June 16

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

Minutes of Meeting

June 16, 1997

Call to order: The meeting was opened by Patrick Wolberd at 7:45 p.m.

Present: Patrick Wolberd, Marjorie Lombard, Eleanor Schieffelin, Joan Murphy, Walter Wunsch, Nadim Issa, Carla Ann Healy

Absent: Dan Kehoe, Sr., Philip Hoag

1. **Reading and Disposition of Minutes** – No minutes existed.
2. **Report of Officers and Committees** - None
3. **Unfinished Business** - None
4. **New Business**

4.1. **Election of initial board of directors elected by the incorporator:** Patrick Wolberd submitted for record in the Association's corporate minutes book a copy of the Certificate of Corporate Resolution of Church Universal and Triumphant, Inc. dated May 22, 1997 resolving that the following Landowners be elected as Initial Directors of the Glastonbury Landowners Association: Patrick M. Wolberd, Joan T. Murphy, Walter G. Wunsch, Carla Ann Healy, Daniel J. Kehoe, Sr., Marjorie A. Lombard, Nadim Issa, Eleanor J. Schieffelin, Philip L. Hoag.

4.2. **Waiver of Notice:** Notice was given.

4.3. **Confirmation of quorum:** Patrick Wolberd confirmed that a quorum was present.

4.4. **Receipt of filed Articles of Incorporation and confirmation of date of incorporation:** Patrick Wolberd confirmed receipt of the Articles and confirmed that the date of incorporation was April 28, 1997.

4.5. **Adoption of bylaws:**
Motion: Eleanor Schieffelin moved, Marjorie Lombard seconded and it was passed unanimously that the Board adopt the Bylaws of Glastonbury Landowners Association, Inc. and that the Initial Directors sign the Bylaws.

4.6. Appointment of initial officers:
Motion: Walter Wunsch moved, Marjorie Lombard seconded and it was passed unanimously that Patrick Wolberd be appointed president, Eleanor Schieffelin, vice president, and Nadim Issa, treasurer.
Action: It was agreed that the Board search for a secretary in the community by

contacting individuals who have secretarial experience and putting out a notice.
Motion: Marjorie Lombard moved, Eleanor Schieffelin seconded and it was passed unanimously that Joan Murphy be appointed Assistant Secretary.
Motion: Eleanor Schieffelen moved, Nadim Issa seconded and it was passed unanimously that the Board accept the Assignment of Declaration of Covenants and the president sign on behalf of the Board.

4.7. **First Annual Meeting:**
Action: It was agreed that the First Annual Meeting of the Glastonbury Landowners Association be held at 3:00 p.m., on Sunday September 7, 1997 at the North Glastonbury Teaching Center.

4.8. **Opening and closing date for the filing and nomination of candidates for directors and the mailing date for the notice of the first annual meeting of the members:**
Action: It was agreed to set the following dates:
Opening Date for filing of nominations: June 26, 1997
Closing Date for filing of nominations: July 24,1997
Mailing date for ballots: August 7, 1997

4.9. **Appointment of Nomination Committee:**
Motion: Walter Wunsch moved, Nadim Issa seconded and it was passed unanimously that the Board of Directors form the Nomination Committee and Eleanor Schieffelin, Marjorie Lombard and Joan Murphy prepare the mailings.

4.10. **Appointment of other standing committees:**
Action: Walter Wunsch agreed to recruit members for the road committee and notify members of the former GCPC Road Subcommittee to see if they are interested in serving on the committee and to get back in touch with Patrick Wolberd regarding his progress.

Project Review Committee: tabled.

4.11. Approval of Insurance Provisions:
Motion: Marjorie Lombard moved, Carla Ann Healy seconded and it was passed unanimously that the Board accept the directors and officers liability and general liability insurance policies obtained through Western States Insurance Company.

4.12. Designation of depositories of funds and adoption of banking resolutions:
Motion: Eleanor Schieffelin moved, Nadim Issa seconded and it was passed unanimously that the Board resolve to designate First Interstate Bank of Commerce, Livingston Office to be the depository of funds for the Glastonbury Landowners Association, Inc. and to require two signatories for each check.
Motion: Marjorie Lombard moved, Eleanor Schieffelin seconded and it was passed unanimously that the Board resolve to designate the duly elected

president, vice president, and treasurer, to be the signatories for the checking account.
Motion: Nadim Issa moved, Eleanor Schieffeln seconded and it was passed unanimously to pay Western States Insurance Invoice No. 2075 in the amount of $3,633.53 for the balance of the annual premium for the directors and officers liability and general liability insurance.

4.13. **Authorization of Officers to act within any prescribed limitations or parameters, if desired:** No action taken.

4.14. Initiation of Budgetary Process:
Motion: Marjorie Lombard moved, Nadim Issa seconded and it was passed unanimously that the treasurer form an ad hoc committee to present a plan for the initiation of the budgetary process.

4.15. **Acknowledge disbanding of Glastonbury Comprehensive Planning Committee (GCPC) by resolution of the board of directors of Church Universal and Triumphant, Inc. and assumption of GCPC functions by the board of directors of Glastonbury Landowners Association:** Patrick Wolberd acknowledged receipt of the Certificate of Corporate Resolution of Church Universal and Triumphant, Inc. dated May 22, 1997 disbanding the GCPC and asked that it be put in the Association's corporate minutes book.
Motion: Marjorie Lombard moved, Walter Wunsch seconded and it was passed unanimously that the Board accept the resolution of the board of directors of Church Universal, Inc. to dissolve the GCPC and assume the functions of the GCPC.

4.16. GCPC Unfinished Business:

4.16.1. Sullivan and Tabarraci Bill:
Motion: Marjorie Lombard moved, Walter Wunsch seconded and it was passed unanimously that the Board accept Ed Dratz's offer made in his June 5, 1997 letter to reimburse the Glastonbury Planning Fund in the amount of $190.20 for work done for him by Sullivan & Tabarri on February.26 and 27 and invoiced to the Glastonbury Comprehensive Planning Committee.
Motion: Marjorie Lombard moved, Walter Wunsch seconded, and it was passed unanimously that the Board authorize Patrick Wolberd to pursue with Alexandra Volkerts the question of the $867.60 amount invoiced for work done prior to the authorization by the GCPC.

4.16.2. Reimbursement of community assessment fund for planning expenditures:
Motion: Carla Ann Healy moved, Joan Murphy seconded and it was passed unanimously to request the Church reimburse the Glastonbury Landowners Association from the Glastonbury Planning Fund a total of

$4,346.80 for land planning expenses paid to Michael von Hausen and associated workshop expenses paid out of the community assessment fund.

4.16.3. **Other unfinished business:**

Motion: Nadim Issa moved, Marjorie Lombard seconded and it was passed unanimously that the Board submit to the Church the Berg, Lily, Andriolo & Rollefsen Invoice #23793 in the amount of $675 for legal expenses for payment from the Glastonbury Planning Fund.

5. **Request by Johansson for reimbursement for road work:** Tabled.
6. **Other organizational business:** None
7. **Open Floor Comment Period:** No comments
8. **Next Meeting:** July 12 - 9:00 a.m. at the North Glastonbury Teaching Center
9. **Adjournment:** 11:15 p.m

Carla Ann Healy, Acting Secretary

GLASTONBURY LANDOWNERS ASSOCIATION
BOARD OF DIRECTORS MEETING
MINUTES OF MEETING
July 12, 1997

1. Call to Order: Invocation. The meeting was opened by Patrick Wolberd at 9:25 a.m.
   Present: Patrick Wolberd, Eleanor Schieffelin, Joan Murphy, Carla Ann Healy, Walter Wunsch, Nadim Issa, Philip Hoag.
   Absent: Dan Kehoe, Sr., Marjorie Lombard

2. Reading and Disposition of Minutes
   Motion: Eleanor Schieffelin moved, Philip Hoag seconded and it was passed unanimously that the m odified minutes be approved.

3. Reports of Officers and Committees
   3.1 Nomination Committee
   Eleanor Schieffelin reported she has received three nomination letters.
   Follow-up: The Nominating Committee will send out a telephone tree listing the phone number for people to call in nominations for the new Board of Directors of the Landowners Association and remind people of the deadline.

   3.2 Treasurer's Report
   See written Treasurer's Report.
   Patrick Wolberd said we need to contract temporarily with someone for bookkeeping until the new Board comes on.
   Follow-up: Walter Wunsch agreed to talk with Hildegarde Krammer to keep our books on a temporary basis.

   3.3 Budget Committee
   One nomination has been received.
   Follow-up: Nadim Issa will prepare a telephone tree to let people know we are looking for individuals who want to be on the ad hoc budget committee and also include a request for volunteers to the ad hoc road maintenance committee.

   3.4 Road Committee
   Follow-up: It was agreed that Joan Murphy write a thank you note to George Elliot for donating the services of his grader and paying Richard Johnson for grading the North Glastonbury roads.

4. Ombudsman Report - None

5. Unfinished Business
   5.1 Reimbursement of community assessment fund for planning expenditures:
   Follow-up: Carla Healy and Nadim Issa will request the documentation for the necessary reimbursement from the Church.

5.2 Berg, Lily, Andriolo & Rollefsen Invoice
Follow-up: Carla Healy will check with the Accounting Department of the Church to confirm if the invoice has been paid.

5.3 Glastonbury Landowners Association
Patrick Wolberd gave the Assistant Secretary, Joan Murphy, the official documents for the Glastonbury Landowners Association and the corporate seal.

5.4 Sullivan and Tabarraci Bill
Since this involves Dan Kehoe, Sr., who could not be here today, as well as Ed Dratz, who was present, it was agreed to table this item and set up an Executive Meeting as soon as possible to discuss this.

5.5 Western States Insurance
The Treasurer reported that Invoice No. 2075 in the amount of $3,633.53 for the balance of the annual premium for the directors and officers and general liability insurance was paid the end of June.

5.6 Johansson request for reimbursement for road work
Follow-up: Walter Wunsch will call Raya Johansson on this.
Motion: Walter Wunsch moved that the request for reimbursement for road work be denied, Philip Hoag seconded the motion and it was passed unanimously.

6 New Business

6.1 Shelter requirement in the Covenants
Motion: Carla Healy moved that we table the item regarding the shelter requirement in the Covenants pending a complete research on the impact this requirement has on obtaining financing for mortgages in Glastonbury. Philip Hoag seconded the motion and it was passed unanimously.

6.2 Fee Simple Upgrade costs
Follow-up: Walter Wunsch, Eleanor Schieffelin and Dan Kehoe, Sr. will get together for a final draft to the Executive Board regarding the issues of getting the Covenants out expeditiously, the concern about the fee simple issue and the press release. Either by telephone or fax they will get copies of this to each of the Board members to approve it.

6.3 $120 Assessment on Vacant Lots
Follow-up: Carla Healy will give a list of landowners to Nadim Issa to determine the projected income for the Association.

7 Open Floor Comment Period
Nadim Issa requested tht an item be put on the next meeting agenda to discuss providing experience for court-ordered young people in Glastonbury for mowing, removing rocks, and serving the Landowners Association. Nadim Issa will also pursue the mowing of the roadside weeds in the most effective way.

Next Meeting: August 2, 1997, at 9:00 a.m, the North Glastonbury Teaching Center.
Adjournment: 1:25 p.m.

Pearl Munyer, Acting Secretary

WAIVER OF NOTICE

SPECIAL MEETING OF BOARD OF DIRECTORS
OF
GLASTONBURY LANDOWNERS ASSOCIATION, INC.

We, the undersigned, being the Board of Directors of the Glastonbury Landowners Association, Inc., a corporation organized and existing under the laws of the State of Montana, DO HEREBY WAIVE NOTICE of the time and place of a special meeting of the said Board of Directors and of the business to be transacted, whether provided by statute or otherwise.

We designate, Saturday, July 12, 1997 at 9:00 a.m. as the time and the North Glastonbury Teaching Center in Emigrant Montana as the place of the meeting of said Board of Directors, the purpose of said meeting being for the transaction of such business as may be necessary or advisable for the corporation to carry on its contemplated business. And WE DO HEREBY WAIVE all the requirements of the laws of the State of Montana, both as to notice and publication thereof of the time, place and object of the meeting; and WE DO CONSENT to the transaction of such business as may come before the said meeting.

Dated: July 12, 1997

Glastonbury Landowners Association

Minutes of Board of Directors Meeting
August 2, 1997

1. Call to Order: Patrick Wolberd opened the meeting at 9:25 a.m.
   Present: Patrick Wolberd, Chairman, Joan Murphy, Secretary, Carla Ann Healy, Philip Hoag, Dan Kehoe, Sr., Walter Wunsch
   Absent: Nadim Issa, Marjorie Lombard and Eleanor Schieffelin
2. Reading and Disposition of Minutes - The Minutes were approved as revised. It was agreed that a sign-up sheet be circulated among those who attend the meetings and be kept for the record by the secretary.
3. Order of Business: No change.
4. Reports of Officers and Committees

   4.1. Treasurer's Report - None
   Walter Wunsch reported that he had located a temporary bookkeeper. Hildegard Kramer agreed to manually set up the accounting books and work for $8.00 an hour.
   Disscussion: Everyone agree that it would be better to set up the books on a computer.
   Motion: Walter Wunsch moved, Dan Kehoe seconded and it was passed unanimously that we contract an independent consultant who is computer literate, preferablably knowledgable in Quick Books to set up the books for the Glastonbury Landowners Association, Inc.
   Action: Walter Wunsch and Nadim Issa to price out bookkeeping services in the area. It is the board's preference that we find a firm with both bookkeepers and accountants. Walter will approach Hildegard Kramer to see if she will agree to post entries and he is to give a status report to Patrick Wolberd by August 9, 1997.
   Discussion: Concern was voiced that the records that the Church transferred to the GLA did not reflect all payments made by landowners. Further, landowners are still sending their checks to the Church and some are not sending in their assessment payments because they are not getting statements.
   Follow-up: Philip Hoag to draft a letter to landowners advising of the following:
   4.1.1. There have been some problems with accounting records in the transition period.
   4.1.2. The GLA wants to make sure that their accounting records are accurate.
   4.1.3. Please carefully examine your last statement from the Church to make sure it is accurate.
   4.1.4. Reminder to make checks payable to the Glastonbury Landowners Association, Inc.
   4.1.5. Reminder to send in assessments because landowners will not be receiving a statement until the GLA has set up the bookkeeping system.

4.2. Ad Hoc Budget Committee Report - Nadim Issa was not at the meeting to give a report. Joan Murphy stated that a telephone tree had been sent out asking for volunteers to the committee.

4.3. Nominating Committee Report – Joan Murphy reported that a telephone tree on the nomination deadline had been sent out by Eleanor Schieffelin. Dan Kehoe reported that John Glover recommended that the GLA wait until the Restated Covenants are accepted and recorded before holding an election.

Action: It was agreed to postpone the election for the new Board of Directors until after the Restated Covenants are passed. The following schedule was agreed upon:

4.3.1. The GLA will request that Edward Francis make available copies of the final draft of Restated Covenants for distribution to all members of the former Governance Subcommittee by August 15.

4.3.2. The Restated Covenants to be mailed to all former Governance Subcommittee members by August 15 or 16.

4.3.3. The GLA Board Meeting scheduled for August 23 will be specifically to review the Restated Covenants and to approve the final revision of the covenants.

4.3.4. The GLA to send to Edward Francis their comments on the covenants by August 25.

4.3.5. Edward to respond Patrick Wolberd on the GLA's comments by August 26.

4.3.6. The Church to mail the final Restated Covenants on or before the August 30 to landowners for balloting.

4.3.7. Mail-in ballots to be postmarked by September 20.

4.3.8. Balloting to take place in Glastonbury on September 20 from 5:00 to 8:00 p.m. and Sunday, September 21 for one hour before and after the Sunday Service at North and South Glastonbury Teaching Centers and from September 15 to 19 from 3:30 to 5:30 p.m. at the Business Office.

4.3.9. September 27 the GLA to announce the outcome of the election and the nominating committee to recommend to the Board the slate of candidates to go on the ballot for Board of Directors.

4.3.10. October 1 the ballots for the Board of Directors and the Notice of the First Annual Meeting of the Glastonbury Landowners Association, Inc. to be sent out and the Notice of Annual Meeting set on about November

Action: It was agreed that the Board of Directors of the GLA would strongly recommend that landowners vote to approve the Restated Covenants.

4.4 Ad hoc Road Committee Report – No report by the committee. Joan Murphy reported that a telephone tree soliciting committee members was sent out by Nadim Issa. She also reported that she sent a thank you note to George Elliot for supplying a grader and operator free of charge to grade some of the roads in North Glastonbury.

5. Ombudsman Report – None

6. Unfinished Business

6.1. Community Assessment Fund Reimbursement from the Community Planning Fund - Carla Healy reported that Edward Francis would not sign the check request. She suggested that an explanatory cover letter from Patrick accompany the check request.
Follow-up: Dan Kehoe to draft a cover memo.

6.2. Berg, et al Invoice Payment: Carla Healy verified that it had been paid on July 3, 1997.

6.3. Sullivan and Tabarraci Bill - Patrick Wolberd reported that an Executive Meeting of the board was held to discuss issues relating to the Sullivan and Tabarraci billing. A report on the meeting submitted by Joan Murphy was read and is attached for reference.
Motion: Joan Murphy moved, Walter Wunsch seconded and it was passed unanimously to pay Sullivan and Tabarraci the balance owing for legal fees in the amount of $867.60.

6.4. Johansson Road Work Reimbursement Request
Follow-up: Walter Wunsch to call Raya Johansson to inform her of the Board decision

6.5. Fee Simple Upgrade Conversion - Patrick Wolberd reported that he had sent a letter to Ed Francis requesting a meeting with Executive Board on this issue. - Carla Healy reported that the Executive Board had invited the GLA to meet with them at 4:00 p.m. August 14.
Follow-up: Joan Murphy to notify board members who were not in attendance at today's meeting.

6.6. New Assessment Format – Carla Healy reported that she was not able to get the figures yet.
Follow-up: Carla to give information needed to project income and expenses to Nadim Issa by August 8.
Follow-up: Dan Kehoe and Walter Wunch agreed to work with Nadim to prepare an income and expense report by August 12.

7. Tabled Business

7.1. Shelter Requirement in the Covenants – Dan Kehoe reported that Glover said this requirement is part of the old exclusive model. He said we should not have requirements like this one that are peculiar to the general public. Furthermore it creates a marketability and enforcement problem. Carla Healy reported that Edward Francis was planning to remove this requirement from the Restated Covenants. It was agreed to table this item until the August 23 meeting.

8. New Business

8.1. Court Ordered Community Service - Nadim Issa - Tabled

8.2. Covenants Vote
Follow-up: Carla Healy to convey the new schedule to Edward Francis.

8.3. William Pitt's "No Trespassing" Signs – Tabled until complaint form has been finalized.

8.4. Knapweed Spraying - Carla Healy submitted attached memo.
Action: It was agreed to put landowners on notice by telephone tree and at the teaching centers that landowners are responsible for controlling knapweed on their property up to and including the road easement and to give them the name of Mark Nardin to call to spray their property.
Follow-up: Philip Hoag to draft and send out a telephone tree.

8.5. Hite - Parcel 21, Glastonbury South – Dan Kehoe reported that Rex Hite gave permission to Istvan Kiss to plant trees. He did not give him permission to move the old trailer and other items on to the parcel. Dan informed Rex of Section 5.5 - Nuisances and Eyesores and 6.01 Grantor's Approval of the Covenants for Glastonbury. Rex said Istvan realizes that he has to move the items off the site and needs approval of the Project Review Committee. Rex posted a notice at the site that Istvan must move the items and, if he does not remove them in a reasonable length of time, he will do so and bill Istvan for the cost of removal. Walter spoke to Istvan and visited the site. He reported that the structures were meant as temporary storage buildings and the materials were for construction purposes. Patrick Wolberd asked that in the future complaints be put in writing and signed. The complainant should explain the problem and identify what kind of action he would like the board to take
Follow-up: Patrick Wolberd to draft a letter to Istvan Kiss, the Hites and co-tenants of Parcel 21 which includes the Brailsfords asking for a remedy in writing to be proposed within 10 days of receipt of the letter.

8.6. Kathleen Ullrich –Carla Healy reported that Kathleen Ullrich had moved an old junky trail on to Parcel 51, North without approval of the owners of the parcel or of the GLA.
Action: It was agreed that Patrick Wolberd would send a written Notice of Violation of the Covenants to Deanna Campbell with a copy to the Brailsfords (who were looking after her property while she was out of the country) and Kathleen Ullrich, and a letter to Kathleen Ullrich with a copy to Deanna Campbell and the Brailsfords asking Kathleen and Deanna to respond in writing within 10 days of receipt of the letter with a proposed remedy to the violation.
Follow-up: Patrick Wolberd to draft letter
Follow-up: Philip Hoag to draft a complaint protocol form.

9. Open Floor Comments – None

10. Next Meeting - August 23 at 9:00 a.m. at the North Glastonbury Teaching Center.

11. Adjournment: 1:00 p.m.

June 24, 1997

Attn: Alexandra Volkerts
Sullivan & Tabaracci, Attorneys at Law
430 Ryman
Missoula, MT 59802

Dear Ms. Volkerts,

Thank you for your response to my letter of 5/31/97, clarifying the $867.60 billing for the period of 2/3-7/97 and the $190.20 billing for the period of 2/26 & 27/97. Your clarifications, as well as those received from Dr. Dratz, were very helpful. Based on these responses, I will be recommending to the committee that the balance of your bill be paid in full. It was very considerate of you to offer some adjustment on the remaining balance. Being a nonprofit group, we would appreciate any adjustment you deem appropriate. Please send a final bill to my attention, C/O Glastonbury Landowners Association, Inc., P.O. Box 312, Emigrant, MT 59027.

As I am certain you are aware that groups working with community money must thoroughly document the details of all expenditures. As a group of volunteers we meet at irregular intervals and decisions are made by the group, not unilaterally, hence approvals require more time There were some initial difficulties obtaining documentation from your office due to the a misunderstanding as to who was authorized access to your records of our project, complicated by Dr. Dratz being back east for an extended period of time. I do acknowledge that we also dropped the ball by thinking that this situation was being handled over a period of several weeks, when in fact it was not. You have my most sincere apology for any inconvenience this has caused your office, and hope you will understand that we have never had any intention to not honor our obligation once we received all the documentation and understood what work was done, when and for what purpose.

It may take a couple of weeks to obtain committee approval for this final payment and get a check cut and sent to you. If any problems develop with this process I or Carla Healy will be in touch with your office to keep you informed of our progress.

Thank you for your patience and kind consideration in this matter.

Sincerely,

Patrick Wolberd, President

Memo to Glastonbury landowners Ass^n.
Attn: Patrick Walbert chairman
Re. agenda meeting 7/12/97.
Date 7/11/97.

fax
8484508

I hereby request that you add to agenda of 7/12/97 meeting of Landowners Ass^n Board.
the following point:
- the issue of a shelter requirement for landowners in the new, revised Glastonbury Covenants, to be voted on soon.

Comment: I strongly oppose this requirement, since it will nullify the effect of fee simple ownership, if we decide to go that direction as El Morya recommends. Potential landowners and banks will not accept this requirement. Therefore it is urgent that we address this A&AF.

Lubertus Vanthulzen, landowner

June 25,1997

Dear Carla and Patrick;

I am writing you both with my concerns about the "shelter" clause in the draft copy of the new covenants the "Association" will use to govern the Community of Glastonbury.

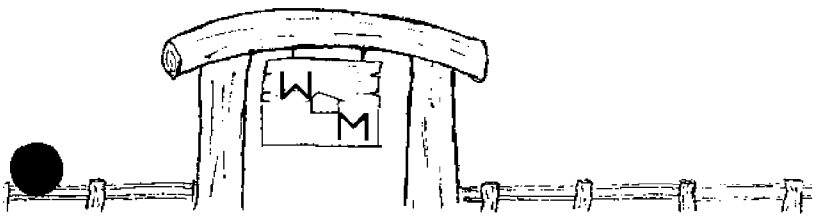
I am very excited about the new direction the Community is taking towards being a more inclusive outer Community of the Church. The availability of Fee Simple ownership for those desiring it will be the catalyst necessary to bring needed capital to bear in its development. The ability to borrow from the larger business community is a must for those souls with a dream and energy but no funds.

The retention of the requirement for shelter space with any dwelling or habitation will only keep the status quo of "unborrowability" perpetuated. As sensible and practical a need as it might be for the landowner, show me the loan officer willing to extend a line of credit another 10 to 20 to 30 thousand, depending on the size of the family, to purchase the "required" shelter space. Shelters are at best a life saving insurance policy against a possible future event. We all grumble about the cost of insuring our cars, health and homes against possilble future calamity and buy that coverage we can best afford. The money we put towards insuring ourselves is an intangible asset whose value might never be realized by the investor. It is only our beliefs, as respecters of life and adherents to the tenets of the Church, which give the shelters any tangible value. Bankers do not invest in beliefs. They want resellable assets in the event of a foreclosure.

