a variance.

Hertha addressed how she does not have a conflict of interest by advising the Board regarding the Erickson's building project. She mentioned how she has represented the Board on and off for the past four years, and that she represents the Board as an entire Board, rather than certain individual Board Members.

Montana Law re: Recording of Meetings

Hertha also stressed that it is important to ask for permission to record a meeting in Montana or it is a criminal violation. At this point in the meeting, she requested that no one record the meeting.

Attorneys Hertha Lund and Susan Swimley Respond to Questions from the Board, Landowners and Guests

Commercial Activity: Hertha stated that the GLA's governing documents allow certain types of commercial activity. An applicant can agree to limit certain types of commercial activities and the Board can take that into consideration for a variance. This limitation would then become a covenant for that parcel/lot and runs with the land.

File: MtgMins 07 14 11
Draft (s):08 06 11; 09 17 11; 09 18 11; 09 19 11; 09 21 11; 10 14 11
Final Approval: 10 17 11

Contracts & Hardships: The Board can enter into contracts. The Board has the power to determine what it believes is a hardship when considering a variance, and may require conditions and restrictions before granting a variance.
Fire Codes: It is the County's job to enforce fire codes.
Multi-Family Dwellings: Valery O'Connell expressed concern that the five children living with the parents in the four dwellings constitute a multi-family dwelling. Susan Swimley stated that it is the job of the applicant to meet criteria of the governing documents, which is why she recommended that the Erickson's change their original plan from 5 dwellings to 4. Hertha stated that the Board has to determine, based on the governing documents and the definitions, if this project is a multi-family dwelling. Laura stated that the intent of the multi-family wording in the Master Plan was to prevent apartments and condominiums.
Subdividing: Daniel O'Connell stated that the Erickson's should subdivide the two parcels and exhaust all possibilities before asking for a variance. Hertha stated that it is not required by the governing documents that the Erickson's exhaust all possibilities before applying for a variance.
Road Access: Peter Naclerio expressed concern that the GLA would be liable to maintain 12-month road access to the end of Sagittarius Skyway if this variance were granted. Hertha stated that the Road Policy is very clear and the GLA will not be liable to maintain 12-month access.
Commercial Use: Tim Brockett expressed concern that the 4 dwellings could be used in the future for a retreat or other commercial use, especially if the property sold. Susan Swimley stated that future owners would be bound by any agreement between the GLA and the Erickson's to limit commercial use. If a future owner wanted to use the property for commercial purposes they would have to apply for a variance.
Conservation Easements & Limiting Development: Hertha stated she does not recommend conservation easements, and this did not have to be pursued for this variance. Daniel O'Connell raised the concern that limiting future dwellings on Parcel 90 is a limiting of property rights. Susan Swimley stated that the Erickson's are free to choose to limit development for themselves more than the Board can limit them. The Erickson's can choose to restrict all future dwellings on Parcel 90 and are free to adopt restrictive covenants for their own land that would be established in addition to the GLA Covenants.

Private Meeting Break with Hertha
Hertha asked guests to leave for a few minutes so that she could speak privately to the Board. Daniel was also asked to leave because of his suit against 8 Board members. Guests were asked to return at 8:35 pm.

Public Meeting Resumes
A. PROPOSED MOTION REGARDING ERICKSON VARIANCE:
Richard turned the chairing of the meeting over to Vice-President, Laura Boise, in order to read his proposed draft motion. After this, Board members contributed additional findings of fact and clarifications as follows:

Suggested changes to Richard's motion
1. Alyssa added a finding of fact that there is a need for the Erickson family to be close together. It would be a hardship for the family to have the buildings located on two parcels, thousands of feet apart given the harsh winter climate.

File: MtgMins 07 14 11
Draft(s):08 06 11; 09 17 11; 09 18 11; 09 19 11; 09 21 11; 10 14 11
Final Approval: 10 17 11

2. Clare added a finding of fact that the Erickson's respect for the land makes them not want to unnecessarily scar the land with long driveways, cuts and fills.
3. William suggested that the language in the motion referring to dwellings or buildings be changed to "residential dwellings" or "buildings for residential use" instead of the word "buildings" or "dwellings" throughout the motion.
4. William also suggested that we add for clarification at the end of #7: "visual impact on common land *due to topography.*"
5. Alyssa mentioned that language could be added that the two parcels with the 4 dwellings will remain in one ownership interest. The covenant for these two parcels could state this.

Comments/objections/questions from Daniel O'Connell:
1) Daniel stated that the findings of fact are harmful to the rest of the community and the community was not invited into the discussion. He said that since common land borders these properties, all Glastonbury landowners should be able to comment on this variance.
2) Daniel believes there is no hardship to grant the variance because the Erickson's could subdivide or do a family conveyance and be free to do what they want to do. They could build their four dwellings close together on the two parcels and avoid the variance process altogether. He thinks the project was not handled correctly. He wants the Board to know they are setting precedent by granting this variance. Alyssa stated as a finding of fact that there have been two attorneys, Hertha Lund and Susan Swimley, who have thoroughly reviewed the project as it relates to the GLA governing documents.
3) Daniel asked how many variances are a part of the motion. In response, Alyssa listed the two variances as follows: Variance #1: The 2 dwellings allowed on Parcel 90 will be moved to Parcel 91. Variance #2: The 50-foot setback is being reduced to 25 feet.

End of Discussion

B. FINAL MOTION WITH BOARD ADDITIONS TO APPROVE THE ERICKSON VARIANCE PROJECT BASED ON FINDINGS OF FACT, AND VOTE:

MOTION: Richard motioned and Paul seconded to approve the Erickson's variance project on Parcels 90 & 91 (SG) based on the following findings of fact.

These findings are in addition to what the Board has found and determined as conditions for approval of this variance in previous Board meetings, specifically, the motion made at the June 27, 2011 meeting.

Section 4.2 Criteria:
1. Exceptional circumstances exist over which the Landowner has no control in that both lots have significant severe slopes which severely restrict the landowner's ability to locate any structure on the properties other than the chosen site which is a relatively flat portion of Lot 91.
2. The variance is not materially detrimental to neighboring properties. With the clustering of the residential dwellings the visual impact is significantly reduced as to the neighboring private landowners. The clustering of four

residential dwellings is not materially detrimental to the commonly-owned land and the proponents will construct an improved road making access to the common land much easier, thus allowing people who are entitled to enjoy the common land easier access. The same is true for forest service access since that is through the common land.

3. The variance is the minimum possible remedy for the particular circumstance. The two large lots owned by the Erickson's are granted four dwellings. By placing the four dwellings in one location there is no increase in the number of dwellings while reducing the overall impact to the adjacent private land, reducing road cuts and fills and increasing access to the common land and forest service land. In the absence of the variance both lots would be subject to construction including cutting, filling and blasting which would be more visible and cause a greater impact on the community.
4. The variance meets all local, county and state requirements.
5. The variance does not seek a reduction in acreage from the minimum acreage and does not increase the number of lots/tracts beyond that which was established in the Residential Topographical Areas and Density Schedule.

Section 4.0 Criteria:

6. The special and unusual circumstances related to these lots are the fact that there is very little naturally flat area which lends itself to building without significant cuts and fills and that the lots are adjacent to commonly-owned land and forest service land instead of privately owned lots. Requiring the owner to put two dwellings per lot causes an undue hardship by requiring the owner to interrupt the natural topography. The interruption and need to cut and fill to build two dwellings on each lot is an unnecessary hardship when the same number of dwellings can be located on a naturally flat area which does not require the changing of the landscape to construct the same number of dwellings.
7. The variance request is not materially detrimental to the neighboring properties. Reducing the setback from 50 feet to 25 feet does not affect any private land since the setback is adjacent to forest service boundary and the common land so there is no visual impact on any private land. The 25-foot setback does not affect the use of common land or forest service land. There will be very little, if any, visual impact on the common land due to topography.
8. The variance is the minimum possible remedy under the circumstance. The original covenants allowed a 25-foot setback. The 25-foot setback is consistent with the original setback requirements before the newer 50-foot setback requirements were changed but there are no private dwellings affected by the 25-foot setback. The Master Plan allows the 50-foot setback be reduced where the 50-foot setback is not possible. In order to get the appropriate separation of dwellings for both visual impact and fire protection there is not sufficient space without significant excavation and radically changing the design concept. The variance is the minimum possible under the circumstance as it would otherwise force the Erickson's to make significant alterations to the terrain and to their planned residential dwellings.
9. The self-imposed restriction on lot 90 which would be granted for enforcement by the GLA or other 3rd party does not require an amendment to the Master Plan. The offer to file a restriction simply informs everyone that no dwellings will be constructed on lot 90.

10. There appear to be no increases in fire risk caused by the variance request. These residential dwellings will not be constructed in a heavily forested area, and by clustering them rather than having them separated onto two lots, there is no increase in fire danger.
11. There are no alternate provisions for processing a variance request when the property is adjacent to common land.
12. Neither of the requests for variance presented seek a variance as contemplated in Section 4.2.4 of the Master Plan in that no reduction of acreage is sought nor is there a change to the density.

Additional Findings:

13. The Erickson's have a need to be close together and it would be a hardship to locate the residential dwellings on two parcels with thousands of feet between them, especially given the harsh winter climate.
14. The Erickson's respect for the land makes it undesirable for them to unnecessarily scar the land with long driveways, cuts and fills.

Motion carried. (10 in favor; 1 abstained - Laura, who was chairing the meeting and, therefore, could not vote; 1 opposed - Daniel)

Hertha stated that the findings of fact would be sent to the Ericksons.
ACTION ITEM: ***Alyssa*** – Send findings of fact to the Ericksons.

Daniel O'Connell's Additional Comments regarding Erickson Project
Daniel wants the record to show that he believes the Erickson project breaks two dozen GLA laws and is the reason in part for his lawsuit. He stated that the 8 Board members have not yet been served because he is not stopping with the restraining order and he is still working on his suit.

Documentation of the Erickson's Variance Approval
Tim Brockett requested copies of the agreement for his records.
Hertha stated that the variance will be a document that all can review.

ACTION ITEM: ***Alyssa*** – When final approval is given for meeting minutes, send copy of Erickson's Variance Approval to Tim Brockett. Have copies available for Landowner Review if requested.

6.2 Legal Status of GLA Committees – DKO

6.2.1 Collection Committee Status – RB

Alyssa clarified that according to Hertha, the committees recently formed by the GLA Board are legal. Hertha stated that it is completely up to the Board whether it wants to form a committee in a private meeting. Therefore, the GLA Collection Committee (formed on a private Board Meeting with a majority approval vote of 7) is legal.

Availability of Membership Records per the GLA Bylaws
Daniel asked Hertha about the member records being available to the membership. Hertha quoted the Bylaws, Article 8 page 13, section I. Inspection of Books. "The financial reports and membership records of the Association shall be available at the principal office of the Association for inspection at reasonable times by any member." Hertha said she would have advised the Board to make financial records available to any member to look at in order to comply with the Bylaws. But she

also stated the Bylaws are silent as to whether it was legal or illegal to give a copy of the records to a non-Board Member.

6.3 Update on Handling of Past Due Assessments & Collection Policy – RB

Richard presented background on the need to adopt a collection policy for lien accounts. The GLA Covenants, Section 11.06, allows the Association to try to collect the full amount owed to the GLA in addition to any fees from the collection process. Richard suggested a collection procedure that begins by sending lien accounts a final, 30-day warning letter offering to work out a payment plan. After 30 days the account would be turned over to a collection agency or a collection attorney. A collection agency does not cost the Association any out-of-pocket expenses. The Agency adds their 35% fee on top of what the past due assessments owed. The letter would be carefully worded and outline specific actions and a time frame. The Board has always been willing to work with hardship cases and would encourage such Landowners to work out a payment plan. The 30-day warning letter would be approved by the Board. The letter should state that a collection agency would add 35% and a collection attorney costs a certain amount per hour.

MOTION: Sheridan motioned and Janet seconded to adopt a collection policy that starts with a 30-day warning letter and then uses a collection agency or collection attorney to contact Landowners with lien accounts more than one year old. The letter will be presented to the Board for review.

Discussion included:

- Tim Brockett suggested the 30-day warning letter should state that a payment plan with the GLA would not be offered after the 30 days are up.
- The Collection Committee agreed to discuss Tim's suggestions.
- Val O'Connell expressed concern a Collection agency could be harsh with the landowners.

Motion Carried. (10 in *favor*, 1 opposed – Daniel)

6.4 Update on Eisvang Past Due Assessments - SS

Sheridan reported the Eisvangs paid on 2 lots; next week liens will be placed on the 3 lots that have delinquent assessments, which the Eisvangs have chosen not to pay.

7. NEW BUSINESS

7.1 Petition for Special Meeting

Richard reported that a petition from Glastonbury Landowners had just been given to him prior to the meeting. The petition requested that a Special Meeting be held for the purpose of removing Daniel O'Connell from the Board.

Janet read from the Bylaws, Article V, Section C regarding special meetings.
"A special meeting must be called when a petition signed by 5% of the Membership Interests outstanding and eligible to vote at the time has been presented to any member of he Board of Directors. Notice of any such Special Meeting shall state the hour, date and place of the meeting and shall further precisely state the reason of such meeting and said Special Meeting held shall be strictly confined to the matters set forth in the notice."

Discussion included:

File: MtgMins 07 14 11
Draft (s):08 06 11; 09 17 11; 09 18 11; 09 19 11; 09 21 11; 10 14 11
Final Approval: 10 17 11

It must be verified whether the Landowners, who signed the petition, are in good standing and if the 5% requirement has been met.
If the petition is valid, then a Special Meeting could be held between August 13 and 20. Daniel indicated he was available any time.

ACTION ITEM: ***Janet & Sheridan*** – Verify the members in good standing & if the 5% requirement has been met.
ACTION ITEM: ***Janet*** - If the petition meets the requirements of the Bylaws, give a copy of the petition to Daniel.
ACTION ITEM: ***Janet*** – If the Special Meeting will be required, contact St. John's Church for possible dates.
ACTION ITEM: ***Richard*** – If the Special Meeting will be required, draft a letter announcing the Special Meeting.

7.2 Project Review Committee – AA/RS

7.2.2 Lot 33-C (NG) – Chris Williams – Storage Building – AA

Discussion.
MOTION: Alyssa moved and Sheridan seconded to approve the storage building on NG 33C with the condition that they reseed any disturbed land.
Motion Carried. (10 in favor, 1 opposed – Daniel)

7.3 Miscellaneous Questions & Considerations – RB/DKO & Board

7.3.1 Formation of Legal Officer Position – DKO Tabled.

7.3.2 Procedure for Developing the GLA Agenda – DKO Tabled.

7.3.3 Procedure re: letters writing, etc. – DKO Tabled.

7.3.4 Landowner participation in Board Meetings - DKO

Daniel suggested that: (1) Landowners be able to comment before every vote rather than during the "Comment Period" at the end of each meeting;
(2) Landowners receive all handouts given to Board Members, and; (3) The Board meeting minutes should be posted on the GLA website.
Laura stated that our attorney has recommended that the meeting minutes not be posted on the website.
MOTION: Daniel motioned that a "Landowner Comment Period" be allowed before every vote of the Board and not just at the end of the meeting; that Landowners be given all handouts; and meeting minutes and committee minutes be posted on the website. **Motion failed.** (No one seconded the motion)

Discussion included how some board members wanted each part of the previous motion to be separated into individual motions.

MOTION: Daniel motioned and William seconded that Landowner comments be allowed before every vote.

Discussion included some of the following points:
• The Board was elected to represent the Landowners.
• If a Landowner takes the time to attend a meeting, he should be heard.
• Laura reviewed that Landowner comments during meetings worked well for a number of years. There has also been a reasonable awareness by the person chairing the meeting as to why Landowners came to the meeting and they have been allowed to participate and make comments throughout the meeting. More

File: MtgMins 07 14 11
Draft (s):08 06 11; 09 17 11; 09 18 11; 09 19 11; 09 21 11; 10 14 11
Final Approval: 10 17 11

recently, frequent interruptions by Landowners attending the meeting have become disruptive to the Board.

Motion did not carry. (1 in favor, 10 opposed) **[Board - Did William voted yes?]**

MOTION: Daniel motioned and Rich seconded that Landowners receive all handouts that the Board receives at meetings.

Discussion included:
3-4 copies of the Meeting Agenda and the Budget Variance Report are available to review by Landowners who attend the Board meetings.
Motion did not carry. (1 in favor, 10 opposed) **[Board - Did Rich vote yes?]**

ACTION ITEM: ***Richard*** - Ask our attorney which specific documents that are given to Board members at each meeting should also be made available for Landowners who attend meeting.

MOTION: Daniel motioned that the minutes of Board and Committee Meetings be posted on the GLA website. **Motion failed.** (No one seconded the motion)

7.3.5 **Website Committee duties - AA**
Alyssa reported that Daniel is not sending out the agendas as he is supposed to do as the Website Committee Chair. There is a climate of a lack of trust and respect from Daniel and it has been very difficult for the Board to get its work done.

Daniel stated that he did not send out the June 27th meeting notification to agenda subscribers in protest.

MOTION: Alyssa motioned and Gerald seconded that Daniel be removed from the Website Committee and that he turn over all passwords and any administrative information. **Motion carried.** (8 in favor, 2 opposed and 1 abstention)
[Board – who was opposed and who abstained?]

8. **Comment Period for Visiting Landowners**
   • Val O'Connell said that she felt she was denied participation in the Board meeting, including not being given all handouts given to the Board, and the meeting minutes of Board and Committee meetings should be posted on the website.
   • Tim Brockett acknowledged the public service of the Board and his appreciation of the incredible amount of patience and thorough work the Board has done on the Erickson project variance. He appreciates the collection issue being addressed.

9. **Adjournment.** Meeting was adjourned at 10:26 pm.

10. **Next Public Board Meeting: August 8, 2011, 6:45 p.m. at St. John's Church**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

August 8, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:10 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Neil Kremer, Daniel O'Connell, Clare Parker, Paul Ranttalo, William Smith, and Rich Spallone (aka Rich).
   ABSENT: Laura Boise (Vice President).
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Denise Orr Kirk (Meeting Assistant after Agenda Item #3), Tim Brockett and Val O'Connell.

2. **Set Agenda**
   Daniel requested an addition to the agenda: 8.4 PVRC lawnmower.

3. **Meeting Minutes**
   3.1 Discuss Meeting Minute-Taker – AA
   Alyssa explained that Charlene recently started working full time at another job and is unable to continue to take the meeting minutes. Denise Orr Kirk is willing to take the minutes until a replacement is found. Discussion.
   MOTION: Whereas Charlene is no longer available to take meeting minutes through Pegasus Business Visions Inc., Alyssa motioned and Sheridan seconded that the Board hire Denise Orr Kirk for this position. **Motion carried unanimously.**
   Note: At this point Charlene passed the minute-taking to Denise but remained in attendance for the rest of the meeting.

   3.2 Review Process for Drafting & Distributing Meeting Minutes to Board & Landowners – JN/AA
   Janet gave a report regarding the process used for drafting meeting minutes due to Daniel's questioning of the process. Denise added that the process currently being used has been developed over the years for practicality and efficiency. It was reviewed that guidelines developed by the Board regarding what should be contained in the minutes are followed in drafting the minutes document, and any initial edits are minimal and are done for legal purposes as well as for accuracy, punctuation and grammar. Meeting content, motions, etc. are not altered, and this initial editing process minimizes the extra work that would be involved in having duplicate edits from various Board members.

4. **Approve June 13, 2011, June 27, 2011 & July 14, 2011 Meeting Minutes. Tabled.**
   Discussion. Daniel asked the Board to review a document he created with his edits to the June minutes. He expressed that more details of discussion items should have been contained in the minutes such as the details of opposing views. In addition, Daniel motioned (no one seconded his motion) to follow an option in the Bylaws that allows the officer position of Secretary to be filled by a non-board member so that whoever becomes the Minute-taker in the future would also become the Secretary. He withdrew the motion.

5. **Treasurer's Reports – Budget Variance, Check & Deposit – SS**
   5.1 2010/2011 - Snow Plowing Procedure and Expenses - DKO
   Daniel contended that the Road and Weed Committee acted wrongfully by allowing snowplowing efforts to continue in High South Glastonbury during the November and winter storms after the snowplowing budget had been spent. The other members of the Board responded to Daniel's position as follows: (a) the Road and Weed Committee acted appropriately by snowplowing, given the circumstances of the intense and unusual snow season, even though it meant exceeding the snowplow budget. (b) Rich reviewed

File: MtgMins 08 08 11
Draft (s): 08 12 11; 02 07 12; 04 18 12 - FINAL
Final Approval: 04 23 12

that the GLA's written policy is to plow when at least 4 inches of snow has accumulated on the roads and this happened continually throughout the 2010/11 winter. Daniel voiced that he wanted to change this policy.

5.2 B. Dowbenko Payment Proposal – SS

The Board reviewed Barbara Dowbenko's letter of July 28, 2011 which described past and current hardship issues and the request to pay back in one lump sum all past due assessments on her North Glastonbury Lot 1-B property with all finance fees waived. Extensive discussion.

MOTION: William motioned and Sheridan seconded to accept Barbara Dowbenko's letter of July 28, 2011 concerning her past due assessments on Lot 1-B (NG) as a basis for finding of facts and that: (1) The GLA Board will accept past due assessment fees of $3,257 from Barbara *plus* any out-of-pocket expenses for filing the lien on her Lot 1-B, North Glastonbury; (2) All finance charges will be waived, and; (3) GLA's lien on Lot 1-B will be released when payment of past due assessments is received. **Motion carried unanimously**.

5.3 Approve Treasurer's Reports – Budget Variance, Check & Deposit – SS

Discussion.

MOTION: Janet motioned and Clare seconded to accept the Treasurer's reports for July 2011, with minor amendments. **Motion carried.** (10 in favor; 1 opposed – Daniel)

6. Officer Reports

6.1 Review of Independent Contractors, Duties and Pay – RB/AA/DKO

Alyssa distributed a copy of the administrative tasks that she has charged for. Discussion included:

a) Daniel O'Connell's issues concerning:

1) The legality of payments to Alyssa Allen for administrative work and reimbursement to her for equipment purchases for GLA use.
2) The legality of payments to Rich Spallone for snow plowing because he is a member of the Road and Weed Committee;

b) Members of the Board stated:

1) They had expected Alyssa to be paid for administrative duties when the Managerial Committee was formed and that at that time they had discussed that the money was in the administrative budget to pay for her services. Appreciation to Alyssa for her administrative help was expressed and it was once again confirmed that it was the Board's decision to pay her for this help. Several Board members decided to make a formal motion concerning this issue as follows:

   MOTION: Sheridan motioned and Gerald seconded that the Board approves paying Alyssa up to $20 per hour [for administrative tasks,] based on the amount allocated in our budget [for administrative tasks.] **Motion carried.** (1 abstention - Alyssa and 1 opposed - Daniel)
2) It was acknowledged that we have a small community and therefore a small pool of skilled and available snow plowers to draw from. Over the years, the GLA has sought out qualified people to snow plow and has announced openings for this position in both North and South Glastonbury. However, few have responded, and so members of the Board such as Rich and Paul have taken on this job out of necessity. It was also acknowledged that Rich has stated on numerous occasions that he is not attached to snow plowing in South Glastonbury if someone else wants the job.

File: MtgMins 08 08 11
Draft (s): 08 12 11; 02 07 12; 04 18 12 - FINAL
Final Approval: 04 23 12

6.2 Attorney Questions and Answers – RB Tabled.

6.3 August 17 Special Meeting, Planning & Agenda – RB
Richard briefly reviewed the basic order of events to take place at the special meeting petitioned for by Landowners concerning the possible removal of Daniel O'Connell from the Board of Directors. Per our attorney's guidance: the President will run the meeting assisted by the Secretary. Other Board members may attend as Landowners, but not as Board members. Daniel will be given 30 minutes to address Landowner attendees. Attendees will also have the opportunity to speak and engage in a question and answer period. The hired administrative secretary will count the votes.

7. UNFINISHED BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Update - Parcels 90 & 91 (SG)/Pete & Cyrese Erickson Variance – AA
Alyssa stated that the Ericksons are focusing on road improvements at this point.

7.2 Website Committee – AA

7.2.1 Select Additional Committee Members – AA
Discussion. Since Daniel was no longer on the website committee, another director was needed to serve on the committee. Laura expressed she is willing to be on the Website Committee at this time.

7.2.2 Status of GLA Websites, Registration of Domain Names, Login & Passwords – AA/DKO
Alyssa mentioned that all domain name hosting, and website administrative information was needed by the Website Committee and asked Daniel to pass on this information. Daniel agreed to pass this on if Alyssa would call him.
ACTION ITEM: ***Alyssa*** – Call Daniel regarding website administrative information.

7.2.2.1 Discussion re: mygla.org – AA/DKO
Various Board members brought up that the domain name, MyGLA.org, was being used personally by Daniel. Background: the GLA gave permission to Daniel as the website committee chair to purchase this domain name on behalf of the GLA in 2010. Financial records show that this domain name was paid for by the GLA. Although the GLA did not approve any content being posted on this website for the time being, it was the Board's understanding that it was intended for the GLA's use. Recently, the Board learned that Daniel was using this website to post his personal opinions and recordings of GLA board meetings. When challenged, Daniel said, "Sue me!"

7.2.3 Virtual Message Service – Account Info, Login & Password – AA/DKO
Alyssa requested account information, login and password information from Daniel, who said Alyssa could e-mail or phone him for this information, or get it directly Voice Nation.

ACTION ITEM: ***Alyssa*** – Call Daniel regarding Voice Nation Administrative information.

7.3 Legal Status of GLA Committees – DKO
Daniel expressed his view that the GLA Committees are not legal and should be voted upon each year with the new Board.

7.4 Collection Committee
7.4.1 Review Possible Collection Methods – RB - Tabled.

8. NEW BUSINESS
8.1 Project Review Committee – AA/RS
8.1.1 Parcel 49 (SG)/Forest & Theresa Johnson – Factory-Built home placement – AA
Alyssa reviewed the project.
Motion: Alyssa motioned and Sheridan seconded to approve the placement of Forest & Theresa Johnson's factory-built home on Parcel 49 (SG) with conditions that the proper septic, electrical, plumbing permits be obtained, the land be reseeded after construction and that the Johnson's fulfill their commitment to remove the existing manufactured home after the new one has been installed.
Discussion.
Motion carried unanimously. (Daniel did not vote on this motion as he left the meeting at 9:10 prior to the motion carrying.)

8.2 Managerial Committee – LB/AA
8.2.1 Review Tasks and Purpose – AA
Alyssa and other Board members reviewed the following points: (a) The creation of the Managerial Committee and it's tasks was approved in 2010 by the Board in order to more efficiently accomplish administrative tasks. (b) Alyssa was placed on the Managerial Committee to perform important tasks that Laura and other Board members were no longer able to perform without pay.

8.2.2 Procedure for Developing the GLA Agenda – DKO - Tabled.

8.2.3 Procedure re: letter writing, etc. – DKO - Tabled.

8.2.4 PVRC Lawnmower – DKO (added to the agenda) - Tabled.

8.3 Road & Weed Committee
8.3.1 Leo Drive Cul-de-Sac Drainage – RS/WS
Brief discussion concerning whether the drainage situation needs attention.

9. Comment Period for Visiting Landowners
Tim Brocket commented that the Dowbenko settlement decision (see agenda item #5.2 above) didn't take into account the interests of other GLA Landowners and how they are affected when a fellow Landowner does not pay his/her assessments.

10. Adjournment: 9:30 p.m.

10. Adjournment
11. Next Public Board Meeting: September 12, 2011 6:45 p.m. at St. John's Church

TO: All Glastonbury Landowners
FROM: Janet Naclerio, Glastonbury Landowners Association, Inc. Secretary
DATE: August 31, 2011
RE: **Results of Special Meeting Held on August 17, 2011 for the Proposed Removal of Daniel O'Connell from the Glastonbury Landowners Association Board of Directors**

Approximately 65 Landowners from North and South Glastonbury attended the August 17 Special Meeting to consider the proposed removal of Daniel O'Connell from the Board of Directors. North Glastonbury Landowners signed-in and were given ballots for themselves and for other NG Landowners who had designated them to be their proxies. The meeting included an opportunity for Daniel, Landowners, and the GLA Attorney to speak and ask questions. At the end of the meeting, votes were cast and then tallied. The voting results of 86 in favor of the removal, versus 6 against, was announced by the Secretary, and indicated that Daniel O'Connell be removed from the Board of Directors by majority vote, effective immediately. Voting details are as follows:

1) **TOTAL "NO" VOTES (Voted NOT to Remove) = 6**
   Included: **1** vote from meeting attendee; **5** votes from absentee ballots

2) **TOTAL "YES" VOTES (Voted to Remove) = 86**
   Included: **42** votes from meeting attendees; **3** votes from absentee ballots;
   41 votes from NG Landowners who gave their proxies to a number of NG meeting attendees

3) **TOTAL "NON-VOTE" (Chose Not to Vote) = 2**
   Included: **1** vote from a meeting attendee
   1 vote from a NG Landowner who designated his/her proxy to a NG meeting attendee

4) **PROXY DETAILS** – ***Proxies were designated as follows:***
   Included: **0** Proxy votes designated by NG Landowners to the GLA Board of Directors
   42 Proxy votes were designated by absent NG Landowners to other NG Landowner meeting attendees, who voted on their behalf at the meeting.

Board of Directors Meeting Minutes

September 12, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard at 7:15 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Paul Ranttalo, and Rich Spallone (aka Rich).
   ABSENT: William Smith.
   ALSO ATTENDING: Denise Orr Kirk (Meeting Minute-taker), Charlene Murphy, Tim Brockett, Val O'Connell, Daniel O'Connell, Danilee Howe, and Eric Howe (guest).

2. **Set Agenda**

3. **Approve Meeting Minutes for June 13, 2011, June 27, 2011, July 14, 2011 & August 8, 2011 Meeting Minutes - Tabled.**

4. **Treasurer Reports - Budget Variance, Check & Deposit – SS**
   MOTION: Gerald motioned and Laura seconded to accept the Treasurer's reports for August 2011. **Motion carried unanimously.**

5. **Officer Report**

   5.1 August 17, 2011 Special Meeting – Voting Results – RB
   Richard submitted the voting results and details of the 8/17/11 Special Meeting as recorded on a blue-colored half-sheet, dated 8/31/11, and included in the 8/31/11 election mailing to all GLA Landowners. These votes resulted in the removal of Daniel O'Connell from the Board of Directors. (See attached.)

   5.2 Neil Kremer & Clare Parker Resignations – RB
   The Board received e-mail letters from Clare Parker, dated 8/24/11, and Neil Kremer, dated 8/29/11, in which they resigned from their positions on the Board. Clare and Neil also spoke to some Board members explaining that other obligations would keep them from completing their terms of office. Discussion included attorney's advice that since it was so close to the annual meeting, the Board was not obligated to fill those seats.
   MOTION: Sheridan motioned and Alyssa seconded to accept the resignation letters of Clare Parker and Neil Kremer. Motion carried unanimously.
   Discussion.
   UNANIMOUS AGREEMENT: The Board agreed that it did not need to assign replacements for Neil and Clare prior the Annual Meeting.

   5.3 Attorney Questions and Answers – RB
   Richard reported that the Board's questions and the attorney Hertha Lund's responses were sent to each Board member via e-mail, and asked if there were any questions. No questions or further discussion.

   5.4 Clarification re: Status of Collection Committee – RB
   Background: The status of the Collection Committee is being clarified in response to Daniel O'Connell's position that the GLA Board acted illegally in the formation of the Collection Committee and other related actions. Discussion included: (a) Richard reported that our attorney reviewed the formation of the Collection Committee and concluded it was formed legally in a private meeting; (b) Alyssa also explained that the GLA Bylaws state that a majority vote (which is 7 in our case) is required to form a committee. This requirement had been met in the formation of the Collection Committee;

File: MtgMins 09 12 11
Draft (s): 09 12 11; 02 19 12; 04 18 12; 04 27 12 - FINAL
Final Approval: 04 23 12

(c) Richard stated that the Collection Committee needs to resume working and that he, as President, should not chair the committee.
Discussion.
UNANIMOUS AGREEMENT: Sheridan will be new chair of Collection Committee.

5.5 E-Mail Motion:

5.5.1 July 27, 2011 e-mail vote re: hiring Attorney Rick Landers – RB
Alyssa presented the documentation of the Board's e-mail vote to approve hiring Rick Landers to represent the Board. 10 Board members voted by e-mail to approve hiring Rick Landers, one gave his verbal approval and one abstained – Daniel.

6. UNFINISHED BUSINESS

6.1 Project Review Committee – AA/RS

6.1.1 Update - Parcels 90 & 91 (SG) – Pete & Cyrese Erickson – AA
Erik Howe, the Erickson's builder, reported on road work done thus far at the Erickson's site. He also stated that the Erickson's excavator could possibly coordinate with our fall graders and save the GLA money. Discussion.
ACTION ITEM: ***Rich*** – Contact Erickson's excavator regarding proposal to possibly coordinate with our fall graders.

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Parcel 30-D (NG)/ Robert & Mary Wallace – Guesthouse – AA
Alyssa reviewed the Wallace's application for a part-time guesthouse and their request to have their sanitation bond reduced from $250 to $175 due to the small scope and location of the project.
Discussion included: (a) The Wallace's are on a payment plan for one of the their lots in SG based on conditions of financial hardship, and; (b) it appears there is no longer a financial hardship and, therefore it would be reasonable to ask the Wallace's to bring their assessments up-to-date as a condition of approval.
MOTION: Alyssa motioned and Sheridan seconded to approve Robert & Mary Wallace's application for a guesthouse on Parcel 30-D (NG) with the conditions that disturbed land is reseeded and their past due and current assessments be paid in full.
Also, the Wallace's sanitation bond will be reduced from $250 to $175. **Motion carried.** (1 abstention – Paul)

7.1.2 Proposal for GLA to establish guesthouse assessment – AA
Discussion surrounding whether guesthouses should be assessed and what amount would be reasonable if partially assessed.
ACTION ITEM: ***Charlene*** – Research guesthouse issue.
ACTION ITEM: ***Board*** – Clarify the meaning of a "dwelling."

7.1.3 Proposal to develop survey re: assessments for apartments & businesses – AA
Discussion included asking the membership if they want apartments and businesses to be assessed.
ACTION ITEM: ***Alyssa*** - Draft a survey regarding potential apartment and business assessments for GLA board review.

File: MtgMins 09 12 11
Draft (s): 09 12 11; 02 19 12; 04 18 12; 04 27 12 - FINAL
Final Approval: 04 23 12

7.1.4 Eyesore near Parcel 84/(SG) – GD *(added to agenda)*

Discussion regarding eyesore and unwanted knapweed on a property near Parcel 84 (SG).

ACTION ITEM: ***Gerald*** - Determine the ownership and parcel number of the property near Parcel 84 that is an eyesore and has knapweed; then inform Managerial Committee.

ACTION ITEM: ***Managerial Committee/Denise*** – Draft a letter (based on the GLA's weed notification form letter) to owner of the parcel near Parcel 84 concerning knapweed growth and eyesore on his property once further information is received.

7.2 Managerial Committee – LB/AA

7.2.1 Proposal for Administrative Contractor – AA

Alyssa expressed the need for the GLA to pursue further administrative help due to the amount of tasks required, and so that she could be relieved of her duties. It was determined that the GLA will send out a phone tree asking interested people to apply to work as an administrative contractor.

ACTION ITEM: ***Alyssa*** – Post a telephone tree seeking administrative help.

7.2.2 Special Assessment Letter – AA

Discussion.

ACTION ITEM: ***Denise/Alyssa*** – Finalize special assessment letter, include announcement that a special meeting regarding the proposed 3 special assessments will take place following the November 12, 2011 Annual Meeting.

7.3 Road & Weed Committee – RS/WS

7.3.1 North Glastonbury Sign – GD

Gerald reported that the sign at the north end of Capricorn needs new posts.

ACTION ITEM: ***Paul*** – Bring a bid for the repair of the Capricorn sign to the Road Committee for consideration.

7.3.2 Liberty Lane culvert erosion – GD

Discussion.

ACTION ITEM: ***Road Committee*** – Investigate Liberty Lane culvert erosion.

7.3.3 Dry Creek pothole – AA

Alyssa reported that she spoke to Marty Malone, one of the County Commissioners about the Dry Creek pothole that formed over the past winter. Marty later responded that he confirmed with Ed Hillman that maintenance of Dry Creek Road is Park County's responsibility.

ACTION ITEM: ***Rich*** - Call Ed Hillman to remind him to repair the Dry Creek pothole.

7.4 Budget Committee – SS/Executive Committee

7.4.1 Determine meeting date for budget planning committee – SS

Discussion.

ACTION ITEM: ***Budget Committee*** - Meet Monday, 9/19, 7 p.m. at Sheridan's home.

ACTION ITEM: ***Sheridan*** - Inform Charlene about 9/19 budget meeting.

ACTION ITEM: ***Denise*** – E-mail 9/19 budget meeting notice to Board & Charlene.

7.5 Election Committee – SS/Board

7.5.1 Update re: Board candidate nominations – SS/DOK

Discussion.

ACTION ITEM: ***Denise*** - Send Board members their prior biographies.

7.5.2 October Election Mailing – SS/DOK

Discussion.

ACTION ITEM: ***Managerial Committee/Denise*** - Combine assessment letter ballot with upcoming election mailing.

7.6 Community Committee

7.6.1 PVRC – Complaint re: Animals on soccer field – LB

It was reported that the Soccer Association has complained about Sabrina Hanan riding her horse on the soccer field. Allegedly, Sabrina has stated her horse is not damaging the field and refuses to avoid riding/grazing the horse on the field.

Discussion.

ACTION ITEM: ***Janet*** – Research insurance policy to determine if there is some kind of liability concerning animals on soccer field.

ACTION ITEM: ***Denise*** – Ask Charlene if she has the PVRC lease.

7.6.2 Update on Kathleen Ulrich property issues – LB

Discussion included: (a) Ulrich has resumed living in her house; (b) Kathy Garcia, Ulrich's neighbor, stated Ulrich has questionable people living at her home; (c) Barbara Woodbury, County Sanitarian, had written to Ulrich giving her an ultimatum to install a compliant septic system; (d) Gerald reported seeing unsafe electric wires lying above ground on Ulrich property, and; (e) It may require an engineer to condemn the unsafe dwelling.

ACTION ITEM: ***Gerald/Managerial Committee*** – Draft a letter to K. Ulrich concerning unsafe electrical wires. Ask William about condemning the building.

ACTION ITEM: ***Laura/Denise*** – List bullet points re: Ulrich property history.

ACTION ITEM: ***Gerald*** – Take current pictures of Ulrich property and give to Laura & Denise.

ACTION ITEM: ***Board*** – At a future meeting, determine whether the Board should again seek attorney assistance re: Ulrich property.

7.6.3 Abandoned Car at Gravel Pit (added to agenda)

Discussion. Paul identified the vehicle as being owned by Debora Mack.

ACTION ITEM: ***Paul*** – Call D. Mack re: car at North Glastonbury gravel pit.

8. Comment Period for Visiting Landowners

Tim Brockett: Suggested that the GLA set up a system of fines for eyesore properties, abandoned cars and past due assessments.

Val O'Connell: Challenged the Board with a myriad of questions concerning the Soccer Field that the Board responded to in part, but was unable to answer all of them due to litigation.

Daniel O'Connell: Stated his opinions regarding many topics already referred to in his lawsuit(s) against the GLA. Also stated dogs are more of the problem on the soccer fields than horses.

9. **Adjournment 9:30 p.m. Next Board Meeting: October 17, 2011, 6:45 p.m. at St. John's Church.**

Board of Directors Meeting Minutes

October 17, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:04 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), arrived 8:45 p.m., Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, arrived 7:45 p.m. Paul Ranttalo, and Rich Spallone (aka Rich).
   ABSENT: William Smith.
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Daniel and Val O'Connell, Tim Brockett.

2. **Set Agenda:** Item #3 was moved to the end of the meeting.

3. **Approve June 13, 2011, June 27, 2011 & July 14, 2011 Meeting Minutes**
   3.1 June 13, 2011 Minutes (see page 4)
   Discussion regarding page 4, agenda item number 6.1.1.3 – motion to allow phase one of Erickson building project on Parcel 91 (SG). Janet described the importance of documenting how individual board members voted on this issue.
   MOTION: Janet motioned and Laura seconded to approve the June 13, 2011 minutes with the amendment to list the three names of the Board members who voted "yes" to the motion to allow phase one of the Erickson building project.
   Motion Carried. (5 in favor, 2 opposed)

   3.2 June 13, 2011 Minutes (see page 6)
   MOTION: Sheridan motioned and Alyssa seconded the spelling corrections on page 6, section f, "losing" and "homes." **Motion carried unanimously.**

   3.3 June 27, 2011 Minutes
   MOTION: Sheridan motioned and Paul seconded to approve the June 27, 2011 minutes.
   Motion carried unanimously.

   3.4 July 14, 2011 Minutes
   MOTION: Sheridan motioned and Gerald seconded to approve the July 14, 2011 minutes.
   Motion carried unanimously.

4. **Treasurer's Reports – Budget Variance, Check & Deposit – SS**
   MOTION: Janet motioned and Alyssa seconded to approve the September Treasurer's Reports. **Motion carried unanimously.**

5. **Officer Reports – None.**

6. **UNFINISHED BUSINESS**
   6.1 Project Review Committee – AA/RS
   6.1.1 Update – Parcel 30-D (NG)/Robert & Mary Wallace Guesthouse - AA
   Discussion. It was reported that the Wallace's paid in full all assessments due on all of their properties, which was a condition for preliminary approval for their guesthouse project reviewed at the September 12, 2011 meeting.

   6.1.2 Update – Parcels 90 & 91 (SG) – Pete & Cyrese Erickson - AA
   Rich reported that the road work paid for voluntarily by the Ericksons on upper Sagittarius Skyway was done very well using many loads of gravel. The grading of

File: MtgMins 10 17 11 FINAL
Draft (s):04 27 12 - FINAL
Final approval: 04 23 12

Hercules was done before the numerous gravel trucks brought the gravel to upper Sagittarius Skyway.

ACTION ITEM: ***Rich*** - Contact Eric Howe about grading Hercules Road, and repair to alleged dame done to roads by gravel trucks.

6.1.3 Approve Findings of Fact document regarding the Erickson Project – Parcels 90 & 91 (SG) – AA ***(added to agenda)***

Alyssa distributed a "Findings of Fact" document that listed the details about the research and facts that were deliberated upon by the Board prior to their making a decision on the project. Discussion.

MOTION: Alyssa motioned and Gerald seconded to approve the Findings of Fact document dated October 18, 2011. **Motion carried unanimously.**

6.2 Budget Committee – SS

6.2.1 Review & Approve 2012 Budget

Discussion.

MOTION: Sheridan motioned and Rich seconded to accept the 2012 cash flow budget with the amendment to move $500 from the Emergency Road Fund to the Quonset Hut to cover the expense of reinforcing the entry door. **Motion carried unanimously.**

6.3 Managerial Committee – AA/LB

6.3.1 Proposal for Administrative Contractor

The GLA sent out a phone tree asking for interested people to apply to work as an administrative contractor. Sandra Irby from SG was the only one who responded and applied for the position. As an independent contractor, she would charge $15/hour while training and then $20/hr as an independent contractor. Alyssa reviewed Sandra's skills and how she would be valuable to the Board. She would be asked to work on a project-by-project basis, and will be trained to replace Denise as minute-taker. Discussion.

MOTION Alyssa motioned and Janet seconded to contract with Sandra Irby as an independent contractor on a project-by-project basis and begin training as the meeting minute-taker on December 12, 2011. **Motion carried unanimously**

ACTION ITEM: ***Richard/Sandra*** – Work together to establish a contract for Sandra.

6.4 Election Committee – SS/Board

6.4.1 Update re: Election Mailing

Discussion. It was reported that the election letter and special assessment letter were mailed together to all Landowners on October 12.

6.5 Community Committee - LB

6.5.1 Update on Kathleen Ulrich property issues

Discussion. Over the years the GLA has sent letters to Ulrich about problems associated with her property.

ACTION ITEM: ***Paul*** - Call the electrical inspector regarding the possible unsafe wiring in Ulrich home.

7. **NEW BUSINESS**

7.1 Road & Weed Committee – WS/RS

7.1.1 Snow plowing and motion to hire employees

Discussion included the need to hire two employees to drive the GLA trucks and that having local employees would be a benefit to the snowplowing efforts of the association. Drivers will need snowplowing experience and a clean driving record.
MOTION: Rich motioned and Sheridan seconded for the GLA to hire employees to drive the two GLA-owned snow plow trucks with the following provisions: wages will be $20 per hour, and a phone tree will be sent out to advertise the positions. **MOTION carried unanimously.**
ACTION ITEM: ***Alyssa/Richard*** - Draft a phone tree message regarding snowplowing positions and facilitate it being sent out.

8. **Comment Period for Visiting Landowners**

Tim Brockett: Re: the Erickson's work on the roads. He observed the delivery of approximately 75 loads of gravel weighing around 80,000 pounds, and believes this has caused existing gravel to be packed into the road base. Tim requested that the Ericksons be asked to do another grading and put more gravel down in certain places.
Daniel O'Connell: (a) Concerned that the Kathleen Ulrich eyesore issue should not be discussed in a public meeting. (b) Believes Rick Landers is being paid too much. (c) Referenced the Articles, #6 General Powers, "that board members can't vote as proxies or do anything else as a landowner."
Val O'Connell: (a) Requested to see check detail report; Richard declined as the board has only approved the budget variance report to be given to landowners; (b) Suggested a phone tree be sent to ask for help for Kathleen Ulrich.

9. **Adjournment 9:25 p.m.**

10. **Next Public Board Meeting: November 7, 2011 6:45 p.m. at St. John's Church**

October 18, 2011
Findings of Fact for the Erickson Project

Re: Findings for the Erickson Project and related variance for Parcels 90 & 91 SG

In considering the Erickson project, the Board found the following facts:

From GLA Board of Directors Meeting June 13, 2011:

1. Alyssa Allen investigated potential problems and ways the Erickson project would affect fire safety, sanitation, ground water, road usage, view shed, etc. by contacting Mike Inman at the Park County Planning office, Greg Coleman with the Paradise Valley Fire Department, and Barbara Woodbury the County Sanitarian. Furthermore, a site evaluation will be done by C&H Engineering which will have to show that there will be no pollution to Golmeyer Creek and that drain fields will meet State/County requirements as a condition for project construction.

2. The architects have stated that there is only one foundation for each building.

3. To reduce developmental impact on the land, the cluster of buildings will be built in one consolidated location on Parcel 91 with an agreement, in the form of a covenant running with the land, that no building will take place on Parcel 90 into perpetuity. This will be done to preserve the natural environment by avoiding long driveways and scarring the land with cuts and fills. Ericksons will use stone and recycled wood materials in the buildings to fit in with the surrounding land.

4. Ericksons have agreed to improve the section of Upper Sagittarius Skyway to the cul-de-sac at their own expense. This will make the common use land more accessible to all landowners. Ericksons will pay for snow removal on Upper Sagittarius Skyway when they need access in the winter.

5. A fire fill tank of 20,000 gallons will be installed close to the cul-de-sac, and this cistern could be used for fire protection for all High South properties at the discretion of the Fire Department. Greg Coleman of the Paradise Valley Fire Department pointed out that a development with a watered green lawn is easier to protect than dry grass in the event of a fire. Photos of the building site showed that all trees are much more than 100 feet away from building site.

6. Input submitted by neighboring landowners on variance response forms indicated that none of the adjacent landowners objected to the variance request. One non-adjacent landowner gave negative feedback.
   a. Owner of Parcel 89 stated that he agrees with the project.
   b. Owners of Parcel 92 indicated that they liked the residential nature of the project.
   c. Owner of Parcel 93 responded that "it is an appropriate use of the land and preserves the natural resources."

d. Tim Brocket, non-adjacent owner of Parcel 88A, stated that he was concerned that allowing for the residential compound would harm the view shed, open Glastonbury to high density development, cause a fire hazard, and potentially pollute the common land and Golmeyer Creek. He recommended that the project be moved to the top of the hill or the corner of Parcel 90 and 91 so that a variance would not be needed. Tim has also stated that he approves the variance in principle, and has no problem with a residential compound, but was concerned that it would turn into a subdivision or commercial operation.

7. At this meeting, the Board approved a list of conditions to be met for approval of the variance:
   a. Limit number of dwellings on both parcels to five (later changed to four) dwellings on Parcel 91 and no dwellings on Parcel 90. This agreement would be drawn up by the Erickson's attorney and also restrict future commercial use of the residential cluster.
   b. Ownership of both parcels stays as one ownership entity and cannot be subdivided.
   c. Must follow state/county laws regarding sanitation, septic, drain fields, etc.
   d. The GLA does not regulate fire protection, therefore the Ericksons will abide by all fire regulations.
   e. The last .6 miles of Sagittarius Skyway is considered a jeep trail and is not maintained by the GLA. Any improvements to the road will be done voluntarily by the Ericksons at their own expense. The Ericksons are responsible for any damage they cause to the association roads leading to their parcels before, during, and after their construction activities.
   f. Snow plowing of the last .6 miles of Upper Sagittarius Skyway will be paid for by the Ericksons when they need access.
   g. Each dwelling will have impact fees for construction.
   h. Each dwelling pays an assessment.
   i. The GLA is not obligated to provide any road maintenance.
   j. Property is not to be resold as a Commercial Lodging facility such as a B&B or guest ranch because of road impact.
   k. Variance approval is for permission to build 5 (later changed to 4) dwellings as stated in the Erickson's site plan with the 25-foot setback for 3 of the dwellings.
   l. Ericksons must adhere to their site plan as they proceed with the buildings regarding size and location. The first phase is for buildings 2 and 5 (later changed to 2 and 4), which are shown in the application.
   m. Ericksons will submit application details and individual project review forms for the other 3 (later changed to 2) buildings when they are ready to proceed with Phase 2.
   n. Outbuilding development will be limited and the Ericksons will submit a project review application for any future outbuildings.
   o. Limit commercial activity.

p. Require the Ericksons' attorney to draw up an agreement that addresses all the Board's concerns and requirements.
q. Have Hertha Lund, GLA attorney, review the agreement.

8. The conditions of this variance request were tabled until the meeting on June 27, 2011, therefore the variance was not voted on.

From GLA Board Meeting on June 27, 2011:

9. The Ericksons changed their variance request from 5 dwellings to 4 dwellings. Documents reflecting the updated variance request were distributed to members of the Board. Documents from Cikan Architects summarizing the findings of Attorney Susan Swimley, outlining the variance requests, were also distributed to the Board along with the revised site plan of 4 dwellings.

10. Ericksons reaffirmed their commitment to make improvements to GLA roads leading up to the proposed building sites at their own expense.

11. Ericksons reaffirmed their understanding that the GLA is not obligated to maintain the road and provide snow removal on Upper Sagittarius Skyway.

12. Susan Swimley presented evidence on the hardship of topography that would exist if the buildings were located on Parcels 91 and 90, how the overall density between the two parcels would stay the same, that there would be no added impact to the roads, that the cluster of buildings would minimize scarring to the land, and there would be less visual impact on neighboring properties.

13. The 25-foot variance was requested due to a topographical hardship. If a 50-foot setback was used, it would force the project to be constructed on steep terrain. The 25-foot setback is to allow the project to be constructed on the flat terrain of the site. There is still ample room from the common use area and the access point to the common land is not affected. Three of the buildings are one story high and all the buildings are designed to blend into the landscape.

14. The project does not change the tract size and density remains the same.

15. The conditions of the project do not require the GLA to enter into a contract with the Ericksons.

16. Should the development become commercial in the future, the GLA is not obligated to provide road services. Maintenance of the roads is an obligation to a reasonable standard, and the standard is set by the GLA.

17. The "Bambeday" document is not a reflection of the actual variance request and should only be used by the architect to understand the general design principles the Ericksons were seeking with their project.

18. Architect Frank Cikan stated that developing the project on two parcels would disallow the use of the medicine wheel design and destroy the medicine wheel concept and, therefore, the whole design around the motif would be gone.

19. Necessary documents ensuring that the GLA be protected from road liability would need to be in place before approval.

20. The assessments to be billed would include 4 house assessments and 2 land assessments.

21. As a way to ensure that no further dwellings would be built on Parcel 90, the 2 allowed dwellings for Parcel 90 could be billed in the assessments as pertaining to this parcel. Essentially, each parcel would be billed for 1 land assessment and 2 dwelling assessments.

22. Multi-family dwellings refer to separate families, not families of origin. The design intent of the Erickson project is not to have multi-family dwellings.

23. Board will review site plans for the 4 buildings, which includes the specific details of the first 2 buildings proposed for Phase 1. When the other 2 buildings for Phase 2 are intended to be built, the detailed plans will be submitted for review by the Board.

24. Any future outbuildings would need to be reviewed through the GLA project review process.

25. Impact fees for the variance request would need to be adjusted on the application to reflect the actual costs incurred by the GLA in processing the application.

26. The Board approved a preliminary variance approval based on the following contingencies:
    a. The GLA and the Erickson's attorney will formulate a Road Policy acknowledgement that protects the GLA into perpetuity regarding its obligation to provide road services to Upper Sagittarius Skyway. The policy will indicate that the Ericksons acknowledge and accept the GLA Road Policy, and that the GLA is not obligated to provide an increase in road maintenance and snowplowing services over the current and historical levels of service, regardless of any road improvements made to Hercules Drive and/or Sagittarius Skyway. The road policy document will reference Covenant 8.01(c) and the GLA Road Policy. The document will include that no snow removal or maintenance services are required by the GLA between Parcels 88 and 93 on Sagittarius Skyway, since this area had not been intended for year-round access. This road policy will run with the land in the event that the Ericksons transfer their property.
    b. The project and all proposed documents and agreements will be reviewed by Hertha Lund, GLA attorney, for her approval before the preliminary

approval can be valid, and adjustments to the project can be made to incorporate any recommended changes.

c. The preliminary approval for the project is based on residential use. A legal way to constrain commercial activity such as a B&B or commercial lodging facility will be established. If, in the future, any commercial use of the property is contemplated (that requires licensing of any kind or has an impact on road usage, water, sewer, or noise), it shall require approval by the GLA, and at the Board's discretion; this may include a "High South" neighborhood area review prior to any commercial activity being allowed. Any commercial activity will be reviewed under applicable regulations at the time. This agreement will extend into perpetuity in case the property is sold.
d. Applicable assessments for 2 dwellings and 1 land assessment will be charged equally on each of the Parcels 90 and 91.
e. A legal way to limit any further dwellings on Parcel 90 will be established and run with the land.
f. No further dwellings shall be allowed beyond this four dwelling development on either Parcel 90 or 91. This covenant shall run with the land.
g. A reasonable basis for maintaining the roads impacted by the Erickson's construction activities will be established, specifically but not limited to Hercules Drive and Sagittarius Skyway, and the Erickson's will agree to remedy any damage to the roads caused by their construction activities throughout the 2 different phases of the project. Appropriate repairs, as shown by the GLA, will be made at the Erickson's expense.
h. The Erickson's will agree to pay the GLA for extra expenses related to the processing of this variance, such as attorney costs incurred at the July 14, 2011 meeting.
i. Once the contingencies for approval are met, the standard conditions of approval will be added such as obtaining necessary permits and reseeding disturbed land.

27. The motion to approve a preliminary variance was passed.

<u>From GLA Board Meeting on July 14, 2011:</u>

28. An update to the Erickson's application (dated 6/27/11) was distributed to the Board showing how the number of residences was reduced from 5 to 4. Certain areas on the application where changes had been made were initialed by Mr. Erickson, and included an update to the impact fees to be charged so these would be based on the actual administrative and legal costs incurred by the GLA in processing the variance. A new site map with building footprints for the 4 residences was included.

29. Attorneys Hertha Lund and Susan Swimley responded to questions from the Board, Landowners and Guests. The following points were covered:
    a. Commercial Activity: Hertha stated that the GLA's governing documents allow certain types of commercial activity. An applicant can agree to limit

certain types of commercial activities and the Board can take that into consideration for a variance. This limitation would then become a covenant for that parcel/lot and runs with the land.

b. Contracts & Hardships: The Board can enter into contracts. The Board has the power to determine what it believes is a hardship when considering a variance, and may require conditions and restrictions before granting a variance.
c. Fire Codes: It is the County's job to enforce fire codes.
d. Multi-Family Dwellings: Valery O'Connell expressed concern that the five children living with the parents in the four dwellings constitute a multi-family dwelling. Susan Swimley stated that it is the job of the applicant to meet criteria of the governing documents, which is why she recommended that the Erickson's change their original plan from 5 dwellings to 4. Hertha stated that the Board has to determine, based on the governing documents and the definitions, if this project is a multi-family dwelling. Laura stated that the intent of the multi-family wording in the Master Plan was to prevent apartments and condominiums.
e. Subdividing: Daniel O'Connell stated that the Erickson's should subdivide the two parcels and exhaust all possibilities before asking for a variance. Hertha stated that it is not required by the governing documents that the Erickson's exhaust all possibilities before applying for a variance.
f. Road Access: Peter Naclerio expressed concern that the GLA would be liable to maintain 12-month road access to the end of Sagittarius Skyway if this variance were granted. Hertha stated that the Road Policy is very clear and the GLA will not be liable to maintain 12-month access.
g. Commercial Use: Tim Brockett expressed concern that the 4 dwellings could be used in the future for a retreat or other commercial use, especially if the property sold. Susan Swimley stated that future owners would be bound by any agreement between the GLA and the Erickson's to limit commercial use. If a future owner wanted to use the property for commercial purposes they would have to apply for a variance.
h. Conservation Easements & Limiting Development: Hertha stated she does not recommend conservation easements, and this did not have to be pursued for this variance. Daniel O'Connell raised the concern that limiting future dwellings on Parcel 90 is a limiting of property rights. Susan Swimley stated that the Erickson's are free to choose to limit development for themselves more than the Board can limit them. The Erickson's can choose to restrict all future dwellings on Parcel 90 and are free to adopt restrictive covenants for their own land that would be established in addition to the GLA Covenants.

30. The following motion was made and voted on:
Section 4.2 Criteria:

a. Exceptional circumstances exist over which the landowner has no control in that both lots have significant severe slopes which severely restrict the landowner's ability to locate any structure on the properties other than the chosen site which is a relatively flat portion of Lot 91.

b. The variance is not materially detrimental to neighboring properties. With the clustering of the residential dwellings the visual impact is significantly reduced as to the neighboring private landowners. The clustering of four residential dwellings is not materially detrimental to the commonly-owned land and the proponents will construct an improved road making access to the common land much easier, thus allowing people who are entitled to enjoy the common land easier access. The same is true for forest service access since that is through the common land.
c. The variance is the minimum possible remedy for the particular circumstance. The two large lots owned by the Ericksons are granted four dwellings. By placing the four dwellings in one location there is no increase in the number of dwellings while reducing the overall impact to the adjacent private land, reducing road cuts and fills and increasing access to the common land and forest service land. In the absence of the variance both lots would be subject to construction including cutting, filling and blasting which would be more visible and cause a greater impact on the community.
d. The variance meets all local, county and state requirements.
e. The variance does not seek a reduction in acreage from the minimum acreage and does not increase the number of lots/tracts beyond that which was established in the Residential Topographical Areas and Density Schedule.

Section 4.0 Criteria:

f. The special and unusual circumstances related to these lots are the fact that there is very little naturally flat area which lends itself to building without significant cuts and fills and that the lots are adjacent to commonly-owned land and forest service land instead of privately owned lots. Requiring the owner to put two homes per lot causes an undue hardship by requiring the owner to interrupt the natural topography. The interruption and need to cut and fill to build two dwellings on each lot is an unnecessary hardship when the same number of dwellings can be located on a naturally flat area which does not require the changing of the landscape to construct the same number of dwellings.
g. The variance request is not materially detrimental to the neighboring properties. Reducing the setback from 50 feet to 25 feet does not affect any private land since the setback is adjacent to forest service boundary and the common land so there is no visual impact on any private land. The 25-foot setback does not affect the use of common land or forest service land. There will be very little, if any, visual impact on the common land due to topography.
h. The variance is the minimum possible remedy under the circumstance. The original covenants allowed a twenty-five foot setback. The 25-foot setback is consistent with the original setback requirements before the newer 50-foot setback requirements were changed but there are no private dwellings affected by the 25-foot setback. The Master Plan allows the 50-foot setback be reduced where the 50-foot setback is not possible. In

order to get the appropriate separation of buildings for both visual impact and fire protection there is not sufficient space without significant excavation and radically changing the design concept. The variance is the minimum possible under the circumstance as it would otherwise force the Ericksons to make significant alterations to the terrain and to their planned residential dwellings.

i. The self-imposed restriction on Lot 90, which would be granted for enforcement by the GLA or other 3rd party, does not require an amendment to the Master Plan. The offer to file a restriction simply informs everyone that no dwellings will be constructed on Lot 90.
j. There appear to be no increases in fire risk caused by the variance request. These residential dwellings will not be constructed in a heavily forested area, and by clustering them rather than having them separated into two lots, there is no increase in fire danger.
k. There are no alternate provisions for processing a variance request when the property is adjacent to common land.
l. Neither of the requests for variance presented seek a variance as contemplated in Section 4.2.4 of the Master Plan in that no reduction of acreage is sought nor is there a change to the density.
m. For the Ericksons to build on two separate lots would be an undue hardship in that it would force the family to live apart, at a distance of over 1,000 feet. This distance is hard to cover, especially in the wintertime. Allowing them to construct a cluster of residential dwellings in close proximity would alleviate this unnecessary hardship.
n. The Erickson's respect for the land makes it undesirable for them to unnecessarily scar the land with long driveways, cuts and fills.
o. The previous conditions established by the Board stand.

31. The variance was approved per the above motion.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

November 7, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:11 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, William Smith, and Rich Spallone (aka Rich).
   ABSENT: Gerald Dubiel and Paul Ranttalo.
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Bob and Kristi Sones, William and Sandra Irby, Sally Muto, Val and Daniel O'Connell, Tim Brockett, Chris Williams, and Danilee Howe.

2. **Set Agenda:** Agenda Item 6.5.1 was tabled because Gerald was not present.

3. **Approve August 8, 2011, September 12, 2011 & October 17, 2011 Meeting Minutes – Tabled.**

4. **Treasurer's Reports – Budget Variance, Check & Deposit – SS**
   MOTION: Alyssa motioned and Rich seconded to approve the October Treasurer's Reports. **Motion Carried Unanimously.**

5. **Officer Reports**

6. **UNFINISHED BUSINESS**

   6.1 Project Review Committee – AA/RS

   6.1.1 Proposal to develop Landowner survey re: assessments for guesthouses, apartments & businesses. - AA
   Background: The idea for developing a survey was suggested in response to Bob Quesenberry's written concerns about alleged inequities in how assessments are charged for guesthouses, apartments and businesses. The survey has not been developed yet. Discussion.
   ACTION ITEM: ***Alyssa*** - Develop a survey for Landowners to give input on possible additional assessments for guesthouses, apartments and businesses.

   6.2 Election Committee – SS/Board

   6.2.1 Review Updated Election Mailing
   Clare Parker, as corporate owner of Parcel 35A – SG, withdrew the nomination of Ed Dobrowski, a SG candidate representing the corporation. As a result, an updated list of SG candidates was mailed to all South Glastonbury Landowners.

   6.2.2 Vote for candidates
   Discussion. Alyssa explained the procedure for determining how the Board votes when a Landowner designates his proxy to the Board: (a) At the Board meeting prior to the elections, each Board member votes confidentially on ballots for North and South Glastonbury. (b) The Secretary and meeting assistant tally these votes and documents them. (c) When a Landowner designates his/her proxy to the Board, a representative of the Board (usually the President if he isn't a current candidate) will vote to reflect the documented outcome of the Board majority's vote.

File: MtgMins 11 07 11
Draft:1 12 11; 02 06 12; 02 09 12; 04 18 12; 04 27 12 – FINAL
Final Approval: 04 23 12

6.2.3 Determine GLA Board Proxy Representative to cast Board Vote
Discussion.
UNANIMOUS AGREEMENT: At the Annual Meeting/Elections of November 12, 2011, Janet (Secretary) will cast the ballot in accordance with the Board majority's vote whenever a Landowner designates the Board as his/her proxy.

6.2.4 Vote to approve Draft Agenda the Annual Meeting/Elections – SS/Board
Discussion.
MOTION: Sheridan motioned and William seconded to approve the draft agenda for the November 12, 2011 Annual Meeting/Elections with amendments. **Motion carried unanimously.**

6.2.5 Review/discuss content of Annual Meeting committee reports – Officers/Committee Chairs
Discussion included Treasurer's report and Road Committee's handout.

6.2.6 Finalize assignments and details for conducting Annual Meeting
Discussion.
ACTION ITEM: ***Sheridan & Board*** - Set up Friday at 7:00 p.m. Arrive Saturday at 8:00 to 8:15 a.m.
ACTION ITEM: ***Charlene*** - Set up AV system.
ACTION ITEM: ***William*** - Bring maps to Annual Meeting.
ACTION ITEM: ***Denise*** – Train Registration Table & Ballot personnel Fri eve.

6.2.7 Handouts for copying must be submitted to Denise by Wed. a.m., Nov. 9.

6.3 Special Meeting re: Special Assessments

6.3.1 Discuss/determine meeting personnel and oversight
Discussion.

6.3.2 Vote for Special Assessment for All Landowners & Special Assessment for High South Landowners
Discussion. The Board voted on each assessment for Landowners who may designate their proxy to the Board.

6.3.3 Determine GLA Board Proxy Representative to cast Board Vote
Discussion.
UNANIMOUS AGREEMENT: Janet (Secretary) will cast the ballot in accordance with the Board majority's vote whenever a Landowner designates the Board as his/her proxy.

6.3.4 Vote to approve Agenda for Special Meeting
Discussion.
UNANIMOUS AGREEMENT: The Board approved the November 12, 2011 Special Meeting agenda as amended.

6.3.5 Finalize assignments and details for conducting Special Meeting
Discussion included review of final assignments, etc.

6.3.6 Handouts for copying must be submitted to Denise by Wed a.m. Nov. 9.

File: MtgMins 11 07 11
Draft:1 12 11; 02 06 12; 02 09 12; 04 18 12; 04 27 12 – FINAL
Final Approval: 04 23 12

6.4 Road & Weed Committee

6.4.1 Update re: Snowplowing employees and contractors

Discussion. (a) The GLA sent out a phone tree advertising snowplowing positions. Two North Glastonbury Landowners, Chris Williams and Richard Mead, applied and both are capable drivers. (b) Paul Ranttalo no longer wants to snow plow; (c) Ed Dobrowski is willing to continue snowplowing in South. A backup will be needed for South.

UNANIMOUS AGREEMENT: The Board will announce snowplowing positions at Annual Meeting and await further applicants.

6.5 Community Committee

6.5.1 Update on Kathleen Ulrich property issues – Tabled.

7. **NEW BUSINESS**

8. **Comment Period for Visiting Landowners)**

Tim Brockett: (a) Offered input regarding assessments for apartments, guesthouses and businesses. He stated the GLA Covenants allow for a flat tax, so to ask *more* assessments from businesses and apartments would become a progressive tax. His understanding is that GLA's founders wanted to encourage free enterprise and so businesses are allowed. (b) Tim proposed that each candidate be allowed to speak for 10 minutes at the Annual Meeting plus time for questions after each speech. (c) Tim was disturbed by the number of interruptions from the O'Connell's during the meeting. He commented that there should be a zero tolerance policy for interruptions while any board member is speaking. If someone interrupts and is called out of order, the policy should be "one strike and you're out." (d) He asked the Board to counter sue for frivolous lawsuits and to foreclose on the property of landowners who bring frivolous lawsuits against the GLA and waste the GLA's funds.

Sandra Irby: Commented that the emotional outbursts at past meetings were difficult for her so she hasn't attended meetings for a few years. Sandra thought tonight's meeting was a three ring circus with interruptions and can understand why the Board needs to tighten it up.

Daniel O'Connell: (a) Passed out a document called "GLA Landowner's Bill of Rights." (see copy in file) (b) He stated the proposed landowner survey (see 6.1.1 above) is inappropriate as the Master Plan forbids apartments. (c) He stated that proxy votes given by landowners to the Board are not legal.

Valerie O'Connell: (a) Stated that the assessment survey for guest homes, businesses and apartments is illegal. (b) She is concerned about the designation of Landowner proxies to the Board.

9. **Adjournment 8:45 p.m.**

10. **Next Public Board Meeting: January 9, 2011, 6:45 p.m. at St. John's Church**
Reminder: Annual Meeting/Elections: Sat, Nov. 12, 8:45 a.m. - Noon, Emigrant Hall, followed by Special Meeting re: Special Assessments: Noon - 1:00 p.m., Emigrant Hall.
December 12, 2011: Possible short public board meeting (TBD) prior to Orientation Meeting for Board Members Only

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes

December 12, 2011

FINAL

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 8:33 p.m. at St. John's Church.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Alyssa Allen, Gerald Dubiel, Kenneth Haug, Sean Halling, Paul Ranttalo, William Smith, Rich Spallone (aka Rich), Scott McBride (via phone).
   ABSENT: Laura Boise (Vice President), Sheridan Stenberg (Treasurer).
   ALSO ATTENDING: Charlene Murphy (Meeting Assistant), Sandra Irby (Meeting Assistant); Landowners: Tim Brockett, Val O'Connell, Daniel O'Connell.

2. **Set Agenda**

3. **Meeting Minutes**
   3.1 Discuss Meeting Minute-Taker (AA)
   Discussion included: (a) Charlene was no longer able to do the meeting minutes and Sandra Irby was willing to take her place; (b) Janet, as Secretary, also takes notes and oversees minutes, and; (c) Meetings can be recorded only by the minute taker for the sole purpose of the accuracy of the minutes.

   UNANIMOUS AGREEMENT: Sandra Irby will be the Meeting Minute-Taker as an independent contractor (with Charlene as a backup for the December 12, 2011, meeting only).

4. **a) Review/vote on Policy for Board Meeting Conduct (RB/AA)**
   Alyssa read a new proposed policy for Board Meeting Conduct. Edits were discussed and incorporated.
   MOTION: Janet motioned and Gerald seconded to accept the "Policy for Board Meeting Conduct" as amended.
   Discussion. William suggested additional edits.
   MOTION: Janet motioned and Sean seconded to accept the "Policy for Board Meeting Conduct" as amended and with additional edits.* **Motion carried unanimously.**
   *(*Amendments and edits to "Policy for Board Meeting Conduct" will be shown in track changes and will be attached to the final copy of the meeting minutes.)*

   b) Attending Landowner's Non-Compliance with Tape Recording Policy *(added to agenda)*
   The newly approved "Policy for Board Meeting Conduct" (see 4a above) contains a clause which prohibits recording GLA Board Meetings, with the exception of the Note-Taker. Therefore, Richard asked Daniel and Val O'Connell (meeting attendees) to turn off their recording device to comply with this clause. They refused to comply, arguing that they had a right to record under state law.
   Discussion.
   Richard then asked the O'Connells to leave the meeting, and they refused with argumentation.
   Discussion.
   UNANIMOUS AGREEMENT: The Board agreed that Richard should call the Sheriff's Office to ask for someone to escort Daniel and Valery O'Connell from the Board Meeting premises.

   c) Meeting Break: Approximately 9 - 9:45 p.m. *(added to agenda)*

File: MtgMins 12 12 11
Draft (s): 12 15 11; 12 26 11; 12 31 11; 01 02 12; 01 03 12; 02 14 12 – FINAL
Final Approval: 02 13 12

During the break, Richard called the Sheriff's office. 2 deputies arrived and the O'Connells were escorted from the meeting.

5. **Approve August 8, 2011, September 12, 2011, October 17, 2011 & November 7, 2011 Meeting Minutes – Tabled.**

6. **Treasurer's Reports – Budget Variance, Check & Deposit**
Charlene presented the November 2011 Treasurer's Reports in Sheridan's absence.
MOTION: Alyssa motioned and Rich seconded to approve the Treasurer's Reports for November 2011. **Motion carried unanimously.**
Discussion.
UNANIMOUS AGREEMENT: The Board agreed to William's request that the name "PVRC" be removed from the Treasurer's reports and replaced with the word "Parkland" as this seems to more accurately reflect the GLA's ownership of the soccer field and surrounding acreage.
ACTION ITEM: ***Charlene*** – Change the name of "PVRC" to "Parkland" on the Treasurer's reports. [As appropriate]

6.1 Voluntary Contribution Fund
Charlene reviewed the idea of creating a fund that the GLA could set up for Landowners to donate money toward helping other Landowners who are unable to pay their assessments due to financial hardships. The GLA could provide options to donate money, to be a recipient, or to apply on someone's behalf.
Discussion included: (a) The GLA would be better served by having an independent, non-profit organization to handle a contribution fund, and (b) The Board determined that there was not enough time to research, propose and implement this idea by January 2012.
ACTION ITEM: ***Charlene*** - Research how the power company or other assistance programs function with hardship customers and present this research in support of a "Voluntary Contribution Fund" at a future Board Meeting.

7. **Formation of New Board, Establish Officer & Committee Chairs/Members**
7.1 Nominate/vote for officer positions, committee chairs and members
a) Officers
Richard turned the Meeting Conductor Chair over to Alyssa for the election of officers.
Discussion.
UNANIMOUS AGREEMENT: The Board approved Richard Bolen as President, Laura Boise as Vice President, Janet Naclerio as Secretary and Sheridan Stenberg as Treasurer.

b) Committee Chairs/Members
Richard returned to chairing the meeting. Discussion.
UNANIMOUS AGREEMENT: The Board agreed that the following Board members will fill the following committee positions.

All Board Members (Ongoing & New)
All Board members serve on the Election Committee and help with the Annual Meeting and Elections.

Ongoing Board Members
Janet: Resigned from Recreation & PVRC committees.
All Others: Will retain their committee positions of the previous year.

File: MtgMins 12 12 11
Draft (s): 12 15 11; 12 26 11; 12 31 11; 01 02 12; 01 03 12; 02 14 12 – FINAL
Final Approval: 02 13 12

New Board Members

Kenneth: Road & Weed; Website
Sean: Road & Weed, Community
Scott: Managerial, Community.

Scott left meeting at 10:29 p.m.

7.2 Vote to approve 2012 Board Meeting dates

Discussion

UNANIMOUS AGREEMENT: The Board agreed on the following corrections and selections to the draft list of Board Meeting Dates for 2012.

January: change date to January 9
July: change to July 9
October: change to October 15
Other months: Remain as noted on the draft list of 2012 Board Meeting dates.

Paul left meeting at 10:30 p.m.

7.3 Review/edit Board contact list

ACTION ITEM: ***Alyssa*** - Email the draft of the Board Contact List to each Board member, who can then reply with changes/additions to his/her contact information.

8. UNFINISHED BUSINESS

8.1 Election Committee – SS/Board

8.1.1 Review Annual Meeting and Election Results – Board - Tabled.

8.2 Special Meeting re: Special Assessments (November 12, 2011)

8.2.1 Review Special Meeting and Voting Results – Board

Discussion. It was noted that more Landowners needed to vote in order to reach the correct percentage of votes needed for passing the 3 special assessments. Even if everyone who had voted concerning the special assessments had actually voted ***in favor*** of them, there still would not have been enough votes to pass them.

8.3 Road & Weed Committee

8.3.1 Update re: Snow plowing employees and contractors – Tabled.

8.4 Community Committee (RB/LB)

8.4.1 Update on Kathleen Ulrich property issues - Gerald

Gerald reported that the State of Montana Electrical Inspector said they could not do anything about the dangerous power line above ground on the Ulrich property. Discussion included: (a) Safety concern issues; (b) The GLA's budget in relation to the cost of taking action on Covenant violations, and; (c) The Board has already attempted over the years to try to correct the Ulrich property issues. It may be preferable at this stage for individual Landowners to take legal action on their own if they choose to do so.

9. NEW BUSINESS

9.1 Management Committee (AA/LB)

9.1.1 Susan Swimley's offer to purchase Meeting Norm Poster Content

Alyssa explained that Susan wants to use the meeting norm poster content to work

with other landowner associations. With the GLA's permission, Susan would pay the GLA for each such use.
Discussion.
UNANIMOUS AGREEMENT: The Board agreed to accept Susan's proposal of paying the GLA for each use of GLA's Meeting Norm Poster content.
ACTION ITEM: ***Alyssa*** – Contact Susan Swimley and discuss/determine a reasonable fee for the meeting norm poster content.

10. **Comment Period for Visiting Landowners.** No comments.

11. **Adjournment – 10:53 p.m.**

12. **Next Public Board Meeting: January 9, 2012, 6:45 p.m. at St. John's Church.**

File: MtgMins 12 12 11
Draft (s): 12 15 11; 12 26 11; 12 31 11; 01 02 12; 01 03 12; 02 14 12 – FINAL
Final Approval: 02 13 12

Glastonbury Landowners Association

Policy

Re: Board Meeting Conduct

For Directors, Landowners and Guests

This policy has been established so that the Board may accomplish its business in an efficient and constructive manner, while allowing for uninhibited expression, the free-flow of ideas, and harmonious interactions among all in attendance.

By their attendance, at all meetings of the Board of Directors, all attendees, including Directors, Landowners and Guests, shall agree to conduct themselves according to the following guidelines:

1. Respect each person's input.
2. Be patient and understanding.
3. Be honest yet tactful.
4. Be open to suggestions and other viewpoints.
5. Listen without interrupting or holding side conversations.
6. Stay focused and on-task.
7. Do not monopolize the floor during discussions.
8. Allow differences to surface and resolve conflicts immediately through honesty and a sincere effort to understand.
9. When there is a disagreement with a person's view, provide the alternative view without making the other person wrong.
10. Take adequate time to fully explore and understand an issue before coming to conclusions.
11. Focus on the facts and keep personal biases out of discussions and decisions.
12. Give others the benefit of the doubt, rather than assuming wrongdoing or making accusations without knowing the facts.
13. Refrain from derogatory remarks about others.
14. Address others in a considerate, respectful, non-accusatory, non-interrogative manner.
15. Refrain from any disruptive behavior or noises such as loud whispering, giggling, pacing, shuffling papers, exaggerated gestures or any behavior that distracts people's attention from matters being discussed.

Landowner and Guest Participation:

There will be a designated time for Landowners to provide input and make comments at every regular monthly meeting. At the beginning of each meeting the President or presiding Officer will inquire if anyone attending has come to contribute regarding an existing agenda item, or to propose a new one. The Board will then determine how to best handle each issue. At the Board's discretion, Landowners and/or Guests may be recognized or called upon during the meeting, when deemed appropriate given the business at hand. (Note: The Board follows a certain protocol for placing items on the Agenda, and Landowners are encouraged to submit any agenda item they wish the Board to review at least two weeks prior to the meeting using the Agenda Request Form for Landowners.)

Recording:

Due to the chilling effect that recording has on participation and the exchange of ideas, the Board has determined that the following will not be allowed by anyone in attendance unless given prior approval by the Board:

1. Photographing

2. Audio recording

3. Video recording

Only the Meeting Minute-taker is allowed to audio record the meeting for the purpose of ensuring accuracy of the meeting minutes. Any such recording will not be made available for any other purpose. The content of GLA board meeting audio recordings is the property of the GLA Board. After meeting minutes are approved by the Board, the recorded material will be overwritten, erased or disposed of.

Enforcement:

Attendees, including Board Members, who violate these guidelines and rules, or who are otherwise considered by the Board to be disruptive to the conduct of the meeting, may be given a warning by the Board and directed to cease such activity. If the attendee persists in his or her violation or disruptive behavior and/or activity, the presiding Officer may expel the attendee from the meeting and any future meetings as deemed necessary. If, after being expelled, the attendee refuses to leave, a Board Member will call the County Sheriff to have the attendee forcibly removed from the meeting.

Note: From time to time, this policy may be updated or revised by the Board.

2012-02-13_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors - Regular Meeting Minutes

February 13, 2012

FINAL

Confidential – Do Not Copy

1. **Call to order; opening prayer**
The meeting was called to order by Richard Bolen at 8:11 p.m. at St. John's Church and the opening prayer was said by Janet.
PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Sean Halling, Kenneth Haug, Scott McBride, Paul Ranttalo, William Smith
ABSENT: Gerald Dubiel, Rich Spallone (aka Rich)
ALSO ATTENDING: Sandra Irby (Administrative Contractor), Tim Brockett (Landowner), William Irby (Landowner)

2. **Set Agenda**

3. **Approve Meeting Minutes & Review Orientation Meeting Notes**
August 8, September 12, October 17, November 7, December 12, 2011; January 9, 2012

Only the December 12, 2011, minutes were ready for approval. Discussion. Richard said that the January 9 orientation meeting notes were not minutes and thus do not need to be approved. The other meeting minutes were tabled.
MOTION: William motioned and Janet seconded to approve the December 12, 2011, minutes as amended; see the attached version for changes approved by the Board. **Motion carried**. (2 abstentions: Laura and Sheridan were not present Dec. 12.)

4. **Officer and Committee Reports**

4.1 President's Report

4.1.1 Strategic Planning Meeting – RB
Richard discussed the purpose of the meeting and brainstorming goals for 2012. Laura suggested that Directors prepare before the meeting and come with ideas to share.

4.2 Treasurer's Reports

4.2.1 Budget Variance, Check Detail & Deposit Detail – SS
Sheridan presented the January 2012 reports.
MOTION: Alyssa motioned and Laura seconded to approve the January 2012 Treasurer's reports. **Motion carried unanimously.**
ACTION ITEM: ***Alyssa*** – Talk to Charlene to clarify budget codes for legal expenses.
Discussion of Sheridan's research. The estimate for an independent audit based on the size and operation of the GLA is between $4700 and $5700. A formal audit of this type is not required of the GLA. A less expensive alternative is to have Alan Hearn, who has 20 years of accounting experience with nonprofits, do an independent financial review for an estimated $1,200. The purpose is to demonstrate fiscal responsibility to the Landowners through a third party process. Money for an audit was not budgeted this year.
MOTION: Laura moved and Kenneth seconded: 1) Hire Alan Hearn to prepare the GLA 2011 tax return; and 2) Include in the GLA 2013 budget a provision to have Alan Hearn prepare an independent financial review of the GLA for 2012. **Motion carried unanimously.**

4.2.2 E-mail vote on truck insurance – SS

File: MtgMinutes Regular 02 13 12
Draft (s): 02 14 12; 02 16 12; 03 12 12 - Final
Final Approval: 03 12 12

Discussion. The Board voted by e-mail to approve switching truck insurance for significant savings.
ACTION ITEM: ***Sheridan*** - Forward voting results for changing GLA's truck insurance to Sandra and report at the next meeting.

4.3 Road and Weed Committee Report

4.3.1 Dry Creek Road Damage from Johnson Mobile Home Removal – WS

Discussion. Sheridan reported that Craig Hansen, owner of Lot 32-C in South Glastonbury, saw the damage and a manufactured home at the side of Dry Creek Road and heard a Park County employee saying that damage had been done to the road. Forrest and Theresa Johnson, owners of Parcel 49 in South Glastonbury, had a singlewide manufactured home removed by a contractor.
ACTION ITEM: ***Alyssa*** – Give William Smith contact information for the contractor who moved the Johnson trailer so that William can report to Ed Hillman, the Park County Road Supervisor.
ACTION ITEM: ***William*** – Contact Ed Hillman, the Park County Road Supervisor, concerning the damage to Dry Creek Road by the contractor who moved the Johnson trailer.

4.4 Managerial Committee Report

4.4.1 Review of recent accomplishments and tasks at-hand – AA

Discussion. The one-page January 2012 newsletter was completed on time and was well received. Alyssa mentioned that much of the Committee's accomplishments will be covered later in the meeting. The Committee is working on streamlining operations.

5. UNFINISHED BUSINESS

5.1 Collection policy and procedure – SS/RB/AA

Discussion. Various aspects of the collection policy were reviewed, and Richard said he would like the Board to consider authorizing specific parameters within which the Treasurer can take action without having to bring the matter to the Board.
MOTION: Sheridan moved and Sean seconded that the Treasurer have the authority to negotiate the following with delinquent accounts: The current year's assessment must be paid by Dec. 31 in full; the past due amount needs to be paid within two years or it will be turned over for collection. **Motion carried unanimously**.

5.2 30-day collection letter – RB

Discussion. Two versions of the letter were handed out.
MOTION: Alyssa moved and Laura seconded to allow Richard, Sheridan and the Managerial Committee to finalize the collection letter. **Motion carried unanimously**.
[Scott left 9:38 pm; Laura left at 9:50 pm.]

6. NEW BUSINESS

6.1 2012 resolution for Directors authorized to sign checks – RB

Discussion. **MOTION**: Alyssa motioned and Sean seconded that the President, Vice President, Secretary and Treasurer are authorized to sign checks for 2012. **Motion carried unanimously**.

6.2 Proposal for single signature check-writing limit – RB

Discussion. **MOTION**: Janet moved and Paul seconded that GLA checks over $5,000 require two authorized signatures. **Motion carried unanimously.**
ACTION ITEM: ***Alyssa*** – Verify that GLA needs the bank safety deposit box.
ACTION ITEM: ***Janet*** – Take the GLA motion concerning check signing and limit to the GLA's bank.

6.3 Project Review

6.3.1 Lot 10-E (NG), Ross & Monique Brunson, manufactured home placement – AA

Discussion. Alyssa reported that the Brunsons intend to remove their singlewide manufactured home from the property and replace it with a used, 9-year-old doublewide manufactured home. She pointed out that, according to the GLA Manufactured Home Standards, the doublewide is in compliance.
MOTION: Alyssa motioned and Sheridan seconded to approve the placement of a doublewide manufactured home on Lot 10-E North Glastonbury for Ross and Monique Brunson with the following conditions: 1) disturbed land be reseeded; 2) the existing singlewide home be removed from the property. **Motion carried**. [Abstention: Paul is involved in the project and declined to vote.]

6.4 Managerial Committee

6.4.1 Conference Phone Research – SM

Discussion. Alyssa presented since Scott had already left the meeting. The conference phone option would cost $200. The Board discussed waiting to decide until options for physical files and office location are explored and expenses overall reviewed.
ACTION ITEM: ***Managerial Committee, Sheridan and Richard*** – Conduct research and make a proposal for the GLA physical files and possible office location.

6.4.2 Director Conflict of Interest Statement review and vote – AA/RB

Discussion. **UNANIMOUS AGREEMENT:** The Board Member Conflict of Interest Statement was approved.

6.4.3 Director Confidentiality Agreement review and vote – AA/RB

Discussion. **UNANIMOUS AGREEMENT:** The Board Member Confidentiality Agreement was approved with minor edits.

6.4.4 Proposed Landowner Agenda Item Request Form – AA

Discussion. **UNANIMOUS AGREEMENT:** The Landowner Agenda Item Request Form was approved with minor edits.

6.4.5 Committee Meeting Minutes template – AA

Discussion. **UNANIMOUS AGREEMENT:** The Committee Meeting Minutes template was approved.

ACTION ITEM: ***Managerial Committee*** – Finalize the above approved documents and implement them.
ACTION ITEM: ***Denise*** – Print copies of the finalized Conflict of Interest Statement and Confidentiality Agreement for Board members to sign at the March 12 meeting.

6.5 Road and Weed

6.5.1 Proposed Road Management Committee – WS/AA
Discussion. During a previous meeting, Bylaws Article VI, Section I – Committees was discussed and it had been noted that only all-Director committees have authority to take action and only to the extent authorized by the Board.
MOTION: Alyssa motioned and Sean seconded that a Road Management Committee be established; the Directors on it will be William and Rich, and the Committee is authorized to take action concerning road maintenance expenditures within their budget. **Motion carried unanimously.**

6.6 Website Committee

6.6.1 Possible new domain name for GLA website – AA
Discussion. **MOTION:** Alyssa motioned and Sheridan seconded that GLA purchase the domain name "GLAmontana.org." **Motion carried unanimously.**

6.7 Board Responsibilities – Tim Brockett, Landowner – Tabled.

7. **Comment Period for Visiting Landowners**
Landowner Tim Brockett commented on collections and confidentiality procedures.

8. **Adjournment – 10:48 pm**

9. **Next Regular Board Meeting: March 12, 2012, at St. John's Church**

2012-02-13_BDGNAUX.pdf

Glastonbury Landowners Association, Inc.

Board of Directors - Meeting Agenda

February 13, 2012 – 8:00 pm

1. **Call to order**

2. **Set Agenda**

3. **Approve Meeting Minutes & Review Orientation Meeting Notes**
   August 8, September 12, October 17, November 7, December 12, 2011; January 9, 2012

4. **Officer and Committee Reports**
   - 4.1 President's Report
     - 4.1.1 Strategic Planning Meeting – RB (1 min)
   - 4.2 Treasurer's Reports
     - 4.2.1 Budget Variance, Check & Deposit – SS (2 min)
     - 4.2.2 E-mail vote on truck insurance – SS (1 min)
   - 4.3 Road and Weed Committee Report
     - 4.3.1 Dry Creek Road Damage from Johnson Mobile Home Removal – WS (2 min)
   - 4.4 Managerial Committee Report
     - 4.4.1 Review of recent accomplishments and tasks at-hand – AA (2 min)

5. **UNFINISHED BUSINESS**
   - 5.1 Collection policy and procedure – SS/RB/AA (5 min)
   - 5.2 30-day collection letter – RB (3 min)

6. **NEW BUSINESS**
   - 6.1 2012 resolution for Directors authorized to sign checks – RB (2 min)
   - 6.2 Proposal for single signature check-writing limit – RB (2 min)
   - 6.3 Project Review
     - 6.3.1 Lot 10-E (NG), Ross & Monique Brunson, manufactured home placement – AA (5 min)
   - 6.4 Managerial Committee
     - 6.4.1 Conference Phone Research – SM (3 min)
     - 6.4.2 Director Conflict of Interest Statement review and vote – AA/RB (2 min)
     - 6.4.3 Director Confidentiality Agreement review and vote – AA/RB (2 min)
     - 6.4.4 Proposed Landowner Agenda Item Request Form – AA (2 min)
     - 6.4.5 Committee Meeting Minutes template – AA (2 min)
   - 6.5 Road and Weed
     - 6.5.1 Proposed Road Management Committee – WS/AA (3 min)
   - 6.6 Website Committee
     - 6.6.1 Possible new domain name for GLA website – AA (2 min)
   - 6.7 Board Responsibilities – Tim Brockett, Landowner (10 min)

7. **Comment Period for Visiting Landowners**

8. **Adjournment**

9. **Next Regular Board Meeting: March 12, 2012 at St. John's Church**

Glastonbury Landowners Association, Inc.

Board of Directors - Regular Meeting Minutes *FINAL*

March 12, 2012 – 7:00 pm

Confidential – Do Not Copy

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:02 p.m. at St. John's Church and the opening prayer was said by Janet.
   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Sean Halling, Kenneth Haug, Scott McBride, Paul Ranttalo, Rich Spallone (aka Rich)
   ABSENT: William Smith
   ALSO ATTENDING: Sandra Irby (Administrative Contractor); Monty Lynch (Landowner); Tim Brockett (Landowner)

2. **Set Agenda**

3. **Approve Meeting Minutes**
   August 8, September 12, October 17, November 7, 2011; February 13, 2012
   MOTION: Gerald motioned and Scott seconded to approve the February 13, 2012, meeting minutes as amended. Motion carried. (2 abstentions: Rich and Gerald were not present Feb. 13.) The other minutes were tabled.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 Strategic Planning Meeting Report – RB
   The Board met informally twice since the February 13 regular meeting to brainstorm goals for 2012. GLA administrative needs and assessment policy were recognized as priorities.

   4.1.2 Status of Bank Instructions – JN
   February 13 action item report: Janet needed to wait for approval of the February 13 minutes before taking the motion that carried concerning check signing and the authorization limit for the GLA officers to the bank. She will now bring the document to the Bank of the Rockies, since the February 13 minutes were approved.

   4.1.3 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the February 2012 reports.
   Discussion. Funds not used for snow plowing are now being moved into reserves if not used at the end of the year to pay back other accounts from 2011's budget overage.
   MOTION: Scott motioned and Sean seconded to approve the February 13 Treasurer's reports. **Motion carried unanimously.**

   4.2 Road and Weed Committee Report
   4.2.1 Update on Dry Creek Road Damage – WS
   Alyssa obtained the name of the contractor who caused the damage to the road and provided this information to William. Sheridan reported for William that he has a call in to Ed Hillman, Park County Road Supervisor; he does not know anything more about the Dry Creek Road damage.

File: MtgMinutes Regular 03 12 12
Draft: 03 14 12; 03 20 12; 04 28 12
Final approval: 04 23 12

4.3 Managerial Committee Report

4.3.1 HOA Management Options – AA/LB

The Committee is still conducting research and will report in detail on association management options prior to the April 9 meeting if possible. Discussion of financial and other aspects.

4.3.2 Sharepoint Meetings – AA

On March 7, the Managerial Committee met with Kenneth to explore Sharepoint, a web-based file management system, and discuss the GLA needs.

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 Physical GLA Office/Storage Space – SS/RB

Sheridan reported that the rent on the office space next to Wildflour Bakery is $400/mo., which is too high for the GLA's budget. And, since St. John's Church in Emigrant is not interested in renting storage space to the GLA, no conclusion was reached.

5.1.2 Clarification of 2012 Officer Descriptions – RB

Discussion. The Board reviewed the officer descriptions given in the Bylaws.
MOTION: Sheridan moved and Laura seconded to approve that any additional duties for GLA elected officers beyond those stated in the Bylaws will be authorized by the Board for each year or from time to time. **Motion carried unanimously.**

5.1.3 Proposed Assessment/Collections Policy – SS

Sheridan read the entire policy draft aloud. Extensive discussion of various concerns and proposed changes.
MOTION: Sheridan motioned and Laura seconded to approve that, as per Covenant 11.06, the GLA will assess the 5% penalty and 1.5% monthly interest within one week of an account becoming over 30 days delinquent. Landowners will be informed of this policy ahead of time, and this policy will go into effect in January 2013. **Motion carried unanimously.**
MOTION: Sheridan motioned and Sean seconded to approve the following provision of the draft assessment policy: Follow a timeline that will move delinquent accounts through the lien process and onto the collection process if the landowner doesn't respond to the warning letters. 1) A 30-day Lien Warning letter is mailed within the first two weeks of February to accounts with outstanding balances from the previous year's assessments. After 20 days with no response, a 10-day Lien Warning Letter will be sent. 2) A lien will be filed within one week after an account has failed to respond to the 30-day Lien Warning letter. 3) A 30-day Collection Warning letter will be mailed within one week of a lien being filed. 4) The collection process begins one week after the 30-day period has passed with no response to the Collection Warning letter.
Discussion. **Motion carried unanimously.**

MOTION (to clarify the motion of 2-13-12): Sheridan motioned & Scott seconded to approve that: The Treasurer may negotiate a payment plan with a landowner who is not a lien account. The terms of an acceptable payment plan will be such that: a) the current year's assessment will be paid in full by Dec. 31st. b) The past due amount must be paid in full within two years of signing the payment plan. c) The payments are made in equal monthly amounts. If a payment is missed a lien will be filed without notice 21 days after the missed payment per the payment plan agreement, and the 30-day Collection Warning letter will follow as outlined in the Assessment Policy. If a landowner with a lien account wants to propose a payment plan, his/her request will be presented directly to the Board for deliberation. **Motion carried unanimously**.

ACTION ITEM: ***Sheridan*** – Bring situations where the GLA did not follow through with provisions of past signed payment plan agreements to the Board to determine the next steps on an individual basis.

ACTION ITEM: ***Sheridan, Alyssa, Charlene, Sandra*** – Create a revised Payment Plan Form for review by the Board.

ACTION ITEM: ***Sheridan, Alyssa*** – The GLA Assessment/Collections Policy draft will be edited as amended above for specific provisions, given a final review in committee and proposed in its entirety at the April 9 Board meeting.

ACTION ITEM: ***Alyssa, Sheridan*** – Draft content for the April newsletter outlining the Assessment Policy which goes into effect in January 2013 and will assesses fees as per Covenant 11.06 rather than waiting until each following calendar year as has been done since 1998. Send this notice in every statement mailing in 2012, (April, July and Oct.) and discuss at the annual meeting in November.

5.1.4 GLA Goals for 2012 – RB

Richard would like to have the Board develop its mission & vision at some point. He asked directors to work outside of the monthly meetings on prioritizing goals. The Managerial Committee and Treasurer have already commenced work on some of their priorities.

ACTION ITEM: ***All Directors*** – Work individually or together to share ideas on prioritizing GLA goals for 2012 and report at the next monthly meeting.

5.1.5 GLA Truck Insurance Change – SS

The Board confirmed the e-mail vote on changing truck insurance to pay approximately half what insurance has cost in the past.

MOTION: Sheridan motioned and Sean seconded to approve that the GLA move their truck insurance from Progressive to Liberty Northwest. **Motion carried unanimously.**

6. NEW BUSINESS

6.1 Web Committee

6.1.1 Sharepoint for GLA Document Management and Website – AA/KH

Kenneth gave a Sharepoint demonstration to the Board. Discussion of capabilities and GLA needs. Sharepoint provides a secure and convenient way for Directors to access necessary documents at all times, without requiring administrative

personnel to search for information and retrieve documents, thereby saving time and money. This is an opportune time since Kenneth will be creating the initial structure and site at no cost to the GLA during his term as a Director.
MOTION: Kenneth motioned and Alyssa seconded to approve subscribing to Apps4Rent.com's Sharepoint Silver Plan @ $8.95/month with 500 MB storage space, and, if necessary, upgrading to the Gold Plan @ $24.95/month with 3 GB storage; and transferring domain ownership of GLAOffice.org to GLA. **Motion carried unanimously.**

6.2 Managerial Committee

6.2.1 Director Meeting Attendance & Handouts – AA

Alyssa asked the Board members to let the Minutes-Taker know ahead of time if they will not be at the meeting so that extra copies of meeting materials are not made unnecessarily and wasted.

6.3 Board Responsibilities – Tim Brockett, Landowner

Tim presented his ideas concerning Board responsibilities, volunteer committees, and landowner involvement.

7. Comment Period for Visiting Landowners

Monty Lynch introduced himself as a relatively new Glastonbury landowner and asked a few questions about the community.

8. Adjournment – 10:07 pm

9. Next Regular Board Meeting: April 9, 2012, at St. John's Church

GLA Administrative Services
Goal to establish GLA Office and issues to consider
February 23, 2012

Timely Goal: Establish GLA Office

The idea of a GLA office is not just a place for physical things. It is a concept of how services are offered to landowners and the board. This is a timely, and important issue because the board members who have been dealing with this have had an overwhelming burden; they need the support of the entire board. See the attached summary to become familiar with the type of activities required for basic GLA administration; it is not complete, but you'll get a sense of it.

Challenge to the GLA Board:

- Get clear on the services GLA administration requires
- Assess available funding from all areas of the budget
- Research and review options
- Make a decision by the April regular meeting

Decide what GLA needs: Explore the concept of an ideal GLA office and be prepared to discuss Monday, February 27.

Some questions to consider:

1. What do Landowners want from the GLA?
2. What services are necessary for GLA administration?
3. What level of authority is GLA comfortable giving to whoever provides those services?

   (Issue: is the person authorized to be proactively self-directed or is the work performed according to approved GLA processes with written material provided or directed by the Board? Or something in between? How much will the chosen option cost? Example: composes a letter & gets approval to send; receives draft from director and does only light editing; receives letter from director, substantially rewrites according to GLA standards, and gets approval to send; or just sends the letter received from a director.)
4. What money is already being spent for admin services from contractors and Board members?
5. How can the required admin services be streamlined, and thus less expensive?
6. Can any activities be dropped?

GLA Administration Summary

February 23, 2012

(includes general project review, bookkeeping, and admin activities)

General Admin Functions

- Communication center: receive phone calls, e-mail, faxes and physical mail; copy and forward appropriately
- Maintain current Board member contact list, committee lists, meeting schedule
- Coordinating or acting upon legal matters under the direction of the board
- Process and mail correspondence using template letters or compose new ones
- Provide copies of forms, meeting schedule and other items for Landowners
- Coordinate and process all GLA mailings, both mass and individual, including newsletter
- Documentation of policies and procedures
- Maintain the necessary hard copy and electronic files
- Website: post Landowner & Board meeting schedule and other content as requested by Board & update as needed

Board Meetings (monthly & special)

- Coordinate the meeting agenda, notification, preparation and e-mailing of materials for review prior to meeting
- Set up and break down meeting room, provide handouts, attend meeting and take minutes
- Finalize minutes and keep accessible records of motions passed and new policies
- Track Board action items from meetings

Annual Meeting & Election

- Produce & mail notice and election materials
- Plan, organize and prepare for meeting site; oversee volunteer crew
- Provide Landowner attendees with handouts (annual financial reports, budgets, etc.)

Enforcement of Covenants

- Provide support to the Project Review Committee: track project reviews & status, and prepare materials for Board review; other duties as requested by the Board
- Process complaints: research, coordinate correspondence & track communications between Landowners and Board

Accounting Functions

- Bill & collect association assessments
- Send late notices for past due assessments
- File liens for non-payment of assessments
- Process & pay approved bills
- Maintain current database of property owners
- Provide escrow agent with account balances and charges relating to new ownership
- Maintain & reconcile GLA bank accounts
- Provide Board with monthly accounting statements including: budget comparison report, balance sheet, delinquent assessment report, activity statement, copies of paid bills

Total	$26,017	$25,650	$17,875	

GLA currently has 396 properties. One HOA management benchmark was $5 to $7 per property per month, although services can also be customized and bid. For 396 properties, that comes to between $23,670 and $33,264 annually, and will vary by services included in the bid.

HOA Benchmark for GLA: Elk Grove Community (http://www.elkgrovecommunity.org/)

West of Bozeman, MT – 300 properties, close to built out. Three elected board members; low participation, challenged by their own bylaws. HOA challenges are similar across the board. Their bylaws & covenants are available online to all site visitors. (2 more benchmarks can be forthcoming if Board desires.)

Luna Properties (http://www.lunaproperties.biz/hoa.htm) text from their website:

Are you a homeowner on the board of your HOA and find that you are spending way too much time dealing with the issues of your neighborhood? Let us run your HOA for you, so you don't have to. Take a look at our services listed below to get a better idea of what we can do for you and your HOA. References are available upon request.

Accounting Functions

- Bill & collect association assessments
- Send late notices for assessments that are past due
- File liens for non-payment of assessments and fines
- Process & pay bills
- Help draft yearly budget
- Maintain current database of property owners
- Provide escrow agent with account balances and charges relating to new ownership
- Maintain & reconcile bank accounts for the association
- Provide each board member with monthly accounting statements that would include the following:
    - Budget comparison report
    - Balance sheet
    - Delinquent assessment report
    - Activity statement
    - Copies of paid bills

Board Meetings

- Take meeting minutes; sort out motions, new policies & document
- Attend board meetings, provide data, copies of correspondence, etc.
- Answer questions pertaining to financial statements
- Advise and assist board to establish consistent Policies & Procedures
- Assist board with creating payment, collection & CC&R Enforcement Policy

Enforcement of Covenants, Conditions & Restrictions

- Track project reviews & status, do property inspections
- Perform regular inspections of the common areas & individual lots
- Send violation notices to property owners
- Provide board with copy of inspection report and violation notices
- Assist board in securing compliance of the violation
- Set up hearing with homeowner
- Refer Legal Counsel

Homeowner Meetings

- Print & mail residents notice of Homeowners meetings
- Attend Homeowners meetings
- Provide homeowners with annual financial reports and budgets
- Handles annual meeting/elections process

Miscellaneous

- Assist with maintenance, repairs & replacement of capital assets
- Mail Newsletters
- Welcome Packages for new homeowners

2012-04-23_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

April 23, 2012 – 7:00 pm

CONFIDENTIAL – DO NOT COPY

1. **Call to order**

The meeting was called to order by Richard Bolen at 7:03 p.m. at St. John's Church. This meeting inadvertently did not have an opening prayer.

PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Kenneth Haug, Scott McBride, Paul Ranttalo; William Smith arrived at 7:26 pm; Gerald Dubiel arrived at 7:37 pm

ABSENT: Rich Spallone (aka Rich), Sean Halling

ALSO ATTENDING: Sandra Irby (Administrative Contractor); Charlene Murphy, Val and Daniel O'Connell, Lucile and Ralph Yaney, Miriam Barker, Ian Scott (Landowners); Chris Kelley (Guest)

2. **Set Agenda**

3. **Approve Meeting Minutes**

August 8, September 12, October 17, November 7, 2011; March 12, 2012

Discussion of minor edits to the March 12, 2012, minutes.

MOTION: Sheridan motioned and Scott seconded to approve March 12, 2012, minutes as amended. **Motion carried**. Abstention: William was not present.

MOTION: Sheridan motioned and Alyssa seconded to approve the August 8, 2011, minutes. **Motion carried**. Abstentions: Scott, Laura and Ken were not present.

Discussion of minor edits to the September 12, 2011, minutes.

MOTION: Sheridan motioned and Paul seconded to approve the September 12, 2011, minutes as amended. **Motion carried.** Abstentions: Scott, William and Ken were not present.

Discussion of minor edits to the October 17, 2011, minutes.

MOTION: Alyssa motioned and Sheridan seconded to approve the October 17, 2011, minutes as amended. **Motion carried.** Abstentions: Scott, Ken and William were not present.

Discussion of minor edits to the November 7, 2011, minutes.

MOTION: William motioned and Alyssa seconded to approve the November 7, 2011, minutes as amended. **Motion carried**. Abstentions: Scott, Ken, Paul, Gerald were not present.

4. **Officer and Committee Reports**

4.1 Executive Committee Report

4.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS

Sheridan presented the March 2012 reports. Sheridan noted that Chris Williams and James Emmart are new GLA employees who do snow plowing and that the GLA is on track with the budget so far this year.

MOTION: Alyssa motioned and Janet seconded to approve the budget variance, check and deposit reports. **Motion carried unanimously**.

4.1.2 Payment Plan form – SS

Sheridan said the payment plan form has been completed, as well as the new collection letter. No April newsletter went out with the quarterly statement due to lack of time and resources, but it is in draft form.

4.1.3 Collection Letter draft – RB

Richard reported that the collection letter had been worked on, and was close to completion.

ACTION ITEM: ***Sheridan*** – Reconvene the Collection Committee to complete its work.

File: MtgMins 04 23 12
Draft: 05 01 12; 05 08 12; 05 09 12
Final approval: 05 14 12

4.2 Road and Weed Committee Report – WS

William reported that the Road and Weed Committee met on Friday, April 20. Rich, Sheridan, William and Paul attended. Discussion included taking down the snow fence along Dry Creek Road; selling the GLA's snow plow truck and put the funds toward the purchase of a single-axle DOT state-owned (Wyoming) snow plow truck; using magnesium chloride on Glastonbury roads, and the need to upgrade Jupiter Way to GLA road standards.

ACTION ITEM: ***William*** – Contact Walter Wunsch about taking down the snow fence.

4.3 Managerial Committee Report

4.3.1 Meeting with HOA Management Companies – AA/LB

Alyssa reported that on April 2 Sheridan, Laura, Alyssa, Richard, Janet, Gerald, Scott, Ken and Sandra met with two HOA management company representatives to explore options and services available.

4.3.2 Meeting with Kenneth re: Sharepoint design – AA/KH

On March 21, Alyssa, Laura, Scott and Sandra met to work on the GLA Sharepoint site plan; Ken participated in a portion by phone. A few days later Laura met with Ken to convey the page design and navigation concept, which Ken will use to begin the design of the GLA's Sharepoint site.

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 GLA Goals for 2012 – RB

Nothing to report at this time.

5.2 Managerial Committee

5.2.1 HOA Management – AA/LB

Discussion. Charlene Murphy reported on the current status of the 2012 GLA budget and the feasibility of doing a six-month trial period of HOA management, beginning June 1, with Minnick Management. She projected the 2013 GLA budget and said that it appears doable, since the projected cost is comparable to past GLA administrative cost. Alyssa reported on Minnick Management's references, who are directors on association boards, including Baxter Springs Condominiums OA and West Winds HOA, which has over 400 units, both in Bozeman. The general comments indicated that they are excellent to work with and are highly recommended. Minnick manages over 40 associations and has decades of experience. An HOA management research and evaluation summary was presented which listed all avenues explored, including the option of hiring an administrative employee. It became obvious that Minnick Management had more to offer the GLA than the closest competitor, Luna Properties. Alyssa noted that there is a 60-day opt-out provision in the contract.

MOTION: Alyssa motioned and Gerald seconded that the GLA enter into a preliminary contract with Minnick Management for a six-month trial, with transition details to be worked out with the President and Managerial Committee; such contract will be within the general framework of what has already been proposed by Minnick Management. **Motion carried unanimously.**

File: MtgMins 04 23 12
Draft: 05 01 12; 05 08 12; 05 09 12
Final approval: 05 14 12

5.3 Project Review

5.3.1 Parcels 90 & 91 (SG)/Erickson Preliminary Approval fulfillment of conditions – AA

Discussion, much of it regarding potential commercial use of the property. Richard thought Susan Swimley should be more specific in the wording used in the restrictions that the Ericksons would be placing on their property.

ACTION ITEM: ***Alyssa*** – Contact Susan Swimley to work out more specific wording.

6. NEW BUSINESS

6.1 Project Review Committee – AA/RS

6.1.1 Lot 35-C (NG) - Alice Marie and Jim Phipps - Garage – AA

Alyssa presented the project and Gerald confirmed that the necessary setbacks would be met. Discussion.

MOTION: Alyssa motioned and Ken seconded that the Phipps proposed garage be approved with the conditions that disturbed land be re-seeded and that the electrical permit be obtained if applicable. **Motion carried.** Abstention: Paul, who is involved with the project.

6.1.2 Parcel 71 (SG) - Walter and Regina Wunsch - Addition – AA

Alyssa and William presented the project. Discussion.

MOTION: Alyssa motioned and Scott seconded that the proposed SPECTEC addition be approved with the conditions that disturbed land be reseeded and the necessary electrical permits be obtained. **Motion carried.** Abstention: William, who is involved with the project.

6.1.3 Parcel 61 (SG) - Scott and Valerie McBride - Greenhouse – AA

Scott presented the project, and Gerald confirmed that the necessary setbacks would be met. Discussion.

MOTION: Alyssa motioned and Sheridan seconded that the McBride proposed greenhouse be approved with the condition that disturbed land be re-seeded. **Motion carried.** Abstentions: Paul, who is involved in the project; Scott, owner of the property.

Discussion. It was noted that the fee for small projects may be too high.

ACTION ITEM: ***Project Review Committee*** – Rework fee schedule for small projects and present to the Board.

6.1.4 Lot 38-B (NG) - Ralph and Lucile Yaney - Factory-built home – AA

Lucile Yaney and Alyssa presented the Yaney's proposed project that would require a variance from the height limitation of 30 feet as described in the Master Plan. The Yaneys explained that the roof design required one section of the home to have a height of 32 feet, 8 inches. Alyssa noted that the Board needs neighborhood input concerning the variance. Richard said that, since aesthetics is the issue, the Yaney's illustration needs to be accurate for the neighbors to see. William suggested the Yaneys provide drawings that show how the building will appear from different vantage points based on the topography of the surrounding area.

MOTION: Laura motioned and Scott seconded to proceed with the variance process. **Motion carried.** Abstention: Gerald, who is involved with the project.

ACTION ITEM: ***Alyssa*** – Begin the variance process by working with the Yaneys to compile the necessary materials for neighborhood review.

6.2 Community Committee

6.2.1 Chris Kelley/Ian Scott Proposal to Keep Horses on GLA Land – Chris Kelley, GAV Resident

Chris presented the proposal that he and Ian Scott be allowed to keep two horses on 14 acres of GLA land at the bottom of Sirius Drive next to Story Road and bordering the Murphy Ranch. They offered to pay for the fencing and asked to apply the fencing cost to a proposed GLA rental fee. The Board discussed the GLA covenant concerning use of common land and insurance liability issues. Richard read from the GLA Covenant 3.04 that the common land is a "non-exclusive easement" for all landowners, but it was pointed out that the land in question was not originally designated as Glastonbury common land. Chris will call Alyssa if he wants to pursue the project further.

6.3 Road Committee – WS *(added to agenda)*

6.3.1 Crack Sealing Proposal

William presented a proposal to seal cracks in the North Glastonbury paved road. Janet brought up that the Board had agreed in the past to get at least 2 or 3 bids before making decisions. Discussion.

6.3.2 Magnesium Chloride Proposal

William explained the benefits and method of improving the roads with magnesium chloride and presented a cost estimate and proposal to begin using it on Glastonbury roads. The comparison cost was from two years ago. Discussion.
ACTION ITEM: ***William*** – Get additional current bids for both proposals before requesting a Board vote.

7. Comment Period for Visiting Landowners

Daniel and Val O'Connell commented on various agenda items.

8. Adjournment – 11:24 pm

9. Next Regular Board Meeting: May 14, 2012, at St. John's Church

MEMO

To: The GLA Board
From: Charlene Murphy
Date: April 23, 2012

Re: Minnick Management Company
Projected 6-Month Expense for Minnick Management Company
$1871.50/mo x 6 (May-Nov) = $11,229

The figures below are based on the March 2012 Budget Variance Report. At this point, the GLA is $3,467.90 over budget for legal fees, and we will no doubt spend more. The Board will need to determine how this will be paid from GLA's budget. We could potentially pay Minnick Management Company from the following money in our budget:

C00-2 Gen Sub Contractor	3,489
C00 Community Complaints	2,845
D03F Cement Pad for soccer area	1,450
G00 Liens	981 *(left over thus far for 2012 budget; some will be used by Denise for work in recent months that is not yet billed)*
K01 Admin Secy	5,830 *(Denise will use a portion of this)*
K02 Bookkeeping	2,415 *(I will use about 400 in April)*
K08 Board Meetings	1,325 *(Sandra will use some of this)*
K20 Motions Database	1,000
General Operations $ in Savings Acct	7,245 *(this could be used)*
Total	**$26,580**

Some things to consider if we hire Minnick:

- 6 months = June though November. If we also hire them for December, that will be $1,871.50 more.
- A trial of 6 months would give the company the task of completing two statement mailings, two election mailings plus processing incoming nominations and ballots, preparation for and management of most aspects of the Annual Meeting/Elections, and assisting in preparation for the Board Orientation Meeting. After 6 months, the Board could evaluate Minnick's performance and Minnick could determine if they wish to continue GLA work.
- The election mailings and incoming ballots will be happening right in the middle of the 6-month trial period. It will be challenging logistically if we have to transfer all of this timely mail to Bozeman. Do we change the PO Box to the new address during the trial period?
- Decide whether or not to change the bank account for this trial period.
- The annual budget will need to be finalized prior to the end of the trial period. (Our Covenants require us to present our projected next year budget during the Annual Meeting/Elections in November.) How is this dealt with? Do we create 2 possible budgets, one with HOA management, one without?
- The Board would need to vote to transfer the $7,245 from GLA savings and to spend $11,229 for a 6-month trial.

Proposal to keep horses on GLA land below the guard rail

For the board meeting scheduled April 17, 2012

Dear board members of the Glastonbury Landowners Association,

Please consider allowing Chris Kelley and Ian Scott, both residents in good standing of North Glastonbury, to keep two horses on the 14-acre parcel of land at the bottom of Sirius Drive.

This is the parcel of land that falls steeply away from the guard rail to the West, descends into wetlands and heavy brush next to Story Road to the East, borders Murphy's horse pasture to the North, and comes to a point at the hairpin turn to the South. (See the attached map.)

There is a large corrugated steel structure near the South entrance of the property which is used to store materials for road maintenance. This proposal would not interfere with that structure or any existing use of the property. And Chris and Ian will ensure the horses stay out of that structure.

Chris and Ian plan to trailer their horses to nearby public lands to ride on their free time. They also both have teenaged children who are too young to drive a motor vehicle but would love to ride their bikes down the hill to visit, feed and groom the animals throughout the summer months. This will create a magical opportunity for these kids who have long dreamed of caring for a horse they can call their own.

Chris and Ian will incur the costs to fence and gate the property in order to keep the horses from getting out. They will also sign any documents needed to waive the GLA of all liability for the health and welfare of themselves, their families, guests and horses.

While this property seems to have limited uses because of its extreme features (a near cliff on one side descending into a swamp on the other) it would be a perfect home for a couple of horses. The animals can water in the wetlands, graze the abundant grass in the bottomlands, roam the hillside, and shelter in the heavy underbrush.

Thanks so much for your time and consideration and we hope our proposal is acceptable.

###

To Glaston bury Rd.
Proposed fence:
wet lands and heavy brush:
Gate
Existing Fence on Murphy's land
TO STORY RANCH
TO BANK, POST OFFICE, General store

GLA 03040

April 23, 2012 – HOA Management Research & Evaluation Summary
By Irby Enterprises USA, LLC

HOA management options explored:

1) Michelle Becker, Coldwell Banker Maverick Realty: handles property management for Bank of the Rockies; not to be a good fit for her right now, especially because of the GLA's monthly meeting schedule.
2) Above & Beyond, Bozeman: does not serve Paradise Valley.
3) Luna Properties, Bozeman: willing to serve GLA from Bozeman, but not willing to handle certain admin details such as landowner phone calls, without GLA contracting for full services.
4) Minnick Management, Bozeman: willing to serve GLA from Bozeman, doing as much virtually as possible. The 2 reasons he's willing to try a new area: 1) GLA is moving towards a virtual (i.e., ONLINE) office; 2) GLA is very specific and detailed about what is and is not included in their contract.
5) Mark Pesa, Livingston: referred by Above & Beyond; not good references
6) Ashley Kayser, Livingston: referred by Above & Beyond; doesn't do HOA management.
7) Marjorie Lombard, Pegasus: declined to bid – it would take her business in an entirely new direction and she does not currently have the resources; if Pegasus continues bookkeeping, they will raise their rate to a min of $20/hr, and be under contract.
8) Livingston Job Service consult about employee position with Skip Shiver: While he cannot advise on whether or not the GLA should hire an employee, he did offer the following suggestions.

When hiring an employee, consider carefully the added responsibilities GLA would have:

- Responsibility to provide a "safe & healthy workplace" even if in someone's home;
- Lack of security having GLA physical records in someone's home;
- Necessity to maintain awareness of changing HR law & requirements (eg. discrimination; for wrongful discharge, currently no limit on punitive damages);
- Cost and time investment for training, and ongoing nature of the need;
- Difficulty for a volunteer director to ascertain the quality of work, or even exactly what is being done and how;
- Likelihood of finding a part-time employee with appropriate skills who would proactively make GLA needs a priority;
- The employee's availability and reliability as the only person who performs all these duties without burn-out (illness, personal commitments, finding something better, etc.)

Also consider carefully the additional expenses GLA would have:

- The appropriate skill level & experience may command up to $25/hr.+30% payroll taxes;
    - @$25/hr for 20 hrs/wk = $26,000/yr., plus ~$7,800 in payroll taxes = $33,800/yr;
    - @$20/hr, it comes to $27,040/yr.
- GLA's admin job is not overtime exempt if duties go over 40 hrs/wk at any time;

- Requirement for vehicle insurance & reimbursement of expenses for travel & mileage commuting to onsite meetings or running GLA errands;
- Without benefit package, it may be difficult to attract & keep a quality employee

The following are my thoughts about what outsourcing gives the GLA:

- Access to the professional expertise of a business with years of experience managing various administrative and legal aspects of property owner associations. (Susan Swimley gave Minnick a good reference.)
- Access to a variety of skill sets from a business with 8-9 (?) employees, and keeps GLA from being vulnerable to 1 person suddenly not being available.
- Reasonable availability during normal business hours.
- Opportunity to set the level of services that GLA needs and can budget for.
- Business location for GLA files.
- GLA Board retains the right to make decisions on how business is handled.
- Board of Directors has a solid base of operations with continuity into the future.

Board of Directors Meeting Minutes - *Final*

May 14, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:14 pm at St. John's Church. Janet gave the opening prayer.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Ken Haug, Paul Ranttalo, Laura Boise (Vice President) arrived at 7:26 pm.
   ABSENT: Sean Halling, Scott McBride, Rich Spallone (aka Rich), William Smith
   ALSO ATTENDING: Sandra Irby (Administrative Contractor), Nathan Minnick, James Ruddy (both from Minnick Management); Dan and Val O'Connell, Landowners

2. **Introduction of Minnick Management**
   Nathan Minnick, James Ruddy and the directors introduced themselves.

3. **Set Agenda**

4. **Approve April 23, 2012 Meeting Minutes**
   MOTION: Sheridan motioned and Alyssa seconded to approve the April 23, 2012, meeting minutes. **Motion carried unanimously.**

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   The Board reviewed the Treasurer's Reports. **MOTION:** Janet motioned and Ken seconded to approve the April 2012 Treasurer's reports. **Motion carried unanimously.**
   5.1.2 President's Letter – RB
   Alyssa reported that the e-mail vote to approve the May 9, 2012 president's letter was unanimous.

   5.2 Road and Weed Committee Report – WS/RS – Tabled.

   5.3 Collection Committee Report – SS/RB
   Richard reported that the collection warning letter will be going out to the appropriate delinquent accounts.

   5.4 Managerial Committee Report – AA/LB
   Alyssa reported that someone put out a community telephone tree through Maydell Goulart, with the contact name of Sylvia, saying that the GLA was providing refreshments at a political forum. A telephone tree had to be sent out from the GLA to correct the error, saying that the GLA is not associated with any political or religious organizations and is not involved with the event.

   5.5 Website Committee Report – KH/AA
   Ken said that he gave Alyssa, Scott and Sandra Sharepoint usernames and passwords, and he will be sending these to the rest of the directors later this week. Directors can attend one of two meeting dates for training at Ken's home which should take about 30 minutes: Monday, May 21, or Thursday, May 24, at 7:00 pm. The Web Committee will meet this Thursday, May 17, to go over the page design and navigation. The GLA's online storage capacity is now 1 GB.
   ACTION ITEM: Ken will e-mail directions to his home at 18 Liberty Lane, North Glastonbury, for those attending the Sharepoint training meetings.

File: MtgMins 05 14 12
Drafts: 05 16 12; 05 24 12
Final Approval: 06 18 12

6. UNFINISHED BUSINESS

6.1 Project Review – AA/RS

6.1.1 Lot 38-B (NG) - Yaney - Factory-built home variance – AA

Alyssa reported that there have been no new developments on the project.

6.1.2 Parcels 90 & 91 (SG) - Erickson Preliminary Approval fulfillment of conditions – AA

The Board reviewed documents prepared by Susan Swimley for meeting the requirements of the conditional preliminary approval. There was concern about possible future commercial uses of the property and previous input from landowners. The wording of the Use and Development Agreement, paragraph six, was edited from the third sentence to read as follows: "*In granting the variances and project approvals, the commercial uses of the property such as for a bed and breakfast or commercial lodging facility are prohibited.* [remainder of sentence deleted] *Should the property owner(s) wish to seek removal of this prohibition, the requested change must be approved by the Board.*" The rest of the paragraph remains the same.

MOTION: Alyssa motioned and Sheridan seconded,

Whereas Article 6 Section B2 of the GLA Bylaws states that the Board has the power and duty to enter into contracts and agreements, and that conditions a, b, and c of this section which require member approval of such contracts are not all present in the conjunctive and therefore do not apply;

Whereas the Board acknowledges that the Ericksons have met the criteria of the conditional, preliminary approval granted July 14, 2011, by way of the following agreements: Acknowledgment of Road Policy, the amended Use and Development Agreement, the Declaration of Building and Transfer Restrictions Easement, and the Road Maintenance Agreement;

Be it resolved that the Ericksons residential construction project on Parcel 91, South Glastonbury, is approved with the following conditions:
1. Reseed disturbed land; and
2. Obtain necessary electrical, plumbing and septic permits.

Motion carried unanimously.

6.2 Road Management Committee – WS/RS

6.2.1 Jupiter Lane Improvements

Alyssa gave background on Sheridan's subdivision project, which the GLA approved in 2006. Jupiter Way, a Tier 3 road, has not yet been brought up to the new Park County standards. William, Chair of the Road Committee, recommends upgrading the road to fulfill GLA's responsibility to provide access. Alyssa researched with William what other Tier 3 roads exist that are not up to Park County standards; there are no others in North or South Glastonbury. Laura questioned the cost and said that the GLA budgeted only for the Jupiter Way apron off Capricorn. There is a need to check the budget for the funds before proceeding. It was also brought up that there had been only one bid on the road work. Discussion.

ACTION ITEM: ***William*** – Get 2 bids on the Jupiter Way road work to present to the Board for review.

File: MtgMins 05 14 12
Drafts: 05 16 12; 05 24 12
Final Approval: 06 18 12

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Parcel 78 (SG) – Arthur and Candace Wittich Residence – AA

Alyssa presented the project. Discussion included that the Wittichs are not requesting any variances, the required setbacks are met, their application is complete and the GLA fees have been paid.

MOTION: Alyssa motioned and Sheridan seconded that the project be approved with the requirement that disturbed land be reseeded and the necessary electrical and plumbing permits be obtained. **Motion carried unanimously.**

7.2 Road Management Committee – WS/RS

7.2.1 Magnesium Chloride proposal – WS – Tabled.

7.3 Community Committee

7.3.1 Update on proposal for horses on GLA land – AA

Alyssa reported that Chris Kelley and Ian Scott are putting their project proposal on hold for now.

8. Comment Period for Visiting Landowners

Valery O'Connell made comments about various matters and asked a number of questions. Richard said no answers would be given to them at the meeting since they were involved in litigation. Daniel O'Connell also commented on various topics.

9. Adjournment – 8:56 pm

10. Next Board Meeting: June 11, 2012, at St. John's Church

File: MtgMins 05 14 12
Drafts: 05 16 12; 05 24 12
Final Approval: 06 18 12

Board of Directors Meeting Minutes - *Final*

June 18, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to order**
   The meeting was called to order by Richard Bolen at 7:06 p.m. at St. John's Church. William Smith gave the opening prayer.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Sean Halling, Paul Ranttalo, William Smith, Rich Spallone (aka Rich).
   ABSENT: Scott McBride, Laura Boise (Vice President), Ken Haug
   ALSO ATTENDING: Nathan Minnick and James Ruddy (Minnick Management), Landowners: Charlene Murphy, Timothy Murphy, Ron Wartman, Kristi Sones, Bob Sones, Tom Barry, Darryl Windorski, Tim Brockett, Jeanne Campbell (Ombudsman), James Kozlik, Val O'Connell (arrived at 9:00 p.m.).
   Neighbor: Danilie Howe.

2. **Introduction of Minnick Management**
   Richard Bolen introduced James Ruddy and Nathan Minnick, describing that a 6-month trial period has begun in June with Minnick Management who will be handling administrative duties for the GLA.

3. **Board Meeting Conduct Policy**
   Janet Naclerio read the Board Meeting Conduct Policy.

4. **Set Agenda**

5. **Approve Meeting Minutes**
   Sheridan motioned and Gerald seconded to approve the May 14, 2012, meeting minutes. **Motion carried unanimously**. Abstentions: William, Rich and Sean who were not present May 14.

6. **Officer and Committee Reports**
   6.1 Executive Committee Report
   6.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the May 2012 Treasurer's Reports. **MOTION:** Alyssa motioned and William seconded to approve the May 2012 Treasurer's reports. **Motion carried unanimously.**

   6.2 Managerial Committee Report – AA/LB
   Alyssa reported the committee's progress on transitioning administrative duties to Minnick Management and how items such as voice mail, post mail, communications, bookkeeping and payment processing, and other communications are handled. Alyssa also discussed the major task of organizing and then electronically indexing GLA records. It has been determined that working with Sandra Irby is the most beneficial option to handle this process.

   6.3 Project Review Committee Report – AA/RB
   Alyssa has been performing the administrative duties for project reviews (under a matter of necessity) and discussed how the basic administrative duties involved in processing applications is now being passed onto Minnick Management. For variances or other projects that require extra time it was determined that a modification of the Management Contract to allow Minnick Management to be paid for this additional level of work if needed. **MOTION:** Alyssa motioned and Sheridan seconded that project reviews

requiring an administration of variances or unusual circumstances will be billed by Minnick Management to the GLA at the rate of $20/hour. **Motion carried unanimously.**

6.4 Road and Weed Mgmt Committee Report – WS/RS
William reported that missing signs in SG on Arcturus and Virgo Way have been ordered. 2 to 3 gradings of Hercules have been competed at the expense of the Ericksons, not the GLA.

6.5 Website Committee Report – KH/AA
Alyssa reported the continued work by Kenneth Haug to prepare the GLA's SharePoint service. Alyssa discussed her review and findings to propose a cost effective solution to bring the GLA website current through Rudy Parker as well as hosting through Dream Host. **MOTION:** Alyssa motioned and William seconded to approve having the GLA-MT.org website hosted on Dream Host for $5/month and have Rudy Parker make the basic changes so that the website can be brought current until the GLA no longer needs the site. Rudy is to be paid the customary amount of $20/hour. **Motion carried unanimously.**

7. UNFINISHED BUSINESS

7.1 Project Review – AA/RS

7.1.1 Lot 38-B (NG) - Yaney – Revised Factory-built home – AA
Alyssa reported that the Yaneys have decided not to pursue a variance and have elected to redesign to meet the 30-foot building height restriction. Existing mobile home dwelling of less than 1200 sq/ft on site will remain and be for occasional guest use only. William mentioned that the property would need to meet DEQ sanitation standards and that a note should be given on approval regarding the DEQ approved COSA restrictions to the Yaneys. It is not within the GLA's authority to determine DEQ qualifications.

Alyssa motioned and Sean seconded that the residence application for Ralph and Lucile Yaney, Lot 38-B NG, be approved with the following conditions: 1) electrical and plumbing permits be acquired, and septic if necessary; 2) disturbed land be reseeded; 3) the existing trailer home on the site be designated as occasional guest use only in accordance with the Land Use Master Plan. A note will be added to advise the Yaneys of the DEQ COSA restrictions to a single family residence dated November 1998. **Motion carried unanimously.** Abstentions: Gerald.

7.1.2 Dwelling Assessment – Covenant 11.03 – AA
Alyssa brought discussion on how Covenant 11.03 requires that each dwelling unit be assessed, and this is currently being applied to lots with 2nd residences, but not to guesthouses. Discussion on whether or not guesthouses should potentially be assessed in some fashion based not on the usages of a dwelling but on the existence of a dwelling as stated in the covenants.
ACTION ITEM: ***Alyssa/William*** – Determine if Land Use Master Plan review is due.

7.2 Road & Weed Mgmt Committee – WS/RS

7.2.1 Jupiter Way Improvements – WS
William reported on the status of the required upgrade to County standards of Jupiter Way and approach to Capricorn Drive. Richard noted that Sheridan's

discussion in this matter would only be as landowner and not in a board capacity. In order to be sure of competitive pricing and to ensure equal opportunity amongst contractors William requested bids from three contractors. Two estimates were received and one respectfully declined to bid. Mike Adkins Construction bid $11,100 (Jupiter Way Road Work) & $1,500 (Jupiter Way Intersection Landing). Bainter Construction bid $21,742 (Jupiter Way Road Work) & $735 (Jupiter Way Intersection Landing). Discussion continued as to the GLA's responsibility to upgrade to County standards and, based on precedent with Tim Brockett, the potential to share costs of the project based on Sheridan's contract with Mike Adkins to have the work done at a lesser cost. Further discussion on how Mike Adkins' "bid" was nearly twice as high as his preferential customer price. Nathan pointed out that most of the associations he manages have found they get a better price when they stick with a contractor who has established a good track record of quality service at a good price, and is not asked to draw up bids on a continual basis. **MOTION:** Alyssa motioned and Janet seconded that the GLA will reimburse Sheridan 50% of the cost of the Jupiter Way improvements based on the quote from Mike Adkins of $5,900 and the apron work will be paid for by the GLA out of the NG chip seal funds as previously established. **Motion carried unanimously**. Abstentions: Gerald and Sheridan.

7.2.2 Crack Sealing for NG Asphalt – WS

Report from William regarding obtaining estimates for crack sealing asphalt in NG. Determination by committee that Paul's original bid of $14,500 is the best value. William recommended that Paul's bid of $14,500 be accepted for the crack sealing project of NG. Charlene Murphy, bookkeeper, reported that the budgeted funds are available for this project. **MOTION**: by William seconded by Sheridan that we accept Paul's bid to crack seal NG paved roads and use NG chip seal funds to pay. **Motion carried unanimously**. Abstentions: Paul.

8. NEW BUSINESS

8.1 Minnick Management – Details for working together – AA/NM

8.1.1 Nathan discussed the need to designate a GLA Director as main contact for Minnick Management to ensure efficient communication. Discussion on the process of bill payment/approval and the Treasurer's continued role of approval of payments. **MOTION:** Sheridan motioned and Gerald seconded to designate Alyssa to be the designated director to Minnick Management. **Motion carried unanimously.**

Discussion on more workflow items and how the board and management will work together. Nathan recommended the establishment of a petty cash fund to be held by Treasurer for incidentals. **MOTION:** Alyssa motioned and William seconded that the GLA establish a petty cash fund of $200 to be in the possession of the Treasurer. **Motion carried unanimously.**

8.2 Debit Card Usage Limit Adjustments – SS

Discussion. **MOTION:** Sheridan motioned and Sean seconded $0 for ATM use, $500 for point-of-sale use, and $500 for online use with the provision that if a larger amount is needed, the authorized signers on the bank account, (i.e. President, Vice President, Treasurer, Secretary) may request a temporary limit increase from the bank. **Motion carried unanimously.**

8.3 Credit/Debit card processing via Minnick Mgmt – NM

Nathan reported that Minnick Management has the ability to accept credit card payments and asked the board if they would like this option. Nathan suggested that the board take into consideration the 3.25% processing fee and recommended potential conditions for accepting payments. **MOTION**: Sheridan motioned and Janet seconded to authorize Minnick Management to accept debit/cc payments in situations of arrears where there is a 12-month delinquency or a lien on a property. **Motion carried unanimously.**

8.4 July Newsletter content – AA
Alyssa noted newsletter items to include: 1) announce the 6-month trial period of Minnick Management and provide contact info; 2) 2013 GLA collection of assessments either one payment by the end of January or quarterly payments; 3) Lawsuit update.

8.5 Letter from Darryl Windorski – RB
Acknowledgement of Darryl's questions and concerns based on his interpretation of how the board and budget work as well as discussion with Darryl of general GLA operations.

9. Comment Period for Visiting Landowners
Tim Brockett spoke on how the board is elected by the landowners to be in charge of operations and this process is concurrent with the GLA's governing documents. Tim also spoke of how the landowners took away the power they loaned to one of the O'Connells by removing Daniel O'Connell from the board. He is concerned that the O'Connell's intent in suing the association is to gain control and take away the power loaned to the board from the landowners.

Valery O'Connell made comments about various matters.

10. Adjournment - 10:35 p.m.

11. Next Board Meeting: July 9, 2012, at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

July 9, 2012 – 7:00 pm

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:04 p.m. at St. John's Church. Janet Naclerio gave the opening prayer.
   PRESENT: Richard Bolen (President) aka Richard, Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Sean Halling, Paul Ranttalo, William Smith, Rich Spallone (aka Rich), Laura Boise (Vice President) arrived at 7:30.
   ABSENT: Scott McBride, Ken Haug
   ALSO ATTENDING: Nathan Minnick and James Ruddy (Minnick Management), Landowners: Timothy Murphy, Jeff and Jerry Ladewig, Daniel and Valery O'Connell.

2. **Introduction of Minnick Management**
   Richard Bolen introduced James Ruddy and Nathan Minnick with Minnick Management, Inc.

3. **Board Meeting Policies**
   3.1 Board Meeting Conduct Policy – read by Janet
   3.2 Length of Meeting Time
   Richard noted that meetings will adjourn at 9:00 p.m. and rescheduling may happen in order to accommodate agenda items not covered within the meeting time frame.
   3.3 Protocol for Acceptance of Agenda Items
   Alyssa discussed updating of agenda item submission forms with current contact information for Minnick Management, and how it would be beneficial for issues to first be handled through the appropriate committee for review prior to being placed on the agenda. Richard noted that this progression would help meetings run more efficiently.
   Action item: ***Alyssa*** – Proposal for agenda item procedures to be presented at the next meeting.

4. **Set Agenda**

5. **Approve Meeting Minutes**
   Sheridan motioned and Gerald seconded to approve the June 18, 2012, meeting minutes. **Motion carried unanimously**. Abstentions: Laura who was not present June 18.

6. **Officer and Committee Reports**
   6.1 Executive Committee Report
   6.1.1 Treasurer's Reports: Budget Variance, Check & Deposit - SS
   Sheridan presented the June 2012 Treasurer's Reports. Rich noted the Ericksons paid for additional road maintenance on Hercules Drive. Richard asked for clarification of how checks are distributed. Nathan reported that once bills are approved, checks are sent to the Treasurer for signature and submittal. **MOTION:** Janet motioned and Paul seconded to approve the June 2012 Treasurer's reports. **Motion carried unanimously.**

   6.2 Managerial Committee Report – AA/LB
   6.2.1 Fireworks Ban – e-mail/phone voting results
   Alyssa noted that the board unanimously approved banning fireworks through an e-mail vote due to the emergency nature of the situation and recommendation by the state fire marshal.

   6.2.2 Update on Various Issues
   Alyssa discussed how things are going with Minnick Management and how processes are being updated. Voice Nation could become unnecessary at some

GLA 03065

point with Minnick Management in place to handle inquiries. Alyssa noted the coordination of a meeting in August to work on updating forms and organizing files with willing directors, Sandra, and Denise.

6.3 Project Review Committee Report – AA/RB

Alyssa discussed how Project Review forms need updating and reworking for simplification and ease of use, and suggested that each form could be devoted to a single project type. Alyssa reported that Sandra could do this work in about 10 hours. Gerald mentioned that he would like to provide a site checklist for landowners so they know what is required for the site inspection. **MOTION:** Alyssa motioned and William seconded that the GLA contract with Irby Enterprises to revise and update the project review forms and process with a budget of $200 or less. Sandra will be supervised by the Project Review Committee and incorporate their changes and direction. Discussion: William noted the importance of not imposing review items that are above the GLA's oversight and duty. Laura mentioned the idea that updating be done in concurrence with state and country standards. **Motion carried unanimously.**

Action item: ***Alyssa*** – Work with Sandra on updating Project Review forms.

Action item: ***Gerald*** – Create a site inspection checklist for Alyssa to incorporate into new forms.

6.4 Road and Weed Mgmt Committee Report – WS/RS

Update by William that signs have been received for Arcturus and Virgo, and will be installed. Paul updated the board on the status of the crack sealing repair and that he will be obtaining the necessary equipment to commence work.

6.4.1 Parcel 81 SG Hansard weed infestation

Rich reported that upon inspection he saw that debris that had been on Parcel 81 previously has been cleaned properly by Mike Adkins, but there is a big problem with a heavy infestation of Knapweed that should be take care of. William noted that it would be best to simply turn this over to the County Weed Supervisor since the GLA encourages owners to control weeds but does not provide for the mitigation of them on individual owner's property. **MOTION**: Alyssa motioned and Gerald seconded that the GLA provide owner contact information for Parcel 81 SG to Clay Williams, the Park County weed supervisor, in order to address the Knapweed infestation issue. Discussion noted that ownership records are public record and accessible through the county. **Motion carried unanimously.**

6.5 Website Committee Report – KH/AA

Alyssa updated the board on work with Rudy Parker and that they are making progress on the GLA-MT.org website. Updating may possibly be done by the end of this week.

7. UNFINISHED BUSINESS

7.1 July Newsletter Draft – AA

Alyssa provided a draft of the newsletter for review and the board commenced a general discussion about the document.

ACTION ITEM: ***Alyssa*** – E-mail the latest Newsletter draft to the board with instructions to reply with comments or edits.

8. NEW BUSINESS

8.1 Project Review – AA/RS

8.1.1 Lot 33-C (SG) - Ladewig – Residence - AA

Alyssa presented the Ladewig Project Review Application and noted that the Ladewigs and their architect have worked hard to ensure that the project is in compliance with all requirements. Gerald reported that the necessary setbacks are being met. **MOTION**: Alyssa motioned and Sheridan seconded that preliminary approval be given to Jeff and Jerry Ladewig, Lot 33-C (SG) for their residence, well, driveway and septic with the conditions that disturbed land be reseeded, and that the necessary electrical, plumbing and septic permits be acquired. Discussion: Paul inquired about the disposal of existing concrete foundation. William noted his recollection about a shared well and that all DEQ requirements would need to be followed for sharing or drilling of a new well. **Motion carried unanimously.**

8.2 Managerial Committee – AA/LB

8.2.1 Create Master Plan Committee – AA

Alyssa proposed that the board re-establish the Master Plan Committee due to the necessity of it being reviewed within five years according to Secton 5.2 of the Master Plan.

MOTION: Alyssa motioned and William seconded to reestablish and form the Master Plan Committee. **Motion carried unanimously.**

Alyssa then suggested that the committee be populated, and the board commenced a discussion on who would be willing to serve on the committee, recommending possible landowners who were previously involved and could be contacted. Laura volunteered to chair the committee and would ask Scott McBride if he would be willing to serve on the committee as well.

ACTION ITEM: ***Laura*** – Contact Scott McBride and landowners to find out if they are willing to serve on the committee.

General discussion by the board about potentially reviewing the GLA covenants through a committee. Board may look into this at the next meeting.

8.2.2 Review & Update Committee Membership – AA

Alyssa presented the existing committee list, and discussed the complications of having the entire board as members of a committee. Laura suggested smaller committees to promote interest by members. Alyssa noted that according to the Bylaws, a committee needs 2 directors, and only one would be required to be the chairperson. Richard expressed that the budget committee and executive committee should not be populated with the exact same members. William expressed that due to the road budget being a major share of the overall budget, a road committee member should be on the budget committee. General discussion and streamlining process commenced for each committee and an updated list of committees and members was drafted. **MOTION**: Alyssa motioned and Sheridan seconded that the board adopt the revised board committee membership and chairperson designations as discussed and edited. **Motion carried unanimously.**

ACTION ITEM: ***Alyssa*** – Revise and distribute new committee membership list to board via e-mail.

9. **Comment Period for Visiting Landowners**
   Daniel and Valery O'Connell made comments about various matters.

10. **Adjournment at 8:55 p.m.**

11. **Next Board Meeting: August 13, 2012, at St. John's Church**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

August 20, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:07 p.m. at St. John's Church. William gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President, arrived at 7:24 p.m.), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel (arrived at 7:20 p.m.), Ken Haug, Paul Ranttalo, William Smith, Rich Spallone (aka Rich, arrived at 7:12 p.m.).
   ABSENT: Sean Halling, Scott McBride,
   ALSO ATTENDING: Nathan Minnick and James Ruddy (Minnick Management).
   Landowners: Sandra Irby, Daniel and Valery O'Connell.

2. **Set Agenda**

3. **Approve July 9, 2012 Meeting Minutes**
   MOTION: Sheridan motioned and William seconded to approve the July 9, 2012, meeting minutes. **Motion carried unanimously**. Abstentions: Ken Haug who was not present July 9.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. **MOTION:** Janet motioned and William seconded to approve the July 2012 Treasurer's reports. **Motion carried unanimously.**
   4.1.2 General Liability Policy renewed through Key Insurance – JN
   Janet reported that our General Liability Policy has been renewed through Key Insurance and that they have been given permission to communicate with Minnick Management directly regarding insurance information and payments.

   4.2 Managerial Committee Report
   4.2.1 General items and various projects; Newsletter, Revised Committee List - AA
   Alyssa reported that the newsletter had gone out, and that GLA contact information has been clarified as described in the newsletter. Alyssa mentioned how the GLA's usual voicemail and e-mail address will continue to be used. Alyssa has updated and distributed the latest committee list to the board.

   4.2.2 Document Organizing Project Report – AA
   Alyssa reported on the progress of the organization process and the object of establishing a well-structured, useful system that can be maintained and accessed efficiently while ensuring that important documents are preserved and are accessible to those who need them. A File Organization Project Plan with phases has been drafted with Phase I (gathering and organizing) currently in process. Sandra was invited to discuss the project and share her experience in the field of document organization. Sandra discussed the benefits of how this project will help assist in the operations of the GLA. The Board discussed the locations and gathering of the current GLA documents. Alyssa recommended that the initial phase of scanning and uploading documents should start with the project review files as that is the most manageable and useful category as a first step. The board discussed using the most reliable and secure format for scanning documents. Search-ability for text will be based on cost and reliability. It was noted by Alyssa that some of the original records which were on floppy disks had been disposed of

by the then responsible party due to the belief of the disks were an antiquated, unusable media. Alyssa also reported that the potential timeline for the Board to be able to start searching some of these uploaded documents could be in the next 2–3 months.

4.3 Project Review Committee Report – AA/RB

4.3.1 Forms updating project – AA

Alyssa reported on revisions of the project review forms. Irby Enterprises was contracted to help with this large revamping as approved by the board, however the project is taking longer than initially anticipated due to the complexity of the forms and level of re-working required. Sandra graciously donated $110 of her work through Irby Enterprises to help keep project costs down.
MOTION: Alyssa motioned and Laura second that the project review form updating budget be increased from $200 to $300. Discussion: William questioned if another $100 would take care of finishing the project and Laura agreed. The board discussed the importance of getting this work completed. **AMENDMENT TO THE MOTION**: William motioned and Alyssa seconded to amend the previous motion to increase the budget from $200 to $400. **Motion and Amendment Carried Unanimously.**

4.4 Road and Weed Mgmt Committee Report – WS/RS

Rich reported that there is a weed growth issue in high SG where the Erickson project road work was completed. Rich suggested that two to three sprayings should be done. Rich estimates the cost to be around $1000.00-1500.00 ($500 per application). William suggested a broadleaf mix product to be used once so that grass is not killed as well. William noted that generally, those landowners who do not want to have their property along the GLA road easements sprayed are under obligation to control the weeds themselves. If they fail to do so, the GLA will spray. Laura suggested that information be added to the newsletter to help educate the landowners about this situation. The board discussed that weed control is an ongoing process that needs to be addressed based on the weed growth for specific areas.

William provided an update on crack sealing for NG Asphalt. Materials and Equipment are here and now Paul is awaiting the manpower needed to do the work. The intersection of Jupiter into Capricorn has been completed as well as many road edges to date.

William reported that approximately half of what is typically spent on grading was spent this Spring. With the Spring grading cut short, the committee will need meet to assess the extent of the Fall grading needed in order to be prepared for the weather change in October.

ACTION ITEM: ***Alyssa*** – Contact the Erickson's regarding the need for additional sprayings to be completed at their expense.

4.5 Master Plan Committee Report – LB

Laura gave an update that they are not yet ready to bring in owner involvement pre-mature to the Master Plan document being reviewed by the committee. Laura suggested that the committee bring suggestions to the board to gain the Board's consensus prior to reviewing community input.

4.6 Website Committee Report – KH/AA

Alyssa reported about the update work being done by Rudy Parker and how the basic

File: Mtg Mins 08 20 12
Final Approval 09 20 12

information on the GLA website has now been brought current, and certain areas corrected.

5. UNFINISHED BUSINESS

5.1 Managerial Committee

5.1.1 Board Member Agenda Item Request Form – AA

Alyssa presented the new agenda item request form for use by the board.

5.1.2 Landowner Comments / Questions / Concerns Form – AA

Alyssa reviewed the recommendation that issues brought to the board from landowners be submitted to the appropriate committees for review prior to such items being placed on an agenda. Alyssa presented a new "Landowner Comments/Questions/Concerns" form to be used for this purpose. Richard noted that this procedure is in-line with the goal of making decisions at Board meetings on items that have been worked through by the appropriate committee. William suggested that the form be simplified to one page. **MOTION**: Alyssa motioned and Ken seconded to adopt the Landowner Comments/Questions/Concerns Form as presented with the modifications suggested by William that it be a one-page form. **Motion carried Unanimously.**
ACTION ITEM: ***Alyssa*** – Revise the Landowner Comments/Questions/Concerns form to one page.

6. NEW BUSINESS

6.1 Executive Committee

6.1.1 Set Date for 2013 Budget Meeting – SS

Meeting set for September 6, 2012 at 7:00 p.m. at Sheridan's House.
ACTION ITEM: ***Alyssa*** – Get 2011 Budget from Denise and forward to Board.

6.2 Election Committee – SS

6.2.1 Review timelines for election mailings and materials – AA

Alyssa reported that the initial nomination letter is going out on August 28th.

6.2.2 Updating needed for election materials – AA

The election committee is revising the documents to bring everything current prior to the mail out. Discussion on simplifying candidate information form. Janet noted that all the members up for re-election must submit their forms within the deadline.

6.2.3 Eligibility requirements for voting – AA

Alyssa reported on voting eligibility based on the covenants which state that a member must be in good standing to vote. Alyssa posed the question of whether or not members on payment plans are to be considered eligible or is the interpretation strictly that all dues current means good standing. Alyssa cited covenant section 3.19 "a member in good standing is a member of the association that is current in the payment of all assessments to the association and not in violation of the covenants." Richard noted that being current in the payment of assessments does not apply to payment plans for dues in arrears, but to those who are following the covenants by quarterly payments. Alyssa cited the covenants' definition of how to pay assessments and that they "either be payable as an annual payment by January 31st or quarterly in four equal increments." **MOTION:** William motioned and Sheridan seconded that in order to adhere strictly and specifically to the covenants that we identify a member in good standing as one who is current in the payment of all assessments according to section 3.19 of the covenants. **Motion carried**

unanimously.
ACTION ITEM: ***Laura*** – Contact those on payment plans to explain eligibility requirements based on the covenants.

6.3 Managerial Committee – AA

6.3.1 Policy for Disposition of Original Documents – AA
Alyssa proposed that original documents are not kept by board members and are instead turned into management for safe-keeping of documents. **MOTION**: Alyssa motioned and Sheridan seconded that a policy is adopted for directors to not be storing original GLA documents in their personal possession. **Motion carried unanimously.**

6.3.2 Policy for Setting up URL's and Various Accounts – AA
Alyssa discussed the need to keep accounts owned by the GLA not in personal names but in the Corporation's name. **MOTION**: Alyssa motioned and Gerald seconded that the GLA adopt a policy that various accounts including credit cards, URL's, and other types of accounts be set up in the corporation's name. **Motion carried unanimously.**

6.4 Project Review Committee – AA/RS

6.4.1 Proposal: Project Applications Be Required for Dwellings Regardless of Size
Alyssa discussed the board's current policy that any structure under 200 s.f. is not reviewed by the board, yet this may not be the correct policy for any structure that is to be used as a dwelling due to issues of shared well limitations, etc. **MOTION**: Alyssa motioned and William seconded that a project application be required for all proposed dwellings regardless of size. Discussion on the definitions and requirements of a dwelling including foundations or not. William asked for the citing of Covenant 6.01 which Alyssa read "a site plan and building plan satisfactory to the association must be submitted by a landowner to the association for review and approval prior to beginning construction of any structure, the placing of any mobile home on a parcel or the carrying out of any other project for which review is required by the master plan, these covenants, or any rule or regulation adopted in accordance there with." Discussion by board on the need to look further into this during the review of covenants by the board at a future time. **MOTION Tabled.**

6.5 Payment Plan Proposal - SS.
Sheridan reported on landowner Elizabeth Thorpe's (NG 6-1B) request to waive penalties and interest in exchange for full payment of assessments. **MOTION**: Motion by Sheridan and second by Ken to accept Elizabeth Thorpe's (NG 6-1B) proposal to pay her back dues which became delinquent in 2009 due to mental and physical hardship and hospitalization and that the GLA waive accrued finance charges and accept her payment of actual incurred assessments including lien filing and recording costs. **Motion carried unanimously.**

7. Comment Period for Visiting Landowners
Daniel and Valery O'Connell made comments about various matters.

8. Adjournment at 9:20 p.m

9. Next Board Meeting: September 10, 2012, at St. John's Church

5.1.3 Dwelling Assessment per Covenant 11.03 – SS
Sheridan brought up the complaint from Charlene Murphy regarding how the covenants require that all dwellings be assessed, yet guesthouses, which are also dwellings, are not currently being assessed and that this should be corrected. Charlene reported that there are seven lots in South and seven in North that have two homes which were grandfathered in prior to the master plan which are paying their two dwelling assessments. Laura noted that in the case of multiple dwellings on a lot, there would still only be one land assessment. Alyssa mentioned that assessments on dwellings are not based on use. Alyssa recommended that the board include information about this in the October mailing to the membership according to Bylaw Section 11-C - Due Process. Landowner Valery O'Connell spoke from the floor and stated that the Master Plan gives a definition of a guesthouse, and therefore, it is not a dwelling and cannot be assessed. Laura suggested that the assessment allocation be reviewed by legal counsel prior to any action. Richard stated that this item will be tabled in order to gather more information before proceeding.

5.2 Project Review Committee – AA/RS

5.2.1 Revised Project Review Forms – AA
Item tabled.

6. NEW BUSINESS

6.1 Executive Committee

6.1.1 Proposal to form a nominating committee – RB
Richard reported that the board has the power to form a nomination committee to help find qualified candidates for the board. Alyssa stated the bylaws (Article VI, section C) call for the committee to be announced at annual meeting and would consist of 2 directors and 3 members in good standing appointed by the board. Richard noted that if the board likes the idea of utilizing a nominating committee they could look into forming it and finding interested members.

6.2 Managerial Committee – AA

6.2.1 Proposal for Informational Mailing in October – AA
Alyssa reported on the due process required to inform the membership of the board's plans and that at the October meeting, the board will discuss and vote on a draft letter containing information to be sent out to owners regarding items such as the assessment policy and payments, dwelling assessments per covenant 11.03, and the topic of businesses with employees possibly being charged assessments. Laura suggested that time be dedicated at the annual meeting to get owner feedback on these items.

7. Comment Period for Visiting Landowners
Charlene Murphy commented on dwelling assessments and that it sounded like a good idea to get owner feedback at the meeting.

Jeff Ladewig had a question regarding dwelling assessments and if a dwelling was clearly defined in the covenants. Valery O'Connell pointed out covenant 3.12 that defines a dwelling. Jerry Ladewig commented on businesses being charged assessments.

Daniel and Valery O'Connell made comments about various matters and threatened another lawsuit if the board chose to continue working with Minnick Management.

8. **Closed session**
   Further discussion on the recent meeting with the O'Connell's. Updates regarding the O'Connell lawsuits.

   Approval of the August 20, 2012 closed session minutes was tabled for the next meeting.

9. **Adjournment at 9:46 p.m. at St John's Church**

10. **Next Board Meeting: October 15th, 2012, at St. John's Church (Please note: the originally-scheduled meeting for October 15 was rescheduled for October 8, 2012.)**

Board of Directors Meeting Minutes

September 17, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:21 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Paul Ranttalo, Gerald Dubiel (arrived at 7:20 p.m.)
   ABSENT: Sean Halling, Ken Haug, Scott McBride, William Smith, Rich Spallone.
   ALSO ATTENDING: Nathan Minnick and James Ruddy (Minnick Management).
   Landowners: Jeff & Jerry Ladewig, Charlene Murphy, Ronald Wartman, Daniel and Valery O'Connell; Guest: Danilee Howe.

2. **Set Agenda**

3. **Approve August 20, 2012 Meeting Minutes**
   Janet recalled that under section 4.4, Rich had mentioned needing two to three sprayings at an estimated cost of $1000.00 to $1500.00 based on $500.00 per application. General discussion and concurrence by Board to approve the edit. **MOTION**: Sheridan motioned and Laura seconded to approve the August 20, 2012 meeting minutes with noted edit. **Motion carried unanimously**.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 President's Report: Protocol for Open and Closed Session Meetings – RB
   Richard reported that the closed session meeting will now become a continuation of the regular meeting, as advised by attorney, and will be reflected within the regular meeting agenda and minutes.
   Richard reported on a meeting requested by the O'Connells which he and Alyssa attended where they discussed several differences the O'Connells have with the board in the interpretation of the bylaws, and some options to resolve them. There was nothing that the O'Connells had provided in writing, and nothing to report in the form of agreements; further research would have to be done.

   4.1.2 Parcel 97 SG – Easement – RB
   Richard gave a brief history on the easement issue and reported that the board had approved pursuing legal action using attorney Alanah Griffith in order to rectify the access issue at the 8-20-12 closed session. Recent progress is that Alanah has confirmed that the GLA easement is valid and she has issued a demand letter.

   4.1.3 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. Sheridan and Richard discussed how bills are reviewed and approved by them prior to payment. **MOTION:** Alyssa motioned and Gerald seconded to approve the August 2012 Treasurer's reports. **Motion carried unanimously.**
   Sheridan also reported that she had visited with Noreen Kaminsky (NG 10-B) and discussed that a lien would need to be filed on her property due to her past due account. The results of the board's e-mail vote to approve the lien filing was 9 in favor and 3 abstentions, and a lien was then filed.