These truths apply to Keepers just as powerfully as non-Keepers. If the Community of Glastonbury is going to become the dynamic crossection of Lightbearers we all envision as the vital outer Community the new people, as well as present capital needy owners, are going to have to be able to get financing from the outside.

The greatest motivator in life is personal choice. If the covenants give a "recommendation" that owners become aware of and manage their personal risk by having a shelter space available for their families, and when they look at the people in the Community and see them supplying and maintaining that need, out of their love for life and the Teachings, the motivation will be there. Legislating compliance to a belief has never held the same force as personal committment and I feel Glastonbury would be best served by doing everything they can to give new dreams, and the money needed to bring them forth, a chance to flourish by being truly inclusive.

Sincerely;



WESTERN HOME MORTGAGE CORPORATION

Livingston MT 59047

Dear Bert,

Per our conversation earlier this week, the purpose of this letter is to address the effects of a proposed covenant requiring fallout shelters for homes in the Glastonbury area. It is my opinion that this requirement would have two adverse affects on these properties. The first being marketing of the properties, and the second being financing.

As we all are aware, Paradise Valley is a very desirable area for prospective homebuyers. If property covenants require items that are not standard or required on other similar properties, that property becomes less desirable.

In order to obtain financing on any residential property, we require an appraisal be performed. The appraiser is required to compare the subject property to a minimum of three similar properties that have sold within the last six months. For properties with fallout shelters, the appraiser would have to find other properties with fallout shelters that have recently sold, and state that they are common and typical to our area. When a property is considered unique or non-typical, our underwriters are hesitant to approve the property for financing.

We have recently been unsuccessful in obtaining financing on properties with alternative energy sources, earth berm homes, and numerous outbuildings. Several years ago it was difficult to finance log homes, because they were not common and typical to our area.

Should you have any further questions regarding this matter, please feel free to contact me.

Sincerely,

Cyndy R. Rigler
President

Glastonbury Landowners Association
Board of Directors Meeting
Minutes of Meeting
August 23, 1997

1. **Call to Order, Invocation** - Patrick Wolberd opened the meeting at 9:20 a.m. Present: Patrick Wolberd, Eleanor Schieffelin, Joan Murphy, Walter Wunsch, Nadim Issa, Philip Hoag, Marjorie Lombard and Dan Kehoe, Sr. Carla Healy was absent.

2. **Reading and Disposition of Minutes** - The Minutes of August 2nd were approved as corrected. Sign-in sheet was circulated for community members to register.

3. **Order of Business** - It was agreed that focus of the meeting would be on the Fee Simple Policy (6.5), the Nominating Committee Report Follow-up (4.3) and the Covenants Shelter Requirement (7.1) and to table the remaining agenda after the Treasurer's Report.

4. **Reports of Officers and Committees**

Treasurer's Report - Nadim Issa reported that as of August 20th the Association has received community assessments in the amount of $2,407.28. As of last report on June 23, 1997 there was a balance of $2,567.88. There is now a total balance of $4,975.16. Notes have been received regarding the requirement to send accurate and easy to understand statements.

6. Unfinished Business (Order of Business)

6.5 Fee Simple Upgrade Conversion - Joan Murphy reminded all that on March 11th El Morya recommended Glastonbury become fee simple. She stated that on July 12th the GLA was presented with a fee simple proposal from the Ranch. Joan Murphy read the letter dated July 17th sent to Edward Francis in reply to this proposal. This letter was signed by Patrick Wolberd and was sent on behalf of GLA. Copies of this letter went to all members of the Executive Board of the Church. This letter asked for a meeting of the GLA with the Executive Board. Copy of this letter is filed herewith.

Report of Meeting - The meeting requested took place on August 18th. Dan Kehoe, Walter Wunsch, Nadim Issa, Joan Murphy, Marjorie Lombard and Philip Hoag reported on this meeting. The GLA Board was not in ageement with the Consumer Price Index inflationary aspect of the proposal and stated that real estate values do not go up with inflation and are, in fact, based on regional values, and that Glastonbury is basically a depressed area. Real estate transactions are based on what an informed buyer and an informed seller are willing to agree on. Group dynamics were in operation during this meeting with all members of the Executive Board, including the GLA , contributing to the discussion. Tentative agreement finally reached provides what the last page of the Draft Fee Simple Upgrade Policy reflects, copy filed herewith. The highlights are that

there is no inflation factor and upgrades will have to be in cash with all assessments paid. For the 99 year lease there will be no extra payment to bring it up to value. The 55 year lease will require approximately 10% and the life estate approximately 18%. The Executive Board tentatively agreed to return to Glastonbury the fee simple upgrade process in a 30-50% ratio - this still being under discussion. These agreements will hold for one year. There will be an approximately 5% increase after the first year, and after the second year the land will be at market value. Tenants in common must all upgrade to fee simple together or subdivide and act individually.

Comments and Questions of Community Members :

Stephen Howard congratulated the GLA Board for the letter sent to Edward Francis.

Jerry Dirkers wanted to know about the assessments since he has paid for the whole year of 1997. Answer: He will be billed in January 1998.

Dan Kehoe, Jr. asked if real estate taxes had to be current to upgrade. Answer: This issue was not addressed.

Ruth Brown congratulated the GLA Board on their fine work and asked if parcels are subdivided will the assessments be changed. Answer: Probably not, the excess funds to go into a reserve fund.

Lubertis vanHulzen added his thanks to the GLA Board and asked for clarification of the percentages on each lease. Answer: Percentages were repeated.

Copies of the Draft Fee Simple Upgrade Policy were distributed to all community members present.

4.3 Nominating Committee Report Follow-up; Community meeting to review restated covenants: (Order of Business)
Patrick Wolberd stated only the changes made since the last community meeting would be reviewed.

7.1 Covenants Shelter Requirement (Order of Business) - The revised covenants now read in paragraph 6.06 under Fallout Shelters, "It is the policy of this development to **recommend but not require** the construction, installation or availability of a fallout shelter underneath, behind, in the basement of or **within reasonable** proximity to every dwelling or habitation placed upon any parcel." The word "recommend " is used rather than "required".

Discussion:
P. Wolberd stated there has been concern from some landowners about the effects of having a required shelter on the sale and resale value of land in Glastonbury. Financial

lending institutions may or may not have a problem with shelters on properties considered for loans. Unsightly shelters on neighboring land may present problems, also. Pamela Kniffen suggested calling the shelters "wine cellars".

Andrew Field wanted to know the timetable for acceptance of the covenants. Answer: See the August 2,1997 minutes of the GLA Board Meeting, Sec. 4.3, 3-9.

Fred Morsell asked about the question of people who do not have shelters; that is, what will they do in time of an emergency. Answer: This problem already exists and the building of shelters cannot be forced. Fred Morsell then stated that the Board should remind everyone of the need to have a shelter. Patrick Wolberd replied that construction plans should have a place for a shelter even though one is not required.

Lubertlus vanHulzen stated a local neighbor was not interested in buying property with a shelter on it even though it had been previous owned by the family.

Ruth Brown commented that the strongest tool for collecting assessments would be the desire to go fee simple since all assessments must be paid current to do so.

Andrew Field stressed creating the best community that we can possibly build in order to attract good people.

Walter Wunsch said we need to re-define our mission for the community since the GCPC encompassed everyone whereas now the GLA focuses on landowners.

Joan Murphy stated the language in 11.03 Annual Community Assessment had been clarified with no change in content.

Patrick Wolberd stated that the Board is in full support of the new restated covenants. Vote was taken by written ballot of all community members present to accept or reject the covenants with the current changes. Vote was Yes - 26, No - 2.

Motion: Marjorie Lombard moved to send the revised covenants back to Edward Francis. Dan Kehoe seconded the motion. Motion passed unanimously.

8.1 New Business.
Philip Hoag stated that Fridley Creek was dry due to a log jam in Fridley Creek - this in answer to one community member's concern. He stated David Newhouse would address the problem and would be at the next meeting.

4. Reports of Officers and Committees (continuing)

4.1 Treasurer's Report
Walter Wunsch reported he contacted Blakely and Walters for quotes on services. Also, Doug

Holm was contacted for his fees. From Blakely a monthly financial report would cost $50; a quarterly statement, $100; and a yearly reconciliation $150 -200.
Doug Holm would expect about $35 monthly, $65 quarterly and $150-200 yearly.
Discussion: Doug Holm knows the community and people in the community know him. Doug Holm is a CPA and has good reputation.
Motion: Walter Wunsch moved to retain Doug Holm for financial services. Nadim Issa seconded the motion. Motion passed unanimously.
Follow-up: Walter Wunsch will write a letter of thanks to H. Kramer telling her of the Board's decision. Follow-up: Walter Wunsch will obtain a letter of understanding with Doug Holm.

Follow-up: P. Hoag will have draft letter to landowners re five points next meeting.

4.2 Ad hoc Budget Committee Report
Follow-up: Nadim Issa will move on phone tree on committee membership.

4.3 Nominating Committee Report (Moved up on agenda to 3. Order of Business)

4.4 Ad hoc Road Committee Report: Road Committee will have first meeting soon.

5. Ombudsman Report (none)

6. Unfinished Business
6.1 Community Assessment Fund reimbursement from Community Planning Fund
Follow-up: Dan Kehoe drafted cover memo on reimbursement request and sent it to Carla Healy. Reply has not been received.

6.2 Sullivan and Tabarraci Bill
Follow-up: Carla Healy is handling this matter.

6.3 Johannson Road Work Reimbursement Request
Follow-up: Raya Johannson has not returned yet.

6.4 Fee Simple Upgrade Conversion (Moved up to 3 on agenda. Order of Business)

6.5 New Assessment Format
Follow-up: Format is being worked on.

6.6 Covenants Vote Time Table
Follow-up: Time table is in process.

6.7 Knap Weed Spraying Notice to Landowners
Follow-up: P. Hoag reported notice went out. Residents need to spray or remove weeds up to the road.

6.8 Hite/Segal/Brailsford Parcel Complaint
Follow-up: Complaint has been resolved. D. Kehoe and W.Wunch facilitated solution. Brailsfords also obtained legal help in solving problem. Letter was drafted.
Follow-up: Patrick will send a letter to the Brailsfords for their records.

6.9 Kathleen Ullrich Junky Trailer Complaint
Follow-up: Letter sent. P. Hoag has talked to Kathleen and she has promised to remove the trailer. Current covenants require board to allow 14 days for response after receipt of letter. P. Hoag will call Kathleen again in a few days.

6.10 Complaint Procedure
Follow-up: P. Hoag presented draft of Community of Glastonbury Landowner Covenant Complaint Form. Copy of this form is filed herewith. P. Hoag emphasized that complaints must be presented in writing and be signed. Complaints will be sent back if it is assessed that the complaint stems from emotional reaction. D. Kehoe suggested that the header be moved higher to allow more room for the History of Problem.

9. Open Floor Comments:
Dan Kehoe, Jr. pointed out that there is a typo in Paragraph 4.02 in the Covenants. He also said that Paragraph i and Paragraph j are redundent. Discussion followed. P. Wolberd commented that probably j would be deleted leaving i

D. Lundberg commented that there is a junky car on Kathleen Ullrich's property which is an eye-sore. He was told he can submit a complaint as long as he is a landowner.

10. Next meeting - September 15, 1997 at the North Glastonbury Teaching Center.

11. Adjournment - 12:05 p.m.

DRAFT

FEE SIMPLE UPGRADE POLICY

Upgrade Fees:

The fee to upgrade a parcel from a life-estate or estate-for-years ownership to fee simple ownership is based on a formula that takes the original purchase price and multiplies it by a factor to convert it to the market value listed on our published price list in effect at the time of original purchase. This figure, which is also called the Unadjusted Upgrading Fee, is multiplied by an inflation factor based on the percentage change in the Consumer Price Index (CPI) from the time of purchase to the time of upgrading. Full credit will be given for any upgrade fees previously paid for less than fee simple title. The following tables and examples show the formulas that will be used.

Original Purchase Price	
Description of Ownership	Discount Given
99-Year Estate for Years	Market Value x 95%
55-Year Estate for Years or Joint-Owner Life Estate	Market Value x 85%
Normal Life Estate	Market Value x 75%

Formula for Upgrading to Fee Simple Ownership	
Description of Upgrade	Upgrade Fee Formula
Normal Life Estate To Fee Simple	Original Purchase Price x .333 + Inflation Factor*
Joint-Owner Life Estate To Fee Simple	Original Purchase Price x .176 + Inflation Factor*
55-Year Estate for Years to Fee Simple	Original Purchase Price x .176 + Inflation Factor*
99-Year Estate for Years to Fee Simple	Original Purchase Price x .053 + Inflation Factor*

*Inflation Factor = Unadjusted Upgrading Fee x % Change in the CPI from date of closing of original purchase to the date of closing of upgrade transaction. Note: CPI is the department of Labor Bureau of Labor Statistics Consumer Price Index for "U.S. City Average All Urban Consumers."

Examples:

1. 99-Year Estate Purchase in March 1985 for $34,722.50

a) Unadjusted Upgrading Fee: Original Purchase Price x .053	$1,840.29
b) Inflation Factor: 50.3% x Unadjusted Upgrading Fee	927.51
c) Fee Simple Upgrade Fee	$2,767.80

2. 55-Year Estate Purchased in March 1987 for $33,150

a) Unadjusted Upgrading Fee: Original Purchase Price x .176	$5,843.40
b) Inflation Factor: 42.8% x Unadjusted Upgrading Fee	2,500.97
c) Fee Simple Upgrade Fee	$8,455.37

3. Life Estate Purchased in March 1989 for $25,500

a) Unadjusted Upgrading Fee: Original Purchase Price x .333	$8,491.50
b) Inflation Factor: 31% x Unadjusted Upgrading Fee	2,632.36
c) Fee Simple Upgrade Fee	$11,123.86

Fee Simple Upgrading for Subdivided Tracts:

Any tract that has been legally subdivided may be upgraded to fee simple ownership. The same formula will be used except that the Fee Simple Upgrade Fee will be multiplied by the percentage of acreage of the original parcel that has been subdivided. Undivided interests may only be upgraded with the entire parcel.

Example:

55-Year Estate Purchased in March 1987 for $33,150 was subsequently subdivided. Tract A is 2 acres which is 10% of the original tract.

a) Unadjusted Upgrading Fee: Original Purchase Price x .176	$5,843.40
b) Inflation Factor: 42.8% x Unadjusted Upgrading Fee	2,500.97
	8,455.37
c) Fee Simple Upgrade Fee x 10%	$ 845.53

Standard Terms and Conditions:

- Cash payment in full at time of closing.
- This policy is effective upon approval and recordation of Restated Declaration of Covenants
- Fees and terms are subject to change without notice.
- Parcels to be upgraded are subject to the terms and conditions of a standard purchase agreement and covenants, conditions, restrictions and easements of record.

Critique of Draft Proposal For Fee Simple Upgrade Policy

The draft articulates a formula for changing ownership from estate-for-years and life estates to fee simple for the Community of Glastonbury.

The proposal under review is based on a formula that converts the original purchase price upward to the price list in effect at the time of original purchase.

The fairness of such a formula is based on the assumption that the column entitled "Estimated Current Market Value" in the literature entitled "Parcel Pricing, Discounts, and Purchase Information" was indeed a fair and accurate representation of the actual market value of such property. Most of the existing landowners do not accept such an assumption as correct. They consider that the Estimated Market Value was overstated.

Further, the formula goes on to add an Inflation Factor on the difference between the Actual Purchase Price and the column entitled "Estimated Current Market Value." The fairness of this next addition to the price is based on the assumption that the land values in the Community of Glastonbury rose along with our nation's Consumer Price Index (CPI). The landowners contend that the CPI has hardly any impact on Glastonbury land values.

Further, the formula assumes that the above two factors are the only factors affecting property values in the Community of Glastonbury. Most Landowners contend that, considering the other factors affecting the value of Glastonbury property, there have been several negative influences.

Consumer Price Index (CPI)

The CPI is a measure of living costs based on changes in the cost of certain services and consumer goods derived from periodic surveys. The CPI is widely used to measure changes in the cost of maintaining a certain standard of living. A number of nations use such an index, but they compute them in various different ways.

The U. S. index data pertains only to wage and salary earners in large population areas and such limitations in the coverage is often overlooked by people who use it. For broad analytical uses, such as measuring changes in the national welfare, a more comprehensive index is needed that covers the whole population, including persons living in rural areas, single persons and high income families.

The CPI has a fundamental conceptual difficulty in that it is defined in terms that are not really appropriate for many of the uses to which it is presently applied. For the most part, the CPI simply gives an indication of the amount of yearly inflation in the national economy. The yearly amount of inflation in the national economy expressed as a percentage change from the previous year is simply another way of describing the decrease in the purchasing power of the dollar.

The Board of Directors of the Glastonbury Landowners Association (GLA) objects to the existing fee simple proposal, which we shall refer to as Proposal #1. Our Board would like to see Proposal #1 replaced by one of the following proposals. When you review these proposals, please keep in mind that as of May 1, 1997 the GLA has been assigned the Church's responsibility for the mangement of the Community of Glastonbury.

The GLA Board feels that if Proposal #1 is forced upon our Community, the backlash from the landowners would cause serious problems for the GLA and our Church. In the following proposals, the "Original Market Value" is identical to the amount listed for a 99 Year Term on the attached document entitled "Parcel Pricing, Discounts, And Purchase Information."

Formulas For Upgrading To Fee Simple Ownership:

Proposal #	Ownership Description	Cash Settlement	Transfer Cost Paid By
2	99 Year Lease	- 0 -	Landowner
	55 Year Lease	- 0 -	"
	Life Estate	- 0 -	"
3	99 Year Lease	- 0 -	Landowner
	55 Year Lease	5% Payment	"
	Life Estate	10% Payment	"

The GLA wouild also suggest that a portion of the proceeds goes to the Glastonbury Assessment Fund to help meet the financial needs of the GLA.

Examples:

		Estimated Negotiated Formula ↓
1. 99-Year Estate Purchase in March 1985 for $34,722.50		
a) Unadjusted Upgrading Fee: Original Purchase Price x .053	$1,840.29	-0-
b) Inflation Factor: 50.3% x Unadjusted Upgrading Fee	927.51	-0-
c) Fee Simple Upgrade Fee	$2,767.80	-0-
2. 55-Year Estate Purchased in March 1987 for $33,150		
a) Unadjusted Upgrading Fee: Original Purchase Price x .176	$5,843.40	x 10% 3,315.
b) Inflation Factor: 42.8% x Unadjusted Upgrading Fee	2,500.97	-0-
c) Fee Simple Upgrade Fee	$8,455.37	3,315.
3. Life Estate Purchased in March 1989 for $25,500		
a) Unadjusted Upgrading Fee: Original Purchase Price x .333	$8,491.50	x 20% 5,100.
b) Inflation Factor: 31% x Unadjusted Upgrading Fee	2,632.36	-0-
c) Fee Simple Upgrade Fee	$11,123.86	5,100

Fee Simple Upgrading for Subdivided Tracts:

Any tract that has been legally subdivided may be upgraded to fee simple ownership. The same formula will be used except that the Fee Simple Upgrade Fee will be multiplied by the percentage of acreage of the original parcel that has been subdivided. Undivided interests may only be upgraded with the entire parcel.

Example:

55-Year Estate Purchased in March 1987 for $33,150 was subsequently subdivided. Tract A is 2 acres which is 10% of the original tract.

a) Unadjusted Upgrading Fee: Original Purchase Price x .176	$5,843.40
b) Inflation Factor: 42.8% x Unadjusted Upgrading Fee	2,500.97
	8,455.37
c) Fee Simple Upgrade Fee x 10%	$ 845.53

Standard Terms and Conditions:

- Cash payment in full at time of closing.
- This policy is effective upon approval and recordation of Restated Declaration of Covenants
- Fees and terms are subject to change without notice.
- Parcels to be upgraded are subject to the terms and conditions of a standard purchase agreement and covenants, conditions, restrictions and easements of record.

July 17, 1997

Edward Francis
C.U.T. Executive Board
P.O. Box 5000
Corwin Springs, MT 59030

Dear Edward,

We are writing with regard to the new partnership being established between Glastonbury and Church Universal and Triumphant. We believe that in addition to having fallen short in its objective as an Ascended Master Community, Glastonbury is also a failed real estate development. The new paradigm, as we understand it, is for us to work collaboratively to reenergize Glastonbury as a community as well as a successful real estate development project. It is with the belief that we are in a survival mode that requires extraordinary measures, and in the Spirit of cooperation that we are writing.

All of us, not just our church (as the developer), have a stake in the manner in which this conversion to fee-simple ownership takes place. This subject is very sensitive, especially to long-standing Glastonbury landowners who are your strongest allies in rejuvenating this project.

It is essential that any public statements or actions by church authorities regarding Glastonbury be coordinated with the Glastonbury Landowners Association (GLA) and/or the Glastonbury Teaching Centers. The credibility of the church leadership and Glastonbury leadership rests on this premise. This having been said, we are requesting a meeting with the Executive Board to discuss the method by which Glastonbury property ownership is converted from estate-for-years/life to fee-simple ownership, before a final decision or notice is sent out to the current landowners.

Some of our thoughts on this matter are:

1. It is very difficult to determine land valuation in Glastonbury, since no comparisons truly exist. Many landowners believe the price was inflated at purchase and has subsequently been devalued as a result of inadequate covenant enforcement and the absence of community facilities other than basic infrastructure. The high percentage of mobile homes, their noncompliance with the existing covenants, their close proximity to site-built homes, and the occurrence of unsightly and incomplete structures (especially shelters), are some examples.

2. Many of the early purchasers of Glastonbury property are longtime Church supporters, yet at the present time are just barely able to economically sustain themselves. These are not entitlement-conscious people who go through life looking for handouts. These are people who made a sacrifice coming here, came with faith and generosity to be part of the vision to build an Ascended Master Community in Glastonbury. For Glastonbury to be put on a new course, the existing landowners need to be highly motivated and enthusiastic to turn this community into a going concern. This will require several years of hard work and enthusiasm on the part of the current landowners. It is imperative, therefore, that a collaborative partnership be established up front for Glastonbury to become successful.

3. With the changes that have taken place over the last few years, many landowners are rethinking where they should live. These are very dedicated church members who are having second thoughts about the importance of continuing to live here, wondering if the need for Glastonbury is of sufficient importance to continue the sacrifice.

4. The landowners of Glastonbury need a taste of success and a hope for a community victory. Glastonbury desperately needs to know it will have a close working relationship with an understanding and cooperative church leadership who will make positive and progressive decisions concerning Glastonbury, and be true partners in a unified vision.

5. We encourage you to consider that it would be advantageous for Church Universal and Triumphant, as the real estate developer and owner of all prospective commercial and recreational land, to protect its financial interests in this community by nurturing its relationship with its most valued customers, the current landowners, in addition to doing some development to attract new customers to Glastonbury. We believe it is vital that a dynamic and trusting relationship with the current landowners be embraced to accomplish this end. This, in turn, is what will attract outside buyers and developers. In the long view, this is an important key to making Glastonbury a successfully integrated community and profitable real estate development.

Please let us know at your earliest possible convenience when we might meet with the Executive Board to further discuss this matter.

In the Spirit of cooperation and with best regards,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

Glastonbury Landowners' Association Meeting
Board of Directors Meeting
Minutes of Meeting
September 15, 1997

1. Call to Order, Invocation -- Patrick Wolberd opened the meeting at 7: 40 p.m.
Present: Patrick Wolberd (President), Eleanor Schieffelin (Vice President), Joan Murphy (Secretary), Nadim Issa (Treasurer), Walter Wunsch , Carla Healy and Marjorie Lombard.
Absent: Philip Hoag and Dan Kehoe.

2. Reading and Disposition of Minutes -- The Minutes of August 23rd were approved as corrected.

3. Order of Business -- It was agreed that the initial focus of the meeting would be clarification of the Restated Declaration of Covenants and the mail-in vote timetable.

4. Current Business --

4.1 Ullrich Letter. An acknowledgment letter to Kathleen Ullrich from the GLA Board regarding her removal of her non-compliant mobile home from Glastonbury North was read.

4.2 Kenley Letter. A letter dated 9-9-97 from Malkolm and Jennifer Kenley to Edward Francis was read. A copy of the letter is attached.

4.3 Review of Restated Covenants. President Patrick Wolberd asked the audience of Glastonbury residents to follow the usual protocol for asking questions, and to keep their comments to the point. He stated that this was not the time to discuss making changes to the covenants, rather to seek clarification. He also reminded the audience that there would always be a chance to revise the Covenants in the future, probably on an item-by-item amendment basis.

It was also stated at the outset that the number of voters needed to pass the Covenants was tallied differently than in regular county elections. In the latter, 51% of those who actually vote put a candidate into office. In the case of the Covenants, it is 51% of all the membership, not just those voting, who will decide. And thus, at least 51% of the membership must respond. If many of the Glastonbury voting members are indifferent and do not vote, the new Covenants could be struck down due to lack of affirmative votes.