   4.1.4 Budget Meeting for 2013 Budget – SS
   Sheridan reported that the budget meeting held on 9-6-12 was attended by herself,

Alyssa, and Charlene. Alyssa noted that a draft of the budget is to be reviewed later in the meeting.

4.2 Managerial Committee Report – AA

4.2.1 Update on Document Organizing Project – AA

Alyssa reported that the project is moving forward. Denise is getting election procedures drafted to be given to Nathan. Alyssa noted the covenants and bylaws are being studied during the overall project to be sure documents and procedures are in compliance with the governing documents.

4.3 Project Review Committee Report – AA/RB

4.3.1 Update on Forms Updating Project – AA

Alyssa reported that this is a big project, not yet complete but things are going well. When ready, a draft of the new forms will be e-mailed to the board for review.

4.4 Road and Weed Mgmt Committee Report – WS/RS

Paul reported that the material used for crack sealing has been obtained, but work is on hold due to fire restrictions for applying hot tar since high temperatures must be reached. Alyssa reported that she spoke with Rich who said that Adkins Construction is on standby for grading work to be performed once we have had some rain to provide moisture to the road surface.

4.5 Election Committee Report – SS

Sheridan reported that the initial election materials were updated and sent out on August 28 by Minnick Management. Sheridan noted that nominations must be received by September 28 and the next mailing will be going out the first week of October. Nathan reported that to date, one nomination has come in.

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 2013 Draft Budget – SS

Sheridan presented and Alyssa reviewed the draft 2013 budget. Various differences were discussed and compared with the previous year's budget. The project review category will no longer show income and expenses since these are variable and cannot be projected accurately. The legal section has been increased from $3000 to $5000 to reflect increased activity. Laura noted a storage facility could be needed to house the lawn mower at the recreation land. Paul mentioned that the Quonset hut could be utilized for this purpose. Sheridan and Alyssa reported on the new budgeted management expense that now replaces many of the subcontractor expenses from last year's budget. Richard noted that this is a draft budget for initial review by the board prior to approving a final draft that will be presented at the next meeting.

5.1.2 Assessment Policy – SS

Sheridan and Alyssa reported that the assessment policy drafted in the spring will need to be reviewed at the next board meeting so that this draft policy can be presented to the membership for landowner input. Richard noted that previous boards' interpretations of the covenants regarding how assessments are to be paid are in the process of being updated to more meticulously conform with the covenants.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

October 8, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:11 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Gerald Dubiel, Sean Halling, Ken Haug, Paul Ranttalo.
   ABSENT: Scott McBride, Rich Spallone (aka Rich), William Smith
   ALSO ATTENDING: Nathan Minnick and James Ruddy (Minnick Management).
   Landowners: Charlene Murphy, Frances Owen, Daniel and Valery O'Connell.
   Guest: Danilee Howe.

2. **Set Agenda**

3. **Approve September 17, 2012 Meeting Minutes**
   MOTION: Sheridan motioned and Gerald seconded to approve the September 17, 2012 meeting minutes. **Motion carried**. Abstentions: Ken and Sean who were not present September 17th.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 President's Report: How landowner document requests are handled – RB
   Richard clarified the process for handing landowner document requests. In accordance with state law and legal counsel, landowners pay for labor and material costs incurred by the GLA in producing requested documents. The current rate for processing these requests through Minnick Management is $25/hr and copies are charged at 10 cents/copy. Alyssa noted that according to state law, landowners must state the particularity of their requests and the information provided to them must be used for such stated purpose by the requesting landowner.

   4.1.2 Parcel 97 SG – Easement – RB
   Richard reported on the progress of the easement access issue being handled with the assistance of Alanah Griffith. Alanah has not yet received a written response to the initial letter of demand however there have been some verbal communications.

   4.1.3 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. **MOTION:** Laura motioned and Paul seconded to approve the September 2012 Treasurer's reports. **Motion carried unanimously.**

   4.2 Managerial Committee Report – AA
   4.2.1 Update on Projects – AA
   Alyssa reported that the current focus is getting all the election materials and instructions updated.

   4.3 Project Review Committee Report – AA/RB
   4.3.1 Update on Forms Updating Project – AA
   Alyssa Reported that the project is in process. Due to the big push with the election mailings and annual meeting there is not much to report at this time.

GLA 03099

4.4 Road and Weed Mgmt Committee Report – WS/RS

Paul reported that it is time to take care of grading, however, due to the lack of moisture a water truck will need to be utilized. Road work is a necessity and budgeted funds are available. Paul also reported that at this time approximately 5 to 10 percent of the crack sealing has been completed. The board discussed that due to fire danger grass cutting along roads will not be completed this late in the season.

4.5 Election Committee Report – SS

Sheridan reported that 6 Nominations were received for NG and 4 for SG. The election mailing will be mailed out October 10th and will include the proposed 2013 budget. She also reported that the 2011 receipts/expenditure report will be included in the mailing, and noted that to vote in November owners must be current with assessments and not be on payment plans. She also reported that the O'Connells have requested to be on the Annual Meeting Agenda and this is intended to be reviewed at the November board meeting at which time the agenda will be finalized. Richard inquired about the current set up procedures to which Sheridan noted that set up will occur the night before and all are welcome to help at 7 p.m. at the Emigrant Hall.

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 2013 Draft Budget – SS

Richard reported that the rough draft of the proposed budget, which was presented at the last meeting, will need to be reviewed and approved at this meeting. **MOTION:** Gerald motioned and Sheridan seconded to approve the proposed 2013 budget. **Motion carried unanimously.**

5.1.2 2011 Receipts and Expenditures report – SS

Sheridan presented the 2011 Receipts and Expenditures report which will be sent to the membership in the October 10th mailing, pointing out that this type of report will now be sent to the membership in January each year in accordance with the Bylaws Article 8-F. Richard discussed the citation at the end of the report which discloses the amount paid on behalf of the association to defend the board members as provided for by state law. **MOTION:** Sheridan motioned and Sean seconded to approve the 2011 Receipts and Expenditures report. **Motion carried unanimously.**

5.1.3 Dwelling Assessment per Covenant 11.03 – SS

Sheridan reported on the review of the complaint from Charlene Murphy regarding dwelling assessments needed for guesthouses which was discussed at the last meeting. Sheridan discussed that legal counsel confirmed that the Covenants define a dwelling and the Master Plan does not change that definition, therefore, a guesthouse qualifies as a dwelling. Sheridan noted that the Bylaws article 12-D state the covenants control in the case of a conflict with the Master Plan. Sheridan discussed that it is in compliance with the Covenants to charge a dwelling assessment for guesthouses because they fit the criteria of a dwelling unit per covenant 3.12. **MOTION:** Sheridan motioned and Gerald seconded that all guesthouses are to be assessed one dwelling assessment per dwelling unit per covenant 11.03 to take effect January 1st, 2013 and to be announced in the November mailing. **Motion carried.** (Abstentions: Laura Boise.) Alyssa noted that this is going out in the mail for the purpose of gathering feedback from the membership prior to being put in place.

GLA 03100

5.2 Project Review Committee – AA/RS

5.2.1 Revised Project Review Forms – AA

Item tabled.

5.3 Managerial Committee – AA

5.3.1 Details of Informational Mailing in November – AA

Alyssa reported that an informational mailing will be sent out to the membership that will announce the new directors as well as provide information regarding the draft assessment policy so that the membership knows what is coming up for 2013. This mailing would also provide information on the guesthouse dwelling assessment in order to allow for owner feedback prior to the assessment being put in place. This informational mailing will be discussed further at the November board meeting prior to anything being sent out to the membership after the election.

5.4 PVRC Update – LB

Laura reported that the sprinklers had been scheduled for winterization ahead of time, and she is in communication with the contractor who performs this service already; the GLA is on the waiting list. Laura also discussed the need for a small storage shed for the lawn mower, and there are budgeted funds available for this. A small storage unit could be purchased and delivered.

ACTION ITEM: ***Laura*** – Research storage shed options and e-mail the board with details in order for a vote to be taken on the item.

6. NEW BUSINESS

6.1 Project Review Committee

6.1.1 Ross and Monique Brunson (10-E NG) – Addition to residence – AA

Alyssa described the project and how the fees from the Brunson's previous project submittal will be applied to this project since they were not able to proceed with the initial plans of removing the single-wide manufactured home and replacing it with a double-wide. The existing single-wide home will be added onto instead. Alyssa verified that there are no variances being requesting for this project.

MOTION: Alyssa motioned and Sean seconded that the application for Ross and Monique Brunson, Lot 10-E NG, be approved with the conditions that: 1) disturbed land be reseeded, 2) electrical permits be acquired, and that the GLA refunds the overpayment of their project fees in the amount of $50.00. **Motion carried.** Abstentions: Paul.

6.1.2 Barbara Dowbenko (1-B NG) residence – AA

Alyssa presented the project application describing how the previous home had burned down and the new house will be located in the same area using the same septic, drainfield and utilities. Alyssa noted that there could be an application for a garage in the future that would be subject to a new project review. **MOTION:** Alyssa motioned and Sean seconded that the residence application for Barbara Dowbenko, Lot 1-B NG, be approved with the following conditions: 1) the necessary permits be acquired; 2) disturbed land be reseeded. **Motion carried.** Abstentions: Paul.

7. **Comment Period for Visiting Landowners**

   Frances commented about livestock that had come onto her property and she had gotten help with fencing repair.

   Daniel & Valery O'Connell made comments about various matters.

8. **Closed session**

   Richard reported on the O'Connell lawsuits.

   The board discussed the annual meeting and Alanah's possible attendance.

9. **Adjournment at 9:46 p.m.**

10. **Next Board Meeting: November 5, 2012, at St. John's Church (Please note: the originally-scheduled meeting for November 5 was rescheduled for November 7, 2012.)**

Board of Directors Meeting Minutes - *FINAL*

November 7, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:02 p.m. at St. John's Church. Laura gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Rich Spallone (aka Rich), Scott McBride, Paul Ranttalo, Gerald Dubiel (arrived at 7:26 p.m.)
   ABSENT: William Smith, Sean Halling, Ken Haug.
   ALSO ATTENDING: Nathan & Lindsay Minnick (Minnick Management, Inc).
   Landowners: Charlene Murphy, Frances Owen, Daniel and Valery O'Connell.
   Guest: Danilee Howe.

2. **Set Agenda**

3. **Approve October 8, 2012 Meeting Minutes**
   Motion: Sheridan motioned and Laura seconded to approve the October 8, 2012 minutes with grammatical edits. **Motion carried.** Abstentions: Scott and Rich who were not present October 8th.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 October 24, 2012 President's Letter to Members – RB
   Richard noted that there had been a unanimous vote and approval via e-mail by the Board to send out the Presidents Letter to the membership.

   4.1.2 Professional Liability Insurance – RB
   Richard noted that there had been a unanimous vote and approval via e-mail by the Board to submit the latest lawsuits to the liability insurance adjuster.

   4.1.3 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. **MOTION:** Alyssa motioned and Laura seconded to approve the October 2012 Treasurer's reports. **Motion carried unanimously.**

   4.2 Managerial Committee Report – AA
   4.2.1 Update on Projects – AA
   Alyssa reported on the election materials being put together and training of Minnick Management in handling the annual meeting and elections.

   4.2.2 Minnick Trial Period – AA
   Alyssa reported that the management trial period was due to expire at the end of November and that a vote on continuing service would be made at December's meeting. Various board members reflected that they have had a positive experience to date working with Minnick Management.

   4.2.3 James Kozlik request to streamline covenants and bylaws – AA
   Alyssa reported on a conversation with James Kozlick regarding his expressed interest in helping with the process of streamlining covenants and bylaws. She noted that he would be contacted by the committee after the process is reviewed.

   4.3 Project Review Committee Report – AA/RS
   4.3.1 Parcels 90 & 91 SG – Erickson Variance Withdrawal – AA
   Alyssa reported that the Erickson's have withdrawn their variance project and will now just complete the two allowed houses in accordance with the master plan. Currently they have no plans for construction on Parcel 90. She noted that now that

GLA 03106

there is no longer a variance, the association has lost the conditions and requirements that had previously been negotiated. Richard noted that with the two current homes there are no variances.

4.4 Road and Weed Mgmt Committee Report – WS/RS

4.4.1 Grading Update – WS

Rich reported that the grading work has been completed.

4.4.2 Crack Sealing Update – WS

Paul reported that the crack sealing has been completed.

4.4.3 Request from Tim Brockett to discuss road problems in High South – RB

Richard reported that Tim had requested to discuss road problems in High South at the board meeting. Richard spoke to Tim about needing to first speak with the road committee prior to bringing the issue to the entire board, and that he understood the process. Rich noted that he has had an initial conversion with Tim and that he will be notified when the next road committee meeting takes place.

4.5 Recreation Land Update – LB

Laura presented storage shed options that could be purchased for use at the recreation land for lawnmower & utility storage. Two sizes were discussed by the Board, and with a current sale price on the larger one, the costs were comparable. Laura recommended the larger version as it would provide more utility for the cost. Alyssa noted that the larger version would better fit the current architectural style of the already existing building. The board discussed the best type of foundation to assure longevity of the structure. **MOTION:** Laura motioned and Sheridan seconded that the amount the PVRC has left in the budget for 2012 to be allocated to the purchase and installation of the larger 8' x 12' storage shed. **Motion carried unanimously.**

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 Parcel 97 - Kathleen Ramp - Easement Issues – RB

Richard reported on the easement currently blocked and the progress being made. Kathleen's attorney passed on her concern of weeds along the easement and her desire for abatement to be done by the GLA. Rich noted that the entire property is infested with Russian thistle. The board discussed that Kathleen would need to get control over the weeds currently on her land. The board discussed parking and if it is possible to turn a vehicle around once through the easement and on forest service property. It was noted that the purpose of the easement is to access GLA common land and forest service property. Richard discussed that Kathleen desired to keep a combination lock on the gate that would be changed periodically. Richard gained the consensus of the Board to have our attorney respond that the GLA agrees to handle weed abatement in the easement, and that a combination lock is to be used on the gate with the code being changed once a year, and the membership will be informed of the code in the annual January mailing.

5.1.2 Assessment Policy Draft – SS

Sheridan presented the assessment policy draft that was initially discussed in February and March. Alyssa reported this current draft is more complete and clear and is an example of what could be sent out to the membership for feedback. Alyssa reviewed the various points in the draft, bringing attention to how a 30-day period would be more appropriate than one week for a collection warning letter to be sent after a lien is filed. There was general consensus by the board to make this

change. Additional edits recommended were "that landowners must resubmit annually to qualify for hardship reductions" and that accounts qualifying for collections would be "turned over to a collection process". **MOTION:** Alyssa motioned and Paul seconded that the assessment policy draft for November 7th, 2012 be accepted as a form to be presented to the membership for input prior to adoption and will include the edits made at this meeting. **Motion carried unanimously. (Note unanimous agreement to amend edit under item 6.1.2.)**

5.2 Managerial Committee

5.2.1 Informational Mailing in November – AA

Alyssa reported on the information mailing being sent to the ownership and noted how it will cite the covenants regarding the assessment of dwelling units.

6. NEW BUSINESS

6.1 Executive Committee

6.1.1 Lot 24-B NG - Gail and Robert Quarles - Lien Payoff Proposal – SS

Sheridan presented the proposal regarding the Quarles past due account of $11,337.45 and how there is an offer to bring the account current by paying off the principal, $4,970 and a reduced amount of interest. Alyssa used a cost-of-living analysis to figure the adjusted value of the past due principal plus actual costs, which gave a total of $7,070. The board discussed how it would be in the best interest of the association to make this collection rather than risk potentially losing the association's funds. **MOTION:** Scott motioned and Laura seconded to accept $7,070 as it is in the best interest of the association. This would be $4,970 principal, a $2,000 cost of living addition, and $100 for lien filing and release fees. **Motion carried with 7 in favor, 2 opposed.**

6.1.2 Frances Owen - Parcel 95 SG - Assessment Reduction Request – SS

Sheridan presented Frances Owen's request for assessment reduction and her qualification from the county for an 80% reduction in her property taxes. The board discussed how the GLA has not previously granted any more than a 50% reduction in assessments. **MOTION:** Sheridan motioned and Alyssa seconded to grant Frances Owen a 50% reduction in her assessments with the proof that she qualifies for an 80% reduction in county taxes and to reapply annually to qualify for the reduction. It was noted that many of the membership qualifies for reductions in property taxes and that using this as a basis to reduce assessment fees would be detrimental to the association. It was noted that because of the importance of this issue further research and counsel should be sought prior to making a decision on this issue. **Sheridan withdrew her motion and the item was tabled.** The board unanimously agreed to remove the reduction request information from the assessment policy draft until research and advice from counsel is complete.

6.2 Election Committee – Annual Meeting

6.2.1 Review/discuss reports to be given at Annual Meeting – SS

The board discussed and reviewed the presentation of reports to be given at the annual meeting.

6.2.2 Annual Meeting Agenda – RB

The board reviewed the agenda and discussed the flow of items to be presented as well as the best timing for candidate presentations. The board concurred to edit agenda item #4 to allow candidates 3 minutes each for presentations. The board discussed the O'Connell's request to be allowed time on the agenda and concurred to add their item as #10.

6.2.3 Review assignments for Minnick, board and volunteers – SS/NM
Sheridan discussed how the sign-in and ballot process will be conducted as well as the flow of operations related to volunteers and management to help conduct the meeting.

6.2.4 Review handouts for meeting and timeline for submitting for copies to be made – SS/NM
Alyssa noted that handouts for committee reports must be submitted to management to make copies by Friday morning.

6.3 Project Review Committee – AA/RS

6.3.1 Lot 32-A-2 SG – Pinardo Storage Building – AA
Alyssa presented Pedro Pinardo's project review application for the installation of a storage building adjacent to the existing house on Lot 32-A-2 SG. She noted Pedro's request for the sanitation bond to be reduced from $200 to $100 due to the small scope of the project. Gerald reported that all setbacks have been met under this proposed application. **MOTION:** Alyssa motioned and Sheridan seconded to approve the storage building for Perdo Pinardo Lot 32-A-2 SG and variance request with the conditions that disturbed land be reseeded and that if electrical were to be installed in the future, he would obtain an electrical permit. **Motion carried unanimously.**

6.4 Managerial Committee

6.4.1 Information requests - develop form – AA
Alyssa requested the permission of the board to develop an information request form, to be reviewed and approved by the board before use, for owners to fill out when requesting information from the GLA. The form would include basic information about the request and the particularity of the purpose the information was to be used for. Richard called the question and it was noted that it was the will of the board to proceed with a draft.

6.4.2 Purpose of Newsletter and content; contributions from landowners – AA
Alyssa asked for clarification of the board's position on the intended use of the newsletter and noted that some owners, from time to time, have requested to add personal announcements to the newsletter. The board concurred that it is to be used only to send information related to the association's operations and updated information to the membership.

7. Comment Period for Visiting Landowners
Daniel and Valery O'Connell made comments on various matters.

8. Adjournment at 9:29 PM

9. Closed session
Richard reported on the Liability Insurance policy's coverage and the O'Connell lawsuits.

10. Next Board Meeting: December 10, 2012, at St. John's Church (Please note: the originally-scheduled meeting for December 10 was rescheduled for December 17, 2012.)

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

December 17, 2012

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:07 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Laura Boise (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Alyssa Allen, Rich Spallone (aka Rich), William Smith, Paul Ranttalo, Gerald Dubiel.
   ABSENT: Sean Halling, Ken Haug, Scott McBride.
   ALSO ATTENDING: Nathan & James (Minnick Management, Inc.)
   Landowners: Charlene Murphy, Daniel and Valery O'Connell, Ron Wartman, Kristy & Alan Peake. Guest: Ed Dobrowski.

2. **Set Agenda**

3. **Approve November 7, 2012 Meeting Minutes**
   Motion: Sheridan motioned and Laura seconded to approve the November 7th, 2012 minutes with grammatical edits. **Motion carried.** Abstentions: William who was not present Nov. 7th.

4. **Officer and Committee Reports**
   4.1 Executive Committee Report
   4.1.1 Change of Lawyers to Brown Law Firm – RB
   Richard reported that there had been a unanimous vote of approval by the board via e-mail to change legal representation for the two most recent O'Connell lawsuits to the Brown Law Firm.

   4.1.2 Proposed Insurance Agent change to Key Ins. for USLI and RPS – RB
   Alyssa presented the request to have Key Insurance, the current insurance agent for the GLA's general liability policy with RPS, become the agent for the policy with USLI as well. The proposed administrative change will not alter the actual policies. **MOTION:** Janet motioned and Sheridan seconded to approve Key Insurance as the designated agent for both the USLI and RPS Insurance policies. **Motion carried unanimously.**

   4.1.3 Parcel 97 SG - Kathleen Ramp - Easement Update – RB
   Richard noted that there were no new updates at this time to report.

   4.1.4 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. **MOTION:** Alyssa motioned and William seconded to approve the November 2012 Treasurer's reports. **Motion carried unanimously.**

   4.1.5 Lot 10-B NG – Kaminski Sale & Past Due Balance Collected – SS
   Sheridan reported that Norene Kaminiski's property had sold and the GLA was able to collect the full $1,389.36 owed at closing due to the property lien filed.

   4.2 Election Committee – Review Annual Meeting and Election Results – SS
   Sheridan reported that the election process and volunteer crew efforts went well. Alyssa noted that there was a lot of good landowner input. Richard noted that the election results should be attached to the minutes and the board concurred. **(Attachment)**

   4.3 Managerial Committee Report
   4.3.1 VoiceNation Setup & Possible Additional Extensions – AA
   In an effort to increase communication with landowners, Alyssa reported that she researched options available with the VoiceNation service and was able to setup extensions whereby snowplow operators can now post announcements that may be accessed by landowners for timely road condition information and meeting dates.

GLA 03113

Alyssa informed the board that other extensions could be setup as the board deemed necessary in the future.

4.3.2 November Newsletter & Assessment Policy – AA
Alyssa reported that the November newsletter went out to the membership, mentioning the plan to assess guesthouses starting in 2013, and included the assessment policy draft for the purpose gaining landowner feedback prior to enacting these policies. It was noted that no landowner feedback has been received.

4.4 Road and Weed Mgmt Committee Report – WS/RS
William reported on the Road Committee meeting held on December 17th, 2012 at 6 p.m. at which Sheridan, Paul, Rich & William were in attendance as well as Charlene Murphy. The following topics were discussed:

a) Sand is stored in the Quonset building and trucks are being loaded with sand on a regular basis.
b) William reported on a landowner inquiry regarding Rich Spallone's hourly rate of $75/hour for snow removal. He discussed how the rate is based on a contractor providing and repairing their own equipment, carrying insurance, etc. vs. the GLA paying an employee an hourly rate, covering insurance, repairs, operating expenses, and payroll taxes which is approximately a wash. He noted the savings of time in regard to Rich's ability to start on site and plow down from high South vs. paying time for employees to travel up to high South to start. He contacted the owner with this information and they understood the difference and were satisfied with the choice to hire a contractor for the reasons described.
c) William reported on an invoice submitted by a landowner for shoveling sand onto a stretch of road without securing prior approval of the Road Committee. It was noted that in addition to needing prior approval, workers must meet the qualifications of either a general contractor or employee for liability reasons.
It was suggested that George Hurst, a mechanic, be hired to make repairs to plow equipment and vehicles and it be brought to the GLA Board. **MOTION by GLA Board:** William motioned and Alyssa seconded to hire George Hurst as a GLA employee for the purpose of maintaining snow plow trucks at the rate of $12/hour as a seasonal employee. **Motion carried unanimously.** The board noted that they will also offer information regarding this position and it's availability to the community.
d) William reported that after a review of expenditures, they would request that any remaining road budget funds for 2012 be earmarked for road fund savings in preparation of upcoming expenses. **MOTION by GLA Board:** William motioned and Rich seconded that any unspent 2012 road budget funds remain earmarked for road projects in the 2013 season. **Motion carried unanimously.**
e) William reported that magnesium chloride and road gravel estimates will be looked into for upcoming road maintenance.
f) William reported that the Road Committee would like to schedule a community wide road meeting to gain input from the landowners which could be announced in the GLA newsletter once scheduling is completed.

4.5 Recreation Land Report – LB
Laura reported that a letter was received regarding the current involuntary dissolution status of the PVRC as noted from the Secretary of the State. She also reported that due to the cold, the storage building has not yet been installed.

5. UNFINISHED BUSINESS

5.1 Executive Committee

5.1.1 Parcel 95 SG – Owen Assessment Reduction Request – SS

The board continued discussion on Frances Owen's assessment reduction request that had been tabled at the previous meeting until more findings could be presented. Alyssa reviewed how the board had considered allowing a reduction of assessments if the applicant qualified for a reduction in their property taxes, yet it had become clear that is a category that many would qualify for. It was noted that an assessment reduction is not standard practice for homeowners associations and could be a harmful precedent to set for the GLA. The board discussed that it would not be in the best interest of the GLA to have an open policy for reductions. **MOTION:** Alyssa motioned and Rich seconded that the GLA not approve Frances Owen's request for an assessment reduction due to the fact that it would be injurious to the rest of the community to do so per covenant 12.01. **Motion carried unanimously.**

5.1.2 Parcel 103 SG – Determine if Easement Access Blocked - AA
Alyssa reported that there may be a fence or gate blocking this easement and this should be verified. William noted the reason this easement exists was that prior to Hercules Drive being built, it was the access route to high south. At this time, there may not be any concern with this easement being blocked as it does not provide access to an existing road.

5.2 Managerial Committee

5.2.1 Minnick Trial Period and Renewal – AA
Richard noted that the trail period with Minnick Management, Inc. has passed. Alyssa presented the draft of the renewal contract. Richard noted that the last contract was for a 6-month period and the renewal is ongoing with a 60-day termination clause to rescind the contract. Alyssa reported that if the contract is renewed, in order to provide efficiency, an additional checking account would be opened in Bozeman for deposits with officers being the signers. Minnick Management will continue not to be signers on accounts. She discussed how management should be CC'd on e-mail discussions to keep them in the loop and to communicate new items to them to assist the GLA in the preparation of agendas. Richard noted that part of the original purpose to hire management was to consolidate all the hired administrative contractors. **MOTION:** Sheridan motioned and Paul seconded to approve the proposed Minnick Management contract for renewal. **Motion carried unanimously.**

6. NEW BUSINESS

6.1 Orientation for New Board

6.1.1 Establish Officers, Committees, Committee Chairs and Members – RB
The Board reviewed the current committee list. **MOTION:** Alyssa motioned and Sheridan seconded that the board continue with the existing committees as outlined in the July 10, 2012 committee list with the change that Janet Naclerio be co-chair with Laura Boise on the community committee. **Motion carried unanimously.**
Richard was nominated to continue as President. Alyssa was nominated as Vice President. Sheridan was nominated to continue as Treasurer. Janet was nominated to continue as Secretary. Laura, acting as chair, called for the vote of approval for the nominated officers. **Nominations carried unanimously.**
MOTION: William motioned and Rich seconded that the executive committee be edited to reflect the change in Vice Presidency. **Motion carried unanimously.**

6.1.2 Determine Board Meeting Dates for 2013 and Annual Meeting – AA
The board reviewed the proposed meeting dates for 2013. **MOTION:** Laura motioned and Alyssa seconded to approve the following meeting dates for the 2013 board meetings: Jan 14, Feb 11, March 11, April 8, May 13, June 10, July 15,

Aug 12, Sept 9, Oct 7, Nov 4, Dec 9 AND November 9th for the annual meeting at Emigrant Hall. **Motion carried unanimously.** William and Rich then set the community road meeting for Monday, January 21st with the board's approval.

6.2 Executive Committee

6.2.1 Year-end Bank Totals Report – SS/AA

With the board's approval, Alyssa invited Charlene Murphy to present a historical year-end bank total report she produced on her own time which showed … for the designated savings fund balances which could be used for passing on more information to landowners.

6.3 Managerial Committee

6.3.1 Proposal for landowner input at meetings and time keeper – AA

Alyssa recollected that at the annual meeting, landowners had requested the option of being able to give input to the board at the beginning of the meeting. As a way to make this feasible without using up too much time as this had in the past, Alyssa presented the option of using a timer for each landowner's input, and demonstrated a timing device that the GLA could purchase. However, if seeking an agenda item or discussion, landowners will still need to submit the inquiry a couple of weeks ahead of the meeting so it may first be handled by the appropriate committee. Richard expressed the importance of allowing requests to be handled at committee level so items which end up on the agenda are fully researched prior to board meetings. **MOTION:** Sheridan motioned and William seconded that the board accept the proposal to purchase the timer and to provide landowner input not to exceed 3 minutes each at the beginning of the board meeting. **Motion carried unanimously.**

6.3.2 Updating of records for accurate assessments – AA

Alyssa presented the need to keep updated landowner records and that if a property is in question, board members are to get the information to management for initial county record research. The board mentioned some new landowners and the status of Welcome Packets. **Action Item – Janet & Laura** to work on welcome packets.

6.3.3 Linda Ulrich proposal for meeting to discuss governing documents – AA

Alyssa reported on Linda Ulrich's request regarding landowners interested in meeting with the board and reviewing the GLA governing documents. Ron Wartman stated that he is part of the group and that they may first need to have specific ideas to bring to the board. The board agreed on the importance of the group first solidifying their thoughts. **Action item - Laura** to respond back to Linda to have the group solidify their thoughts prior to requesting a meeting.

7. Comment Period for Visiting Landowners

Ed Dobrowski asked about bidding on future work to the Quonset hut.
Ron Wartman inquired about indicating other financial amounts in the January newsletter.
Alan Peake inquired about getting his assessment statements via e-mail.
Daniel and Valery O'Connell made comments on various matters.

8. Adjournment at 10:10 p.m.

9. Closed session.

9.1 Discussion of lawsuits – RB/Board

Richard reported on and the board discussed the O'Connell lawsuits.

10. Next Board Meeting: January 14, 2013, at St. John's Church

2012-12-17_BDGNAUX.pdf

Glastonbury Landowners Association, Inc.

Board of Directors - Meeting Agenda

December 17, 2012 – 7:00 pm

1. **Call to Order**

2. **Set Agenda**

10. **Next Board Meeting: January ___(TBD), 2013, at St. John's Church**

Glastonbury Landowners Association

Newsletter ~ November 2012

Annual Meeting & Elections Update

Despite snowy conditions, our November 10, 2012 Annual Meeting and Elections was well attended. Minnick Management assisted in handling the many duties required to hold the meeting and run the elections, along with board members and numerous volunteers. We offer our sincere appreciation and thanks for all of their hard work and community spirit!

We welcome the following directors and ombudsmen who were elected to serve two-year terms on the Glastonbury Board of Directors, and one-year terms for Ombudsmen:

North Glastonbury	South Glastonbury
Gerald Dubiel	Alyssa Allen
Janet Naclerio	Laura Boise
Sheridan Stenberg	Rich Spallone

Specific voting results for directors are as follows:

Donna Andersen: 52	Alyssa Allen: 65
Gerald Dubiel: 64	Laura Boise: 45
Janet Naclerio: 62	Tim Brockett: 31
Daniel O'Connell: 9	Rich Spallone: 55
Valery O'Connell: 8	
Sheridan Stenberg: 68	
Bob Wallace: 1	
Ron Wartman: 1	

Ombudsmen elected are:

Miriam Barker: 58 (1 write-in received 1 vote for SG)
Hettie Wortelboer: 75 (no write-in votes for NG)

These volunteer positions are a way that landowners can participate in bettering our community, and we thank all who ran for election for being willing to serve.

Kenneth Haug, Paul Ranttalo and William Smith from North Glastonbury; and Richard Bolen, Sean Halling and Scott McBride from South Glastonbury are completing the remainder of their two-year terms.

Officer and committee chair positions as well as the 2013 Board Meeting Schedule will be announced in our next newsletter.

Note: Each membership interest is allowed to cast one ballot whereby 3 unique candidates may be selected for each of the 3 director positions, and 1 candidate for the ombudsman position. Voting has been done this way since the GLA's inception, and is consistent with voting practices among many other corporations.

Assessment Payment Policy

As mentioned in our July 2012 Newsletter, starting in January 2013, assessments are to be paid in the following manner in order to be in strict compliance with the Covenants:

1) Paid in full by the end of January, or
2) Paid in equal quarterly payments by January 31, April 31, July 31, and October 31.

As stated in the Covenants, there is a 30-day grace period for payments, after which a 5 percent penalty and 1.5 percent monthly interest will begin to accrue.

To ensure that the timing of how assessments are to be paid is clear and the consequences when they are not paid, we have enclosed an assessment payment policy for your review.

Guesthouse Assessment

The Covenants state that an assessment is charged for each division of land and for each dwelling unit (11.03), and the association has been charging assessments accordingly to the best of its ability.

Since guesthouses fulfill the description of a dwelling unit (3.12), and the Covenants do not base assessments on usage (nor is the association able to monitor such a thing), the board has determined that guesthouses are to be assessed as dwelling units. Landowners with guesthouses will see this reflected on their January 2013 statements.

Phone Announcements for Meeting Schedule and Road Condition Information

Exciting news! We are now set up with our VoiceNation PBX Assistant service to provide timely road condition reports during snowstorms, as well as meeting date announcements for those who wish to call in.

If you are interested, simply dial the GLA's voicemail phone number: 406-451-0033, and press the appropriate extension to hear the announcement.

Road information will be provided with a separate extension for each of the three areas: North Glastonbury – Ext. 107; Lower South Glastonbury – Ext. 108; Upper South Glastonbury – Ext. 109. Meeting date information will be provided on Ext. 105.

Road conditions will be periodically reported during snowstorms by our snow removal employees and contractors as progress is made. Please do not call these people directly as this would become burdensome and distracting to them as they attempt to do their work. For future reference, you may cut off the bottom of this page and keep the phone and extension numbers handy.

Note: If you wish to receive monthly board meeting agendas and scheduling information via e-mail, please contact us with your name and e-mail address (which will be kept confidential).

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

January 14, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:07 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Laura Boise, Rich Spallone (aka Rich), William Smith, Paul Ranttalo, Gerald Dubiel, Ken Haug, Sean Halling.
   ABSENT: Janet Naclerio (Secretary), Scott McBride.
   ALSO ATTENDING: Nathan & James (Minnick Management, Inc.)

2. **Set Agenda**

3. **Approve Meeting Minutes** – December 17, 2012
   Motion: Sheridan motioned and William seconded to approve the December 17th, 2012 minutes. **Motion carried.** Abstentions: Ken and Sean who were not present the 17th.

4. **Visiting Landowner Input Period**
   No landowners present to offer input.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Parcel 97 SG - Kathleen Ramp - Easement Update – RB
   Richard noted that the GLA is working on getting the lock combination for access.

   5.1.2 Lot 6-A NG – One West Bank Foreclosure Proceedings – AA
   Alyssa reported that the GLA received notice from One West Bank of their intent to proceed with foreclosure on a lot. She noted that this is a standard notice the GLA would see as they currently have a lien against the property to secure past due assessments and that it has been forwarded to Alanah Griffith.

   5.1.3 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. **MOTION:** William motioned and Gerald seconded to approve the December 2012 Treasurer's reports. **Motion carried unanimously.**

   5.2 Managerial Committee Report – AA
   Alyssa reported that the Newsletter and 2013 Statements will be sent out this week. She also noted that the Managerial Committee handles landowner document requests and that there is currently a request from the O'Connell's of which the status is pending due to the non-payment of a previous document request and will be fulfilled once payment is received as advised by legal counsel.
   Alyssa noted that the bylaws state that committees are to keep their own meeting minutes. In order for these minutes to become part of the GLA records Alyssa described that each committee provides a report at the regular monthly meeting which then becomes part of the minutes and therefore this requirement is met.

   5.3 Road and Weed Mgmt Committee Report – WS/RS
   William reported that other than a battery issue, the snow plowing equipment is running well and that there is a sufficient number of plow truck operators. Rich reported that it is more cost effective and less time consuming to pick up sand from Mike Adkins as needed

rather than coordinating a contractor to load sand from the Quonset. Alyssa mentioned giving notice of the February 25th community wide road meeting in the January newsletter. The board discussed the installation of the snow fences, working with volunteers to do so, and making sure those who help are thanked.
***Action Item – Alyssa** to relay telephone tree information for the February 25th telephone tree information to Minnick Management to relay to Maydell Goulart.*
Alyssa also mentioned that notice will be included in the newsletter regarding the GLA having seasonal mechanic work in order to allow qualified individuals to have a chance to bid.

5.4 Master Plan Committee Report – LB/AA

Laura reported that she spoke with Linda Ulrich regarding the group of landowners who would like to present some ideas to the board regarding the governing documents. They had not had a meeting yet in order to formulate their ideas however, some of the thoughts they have relate to potentially streamlining the covenants, taking into consideration people on fixed incomes, maintaining the original intention of the development, addressing high traffic areas in relation to rentals, cost effectiveness of operations, and other matters. Laura suggested that the group meet so that they can formulate exactly what items they would like changed and why. Laura noted that this will be first addressed on a committee level in order to bring specific items to the board.
The board discussed how best to look into the governing documents, in relation to the board's obligation to do so, and considering what is in the best interest of the landowners, for the purpose of reviewing and potentially revising these documents. **MOTION:** Laura motioned and Alyssa seconded that the Master Plan Committee is now to become the Governing Document Committee for the purpose of reviewing the bylaws, covenants, and master plan and make recommendations to the board for possible changes.
Discussion: William suggested that the first order of business for the committee would be to establish a charter. **Motion carried unanimously.** The committee members will be Richard, Alyssa, Sheridan, Laura, Scott, and Ken.

6. UNFINISHED BUSINESS

6.1 Executive Committee

6.1.1 Assessment Policy for 2013 – AA

Alyssa reported that the draft assessment policy went out to the membership, there has not been additional feedback, and there has been due process in its establishment. **MOTION**: Alyssa motioned and Sheridan seconded that the GLA assessment policy be implemented starting January 1st 2013. **Motion carried unanimously.**

6.1.2 Parcel 95 SG – Owen Assessment Reduction Request – AA

Alyssa reviewed the previous request and vote regarding it at the December 17th meeting. Alyssa reported that through research they have identified that many landowners would qualify for a county reduction in property taxes and that regarding assessments, the practice of reducing dues is not a common practice for other associations. As part of the research of this request it was discovered that there are two land divisions that make up Frances Owen's property. However, this land division is a court-ordered division and Frances indicated that the additional lot was not to be taxed as a separate lot until it was sold. The board discussed the validity of the lot and it was the consensus of the board that more research will need to be done.

7. **NEW BUSINESS**
   - **7.1 Project Review Committee – AA/RS**
     - **7.1.1 Parcel 55 SG – Blanton Garage / Dwelling – AA/RS**

       Alyssa presented the Blanton project application for Parcel 55 for the construction of a garage with small apartment. As part of this application there is a request for a setback variance due to a previous boundary line adjustment and a desired build site given the current development of the parcel. Alyssa noted that the adjoining landowners, the Kremers, had been contacted and were not opposed to the setback reduction. **MOTION:** Alyssa motioned and William seconded that the garage/shop with one bedroom apartment for Bill and Patricia Blanton Parcel 55 SG be approved with the following conditions; that the necessary electrical, septic, and pluming permits be obtained, any disturbed land be reseeded, and that the Blanton's ensure that the DEQ's sanitary restrictions are compatible with the new building. **Motion carried unanimously.**

   - **7.2 Managerial Committee**
     - **7.2.1 January Newsletter & Mailing– AA**

       Alyssa presented the newsletter for review by the board and the board collaborated on it's content.

8. **Comment Period for Visiting Landowners**
   No landowners present to offer input.

9. **Closed session**
   9.1 Discussion of lawsuits – RB/Board

10. **Meeting Adjourned at 9:21**

11. **Next Board Meeting: February 11th, 2013 at St. John's Church**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

February 11, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:25 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), William Smith, Paul Ranttalo, Gerald Dubiel, Scott McBride
   ABSENT: Sean Halling, Ken Haug. Rich Spallone (aka Rich), Janet Naclerio (Secretary), Laura Boise
   ALSO ATTENDING: Nathan & James (Minnick Management, Inc.)
   Landowners: Charlene Murphy, Dennis Kight

2. **Set Agenda**

3. **Visiting Landowner Input Period**
   Dennis Kight introduced himself as a new landowner.

4. **Approve January 14, 2013 Meeting Minutes**
   Motion: Sheridan motioned and William seconded to approve the January 14th, 2013 minutes with grammatical edits. **Motion carried.** Abstentions: Scott McBride who was not present on the 14th.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Parcel 97 SG - Kathleen Ramp - Easement Update – RB
   Richard reported that the combination to the locked gate had not yet been received from Kathleen and that a 10-day notice would be given to provide the combination to the GLA, or the lock would be cut since it is the GLA's right to access the easement.

   5.1.2 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports and noted that assessment payment receipts for this time period are similar to what has been typically received in comparison to the last three years. It was noted that as a result of our Assessment Policy, there have been a number of inquiries by landowners wanting to make sure they were paying on time. **MOTION:** Alyssa motioned and Gerald seconded to approve the January 2013 Treasurer's reports. **Motion carried unanimously.**

   5.2 Managerial Committee Report – AA
   Alyssa reported that Minnick Management has been taking a proactive approach to assisting the board with administrative items and noted that communications should be CC'd to Minnick Management in an effort to keep them informed. She also noted that with their assistance, response time for e-mail requests and voicemail messages have also improved. Denise is continuing to work on organizing the association's document boxes and files as well as fulfilling requests when needed. Alyssa reported that William Holder's parcel, NG 39, had not obtained fee simple from the Church. As such, because the taxes and assessments have not been paid, there is potential that the Church may be getting the land back and if so, would work with the GLA to rectify the past due balance of $11,609.68. She also reported on a complaint received by the Laverty's regarding noise, dogs at large, and manure smell generated from their neighbors property that will be handled by the Community Committee in order to assist with a resolution between the neighbors. Alyssa inquired to the road committee regarding a second invoice submitted by Monte Lynch for work that was not approved and if a letter should be sent. William suggested that Monte be contacted and invited to attend the community road meeting. ***Action Item – Alyssa*** *to write a letter to Monte Lynch describing how the GLA cannot pay for services unless authorized.*

5.3 Road and Weed Mgmt Committee Report – WS/RS

William reported that both GLA plow trucks are currently down but are in the process of being repaired in order to keep them up and running. Sanding is being done, however the temperature shifts have made it difficult to keep ahead of slick roads as the sand gets absorbed into the ice during melts. The board discussed the validity and process of being able to expect plow drivers to keep the phoned-in road condition announcements up-to-date as part of the job they are expected to do. William noted that plowing is done when there is at least 2" of snow accumulation on the asphalt roads and over 4" on gravel roads, and that regarding Dry Creek which is maintained by the County, the County has not been clearing snow beyond the end of the asphalt due to the type of snowplow truck they are using.

5.4 Governing Document Committee Report – LB/AA

Richard reported that due to scheduling and illnesses there has not yet been a meeting with the group of owners interested in reviewing the covenants. Alyssa reported that she had a positive discussion with Linda Ulrich and was able to help answer several questions, and provided her with a copy of the contract with Minnick Management which Linda requested.

5.5 Website Committee Report – AA

Alyssa reported that she has communicated with Scott and Ken that due to her workload and commitments she will need to resign from the committee. Scott has agreed to take her place and has started working on updates to the website. She also reported that due to the importance of making information available to landowners, the SharePoint work that Ken is doing will first focus on building an interface for landowners so they can access information.

6. UNFINISHED BUSINESS

6.1 Miscellaneous Managerial Committee – AA *(Added to Agenda)*

Alyssa discussed the process by which messages and announcements can be left with the VoiceNation service, and that an extension could be set up to forward directly to Minnick Management. Should there be some type of road emergency situation, an extension could also be set up to forward to Minnick's emergency-only contact number and then the appropriate Director would be called to handle it. By general consensus, the board agreed to have extension "0" forward to Minnick and extension "211" forward to Minnick's emergency number. Alyssa pointed out that some mail continues to come to the GLA's Emigrant PO Box, and that the Postal Service does not forward business mail as a policy. The board discussed the importance of retaining the local PO Box to be sure to catch all mail sent to the Emigrant address, and the need to highlight the new address to those who continue to send mail to the box in Emigrant. ***Action Item – Alyssa** will instruct Minnick Management on the process of leaving recorded messages on VoiceNation for upcoming board meeting dates and setup the new extensions.*

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 North Glastonbury Power Line Renovation – AA/RS

Alyssa and William reported on a section of power line that Park Electric has slated as necessary for replacement that runs the perimeter of Golden Age Village and then continues to carry power beyond to Bradford Way. Some options for replacement have been presented by Park Electric that use either overhead lines or underground lines as well as potentially increasing the phasing of power carried on from Sirius. Park Electric would replace the section at their cost if lines are

installed overhead. Due to developments within GAV that have encroached on Park Electric's current utility easement, the options for a buried line involve either the excavation of a "bench" around GAV which may additionally require obtaining new utility easements from adjoining landowners or moving structures built on top of the easement within GAV in order to use the existing easement. Both of the buried line options would require that the additional costs be paid by the Church who owns GAV and potentially the GLA. The board discussed the issue of overhead lines creating potential health hazards from the electromagnetic frequency created by overhead lines as well as the change in aesthetics created by installing poles and lines above ground. The Board then discussed the necessity of involving the Church along with Park Electric to begin discovering the viability of the replacement options and scope of those possibly affected.
***Action Item – William** will contact the Church and Park Electric to further discuss options and arrange an on-site meeting.*

7.2 Managerial Committee

7.2.1 Non Profit Waivers – AA

Alyssa reported on the granting of land assessment waivers to non-profits back in 2003 by the board at that time. The applicant at that time was the South Glastonbury Teaching Center. Alyssa noted that the covenants do not define classes of properties in relation to being assessed however, the covenants provide that waivers should not be granted if there is potential harm to the community. As the non-profit waiver would need to be applied equally, this could create harm as the number of property's owned by non-profits can vary greatly. It was noted that there are currently four lots in receipt of this waiver, all of which are owned by the North and South Glastonbury Teaching Centers. The board discussed revisiting this and that the Teaching Centers will need to be contacted as they are the affected party. ***Action Item – Richard and Alyssa** to draft a letter to the North and South Teaching Centers that the board is in the process of revisiting this waiver.*

7.3 Website Committee – AA/SM

Scott reported on various content changes that he is working on and asked the board to take a look at the current website and then e-mail him any suggested changes that should be implemented. **MOTION:** William motioned and Sheridan seconded to have Scott McBride as the chairman of the Website Committee. **Motion carried unanimously.** The board consented that PVRC information should be removed from the website as it is not a GLA responsibility.

8. Comment Period for Visiting Landowners

No comments provided by two attending landowners.

9. Closed session

9.1 Discussion of lawsuits – RB/Board

10. Meeting Adjourned at 10:11 p.m.

11. Next Board Meeting: March 11th, 2013, at St. John's Church

Board of Directors Meeting Minutes - *Final*

March 11, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:32 p.m. at St. John's Church. Janet gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Janet Naclerio (Secretary), Sheridan Stenberg (Treasurer), Rich Spallone (aka Rich), Paul Ranttalo, Gerald Dubiel, Sean Halling, and William Smith (arrived at 8:07).
   ABSENT: Laura Boise, Scott McBride, and Ken Haug.
   ALSO ATTENDING: Nathan & Lindsay (Minnick Management, Inc.)
   Landowners: Tim Brockett, Jeff Nash, Dennis Kight, Charlene Murphy, Don Hansard, Kathie Garcia and Clare Parker. Guest: Ed Dobrowski.

2. **Set Agenda**

3. **Approve Meeting Minutes – February 11, 2013**
   Motion: Sheridan motioned and Gerald seconded to approve the February 11, 2013 meeting minutes. **Motion carried.** Abstentions: Rich and Janet who were not present February 11th.

4. **Visiting Landowner Input Period**
   Jeff Green let the Board know he would be clearing off his property in preparation for a construction project for which he will be submitting a project review application.
   Tim Brockett made several comments regarding the road policy's tiered structure.
   Charlene Murphy commented on the tiered road policy and its purpose.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Parcel 97 SG - Kathleen Ramp - Easement Update – RB
   Richard presented the letter from Kathleen's attorney providing the combination for the gate lock that provides access to the GLA's easement however, after checking, the provided combination will not open the lock and as such the GLA has asked for the correct combination.

   5.1.2 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's Reports. Paul noted that the $375.00 expense listed under recreation land should be instead listed under Quonset hut repairs.
   MOTION: Alyssa motioned and Rich seconded to approve the February 2013 Treasurer's Reports with noted correction by Paul. **Motion carried unanimously.**

   5.1.3 Delinquent Account Report – SS
   Sheridan reported that 51% of the year's current accounts receivable have been collected which is on track with the typical amount collected at this time of year. There are currently 136 Landowners delinquent in payments this year, meaning they have yet to make at least their first quarterly payment. 95% of the total budgeted assessments for last year, 2012, have been collected leaving a balance of $7,236.88 in 2012 assessments past due.

   5.2 Managerial Committee Report – AA
   5.2.1 Non Profit Waivers – Update – AA
   Alyssa reported that the previous action item of writing a letter regarding non-profit waivers has not yet been accomplished and will continue to be an action item. She reported that she has trained Minnick Management on the project review

GLA 03142

application process and on how to update the announcements in VoiceNation. She noted that the extension for road emergencies would be 211 and that calls can be directed to management by dialing zero. Alyssa reported on the document request from Robert Wallace that was handled with management's assistance and distributed to the board as well, and that Denise has dropped off more records at Minnick Management's office. ***Action item – Managerial committee*** *to draft a letter to Steve Sirios regarding road work expenses and the requirement that any work must first be approved prior to commencement and payment.*

5.3 Road and Weed Mgmt Committee Report – WS/RS

William presented the February 25th, 2013 community road meeting minutes as well as the March 7th, 2013 Road Committee meeting minutes which shall become attached to the current board meeting minutes for the record. William discussed the options for magnesium chloride and road repairs that the committee is currently discussing. **MOTION:** William motioned and Sheridan seconded that the $3,279.36 presently in Savings and identified as "Available" shall be renamed "Long Term Road Maintenance Fund," and set aside with the intention of accruing adequate funds to pay for ongoing periodic road maintenance expenses. Any money not spent this summer from the $28,928.45 would be added to this Long Term Road Maintenance Fund. In addition, unspent funds from annual road budgets will automatically be transferred into this fund in the savings account at the end of the fiscal year, Dec 31st, in order to preserve any unspent funds for purposes of road maintenance. **Motion carried unanimously.**

William discussed the recommendation from Road Committee members regarding increasing assessments 10% for the next 2-3 years to cover expected increased costs for landowner-mandated road safety, and to cover basic maintenance and improvements to road surface treatments, purchase of new equipment, improvements to Quonset Hut, and perhaps to increase employee wages. **MOTION:** William motioned and Alyssa seconded that the board will seek input from Landowners regarding its intention to raise annual assessments 10% per year for 2014, 2015, and 2016. **Motion carried unanimously.** Rich expressed that in addition to feedback regarding an assessment increase, there should be input sought from landowners on what road maintenance items they would like to see road funds spent on. The board discussed how they might efficiently gain landowner input about the roads and how the community would like road funds spent.

5.4 Project Review Committee – AA/RS

5.4.1 North Glastonbury Power Line Renovation Update – AA/WS

Alyssa presented the letter to Park Electric which explains that the GLA is not currently in a position to approve above-ground power lines and encourages Park Electric to work with the owner of the property to submit a project review variance application.

5.5 Governing Document Committee Report – LB/SM

Richard and Alyssa reported that the Governing Document Committee was unable to meet and does not currently have a report.

5.6 Website Committee Report – SM

Alyssa reported that Scott is making progress on updating the website and working with Rudy Parker. She encouraged the Board to please visit the website and provide feedback.

5.7 Community Committee

5.7.1 Lot 25-2 NG - Laverty Complaint – RB

Richard presented the complaint letter response that was sent to the Raths for the purpose of making them aware of the complaint and corresponding covenants, and asking them to respond to the GLA.

6. UNFINISHED BUSINESS

6.1 Executive Committee

6.1.1 Parcel 95 SG – Owen Additional Lot – SS

Alyssa reported that she spoke with the Park County Assessor's office regarding Parcel 95-SG remainder lot and they indicated that they are now assessing it as a separate tract of land. The board discussed that as such and in keeping with the covenants, this remainder tract will need to be assessed starting in 2013 and include a 30-day grace period for payment. Richard mentioned that in order to be in compliance with the covenants, previous assessment reduction requests will need to be reviewed as they are not in the best interest of the association. The board then discussed how an appropriate course of action for providing financial assistance with assessments might be the community's forming of a charity to help landowners in need.

7. NEW BUSINESS

8. Comment Period for Visiting Landowners

Kathie Garcia inquired about finance charges and payment plans.
Don Hansard inquired about the condition of Hercules Road close to his property and maintenance plans. This section of road will be checked on by the Road Committee.
Charlene Murphy commented on the importance of having a road policy.

9. Closed session

9.1 Discussion of lawsuits – RB/Board

10. Adjournment at 9:40 p.m.

11. Next Board Meeting: April 8th, 2013 at St. John's Church (Note that next meeting date was changed to April 29th via email vote by Board)

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

April 29, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:04 p.m. at St. John's Church. Charlene gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Janet Naclerio (Secretary), Rich Spallone (aka Rich), Laura Boise, Scott McBride, Ken Haug, William Smith, Paul Ranttalo (arrived at 7:35), Gerald Dubiel (arrived at 8:11).
   ABSENT: Sheridan Stenberg (Treasurer), Sean Halling
   ALSO ATTENDING: Ashley & Peter (Minnick Management, Inc.)
   Landowners: Charlene Murphy, Jerry Ladewig, Walter & Regina Wunsch, George Larsen, Alan Shaw, Donna Anderson, Ron Wartman and Mary Wallace.

2. **Set Agenda**

3. **Approve Meeting Minutes** – March 11, 2013
   Motion: William motioned and Alyssa seconded to approve the March 11, 2013 meeting minutes. **Motion carried.** Abstentions: Scott and Laura who were not present March 11th.

4. **Visiting Landowner Input Period**
   Jerry Ladewig presented a letter regarding her concerns about some properties that are in need of clean-up in order to be in compliance with the covenants.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Parcel 97 SG - Kathleen Ramp - Easement Update – RB
   Richard reported that the received combination is correct and this easement access issue is now corrected and closed.

   5.1.2 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   The Board reviewed the treasurer's reports and discussed the importance of receiving invoices and employee hours in a timely fashion. **MOTION:** Laura motioned and Rich seconded to approve the March 2013 Treasurer's Reports. **Motion carried unanimously.**

   5.1.3 Assessment Policy – Clarification of Late Fees – RB
   Richard and Alyssa clarified how when an assessment payment becomes delinquent, late fees should be charged on the quarterly assessment amount due rather than the full yearly assessment amount.

   5.1.4 "Concerned Landowner" letter and meeting – RB
   Richard reported that the executive committee met with the concerned landowner group on April 25th at 7:00 pm. In attendance were officers Richard, Alyssa, Sheridan, and Janet, and board member Gerald. The following landowners were present: Charlene Murphy, Robert and Mary Wallace, Regina Wunsch, Linda Ulrich, Donna Anderson, and Powell Gelderloos. Richard reported that the discussion was productive, some questions were answered and some required more research in order to address.

   5.2 Managerial Committee Report – AA
   5.2.1 Considerations for May 13 Board Meeting – AA
   Alyssa reported on excerpts from meeting minutes she had been provided by Denise showing the ongoing difficulty the board had experienced since its

GLA 03148

inception regarding the accomplishing of administrative/management tasks and how there has been a continual practice of paying for work to be done as reflected in meeting minutes and budget reports going back to the beginning years of the GLA. Alyssa suggested that with management in place handling the administrative duties overseen by the board that it might be prudent to dissolve the managerial committee. The board discussed the workflow of various administrative functions and looking into assigning levels of priority to tasks. The board discussed the short timeline between the next scheduled board meeting and the potential of using this time for a road committee meeting as they have pressing items. **MOTION:** William motioned and Ken seconded to cancel the upcoming board meeting on May 13th for the purpose of having a road committee meeting. **Motion carried unanimously.**

5.3 Road and Weed Mgmt Committee Report – WS/RS

William reported that they had received 96 landowner surveys to date including hearing from five owners in person and that the surveys will be analyzed at the May 13th road committee meeting. William reported that May and the fall is when the grading is typically completed in order to take advantage of the wet weather and that our contractor is available to start moving on the work within 24 hours of notice.

5.4 Governing Document Committee Report – LB/SM

Laura reported that Scott had agreed to assume the role of chairperson for the governing document committee. The board discussed the previous task for the committee to draft a charter for its committee, which is then to be presented to the board.

5.5 Website Committee Report – SM

Scott reported on the current progress of updating the website with current information.

5.6 Community Committee Report

5.6.1 Lot 25-2 NG – Laverty Complaint Update – RB

Alyssa reported on the response by the Rath's to the initial complaint received and discussed at the March 11, 2013 meeting. She noted that the advice from legal counsel is for the GLA to take action via letter as was done, however, any landowner who has an issue with another landowner's violation of covenants may choose to pursue legal action against the offending landowner.

6. UNFINISHED BUSINESS

6.1 Project Review Committee – AA/RS

6.1.1 North Glastonbury Power Line Renovation Variance – AA/WS

Alyssa reported on the variance and how the GLA had noticed adjoining landowners and any potential line-of-sight landowners in order to gain their feedback on this variance. The feedback received from owners supported the proposed variance and some were eager to cooperate in granting easements to Park Electric to facilitate the running of the new line. It was discussed that while the majority of lines will be underground, one section of line must go over ground in order to avoid drain fields, extended power outages, and to establish the ability for the power connection to GAV to be separated. Gerald and Laura questioned the necessity of any lines being installed overhead. Jim Anderson from Park Electric fielded questions from the board via speaker phone with emphasis on why there must be a section of overhead line. The board discussed the due diligence performed and facts presented. **MOTION:** Alyssa motioned and Ken seconded to approve the proposed variance for the installation of two electric line poles as

designated in the variance application with the condition that disturbed land is reseeded. **Motion carried.** Opposed: Gerald, abstentions: Paul.

7. **NEW BUSINESS**
   - **7.1 Proposal for CPA to Review GLA Books – Executive Committee**
     Richard reported that as part of the meeting with the concerned landowner group Regina Wunsch recommended review and adjustments be made to the categorizing of items in the books under the guidance of a CPA. Regina proposed that the books be reviewed by CPA Bob Storey at her expense as a gift to the GLA. **MOTION:** Ken motioned and William seconded to approve the proposal by Regina Wunsch to have the books reviewed at her expense by CPA Bob Storey. **Motion carried unanimously.**

   - **7.2 Regina Wunsch Bookkeeping Proposal – Executive Committee**
     Richard reported that Regina has offered to do the bookkeeping for the GLA however the Board needs further research to respond to this request. Item was tabled.

   - **7.3 Project Review Committee – AA/RS**
     - **7.3.1 Parcel 100 (SG) Traucht - Hay Shed – AA**
       The board reviewed an application for the construction of a hay shed on Parcel 100 SG. **MOTION:** Alyssa motioned and Rich seconded to approve the construction of a hay shed on Parcel 100 SG with the condition that any disturbed land be reseeded. **Motion carried unanimously.**

     - **7.3.2 Lot 25-1 (NG) Goulart - Driveway – AA**
       Alyssa presented an application to widen and establish a new section of the existing driveway on Lot 25-1 NG. Gerald noted that he inspected the site and setback requirements are met. **MOTION:** Alyssa motioned and Rich seconded to approve the driveway installation with the condition that disturbed land be reseeded. **Motion carried.** Abstentions: Paul.

     - **7.3.3 Project Review Committee Members – AA**
       Item tabled.

8. **Comment Period for Visiting Landowners**
   Charlene Murphy thanked the Board for their work and serving the GLA.

9. **Closed session**
   - **9.1 Discussion of lawsuits – RB/Board**

10. **Meeting Adjourned at 9:40**

11. **Next Board Meeting: May 13th, 2013 at St. John's Church (Meeting postponed to June 10, 2013)**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *FINAL*

June 10, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:09 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), Rich Spallone (aka Rich), Paul Ranttalo, Scott McBride, Laura Boise, and William Smith (arrived at 7:18).
   ABSENT: Sean Halling, Gerald Dubiel, and Ken Haug.
   ALSO ATTENDING: Nathan (Minnick Management, Inc.)
   Landowners: Charlene Murphy, Dennis Kight, Donna Anderson, and Daniel & Valery O'Connell.

2. **Set Agenda**

3. **Approve Meeting Minutes – April 29th, 2013**
   Motion: Laura motioned and Alyssa seconded to approve the April 29th, 2013 Meeting Minutes with the corrected attendance noted under 5.1.4. **Motion carried.**
   Abstentions: Sheridan who was not present April 29th.

4. **Visiting Landowner Input Period**
   Valery O'Connell inquired about giving input during agenda item 5.1.3 and was told she could do so.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's reports. **MOTION:** Laura motioned and Scott seconded to approve the April & May 2013 Treasurer's Reports. **Motion carried unanimously.**
   Sheridan presented the Johnson bankruptcy notice and how it has been forwarded to Alanah Griffith for review. She reported that Frances Owen's remainder lot has been sold and its dues brought current. She also reported that Regina Wunsch is continuing to work with Bob Storey in the CPA's review of the GLA books.

   5.1.2 File Sharing & QuickBooks Access – AA
   Alyssa recommended that the Treasurer be provided access to Quickbooks via software purchased by the GLA in order to allow complete and immediate access to financial and membership records, which she reported had been confirmed to be good practice by our attorney. **MOTION:** Alyssa motioned and Sheridan seconded that the GLA purchase Quickbooks software and provide it to the Office of Treasurer at the current sale price of $199.00 through Intuit. **Motion carried unanimously.**

   Alyssa discussed the current workflow solution called "DropBox" that she, Nathan and Sheridan have been recently using for exchanging and updating important files as an interim step until Sharepoint can be utilized. Due to space requirements for shared GLA files, she has paid for a monthly subscription in order to obtain a larger size dropbox, and asked to be reimbursed for the monthly fee of $9.95 until this is no longer needed. **MOTION:** Janet motioned and Laura seconded to reimburse Alyssa for the Dropbox expense of two previous months at $9.95/month and for ongoing months until SharePoint has been completely setup. **Motion carried.** Abstentions: Alyssa.

GLA 03156

5.1.3 Amanda Hull fee waiver request – SS
Sheridan presented the finance charge waiver request submitted by Amanda Hull. The board discussed Covenant 12.01 regarding variances and waivers and how these are to be granted when determined to be necessary and not injurious to the rest of the community, and the importance of considering how a precedent could be set. **MOTION:** Sheridan motioned and Scott seconded to waive the finance charges as requested by Amanda Hull. **Motioned denied.** Abstentions: Laura.

5.1.4 GLA / State of MT Unemployment Insurance – SS
Sheridan reported that the GLA's payroll for snow plowing employees has met the requirements to start paying & withholding for the State's Unemployment Insurance tax and as such a U.I. account will be started with the State of Montana.

5.2 Managerial Committee Report – AA
Alyssa reported to the board on her progress updating the welcome packet with current information. ***Action Item – Alyssa will forward the welcome letter to Janet and Laura to review.***

5.3 Road and Weed Mgmt Committee Report – WS/RS
William reported on the May 13th, 2013 Road Committee meeting. The meeting was called to order at 6:00 p.m. and attended by William, Sheridan, and Paul along with Landowners Charlene Murphy and Walter Wunsch. The meeting adjourned at 8:30 p.m.
William reported that Walter and Paul had agreed to rate the gravel on the GLA roads by surveying them and then submitted a report for the records ***(Attachment)***.
The committee approved the installation of storm water drainages on Capricorn Drive that will be paid for with the available chip seal funds based on the consensus of the feedback received in the Landowner Road Survey.
The committee approved repairs to the Dodge snow plow truck to be paid for out of the budgeted funds. Walter Wunsch volunteered to help expedite the repairs by overseeing the repair and transportation of the vehicle.
MOTION: William motioned and Scott seconded to approve the repair of the Dodge snow plow truck by Gallatin Transmission quoted at $3,100.00. **Motion carried unanimously.**
William also reported that at the committee meeting, Walter Wunsch volunteered to supervise all Board approved snow plow equipment repairs and to help coordinate plow operators at no cost to the GLA based on his personal experience with plowing operations.
William presented the results of the Landowner Road Survey to date and noted that the majority of landowner responses indicates the support of the work being done by the Road Committee as well as a consensus to not spend more money or increase dues. He also reported that the spring grading has been done and that some gravel was added to Leo Lane and Virgo based on the need for it.
William reported that the Arcturus extension beyond the original cul-de-sac is the responsibility of the GLA to maintain based upon research findings and the acceptance of this portion of road by the Board in 2004.
Paul reported that he had contacted three contractors regarding some sealed cracks which are failing and noted that areas of asphalt may be failing to some degree which is causing separation and sinking. He will continue to research potential solutions.

5.4 Project Review Committee Report – AA/RS
No report at this time.

5.5 Website Committee Report – SM
No report at this time.

5.6 Community Committee Report

5.6.1 Nuisance Letter from Jerry Ladewig – RB
Richard reported on the letter received from Jerry Ladewig regarding various covenant violations noticed relating to eyesores and nuisances. The board discussed the possibility of including reminders of the covenants in the next newsletter. Richard noted that the way such items have been handled since 1997 has been by the board responding to specific complaints when received as opposed to the general policing of lots. ***Action item – Laura to draft information to be included in the July newsletter.***

5.6.2 William Buford ATV's – RB
Richard discussed a letter from William Buford reporting ATV's cutting thorough his property, and how remedying this is outside the GLA's reach of authority and should be handled by the proper authorities. William will be contacted to suggest that he contact the Sheriff when this happens, and he consider posting no trespassing signs.

6. UNFINISHED BUSINESS
No unfinished business at this time.

7. NEW BUSINESS
No new business at this time.

8. Comment Period for Visiting Landowners
Valery O'Connell commented on various matters and asked questions of the Road Committee.

9. Closed session
9.1 Discussion of lawsuits – RB/Board

10. Meeting Adjourned at 9:45 p.m.

11. Next Board Meeting: July 15th, 2013 at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *FINAL*

July 15, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:29 p.m. at St. John's Church. Janet gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), William Smith, Gerald Dubiel, and Paul Ranttalo (excused at 8:01pm).
   ABSENT: Sean Halling, Rich Spallone (aka Rich), Laura Boise, Scott McBride, and Ken Haug.
   ALSO ATTENDING: Nathan & Ashley (Minnick Management, Inc.)
   Landowners: James Coslick, Chris Williams, and Daniel & Valery O'Connell.

2. **Set Agenda**

3. **Approve Meeting Minutes – June 10, 2013**
   Motion: Sheridan motioned and William seconded to approve the June 10th, 2013 meeting minutes. **Motion carried.** Abstentions: Gerald who was not present June 10th.

4. **Visiting Landowner Input Period**
   James Coslick inquired about a committee to review the covenants and expressed appreciation for the recent Landowner Road Survey.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's reports. **MOTION:** William motioned and Gerald seconded to approve June 2013 Treasurer's Reports. **Motion carried unanimously.**

   5.1.2 CPA review of GLA Bookkeeping Practices – AA
   Alyssa presented the report from CPA Robert Storey who recently reviewed the GLA's bookkeeping procedures as part of the Board approved CPA's review which was paid for by Regina Wunsch.

   5.1.3 Liability Insurance Renewal – JN
   Janet updated the Board on completing the liability insurance renewal application.

   5.2 Managerial Committee Report – AA
   No current report.

   5.3 Road and Weed Mgmt Committee Report – WS/RS
   William reported on the June 27th, 2013 road committee meeting at 6:30pm at which Sheridan, Charlene Murphy and he reviewed seven more Landowner Surveys received. The committee looked into determining if there were any survey items that were weighted based on geographical location and did not note any specific trends.
   William reported that it is now time to mow along the edge of the roads and noted that Daniel Peterson will be contacted to inquire if he can cut along community roads as an independent contractor as there is a shortage of available contractors for such mowing.
   Paul reported that a grader may have become available for the purpose of ongoing road maintenance. Gerald reported that weed spraying is scheduled to take place soon.

Paul mentioned that they may have potentially found a combination front loader and sickle mower for purchase that will first be considered by the road committee for viability and, if deemed appropriate, will then be brought to the board for discussion.

5.4 Project Review Committee Report – AA/RS
No current report.

5.5 Website Committee Report – SM
No current report.

5.6 Community Committee Report

5.6.1 Correspondence from Jerry Ladewig – RB
Alyssa presented correspondence received from Jerry Ladewig regarding debris, inoperable cars, and like items which she believes are creating a nuisance. Alyssa discussed how the way the GLA currently handles covenant complaints is to address them if specific items are brought to the attention of the Board. From there a letter is sent to the landowner in question and given 30 days to respond regarding the complaint. The Board discussed that letter would be sent to the landowners in question from Jerry's complaint with exception of those where clean-up work is currently taking place.

5.6.2 Buford ATV Complaint Response – AA
Alyssa presented the response letter sent in regard to the Buford ATV complaint.

6. UNFINISHED BUSINESS
No unfinished business at this time.

7. NEW BUSINESS

7.1 Project Review Committee – AA/RS

7.1.1 Lot 10-B NG / Nash Residence Application
Alyssa presented the Nash residence application on Lot 10-B within NG. Gerald confirmed that the setbacks have been met. Alyssa motioned and William seconded to approve the residence to be built on Lot 10-B in NG for Jeffrey Nash with the conditions that the necessary electrical and plumbing permits be obtained and the all disturbed land be reseeded. **Motion carried unanimously.**

7.1.2 Lot 5-B NG / Price Addition Application
Alyssa presented the Price's addition application on Lot 5-B in NG for the purpose of creating a handicap accessible living space. She noted that due to the requirement of a necessary breezeway a variance to the setback requirements of 50 feet would need to be made to accommodate a 46 foot setback. In addition, due to this project being donated and paid through fundraising the Price's are also seeking a variance to the sanitation bond requirements as funds are needed to complete the project. The Board discussed the project with the builder and attending property owners and it was determined that a variance to the setback requirements would not be needed if the addition were to be moved forward to the South-East a few feet. The builder agreed that this could be done to stay within the setback and approved of this suggested modification as the agent for the Price's. **MOTION**: Alyssa motioned and Sheridan seconded to approve the Price's addition application with the conditions that the placement of the structure is adjusted to honor the 50 foot setback requirement, the necessary electrical and plumbing

permits are obtained, that all disturbed land be reseeded, and that the sanitation bond be waived. **Motion carried**. Abstentions: Janet.

7.1.3 Lot 33-B SG / Hull Greenhouse Application
Item tabled.

7.1.4 Lot 34-B SG / Covington Garage Remodel
Alyssa reported that a project is taking place which has not been applied for where a garage is being remodeled into a dwelling unit. She discussed that the policy of not reviewing projects under 200 square feet may be in need of amending. She proposed that garden sheds and like structures should still be allowed to be placed without review but any dwelling unit, regardless of size, should be reviewed. In order to accommodate the new policy the covenants would need to be amended to reflect the appropriate policy. The board discussed that once the project reported by Alyssa is complete a dwelling assessment will need to be charged. Alyssa noted that everything must be reviewed per the covenants as they are currently stated.

7.1.5 Charging Impact Fees Regardless of Application Submittal
Alyssa discussed that when a landowner moves forward with a project without submitting to project review, paying the required fees, and being in compliance a potential fining system may need to be researched. The board discussed that a potential fining system would need to be brought to the community as part of a potential covenant amendment. Alyssa asked if an impact fee can be charged to those who build without the approval. The board discussed that in order to be fair and equitable to the community, impact fees should be charged as they apply to any project and that impact fees charged do not require amendment to the covenants. The board also discussed a review of the governing documents in relation to impact fees and sanitation bonds. The Board discussed putting together potential changes to the covenants and gathering any landowner suggestions in regard to this. It was agreed that a notice should be added to the upcoming newsletter asking landowners to submit any suggested changes they might have to the covenants by September.

7.1.6 Project Review for Major Landscaping Projects
Alyssa noted that legal counsel has suggested that major landscape or terrain changing projects should go through the project review process and that in order to do so the covenants would not need to be amended.

7.2 Managerial Committee Report – AA

7.2.1 July Newsletter – AA
Alyssa presented the draft newsletter and the Board discussed content.

8. Comment Period for Visiting Landowners
Daniel and Valery O'Connell commented on various matters.

9. Closed session
9.1 Discussion of lawsuits – RB/Board

10. Meeting Adjourned at 9:35 p.m.

11. Next Board Meeting: August 12th, 2013 at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

August 12, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:06 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President) aka Richard, Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), William Smith (excused at 9:06 pm), Gerald Dubiel, Rich Spallone (aka Rich), Laura Boise, and Paul Ranttalo.
   ABSENT: Sean Halling, Scott McBride, and Ken Haug.
   ALSO ATTENDING: Nathan and Ashley (Minnick Management, Inc.)
   Landowners: Regina Wunsch, Charlene Murphy, Lindsey & Chad Stone, Chris Williams, Daniel & Valery O'Connell, Jerry Ladewig, and Linda Ulrich. Guest: Danilie Howe

2. **Set Agenda**

3. **Approve Meeting Minutes – July 15, 2013**
   Motion: Sheridan motioned and William seconded to approve the July 15th, 2013 meeting minutes. **Motion carried.** Abstentions: Rich and Laura who were not present July 15th.

4. **Visiting Landowner Input Period**
   Jerry Ladewig inquired about posting meeting minutes on the GLA's website.

   Chris Williams inquired about some road maintenance work being performed.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's reports. **MOTION:** Alyssa motioned and Rich seconded to approve July 2013 Treasurer's Reports. **Motion carried unanimously.**

   5.2 Election Committee Report – SS
   Sheridan reported that the upcoming annual meeting announcement and nomination mailing will be sent out at the end of August.

   5.3 Managerial Committee Report – AA
   Alyssa reported that no one had come forth to apply for the independent contractor position to produce the newsletter. She reported that a lot of work was being handled due to the current litigation.

   5.4 Road and Weed Mgmt Committee Report – WS/RS
   William reported that the clean-up of the cul-de-sac at the end of Arcturus is in the process of being started this month. He noted that mowing, which is best done annually to help deter snow drifts, was approached via manual weed whacking first and mowing afterwards to help reduce damage to mowing equipment caused by rocks. Despite the initial weed whacking, the mowing contractor still incurred $600 worth of damage to his equipment due to rocks. This demonstrates the need to improve how the cutting is approached and the road committee will be continuing to look at ways to improve the mowing process.
   William discussed three areas on Capricorn where water collects up to the edge of the asphalt. Two sumps have previously been approved to be installed to help mediate this issue while the need for a third sump is newly identified. **Motion:** William motioned and Sheridan seconded to approve the addition of a man hole storm water sump to be

GLA 03168

installed on the North side of Capricorn Drive within the community road easement across from the driveway to addresses 215 and 217 Capricorn at the cost to $2,600 to be paid for out of the road maintenance reserve fund. **Discussion:** The board discussed that this is an appropriate step to help protect the investment of the asphalt and gravel roads. **Motion carried unanimously.**

The board then discussed the availability of funds in light of the bookkeeping review and the potential for funding the third man hole sump. **Motion:** Laura motioned and William seconded to fund the two previously approved man hole drainage sumps out of the road maintenance reserve fund rather than the chip seal funds. **Motion carried unanimously.**

William reported that weed spraying has been completed and that in preparation for winter, the road committee is checking vehicles and equipment to help improve plowing and sanding efficiency in response to landowner comments. Paul discussed that he was looking into equipment to handle both loading sand and cutting grass.

5.5 Project Review Committee Report – AA/RS

Alyssa reported on a letter received from Timothy Brockett regarding a project on parcel 84 in High South where some damage to the road allegedly had occurred as a result of construction activity. **ACTION ITEMS:** ***Paul:*** Contact the owner to inquire about the project. ***Rich:*** Touch base with Tim regarding the road condition.

5.6 Website Committee Report – SM

No report at this time.

5.7 Community Committee Report

5.7.1 Lot 24 SG / McGee Correspondence – RB

5.7.2 Lot 47 SG / Mueller Correspondence – RB

5.7.3 Lot 28-C SG / Ford Correspondence – RB

Richard reported on complaints received by Jerry Ladewig regarding Lots 24 SG, 47 SG, and 28-C SG and presented draft letters that were to be sent to Jerry as well as to the lot owners in question regarding the issues. The board reviewed the letters and concurred that they were acceptable.

5.8 Governing Document Committee Report – AA

Alyssa reported that they are working on obtaining landowner suggestions for changes to the Bylaws, Covenants and Master Plan. The board discussed potential ways to compile and gather ideas.

6. UNFINISHED BUSINESS

6.1 CPA Review of GLA Bookkeeping Practices – SS

CPA Robert Storey presented the proposed restructuring of the GLA's bookkeeping records in order to correct some items in relation to the balance sheet, reclassify items which should be classified as liabilities, and to introduce fund accounting standards which will generate a more accurate balance sheet. Fund accounting will show a better picture of cash flow, and the proposed restructuring will establish a more efficient bookkeeping system. He informed the Board that the Wunsch's have agreed to pay for the proposed restructuring. If approved, Robert stated that the time frame would be to work thru September to get restructuring work completed with the goal of having a live system in place by October. In addition, Bob noted that there should be some type of annual follow up to review the books and prepare an annual financial statement. Bob discussed the technical application of starting a Quickbooks "new company" file and how historical information will be retained. The board discussed how transitioning into restructured records might be accomplished and the importance of being able to present

accurate and clear figures. Robert presented an engagement letter to be reviewed which if approved, would allow the restructuring process to begin. Robert answered questions from the Board and landowners in attendance. **Motion:** Sheridan motioned and Laura seconded to approve the engagement letter from CPA Robert Storey for the proposed restructuring of the bookkeeping records as proposed and paid for by the Wunsch's. **Motion carried unanimously.**

6.2 Project Review Committee – AA/RS

6.2.1 Lot 5-B NG / Price Addition Placement Update – AA

Alyssa reported that the Price's have submitted an updated site plan to match the project approval which complies with the 50-foot setback requirements.

6.2.2 Lot 33-B SG / Hull Greenhouse Application Update – AA

Alyssa reported that the project has been put on hold by the owners.

7. NEW BUSINESS

7.1 Clarification about Common Use and Reserved Land – WS

The board discussed the various access areas as well as the potential placement of signs designating access areas.