Questions or comments about the final draft of the Restated Covenants were solicited on a page-by-page basis. The main comments and any responses are as follows, referencing the sections and subsections of the Restated Covenants:

4.4 Section 2.06. Adoption of Land Use Master Plan.

4.4.1 Nadim Issa read a letter from John Alexander et al. which voiced concerns that because the Land Use Master Plan (LUMP) is unknown at this time, we may be giving up rights that we will later regret. Board Members responded that the LUMP will also need a 51% vote of the membership, just like the covenants, and that each member will have a chance to respond to them.

4.4.2 John Alexander voiced concern that 51% is not consensus. The President responded that when the GCPC was formed, Edward Francis recommended that the planning process operate from consensus, but that implementation would always require a vote.

4.4.3 One resident inquired whether on not current structures would be allowed under a LUMP. A Board member stated that this would be a matter for the voting members to decide, but that he would not support a LUMP that does not allow grandfathering of structures that were already in compliance with the current Covenants. Under the original Covenants, all Glastonbury landowners who want to build any structure on their property have always needed to go through the Glastonbury Project Review Committee (GPRC). It was also noted that the GLA Board can only make rules in accordance with the Covenants, to clarify those Covenants.

4.5 Section 3.16. Landowner (definition).

One audience member said that she had bought 2 acres from a landowner but that the subdivision paperwork was not ready, and thus they don't own their land yet, even though they have developed it. She wanted to know if they could still vote on the Covenants. A Board member responded that if one doesn't hold a valid deed to land, you can't vote on the Covenants. However, it was suggested that the questioner either get the landowner to give her a limited power of attorney, or to try to persuade the owner to vote as she would vote.

4.6 Section 4.02. Landowners' Animals.

4.6.1 One audience participant commented that he thought landowners should be able to have a dog that would threaten humans when people trespass onto their property without asking permission. He said this should include road easements, which are owned by the landowner. The clarification was that the landowner has the right to use his land that has an easement in a manner that does not infringe on the easement use. This has been true under the old Covenants, and will remain true under the new ones.

4.6.2 Another Board member commented that "we can't change the proposed Covenants now, because they are already in the hands of the members. If they are approved,

and if you have a disagreement with the Covenants, you will need to work on amending them at a later date."

4.6.3 There was a general discussion about governance. It was observed that there seemed to be a concern among some landowners that they can't trust anyone who governs. But without any Covenants at all, we would have a community without any rules. It was also stated that although power can be abused, rules can also free us up, and that possible abuse was no reason to vote against reasonable rules. We were reminded that under the old or the new Covenants, any landowner can go through due process using arbitration or the court system.

4.7 Section 5.13. Mineral Rights.
Question - Do we get mineral rights with a fee-simple title? Answer - No. Some are retained by the developer and some by a previous owner. If you want mineral rights, negotiate their purchase with the developer. You do retain subsurface water rights.

4.8 Section 8.01. Platted Road Easements.
Subsection "I" -- Someone asked if the "valid operator's license" language included a learner's permit. Response: Yes.
Subsection "j" -- In response to a concern that one couldn't do what one wanted on one's own road easement land, a response was that the Covenants were designed to protect the landowners' rights as well as those of the ones needing to use the easement.

4.9 Section 9.06. Review Process.
Question - Does a propane tank needed to be approved by the GPRC? Answer -- No. The structure requiring the tank does.

4.10 Section 10.02. Enforcement of Covenants.
P. Wolberd commented that with one of the earlier drafts of the Restated Covenants, there was a concern that a landowner would have no choice but go into binding arbitration. He had asked Edward to modify this to not *require* arbitration and preempt someone's right to go to a court of law. The language was changed so that binding arbitration would rule only if all parties agree.

4.11 Section 11.06. Effect of Non-Payment of Assessment.
4.11.1 Question -- Does a lien that gets recorded at the Recorder's Office affect one's land title? Answer: Yes, any lien can complicate a sale, and that's the clout of a lien. A lien has never been put on a Glastonbury landowner's property due to unpaid assessments, but the Association might wish to do so in the future. In addition, if landowners sell their parcel and have such a lien, the amount due would just be paid out of the proceeds. It was pointed out that, although there is no authority for the Board to impose fines, the Covenants do allow the Board to make a rule as to when to put a lien on property. If someone is

considering selling their property, they must take note and be very clear who is responsible for paying the lien.

4.11.2 Another concern: 1.5% interest/mo is 18% per year and this seems too high. Response: This is a common rate of interest on credit cards and businesses. We are not a lending institution. We must compete with others in the business world or we could reasonably be the last to be paid by a landowner with his money. In fact, Glastonbury is now almost $20,000 behind in unpaid assessments.

4.11.3 Clarification was requested for paying the 1998 assessments under the new Covenants. Response: For each legal parcel, payment is $120 for land/yr. Each dwelling is $120/yr. If it is a co-tenancy parcel, each co-tenant pays $120 for land and $120 for his dwelling, as if he owned a subdivided piece. It would no longer be $240 divided by the co-tenants. Thus, this assessment structure gives no incentive to avoid subdividing.

4.11.4 The question arose as to whether common land on one's own parcel was subject to assessments. Answer: No, if not a separately subdivided tract. Yes, if it is a separately subdivided tract.

4.12 Section 12.02. Districts.
Question -- How do special districts get formed? Answer - It is a decision not to be made by the Board, but requires the "written consent of the Association." See the Bylaws for this, since Section 10.01 states that the "Association... shall manage its affairs in accordance with its...bylaws." The Bylaws describe how the Association decides to take action on something (Pages 3 & 4, Article 5, Section F4). They state that the governing percentage would be 51% of the total membership interest who cast votes at the meeting. They also state that there must be advance notice of an agenda, which would include any voting. Therefore, it wouldn't be possible for someone to slip a hidden voting agenda into a meeting without notifying the entire community. A quorum is 25% of all landowners of the Association.

4.13 Section 5.08. Cottage Industry and Light Manufacturing.
A landowner wrote a concern that it was difficult to establish these industries in the Community, and that this would be greatly helped if the developer would give land for a central point for warehousing, etc. The questioner was encouraged to join the LUMP committee and to work with his ideas in that group, as this was not a Covenant matter.

5. Open Floor Comments. Review of the Covenants was concluded. Other points of discussion:

5.1 Someone mentioned that there were at least four roads that desperately needed work. Carla Healy acknowledged that this was the case and something would be done. Someone

else mentioned that this was a good reason to collect assessments, and that if the funds of the GLA run out, the GLA has no obligation to plow certain roads. In essence, the GLA can't be required to do something if there is no money to do it.

5.2 Question - Where does the land for the teaching centers fit into the picture? Answer - Someone commented that they remembered Edward had originally said that the developer would give 20 acres of land to the Teaching Centers and that they could pick out their spot, but that later they heard he said he was not including the right to choose from Reserved Land. Patrick Wolberd stated that the Board is arranging a meeting between the GLA Board, the executive Board of the developer, and representatives of the two Glastonbury Teaching Centers to discuss this matter.

5.3 Question - When will the LUMP be completed? Answer - P. Wolberd said he hopes it will be when the first elected Board of Directors of the GLA takes office, and that a first priority will be to form a LUMP committee.

5.4 A comment was made that Michael Van Hausen has some time available now, and that maybe it was a good time for him to help us with the LUMP.

5.5 Patrick Wolberd concluded in a statement for the Board that the Restated Covenants are being presented for a vote by the membership as a package, not piecemeal. He said that if you object to one or a few things, it is better to vote for them and then amend them later, than to vote against them or abstain from voting (since an abstention counts basically as a "no" vote by decreasing the percentage needed to pass the vote). If the membership does not vote for the Restated Covenants, the original Covenants will remain in effect. The new Covenants are important because they create the right of landowners to self-govern. He said it is also important to realize that our attorneys have advised us that the old Covenants probably won't stand a court challenge of being a closed community, and that such a lawsuit is only a matter of time. The attorneys we hired felt we were at high risk for such a lawsuit. All landowners got a letter stating clearly that the Board is encouraging all members to vote *for* the new Covenants. It is hoped all members will do so in the spirit of moving forward. Then, if there are concerns about certain points in the new Covenants, he encouraged members to bring these concerns to the first annual meeting (or soon thereafter) and ask that they be examined as possible amendments to the new Covenants. If we don't vote these Covenants in, we will have a Landowner's Association vulnerable to law suits. He encouraged people to look at the big picture, weighing any doubts against the impact of voting no.

5.6 A member in the audience commented that this document was a product of consensus, and it would not be a perfect document. He said that even the U.S. Constitution, which has terrible flaws, is still the best government in the world. It is the people in the community

that will make it work. This system will allow good people to do well. He encouraged people to be active and participate.

5.7 The vote will take place on Saturday evening, 9-20-97, during the St. Germain services at each Glastonbury.

5.8 Someone commented that the developer still owns 66 parcels and so under the new Covenants they would pay Glastonbury about $660/month in assessments.

5.9 Patrick said that Edward Francis had told him that when we pass a LUMP, the developer could then endorse Reserved Land being brought under the Covenants.

5.10 There was also a question regarding the 51% needed to change the Covenants. The concern was that a new developer might buy land in Glastonbury; if the new developer held a large block of land he might then have a controlling interest. The current developer has a large block and is in this position.

5.11 It was stated that the last day to vote on the Covenants is September 20, 1997, and that the ballots must only be postmarked (not received) by this date. Concern was voiced that the ballots were not sent out until September 6, and that it typically takes 10 days, perhaps more, to reach Europe. Some landowners are even farther away, for example, in Tasmania. The point was made that even if these landowners received their ballot by September 16, they would have only 4-5 days to read the Covenants and respond. Although it was generally agreed that the lack of consideration time for overseas members was a regrettable error and oversight, the only way to rectify this would probably be to redo the entire voting process, which would take a considerable amount of time and money. Carla Healy stated that the developer had received only a few written comments from the field about the new draft Covenants that were sent out in April.

5.12 The question arose when the voting for the new Board would occur. Answer: sometime in November.

6. Old Business --

6.1 Walter Wunsch asked for formal Board approval of $500 for Glastonbury North and $500 for Glastonbury South for road maintenance. Walter moved to authorize payment of road bills up to $500 for Glastonbury North and $500 for Glastonbury South. The motion was seconded and passed unanimously.

6.2 Eleanor Schieffelin handed out copies of a memo on knapweed to each Board member. The comment was made that the Community must spray at the right time or we will miss the cycle to control the knapweed. In addition, we must spray during a dry time, or most of the

poison will be washed off. The President agreed to put this matter on the Agenda as a new business item for the September 27 meeting.

7. **Adjournment.** The meeting was adjourned at 11 pm.

8. **Next Meeting.** The next meeting date is scheduled for September 27, 1997 at 9:00 am at the North Glastonbury Teaching Center.

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
September 15, 1997

1. Call to Order, Invocation (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees
   - 4.1 Treasurer Report

     Follow-up: W. Wunsch & N. Issa - retain Doug Holm & obtain a letter of understanding regarding services provided

     Follow-up: W. Wunsch - send letter to H. Kramer re booking decision

     Follow-up: P. Hoag - draft letter to landowners re five points noted
   - 4.2 Ad hoc Budget Committee Report

     Follow-up: Nadim Issa - phone tree on committee membership
   - 4.3 Nominating Committee Report (Moved up on agenda to 3. Order of Business)
   - 4.4 Ad hoc Road Committee Report
5. Ombudsman Report
6. Unfinished Business
   - 6.1 Community Assessment Fund reimbursement from Community Planning Fund

     Follow-up: C. Healy - response to Kehoe draft reimbursement request memo
   - 6.2 Sullivan and Tabarraci Bill

     Follow-up: C. Healy - get check cut from Community Planning Fund & sent
   - 6.3 Johansson Road Work Reimbursement Request

     Follow-up: Walter Wunsch - call Rai Johansson re Board decision
   - 6.4 Fee Simple Upgrade Conversion
   - 6.5 New Assessment Format

     Follow-up: Nadim Issa - Project income on new plan Vs old plan by 8/12/97
   - 6.6 Covenants Vote Time Table

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
September 15, 1997

6.7 Nap Weed Spraying Notice to Landowners

6.8 Hite/Segal/Brailsford Parcel Complaint

Follow-up: P. Wolberd - send a file copy of letter to Brailsfords

6.9 Kathleen Ullrich Junky Trailer Complaint

Follow-up: P. Hoag - call K. Ullrich on notice of covenants violation

6.10 Complaint Procedure

Follow-up: P. Hoag - present final complaint form for Board approval

6.11 Fridley Creek Blockage

Follow-up: D. Newhouse - progress report

7. Tabled Business

7.2 Court Ordered Community Service - Nadim Issa

7.3 William Pitt No Trespassing Signs - Carla Healy

Follow-up: tabled pending completion of complaint form

8. New Business

8.1

8.2

8.3

8.4

9. Open Floor Comments

10. Next Meeting - September 27, 1997

11. Adjournment

GLA - Board of Directors Meeting - 9-15-97

Landowners & Community Members in attendance:

Christina M. Strauss

Glastonbury Landowners' Association Meeting
Board of Directors Meeting
Minutes of Meeting
September 27, 1997

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 9:20 a.m.
Present: Patrick Wolberd (President), Eleanor Schieffelin (Vice President), Joan Murphy (Secretary), Dan Kehoe, Sr., Walter Wunsch , Marjorie Lombard, and Carla Healy.
Absent: Philip Hoag and Nadim Issa (Treasurer). It was agreed by all present that the meditation music "Pomp and Circumstance" would be played at the opening of each meeting.

2. **Reading and Disposition of Minutes** -- The minutes of September 15 were approved as corrected.

3. **Order of Business** -- It was agreed that results of the vote on the Restated Declaration of Covenants would be taken out of order and discussed first.

3.1 Comments, Vote Outcome. (Item 8.1)

3.1.1 Voting Results. C. Healy announced that the Restated Covenants had been voted in by the landowners, and that she has filed the Covenants in the Park County Clerk and Recorder's Office at 4:00 p.m.on September 26, 1997. At the time of filing of the Covenants, there was a total of 88.173 affirmative votes out of a possible 140 votes (i.e. 62.98%) from Glastonbury landowners other than the Church . In order for the Covenants to pass at the required 51% of all members, 71.4 votes from non-Church landowners were needed.

3.1.2 The Church Vote. C. Healy said that Edward Francis voted on behalf of the Church late on the evening of September 20, after all voting other than the remaining mail-ins had taken place. The Church has 66 tracts, and thus 66 votes, out of the total of 206 tracts. This brought the total number of affirmative votes to 154.173 out of a total possible number of votes of 206. Thus, there was a 74.8% majority of parcels/tracts registering an affirmative vote for the Restated Covenants.

3.1.3 Disqualified and Other Types of Votes. C. Healy noted that there were several votes that were disqualified for various reasons. Two had been postmarked after the specified date of 9-20-97. Two were photocopies, and thus could not be recorded. In addition, there may still have been votes that were re-routed in the mail and/or not received as of the date of this meeting. There was a total of 1.67 "no" votes, which came from the votes of five landowners who objected to the new Covenants. Most of those objecting had written letters explaining their rationale for doing so. Linda Ullrich sent in one such letter, but afterwards changed her mind and sent another letter saying she would like to go on record as supporting the new Covenants.

3.1.4 Reporting the Results of the Vote.

Discussion: The point was made that out of 242 landowners (actually quite a few more individuals if you count spouses separately), only 5 or so individuals had objected to the new Covenants. Many in attendance felt it was important to stress this fact when reporting the results of the vote.

Follow-up: C. Healy is to collate the voting results. She is also to draft a brief announcement of the results for the Saint Germain services this evening. She will give Kim Michaels the information he needs to write an article on the vote of the Covenants.

3.1.5 Thanks. W. Wunsch thanked Joan Murphy, Eleanor Schieffelin, Carla Healy and Margaret Alfaro for calling landowners and reminding them to vote for this important document. An association member commented that all but one landowner in South Glastonbury turned out to vote, and that this was a heartening development that should be reported in the Glastonbury Herald. She said it indicated that many landowners were happy with the new paradigm, and interested in welcoming others into the community.

4. Officer and Committee Reports --

4.1 Treasurer's Report. No report.

4.1.1 Accountant/Bookkeeper.

Discussion: W. Wunsch reported an informal quote Doug Holmes had given to him to act as our accountant. He also said that Hildegarde Krammer had agreed to pick up mail at the Glastonbury post office box, do a manual entry of all checks received, tally them manually, and give the information to Doug. Once a month he is then to give a report to the Board. Through this process, Hildegarde will be keeping her own ledger and can provide a double check for the accountant. She will also distribute or reroute any other Glastonbury mail to the proper person. W. Wunsch said that Hildegarde would be able to start this task immediately, and would be willing to work with the developer to help iron out any current assessment problems and discrepancies, as this needs to be done as soon as possible.

Action: W. Wunsch moved and C. Healy seconded to retain Hildegarde Krammer as a volunteer to act as the Glastonbury assistant bookkeeper as had been discussed, and as a liaison between the GLA and Doug Holm's accounting firm. The motion passed unanimously. It was agreed that the GLA would reimburse Hildegarde for any direct out-of-pocket expenses she might incur in this position.

Follow-up: W. Wunsch will consult with Doug Holm and get him to finalize his offering of services in a letter of agreement for Board approval. N. Issa is to meet with Hildegarde and relay any relevant accounting information. J. Murphy is to give Hildegarde a PO box key. C. Healy is to show Hildegarde how to interpret the Special and Community Assessment accounting format, and work with her to take the Church figures and transfer them to the new GLA bookkeeping account. After Hildegarde has done all the necessary data entry, W. Wunsch will draft a letter to all landowners explaining the new accounting/bookkeeping system.

4.2 Ad Hoc Budget Committee Report. No report.

4.3 Nominating Committee Report

4.3.1 Nominations.

Discussion: The process for completing nominationns was discussed.
Action: J. Murphy and E. Schieffelin will coordinate finalizing the nominations.

4.3.2 The ballots.

Discussion: E. Schieffelin presented a sample ballot. It was felt that there needed to be two separate kinds of ballots -- one for those present for voting in Glastonbury, and one for those absent. Those in absentia should be required to sign their name on a ballot or cover sheet, in order to prevent anyone from voting more than once. It was decided that a secret ballot was preferable to an open one, but that this would only work for landowners voting in person. One Board member suggested that there should be very clear instructions on a sheet separate from the ballot. Also to help with clarification, there should be separate ballots for North and South. If anyone wishes to volunteer to research the matter, the Board would like to know what other landowner associations do for their voting procedures for officers. Finally, it was noted that according to the Bylaws, in Board elections co-tenants have only a fractional vote, and that it takes 51% of total members in good standing who are *voting*, i.e. not 51% of all landowners, as was the case for the ratification of the Covenants.
Action: The general format of the ballots were agreed to as discussed. It was also agreed that the official voting date would be at the annual meeting on November 16, as this would give landowners overseas about a month to consider the nominations and to get in their vote. To be valid, a ballot must be *received* by that date.
Follow-up: Secretary J. Murphy will get the ballots out as soon after the next GLA meeting of 10-6-97 as possible, since the Board decided to give final approval of the ballot at that time.

4.3.3 Voting Protocol - in Person

Discussion: In order to be sure no landowner votes more than once, and to be able to prove after the fact that the election was valid, certain protocols would need to be established. For example, in municipal elections, each person coming in to vote must sign in a record book for that precinct. It was commented that voting lists, one for the eligible landowners of Glastonbury North and one for those in Glastonbury South, and indicating the fractional vote of each landowner, could be used as an official membership role, and could be updated as needed.
Action: It was agreed that there would be two Board members at each of the polling places to act as polling officials. The polling officials would be responsible for accepting the ballots and seeing that each landowner signs hiher name on the appropriate place on the list. The polling officials are to certify at the end of the election in a notarized statement that the voting occurred lawfully, as specified in the Covenants.
Follow-up: C. Healy will prepare the voting list, separating the eligible landowners of Glastonbury North and South, and indicating the fractional vote of each landowner. Secretary J. Murphy will prepare a statement for each polling official to sign and have notarized after the voting. E. Schieffelin will revise the ballot, using as the format the ballot used for the GCPC election.

4.3.4 Voting Protocol - via Proxy or Mail.

Anyone not able to attend the annual meeting may vote by mail or by proxy. A vote by mail must be received by the meeting day. Anyone choosing to vote by proxy may give their signed proxy to anyone who will be in attendance. D. Kehoe and E. Schieffelinn offered their names as proxies for Glastonbury South and North, respectively, for anyone who does not have a designated proxy. The proxies may be mailed to them to PO Box 316, Emigrant, MT 59027, or faxed to them. D. Kehoe's fax number is 406-333-4379; E. Schieffelin's fax number is 406-333-4495 (call first before faxing). All proxies will be filed with the voting roll sheet.

Follow-up: Margaret Alfaro and Dan Kehoe are to provide E. Schieffelin with a sample generic proxy statement. Eleanor is to have the proxy ready by the next meeting for Board review.

4.3.5 Voting by Fax.

Discussion: It was asked whether the Board would accept a fax vote for this ballot, i.e. for voting in officers of the GLA.

Action: Yes. The Board established a rule that the GLA will accept a fax communication on any item but one which requires a legal filing.

4.3.6 Voting Eligibility - Community Assessments.

Discussion: A 5-point proposed newsletter from P. Hoag to send to all landowners was also read (see attached). The new Covenants specify that in order to vote in a Glastonbury election, one needed to be "in good standing," and that in order to be in good standing, landowners must be paid up on their community assessments (Article V, Page 22, Section F). There followed discussion about appropriate dates (1) by which payment must be paid through, and (2) by which payment must be received and noted in the Glastonbury office.

Action: It was agreed that landowners must be paid current on their assessments through September 30, 1997, with payment received by October 31, 1997.

Follow-up. J. Murphy will work with H. Krammer and C. Healy to determine the list of landowners eligible to vote. C. Healy is to prepare the wording for a Telephone Tree to the TCs mentioning that many people owe community assessments, and requesting that landowners get their payments in before the winter snowplowing so that we can afford to plow their roads.

4.3.7 Voting Eligibility - Proof of Ownership.

Discussion: Question -- an individual said he had just purchased land and wanted to know if he was eligible to vote and/or run for office. Answer -- If a buyer has not previously notified C. Healy about a land transfer, he must do by October 31, 1997, by presenting proper documentation (i.e., a deed) to C. Healy in order to be eligible to vote in the 11-16-97 election.

4.3.8 Letter to Accompany Ballots.

Discussion: D. Kehoe presented a letter he had drafted to accompany the ballots to all landowners.

Follow-up: J. Murphy is to finalize this cover letter. The letter should include a statement similar to the following: "Some payments you have made for Community Assessments may

not have been reflected on your last statement. If you are not in agreement with the amount owed, you still must pay the amount due in order to be eligible to vote. Any credit due you after the vote will be credited to your account as soon as the Association's new accountant can make a final determination."

4.3.9 Ombudsman.

Discussion. The Board noted that the position of Ombudsman was an elected one, and thus needed to be added to the ballot. A member commented that Linda Ullrich might be interested in being the ombudsman.

Action: Since the GLA Board is also the Nominating Committee, it was decided to send forth a Telephone Tree asking if anybody wanted to fill this position. They also decided to mention in the same Tree that if anyone was interested in running for the new Board of Directors they should call Joan Murphy.

Follow-up: J. Murphy will talk to Linda to see if she would like to be nominated for Ombudsman. She will also draft a Telephone Tree soliciting nominations, and the Board will review the draft Tree at the next meeting.

4.4 Ad Hoc Road Committee Report.

Discussion. W. Wunsch gave a road committee report. He, David Newhouse, James Healy and Norm Garwood had toured all of North Glastonbury. They made notes of the work that needed to be done immediately, as well as of less pressing work for the future. He said there were many gray areas of responsibility between the developer and GLA in regards to road maintenance. For example, he said there were many places where the roads had deteriorated due to lack of maintenance, and that therefore the developer has a responsibility to bring it up to proper standards. He also said that Norm (working for Archie Mann) had done an excellent job on past road grading.

Follow-up: W. Wunsch and the Road Committee will tour South Glastonbury this Sunday and take notes as they did for the North. He will then submit a written report about the findings to Secretary J. Murphy by October 3, including any detailed questions that the Committee feels will need to be submitted to the developer.

5. Ombudsman Report -- No report.

6. Unfinished Business --

6.1 Community Assessments for Community Planning Fund.

Discussion: The question was raised if we could not pursue this matter at thiis time. It was noted that we can't change a motion without giving adequate notice.

Action: The matter was tabled.

6.2 Tabarraci Bill. C. Healy noted that this had been paid.

6.3 Johansen Road Work. J. Murphy noted that this situation had been handled by W. Wunsch.

6.4 Fee Simple Upgrade Conversion. The meeting was held. See the Church letter of Sept. 5, 1997 about this.

6.5 New Assessment Format. The Board determined this project was no longer applicable. No further action required.

6.6 Knap Weed Spraying.
Discussion: E. Schieffelin handed out a memo from Nicola Woywitka, which summarized important questions concerning knap weed in the community (see attached). One Board member commented that the situation was serious and that we're losing the battle each year. It was mentioned that forming noxious weed districts might be one way to tackle the problem.
Action: The Board agreed that this was a matter for a Committee, and that the stage for that Committee must be set this winter, in preparation for an all-out knapweed assault next year.
Follow-up: J. Murphy will talk to Linda Ullrich to see if she wants to be a Chairman for a Noxious Weed Committee that would develop guidelines and recommendations to the GLA on how exactly to implement such a program.

6.7 Complaint Procedure.
Discussion: P. Hoag submitted a complaint form, and several changes were discussed.
Follow-up: L. Hodges is to format the changes and present it to the Board at the next meeting.

7. Tabled Business --

7.2 Court Ordered Community Service. No action taken.

7.3 William Pitt "No Trespassing" Signs. No action taken.

8. New Business --

8.1 Covenants Vote Outcome. See 3.1 above.

8.2 Possible Church Land Donated to the Glastonbury TCs.
Follow-up: President Wolberd is to send a memo to the Church Executive Board, with a copy to consultant Gilbert Cleirbaut, proposing a meeting with the TC directors and GLA Board representatives about this.

9. Open Floor Comments. None not noted earlier.

10. Next Meeting --
Discussion: Many of the Board members felt it would be wise to establish a standard meeting time and place for each GLA meeting, so that they could better plan it into their personal schedules. The Toastmasters are currently using the North Glastonbury Teaching Center on Monday evenings for their program, however the Board felt this also seemed the best place for the GLA meetings.

Action: There was a consensus that the Board would meet every 1st and 3rd Monday at 7:30 p.m. at the North Glastonbury Teaching Center. It was hoped that this would allow the necessary work to be done in a few hours or less, and meetings to be concluded at a reasonable hour of the evening. The next meeting date is scheduled for the first Monday in October (10-6-97) at 7:30 p.m. at the North Glastonbury Teaching Center. The following meeting will be on Monday, 10-20-97.
Follow-up: E. Schieffelin is to talk to Glen Trussell about Toastmasters finding a different place for their meetings.

11. **Adjournment --** The meeting was adjourned at 12:45 pm.

Submitted by Lucia Hodges
Assistant Secretary

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

October 6, 1997

1. Call to Order, Prayer -- Patrick Wolberd opened the meeting at 7:30 p.m.
Present: Patrick Wolberd (President), Eleanor Schieffelin (Vice President), Joan Murphy (Secretary), Nadim Issa (Treasurer), Walter Wunsch, Philip Hoag and Carla Healy. Absent: Dan Kehoe, Sr. and Marjorie Lombard.

2. Reading and Disposition of Minutes -- The minutes of September 27, 1997 were approved as corrected.

3. Order of Business -- The following items were discussed out of order:

3.1 (Agenda item 8.2) Review of Lunden Subdivision for Approval.
Discussion: C. Healy presented the Anders Lunden (Glastonbury South, Parcel 32) subdivision report for Board review. The developer no longer has this review responsibility since the establishment of the GLA. Since the developer's Project Review Committee has been disbanded, and since such subdivision requests must be approved by the GLA before being submitted to the county, it was decided that the Board be the acting Project Review Committee. In addition, it was noted that the developer's approval of a subdivision is still needed for any parcel in which it retains a remainder interest (i.e. any parcel which is not fee-simple).

3.1.1 Multi-family water system.
Discussion: A request was made to approve the project with the water system to be completed later (3b, "Final Subdivision Review Checklist/Committee Action" form). C. Healy said that the developer recommended not approving the subdivision until this requirement had been met.
Action: See Action under item 3.1.3.

3.1.2 Road Easement Language.
Discussion: It was noted by C. Healy that according to the "Policies and Standards for the Review of Proposed Subdivisions," there were several places on the plat where the proper easement language should be "existing private access," not "existing 60 ft. wide private access." There was a consensus that the language used was inconsequential and required no correction.

3.1.3 Extension of Electrical and Power Lines to Individual Tracts.
Discussion: A variance was requested to not install electrical and power lines to proposed tracts 32-D and 32-E (2a, 2b), thereby leaving the cost of these extensions to be negotiated between the buyer and the seller. It was observed that the Board now had the authority to

change this rule if they wished. It was suggested that it would be best to not change rules in the middle of a particular situation, but do so after sufficient research and discussion.
Action: C. Healy made a motion, E. Schieffelin seconded that the Board not grant the utility variance, and thus not accept the proposed Lunden subdivision until such time as items 2a, 2b, 3b were completed. The motion failed, 1 for (C. Healy), 4 opposed, no abstentions.
Action: P. Hoag moved, W. Wunsch seconded that a variance of items 2a and 2b be granted in this particular instance, requiring only a utility easement, pending reconsideration when the water system requirement is met. It was further agreed that the Board would agree to table the examination of Section 4.4 of the "Community of Glastonbury Policies and Standards for Subdivisions." The motion passed 5 in favor, 1 opposed (C. Healy), no abstentions.
Follow-up: Secretary J. Murphy is to inform the applicant of the Board's decision.

3.2 (Agenda item 4.4) Ad Hoc Road Committee Report.
W. Wunsch presented a Road Report from the committee (see attached).

3.2.1 County Road Responsibilities.
Action: W. Wunsch moved, N. Issa seconded that the GLA send a letter to Park County advising them of the deficiency at the bottom of Capricorn Drive and requesting its correction. The letter is to be prepared by W. Wunsch for President Wolberd's signature. The motion carried unanimously.
Follow-up: W. Wunsch is to prepare the letter for P. Wolberd's signature by the next meeting.

3.2.2 Landowner Road Responsibilities.
Action: W. Wunsch moved, N. Issa seconded that a letter be written to each co-tenant of the parcels belonging to L. Bodoh, the Quarrels and the McDonalds, identifying the road problems noted in the Committee's memo, and requesting a correction. The letter is to be prepared by W. Wunsch for President Wolberd's signature. The motion carried unanimously.
Follow-up: W. Wunsch is to prepare the letter for P. Wolberd's signature by the next meeting.

3.2.3 Developer Road Responsibilities.
Action: W. Wunsch moved, N. Issa seconded that a letter be written to the developer, detailing the work the Road Committee feels is the responsibility of the developer, and requesting a response and a meeting with the developer. The motion carried unanimously.
Follow-up: W. Wunsch is to prepare the letter for P. Wolberd's signature by the next meeting.

3.2.4 Road Maintenance and Schedule.
Action: W. Wunsch moved, N. Issa seconded that the GLA request a bid from Archie Mann for ongoing road maintenance in both North and South Glastonbury for a period of 6 months, at an hourly rate not to exceed $65/hr, without any added travel or mileage fees, and

according to a schedule to be specified by the Road Committee and approved by the Board. The motion carried unanimously.
Follow-up: W. Wunsch is to prepare a schedule of maintenance suggested by the Road Committee, noting which roads will be worked on in what order for the Board review at the next meeting.
Follow-up: W. Wunsch to obtain A. Mann bid by 10-20-97.

3.2.5 Snowplowing.
Action: W. Wunsch moved, N. Issa seconded that the GLA authorize the Road Committee to research the snowplowing options and costs, including transfer of the Royal Teton, Ltd.'s pick-up and plow to either Richard Johnson or to the GLA. The motion carried unanimously.
Follow-up: W. Wunsch is to present the results of its snowplowing research to the GLA Board at the next meeting.

3.2.6 Snow Fences.
Action: W. Wunsch moved, P. Hoag seconded that the Road Committee contact Richard Johnson to give the GLA a bid on repairing and installing snow fences in North and South Glastonbury, in accordance with the attached memo. The motion carried unanimously.
Follow-up: W. Wunsch is to present R. Johnson's bid to the GLA Board at the next meeting.

3.2.7 Road Side Weed Cutting.
Discussion: One of the members mentioned that Andrew Field had said he would find somebody to do this.
Follow-up: N. Issa will call Andrew about this and present the options to the GLA Board at the next meeting.

3.2.8 Gate on Hercules Road.
Discussion: An informal poll was taken concerning whose responsibility it was to move this gate, if necessary, for proper snowplowing.
Action: It was agreed that the gate is the responsibility of the GLA.

3.2.9 Trees Cut for Road Work.
Discussion: One of the members noted an objection that in the recent past, Archie Mann had pushed over several trees in Glastonbury South when doing roadwork there. W. Wunsch said he had given permission for Archie to do this, since they were in the path needed for snow plowing.
Follow-up: All interested Board Members should drive up to the area where the trees were bulldozed and see what they think. The matter was carried over until the next meeting.

3.2.10 Committee Composition.
Discussion: Concern was raised regarding possible conflict of interest regarding some committee members who may bid for contract services.
Action: Carried over to next meeting.

4. Reports of Officers and Committees --

4.1 Treasurer's Report.

4.1.1 September Report. Between 8-20-97 and 9-15-97, $988.50 was received in assessment fees. As of 9-15-97, the total amount received had been $4,739.44, and the balance in the checking account was $5,935.40. It was noted that some of the funds are for Special Assessments and must go to the developer, but the exact % was unclear. There had been $108 and some change in petty cash prior to reimbursing Secretary J. Murphy for stamps, copies and supplies. As of the meeting date there was $74 in petty cash.

4.1.2 October Report. Between 9-15-97 and 10-6-97, $639 was received in assessment fees. As of 10-6-97, the total amount received had been $5,378.44, and the balance in the checking account was $6,574.49.

4.1.3 Road Work Bill.

Discussion: N. Issa submitted a bill for $300 from George Elliott for road work. The GLA had authorized $500 of road work, of which George had already been paid $250, but discovered through the present bill that he had done an additional $300 of work.
Action: N. Issa moved, P. Hoag seconded that the Board authorize sufficient money for the road work done by Archie Mann and George Elliott to pay the undisputed bills. The motion carried unanimously.
Follow-up: N. Issa to pay the bills.

4.1.4 Petty Cash Fund Amount.

Discussion: The need for a petty cash fund was discussed.
Action: N. Issa moved, E. Schieffelin seconded that the Board establish a petty cash fund of $100, to be managed by the Treasurer. The Treasurer would be authorized to disburse funds up to $100 without additional Board authorization. Petty cash fund reimbursement, however, will require Board approval. The current motion included reimbursement up to $100. The motion carried unanimously.
Follow-up: N. Issa to establish a Petty Cash Fund and procedures for its use.

4.1.5 H. Krammer Follow-up.

J. Murphy has already given her the PO box key.
Follow-up: N. Issa is to meet with H. Krammer on 10-7-97, and will transfer all needed records to her at that time. C. Healy is to meet with her this week and will complete instruction and transfer to her by the next meeting.

4.1.6 D. Holm Follow-up.

Follow-up: W. Wunsch has done the letter to retain D. Holm, and will get it to N. Issa for Board review by the next meeting.

4.1.7 Letter Explaining New Assessments.

Discussion: A draft letter cannot be done until the new assessment system is in place, hopefully, in November. C. Healy said it can be combined with the Notice of Assessments which will go out in November/December.
Follow-up: W. Wunsch to draft a letter in time for the November Assessment Notice.

4.2 Ad Hoc Budget Committee Report.

Discussion: The committee, currently composed of Kenneth Mueller, Pedro Angel, John Alexander, and perhaps Mike Dirkers, has not met yet, since they have been waiting for the road memo detailing road expenses.
Action: It was decided this report can be tabled until the new board is elected.

4.3 Nominating Committee Report.

4.3.1 Cover letter and voting forms.

Discussion: Secretary Murphy read the annual meeting announcement cover letter and accompanying documents to landowners. Date, time and location were discussed. Nominees were finalized. Phone tree was done.
Action: The letter was approved by the Board as modified, with 11-15-97 as the new date. The proxy form, polling official statement and ballots were also approved. J. Murphy is to check Emigrant Hall, or other possible location for the meeting. She is also to verify prior to issuing the ballot that all Board candidates are paid up on their assessments.
Follow-up: J. Murphy is to report on the annual meeting place rental at the next meeting.

4.3.2 Landowner List for Election.

Action: C. Healy is to prepare this and get it to Secretary Murphy by 10-31-97. She is also to provide a copy of the Glastonbury form agreement wherein landowners agree to abide by the Covenants.
Follow-up: C. Healy to prepare list and bring form.

4.3.3 Ombudsman Nominee.

Discussion: Linda Ullrich declined. Margaret Roach accepted.

4.3.4 Board Nominees.

Discussion: The list of nominees was submitted and approved (see attached).

5. Ombudsman Report -- No report.

6. Unfinished Business --

6.1 Knap Weed.

J. Murphy said that Linda Ullrich had said she might be interested in forming a noxious weed committee.
Follow-up: J. Murphy is to confirm this with Linda.

GLA 00084

6.2 Complaint Form.
Action: P. Hoag moved, E. Schieffelin seconded that the Board accept the GLA complaint form as modified. The motion carried unanimously.
Follow-up: L. Hodges is to make the changes and get the final form to J. Murphy.

6.3 Teaching Center Land Letter.
Discussion: P. Wolberd presented a letter he had drafted to send to the CUT Executive Board. The letter was approved by the Board (see attached).
Action: P. Hoag moved, C. Healy seconded that the Board accept the letter as drafted. The motion was unanimous.
Follow-up: P. Wolberd to mail letter.

7. Tabled Business --

7.2 Community Service -- no action. (N. Issa)
7.3 No trespassing signs -- tabled pending completion of complaint form. (C. Healy)
7.4 Response to assessment reimbursement memo -- no action. (C. Healy)

8. New Business --

8.1 Photocopies of GLA Records. (J. Murphy)
Discussion: A member requested copies of all the voting documents pertaining to the new Covenants vote. The member also asked that as a member of the Budget Committee, would he be allowed to take the ballots for study and then return them? There ensued a number of peripheral questions concerning this matter, such as "What is considered 'reasonable access'?" and "Should we charge the same as the county for a member to make copies of our records?" and "Will we allow letters sent to the GLA to also be copied?"
Action: Regarding this specific request, it was agreed by consensus that since the voting results are on file in the county, the member could get any copies there. If copies of minutes are also requested, approval to copy them should be sought from the director of the North or South Glastonbury Teaching Center. Approval in this specific instance was granted to the member to go to the Secretary's house to look at the documents, but not be allowed to remove them from her possession.
Action: It was agreed that the Secretary or her designated representative be the only ones authorized to handle original GLA documents.
Action: Members should cogitate on the more general questions noted above. Further discussion tabled.

8.2 Review of Lunden Subdivision for Approval. (C. Healy, see 3.1 above)

8.3 Record of Procedures. (P. Wolberd)
Follow-up: It was agreed that the Assistant Secretary is to keep a list of policies or guidelines extracted from the minutes for easy reference.

8.4 Committee Membership Approval.
Action: Tabled.

8.5 Deed Records Transfer. (P. Wolberd).
Action: Tabled.

8.6 Public Access on Roads. (P. Hoag).
Action: Tabled.

8.7 Alexander Letter Copy. (J. Murphy)
Action: Tabled.

8.8 Glastonbury South Fire Water Reservoir Requirement. (N. Issa).
Action: Tabled.

8.9 Extension of Electrical and Power Lines to Individual Tracts. (P. Wolberd)
Action: Tabled.

8.10 Trees Cut for Road Work.
Action: Tabled.

9. Open Floor Comments -- None.

10. Next Meeting -- Monday, October 20, 1997, 7:30 p.m. at North Glastonbury.

11. Adjournment -- The meeting was adjourned at midnight.

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
October 6, 1997

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report

Follow-up: W. Wunsch & N. Issa - retain Doug Holm & obtain a letter of understanding regarding services provided

Follow-up: N. Issa - meet with Hildegarde Krammer to set up bookkeeping

Follow-up: J. Murphy - Get a P.O. Box key to H. Krammer

Follow-up: C. Healy - Get with H. Krammer to transition bookkeeping

Follow-up: W. Wunsch - Draft landowner letter explaining new assessment and bookkeeping system

4.2 Ad hoc Budget Committee Report

Follow-up: Nadim Issa - phone tree on committee membership

4.3 Nominating Committee Report

Follow-up: J. Murphy & E. Schieffelin - Coordinate finalizing nominees

Follow-up: J. Murphy - Mail annual mtg. notice and ballots by 10/10/97

Follow-up: C. Healy - Prepare eligible voter list for election

Follow-up: J. Murphy - Prepare polling official statement to sign & notarize

Follow-up: E. Schieffelin - Revise ballot for approval at next meeting.

Follow-up: D. Kehoe & Margaret Alfaro - Develop a proxy statement for approval at next meeting

Follow-up: C. Healy - Prepare phone tree re paying community assessments

Follow-up: J. Murphy - Draft annual mtg. letter for approval at next mtg.

Follow-up: J. Murphy - Discuss Ombudsman nomination with Linda Ulrich

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
October 6, 1997

4.4 Ad hoc Road Committee Report

Follow-up: W. Wunsch - Submit road report to secretary by 10/3/97

5. Ombudsman Report

6. Unfinished Business

6.1 Nap Weed Spraying Notice to Landowners

Follow-up: J. Murphy - Ask Linda Ulrich to chair a noxious weed committee

6.2 Complaint Procedure

Follow-up: L. Hodges - format complaint form for Board approval

6.3 Teaching Center Land Donation

Follow-up: P. Wolberd - Memo church ex. comt. re meeting

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

October 20, 1997

1. Call to Order, Prayer -- Patrick Wolberd opened the meeting at 7:40 p.m. Present: Patrick Wolberd (President), Eleanor Schieffelin (Vice President), Joan Murphy (Secretary), Dan Kehoe, Sr., Marjorie Lombard and Carla Healy. Absent: Nadim Issa (Treasurer), Walter Wunsch, Philip Hoag.

2. Reading and Disposition of Minutes -- The minutes of October 6, 1997 were approved as corrected.

3. Order of Business -- The following items were discussed out of order:

3.1 (Agenda Item 8.5) Kramer Subdivision.
Discussion: Neil and Linda Kramer presented to the Board a temporary minor subdivision plat for Parcel No. 18, Glastonbury South. The Kramers said that all of the other co-tenants of the parcel had given them approval to subdivide the land into two tracts, with only the Kramer homesite on the northern tract. There was discussion about this, as well as about the nomenclature for "tract," and whether or not the GLA should retain that nomenclature in the future.
Action: Since all the co-tenants share a joint well, the Board advised that the Kramers either secure a Well Agreement prior to subdivision with the other co-tenants, or drill their own well.
Action: It was agreed that any past points of non-compliance with Glastonbury rules would not be deemed "approved" should the GLA agree to any subdivision of the parcel into tracts.
Follow-up: C. Healy will provide the Kramers with a preliminary subdivision review checklist by the next Board meeting. Once the Kramers have completed the required items on the checklist, the Board will take the subdivision proposal to the next level. The matter of nomenclature was tabled.

3.2 (Agenda Item 4.4) Ad Hoc Road Committee Report.
Discussion: D. Newhouse gave a road report for Chairman W. Wunsch. D. Newhouse also presented a draft budget for road and related matters that he and J. Healy had put together, with the details as follows.

3.2.1 Road Work - Grading and ditching, snowfencing, snow removal and weed cutting.
Discussion: A. Mann had told J. Healy that he would charge $65/hr for road grading and ditching. D. Newhouse said he assumed this would include no charge for travel costs, and indicated he would confirm this with Mann. Regarding snowfencing, the

Road Committee estimated that it would take 4 days for Richard Johnson to install and repair snowfences in North and South Glastonbury; the rough estimate provided was 4 days at $10/hr for a total of $320 for labor plus $85 for materials. Regarding snow removal, the Road Committee presented the Board with an estimated cost of $5,000. It was noted by a Board member that the bill for snowplowing was $15,000 last year. C. Healy said that the Church had retained A. Mann to do snow removal in both the Golden Age Village and the road at the bottom of Sirius Dr. Norm Garwood will be doing the work for him, and plans to keep the grader at his lot in the Golden Age Village during the winter. Regarding weed cutting along the roads, no one had been contacted to bid on this. The Road Committee estimated that it would take around $1,000 do to the job in North and South Glastonbury combined.

Action: It was decided that the Board should obtain all bids in writing. M. Lombard moved, D. Kehoe seconded that the GLA Board authorize a maximum of $3,000 for winter road preparation work (grading and ditching) for North and South Glastonbury combined, once the Mann contract has been signed and approved. The vote was unanimous.

Action: C. Healy moved and D. Kehoe seconded that the GLA enter into a contract with R. Johnson to install and repair existing snow fencing in North and South Glastonbury, at a cost not to exceed $450, using his own or rented equipment. The vote was unanimous.

Follow-up: D. Newhouse is to negotiate the contract with A. Mann for an ongoing road maintenance agreement, including snowplowing, for the next 6 months. The Board asked that he represent the interests of the GLA and try to negotiate for a contract without travel costs; however, he is to use his discretion regarding this matter. The Board approved P. Wolberd to sign the contract if it is within the limits of the motion approved in section 3.2.4 of the October 6 minutes. If there is any deviation from that motion, he will call for a phone poll of the Board regarding the bid.

Follow-up: C. Healy is to contact R. Johnson to ask him to submit a formal written bid for snow fence work.

3.2.2 Road maintenance schedules.

Discussion: The revised road report for North Glastonbury was submitted by D. Kehoe for W. Wunsch and the Road Committee (see attached). It was noted that in addition to the report, a prioritized schedule of road maintenance was still needed.

Follow-up: W. Wunsch is to see that a member of the Road Committee prepare and present a schedule for road work in both North and South Glastonbury to the Board at the next meeting.

3.2.3 (Agenda Item 8.3) Alexander Road Letter. The Board was presented with a letter dated 9-20-97 that had been submitted to Royal Teton, Ltd. by John and Eileen Alexander, with a copy to the GLA, detailing their road problems (see attached).

Follow-up: W. Wunsch is to reply for the GLA Board to the developer's response to the Alexander letter once it had been received. D. Newhouse volunteered to help by talking to the Alexanders to see if they will accept the degree of road steepness as it currently

exists if the developer will agree to grade and ditch the road properly. C. Healy is to do what she can to expedite action on the part of the developer.
Follow-up: P. Wolberd is to send a letter of acknowledgment to the Alexanders relaying that the GLA received a copy of their letter, and that he trusts the ongoing negotiations will help to work out a solution. He is also to relate that many of the Alexander's items of concern had been included in the Board's road report to the developer.

3.2.4 Road letter from the GLA to the developer. P. Wolberd read a draft letter, to which was attached the revised road report of 10-20-97 (see attached).
Action: It was agreed to send the letter to the developer as written.
Follow-up: P. Wolberd to send the letter.

3.2.5 Road Committee Follow-ups.
Follow-up: Wunsch - Submit revised road report to secretary by 10-20-97 -- done.
Follow-up: Wunsch - Prepare Capricorn Dr. letter to county -- carry over.
Follow-up: Wunsch - Bodeaux et al. and MacDonalds et al. letter -- carry over.
Follow-up: Wunsch - Prepare developer letter -- mailed 10-20-97.
Follow-up: Wunsch - Prepare road maintenance schedule -- carry over.
Follow-up: Wunsch - Obtain Mann bid -- to be completed by D. Newhouse.
Follow-up: Wunsch - Present snowplowing research -- carry over.
Follow-up: Wunsch - Obtain Johnson snowfence bid -- verbal only. See 3.2.1 above.
Follow-up: Issa - Obtain weed cutting info -- carry over.
Follow-up: GLA Board - Inspect High South tree demolition along road by Kehoe shelter -- tabled.
Carry over: Committee composition conflict of interest -- There was consensus that anyone serving on the Board or a Committee of the GLA who finds himself in a conflict of interest in a capacity in which he is serving, shall abstain from any voting on such a matter. *(Guideline)*

4. Reports of Officers and Committees --

4.1 Treasurer Report - None.
Follow-up: Wunsch & Issa - Retain D. Holm and obtain a letter of understanding regarding services -- carry over.
Follow-up: Issa - meeting with H. Krammer to set up bookkeeping -- done.
Follow-up: Healy - Get with H. Krammer to transition bookkeeping -- done. It was noted by J. Murphy that she had been opening all the Glastonbury box mail, and giving to H. Krammer the checks to process. The Board agreed that it was best for a Board member to open the mail. *(Guideline)*
Follow-up: Draft landowner letter explaining new assessment and bookkeeping system with Assessments -- tabled.
Follow-up: Issa - Pay Mann and Elliot bills -- carry over.
Follow-up: Issa - Set-up petty cash fund and procedures -- carry over.

4.2 Ad hoc Budget Committee Report. None.

4.3 Nominating Committee Report.

4.3.1 Ballot date and time.

Discussion: J. Murphy reported that she had mailed the meeting notifications and ballots. She said the "Glastonbury Herald" had printed the date for the voting as Nov. 16, but that the Telephone Tree had correctly said Nov. 15.

Action: It was decided to send out another Telephone Tree as a reminder, stating the correct date, time and place, and also to have this announced at all services the weekend before the annual meeting.

Follow-up: J. Murphy is to be sure the tree and announcements are provided to those distributing the messages.