7.2 Project Review Committee – AA/RS

7.2.1 Parcel 75 SG / Campbell Greenhouse Application – AA

Alyssa presented the Campbell Greenhouse application. Due to the minimal nature of the project, the owner has requested a reduced impact fee of $25.00 and waiver of the sanitation bond. **Motion:** Alyssa motioned and Laura seconded to approve the Campbell's greenhouse with the conditions that disturbed land be reseeded, the impact fee be $25.00, and that the sanitation bond be waved. **Motion carried unanimously.**

7.2.2 Lot 29-A NG / Stone Greenhouse Application – AA

Alyssa presented the Stone Greenhouse application. Due to the minimal nature of the project, the owner has requested a reduced impact fee of $25.00 and waiver of the satiation bond. **Motion:** Alyssa motioned and Laura seconded to approve the Stone's greenhouse with the conditions that disturbed land be reseeded, the impact fee be $25.00, and that the sanitation bond be waved. **Motion carried unanimously.**

7.3 Impact Fees and Covenant Enforcement – AA

Alyssa discussed research of the governing documents and the confirmation from legal counsel that the GLA may charge impact fees as it deems appropriate as a way to maintain the roads. As part of the report she cited Covenant 10.01 "Association's Authority," Covenant 6.01 "Association's Approval," and Bylaws Article XI "Board of Directors" Section B "General Powers and Duties."

Alyssa discussed how the covenants state that all structures require project review and the history of how structures under 200 sq/ft had not been reviewed based on a policy adopted by one of the earlier boards. She presented that in light of research, the covenants would need to be amended to allow for smaller projects under 200 sq/ft to either not be reviewed, or, to be reviewed and approved by the Project Review Committee directly. Item tabled for further research.

The board discussed that according to legal counsel, the governing documents allow for a fining system to be implemented as a method of covenant enforcement, but that this should be brought to the landowners for their input and suggestion before pursuing this direction.

8. **Comment Period for Visiting Landowners**

   Comments and input were given by Jerry Ladewig, Linda Ulrich, Regina Wunsch, and Daniel & Valery O'Connell.

9. **Closed session**
   9.1 Discussion of lawsuits – RB/Board

10. **Meeting Adjourned at 10:45 p.m.**

11. **Next Board Meeting: September 9th, 2013 at St. John's Church (Later changed to September 16th, 2013).**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

September 16, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The meeting was called to order by Alyssa Allen at 7:07 p.m. at St. John's Church. Janet gave the opening prayer.

PRESENT: Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), William Smith, Gerald Dubiel, Paul Ranttalo, and Rich Spallone (aka Rich).
ABSENT: Richard Bolen (President), Sean Halling, Laura Boise, Scott McBride, and Ken Haug.
ALSO ATTENDING: Peter & Ashley (Minnick Management, Inc.)
Landowners: Dennis Kight, Daniel & Valery O'Connell, Charlene Murphy, Donna Anderson, Regina Wunsch, Ia Williams, and Ron Wartman. Guest: Danilie Howe.

2. **Set Agenda**

3. **Approve Meeting Minutes – July 15, 2013**
Motion: William motioned and Sheridan seconded to approve the July 15, 2013 meeting minutes with corrections as follows: Add Danilie Howe as a Guest in attendance and add wording "and gravel" to the discussion portion of item 5.4. **Motion carried unanimously**.

4. **Visiting Landowner Input Period**
Dennis Kight inquired about easement access to common use land from Sagittarius Skyway. The Board described how common land was accessed, and discussed the need to install better signs to direct landowners to the access route.

5. **Officer and Committee Reports**

5.1 Executive Committee Report

5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
Sheridan presented the Treasurer's reports. There was no motion made

5.1.2 Progress with CPA Robert Storey- SS
Sheridan read a memo dated September 16th from Robert Storey describing how good progress has been made on the new structure in Quickbooks and how a working model will be available for the Board to view on Friday September 20th at his office. The Board acknowledged Regina Wunsch and thanked her for funding the project.

5.2 Election Committee Report – SS
Sheridan reported that she is gathering volunteers to help with the annual meeting and things are on schedule. She noted the need for an ombudsman for NG and if anyone has an idea of who would like to run to please let her know.

5.3 Managerial Committee Report – AA
Alyssa reported that the ongoing litigation has caused a significant burden for the Managerial Committee due to the amount of hours required to fulfill the Association's obligation to answer requests related to the litigation for the past 2 years. She explained that the GLA's documents have not been kept in an organized or consolidated manner due to the volunteer and part-time nature of administrative personnel and lack of an office location in the past, and that producing reports for litigation demands was especially time-consuming. Alyssa presented the idea of a conference phone being used at meetings to allow Board members to participate in meetings when they were unable to attend in person for various reasons. She handed out information about the Polyvore 500, and how a typical conference phone, sized to handle our meetings, would cost between $300-$400.

5.4 Road and Weed Mgmt Committee Report – WS/RS

William reported on the September 9th, 2013 Road Committee meeting, attended by William Smith, Rich Spallone, Sheridan Stenberg, Charlene Murphy, and Gerald Dubiel. Discussion focused on the upcoming year's budget, and was followed by a meeting with landowner Regina Wunsch to hear her concerns and ideas about the roads and future projects. William reported that Arcturus was recently graded, weeded, and cleaned up. He also mentioned that a test strip of magnesium chloride was put down for a length of 700 feet and has worked well so far. The committee welcomes input from landowners on this issue, and is still working on a cost/benefit analysis for this project.

5.5 Project Review Committee Report – AA/RS

Alyssa reported that legal counsel has confirmed that the covenants require that every building and structure must be reviewed regardless of size. The Board's current policy of not reviewing structures 200 s.f. or less would have to be validated by an amendment to the covenants. Until such an amendment could be made, Alyssa suggested that the Board not charge an application fee or sanitation bond for any structures 200 s.f. or less, the Project Review Committee be given authority to review and approve such structures, and the results would be reported on at the monthly Board meetings. Item tabled in order to receive further legal counsel, and Board will revisit next meeting.

5.6 Website Committee Report – AA

Alyssa reported that Scott has been working on updating the website.

5.7 Community Committee Report - AA

Alyssa reported that no responses to the violation letters sent by the Association have been received. No further action is being taken by the Board at this time.

5.8 Governing Document Committee Report - AA

Alyssa reported that legal counsel Alanah Griffith clarified that the procedure for amending the Covenants and Master Plan would start with the board appointing both directors and landowners to the Governing Document Committee who would meet and discuss possible changes; then the committee would meet with legal counsel to explore options and report back to the board. Ron Wartman (landowner) expressed interest in being a part of the committee, and Alyssa said she will bring names to the next meeting of other people who have expressed interest in being involved as well.

6. UNFINISHED BUSINESS

No unfinished business at this time.

7. NEW BUSINESS

7.1 Executive Committee

7.1.1 Liability Concerns and Future Expenses - AA

Alyssa reported on the possible future expense of the Association due to ongoing litigation and how it may create difficulty in getting future liability insurance, or the premium could rise exponentially. She explained that the Association's current liability insurance is covering legal costs, but on the yearly anniversary date of June 2014, the premium could be raised, and the policy may not be renewed in June 2015 which is the expiration date of the current policy.

GLA 03176

7.2 Managerial Committee Report

7.2.1 Proposal for Administrative/Secretarial Position - AA

Alyssa proposed hiring an individual to consolidate, organize, and digitize as appropriate all of the GLA's materials and records in order to lessen the amount of hours spent answering ongoing litigation. The board discussed the benefit of hiring Minnick Management to perform this work as a special project rather than hiring an individual employee, and a way to fund the project within the current budget. Alyssa reported that Minnick Management had been contacted regarding this idea, and it would be feasible for them to handle this work. The proposed rate of pay would be $20/hr. **MOTION:** Sheridan motioned and Gerald seconded to allocate funds from Policy and Procedure budget to Minnick Management for the special project of organizing records. **Motion carried unanimously.**

7.3 Project Review Committee

7.3.1 Parcel 84-B SG / Branson Shop and Storage Building Application - AA

Alyssa presented the application and pointed out that this is a tenancy-in-common parcel. She noted that there were no variances requested and Paul confirmed that the setback requirements had been met. **MOTION:** Sheridan motioned and Gerald seconded to approve Branson's shop and storage building application with the conditions that any necessary permits be obtained and that all disturbed land be reseeded. **Motion carried unanimously**

7.4 Posting Meeting Minutes on Website - AA

Alyssa explained that she received legal counsel on this issue and it is up to the Board's discretion to decide if meeting minutes should be posted on the website. After discussion the Board decided to continue not posting minutes since meeting minutes could contain personal information and create more liability for the Association. Any landowner may view meeting minutes in the minute binder at the monthly meetings, or they can request them from Minnick Management.

7.5 Paradise Valley Shelters for Sale – JN (added to agenda)

Janet read an article from the Livingston Enterprise newspaper dated September 9th, 2013 concerning a property with 4 underground shelters being for sale in the community. Janet mentioned that the Association should be aware that there may be a future sale of the property.

8. Comment Period for Visiting Landowners

Comments were given by Charlene Murphy and Daniel & Valery O'Connell.

9. Closed session

9.1 Discussion of lawsuits – AA/Board

10. Meeting Adjourned at 9:28 p.m.

11. Next Board Meeting: October 7th, 2013 at St. John's Church

2013-09-16_BDGNAUX.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

October 7, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:06 p.m. at St. John's Church. Laura gave the opening prayer.

   PRESENT: Richard Bolen (President), Alyssa Allen (Vice President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), Laura Boise, Gerald Dubiel (arrived at 7:20 pm), Scott McBride (left at 9:40 pm), William Smith (left at 9:43 pm).
   ABSENT: Sean Halling, Ken Haug, Rich Spallone (aka Rich), Paul Ranttalo.
   ALSO ATTENDING: Nathan & Ashley (Minnick Management, Inc.)
   Landowners: Daniel & Valery O'Connell, Charlene Murphy, Jerry Ladewig, Donna Lash Anderson, Ia Williams.

2. **Set Agenda**

3. **Approve Meeting Minutes – September 16, 2013**
   MOTION: Sheridan motioned and William seconded to approve the September 16, 2013 meeting minutes with the edits to remove the word "Motion" from 5.1.1., add William Smith, Rich Spallone, Sheridan Stenberg Charlene Murphy, and Gerald Dubiel to those in attendance at the September 9th Road Committee meeting under 5.4, and to add the word "that" to 5.8. **Motion carried.** Abstentions: Scott, Richard, and Laura who were not present on September 16, 2013.

4. **Visiting Landowner Input Period**
   No landowner input was given.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's reports. **MOTION:** Scott motioned and Laura seconded to approve the September 2013 Treasurer's reports. **Motion carried unanimously.**
   MOTION: Janet motioned and Alyssa seconded to approve the August 2013 Treasurer's reports. **Motion carried.** Abstentions: Richard, Scott, and Laura who were not present on September 16, 2013.

   5.1.2 2014 Budget Meeting - SS
   Sheridan reported that there was a budget meeting on September 19, 2013, in which she, Laura, Alyssa, and Charlene met to discuss the draft budget for 2014.

   5.1.3 Progress with New Accounting Structure - SS
   Sheridan reported that on Friday, September 20th, Nathan (Minnick Management, Inc.), Alyssa, Bob Storey, and she met to review the new accounting structure. Sheridan commented that the new accounting structure is very detailed and will assist in even clearer reporting to the Landowners.

   5.2 Election Committee Report – SS
   Sheridan reported that everything is on schedule for the annual meeting. She is still gathering volunteers and is specifically looking for volunteers to count ballots. Many who counted in the past are now candidates so she is continuing to look into the volunteer pool.

5.3 Managerial Committee Report - AA

Alyssa discussed the file organization project and how it can be paid for with funds that were previously set aside in savings for procedures and operations. Alyssa reported she has further clarified with Minnick Management that they will work on organizing records as a special project at a rate of $20 per hour, as long as the work can be done without having to remove personnel from their office, or meet rush deadlines. She explained the project will begin after the annual meeting.

5.4 Road and Weed Mgmt Committee Report – WS/RS

William reported that the fall grading has been completed in South Glastonbury but grading in North Glastonbury is still in the process of being completed due to weather conditions. He noted that upper Gemini is in process of being repaired due to water related damage. William also presented the 2nd edition of the *Pavement Management Guide.* He suggested it was time for the GLA to obtain this guide as it provides many operational procedures and guidelines that can be referred to for overseeing road maintenance. **MOTION:** William motioned and Laura seconded that the GLA purchase the 2nd edition of the *Pavement Management Guide* at the cost of $114. **Motion carried unanimously.**

5.5 Project Review Committee Report – AA/RS

Alyssa discussed the ongoing efforts to bring the project review process into strict compliance with the governing documents. As mentioned in previous meetings, legal counsel has confirmed that according to the covenants any projects under 200 sq./ft. must be reviewed by the Board and the current practice of not reviewing small projects is not in compliance. Alyssa clarified that the Master Plan requires that the board must give approvals to projects and retracted her previous proposal, which was tabled, to have small projects reviewed and approved only by the Project Review Committee.

5.6 Website Committee Report – SM

Scott reported that he has updated the links that no longer work along with other information that was outdated. He sent the changes to Rudy Parker for implementation.

5.7 Governing Document Committee Report- AA

Alyssa reviewed the process of how amending the Governing Documents is accomplished and mentioned several individuals who have expressed interest in being on such a committee that would gather landowner input and offer suggestions. She proposed waiting till the December 2013 meeting with the new Board members before appointing committee members.

6. UNFINISHED BUSINESS

6.1 Project Review Fee Schedule – AA (added to agenda)

Alyssa presented a new fee schedule for Project Reviews. She proposed that any structure 200 sq./ft. or less would have no impact fee or sanitation bond and the application fee would be $10. Any structure over 200 sq./ft. would have the usual $25 application fee and the impact fee and sanitation bond would be determined by square footage within the new fee schedule. **MOTION:** Alyssa motioned and Gerald seconded to present the new project review fee schedule to landowners via the October mailing, with the amendment that a 'sanitation bond' will now be called a 'construction bond;' and after thirty days notice is given to the landowners per due process, the fee schedule will be implemented. William motioned and Alyssa seconded to amend the previous motion to add that the Board intends to notify landowners of approved/disapproved project reviews by

publishing on the GLA website and to get feedback at the annual meeting. **Motion carried unanimously.**

7. NEW BUSINESS

7.1 Executive Committee

7.1.1 Lot 43-3 NG/ Bashore Assessment Payoff & Lien Release Proposal - AA

Alyssa explained that Lot 43-3 NG was sold in a tax sale in March 2006. After doing some research, she confirmed that the Association was given proper notice by Eric Bashore regarding the tax deed, but did not take any action. The new owner, Eric Bashore, has contacted the Board to clear up past amounts due and to get the lien released. The owner proposed paying all the back dues, principals, and fines since he took ownership in March 2006. Alyssa reported she received legal counsel that the association cannot require that Eric pay assessments prior to March 2006, and that the Board is in a position to accept his proposal of approx. $6,000 because approx. $3,690 is considered uncollectible. After discussion, the issue was tabled to receive further legal counsel.

7.1.2 Proposed 2014 Budget - SS/AA

Sheridan reported that a budget meeting was held and attended by herself, Laura, Alyssa and Charlene. She explained that according to the proposed budget, even more money would be spent on roads than ever before and assessments would not be raised. William noted that there has been good communication with the Road Committee to help establish and meet the goals of road maintenance. The Board discussed the likelihood of insurance premiums being raised this coming June 2014 due to the ongoing litigation and the need to build a reserve fund to cover the extra costs. Sheridan mentioned that there could be a special assessment to cover those costs at the appropriate time if necessary. The board agreed that the landowners need to be informed of the potential increase in insurance premiums at the annual meeting. **MOTION:** William motioned and Gerald seconded to raise assessments by 10 percent to build a reserve fund. 4 in favor (William, Gerald, Scott, & Richard) 4 opposed (Sheridan, Janet, Alyssa, Laura). Motion failed.

7.1.3 Presidents Letter - RB

Richard presented that he and Alyssa are working on a President's letter to go out with the next mailing and that a draft would be sent to the board for comments and input prior to finalizing.

7.1.4 Litigation Documents on GLA Website - AA

Alyssa proposed putting the litigation documents on the website in order to let the landowners know what is really going on with the ongoing litigation. **MOTION:** Alyssa motioned and Sheridan seconded to post the litigation documents on the GLA website and to create a binder of the documents to have at every Board meeting for landowners to review. **Motion carried unanimously.**

7.1.5 November Monthly Meeting Date - AA

Alyssa proposed moving the next Board meeting to Wednesday, November 6th or another day that week instead of November 4th since she would be away on November 4th. Discussion. The Board agreed to change the date to Tuesday, November 5th.

7.2 Project Review Committee

7.2.1 Parcel 57 SG / Kremer House, Well & Driveway - AA

Alyssa presented the Kremer's application for a house/cabin, well and driveway. It was noted that there are no variances being requested and Gerald verified that the setbacks have been met. **MOTION:** Alyssa motioned and Gerald seconded to approve Kremer's house, well, and driveway application with the conditions that the necessary plumbing and electrical permits be obtained and that all disturbed land be reseeded. **Motion carried unanimously.**

7.2.2 Lot 30-E NG/ Ranttalo Shed - AA

Gerald presented Paul Ranttalo's shed application. Gerald verified that the setbacks have been met. **MOTION:** Alyssa motioned and Gerald seconded to approve Ranttalo's shed with the condition that all disturbed land be reseeded. **Motion carried unanimously.**

7.2.3 Lot 25-D SG/ Diehl Garage - AA

Alyssa presented Denise Diehl's garage application and noted that there is a small change, which is that she will be paying the full impact fee. Gerald verified that the setbacks have been met. **MOTION:** Alyssa motioned and Sheridan seconded to approve Diehl's garage application with the condition that all disturbed land be reseeded and necessary permits be obtained. **Motion carried unanimously.**

8. Comment Period for Visiting Landowners

Charlene Murphy, Daniel and Valery O'Connell commented on various matters.

9. Closed session

9.1 Discussion of lawsuits – RB/Board

10. Meeting Adjourned at 10:01 p.m.

11. Next Board Meeting: November 5th, 2013 at St. John's Church

Board of Directors Meeting Minutes - *Final*

November 5, 2013

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Richard Bolen at 7:03 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Richard Bolen (President), Sheridan Stenberg (Treasurer), Janet Naclerio (Secretary), Laura Boise, Gerald Dubiel, Paul Ranttalo, Ken Haug, and Alyssa Allen (Vice President) (Arrived at 7:14 p.m.)
   ABSENT: Sean Halling, William Smith, Scott McBride, and Rich Spallone (aka Rich).
   ALSO ATTENDING: Nathan & Ashley (Minnick Management, Inc.)
   Landowners: Charlene Murphy, Daniel & Valery O'Connell, Regina Wunsch, Ron Wartman, Debbi Blais, Kevin Newby and Chris Williams. Guest: Danilie Howe.

2. **Set Agenda**

3. **Approve Meeting Minutes – October 7, 2013**
   Motion: Sheridan motioned and Gerald seconded to approve the October 7, 2013 meeting minutes. **Motion carried.** Abstentions: Ken and Paul who were not present October 7th.

4. **Visiting Landowner Input Period**
   No input given.

5. **Officer and Committee Reports**
   5.1 Executive Committee Report
   5.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS
   Sheridan presented the Treasurer's reports. **MOTION:** Janet motioned and Paul seconded to approve the October 2013 Treasurer's reports. **Motion carried unanimously.**

   5.2 Election Committee Report – AA
   Alyssa reported that she had received clarification from legal counsel that when a membership interest is held by a corporation, the corporation can designate an individual to act as their representative. Verification of a designated representative would need to be documented by the corporation and provided to the GLA prior to allowing such individual to run for election to the board or to vote on behalf of the corporation. She also reported that regarding voting for positions to be filled at the annual election, legal counsel confirmed that only 1 vote would be counted for each unique candidate per ballot. If the same candidate was designated to fill more than one position on any one ballot, it would only be counted as one vote since one person cannot fill multiple positions.

   5.3 Managerial Committee Report – AA
   Alyssa reported the President's letter and impact fee information had been mailed with the October statements.

   5.4 Road and Weed Mgmt Committee Report – WS/RS
   Paul reported that the Road Committee met on November 4th and that he, Sheridan, William, and landowners Charlene Murphy and Walter Wunsch were in attendance. At the meeting the test section of magnesium chloride on Arcturus Drive in SG was discussed, as well as plow truck drivers who are prepared to help this season. Paul also reported that the Dodge truck is ready to go for snow plowing, however the Ford truck is beyond repair and is recommended to be sold in parts. **MOTION:** Paul motioned and Ken seconded to allow Walter Wunsch to buy the tires from the Ford plow truck for $100

replacing them with another set, and to sell the truck at the best price he can obtain for the GLA, while retaining the sanding component as the vehicle is beyond repair. **Motion carried unanimously.**

5.5 Project Review Committee Report – AA/RS
Alyssa reported that she has not received landowner input as of yet regarding the proposed impact fee schedule and mentioned how the Board is following due process by noticing the membership of the Board's intent to review all projects regardless of size in order to be in compliance with the covenants.

5.6 Website Committee Report – SM
Ken reported that he is in the process of updating and branding SharePoint in an effort to prepare it for use.

5.7 Governing Document Committee Report – AA
No report at this time.

6. UNFINISHED BUSINESS

6.1 Executive Committee

6.1.1 Lot 43-3 NG / Bashore Assessment Payoff & Lien Release Proposal – AA
Alyssa reported that legal counsel confirmed that Eric Bashore's payoff request was correct and that the amounts owed prior to his taking deed are uncollectable from Eric. She reported that a board vote was taken via email to accept the offer from Eric to pay all amounts owed by him as of taking title to the property in March 2006. The motion passed with 8 in favor and 4 did not respond.

6.1.2 Liability Insurance Estimate of Potential Increases – AA
Alyssa reported that through discussion and research with the GLA's insurance agent it is currently estimated that due to litigation expenses the professional liability insurance premium may increase to $3,000 per year and the deductible may increase to $10,000, however, the amount of the potential increase would not be known until determined by the insurance company.

6.1.3 2014 Proposed Budget – SS/AA
Sheridan reported on the updated 2014 draft budget. Regina Wunsch presented the new accounting code structure. The board discussed allocating funds to cover the expected increase in insurance premiums/deductibles due to litigation. **MOTION:** Alyssa motioned and Sheridan seconded to allocate $10,000 from the general fund that currently has a balance of $29,410, to pay the possible increase for the GLA's liability insurance deductible. **Motion carried unanimously.**
MOTION: Alyssa motioned and Sheridan seconded to accept the draft budget as presented on November 5, 2013 as amended for presentation to landowners at the annual meeting. **Motion carried unanimously.**

7. NEW BUSINESS

7.1 Election Committee – Annual Meeting

7.1.1 Annual Meeting Agenda – RB
Richard presented the draft agenda for the annual meeting and explained what will happen during each section. He discussed how meeting minutes will be taken at the annual meeting and the agenda outlined in the Bylaws will be followed precisely.

7.1.2 Review/discuss reports to be given at Annual Meeting – SS
The Board reviewed the various committees and reports to be given by each.

7.1.3 Review assignments for Minnick, board and volunteers – SS/NM
Sheridan reported that training for all the volunteers is complete and everything is lining up according to schedule.

7.1.4 Review handouts for meeting and timeline for submitting for copies to be made – SS/NM
Sheridan confirmed with Nathan that materials to be copied for the annual meeting need to be submitted to Minnick Management for production by the afternoon of Thursday, November 7th.

7.2 Road & Weed / Managerial Committees

7.2.1 Hunting/Suspicious Behavior Complaint – SS
Richard discussed that there were reports of suspicious activity pertaining to non-members accessing common land in high South Glastonbury for hunting, and that there may be a need for signage to be posted at GLA common land access. Sheridan reported that new "no trespassing" signs were being made for the cul-de-sac at the end of Sagittarius Skyway in SG. Richard noted that during hunting season, the Fish & Wildlife Service will enforce trespassing violations related to hunting during the hunting season.

7.2.2 Enforcement of Landowner Access Only for Common Use Land – AA
Alyssa presented the possible solution of utilizing hang tags for vehicles for identification purposes and provided information about how 100 tags could be produced for approximately $215. Any landowner who desired access to common land would obtain a unique hang tag for their vehicle which would help to clarify whether or not a person accessing the area is authorized to do so. Alyssa queried the Board about the possibility of presenting this idea at the annual meeting. The board discussed the lack of parking space to the easement access point on Hercules Drive in SG. Paul Ranttalo offered to clear a parking area with his equipment that was already in the vicinity. **MOTION:** Alyssa motioned and Ken seconded to accept Paul's offer to establish a clear parking area by parcel 97 in South Glastonbury within the GLA's parking easement for $100. **Motion carried unanimously.**

7.3 Executive Committee

7.3.1 Lot 5D NG / Mizzi Interest Reduction Request – SS
Sheridan presented an interest reduction request from Charlotte Mizzi and the Board discussed. **MOTION:** Sheridan motioned and Ken seconded to deny the reduction request. **Motion carried** 6 in favor, 1 opposed. Abstentions: Laura.

7.3.2 Lot 33-C SG / Ladewig 10/13/13 Suggestions – AA
Alyssa presented correspondence from the Ladewig's regarding issues relating to board & annual meeting conduct, publishing of candidate information and meeting minutes. The Board discussed the various topics and resolved that candidate bios should be published on the GLA's website in order to provide both NG and SG members the ability to view information of all candidates rather than just those in their particular Glastonbury. In addition, each candidate would be allowed to choose whether or not to have their personal contact information published to the members when running for election.

7.3.3 Lot 40-C SG / Blais Distribution of Meeting Minutes Request – AA
Alyssa reported that all landowners are entitled to meeting minutes. They can request them from Minnick Management or they may view them in the meeting minute binder at every Board meeting. As discussed in previous meetings, the Board has decided not to post meeting minutes on the GLA website after receiving legal counsel and taking into consideration that some landowners do not want personal issues to be published in a public format since there is no login system established on the website at this time.

8. Comment Period for Visiting Landowners
Charlene Murphy, Kevin Newby, Ron Wartman, and Daniel & Valery O'Connell commented on various matters.

9. Closed Session
9.1 Discussion of lawsuits – RB/Board

10. Meeting Adjourned at 9:52 p.m.

Board of Directors Meeting Minutes - *Final*

December 9, 2013

CONFIDENTIAL – DO NOT COPY

1. **Closed Session**
   - **1.1 Orientation for New Board**
     Discussion of various ideas and fellowship.
   - **1.2 Discussion of lawsuits**
     An update was given regarding lawsuits.

2. **Open Session (Begins at 8:00 pm) - Call to Order**
   The meeting was called to order by Alyssa Allen at 8:15 p.m. at St. John's Church. Janet gave the opening prayer.

   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Sheridan Stenberg (Treasurer), Donna Lash-Andersen, (Secretary), Rich Spallone, Janet Naclerio, Laura Boise, Gerald Dubiel, Scott McBride, Robert Wallace (aka Robert W.), and Robert Branson (aka Robert B.).
   ABSENT: Paul Ranttalo
   ALSO ATTENDING: Nathan (Minnick Management, Inc.)
   Landowners: Richard Bolen, Regina Wunsch, Dennis Kight, Chad Stone, Tim Brockett, Jerry & Jeff Ladewig, Ia & Chris Williams.

3. **Set Agenda**

4. **Approve Meeting Minutes**
   - **4.1 November 5, 2013 Board Meeting**
     Motion: Donna motioned and Janet seconded to approve the November 5, 2013 meeting minutes. **Motion carried.** Abstentions: Rich, Ross, Donna, Scott, Robert W. and Robert B. who were not present November 5th.
   - **4.2 November 9, 2013 Annual Meeting**
     Motion: Sheridan motioned and Ross seconded to approve the November 9, 2013 annual meeting minutes. **Motion carried.** Abstentions: Rich who was not present November 9th.

5. **Visiting Landowner Input Period**
   Chad Stone inquired about grading and snow removal on Mercury Lane.
   Dennis Kight inquired about the order of items on the agenda.

6. **Officer and Committee Reports**
   - **6.1 Executive Committee Report**
     - **6.1.1 Treasurer's Reports: Budget Variance, Check & Deposit – SS**
       Sheridan presented the Treasurer's reports. **MOTION:** Ross motioned and Robert W. seconded to approve the November 2013 Treasurer's reports. **Motion carried unanimously.**
   - **6.2 Election Committee Report – SS**
     - **6.2.1 Review Annual Meeting and Election Results**
       Sheridan noted that the ballot counters asked that the ballot table be moved to an area of the room that would provide for less distraction during ballot counting.
   - **6.3 Managerial Committee Report – AA**
     Alyssa noted that it has been business as usual currently with nothing special to report.
   - **6.4 Road and Weed Mgmt Committee Report – SS/RW**
     Robert W. reported that there had been a Road Committee meeting on November 19, 2013 attended by Rich, Robert B., Paul, Sheridan, Walter Wunsch and himself. He reported that the plow truck was in the repair shop during the last couple of months and

they are checking into backup operations for providing sanding. He noted that for a sanding solution while the GLA's equipment was unavailable they hired the mag-chloride contractor two times since they were equipped for this type of job as well. They acknowledged the need to be able to handle phone calls and provide road condition information via the VoiceNation service.

6.5 Project Review Committee Report – AA/RS

6.5.1 Suggestion to inform adjacent landowners of project applications

Alyssa reported that she had received a request from a landowner that a member with an adjacent lot or parcel to a lot with a project review application be informed of such application by the Board. Alyssa noted that project applications could be posted on the website as a way to publish the information to all landowners.

6.6 Website Committee Report – SM/Ross

Ross reported on the progress being made with the new website, www.GLAMontana.org, and how most of the functions and information from the original site have been setup. He mentioned the benefits of using Word Press as well as Google for the built-in services they provide.

6.7 Governing Document Committee Report – AA

Alyssa noted that the committee had been formed and suggested that committee members look into finding interested landowners to participate.

7. UNFINISHED BUSINESS

7.1 Adoption of 2014 Budget – SS

Alyssa noted that the draft 2014 budget had been approved as a draft and presented to the membership at the annual meeting. **Motion**: Sheridan and Laura seconded to adopt the 2014 budget. **Motion carried unanimously**.

7.2 Adoption of New Project Review Fee Schedule – AA

Alyssa discussed the due process notice given to landowners regarding the requirement that all building projects be reviewed by the board and the revised fee schedule. **Motion**: Sheridan motioned and Ross seconded to adopt the updated project review fee schedule. **Motion carried unanimously**.

7.3 Hang Tag System for Vehicles accessing common use land – AA

Item Tabled.

7.4 Revised Project Review Forms – AA *(Added to Agenda)*

Alyssa presented the newly-updated project review forms and pointed out how they are designed to make the application process more clear due to the reorganization of the material. She asked the board to review them and provide feedback prior to adoption.

8. NEW BUSINESS

8.1 Establish Officers – AA

Sheridan nominated Alyssa for President. Donna nominated herself for President. Sheridan moved and Ross seconded that nominations be closed. Motion carried unanimously. A written ballot was taken. Janet announced the results of 9 votes for Alyssa and 2 votes for Donna. Alyssa was elected President.

Robert B. nominated Donna for Vice-President. Sheridan nominated Ross for Vice-President. Sheridan moved and Janet seconded that nominations be closed. Motion carried unanimously. A written ballot was taken. Janet announced the results of 3 votes for Donna and 8 votes for Ross. Ross was elected Vice-President.

Sheridan nominated Janet for Secretary. Rich nominated Donna for Secretary. Sheridan moved and Scott seconded that nominations be closed. Motion carried unanimously. A written ballot was taken. Alyssa announced the results of 4 votes for Janet and 7 votes for Donna. Donna was elected Secretary.

Ross nominated Sheridan for Treasurer. No other nominations were made. Gerald moved and Ross seconded that nominations be closed. Motion carried unanimously. Motion: Donna motioned and Ross seconded a unanimous ballot to accept Sheridan as Treasurer. Motion carried unanimously.

8.2 Review of Bylaws for Committees – AA

Alyssa briefly reviewed the Bylaws regarding committees. She noted that committees are formed by a board majority vote, and its members are appointed by the board. She mentioned that legal counsel had confirmed that notice of committee meetings goes to directors and is not required to go to the membership prior to a committee meeting. Alyssa further discussed the need to consider criteria for appointing members to a committee based on the tasks to be performed by the committee.

8.3 Establish Committees, Committee Chairs and Members – AA

Motion: Laura motioned and Sheridan seconded to form a Communications Committee. **Motion carried unanimously**.
Motion: Sheridan motioned and Janet seconded to appoint Ross, Donna, Alyssa and Laura to be on the Communications Committee. **Motion carried unanimously.**

The board discussed the operations of the Road Committees. **Motion**: Sheridan motioned and Ross seconded to form a Road Management Committee. **Motion carried unanimously**.
Motion: Laura motioned and Sheridan seconded Rich and Robert W. to be the co-chairs of the Road Management Committee. **Motion carried unanimously.**

Motion: Sheridan motioned and Gerald seconded to form a Road and Weed Sub-Committee made up of board members and landowners. **Motion carried unanimously**.
Motion: Scott motioned and Laura seconded to appoint Gerald, Robert W., Paul, Rich, Sheridan, and landowners Walter Wunsch and Charlene Murphy as members of the Road and Weed Sub-Committee. **Motion carried unanimously**.

Motion: Ross motioned and Laura seconded to form the Project Review Committee with Robert B. and Gerald as co-chairs and Alyssa as an additional member. **Motion carried unanimously.**

Motion: Sheridan motioned and Ross seconded to form a Budget Committee with Sheridan as chairperson and Laura, Scott, and landowner Regina Wunsch as additional members. **Motion carried unanimously**.

Motion: Gerald motioned and Sheridan seconded to form a Governing Document Committee with Donna as chairperson, Robert B. as co-chair and Scott and Ross as additional members. **Motion carried unanimously.**

Motion: Rich moved and Gerald seconded to continue the election committee and to appoint Sheridan as chair and Janet and Laura as members of the committee. **Motion carried unanimously.**

Action Item – *Committee members to review and establish committee charters.*

8.4 Transition Time / Assuming Duties between Outgoing and Incoming Board – AA
Alyssa discussed the transition period between the annual meeting and the following board meeting, often a month apart, and how this created a gap where certain duties might not be handled. Legal counsel concurred that the board could adopt a policy where the existing board members and officers retain their positions until the first board meeting following the annual meeting. Board members would then have the expectation that they would continue to serve until the new board members have taken their positions. The board discussed how in early years, the board had a meeting right after the annual meeting adjourned to elect officers and assume board positions. Alyssa mentioned that all business of the board was to be done in an open meeting, and thus the need for the election of officers to occur at a regular, open board meeting.

8.5 November Letter from Bob Storey re: Accounting System Maintenance – SS
Sheridan presented a letter from CPA Bob Storey dated November 4, 2013. Proposed items included: 1) Bob's firm prepare a 2013 financial statement; 2) an appearance by Bob before the board to discuss general accounting issues; 3) a mid-year maintenance for analysis of the books and records. **Motion:** Sheridan motioned and Robert W. seconded to accept items 1 and 2 from CPA Bob Storey's proposal and that the board revisit item 3 later in the year. **Motion carried unanimously.**

8.6 Paradise Valley Corridor Planning Study – AA
Alyssa introduced the Paradise Valley Corridor Planning Study and invited landowner Jeff Ladewig to further present to the board. Jeff mentioned that the Montana D.O.T. is doing a study between Livingston and Gardner to look at possible needed improvements to highway 89. Jeff suggested that having a turn lane for the Trail Creek entrance to NG and the Dry Creek entrance to SG would be beneficial for safety. Jeff suggested that the GLA inform the D.O.T. that we are an interested party and we would like them to take our community into consideration regarding possible improvements. Gerald volunteered to look into this further.
Action Item – *Gerald to research.*

8.7 Determine Board Meeting Dates for 2014 and Annual Meeting – AA
The board concurred that the next meeting date will be January 13, 2014, and that the rest of the dates for the year can be determined at this upcoming meeting due to the lateness of the hour.

8.8 January Newsletter – AA
Alyssa noted that the January newsletter needs to be formulated. Donna volunteered to take the task on.

8.9 Project Review Committee

8.9.1 Lots 32-E-SG & 33-D-SG / Rolfe & Michem Boundary Adjustment – AA
Alyssa presented the Rolfe & Mitchem boundary line adjustment proposal between lots 32-E-SG and 33-D-SG. Motion: Sheridan motioned and Scott seconded to accept the proposal with the condition that the final plat be submitted to the GLA. **Motion carried unanimously.**

Board of Directors Meeting Minutes - *FINAL*

January 13, 2014

CONFIDENTIAL – DO NOT COPY

1. **Commence Special Meeting**
The meeting was called to order by Alyssa Allen at 7:10 p.m. at St. John's Church.

PRESENT: Alyssa Allen (President), Sheridan Stenberg, (Treasurer), Donna Lash-Andersen (Secretary), Rich Spallone, Gerald Dubiel, Scott McBride (via phone), Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (via phone, aka Robert B.), and Janice McCann (appointed to board at approximately 7:40 pm).
ABSENT: Ross Brunson (Vice President), and Laura Boise.
ALSO ATTENDING: Nathan & Ryan (Minnick Management, Inc.)
Landowners: Richard Bolen, Walter & Regina Wunsch, Ia & Chris Williams, Charlene Murphy, Linda Ulrich, Janice McCann (until appointed to board), Pouwel Gelderloos, and Robert Storey, CPA.

Alyssa reviewed the North Glastonbury board vacancy that was created when Janet Nacierio resigned at the end of December, and how a number of potential candidates had been contacted to see if they might be interested in serving. At this time, Powell Gelderloos, Kenneth Haug and Janice McCann expressed interest. Rich asked which N. Glastonbury landowner had received the next highest amount of votes at the annual meeting to which it was stated that it was Kenneth Haug at 32 votes. The board discussed various points regarding the selection of Janet's replacement, and noted the need for bookkeeping and administrative skills. The board also discussed whether or not to wait until the February board meeting to fill the position in order to allow more candidates to come forward.
Motion: Sheridan moved and Rich seconded that the open position be filled at this meeting by choosing among the three candidates that had come forward. Pouwel Gelderloos and Janice McCann, who were present at the meeting, addressed the board regarding their skills and interest in serving. Discussion. **Motion carried with one opposed - Donna.**
Having decided to fill the vacancy at this meeting, the board voted by written ballot and the results were counted by Donna who announced that Janice McCann had been elected by unanimous vote.

The Special Meeting was adjourned at 7:48 p.m.

2. **Commence Regular Monthly Board Meeting**
The meeting was called to order by Alyssa Allen at 7:50 p.m. at St. John's Church.

3. **Set Agenda**

4. **Approve Meeting Minutes – December 9, 2013**
Motion: Sheridan moved and Robert W. seconded to approve the December 9, 2013 meeting minutes. **Motion carried.** Abstentions: Paul and Janice who were not present November 5th.

5. **Visiting Landowner Input Period**

6. **Officer and Committee Reports**
   6.1 President's Report
      6.1.1 Review of Committee Meeting Protocol according to Bylaws – AA
      Alyssa clarified that the Bylaws indicate that the business of the board is to be conducted in an open meeting, therefore, landowners, in addition to board members, are welcome to attend committee meetings. Alyssa noted the board is to be informed of committee meetings at least 3 days in advance, and this may be done via e-mail announcement. The website and VoiceNation can be used for

noticing landowners regarding committee meetings. She also confirmed that committee members are to be appointed by the board.

6.1.2 Determine Address for Registered Agent – AA
Alyssa described the need to determine an address for the GLA's registered agent, generally the Secretary, and how this could be Donna's personal address, or Minnick's business address.
Motion: Robert W. moved that Donna's address be listed. **Motion withdrawn.**
The Board discussed this function further and noted that the person filling the Secretary position changes from time to time, and the fact that Minnick Management is handling the receipt of documents for the GLA presently, and professional services for distribution of documents is best handled by them.
Motion: Sheridan motioned and Paul seconded that the office of Minnick Management be used as the location and address for the GLA's registered agent.
Motion carried with one opposed - Donna.

6.2 Treasurer's Reports: Budget Variance, Check & Deposit – SS
Sheridan presented the December Treasurer's reports. **Motion:** Donna motioned and Gerald seconded to approve the December 2013 Treasurer's reports. **Motion carried unanimously.**

6.3 Communication Committee Report – DL
Alyssa presented a letter addressed to the Montana Department of Transportation requesting that as part of the Paradise Valley Corridor planning study the GLA's access points to Highway 89 be considered for the possible addition of three exit lanes.
Motion: Sheridan moved and Rich seconded to approve the letter presented to be sent.
Motion carried unanimously.

6.4 Road and Weed Mgmt Committee Report – RW/RS
Robert W. reported that there was a Road Committee meeting on January 7 that was attended by Robert W., Sheridan, Paul, Gerald, Walter Wunsch, Charlene Murphy and Tim Brocket. Discussion included plowing operations, a budgeting update, the ongoing need for a second truck and conveyor, and making sure all employee paperwork is complete. The committee also discussed the results of last year's road survey and how to best achieve the goals of the consensus of the membership, formulating policy on plowing guidelines, and putting together a phone list for communications. The board finalized the date for a Community Road Meeting to be held on February 19, which will be noticed to the membership in the January Newsletter.

6.5 Project Review Committee Report – GD/RS
No report at this time.

6.6 Website Committee Report – Ross
In Ross' absence, Alyssa briefly noted some of the progress being made by the website committee.

6.7 Governing Document Committee Report – DL/Robert B.
Donna noted that the Governing Document Committee has discussed forming an 8 member committee made up of 4 board members and 4 landowners and is looking to utilize the website as a means to receiving landowner input and feedback on ideas for consideration.

7. UNFINISHED BUSINESS

7.1 Adoption of Revised Project Review Forms – AA

Alyssa noted that the forms were ready to be used after editing the depth requirement for gas lines and pipe lines to be compliant with construction standards.
Motion: Sheridan motioned and Gerald seconded to approve and adopt the newly revised project review forms with amendments to gas and pipe line depths. **Motion carried with two abstentions Paul and Janice.**

7.2 Committee Charters – AA/Board

The board discussed progress made on each committee formulating charters. Donna presented the draft charter for the Governing Document Committee as follows:
"The GLA Governing Document Committee will review and recommend updates to GLA's Governing Documents on a regular (TBD) basis with the understanding that a 51% vote by landowners in good standing at a special or annual membership meeting will be needed to change, alter, or update the documents in any way. The updates will be done in three phases: 1) simple updates to fix obvious issues, 2) more complex structural changes to clarify and simplify board and membership responsibilities, and 3) new content that reflects the changes needed to bring the documents up to the current decade and level of technology and infrastructure. The committee will examine the documents with the following concerns: 1) does the wording need simplifying, clarifying, or adjusting, 2) is it reasonable and appropriate for the Board, in a volunteer capacity, to deliver this service and enforce compliance, and 3) are the means of enforcement clearly stated, realistic, and implementable."

7.3 Developing criteria for committee member appointments – AA

Alyssa discussed the need for the board to consider developing criteria for committee member appointments such as skills, team playing, respect for others, motivation for serving, having openness to a variety of perspectives, being a member in good standing, and having access to the internet/e-mail. The board also discussed formulating a questionnaire for those interested in serving on a committee.
Action Item – *Alyssa to develop criteria for committee member appointments for board review.*

7.4 Committee Member appointments – AA

The Road Committee noted that they had a good working group of members and were not seeing a need to add further members. Other committees were not ready for member appointments.

7.5 Paradise Valley Corridor Planning Study Letter – GD

Item covered under Item 6.3.

7.6 Hang Tag System for Vehicles accessing common use land – AA

Alyssa revisited the issue of utilizing a hang tag system in landowners' vehicles to help identify those who were authorized to access GLA common land since there have been reports of non-members using the common land access illegally. It was noted that this becomes a problem especially during hunting season. The board discussed the administrative burden that this system could impose, and the lack of resources and personnel to implement and manage such a system. The board determined not to pursue the proposed hang tag system at this time.

7.7 Determine Board Meeting Dates for 2014 and Annual Meeting – Board
The board reviewed the potential meeting dates for 2014 and determined that the board meetings will be as follows: February 10, March 10, April 14, May 12, June 9, July 14, August 11, September 15, October 6, November 3, and December 8 with the annual meeting on November 8.

8. NEW BUSINESS

8.1 Presentation to the board on accounting practices – Robert Storey, CPA – SS
Sheridan invited Robert Storey to speak to the proposal presented and voted on by the board at the December 9 meeting for Accounting System Maintenance. Robert discussed the completion of a 2013 financial statement, following transactions through the bookkeeping system, reviewing postings and payments of bills submitted to the GLA, as well as reviewing payroll and general accounting. The board asked questions and clarified about the various reports.

8.2 Accounting system transition details. Proposal for additional meeting with CPA – SS
The board discussed the need to resolve some final transition details that have been discovered through updating and restructuring the QuickBooks accounts. **Motion**: Donna motioned and Sheridan seconded to use Robert Storey as a resource to polish up the final details and questions discovered through the transition into the updated books. **Motion carried unanimously**.

8.3 Collection Processes – SS
Sheridan discussed the process of following up on delinquent accounts per the Assessment Policy and working on collecting past due amounts. The board determined to include a copy of the Assessment Policy in the January statement mailing. Sheridan acknowledged Minnick Management for their being successful in collection efforts on a number of accounts with outstanding debt.
Action Item – *Alyssa to e-mail a copy of the Assessment Policy to the board.*

8.4 January Newsletter – review of content – DL
The board reviewed and commented on the draft newsletter.

9. Comment Period for Visiting Landowners
Linda Ulrich inquired about gathering landowner contact information.
Donna passed on a comment from Robert Sones regarding his appreciation for the work being done by the road committee and the snowplowing and sanding efforts being done.

10. Closed Session
10.1 Discussion of lawsuits – AA/Board

11. Meeting adjourned at 10:23 p.m.

12. Next Board Meeting: February 10th, 2014 at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *FINAL*

February 10, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Alyssa Allen at 7:15 p.m. at St. John's Church. Sheridan gave the opening prayer.

   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Sheridan Stenberg (Treasurer), Donna Lash-Andersen (Secretary), Gerald Dubiel, Scott McBride (via phone), Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), and Janice McCann.
   ABSENT: Rich Spallone and Laura Boise.
   ALSO ATTENDING: Nathan (Minnick Management, Inc.); Landowners: Walter & Regina Wunsch, Ia & Chris Williams, Charlene Murphy, Linda Ulrich, Chad Stone, Chuck Tanner, Bob & Kristi Sones, Sally & Chuck Muto, Dennis Kight, Lester Seago, Tom Barry, and George Martin.

2. **Set Agenda**

3. **Approve Meeting Minutes – January 13, 2014**
   Motion: Sheridan moved and Robert B. seconded to approve the January 13, 2014 meeting minutes. **Motion carried unanimously**.

4. **Visiting Landowner Input Period**
   Bob Sones inquired as to how many landowners may not be paying their dues.
   Linda Ulrich inquired about speeding residents.
   Chuck Tanner offered his services as a plow truck driver.
   Les Seago commented that the test strip of mag-chloride on Arcturus was excellent.

5. **Officer and Committee Reports**

   5.1 President's Report – AA
   Alyssa noted and expressed appreciation for the timely efforts and involvement of committee and board members in handling tasks and being responsive.

   5.2 Treasurer's Reports

   5.2.1 Budget Variance, Check & Deposit – SS
   Sheridan presented the January Treasurer's reports. **Motion:** Ross motioned and Robert B. seconded to approve the January 2014 Treasurer's reports. **Motion carried unanimously.**

   5.2.2 Upcoming Meeting with Bob Storey re: 2013 Financial Statement – SS
   Sheridan noted that a meeting was coming up with CPA Bob Storey to discuss progress on the financial statements that he is preparing.

   5.2.3 Review Treasurer's Duties – *(Added to Agenda)*
   Alyssa reviewed how through much work and the generous funding by Regina Wunsch for professional assistance from CPA Bob Storey, the restructuring and updating of the GLA's accounting system has been done, bringing the books into better conformity with accepted accounting practices. Alyssa noted that Regina had outlined the Treasurer's duties and how Regina is willing to provide her help and expertise in assisting the Treasurer in the oversight of the accounting. The Board discussed the position of Treasurer and how newly-appointed board member Janice McCann had a background and experience in bookkeeping. Janice

expressed her willingness to become the Treasurer and to be assisted by Regina and Sheridan.
Motion: Robert B. motioned and Ross seconded that Janice be appointed the new Treasurer. **Motion Carried**. Abstention: Janice.
Motion: Ross motioned and Sheridan seconded that Regina Wunsch be designated as the expert advisor to the Treasurer. **Motion carried unanimously.**

5.3 Communication Committee Report – AA/DLA
Alyssa noted that an email vote was taken amongst the board to select her and Donna as co-chairs of the Communication Committee with 8 votes received, all in favor. Donna discussed that the committee is looking to technology and Ross's assistance as a way to help keep landowners informed by using the website and VoiceNation.

5.4 Road and Weed Mgmt Committee Report – RW/RS
Robert W. reported that a Road Committee meeting was held on February 5th attended by himself, Gerald, Rich, Sheridan, Walter Wunsch, and Tim Brockett. Walter gave an update on sanding and plowing, and the committee discussed organization of the February 19th Community-wide Road Meeting, and developing the committee charters for both the Road Management Committee as well as the Road and Weed Committee.

5.5 Project Review Committee Report – GD/Robert B.
Gerald noted that there are not any projects under review at this time.

5.6 Website Committee Report – Ross
Ross reported that GLAMontana.org will become the main URL address, and for continuity purposes, the old website address will be forwarded to this new domain. He pointed out that Google apps can take the place of SharePoint and provides similar functionality while being easier to use. Ross discussed the progress made on communications, the website which is up and running, and developing a consent form to allow landowners to opt-in to receive email notifications from the association.
Motion: Ross motioned and Gerald seconded to make a backup of and retire the SharePoint site so that the service can be discontinued. **Motion carried unanimously**.
Motion: Ross motioned and Donna seconded that the association stop using GLA-MT.org as its main domain and forward that domain to GLAMontana.org. **Motion carried unanimously.**

5.7 Governing Document Committee Report – DLA/Robert B.
Donna reported that the committee is considering the recommendation of establishing up to 16 members for the committee. She noted that they would first like to host meetings to find qualified individuals willing to serve at the level needed. Donna noted that as President, Alyssa is automatically a member of the committee and they welcome her as a member of the committee and for her input and assistance. She discussed the need to establish a time, place, and schedule for the meetings and how to give notice for the meetings. The board discussed the best ways to keep committee and board members informed throughout the process of proposed changes that are being considered by the committee.

6. UNFINISHED BUSINESS

6.1 Proposal to form Executive Committee, Website Sub-Committee – AA
The board discussed forming an Executive Committee that would consist of the 4 officers, and how it would best function and operate. It was decided that further research

would be needed regarding the type of duties the committee would handle and its purpose before forming it. The board also discussed the need to form a Website Committee that would function as a subcommittee of the Communications Committee. **Motion**: Donna motioned and Janice seconded that a Website Subcommittee be established with Ross as chairman and Scott as a member. **Motion carried unanimously.**

6.2 Committee Charters – AA/Board

Road Management Committee Charter:

The GLA Board has established the Road Management Committee, consisting of Directors only, which is authorized to perform the following duties:

Oversee and supervise the carrying out of day-to-day operations relating to road maintenance, including, but not limited to, weed abatement and roadside mowing, grading and graveling, snowplowing, snow fencing, sanding, road repair, drainage issues, guardrails, and signage. It is responsible for all road-related matters deemed proper or necessary as directed by the board.

The committee is authorized to make decisions concerning the improvement and maintenance of the Association roads and shall only spend budgeted funds to accomplish its tasks. Expenditures requiring funding beyond budgeted amounts shall be approved by the board.

The committee oversees and approves all financial expenditures of the Road & Weed Committee, and authorizes work to be performed by volunteers, contractors and employees. Reports to the board regarding all actions taken including capital outlay for the previous month in addition to projected maintenance projects and outlay for short and long-term projects for one year ahead or more.

Road and Weed Committee Charter:

The GLA Board has established the Road & Weed Committee to serve in an advisory capacity to the Board. The committee researches road-related issues, holds meetings, makes suggestions, offers proposals, and performs duties as directed by the Road Management Committee and/or the Board. The committee shall consist of board members and non-board members all of which are to be voted in by the board.

6.3 Proposed Criteria for Committee Member Appointments – AA

Item tabled.

6.4 Committee Member Appointments – AA

Motion: Robert B. motioned and Robert W. seconded for Janice to be appointed as a member of the Budget Committee. **Motion carried unanimously**.

6.5 SGTC Non-profit waiver – AA

Alyssa presented the history of non-profit waivers in regard to the South Glastonbury Teaching Center and how the board discussed removing these waivers last year. The SGTC was contacted and has agreed to begin paying assessments to the GLA. Alyssa noted that the GLA is allowed to grant waivers via Covenant 12.01 however the GLA would need to prove that the waiver is necessary and not injurious to the community.

6.6 Paradise Valley Corridor Planning Study Meeting – GD

Alyssa noted that the Paradise Valley Corridor Planning Study has announced two meeting dates and that it would be ideal for a board member to attend. Ross noted that the meeting dates and notice have been posted to the GLA's website. Gerald stated that he plans on attending one of the meetings.

7. NEW BUSINESS

7.1 Covenant 5.05 Nuisances / Gun shooting Complaints – AA

Alyssa noted that there had been recent complaints about shooting within the association and noted that the board may want to consider reviewing how the covenants relate to this issue as well as figuring out how to approach complaints when they come in. Alyssa cited covenant section 5.05 Nuisances and Eyesores. The board listened to a statement from Chad Stone and responded that this subject was placed on the agenda for educational purposes and not as an official written complaint as one had not been filed at his time. The board discussed how best to notify landowners of what is allowed per the covenants as well as safe practices related to firearms. The board reiterated that the topic of gun rights and use are not under the board's jurisdiction or control.

8. Comment Period for Visiting Landowners

9. Closed Session

9.1 Discussion of lawsuits, handling of complaints – AA/Board

10. Meeting adjourned at 10:47

11. Next Board Meeting: March 10th, 2014 at St. John's Church

Board of Directors Meeting Minutes - *FINAL*

March 10, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The meeting was called to order by Alyssa Allen at 7:10 p.m. at St. John's Church. Janice McCann gave the opening prayer.

PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Donna Lash-Andersen (Secretary), Gerald Dubiel, Scott McBride, Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Sheridan Stenberg, and Laura Boise.
ABSENT: Rich Spallone
ALSO ATTENDING: Nathan (Minnick Management, Inc.); Landowners: Regina Wunsch, Ia & Chris Williams, Linda Ulrich, Chad & Lindsey Stone, Chuck Tanner, Bob & Kristi Sones, Dennis Kight, Steven Boise & daughter, Claudette & Micah Dirkers, Jerry Ladewig; Neighbors: Danilie Howe, Diane O'Brien.

2. **Set Agenda**

3. **Approve Meeting Minutes** – February 10, 2014
Motion: Ross moved and Gerald seconded to approve the February 10, 2014 meeting minutes. **Motion carried unanimously.**

4. **Visiting Landowner Input Period**
No input given.

5. **Officer and Committee Reports**
5.1 President's Report – AA
5.1.1 Review of Potential Projects
Alyssa reviewed a list of tasks she has been recently handling for the association to help the board understand the type of work that is being done each month and the need for others to participate in accomplishing tasks. Alyssa discussed various projects that can be completed including but not limited to protocol for board members, new board member training, the complaint procedure process, and the welcome packet for new landowners.

5.1.2 Upcoming Vacancy for SG Board Position
The board discussed the upcoming vacancy on the board for South Glastonbury as a result of Rich Spallone selling his property, and how the vacancy is to be announced in the March Newsletter to allow interested landowners to come forward to be considered for filling the remainder of his term.

5.1.3 Need for Mailing of Financial Reports / Newsletter in March
Alyssa discussed the need for a mailing this month to get the 2013 financial statements out to the landowners now that CPA Robert Storey has completed them. In addition to the financial reports, a newsletter would be included.

5.1.4 Protocol for Attorney Communications (Added Agenda Item)
Alyssa discussed the need for two directors to participate in attorney communications so that at least two directors are involved in the issues being handled. **MOTION**: Sheridan motioned and Robert W. seconded that two board members be part of communications with attorneys with one director having at least one year remaining in their term for continuity and that board approval be

obtained prior to bringing an issue to an attorney. Discussion: For timely issues in between meetings, board response is to be prompt. **Motion carried unanimously.**

5.2 Secretary's Report – DL

5.2.1 D&O Liability Insurance Non-Renewal Due to Claims Activities

Donna discussed the need for the Association to apply for new D&O liability insurance since our current carrier, USLI, has decided to drop our coverage due to claims activity. The current policy expires June 1st. The board discussed how extra funds have been allocated for this expected outcome.

5.2.2 Safe Deposit Box

Donna noted that there is a safe deposit box at Bank of the Rockies that may no longer be needed as it is only used for storing a backup CD of the GLA financials. **MOTION**: Donna motioned and Janice seconded to close the GLA's safe deposit box. Discussion: The board discussed the best protocol for storing such info and that it may best to keep said box. **Motion failed unanimously**.

5.2.3 Separate Minutes Binder for Committee Meeting Minutes

Donna discussed that after reviewing minute record keeping she recommends that the Secretary also keep a minutes binder of committee meeting minutes.
MOTION: Donna motioned and Laura seconded that committees will take meeting minutes that are then to be submitted to the Secretary prior to the next regularly scheduled board meeting. **Motion carried unanimously.**

5.2.4 Determine Upcoming Committee Meeting Dates at Each Board Meeting

The Board discussed the value of determining at each board meeting the upcoming dates for committee meetings so that this can be posted on the website calendar of events.
MOTION: Ross motioned and Donna seconded that an agenda item be added for each monthly board meeting for committees to report their known upcoming meetings to the Communications Committee for the purpose of posting them to the website. **Motion carried unanimously**.

5.3 Treasurer's Reports

5.3.1 Overview of New Accounting – Regina Wunsch

Regina discussed how accrual accounting operates in comparison to cash based accounting and how it accounts for transactions when they are posted. Regina also presented January and February financial statements in a comparison of both cash vs. accrual reports.

5.3.2 Budget Variance, Check & Deposit – JM

Janice presented the February Treasurer reports. **Motion:** Sheridan motioned and Robert W. seconded to approve the February 2014 Treasurer's reports. **Motion carried unanimously**.

5.3.3 2013 Financial Statements & 2014 Budget Review – JM

Regina presented the accrual based 2013 financial statement compiled by CPA Robert Storey. Janice presented an updated draft budget prepared by the Budget Committee. **MOTION**: Ross motioned and Sheridan seconded that the Board balance the budget by moving $7,285 out of the General Operations Reserve Fund, with the provision that these funds be replenished as past due assessment

receivables are collected, and the additional needed funds to meet the deficit of $10,248 come out of the unrestricted funds in savings. With these adjustments the updated 2014 budget can be adopted. **Motion carried unanimously.**

5.4 Communication Committee Report – AA/DL/Ross

5.4.1 Phone Conference Option for Committee Meetings
Ross informed the board that a free phone conferencing option for committee meetings is available for our use.

5.4.2 VoiceNation & Website Calendar for Meeting Announcements
Ross noted that VoiceNation and the Website Calendar of Events are current focuses of the committee as a means to communicate with landowners, and that these are low cost systems that are already in place.

5.4.3 Landowner Opt-in for Telephone Tree with Maydell Goulart
Alyssa presented a simple form that could be used for landowners to opt-in to the telephone tree service provided by Maydell Goulart for receiving GLA announcements via phone message. The board discussed how this form would best be distributed along with the form for opting into e-mail communication at a later date.

5.5 Website Committee Report – Ross
Ross presented current progress and updates to the GLA website. He also noted that the old website has been retired and now redirects to the new site.

5.6 Road and Weed Mgmt Committee Report – RW/RS
Robert W. reported on the heavy snowfall and snow removal work done over the last month. He reported that the community road meeting was held on February 19 and was successful. The meeting generated several items for consideration including but not limited to an evaluation on the paved roads from a qualified engineer, weed spraying and chemicals used, excess speed on GLA roads, sponsored barrels of sand to be placed at hills, and development of a 5-year road maintenance plan.

5.7 Project Review Committee Report – GD/Robert B.
Gerald noted that the Project Review Committee should meet in regard to project review application processing. The committee is planning a meeting for March 17 at 8 pm.

5.8 Governing Document Committee Report – DL/Robert B.
Donna reported that the first Governing Document Committee meeting went well and 47 recommendations for changes were generated. The committee will continue to meet and build on this list.

6. UNFINISHED BUSINESS

6.1 Committee Charters – AA/Board
No additional charters presented at this time.

6.2 Proposed Criteria for Committee Member Appointments – AA
Item tabled.

6.3 Paradise Valley Corridor Planning Study Meeting – GD
Gerald reported that he had attended the planning study meeting and presented a comment form to be posted on the website. He noted that the project is not scheduled for completion until 2035 but they are looking for feedback immediately.

6.4 Review and Organization of GLA Records – AA
The board discussed the association's records to be organized and the work entailed to do so. The board discussed the need for a board member to volunteer to begin this process.
Action Item *– Ross to find out what the record keeping requirements are.*

7. NEW BUSINESS

7.1 Proposal to Amend Bylaws to Allow for E-mail Communication / Notices – AA
The Board discussed the benefits of using e-mail as a means of communicating with the membership and how the Bylaws limit official notice to postal mail and fax only. In order to remedy the situation, the Bylaws would have to be amended by the membership via Special Meeting and vote. Alyssa presented a draft ballot from Alanah Griffith, and that notice will need to be given to the landowners 30 days prior to a Special Meeting to present and vote on the amendment. Landowners would also be allowed to vote on the amendment via proxy, mail-in or faxed-in ballot. **MOTION:** Scott motioned and Ross seconded that the GLA hold a special meeting on April 14th at 7:00 p.m. to present and vote on the proposed Bylaw amendments. **Motion carried unanimously.**
Action item *– Ross and Sheridan to write a letter to be included with the ballot and notice.*

7.2 Clarification of Policy for Collection of Delinquent Accounts – AA
Alyssa discussed the potential for forming a Collections Committee as an additional step towards collecting past due assessments. She reported that Alanah Griffith had confirmed that our covenants allow for the hiring of an attorney or agent in attempt to collect past amounts owed. The board discussed the best way to approach collections, how to cost effectively do so, and the importance of treating each landowner fairly and evenly.

7.3 March Mailing & Newsletter – Review Content – DL
The board discussed the upcoming March Newsletter content.
Action Item *- Donna will e-mail the newsletter to the board for input and approval.*

8. Comment Period for Visiting Landowners

9. Closed Session
9.1 Discussion of lawsuits – AA/Board

10. Meeting adjourned at 11:27 p.m.

11. Next Board Meeting: April 14th, 2014 at St. John's Church

Board of Directors Conference Phone Meeting Minutes - *Final*

March 18, 2014

CONFIDENTIAL – DO NOT COPY

The board met by conference phone to discuss next steps for the Governing Document Committee.

The meeting was attended by Alyssa Allen, Ross Brunson, Janice McCann, Donna Lash-Andersen, Gerald Dubiel, Scott McBride, Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), and Sheridan Stenberg.

Discussion included events relating to the most recent Governing Document Committee meeting and the ensuing communications.

Donna suggested that the committee move forward by having her co-chair the committee along with another landowner. In order to agree to this direction, the board explored the allegations made by Donna in an e-mail that she had recently sent to the board and landowners who attended the recent Governing Documents Committee meeting. After much discussion, no resolution was reached and Donna left the phone meeting.

Discussion on how to best proceed with the Governing Document Committee continued.

Motion: Paul motioned and Robert B. seconded that the Governing Document Committee be restructured, consisting of only landowners as committee members, and that the Board would provide support services and infrastructure for exchange of ideas among members. **Motioned carried unanimously.**

Motion: Ross motioned and Janice seconded that Robert B. be added as a member of the Communications Committee. **Motioned carried unanimously.**

By consensus, the board agreed that based on the comments made and opinions expressed at this meeting, mediation efforts need to be pursued between Donna and the rest of the board as a whole.

By consensus, the board agreed that Alanah Griffith would be consulted for advice on 1) the process and steps to be used by the Governing Document Committee to ensure their effectiveness and success; 2) how to best handle the issues brought up by Donna's e-mail communication, and 3) who she would recommend as a mediator.

Action Items:
Ross – Look into code of ethics and conflict of interest policies and present to the board.
Scott – Formulate meeting norms and present to the board.
Scott – Provide to the Governing Document Committee the list of suggestions and feedback regarding governing document changes that had been compiled thus far.
Board – Explore mediation options.
Communications Committee – Draft letter to be sent to the landowners who were already participating in the Governing Document meetings regarding new direction for the Committee.
Alyssa & Ross – Schedule appointment to discuss items with Alanah.

There was general consensus that the previously scheduled meeting of the board for April 12 is on hold until further developments toward mediation had occurred.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

April 14, 2014

CONFIDENTIAL – DO NOT COPY

1. **Commence Special Meeting to fill SG director position vacated by Rich Spallone**
The meeting was called to order by Alyssa Allen at 7:45 p.m. at St. John's Church. Robert W. gave the opening prayer.

PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Sheridan Stenberg (Secretary), Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Scott McBride (via phone and excused at 8:55 pm), and Gerald Dubiel (arrived at 8:43 pm). **ABSENT:** Laura Boise
ALSO ATTENDING: Nathan and Ryan (Minnick Management, Inc.)
Landowners: Miriam Barker, Jose Rosa, Daniel Kehoe, Jerry Ladewig, Regina Wunsch, Edward Anderson, Janice Brozovsky, Pouwel Gelderloos, Susan Gough, Jan Johansson, Dennis Kight, Charlene Murphy, Eleanor Schieffelin, Janet Sharpless, Chad Stone, Linda Ulrich, Ronald Wartman, Jewel Wieczorek, Chris and Ia Williams, Donna Lash-Andersen, Svend Andersen, and Kevin Newby.

Alyssa reported on the board vacancy for South Glastonbury left by Rich Spallone as he has sold his property. Daniel Kehoe of South Glastonbury came forward as a candidate for the opening. Discussion. **Motion:** Robert W. motioned and Ross seconded to appoint Daniel Kehoe to the vacant South Glastonbury board position. **Motion carried unanimously.**

2. **Commence Regular Monthly Board Meeting**

3. **Set Agenda**

4. **Approve Meeting Minutes – March 10, 2014 and March 18, 2014**
Motion: Sheridan motioned and Robert W. seconded to approve the March 10, 2014 and March 18, 2014 meeting minutes with three grammatical edits. **Motion carried.** Abstentions: Daniel Kehoe who was not present March 10, 2014 or March 18, 2014.

5. **Visiting Landowner Input Period**
Jerry Ladewig encouraged landowners to pick up debris along GLA roads.
Powell Gelderloos inquired about the soccer fields.
Chad Stone inquired about a pond within Golden Age Village.

6. **Officer and Committee Reports**
   6.1 President's Report – AA
      6.1.1 Overview of month's activities and tasks handled
      Alyssa reported that there were a lot of projects and tasks handled over the past month and that her intention is to train and help pass along her knowledge to other board members. She noted that each board member has taken on tasks that have been delegated and is encouraged by everyone's efforts.

      6.1.2 Vacancy for NG board position due to Donna's April 10 resignation
      The board accepted Donna Lash-Andersen's resignation and expressed their appreciation for her work. The NG board opening will be announced in the upcoming April Newsletter to the membership.

      6.1.3 Office of Secretary position
      Alyssa reported on the e-mail vote of the board to elect Sheridan as the interim Secretary. Of the 11 board members at the time of the vote 9 board members approved and 2 did not respond. The board discussed the need for administrative and secretarial skills on the board.

6.2 Treasurer's Reports: Budget Variance, Check & Deposit – JM
Janice presented the March 2014 Treasurer reports. **Motion:** Robert B. motioned and Sheridan seconded to approve the Treasurer reports. **Motion carried unanimously.** Janice reported on the accounts receivable and the current progress made on the collection of past due accounts to date.

6.3 Governing Document Committee Report – Chad Stone
Chad discussed how the committee will be using a grass roots effort to get landowners involved in the process to gather feedback and suggestions.

6.3.1 Guidelines for amendment process – Ross
Ross presented a document from Attorney Alana Griffith ***(attached)*** regarding the amendment procedure for the governing documents and the role of the Governing Document Committee which can be either comprised of board appointed members or not. **Motion:** Robert W. motioned and Ross seconded that Daniel Kehoe attends the Governing Document Committee meetings as a board liaison. **Motion carried unanimously.**

6.3.2 Restructuring of committee and board involvement – AA/ Ross
Alyssa reported that the board had determined at its March 18 meeting that it would be best to restructure the Governing Document Committee to be made up of landowners only with the board providing support services in order for the committee to best move forward. As a result of Alanah's input the general consensus of the board and the Governing Document Committee was to have a board-appointed representative participate in the meetings. She noted there had been a meeting on April 3, 2014 at Spectec at which Chad Stone was elected Chair and Jerry Ladewig was elected Vice-chair.

6.4 Road and Weed Mgmt Committee Report – RW/RS
Robert W. reported on the March 26 Road Committee meeting attended by himself, Sheridan, Paul, and Gerald. Discussion included spring grading, maintenance of the hardtop, future crack seal maintenance planning, access speed affecting wear on roads, chemicals used in weed control, and the 3rd manhole sump. Robert reported that one bid was received for the needed future crack seal maintenance in the amount of $23,000 for North and $12,000 for South and that more estimates will be sought. Robert noted that it was reported by the contractor that the current hardtop is in good shape and should last until 2020 provided that it is maintained. In addition, it was noted that crack sealing should last 3 years and be looked upon as needing continual maintenance. He noted that the GLA will need to look into budgeting approximately $12,000/year to maintain North and South hardtop roads as maintenance is approximately $6,000/mile, while the replacement of unmaintained hardtop is $120,000/mile. Robert also reported about a situation where the GLA had allowed the Story Ranch to use GLA roads to access their property in 2008 due to flooding that made their road unusable, and this was to be a temporary situation. At this time, it was reported that members of the Story Ranch were continuing to use GLA roads without contributing to the costs of maintenance. The board determined that this should not be allowed to continue and that the fence along the border of Arlene Hoag's property that allowed access be closed. **Motion:** Robert W. motioned and Gerald seconded that the Communications Committee write a letter to the Story Ranch indicating that they discontinue the use of GLA roads. **Motion carried unanimously.** Robert discussed the potential for putting together a small group to meet regularly regarding the maintenance and use of the soccer field.

6.5 Communications Committee Report

Alyssa reported that Robert B. had been added to the Communications Committee by the board at the March 18 meeting. **Motion:** Ross motioned and Robert W. seconded that Robert Branson co-chair the Communications Committee along with Alyssa. **Motion carried unanimously.**

6.5.1 VoiceNation setup re: recipients of messages – AA

Alyssa noted that VoiceNation messages will be automatically sent to the chairs of each committee.

6.5.2 E-mail groups for committees – Ross

Ross discussed options for dispersing information and communications for the Governing Document Committee. Ross reported on the ability to setup e-mail groups specific to each committee that would be delivered directly to each committee member.

6.6 Website Committee Report – Ross

6.6.1 Technical enablement for Governing Documents Committee

Ross discussed options for documents and suggestions to be compiled and worked on as well as shared by the Governing Document Committee.

6.6.2 Additions and updates to website

Ross reported on updates to the website.

6.7 Project Review Committee Report – GD/Robert B.

Gerald reported that there was a Project Review Committee meeting on March 17 attended by himself, Robert B., Paul, and Alyssa. Discussion included the need for landowners to mark the boundary line closest to their project so that the member of the committee would be able to confirm and measure the setback distance to the proposed building. Also discussed was the possible use of a shelter on Lot 39-E SG as a dwelling, and how the basic project review application form is handled by Minnick.

6.7.1 Proposed revision to application instructions – GD

Gerald discussed the need for landowners to accurately identify and mark the closest boundary line to their project so that the Project Review Committee can determine setbacks when doing a site inspection of a proposed project. The board reviewed the proposed additional wording to the "Project Review Overview and Instructions" document. **Motion:** Sheridan motioned and Robert B. seconded to approve the Project Review Overview and Instructions document with the additional wording. **Motion carried unanimously.**

7. UNFINISHED BUSINESS

7.1 Review of Delinquent Accounts and Status of Collections – JM

Janice presented a draft collection letter to be sent out to accounts that have become delinquent and have not responded to previous collection efforts. The board discussed the assessment policy, and procedures when accounts become past due. Janice and Alyssa would continue refining the letter and present this to the board before mailing out.

7.2 GLA Records: Organization Status & Guidelines for Document Retention – Ross

Alyssa reported that there are 17 boxes of GLA documents which have been sorted and are now ready for storage. Ross reported on the requirements for storing documents based on state law and the Montana non-profit association.

8. **NEW BUSINESS**
   - **8.1 Meeting Norms – SM**
     Tabled.
   - **8.2 Review of Conflict of Interest and Code of Ethics policies – Ross**
     Ross gave an update regarding his research on conflict of interest standards and code of ethics policies as well as the potential updating of the GLA's current policies.
   - **8.3 Letter from Attorney Voyich – AA**
     The board received a letter from the Anderson & Voyich law firm regarding a potential conflict of interest with Donna Lash-Andersen. Since Donna was no longer a board member the board agreed that there was no need to reply at this time.
   - **8.4 Letter for Lot 24 (SG) McGee property cleanup – AA**
     Alyssa pointed out that the McGees have made efforts to clean up their property and Jerry Ladewig recommended the board acknowledge their efforts with a letter.
   - **8.5 April Mailing – review components and newsletter content – AA**
     Alyssa reported that she has prepared a draft newsletter and will e-mail this to the board for review. The board discussed the content.
   - **8.6 Review proposed e-mail opt-in/consent form – AA**
     Alyssa presented the e-mail opt in form to the board. **Motion**: Sheridan motioned and Paul seconded to have attorney Alana Griffith review the e-mail opt-in form prior to it being sent out. **Motion carried unanimously.** The board discussed the categories and content of the form.
   - **8.7 Lot 25-1 (NG) – Goulart Vastu Temple Project Review – GD/Robert B.**
     Gerald presented the Goulart Vastu Temple project application and noted that it met the setback requirements. **Motion:** Gerald motioned and Robert W. seconded to approve the Goulart Vastu Temple application, with the clarification that the approval is only for this one structure, disturbed land be re-seeded and any necessary permits be obtained. **Motion carried.** Abstentions: Janice & Paul.

9. **Determine Upcoming Committee Meeting Dates**
   A Road Committee Meeting was scheduled for May 22nd at 7 p.m.
   A Communications Committee was meeting scheduled for April 16th at 8 a.m.
   A Project Review Committee meeting was scheduled for every other Monday with the exception of board meeting dates beginning April 21st at 8 p.m.

10. **Comment Period for Visiting Landowners**
    Chris and Ia Williams commented on how the board interacted with Donna and her resignation.

11. **Closed Session**
    - **11.1 Discussion of lawsuits – AA/Board**
      Tabled.

12. **Meeting Adjourned at 11:48 p.m.**

13. **Next Board Meeting: May 12, 2014 at St. John's Church**

Amendment Procedure for GLA Governing Documents
Per Attorney Alanah Griffith

Notes:

1) Procedures are described in two scenarios: Governing Document Committee is Board-appointed vs. not Board-appointed.

2) References to "Covenants" apply to all governing documents.

Overall thoughts:

I have worked with a number of Associations on amendments. Some of those amendments were just to one or two sections of the covenants. Some were complete overhauls. It is first important for any committee to get a feel for a few things:

1. What do people within the community feel the need for with regards to their covenants? For example, are they on the whole okay with them and feel just one or two sections need some work, or do they need a complete overhaul?

2. What does the Board/Attorney believe are the issues? The Board and Attorney work with the covenants day in and day out. During our years of working on the covenants, we have created lists of issues we would address if we could amend. The committee should take these as suggestions and review those thoughts.

Once the committee gets a feel for what the community will support, then their job really begins. If it is a major overhaul, they may want to pull a few sets of newer covenants for rural areas, they might just tackle a few sections, or who knows.

Once the committee has a draft, it is time to have some informational meetings. One should be with the Board to go over the amendments. Keep in mind, in order for the amendments to be voted upon by ballot, either the Board must place it on the ballot (i.e. it must have Board approval) or 5% of the membership must sign a ballot to get the amendments on the ballot. Basically, you keep up these meetings and keep amending until you think you have a document that will receive enough votes to pass. Then you put it to special vote.

I have seen complete overhauls take two years to complete. Some are shorter, but usually it is a massive work in progress. It takes a committed committee to see the entire thing through.

Procedures:

Board Appointed:

The Board would appoint a committee, who in turn could work with whomever they wished. The committee would meet and go over what I described above.

The committee would work with the Board and would be answerable to the Board. Once done, the committee would approach the Board for approval of the amendments and to place it on the ballot. The assumption is that if the committee had been working closely with the Board, then approval would not be hard to get since the Board was part of the process.

Amendments would be sent out for vote. The ballot would look much like the one we just sent. The only exception is that with a complete overhaul, you would send out the old covenants along with the new for comparison. Usually, instead of voting on each little amendment, it is an all or nothing deal. You either vote to amend the document with all of the suggested changes, or vote no to all amendments. Also, many times the Board sends out a letter with the ballot stating what was done to reach this proposed amendment, explaining the amendment and supporting the amendment.

Non-Board Appointed:

Any group or individual can attempt to amend the covenants outside of the Board. They would not be answerable to the Board, and can choose to work with the Board or not. However, if they do not work with the Board, then it is unlikely that they will receive Board approval. Therefore, in order to place their amendments on the ballot (i.e. special meeting) they will have to obtain the signatures of 5% of the membership. Also, the Board is not obligated to send out a letter explaining the amendments or that they support the amendments. Furthermore, the Board is only obligated to call a special meeting. It is the Board's decision to allow a written ballot or not. The Board can simply call a special meeting and make the vote take place at the special meeting. However, that would not be very politic [sensible or judicious]. I suggest that if the membership wants the vote, treat it like any other vote.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes - *Final*

May 12, 2014

CONFIDENTIAL – DO NOT COPY

1. **Commence Special Meeting to fill NG director position vacated by Donna Lash-Andersen**
   The meeting was called to order by Alyssa Allen at 7:00 p.m. at St. John's Church and Charlene Murphy gave the opening prayer.

   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Sheridan Stenberg (Secretary), Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Scott McBride, Gerald Dubiel, Laura Boise, Daniel Kehoe, and Charlotte Mizzi.
   ALSO ATTENDING: Nathan and Ryan (Minnick Management, Inc.)
   Landowners: Jeff & Jerry Ladewig, Timothy & Charlene Murphy, Chad Stone, Ronald Wartman, Ia Williams, Debbie Blais, Kevin Newby, Aza Ziegler, and Daniel & Val O'Connell.