4.3.2 Nominating Committee Follow-ups.

Follow-up: Healy - Prepare landowner/voter list for election by 10-31-97 -- carry over.
Follow-up: Murphy - Prepare polling official statement - done.
Follow-up: Murphy - Secure annual meeting location -- done (Emigrant Hall).
Follow-up: Murphy - Certify which landowners are eligible to vote -- carry over.

4.4 Ad hoc Road Committee Report. See 3.2 above.

5. Ombudsman Report -- None.

6. Unfinished Business --

6.1 Knap weed spraying notice to landowners.

Discussion: Linda Ulrich is not interested in the job of chairing a noxious weed committee.

Action: The formation of such a committee was tabled.

6.2 Complaint procedure.

L. Hodges finalized the complaint form and a copy was handed out to each member.

Follow-up: J. Murphy is to provide copies of the form at the Annual Meeting for any interested landowners.

6.3 Teaching Center land donation.

P. Wolberd mailed a letter to the church regarding a meeting. A response was received from E. Francis that the issue would be presented to the executive board of the Church.

6.4 Lunden subdivision review.

J. Murphy informed the applicant of the Board's decision.

6.5 Procedure/guideline book.
L. Hodges established a guidelines book and will continue to maintain it.

7. Tabled Business --

7.1 Court Ordered Community Service -- (N. Issa)
7.2 William Pitt No Trespassing Signs -- (C. Healy)
Follow-up: Tabled pending completion of complaint form.
7.3 Response to assessment reimbursement memo --(C. Healy)
7.4 Community Assessment Fund reimbursement from Community Planning Fund --
Follow-up: C. Healy to respond to Kehoe draft reimbursement request memo.
7.5 Ad hoc Budget Committee budget development -- tabled until after elections.
7.6 Review of the "Community of Glastonbury Policies and Standards for Subdivisions" section 4.4 (installation of utilities) for possible revision.
7.7 Establish a protocol for committee membership approval.
7.8 Public Access on Roads -- (P. Hoag).
7.9 Glastonbury South Fire Water Reservoir Requirement -- (N. Issa)

8. New Business --

8.1 Developer transfer of deeds and other relevant records to GLA. (P. Wolberd)
Action: It was agreed that the Board would only request from the developer those deeds and other documents related to parcels/tracts with an active status before the Board. *(Guideline)*

8.2 Public access on Glastonbury roads. (P. Hoag). Tabled at previous meeting.

8.3 Alexander letter presentation. (J. Murphy) - See 3.2.6 above.
8.4 Glastonbury South fire water reservoir requirement (N. Issa) -- tabled at previous meeting.

8.5 Kramer subdivision. See 3.1 above.

8.6 Roach arbitration letter.
Discussion: Margaret Roach wrote a letter requesting that the GLA Board arbitrate a subdivision line dispute between the co-tenants of Parcel 47 North (see attached). There was discussion regarding the ongoing nature of disputes on the parcel, and the probable lack of objectivity on the part of each of the Board members.
Action: M. Lombard moved and E. Schieffelin seconded that the Board advise M. Roach that it would be in the best interests of the co-tenants of Parcel 47 North that they resolve their dispute(s) through either binding arbitration or the courts. The vote was unanimous.
Follow-up: P. Wolberd is to relay this decision to M. Roach.

8.7 Fee simple clarification. C. Healy asked that if anyone had questions about the fee simple conversion process they should contact her about them directly.

8.8 Project reviewer - identification and payment.
Discussion: It was decided that the GLA will need to hire someone to do subdivision review on a regular basis.
Action: The issue was tabled until the new Board could address it.
Follow-up: C. Healy is to ask James Healy if he would be willing to do this review for the GLA.

9. Open Floor Comments -- None.

10. Next Meeting -- Monday, November 3, 1997, 7:30 p.m. at South Glastonbury.

11. Adjournment -- The meeting was adjourned at 10:30 pm.

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
October 20, 1997

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report

Follow-up: W. Wunsch & N. Issa - retain Doug Holm & obtain a letter of understanding regarding services provided by 10/20/97

Follow-up: N. Issa - meet with Hildegarde Krammer to set up bookkeeping by 10/7/97

Follow-up: C. Healy - Get with H. Krammer to transition bookkeeping by 10/20/97

Follow-up: W. Wunsch - Draft landowner letter explaining new assessment and bookkeeping system in time for November assessment notice

Follow-up: N. Issa pay Man and Elliot bills

Follow-up: N. Issa set up petty cash fund and procedures

4.2 Ad hoc Budget Committee Report

4.3 Nominating Committee Report

Follow-up: J. Murphy - Mail annual mtg. notice and ballots by 10/10/97

Follow-up: C. Healy - Prepare landowner/voter list for election by 10/31/97

Follow-up: J. Murphy - Prepare polling official statement to sign & notarize

Follow-up: J. Murphy - Secure an annual meeting location

Follow-up: J. Murphy - Certify which landowners are eligible to vote

4.4 Ad hoc Road Committee Report

Follow-up: W. Wunsch - Submit revised road report to secretary by 10/20/97

Follow-up: W. Wunsch - Prepare Capricorn Dr. letter to County by 10/20/97

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
October 20, 1997

Follow-up: W. Wunsch - Prepare Bodoh, et al letter by 10/20/97

Follow-up: W. Wunsch - Prepare developer letter by 10/20/97

Follow-up: W. Wunsch - Prepare road maintenance schedule by 10/20/97

Follow-up: W. Wunsch - Obtain A. Mann bid by 10/20/97

Follow-up: W. Wunsch - Present snowplowing research at 10/20/97 meeting

Follow-up: W. Wunsch - Obtain R. Johnson bid by 10/20/97

Follow-up: N. Issa - Obtain weed cutting info by 10/20/97

Follow-up: All Board Members - Inspect High South tree cutting along road by Kehoe shelter for further discussion

Carry Over: Committee composition conflict of interest

5. Ombudsman Report

6. Unfinished Business

6.1 Nap Weed Spraying Notice to Landowners

Follow-up: J. Murphy - Confirm Linda Ulrich's interest in chairing a noxious weed committee

6.2 Complaint Procedure

Follow-up: L. Hodges - Finalize complaint form format & give to J. Murphy

6.3 Teaching Center Land Donation

Follow-up: P. Wolberd - Mail letter to church ex. comt. re meeting

6.4 Lunden Subdivision Review

Follow-up: J. Murphy - Inform the applicant of the Board's decision

6.5 Procedure/Guidelines book

Follow-up: L. Hodges - Establish a guidelines book

RE: LANDOWNERS ASSOCIATION/INTERVENTION INTO PENDING SUIT
PARCEL 47, NORTH GLASTONBURY

Dear Margaret:

I have reviewed the material which you brought to me concerning the formation and establishment of a Landowners Association in North Glastonbury.

I think that it is a great idea and in fact it is mandated by Montana law that there be a homeowners association to take over the governing duties of the property. This association will generally be used to settle disputes, maintain roads, and do other things all for the common good of the people owning property within the subdivision.

As you know, the language contemplated allows for intervention by the association into any lawsuit between neighboring landowners. This is important and critical in the overall master plan and an orderly development of North Glastonbury. If the association was not involved in the lawsuit, they would have no say as to how each individual dispute is resolved. This would be a form of "micro-governing" as opposed to looking at an overall view toward implementing a valid, acceptable master plan.

I would urge that you encourage the association to intervene in this lawsuit and ask the court for another mediation or any other form of alternative dispute resolution for the matters actually at issue.

In reviewing the recent correspondence between Dulce and Nancy, it appears as though things have moved closer together and then moved somewhat apart. Hopefully with a fair sounding before

some of her peers, Nancy would be agreeable to go back to the resolution as suggested and worked out back in May of 1997. If I can be of any further assistance, please do not hesitate to call or write.

Best Wishes,

KARL KNUCHEL

1997-11-03_BDGN.pdf

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

November 3, 1997

1. Call to Order, Prayer -- Eleanor Schieffelin opened the meeting at 7:35 p.m. Present: Eleanor Schieffelin (Vice President), Joan Murphy (Secretary), Dan Kehoe, Sr., Walter Wunsch, Philip Hoag and Carla Healy. Absent: Patrick Wolberd (President), Nadim Issa (Treasurer), Marjorie Lombard.

2. Reading and Disposition of Minutes -- The minutes of October 20, 1997 were approved as corrected.

3. Order of Business -- The following items were discussed out of order:

3.1 (Agenda Item 6.3) Roach arbitration request.
Discussion: Margaret Roach presented a letter dated 10-15-97 from Karl Knuchel, Esq. to her (see attached). She once again requested that the GLA Board assist in arbitration with the unresolved problems on Parcel 47 North, prior to their court date of December 4.
Action: P. Hoag moved, J. Murphy seconded that (1) the matter was one for the new Board, and (2) before the matter could be even be presented to that new Board, all co-tenants of Parcel 47 North would need to sign a unanimous written consent that they would abide by any and all arbitration on the part of that Board, should they decide to arbitrate. The vote was unanimous.
Follow-up: There was consensus that once a new Board had been elected, someone on that Board should get advice from an attorney to see if the GLA has any sort of responsibility to arbitrate in disputes between landowners.

3.2 (Agenda Item 8.2) Baughman letter.
Discussion: J. Murphy presented a letter Jack Baughman had written to Edward Francis, with a copy addressed to P. Wolberd (see attached). C. Healy read E. Francis' response to Baughman (see attached). There followed discussion about duplicate enforcement of various subdivision requirements, such as whether or not landowners needed to submit to both the GLA and Park County for approval and enforcement of modification of their community water systems. One member noted that the county had a number of pending subdivisions in Glastonbury that it would like to complete. Another member reminded the group that when the Glastonbury Project Review Committee (GPRC) was first formed, the county had very few if any subdivision requirements, and that the county later patterned their own requirements after those of the GPRC.
Action: D. Kehoe moved, P. Hoag seconded that the matter be tabled until the new Board was established and had formed a new GPRC to study any duplications or redundancies in project reviews, in hopes of more streamlined procedures. The vote was unanimous.

Follow-up: J. Murphy will call Jack and Carla Baughman to tell them that although the GLA Board might be inclined to grant them a water system variance, nothing could be done until both the Baughmans had submitted the appropriate paperwork and the new Board had been elected.
Follow-up: It is hoped that the new Board will look into the matter of requirement duplications, with an eye towards streamlining development requirements for the landowners.

3.3 (Agenda Item 4.3) Nominating Committee Report.

3.3.1 Agenda for annual meeting.

Discussion: The Board discussed matters that they would like to see included in the upcoming annual meeting on Saturday, November 15.
Action: There was consensus that there would be a table at the entrance to the meeting to determined which landowners were available to vote. The table would be staffed by two members of the Board, who would collect assessments should any landowner wish to pay them in order to qualify to vote.
Action: W. Wunsch moved, P. Hoag seconded that, due to confusion in the transfer of bookkeeping from CUT to the GLA administration, in the case of any dispute about assessment payments during the annual meeting, the GLA will allow any landowner to vote if it appears he is in arrears of $100 or less, and that resolution of the amounts owed should be worked on at a later date. The vote was unanimous.
Action: There was consensus that J. Murphy, E. Schieffelin and L. Hodges should meet to determine the exact order of the items to be incorporated at the meeting, as well as to organize and secure necessary materials for the meeting. They will then run the agenda by C. Healy. L. Hodges is to finalize the voting checklists for North and South Glastonbury.
Follow-up: J. Murphy, E. Schieffelin and L. Hodges are to meet this week and plan the meeting agenda. J. Murphy is to distribute the printed agenda to each Board member prior to the meeting.
Follow-up: C. Healy is to provide L. Hodges with a disk containing one list for all the Glastonbury North landowners and one list for all the Glastonbury South landowners, and the status of amounts owed in community assessments by each.
Follow-up: L. Hodges is to design 3 lists and get them to J. Murphy prior to the annual meeting: one for the assessment table with amounts owed by each landowner, and one each for Glastonbury North and South residents with room for their signatures.
Follow-up: C. Healy is to determine prior to the meeting if the Church is paid up on its assessments and, if not, to get a check in the proper amount to H. Krammer.

3.3.2 Nominating committee follow-ups.

Follow-up: C. Healy - Prepare eligible landowner/voter list for election -- see 3.3.1.
Follow-up: J. Murphy - Prepare landowner/voter list -- see 3.3.1.
Follow-up: E. Schieffelin - Revise ballot for approval at next meeting -- done.
Follow-up: D. Kehoe and M. Alfaro - Develop proxy statement -- done.
Follow-up: C. Healy - Prepare phone tree re paying assessments -- done.
Follow-up: J. Murphy - Certify which landowners are eligible to vote -- see 3.3.1 above.

Follow-up: J. Murphy - Complete follow-up annual meeting letter and phone tree by 11-8-97. It was decided that Joan would send the announcement to the local area landowners (Livingston residents, Bozeman residents, Board members and Board candidates), as well as post the letter at each Glastonbury Teaching Center. C. Healy is to prepare the phone tree and get it to J. Murphy, who is to see that, in addition to being called out, it is read at each weekend service prior to the annual meeting.

3.3.3 Ad hoc Road Committee meeting with the developer.

Discussion: It was mentioned that the first day Edward Francis and others from the developer can meet to discuss the GLA's Road Committee Report and proposal is Monday evening, December 1, at The Ranch Kitchen.

Follow-up: P. Wolberd is to respond to E. Francis regarding setting a time for the meeting of the GLA Road Committee with the Church.

Follow-up: C. Healy is to ask J. Healy about the status of the grading of the Alexander road in Glastonbury North.

4. Reports of Officers and Committees --

4.1 Treasurer's Report - None.

Follow-up: Wunsch & Issa - Retain D. Holm and obtain a letter of understanding regarding services -- done (see attached).

Follow-up: Draft landowner letter explaining new assessment and bookkeeping system in time for Assessment notice -- carry over to the new Board.

Follow-up: Issa - Pay Mann and Elliot bills -- done.

Follow-up: Issa - Set-up petty cash fund and procedures -- carry over.

4.2 Ad hoc Budget Committee Report. None.

4.3 Nominating Committee Report. See 3.3 above.

4.4 Ad hoc Road Committee Report. See 3.3. above.

Follow-up: W. Wunsch - Prepare Capricorn Drive letter to County -- carry over.

Follow-up: W. Wunsch - Prepare Bodeaux et al. letter -- carry over.

Follow-up: W. Wunsch - Prepare road maintenance schedules for G. North and G. South -- carry over.

Follow-up: W. Wunsch - Obtain Mann contract -- done.

Follow-up: W. Wunsch - Present snowplowing research -- carry over.

Follow-up: D. Kehoe - Obtain bid from Mann for snowplowing not involving his larger equipment -- carry over.

Follow-up: C. Healy - Obtain Johnson snowfence bid -- carry over.

Follow-up: N. Issa - Obtain weed cutting information -- carry over. It was noted that ditching had taken care of many of the weed problems.

5. Ombudsman Report -- None.

6. **Unfinished Business --**

6.1 Alexander copy of letter to developer.
Follow-up: P. Wolberd - acknowledge receipt of letter by 11-3-97 -- done (see attached).

6.2 Kramer subdivision application.
Follow-up: C. Healy - review and complete check list for Kramers -- C. Healy asked that another person on the GLA Board volunteer or be assigned to take over this duty. Carry over to the new Board.

6.3 Roach arbitration request.
Follow-up: P. Wolberd - call M. Roach with Board decision not to pursue -- done.

6.4 GLA complaint form distribution
Follow-up: J. Murphy - distribute form at annual meeting.

6.5 Teaching Center land donation.
Follow-up: P. Wolberd - follow-up on E. Francis response letter -- carry over.

6.6 Lunden subdivision application.
Follow-up: J. Murphy - inform applicants of Board decision -- done.

7. **Tabled Business --**
- 7.1 Court Ordered Community Service -- (N. Issa)
- 7.2 William Pitt No Trespassing Signs -- (C. Healy)
- 7.3 Community Assessment Fund reimbursement from Community Planning Fund -- Follow-up: C. Healy to respond to Kehoe draft reimbursement request memo.
- 7.4 Ad hoc Budget Committee budget development -- tabled until after elections.
- 7.5 Protocol for documents review and copying
- 7.6 Review of the Community of Glastonbury Policies and Standards for Subdivisions section 4.4 Installation of Utilities for possible revision.
- 7.7 Establish a protocol for committee membership approval.
- 7.8 Public access on Roads -- (P. Hoag). It was noted that a sign was needed at the bottom of Arcturus and Sirius. Tabled for the new Board.
- 7.9 Glastonbury South fire water reservoir -- (N. Issa)
- 7.10 Tree destruction in High South
- 7.11 Noxious weed committee formation
- 7.12 Discuss hiring of Project Reviewer and cost -- (C. Healy)

8. **New Business --**

8.1 Providing copies of association documents to members. (J. Murphy)
Discussion: A landowner asked Secretary Murphy for a copy of the Bylaws. She asked what fee, if any, should be charged.
Action: There was consensus that in this instance she would charge the landowner $2.50 plus postage.

Follow-up: The general question of providing copies, and at what cost, is to be carried over for the new Board.

8.2 Copy of Baughman letter to E. Francis. See 3.2 above.

8.3 Annual Meeting agenda. (J. Murphy) See 3.3.1 above.

9. Open Floor Comments -- None.

10. Next Meeting -- This will be the first annual meeting, Saturday, November 15, 1997, starting at 10:00 a.m. sharp at Emigrant Hall.

11. Adjournment -- The meeting was adjourned at 10:15 pm.

Church Universal and Triumphant®

November 3, 1997

Mr. Jack Baughman
Post Office Box 951
Emigrant, Montana 59027

Dear Jack,

I sympathize with your plight as expressed in your recent letter.

I do not generally agree with granting variances from subdivision requirements if it would result in a substandard condition that a future buyer would not expect to find. As you know, we have granted delays in meeting required conditions in many cases in the community. In some cases the conditions have been subsequently satisfied and in other cases they have not. An important factor in these cases is whether there is any mechanism that will insure future compliance.

Actually, the Glastonbury Landowners Association (GLA) did not follow our recommendation regarding a requested variance in another similar case. In that case, the owner had asked for a variance to not have to pay for the installation of electrical and telephone service to the boundary of the new tracts and to delay the upgrade of an existing shared water system until after filing of the final plat in a manner similar to you.

I recommended to the GLA board, through Carla Healy, that a variance not be given for withholding electric and telephone service because that is normally a responsibility of a developer and all of the other vacant lots in Glastonbury have been sold with those services on-site. I also

BOX 5000, CORWIN SPRINGS, MONTANA 59030-5000
406-848-7381

recommended that, if a variance was to be given, that it be for upgrading the water system since the system was already in place and operating.

The GLA board, for reasons I am not fully aware of, did not follow those recommendations and instead allowed a variance for the electric and telephone services and denied the variance for delaying the upgrading of the existing water system.

I do not personally see why you should not be given the variance you are seeking. However, this decision is now wholly in the hands of the GLA board.

Very truly yours,

Church Universal and Triumphant, Inc.

Edward L. Francis
Executive Vice President

Edward L. Francis
Royal Teton Ranch
P.O. Box 5000
Corwin Springs, Montana 59030-5000

Dear Edward:

I am writing you about a situation that I am anticipating will occur relating to my efforts to complete a minor subdivision here in North Glastonbury. William Smith has been commissioned by me to manage this project and it is through him that I am aware of this impending problem which I will describe to you.

We have been informed by the state that they will require changes to a community water service system that we have been using on lot 10 for about 8 years. This change involves removing a pumping facility that is currently installed below ground in a concrete structure and placing it above ground. To do this we will have to build an above ground structure to house the pumps, pressure tanks, distribution piping and electrical service. Willliam has a design for this structure and we had intended to build it next spring when the weather permits. The state will allow us to go forward with our subdivision on the basis that we have a design that meets their requirements and have expressed our intent to complete it in a timely manner.

The situation that I have alluded to is that William has been to the Glastonbury Landowners Association (GLA) with a request for a variance on their permit to allow a subdivision on parcel 32 in South Glastonbury, which has a similar need for a water system modification, and has been denied. When William asked the reason for their denial he was informed that such variances were being denied on your recommendation because Glastonbury landowners have a history of not living up to their obligations. To impose this requirement to complete the water system modifications, before allowing the subdivision to go ahead, places a severe time constraint on a project that has already been delayed for nearly two years because of various reasons relating to the restructuring of the arrangements between the Church and the Community. In delaying our submittal to the County we are also facing the possibility of needing to request an extension at a time when they are trying to get Glastonbury subdivision matters terminated. The cost to the Lot 10 owners for this modification is not insignificant, being approximately $4000.

Carla and I feel quite chagrined that we have been placed in a classification of persons that are irresponsible in attending their obligations. Over the years, since the Church first became involved in looking for and then acquiring the properties in Montana, we have been substantial supporters with both our supply and our devotions. We have taken positions in line line with the Church's efforts in public forums particularly with the environmental impact statements.

P.O. Box 951, Emigrant, Montana 59027 (406) 333-4326 Email: jackb@in-tch.com

all this time we have been diligent in attending our obligations.

The stated reason for denying this type of variance is not substantial because the state will follow up to assure that the requirement has been met. In responding to the state William has, in effect, vouched for the completion of this project by attaching his signature as a professional engineer in the State of Montana.

I realize that the action in refusing the variance was that of the GLA, and not yours. However, your influence in establishing guidelines for their action is not insignificant and should not be made as all encompassing but treated on a case-by-case basis.

Sincerely yours,

Jack Baughman

John & Eileen Alexander
P.O. Box 1633
Emigrant, MT 59027

Dear John & Eileen,

The GLA Board is in receipt of the copy of your 9-20-97 letter to the developer. Many of the items noted in your letter were addressed in our road report which was also sent to the developer. We understand that David Newhouse, a road committee member, has also been working with you and offering some helpful suggestions.

We trust that on-going negotiations with the developer will remedy the concerns we all have expressed.

Please keep us informed and we will do likewise.

Sincerely,

Patrick Wolberd, Board President
Glastonbury Landowners Association

Final

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

November 17, 1997

1. Call to Order, Prayer -- Patrick Wolberd opened the meeting at 7:00 p.m.
Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Philip Covington, Andrew Field, Peggy Keathley, David Newhouse, Walter Wunsch. Also present were Laurel Matthews and Margaret Roach, Ombudsmen.
Absent: Philip Hoag. Secretary J Murphy passed around a Waiver of Notice of Meeting, which was signed by all present Board members.

2. Reading and Disposition of Minutes -- The minutes of November 3, 1997 were approved as corrected.

3. Order of Business -- There were no Agenda items discussed out of order:

4. Reports of Officers and Committees --

4.1 Treasurer's Report.
Discussion: J. Murphy asked to be reimbursed for $144 for the annual meeting costs. Question: Who are the signatories on the GLA account? Answer: M. Scoble had requested that the bank note P. Wolberd, D. Kehoe, Jr. and herself as the signatories. It was felt that all officers should be signatories, as well as one more person from South Glastonbury.
Action: A. Field moved, H. Brailsford seconded that Secretary J. Murphy and W. Wunsch be added as signatories on the GLA account. The motion passed unanimously.
Follow-up: M. Scoble - Reimburse J. Murphy $144 prior to the next meeting.
Follow-up: M. Scoble - Add herself, J. Murphy and W. Wunsch as signatories on the GLA account.
Follow-up: M. Scoble - draft landowner letter explaining new assessment and bookkeeping system to accompany next assessment notice.
Follow-up: M. Scoble - Set-up petty cash fund and procedures by 12-15-97.

4.2 Finance Committee Report.
Discussion: P. Wolberd suggested that there be a member of the Road Committee on the Finance Committee, since so many of the assessment funds are used for road maintenance.
Follow-up: M. Scoble - Begin to solicit landowners for the Finance Committee.

4.3 Nominating Committee Report.
Discussion:
C. Healy - Prepare eligible landowner/voter list for election -- done.
J. Murphy - Prepare landowner/voter list -- done.
E. Schieffelin - Revise ballot for approval at next meeting -- done.

D. Kehoe and M. Alfaro - Develop proxy statement -- done.
C. Healy - Prepare phone tree re paying assessments -- done.
J. Murphy - Certify which landowners are eligible to vote -- done.
J. Murphy - Complete annual meeting notice and phone tree -- done.
J. Murphy/L. Hodges - Prepare and distribute annual meeting agenda -- done.
C. Healy - Prepare landowner/assessment disk -- done.
L. Hodges - Prepare landowner/assessment lists -- done.
C. Healy - confirm with H. Krammer Church assessment paid -- done for 1996 only.
Follow-up: M. Scoble is to contact C. Healy re the 1997 assessments which are still due.