   Alyssa reported that the board was properly noticed of the Special Meeting of the Board to fill the vacancy for North Glastonbury. Charlotte Mizzi had come forward and expressed her interest, in addition to submitting her resume to the board. Valery O'Connell who was present at the meeting then expressed her interest and it was noted that Pouwel Gelderloos, who was not present, was also interested. The board listened to presentations from Charlotte, Valery and landowners on behalf of Pouwel. The board then took a written ballot with the results being 10 for Charlotte and 1 for Pouwel. Alyssa announced that Charlotte was elected by the board, and at that point Charlotte joined the board.

2. **Commence Regular Monthly Board Meeting**

3. **Ground Rules for Board Meetings** – AA
   Alyssa discussed the importance of keeping board meetings as productive and on-track as possible in order to keep meetings from going too late. She presented ideas such as handling grievances by scheduling an additional meeting to take place either in person at the Wunch's, or by conference phone, sticking to a 2-hour time frame from when the meeting begins, minimizing interruptions, asking landowners to inform the board at the beginning of the meeting if they needed to speak on a particular agenda item, others to minimize interruptions, handling items on a committee level prior to the board meeting, board members to review items distributed prior to meetings, and streamlined financial reports.

4. **Set Agenda** – 2 additional items were added

5. **Approve Meeting Minutes – April 14, 2014**
   Motion: Sheridan motioned and Janice seconded to approve the April 14, 2014 meeting minutes. **Motion carried.** Abstentions: Charlotte and Laura who were not present April 14.

6. **Visiting Landowner Input Period**
   No input given.

7. **Officer and Committee Reports**
   7.1 President's Report – AA
   7.1.1 Overview of month's activities and tasks handled
   Alyssa noted there is ongoing research into replacing the board's D&O insurance that is being dropped by the provider due to claims activities from lawsuits. Sheridan was appointed to co-chair the Road Committee in an e-mail vote of the board with 10 in favor and 1 non-response.

7.2 Treasurer's Reports:

7.2.1 Budget Variance, Check & Deposit – JM

Janice presented the April 2014 Treasurer reports. **Motion**: Sheridan motioned and Ross seconded to approve the Treasurer reports. **Motion carried unanimously**.

7.2.2 Collection of Delinquent Accounts – JM

Janice reported that the collection letter had been sent out to 27 past due accounts. Alyssa noted that 25% of the past due accounts owe approximately 75% of the past due amounts and gave updates on the collection process with information received from attorney Alana Griffith.

7.2.3 Payment Proposal Plan – JM (added agenda item)

Janice presented a payment plan from Patricia Jones of the Lifesavers Shelter, Lot 28-E (NG), in which they would bring this year's dues current and pay $150/quarter to pay off the balance within 5 years. **Motion**: Janice motioned and Paul seconded to accept the proposed payment plan for the Lifesavers Shelter. **Motion carried unanimously**.

7.3 Road and Weed Mgmt Committee Report – RW/SS

Robert W. reported that there had been a Road Committee meeting on Tuesday, April 22 attended by Sheridan, Paul, Gerald, and Robert W. They discussed the long-term maintenance plan for roads, bids for crack sealing, spring grading, planning for dealing with traffic, and decisions were finalized about speed signs. A letter was written to the Story ranch regarding use of the GLA's roads to access their property. Robert also reported that he and Sheridan met with the grader operator for Adkins Construction to plan spring grading and the equal distribution of gravel in both North and South. He also reported on sinkholes on Hercules that had to be mitigated. **Motion**: Robert W. motioned and Ross seconded to appoint Janice McCann to the Road Committee. **Motion carried unanimously**.

7.4 Communication Committee Report – AA/Robert B.

7.4.1 Letter to Story Ranch

Alyssa noted that a letter had gone out to the Story Ranch about unauthorized use of the GLA's roads.

7.4.2 Brettschneider Correspondence Regarding Noxious Weeds

Alyssa noted that a complaint was received and responded to regarding noxious weeds from John Brettschneider. Alyssa noted that the GLA does not enforce weed control on landowner's property as this is under the jurisdiction of the County.

7.5 Website Committee Report – Ross

Ross reported on research into setting up the e-mail communication program, updates to the website, and establishing an area to handle input on Governing Documents.

7.6 Project Review Committee Report – GD/Robert B.

7.6.1 Process for handling Project Review Approvals – AA

Item tabled.

7.7 Governing Document Committee Report – Chad Stone

Chad reported that the committee has had a second meeting on May 1st and that the next

meeting is scheduled for May 15 at Spectec. The committee is currently working on developing a survey.

7.7.1 Budgeting Funds for Surveys – DK
The board discussed the potential use of survey software to help gain feedback and information from the landowners. **Motion**: Daniel motioned and Robert B. seconded for the GLA to purchase a subscription to Survey Monkey at the cost of $229/year for the use of the GLA. **Motioned carries unanimously**.

8. UNFINISHED BUSINESS

8.1 Implementation of Bylaw Amendments (Added agenda item)
Item tabled.

9. NEW BUSINESS

9.1 Lot 41-B (SG) – Complaint – AA
Alyssa presented a complaint about commercial activity and an eyesore on lot 41-B (SG) related to lumber and timber recycling. She noted that the owner, Aza Ziegler, is willing to install a fence around the lumber, and some will be used on the proposed building, and some will be located within the completed building. The board discussed the issue and recommended that Aza continue to work with the neighbors to mitigate the eyesore.

9.2 Lot 41-B (SG) – Ziegler Garage/Shed/Variance Project Review – GD/Robert B.
Alyssa presented the Ziegler garage/shed/variance project review with the variance portion involving a setback being reduced by 8.5 feet. Aza said that he had started the project without knowledge of the setback, thinking it was 25 feet instead of 50 feet. Alyssa noted the adjoining landowner responded in writing that they did not object to the encroachment. In addition, Aza noted he did not understand that an outbuilding needed to go through project review. The board discussed the facts of the project and the criteria for granting a variance. **Motion**: Scott motioned and Laura seconded to table the project review until further review and attorney advisement. **Motion carried unanimously**.

9.3 Lot 14-A (NG) – NGTC Greenhouse Project Review – GD/Robert B.
Gerald presented a greenhouse project from the North Glastonbury Teaching Center. He noted it meets the required setbacks and there are no variances. **Motion**: Sheridan moved and Robert W. seconded to approve the greenhouse project with the condition that disturbed land be reseeded. **Motion carried**. Abstentions: Charlotte, Paul and Laura.

9.4 Meeting Norms – SM
Item tabled.

10. Determine Upcoming Committee Meeting Dates
None noted.

11. Comment Period for Visiting Landowners
No input given.

12. Closed Session
12.1 Discussion of lawsuits – AA/Board

13. Meeting adjourned at 9:49 p.m.

14. Next Board Meeting: June 9th, 2014 at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

June 9, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Alyssa Allen at 7:05 p.m. at St. John's Church.

   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Sheridan Stenberg (Secretary), Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Gerald Dubiel, Laura Boise, Daniel Kehoe, Charlotte Mizzi, and Scott McBride (attended by phone). **ALSO ATTENDING:** Ryan (Minnick Management, Inc.)
   Landowners: Tim Brockett, Jeff & Jerry Ladewig, Timothy & Charlene Murphy, Chad Stone, Ronald Wartman, Linda Ulrich, Debbie Blais, Kevin Newby, and Daniel & Val O'Connell.

2. **Set Agenda**

3. **Approve Meeting Minutes** – May 12, 2014
   Motion: Sheridan motioned and Ross Seconded to approve the May 12, 2014 minutes. **Motion carried unanimously.**

4. **Visiting Landowner Input Period**
   Ron Wartman inquired about a potential unapproved project on his neighbor's property, horse manure odor and dog barking annoyance.
   Kevin Newby inquired about a potential non-conforming septic system on a property.
   Daniel O'Connell expressed that meetings should be conducted in a safe environment.
   Val O'Connell commented on employee and independent contractor criteria.

5. **Officer and Committee Reports**
   5.1 President's Report – AA
   5.1.1 Review written board vote at May 12, 2014 Special Meeting
   Alyssa reported on the board vote at the May 12th board meeting for filling the vacant NG Board position. The vote by the board was done by written ballot for confidentiality. After clarification from legal counsel it was confirmed that this vote was conducted in a manner that is in compliance with the Bylaws.

   5.1.2 Appointment of Charlotte Mizzi as Secretary
   Charlotte Mizzi was appointed Secretary by the board via an e-mail vote with 11 in favor and 1 no response.

   5.1.3 Liability Insurance Update
   Alyssa and Ross reported on the fact that the only D&O liability insurance quote offered had an annual premium of $10,170, with a $50,000 deductible, and any action involving the O'Connells would not be covered. Ross read out loud a draft of a letter to the membership regarding the insurance cost situation and notice of a special meeting of the membership to explore future options for the association.

   5.2 Treasurer's Reports – JM
   5.2.1 Budget Variance, Check & Deposit
   Janice presented the May 2014 Treasurer reports. **Motion**: Sheridan motioned and Ross seconded to approve the Treasurer reports. **Motion carried unanimously.**

   5.2.2 Lots 106 A-1 & A-2 (SG) / Peterson Payment Proposal
   Janice reported on the Peterson payment proposal. The board reviewed and discussed the proposal. **Motion**: Janice motioned and Sheridan seconded to accept

a payment plan such that the past-due assessments will be paid off, and current assessments will be kept current; the interest on past-due assessments will be suspended as long as the terms of the payment plan are upheld within the established timeframe. **Motion carried unanimously.**

5.2.3 Update on Collection of Delinquent Accounts
Janice reported on the status of collections and progress.

5.2.4 Lot 39-E (SG) / Smith Payment Plan Proposal ***(Added to Agenda)***
Janice reported on a request for a payment plan by Dave Smith on Lot 39-E (SG). Discussion regarding the need for more information.

5.3 Governing Document Committee Report – Chad Stone
Chad reported on the status of the survey intended for the membership. Chad asked the board to provide input on the draft, in anticipation of the survey being mailed to the members with the already-scheduled mid-July assessment statements. Dan discussed the committee structure, and the idea of converting the committee to a board-appointed committee. Chad provided a list of proposed committee members. **Motion**: Dan motioned and Sheridan seconded to structure Governing Document Committee as a Board Advisory Committee with two board members to be on the committee. Chad Stone is to be appointed Chair, with Jerry Ladewig as Vice-Chair, other members to include: Dan Kehoe, Alyssa Allen, Dennis Kight, Charlene Murphy, Ia Williams, Linda Uhlrich, Pouwell Gelderloos, Claudette Dirkers, Regina Wunsch, Jim Emert, Kevin Newby, Debbie Blais, and Jose Gonzalez. **Motion carried unanimously.**

5.4 Road and Weed Mgmt Committee Report – RW/SS
Robert W. reported on the Road & Weed Management Committee meeting held on May 29, 2014 attended by Sheridan, Janice, Paul, Gerald, Walter Wunsch and himself. Discussion included long-term maintenance for asphalt roads, Spring grading, traffic from Story Road, and an update on the washout repair on Hercules which is now complete. Robert W. reported on bids obtained to complete crack sealing and the options to do this work. He also reported on a patch repair that is needed in North on Sirius. It was proposed that due to limitations in funds, it may be best to crack seal 1 mile each in North and South for a total cost of approximately $8,000 per year. The cost for patching the hole on Sirius would be approximately $3,700. **Motion**: Robert W. motioned and Janice seconded to approve $3,700 for road patching on Sirius. **Motion carried.** (Abstentions: Scott who was no longer present by phone.) **Motion**: Robert W. motioned and Sheridan seconded to fund $8,000 for crack sealing 1 mile each of asphalt in North and South. Discussion regarding possible lack of funds needed for the project. **Motion failed.**

5.5 Project Review Committee Report – GD/Robert B.

5.5.1 Lot 41-B (SG) – Ziegler Revised Garage/Shed Project Review
Alyssa reported on the revised application approved via e-mail vote of the board for the revised project application with the conditions that the 50-foot setback be met by altering the existing construction, any required permits be obtained, any disturbed land be landscaped or reclaimed per GLA standards, and any lumber and/or building materials intended for long-term storage are to be placed behind a fence or other enclosure when the construction is complete. The vote was approved with 11 in favor, 1 no response.

5.6 Communication Committee Report – AA/Robert B.
Item Tabled.

5.7 Website Committee Report – Ross
Item Tabled.

6. UNFINISHED BUSINESS

6.1 Lot 41-B (SG) – Complaint Update – AA
Alyssa discussed the need for a complaint committee.

6.2 Implementation of Bylaws Amendments – AA
Alyssa noted that in order to complete the approved amendments to the Bylaws which occurred on April 14, 2014 for using e-mail as a method to communicate and notice the members, it is necessary to have an attorney file the amendments. **Motion:** Dan motioned and Robert B. seconded to have Alanah Griffith file the approved Bylaw Amendments. **Motion carried unanimously.**

6.3 Story Ranch Access – RW
Item tabled.

7. NEW BUSINESS

7.1 Meeting Norms – SM
Item tabled.

8. Comment Period for Visiting Landowners
Comments were made by Tim Brockett, and Daniel & Valery O'Connell.

9. Closed Session
9.1 Discussion of lawsuits – AA/Board

10. Meeting Adjourned at 10:30 p.m.

11. Next Board Meeting: July 14th, 2014 at St. John's Church

Board of Directors Phone Meeting Minutes - *Final*

June 10, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Alyssa Allen at 6:00 p.m.
   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Charlotte Mizzi (Secretary), Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Scott McBride, Gerald Dubiel, Laura Boise, Dan Kehoe, Paul Ranttalo, and Sheridan Stenberg.
   ABSENT: Janice McCann (Treasurer).

2. **Liability Insurance Coverage**
   Alyssa called the meeting of the board due to timely issue of deciding on liability insurance coverage. Discussion of liability insurance quote and option to choose extended reporting with current carrier, USLI, which would include the EPLI portion as well. **Motion**: Sheridan motioned, Ross seconded to purchase extended reporting with USLI for a period of 3 years at the quoted cost of $1,609.20. **Motion carried unanimously**. By general consensus, the board chose not to purchase new insurance due to the deductible of 50K, the premium of 10K, and the exclusion of any action by the O'Connells being covered.

3. **Member e-mail addresses**
   Discussion regarding need for a confidentiality policy for member records and that having member e-mail addresses on file could be a point of vulnerability for the association. Until there is more certainty about the association's future, it may be best for e-mail to not be used for anything. **Motion**: Ross motioned, Scott seconded that the GLA board and association will not collect, store or utilize member's e-mail addresses for the noticing of member's meetings, or for any other purpose of official communication until such a time when the board has put an e-mail and privacy policy into place. **Motion carried unanimously**.

4. **Meeting Adjourned at 7:10 p.m.**

5. **Next Board Meeting: July 14th, 2014 at St. John's Church**

2014-06-19_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Phone Meeting Minutes - *Final*

June 19, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Alyssa Allen at 6:35 p.m.
   PRESENT: Alyssa Allen (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Charlotte Mizzi (Secretary), Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Scott McBride, Gerald Dubiel, Laura Boise (joined at 6:57 pm), Dan Kehoe, and Sheridan Stenberg. **ABSENT:** Paul Ranttalo. **ALSO ATTENDING**: Some landowners also attended.

2. **Transition from Minnick Management**
   Alyssa reviewed how claims activities against the association over the past 3 years has caused the association to lose its liability insurance and as a further result, the contract with Minnick Management has been terminated due to them not being able to be listed as an additional insured on the policy. Without Minnick to handle administrative duties, it is necessary for the board to find a way to accomplish tasks. Alyssa read a list of tasks relating to the transition from Minnick, ongoing duties, and management duties. **Motion**: Dan motioned and Ross seconded that in accordance with Bylaw Article VI, B-6, and in consideration of the vast scope of duties along with the need for a seasoned board member to immediately engage in management and performing necessary functions for the association, Alyssa Allen, who has demonstrated the necessary skills and commitment to the association, be compensated as an administrative manager in the capacity of an employee at the rate of $22.50/hr and limited to no more than 20 paid hours per week without approval of the board. Lengthy discussion ensued regarding the need for someone to be paid for management of duties due to the increased workload, the need to make sure the amount paid does not exceed what had been budgeted for Minnick, to review the situation after 4 weeks to make necessary adjustments, the need to document the duties and define a job description so a manager position can be filled in the future, the need to be able to pay for bookkeeping duties. **Amendment to Motion:** Dan amended the motion that any additional tasks to be paid that had not been handled by Minnick would only be allowed if already budgeted. Sheridan seconded the amendment. **Motion and amended motion carried with 10 in favor and 1 abstention** (Alyssa).
   As part of the transition from Minnick Management, funds would need to be transferred from the account in Bozeman to the existing accounts at Bank of the Rockies in Emigrant. **Motion**: Alyssa motioned and Sheridan seconded to transfer funds from Big Sky Western Bank to Bank of the Rockies. **Motion carried unanimously**.

3. **Officer positions**
   Ross resigned as Vice President. Alyssa resigned as President. **Motion**: Sheridan motioned and Ross seconded that Dan be appointed President and Alyssa be appointed Vice President. **Motion carried unanimously**.

4. **June Mailing to Membership**
   Alyssa reviewed that a Newsletter will go out to the membership to inform them of recent changes along with a litigation summary and a list of ideas that have come from the members as a result of the June 9th letter to members.

5. **Comment Period for Visiting Landowners**
   Comments were given by Regina Wunsch and Valery O'Connell.

6. **Meeting Adjourned at 8:10 p.m.**

7. **Next Board Meeting: July 14th, 2014 at St. John's Church**

1. **Call to Order**
2. **Transition from Minnick Management**
3. **Review of June mailing content**
4. **Comment Period for Visiting Landowners** – (Limited to 1 minute per owner)
5. **Adjournment**
6. **Next Board Meeting: July 14th, 2014 at St. John's Church**

2014-06-23_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Phone Meeting Minutes - *Final*

June 23, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 6:30 p.m.
   PRESENT: Dan Kehoe (President), Alyssa Allen (Vice President), Janice McCann (Treasurer), Charlotte Mizzi (Secretary), Ross Brunson, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Scott McBride, Gerald Dubiel, Paul Ranttalo, and Sheridan Stenberg. **ABSENT:** Laura Boise. **ALSO ATTENDING**: Some landowners also attended.

2. **Clarify and revisit decisions from June 19, 2014 phone meeting**
   The board discussed the increased workload due to litigation and no longer having the services of Minnick Management, in addition to the fact that some paid administrative help has always been needed in the past. Due to landowners who have come forward to help with some duties on a volunteer basis, Alyssa recommended that the previous motion for her to be paid for management duties be set aside until a better understanding of the situation could be reached. Further discussion included that since the early years of the GLA and in accordance with the Bylaws, board members were paid from time to time when warranted by the workload, and previous boards had adopted a policy to pay any director who gave more than 12 hours of volunteer work in a given month. The intention to pay Alyssa was temporary as an immediate measure to get things done. **Motion**: Alyssa motioned and Robert W. seconded that the decision made at the June 19, 2014 phone meeting for Alyssa to be paid to handle management duties be cancelled. **Motion carried unanimously**.
   Alyssa clarified that she chose to resign as President in order to allow her to focus more on delegating tasks and handling management duties.

3. **Logistics of GLA Operations**
   Alyssa reviewed a draft document "Necessary Tasks and Duties" and items related to moving the GLA's operations from Bozeman to Emigrant. Items discussed included Regina and Walter Wunsch donating a laptop computer to the GLA to be used by the Treasurer, the status of a place to store archival boxes, the possible need for the Treasurer or Secretary to use the GLA's laser printer, Charlotte being able to use one of the GLA's 2-drawer file cabinets for filing records, a possible office location, the need to establish a larger safety deposit box at Bank of the Rockies. **Motion**: Alyssa motioned and Ross seconded that the GLA rent the larger, 5" x 10" safety deposit box at Bank of the Rockies which would replace the smaller one so that important documents may be stored there. **Motion carried unanimously.**

4. **Review and delegation of tasks**
   The board reviewed the list of tasks and duties, and assignments of who could handle a number of these were made, with some needing to be confirmed as follows:
   Tim Brockett could handle project review application administration; Janice will handle bookkeeping and Treasurer duties with the help of Regina Wunsch; Charlene Murphy is willing to help with lien filing and collection research; Charlotte will take meeting minutes, update and maintain all meeting minute binders; Ross will research a digital recording device for recording meetings and for the use of the Secretary in producing meeting minutes; Janice will pickup and process incoming mail; Ross clarified how inquiries from the VoiceNation system can be routed to the Communications Committee for distribution; Dan will look into the possibility of renting a space at the Caspari Center; Janice to contact vendors and others with new mailing address; the need to possibly form a Complaint Committee; the need to post meeting handouts on the website so that multiple binders of handouts for landowners at board meetings would not be needed; board members having a choice to opt-out of receiving hardcopy handouts at board meetings; Ross to setup a Google doc to allow the board to participate in creating the meeting agenda; Scott to maintain and handle the VoiceNation system; Dan to research an HOA software that could provide landowners with account

information via the website; the need for project management / task tracking software to be used; Charlotte will file required documents with the Secretary of State; Gerald to continue with site inspections for project reviews; Sheridan will help with organizing and coordinating volunteers for mailings; Annual Meeting/Election assignments can be delegated at the August board meeting.

5. **Comment Period for Visiting Landowners**
   Comments were given by Valery O'Connell.

6. **Meeting Adjourned at 7:50 p.m.**

7. **Next Board Meeting: July 14th, 2014 at St. John's Church**

2014-07-14_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

July 14, 2014

1. **Call to Order**
   The meeting was called to order by Alyssa Allen at 7:07 p.m. at St. John's Church.

   PRESENT: Alyssa Allen (Vice President), Janice McCann (Treasurer), Charlotte Mizzi (Secretary), Sheridan Stenberg, Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Gerald Dubiel and Laura Boise. **ABSENT**: Dan Kehoe (President), Ross Brunson and Scott McBride.
   Landowners: Chad Stone, Charlene Murphy, Claudette Dirkers, Pouwell Gelderloos, Linda Ulrich, Regina Wunsch, Chris Williams, Ronald Wartman, and Daniel & Valery O'Connell.

2. **Set Agenda**

3. **Approve Meeting Minutes** – June 9; June 10; June 19; June 23, 2014
   Motion: Sheridan motioned and Gerald seconded to approve the June 9, 2014 minutes. **Motion carried unanimously.**
   Motion: Sheridan motioned and Robert W. seconded to approve the June 10th Meeting Minutes. Janice abstained. **Motion carried.**
   Motion: Sheridan motioned and Robert B. seconded to approve the June 19th Meeting Minutes. Paul Ranttalo abstained. **Motion carried.**
   Motion: Sheridan motioned and Robert B. seconded to approve June 23rd 2014 Meeting Minutes. **Motion carried unanimously.**

4. **Visiting Landowner Input Period**
   Valery O'Connell spoke about slander and referenced statutes MC-27-1-801 and 802.

5. **Officer and Committee Reports**
   5.1 President's Report – AA
   5.1.1 Review Officer's Positions
   Alyssa referred to the June 19th board phone meeting where Dan Kehoe was elected President and Alyssa Vice President. Ross will continue being in charge of the website.

   5.1.2 Update on Transition from Minnick
   Alyssa said that a new office location is being looked into. She stated that the Caspari Building may be available on August 15th. Denise is willing to help with administrative paperwork as she has in the past. Janice said that money has not been transferred from the bank account in Bozeman yet. The mailbox in Emigrant is being checked regularly. Alyssa said that officers of the GLA Board have signed paperwork at Bank of the Rockies authorizing them as signers on the accounts. The website has been updated with new contact information.

   5.1.3 Insurance Update
   Alyssa reported that at the June 10th board phone meeting the Board voted not to purchase the Directors and Officers liability insurance. The board approved extended reporting with the current insurance carrier that covers any potential lawsuits regarding the board's activities during the previous 3 years.

   5.1.4 Need for e-mail policy, and member records privacy policy
   Alyssa talked about member records and how certain information such as phone numbers, e-mail addresses and communication have been kept confidential. Valery O'Connell said that she wanted all records that are given to the board to also be given to members. She continued to say that is up to any resident of the GLA to opt out of giving their phone number or any other info which the resident

deemed confidential. Charlene Murphy mentioned how it is valuable to the board to have a member's phone number at certain times for being able to make contact for particular purposes. Pouwell Gelderloos and Linda Ulrich spoke about how they preferred to keep their phone numbers and other information confidential. Daniel O'Connell also spoke out about various laws that allowed him and his wife the information regarding member records. Alyssa said that the board is guided by the attorneys on this matter and will continue to get their advice, and stressed the importance of getting landowner input on the matter.
Motion: Robert motioned and Robert B. seconded that because historically, phone numbers have been kept confidential, we will continue to keep them confidential until a policy is put into place after receiving landowner input. **Motion Withdrawn.** After some discussion the motion was withdrawn because it has already been an established precedent of the Board to keep this information confidential. By general consensus, the Board affirmed that it will continue its practice of keeping phone numbers and other member information confidential until a new policy/rule is put place after receiving member input.

Action Item: **The Board will send a letter out to landowners inviting them to give their input regarding confidentiality of various types of information.**

5.1.5 July 21st Special Meeting of the Membership 7:00 pm at Emigrant Hall - Logistics and Tasks
The board reviewed various considerations. The President, Dan Kehoe, will run the meeting; Alanah will be present to answer questions; Charlene Murphy will bring her PA System; Chris Williams will bring an easel for notes; volunteers are to come at 6:00 pm to set up chairs and tables. 3 minutes will be allotted for each person to talk, unless they ask for more time.

5.2 Treasurer's Reports – JM

5.2.1 Budget Variance, Check & Deposit
Due to the need for more time to produce the reports, these will be sent by e-mail when they are ready, and reviewed at the August board meeting. Discussion included grading and graveling expenses and how the reports will reflect these costs.

5.2.2 Update on Collections of Delinquent Accounts
Janice reported that delinquent accounts have been contacted and some need to be re-contacted. People have been responsive to the collection letter they received. She asked for two volunteers to contact people regarding their delinquent bills and stated that we need a collections committee. Janice said that Parcel 23 NG is in a sheriff sale. The GLA has a lien on the property, but there may be other liens ahead of ours. It may be worthwhile to go to the sheriff sale. Janice said the board should consider setting aside money to cover potential future lawsuits. Alyssa reported that legal counsel recommended that we set aside $20,000 per lawsuit. Since over the past 3 years there have been four lawsuits averaging $37,000 each, the board discussed how $30,000 is a more reasonable amount as a safety cushion. Robert Wallace said the roads are primary and the money set aside for the lawsuits will take away money from the roads especially for crack sealing. Needed crack sealing would cost $26,000, as he previously reported. Regina pointed out that this was not originally budgeted for this year. However, money that was budgeted for Minnick will be distributed into other accounts, and then we will see where we

stand. Laura Boise said we may need to have a special assessment due to the reserves being wiped out because of the lawsuits. Robert B. said that landowners need to decide whether they want road maintenance or let the roads go. If they want road maintenance then assessments need to be raised. **Motion**: Robert B. motioned and Laura Boise seconded to set aside $30,000 from the current budget into a self-insurance liability fund and this will be maintained until further notice. **Motion Passed Unanimously**.

5.3 Road and Weed Mgmt Committee Report – RW/SS
Robert W. said that they did not have a road committee meeting this past month. Bailey Paving is contracted to do the patching of three holes on the paved road at a cost of $3,700.

5.4 Governing Document Committee Report – Chad Stone
Chad reported that there have not been any recent meetings, and requested that the survey be returned to the committee for reworking in light of recent developments. By general consensus, the board agreed to have the committee re-work the survey.

5.5 Project Review Committee Report – GD/Robert B.
No report given.

5.6 Communication Committee Report – AA/Robert B.
Alyssa reported that the July Newsletter had been sent out.

5.7 Website Committee Report – Ross
No report given.

6. UNFINISHED BUSINESS

6.1 Lot 41-B (SG) – Complaint Update – AA (2 min)
Nothing to report at this time.

6.2 e-mail vote Re: Implementation of Bylaws Amendments – AA
Alyssa reviewed that at the last meeting a point was made that the Bylaws amendments approved in April had not yet been filed. Alyssa reported that according to legal counsel there is no time frame in which the amendments must be filed, and keeping in mind that there may be further amendments to the Bylaws, the board voted via e-mail to postpone filing the Bylaws amendments until revisited at a later time. **E-Mail Motion** by Alyssa and seconded by Sheridan read as follows: "In consideration of attorney advice, I move that we postpone the filing of the Bylaws Amendments until the board re-visits this at a later time." **Motion passed** with 9 in favor, 3 no response, however, both Robert W. and Laura voted in favor at this current meeting, bringing the vote to 11 in favor and 1 no response.

6.3 Story Ranch Access – RW
A letter had been sent to the Story ranch regarding closing the access through GLA roads. It had come to the board's attention that more discussion and research was needed to consider a possible permissive easement where assessments would be charged. At this time, everything is to stay as-is. Robert W. said the Storys don't use the GLA roads a lot and are willing to pay an assessment. Valery O'Connell said that she lives on Taurus road and there is no way to know who uses the road if the gate is kept open. There is no way to monitor who goes in and out. Valery said that she got permission to use that road where the gate is. Charlene Murphy said the board needs to consider how many houses the

Storys own and who will be using the road as part of the criteria for imposing an assessment.

7. **NEW BUSINESS**

7.1 Proposal to scan records to PDF - AA

Alyssa reported on research and costs for scanning our records with several companies. The best prices were with Staples Copy Center and FedEx which cost 25 to 35 cents per page. Alpha Graphics in Billings has an entire department for scanning records with the lowest cost of 8 to 9 cents per page. **Motion:** Sheridan motioned and Laura seconded to prepare documents and get them ready to send to Alpha Graphics for scanning as soon practicable. The board discussed how the originals will be stored until a retention policy is developed. In the meantime, it is estimated that it will take 10 business days to prepare the documents for scanning and Denise is to do this work. **Motion Passed Unanimously.**

7.2 Proposal to form Collection Committee – JM

Janice proposed that a Collection Committee be formed. The board discussed the need for its members to be personable and how, due to confidentiality issues, they should be board members. Laura volunteered to help on the committee. **Motion:** Janice motioned and Robert B. seconded to form a Collection Committee to collect delinquent accounts. The members will be Janice and Laura. **Motion carried unanimously.**

7.3 Lot 40-C (SG) Blais/Newby Garage Project Review

Gerald reported that he performed a site inspection, the project is within the guidelines of the Master Plan, and looked good. The proposed garage is for an RV. Laura pointed out that the project would install an additional driveway coming off Arcturus Drive, right across from her property and she was concerned about traffic. Gerald stated that there is not another way to access this area of the property because of the steep terrain. The owners stated in their application that they intended to access the garage about once a month. Alyssa mentioned that the board can only suggest a minimum number of driveways from a lot entering a GLA platted road, but this was not an established limitation that could be imposed. **Motion:** Gerald motioned and Sheridan seconded to approve the Blais/Newby Garage project for lot 40-C (SG) with the provision to re-seed disturbed land, install a culvert at the point where the driveway enters Arcturus Drive, to keep the driveway entrance at a softened elevation so it would be safe to enter into Arcturus Drive. **Motion carried.** Laura left the meeting prior to the vote.

7.4 Meeting Norms - SM

No Action - tabled until August.

7.5 Lot 39-E (SG) - Complaint - AA

Alyssa discussed how we would address the complaint when possible. No action has been taken at this time.

8. **Comment Period for Visiting Landowners**

None.

9. **Closed Session**

9.1 Discussion of lawsuits – Board

10. **Meeting Adjourned at 10:00 p.m.**

2014-07-14_BDGNAUX.pdf

Glastonbury Landowners Association, Inc.

Board of Directors - Meeting Agenda

July 14, 2014 – 7:00 pm

1. **Call to Order**

2. **Set Agenda**

3. **Approve Meeting Minutes** – June 9; June 10; June 19; June 23, 2014

4. **Visiting Landowner Input Period** – (Limited to 3 minutes per owner)

5. **Officer and Committee Reports**
   - 5.1 President's Report – DK (10 min)
     - 5.1.1 Review Officer Positions
     - 5.1.2 Update on Transition from Minnick
     - 5.1.3 Insurance Update
     - 5.1.4 Need for e-mail policy, and member records privacy policy
     - 5.1.5 July 21 Special Meeting of the Membership – Logistics & Tasks
   - 5.2 Treasurer's Reports – JM (5 min)
     - 5.2.1 Budget Variance, Check & Deposit
     - 5.2.2 Update on Collection of Delinquent Accounts
   - 5.3 Road and Weed Mgmt Committee Report – RW/SS (5 min)
   - 5.4 Governing Document Committee Report – Chad Stone (3 min)
   - 5.5 Project Review Committee Report – GD/Robert B. (1 min)
   - 5.6 Communication Committee Report – AA/Robert B. (1 min)
   - 5.7 Website Committee Report – Ross (1 min)

6. **UNFINISHED BUSINESS**
   - 6.1 Lot 41-B (SG) – Complaint Update – AA (2 min)
   - 6.2 e-mail vote re: Implementation of Bylaws Amendments – AA (1 min)

Glastonbury Landowners Association
Formal Complaint Form

Name(s) of Complainants: Debbie Blais and Kevin Newby
Parcel/Lot No. 40-C South Glastonbury
Phone No. 858-733-2185 (Debbie) 760-802-2118 (Kevin)
Mailing Addr. 571 W. Vermont Ave. Escondido, CA 92025

Landowner involved in alleged violation: David Smith
Parcel/Lot No. 39-E South Glastonbury

Covenants Section: 6.03, Utilities – Septic Tanks shall be IAW Master Plan.
Master Plan Sections:

- 7.0, Codes and Standards – All state and county regulations must be adhered to including: Septic Tank Standards.
- 4.1, Variance Process – All building sites are required to meet acceptable state, water and septic system requirements set forth by the Montana DEQ.

History of the problem: What appeared to be a Septic Tank was installed March/April 2014 immediately next to the shelter at the lower, southeast corner of Lot 39-E, intersection of Arcturus Dr and Sunshine Pl.

Concern #1 – This may be an un-permitted septic tank.
Concern #2 - This septic tank is not in accordance with the Emigrant Trace Minor Subdivision Wells and Septics Plans from the DEQ, dated 1 Dec, 2005. This Park County document 334004 recorded on 3/24/2006 shows the planned and approved placement of a septic tank on Lot 39-E at the Northwest end of the lot, in the high ground close to Kenton Lane. There is no septic tank shown nor planned at the Southeast corner of the lot, next to the shelter's existing well at Sunshine Place.
Concern #3 – Multiple septic tanks may not be allowed on this 4-acre lot. The presence of the shelter's septic tank on this lot may rule out a 2nd septic tank on the same lot for the purpose of constructing a residential home. This adversely impacts the use and sale of this lot for the purpose of constructing a single-family dwelling on the lot.

Have you communicated with the Landowner? Yes, indirectly. We do not have David Smith's mailing address nor his email address. On June 10th, 2014, we communicated with the realtor indicating a shelter Septic Tank appeared to have been installed w/o permit and in violation of GLA Master Plan. On June 15th we received an email from the realtor indicating they "will be looking into the septic".

Photos: See 2 photos, below, taken 6/15/14, showing location of the septic tank (bald spot where digging/excavation was done) at corner of Arcturus Dr and Sunshine Pl.

Photo #2 showing bald spot on Lot 39-E where what appeared to be a septic tank was placed March/Apr 2014.

Impact of Litigation and Insurance Costs
Letter to the Membership & Special Meeting Announcement

June 9, 2014

Dear Glastonbury Landowners,

This letter is to let the GLA membership know of recent changes in our liability insurance that directly impact both the Association's finances and ability to fulfill all the obligations as dictated by the Covenants. We also want to share with you the need to make some dramatic changes in how the Association functions in order to address the challenges we now face as a Community.

The GLA board has been sued by Daniel and Valery O'Connell four times over the past three years (DV-2011-114, DV-2011-193, DV-2012-200 and DV-2012-220). Their initial lawsuit was not covered by liability insurance since the suit was instigated while Daniel was a board member. The insurance company chose not to cover the second lawsuit, filed after Daniel was removed from the board. Our liability insurance did cover the third and fourth lawsuits, and is now covering the costs for the ongoing amended complaint of the first lawsuit.

Since these lawsuits began over three years ago, legal fees have amounted to over $113,000. As a result of these expenses, our insurance carrier has chosen to drop coverage as of June 11, 2014. Two insurance brokers have been working on finding coverage for the past two months, but the GLA has been turned down by numerous other carriers due to these litigation claims.

At this point, only one insurance carrier has offered a quote. This carrier's proposed coverage requires a yearly premium of $10,170, a $50,000 deductible **per lawsuit**, and excludes coverage for any lawsuit involving the O'Connells. (Our previous insurance had a $1,342 premium per year and only a $1,000 deductible.)

This means that the Association must cover all legal costs and any potential judgment due to any lawsuit brought by the O'Connells. In addition, the Association must pay the first $50,000 of any lawsuit against the Association or its Board. We have effectively lost our ability to obtain insurance at a reasonable cost well into the future.

The lack of insurance coverage and the potential greater draw on the Association's already tight budget makes it extremely difficult for the Board to allocate resources to meet all its obligations and duties. This creates the potential for the following chain reaction:

1. The inability of the Board to meet obligations places it at greater risk of being sued again.
2. The GLA may not be able to continue to fund and respond appropriately to any future lawsuits.
3. Though board members are indemnified by State law and our Bylaws, any inability of the GLA to pay legal expenses of the Board creates more risk for them and their personal property.

4. With the probability of ever-increasing assessments and a simultaneous reduction in services such as snow plowing and road maintenance, the value of the Association to its members would decrease.

This situation has brought the Association to a point where it has never been before. We must quickly yet thoughtfully look at how the Association can protect itself from potential financial ruin and continue to survive as a viable community and non-profit corporation, and continue to maintain the standards and services this community values.

The Board sees two directions before us:

1. Increase Available Funds

Increase funds via raising of assessments (perhaps by as much as 50%), imposing a special assessment, collecting past due assessments (a very important but lengthy process with uncertain outcome, based on recent experience), OR

2. Reduce our Legal Liabilities

Reduce legal liabilities by reducing the duties and responsibilities of the Association and thus reducing the number of issues it may be sued over. This approach would reduce potential legal vulnerabilities, and also allow us to keep assessments at a reasonable level.

The board is holding a Special Meeting of the Members on July 21, 2014, 7:00 pm at Emigrant Hall in Emigrant, MT, so that we can explore our options together, with an attorney present to answer questions. As we consider our options, we need to think about what is best for the future of the Glastonbury Community, what is best for the individual landowner and how we can continue to protect property values. We also need to consider how we can limit the liability of the Association so we are not placed in such a position of vulnerability again.

Be assured that the board will make every effort to communicate responsibly and effectively with the landowners and involve you in every step of the process as we move forward in our discussions.

We welcome your ideas, suggestions and questions to the GLA at info@glamontana.org, or in writing by mail.

Sincerely,

GLA Board of Directors

Glastonbury Landowners Association

Newsletter ~ July 2014

Loss of Liability Insurance & Minnick

As mentioned in the June 9 letter to the membership, according to our carrier, claims activities due to the lawsuits filed against the Association by Daniel and Valery O'Connell have caused our insurance to drop coverage. The Board has not been able to obtain insurance at a reasonable rate; and, the only quote offered excluded coverage for any claims having to do with the O'Connells. Therefore, for the first time, the Association does not have liability insurance for its directors, officers and the Association. Unfortunately, our contract with Minnick Management requires that we have full liability coverage and that Minnick be listed as an additional insured on that coverage. Because the Board could not obtain full coverage, Minnick terminated the agreement.

Transition from Minnick & New Address

Please be patient with us as we make the unexpected transition from Minnick Management, who has been handling administrative and bookkeeping duties for the past two years, to a new operation. There are many areas that require coordination, training, and the assigning of duties, as well as logistical concerns. As a result, the Board may not be able to answer inquiries or handle issues as quickly as would be desired since establishing the usual day-to-day operations will take time. We will keep you posted on further developments.

We no longer have personnel who will directly answer phone calls, but please continue to use our main phone number listed below. All incoming phone calls will be routed to the appropriate director or committee chair via the VoiceNation voicemail system already in place. You may also use the customary e-mail address for inquiries: info@glamontana.org.

Effective immediately, contact information is as follows:

GLA • PO Box 312 • Emigrant, MT 59027

Phone: 406-451-0033

www.glamontana.org • info@glamontana.org

Charlotte Mizzi Appointed to Board

At the May Special Meeting of the Board, Charlotte Mizzi was elected to complete Donna Lash-Andersen's term that ends in November 2015. Charlotte has previously served on the board and brings her many years of experience in administration and management.

Board Officers

The Board has made some adjustments to its officer positions as follows: Dan Kehoe – President; Alyssa Allen – Vice President; Charlotte Mizzi – Secretary; Janice McCann – Treasurer.

e-Mail Communication

In April 2014, the members voted at a Special Meeting to amend the Bylaws, allowing e-mail, in addition to postal mail and fax, as an allowed method of noticing meetings and communicating with members and directors.

The Board has not yet implemented an e-mail communication program since this requires that the back-end processes first be put in place, along with a policy on what type of information would be provided by e-mail. Once this has been accomplished, a consent form with various opt-in choices will be sent to the membership.

Are You Building or Planning to Build?

The Covenants require that all building projects and improvements to property be submitted to the association for approval prior to beginning construction. It is the Board's role to ensure that the standards and requirements outlined in the Covenants and Master Plan are being followed. In order to have time to properly review your project, please submit plans at least two weeks prior to the monthly Board meeting, which usually occurs on the 2nd Monday of each month. Forms and instructions may be found on the GLA website, www.glamontana.org under the menu "current landowners" and then "building projects/improvements." Please contact the Project Review Committee at voicemail extension 103 if you have any questions.

The Future of the GLA: Special Meeting to Explore Options – July 21

As announced in the June 9 letter to the membership regarding the impact the past 3 years of litigation has had on the association, there will be a Special Meeting of the Members on Monday, July 21, 2014 at 7:00 pm at Emigrant Hall in Emigrant. The purpose of the meeting is to discuss various options the Association may consider for the future, including ideas ranging from minor amendments to the governing documents to a possible major restructuring.

We invite all landowners to attend and bring your ideas. Alanah Griffith, an attorney who specializes in association law, will be present to answer questions. In the meantime, please submit any questions you may have to: info@glamontana.org, so that Alanah can review questions prior to the meeting.

At this point, a number of ideas and options have come to the Board's attention, and we share some of these with you now to help prepare you for a lively discussion at the July 21st meeting.

The various options below would necessitate anywhere from minor changes to the governing documents to major restating of the Covenants, amending the Bylaws and Articles, to creating new Articles and Bylaws. We have listed some of the Pros and Cons of each option only to get the discussion going. The Board recognizes that any change will come from the members, must be supported by the members and will be voted on by the

members. Therefore, the Board has decided to remain neutral during the meeting in order to better facilitate a discussion and hopefully find a consensus amongst a majority of the membership.

Some possible options and scenarios:

1. Continue as-is without changing any of the governing documents.

Pro: This would be the easiest for the membership in terms of working on the governing documents to create something upon which a majority can agree.

Con: This may be the most costly scenario given the current litigious environment which requires that all activities and reporting strictly adhere to the "letter-of-the-law," since every action is highly scrutinized and requires a professional level of administration, management, training, and record-keeping accountability. The increased workload, and level of expertise required to reduce the risk of more lawsuits, means that in addition to continual attorney advice on board actions, skilled professionals must be hired to manage and handle tasks. Money will also have to be set aside to fund future lawsuits because of ongoing threats. In the end, there is less money to put toward the roads and assessments will need to be raised.

2. Amend the governing documents to minimize the duties and responsibilities of the Board. In essence, the amended Covenants and Master Plan would continue to run with the land and impose certain restrictions, but the Board would not be responsible for enforcement. The members themselves would be responsible for enforcement regarding their neighbors.

Pro: This would reduce the issues over which the Association can be sued. If the Board has no duty to enforce the rules, then it cannot be sued regarding its non-enforcement of rules.

Con: It may be necessary no longer to allow variances. The landowners would voluntarily comply or be subject to possible lawsuits from other members which may not be positive for neighborhood relations.

3. Amend the Covenants to require binding arbitration outside of the court.

Pro: Arbitration is usually less expensive and faster when compared to the Court system.

Con: There is typically no appeal from an arbitration (the only appeal is when the arbitrator adds the award incorrectly.) Therefore, the parties must live with the result.

4. Amend the Covenants to make the Association a road maintenance association.

Pro: Like Item No. 2, the fewer duties the Board has, the less likely the Association can be sued. If the only responsibility of the Board was to collect assessments for roads and then maintain the roads, this would limit liability.

Con: It would require that all restrictions provided by the Covenants and Master Plan be eliminated. Therefore, there would be no building, land use or other restrictions (depending on your viewpoint, this could be positive or negative.) No covenants can lead to a loss of property value depending on how the neighborhood is developed.

5. Involve Park County to a greater or lesser extent in establishing an RSID (Rural Special Improvement District), whereby they maintain all or only certain portions of our roads, such as only the paved road in North and/or South. In this scenario, the County would charge an additional amount on our property taxes, and monies collected would be set aside exclusively for road maintenance.

Pro: Since monies are collected via property taxes, it would be a reliable source of revenue. The Association could still charge assessments for administration and some level of road maintenance beyond what is handled by the County.

Con: The Association may not have as much control over determining when a road is maintained such as gravel and grading, chipsealing asphalt, and/or plowing in the winter. There is also no guarantee that the County would agree to do this.

6. Completely dissolve the association and attempt to form a new one by voluntary opt-in.

Pro: This would be a chance to start over with a new organization and set of governing documents.

Con: Because it is voluntary, its success would depend on all members voluntarily joining the new association. This aspect could be highly problematic, since after being cut loose from any obligations, it is likely that very few would choose to opt-in. Therefore, those that opted-in would carry the burden for those that did not.

7. Restructure North and South into separate associations. In this scenario, the governing documents would apply to each association exactly as-is, and then each association would be able to amend their particular governing documents to best suit their needs.

Pro: This may allow management to be less cumbersome due to the smaller size of each association, and help to reduce administrative costs since tasks could be more easily handled by volunteers.

Con: A smaller association means less borrowing capacity for items like paving and maintaining common areas (should the need for a loan arise.) Issues such as delinquent accounts, the paving loan, and common-use land would need to be addressed.

8. Change from our current Not-for-Profit structure to an LLC or other business structure.

Pros: None.

Cons: Same liabilities as a non-profit with the addition of having to pay taxes on the assessments collected.

These are the ideas that have been brought to the Board to date. Perhaps other members have different ideas, or will share their thoughts on other pros and cons of the aforementioned ideas. This is the brainstorming part of this endeavor. Hopefully the members can take the brainstorming further and work together to come to an agreement on which direction to take at the meeting on Monday, July 21 at 7:00 p.m.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

August 11, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:00 pm at St. John's Church
   PRESENT: Dan Kehoe (President), Alyssa Allen (Vice President), Janice McCann (Treasurer), Charlotte Mizzi, (Secretary), Sheridan Stenberg, Robert Wallace (aka Robert W.), Ross Brunson, Robert Branson (aka Robert B.), Paul Rantallo, Gerald Dubiel.
   ABSENT: Laura Boise, Scott McBride.
   Landowners: Jim & Dawn Finkler, Linda Ulrich, Jeff & Jerry Ladewig, Chris Williams, Claudette Dirkers, Daniel & Valery O'Connell, Marjorie Lombard, Donna Lash-Andersen.

2. **Set Agenda**

3. **Approve Meeting Minutes** – July 14, July 21, 2014
   Motion: Alyssa motioned and Sheridan seconded to approve the July 14, 2014 minutes.
   Motion carried unanimously.
   Approval of the July 21 minutes was tabled until next meeting.

4. **Visiting Landowner Input Period**
   Jim Finkler was concerned about the use of Bradford Way, and acknowledged this item was already on the agenda. Jeff Ladewig commented on some landowners not knowing what are private or GLA roads. Linda Ulrich inquired about where to find the road information of primary, secondary and tertiary roads.

5. **Officer and Committee Reports**
   5.1 President's Report – DK
   5.1.1 Review of July 21st Special Meeting, Input Received from Members
   Dan commented on the options: No one likes the option of things staying as they are. He noted that even though no one likes that option, if we don't find a way to move forward that a majority approves of, then that remains the default position. What the Board is looking to do is start to streamline and bring items to the membership to review the Bylaws, Covenants and Master Plan—taking a balanced approach reducing the areas that the organization is responsible for and still have a structure that maintains property values. The Board will not be trying to get members to vote on any major changes to the governing documents. Our experience bringing things to the membership to vote on is that anything more than a conservative, well-reasoned change does not get accepted, because people bought their property with a certain set of rules and they aren't looking for radical departure. Arbitration is not an option since all landowners would need to vote for it and already some landowners have said they would not agree to binding arbitration. Mediation is always an option to use. The process for change will not be rapid and will need a lot of step by step consensus building.

   5.1.2 Meeting Conduct Policy Tabled.

   5.2 Vice President's Report - AA
   5.2.1 Office Space Rental with Marjorie Lombard
   Discussion regarding renting an office area from Marjorie Lombard. Marjorie commented on the rental agreement and questioned the requirement of a one million dollar Insurance Policy and how much such a policy would cost. She also expressed that she would only want the Board to have access to the office space. Marjorie stated that she did not want the sublease provision to be included in the rental agreement. The Board stated that they will look into the insurance policy and were willing to pay $20 extra per month to share the cost for internet access.

5.2.2 Review of Duties and Tasks

Alyssa reviewed a number of ongoing duties and tasks that were being performed by Minnick, herself, volunteers and contractors. She expressed how she was not going to be able to handle all of these things and they need to be delegated to others, although she would continue helping with litigation related matters. Janice said that she will handle financial and liability concerns. Regarding general management and operations, Ross said that software can be used for some aspects of this but not everything. Robert B. said that we need to prioritize and limit what the association does. Other Board members suggested setting a standard for volunteers as well as an infrastructure for them to work with.

5.2.3 Proposal to hire administrative employee

Alyssa noted that she will not be available for the close to full time level that it has taken her to fulfill board obligations and that the organization needs to set up a way to fulfill the tasks and duties. The Board reviewed the tasks and duties list to see what board members could take on and what would need to be done by an administrative assistant. Discussion continued on how to streamline tasks and duties. Ross recommended using tracking software to reply to e-mail communication that comes into the info account within 24 to 48 hrs. Complex questions might take a longer time. Dan suggested that committee chairs will take on tasks relating to their area and look into what volunteers can do. Denise can help with some of the tasks for the next 3 months, and can be the main person to disseminate materials to committee chairs. With regards to the newsletter, Robert W. said that each committee chair can submit material. He also recommended that his wife can put it together as a volunteer. Robert B. said that someone has to establish timelines. Charlotte can coordinate a 24 hr. meeting notice. Sheridan said we need to re-instate a complaint committee. The communication committee will handle complaints for now. Charlotte, as Secretary, will track phone meetings.

5.3 Treasurer's Report – JM

5.3.1 Budget Variance, Check & Deposit

Janice reported that the GLA's funds have been transferred from the Bozeman bank to our accounts at Bank of the Rockies. The Treasurer's reports were tabled until the next meeting.

5.4 Collections Committee – JM

No report at this time.

5.5 Road & Weed Management Committee Report - RW/SS

Robert B. went over the need for crack sealing on the different paved roads and the critical timing to do it in 2014. Robert W. reported the bid he received for the cost to crack seal paved roads in both North and South is $24,898 which is about $1.00 per lineal ft. Robert outlined how there are two options (1) use $24,898 and do the work all at once this fall or (2) divide the work to be done into 3 years which would cost about $8,300 per year for each of those years. Charlene Murphy commented that $29,000 set aside for road emergencies could be used for any road activity. **Motion**: Robert B. moved and Robert W. seconded that the Board reallocate $20,000 from the litigation fund to the road fund for crack sealing and pull the remainder $5,000 from the emergency road fund and the total to be given for doing all of the crack seal this Fall for both North and South Glastonbury. In the discussion that followed, Robert W. pointed out that due to the difference of more road being fixed in North, it would be offset by either snow plowing

or road maintenance that would be done in South. Charlene gave figures of historical differences between what has been done. **Motion Passed Unanimously.** Robert W. reported that Ed Shilling sent an invoice for weed spraying in the amount of $2,094.

5.6 Election Committee – SS

5.6.1 Preparations & Mailing Schedule for Annual Meeting/Elections
Sheridan said that the nomination mailing will go out the last week of August. Nominees will have until the end of September to turn in their forms.

5.7 Governing Document Committee Report – Chad Stone

Chad was not present, no report given.

5.8 Project Review Committee Report - GD/ Robert B

5.8.1 Lot 40-A (SG) – Wallace House/Driveway/Septic Project Review
The Board reviewed the plans and Gerald reported that the setbacks are being met. **Motion:** Alyssa moved and Sheridan seconded to approve the house/driveway/septic application on Lot 40-A SG with the condition that all disturbed land be reseeded, the necessary permits be obtained. **Motion carried. (2 abstentions: Robert W. and Paul)**

5.8.2 Lot 40-D (SG) – Wallace Well Project Review
The Board reviewed the application and Gerald confirmed that the setbacks were met. **Motion:** Gerald moved and Janice seconded to approve the Well application for Lot 40-D SG with the condition that disturbed land be reseeded. **Motion carried. (1 abstention: Robert W.)**

5.8.3 Lot 36-E (SG) – Rolf/Montana Shed Project Review
The Board reviewed the application and Gerald confirmed that the setbacks were met. **Motion:** Gerald moved and Ross seconded to approve the Shed application for Lot 36-E SG with the condition that all disturbed land be re-seeded. **Motion carried unanimously.**

5.8.4 Parcel 103 (SG) – Heinz Play House Project Review
The Board reviewed the application and Gerald confirmed that the setbacks were met. **Motion:** Gerald moved and Paul seconded to approve the Play House application for Parcel 103 SG. **Motion carried unanimously.**

5.9 Communication Committee Report – AA/Robert B.

5.9.1 Document Request Form – AA
Alyssa presented a draft form to be used for document requests that would go on the website or be available by request. The form helps the association stay within the requirements of the law. The form is based on input from the attorneys. **Motion:** Sheridan moved and Gerald seconded to approve the "Document Request Form" pending lawyer review and input. **Motion carried unanimously.** Valery O'Connell commented that the Board's action of approving the document request form without landowner input - and she had her hand raised - is why the association gets sued. Alyssa commented that maybe the Board should put the money intended for crack sealing back in the legal fund. Valery commented that they do not take lawsuits lightly and neither should the Board.

5.10 Website Committee Report – Ross

Ross stated that he had been posting the latest news, board meeting and agenda

information, the Q&A from the attorney on the website and updated the Calendar of Events. He reported on people who can't attend asking to hear the board meetings over a conference call, and that in order to do that we would have to invest in a better communications device than just a simple speaker phone. Scott and Ross are researching options and will make some recommendations. This leads to needing a records retention policy in order to determine how long we keep meeting recordings. People have asked for replays of the board meetings which is possible by posting the meeting recording to an unlinked webpage. Dial-in would be live, but listen only. He is also beginning to put up committee pages to improve communications and updates.

6. UNFINISHED BUSINESS

6.1 Lot 39-E (SG) – Complaint – AA

It was reported that the landowner Dave Smith, is negotiating to sell the property to the lessee or he will not be renewing the lease at the end of October. He is willing to make it right, we just need more time is needed to work things out and then follow-up.

6.2 Story Ranch Access and Use of Bradford Way – RW

Robert W. recapped the history of how the Board gave approval to the Story's to use the GLA roads in 2008 due to a flood to access their property. This access was only granted for one year and they were to pay an assessment. It was reported that the Story's continued using the GLA roads to access their property for the last 3 years. A letter had been sent out by the Board in May 2014 stating that they no longer had permission to use GLA roads to access their property. No answer had been was received from the Storys and there was no personal contact made with them by a Board member. Jim Finkler, who lives on Bradford Way at the end of Taurus Road, said the roads in his subdivision were never maintained by the GLA. The Board explained that the GLA is not responsible for private roads within a subdivision. Robert B. said that a lot of the GLA's road money goes to the paved and main roads that all residents use to access their subdivisions. Currently, the GLA does not have enough money to maintain private subdivision roads. Robert W. will pursue getting in contact with the Story's.

6.3 Proposal to Purchase Omni-directional Conference Phone – SM Tabled.

6.4 Development of e-mail policy, member records privacy policy – CM

Charlotte is planning to have a summary for the next meeting.

7. NEW BUSINESS

8. Comment Period for Visiting Landowners

Charlene Murphy commented on the process regarding changes for the GLA governing docs. Daniel O'Connell talked about the July 21st special meeting and about the lawsuits and commented that the GLA attorneys and Board are causing so much trouble but we don't see it. He asked if the Board had read the summary motion the GLA attorneys had recently filed and commented that the Board was individually responsible for the lies that were in it. He commented that there are defamations (#16) in the motion and rhetorically asked if the Board wanted another lawsuit.

9. Closed Session

9.1 Discussion of lawsuits – Board.

10. Meeting Adjourned at 10:52 p.m.

Glastonbury Landowners Association, Inc.

Board of Directors - Meeting Agenda

August 11, 2014 – 7:00 pm

1. **Call to Order**

2. **Set Agenda**

3. **Approve Meeting Minutes** – July 14; July 21, 2014

4. **Visiting Landowner Input Period** – (Limited to 3 minutes per owner)

5. **Officer and Committee Reports**
   - 5.1 President's Report – DK (7 min)
     - 5.1.1 Review July 21st Special Meeting, Input Received from Members
     - 5.1.2 Meeting Conduct Policy
   - 5.2 Vice President's Report – AA (5 min)
     - 5.2.1 Office Space with Marjorie Lombard
     - 5.2.2 Review of Duties and Tasks
     - 5.2.3 Proposal to hire administrative employee
   - 5.3 Treasurer's Reports – JM (5 min)
     - 5.3.1 Budget Variance, Check & Deposit
   - 5.4 Collection Committee – JM (2 min)
   - 5.5 Road and Weed Mgmt Committee Report – RW/SS (5 min)
   - 5.6 Election Committee – SS
     - 5.6.1 Preparations & Mailing Schedule for Annual Meeting/Elections – SS (2 min)
   - 5.7 Governing Document Committee Report – Chad Stone (1 min)
   - 5.8 Project Review Committee Report – GD/Robert B. (5 min)
     - 5.8.1 Lot 40-A (SG) – Wallace House/Driveway/Septic Project Review
     - 5.8.2 Lot 40-D (SG) – Wallace Well Project Review
     - 5.8.3 Lot 36-E (SG) – Rolf/Montana Shed Project Review
     - 5.8.4 Parcel 103 (SG) – Heinz Play House Project Review
   - 5.9 Communication Committee Report – AA/Robert B.
     - 5.9.1 Document Request Form – AA (1 min)
   - 5.10 Website Committee Report – Ross (1 min)

6. **UNFINISHED BUSINESS**
   - 6.1 Lot 39-E (SG) – Complaint – AA (2 min)
   - 6.2 Story Ranch Access and Use of Bradford Way – RW (2 min)
   - 6.3 Proposal to Purchase Omni-directional Conference Phone – SM (2 min)
   - 6.4 Development of e-mail policy, member records privacy policy – CM (2 min)

7. **NEW BUSINESS**

8. **Comment Period for Visiting Landowners** – (Limited to 3 minutes per owner)

9. **Closed Session**
   - 9.1 Discussion of lawsuits – Board

10. **Adjournment**

11. **Next Board Meeting: September 15, 2014 – Details TBD**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

September 15, 2014

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:10 pm at St. John's Church

   PRESENT: Dan Kehoe (President), Alyssa Allen (Vice President), Janice McCann (Treasurer), Charlotte Mizzi, (Secretary), Sheridan Stenberg, Robert Wallace (aka Robert W.), Ross Brunson, Robert Branson (aka Robert B.), Paul Rantallo.
   ABSENT: Laura Boise, Gerald Dubiel, Scott McBride.
   Landowners: Debbie DeGraff, Victoria Osborne, Pouwel Gelderloos, Linda Ulrich, Chris & Ia Williams, Tim Brockett, Walter & Regina Wunsch, Donna Lash Anderson, Svend Anderson, Charlene Murphy, Daniel & Valery O'Connell, Claudette & Micah Dirkers, William Smith, Fred Morsell, Keenan Mitchem, Sue Dougherty, Mark Seaver, Sally Muto, Kristina & Bob Sones, George Larsen, Irena & Jacob Meijer.

2. **Set Agenda**

3. **Approve Meeting Minutes** – July 21, July 25, August 11, 2014 - Tabled till next meeting

4. **Visiting Landowner Input Period**
   Some members of the Governing Documents Committee expressed the need for the survey to be updated and sent out to members ASAP. Charlene Murphy pointed out that in our next Newsletter mailing we could inform landowners that the survey can be taken online, but those who need a hardcopy can specially ask for one to be mailed to them.

5. **Officer and Committee Reports**
   5.1 President's Report – DK
   5.1.1 Noting Actions by Written Consent
   Motion 1: Alyssa moved that the GLA rent unit 6, 10 Liberty Lane in North Glastonbury as described in the Rental Agreement between the GLA and Carmen Bocanegra at the rate of $200 per month, and pro-rated at $7 per day on a month-to-month basis. Scott seconded the motion. 10 voted in favor (Alyssa, Scott, Paul, Robert W., Janice, Robert B., Gerald, Ross, Sheridan and Daniel); 2 did not vote (Laura and Charlotte). **Motion carried.**
   Motion 2: Alyssa moved that the GLA enter into a 90-day trial (money-back-guaranteed) period in order to implement and test the "Community Edition" of AssociationVoice's Web-based management tool using live data, in an attempt to confirm that the product will assist in helping to meet our Assocation's management needs. Ross seconded the motion. 10 voted in favor (Alyssa, Charlotte, Scott, Robert W., Janice, Robert B., Gerald, Ross, Sheridan and Daniel); 2 did not vote (Laura and Paul). **Motion carried.**

   5.1.2 Next steps of Governing Documents
   Daniel mentioned that the board could move forward by asking the landowners questions via Survey Monkey and by mail for those who are not online. Ia Williams expressed that the survey developed by the Governing Document Committee is obsolete.
   ACTION ITEM: Daniel to contact Chad Stone to see if he is interested in continuing to chair the committee.

   5.2 Vice President's Report - AA
   5.2.1 Office Space Rental
   Alyssa reported that unit 6 at 10 Liberty Lane was satisfactory as an office space, and the rent is $200 per month. There is an option to share internet access with

GLA 03338

another resident so we could pay half the cost. The approval to rent the space was voted on by e-mail as described in the President's report.

5.3 Treasurer's Report – JM

5.3.1 Budget Variance, Check & Deposit

Janice presented the Treasurer's reports. **Motion:** Sheridan moved to approve the Treasurer's reports, Ross seconded. **Motion Carried Unanimously**.

5.4 Collections Committee – JM

Janice gave a report of properties with liens, and how she has been contacting delinquent accounts. New payment plans are being setup. Ross pointed out how we could develop a more general way to engage delinquent accounts. Daniel pointed out that many landowners have expressed how the interest rate charged according to the Covenants should be reduced to a more reasonable rate.

Janice reported that CUT still owns a retainer interest in four properties that still have years remaining in their leases. These properties owe back real estate taxes and GLA dues. The Church is interested in working with the owners to have outstanding bills brought up-to-date, or in taking back and selling the properties. Two of the properties are expected to be settled within nine months. They can pay outstanding dues when the property is sold. CUT was looking for a reduction in the interest and penalties that have accrued on the properties if they were to take them back. The board discussed the need to treat the Church the same as any other landowner by having them negotiate a payment plan for the past due assessments and penalties.

ACTION ITEM – Daniel to respond to the Church with the Board's direction.

5.5 Budget Committee - JM

Janice presented a Mock Budget for 2015 which the Board reviewed.

5.6 Road & Weed Management Committee Report - RW/SS

The board and landowners discussed crack sealing for pavement in North and South. Daniel reported on his conversation with Gerard Lambert, a landowner who is an asphalt contractor in Canada, on his recommendations on the road repair, and that routing should be done prior to crack sealing, and that it is not worthwhile to crack seal "alligatoring" pavement because this shows the road base is already breaking down. Daniel pointed out that we would need to obtain permission from the County prior to cracksealing Dry Creek which is a County Road.

Walter Wunsch said he was surprised that a decision was made to crack seal at the August board meeting, and although he does not have anything against crack sealing he takes issue on the timing of having it done this year, given our current finances. According to the County engineer and landowner Michael Rosa (who is a highway engineer for California) there is not an emergency need to perform crack sealing. The alligator situation is more prevalent in SG that causes potholes. Walter pointed out that the County has been responsive by repairing potholes on Dry Creek shortly after he contacted them. There are more urgent and important issues such as putting gravel on High South roads. We need to look further into forming an RSID with Park County.

William Smith spoke of his credentials as a civil engineer and his years as head of the Road Committee when he was on the Board. Damage to asphalt occurs due to freezing and thawing cycles caused by weather changes. Crack sealing helps the water to flow off the road rather than getting caught in the cracks. Another chip sealing operation is going to be needed. There was a 5-year plan for chip sealing. Spalling is created on the edges of the road when the shoulder does not support the side of the road. William also discussed how the County was interested in RSID and maintenance agreements. The roads in Glastonbury are private roads with the exception of Dry Creek. (Walter made a comment

that he talked to a lawyer and said Hercules is a public road up to the point of the water fall where the easement begins to Forest Service land.) William said the private roads can maintain their status even with an RSID. Regarding crack sealing with or without routing, William said that no routing was done before. Robert W. said that crack sealing without routing is adequate for private roads according to contractors he spoke with.

Pouwel Gelderloos said that there are two ways to do it: first routing, then put sand and a composite material that expands and contracts. The second method is to use a machine to heat the road bed and then put the composite material, and outside temperatures are not as big a factor. Paul commented that the synthetic composite is heated to 450 degrees.

Sheridan said that the RSID is not to our benefit. We need to keep up our roads ourselves and not depend on the County since their standards are not up to par. When we retire the paving loan of $30,000 we can continue with the 5-year plan to chip seal.

Robert W. mentioned that in 2016 we will have the money to chip seal.

Janice said that we also need to look at the gravel roads especially in high south. We need to have a strategy for maintaining the gravel roads. We might need to have an assessment increase or a special assessment.

Robert W. said that we are putting a lot of gravel on the roads.

Valery O'Connell said the priority, according to our covenants, is to spend money on the roads. We do not need $30,000 for the lawsuits.

Regina Wunsch said that we need to continue to keep the money already designated set aside, otherwise the budget we are planning to follow is at risk if we needed lawsuit funds. Regina compared north and south expenditures for the roads and said that there is not enough money to cover potential winter road expenses and legal expenses. Last year the funds for lawsuits came out of the roads. The weather factors have a lot to do with the availability of the money. We will need a special assessment for the crack sealing.

Tim Brockett said we need money for the lawsuits. The "Glastonbury Landowners for Positive Change" met on Sept. 11th and said that they recommend splitting North and South. Hold off on the crack sealing and look at other options.

Ia Williams asked why an important decision like this is not being put to the landowners for a vote. Daniel explained how our Bylaws dictate that the Board makes these decisions. Robert W. said that the crack sealing decision was not done in a rush. Walter Wunsch said he was on vacation and all the discussions on crack sealing with the Road Committee were exploratory, but needs to go to the greater community for a decision.

Ross said it looks like we need to raise funds. Regina Wunsch said we need to hold off till next year. Ross said right now we can get a good deal with the contractor. Janice said we can rebuild our finances when CUT clears up the four lease-for-years properties. Robert B. said we can come to a compromise and do some of the most needed work now. It is a different weather cycle and getting colder earlier. Walter Wunsch said Park County will fix Dry Creek road when the condition becomes dangerous, the alligator cracks can wait till next year, and the County doesn't think it is an emergency right now. Debbie DeGraff said that based on the amount of questions and uncertainty we need to wait until we have more input from people. We should not spend money on County Roads unless it is really necessary. There should not be any special consideration for people who owe assessments.

Robert W. said the County will not pay to crack seal Dry Creek Road. William Smith said crack sealing prices depend on oil prices and the prices right now are pretty good because oil prices are low. We do not know what the price will be next year. Charlene Murphy asked how about having one board and separate road committees. Is there another way to look at the roads according to the needs of North and South. Valery O'Connell said there is no guarantee that oil prices will go down and we should take

GLA 03340

advantage of the price. Claudette Dirkers read a statement made by attorney Alanah Griffith regarding how we pursue the collection of past due amounts on liened properties based on the wording in our Covenants. Robert W. said he is in favor of doing the cracking sealing now. Alyssa said that we should not include the crack sealing of Dry Creek Road as part of the contract.
Motion: Robert W. moved that the GLA go back to the crack sealing contractor to see if he would honor the price of $1.00 per linear ft. to do only the 3.4 miles of NG roads. If he does not honor the price, then he will go back to the Board and have a phone conference and reconsider the decision. Sheridan seconded the motion. **Motion Passed Unanimously.**

5.7 Election Committee – SS
Sheridan reviewed that the cut-off date for nominations is Sept. 28th. The next mailing will be early October.

5.8 Project Review Committee Report - GD/ Robert B

5.8.1 Lot 47-B NG Dodd House Project Review
Alyssa reviewed the application and mentioned that Gerald had confirmed the setbacks had been met. **Motion:** Alyssa moved and Janice seconded to approve the house application on Lot 47-B NG with the condition that all disturbed land be reseeded, the necessary permits be obtained, and the existing manufactured home be removed upon completion of the new dwelling. **Motion carried unanimously.**

5.8.2 Lot 41-D SG Larsen Deck Project Review
Alyssa reviewed the application and reported that Gerald confirmed that the setbacks were met. **Motion:** Alyssa moved and Robert B. seconded to approve the Deck application for Lot 41-D SG with the condition that disturbed land be reseeded. **Motion carried unanimously.**

5.8.3 Parcel 72 SG Wunsch Garage Project Review
Alyssa reviewed the application and confirmed that the setbacks were being met. **Motion:** Alyssa moved and Charlotte seconded to approve the garage application for Parcel 72 SG with the condition that all disturbed land be re-seeded. **Motion carried unanimously.**

6. UNFINISHED BUSINESS
6.1 Lot 39-E (SG) – Complaint – AA Tabled.
6.2 Story Ranch Access and Use of Bradford Way – RW
ACTION ITEM: Robert W. to draft a letter to Rob and Colleen Story stating that they cannot use GLA roads without some kind of negotiation.
6.3 Proposal to Purchase Omni-directional Conference Phone – SM Tabled.
6.4 Development of e-mail policy, member records privacy policy – CM Tabled.

7. NEW BUSINESS

8. Comment Period for Visiting Landowners
None.

9. Closed Session
9.1 Discussion of lawsuits – Board Tabled.

10. Meeting Adjourned at 10:30 p.m.

GLA 03341

Board of Directors - Meeting Agenda

September 15, 2014 – 7:00 pm

1. **Call to Order**

2. **Set Agenda**

3. **Approve Meeting Minutes** – July 21, July 25 & August 11, 2014

4. **Visiting Landowner Input Period** – (Limited to 3 minutes per owner)

5. **Officer and Committee Reports**
   - 5.1 President's Report – DK (5 min)
     - 5.1.1 Noting Actions by Written Consent
     - 5.1.2 Next steps on Governing Documents
   - 5.2 Vice President's Report – AA (2 min)
     - 5.2.1 Office Space Rental
   - 5.3 Treasurer's Reports – JM (2 min)
     - 5.3.1 Budget Variance, Check & Deposit
   - 5.4 Collection Committee – JM (10 min)
   - 5.5 Budget Committee – JM (10 min)
   - 5.6 Road and Weed Mgmt Committee Report – RW/SS (15 min)
     - 5.6.1 Crack sealing revisited with new information
   - 5.7 Election Committee – SS (3 min)
   - 5.8 Project Review Committee Report – GD/Robert B. (5 min)
     - 5.8.1 Lot 47-B NG Dodd House Project Review
     - 5.8.2 Lot 41-D SG Larsen Deck Project Review
     - 5.8.3 Parcel 72 SG Wunsch Garage Project Review
   - 5.9 Communication Committee Report – AA/Robert B. (3 min)
     - 5.9.1 John Brettschneider Communication
     - 5.9.2 Document Request Form
   - 5.10 Website Committee Report – Ross (2 min)

6. **UNFINISHED BUSINESS**
   - 6.1 Lot 39-E (SG) – Complaint – AA (2 min)
   - 6.2 Story Ranch Access and Use of Bradford Way – RW (2 min)
   - 6.3 Proposal to Purchase Omni-directional Conference Phone – SM (2 min)
   - 6.4 Development of e-mail policy, member records privacy policy – CM (2 min)

7. **NEW BUSINESS**

8. **Comment Period for Visiting Landowners** – (Limited to 3 minutes per owner)

9. **Closed Session**
   - 9.1 Discussion of lawsuits – Board

10. **Adjournment**

11. **Next Board Meeting: October 6, 2014 – Details TBD**

Glastonbury Landowners Association, Inc.

Board of Directors Phone Meeting Minutes – *Final*

September 18, 2014

1. **Call to Order**
   The phone meeting was called to order by Daniel at 7:05 p.m.

   PRESENT: Daniel Kehoe (President), Alyssa Allen (Vice President), Janice McCann (Treasurer), Charlotte Mizzi (Secretary), Sheridan Stenberg, Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.), Gerald Dubiel, Ross Brunson and Scott McBride. **ABSENT**: Laura Boise. **ALSO ATTENDING:** Some landowners also attended.

2. **Officer and Committee Reports**
   2.1 Road and Weed Mgmt Committee Report – RW/SS
   Robert W. reported on his conversation with Bailey Paving. The cost for Bailey to crack seal 3.4 miles of asphalt only in North Glastonbury would be increased from $1.00 per lineal foot to approximately $1.11 per lineal foot. This increase is to cover the travel charge of $1,800, bringing the total cost for just North Glastonbury crack sealing to $17,800.

   Discussion: The Board discussed various issues including the need to create a spreadsheet to capture the various maintenance, snow removal, and sanding cost scenarios along with the current status of roads and work needed. It was pointed out that road maintenance often "makes do" with funds allotted, however over the course of a year the GLA sees road funds diverted to legal fees or to the new legal fund as well as maintenance funds going to snow or repair emergencies.

   Motion: Alyssa moved to rescind the decision of 8/11/2014 to crack seal N & S Glastonbury paved roads including Dry Creek and Story roads. Janice seconded the motion. **Motion passed. (6 in favor, 5 against.)**

   Motion: Sheridan moved to crack seal the paved roads in N. Glastonbury (Sirius, Aries and Capricorn) starting as soon as Monday September 29th with funds to come from the emergency road fund. Robert W. seconded the motion.
   Discussion: Alyssa questioned where all the funds were coming from to cover the $17,840. The breakdown arrived upon was:
   $5,000 from legal reserve (which also takes out another $5K toward SG roads)
   $5,000 from NG road grading budget
   $2,150 from NG chip seal fund and
   $5,700 from emergency road fund.
   Motion passed. (6 in favor, 4 against.) Note: Charlotte expressed the desire to vote for the motion, but had to leave the meeting prior to the official vote.

3. **UNFINISHED BUSINESS**
   No unfinished business dealt with.

4. **NEW BUSINESS**
   No new business dealt with.

5. **Comment Period for Visiting Landowners**
   Walter Wunsch commented on the need for the Board to understand the cost of the road gravel and paved maintenance in light of the overall budget. He strongly recommended waiting at least one more year in order to get the finances in better shape before crack sealing. Regina Wunsch commented that there was only $2,000 left in the snow fund, when it is usually at $9,000 heading into the fall.

6. **Meeting Adjourned at 8:50 p.m.**

4. **Adjournment**
5. **Next Board Meeting: October 6, 2014 – Details TBD**

2014-10-06_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

October 6, 2014

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:05 pm at St. John's Church

   PRESENT: Dan Kehoe (President), Alyssa Allen (Vice President), Charlotte Mizzi, (Secretary), Sheridan Stenberg, Robert Wallace (aka Robert W.), Ross Brunson, Robert Branson (aka Robert B.), Paul Ranttalo, Gerald Dubiel, Scott McBride (by phone until 7:40).
   ABSENT: Janice McCann (Treasurer), Laura Boise.
   Landowners: Debbie Blais, Kevin Newby, Pouwel Gelderloos, Paula Kehoe, Chad Stone, Chris & Ia Williams, Tim Brockett, Regina Wunsch, Donna Lash-Anderson, Charlene Murphy, Daniel & Valery O'Connell, Claudette & Micah Dirkers. **Neighbors**: Keenan Mitchem.

2. **Set Agenda**

3. **Approve Meeting Minutes** – July 21, July 25, Aug 11, Sept 15 & Sept 18, 2014
   Motion: Sheridan motioned and Ross seconded to approve the July 21, 2014 minutes. **Motion carried unanimously.**
   Motion: Sheridan motioned and Alyssa seconded to approve the July 25, 2014 minutes. **Motion carried unanimously.**
   Motion: Sheridan motioned and Robert W. seconded to approve as corrected the September 15, 2014 minutes. **Motion carried unanimously.**
   Motion: Sheridan motioned and Robert W. seconded to approve as corrected the September 18, 2014 minutes. **Motion carried unanimously.**
   Approval of the August 11 minutes was tabled until next meeting.

4. **Visiting Landowner Input Period**
   Claudette Dirkers pointed out the need for the website to be updated with recent newsletters and committee information.

   Tim Brockett addressed the need for grading beyond Spectec in High South, and how culverts and runoff ditches need to be looked at and cleaned out with a mini excavator to avoid drainage problems in the spring. Robert W. said that the grader went past Spectec and that Norm, the grader operator, reported that the roads are in fairly good condition. Sagittarius Skyway will be looked at next spring. Dan said that Norm didn't do a consistent job with the ditches. Chad Stone said the culvert by Mercury Lane needs to be cleaned out.

   Valery O'Connell commented on how the lawsuit information on the website is not correct.

   Debbie Blais said that we should increase assessments 10 percent each year so we have the funds to take care of the roads. Robert W. mentioned how we have not increased assessments in the last 5 years and that the majority of landowners indicated on the road survey sent out to them previously that they were not in favor of increasing assessments. Dan said we need to look at what it really costs to maintain the roads, including adding mag chloride to forestall washboarding, in order to present a real road budget to the landowners.

5. **Officer and Committee Reports**
   5.1 President's Report – DK
   5.1.1 Conduct of Meetings Policy
   Dan presented a draft Conduct of Meeting Policy for board input. The policy will be posted on the website and mailed to members for landowner input.

   5.2 Vice President's Report - AA
   5.2.1 Office Space Rental
   Alyssa reported that it recently became apparent that the Liberty Lane rental space may have a mold and rodent problem, and the board concurred that it would be

best to give the 30-day notice to end the rental agreement. Sheridan reported there is another unit at the Harmony Apartments in NG that seems clean. The board discussed how the owner of the property is delinquent on assessments, and that it would be best not to be involved in any type of arrangement where rent paid would be used toward assessments owed, as suggested by the manager of the property in conversation with Sheridan.

5.2.2. Administrative Duties and Tasks

Alyssa presented a list of various administrative duties, many of which are being done by Denise, and the need to hire someone as an employee to perform administrative tasks since Denise will not be available for the long-term. The board discussed the need to hire someone soon so they can be trained, and the possibility of advertising the position through the Livingston Job Service, along with the website and notice to landowners via the next mailing. Discussion continued on determining if there is a way to reduce administrative tasks, and using volunteers. Dan pointed out that there are certain things that volunteers can do and then there are areas of responsibility and confidentiality that require a paid person. Alyssa asked for volunteer help in acquiring office furniture for the GLA, and Claudette Dirkers said that Marjorie Lombard may have a desk that is available for our new office.

Action Item: Dan and Alyssa to develop an administrative assistant job description and submit to the board for review.

5.2.3 Proposal for Bylaw Amendment

Alyssa presented a proposed amendment per attorney advice, which read:

ARTICLE VIII: CONTRACTS, FINANCE AND COMMON EXPENSES

I. Inspection of Books. The financial reports and Membership records of the Association shall be available at the principal office of the Association for inspection at reasonable times by any Member *in accordance with the Montana Non-Profit Corporation Act under Title 35, Chapter 2.*

Alyssa read of the full list of related laws: Montana Nonprofit Corporation Act, MCA Title 35, Part 2, 35-2-906, 907, 908, 910, 911: 35-2-535. Discussion included how the proposed amendment is designed to make it clear that the scope of "membership records" was never intended to be more than what the Montana Non-Profit Act allows. This will help landowners to understand what records are available to them, and help the board to fulfill document requests appropriately now and in the future. There is an opportunity to present this proposed amendment to landowners in time for it to be voted on at the Annual Meeting in November.

Motion: Alyssa motioned and Gerald seconded that the board proceed to present the proposed amendment to the landowners for vote, and the exact wording is to be confirmed by legal counsel before sending out. **Motion carried unanimously.**

5.3 Treasurer's Report – JM

5.3.1 Budget Variance, Check & Deposit

In Janice's absence, Regina Wunsch presented the Treasurer's reports. **Motion:** Sheridan motioned and Ross seconded to approve the Treasurer's reports. **Motion Carried Unanimously.**

5.4 Collections Committee – JM – Tabled.

5.5 Budget Committee - JM

5.5.1 Review of draft 2015 budget

Regina presented the draft budget noting that the income total is based on what was collected last year. The draft budget shows a deficit of $8,439.
Motion: Alyssa motioned and Sheridan seconded to accept the proposed draft budget and send it out to the landowners. **Motion passed unanimously.**

5.6 Road & Weed Management Committee Report - RW/SS

Robert W. reported that the crack sealing project was completed in North Glastonbury and the grading was completed for both North and South. There was a Road Committee meeting on October 1st attended by Robert W., Sheridan, Paul and Ed Dobrowski. They discussed equal spending for North and South, and what more can be spent in South. Suggestions included more sanding and buying sand. Robert W. is taking over coordinating the snow plowing since Walter Wunsch resigned from the Road Committee. **Motion:** Robert W. moved and Sheridan seconded that the NG/SG Road Saving Fund of $28,712.35 be split into $14,356.17 for North and $14,356.17 for South with the new fund names being NG Road Reserve Fund and SG Road Reserve Fund. (This is in keeping with the board motion of the Thursday Sept 18 phone meeting.) Discussion included how splitting and renaming these funds is important for clarity of spending and budgeting. Robert B. commented that regarding the use of the reserve funds, there is a need for flexibility; in an emergency situation, one could borrow from the South or North road budget. Dan said that the split of the money should not be binding. It was pointed out that the NG paved road costs are $500 less than shown in the budget, which changes the budget loss to $7,939. **Motion carried.** (7 in favor, 2 opposed: Robert B. and Dan)

5.7 Election Committee – SS

The candidate mailing will go out on October 9th and volunteers will help with the mailing. An announcement about the survey and the job opening along with the proposed Bylaw amendment will be included in the mailing.

5.8 Governing Document Committee Report – Chad Stone (2 min)

Chad said we need to get the survey out and it will be a good way to see what people want, and if they want to pay an increase in assessments for the maintenance of the roads. People can request a hardcopy of the survey if they have no computer. It was determined that the survey would be available until Oct. 31st. [Later changed to November 15th.] Chad will present the findings.

5.9 Project Review Committee Report - GD/ Robert B

5.9.1 Review Project Application Checklist

Gerald mentioned that a checklist had been developed to assist landowners in filling out project applications. He suggested that a change be made to the checklist to include an item about locating and marking closest boundary corner and boundary line to proposed construction. **Motion:** Alyssa moved and Robert B. seconded to accept the checklist with Gerald's changes. **Motion carried unanimously.**

5.9.2 Proposed updates to Project Review Instructions webpage

Robert B. reported that further instructions had been drafted for the project review instructions on the website. He asked board members to review these and respond with any changes or comments in a week's time.

5.9.3 GAV Lot 33 Helios Way – Braley Garage Project Review
Alyssa reviewed the application and confirmed that the setbacks are being met. **Motion:** Alyssa motioned and Ross seconded to approve the garage application for GAV Lot 33 Helios way with the condition that all disturbed land be re-seeded and the necessary permits be obtained. **Motion carried unanimously.**

5.9.4 Parcel 49 SG – Trosclair Pole Barn Project Review
Alyssa reviewed the application, and how the setbacks need to be confirmed by Gerald. **Motion**: Sheridan motioned and Ross seconded to approve the Pole Barn application for Parcel 49 SG with the condition that all disturbed land be re-seeded, the proper permits be obtained, and that the necessary setbacks are met after confirmation by Gerald's site inspection. **Motion carried unanimously**.

5.10 Communications Committee Report - AA/ Robert B
No report.

5.11 Website Committee Report - Ross
Ross reported that he is reviewing the Association Voice system. He described how it would be used and that the current website will be retired if we move to an Association Voice website. Discussion included whether the new system might create more administrative work in updating the system regularly. Ross stated that the system would automate many processes, would link directly to Quickbooks, and help to streamline tasks.

6. UNFINISHED BUSINESS

6.1 Lot 39-E (SG) – Complaint – AA
Gerald clarified that according to his research, the septic system had not been approved by the Sanitarian. It was uncertain if the shelter was being used as a dwelling, and that a dwelling assessment should be charged if this was the case. The property was possibly going to be purchased by the party who was leasing the shelter on the property. Gerald will follow-up and do more research on the issues.

6.2 Proposal to Purchase Omni-directional Conference Phone – SM/Ross
Discussion regarding the possibility of having meetings via phone conferencing. Ross described that this could be done with an omni-directional conference phone, which we could test before deciding to purchase. The cost for an appropriate device would be approximately $546. **Motion:** Ross motioned and Robert B. seconded that Scott and Ross will privately acquire a conference phone and test it out at a meeting. If the test is successful we will see how to fund it. **Motion carried unanimously.**

7. NEW BUSINESS
Due to a conflict with some board member schedules, Alyssa proposed that the November 3 board meeting be moved to November 5th. **Motion:** Sheridan moved and Ross seconded to change the next regular board meeting date from Monday, November 3rd to Wednesday, November 5th. **Motion carried unanimously.**

8. Comment Period for Visiting Landowners
No comments given.

9. Closed Session
9.1 Discussion of lawsuits – Board.

10. Meeting Adjourned at 10:35 p.m.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

November 5, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:03 pm at St. John's Church

   PRESENT: Dan Kehoe (President), Alyssa Allen (Vice President), Janice McCann (Treasurer), Sheridan Stenberg, Robert Wallace (aka Robert W.), Ross Brunson, Robert Branson (aka Robert B.), Paul Ranttalo, Gerald Dubiel.
   ABSENT: Laura Boise, Charlotte Mizzi (Secretary), Scott McBride.
   Landowners: Edward Anderson, Regina Wunsch, Charlene Murphy, Donna Lash-Anderson, Debbie Blais, Jerry Ladewig, Chuck & Sally Muto, Daniel & Valery O'Connell, Linda Ulrich, Ia Williams, Claudette & Micah Dirkers.

2. **Set Agenda**

3. **Approve Meeting Minutes** – Aug. 11 & Oct. 6, 2014
   Motion: Sheridan motioned and Ross seconded to approve the Oct. 6, 2014 minutes. **Motion carried.** (1 abstention – Janice.)
   Approval of the August 11 minutes was tabled until next meeting.

4. **Visiting Landowner Input Period**
   Jerry Ladewig asked if there was a 5-10 year plan for the GLA including alternative ways to fund the budget, even ways not included in the Bylaws. Sally Muto inquired on uncollected assessments and how members should be informed of project reviews in their area. Valery O'Connell commented on how the proposed Bylaw amendment was illegal and how due process notice was not given. Linda Ulrich inquired about a way to have landowners sign up for having driveways plowed with private contractors. Claudette Dirkers commented on the need for the survey to be improved and that there is a desk available to the GLA at the Caspari Center.

5. **Officer and Committee Reports**
   5.1 President's Report – DK - No report

   5.2 Vice President's Report - AA
   5.2.1 Office Space Rental
   Alyssa reported that it was necessary to obtain a storage unit for GLA boxes since the office space at Liberty Lane was no longer being rented. Due to timeliness of the situation, an e-mail vote to rent a storage unit immediately was necessary. Sheridan reported that the motion to rent unit 53 in the Emigrant Storage Space through Maverick Realty carried with 9 in favor, 1 abstention (Robert B.) and 2 no response. (Laura and Janice.)

   5.2.2 Proposal to Hire Administrative Employee
   Alyssa described the need to proceed with the plans to hire an administrative assistant and referred to the job description previously presented to the Board. **Motion:** Alyssa motioned and Sheridan seconded to approve the administrative assistant job description and post it on the GLA website and at the Livingston Job Service. **Motion carried unanimously.**

   5.3 Treasurer's Report – JM
   5.3.1 Budget Variance, Check & Deposit
   Janice presented the Treasurer's reports. **Motion:** Sheridan motioned and Ross seconded to approve the Treasurer's reports. **Motion Carried Unanimously.**

5.3.2 Review of draft 2015 budget
The board reviewed the draft 2015 budget.

5.4 Collections Committee – JM
Janice reported that past due amounts had been collected from a lien collected on Lot 39-E SG.

5.5 Road & Weed Management Committee Report - RW/SS
Robert W. reported that the committee had a meeting on Oct. 22 attended by himself, Sheridan, Gerald Dubiel, Pouwell Gelderloos, Paul Ranttalo and Charlene Murphy. Items discussed included chains being purchased for the snowplow truck, that we need back-up snow plow contractors, and the sump promised to be put in by Mike Adkins. Robert also reported on the culvert at the Hercules/Libra intersection in SG and how more work needs to be done to extend the culvert. Stakes would be put in temporarily until this could be extended. Dan commented on the need for this work to be done soon since this area of road becomes packed ice during winter. An extended culvert would allow the drop off on the edge of the road to be feathered. Discussion included using some Road emergency fund money to extend the culvert and add material to build up the edges of the road. **Motion:** Robert W. moved and Gerald seconded to spend $1,000 to extend the culvert on the Libra side and put a steel grate on the side of the road toward Michael Rosa's property. **Motion passed unanimously**. Charlene Murphy mentioned the need to fill potholes on Upper Hercules and clean out culverts in Upper Sagittarius Skyway. Regina Wunsch mentioned the need to put up reflectors along the sides of Upper Sagittarius Skyway. **Motion:** Robert W. moved and Sheridan seconded to spend $200 to clean the culverts on Sagittarius Skyway or $1,200 for culvert clean-out and Hercules/Libra culvert extension and an additional $200 for reflectors for Sagittarius Skyway. **Motion passed unanimously**.

5.6 Election Committee – SS
Sheridan reported that the election mailings went out on October 9th and that the volunteer positions had been filled and their training is on 10/6 at 7 pm. She reminded Board members to have their reports in by Thursday, and hall setup is 7 pm Friday. **Motion:** Alyssa moved and Sheridan seconded to approve the Membership Meeting Agenda. **Motion passed unanimously**.

5.7 Governing Document Committee Report - No report

5.8 Project Review Committee Report - GD/ Robert B
Noting Actions by Written Consent: **Motion:** Gerald moved and Sheridan seconded to approve the proposed garage/studio located on Tract 26-E South Glastonbury for Jerry and Ruth Ann Young, with the conditions that any disturbed ground be reseeded, the necessary permits be obtained and that all the requirements of the Glastonbury Landowners Association Master Plan be adhered to. **Motion carried:** 9 for, 2 not voting, 1 abstaining. Voting for: Gerald, Sheridan, Alyssa, Charlotte, Scott, Robert W., Ross and Daniel.
Robert B. asked for clarification regarding the level of detail to include for the Project Review committee report at the Annual Meeting.

5.9 Communications Committee Report - AA/ Robert B.
Robert B. commented on the clarity of wording of items to be presented to members at meetings. He expressed the need of the website to allow for a greater flow of information for timely responses to landowner inquiries. He asked about the plans for giving out the

GLA 03369

results of the Governing Documents committee survey. Dan clarified that the survey is available for landowners to take until after the Annual Meeting.

5.10 Website Committee Report - Ross

Ross reported that the survey was up on the website, there is a new look to the website especially the homepage, he is continuing to add to the website information, and that he is looking at a V-Tek phone station with 4 wireless mics to facilitate people calling in and hearing the Board meetings.

6. UNFINISHED BUSINESS

6.1 Lot 39-E (SG) – Complaint – AA

Gerald reported on talking with the previous landowner and the county sanitarian on the septic system of house vs. shelter. **Action Item:** Robert B. said he would begin a letter notifying the current owners of the GLA changing the status of the property due to residency in the building.

6.2 Conduct of Meeting Policy, Hiring Policy, Privacy Policy – DK

Dan commented that the Privacy Policy and Hiring Policy will be sent out to the landowners for comment. The Conduct of Meeting policy has already been sent out for input.

7. NEW BUSINESS

8. Closed Session

8.1 Discussion of lawsuits – Board

9. Meeting Adjourned at 9:40 p.m.

10. Next Board Meeting: December 8, 2014

ANNOUNCEMENTS FROM THE GLA BOARD OF DIRECTORS

October 8, 2014

1. GLA Landowner Survey - Please respond by October 31, 2014

Dear Glastonbury Landowner,

A survey has been developed by the Governing Document Committee of the GLA in an effort to "feel the pulse" of the membership regarding our Association and potential changes to its governing documents which consist of the Bylaws, Covenants, Land Use Master Plan, and a variety of Standards. Your opinions matter, and could cause changes that make an impact on your property values. This survey is designed to help clarify what changes to our governing documents the Members are most interested in, and the results will be used as guidelines on what changes to our governing documents will be recommended by the Committee.

To participate in this survey log onto "Survey Monkey" at **www.glamontana.org/surveys.**

If you prefer a hard copy of the survey to be mailed to you, please contact the GLA phone message service at 406-451-0033, ext. 106 with your name, parcel number and mailing address. You may then mail your completed survey back to the GLA.

2. The GLA is looking to hire an Administrative Assistant

Please see job description on the website **www.glamontana.org/careers**

3. Conduct of Meeting Policy – 30-day Input Period

Please see the enclosed "Conduct of Meeting Policy" which the Board plans to adopt after receiving input from landowners and legal counsel. Send your comments and suggestions to: info@glamontana.org or mail to GLA, PO Box 312, Emigrant, MT 59027

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

November 17, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:14 pm at St. John's Church.
   PRESENT: Dan Kehoe (President), Alyssa Allen (as Vice President), Janice McCann (Treasurer), Ross Brunson, Ed Dobrowski (arrived at 7:35), Catherine Fitzgerald, Jim Kozlik, Paul Ranttalo, Robert Wallace (aka Robert W.), and present by phone: Robert Branson (aka Robert B.) and Gerald Dubiel.
   Absent: Charlotte Mizzi (Secretary), Scott McBride.
   Landowners: Charlene Murphy, Claudette & Micah Dirkers, Clare Parker, Jerry Ladewig, Ia & Chris Williams, Valery & Daniel O'Connell, Donna Lash-Andersen.

2. **Set Agenda**

3. **Approve Meeting Minutes – August 11, 2014** – Tabled.

4. **Visiting Landowner Input Period**
   Valery O'Connell stated that the Board had until December 8th to "do something about the liens" or she will have to file another lawsuit.

5. **Officer and Committee Reports**
   5.1 President's Report – DK – No Report.

   5.2 Committee Reports for any timely issues – No Reports.

6. **UNFINISHED BUSINESS**
   6.1 Proposal to hire administrative employee – AA
   Alyssa reviewed the need to move ahead with interviewing candidates for the administrative assistant employee position. As a next step, Ross suggested that interview questions be developed. By general consensus, the Board agreed to proceed with the interview process to be conducted by the Officers.

7. **NEW BUSINESS**
   7.1 Board Orientation
   7.1.1 Board Member Communications
   Dan and Ross reviewed the board e-mail group for internal communication among board members, how the "info" account is used for landowner inquiries and communication. Ross mentioned that board members may wish to establish a unique e-mail address to use for their GLA-related e-mails. Alyssa mentioned the importance of board members being aware that when they are communicating with landowners, they are at all times a representative of the Board. If a landowner has a question or concern, it is best to refer them to the chairperson of a committee or ask them to put their concern in writing so it can be presented to the Board and/or proper committee rather than handled personally. Ross pointed out that when landowners send an e-mail to the "info" account, it is distributed to the entire Board, and can then be handled by the Communication Committee. He advised that board members do not respond to landowners directly from their personal e-mail because this puts the communication outside of the already-established GLA accounts. Alyssa pointed out that the accounts that are setup allow for a team effort in handling issues. info@glamontana.org is the official e-mail for communication with landowners.

7.1.2 Board Member Binder
Dan reviewed the contents of the board member binder.

7.1.3 How Board Meetings are Conducted
Dan reviewed how Robert's Rules of Order are generally used for conducting meetings. He referred to how the Conduct of Meeting Policy is being developed and will be sent out to landowners for input prior to adopting. Alyssa reviewed how meetings are conducted/chaired by the President, and how unlike typical Roberts Rules of Order, the President or Chairperson votes on motions at meetings. Anyone wishing to speak during the meeting is to raise their hand so the Chairperson can recognize and call on them to speak.

7.1.4 Board Member Roles
Alyssa reviewed how various jobs are generally done by different officers, such as the Secretary being responsible for overseeing the minutes and keeping the minutes binders, but not actually taking the minutes, and bringing the various binders to the meeting such as the landowner binders which will contain reports and information that is in final form. Alyssa pointed out that per attorney advice, landowner binders do not contain materials that are in draft form. Board members will receive materials by e-mail prior to the meeting in addition to hardcopies provided at the meeting. It helps to streamline the meetings for board members to review their materials prior to the meetings.

7.1.5 Confidentiality Agreement
New board members signed the Confidentiality Agreement.

7.2 Election of Officers
Dan and Ross reviewed how the officers are President, Vice President, Secretary and Treasurer. The President presides at meetings, signs documents; the Vice President presides when the President is not available; the Secretary keeps the minutes, issues meeting notices; the Treasurer is the Chief Financial Officer, keeps track of monies and gives financial reports. Janice was asked if she would like to continue as Treasurer and she agreed. **Motion:** Ross motioned and Robert W. seconded to elect Janice McCann as Treasurer. **Motion Carried** (9 in favor and 1 abstention – Janice). Ross said that he was willing to take the role of Vice President. No others were interested. **Motion:** Jim motioned and Robert W. seconded to elect Ross Brunson as Vice-President. **Motion Carried** (9 in favor and 1 abstention – Ross). Dan mentioned that he is willing to continue as President, and is open to any others taking the position. No others were interested. **Motion:** Jim motioned and Janice seconded to elect Daniel Kehoe as President. **Motion Carried** (9 in favor and 1 abstention – Dan). Dan suggested that Alyssa Allen be Secretary since she has been helping with the minutes, and does a lot of work with the Communication Committee. The board discussed how this position requires a certain set of skills and knowledge of the history of the association and that the Bylaws allow the position of Secretary to be filled by a non-board member. Alyssa said she would be willing to take the role for the sake of continuity, and is willing to make a commitment for a season, train the administrative assistant, and pass along information and knowledge. **Motion:** Ross motioned and Janice seconded to elect Alyssa Allen as Secretary. **Motion Carried Unanimously.**

7.3 Review of and Formation of Committees

Ross pointed out that current committees are listed on the website, and are as follows: Communications, Road Management, Road & Weed, Project Review, Election, Budget, Governing Documents, and Web Services. Alyssa pointed out that only committees made up of directors are allowed to make decisions and take action in accordance with the Bylaws. She pointed out this is the reason why there are 2 different Road Committees: the Road Management Committee consists of directors only, and the Road & Weed Committee has both directors and landowners. Ross read the Bylaws regarding how committees are appointed by the Board, and how advisory committees can consist of board members and landowners, or landowners only. Dan clarified that more time would be spent at the December 8 meeting on forming and appointing members to committees.

7.4 Lawsuit Demands

Dan reviewed with the Board the recent lawsuit discovery demands "Requests for Admissions" and "Interrogatories" filed by the litigants. Dan and Ross described that a great deal of time, energy, and research will be required to respond to these and meet the December 1st deadline. Ross explained that to not answer these would put the GLA into default. Dan proposed that the Board hire Alyssa Allen as an employee to do the work required, taking into account her background, knowledge and availability. Ross pointed out that it would cost a great deal more for the GLA to pay attorneys to do this work. Ross clarified that the scope of work would be limited to lawsuit related, and this would be paid from the legal fund. Dan suggested $20 per hour. The Board discussed that there is no one else who would have the time, background knowledge, and willingness to do this type of work. **Motion:** Ross motioned and Paul seconded to immediately work out a part-time employee contract with a statement of work, responsibilities, and limitation of work with Alyssa Allen to be a special assistant for handling lawsuit demands due to her critical success factor for this position. The President and Vice-President are to finalize the contract as long as there is no conflict of interest in hiring Alyssa and the hourly rate doesn't go above $20 an hour. If any changes to this are needed, a phone meeting with the Board will follow. **Motion Carried** with 8 in favor and 2 abstentions (Jim & Gerald).

8. Closed Session

8.1 Discussion of lawsuits – Board

9. Meeting Adjourned at 9:00 p.m.

10. Next Board Meeting: December 8, 2014

Board Member Confidentiality Agreement

The term "Confidential Information" shall mean any proprietary information of the Glastonbury Landowners Association (GLA) that is not generally known to the public and which, if misused or disclosed, could reasonably be expected to adversely affect the GLA's operations or the privacy of individual Glastonbury Landowners. From time to time, Directors may be privy to Confidential Information, including but not limited to information about landowners, policies, projects, drafts of meeting minutes, employment records and new personnel acquisition plans, or other business information ("Confidential Information").

I agree to keep confidential and not disclose to any unauthorized person any Confidential Information of the GLA. Confidential Information shall be used solely for the purpose of fulfilling obligations of my duties as a GLA Board member.

I shall disclose Confidential Information only to other GLA Directors, employees or agents who have a need to know, and shall inform such Directors, employees and agents of their obligation to maintain the confidentiality of such Confidential Information pursuant to this Agreement.

I understand that I have no obligation to treat as confidential any information which:

(i) was in my possession without an obligation to keep it confidential, before such information was disclosed to me;

(ii) is or becomes public knowledge through a source other than me and through no fault of mine from a source other than matters presented to me.

Board of Directors Phone Meeting Minutes – *Final*

December 8, 2014

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:19 pm via conference call service. **PRESENT**: Dan Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Ed Dobrowski, Catherine Fitzgerald, Paul Ranttalo, Robert Wallace (aka Robert W.), Robert Branson (aka Robert B.) and Gerald Dubiel. **Absent:** Charlotte Mizzi, Scott McBride and Jim Kozlik. **Also Attending**: Some landowners also attended.

2. **Set Agenda**

3. **Approve Meeting Minutes – August 11, November 5, November 8, November 17, 2014.** **Motion:** Janice motioned and Robert W. seconded to approve the November 8, 2014 minutes. **Motion carried** (8 in favor and 1 Abstention – Ed). Approval of the August 11, November 5 and November 17 minutes was tabled until next meeting.

4. **Visiting Landowner Input Period**
   Claudette Dirkers inquired about the reason for the phone meeting and Dan replied that it allowed board members who are out of town to participate so that we can have quorum. Claudette commented that the phone meeting was inconvenient for some and they were informed on short notice. A landowner inquired about the relationship between the GLA Association and the "Glastonbury Landowners for Positive Change" group. Ross clarified that this group is a landowner group, not an official board committee, and there is no connection with the GLA Association.

5. **Officer and Committee Reports**

   5.1 President's Report – DK
   Dan clarified that next steps with the Bylaws amendments done in the Spring of 2014 regarding use of e-mail for notices and in the Fall of 2014 regarding inspection of records. **Motion:** Ross motioned and Robert W. seconded that the amendments to the Bylaws Article V-D regarding Notice of Meetings be filed by Alanah Griffith with the appropriate authority as the 2nd amendment of the Bylaws. **Motion carried unanimously. Motion**: Ross motioned and Janice seconded that the amendments to the Bylaws Article VI-G regarding Notice of Meetings be filed by Alanah Griffith with the appropriate authority as the 3rd amendment of the Bylaws. **Motion carried unanimously. Motion:** Paul motioned and Gerald seconded that the amendments to the Bylaws Article VIII-I regarding Inspection of Books passed by the members at the November 8th Annual meeting be filed by Alanah Griffith with the Secretary of State as the 4th amendment of the Bylaws. **Motion carried unanimously.**

   5.2 Secretary's Report – AA

   5.2.1 Update on process of hiring administrative employee
   Alyssa reported that there have been 5 candidates who have applied for the position, and further details will be reviewed in the closed session since this is a confidential matter.

   5.3 Treasurer's Reports – JM

   5.3.1 Budget Variance, Check & Deposit
   Janice reviewed the Treasurer's reports giving some highlights of where things stand as we approach the end of the year. **Motion**: Robert B. motioned and Robert W. seconded to approve the Treasurer's reports. **Motion carried unanimously.**

   5.4 Collection Committee Report – JM
   Janice reported that she did some research regarding lien laws and once a lien is placed

on a property it does not expire. She explained that we do not need to be concerned that our liens are not any good because once there is a lien it stays with the property until it is released. She mentioned that she is working on a plan to further our ability to collect past due assessments, and recommends that we update our payment plan policy to reflect the board's latest decision that if people are up-to-date with their current year's assessments and keep up with their payment plans, the interest will be frozen. She intends to work closely with those who are delinquent and wants to send another letter to people who are behind explaining how they can get setup with a payment plan. Those who refuse to work with us should be sent to a collection attorney. Janice emphasized that we need to give people incentive to pay off their dues.

Robert Branson inquired about how a potential heavy snowfall would be handled if it causes us to run over budget, and if there is a particular fund the extra money needed would come out of. Janice responded that we would look at the SG and NG "Road Fund" and determine what was available, but basically, it would come out of the general operating account. She clarified that the Road Committee would know if we are going over budget, and then the board would be informed of the situation. We would have to get the board's approval to pay extra for plowing.

Dan recommended that board members study the 2015 draft budget so we can have meaningful discussion on it at the January board meeting.

5.5 Road and Weed Mgmt Committee Report – RW

Robert W. reported that there was a Road Committee meeting on December 5, 2014 attended by himself, Paul, Gerald, Janice, Ed, Walter Wunsch, Pouwell Gelderloos and Charlene Murphy. Discussion items included: the contract with Aaron Cain for installing a grate and extending the culvert at the intersection of Hercules and Libra for $1000 as approved by the board. Aaron will do the work ASAP. It has become clear that we need posts to keep plows on the road, and so Walter Wunsch will be purchasing posts for $575, which will be reimbursed by the GLA. 35 are needed for SG, 15 for NG. Robert W. described how the sand we have been purchasing from Durgan is clogging our sander, and how we need to purchase sand from Fanuzzi because it is much better. He also described how there will be a major change in Walter Wunsch's interaction with the GLA. He has done approximately $2000 worth of plowing for free over the years, but now he will charge $40 per hour during business hours, and $75 per hour during weekends and after hours as a contractor. Regarding road captains, Tim Brockett will be the high South road captain, Ed Dobrowski for lower South, Robert W. and Paul for North. The committee recommends Paul as co-chair of the Road Management Committee. **Motion**: Robert motioned and Janice seconded that Paul Ranttalo co-chair the Road Management Committee with Robert Wallace, and that an additional $500 be spent for labor to put in posts. **Motion carried** (1 abstention – Paul). Janice clarified that the posts would be paid from the emergency road fund.

5.6 Website Committee Report – Ross

Ross reported that at this time, the trial period for "Association Voice" web-based management software will be put on hold. Although this is an excellent package, we have a lot going on right now with many demands on our time, and we don't have the resources in terms of manpower to work on this system at this time. This does not mean we are making any decision about whether or not to use this system in the future. Ross mentioned that recent legal filings will be posted on the GLA website, and he thanked Clare Parker for her suggested edits to the front page of the site. He added a link for local information, suggesting that people check out the "local area" page and send any feedback to Webmaster@glamontana.org.

6. UNFINISHED BUSINESS

6.1 Lot 39-E (SG) – Complaint – GD

Dan clarified that our next step on this issue was to send a letter to the owner of the lot regarding the complaint. Robert Branson said that he will get something drafted and to the board in the next week.

6.2 Policies: Conduct of Meeting, Hiring, Privacy, Records Retention – DK

Dan briefly reviewed the policies and suggested that Ross post these on Google Docs so that board members can add their input and edits. Dan requested that input be given by January 6, 2015, before the next board meeting. Dan clarified that the finalized drafts will then be sent out to the membership for their comments and input before adopting. The association has reached a point where policies need to be put in place so that future boards will have guidelines to follow.

6.3 Conference Phone Equipment – Ross

Ross reported that research has been done on the best phone for our needs, and a conference phone with 6 microphones is being considered. The plan is to purchase the equipment sometime after the first of the year, and if it does not work out, it can be returned for a full refund.

7. NEW BUSINESS

7.1 Committee Protocol – DK

Dan asked Alyssa to give an overview about committees. Alyssa described that committees are appointed by the board, and may consist of directors only, a combination of directors and landowners (or other non-landowners who may be on the committee due to their expertise in a certain area), or landowners only. The Bylaws state that only committees of directors can be empowered by the board to take actions. Otherwise, they are advisory. She pointed out that the Bylaws describe how the meeting notice and open meeting requirements apply to committees as well. Dan added that committees are to take minutes at their meetings and then read these at the regular board meetings so that the minutes then become part of the general meeting minutes. Sometimes committees may have separate minutes if they are lengthy. The Bylaws simply require that committee minutes reflect who attended meetings and any actions taken. Most committees are advisory and decisions are made at the board meeting. By incorporating committee minutes into the board meeting minutes, it keeps the records consistent.

7.2 Establish Committees – DK

Dan conducted the process of establishing committees for 2015.

Project Review Committee: **Motion**: Robert Branson motioned and Robert W. seconded for Gerald to be chair, and Robert B. to be a member. **Motion carried unanimously**.

Communications Committee: **Motion:** Ross motioned and Janice seconded for Robert B. and Catherine to co-chair, Ross and Dan as members. **Motion carried unanimously**.

Collection Committee: **Motion**: Janice motioned and Robert B. seconded for Janice and Dan to be co-chairs. **Motion carried unanimously**.

Road & Weed Committee: **Motion**: Robert W. motioned and Robert B. seconded that Robert W. and Paul co-chair with Janice, Ed, Gerald, Paul, Walter Wunsch, Charlene Murphy, and Dan as members. **Motion carried unanimously**. Further discussion regarding Kevin Newby's interest in helping on the committee. **Motion**: Robert W.

motioned and Janice seconded to add Kevin Newby to the Road & Weed Committee. **Motion carried unanimously**.

Website Committee: **Motion**: Ross motioned and Gerald seconded for Ross to be chair, with Dan and Scott as members. **Motion carried unanimously**.

Election: Dan pointed out that all board members are to be on this committee.

Legal Committee: **Motion**: Ross motioned and Robert W. seconded that Dan is chair and Ross is member. **Motion carried unanimously**.

Budget Committee: **Motion:** Janice motioned and Ross seconded for Janice to be chair, Ed, Regina Wunsch and Charlene Murphy as members. **Motion carried unanimously**.

Dan mentioned that other committees can be formed at the January board meeting.

7.3 Determine Meeting Dates for 2015 – DK

The board reviewed the proposed meeting dates for 2015. Discussion. Alyssa brought up the need to have as much time as possible between the October board meeting and the annual meeting to fulfill the 30-day requirements for the information that is sent to the membership to be produced and prepared for mailing. **Motion**: Janice motioned and Gerald seconded to accept the proposed 2015 meeting dates with Nov. 2 for the regular board meeting, Nov. 14 for the Annual meeting and Dec. 7 for the regular board meeting. **Motion carried unanimously**.

7.4 Planning for January Mailing – DK

Dan asked Alyssa to give a report about the January mailing. Alyssa reviewed that the mailing will include a Newsletter that informs landowners about the election results, committees list, meeting schedule, along with the 2015 Budget Report, the 2014 Receipts & Expenditures Report, and this year we will also include policies for due process notice.

8. Comment Period for Visiting Landowners

Claudette Dirkers inquired about how the 18 percent interest is applied on delinquent accounts. Val O'Connell commented on liens expiring.

9. Closed Session:

9.1 Administrative Employee Candidates and Recommendations – Board

The board discussed the various candidates for the position. **Motion**: Ross motioned and Janice seconded that Karleen McSherry be selected for the Administrative Assistant position at a rate of $13 per hour, and she be given a 14-day time period for her to give a decision to our job offer. **Motion carried unanimously**.

9.2 Discussion of lawsuits – Board

10. Adjournment 10:28 pm

January 19, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:08 pm at St. John's Church.
   PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Catherine Fitzgerald, Jim Kozlik, Charlotte Mizzi, Paul Ranttalo, Robert Wallace (aka Robert W.).
   Also attending: Karleen McSherry (Administrative Assistant)
   Landowners: Tim Brockett, Debbie Blais & Kevin Newby, Claudette & Micah Dirkers, Sheila & Michael Laverty, Michael McCann, Myron & Cindy Moorman, Charlene Murphy, Clare & Rudy Parker, Dennis Riley, Chuck Tanner, Ia & Chris Williams, Walter & Regina Wunch.

2. **Introduction of Administrative Employee**
   Dan introduced Karleen McSherry who has filled the administrative assistant position and is being trained in duties by Alyssa.

3. **Set Agenda**
   Dan added agenda item 6.1.2

4. **Approve Meeting Minutes – August 11, November 5, November 17, December 8, 2014**
   Motion: Janice motioned and Ross seconded to approve the August 11, 2014 minutes. **Motion carried.** (2 Abstentions – Jim and Catherine.) In the November 5, 2014 minutes, it was noted that Gerald was present at the October 22, 2014 Road Committee meeting. **Motion:** Janice motioned and Ross seconded to approve the November 5, 2014 minutes as amended. **Motion carried.** (4 Abstentions – Jim, Catherine, Charlotte and Robert B.) Approval of the November 17 and December 8 minutes was tabled until next meeting.

5. **Visiting Landowner Input Period**
   Landowners commented upon various issues including the possible restructuring of the association such that there would not be a board, but only a road committee and moving all monies to roads thereby eliminating the deficit; the suggestion to use volunteers to help lighten the board's load and financial burdens; the need for more and better communication including more frequent newsletters that include news and not just policy; the idea of putting meeting minutes on the website which then brought up questions of privacy, costs of software and maintenance to password protect and therefore keep private certain issues and information; desire to see survey results; complaint that road policy not brought to the attention of a new property owner upon purchase and questioning the legality of the policy as well as the request for high South to receive the same plow service as everyone else; how a lot of people think committee meetings are private and the board needs to announce that they're open in the newsletter and on the website.

6. **Officer and Committee Reports**
   6.1 President's Report – DK
   6.1.1 Filing of Bylaws Amendments
   Dan clarified that the previous motion from the December 8, 2014 board meeting to have the Bylaws Amendments filed with the Secretary of State was not the proper procedure and that there was no legal requirement to "file" the amendments. The board discussed the benefit of having these filed with the County Clerk so that the amendments would be included when new landowners may receive them from the County. **Motion**: Robert B. motioned and Charlotte

seconded for the Bylaws Amendments to be filed with the County Clerk, and to rescind having Alanah filing same with the state. **Motion carried unanimously.**

6.1.2 Scott McBride Resignation – DK *(added to agenda)*

Dan reported that Scott McBride resigned as of 12-31-14, and that the board is to designate someone to fill the rest of his term which ends in November 2015. He welcomed Glastonbury South landowners in good standing who are interested in serving on the Board to send an e-mail stating as such to info@glamontana.org. The board discussed the need to mention the opening in the upcoming Newsletter.

6.2 Secretary's Report – AA

6.2.1 January Mailings

Alyssa reported that the Newsletter will be going out soon. Info still needs to be added such as the governing documents survey. When a draft is ready, it will be e-mailed to the board for their comments and input. Draft policies and financial reports will be included in the mailing. Discussion ensued regarding sending the info out in two different mailings due to the many pages to be included; about buying a "statement enclosed" stamp (currently window envelopes are used which should suffice to alert people to the fact that it's a bill); not including the assessment policy which people can read and download from the website; the suggestion that a "new member" letter be written and sent to new property owners to state how to function in this community; a request that landowners are to contact the GLA when they sell their property; and the question of whether we have the capability for monthly automatic payments. Alyssa continued her report stating that an e-mail vote had been taken and passed regarding a motion made by Dan and seconded by Ross on January 14 to buy a computer for the new administrative assistant. The organization needs to equip its employee. **Noting Actions by Written Consent: Motion**: Dan moved and Ross seconded that we purchase a Mac Mini computer for $499 in Bozeman and a monitor for $150 this week in order to have it for the administrative employee to use at the Monday, January 19, 2015 meeting and ongoing. **Motion carried unanimously.** Alyssa also notified everyone that the storage unit is #11, not #53 as previously reported.

6.3 Treasurer's Reports – JM

6.3.1 Budget Variance, Check & Deposit

Janice presented the Treasurer's reports. **Motion**: Gerald motioned and Robert W. seconded to accept Treasurer's report. **Motion carried unanimously**.

6.4 Budget Committee Report – JM

Daniel reported that on Wednesday, January 14, 2015, from 7 to 10 pm the Budget Committee met to review 2014 actuals and formulate to final 2015 draft budget. The meeting was attended by committee members Dan, Janice, Ed, Regina Wunsch and landowner Tim Brockett. Janice reported that they consolidated the annual meeting accounts into the main areas upon the accountant's advice since most of these were not really distinguishable between what was annual report material and regular GLA activities. Janice reviewed the draft budget in detail, pointing out the $10,468 shortfall. Discussion included the question of whether the GLA needs to maintain the recreation land in NG that is not currently in use by any area leagues. It was explained that the land was donated by CUT to be used for recreation; there are electric and other services on it and it will deteriorate if not maintained. Tim Brockett commented about the GLA savings account and questioned the management of finances especially regarding the need to

collect outstanding assessments, and the suggestion to set up a charity for the people who can't pay, and a preference to use the money in savings to cover shortfalls. Dan explained the issues regarding foreclosing on properties, such as the GLA's need to be prepared to purchase the property if it were to go to foreclosure, which it is not inclined to do; creating a charity would have to be a private concern because it's outside the scope of the Bylaws; the current practice of stopping interest once people get on a payment plan to cover their arrears; and the possibility of changing the interest rate from 18% to 12% because courts won't support the higher rate. The issue of the GLA monitoring eyesores was raised and Dan explained that because of its subjective nature, it's difficult for the GLA to enforce it in court if the infringement is not spelled out specifically in the Covenants. Discussion also centered on the question of maintaining private subdivision roads; that it would be worth it to grade four times a year and raise assessments to compensate; the added value of using magnesium chloride but that it is more expensive; and the cost of plowing high South. Debbie Blais stated that the Covenants allow for the board to increase assessments up to 10% and that seems to be the best option for covering the shortfall. Dan summarized the options in dealing with the shortfall as raising assessments and/or collecting back dues. Janice explained that we can't count on back dues. Dan spoke about the items not shown on the budget such as the $10,000 put back into the legal fund and money restored to replenish road emergency funds. Tim Brockett and Chuck Tanner mentioned the option of paying off the road loan with savings in order to save money on interest. Regina Wunsch clarified that there is only about $40,000 in savings. **Motion**: Charlotte motioned and Robert B. seconded to increase assessments by 10% for 2015. Discussion ensued regarding collection of back due assessments and lowering the interest rate from 18% to 12%; keeping assessments current with inflation; the need or not to crack seal paved roads and where the money will come from to do this; the desire for landowners to vote whether assessments should be raised (not required by Bylaws and don't have the time). **Motion carried unanimously.**
Motion: Charlotte motioned and Robert W. seconded to approve the 2015 budget with the 10% assessment increase. **Motion carried.** (1 abstention – Jim.)

6.5 Collection Committee Report – JM – Tabled.

6.6 Road and Weed Mgmt Committee Report

6.6.1 Snow Removal in High South Glastonbury – RW

Robert W. announced that there will be a Road Committee meeting in a couple of weeks and the date will be put on the calendar. There will be important discussions including the possibility of revising the road policy. He reported that the plow is working well; sanding is good; no complaints in North and low South; a lot of complaints from high South. They've had a problem with the guardrail in the northern-most entrance to NG due to a couple of accidents and now four piers are gone; getting three bids but some have already indicated it will cost about $2,000 to repair. Paul Ranttalo has volunteered to put in the posts for $500. The insurance company of the person who caused damage may pay repair costs, so it is best to come up with a temporary solution for now. **Motion**: Robert W. motioned and Ross seconded to give Paul the authority to put three or four boulders in the gap to keep people from going through until he gets three bids. **Motion carried.** (2 abstentions – Paul and Catherine.) **Motion**: Robert W. motioned and Ross seconded to pay $75 for a sign to be purchased on the up hill side of the road warning that the guardrail is out. **Motion carried unanimously.**
Robert W. suggested we need more budget money for snowplowing high South; he reported that Rich Spallone used to plow Upper Sagittarius Skyway (and was paid

GLA 03398

by residents) but now that he's gone it's not getting done. If we commit to keeping the snow cleared on Upper Sagittarius Skyway this could cost $10,000 each season plus $8,000 for a snowplow. Rich's skid steer and blower attachment is a $45,000 piece of equipment which was necessary to handle the greater snow depth. Should the road policy be changed to plow all the way to the Erickson's or to the Kelly's who live on Upper Sagittarius Skyway? Robert W. pointed out that there are 58 homes on Arcturus Drive in low South that bring approximately $27,000 in assessments; on Hercules and in high South there are half the people and therefore half the assessment income yet we spend more for maintaining the roads in high South. Some suggested the road policy be kept the same because we don't have the budget and equipment to do more than we do already. Discussion ensued regarding evaluating the costs to satisfy landowners; considering a special assessment to cover the costs; and the idea that many people who own property up high don't live there during winter and likely wouldn't vote for a special assessment. Another option is a special assessment for all, however, NG paid a special assessment for chip sealing NG pavement so why should they pay for high South snowplowing? Ross questioned if people would be willing to complete a survey about this. Tim Brockett suggested that people are not treated equally and said that the majority of people living in high South are not part of CUT. Dan commented about treating people equally saying if we plow low and high South equally, we pay a lot more for high South. He also noted that trees burned in the 2006 fire, and now drifts form without them so planting trees may fix part of the problem. Walter suggested plowing only to Sean Halling's for right now and that Tim Brockett has expectation of sanding in high South which has never been done before. Robert B. questioned when it becomes destructive to equipment to plow to Sean's. He'd like to see clarification on this before making the decision to plow Sagittarius Skyway.

6.6.2 Road Budget Apportionment – ED – Tabled to be taken up in the Road Committee meeting.

6.7 Communication Committee Report – Robert B.
Robert B. reported that a letter regarding the complaint on Lot 39E (SG) was sent out on January 16, 2015.

6.8 Website Committee Report – Ross
Ross requested that people e-mail webmaster@glamontana.org if they don't see something they need on website.

7. UNFINISHED BUSINESS

7.1 Lot 39-E (SG) – Complaint – Robert B. (See 6.7 above.)

7.2 Policies: Conduct of Meeting, Hiring, Privacy, Records Retention – DK – Tabled.

7.3 Establish Committees – Continuation – DK – Tabled to the next meeting.

8. NEW BUSINESS

9. Closed Session

9.1 Discussion of lawsuits – Board

10. Meeting Adjourned at 11:30 p.m.

11. Next Board Meeting: February 9, 2015

GLA 2014 HOURLY COST FOR PLOWING AND SANDING: $98.03

2015-02-09_BDGN.pdf

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

February 9, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:08 p.m. at St. John's Church.

   PRESENT: Dan Kehoe (President) Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Catherine Fitzgerald, Jim Kozlik, Charlotte Mizzi, Paul Ranttalo, Robert Wallace (aka Robert W.).
   Also attending: Karleen McSherry (Administrative Assistant)
   Landowners: Tim Brockett, Debbie Blais & Kevin Newby, Claudette & Micah Dirkers, Debbie DeGraaf, Damiaan & Clazina Kletter, Jerry Ladewig, Charlene Murphy, Chuck & Sally Muto, Clare & Rudy Parker, Joe Trosclair, Linda Ulrich, Ia & Chris Williams.

2. **Commence Special Meeting**
   Dan reviewed the South Glastonbury board vacancy that was created when Scott McBride resigned at the end of December. Prior to the meeting, Kevin Newby and Rudy Parker had submitted letters of intent to be considered for the position. The candidates were given the opportunity and both chose to address the board regarding their skills and interest in serving. Discussion. The board voted by written ballot and the results were counted by Karleen and Alyssa, who announced that Kevin Newby had been elected by a vote of 6 to 5.
   The Special Meeting was adjourned at 7:39 p.m.

3. **Commence Regular Monthly Board Meeting**
   The meeting was called to order by Dan Kehoe at 7:40 p.m. at St. John's Church.
   Kevin Newby took his place at the table with the Board.

4. **Set Agenda**

5. **Approve Meeting Minutes – November 17 & December 8, 2014; January 19, 2015**
   Motion: Ross motioned and Janice seconded to accept the November 17, 2014 meeting minutes. **Motion carried.** (3 Abstentions – Charlotte, Kevin and Robert B.)
   Motion: Robert W. motioned and Ross seconded to accept the December 8, 2014 meeting minutes. **Motion carried.** (4 Abstentions – Charlotte, Jim, Kevin and Robert B.) Discussion.
   Motion: Charlotte motioned and Robert B. seconded to accept the January 19, 2015 meeting minutes. **Motion carried.** (1 Abstention – Kevin.)
   Action Item – *Alyssa to attach the 2015 Board Meeting Schedule to the 12-8-2014 minutes.*

6. **Visiting Landowner Input Period**
   Dan reminded the landowners that they may ask for an item to be put on the Board Meeting Agenda by filling out in advance a Landowner Agenda Request Form. Forms were handed out to all who were interested. Landowner input included the suggestion that the board read the meeting minutes before coming to the meeting to save time; questions and discussion regarding the savings account and the possibility of using it to pay off the road-paving loan and rescind the 10% assessment increase. **Motion:** Jim motioned that a topic be picked at the beginning of every meeting for landowner discussion, and that a half hour be set aside for said discussion, which could be continued in committee meetings. **Motion Failed** (not seconded). Discussion included the idea that the suggested method is opposite current operating procedures in which the committee is the distillation process for items that are then brought to the board; questions regarding the best use of time; the idea that there is no website forum or way for landowners to get their ideas to the committees; issues with a public forum and need for rules and monitoring; the possibility of landowners meeting on their own to list their ideas and then send them to the Board; perhaps sending ideas to committees via e-mail; poor track record in the past of getting back to people; the question of

being able to obtain consensus on the topic for each meeting; a single topic will keep people from talking at the meeting about what they came to the meeting for; possibility of both - having a set topic as well as opportunity for landowners to speak about their issues; and reiteration that landowners are welcome to submit the Agenda Request Form. Comment made that issue tracking should improve with the addition of the new administrative assistant.

7. Officer and Committee Reports

7.1 President's Report – DK

Dan notified the Board that he will be out of town March 8-15 and requested that the regularly scheduled Board Meeting be moved from March 9 to March 16. **Motion:** Janice motioned and Ross seconded to move the regularly scheduled board meeting from March 9th to March 16th. **Motion carried unanimously.**

7.2 Secretary's Report – AA

Alyssa thanked all volunteers who helped with the January mailings. She announced that she is still training Karleen and things are going well, that this position is becoming a valuable asset for the Board. Alyssa also asked the Board members to give back their meeting folders at the end of the meeting for reuse.

7.3 Treasurer's Reports:

7.3.1 Budget Variance, Check & Deposit – JM

Janice reviewed the Treasurer's reports and pointed out that since the assessment statements were sent out on the 26th of January, income for that month is low compared to what would be expected for February. **Motion:** Ross motioned and Jim seconded to accept the Treasurer's Reports. **Motion carried unanimously.**

7.4 Budget Committee Report – JM

Discussion ensued regarding the $42,000 in general savings. In answer to landowner suggestions about using general savings to pay down the road loan, Janice explained that the extra funds in savings do not occur every year and provide a safety net for the association. Dan suggested a new category be added for the purchase of capital equipment, such as office equipment or a snowplow or grader, and that it be funded.

7.5 Collection Committee Report – JM

Janice gave some details about bad debt written off because of some properties that went into bankruptcy. Janice announced that she'd like to convene a Collection Committee meeting before the next board meeting. Dan suggested meeting with an attorney specifically regarding how to handle past due accounts that are not fee simple.

7.6 Road and Weed Mgmt Committee Report

7.6.1 February 5 Road Committee Meeting Report – Robert W.

Robert reported that on Thursday, February 5, 2015, from 7 to 9 pm the Road Committee met at Spectec in SG. Road Management Committee members in attendance were Robert W. and Paul; Road and Weed Committee members in attendance were Robert W. and Paul, Ed, Dan, Walter Wunsch and Charlene Murphy, along with 14 landowners. The committee discussed the placement of various signs and sand barrels throughout both North and South Glastonbury; future road work including another attempt to persuade Park County to repair the pavement on Dry Creek Rd and if they don't by June, then the Committee will bring to the Board a request to allot funds for the GLA to protect its investment and do the necessary repairs; and the suggestion that the Road Policy be linked to

the Covenants so the policy is given to new landowners by real estate companies at closings.

7.6.2 Fencing on Hercules easement/Kathleen Ramp Inquiry – Robert B.
Robert B. reported that Kathleen wrote a letter regarding her concern that her boundary fence was moved by the GLA in doing ditch clearing work in the past. A response letter has been drafted to convey the GLA's desire to work with Kathleen to resolve the issue; that measuring will commence after the snow melts in April; and no work will be done until all of the facts have been gathered, and she is involved and approves. Paul suggested that nobody moved the fence and that Kathleen had a contractor build a new one. Robert B. noted this for his preliminary fact-finding.

7.7 Project Review Committee Report – GD
Gerald reported that the Project Review Committee met on Tuesday, February 3 by phone, and was attended by himself, Robert B. and Alyssa Allen. Discussion included SG 40-C, Debbie Blais & Kevin Newby's Garage Project that is mostly complete but will require that the power line ditch across Arcturus be filled in by Park Electric, along with reseeding disturbed land in the spring; SG 39-E, Damiaan and Clazina Kletter greenhouse that is being built, but on hold until project has been given preliminary approval; use of the administrative assistant to organize files and systems to make the project review process more efficient.
Gerald commented that sometimes a landowner doesn't understand the need for preliminary board approval before starting a project. Gerald recommended adding clear detail about all the steps involved to the Project Review forms. Discussion ensued regarding the length of time it takes to get approval; how soon people need to start the process if they know when they want to build; and the idea of regularly convening a phone meeting mid-month to handle these issues. Dan suggested that regarding the Kletter greenhouse project the board have a phone meeting to fast-track it.

7.8 Communication Committee Report – Robert B.
Robert B. reported that the Communication Committee (he and Catherine) did not meet this month. Instead they are engaging in a process to identify and prioritize what will be discussed during meetings; to distill down the role the committee will fulfill for the landowners; to address landowner frustration in accessing info, including reviewing for need and accuracy the various forms that currently exist.
Robert requested committee chairs post their full year meeting agenda on the website; that one letter be sent out at the beginning of the month with all meetings on it; make committee agendas available to landowners; ask landowners to e-mail the Communication Committee about what would make it easier to interact with the Board. Dan requested that between now and April, to avoid meeting overlap, the committee chairs pick a consistent day of the week or of the month to have regular meetings.

7.9 Website Committee Report – Ross
Ross reported that the Website Committee is trying to make things easier. He shared a clarification regarding levels of menu items and the need to just click on a subpage to enter it. There are pages that people look for most: the page about the area, legal case updates, governing docs, calendar, and survey results. Ross said that he's trying to keep the calendar as up-to-date as possible and he asked people to subscribe to the calendar via info@glamontana.org.

8. UNFINISHED BUSINESS

8.1 Lot 39-E (SG) – Complaint – Robert B.

Robert B. updated the Board about the complaint by Debbie Blais & Kevin Newby regarding SG 39-E, the recent transfer of property that was a shelter, which the new owner, Damiaan Kletter, converted to a residence. Although there is a record with Park County for a permit for the septic system, there was no final inspection completed in 1990. Discussion ensued and it was recommended that since the old septic system needed to be replaced, an inspection is required for the new work to ensure there is no contamination of water wells via the drain field. Damiaan countered that it's not a new system but a repair of the old. Gerald reported that the Sanitarian is not going to pursue a current inspection because there are hundreds of these out there and if they go after one they'll have to go after all. Ross asked if the county will put that in writing? Gerald said he and Kevin need to go to the Sanitarian to find out what he will and will not do. Robert B. stated that the Covenants mandate the need for written approval by the association and public authorities. The system must be in the same place as the original plat or else a new approval process is required. Robert W. suggested that Damiaan draw the new tank placement on the plat map, give it to Park County and let them record it. Damiaan agreed and offered to give Kevin and committee members a tour of the completed work. Ross noted that now that Kevin is on the board, he needs to abstain from voting on this issue.

8.2 Establish Committees – DK

Dan announced the reestablishment of the Governing Docs Committee as a board committee to review the By-laws, Covenants and Master Plan. He asked the Project Review Committee to aid in this work by examining the Master Plan portion of the project and providing input. The goal is to run multiple tracks at once to arrive at the November Annual meeting with something coherent to present to landowners. Discussion ensued regarding the composition of the committee. Dan, Charlotte, Ed and Jim agreed to participate. Landowner members of the former committee also agreed to continue their participation: Debbie Blais, Claudette Dirkers, Jerry Ladewig, Charlene Murphy, Linda Ulrich, Ia Williams and Regina Wunch. **Motion:** Charlotte motioned and Ross seconded for the above-mentioned board members and landowners to be on the Governing Docs Committee, co-chaired by Dan and Charlotte. **Motion carried unanimously.** Discussion re: committee focus and mandate – to follow standard practice of HOA's to review and update governing docs every ten years; simplify legalese; tighten definitions in By-laws; remove conflicting ideas from Covenants; adjust notification times and methods; take into account suggestions from the GLA attorney; eliminate overlap among the documents, and with County and State laws and regulations; build consensus with landowners on proposed changes; and to formulate a document of proposed changes that will be put to a vote of the landowners at the November Membership meeting.
Dan asked Jim about his idea of a Real Estate Committee and Jim responded that his interest in community building and creating a sustainable community don't seem to be shared by the landowners. Linda Ulrich suggested that Jim's idea is premature and needs a foundation, which may begin by creating a mission statement.
It was also reiterated that everyone on the board is on the Election Committee.

9. NEW BUSINESS

10. Meeting adjourned at 10:13 p.m.

11. Next Board Meeting: March 16th, 2015 at St. John's Church

Glastonbury Landowners Association, Inc.

Board of Directors Special Meeting Minutes – *Final*

February 16, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The special meeting was called to order by Dan at 7:16 p.m. via conference call service.

   PRESENT: Daniel Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Jim Kozlik, Charlotte Mizzi, Kevin Newby, Paul Ranttalo, and Robert Wallace (aka Robert W.).
   ALSO ATTENDING: Karleen McSherry (Administrative Assistant) and various landowners.

2. **Commence Special Meeting to fill SG director position vacated by Catherine Fitzgerald**
   Dan reported that when this meeting was first set, there was one candidate for the open position, Rudy Parker, who was the runner up in last week's special election. However, since posting the announcement for this meeting, two other people have come forward expressing interest in serving. The question was posed if it would be more prudent to postpone the election to the next regularly scheduled board meeting so the Board can meet the applicants face-to-face and give them a better opportunity to present their qualifications as well as receive and answer questions. Discussion ensued on this issue as well as the possibility of contacting all SG residents regarding the vacancy. Consideration was given to the means of reaching the landowners and the cost in doing so. **Motion:** Janice moved and Robert W. seconded to delay filling the SG director position vacated by Catherine Fitzgerald and to hold a special meeting on March 16 to do so. **Motion carried.** (4 opposed – Ed, Gerald, Charlotte, Paul.) **Motion:** Ross motioned and Kevin seconded to send out a postcard to SG residents, and e-mail those whose addresses the association has, announcing the director position opening and the special meeting to fill it on March 16, at which time no further applications will be accepted. **Motion carried.** (2 opposed – Ed and Paul; 1 Abstention – Charlotte.)

3. **Officer and Committee Reports**
   3.1 Project Review Committee Report – GD
   3.1.1 Lot 39-E SG Kletter Greenhouse Application
   Gerald reported that he checked Damiaan's septic project, and a portion of the drain field is within a 100 ft. radius of the well. He has recommended that Damiaan put the drain field in another location on the lot. Park County has also found the new drain field not in compliance and has given the Kletters 6 months to remedy the situation. Because the current drain field placement does not meet the requirements of the Covenants and because the Board requires that new projects be in compliance with the Covenants, Master Plan and Standards before receiving approval, Damiaan will need to rectify the drain field placement before he can continue building his greenhouse.
   3.2 Dogs Barking/Firewood Processing Nuisance Complaint - RB
   It was reported that the Communications Committee will send a first complaint letter notice to the landowner involved in the complaint. Robert B. asked for feedback regarding the format and style he's using in addressing complaints and received positive affirmation of his direction in being neutral and seeing these situations as opportunities. Dan reported that this situation is not new; it has been an issue on and off for at least 10 years. He reiterated the complaint process that 30 to 60 days after the first letter goes out, if there has not been resolution, a second letter will be sent alerting the landowner to the actions that will be taken to rectify the problem.

4. **UNFINISHED BUSINESS**
   No unfinished business handled.

GLA 03430

5. **NEW BUSINESS**
   No new business handled.

6. **Comment Period for Visiting Landowners**
   Sherry Cameron, who is part of the neighborhood complaint, expressed her desire to see resolution and not create a negative situation, and is interested in the well-being of the dogs.

7. **Meeting Adjourned at 7:54 p.m.**

8. **Next Board Meeting: March 16, 2015, 7:00 p.m. at St. John's Church**

Board of Directors Meeting Minutes – *Final*

March 16, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:08 p.m. at St. John's Church.

   PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Jim Kozlik, Charlotte Mizzi, Kevin Newby, Paul Ranttalo, Robert Wallace (aka Robert W.).
   Also attending: Karleen McSherry (Administrative Assistant)
   Landowners: Tim Brockett, Debbie Blais, Claudette & Micah Dirkers, Debbie DeGraaf, Pouwel Gelderloos, Jerry Ladewig, Donna Lash-Andersen, Chuck & Sally Muto, Clare & Rudy Parker, Dennis & Wendy Riley, Ia Williams, Regina Wunsch.

2. **Commence Special Meeting to fill SG director position vacated by Catherine Fitzgerald**
   Dan reported that prior to the meeting Rudy Parker and Dennis Riley had submitted letters of intent to be considered for the position. Sandra Irby had also asked to be considered but withdrew her nomination. In addressing issues raised in a letter from Clare Parker, Dan clarified that the board does not discriminate according to religion and looks for the most qualified candidates. The candidates were given the opportunity and both chose to address the board regarding their skills and interest in serving. Candidates were asked questions and gave answers. The board voted by written ballot and the results were counted by Karleen and Alyssa, who announced that Rudy Parker had been elected by a vote of 7 to 4. The Special Meeting adjourned at 7:32 p.m.

3. **Commence Regular Monthly Board Meeting**
   The meeting was called to order by Dan Kehoe at 7:33 p.m. at St. John's Church.
   Rudy Parker took his place at the table with the Board.

4. **Set Agenda**

5. **Approve Meeting Minutes – February 9 & February 16, 2015**
   Motion: Kevin motioned and Ross seconded to accept the February 9, 2015 meeting minutes. **Motion carried.** (1 Abstention – Rudy). Dan asked Gerald for clarification regarding his comments during the February 16 phone meeting about the Kletter Greenhouse application. Gerald acknowledged that he said the project is on hold because the county found the new drainfield not in compliance and gave the Kletters 6 months to remedy the situation. Dan asked for the minutes to be amended to reflect this information. **Motion:** Charlotte motioned and Jim seconded to accept the February 16, 2015 phone meeting minutes as amended. **Motion carried.** (1 Abstention – Rudy).

6. **Visiting Landowner Input Period**
   Sally Muto inquired about the e-mail she had sent to the board regarding the use of savings to pay off the road loan. Discussion ensued regarding the $42,000 currently in savings. Robert B. suggested landowners bring ideas to the Budget Committee meeting for discussion. Ia Williams reported hearing that a number of board members are "decreeing" against some landowners. Dan and various board members responded that this is hearsay and therefore not something the board can address, however, assurance was given that board members attend meetings from the point of good will and objectivity, dropping everything but being a landowner and a good neighbor, and recognizing the need for the various perspectives to have the whole picture. Donna Lash-Andersen expressed a preference for a better balance of "church" and "non-church" members on the board, but is not in favor of a quota. Jim suggested that the community could be divided into districts and each district could vote for its own board representative. Debbie DeGraaf mentioned that there are several landowners who have not been assessed for their property or have been assessed for land only and not

dwellings. Regina Wunsch corrected Debbie regarding the number of parcels involved and stated that she and Janice were tracking them down. Discussion of the means to discover current property status ensued.

7. Officer and Committee Reports

7.1 President's Report – DK

Dan requested the committee chairs create a schedule of regular meetings and get the dates to Ross so the Governing Documents Committee can set its meetings.
Action Item: ***Dan to follow up with committee chairs to make sure this is done.***

7.2 Secretary's Report – AA

Alyssa reported on getting project review files in order, tracking what's been going on so as to connect it with the accounting, and training Karleen in getting communications out. The upcoming April statement mailing will most likely include a newsletter, so she asked people to submit ideas for topics. Landowners may submit topic ideas via e-mail or voicemail. Alyssa made the board aware that a Confidentiality Agreement is included in their meeting folders which are to be placed in their binders at the beginning of section 1 and is for their review of what they signed and agreed to.

7.3 Treasurer's Reports:

7.3.1 Budget Variance, Check & Deposit – JM

Janice pointed out that the reports reflect monies collected for land and dwelling assessments and one donation for the SG Road Fund. **Motion:** Ross motioned and Charlotte seconded to accept the Treasurer's Reports. **Motion carried unanimously.**

Discussion ensued regarding how subscription services, Internet hosting, domain fees and adding a Dropbox account for Karleen may be paid, as well as postage and other day-to-day expenses which need to be covered. Solution ideas included setting up a Paypal account, using the Bank of the Rockies debit card, which Dan opposed for lack of safety valve protection, preloaded credit cards, and doing a bank draft. Discussion also included the fact that money can be saved by paying yearly for subscriptions rather than monthly. Since a petty cash account already exists it was decided to give it to Karleen.
Action Item: ***Ross and Janice will get together to figure out the best option for paying for other services.***

Regina Wunch requested an estimate of the expense for the budget to repair the damaged NG guardrail at the north entrance hill. Discussion included the fact that the people who damaged the rail don't have insurance and the idea that the GLA's property insurance might cover it.
Action Item: ***Alyssa – to check with the insurance company to see if the property insurance will cover the damage.***

7.4 Budget Committee Report – JM

There was no meeting this month.

7.5 Collection Committee Report – JM

There was no meeting this month.

7.6 Road and Weed Mgmt Committee Report

Robert W. reported that the Road Committee did not meet this month. There was very little snow removal; signs were made regarding the NG guardrail that is out; a downed stop sign was put back up; and they are still trying to get bids to replace the guardrail but are having difficulty because big companies don't want to do such a small job. Robert W.

plans to walk Dry Creek Road Saturday morning to measure cracks and check for potholes, and invited anyone who is interested to join him. Discussion ensued regarding attempts to get Park County to pay for the upkeep of Dry Creek and perhaps getting a bid and asking the county to contribute 50%. Gerald reported having a conversation with Park County Commissioner Marty Malone who commented that unless there is an RDI [RSID] they wouldn't do it. Kevin suggested asking the county where we are on the list for repairs. Robert W. explained that the county doesn't crack seal; they just wait until roads fail because that's the type of budget they have. Additional discussion revolved around the fact that although Dry Creek is a county road, the GLA paved it and it is in its interest to maintain it. Therefore, after the road loan is paid off, that money might be well used for repairs. Jim suggested approaching Big Sky Ranch to help improve the road; attending commissioner meetings, being persistent until the county agrees to do something; and getting another loan after the current loan is paid off to fix the roads. Dan commented about the need to put a price tag on the repairs before bringing it to the landowners. Robert W. explained that's why he's walking Dry Creek: to estimate costs. Ia Williams said she heard Robert W. say the GLA would pay for the Dry Creek Road repairs and the Board corrected her that it was the opposite of that which was said; she also expressed concern about taking out another loan.

7.7 Project Review Committee Report – GD

7.7.1 Lot 37-E NG Dillard Mudroom & Deck Application

Gerald explained that Dillard already built these additions and didn't know he needed board approval to start the project. Gerald has done a site inspection and all is in order. **Motion:** Gerald motioned and Ross seconded to approve the project with the condition that disturbed land is reseeded. **Motion carried unanimously.**

Gerald also reported that while inspecting Capricorn 28A for a project that will be submitted in the future, he noticed that the catch basin, located on the NG 28A easement, wasn't installed. Mike Adkins Construction was already paid for the work. Since Adkins also grades GLA roads, Janice said she will subtract the amount pre-paid from what we owe him for grading, and pay him again for the catch basin when he completes the project.

Action Item: ***Gerald to tell Mike Adkins that we're deducting the amount we pre-paid him off of his bill and will repay him when the job is done.***

Robert B. asked to be removed from the Project Review Committee so he can devote his time to the Communication Committee. Kevin expressed interest in being added to the Project Review Committee, joining Gerald and Paul, and the board accepted him as a member of the committee.

Gerald reported that Debbie Blais' & Kevin Newby's garage building project on Lot 40-C SG is complete and his construction bond may be refunded.

Action Item: ***Gerald to give Karleen the final approval form of Lot 40-C SG for the files.***

7.8 Communication Committee Report – Robert B.

Robert B. reported that the Communication Committee held two closed meetings, March 5 (attended by Bobert B., Dan, Ross, Alyssa and Karleen) and March 13 (attended by Robert B., Dan, Ross, Alyssa and Kevin). The meetings were closed due to the need to discuss internal communication and board e-mail addresses. There is a need to implement procedures and policies to make it easy for communication to happen with timely responses and tracking of status.

7.9 Website Committee Report – Ross

Ross reported that he has updated information on the website regarding the local area and schools as well as forms including the Landowner Agenda Request Form. He requested

people e-mail him with suggestions for what they'd like to see on the website. He asked to receive an updated list of board member committee assignments to update the website. **Action Item:** ***Alyssa to forward to Ross an updated list of board committee members and their chairs.***

Ross suggested that to improve communication, the Board agree to increase the speed of Karleen's Internet connection and to get her a subscription for Dropbox so Alyssa and she can transfer data. **Motion:** Ross motioned and Janice seconded to improve communications by increasing Karleen's Internet connection to 1.5 Mbps at $20/mo and in addition to get her a Dropbox subscription for $9.95/mo. Discussion included clarification that the GLA currently has one Dropbox subscription; that the new speed of Karleen's Internet connection would be 3 Mbps (not 1.5 Mbps) for the extra $20; and that the total for both would be $30. **Motion carried unanimously.**

Ross also reported about a ticketing system he is investigating and exploring with the Communications Committee. The purpose is to organize, track and process the various types of communications handled by the association to help with timely responses. Further discussion included the added benefit of knowledge management and historical documentation to compensate for a volunteer board with people coming and going at regular intervals. Janice requested that ballpark pricing information be given to the Budget Committee so they can assess the cost impact for the year. Ross responded that the programs they're looking into are within the budget previously allocated for Association Voice management software, currently not being pursued. Since prices and plans are still being sought, further discussion will be forthcoming in April.

8. UNFINISHED BUSINESS

8.1 Policies: Conduct of Meeting, Hiring, Privacy, Records Retention - DK

Dan reported that new information had come to light regarding the policy drafts. Therefore discussion of policies at this meeting was tabled until the April Board Meeting for the Conduct of Meeting and Privacy policies and May for the Hiring and Record Retention policies, which need attorney input.

8.2 Lot 39-E (SG) – Complaint re: Septic System – Robert B.

Robert B. reported that the Board received a letter from Barbara Woodbury of Park County Environmental Health detailing a plan of correction for the drainfield that is less than 100 feet to the existing well. Deadline to bring this property into compliance is August 13, 2015.

Action Item: ***Karleen to put alert on August calendar.***

8.3 Lot 22-A (SG) – Complaint re: Dogs Barking/Firewood Processing Nuisance – Robert B.

Robert B. reported that the Board wrote an official response to the complaint and sent it to Mr. Clawson via certified mail on Friday March 6, 2015. Mr. Clawson has 30 days to respond.

9. NEW BUSINESS

10. Closed Session

10.1 Discussion of lawsuits – Board

11. Adjournment

Dan adjourned the meeting at 10:08 p.m.

Board of Directors Meeting Minutes – *Final*

March 29, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan at 7:08 p.m. via conference call service.

   PRESENT: Daniel Kehoe (President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Kevin Newby, Rudy Parker, Paul Ranttalo, and Robert Wallace (aka Robert W.).
   ABSENT: Ross Brunson (Vice President), and Jim Kozlik.
   ALSO ATTENDING: Karleen McSherry (Administrative Assistant) and landowners Mark Seever & Andrea Sedelak, and Jerry Ladewig.

2. **Officer and Committee Reports** – Tabled.

3. **UNFINISHED BUSINESS** – Tabled.

4. **NEW BUSINESS**
   4.1 Dry Creek Road – Proposed Letter to Park County – Robert W.
   On Saturday March 21, several board members and landowners walked Dry Creek Road to assess road damage and repair needs. A report of their findings was subsequently sent to Board Members. Based on the information in the Dry Creek Road Report, Kevin wrote a letter he proposed be sent to Park County on behalf of the board summarizing the issues the GLA would like to have addressed.

   Ed reported that Ed Hillman came out here last week, said there is no money in the County's budget to fix Dry Creek Rd, that they'll likely patch the pothole on the curve, and encouraged attendance at the upcoming meeting at the County Courthouse Tuesday at 9:00 a.m. Dan read Kevin's letter to the group, especially for the benefit of the attending landowners. He also suggested Parks Frady, Public Works Director for Park County and Ed Hillman's boss, be added to the letter as a recipient. **Motion:** Robert W. motioned and Kevin seconded to send the letter to Park County and add Parks Frady as a recipient. Discussion ensued regarding the need to establish a paper trail with the County on this issue; sending the letter on official GLA letterhead via certified mail; the possibility of adding to the letter a request to widen the road at the culvert to meet county standards and improve safety; editing the letter by taking out the GLA request of the county to crack seal alligator maze damage and instead ask them to setting up a program to address the "alligator" mazes of cracks to prevent road failure, especially on the curve that is often wet because it doesn't have a culvert; to CC: all of the commissioners so they make this a priority; and having several board members and landowners attend the County meeting on Tuesday with one as the designated spokesperson to speak during the public comment period about the seriousness of this issue for the 400 landowners of Glastonbury. **Amended Motion:** Robert W. amended his motion and Kevin seconded to send the letter to Park County with the edits regarding setting up a program to address the alligator mazes, to add Parks Frady as a recipient, and CC: the other two County Commissioners, Steve Caldwell and Clint Tinsley. **Motion carried unanimously.**

5. **Comment Period for Visiting Landowners** – No comments.

6. **Adjournment at 7:50 p.m.**

7. **Next Board Meeting: April 13, 2015**

Board of Directors Meeting Minutes – *Final*

April 13, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The meeting was called to order by Dan Kehoe at 7:05 p.m. at St. John's Church.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Jim Kozlik, Charlotte Mizzi, Kevin Newby (by phone until 9:13), Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Miriam Barker, Debbie Blais (by phone), John & Sherrie Cameron, Claudette & Micah Dirkers, Debbie DeGraaf, Pouwel Gelderloos, Ted Gruehl, Jerry Ladewig, Craig Lannes, Donna Lash-Andersen, Clare Parker, Joe Trosclair, Linda Ulrich, Regina Wunsch.

2. **Set Agenda**

3. **Approve Meeting Minutes – March 16 & March 29, 2015**
Motion: Ross motioned and Jim seconded to approve the March 16, 2015 meeting minutes. Robert W. requested to change the Road Committee report from "no snow removal" to "very little snow removal." Ross and Jim amended their motion to reflect this change. **Motion carried unanimously. Motion:** Ross motioned and Robert W. seconded to approve the March 29, 2015 phone meeting minutes as written. **Motion carried** (1 Abstention – Jim).

4. **Visiting Landowner Input Period**
Regina Wunsch requested a road walk of Capricorn Dr. in North Glastonbury like the one that was done for Dry Creek Road in South. Craig Lannes was interested in receiving an answer to the dog barking and chain sawing complaint and expressed dissatisfaction with the way his private subdivision road was not being maintained by the GLA.

5. **Officer and Committee Reports**
   5.1 President's Report – DK
      5.1.1 Request to move next month's meeting to May 18 and June's meeting to June 15. Motion: Charlotte motioned and Ross seconded to change the May and June board meeting dates to May 18 and June 15 respectively. **Motion carried unanimously.**

   5.2 Treasurer's Reports:
      5.2.1 Budget Variance, Check & Deposit – JM
      Janice reported that at the end of the first quarter most income from assessments was current and the budget was on course. **Motion**: Ross motioned and Robert W. seconded to approve the Treasurer's Reports. **Motion carried unanimously.**

      5.2.2 Lot 22-D (SG) – Woodruff request for waiving late fees
      Because Alyssa had worked with Justin on his project review applications over the years, she was asked to speak with him about his April 2, 2015 e-mail regarding his construction bond refund in which he expressed belief that money due him was withheld to pay his back dues. Alyssa reported that she clarified with Justin that no money for back dues was withheld; however some of his impact fees for the kitchen addition that he retracted were kept by the GLA to cover administrative costs. Sherrie Cameron, his property manager, gave Janice a check for the past due assessments without the penalty and interest charges. Discussion ensued regarding the amount of penalty and interest actually owed ($19.10 and $46.02 respectively); whether to accept the check and forgive interest and penalty; to not accept the

check and have it reissued in the proper amount; to forgive the penalty but not the interest; the idea that assessments and fees collected are two separate situations but landowners typically think they are the same; the question of people accepting responsibility for their actions or inactions; and whether there was a genuine misunderstanding that needed to be taken into account. **Motion:** Ross motioned and Robert B. seconded to charge only interest on Justin Woodruff's delinquent 2014 assessments; to forgive the penalty this one time; to give back his check and ask him to reissue it in the proper amount. **Motion carried** (1 abstention – Jim). **Action Item:** ***Janice – send statement and letter of explanation to Justin regarding the above decision.***

5.3 Budget Committee Report – JM

Janice reported that the Budget Committee met April 2, 2015. In attendance were Janice (Co-chair), Dan (Co-chair), Regina Wunsch, Donna Lash-Anderson, and Ia Williams. After going over the financial reports, it was determined that there was approximately $42,000 in the General Fund beyond budgeted items that could be allocated where most needed. The first priority was to place $10,000 back into the Legal Cash Reserve Fund to replace what was borrowed in 2014 for the NG crack sealing project. The committee offered options for reallocation of the remaining funds including putting a certain amount into the road budget; covering the cost of the digitizing project and the recent computer and printer purchases; doubling the [payment of] principle of the road loan to accelerate paying it off to save on interest; and moving some into the Capital Equipment Fund for possibly purchasing another truck. Discussion ensued regarding the amount and source of money to be used to pay off the road loan - $12,700 (from the $42,000) plus $7,500 from the Loan Emergency Fund to double the principle of the next two payments, and potentially $10,000 in past due funds expected to be collected later this year to make the third and final accelerated payment; of the $7,000 in older money that came in; and the assurance that any accelerated payments would be made by the Treasurer and Budget Committee as funds allowed. **Motion:** Janice motioned and Gerald seconded to reallocate $12,700 from the General Fund and $7,500 from the Emergency Loan Fund to double the principle on the loan for the next three payments and pay off the road loan sooner if possible. Discussion included Robert B.'s question about being in jeopardy if the $10,000 doesn't come in; the final three payment dates, which would be in May, August and November if payment is accelerated; and splitting the remaining ~$19,000 across the Road Fund, capital equipment and computer equipment. **Amended Motion:** Janice amended her motion and Gerald seconded to reallocate $12,700 from the General Fund and $7,500 from the Emergency Loan Fund to double the principle on the next two loan payments and only make the third accelerated payment if the $10,000 in back dues comes in. **Motion carried unanimously. Motion:** Janice motioned and Ross seconded to allocate $10,000 back into the Legal Fund to replace what was borrowed. **Motion carried unanimously. Motion:** Janice motioned and Robert B. seconded to put $1,000 into the Digitizing Fund and $1,000 back into the Operating Fund (to cover computer and printer costs). **Motion carried unanimously. Motion:** Janice motioned and Robert W. seconded to move $10,000 into the road budget and $7,700 into the Capital Equipment Fund. **Motion carried unanimously.**

5.4 Collection Committee Report – JM

The Collection Committee met on April 3, 2015. In attendance were Dan (Co-chair), Janice (Co-chair), Debbie Blais, Debbie DeGraaf and Regina Wunsch. Janice reported that 35 people, some owning multiple properties, are behind in their assessments; there are 34 liens, three of which need to be released; there are two people without valid

addresses; one property was foreclosed in 2010, is uncollectible and needs to be written off as bad debt. Discussion included the need to update the payment plan; to pare down the time given to repay what is owed to a certain number of months per $1,000 and establish criteria for rate of repayment and discounts based on the past two years of income; the idea that the current 18% interest rate is too high and may not hold in a court of law; that this is a punitive system and people who can't pay won't pay by punishing them; to offer a one-time discount on penalties and finance charges; the need to review the collection policy to clarify steps to send unresponsive outstanding accounts to a collection attorney or collection agency; to research what it would take to foreclose on a property. Debbie DeGraaf mentioned the possibility of using auto-pay through Bank of the Rockies. Janice explored the possibility and found that because the money would go straight into the GLA account, the bank would not be able to track where it came from and therefore who paid. Janice also presented the possibility of changing the interest rate as well as how it's calculated – from compound to simple – as well as eliminating the 5% penalty and the need for the Governing Documents Committee to propose these changes. Dan mentioned a law firm with a website, www.ksnlaw.com, that has a downloadable PDF on HOAs collecting delinquent accounts. Debbie Blais and Debbie DeGraaf volunteered to call people who are behind in their assessment to give a gentle reminder. Ross asked if there is precedence for forgiving portions of what is owed and Dan explained that deals have been struck in the past but the need is to create criteria that apply to all. The board discussed the possibility of waiving the monthly interest charge from the point forward of the creation of a payment plan and faithfulness in following the plan; creating a procedure for how many payments may be missed before a person is considered off the plan, requiring communication regarding being late and the type of communication required as well as setting a schedule for following up with and taking action on delinquencies. Pouwel Gelderloos asked about the possibility of people paying their assessments by working for the GLA and discussion included accounting difficulties; paying as a contract employee and the person paying the GLA from that wage; Linda Ulrich recommended not allowing for barters or trades. Charlotte suggested the committee submit a proposal to the board before a vote is taken.