4.4 Road Committee Report.

Discussion: Regarding road grading, W. Wunsch mentioned that there are still areas in the High South that need to be graded, but that all of the allocated funds had already been spent. He also said that G. Elliott is interested in selling his grader for around $3,500. D. Newhouse said he had done most of the Alexander road grading, but that it still needed a bit more ditching. Regarding snowplowing, W. Wunsch read the letter he had sent to E. Francis requesting that the developer give the GLA the old snowplow and truck which had formerly been used on the Glastonbury roads (see attached). D. Newhouse said R. Johnson had told him he would snowplow for the community with the Elliott grader any time necessary. Regarding snowfencing, W. Wunsch said this had been done by R. Johnson, but that neither a written bid nor a statement had been obtained. Regarding weed cutting, P. Wolberd noted that most road weeds had been taken care of by the recent grading, but that some work still needed to be done. D. Newhouse suggested first grading the weeded roadside areas, and then mowing them as follow-up maintenance.
Follow-up: W. Wunsch - Call E. Francis to confirm that the developer will have an answer on the old snowplow and truck by the 12-1-97 meeting.
Follow-up: D. Newhouse -- Contact R. Johnson, W. Mansaw (light snow only) and A. Mann for snowplowing bids by 12-15-97.
Follow-up: D. Newhouse - Obtain a written bid and statement from R. Johnson for the snowfencing work already done and for that still to be done by 12-1-97.
Follow-up: D. Newhouse - Present a proposal to the Board regarding road weed maintenance by 12-15-97.
Follow-up: W. Wunsch - Prepare Capricorn Drive letter to County by 12-1-97.
Follow-up: W. Wunsch - Prepare Bodeaux et al. letter by 12-1-97.
Follow-up: W. Wunsch - prepare a proposal for road maintenance still needed in the High South by 12-15-97.
Follow-up: D. Newhouse - Prepare road maintenance schedules for G. North and G. South by 12-15-97.
Follow-up: D. Newhouse - Finish volunteer ditching of J. Alexander road.

5. **Ombudsmen Reports** -- None.

6. **Unfinished Business** --

6.1 Kremer subdivision application.
Follow-up: P. Hoag - Obtain reviewer to complete check list for Kremers by 12-1-97.

6.2 Roach arbitration request.
Discussion: P. Wolberd said that Dan Kehoe, Sr. had called John Glover, the GLA attorney, regarding the Parcel 47 North request for arbitration. He read a response letter that he had received from the attorney (see attached). M. Roach requested that she be allowed to have a copy of the letter to give to her attorney.
Action: A. Field moved, H. Brailsford seconded that a copy of the letter be given to both M. Roach and N. Wintroub to provide to their respective attorneys. The motion passed unanimously.
Follow-up: J. Murphy is to give M. Roach and N. Wintroub copies of the letter as soon as possible.

6.3 GLA complaint form distribution.
J. Murphy reported that she had distributed this form at the annual meeting, and also to each of the Board members at the present meeting.

6.4 Teaching center land donation.
Follow-up: P. Wolberd - follow-up on E. Francis response letter by 12-1-97.

6.5 Baughman letter.
J. Murphy reported that she had notified both Jack and Carla Baughman of the GLA's decision.

6.6 Streamlining project review standards.
Follow-up: P. Hoag and A. Field - Review the Community of Glastonbury Policies and Standards for Subdivisions Section 4.4 "Installation of Utilities" for possible revisions, and present them in written form to the Board.

6.7 Document copies.
Action: J. Murphy moved, and it was seconded that if a document has been recorded in the county, a landowner should request copies from the county, not the GLA. The motion passed unanimously.
Follow-up: J. Murphy - recommend a fee guideline for copies to landowners of documents not recorded in the county.

7. Tabled Business --

7.1 Court Ordered Community Service -- (N. Issa)
7.2 William Pitt No Trespassing Signs -- (C. Healy) - See 8.2.
7.3 Community Assessment Fund reimbursement from Community Planning Fund -- Discussion: It was mentioned that since there was now a fair amount of money in the assessment fund, it might not be as important to follow up on this request as it

had been when the GLA was founded. Since there was not consensus on this view, it was agreed that the Board not withdraw the request.

7.4 Ad hoc Budget Committee budget development tabled-- see 4.1.

7.5 Protocol for documents review and copying -- see 6.7.

7.6 Omitted from agenda.

7.7 Establish a protocol for committee membership approval.

7.8 Public access on Roads -- (P. Hoag). See 8.9.

7.9 Glastonbury South fire water reservoir -- (N. Issa)
Discussion: One member explained that the county fire chief had said that subdivisions would probably not be granted in the High South until there was a fire water reservoir.
Action: There was consensus that this matter be tabled until someone in the High South requested approval of a subdivision or until the LUMP committee is formed.

7.10 Tree destruction in High South -- dropped. It was noted that anyone giving instructions to A. Mann or others regarding snowplowing or grading in the High South should be very specific about the way any trees that are in the way should be handled.

7.11 Noxious weed committee formation

7.12 Discuss hiring of Project Reviewer and cost -- (P. Hoag) - See 6.1.

8. New Business --

8.1 Kremer resignation letter. *(J. Murphy)*
Discussion: P. Wolberd read a resignation letter from Linda Kremer (see attached).
Action: P. Keathley moved, M. Scoble seconded that the Board accept Linda's resignation. Nine members voted yes, J. Murphy abstained. The motion carried.
Follow-up: Each Board member is to deliberate upon the best method for filling the vacant position.
Follow-up: P. Wolberd is to send a letter of acknowledgment to Linda.

8.2 Alfaro complaint. *(J. Murphy)*
Discussion: The members read a complaint form regarding William Pitt submitted by Colon Alfaro (see attached).
Action: The matter was tabled pending completion of a complaint protocol to be reviewed by the Board.
Follow-up: H. Brailsford will note the location of the No Trespassing and No Parking signs by the next meeting.
Follow-up: D. Kehoe, Jr. and A. Field - Provide a rough draft of a complaint protocol to the Board by the next meeting.

8.3 Wintroub complaint. *(J. Murphy)*
Discussion: The members read a complaint form regarding M. Roach submitted by Nancy Wintroub (see attached). M. Roach explained the problem from her perspective,

using photographs to further illustrate the situation. She stated that her driveway construction had been approved by the GPRC. In the absence of concrete evidence from the Wintroubs that Section 6.01 of the Restated Covenants had been violated, the Board felt that the question of M. Roach's driveway was part of the ongoing dispute involving the cotenants of the parcel, and would be dealt with in the upcoming court hearing on the parcel's subdivision dispute.
Action: P. Keathley moved, H. Brailsford seconded that if a complaint regarding the driveway is still unresolved after the court hearing or other non-Board arbitration, the Board would then consider a revised complaint at that time. Until then, the complaint would be dismissed. The motion passed unanimously.
Follow-up: J. Murphy is to relay this decision to the Wintroubs.

8.4 Boyle letter. *(J. Murphy)*
Discussion: J. Murphy read a letter the GLA had received from an A. Boyle, who had requested general information on the Glastonbury area, as well as information on the land and developments that were for sale (see attached). There was consensus that the Livingston Chamber of Commerce would be the appropriate authority to respond to inquiries about general area information.
Follow-up: P. Keathley will consult with Carla Healy and send Mrs. Boyle a response by 12-1-97 regarding specific land and properties for sale. She will then bring a copy of the letter to the Board by the next meeting.

8.5 List of new Board members. *(J. Murphy)*
Discussion: Secretary Murphy said she would like to have a list of the names, addresses, phone and fax numbers of each new board member.
Action: A list was completed during the meeting of the desired information.
Follow-up: J. Murphy is to provide a copy of the list to each Board member by the next meeting.

8.6 Covenant/Bylaw voting discrepancy. *(L. Hodges)*
Discussion: It was noted that although Section 3.20 of the Restated Covenants says that in a landowner election each co-tenant gets one full vote, Article V(F)(3) of the Bylaws says that co-tenants get only a fractional vote in proportion to their ownership interest.
P. Wolberd noted that the Covenants rule over the Bylaws, and that therefore the Bylaws did not need to be amended at this time.
Follow-up: P. Murphy and L Hodges - Prepare a guideline based on the protocol of the past election regarding voting details, and submit it to the Board by the next meeting.

8.7 Issa voting results request. *(J. Murphy)*
Discussion: J. Murphy said that Nadim Issa had called her to request the number of votes he had received in the recent election of the Board of Directors, and J. Murphy gave him the information. She then asked the Board if they wanted to set a guideline about giving out the results of balloting in the future.

Action: There was consensus that the actual number of votes someone had received could be relayed. *(Guideline)*

8.8 Glover bill.
Discussion: J. Murphy mentioned that there was a late payment charge on the Glover bill for legal fees.
Action: There was consensus to add the late fee to payment of the next bill.

8.9 J. Alexander request for "No Trespassing" sign.
Discussion: J. Alexander requested permission to place a "No Trespassing" sign on the community road to his property in order to protect it from trespassers, especially hunters. Several members noted that there was a fair amount of gun shooting in the High South, that hunters had been observed there, and that perhaps something should also be done on the roads to the High South.
Action: H. Brailsford moved, W. Wunsch seconded that D. Newhouse is to tell J. Alexander that he should bring a proposal to install a "Dead End" sign and/or a "No Forest Service Road Access" sign at the base of the road to his property. He is to show the sign(s) to the Board for approval prior to installation. The motion passed unanimously.
Follow-up: D. Newhouse - inform J. Alexander about the Board's decision.

8.10 Brailsford ditching request.
Discussion: H. Brailsford said that there is an irrigation ditch crossing Virgo Road that needed to be cleaned out with a backhoe periodically. He said it had not been maintained well in the past, and so it annually flooded, causing erosion in a section of Virgo Road by his house.
Follow-up: D. Newhouse- address this problem with the Road Committee and bring a recommendation to the Board by the next meeting.

9. Open Floor Comments -- None.

10. Next Meeting --
Action: W. Wunsch moved, M. Scoble seconded that P. Wolberd contact E. Francis to formally request a closed executive meeting between both the GLA Board and the Church Executive Board on 12-1-97 at 7:30 p.m. at The Ranch Kitchen. The motion passed unanimously.
Follow-up: P. Wolberd - Contact E. Francis re same.

11. Adjournment -- The meeting was adjourned at 10:20 pm.

Submitted by Lucia Hodges
Assistant Secretary

1997-11-17_BDGNAUX.pdf

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
November 17, 1997

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report

Follow-up: M. Scoble - Draft landowner letter explaining new assessment and bookkeeping to accompany next assessment notice

Follow-up: M. Scoble - Set up petty cash fund and procedures

4.2 Ad hoc Budget Committee Report

4.3 Nominating Committee Report

Follow-up: C. Healy - Prepare eligible voter list for election

Follow-up: J. Murphy - Prepare landowner/voter list for election by 10/31/97

Follow-up: E. Schieffelin - Revise ballot for approval at next meeting.

Follow-up: D. Kehoe & Margaret Alfaro - Develop a proxy statement for approval at next meeting

Follow-up: C. Healy - Prepare phone tree re paying community assessments

Follow-up: J. Murphy - Certify which landowners are eligible to vote by 11-14-97

Follow-up: J. Murphy - Complete follow-up annual meeting letter and phone tree by 11-8-97

Follow-up: J. Murphy/L. - Hodges prepare & distribute annual mtg. agenda

Follow-up: C. Healy - Prepare landowner/assessment disk for L. Hodges

Follow-up: L. Hodges - Prepare landowner/assessment lists for annual mtg.

Follow-up: C. Healy - Confirm with H. Krammer Church assessment paid

4.4 Ad hoc Road Committee Report

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
November 17, 1997

Follow-up: W. Wunsch - Prepare Capricorn Dr letter to County by 10-20-97

Follow-up: W. Wunsch - Prepare Bodoh, et al letter by 10-20-97

Follow-up: W. Wunsch - Prepare road maintenance schedule for G. North and G. South by 10-20-97

Follow-up: W. Wunsch - Present snowplowing research by 10-20-97

Follow-up: D. Newhouse - Obtain a bid from A. Mann for snowplowing not involving his larger equipment

Follow-up: D. Newhouse - Obtain R. Johnson bid by 10-20-97

Follow-up: D. Newhouse - Obtain weed cutting info by 10-20-97

Follow-up: P. Wolberd - Confirm with E. Frances GLA/Developer 12/1/97 Roads mtg.

Follow-up: D. Newhouse - Check with J. Healy on Alexander road grading

5. Ombudsman Report

6. Unfinished Business

6.1 Kremer subdivision application

Follow-up: P. Hoag - Obtain reviewer to complete check list for Kremers

6.2 Roach arbitration request

Follow-up: D. Kehoe - Call attorney re Roach request to intervene

6.3 GLA complaint form distribution

Follow-up: J. Murphy - distribute form at annual meeting

6.4 Teaching Center land donation

Follow-up: P. Wolberd - follow-up on E. Francis response letter

6.5 Baughman Letter

Follow-up: J. Murphy - Call Baughmans re board action

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
November 17, 1997

6.6 Streamlining Project Review Standards

Follow-up: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities for possible revision

6.7 What is the Board position on providing copies of association documents to the members? One member has asked for a copy of the covenants voting documents.

Follow-up: J. Murphy - Recommend a guideline

7. Tabled Business

7.1 Court Ordered Community Service - Nadim Issa

> **7.2 William Pitt No Trespassing Signs - Carla Healy**

Follow-up: tabled pending completion of complaint form

7.3 Community Assessment Fund reimbursement from Community Planning Fund

Follow-up: C. Healy - response to Kehoe draft reimbursement request memo

> **7.4 Ad hoc Budget Committee budget development tabled until after elections**

7.5 Protocol for documents review and copying

> **7.7 Establish a protocol for committee membership approval**

7.8 Public access on roads - P. Hoag

7.9 Glastonbury South fire water reservoir - N. Issa

> **7.10 Tree destruction in High South**

7.11 Noxious Weed Committee Formation

> **7.12 Discuss hiring of Project Reviewer and cost - P. Hoag**

8. New Business

8.2 Alfaro complaint

8.3 Winthrope complaint

Re: Glastonbury Landowner's Association, Inc.
First Annual Meeting

Dear Dan:

It was nice to visit with you today and to discuss some of the questions the Board has in connection with the first annual meeting. I would like to briefly address these questions in writing so that you can more easily share my advice with the Board.

Questions 1 and 2:

With regard to the requirements for voting, I agree with your conclusion that because of the questionable state of the books and the uncertainties of who is fully paid and who is not, that a reasonable attempt should be made by the Board to encourage participation by those members who have paid assessments, but who may not be paid in full due to difficulties with the bookkeeping. As you noted, under Item 12.01 of the Covenants, the Association, i.e., the Board, has the right to waive the strict requirements of the Covenants and grant a variance where it believes that doing so would be in the best interest of the community. I think your goal should be to encourage participation by as many of the members as possible, but not at the expense of waiving the good standing requirement in its entirety. To do so would set a dangerous precedent and would not encourage members to stay current on their assessments in future years.

Procedurally, I believe the best way to handle this is to announce at the outset of the meeting, that the Board has passed a resolution granting a

variance of this nature and emphasize that it applies strictly to the 1997 meeting. Perhaps a one page copy of the Board's resolution could be distributed at the door of the meeting so that members would know immediately before attending the meeting whether or not they would be entitled to vote.

Questions 3:

With regard to the pending litigation between the parties in common ownership of Lot 47, it does not sound as though the issues involved are proper for Association involvement or intervention. What you described is simply a conflict between common owners of a parcel over such minor things as driveway maintenance and allotment of tax bills. These are essentially private disputes and I do not believe that it would be appropriate for the Association to take one side or the other. Furthermore, intervention into such a law suit would be costly for the Association and could subject the Board to some measure of liability by an aggrieved party. As a transactional attorney, rather than a litigator, my advice is generally to avoid litigation like the plague. It is rarely cost effective. I would be happy to look into the matter in greater detail if the parties' attorneys were to contact me directly.

For your information, I do not have a copy of the recorded covenants in my file. I would appreciate a copy from the Park County Clerk and Recorder's Office at your convenience.

I hope the first meeting is a success. Please call if I can be of further assistance.

Sincerely,

John T. Glover, Jr.

FACSIMILE TRANSMISSION

Edward Francis
Royal Teton Ranch
P. O. Box 5000
Corwin Springs, MT 59030

RE: Request for Old Glastonbury Snowplow

Dear Edward:

This is a formal follow-up on our request to your office to acquire the old Chevy snowplow used by the Glastonbury office to service our community for light, routine snowfalls. In reference to our conversation during the December, 1996 meeting, we request that you transfer the truck and plow attachment to the Association without charge.

The truck is in need of substantial repairs, requiring a new engine and a general maintenance review together with welding repairs on the plow, which the Association would have to bear. However, we feel it is a worthwhile investment to have this piece of equipment, which can help us keep our overall snowplowing expenses to a minimum during this first critical season on our own.

Sincerely,

Walter G. Wunsch, Ad Hoc Road Committee Chairman
for Patrick Wolberd, President of the Board

November 17, 1997

TO: The Board of Directors
Glastonbury Landowners Association

FROM: Linda Kremer

I regret to say that I must resign from the Board even as we have just begun.

I had hoped that there would be more flexibility in the scheduling for our meetings. Monday night is especially difficult for me of all the possibilities that were considered. I would not be able to meet the commitment ~~that~~ with which I have been intrusted.

I am disappointed in this outcome and also trust that I can serve in other capacities for our community.

I would ask that the Board consider Nadim Issa as a replacement candidate. I feel that he carries the heart flame I would have hoped to bring to the group.

Always Victory!
In Gratitude for All Gods Gifts —
Linda Kremer

Board Member Reviewing Complaint _____
Signature

Attachment to Complaint Form filled on November 15, 1997 by Colon E. Alfaro

1) HISTORY OF THE PROBLEM.

Twice I have been chased and attacked by William Pitt's dog on common use land or property that belongs to The Church. The dog is a big Doberman type. The properties I was on are directly across the street from were Pitt resides. This two incident happened within the last four weeks.

Secondly, William Pitt has decided that there are non-parking zones on Common Use Land or land that belongs to others. For this, arbitrarily, he has placed NO PARKING signs all over the place.

2) DATE, TIME AND DETAILS OF YOUR COMMUNICATION FOR ATTEMPTED RESOLUTION:

Date: November 4 or 5, 1997

Time and place: Mid afternoon at the Post Office.

Details: In a non confrontational manner I introduced myself to Pitt at the Post Office. I explained to him that his dog chased me and that I did not like it. That he could not have a dog run wild like that. That he needed to restrain the dog. After going ballistic on me, Pitt told me that he knew that he dog had chased me and that he was not going to do anything about it. That here in the United States "we do things like this.... and like that....." . I knew then that trying to communicate with him was impossible. Much less , trying to find an amicable resolution to the problem. In the nut shell, he told me to go some place else. That he was not going to restrain the dog for me or anyone else. That if I wanted to go in that area I needed to go to the Forest Service Land. I have been told that he is closing a gate or doing something that denies access to that area. I have not been there since the dog incident so I do not know for certain as to what is going on.

Personally, I am not on a crusade against William Pitt. All I want is to be able to access that area which belongs to everybody without having to worry about being chased or attacked by a dog.

Regards,

Colon E. Alfaro

Emigrant, MT 59027

Date 11-3-97

Glastonbury Landowners Association
Complaint Form

Name of landowner Complainant(s) NANCY COOK WINTROUB

Name of landowner(s) involved in alleged violation MARGARET ROACH

Specific Section and Title in Covenants relating to alleged violation SECTION 6 – 6.01 ASSOCIATION's Approval.

History of the Problem IN 1986 I SOLD a 5% interest to Margaret Roach in the original Baylor Parcel 47 NO. GLASTONBURY. We had a written agreement whereby she would be using the multi-family road which I had already installed (after gaining Glastonbury approval under Ed Francis' signature) to access her house via her own driveway. Sometime in the early 90s, she decided to put in her own road, adjacent to the original one, to connect with Capricorn Dr. while we were in Calif. & UPON returning to Montana we noticed that this new road usurped almost half of the original road as it passed by her house

Have you communicated with the other landowner(s) involved in the alleged violation, and tried to resolve the situation amicably? (If not, please do so before submitting this complaint.) (YES) NO
(Circle One)

Date, time and details of your communication for attempted resolution: (1) After being sued by Roach, et al, in a court partition action, I attended a court-ordered mediation on May 13 1997 and asked her by what authority had she installed her new road? She handed me a copy of a letter from Ellen Woodbury PARK COUNTY PLANNER, Giving her permission to install such a road. This was an apparent attempt, I believe, to get around Glastonbury regulations.
(2) IN JULY OF '97 I WAS APPROACHED BY MARIA DULCE SANTOS, A JOINT OWNER
SEE (Attach separate sheet if more space is needed)

ON PARCEL 47 WHO LIVES IN AUSTRALIA AND THEREFORE WAS NOT AT THE MAY MEDIATION, BUT WHO WANTED TO TRY SETTLING THE MATTER OF THE LAWSUIT DIRECTLY WITH ME (SHE AND I WERE BOTH AT THE SAN DIEGO SUMMER CONFERENCE AND DURING OUR CONVERSATION TOGETHER WE BOTH REALIZED THAT SHE HAD BEEN MISINFORMED ABOUT SOME CRITICAL DETAILS OF THE MEDIATION BY THE OTHER PLAINTIFFS TO THE LAWSUIT).

We started a "conversation" by FAX which she was able to get Roach involved in, and I am submitting a copy of one of the letters which addresses another attempt at resolving the road issue: See question #4 on Page 2.

I am sorry to say that Margaret Roach declined to answer <u>any</u> of these questions, telling Dulce Santos that the rest of the Plaintiffs did not want Dulce acting as a "mediator" any longer since she was "one of them."

ALSO BY FILING THIS COMPLAINT I AM NOT UNDER ANY ILLUSIONS THAT YOU WILL BE ABLE TO SOLVE THIS PARTICULAR ROAD SITUATION. I MERELY WANTED TO POINT OUT THAT I BELIEVE MARGARET ROACH MAY BE IN VIOLATION OF GLASTONBURY COVENANTS, AND THEREFORE SHOULD NOT BE RUNNING FOR OMBUDSMAN UNTIL SHE COMES INTO ALIGNMENT W/ THESE OR ANY OTHER REGULATIONS.

011-61-7-5594-9295

FAXED TO MARIA DULCE SANTOS IN ARUNDEL, AUSTRALIA ON

July 23, 1997

Dear Dulce:

I appreciate--very much--your willingness to mediate this situation. I am willing to continue the discussion of the issues addressed by Margaret in her FAX, as long as we stick to the facts (i.e. using written or other tangible evidence which would hold up in a court of law); that we work with one main issue at a time (of the three initially outlined) for clarification and focus--in order to hopefully make some progress; and that we refrain from engaging in attempted mind reading, i.e. erroneously thinking that we know what is in someone else's mind without letting them speak for themselves... as we look for the truth in these matters.

Of the 3 issues of concern (boundaries, road, and water system) I propose to address the multi-family road at this time.

Fact #1: I have in my possession a document--signed by Edward Francis in 1986--that gives me permission to construct a "MULTI-FAMILY ROAD" across my 4-acre interest to access my proposed homesite. I received this document after I had made a written application for such a permit according to Glastonbury covenants and regulations, which regulations I was legally bound to honor by virtue of my contract with the Baylors for an interest in their land, who were also bound by the same rules and regulations.

Fact #2: I also have in my possession a written agreement--signed by Margaret Roach in 1986--whereby I conveyed to her an acre-interest in my original twenty percent interest, also binding her to the same community covenants and regulations, and whereby she agrees that she will be using that same permitted road (which had already been constructed by that time, at my own expense) in order to access her homesite (naturally, via her own driveway which would be installed at the time of building her house).

I have 2 questions for Margaret:

1) Does she feel legally or morally bound to honor either of those documents??

2) If not, can she produce any other written, legally binding document (such as a Glastonbury permit for constructing her own separate road) which would in any way change the intent of those two aforementioned documents that I have in my possession?

My concern is this, Dulce:
Just as you and the Baylors were required--by Glastonbury regulations--to share the same entrance point off of Capricorn Drive to access your respective houses via your own driveways, so the requirement was the same on my end of Parcel 47.
However, for some reason we now find ourselves with three different entrance roads (a third one for the Dunns), side-by-side, off of Capricorn Dr. without the ability to properly improve any one of them up to Glastonbury and county road standards without impacting on the other's attempted improvements and expenditures of money!

Therefore, my final two questions for Margaret on this particular matter are these:

3) What justification--legal or otherwise--does she have for not complying with Glastonbury regulations for road usage?

It is not my intent here to debate the merit or worth of such a regulation, i.e. having one entrance shared by multiple families off of a main road, [although I think it might have something to do with safety as you are entering a main road--one car at a time, rather than potentially 3 vehicles arriving all at once, each from their separate road, and impacting, perhaps dangerously, on the main road traffic]; my only intent at this time is to acknowledge that such a regulation exists--as you, yourself, know, Dulce! Otherwise you wouldn't have been required to move your driveway over to that corner of the Baylor's property where they already had an entrance, and which entrance you were required to share by obtaining a road easement from them. (Please correct me if I am wrong on this point?)

Final question for Margaret:

4) What is to prevent her from working in a cooperative manner--based on those two aforementioned legal (i.e. admissible in a court of law) documents which I have in my possession (one of them signed by her) to help to improve the existing multi-family road (which has been in existence for over 10 years, as opposed to her own entrance road which was installed only 2 or 3 years ago--when I was in California--and without the permission of anyone in Glastonbury, as far as I know) in order to resolve one of the major stumbling blocks to the settlement of this lawsuit??

It is certainly within her power--rather than just doing "her own thing" and expecting others to pay for it, i.e. the lawsuit itself--to help to FAIRLY resolve at least this one issue of the lawsuit at this time.

Dulce, when I receive a straight-forward and honest answer to each of these 4 questions, from Margaret, then I will be happy to discuss the other matters of concern that exist. Until then I will not feel that I have been dealt with in good faith nor justly.

Yours for the Truth,

Nancy

Nancy Cook Wintroub

Glastonbury Landowners Association
Board of Directors Joint Meeting
with
Church Universal and Triumphant Executive Board
and
North and South Glastonbury Teaching Center Boards
December 1, 1997

1. Call to Order, Opening Prayer -- GLA President Patrick Wolberd opened the meeting at 7:40 p.m. Rev. Peggy Keathley gave the opening invocation. Upon invitation by P. Wolberd, each person present introduced themselves to the group.

Glastonbury Landowners Association (GLA):

Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Philip Covington, Andrew Field, Peggy Keathley, David Newhouse, Walter Wunsch, and Ombudsman Laurel Matthews.

Absent: Philip Hoag.

Church Universal and Triumphant (Church) Executive Board:

Present: Gilbert Cleirbaut (President), Edward Francis (Vice President), Carla Healy (Business Manager for Royal Teton, Ltd.), Andres Fortino (Treasurer), Neroli Duffy (Process Leader for Human Resources), Richard Smith, and Teresa McNicholas.

North Glastonbury Teaching Center (NGTC) Board of Trustees:

Present: Maydell Goulart (President), Kim Michaels (Vice President), Juanita Mountjoy (Secretary), Sara Daly (Treasurer), Patricia Jones, Dorothy Whitehead and Victoria Osborne.

South Glastonbury Teaching Center (SGTC) Board of Trustees:

Present: Regina Wunsch (President), Laurel Matthews (Vice President), Robert Manhart (Treasurer), Dan Kehoe, Sr., Betty Manhart, Rev. Susan Brailsford, and Mary Ann Dubiel.

2. Minutes -- P. Keathley moved, W. Wunsch seconded to dispense with the minutes. The motion passed unanimously.

3. Order of Business -- All items were discussed in the order of the agenda.

4. Reports of Officers and Committees -- J. Murphy moved, P. Keathley seconded to dispense with this report. The motion passed unanimously.

5. **Ombudsmen Reports** -- W. Wunsch moved, M. Scoble seconded to dispense with the Ombudsman reports. The motion passed unanimously.

6. **Unfinished Business** -- J. Murphy moved, D. Kehoe, Jr. seconded to dispense with the unfinished business. The motion passed unanimously.

7. **Tabled Business** -- W. Wunsch moved, J. Murphy seconded to dispense with the tabled business. The motion passed unanimously.

8. **New Business** --

8.1 North Glastonbury Land Request Presentation.

M. Goulart distributed the following: (1) a complimentary copy of the new Glastonbury Telephone Directory to the president of each of the three organizations; (2) a Statement of Glastonbury Goals to each person present (see attached); and (3) a map of the proposed community facilities site in North Glastonbury to each Church board member (see attached). She said that there had been a vote of overwhelming support by the NGTC members to choose the land depicted on the map, and that the map followed the preliminary Master Plan work that had been facilitated by Michael Van Hausen in the past spring and summer. She said that she had been told unofficially at a later date that this land was not available. She then made a formal request to the Church for the land. She said that a land donation would give the NGTC the financial thrust it needed to begin to plan more realistically for the building of community facilities which were so desperately needed.

Several other NGTC trustees made comments concerning the need for community facilities, and stated the reasons why the particular site had been chosen. One trustee commented that he felt the perception by the general Church membership of the re-energizing process will be greatly colored by the Church's actions regarding Glastonbury, and that a donation of land there would give a favorable impression that this process was a positive step forward for church membership as a whole. Another trustee said that the land donation would also benefit the developer by improving the value of the land the developer was trying to sell.

P. Wolberd gave a brief summary of the history of land use planning in North Glastonbury. He said that discussion of a community center had begun in 1991 when NGTC had been formally

organized. In answer to a question from the floor, he said that the GLA planned to continue the preliminary Master Plan work through to the final stages.

E. Francis asked what would happen if the community facility land determined in the final Master Plan differed from the land that had just been requested by the NGTC as a donation. P. Wolberd responded that a great deal of thought and work by many residents of North Glastonbury had already gone into the preliminary Master Plan, and that he saw this as the solid launching point for a final Master Plan that would only be a refined version of what had already been accepted by the membership. G. Cleirbaut noted that he foresaw a growth cycle for the Church in the next few years, and that therefore we "need to have our act together" in Glastonbury, but that he first wanted to see a total land use proposal. One GLA member asked where the current Thomas More grammar school was on the map that had been presented. M. Goulart said that it was not on the map, but that she felt it should be there on the final Master Plan.

8.2 South Glastonbury Land Request Presentation.

D. Kehoe, Sr. gave the SGTC presentation. He began by handing out a ten-page package of data to the the Church Board of Directors that showed the proposed community facilities site (see attached). He explained that the SGTC has been using the basement of Laurel Matthews home at the end of Leo Drive as the SGTC chapel since 1993, and has been paying her $350/month for the use the space. He noted that many people did not like to meet in a basement. Laurel noted that there was no bathroom in her basement and that the facility allowed no space for families, i.e. Sunday school and community functions. D. Kehoe, Sr. commented that there was currently $1,200,000 worth of unsold property in South Glastonbury according to the Church's new prices. There was discussion about why less land had been sold in South Glastonbury than in North Glastonbury, with D. Kehoe, Sr. pointing out that South Glastonbury's progress has been seriously impeded as a result of not having centrally-located facilities of any kind.

D. Kehoe, Sr. said that the members of the SGTC are desirous of building of a church and community facilities, and that he felt it would be wise for the developer to take advantage of this momentum before it was lost. He then formally requested from the developer for SGTC 20 acres of Parcel 23, Glastonbury South. He commented that SGTC has had negotiations with the owner of Parcel 22 regarding the purchase from them of a 1.5 acre portion of land that is adjacent to Parcel 23. He said Parcel 21 has a desirable 3 acre portion of land that is also contiguous to Parcel 23 that would provide an ideal school site at some later time. He described the road plans for the Parcel 23 site, which would extend the existing Avalon Drive to connect with the planned Chalice Well Way. He said there were plans for a phased development of the site, which would

progress from phase to phase as SGTC acquired capital. He commented that part of the land requested of Parcel 23 included the former Glastonbury office facility, and this would be Step 1 and provide an immediate chapel facility. Step 2 would be to build a new chapel in the area of the center of the parcel, and convert the former office/chapel into a community center. Step 3 would be to build a community center facility adjacent to the new chapel and convert the original Glastonbury office facility inot a sports and recreational center. He said that the uses proposed for Parcel 23 by SGTC conforms to the Preliminary Master Plan, also as shown on the handouts. He also said development of the site would increase the value of all Church-owned land in and adjacent to South Glastonbury. D. Kehoe, Sr. stated that the SGTC Board feels that all Church-owned land in and adjacent to South Glastonbury should be developed in accordance with the Glastonbury Land Use Master Plan, otherwise all values in South Glastonbury would be in jeopardy.

Someone asked what was proposed for the existing barn on the property. E. Francis said that it was currently a shelter owned by a group called Community Preservation Association, Inc. (CPAI). He said that the Church doesn't hold title to Parcel 23 South, since title to the whole parcel was transferred for 25 years to CPAI at the time the shelter had been built (1989-90). Along with the 25 year lease went the rights of CPAI to use the former office building. E. Francis explained that at the time of the situation in 1989, the Church had wanted the barn to be available for a shelter, and since minor subdivisions weren't generally allowed in the county at the time, the Church had transferred title to CPAI in the only reasonable way it could. He said that even though CPAI was in some sort of dormant status as a corporation, he heard it had recently hired an attorney to study reviving the barn as a shelter. He explained that apart from taking legal action, the Church cannot force CPAI to give back the parcel. In answer to a question, he noted that if the corporation dissolves, whoever receives its assets would also acquire the land and building lease. He said that one option to solve this would be for the Church to foreclose on the lease, since CPAI owes money on it. However, E. Francis explained that there were other problems with the land, such as underground storage tanks with unknown contents, and taxes owing on the parcel. There is also an agricultural irrigation lease on the property that extends for five years, although he noted that this lease could possibly be bought back. D. Kehoe, Sr. said that he recently phoned the State of Montana regarding CPAI and was informed that it had ceased to exist as of 1992. He also pointed out that the 20 acres requested did not include the barn/shelter.

E. Francis said that the Church would be willing to donate land to the Teaching Centers for community facilities, however he had felt that the only feasible property for such purposes would be existing unsold parcels of land, since there are already utilities to this land. He had thought

GLA 00142

that all other land should be put on hold until the final Master Plan had been completed. He said that monetary investments for infrastructure were only feasible if one had clear access to the land itself. D. Kehoe, Sr. pointed out that SGTC was not interested in building a chapel on any of the existing unsold parcels still owned by the Church.

E. Francis asked why SGTC had requested a full 20 acres. D. Kehoe, Sr. responded that adequate land was needed for community facilities as well as for a chapel. He commented that if the SGTC could sell some portion of the land, this would give them some funds to pay for the chapel development. Question from E. Francis: Do you want the Teaching Center to go into the development business? D. Kehoe, Sr. replied that as an owner of the land they would do what would be needed to develop it. They would act as an owner of land, but that this wouldn't make them a builder or put them into the development business. E. Francis noted that from a tax exempt organizational point of view, development in Glastonbury was enough of a problem for the Church that they had to create a taxable entity through which to work. He said that the intent was to give the Teaching Center land to build a Teaching Center, not to give money so that they could build structures to make money. He noted that the Church must treat all Teaching Centers equally. D. Kehoe, Sr. said that if the SGTC made considerable money in the way they handled the land, he thought it would be good for all involved.

K. Michaels read a quote from El Morya that mentioned having other facilities in Glastonbury. E. Francis said that it did not necessarily envision commercial development. He asked the SGTC if they wanted the land now, before the Master Plan is completed. Dan Kehoe, Sr. responded that he felt the land donation should follow from the Master Plan. He said he envisions a fine tuning of the preliminary work by an architectural firm rather than by Michael Van Hausen, since Michael works best with "large brush strokes." He thought it would take about six months to complete the Master Plan, and that the SGTC intended to conform to that Master Plan.

Question from Andrew Field: How important was the office/house in the selection of this parcel, and what were the other attractive attributes of the parcel?
Dan Kehoe, Jr.: The house was not of great importance in determining the parcel. Rather, the central location and topography were the important factors -- it would be ideal for a chapel, community building and sport activities for families.
P. Wolberd said that he wanted to make clear that the preliminary Master Plan is not just "the Van Hausen Plan," it is the community's plan. Hundreds of hours by community members have gone into it. He said that the locations of the community centers had been approved by the landowners,

and that now the Plan was at the fine tuning stage so that the locations would probably not be altered from this time on.

Susan Brailsford commented that only 46 people had showed up at the recent election for Glastonbury directors. She said that she perceived many South Glastonbury landowners felt lost, perhaps as though they had been dumped by the Church in the reorganization process, and that they needed something positive in which to put their energy, such as building a community center. She also stated that leasing the former Glastonbury office would be a great immediate help.7

G. Cleirbaut noted that Glastonbury was in a phase of co-dependency with the Church, and that the next step was to move to interdependency. He agreed that the family was an important thrust for future Church development, and that the Glastonburys did need a playground and areas for the children, as well as places to meet after services.

One GLA member commented that she had been a land developer, and that it was common for developers to put in some kind of recreation or community center into their development in order to make the property more attractive to buyers.

8.3 Glastonbury Road Condition Discussion.

D. Newhouse handed out a Road Committee report to all in attendance (see attached). He reviewed the report for North Glastonbury. H. Brailsford said he wished to add to the report that there was no cul-de-sac at the end of Virgo Way, and that one was needed.

W. Wunsch presented the report for South Glastonbury. He noted that the specific problems were broken down into either those (A) in which no work was done, (B) in which work was done, but not to standard, and © where work had been done but not properly maintained. The remaining items were not the responsibility of the developer. He said that many items were not urgent, and could be scheduled for remediation so as to accommodate the cash flow of the Church and the GLA. G. Cleirbaut: Do you have an estimate of the amount involved in your request? W. Wunsch responded "not yet." He said that the GLA had authorized the Road Committee to spend $3,000, and that he felt it had effectively been spent on road maintenance work by A. Mann, which had included some ditching, and no transportation or machine costs. He explained that the GLA has a contract with Mann by which they will use his road maintenance services exclusively for the next six months on an as-needed basis. He felt this gave a better job for the money than if Mann had been asked to do a certain amount of work for a set amount of

money. H. Brailsford said that he had gotten a $1,500 bid for a road worker to complete Virgo Way for his subdivision to pass, and that it needed more gravel.

E. Francis said that the Church had hired an engineer, William Smith, to take the earlier letter they had received from the GLA in October and to compare it to the originally advertised Glastonbury road standards. C. Healy passed out copies of W. Smith's report and of relevant sections of the Glastonbury General Information Report, which had clarified for buyers of land the developer's responsibility, including design specifications for the Glastonbury roads (see attached).

E. Francis noted that the heavy snows of the past two years had contributed to road erosion more than usual. He also said that if the developer had done all earlier maintenance that the GLA's report specified, there would not have been $5,000 in the assessment fund when it was turned over to the GLA. In fact, it might have been in the red. He said that another reason for not doing extensive road ditching was that people tended to drive off the road in the snow. There are 23 miles of road in Glastonbury; he noted that many county roads were far worse than ours. W. Wunsch said that because Glastonbury landowners pay assessments, they felt they should have somewhat better road conditions than those in the county. E. Francis said the Church expected to be held responsible for bringing roads up to specifications, but that this was a different issue than road maintenance and the wise use of assessment funds.

P. Wolberd said that he and P. Hoag had examined records of the past costs of Glastonbury road maintenance which had been provided by the developer, and that from this information they arrived at a Glastonbury road maintenance estimate of $50,000 or $60,000 per year. He acknowledged that the Church had spent much more on Glastonbury road maintenance in the past than what had been in the assessment fund, and that he wanted all to be aware of this generosity on the part of the Church.

G. Cleirbaut asked what the GLA would prefer -- money to fix the roads, for the Church to fix them directly, or land compensation for the road problems. P. Wolberd responded that the purpose of the GLA is to maintain the community, not provide for facility development. Therefore, a cash payment would be preferable. E. Francis noted that there was a definite gap between the Church and the GLA road report. He said that from the Church's point of view, a cash settlement seemed more likely, rather than for them to do the work, since they had only retained a minimal amount of road equipment. He asked that the GLA study the Church's report they had just received, and to then provide them with an itemized bid.

8.4 Proposal for a Joint Committee.

E. Francis proposed that each group - the Church, NGTC, SGTC and the GLA - designate a small group of approximately three members to represent it, and that these representative groups then meet as a Joint Committee to work through the requests that had been presented. There was consensus among all groups that this occur.

There was also the consensus of the GLA Board on the following issues:
(1) to deal solely with items A and B of the GLA road report, as it was felt that the C items (maintenance issues) were not the main concern;
(2) that W. Wunsch and D. Newhouse be the representatives for the Road Committee, that they be empowered to negotiate on behalf of the GLA; and
(3) that the Joint Committee obtain several bids and then develop a request for proposal (RFP) for the road work, as it was hoped this would provide an RFP much closer to what both groups could agree upon.

P. Wolberd stated that although the representative committee for the GLA would be empowered to negotiate on behalf of the GLA, the entire the GLA Board would need to approve of any decisions arrived at through the negotiations. G. Clairbaut acknowledged the same for his board.

P. Wolberd asked when the joint committees could meet, as there was consensus by all groups present that the meeting(s) should occur as soon as possible, especially in light of the timeliness of the road issues. E. Francis said there was a Church Board meeting on Wednesday, December 3, and that they would get back to the other groups on a date and the identity of a Board contact after that meeting. There was consensus among all groups that all issues presented this evening be resolved by January 31, 1998.

8.5 Developer Pick-up Truck and Snow Plow Inquiry.

W. Wunsch read a letter he had sent to the Church requesting the former Glastonbury pick-up truck and snowplow (see attached). W. Francis said that the truck was in very poor condition, and advised the GLA not to try to repair it. He said that neither was owned by the Church, but by Royal Teton, Ltd. C. Healy said she had researched the value of the items, and that at salvage they could receive $1,500 for the truck and $700 for the plow. E. Francis suggested that the request for these items also be made a part of the Joint Committee's work; there was consensus on this point.

8.5 Park Land Deed.

E. Francis presented a Warranty Deed for Glastonbury park (common use) land, which consisted of three parcels -- Parcel 96 and 102 of Certificate of Survey No. 616A in South Glastonbury and Tract 1 of Certificate of Survey No. 1173 in North Glastonbury (see attached). This land has been deeded to the GLA from the developer, and consists of about 225 acres.

9. Open Floor Comments -- W. Wunsch moved, J. Murphy seconded to dispense with the open floor comments. The motion passed unanimously.

10. Next Meeting -- The next meeting will be at 7:00 p.m. on Monday, December 15, at the North Glastonbury Teaching Center.

11. Adjournment -- The meeting was adjourned at 10:30 pm.

Glastonbury Landowners Association
Board of Directors Joint Meeting
with
Church Universal and Triumphant Executive Board
and
North and South Glastonbury Teaching Center Boards

Agenda

December 1, 1997

1. Call to Order, Opening Prayer (and waiver of notice if required), Introductions
2. Dispensing of Minutes
3. Order of Business
4. Dispensing of Reports of Officers and Committees
5. Dispensing of Ombudsman Report
6. Dispensing of Unfinished Business
7. Dispensing of Tabled Business
8. New Business
   - 8.1 North Glastonbury Land Request Presentation (approx. 20 min. + discussion)
   - 8.2 South Glastonbury Land Request Presentation (approx. 20 min. + discussion)
   - 8.3 Glastonbury Road Condition Discussion
   - 8.4 Developer Pickup Truck and Snow Plow Inquiry
9. Dispensing of Open Floor Comments
10. Next Meeting - Monday, 7:00 p.m., December 15, 1997, North Glastonbury
11. Adjournment

Status of Glastonbury Goals
as of Dec 1, 1997

1. **THRIVING ECONOMIC COMMUNITY**
   a. Members of the Golden Age Cooperative Development Fund and The Committee For A More Perfect Union are working on this. No actual verifiable results as yet.

2. **HOLISTIC HEALING CENTER**
   The components are here.
   a. Seventeen healing practioners are in or around Glastonbury (see yellow pages of Tel. Dir.) using twelve different methods or disciplines.
   b. Color therapy, not mentioned in Directory, is being used by a few of us and is the healing method of the future.
   c. We have a number of registered nurses in the community who are not active at present besides those listed in in the Telephone Directory.
   d. There are numerous distributors of health products.
   e. There are also three professional counselors.

3. **LOVE IN ACTION**
   We are working on it:
   a. Community Involvement Committee
   b. Welcoming Committee for new people.

4. **COMMUNICATIONS**
   1. Glastonbury Herald (began 1996)
   2. Community Resource Center - sends automated telephone messages to Glastonbury and beyond.
   3. In-Reach, Out-Reach Program - Brings in workshops and lectures to the community. Stumps the tri-state area and beyond with the Teachings of the Ascended Masters.
   4. New Glastonbury Telephone Directory

5. **INFRASTRUCTURE**
   a. Other than an old farm house used by the Thomas More School and its renovated garage used by the North Glastonbury Teaching Center for a chapel, North Glastonbury has nothing that could be used as a public facility.
   b. A multi-purpose community center incorporating an intermediate chapel on the second floor level is the need of the hour. A gathering place for people in or out of the teachings.

6. **EDUCATION**

We have several high quality schools established in North Glastonbury.

a. Montessori Garden - Preschool to Kindergarten
b. Thomas More Elementary - grades 1-6
c. Henry Wadsworth Longfellow Academy - grades 7-8
d. Montessori Education Center - Teacher training
(At present these are all underfunded.)
e. Workshops for the elderly on how to prepare for the ascension (instructions being prepared to be released to other Teaching Centers) and other timely topics.

P. O. BOX 312
EMIGRANT, MT 59027

October 20, 1997

Edward Francis
Royal Teton Ranch
P. O. Box 5000
Corwin Springs, MT 59030

Dear Edward:

Enclosed for your review is the Glastonbury Landowner's Association Road Report. In view of the nature of the repairs that the GLA feels is the developer's responsibility and the expected arrival of inclement winter weather, we would like to see this issue resolved soon. The area of greatest concern is the need for drainage ditches to save road topping and prevent further road degeneration. We have authorized the ad hoc Road Committee to work with you to bring this subject to a close. They will be contacting you shortly.

Sincerely,

Patrick Wolberd
Chairman

RE: ROAD REPORT

Summary:
After touring all of the roads in North and South Glastonbury, we observed that almost all stretches of the road require work. As greatest deficiency, we noted an overwhelming absence of proper ditching, and poor drainage, which was highlighted during this year's strong rains and caused in places excessive erosion and loss of top-coat material. In many places proper ditching can only be accomplished after removal of rocks. It is our opinion that this fact and the other noted discrepancy of insufficient road width are the responsibility of developer.

North Glastonbury Detail Report:

Capricorn at Dumpsters (across from 89): Water running down the road creates a large puddle in front of the dumpsters. A collection basin and culvert is needed at the Capricorn sign close to the bridge. Move dumpsters. Responsibility: Park County.

Capricorn Drive, Dumpsters-to-Aquarius section: All 4-to-5 culverts are buried and need to be cleared. Proper ditching needs to be done. Responsibility: Developer.

Capricorn/Aquarius Intersection: A water catch basin needs to be created on the left side of the road. Responsibility: Developer.

Aquarius Lane: Ditches are needed. Lorraine Bodoh's driveway enters at too sharp of an angle and causes heavy drainage onto the road. A catch basin and/or culvert needs to be installed to prevent damage to Aquarius Lane. Responsibility: landowner.

Pisces Way: Road, incomplete and undeveloped, needs to be brought up to plan.
Responsibility: Developer.

Capricorn Drive in front of Fred Morsell's parcel: Road floods and requires a culvert and/or road elevation by one-to-two feet. Responsibility: Developer

Capricorn Drive at Quarles' and McDonald's: Requires culvert. Responsibility: Landowner.

Capricorn and Aries Intersection: Area of severe flooding. A catch basin is required together with up to two culverts and good ditching. Responsibility: Developer.

Capricorn across from markers 215 and 217: Improper drainage. Road needs to be elevated and/or culvert installed together with sufficient catch basin. Responsibility: Developer.

Venus Way: The cul de sac needs to be completed, and the road needs to be widened to county standard for approximately 200 yards from the end of the road. Currently the width is only 18 feet in some places. Responsibility: Developer.

Mercury: Road also has insufficient width for 100 yards and incomplete cul de sac. Responsibility: Developer.

Gemini Road: Road narrows to 20 feet within 100 yards from Capricorn. Needs culverts. Road to John Alexander's needs to be completed and steel/concrete posts removed. Responsibility: Developer.

Orion Way: Complete cul de sac. Responsibility: Developer.

Aries Drive: Water erosion, road needs ditches and crowning. Responsibility: Developer.

Taurus: Ditches are lacking. Responsibility: Developer.

Sirius Drive: Ditches are required. The central culvert on the hill portion from the post office is plugged up due to rock slides. Also, one guardrail post was driven through the culvert and hangs loose. Responsibility: Developer.

South Glastonbury detail report:

Avalon Drive: Road not completed. Responsibility: Developer.

Virgo Way: Culvert for creek is plugged up. New larger and deeper culvert needs to be installed and/or road needs to be elevated for proper drainage. Responsibility: Developer.

Arcturus Drive: Needs ditching. Responsibility: Developer.

Leo Drive: Needs ditching. Responsibility: Developer.

Leo Lane: Create cul de sac. Responsibility: Developer.

Hercules Road: Remove gate and install new gate together with new sign posts closer to the beginning of the road. Responsibility: GLA.

Hercules Road, Dry Creek to Scorpio/Polaris Intersection: All guardrails require extensions. Responsibility: Developer.

Hercules Road, Scorpio/Polaris Intersection to Skyway Drive: Road needs to be built up along Goldmeyer Creek along with proper ditching and drainage, as road becomes severely flooded during spring runoff and heavy rainfall, and to prevent the creek from meandering onto the road. Responsibility: Developer.

Skyway Drive: Road needs to be completed. Responsibility: Developer.

Scorpio Way: Road has insufficient width for the first 200 yards and completely lacks ditches on the left side. Trees need to be removed for proper snow removal. Responsibility: Developer.

Polaris Way: A culvert needs to be installed across from the CCI Shelter. Responsibility: Developer.