5.5 Secretary's Report – AA

5.5.1 April Newsletter – AA

Alyssa reported that because assessment statements were already sent to landowners, the newsletter will be sent as a separate mailing; the layout and design of the piece may be changing to something more interesting and easier to read; the Communications Committee has been asked to provide feedback regarding the articles included; and the board will be sent the final text in the coming week for approval. The Welcome Packet is being revised and the Communications Committee has been asked to provide feedback regarding the new cover letter and materials included. Alyssa explained that Karleen is getting more plugged in as the hub of communication and the board will be hearing from her more often. Janice alerted the group to the possibility of Karleen's hours increasing as she moves more into this role. Dan suggested that the board would reassess her hours as she comes closer to overage.

Alyssa spoke with the GLA's insurance agent about the guardrail that is out at the north entrance to North Glastonbury, The agent said it's possible our insurance would cover the replacement work but there would be a lot of hoops to jump through, including the need to show that the GLA has tried to get the perpetrators of the damage to pay for it, the fact that there is a $1,000 deductible, and an insurance adjuster would need to evaluate the situation and place a maximum

allowable coverage cost on the repairs. Ross clarified that the people in the first accident do have insurance, the people in the second accident don't, and that police reports were filed at the time of the accidents. Discussion included the question of whether it is worth pursuing having our insurance pay for the damage if the cost of the repair is only a few hundred dollars over the deductible and if our rates might go up as a result; the idea of our insurance going after their insurance and us trying to get the insured parties to pay the deductible. Kevin was volunteered to follow up on this.

Action Item: ***Kevin – follow up with the driver's insurance to see if they will cover the repairs.***

5.6 Road and Weed Mgmt Committee Report

Road Committee members Robert W. and Kevin met on March 21st with several landowners for a highly detailed walking inspection of Dry Creek Road. A written report of the group's findings was compiled and sent to Park County. Robert W. reported upon five issues: 1. Erin Caine Construction extended the culvert halfway up Hercules and put a steel grate on the other side of the road. The project was completed within budget. 2. Two bids were received to replace the NG guardrail – one for $4,200 from Josh Wells and one for $600 from Paul Ranttalo who proposed using new posts but used guardrail. Discussion ensued regarding the GLA's liability in using second-hand product; that the county has used guardrail; that accident reports were filed with highway patrol and the insurance company can contact them to receive a certified copy; that the insurance company may want to send out an estimator; the need for parity in the quotes – what each of the contractors would do for the money; and the suggestion that we wait to see what Paul can come up with. 3. Upper Gemini Road is in really bad condition, almost impassable and is a GLA platted road. The Carps and Alexanders are the only ones up there, and Alexander's parcel is for sale. Robert W. has had three bids to fix it. Paul Ranttalo would charge $980 and would use a backhoe and 20 yards of gravel; Josh Wells would use a road grader and roller to grade 200 yards of road for $1,850; and Caine Construction would charge $3,400 to fix it with a Bobcat and excavator. **Motion:** Robert W. motioned and Rudy seconded to give the bid to Paul Ranttalo. During the discussion Jim noted that the road is bad and the proposed work is cosmetic. **Motion carried** (2 abstentions – Paul and Robert B.). 4. Robert W. reported driving slowly along NG's paved roads, which are in pretty good shape. Over 90% of roads are still very good including Sirius, Aries and upper Capricorn. Lower Capricorn near Hwy 89 has a few places where crack sealing has failed. Since these repairs were done six months ago and they were warrantied for one year, Robert W. will contact Bailey Paving to see if they'll make good on the warranty. There are also serious alligator cracks on lower Capricorn and two places where the road has failed including one that is 4 ft. sq. Both will need to be patched and Robert will get bids to fix them. Discussion included the suggestion that the road committee do a walk through of the NG paved roads as was done for Dry Creek Rd and the impracticality of it; Dan reported going online and found a grader but if the GLA bought it an operator would be needed; Robert W. suggested it would be better to put money into a snowplow; Paul explained that the equipment is a combination plow and grader; Robert B. queried if we have an extended financial plan to know if we have extra money to make such a purchase; Dan responded that the Road Committee is coming up with a long term plan. 5. The next meeting of the Road Committee will be April 20th at 7:00 p.m. at Paul's shop to discuss spring grading.

Action Item: ***Robert to connect with Kevin regarding the insurance.***

5.7 Project Review Committee Report – GD

5.7.1 Lot 28-A (NG) Sandoval-Ojeda Residence - GD

Gerald explained that this property is located on the north side of Capricorn between Gemini and Venus at a low spot in the road. Mike Adkins was supposed to have put in a sump pump but has not. When the driveway goes in water will accumulate there and is a potential problem. Ted Gruehl, the contractor, has indicated he would move the well and potentially the drainfield. **Motion:** Gerald motioned and Ross seconded to give preliminary approval for the project with the conditions that Ted receive the necessary permits from the sanitarian and reseed the disturbed land. **Motion carried** (1 abstention – Paul).
Action Item: ***Gerald to contact the owners of 11-D NG (across the road from 28-A) to suggest putting in a culvert to remove the pooling water.***

5.7.2 Lot 43-5 (NG) – Kozlik Educational self-sustainable homestead

Jim explained his intention to engage in light commercial business that would involve building and selling small structures such as tumbleweed homes on mobile home chassis and greenhouses. He requested a meeting with the Project Review Committee to assess how this fits with the covenants. Discussion included questions regarding the nature of the work, the noise it would generate, the idea that this would be a hobby engaged in as desired rather than regularly and strenuously, that nothing will be going into the ground but would be sold and moved.
Action Item: ***The Project Review Committee and any interested board members will meet at Jim Kozlik's house on May 2 at 10:00 a.m. for a tour of the property and explanation of its intended use.***

5.7.3 Lot 38-B (NG) – clarification re: Yaney house project – GD & AA

Chuck Tanner submitted an agenda request for discussion of the height of the Yaney house and its designation as a "tower." Gerald and Alyssa explained the history, including the fact that the Yaneys had originally submitted a request for a height variance but had subsequently withdrawn it. They paid to have the plans redesigned to fit within the 30' maximum height. The property is on a hill and there was no other place to build. Because all covenant and master plan criteria were met, there was no need for special treatment and the board gave approval for building. Debbie DeGraaf indicated that the Yaneys have infringed on the well of an adjoining property and are claiming an exemption for a tower. Ross suggested the affected party submit a complaint to the GLA and the situation would be investigated.

5.7.4 Clarification: Types of projects historically reviewed by Board – DK & AA

Dan explained that historically buildings of 200 sq. ft. or less require a form to be filled out but receive de facto approval. Alyssa explained that upkeep and small projects such as patios, walkways, decks, signs, fences, house painting, landscaping, and stone walls have not traditionally be subject to project reviews. Dan suggested that the Governing Documents Committee would seek to clarify these things and set forth the idea that small projects need to be done within certain rules and even excavation may need approval.

5.7.5 Lot 39-E (SG) – Kletter gate/arch – PR

Paul reported that the Kletters have taken three proposals to address their septic problem to the Park County Sanitarian and are awaiting a determination as to

GLA 03457

which will be accepted. Even though non-resolution of this problem has meant they do not have permission to build, gates and arches are not subject to GLA approval and therefore these activities are not being addressed by the association.

5.8 Communications Committee Report – Robert B.

Robert B. reported that the Communications Committee held a phone meeting on March 19th that he attended along with Ross, Rudy, Alyssa, Karleen, Claudette Dirkers, Donna-Lash-Anderson and Ia Williams. The committee decided that future meetings would be held the second Thursday after the board meeting at 6:00 p.m. via phone. He requested that all committees set a meeting schedule for the rest of the year and send it to Ross to be posted on the website calendar. The committee discussed Karleen's role as the hub and how to deal with all information flowing through the hub; that Karleen will direct incoming issues to a person or committee, who will need to confirm that they are on it or toss it back if it's not in their jurisdiction; that Karleen was given approval to exercise discernment regarding responding via phone or e-mail to landowners to apprise them of receipt of their communication, who it has been given to and an approximate timeline for resolution; Karleen will write a procedure for this process including which specific issues might require a quick response to landowners. Robert B. reported that Ross gave an update on the program being looked at for ticketing/tracking and expressed Rudy's interest in serving on the Communications Committee. **Motion:** Robert B. motioned and Ross seconded that the board approve Rudy to join the Communications Committee and take notes. **Motion carried unanimously.** Robert B. reported that the committee will write a non-discrimination policy and that Karleen needs committee notes for accurate inclusion in the board meeting minutes.

5.9 Website Committee Report – Ross

Ross explained that the responsibilities of the Website Committee extend into all areas of technology and therefore the current name doesn't reflect the full scope of its actions. **Motion:** Ross motioned and Janet seconded to rename the Website Committee the Technology Services Committee. **Motion carried unanimously.**

5.9.1 Ticketing system update

Ross reported that a test version of the ticketing system is up and running. He asked people to try it out by sending an e-mail to support@glamontana, create a password, and then track the progress of the issue. He explained that technology is not a means unto itself and that there is a need to establish tiers of support beginning with simple requests that can receive a quick reply and "it's done" on to more complicated problems that require assessment, research, committee involvement and time to accomplish the process. These will need human intervention in responding to people along with the technology. Debbie DeGraaf asked if the GLA is paying for this system and Ross responded that the version being used is free for three agents who at this point are Karleen, Janice and he himself.

Ross requested committee chairs send him meeting dates to post on the calendar and reported that he's working to get Google Apps to certify the GLA as a non-profit which would give the association an unlimited Google account and save $240.

Action Item: ***Committee chairs to send Ross tentative meeting schedule for the year to be posted on the website calendar.***

5.10 Governing Docs Committee Report – DK & CM

Dan reported that the Governing Documents Committee met on April 9th at Spectec in Glastonbury South. Present were Dan (co-chair), Jim, Janice, Debbie Blais, Jerry Ladewig. Donna Lash-Anderson, Sally Muto, Linda Ulrich, Ia Williams and Regina Wunsch. Charlotte (co-chair) and Charlene Murphy were absent. The committee reviewed the scope of the work as outlined by the board; the timeline of getting items ready for a vote at the November meeting, or earlier for the covenants' section on collections; the specific areas of focus including Bylaws Article VI – sections on Committees and Meeting Agenda, Covenants Section 3 Definitions and the consistency of language used in Covenants, Section 5 – trim to eliminate unnecessary overlap with state and county laws and regulations, Section 6 Structures – clarify language and set minimum size for reviews, Section 11 Assessments – address the interest and penalties. The committee crafted wording to address the section regarding assessments that would eliminate the penalty, set the interest rate 3% above the CPI and charge simple not compound interest. The state of Montana does not have HOA laws but other states do not allow HOAs to charge compound interest. The board made some suggestions that the committee will use to edit the proposed change. Regina Wunsch commented that the GLA has unknowingly been charging simple interest. Dan explained that usury laws forbid penalties and interest to be greater than 45% of the principle. Dan further reported that the committee has six questions for an attorney; that they are looking into a law firm in Bozeman and will bring their recommendation to the board for approval in May. Ross asked if the committee is addressing the issue of conducting business in a more open manner in an online format and Dan explained that this is a gray area, especially regarding using e-mail vs. phone or in-person meetings. The committee agreed to set its next meeting on Wednesday April 22 and May 13.

6. UNFINISHED BUSINESS

6.1 Policies: Conduct of Meeting, Hiring, Privacy, Records Retention – DK - Tabled.

6.2 Fencing on Hercules easement/Kathleen Ramp inquiry – PR

Paul reported that he checked the fence and concluded that the GLA didn't move the fence. Karleen was asked to draft a letter to Kathleen with facts provided by Paul and photos from Alyssa.

Action Item: ***Karleen to get facts from Paul, photos from Alyssa and draft letter.***

6.3 Lot 22-A (SG) – Complaint re: Dogs Barking/Firewood Processing Nuisance – Robert B.

Robert B. reported that Dan and Rudy visited John Clawson and he was amenable to fixing the chain sawing and dog barking problems. John indicated that he cuts wood and sells it as a hobby but he can do it in a different place; and that he would be willing to move the two dog houses 100 ft. away to the other side of the house, erect a wooden fence to contain noise and prevent the dogs from seeing activity which causes them to bark. He was given until April 30th to rectify the problem and if his solutions don't work he would be willing to try something else like dog collars. If that doesn't work he suggested he could get rid of the dogs. The Camerons, who originally submitted the complaint, reported that the log cutting has stopped but the problem with the dogs persists. What he is doing is not working. The dogs are chained 24-7 and John is gone a lot. The Camerons recommend Mr. Clawson try using an electronic device that emits an ultra-sound when dogs bark and which they don't like so they are quickly conditioned to

not bark. Dan affirmed that the Communications Committee would send a letter to suggest this other method. Rudy agreed to speak with John again because he began rectifying the problem right away indicating a willingness to resolve the issues.

7. **NEW BUSINESS**

7.1 Inquiry re: Repurposing the PVRC soccer field – DK

Pouwel Gelderloos, who had requested board discussion of this item, reported that Livingston has two fields constructed at a cost of $2 million and the GLA paid a fraction of the cost of the PVRC field with the help of volunteers. It is an investment that needs to be kept up. Currently one of the residents uses the field to fly his model planes but there could be many other uses for the field. Charlotte asked if the PVRC is still listed as a Federal non-profit, and suggested that a committee be formed to brainstorm ideas for how the land may be used. Alyssa suggested that because the non-profit fees have not been paid it might have been deactivated. Discussion continued regarding the need to fix PVRCs lawnmower because the grass has already begun to grow; that the entire endowment for recreation is between 20 and 30 acres and the field area has sprinklers, a septic system, toilets and a concession stand; that some activities could be easily started such as putting up a volleyball net; and that there is still a line item in the budget to pay electric on the property. **Motion:** Charlotte motioned and Gerald seconded to create a Community Property Committee regarding the PVRC acreage with Charlotte as chairperson and Jim, Robert W. and Pouwel as members. **Motion carried unanimously.** **Action Item:** ***Charlotte to look into whether the PVRC is officially deactivated.***

8. **Closed Session**

8.1 Discussion of lawsuits – Board

9. **Adjournment**

Dan adjourned the meeting at 10:52 p.m.

10. **Next Board Meeting: May 18, 2015**

Board of Directors Special Meeting Minutes – *Final*

May 6, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The special meeting was called to order by Dan at 7:10 p.m. via conference call service.

   PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Alyssa Allen (Secretary), Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Rudy Parker, and Paul Ranttalo.
   Absent: Janice McCann (Treasurer), Robert Branson (aka Robert B.), Jim Kozlik, Kevin Newby, and Robert Wallace (aka Robert W.)
   Landowners: Sally Muto, and Ia Williams.

2. **Officer and Committee Reports**
   2.1 Project Review Committee Report – GD
   2.1.1 Lot 34-A1 (SG) Holmstrom Garage Application
   Gerald presented the application and confirmed that the setbacks had been met. **Motion**: Gerald motioned and Ross seconded to approve the Holmstrom garage application with the conditions that disturbed land be reseeded and the necessary permits be obtained. **Motion carried** (1 abstention – Ed). Dan clarified that the lot was 34-A3 rather than 34-A1 and this needs to be corrected on the application.

   2.1.2 Lot 5-D (NG) Mizzi Greenhouse Application
   Gerald presented the application and confirmed that the setbacks had been met. There would be no electricity or plumbing installed, and no excavation. **Motion**: Paul motioned and Rudy seconded to approve the Mizzi greenhouse application. **Motion carried** (1 abstention – Charlotte).

3. **Comment Period for Visiting Landowners** – no comments.

4. **Adjournment**
   Dan adjourned the meeting at 7:18 p.m.

5. **Next Board Meeting: May 18, 2015, 7:00 p.m. at St. John's Church**

Board of Directors Meeting Minutes – *Final*

May 18, 2015

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by Dan Kehoe at 7:05 p.m. at St. John's Church.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President, arrived at 9:40 via phone), Janice McCann (Treasurer, arrived at 7:45 p.m.), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Kevin Newby, Rudy Parker, Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Edward Anderson, Miriam Barker, Debbie Blais, Tim Brockett, Phillip & Ann Marie Covington, Debbie DeGraaf, Jose Gonzalez, Jennie Hayward, Leo & Dorothy Keeler, Damiaan & Clazina Kletter, Jerry Ladewig, Donna Lash-Andersen, Constance Macdonald, Chuck & Sally Muto, Dan & Valery O'Connell, Clare Parker, Pedro Pinardo, Chuck Tanner, Joe Trosclair, Ia Willliams, Ronald Wartman, Regina Wunsch.

2. Set Agenda

3. Approve Meeting Minutes – April 13 & May 6, 2015

Valery O'Connell asked for a copy of the draft meeting minutes to be given to the landowners and Alyssa explained that the attorney has advised not to give out minutes until the board has reviewed and approved them. **Motion:** Charlotte motioned and Rudy seconded to approve the April 13, 2015 meeting minutes. **Motion carried** (1 abstention – Robert B.). **Motion:** Rudy motioned and Paul seconded to approve the May 6, 2015 phone meeting minutes as written. **Motion carried** (2 Abstentions – Robert B. & Charlotte).

4. Visiting Landowner Input Period

Clare Parker announced that landowners from lower SG were in attendance to ask the board to call a special meeting to vote on the maintenance of Dry Creek Rd (DCR) and that a petition was circulating. Clare later withdrew her request after hearing the Road Committee report. Discussion involved various opinions being expressed regarding the maintenance of DCR, including those who don't want GLA money to be used to fix a county road, those that do, and some who want both parties to take responsibility for it; the idea that there is dual liability if dual maintenance; that County Commissioners are open to working with the GLA; a suggestion to hold a meeting and vote of landowners to put money in the kitty for DCR repair. Robert W. asked that this discussion wait until he gives the Road & Weed Committee and Road Management reports. There was a question about where the Road Policy stands in relation to the Bylaws and Covenants as well as concern regarding the status of existing committees, their purpose, nature and composition. Dan replied that this would be covered in the Governing Documents Committee report.

5. Officer and Committee Reports

5.1 President's Report – DK

5.1.1 Conduct of Meeting Policy

Motion: Robert B. motioned and Robert W. seconded to accept the Conduct of Meeting Policy draft three as written. **Motion carried unanimously.**

5.1.2 Privacy Policy

Motion: Rudy motioned and Charlotte seconded to approve the Privacy Policy as written. **Motion carried unanimously.**

5.1.3 Criteria for closed meeting topics

Dan reported that the Board wrote criteria for closed meeting topics, based on Colorado law, which the attorney has overseen and approved. The criteria will be sent to the membership for comments. **Motion:** Rudy motioned and Paul seconded

GLA 03473

to send the draft closed meeting criteria to landowners for their input. **Motion carried unanimously.**

5.1.4 Conflict of Interest Policy

Last month Sally Muto sent the board a sample Conflict of Interest Policy that the board adapted for its use. **Motion:** Robert B. motioned and Rudy seconded to send the draft Conflict of Interest policy to landowners for their input for the 30-day period. Dan suggested the board would vote on it in July. **Motion carried unanimously.**

5.1.5 Jim Kozlik's resignation / NG board opening

Dan reported that Jim Kozlik had resigned and that a postcard would be sent out to North Glastonbury residents to announce the opening and seek candidates in order to fill the position at the June meeting.

Action Item: ***Karleen – send post card announcement to NG residents.***

5.2 Secretary's Report – AA

Alyssa reported that Karleen's training has been progressing well and that a lot of work had been done because a lot had come up to be handled.

5.3 Treasurer's Reports – JM

5.3.1 Budget Variance, Check & Deposit – JM

Janice reported that she moved money into funds as discussed at the last meeting including making an extra payment of $6,500 on the road loan principle. She was unable to finish all of the Treasurer's reports before the meeting and indicated she would e-mail them to the board for a vote at the next meeting.

5.4 Collection Committee Report – JM

Janice reported that the committee didn't meet last month. They are planning to have a meeting on May 26 at Spectec at 7:00 p.m.

5.5 Road and Weed / Mgmt Committee Report – RW

Robert W. reported that the Road Committee met on April 20th at Paul Ranttalo's house with Robert W. Ed, Charlotte, Ia Williams, Donna Lash-Anderson and Clare Parker in attendance. He announced that spring grading had started.

5.5.1 Arcturus Drive Upgrade

Robert W. reported that Arcturus Dr. seemed to be worse than it ever has been and the Road Committee was considering putting down a mile of magnesium chloride. They had a bid for $5,600. He spoke with Parks Frady who recommended waiting until dry weather to do the work because the rain would wash it away. Discussion included the pros and cons of mag chloride to suppress dust and reduce washboarding; the need to build up the substrata of the road for it to be effective; the possibility of extending the effectiveness of the treatment by using a water truck so conditions would be not too dry or too wet; questions regarding whether the quoted price included only the mag chloride and not the road prep; the cost of upkeep for a road with mag chloride which might be two and a half times as expensive; and the need to consider what money would be left for the remainder of the roads, especially the impact on the rest of South Glastonbury. Robert W. agreed to get prices and said that typically road prep is done anyway and therefore already part of the maintenance budget. Robert B. suggested the Road Committee engage in long range planning in order to move away from the mode of making decisions based on emergencies. Robert W. announced the next meeting of the Road Committee on June 1 and a major topic of discussion would be to see if everyone on Arcturus would agree to a special assessment to do the mag chloride treatment.

GLA 03474

5.5.2 Park County Response to our March Letter

Robert W. reported that a number of board members, accompanied by some SG residents, walked Dry Creek Road (DCR) in March to assess the damage to the pavement, assembled a report of their findings which was included in a letter that was written and sent to Park County, and to which the association received a timely response from Parks Frady. The County's reply was that they have a small budget and therefore limited resources to maintain all county roads. Robert W. and Kevin met with Parks Frady the previous week. Kevin reported that Mr. Frady sets the budget and decides what gets worked on. Since receiving the GLA's letter they had fixed the potholes. As to their commitment to DCR, they expressed understanding that it's a county road and their responsibility to maintain it. This spring they looked at a number of Class 2 roads in the county (of which DCR is one) and, based on need, had determined that four roads were ahead of DCR. They intended to fix five roads this year and DCR was the last on their list. With money left over from FYE 2015 (June) and funds from this coming year they planned to crack seal DCR in Aug. They didn't know if they'd have enough money this year to chip seal but if not, DCR would be the first one they would do next year. Robert W. noted that this response was a complete turn around from last year when the county wouldn't commit to doing anything. Kevin further reported that the county missed a pothole, which they intend to fix; that two culverts were plugged and they have agreed to clean them out; that signs were down and they would put them back up; that to deal with water on the blind curve they would bring in an engineer to assess the best solution whether it might be to dig a big hole and fill it with rocks to capture the runoff or to cut the hill back; and that the county believes the repairs they are going to do this year and/or next will last seven to ten years. Robert W. suggested that it would be a good idea to consider starting an RSID next year. Ia Williams reported walking 1.5 miles of NG paved roads and making note of failed crack sealing. She brought samples of broken pavement and announced her conclusion that NG has 4.5 miles of GLA roads in bad condition. Regarding the failed crack sealing, Robert W. had already spoken with the contractor who has agreed to come out to assess the work. Discussion included looking at the difference between the DCR substrate that most likely consists of gravel and rocks that provide a solid base for the asphalt above vs. the compact-filled base most likely used in NG roads that allows ice to form under the asphalt and which lends itself to more cracking. Robert W. acknowledged that the GLA was able to pave the NG roads for half price but the job was not as well done as DCR. The question arose as to whether an RSID could be done for private roads or if those roads would then automatically become county roads.

Action Item: ***Robert W. to check to see if having an RSID turns private roads into county roads.***

5.5.3 Road Policy

Robert W. reported that during the Road Committee meeting Tim Brockett had suggested that High South residents contribute funds for the repair and maintenance of upper Hercules and Sagittarius Skyway to match funds allocated for that work by the GLA. Tim Brockett announced that he had received $2,000 in pledges at that point but the amount could reach $4,000-$5,000 if the board would be willing to spend that amount. Robert W. commented that $2,000 might be doable but not more. Dan cautioned that the program would have to work with the planned budget, that maybe next year the Committee could line out the road budget, publish it and let people know they could match funds that were being allocated. Robert W. clarified that the matching funds were not only to cover

gravel but also manpower. **Motion**: Robert W. motioned and Gerald seconded for the Board to give the Road Committee leeway to accept matching funds insofar as it would work with the current budget and maintenance plan and that anything extraordinary would come back to the board. Discussion included questions of whether this would set a precedent and how the budget would be allocated; the idea that if the maintenance is in the plan it would be in the organization's interest to throw down more gravel; the suggestion that this would go against the Road Policy; clarification that the Covenants say the GLA must maintain all roads; and the idea that road districts could be formed. Val O'Connell asserted that this is against state law. Robert W. said we will have to check with our attorney. **Motion retracted.**

Regarding the guardrail in NG, Kevin agreed to talk with the insurance company and to get the pertinent information from Ross regarding the people involved in the accidents.

Action Item: ***Kevin – get information regarding NG accidents from Ross.***

5.6 Project Review Committee Report – GD

5.6.1 SG 95-R – Gordon/Barrett Garden Shed

Gerald reported that he visited the site and the setbacks had been met.
Motion: Gerald moved and Kevin seconded to approve the Gordon/Barrett Garden Shed with the conditions that the necessary permits are obtained and the land is reseeded upon completion. **Motion carried unanimously.**

5.6.2 SG 32E-1 – Rolfe Residence/Well/Septic/Driveway

Gerald reported that the setbacks had been met and everything was in order.
Motion: Gerald moved and Kevin seconded to approve the Rolfe Residence/Well/Septic/Driveway with the conditions that the necessary county/state permits are obtained and the land is reseeded upon completion.
Motion carried (1 abstention – Janice).

5.7 Communications Committee Report – Robert B.

Robert B. reported that the committee met on April 23, 2015 via phone conference, and he addressed Ia Williams concerns regarding landowner notification of the meeting. Dan clarified that the meeting date and time were posted on the website, were accidentally erased and then put back up. Ia Williams also commented upon a letter previously sent to the board by the Glastonbury Landowners for Positive Change (GLFPC). Robert B. addressed the fact that they seem to approach issues with suspicion rather than an assumption of good will; that communication has been steadily and consistently improving; that a charter for the committee was being worked on; that it has taken him a year to learn how the board functions and the need for developing a method of bringing new board members up to speed more quickly; and that there is no board and landowners but just us, a group of landowners with a representative form of government.
Discussion ensued regarding landowner desire for the board to make everything transparent and communicate everything to everyone; and to produce and distribute to landowners committee and board meeting minutes in a timely manner rather than having landowners rely on minutes taken by members of the GLFPC who attend the various meetings. Dan explained that in order to have meeting minutes available sooner, the board would have to meet more frequently to approve them. Landowners suggested approving the minutes by e-mail, questioned the legality of approving minutes by e-mail rather than in an open meeting and why they have to be approved before letting the landowners see them. The idea of putting the minutes on the website was raised and Dan explained that we'd have to have a password system to keep these private within the GLA family of landowners. He suggested the board would take this issue into further consideration and address it more fully at the June meeting.

5.8 Technology Committee Report – Ross – Tabled.

5.8.1 Timeframe for implementing Landowner E-mail Opt-In

Tabled also until the June meeting.

5.9 Governing Documents Committee Report – DK / CM

Dan reported that the Governing Documents Committee met at 7:00 p.m. on April 22nd at Spectec. Present at that meeting were co-chairs Dan and Charlotte as well as Donna Lash-Andersen, Sally Muto, Linda Ulrich, Ia Williams and Regina Wunsch. The committee revised a draft change to Section 11.06 following input from the board regarding the interest rate charged if an assessment remains unpaid for thirty day. The proposed rate would be set by the Prime Rate as posted in the Wall Street Journal plus 3% per year simple interest. The committee also reviewed the Covenants, Section 3, for clarifications to the Definitions. The suggestions are to delete 3.11 "development" and replace it in three areas (6.3, 7.3, and 9.06) with "community."

Dan reported that the committee also met on May 13th at 7:00 p.m. at Spectec. Present at that meeting were co-chairs Dan and Charlotte, Alyssa, Donna Lash-Andersen, Jerry Ladewig, Sally Muto, Linda Ulrich, Ia Williams and Regina Wunsch. The committee reviewed the online comments on the proposed new Committees section to replace the Bylaws Article VI 1. Committees. The Committee section was edited to clarify the difference between the kinds of committees and to reflect the language of Montana law. The committee also edited Article VI, sections E regarding BoD Vacancies (to be able to fill a vacancy at a regular Board meeting), F and P, as well as Article H, all to remove confusion regarding the reason for special meetings, which are held for one purpose vs. regular meetings in which all areas are covered and discussed.

Dan explained the committee's desire to edit as much as possible as soon as possible, preferably by July, so the board can review and approve the changes in a timely manner so the draft can be sent to landowners for comment and the final version can be reviewed in a special meeting before the November vote. Dan also noted that the change to the interest rate is to be fast-tracked and during the next committee meeting, May 27th at 7:00 p.m. at Spectec, a timeframe to propose it to the board will be decided upon.

Action Item: ***Dan will post suggested changes to Google Docs for the Board to review. E-mail Dan with thoughts so the committee can address them on the 27th.***

5.10 Community Property Committee Report – CM – Tabled.

6. UNFINISHED BUSINESS

7. NEW BUSINESS

8. Closed Session

8.1 Discussion of lawsuits – Board

9. Adjournment

Dan adjourned the meeting at 10:55 p.m.

Glastonbury Landowners Association, Inc.

Board of Directors Special Meeting Minutes - *Final*

May 27, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The special meeting was called to order by Dan at 7:04 p.m. via conference call service.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi (left at 7:48 p.m.), Kevin Newby, Rudy Parker, Paul Ranttalo, Robert Wallace (aka Robert W.)
Absent: Janice McCann (Treasurer)
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Donna Lash-Andersen, Neil Kremer, Clare Parker

2. **Officer and Committee Reports**

2.1 Project Review Committee Report – GD

2.1.1 Lot 21-E1 (SG) Mullin House/Well/Driveway/Septic Application

Gerald presented the application noting that Mike Mullin does not yet own the property; is seeking approval of the site plan containing not only the house but also a proposed garage, barn and shed, and that all setbacks had been met. **Motion:** Gerald motioned and Rudy seconded that the proposed residence, well, driveway and drainfield for Lot 21-E SG be approved along with the site plan for a garage, barn and shop with the contingency that Mike Mullin becomes the new owner of Lot 21-E-SG, and that the following conditions be met: 1) before construction of the garage, barn or shop, complete details showing elevation and plan views of the structures be provided to the GLA for preliminary approval; 2) all necessary permits be obtained including the sanitary drain & reserve fields by the County Sanitarian; 3) all disturbed land be reseeded. **Motion carried unanimously.** Discussion included the location of the well 21 ft. off the boundary, which is less than the recommended 50 ft. but greater than the DEQ requirement of 10 ft., and the sanitarian's report for the adjacent property that lists their drainfield at 300+ ft. away from the nearest border.

2.2 Road Mgmt Committee Report – RW/PR

2.2.1 Matching Funds Proposal

Robert W. continued his explanation begun at the May 18th board meeting that Tim Brockett had came forward at a road committee meeting with a proposal to have High South residents contribute matching funds to improve the gravel and grading of upper Hercules and Sagittarius Skyway, and that Tim had collected pledges totaling $2,000 for the work. Robert W. further explained that typically over the last several years money had been put toward fixing and maintaining lower tier roads; 4th and 5th tier were worked on only if they really needed it. Robert W. said he liked the idea of matching funds because it would allow for a greater bang for the GLA's buck. Having received questions via e-mail from various board members regarding this proposal, Robert W. answered those questions and presented his perspective of the issues including: the budget of $15,500 for each of North & South Glastonbury for fall and spring grading; Norm (the grader), Paul and Robert W. assess the roads and decide which ones need the most attention; most of the funds go to lower tier roads; upper tier roads are only worked on if there's been damage such as rain, which is the case this spring so they have $500 planned to fix potholes on Upper Hercules; if the board were to choose to accept Tim's proposal, the $2,000 in GLA matching funds would have to come from the SG Road Fund, not from the general budget; the idea of announcing this in the newsletter for other constituencies to also apply for matching funds; and that a

precedence was already set in past years. Discussion, questions and debate ensued focusing on how such a program might work; where the funds would come from; how matching funds would be allocated - not only for more gravel but also for labor; setting a cap on the amount the GLA would match; using board discretion regarding when to offer this option based on financial ability; providing an equitable process for all constituents in their various road clusters to participate in a matching funds program; coming up with an impartial formula for deciding what areas are chosen for maintenance and upgrade, preferably not based solely on who throws money at the project; structuring the program around the greatest need for road repair and then offering the residents an opportunity to add funds; the need to engage in a discussion about what constitutes an appropriate amount of money for a reserve fund. It was agreed that a vote on the issue was premature and that Robert W. and the Road Committee would flesh out the proposal and bring it to the board at a future meeting.
Ed asked the board to discuss the idea of charging SpecTec one assessment for every four employees. Dan suggested this subject be put on the next board meeting agenda and that it be looked at according to the Covenants or ByLaws.

3. **Comment Period for Visiting Landowners**
   Clare Parker expressed satisfaction with the board's openness and transparency during this meeting along with the decisions made to look into this proposal from all angles.

4. **Adjournment**
   Dan adjourned the meeting at 8:13 p.m.

5. **Next Board Meeting: June 15, 2015, 7:00 p.m. at St. John's Church**

1. **Call to Order**
The meeting was called to order by Dan Kehoe at 7:06 p.m. at St. John's Church.

PRESENT: Dan Kehoe (President) Ross Brunson (Vice President via phone until 7:15), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Kevin Newby, Rudy Parker, Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Miriam Barker, Tom Barry, Debbie Blais, Claudette Dirkers, Debbie & Ken DeGraaf, Michael Laverty, Charlene Murphy, Daniel & Valery O'Connell, Clare Parker, Bob & Kristi Sones, Elena Torphy, Ia Williams, Regina Wunsch.

2. **Commence Special Meeting**
Dan reviewed the North Glastonbury board vacancy that was created when Jim Kozlik resigned. Prior to the meeting, Pouwel Gelderloos submitted a letter of intent to be considered for the position along with apologies for being unable to attend the meeting due to a trip away. Daniel O'Connell had nominated his wife, Valery, for the position. Valery was asked if she accepted the nomination and she assented. The board voted by written ballot (plus one texted submission) and the results were counted by Karleen and Alyssa, who announced that Pouwel Gelderloos had been elected by unanimous vote.
The Special Meeting was adjourned at 7:13 p.m.

3. **Commence Regular Monthly Board Meeting**
The meeting was called to order by Dan Kehoe at 7:13 p.m. at St. John's Church.

4. **Set Agenda**

5. **Approve Meeting Minutes – May 18 & May 27, 2015**
Motion: Kevin motioned and Charlotte seconded to accept the May 18, 2015 meeting minutes as written. **Motion carried unanimously. Motion:** Paul motioned and Gerald seconded to accept the May 27, 2015 meeting minutes. During the discussion Rudy noted that he attended the meeting and the minutes did not reflect him as being present. The motion was amended to accept the meeting minutes of May 27, 2015 with the correction of Rudy being added to the list of those present. **Motion carried.** (3 Abstentions – Charlotte, Janice and Kevin).

6. **Visiting Landowner Input Period**
Daniel O'Connell asserted that the Bylaws indicate that the landowners have an input period at the end of the meeting and this is important so they can comment on what they've heard during the meeting; Dan Kehoe replied that having the input session at the beginning has been approved by the attorney as being in accordance with the Bylaws and was adopted years ago due to landowners not wanting to wait to comment until the late hour that many meetings last. In response to learning of the potential resignation of Janice from the board due to selling her property, Debbie DeGraaf suggested the GLA hire an accountant or bookkeeper to do the books and make it easier to stay on top of collections. Charlene Murphy offered clarification regarding dealing with title companies to collect on liens. Other discussion included the assertion by a new landowner that there was nothing said by her title company about back dues owing on her property; the issue of the GLA not knowing about transfers of property unless a landowner informs the Treasurer of the sale; the issue of title companies not giving full information about the property including the plat map with sanitarian markings; Bob Sones received clarification regarding how a GLA employee's driving behavior was not influenced by her being on GLA business; the desire by landowners to allow them to volunteer led to a short discussion of a realistic way to solve the issue, not by creating another job for supervising volunteers but of building on the current system of using committee chairs

GLA 03491

to supervise them and the Secretary to co-ordinate for office work; the idea of needing a list of jobs that may be done by volunteers; the suggestion that landowners be given the job of updating policies; Ia Williams asked about when Alyssa will no longer be the secretary and Dan said that Alyssa wants to move on but the board is not yet ready for this; and clarification was given regarding Alyssa and Karleen's roles.
Action Item: ***Alyssa – create a list of jobs that may be done by volunteers.***

7. Officer and Committee Reports

7.1 President's Report – DK

7.1.1 Procedure for creating policy flow chart

Dan explained that the issue of how policy is created and finalized had come up within the board, he had outlined the procedure and it was put into a flowchart for clarity. Discussion involved changing the wording in some of the boxes to fully express each step. The question was raised about where fact-finding is in the procedure and the clarification that fact-finding relates to enforcement not creation. The board tabled a vote until receiving a clean amended copy.

7.1.2 Posting of committee meeting minutes for landowner review - Tabled

7.1.3 Janice's resignation and need for a Treasurer/Bookkeeper

Dan announced that although Janice has not yet formally resigned, it is on the horizon. Janice reported that she has interviewed a bookkeeper, Catherine (Cat) Moody, who was recommended by Debbie DeGraaf, and that once the system is set up it may only take her about three hours a month at $85/hour to enter income and expenses, do payroll and file taxes. Year-end taxes will require more hours. Since the GLA has a lot of accounts and tasks like journal entries for the different funds, the three hours may be an underestimate. It was suggested that Janice show Cat the complexity to get an accurate estimate of the time and expense involved. All other financial work such as collections, sending out statements, receiving the checks that come in and liaising with the bookkeeper would be the responsibility of the Treasurer. It was suggested that Rudy might be nominated at the appropriate time to be the Treasurer due to previous work in another organization and Janice asked him to consider if he has the time, often during the day, to do the job. Discussion included whether $85/hr is too steep a cost for the work; the idea that the current board does not want to pass on to the next board books that still need correcting; Regina Wunsch's suggestion that it is better to do the work correctly up front than to pay someone more to fix it afterwards; the question of whether we'd have to enter into a year's contract; clarification that Cat runs her own business with a receptionist but that she does all the accounting work herself; and Regina Wunsch's willingness to work with a professional to continue to get the books in order.

7.2 Secretary's Report – AA

Alyssa noted that during the previous board meeting someone took many months of meeting minutes from the landowner binders and asked that they return them so we don't have to spend the time and money to reprint them.

7.2.1 Newsletter and other components for June/July mailing

Alyssa reported upon suggested articles for the upcoming newsletter: Dry Creek Road update; RSID vs. Special Assessment; spring grading and speeding; board resignations – Jim Kozlik's in May and Janice McCann's in July; proposed changes to Covenants Section 11; and three policies that will be attached. Discussion included the possibility of an article regarding the Communication

GLA 03492

Committee implementing an e-mail notification system and Claudette Dirkers suggested an article be included about the association seeking volunteers.

7.2.2 Administrative Assistant hours and duties

Alyssa enumerated the many tasks being required of Karleen including meeting attendance, taking minutes, preparation of materials, filing, organizing, acting as a communications hub, tracking issues, assisting in response to issues, newsletter, special projects, and project review administration. Discussion included Karleen's role in the administrative aspects of the project review application process vs. what the committee members are responsible for; that project review is a separate revenue line funded out of the impact fees collected; the idea that the books are currently set up for the application fee to cover administration but that amount doesn't cover the actual cost; that the original intent for the impact fees was to go toward both administration and roads and the books will need to be revised to reflect impact fees for administration; the suggestion that a volunteer could do the project review administration; that the work involved is very detailed and requires a lot of training; and that Karleen has experience in supervising volunteers and the reiteration that the committee chairs will supervise committee volunteers.

Action Item: ***Project Review Committee – discuss and bring to board suggestions for increasing the application fee***

Action Item: ***Alyssa and Karleen – estimate administrative hours per project review and send to Janice***

Action Item: ***Janice – create an administrative fund for project review administration from both the application fee and the impact fees collected.***

7.3 Treasurer's Reports – JM

7.3.1 Budget Variance, Check & Deposit – April 2015

7.3.2 Budget Variance, Check & Deposit – May 2015

Janice reviewed the Treasurer's reports and noted that if we pay the extra principle through the end of the year we will pay the road loan off nine months early.

Motion: Charlotte motioned and Robert W. seconded to accept both April and May's Treasurer's Reports. **Motion carried unanimously.**

Rudy suggested that the pages in the Treasurer's reports be hand-numbered prior to copying so that the board has an easier time following along with the Treasurer's presentation of the finances.

7.4 Collection Committee Report – JM – Tabled

7.5 Road and Weed Mgmt Committee Report

Robert W. reported that the Road Committee met on June 1, 2015 and was attended by Robert W., Paul, Ed and Dan as well as 21 landowners. They discussed seven action items: 1. Spring grading update: seven loads of gravel were laid down on Hercules and Arcturus, and Walter Wunsch donated a truckload of gravel and two gravel loads on Polaris paid for by Carl Anderson. 2. Park County to chip seal and crack seal Dry Creek Rd: Kevin reported that the chip seal work would be done next year. In August, crack sealing will be done, the pothole will be fixed, signs will be put back up and the plugged culverts will be cleaned out. The drainage system on the blind curve may require a piping system be installed but the county is still waiting for the engineers regarding the cost. 3. Bids to repair new potholes on Capricorn in NG, and 4. Cracks that have failed since the last crack sealing: Robert W. obtained a bid from the contractor who did the work last year to fix three major potholes and crack sealing, including repair of the cracks sealed last year that reopened. Discussion included the question of funding and possibly using funds from a number of sources such as the NG road budget, the road fund or perhaps

GLA 03493

from the snow removal budget; the question of whether the contractor should guarantee his work and if the work was done when it was too cold; the question of why the association would get a bid from a contractor who didn't do the work properly. Robert W. suggested that of the 17,000 ft. of crack seal done, most was very good. However, he will get other bids. Kevin recommended a representative from the board oversee the work in the future. 5. Guardrail status for the hill in NG: Kevin reported that he asked Ross for information regarding the accidents and Ross doesn't have it. It was suggested that Kevin contact the Highway Department regarding accidents occurring on New Year's Eve. 6. Matching funds criteria: Robert W. reported the committee came up with ten points to be used as guidelines for the program that he would send out to the rest of the board to review. 7. Status of the sump installation on Capricorn Dr. Other discussion included Robert W.'s request for a landowner to volunteer to attend road committee meetings and take minutes. He asked the GLFPC to run their meeting summaries by him so he can correct errors before they post them. Gerald reported that Stu Shilling will spray the weeds after July 4th, will post signs regarding where he has sprayed and will use blue dye. The cost will be close to what it was last year. Comments included the timing of the spraying – May and September to get them before they go to seed; often there is still snow on the ground in May in High South so early June may be better – and whether other bids were obtained; no need to obtain bids every year; bids originally sought but the GLA has since used this same contractor for many years.

7.6 Project Review Committee Report – GD

7.6.1 SG 21-E Mullin Garage, Shop, Barn

Gerald reminded the board that on May 27th they had approved Mike Mullin's house and site plan. The current application was for the garage, barn and shed. He reported that the setbacks were met. **Motion:** Gerald motioned and Rudy seconded to give preliminary approval to Mike Mullin's shop, garage and barn on Lot 21-E1 (SG) on condition that all permits be obtained and the land be reseeded upon completion. **Motion carried unanimously.**

7.6.2 SG 39-E Kletter Residence Addition, Greenhouse, Septic

Gerald reviewed Damiaan Kletter's application for a greenhouse, another entrance for the residence and the sanitary system, the effluvia of which would be pumped up into a tank. He checked the greenhouse and entrance, which met the requirements. Paul would be the contractor to install the septic and they were waiting for the permit from the sanitarian. Discussion included the question of whether the Kletters were current in paying their assessments and clarification that the fees paid for this project included back dues; that fees collected are deposited after the project has been approved by the board; the idea that three projects might warrant charging three application fees or keeping the process as is, that one application requires one fee. **Motion:** Gerald motioned and Rudy seconded to give preliminary approval to Damiaan and Ineke Kletter for a greenhouse, entrance and septic system on Lot 39-E (SG) with the conditions that the assessments are current, they receive a septic permit from the sanitarian and that the land be reseeded after construction is completed. **Motion carried** (1 Abstention – Paul).

7.7 Communication Committee Report – Robert B.

7.7.1 Creating and distributing board meeting minutes – length, complexity & timeliness

Robert B. reported that the Communication Committee met and spent most of its time discussing the subject of meeting minutes. Legal advice was sought regarding what constitutes approval of meeting minutes and whether they could be approved by e-mail. The attorney indicated the board could obtain approval by written

GLA 03494

consent for board and committee meetings, an action that would cross a hurdle for the main purpose of the minutes, which is to communicate in a timely way with the landowners regarding items and actions taken. Robert B. explained that a format needed to be decided upon that would allow committees to present their findings, not in detail but rather focusing on the actions to present to the board; to circulate the minutes among the committee members for a few days, approve via e-mail and then post to the website. He clarified that committee meeting minutes would be approved by committee members not the whole board. Dan commented that the Bylaws indicate the board needs to have regular meetings. Currently they are held every month but when the documents are cleaned up meetings might be every other month or quarterly with work done in between by committees. He explained that the goal would be to get the meeting minutes written up as quickly as possible, slimmed down by 30%, and possibly post them on the website for members to access with a password. Discussion included the idea that the purpose of meetings is for creativity and exploration of ideas that end in resolution, not to pinpoint people and the details of what they said; the question of whether the Communication Committee would ever have physical meetings rather than over the phone; the problems involved with getting onto and hearing while on the Free Conference Call service, especially with a cellphone; Valery O'Connell's assertions that the Bylaws require 2/3 approval for any written consent, even committee meetings, that page 11 of the Bylaws require the board to read the unapproved meeting minutes to the landowners, and that it is illegal for Karleen to be taking meeting minute notes because Montana state law 35-2-439 MCA requires a board officer to prepare the minutes. Robert B. discussed the difficulty for some in using Google Docs and the possibility of using a different site. Dan had been looking into the different options and suggested that using the website and getting more people working with Ross might be the best solution. In the meantime, Google Docs empowers committee chairs to send the link out. Dan set the goal to get the board meeting minutes out to board members by the end of a week, to send them out to the board for input for another week, to make corrections and get approval, and then once approved to post the minutes to the Internet. Alyssa suggested that a week to get the meeting minutes completed is too little time. Discussion ensued regarding Karleen's hours and the need for her to be given more hours in order to perform the increased workload and get the minutes completed in a timely manner. **Motion:** Robert B. motioned and Janice seconded to increase Karleen's hours by five hours/week. **Motion carried unanimously.** Discussion included the question of whether administrative hours really need to be increased, how the minutes might be pared down to include information to help the reader understand what action was taken, discussion and sway on any issue including different points of view and the tenor without other detail; the idea that volunteers might be able to do some of the administrative work; a look at the administrative budget, which is at 39% through the end of May, and the added cost that would be about $1,700 - $1,800 for this year; the idea that there is more work at this point because of all of the policy changes and that the increase might be temporary; and the question of whether increasing Karleen's hours would affect hiring a bookkeeper, which it would not.

Action Item: ***Communication Committee – check out other viable phone conference technologies that might have better sound quality***

7.7.2 Using e-mail for official landowner communications – Tabled

7.8 Technology Committee Report – Ross

7.8.1 Timeframe for implementing Landowner E-mail Opt-In – Tabled

GLA 03495

7.9 Governing Documents Committee Report – DK / CM

Dan reported that the Governing Docs Committee met on June 10 to go over Covenants Section 5. They will put the changes up on Google Docs and give everyone a link after he runs some proposed changes by the attorney. The next meeting will be on Wednesday June 24th at 7:00 p.m. at Spectec and he asked members of the Project Review Committee to attend if possible to help work on Covenants Section 6. For those who cannot attend the changes will be posted on Google Docs for them to review and give input.

7.9.1 Covenants Section 11 draft change

Dan presented draft changes of Covenants Section 11 as the new wording to be sent out to the members. Discussion included clarification of the portions that were removed by strikeout; the idea that higher interest has never spurred higher rates of paying; that the prime rate would be established on December 1st for the entire next year; that the interest would begin after a 30-day grace period from the missed payment; that this interest rate might be too low; that attaching the interest rate to the prime rate is realistic in that it adjusts the rate according to the economy in any given cycle. Michael Laverty asked for clarification regarding whether this change would apply to accounts currently in arrears or only to those who fall behind moving forward. Dan explained that it would be take effect after the vote and moving forward but would give the board latitude to adjust past due accounts in the collection process. **Motion:** Janice motioned and Kevin seconded to send out for Landowner vote the change to Section 11.06 in the Covenants as was presented. **Motion carried unanimously.** Further discussion involved clarifying the process for calling a special meeting to vote on the change; the question of whether the vote couldn't wait until the regular election in November; the preference to not delay collections by delaying the vote until then; Valery O'Connell's assertion that the Bylaws give a landowner the opportunity to be heard by all the landowners before they vote, and the suggestion that this question be run by the attorney.

Dan announced that all of the committee's suggested changes regarding the items below would be listed on Google Docs and he invited people to read them and become familiar with them to give input.

7.9.2 Bylaws edit on meeting agendas – Tabled

7.9.3 Committee section of the Bylaws – Tabled

7.9.4 Covenants definitions changes – Tabled

7.10 Community Property Committee Report – CM

Charlotte announced that there would be a Community Property Committee meeting the next day, June 16th.

8. UNFINISHED BUSINESS

9. NEW BUSINESS

10. Closed Session

10.1 Discussion of legal matters – Board

The board discussed the attorney's answer to questions on the responsibility of directors as defined by Montana law and to answer questions or decline from answering questions in a manner so as not to incur further litigation.

11. Meeting adjourned at 11:48 p.m.

12. Next Board Meeting: July 13th, 2015 at St. John's Church

Board of Directors Meeting Minutes – *Final*

July 13, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:08 p.m. at St. John's Church.

   PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Janice McCann (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski (arrived at 8:25), Gerald Dubiel (arrived at 7:44), Pouwel Gelderloos, Charlotte Mizzi, Kevin Newby, Rudy Parker, Paul Ranttalo, Robert Wallace (aka Robert W.).
   Also attending: Karleen McSherry (Administrative Assistant)
   Landowners: Debbie Blais, Tim Brockett, Claudette Dirkers, Leo & Dorothy Keeler, Paula Kehoe, Jerry Ladewig, Donna Lash-Andersen, Charlene Murphy; Sally & Chuck Muto, Valery & Daniel O'Connell, Ia & Chris Williams, Regina Wunsch.
   Guests: Victoria Osborne, Danilie Howe, Christine Tafuri.

2. **Set Agenda**

3. **Approve Meeting Minutes** – June 15, 2015
   Dan reported that the June 15, 2015 meeting minutes were approved by e-mail on July 12, 2015.

4. **Visiting Landowner Input Period**
   Sally Muto distributed a letter to the Board on the Yaney residence (NG 38-B) including her belief that the structure violates the GLA Covenants, her dissatisfaction with the project's review process, and her concern that it may be repurposed as a church or learning center. Leo Keeler expressed concern regarding the Board's procedure in creating policies, that the membership needs to vote on them, and particular policy issues like the Board using its discretion to waive assessment fees or liens when properties are sold when in his view they don't have that discretion; his understanding that assessments are against the land not a person; and the Board has discretion in situations that are not injurious but not collecting fees is injurious because it winds up costing him more. Dan assured Leo that the Board would run the collection policy by a collection attorney and the Board would look at the waiver part again. In response to Leo's question about "intra-board communication" in the Privacy Policy, Ross clarified that it means the internal e-mail addresses used by the Board only. Charlene Murphy commented about the need to control the thistles this year as well as the soccer field shed needing to be painted to keep it from deteriorating, and possibly use volunteers to do the project.

5. **Officer and Committee Reports**
   5.1 President's Report – DK
   Dan welcomed Pouwel to the Board, and asked for a special meeting to discuss amendments to the Bylaws, which the Board agreed would be held Monday August 3 at 7:00 p.m. by phone (using a new and better phone conferencing service).

   5.2 Secretary's Report – AA
   5.2.1 Procedures for Board and Committee meetings
   Alyssa reviewed a draft procedures for board and committee meetings that was e-mailed to the Board and included in their meeting packet. Discussion included timeframes for creating minutes, sending them out for Board input, voting, finalizing and distributing to the landowner list before the next board meeting; the suggestion of having one "committee announce" list that would go to everyone who signs up to receive a committee's meeting notice; the possibility of using the administrative assistant as back-up to post meeting dates to the calendar.

5.2.2 Committee Meeting Minutes Content

Alyssa pointed out that the Bylaws require that committee meeting minutes contain only who attended and any actions taken, however, more can be included. The Board reviewed the draft committee meeting minute guidelines, and suggested that Alyssa organize her list of items to include in committee minutes by "must haves" and "optional" and the method for approving committee meeting minutes.
Alyssa also reported that the landowner binders containing previous meeting minutes, including a new binder for committee meeting minutes, would be kept at the Secretary's table at the meeting. Landowners who desire to view the binders must return them to the Secretary who will check to make sure the contents are still intact. This is in response to the removal of several months of minutes by a landowner and not returned despite a request to do so. Alyssa also reminded board members that when they vote on the meeting minutes via e-mail, those who make the motion and second it will need to make sure they vote as well.
Action Item: ***Alyssa – update the draft procedures and committee meeting contents according to comments and send the revision to the Board for review.***

5.3 Treasurer's Reports – JM

Janice reported that June is a slow month with not a lot of activity; and road-grading bills had not come in yet.

5.3.1 Budget Variance, Check & Deposit – June 2015

Janice stated that the reserve cash funds have remained steady. The finances are in pretty good shape right now with not too many expenses and no emergencies to pay for. **Motion:** Charlotte motioned and Ross seconded to accept the Treasurer's reports. **Motion carried unanimously.**
Rudy reiterated his request to have the pages of the Treasurer's reports numbered by hand, which didn't happen this time due to time constraints. In the future an effort will be made to honor Rudy's request.

5.3.2 Transition of Treasurer duties

Janice discussed the need to have at least an interim Treasurer, that it would be nice to have the new Treasurer in her meetings with potential bookkeepers, and that the Treasurer would need to be given the assessment books. Rudy stated that he had been the GLA's bookkeeper about ten years ago and would agree to be the interim Treasurer if he could resign from the Communications Committee.
Motion: Robert W. motioned and Ross seconded to appoint Rudy as the interim Treasurer. **Motion carried unanimously.**

5.4 Collection Committee Report – JM

5.4.1 Updated Payment Plan Agreement

Janice presented the updated Payment Plan Agreement and explained to landowners who thought it was a new policy that it is an edit of an agreement that we have been using to help people pay assessments that are in arrears. **Motion:** Janice moved and Rudy seconded to accept the payment plan agreement as written. **Motion carried.** (1 abstention – Pouwel). Discussion included the idea that this plan is a way to start collections with the help of volunteers.

5.5 Road and Weed / Mgmt Committee Report

Regarding the NG guardrail, Kevin reported that he was able access the police reports, and in order to pursue getting paid for the damage, he had to request that the officer filing the second report add that the GLA owns the guardrail. Only one of the incidents

involved had an insurance company; the person in the other incident is uninsured. Kevin is in process of obtaining the bids to present to insurance company.

5.5.1 Update on NG crack sealing

Robert W. reported that he sent out to bid the repair of NG's hardtop to about a dozen paving companies; two bids came in – Apex and Bailey Paving. Regarding crack sealing, Bailey would work on 2,400 lineal feet at a price of $1,604, which works out to $0.70 per lineal foot. Apex would work on 17,000 lineal feet for a total of $29,860, which works out to $1.75 per lineal foot. This cost is two and a half times more than Bailey's bid. To patch potholes, Bailey would repair 1,011 sq. ft. for $4,894 which works out to $4.80/sq. ft. Apex would repair 552 sq. ft. for $5,600 which works out to about $10/sq. ft. The total cost for Bailey to do as they proposed would be $6,998, which includes a $500 setup charge. The total cost for Apex to do as they proposed would be $35,460, which is about $29,000 more than Bailey's bid. Neither of these companies warranties their work, and Robert W. commented that Parks Frady had told him this is typically the case. **Motion:** Robert W. motioned and Pouwel seconded to hire Bailey Paving to patch and crack seal NG's hardtop in temperatures not lower than 45° or according to the product specifications regarding temperature for the 24-hour period. **Motion carried unanimously.** Discussion included questions of rehiring Bailey when some of their previous work failed; the statement made by Parks Frady that a 5% failure rate is pretty good and that Robert's observation that Bailey did a really good job patching potholes; the idea that someone from the Board needs to be present to oversee the work; that Bailey will warranty their work if they router the cracks; that routering cracks doesn't mean the work will last longer and the pavement is too thin to router so paying double to warranty against 5% failure isn't cost effective; the question of what constitutes repair work failure and the answer that any crack one inch or more would be considered failed.
Action Item: ***Robert W. – add specifications to Bailey's contract for minimum temperature at time of work and for 24-hour forecast afterwards.***

On another topic: **Motion:** Robert W. motioned and Kevin seconded for Pouwel to be made a member of the Road Committee. **Motion carried unanimously.**

5.5.2 Update on NG gravel and grading

Robert W. reported that all grading and graveling in NG had been done and two extra loads of gravel were put down on upper Hercules courtesy of the Wunsch's. A landowner had notified the GLA that he would be selling his property on Caspari Way, (a GLA platted road) and Robert W. said we might have to spend up to $500 from his budget to clear the road so the real estate agent can get up there.

5.5.3 Update on DCR crack sealing – KN

Topic not covered.

5.5.4 Update on weed spraying – GD

Gerald reported that weed spraying was finished in South. A dye was used and signs posted to alert landowners to the sprayed areas. Regina Wunsch noted that the contractor sprayed DCR where there were no weeds.
Gerald also reported that the spraying in NG would take place the next day and that he would oversee the work. Discussion involved the question of whether weed spraying should be done at a different time of year before the weeds go to seed; the GLA's schedule used to be spraying in May and October; concern that it rained

just hours after the weed spraying in SG and a landowner suggested that the weed spraying scheduled for the next day in NG be postponed if rain was forecast; the question of whether spraying before a rain washes the herbicide away or allows it to be taken into the roots; that the contractor would be willing to spray according to whatever schedule the GLA prefers; that he would work to get a contract for next year and spell out the terms and timing. There was a suggestion from the floor to get other bids. Pouwel expressed concern that people pull over and leave their car running which can start a grass fire and that we include this as an article in the newsletter.

Action Items: ***Gerald – Review weed spraying invoice and deduct costs for any spraying on Dry Creek Road; find out what kind of chemicals are used and how it works with rain; get bids for weed spraying for next year.***

5.6 Project Review Committee Report – GD

Motion: Gerald motioned that Kevin be co-chair of the Project Review Committee and Ed seconded the motion. **Motion carried unanimously**.

5.6.1 NG 10-B Nash Shed & Carport

Gerald reported that Jeff Nash requested to put in a carport and shed; the site had been checked and setbacks were good. **Motion:** Gerald motioned and Pouwel seconded that the carport and shed on Nash's property Tract 10-D (NG) be approved with the condition that the necessary permits be obtained and disturbed land be reseeded at end of construction. Discussion included Robert B.'s suggestion to add "if necessary" regarding the permits. Gerald amended his motion and Pouwel seconded that the carport and shed on Nash's property Tract 10-D (NG) be approved with the condition that the necessary permits be obtained if necessary. **Motion carried.** (1 abstention – Paul). Discussion included that another condition be added of abiding by all fire, health and safety laws of the state of MT.

Gerald reported that in its meeting on July 8, 2015, the Project Review Committee reviewed a dormer project submitted by Pouwel for NG 40-1B. Discussion included the question of whether this is a project that the Covenants dictate needs approval; the fact that the footprint and floor space would not be changed, only the roof raised; the committee's thinking that they should have a record of all construction to address issues that might come up including conflict between what was proposed and what was actually built; the reminder to new board member Pouwel that since he is the builder on this project he mention a conflict of interest before the vote; the question of how far the committee would go in its oversight such as whether painting one's house pink needs review; Leo Keeler's concern that the Covenants regulate appearance; the suggestion that the committee needs to determine a minimum standard regarding what requires a project review application. Dan clarified that if is not covered by the Covenants it doesn't need an application and approval, and this isn't a project that needs review.

5.6.2 Suggested increase in application fee & % of impact fee to administration

Kevin reported that the Project Review Committee met and discussed a change in the application fee for small projects under 200 s.f. from $10 to $25, which is what is currently charged for all projects over 200 s.f. He also presented the idea that the $25 application fee would cover one form, and each additional form submitted at the same time would be charged an additional $10 application fee. **Motion:** Kevin motioned to change the application fee to a base of $25. Discussion included Valery O'Connell's assertion that this change would need to be brought to the

members first; Dan suggested the Committee draft a change to be put before the members for a 30-day review period with the material going out after the Aug 3 meeting; Regina Wunsch explained that a special account was created for the cost of the administrative assistant's work on project applications, that $225 had been put into that account and $325 had already been spent, not including taxes; the increase in application fee will help the project review monies to cover these administrative costs; a question of billing per square foot and the answer that the impact fees are based on square footage and are supposed to be divided between administration and roads; clarification that withdrawn or denied projects forfeit the application fee because the costs for the administrative work is still incurred. Motion was not seconded and will be addressed at the Aug 3rd meeting. Gerald suggested the Project Review Committee require landowners to have more professional drawings done on their site maps and said he would write a paragraph to add to the proposal. Discussion included the premise that staking out the building and citing accurate measurements from the proposed project to the boundaries are the critical issues. Dan referred it back to the Committee to come up with what's necessary and present it to the Board.

Action Item: ***Project Review Committee – draft a change to be put before the members for a 30-day review period with the material going out after the August 3rd meeting.***

Action Item: ***Gerald – Add a paragraph for more professional drawings.***

5.7 Communications Committee Report

5.7.1 Welcome Letter – Robert B.

Robert B. reported that the Communications Committee worked on a draft of the welcome letter. Robert B. agreed to initiate an e-mail vote.

Action Item: ***Robert B. – initiate an e-mail vote regarding the welcome letter.***

5.7.2 Next steps for implementing optional e-mail communications – DK

Due to time constraints, topic not covered.

5.8 Technology Committee Report – Ross/DK

5.8.1 Implementing official Landowner notice by e-mail

Ross explained that there are two things that need to be done to implement noticing landowners by e-mail:

1. Landowner's would need to express that they want to be noticed of meetings via e-mail and their e-mail address would need to be verified. Landowners may want to get an e-mail address just for GLA matters since other members could then access their e-mail address and the e-mail could be discoverable evidence if it is brought up in a GLA lawsuit.
2. After meeting the criteria for official notice, there could be an expansion to other types communications such as committee meetings, announcements, etc. There is a form that might need to be altered slightly.

Action Item: ***Ross – alter the appropriate form for landowners to indicate if they want to be noticed of meetings via e-mail.***

5.8.2 Posting of committee meeting minutes

Due to time constraints, topic not covered.

5.9 Governing Documents Committee Report – DK/CM

Due to time constraints, topic not covered.

5.10 Community Property Committee Report – CM

Charlotte reported that the Community Property Committee met and decided it would be best to terminate the GLA's lease with the PVRC. **Motion:** Charlotte motioned and Robert W. seconded to discontinue the lease with the PVRC. Discussion included the advantage of no longer having a contract on the property and the need to find out what the insurance covers. **Motion carried.** (1 Abstention – Kevin).

6. UNFINISHED BUSINESS

7. NEW BUSINESS

8. Closed Session

8.1 Discussion of legal matters – Board

The Legal Committee reviewed recent letters to and from both attorneys.

9. Adjournment (10:23 p.m.)

10. Next Board Meeting: August 3, 2015 by phone [later postponed to a future TBD date] and then August 10, 2015 at St. John's Church

Board of Directors Special Meeting Minutes – *Final*

July 27, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**

The special meeting was called to order by Dan Kehoe at 7:11 p.m. via conference call service.

PRESENT: Dan Kehoe (President), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Pouwel Gelderloos, Charlotte Mizzi, Kevin Newby, Paul Ranttalo and Robert Wallace (aka Robert W.).
Absent: Rudy Parker (Treasurer, absent with notice) and Ross Brunson (Vice President).
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Donna Lash-Andersen, Debbie Blais, and Claudette Dirkers.

2. **Officer and Committee Reports**

2.1 Road Mgmt Committee Report – RW/PR

2.1.1 Review Bailey Paving contract with additional mobilization cost for work to be done on NG asphalt

Motion: Robert W. motioned and Pouwel seconded to accept Bailey Paving's bid with the added $1500 mobilization cost for a total of $8,498 without needing more details on the bid other than what we asked them to add at the last board meeting. A discussion period ensued and included the fact that the cost per lineal ft. was still under $1 and nearly two times less expensive than the other bid; Bailey agreed to blow out the cracks and not seal when temperatures fall below 40°; Robert W. thanked Claudette Dirkers for bringing the online publications regarding crack sealing and asphalt thickness to the board's attention, and mentioned how he and Pouwel had learned from reading the reports that material temperature is more important than air temperature in doing the work, that 35° – 40° is best to bond new material to current material; the idea that the cracks are more open in cooler weather allowing more material to fill the cracks than when the temperatures are hot; Robert W. recommended we stop micromanaging Bailey Paving, the professionals, who know what they're doing but he and the other members of the Road Committee will supervise the process; that every year new cracks develop and alligators form so the road needs to be crack sealed and patched every year, and chip sealed according to the appropriate schedule to maintain it so it will last another ten years or more; that crack sealing should last two – four years; Bailey's 5% failure rate from last year was normal according to several paving contractors; the budget contained the funds for the added $1,500; the idea that the pavement is only 2" thick and the substrate is substandard; the GLA has no requirement to pave its roads to county standards, and jack-hammering out the existing pavement and rebuilding the road anew would cost millions of dollars; the suggestion to formulate a comprehensive long-term plan to take care of the roads, and Robert W.'s response that crack sealing and chip sealing the road on a regular basis, as we are currently doing, is the best long-term maintenance plan for the asphalt roads.
Motion carried unanimously.
Action Item: ***Dan – sign the Bailey Paving contract and send to Robert W.***
Action Item: ***Robert W. – Schedule asphalt work to be done with Bailey Paving, inform the board of the schedule and coordinate Road Committee members to oversee the work at the time it is performed.***

3. **Comment Period for Visiting Landowners**

Discussion included the timeline for beginning the crack sealing work; the question of whether we've erred in stipulating the job be done in temperatures 40° or greater since cooler temperatures may be preferable; the suggestion that we let Bailey Paving know we'd prefer the work be done in cooler weather, allowing that they might not be able to adjust their

schedule; the idea of taking before and after pictures; the complaint that this meeting wasn't posted on the website calendar; the suggestion that committee heads be trained to add their meetings to the calendar; the suggestion by Ed that this job be done by a volunteer landowner and Debbie Blais' offer to do so.

4. **Adjournment**
   Dan adjourned the meeting at 7:45 p.m.

5. **Next Board Meeting: August 10, 2015, 7:00 p.m. at St. John's Church.**

Board of Directors Meeting Minutes – *Final*

August 10, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
   The meeting was called to order by Dan Kehoe at 7:07 p.m. at St. John's Church.

   PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Robert Branson (aka Robert B.), Ed Dobrowski, Gerald Dubiel, Pouwel Gelderloos, Charlotte Mizzi, Kevin Newby, Paul Ranttalo, Robert Wallace (aka Robert W.).
   Absent: Alyssa Allen (Secretary).
   Also attending: Karleen McSherry (Administrative Assistant)
   Landowners: Miriam Barker, Newman Brozovsky, Claudette & Micah Dirkers, Debbie DeGraaf, Kenneth Haug, Leo & Dorothy Keeler, Paula Kehoe, Donna Lash-Andersen, Sally & Chuck Muto, Daniel & Valery O'Connell, Clare Parker, Dennis Riley, Chuck Tanner, Linda Ulrich, Ron Wartman, Ia & Chris Williams, Regina Wunsch.

2. **Commence Special Meeting**
   Dan reviewed the North Glastonbury board vacancy that was created when Janice McCann resigned. Prior to the meeting, four people had expressed intent to be considered for the position: Newman Brozovsky, Kenneth Haug, Valery O'Connell and Chuck Tanner. Each of the candidates was given an opportunity to speak about their background, skills, experience, and interest in serving. Board members and landowners asked questions of each nominee. During the discussion Rudy noted that Chuck Tanner's North Glastonbury property had assessment dues in arrears of almost $900 and that to be considered for the director position all dues would need to be paid. Chuck explained that he hadn't paid the dues because he didn't agree with how the Board is spending the landowner's money. He then wrote a check for the back due amount and gave it to the Treasurer. The board voted by written ballot and the results were counted by Karleen. Dan announced that Newman Brozovsky had received eight votes, Chuck Tanner had garnered two, Kenneth Haug one, and Valery O'Connell zero, and that Newman would be the new board member. The Special Meeting was adjourned at 7:42 p.m.

3. **Commence Regular Monthly Board Meeting**
   Newman took his seat at the board table and the regular meeting was called to order by Dan Kehoe at 7:43 p.m. at St. John's Church.

4. **Set Agenda**

5. **Visiting Landowner Input Period**
   Linda Ulrich brought to the board's attention an outhouse located on Church property in South Glastonbury. Dan explained that the Church property given to the teaching center was not in Glastonbury. Linda and Chuck Tanner expressed dissatisfaction with the growing collection of unmoved cars on a particular property that have begun to encroach upon their view sheds in Glastonbury North. Discussion included the suggestion that they talk with their neighbors or submit a complaint; that the issue of eyesores needs clarification; the need to amend the Covenants regarding nuisances or adopt a specific criteria for nuisances and eyesores; the question of whether the association could build a fence to hide the offensive objects and then bill the landowner for it; that this would not be legal/appropriate for the board to do but with a complaint on file the board could send the landowners a letter from the attorney; the idea that the governing documents give the board discretion but specific criteria are needed so they are applied to everyone equally. Leo Keeler noted the agenda item 9.2 Potential Legal Situation Regarding "GLFPC" Communications that was to be addressed in the closed session of this meeting, and questioned why it wasn't first discussed in public. Discussion included the current practice of bringing attorney client privileged information to the board first and then to the landowners; how policy creation and revision seems to be handled in the same manner - by the board, attorneys and finally landowners as the last step;

GLA 03535

that the attorneys deal with other associations and understand the issues from an informed, broader perspective; the desire for landowners not only to hear from the board and attorneys but also from other landowners in a public forum; the board's desire to have overwhelming support for the changes to the governing documents and the new/revised policies, and if that support isn't there, then to not implement them; the perception that the board is trying to meet a tight timeline rather than giving the members ample opportunity to digest, discuss and offer suggestions of their own regarding the changes; the board's desire to not plod along but move things forward in a timely manner with member input and special meetings; the concern that November is really close and holding to that timeline may not be feasible; the board's commitment to making sure of adequate member input even if it takes until next year to get it done. Chuck Tanner asked newly-appointed board member, Newman, if he is a member of the Church. Dan responded that his question was not appropriate, that religion has no place in board discussions. Chuck believed he had a legal right to ask and expressed his desire for things to change, indicating that last year the board passed a budget that was 9% over projected income; the need to address roads and weeds; the desire for the community to be one cohesive unit; that he would have been a fresh set of eyes and could have been helpful if he had been appointed to the board. He wished Newman well in his new position, threatened to file a lawsuit against the GLA and walked out. Chris Williams read a statement by Debbie Blais regarding the GLA's initiation of a Protective Order legal action against the O'Connell's and a threat to initiate legal action against the GLFPC at landowner's expense and without landowner input. Rudy expressed concern at the amount of misinformation conveyed in the letter and acknowledged that the board did not have the time during this meeting to address all of the errors. The comment period was peppered with unintelligible outbursts by the O'Connell's, who were consistently asked to refrain from talking over other landowners until they were called out of order by Dan.

6. Officer and Committee Reports

6.1 President's Report – DK

6.1.1 Clarification on Meeting Minute Attachments - Skipped

6.1.2 Revised Criteria for Closed Meetings - Skipped

6.1.3 Committee Appointments

Dan noted that Pouwel had expressed interest in serving on the Road & Weed and Governing Documents Committees. Before the board could vote to approve Pouwel to these committees, Valery O'Connell demanded to have an opportunity to speak for three minutes. Daniel O'Connell complained that Leo Keeler had spoken for quite a bit longer than three minutes and that they, the O'Connell's, were not being treated equally. After repeated warnings to the O'Connell's of being out of order, the threat of calling the sheriff, and a hand vote by the landowners that they desired the meeting to continue, it became apparent that the meeting could not be brought to order, so Dan adjourned the meeting.

Note: Agenda items 6.2 through 9.2 were not addressed due to meeting circumstances as described above.

10. Meeting adjourned at 8:10 p.m. to be reconvened by phone on 8/17/2015

11. Next Board Meeting: TBD.

Board of Directors - Meeting Agenda

August 10, 2015 – 7:00 pm

1. **Call to Order (7:00 p.m.)**
2. **Commence Special Meeting to fill NG director position vacated by Janice McCann**
3. **Commence Regular Monthly Board Meeting**
4. **Set Agenda**
5. **Visiting Landowner Input Period** – (Limited to 3 minutes per owner)
6. **Officer and Committee Reports**
   - 6.1 President's Report – DK
     - 6.1.1 Clarification on Meeting Minute Attachments
     - 6.1.2 Revised Criteria for Closed Meetings
     - 6.1.3 Committee Appointments
   - 6.2 Secretary's Report – AA
     - 6.2.1 July 13 & July 27, 2015 Meeting Minute Written Vote Results
     - 6.2.2 Procedures for Board and Committee Meetings - revised
     - 6.2.3 Planning for Annual Meeting/Elections
     - 6.2.4 Upcoming Mailings
   - 6.3 Treasurer's Reports – RP
     - 6.3.1 Budget Variance, Check & Deposit – July 2015
   - 6.4 Collection Committee Report – DK
   - 6.5 Road and Weed / Mgmt Committee Report – RW
     - 6.5.1 Bailey Paving Update
     - 6.5.2 Knapweed Overgrowth - GD
   - 6.6 Project Review Committee Report – GD / KN
     - 6.6.1 NG 43-1 Naclerio - Shed Project Review Application
     - 6.6.2 Increase to Project Review Application Fees – revised documents – KN
   - 6.7 Communications Committee Report – Robert B.
     - 6.7.1 e-mail Opt-in Consent Form
   - 6.8 Technology Committee Report – Ross
     - 6.8.1 Implementation of e-mail Program
     - 6.8.2 Implementation of Ticketing System
     - 6.8.3 Debbie Blais & Kevin Newby Updating Calendar
   - 6.9 Governing Documents Committee Report – DK / CM
   - 6.10 Community Property Committee Report – CM
7. **UNFINISHED BUSINESS**
8. **NEW BUSINESS**
9. **Closed Session (9:30 p.m.)**
   - 9.1 Current Litigation with O'Connells - Update
   - 9.2 Potential Legal Situation Regarding "GLFPC" Communications
10. **Adjournment (10:00 p.m.)**
11. **Next Board Meeting: September 14, 2015**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

August 17, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**

The meeting was called to order by Dan Kehoe at 7:14 p.m. via phone conference.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Newman Brozovsky, Ed Dobrowski, Gerald Dubiel, Pouwel Gelderloos, Charlotte Mizzi, Kevin Newby, Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant).
Landowners: Miriam Barker, Leo Keeler, Donna Lash-Andersen, Sally Muto, Dan & Valery O'Connell, Wendy Riley, Ronald Wartman, Regina Wunsch. Several unidentified landowners were also on the call.

2. **Set Agenda**

Alyssa asked that the item "Clarification on Meeting Minute Attachments" that was on the August 10th agenda be added as 3.1.3. She also explained that the e-mail vote of the August 10th meeting minutes was not complete and asked that the board vote on those minutes as part of this meeting. That item was added to the Secretary's Report.

3. **Officer and Committee Reports**

3.1 President's Report – DK

3.1.1 Revised Criteria for Closed Meetings

Dan explained that the purpose of the proposed criteria is not to move to a less inclusive form of board or committee meeting but rather to clarify and limit the times the board can choose to hold closed meetings. In March, spurred by a landowner's inquiry regarding the board's criteria for closed meetings, board members researched the issue. Using information from the Montana State Constitution, Montana Code Annotated, our attorney's review, and the framework of Colorado and California's state laws that are more explicit than Montana law, the board formulated a policy that was sent to landowners for 30-day review. People commented and the criteria were revised based on member input. Dan further explained that closed meetings are primarily informational, currently mostly to share with board members updates regarding lawsuits and other attorney client privileged communications. One of the goals in having written criteria is to make it easier for landowners coming onto the board to become educated quickly regarding how and why things are done. It is not easy to get up to speed in the new role with all of its responsibilities, so having written criteria such as this makes it easier for landowners to believe they can run for the board. It provides a point to consistently act from and therefore is defensible in court. The current draft has a change prompted by input from Leo Keeler regarding number 4. It was noted that point number 5 had been deleted since it was unnecessary, could be handled by the webmaster, and its wording troubled some members. **Motion**: Robert W. motioned and Rudy seconded to accept the August 18, 2015 revised version of the Criteria for Closed Meetings. Discussion included the idea that actions such as decisions for attorneys or to send a landowner who is out of line with the covenants a cease and desist order could be taken during a closed session and the need to reflect any actions taken in the minutes; however, taking action to sue someone would not be something the board would do on their own without landowner consent; the concern that closed sessions go against the transparency members desire; the counter that rules aren't made just for one case but for a broad spectrum of issues and there are legitimate reasons to have closed sessions such as dealing with employment law, which prohibits public disclosure of employee issues, and libelous accusations of a member that might ruin a person's reputation within the

GLA 03540

community if discussed publicly; the fact that board members are not considered public officials and therefore should not be subjected to diminished privacy rights, e.g., having misquoted and out-of-context statements distributed to members and/or posted on public websites. **Motion carried.** (10 in favor; 1 opposed – Ed; 1 abstention – Kevin).

3.1.2 Committee Appointments

Motion: Kevin motioned and Gerald seconded to appoint Pouwel to serve on the Governing Documents and Road & Weed Committees. **Motion carried unanimously. Motion:** Charlotte motioned and Kevin seconded to appoint Rudy to both serve on and chair the Collections and Budget Committees. **Motion carried unanimously. Motion:** Kevin motioned and Paul seconded to appoint Ed to serve on the Project Review Committee. **Motion carried unanimously.**

3.1.3. Clarification on Meeting Minute Attachments

The board decides what is and is not attached to meeting minutes because they are accountable and liable for the content. In the past, the board had not formally decided about the accounting reports to be attached to the minutes. **Motion:** Rudy motioned and Robert W. seconded to attach on a regular basis to any regular board of director's meeting minutes three accounting reports – P/L Cash Basis, Balance Sheet Accrual and Budget. **Motion carried unanimously.** (11 in favor; Ross was no longer on the call).

3.2 Secretary's Report – AA

3.2.1 July 13 & July 27, 2015 Meeting Minute Written Vote Results; August 10, 2015 Meeting Minutes

Motion: Rudy motioned and Charlotte seconded to approve the August 10, 2015 meeting minutes as written. **Motion carried unanimously.** (11 in favor). Alyssa reported on the results of the July meeting minutes e-mail votes. For the July 13, 2015 meeting minutes, Rudy motioned and Ross seconded to approve them as written and the motion carried unanimously. For the July 27, 2015 meeting minutes, Rudy motioned and Pouwel seconded to approve them as written and the motion carried with 10 in favor and 1 abstention.

3.2.2 Procedures for Board and Committee Meetings – revised

Alyssa reviewed the latest draft of the procedure for meetings that had been e-mailed to the board and included in their packets the previous week. Since the Board Meeting section didn't have corrections, attention was focused on the Committee Meeting section. With regard to contacting landowners for committee meetings it was suggested to include a list of potential means of doing so such as phone call, e-mail or in person and that it be done by the committee chair or the administrative assistant. Discussion ensued regarding the responsibility or lack thereof involved in committing to alerting landowners to meetings and the need to stress that if they were unreachable there would be no follow-up. Several board members questioned whether it wasn't in fact landowner's responsibility to check the calendar but Dan suggested that the board didn't want continued bad press by landowners desiring to attend meetings that were not posted. The best solution would be two pronged – improving calendar postings and using a proactive approach by contacting people. It was noted that not only do board members not have time to call or e-mail 20+ people but also if committee chairs send e-mails then their board addresses become public. It was suggested that it would be better to have the Secretary or administrative assistant send the announcement from the

info account. Alyssa stated that contacting people was especially important when a meeting would be canceled or changed in some way because people wouldn't necessarily think to look at the calendar for updates. Ed questioned whether this procedure for meetings would still allow board members to add items to the agenda, and stated that three days is not enough time to get an agenda and conduct any research that might be required. Dan confirmed that the procedure would still allow board members to add agenda items, and agreed to try to get the meeting agenda to board members sooner.
Action Item: ***Alyssa – edit procedure based on input received and resend to board.***

3.2.3 Planning for Annual Meeting/Elections
Every board member is on the Elections Committee and there is a need for someone to volunteer to oversee and manage the election process. In the past Denise created guidelines to be followed; Charlene Murphy also helped and might be willing to do so again. Dan explained that the Committee needs a chair, the procedures are straightforward, albeit time consuming, and involve setting up subcommittees, calling people and following up to make sure things are getting done. Pouwel agreed to take on the role as long as his trip out of town for two weeks in October was not seen as an impediment to him fulfilling the requirements of the job. **Motion:** Charlotte motioned and Robert W. seconded to appoint Pouwel as chair of this year's Election Committee. **Motion carried unanimously.** (11 in favor).

3.2.4 Upcoming Mailings
Alyssa reported that there are a number of mailings coming up and any assistance in putting them together will be needed. Some of the upcoming mailings would include information about the November election, the e-mail opt-in consent form; the proposed changes to the project review application fee; the proposed changes to the governing documents; new and revised policies, etc.

3.3 Treasurer's Reports – RP

3.3.1 Budget Variance, Check & Deposit – July 2015
Rudy reported having had a meeting with Janice on July 25th to receive the Treasurer's laptop and files as well as training regarding his new responsibilities. So far he has reconciled bank statements, made deposits and run reports. Currently there is $188,000 on hand with one long-term liability – the road loan at $30,000. According the board's decision earlier this year, he doubled this month's payment sending the bank $15,000 so that only $15,000 remains. Dan reminded Rudy that there is $7,500 in the emergency loan reserve that can be used to double the final payment in November to pay the loan off entirely. Dan also noted that the $12,227 in construction bonds collected from landowners for their building projects is untouchable money and eventually needs to be returned to the landowners. Rudy reported that the association had only spent $28,000 in expenditures at this point in the year, not including the loan payments, which do not show up on the Profit-Loss Statement. It was noted that the bills for spring grading had not yet come in. Robert W. reminded Rudy that there would be fall grading and crack sealing still to be paid. Rudy explained that the GLA had to date spent only 25% of its allotted $114,000 in expenditures even though the year was 60% through. No category had been overspent. Rudy noted that the current lawsuits were covered by insurance and that only $1,200 had so far been spent of the $6,100 in litigation fees; Debbie Blais had been making calls to landowners in arrears and some larger payments

had come in from accounts that had been past due; some people made payments directly to the Bank of the Rockies which made it difficult to trace who the money had come from; that finding a bookkeeper who could enter payments and make deposits was a priority; and that he had finished the paperwork to be able to sign checks and was waiting for a new debit card. **Motion:** Robert W. motioned and Charlotte seconded to accept the Treasurer's reports. **Motion carried unanimously.** (11 in favor).

3.4 Collection Committee Reports – DK

Dan reported his communications with Rick Landers, a lawyer who specializes in collection procedures. Rick had agreed to charge the GLA $200/hour rather than his normal fee of $225/hour. Dan asked the board to approve the legal committee communicating with Rick to go over collection procedures and answer six questions pertaining to difficult collection situations the association was currently facing including the issue of foreclosing on properties with long-standing delinquent dues. He estimated the time needed to be 5-10 hours and stressed the importance of legal review of the procedures to be undertaken especially since Covenant 11.06, Effect of Non-Payment of Assessment, states that "The Association may bring an action at law against a Landowner to collect delinquent assessments, penalties and interest and/or to foreclose on the lien against the parcel…" and that the current procedure doesn't spell out the final steps. Unless the full procedure is spelled out, if the GLA were to go to court, the case would be thrown out and the GLA would not be able to collect the overdue assessments. **Motion:** Rudy motioned and Robert W. seconded to meet with Rick Landers at $200/hour for 5-10 hours for a total of $1,000-$2,000. Discussion included identifying that the money to pay for this would come out of the budget line "Legal Fees, General Advice;" that after meeting with the attorney, the procedure would go to the board to approve the version to go to the landowners, then to the landowners for a 30-day review, edited based on feedback, and then back to the board for a final vote. Discussion addressed the concern of board members not wanting to foreclose on properties for unpaid assessments. The counter-arguments were that sending out a procedure indicating the possibility of foreclosure might cause delinquent landowners to view the GLA as serious about collecting fees and find a way to pay to avoid it; that the association had huge bills for repair and maintenance of roads that could use the money; that the landowners had made clear that outstanding debt was not acceptable and unfair to those who did pay; that the board would have leeway to foreclose or not, and would likely choose not to take legal action in some circumstances such as if the property were mortgaged and the bank would claim all proceeds from the foreclosure; that the association had the obligation to collect past due assessments and what was being proposed was the criteria spelling out how it would be done, setting up the association for success if the organization felt the need to go as far as foreclosure. A number of directors expressed the preference for reporting past due accounts to a credit agency, which, as reported by Dan, other organizations had adopted and had seen collections improve by 40%. Dan explained that this would be a free step for the GLA with the potential for bringing in quite of bit of money, but that it was not currently a part of the association's collection procedure. Getting help from the attorney in adding it and then noticing the landowners about it in the written procedure was part of the reason for the motion. **Motion carried.** (8 in favor, 2 abstentions – Robert W. and Ed; Newman was no longer on the call). Note that Pouwel voted "yes" with the stipulation that he reserved the right to reject the lawyer's advice.

3.5 Road and Weed / Mgmt Committee Report – RW

3.5.1 Bailey Paving Update

After last month's board meeting, Dan signed and sent out the Bailey Paving bid to crack seal NG roads. Robert called and confirmed that we are on their schedule for early September, which conforms to our preference for the work to be done in cooler weather. Robert W. asked that Bailey Paving call him when they are preparing to come so he and others can supervise the work.

Kevin gave an update regarding Dry Creek Road. He had spoken with Parks Frady in early August and confirmed that we are still on for crack sealing this month, the County will clean out two culverts, signs will likely be put up in September, they will fix the one remaining pothole, and are going to look at the issue of standing water on the blind curve. Regarding the NG guardrail that was taken out by two accidents on January 1st of this year, Kevin reported that this week the GLA had received a check from Allstate to cover the cost of the bid to replace the guardrail by Mountain West Holding out of Billings, who does guardrail replacement for the state and has promised to do the work on the NG hill before snow falls. With one week's notice Paul has agreed to remove the boulders currently in place to protect drivers in lieu of a guardrail. Robert W. thanked Kevin for his diligent follow-through on both of these issues.

3.5.2 Knapweed Overgrowth – GD

Gerald reported that the GLA has taken care of weeds on the road easements but weed overgrowth is present on numerous individual private properties. After conducting research, Gerald suggested the GLA consider stopping spraying and engage in regular weed-whacking instead. It is his understanding that consistently cutting and pulling may take five years to eliminate the weed problem but eventually the weeds get the message and stop growing. Dan reported on his research that what has worked best in the National Forest around Missoula is the introduction of a knapweed-eating weevil that survives Montana winters and returns year after year. These larvae eat the roots of knapweed and harm no other growth. He agreed to put information about this on the website.

Robert W. announced the next Road Committee meeting would be on Tuesday, August 25, 2015 at 7:00 in the Liberty Hall kitchen in North Glastonbury.
Action Item: ***Dan – put information about weed-eating weevils on the website.***

3.6 Project Review Committee Report – GD / KN

3.6.1 NG 43-1 Naclerio - Shed Project Review Application

Gerald reported that he visited the Naclerio property on August 9th. The 25 ft. setback from the property line was met. After the August 10th board meeting Ron Wartman had expressed concern regarding the number of items stored on the property boundary he shares with the Naclerios, and their effect on his view. Ron subsequently sent two communications to the board detailing the issues. Kevin reported visiting Peter Naclerio to convey Mr. Wartman's concerns but Mr. Naclerio was not inclined to change the shed's location. Kevin also noted that both landowners are bitter toward each other because of past conflicts. Ron Wartman spoke about his concerns and desire for the items on the boundary that he looks down on to be screened by trees. Discussion included whether the board is justified in disapproving a project for an overlooking viewshed issue when all the regulations have been met; that only commercial items are required to be screened; the question of whether the board has the discretion to engage in visuals

GLA 03544

management; and the recommendation that Ron write to the Naclerio's suggesting they screen their boundary items with a row of trees. **Motion:** Gerald motioned and Kevin seconded to approve the project with no conditions because the setbacks were met and the shed would be put on the land without disturbing the ground or needing any utilities. **Motion carried unanimously.** (10 in favor).

3.6.2 Increase to Project Review Application Fees – revised documents – KN
Kevin had previously sent to the board the proposed wording for the increased Project Review application fees. **Motion:** Kevin motioned and Ed seconded to send the new wording for the proposed fee increase out to landowners for a 30-day review. **Motion carried unanimously.** (10 in favor).
Action Item: ***Communications Committee & Kevin – produce a document describing the proposed application fee change to be mailed to the membership.***

3.7 Communications Committee Report – Robert B.

3.7.1 e-mail Opt-in Consent Form
Robert B. announced that the Communication Committee meeting previously schedule for August 20th was put back a week until August 27th. Alyssa will resend the notice of the meeting with the new date. Everything else will stay the same. Robert B. presented the final version of the e-mail Opt-in Form that Alyssa worked on and sent previously to the board. **Motion:** Robert B. motioned and Robert W. seconded to send this form to the landowners to sign after any needed attorney input had been incorporated. Discussion included the need to verify people, to assign each one a unique code similar to the method used for the landowner survey. **Motion carried unanimously.** (10 in favor).
Action Item: ***Alyssa – resend CC meeting notice with new date.***

3.8 Technology Committee Report – Ross
Because Ross had another engagement and was no longer on the phone, Dan tabled the first two items in this section.

3.8.1 Implementation of e-mail Program – Tabled

3.8.2 Implementation of Ticketing System – Tabled

3.8.3 Debbie Blais & Kevin Newby Updating Calendar
It was noted that Kevin and Debbie Blais are now updating the calendar. Kevin had nothing to report. Alyssa asked committee chairs to send their committee meeting information to Kevin and Debbie at calendarupdates@glamontana.org.

3.9 Governing Documents Committee Report – DK / CM
Dan reported that the committee sent proposed changes regarding the governing documents to the attorney on July 9th and they still haven't heard back. They will put pressure on the attorney to respond but if they don't hear anything by this Friday, they will send the proposed changes out to the board.

3.10 Community Property Committee Report – CM
Charlotte reported that the Community Property Committee met and proposed to purchase gravel for a parking lot and paint for the building by the soccer field. She calculated that the recreation area budget reflected a lower amount ($147) spent on utilities to date that could be used to cover the cost of part of the project. She questioned whether there would be extra money from somewhere else to pay for 20 yards of gravel. Pouwel suggested the weeds would need to be eliminated before the gravel for the

GLA 03545

parking lot could be laid. Dan recommended that the committee paint now with the available budget and put down gravel when the roads are graded and graveled in the fall. It was decided that no motion was needed to buy paint because the money for it was in the budget but a motion would be needed in the fall to allot funds to cover the cost of the gravel. Paul asked that the corners of the parking lot be flagged and volunteered to pull the weeds with his backhoe. The next meeting of the Community Property Committee will be September 10th at 7:00 at 60 Taurus Road in NG.

4. **UNFINISHED BUSINESS**

5. **NEW BUSINESS**

6. **Visiting Landowner Input Period**
Dan unmuted individual numbers and asked each landowner for input. Most indicated they had nothing to say. Leo Keeler asked if it was the proper time to ask to be invited to the meeting with the attorney regarding collections. Dan indicated he would run the request by the attorney to see if it was appropriate in relation to attorney/client privilege. Leo also reiterated his concern that the board was rushing through the process of changing the governing documents in order to meet the deadline of a November member vote. Regina Wunsch said that she could explain to Rudy why liabilities aren't posted on the P/L and that she would contact her CPA as one person to look at to fill the bookkeeper/accountant position.

The regular meeting adjourned at 10:24 p.m. Board members were instructed to leave the call and dial-in to a different number for the closed session. Dan was unable to find the moderator call-in code and e-mailed everyone postponing the closed session to a future date. The items below were not covered in this meeting.

7. **Closed Session**
7.1 Current Litigation with O'Connells – Update – Postponed to a later date

7.2 Potential Legal Situation Regarding "GLFPC" Communications – Postponed to a later date

8. **Adjournment**

9. **Next Board Meeting: September 14, 2015, by phone**

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

September 14, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The meeting was called to order by Dan Kehoe at 7:05 p.m. via phone conference.

PRESENT: Dan Kehoe (President), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Newman Brozovsky, Ed Dobrowski (left at 7:18), Gerald Dubiel, Charlotte Mizzi, Paul Ranttalo, Robert Wallace (aka Robert W.).
Absent: Ross Brunson (Vice President, absent with notice), Rudy Parker (Treasurer, absent with notice), Kevin Newby, absent with notice).
Also attending: Karleen McSherry (Administrative Assistant)
Landowners: Miriam Barker, Mary Benz, Debbie Blais, Debbie DeGraaf, Sandra Irby, Myron Moorman, Charlene Murphy, Sally Muto, Vernon & Frances Nye, Valery O'Connell, Dennis & Wendy Riley, Mark Seaver (at the end), Andrea Sedlak.

Charlotte Mizzi delivered an opening prayer.

2. **Commence Special Meeting**
Dan announced that three people – Kenneth Haug, Charlene Murphy and Valery O'Connell – had come forward to be considered for the position vacated by Pouwel Gelderloos. Because three directors were absent, Dan asked the other directors if they preferred to vote during this meeting or wait until the meeting planned for the following week when everyone would be present. The sentiment was to fill the position at this meeting. Charlene Murphy and Valery O'Connell were present and spoke about their interest in serving. Robert B. clarified for the candidates that the position's duration would be until November 2016. A vote was taken by e-mail except for Robert W. who voiced his vote since he did not have access to his computer at the time. Karleen tabulated the results and announced that Charlene had been appointed by unanimous vote (8 in favor). The Special Meeting was adjourned at 7:27 p.m.

3. **Commence Regular Monthly Board Meeting**
Dan called the regular meeting to order at 7:27 p.m., and Charlene joined the call as a board member.

4. **Set Agenda**

5. **Visiting Landowner Input Period**
Sally Muto asked if the board had made a decision about hiring an accountant and was told it had not and that this topic would be on the agenda of next week's meeting when Rudy would be in attendance. Sally reiterated her belief that the association needs to hire a full-charge bookkeeper to provide continuity to the revolving nature of a volunteer board as well as professional oversight, and the benefit of hiring a CPA who would act as a representative should there be an audit. Although the initial expense to set up the system may seem high, ongoing work would not be a financial drain. Regarding the proposed Governing docs changes, Sally asked if the lawyers had changed the documents much from what the committee came up with, and Dan clarified that there were small changes in keeping with an effort to reduce liability and keep things clear. Dan also mentioned that the main topic of the next meeting would be reviewing the changes suggested by the committee and tightened by the attorney.

6. **Officer and Committee Reports**
   6.1 President's Report – DK
      6.1.1 Board meetings: venue, control and tenor; letter from St. John's
      Dan reported that the reason the meeting was not at St. John's Church was that we had received a letter from Reverend Gunderson, who expressed concern regarding the tenor of recent meetings including hostility, profanity and unproductive argument. Dan read the letter which further enumerated three norms as a basic

guide for all activities held in the Vestry: to welcome and embrace all members of the community; to speak with each other with kindness and good intention; and to listen carefully and do one's best to understand ideas that are different from one's own. Dan explained that because the board can't guarantee our meetings won't be loud and in violation of their basic guidelines, we would need another place to meet. Discussion included using Emigrant Hall at $75/rental; meeting at Chico; Liberty Hall in North Glastonbury, which Charlotte clarified has a capacity limit of 40 people, and alternating in-person meetings with phone meetings, the latter of which would allow residents living out of town the opportunity to attend at least some of the meetings. It was suggested that live meetings would be preferred if we were to strictly adhere to Robert's Rules of Order and meeting decorum. Dan suggested that we could only control ourselves, not others. Therefore, the meeting next week would be scheduled as a phone conference meeting and the October meeting would be held in Emigrant Hall.
Action Item: ***Karleen – call Emigrant Hall to rent for October 5 meeting.***
Action Item: ***Karleen – call John Carp to find out cost and availability of Liberty Hall.***

6.1.2 Legal duties of non-profit board of directors & who can run

Dan reported that the board had received some e-mail questions and commentary about who could run for the director positions of the association. He explained that the Bylaws (Article VI. A.) reference members in "good-standing" as the only qualification for director candidates, and the Covenants (Section 3.19) define a member in good-standing as one who is current in assessments and not in violation of the Covenants. Additionally, Montana law allows non-profits to set their own qualifications for directors, and poses no additional restrictions. If, however, a landowner suing the Board were elected as a director, it would present a conflict of interest from an attorney-client privilege standpoint. An information wall would need to be erected between the suing party and the rest of the board in regard to the litigation in order to exclude the suing party from the privilege. In addition, the GLA's insurance doesn't cover lawsuits by the association's own board members against the board. In such a situation, insurance claim payments would stop and the GLA would have to pay attorney fees from member assessments. The question also was posed whether someone with the declared intent of dismantling the GLA could run for the board. Although this goal might not be seen as a "bona fide interest," since it would not be in the best interest of the corporation to cease to exist, a court would likely allow that person to run. Since the GLA is a member-driven organization, if enough members were to vote someone into office on the dissolution platform, a court would likely determine the director had the right to serve on the board and pursue that goal as long as the Bylaws and Covenants were followed. Some members have mentioned "duty of care, duty of loyalty, and duty of obedience to mission" as legal duties of board members, and therefore criteria to eliminate certain candidates from running for the board. Although some states include this language in their requirements for non-profit directors, that language is not included in Montana law. MCA 35-2-416 spells out the "General Standards for Directors." It is, therefore, the prudent course in limiting liability to allow any member in good standing, regardless of stated intent, to run for office.

6.1.3 Misconception about board members being public officials; clarification about board's position on slander and libel

Dan noted that the GLA is a private corporation and its board members are not public officials. He explained that there is a story going around about the

association suing the "GLFPC," which did not originate with him or anyone else on the board. Dan described how there is a long distance between consulting an attorney and suing. For example, a cease and desist order might be drawn up regarding issues the attorney believes are not in accordance with the law. Dan described the chilling effect on people's willingness to serve and speak up during both board and committee meetings when free speech is abused with slanderous remarks and a negative tone is used in reporting.

Dan noted that the most recent court filings through the first week of September had been put on the website and encouraged people to read them.

6.2 Secretary's Report – AA

6.2.1 August 17, 2015 Meeting Minute Written Vote Results

Alyssa reported on the results of the August 17th meeting minutes e-mail vote. Paul motioned and Robert B. seconded to approve the minutes as written. The motion carried with 10 in favor and 1 who did not vote.

6.2.2 Upcoming Mailings

Alyssa reported that the first mailing for the annual election, the nomination mailing, had gone out on time at the beginning of September. Nominations need to be in by the end of the month. We will then prepare the candidate mailing that needs to go out by October 8. She requested the board consider what other items may need to go out with this mailing, such as a newsletter or governing document changes information. Discussion included the suggestion to set a date by which auxiliary items would need to be received and September 24th as that date; the need for a vote/decision regarding what material will go out on October 5th.
Action Item: ***Board – write articles for the fall newsletter and submit to Karleen by September 24th.***

6.3 Treasurer's Reports – RP – Tabled until next week

6.3.1 Budget Variance, Check & Deposit – August 2015

6.3.2 Hiring a bookkeeper

6.4 Election Committee

Dan announced that Charlotte had offered to take over chairmanship of the Election Committee. **Motion:** Charlene motioned and Robert W. seconded to appoint Charlotte as Election Committee Chair. **Motion carried unanimously.**

6.5 Collection Committee Report – RP / DK

Dan reported that Debbie Blais had called a list of people having recent past due accounts; that there is a need to get back to the attorney to get feedback from him; and that this issue would be covered in more detail next week when Rudy would be attending.

6.6 Road and Weed Mgmt Committee Report – RW / PR

Robert W. reported that he asked Bailey Paving to crack seal when the weather cools down, preferably during the first week in October. Patching was done in NG on Capricorn last week and they did a good job, milling down the hardtop, removing quite a bit to put in the patches. The bid was for 1000 sq. ft. but it appears as if 1600 sq. ft. in five large patches were done. Regarding Dry Creek Road, nothing happened so far but Kevin has been faithfully interacting with Parks Frady from Park County on it. The NG guardrail is currently being fixed by MWHC. Paul moved the boulders back, keeping them as a secondary safety measure. Ed had a 50-gallon sample of new product delivered that could go on the gravel roads. Robert suggested that Ed send the literature about it to the board.

GLA 03561

Gerald reported that a complaint letter from Kathleen Rakela came in regarding weeds on Pisces. He will get Ed Schilling out there next week to see why that hasn't been done.

6.7 Project Review Committee Report – GD / KN
Gerald reported that no new projects had come in. Dan asked about Damiaan Kletter's septic system project and Paul explained that he was no longer involved and that Damiaan may be thinking about doing the job himself. Robert W. suggested that it could be checked through Park County to see if Damiaan hired someone else and that he has until mid-October to finish.

6.8 Communications Committee Report – Robert B.
Robert reported on the last Communications Committee meeting that focused on the September nominations and e-mail opt-in mailing and the ticketing system. Pouwel had been on the call and wanted to make sure his proposal to the board regarding a mass reaffirmation vote wouldn't affect the nomination letter going out and it was determined that it would not. The response to the e-mail opt-in letter had been positive with lots of returns coming in. There had been concern about how the ticketing system was set up, and when some of the bugs were worked out Ross trained Karleen on the process. Robert announced that the next Communication Committee meeting date would be changed because of conflict with next board meeting. He asked that everyone look at the website calendar for the new date.

6.9 Technology Committee Report – DK Tabled
6.9.1 Ticketing System update

6.10 Governing Documents Committee Report – DK / CM
Dan announced that the proposed changes to the governing documents would be sent out the following day to the board for their review and he asked the directors to e-mail him with their preferred day to meet during the next week.

6.11 Community Property Committee Report – CM
Charlotte had nothing to report because her meeting was scheduled to take place on Sept 17th at 7:00 p.m. at 60 Taurus Road.

5. Visiting Landowner Input Period (Cont.)
Debbie DeGraaf expressed disagreement with the idea of having prayer before GLA meetings saying she didn't think it was appropriate. Andrea Sedlak agreed with Debbie regarding the opening prayer. Valery O'Connell expressed dissatisfaction with Robert W. because she felt he was ignoring her e-mails regarding the roads. She reported having tried for 3 months to get him to recognize that magnesium chloride is toxic and to consider the information she sent regarding the non-toxic Pennzsuppress-D, which eliminates dust and wash boarding. She stated that a representative of the company has given us a trial amount to cover 100 lineal ft. of road. Valery explained the product and suggested that its cost in the long run would be less expensive than what is currently being done. The company rep had planned to be here the 23rd of Sept. to oversee the trial so it would be applied correctly. She suggested Arcturus receive the treatment because of being a high traffic area. Robert W. responded with various points including the fact that Ed was the one who had agreed to take this on; that the product would be highly expensive to use; the request that Valery send the specs to the board; that Park County uses magnesium chloride. Additional points of discussion included that the company website lists the price as $1000 per linear 100 ft.; that a 55-gallon barrel is concentrated and pricing is based on how much you apply on the road; that the cost to do a mile of road is just a couple of thousand dollars; that buying in quantity reduces the cost and the representative is willing to work with us on the price; that after a few applications there would no longer be a need to grade the roads. Robert W. expressed concern that once this

GLA 03562

product hardens it can't be broken up and Valery countered that it could be broken up by a grader. Robert W. agreed to add this to the agenda of the next road meeting, which he would try to schedule within a week, although he wasn't sure it was a good idea to rush into this until it could be fully researched. Valery explained that the immediate decision to be made was to pay the cost of a water truck for three hours. Dan reiterated that the Road Committee would have to bring it to the board explaining how it would work with the overall budget, especially since when he looked at the company's website it looked like the material was expensive and suggested that if we needed a water truck it might be better to get it when we're actually grading roads and have a water truck already here. Miriam Barker asked if the weeds had been sprayed yet and was told they had been done in August.

7. **UNFINISHED BUSINESS**

8. **NEW BUSINESS**

9. **Closed Session – Tabled until next week**
   9.1 Current Litigation with O'Connells - Update
   9.2 Potential Legal Situation Regarding Slander and Libel

Board of Directors Meeting Minutes – *Final*

September 28, 2015

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by Dan Kehoe at 7:15 p.m. via phone conference.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Alyssa Allen (Secretary), Ed Dobrowski, Robert Branson (aka Robert B.), Newman Brozovsky, Gerald Dubiel, Charlotte Mizzi, Charlene Murphy, Kevin Newby, Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant).
Landowners: Miriam Barker; Debbie Blais, Claudette Dirkers, Byron Kassing, Leo Keeler, Donna Lash-Andersen, Sally Muto, Mark Seaver & Andrea Sedlak, Chris & Ia Williams.

An opening prayer was given by Charlotte Mizzi.

2. Set Agenda

Ed commented that the road policy on the website was not the most recent version and asked to discuss it in this meeting. Dan agreed to update the website, eliminating the need for an added agenda item.

3. Visiting Landowner Input Period

Leo Keeler had read in the minutes of the previous board meeting that the board received input from the attorney regarding the governing documents and expressed concern about the process of amending them. He questioned whether there would be ample time and opportunity for landowner review and input. Dan responded that that issue would be addressed in this meeting. Mark Seaver announced that he had decided to run for the board, and that he would try to make next Monday night's meeting in person so the board could meet him. Mark also said that he sent to Robert W. information from the BLM regarding dust suppression on dirt roads. Robert W. acknowledged having received the information and expressed excitement about what he had read thus far. Robert planned to finish reading the material as well as pass it on to the board and Road Committee.

4. Officer and Committee Reports

4.1 Treasurer's Reports – RP

4.1.1 Budget Variance, Check & Deposit – August 2015

Rudy reported that the association's finances were in good shape. We had collected 93% of total budgeted income and had only spent 40% of budgeted expenditures even though almost three-quarters of the year had passed. He also noted that in paying the spring grading bill to Adkins, a $2,500 credit was applied for a sump project that had previously been paid for but which had never been done. **Motion:** Rudy motioned and Charlotte and Ross seconded to accept the August Treasurer's report as presented. **Motion carried unanimously.**

4.1.2 Hiring a bookkeeper

Rudy proposed that the board hire a bookkeeper and an accountant to manage the GLAs books. He noted that Janice McCann and Regina Wunsch had put in countless volunteer hours in doing this work and saved the association quite a bit of money in the past couple of years. He has also volunteered over 20 hours a month for the past two months as the de facto bookkeeper but would prefer to dedicate his time to Treasurer duties. Rudy outlined the responsibilities of each of the different positions: Bookkeeper – handle weekly QuickBooks entries and deposits, produce quarterly statements, prepare monthly financial reports; Accountant – oversee the books each month and handle monthly payroll, fund accounting and review of monthly financial reports, as well as yearly tax reporting;

GLA 03568

Treasurer – sign checks, compile information on new landowners when a property sells, receive information from the Project Review Committee when a dwelling is completed and needs a dwelling assessment, receive and answer questions about assessments, compile a list of new liens to be placed; work with landowners on payment plans; and work with and serve on the Budget and Collection Committees. The proposed group would have a shared Dropbox account that they would upload files to and regularly update. Rudy suggested the board advertise a job listing for a bookkeeper to work 20 hrs/mo at $20 per hour ($4,800/yr) and hire and accountant for 4 - 5 hrs/mo at $45/hr ($2,160 - $2,700/yr). The total annual budget for these two positions would range from $6,960 to $7,500. He also asked that the board allot $1,200 for a bookkeeper and $540 for an accountant for the remainder of 2015. Discussion included questions of whether an accountant may have a bookkeeper in their office to handle those functions; the logistics of getting checks to a bookkeeper in Livingston and the possibility of having payments sent to a different address; of whether people could pay directly to the Bank of the Rockies and if not, about opening an account with a different bank that could accommodate our needs; the concept that continuity and professionalism in these positions are crucial, that fixing problems is more time consuming and costly than doing it correctly in the first place; and that $20/hr may not be enough to pay a professional bookkeeper charged with purchasing their own equipment, software and insurance. Sally Muto relayed her experience with professional accountants and suggested that Rudy's estimates of how much it would cost an accountant to do all of the work were high, that after the initial set-up cost, monthly work is far less than he'd projected and could be done by one person, not two. Rudy added that he had spoken to Julie Indreland, an accountant in Livingston who is also Regina Wunsch's accountant/bookkeeper, and she was willing to reduce her rate to $40 per hour for the GLA. The board asked Rudy to research going rates for professional bookkeepers, projected hours accountants who look at our books say they would require to do the work, whether accountants have internal or external bookkeepers they prefer to work with as well as projected work flow among the three positions, and to bring this information to the next board meeting so they would have more specific data to make a decision.

Action Item: ***Rudy – research going rates for professional bookkeepers.***
Action Item: ***Rudy – get bids from at least two accountants.***
Action Item: ***Rudy – create workflow chart of the three financial positions.***

4.1.3 Proposal to open a PayPal account

Rudy reported that some landowners have asked to pay their assessments by credit card and he proposed opening a PayPal account that would not be connected to our operational account. He reviewed the fees associated with PayPal, and board discussion involved questions of whether there are other services that charge less per transaction. Charlene commented that this had been looked at before and rejected because of the amount of money lost in fees. Robert B. mentioned a landowner service that would involve no cost to the association. Discussion also included the idea that some people in arrears have asked to pay by credit card and this would be one way to collect past due accounts. Dan noted that some people would consider it a positive thing to pay past due accounts if they could accrue miles or points on credit cards in doing so. Rudy explained that only a minority ask to use this method of payment. **Motion:** Rudy motioned and Robert W. seconded to open a separate bank account to receive credit card services in order to firewall the operations account from fraud. **Motion carried unanimously.**

4.2 Secretary's Report – AA

4.2.1 September 14, 2015 Meeting Minute Written Vote Results

Alyssa reported that the vote to approve the September 14th meeting minutes had been completed. Robert W. had motioned and Ross had seconded to approve the minutes as written. The motion carried with 9 in favor and 3 abstentions.

4.3 Collection Committee Report – RP/DK

Rudy reported that he would be having a Collection Committee meeting in the near future and that he and Debbie Blais had been trying to collect non-controversial past due accounts from 22 landowners recently overdue within the past two years, with a combined delinquent amount of $9,000. Debbie Blais had diligently called and reached most of the landowners on the list. As a result, there was movement on several accounts in setting up monthly payments for some and receiving payments from others. In talking with Debbie, several landowners brought up their displeasure with how the association conducted business, such as the perceived poor grading of roads, especially Arcturus, and the idea of spending money on lawsuits. Rudy reiterated that the GLA hadn't spent money on lawsuits; they were covered by insurance. Several landowners on the list could not be reached because of changed addresses and phone numbers. Debbie suggested that the volunteer job of calling to collect past due monies rotate every quarter and that maybe Debbie DeGraaf, who had also volunteered, might be asked to do it next quarter. She also recommended older unpaid accounts be called in the same manner. Discussion involved the issue of five properties owned by the Church and leased to members and who hadn't paid assessments in many years; the idea that amending the governing documents would allow for the steps necessary to go after that minority; the suggestion that any board member that had the time might call one of the long-term accounts per month and that once the policy was in place, Rudy could make a list of long-term delinquencies and divvy them up. Rudy reported that he had been working with Karleen to get a list of outstanding liens and to release two that had been paid, as well as his desire to file liens on new delinquencies.

4.4 Governing Documents Committee Report – DK

4.4.1 Review proposed changes to send to membership

Dan presented an overview of the proposed process for changing the governing documents. The committee focused mostly on the Bylaws and Covenants, looking for areas that by amending would limit liability and tasks that the board shouldn't be overseeing because either the State, such as the DEQ, or the County oversee it, as well as to clarify terms. The attorneys in both Billings and Bozeman reviewed the changes and the next step would be for the board to approve these changes so they could be sent out to landowners for discussion and input. He suggested that a process would then be needed to meet with the landowners in special meetings – in person at Emigrant Hall and on the phone for out-of-towners – to explain and clarify as well as answer questions and receive input. Although the original timeline had been to vote on these changes at the annual meeting, a more realistic timeline would be to aim for having meetings with the landowners in the fall and then vote in February. That would give people the opportunity to read and chew on the proposed changes before voting. Rudy asked Dan to explain why there was a push to change these documents and why the board had been doing this process. Dan explained that generally, it is attorney-advised best business practice to review governing documents every five to ten years because times change and new innovations have been created, like e-mail, that could affect the manner in which the association may conduct its business. He explained that the GLA had not reviewed their governing documents since they were created in 1997. Also, the

GLA 03570

attorney suggested that some of the wording of the original documents, such as the Covenants, make it impossible or time consuming to fulfill, and they recommended eliminating certain language to reduce liability and exposure to lawsuits. In addition, some of the language didn't match within and across documents, so clarification was required through the proposed changes. Charlotte added that in one case the proscribed interest rate was too high and needed to be adjusted according to today's standards and Dan explained that the move to change that portion was landowner driven. **Motion:** Charlotte motioned and Rudy seconded to send the proposed governing documents changes out to landowners with the election mailing and to post them on the website. Discussion included the suggestion that in order to keep these two things distinct in people's minds, the election materials and governing documents need to go out as separate mailings with the possibility of putting stickers on the outside of the envelopes announcing "election materials" and "governing documents." Alyssa explained the logistics of these mailings, including that the election material is complex and timely in that it needs to meet the required 30-day timeframe while the governing documents could go out anytime. There is also a newsletter that needs to be sent. Requiring all of these pieces to go at once would put a burden on the administrative workload. **Motion retracted:** Given the circumstances described, Charlotte retracted her motion. It was suggested that the governing documents could be sent the following week and Karleen gave the board her schedule including a trip out of town for a few days in the middle of this, asking that the board consider this in determining the timing of sending out the mailings. Dan suggested that someone else could do the copying.

Dan reviewed proposed changes to the Bylaws with the board. Ed asked to see the attorney's comments and expressed concern about changing the original documents that had served the community well for the past 20 years. Dan explained that the attorney's comments were in the cover letter and incorporated into the changes. He asked Ed to speak up about items he perceived to be improper changes. Robert W. reminded Ed that the board had voted to appoint Dan and Ross to the Legal Committee and had given them responsibility and authority to work with the attorneys in circumstances such as these. Ed's notion that the association hadn't had problems with the original documents across the years was countered by board members who reminded him about the lawsuits. Discussion included clarification that the changes didn't give the board more discretionary power but rather cleared up conflicts in wording, and with county regulations and standards; that the county is the regulator not the GLA; that some of the original documents were not well written; that the updates would allow the association to conduct business in a more efficient and consistent manner such as being able to e-mail members. **Motion:** Robert B. motioned and Ross seconded to accept the recommended Bylaws changes, including the discussed correction to Notice of Meeting Governance, number five under Committees (change "committee of the directors" to "committee of the board"), and to send them out to the landowners with explanations from the attorneys. **Motion carried.** (10 in favor, 2 abstentions - Ed and Newman).

Dan reviewed proposed changes to the Covenants. Rudy questioned the proposed changes to Section 5.01 asking what was wrong about telling landowners they had to abide by Montana State laws. Discussion included the suggestion that the GLA provide new landowners with a piece that references applicable state laws; that links to these might be put up on the website; that the changes take the association off the hook of enforcing Park County and MT State laws; that the attorneys recommended removing items that couldn't be defended in case law according to

their experience; that these changes would make it less likely the GLA could be successfully sued in regard to these points. **Motion:** Ross motioned and Kevin seconded to accept the recommended Covenants changes, and to send them out to the landowners with explanations from the attorneys. **Motion carried.** (9 in favor, 2 opposed – Ed and Rudy, and 1 abstention – Newman,).

5. UNFINISHED BUSINESS

6. NEW BUSINESS

The regular meeting adjourned at 9:57 p.m. Board members were instructed to leave the call and dial-in to a different number for the closed session.

7. Closed Session

7.1 Current Litigation with O'Connells – Update

Dan apprised the board of the most recent court decision in which Judge Cybulski ruled in the GLA's favor, awarding payment of attorney's fees by the litigants; the impact of this decision upon the board in moving forward; and the O'Connell's response to this decision in the form of an affidavit to disqualify Cybulski as a judge in this case.

7.2 Potential Legal Situation Regarding Slander and Libel

Dan apprised the board of the attorney's opinion and advice regarding slanderous and libelous statements sent out and posted on public websites by members and groups and the attorney's advice as to potential next steps.

8. Adjournment

The closed session meeting was adjourned at 10:55 p.m.

9. Next Board Meeting: October 5, 2015, Emigrant Hall.

Glastonbury Landowners Association, Inc.

Board of Directors Meeting Minutes – *Final*

October 5, 2015

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by Dan Kehoe at 7:08 p.m. at Emigrant Hall.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B.), Newman Brozovsky, Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Charlene Murphy, Kevin Newby, Paul Ranttalo, Robert Wallace (aka Robert W.).
Also attending: Karleen McSherry (Administrative Assistant).
Landowners: Miriam Barker, Debbie Blais, Claudette Dirkers, Leo & Dorothy Keeler, Paula Kehoe, Jerry Ladewig, Timothy Murphy, Vernon & Frances Nye, Dan & Val O'Connell, Clare Parker, Mark Seaver & Andrea Sedlak, Linda Ulrich, Chris & Ia Williams, Regina Wunsch.

Charlotte Mizzi offered an opening prayer.

2. Set Agenda

3. Visiting Landowner Input Period

Regina Wunsch commented about problems with the Treasurer's reports including the need to fix the interest rate in Quick Books that is too high. She and Rudy agreed to meet the following week to address these issues. Andrea Sedlak repeated her objection to prayer at the beginning of these meetings, suggesting a moment of silence, and Dan asked for the topic to be put on the next board meeting agenda. Mark Seaver introduced himself saying he was running for the board, was a non-resident landowner, would be able to attend phone meetings and some in-person meetings, and offered to speak with people after the meeting. Leo Keeler reiterated his objection to phone meetings saying it was difficult for landowners to participate, to get attention to speak, to hear everything being said, and to not have eye contact. Discussion included the fact that phone meetings allowed out-of-towners to attend but in giving four or five people that opportunity, it inconvenienced the twenty-plus landowners who live here who prefer attending in person; that seeing body language and having communication that is more of a two-way street were preferable; that meetings were for conducting the business of the board not necessarily to be a continuous give and take; that some landowners preferred phone meetings because in-person meetings had become too contentious; that VOIP (internet) phone service quality was just as bad as the conference services currently used and the suggestion to try Go to Meeting or Ready Talk. Jerry Ladewig thanked Karleen for her work on the e-mail program. Val O'Connell accused Dan of picking on her at every meeting, retaliating every time she opened her mouth, and not following the Conduct of Meeting Policy; that he didn't treat everyone else the way he treated her. She questioned who would oversee the CPA the association has proposed to hire, whether Dry Creek Road really couldn't be maintained by the GLA for snowplowing, and whether the Pennzsuppress-D had been applied yet. Val also stated that in their lawsuit they would be filing a petition for writ of prohibition or writ of certiorari against what she called "that ridiculous motion" because she believed the judge just wanted to get out of the case. Clare Parker suggested that Dry Creek Road could be maintained by the GLA but that there wasn't a will to do so. All that was required was consent of the county and member consent to maintain it just as consent was obtained to pave it.
Action item: ***Karleen – Put the issue of prayer on next month's agenda.***
Action item: ***Rudy & Regina – Meet to resolve financial report discrepancies.***

4. Officer and Committee Reports

4.1 President's Report – DK

4.1.1 November board meeting date

GLA 03586

General consensus was reached to move the November board meeting from November 2nd to November 9th.

4.1.2 Committee Appointments
Newman had expressed interest in serving on the Road & Weed Committee. **Motion:** Robert W. motioned and Ross seconded to appoint Newman to the Road & Weed Committee. **Motion carried unanimously.**

4.1.3 Conflict of Interest Policy
Moved to November meeting.

4.1.4 Record Retention Policy
Moved to November meeting.

4.1.5 Legal Situation Regarding Slander and Libel
Dan reported having spoken with attorneys regarding the negative commentary about board members that was posted on public websites. This is a private board and the directors are not public officials. With this in mind, the attorneys reviewed some landowner sites and determined that some of the material was libelous. Dan discussed the chilling effect of libel and board member hesitation to speak in meetings as well as the difficulty in getting people to run for the board. The postings also created an "us vs. them, divide and conquer" atmosphere in which everyone loses. Dan reported that landowner fears of the GLA suing groups for libel were unfounded. Libel cases take two years at minimum to settle and nobody wins. In similar situations, the GLA lawyer discovered that when the association's attorney answered complaint letters, there was an initial surge in complaints that finally died down to a trickle after a few months and then stopped. Dan suggested that the board do a better job of communicating with landowners and make better use of newsletters in order to deal with rumors. Discussion included questions regarding how much it would cost to send all complaints to the attorney; and the number of these types of communications the association receives, which was quite a few. There was pushback from affected landowners about their summaries and communications being libel, which they did not believe was the case. The board debated the pros and cons of giving complaints to the attorney including minimizing general distrust of the board if a third party were to answer issues; giving legal answers to landowners who didn't honor other's viewpoints; the possibility of reducing the experience of being told at every meeting that someone's finger was on the legal trigger, which made it hard for the board to function; freeing the board to handle its main duties of maintaining roads and enforcing covenants; the cost of several letters per month going to the attorney; the need for the board to be more transparent and the suggestion that it causes its own problems by not getting committee meeting minutes out in a timely manner; the counter that the board takes longer to release minutes because of the need to make sure they're right and approved by the majority of directors. Other discussion included the idea that the board would have to prove harm to win a libel case; that board members have been instructed not to interact with landowners in public such as at the post office and that creates a wall between the board and members; that board members are willing to talk about building projects and neighborhood issues but hesitate to engage in discussions of contentious topics that would better be brought up in a board meeting where everyone can participate; that landowners would prefer to hear individual board member opinions, not the board's opinion; that three minutes isn't enough time for a landowner to thoroughly present an issue

during the input period at board meetings and the remedy of submitting an agenda request; the idea that communications to the board be voted on by members on a case-by-case basis regarding sending them to the attorney; and the idea of getting the Ombudsmen involved in contentious issues. Ia Williams stated that she believed there was a shadow board operating in the background controlling everything, and its members were Dan, Ross and Alyssa. She questioned who was on the Legal Committee, and why Alyssa was talking to the attorney. Dan clarified that he and Ross are on the Legal Committee, and Alyssa is the paid employee to assist the committee in legal matters. Dan also stated that Alyssa was an elected officer and the perception of a shadow board sounds like it is simply the officers doing their jobs.

4.2 Secretary's Report – AA

4.2.1 Upcoming Mailings – election, newsletter, governing docs

Alyssa reported that the election mailing was going out and that the goal was to send the governing documents mailing along with the newsletter the following week.

4.2.2 Agenda item submission timeline

Alyssa asked board members to get their agenda requests in two weeks before the board meeting by sending them to Karleen, who puts together the preliminary agenda.

4.3 Treasurer's Reports – RP

4.3.1 Budget Variance, Check & Deposit – August 2015

Rudy reported that not much had changed since the previous meeting. We had spent $22,000 on road maintenance so far this year and $20,000 remained. Fall grading was taking place and would therefore reduce the available amount. Dan asked Rudy to prepare a rough budget for 2016 for the board to review at the next meeting and present to the membership at the annual meeting. Regina commented upon several errors in the statements and it was decided that the errors would be fixed before the board would vote to approve the Treasurer's reports. It was also noted that Denise Orr Kirk had not submitted an invoice for her work on the digitizing project and the request that she submit her hours every month.

Action item: ***Alyssa – Contact Denise regarding monthly invoicing.***

Action item: ***Rudy – Send board corrected Treasurer's reports.***

4.3.2 Proposed workflow among Treasurer, Bookkeeper and Accountant

Rudy and Charlene, a previous bookkeeper for the GLA, discussed these issues but were not yet ready with something to report.

4.3.3 Research results regarding Bookkeeper/Accountant hours required and costs

Rudy reported that he spoke with Julie Indreland and she would be willing to come down to $40/hr because she didn't realize it was so much work (approximately 20 hrs/mo). She indicated she'd be willing to charge less for entry work. Her accounting, i.e., preparing tax returns, was charged at $65/hr. The question was posed as to where the 20 hrs/week number came from and Rudy explained it was an average of the time he and previous bookkeepers had spent. Dan reiterated the need for a roadmap of what the different financial jobs were. Paula Kehoe mentioned someone in Livingston who prepared books for the schools and Shane Center that the GLA might talk with about the job. Rudy explained that payroll would have to either go through the mail or be directly deposited in the bank on Wednesdays rather than on Mondays. He also reported that W2s for 2014 were

GLA 03588

misfiled and rejected by the Social Security Administration, and he is working on getting these corrected.

4.4 Election Committee – CM

Charlotte reported that the election mailing would be going out Thursday this week, and volunteers were still needed to help with the mailing. On the day of the Annual Meeting volunteers will be needed for early morning set-up, making coffee and cleanup. Emigrant Hall had been reserved for November 14th but Charlotte had confirmed that it was also available the night before for set-up by the board and volunteers.

4.5 Collection Committee Report – RP

Rudy reported the need to have a Collection Committee meeting; that he was working on preparing assessment statements and separating the ones who had signed up to get them via e-mail; that he would be meeting the following week about bookkeeping services and expected to have more time after that to do other things.
Action item: *Rudy – Schedule Collections Committee meeting.*

4.6 Road and Weed / Mgmt Committee Report – RW

Robert W. reported that the Road and Weed Committee had met on September 25th and there were five landowners in attendance as well as board members. Fall grading in NG was underway aided by rain but there might be a need for a water truck in grading SG. For winter snowplowing, a number of landowners own trucks and were ready to volunteer. Robert W. also reminded the board that he would not be seeking reelection in November and someone would need to succeed him as chairperson of the committee. Discussion included the condition of Arcturus, which might need a better base and more gravel; that Dry Creek Road was crack sealed by the county but where the pavement takes off at the beginning of Arcturus is not a county road and therefore was not done; that Bailey Paving might be asked to do this section when working on NG paved roads next year or Parks Frady might be asked about how much it would cost to chip seal it next year when they do Dry Creek. It was reported that the new guardrail in NG was installed and paid for, that a straight, not curved, piece was used, it was structurally sound, and the boulders remained behind the rail for extra safety; and that crack sealing was done that week in NG. There was extensive discussion about the best products to improve the gravel roads including Pennzsuppress-D, a free sample of which had been given to the GLA, the plan to treat 100 ft. of Arcturus with the product as a trial, and the pros and cons of that product; a report of various products currently in use that was sent to the board by Mark Seaver; the question of whether any application would hold up with roads that aren't crowned and that pool with water; the need for drainage ditches on the sides of roads; the need to find someone to install a sump to eliminate puddling on Capricorn now that the association had been reimbursed for the job not done by Adkins; the suggestion to use more clay to improve the road and reduce dust, and the counter that fast driving would still cause wash boarding; and the question of what the criteria was for a road to receive more gravel.

Weeds - Gerald reported that he was supposed to meet with Ed Schilling about the weeds on Pisces but it was cancelled; Paul suggested that grading might take care of the weeds on the sides of the road. The idea of using weevils to handle the weed problem was suggested.

4.7 Project Review Committee Report – GD / KN

4.7.1 Pinardo final project approval

Kevin reported that Pedro Pinardo (Lot 32-A-2 SG) had submitted a Final

GLA 03589

Approval Form to receive back his construction bond of $100 on his garage project. Kevin had gone to inspect the property, and having been inside in the past and knowing there were cooking facilities and a bathroom inside, he asked to be let in to inspect and see if the building was just a garage. Pedro had indicated he was not comfortable allowing Kevin in so Kevin walked around outside and noticed power, a satellite dish, and gas line going into the garage. Mr. Pinardo had told Kevin that he only stayed in the garage for 30 days out of the year when he rented out his house. Kevin stated that he could not approve this project approval because he believed the building was more than a garage and suggested it be assessed as a dwelling. Discussion included Dan's explanation of the definition of a dwelling as being specifically designed for occupancy by a single family (Covenants 3.1.2) and that Pedro's outbuilding did not rise to the level of being a dwelling because it was designed as a garage and housed vehicles including an RV; Clare Parker's assertion that you don't park an RV in your house and the governing documents allow for a resident to live in an RV for up to 90 days; the idea that board members are not the police and can't get a warrant to search the inside; that when you do a project review, you don't need to show a floor plan, only a footprint and height; the question of whether this situation is different than having a guesthouse which has two sets of people living on the property simultaneously and using the roads, since Pedro seems to be using his garage as a guesthouse. Several landowners expressed suspicion about the situation. It was also reported that Mr. Pinardo had removed a stove from the garage that very morning with the aid of a board member; and the landowner's fear that once the dust settled Pedro would be able to move the stove back in. **Motion:** Kevin motioned and Rudy seconded to refund Pedro Pinardo's $100 construction bond. Discussion included Charlene's suggestion that his money be returned along with a letter expressing the suspicion that he had been using this building as a guesthouse. **Motion carried.** (9 in favor; 3 abstentions – Kevin, Ross & Charlene).

4.8 Communications Committee Report – Robert B.

Robert reported that he had missed the Communication Committee meeting and would reschedule it the following Thursday, October 15th at 7:00 p.m.

4.9 Technology Committee Report – Ross

4.9.1 Implementation of e-mail Program

Ross reported that about 17% of landowners had sent in e-mail consent forms and a little less than half of them had completed the authentication and confirmation process at that point. Almost a quarter of the forms were missing key elements such as initials for assessments, the authorization code and/or checked boxes indicating their preferences.

Action item: ***Karleen – Get back to those who have not yet completed the process to let them know they are not yet on the list.***

4.9.2 Implementation of Ticketing System

Ross reported that the ticketing system was up and running; that we had worked on a service level agreement of high to low priority, assigning a timeframe that each priority level would receive a response in; that in the first weeks, response times were relatively quick with an average resolution time of one day and six hours; and that some tickets contained e-mails with multi-part questions that would take longer to answer. It was noted that although every e-mail went to the board, attachments, phone messages and faxes were no longer directly accessible to the directors. Karleen was therefore the router or dispatcher, sending those items to

GLA 03590

individual committees or the entire board as necessary. At this time the ticketing system was free but might require more agents to be added at a cost.

4.10 Community Property Committee Report – CM

Charlotte reported that the Committee had met on September 17th; Robert W. had not been able to attend; that Paul had assessed the damage to the building at the soccer fields and all seven door frames had been kicked in and split, and would cost about $1,500 to fix. The building was storing soccer equipment. Discussion included the idea of putting up a security camera; getting volunteers to help paint; the need for community input to create a plan for developing the area; and questions regarding whether non-Glastonbury landowners might use the land. The original agreement with the Church regarding use of this donated property seemed to include Glastonbury and the Emigrant area.
Action item: ***Charlotte – investigate the intent and meaning of non-Glastonbury neighbor's use of the property.***

5. UNFINISHED BUSINESS

6. NEW BUSINESS

7. Adjournment

Dan adjourned the meeting at 10:04 p.m.

8. Next Board Meeting: November 9, 2015 via phone conference.

Board of Directors Meeting Minutes – *Final*

November 9, 2015

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by Dan Kehoe at 7:07 p.m. via phone conference.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Alyssa Allen (Secretary), Robert Branson (aka Robert B., arrived at 7:27), Newman Brozovsky, Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Charlene Murphy, Kevin Newby, Paul Ranttalo.
ABSENT: Robert Wallace (aka Robert W.)
Also attending: Karleen McSherry (Administrative Assistant).
Landowners: Miriam Barker; Debbie Blais, Gregory Bodwell, Debbie & Ken DeGraaf, Claudette Dirkers, Sandra Irby, Leo & Dorothy Keeler, Jim Kozlik, Donna Lash-Andersen, Sheila Laverty, Chuck & Sally Muto, Val O'Connell, Mark Seaver, Ia Williams, Regina Wunsch.

Opening Prayer.

2. Set Agenda

3. Approve Meeting Minutes

Alyssa reported that the October 5, 2015 meeting minutes had received board input and were not yet ready to vote on. When edited they would be sent for an e-mail vote.

4. Visiting Landowner Input Period

4.1 Landowner Forum setup by Jim Kozlik

Jim Kozlik informed everyone that he had set up a GLA member forum at GLAmemberforum@freeforums.net; and that it was separate from the GLA website. He explained his vision of it being a place for landowner discussions, for board committees to communicate with landowners, and for the board to take a pulse regarding what concerns landowners. Members needed to register with a user name and password for their messages to be recorded. Leo Keeler noted it would be an asset for landowners to discuss proposed changes to the governing documents. Mark Seaver suggested that the member forum be part of the GLA website so it would be easier for members to find and use.

Kevin reminded everyone that the speed limit on GLA gravel roads is 25 mph. Claudette Dirkers referenced a letter she had sent the board before the meeting about desiring to return to St. John's Church for monthly meetings. Charlene clarified that although St. John's didn't kick the GLA out, the board couldn't guarantee to St. John's that what they required in terms of decorum would be met and maintained given the current climate of division and dissent. Dan reiterated that if we could all arrive at the level of courteous behavior the church required, we'd love to return to St. John's. Kevin suggested that if the GLA were to fix up and add on to the soccer field building it could be used for meetings. Val O'Connell reported that Pennzsuppress-D was applied on Friday before it snowed on Tuesday. It was applied from the beginning of Arcturus to the speed limit sign.

5. Officer and Committee Reports

5.1 President's Report – DK

5.1.1 Opening Prayer

Dan opened the discussion about prayer in these meeting. It was noted that Park Electric opened its meetings with the Pledge of Allegiance, a prayer and the state song; that Congress and corporate meetings opened with a prayer; and that since prayer was reintroduced during these meetings people seemed to be behaving

better. Others believed a moment of silence at the beginning would be more inclusive and would make people feel more comfortable in attending meetings. An analogy was made with the National Anthem at sporting events during which some people don't put their hands over their heart. Likewise, it was suggested that people who don't prefer verbal prayer don't have to participate in it. Sympathy was expressed for atheists in the community who might be offended by an opening prayer. The board voted to retain the opening prayer (6 for prayer and 5 for a moment of silence). Dan suggested the topic be revisited by the new board. **Action Item:** ***Karleen – put opening prayer on the next agenda for the new board to vote on.***

5.1.2 Conflict of Interest Policy

The board discussed the Conflict of Interest Policy including the fact that having a financial interest doesn't necessarily represent a conflict because all landowners have a financial interest in the GLA; that if anybody meets the criteria for 2A, B or C, then they are deemed to have a conflict but if it's not spelled out in the policy the board can determine if a conflict exists or not. **Motion:** Kevin motioned and Charlotte seconded that the board accept the Conflict of Interest Policy as presented. **Motion carried unanimously.**

5.1.3 Record Retention Policy

Dan asked the board if they had any questions about the policy that had been sent out with attorney comments quite a while ago. Questions on a number of issues were raised and answered such as whether there was a need to permanently hold onto all of the things listed as such and the response that it was being done according to federal or state law and that they could be kept electronically; about the absence of audio recordings from the list and the assurance that the attorneys had advised not to put that on the list but to just discard audios after the minutes had been approved; about the length of time to retain signed board Conflict of Interest statements, either every year or for the length of board service. **Motion:** Kevin motioned and Ross seconded to remove from the policy any mention of "annual" and replace with "sign statement when a director comes onto the board." **Motion carried unanimously.** Further questions and discussion involved retention of newsletters, which need to be kept when serving as official notice. Therefore easier to keep all and preserve the history; can keep electronically. **Motion:** Ross motioned and Charlotte seconded to adopt the record retention policy with the addition of audio recordings of meetings, if made, be retained until the meeting minutes are approved. **Motion carried unanimously.**

5.1.4 Transition Time / Assuming Duties Between Outgoing and Incoming Board

Dan reminded that the membership meeting would be this Saturday November 14th and the first board meeting with new members would be December 7th. The association's attorneys had confirmed that outgoing board members were still in office until replaced at the December 7 meeting when the board would vote for officers and would receive committee assignments. Charlene questioned whether if in the interim she could have a Road Committee meeting to discuss the issue of getting a new snowplow and she was advised that she could do so. It was also suggested that she invite new board members who might be interested in the Road Committee to attend.

5.2 Secretary's Report – AA

5.2.1 September 28, 2015 Meeting Minute Written Vote Results

Alyssa reported that Kevin motioned and Robert B. seconded to approve the September 28, 2015 meeting minutes by e-mail vote. Eleven board members were in favor and one did not vote.

5.2.2 Mailings – Need to separate Official and Non-Official types of communications

Alyssa reported that the governing documents mailing that included a newsletter involved two different types of association communication – official and unofficial. She suggested that in the future attention be paid to keeping the different types separate and to make the physical match the electronic mailing. It would be complex for volunteers who collate and stuff the mailing to pull out some items from some envelopes. Discussion involved the idea that doing two separate mailings doesn't save money and that the administrative costs relative to sending to separate e-mail lists also costs.

5.2.3 Secretary Position – Resignation & New Appointment

Alyssa announced that she was resigning from the secretary position as previously written in a resignation letter to the board. She reminded people that she had been asked to stay on and had agreed to do so in order to train a new administrative assistant and to complete projects. Those things had been accomplished and she felt it was time to move on. She also stated that she would be happy to pass torches and train whomever the board chose to succeed her. Various board members thanked Alyssa for all she had done and for being willing to help in the future if needed. Dan asked for a volunteer to take the position until the Dec. 7th meeting when officers would be elected. Charlene came forward as well as Dorothy Keeler, who was neither a board member nor running for the board, and who had previously e-mailed the board about her interest and qualifications. The concern that the board would pay someone to be the secretary was clarified that this was not being considered. The board voted to fill the secretary position until the Dec. 7th meeting with 9 for Charlene, 1 for Dorothy and 1 abstention. Dan asked Dorothy to keep her hat in the ring for the Dec. 7th vote.

5.3 Treasurer's Reports – RP

5.3.1 Revised Budget Variance, Profit & Loss Reports – September 2015

Rudy reported that he had corrected the two September reports at issue. **Motion:** Rudy motioned and Charlene seconded to accept the corrected September reports for inclusion in the Oct 5 meeting minutes. **Motion carried.** (8 in favor and 2 abstentions – Robert B. & Kevin.)

5.3.2 Budget Variance, Check & Deposit – October 2015

Rudy reported that the association had been keeping within the limits of the budget and would likely have money at the end of the year if there were no big snowstorms. A question was raised about whether the $2,500 that had been deducted from Adkin's bill had been credited to NG and Regina e-mailed in saying they had been credited to North. Discussion included issues regarding how to note in the reports money moved from savings into the general fund to pay for gravel and grading, and donation income being applied to roads. Because of various problems found by Regina Wunsch, it was decided to hold off on voting on the treasurer's report until it had been corrected.

Action Item: ***Rudy – correct various reports and resend to the board.***

5.3.3 Proposed 2016 Budget

GLA 03598

Rudy had previously sent the board the proposed draft budget for 2016 to be presented at the annual meeting. **Motion:** Rudy motioned and Charlotte seconded to accept the corrected and amended draft budget. **Motion carried.** (7 in favor, 1 opposed – Kevin, and 2 abstentions – Ed & Newman. Ross was no longer on the call.)

5.3.4 Bookkeeper/Accountant Update

Rudy reported that the Budget Committee had met and the consensus had been to hire Julie Indreland as the bookkeeper/accountant. Since Rudy was not in favor of this option he asked Regina Wunsch to speak to the board about hiring Julie. Regina presented the benefits: the $45/hr fee which was very reasonable for the level of skill and professionalism that would be received; consistent bookkeeping regardless of rotation in the Treasurer position; and the fact that she herself would not have to spend countless hours training a new Treasurer in doing the books every time the person in the role changed. Discussion included the agreement that Julie would charge a lower price when running payroll; that she had a way of quickly fixing the outstanding accounts, especially the one's that were inherited; and that having a professional do the books would free up the Treasurer to focus on collections, the refutation of that idea because in order to keep costs down, division of labor still left a lot of day-to-day tasks to be done by the Treasurer, such as handling incoming deposits, copying and sending bills and other things to the bookkeeper, invoicing, etc. Hiring Julie would not involve signing a contract for any length of time and the arrangement could be terminated at any time. Her fees had been incorporated into the new budget for next year. **Motion:** Robert B. motioned and Charlene seconded to hire Julie Indreland. **Motion carried.** (8 in favor, 2 opposed – Rudy and Ed.)

(Due to time constraints, some of the following items were tabled as noted.)

5.3.5 Rounding off of annual fees – Tabled

5.3.6 Updating our records for properly assessing member accounts – Tabled

5.3.7 SG 32-A-2 Complaint re: garage used as dwelling unit – Tabled

5.4 Collection Committee Report – RP – Tabled

5.5 Election Committee – CM

5.5.1 Planning for reports and handouts to be given at Annual meeting

Dan reminded the board of the reports to be given at the annual meeting: president's report, treasurer's report; road and weed report; project review report and community property report. Regina Wunsch agreed to help Rudy create the treasurer's reports and Rudy suggested he give Regina the current Quickbooks via Dropbox. Charlene reported that Robert W. would not be attending the meeting but would give Charlene the report to read. Charlotte asked for help in setting up Emigrant Hall on Friday evening at 7:00 p.m.

5.5.2 Timeline for submitting documents needing to be printed prior to meeting

Dan asked that any reports to be handed out in the packets at the annual meeting be sent to Karleen as an electronic file, which is easier to attach to the minutes, by 5:00 on Wednesday Nov. 11.

GLA 03599

5.6 Road and Weed / Mgmt Committee Report – RW – Tabled

5.7 Project Review Committee Report – GD / KN

5.7.1 SG 42-C Barker Playhouse project review

Gerald reported that the Barkers wanted to bring a playhouse onto their property. He had visited the site and found that it was near a seasonal creek but had met the 20' setback. **Motion:** Gerald motioned and Kevin seconded to approve the Barker's playhouse with the conditions that all necessary permits be obtained and the ground is reseeded in the spring. Discussion involved the issue of using the structure to sleep in and the idea that it doesn't conform to the definition of a single-family dwelling. **Motion carried unanimously.**

5.7.2 NG 37-E Dillard Addition and Deck project review

Gerald reported that Tim Dillard wanted to put an addition on the master bedroom along with a wrap around deck. He had visited the site and the setbacks were met. **Motion:** Gerald motioned and Kevin seconded to approve Dillard's proposed addition and wrap around deck with the conditions that all necessary permits be obtained and the ground is reseeded in the spring. **Motion carried unanimously.**

5.7.3 Policy re: collecting assessments at the time of a project review – Tabled

5.7.4 Clarification of criteria for a guesthouse – CRM – Tabled

5.8 Communications Committee Report – Robert B. – Tabled

5.9 Technology Committee Report – Ross – Tabled

5.10 Community Property Committee Report – CM

Charlotte reported that the Committee was still waiting for a legal opinion regarding the section of the agreement between Church Universal and Triumphant and the GLA about who can use the land.

Action item: ***Dan – follow-up with attorney regarding land use.***

5. UNFINISHED BUSINESS

6. NEW BUSINESS

7. Adjournment

Dan adjourned the meeting at 10:48 p.m.

Board of Directors Meeting Minutes – *Final*

December 7, 2015

CONFIDENTIAL – DO NOT COPY

1. **Call to Order**
The meeting was called to order by Dan Kehoe at 7:04 p.m. at Emigrant Hall.

PRESENT: Dan Kehoe (President), Ross Brunson (Vice President), Rudy Parker (Treasurer), Charlene Murphy (Secretary), Newman Brozovsky, Ed Dobrowski, Gerald Dubiel, Charlotte Mizzi, Kevin Newby, Paul Ranttalo via phone during 5.1.2, Dennis Riley, Mark Seaver via phone.
Also attending: Karleen McSherry (Administrative Assistant).
Landowners: Alyssa Allen, Svend & Donna Andersen, Miriam Barker; Tim Brockett, Robert Buchanan, Claudette Dirkers, Richard Johnson, Leo & Dorothy Keeler, Paula Kehoe, Pat Knock, Jeff & Jerry Ladewig, Michael & Sheila Laverty, George & Karen Makris, Richard Mead, Tim Murphy, Chuck & Sally Muto, Clare Parker, Wendy Riley, Chris & Ia Williams, Regina Wunsch.
Guest: Danilie Howe

Charlotte Mizzi offered an opening prayer.

2. **Set Agenda**
Added 5.3.6 to discuss who would handle financial duties while Rudy was away.

3. **Visiting Landowner Input Period**
Issues discussed were the opening prayer; why only the board votes on issues that come before it; the request for a schedule of meetings to discuss the governing docs; a document request regarding payment plans that had not yet been answered; issues of accurately reporting financial information; the need to report assessments in the same month they come in; and the date that assessment invoices would be mailed out.

4. **Approve Meeting Minutes – November 9, November 14, 2015**
Charlotte asked that the November 9th meeting minutes be corrected to reflect that under the Community Property Committee the action item of talking with the attorney was to be done by Dan not Charlotte. **Motion:** Kevin motioned and Ross seconded to approve the November 9th meeting minutes with the above correction. **Motion carried.** (10 in favor and 1 abstention – Newman.) **Motion:** Kevin motioned and Ross seconded to approve the November 14th annual meeting minutes. **Motion carried unanimously.**

5. **Officer and Committee Reports**

5.1 President's Report – DK

5.1.1 Board orientation, Conflict of Interest Statement; Confidentiality Agreement
Dan asked all board members to fill in and sign their conflict of interest form and turn it in to Karleen. Dennis was asked to sign a confidentiality form.

5.1.2 Election of Officers
President: Charlotte 7, Dennis 5 (on the third vote).
Vice President: Dennis (unopposed).
Secretary: Charlene 9, Dorothy Keeler 3.
Treasurer: Rudy (unopposed).
Dan passed the chairing of the meeting over to Charlotte.

5.1.3 Re-establish committees and chairs
Committees of Directors:
Communications & Technology Committee: **Motion:** Ross motioned & Dennis seconded to combine the Communications & Technology Committees, and call it the Communications and Technology Committee. **Motion carried unanimously.** **Motion:** Rudy motioned and Ross seconded to appoint Ross and Dennis as co-

chairs with Mark, Charlene, Dan & Charlotte as members. **Motion carried unanimously.**

Legal Committee: **Motion:** Ross motioned and Rudy seconded to appoint Charlotte and Dennis as co-chairs with Ross and Dan as members to provide continuity. **Motion carried unanimously.**

Road Committee: **Motion:** Charlene motioned and Ross seconded to have three co-chairs of the Road Committee - Paul (North), Ed (low South) and Dennis (high South) – with Mark, Charlene and Kevin as members. Discussion included the suggestion that the road committee meet soon to decide on a snowstorm/plow coordinator. **Motion carried unanimously.**

Advisory Committees to the Board:
Road and Weed: **Motion:** Charlene motioned and Ross seconded to appoint committee co-chairs Paul, Ed, Dennis and members Mark, Charlene, Kevin, Gerald, Newman, Walter Wunsch, and Clare Parker. **Motion carried unanimously.**

Finance Committee: Dan proposed that the Budget and Collections Committees be combined into the Finance Committee. **Motion:** Rudy motioned and Ross seconded Dan's proposal. **Motion carried unanimously. Motion:** Rudy motioned and Dan seconded to appoint Rudy (chair), Dan, Dennis, Charlotte, Debbie Blais, Debbie DeGraaf and Regina Wunsch, as members. **Motion carried unanimously.**

Project Review Committee: **Motion:** Dan motioned and Dennis seconded to appoint co-chairs Gerald and Kevin and members Ed and Paul, Leo Keeler and Sally Muto. **Motion carried unanimously.**

Community Property Committee: **Motion:** Charlene motioned and Ross seconded to appoint Charlotte (chair), Kevin and Ed to the committee. **Motion carried unanimously.**

Governing Documents Committee: **Motion:** Charlene motioned and Dennis seconded to appoint Dan (chair), Charlotte, Dennis, Leo Keeler, Donna Andersen and Jerry Ladewig to the committee. **Motion carried unanimously.**

Elections Committee: All board members.

5.1.4 Determine meeting dates for 2016

Discussion involved returning to St. John's Church with the provision that problems would be handled on the spot; preference for landowners being given an opportunity to speak either at the beginning or at the end of the meeting but not during board discussions; the question of whether there would be a way to get out-of-towners into the meeting via phone and the idea of talking with St. John's about putting a landline into their building at the GLA's expense. **Motion:** Ross motioned and Dennis seconded to meet at St. John's Church during 2016. **Motion carried unanimously. Motion:** Kevin motioned and Rudy seconded for the GLA to pay for a landline into the live meeting location. **Motion carried unanimously. Motion:** Ross motioned and Gerald seconded to accept the meeting dates as written. **Motion carried unanimously.**

5.1.5 Set 2016 goals

Charlotte asked committee chairs to prepare to report at the next meeting the top two goals for their committees to accomplish in the next year. Discussion included special meetings to be held with landowners regarding the governing docs and the options for phone meetings with out-of-towners. It was suggested that a Sergeant of

Arms be established. **Motion:** Dan motioned and Dennis seconded to hold governing documents meetings with the landowners on February 20th in Emigrant Hall and on March 19th via phone. **Motion carried unanimously.**
Action Item: ***Karleen – put sergeant of arms item on January agenda.***
Action Item: ***Karleen – arrange for rental of Emigrant Hall on February 20th.***

5.1.6 Revisit the prayer/no prayer standard for the year
Discussion included the pros and cons of opening GLA meetings with a prayer and the suggestion to recite the Pledge of Allegiance. Charlene motioned and Ross seconded to start GLA meetings with the Pledge of Allegiance and one minute of silence. **Motion carried.** (7 in favor; 4 opposed – Ed, Newman, Gerald and Charlotte.)

5.2 Secretary's Report – CRM
Charlene provided an overview of what was ahead in terms of mailings – statements, financials, governing docs meeting info and newsletter – and discussion involved the timing and grouping of what would be sent out; the suggestion to move financial counseling sessions between Regina & Rudy to committees; the need for a volunteer coordinator; and the goal of streamlining meeting minutes.

5.3 Treasurer's Reports – RP
5.3.1 Budget Variance, Check & Deposit – November 2015 - Tabled.

5.3.2 Budget Variance, Check & Deposit – December 2015
Regina Wunsch found a number of problems in the Treasurer's reports. **Motion:** Dan motioned and Gerald seconded for Rudy and Regina to meet one more time before meeting with the accountant on Monday to correct the reports which the board would then vote on via e-mail. **Motion carried.** (10 in favor, 1 abstention – Kevin. Paul was no longer on the call.)
Action Item: ***Rudy & Regina – correct various reports and resend to the board.***

5.3.3 Update on accountant
Rudy reported that he and Regina would meet with Julie Indreland on Monday the 14th of Dec. and that Julie would run payroll.

5.3.4 Planning for January Mailing
Rudy reported that Julie Indreland would create the financials, i.e., entering invoices for this mailing.

5.3.5 Rounding off of annual fees
Rudy explained the difficulty experienced in breaking $210.10 into quarterly payments. **Motion:** Rudy motioned and Charlene seconded to remove the $0.10 from the assessment to make it $210 even per dwelling and per lot. **Motion carried unanimously.**

5.3.6 Processing funds while Rudy is away
Charlene volunteered to make deposits and update Quick Books while Rudy is away. Julie Indreland will run payroll.
Action Item: ***Rudy – deliver Quick Books computer and checkbook to Charlene.***

5.4 Collection Committee Report – RP
5.4.1 Dwelling assessment report review

GLA 03606

Rudy provided the history of the assessment report sent to the board prior to the meeting beginning with a list of properties assembled by Debbie Blais that appeared to have dwellings that were not assessed. He then put this information into a spreadsheet and sent it to board members who reviewed and edited the list for validity. Some on the list were straightforward, such as new homes built recently that had not been noted by the association, and these were estimated to generate about another $3,200 in income. Others were found to be in gray areas, such as basement apartments. Extensive discussion ensued regarding how to prove multi-dwelling units when the covenants expressly prohibit interior inspections without permission of the resident; Kevin's proposed letter that would alert landowners to an increase in their assessments for an additional dwelling unless they allowed us in to inspect to prove otherwise; multiple suggestions to find another way to motivate the landowner to let us in to inspect including requiring an appraisal; the difference between apartments that are internally connected vs. those that are not; the issue of multi-dwelling units that were built before the master plan and therefore grandfathered in; that attorney advice was needed to clarify the gray areas; and the suggestion to move now with what we were sure of and research the rest. **Motion:** Kevin motioned and Ed seconded to send out additional assessments to those we were sure of. **Motion carried unanimously.**
Action Item: ***Legal Committee: check with attorneys regarding multiple dwellings under one roof and how to approach landowners regarding paying additional assessments for them.***

5.5 Project Review Committee Report – GD / KN

5.5.1 SG 41-A Buchanan Shop project review

Mr. Buchanan had asked that his project be tabled in order to submit a correct plat map with dimensions. Despite this request, Kevin presented the board with a list of issues regarding the project. Discussion included whether a residence must be built before an accessory building. Kevin requested Mr. Buchanan resubmit paperwork that would include a residence.
Action Item: ***Dan – put commercial activity on governing docs agenda.***

5.5.2 Policy re: collecting assessments at the time of a project review – Tabled.

5.5.3 Clarification of criteria for a guesthouse – Tabled.

5.6 Road and Weed / Mgmt Committee Report – Tabled.

5.7 Technology Committee Report – Tabled.

5.10 Community Property Committee Report – Tabled.