EVALUATION OF GLA ROAD REPORT

PREPARED BY
WILLIAM E. SMITH, P.E.
FOR ROYAL TETON LTD.
DECEMBER 1, 1997

1. Introduction

This evaluation was produced by William E. Smith, P.E. for Royal Teton, Ltd. The Engineer was hired to review the GLA road report dated October 20, 1997, applicable portions of the Community of Glastonbury General Information Report and the Community of Glastonbury Specifications and Standards for Gravel Road Construction, and to inspect road conditions in order to evaluate recommendations and conclusions presented by the GLA report and offer alternative recommendations where applicable.

The scope of this evaluation is limited to assessing the developer's responsibility for initial road construction, completing ongoing maintenance and deferring maintenance, and documenting the Engineer's recommendations for each item presented in the "Detail Report" section of the GLA's Road Report. Therefore, only the items identified in the Detail Report section which may be the developer's responsibility are addressed in this evaluation.

2. General Discussion

2.1. Evaluation Criteria

The Engineer's evaluation was based on information available to all Glastonbury landowners in the General Information Report, applicable engineering practices for road construction, and general knowledge of Park County subdivision regulations (which were not applicable to COG roads at the time of construction).

2.2. Timing of GLA inspections relative to grading of Community roads by other contractors

The timing of the inspections conducted by the GLA was not mentioned in their road report but was understood to have occurred during the summer of 1997 after snow melt and spring runoff. Therefore, the question arises concerning whether subsequent grading activities performed this summer by contractors hired by the GLA were observed and recorded in the report.

2.3. Definition of Road Types

The Community of Glastonbury General Information Report defines three types of community roads – residential, foothill and mountain. The standard for each of these roads is defined in Table IX contained in the General Information Report. A copy of Table IX is attached herein for reference. Briefly stated the standard for each is:
residential road - high quality gravel road wide enough for two vehicles to pass (24 ft per Specs and Standards), maintained regularly as first priority and snow-plowed after each storm;

foothill road - fair to good quality gravel road using native slopes, wide enough for two vehicles to pass or use of frequent turnouts for two-way traffic, four-wheel vehicle recommended, maintained periodically as second priority and snow-plowed after residential roads;
mountain road - varying from poor quality "jeep trail" to good quality foothill road wide enough for one vehicle with occasional turnouts for two-way traffic, requires caution and skill to insure year-round safety, maintained occasionally as third maintenance priority and snow-plowed in some but not all areas.
Table VIII in the General Information Report (copy attached for reference) and a color-coded map for North and South Glastonbury (attached for reference) identify which parcels were designated to be served by what type of road.

The standard to which the foothill and mountain roads in COG were constructed and the level of maintenance these roads have received over the last 10 to 14 years are much higher than would be justified by the definition presented for these roads.

2.4. Use of well-defined ditches

The size and configuration of ditches along the community roads are to some extent a matter of design options due to terrain, cut and fill slopes, steepness of grade, amount of runoff expected to be handled, etc., and on-going maintenance preferences. Deep and wide, well-defined ditches can be beneficial for protecting the road driving surface but are not always desirable to community members. In response to recent grading activities which removed weeds along the roadsides and constructed well-defined substantial ditches, some community residents have expressing concern about the possibility of driving off a snow-swept roadway into a deep ditch, where in the past the weeds helped to distinguish the road edge. Along Sirius Drive there were tracts into and out of the ditches in several places on Monday morning (12/1/97) due to the fresh snow.

2.5. Use of Cul-de-sac at Dead-end of Road

General standards for road design and the Park County Subdivision Standards recognize the need to ensure access for larger emergency vehicles into and out of a dead-end road. The use of a cul-de-sac to provide this area to maneuver is common place. However, planning and design standards recognize other configurations (such as the hammer head) at the termination of a dead-end road as equally effective. In the case where driveways continue from the end of a road, adequate area to turn around an emergency vehicle usually exists. The need for a cul-de-sac must be evaluated on the basis of access. Where vehicles regularly access only the driveways and not the cul-de-sac, weeds can grow and obscure the graveled cul-de-sac. Providing an easement to accommodate a cul-de-sac does not require that the cul-de-sac be constructed. In numerous circumstances, the County Planners have

allowed the cul-de-sac to be eliminated due to the configuration of driveways and the easement for the cul-de-sac to remain.

3. Itemized Response to "North Glastonbury Detail Report" Section of GLA Report

3.1. Capricorn Drive from dumpsters to Aquarius: The buried culverts appear to be on-going maintenance for which the developer should share responsibility with the GLA at this stage of transition. The ditch appears to be adequate for its designated purposes. This road is over ten years old and has served as a safe and accessible route into North Glastonbury since its construction. Some degradation to the ditch, catch basins and culverts can reasonably be expected during this decade. The determination of a "proper" ditch should be based on functionality over a period of years instead of an interpretation of size and shape.

3.2. Capricorn/ Aquarius intersection: These roads have been in use by the Community of Glastonbury for over ten years. Experience over this time has shown the roads at this intersection to be passable in all seasons and to be free from erosion and damage due to runoff. From this evidence the conclusion can be drawn that the road was designed and constructed to an adequate standard. The extreme conditions which occurred during the spring of 1997 and resulted in excessive runoff may indicate a need to improve drainage control to a higher design standard. Unless the evidence can show that a chronic on-going problem with drainage has existed at this intersection, the GLA should be expected to accept the responsibility to install the upgrade.

3.3. Pisces Way: According to the General Information Report, this road is designated as a residential community road. The existing road does not meet community residential road standards and therefore, should be constructed to meet these standards by the developer.

3.4. Capricorn Drive in front of Fred Morsell's parcel: This road has been in use by the Community of Glastonbury for over ten years. Experience over this time has shown this road to be passable in all seasons and to be free from erosion and damage due to runoff. From this evidence the conclusion can be drawn that the road was designed and constructed to an adequate standard. The extreme conditions which occurred during the spring of 1997 and resulted in excessive runoff may indicate a need to improve drainage control to a higher design standard. Unless the evidence can show that a chronic on-going problem with drainage has existed at this location, the GLA should be expected to accept the responsibility to install the upgrade.

3.5. Capricorn and Aries intersection: An adequately sized culvert exists approximately 100 ft north and slightly higher in elevation than the low point at the intersection. This culvert was located to catch runoff in a small drainage which intersects the road. The upper end of the culvert is open and the discharge end is buried under the small fill slope of the road. The culvert would more effectively protect the intersection if it was located at the crease in the terrain which is at the intersection. If the

evidence can show that a chronic on-going problem with drainage has existed at this location, the developer should be expected to accept the responsibility to install the upgrade.

However, this road has been in use by the Community of Glastonbury for over ten years and experience over this time has shown this road to be passable in all seasons and to be free from erosion and damage due to runoff. From this evidence the conclusion can be drawn that the road was designed and constructed to an adequate standard. If the extreme conditions which occurred during the spring of 1997 resulted in excessive runoff which indicate a need to improve drainage control to a higher design standard, the GLA should bear the responsibility to install the upgrade.

3.6. Capricorn across from markers 215 and 217: This road has been in use by the Community of Glastonbury for over ten years. Experience over this time has shown this road to be passable in all seasons and to be free from erosion and damage due to runoff. From this evidence the conclusion can be drawn that the road was designed and constructed to an adequate standard. The extreme conditions which occurred during the spring of 1997 and resulted in excessive runoff may indicate a need to improve drainage control to a higher design standard. Unless the evidence can show that a chronic on-going problem with drainage has existed at this location, the GLA should be expected to accept the responsibility to install the upgrade.

3.7. Venus Way: According to the General Information Report, this road is designated as a foothill road and appears to have been constructed to a standard higher than that contemplated for this type of road. The width is adequate at its narrowest to allow two car approaching each other to pass safely. The configuration of driveways extending from the end of the road appear to allow adequate opportunity for a large emergency vehicle to turn around safely. Consequently, the developer appears to bear no responsibility to improve this road.

3.8. Mercury: According to the General Information Report, this road is designated as a foothill road and appears to have been constructed to a standard adequate for this type of road. The configuration of driveways at the end of this road supersedes the need for a cul-de-sac at this location. In addition, the approval of the roads for the recently completed minor subdivision of Parcel 29 North by the Park County Road Superintendent indicates that the county has no problem with the condition of the existing community road. Consequently, the developer appears to bear no responsibility to improve this road.

3.9. Gemini Road: According to the General Information Report, this road is designated as a foothill road and appears to have been constructed to a standard higher than that contemplated for this type of road. The width is adequate at its narrowest to allow two car approaching each other to pass safely. In addition, the County's recent inspection of the road for the

Parcel 37 North minor subdivision did not identify any problem with the condition of the community road. The need for culverts along this road must be justified by the GLA in greater detail before this need could be effectively evaluated by the developer. The response in this evaluation to culverts in other locations should be considered applicable to this location. The steel/concrete posts on the road to John Alexander's were installed by him. The portion of the road where these posts are located is designated in the General Information Report as a mountain road. The GLA should pursue a resolution to the removal of these posts with John. Consequently, the developer appears to bear no responsibility to improve this road.

3.10. Orion Way: According to the General Information Report, this road is designated as a foothill road and appears to have been constructed to a standard higher than that contemplated for this type of road. The need for a cul-de-sac at this location is questionable unless the chief of the local fire department indicates that adequate area does not exist to allow an emergency to turn around. In this event, the developer may wish to consider working with the GLA on the graveling of this cul-de-sac.

3.11. Aries Drive: The condition of this road appears to be a matter of routine maintenance for which the GLA should be responsible.

3.12. Taurus Road: The GLA report does not make itself clear as to which section of Taurus Road is in question. The road driving surface is somewhat above the surrounding terrain for much of its length. The ditch is absent along the cut slope on the inside of the curve as the road slopes down toward Fridley Creek. The construction of a ditch at this location may tend to narrow the driving width and cause the ditch to be perceived as an additional hazard. The grading activity conducted this summer by George Elliot produced a gravel curb along the outside edge of the driving surface which keeps the runoff in the roadway and renders any ditch ineffective. However, if evidence can be produced to show that the absence of a ditch along this road has resulted in chronic and on-going deterioration of the driving surface due to erosion or other causes, the developer should be responsible to construct ditches.

3.13. Sirius Drive: The GLA appears to have proceeded to construct ditches along the road side. As described in the general discussion concerning ditches in Section 2.4 of this evaluation, the tire tracks in the fresh snow indicate that large well-defined ditches may not be desirable to everyone. The culvert plugged by a rock slide appears to be routine maintenance which should be the GLA's responsibility unless it has existed for some time and should have been corrected by the developer. The loose guardrail post driven through the culvert appears to clearly be the responsibility of the developer.

4. Itemized Response to "North Glastonbury Detail Report" Section of GLA Report

4.1. Avalon Drive: Since the developer owns all the land accessed by this road, the decision to upgrade and complete this road should be left up to the developer.

4.2. Virgo Way: A smooth and steady flow of water was observed through the culvert under the community road. Aquatic plants grow in both ends of the culvert and partially obstruct the culvert cross section. This appears to be a matter of on-going routine maintenance. The existing culvert appears to be adequately sized to handle the flow during most seasons and conditions. However, if evidence can be produced to show that the culvert is undersized resulting in chronic and on-going deterioration of the driving surface due to water flow onto the roadway, the developer should be responsible to install a larger culvert. A more substantial issue involves the quality of the road which is designated as a residential community road in the General Information Report. This road does not meet county subdivision standards and should be the developer's responsibility to upgrade to residential community road quality.

4.3. Arcturus Drive: The comment "needs ditching" in not adequately specific to convey what the GLA is requesting. Portions of the road are steep, other portions occur above the surrounding terrain and as discussed in the general discussion on ditches, well defined ditches may not be the solution.

4.4. Leo Drive: Due to the steepness of the grade on this road, well defined ditches may be subject to erosion. Ditches that are armored with rock rip rap or velocity breaks may became more of a hazard than a help. The recent approval of the road for Robert Sherwood's minor subdivision by the Park County Road Superintendent did not require that any improvements be made to the community road. Therefore, the construction of ditches does not appear to be the developer's responsibility.

4.5. Leo Lane: According to the General Information Report, this road is designated as a foothill road and appears to have been constructed to a standard higher than that contemplated for this type of road. In addition, the recent approval of the road for Robert Sherwood's minor subdivision by the Park County Road Superintendent did not require that any improvements be made to the community road. Therefore, the construction of a cul-de-sac does not appear to be the developer's responsibility.

4.6. Hercules Road from Dry Creek Rd to Scorpio/Polaris intersection: The statement in the GLA report that "all guard rails require extensions" by the developer needs further explanation before it can be evaluated. What specifically does the GLA think should be done and what is the justification for taking this action? Guard rails on roads designated by the General Information Report as foothill and mountain are substantially beyond the quality of the road originally contemplated by the developer. In addition, no guidelines or requirements exist in the county subdivision

standards or other planning documents which would be applicable to guard rails on this type of road.

4.7. Hercules Road from Scorpio/Polaris intersection to Skyway Drive: According to the General Information Report, this road is designated as a mountain road and appears to have been constructed to a standard higher than that contemplated for this type of road. However, experience has shown that some improvements are necessary to correct flooding from Goldmeyer Creek. The developer may wish to work with the GLA in the development of further design considerations to remedy this situation during this stage of transition.

4.8. Skyway Drive: According to the General Information Report, this road is designated as a mountain road and the uncompleted portion accesses few parcels and house sites (Parcel 91 and 92). Depending upon who owns the parcels served by this road, the developer could choose to complete this road to mountain road quality at some later time. An arrangement may be negotiated with the purchaser.

4.9. Scorpio Way: According to the General Information Report, this road is designated as a mountain road, however appears to have been constructed to a standard higher than that contemplated for this type of road. The General Information Report cautions prospective purchasers to be aware of the road conditions and inspect the road before purchasing. The width of the road is wide enough for two approaching cars to pass safely during most seasons. Therefore, the construction improvements suggested do not appear to be the developer's responsibility.

4.10. Polaris Way: According to the General Information Report, this road is designated as a mountain road and appears to have been constructed to a standard higher than that contemplated for this type of road. This location remains chronically wet during much of the year and the installation of a culvert at this location may have been overlooked by the developer's construction crews. However, since the General Information Report clearly states the quality to be expected for this type of road, the GLA should not have an expectation as to the developer's responsibility. The developer may wish to compromise with the GLA by sharing in the installation costs for this culvert.

GENERAL WARRANTY DEED

FOR A VALUABLE CONSIDERATION, the receipt of which is hereby acknowledged, CHURCH UNIVERSAL AND TRIUMPHANT, INC., a Montana Nonprofit Corporation, dba COMMUNITY OF GLASTONBURY, herein referred to as the "Grantor," does hereby grant, bargain, sell, convey and confirm unto

GLASTONBURY LANDOWNERS ASSOCIATION, INC., a Montana Nonprofit Corporation

whose mailing address for legal notices and tax statements is Post Office Box 312, Emigrant, Montana, 59027, herein referred to as the "Grantee," together with the Grantee's successors and assigns, the following-described real property (the "Property") located in Park County, Montana:

Parcel Nos. 96 and 102 of Certificate of Survey No. 616; and
Tract No. 1 of Certificate of Survey No. 1173;

to have and to hold the same subject to the following:

a. General taxes and assessments for the period after September 30, 1997 (the "original date of purchase").
b. Covenants, conditions, restrictions, servitudes, limitations, terms, provisions, liens, charges, regulations, reservations and burdens of record or in existence on the date hereof, including, but not limited to, those contained within the Restated Declaration of Covenants for the Community of Glastonbury, recorded on September 30, 1997 in Roll 124, Pages 548-653, at the Office of the Park County Clerk and Recorder, Livingston, Montana, together with any and all amendments, additions and extensions thereto and assignments thereof (the "Restated Declaration of Covenants").
c. Easements and rights-of-way of record or in existence on the date hereof, including, but not limited to, those contained within or shown on the Restated Declaration of Covenants and on Certificates of Survey Nos. 615-A, 616-A, 883, 892, 895, 981, 1173 and the Golden Age Village at Glastonbury North mobile home park plat, on file and of record in the Office of the Park County Clerk and Recorder, Livingston, Montana.
d. The Grantor's reservation of all oil, gas, coal, hydrocarbons, minerals, mineral rights, geothermal water and energy, surface water and water rights, as is contained in the Restated Declaration of Covenants and which are hereby expressly excepted and reserved, together with other mineral and royalty reservations or conveyances of record.
e. Any lien or encumbrance created or suffered by the Grantee or the Grantee's predecessors after the original date of purchase.
f. All building, use, zoning, sanitary, subdivision and environmental regulations and restrictions of government agencies.
g. Reservations and exceptions in federal patents and state deeds, if any.
h. The additional terms and conditions set forth below.

ADDITIONAL TERMS AND CONDITIONS

This conveyance is also made subject to and in accordance with the following additional terms and conditions:

1. RESTATED DECLARATION OF COVENANTS. Restrictive covenants on the Property, entitled Restated Declaration of Covenants for the Community of Glastonbury, have been recorded in the Office of the Park County Clerk and Recorder, Livingston, Montana. They are referred to in this deed as the "Restated Declaration of Covenants" and are hereby incorporated herein by reference, without limitation. Grantee acknowledges the receipt of a copy of the Restated Declaration of Covenants and has read and studied them. In receiving title to the Property conveyed herewith, Grantee agrees to abide by and act in accordance with the Restated Declaration of Covenants, together with all amendments, modifications, additions and extensions thereto and all assignments thereof. All future transfers, conveyances, assignments and bequests of title to the Property conveyed herewith shall also be subject to the said Restated Declaration of Covenants, as provided in said declaration.

2. WATER AND MINERAL RIGHTS. This deed does not include the conveyance of any mineral rights or surface water rights. These rights have been excepted and reserved by the Grantor as provided hereinabove and in the Restated Declaration of Covenants, or are the subject of prior reservations or conveyances of record.

3. TAXES. In receiving title to the Property conveyed herewith, Grantee agrees to a continuing obligation to pay the taxes lawfully assessed against the Property by any unit of government. All future transfers, conveyances, assignments and bequests of title to the Property conveyed herewith shall also be subject to this provision.

4. ANNUAL COMMUNITY ASSESSMENT. In receiving title to the Property conveyed herewith, Grantee agrees to a continuing obligation to pay the annual community assessment and special assessments as provided in the Restated Declaration of Covenants, which are the responsibility of all landowners in the Community of Glastonbury. All future transfers, conveyances, assignments and bequests of title to the Property conveyed herewith shall also be subject to this provision.

1997-12-15_BDGN.pdf

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

December 15, 1997

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 7:10 p.m.; P. Keathley have the opening invocation.
Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Philip Covington, Andrew Field, Peggy Keathley, David Newhouse, Walter Wunsch. Also present were Laurel Matthews and Margaret Roach, Ombudsmen.
Absent: Horus Brailsford; Philip Hoag.

2. **Dispensing of Minutes** -- P. Keathley moved, M. Scoble seconded to dispense with the reading of the minutes and for the members to read them before the next meeting and be ready to make any corrections at that time. The motion passed unanimously.

3. **Order of Business** -- P. Wolberd requested the option to move 8.2 forward if Lori Gillet and Dan Kehoe came.

4. **Reports of Officers and Committees** --

4.1 Treasurer's Report.
Discussion: Treasurer M. Scoble reported on the following accounts: $141.96 in the Petty Cash Fund; $21,668.85 in the Glastonbury Planning Fund (although this amount needs to be verified by the Church); and $12,226.88 in the GLA Assessment Fund. She noted one outstanding bill for $67.70 for attorney fees.
Action: J. Murphy moved, W. Wunsch seconded that this bill of be paid by the GLA. The motion passed unanimously.
Follow-up: M. Scoble to pay the bill.

4.1.1 Petty cash protocol.
Discussion: M. Scoble suggested that there be a minimum of $100 in the Petty Cash Fund at all times. She also suggested that expenses up to $25 be allowed to be paid from this fund without signed authorization, and that amounts above $25 would require a check request and two authorized signatures. There was discussion about how to facilitate proper audit trails.
Action: W. Wunsch moved, P. Keathley seconded that M. Scoble's above suggestions be approved. The motion passed unanimously. There was consensus that for any non-emergency expenditures the Treasurer should determine the price and use checks to make the payment, even if the amount is under $25. The Treasurer should also keep a running record and receipts for each use of the Petty Cash Fund.
Follow-up: M. Scoble - write a guideline sheet for the use of the GLA Petty Cash Fund.

4.1.2 Compensation proposal.

Discussion: M. Scoble proposed that the GLA compensate bookkeeper Hildegarde Krammer and Assistant Secretary Lucia Hodges for their ongoing services rendered to the GLA. It was mentioned that under a new Montana state law, a subcontractor may need a business license. It was also noted that Doug Holm, with whom the GLA has a contract, would be setting up accounts for individual landowners on his computer, and that this would probably eliminate the need for H. Krammer's ongoing bookkeeping services. P. Keathley volunteered to work with the Church after 1-1-98 to get accurate beginning balances for each landowner's account, since she has experience working in the Church's accounting department. Regarding the quarterly assessment mailings, D. Holm will give the printed statements to M. Scoble, who will then put together a committee to help with the each mailing. J. Murphy will receive the assessment checks in the mail, and M. Scoble would deposit them in the GLA assessment account. L. Hodges commented that at the present she was happy to continue to work on the GLA minutes on a volunteer basis, but asked that the GLA consider her as a candidate should they need to hire anyone to do further secretarial work in the future, bearing in mind that she also had past experience working in the Glastonbury Administrative Office.
Follow-up: W. Wunsch - write a letter to H. Krammer, thanking her for her services.

4.1.3 Landowner assessment letter.

Follow-up: M. Scoble - draft landowner letter explaining new assessment and bookkeeping system to accompany next assessment notice.

4.1.4 Protocol for paying bills.

Discussion: It was noted that there was no clear GLA treasury protocol for paying bills. P. Keathley commented that she had a great deal of experience doing that type of work.
Follow-up: P. Keathley - work with M. Scoble regarding protocol for documentation for paying bills.
Follow-up: M. Scoble - ask D. Holm what he needs in order to streamline his audit procedures.

4.2 Finance Committee Report.

Discussion: M. Scoble said that Rueloff Varkevisser had volunteered to be on this committee, and that she felt he would be a welcome asset.
Action: There was consensus that Mr. Varkevisser assume a position as a temporary committee member.
Follow-up: M. Scoble - relay temporary approval to Mr. Varkevisser, and continue to search for other members of the committee.

4.3 Nominating Committee Report. None.

4.4 Road Committee Report.

Discussion: D. Newhouse reported that A. Mann does not have a light truck for plowing snow. P. Wolberd read a letter bid Michael Dirkers had submitted to D. Newhouse, in which Michael said he would be available for light snow plowing at $25/hour (see attached). It was

asked whether Michael carried his own liability insurance, since he would need this as a subcontractor. W. Wunsch and A. Field volunteered to do light plowing in the High South. W. Wunsch said that Rick Black in Livingston might be available to plow heavy snow for a price competitive with A. Mann's. He clarified that according to our contract with Mann, the GLA does not have to use Mann's services for heavy snowplowing. Regarding the road maintenance schedules, D. Newhouse said he was awaiting the decisions from the Joint Committee negotiations with the developer. He reported that Richard Johnson had offered to grade Capricorn Drive for $50/hour using Elliott's equipment, with an estimate of 3 hours, but that Richard had no insurance. Regarding snow fencing, D. Newhouse presented a bill from R. Johnson for work he had done. Regarding weed cutting, D. Newhouse reported that no money had been specifically spent on this project, as the work had basically been accomplished by the road grading method used. He recommended continuing this method, and then planting the road sides and mowing them in the future. P. Wolberd noted that the road grading had created somewhat substantial ditches that could present a problem when the roads were covered with snow. Regarding a rebuttal to the developer's report written by William Smith, D. Newhouse said he had spoken to an engineering firm in Bozeman who had estimated that the job would cost between $600-$800. There was consensus to first enter negotiations with the developer, and then, perhaps as an objective of the first meeting, to agree to a process whereby an independent engineer could be hired to review both reports and the roads, and then complete a recommendation on required work and cost. Both parties hopefully would split the costs of the independent expert.

Action: A. Field moved, D. Kehoe, Jr. seconded that the GLA approve of 8 hours of road maintenance work, and that D. Newhouse and his road committee be authorized to determine specifically where that work should be done. The motion passed unanimously.
Action: M. Scoble moved, J. Murphy seconded that the GLA install road markers from Aries Drive into the GAV, and that the Road Committee be authorized to make the necessary expenditures, limited to a maximum of $200. The motion passed unanimously.

Follow-up: W. Wunsch - prepare Capricorn Drive letter to County by 1-5-98.
Follow-up: W. Wunsch - prepare Bodeaux, et al. letter by 1-5-98.
Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations.
Follow-up: W. Wunsch - report on Joint Committee negotiations regarding the Chevy truck/plow.
Follow-up: D. Newhouse - obtain and present a copy of A. Mann's liability insurance.
Follow-up: M. Scoble - pay the fencing invoice from R. Johnson.
Follow-up: D. Newhouse - obtain and present a copy of M. Dirkers' liability insurance to the GLA by the next meeting.
Follow-up: D. Newhouse - obtain from M. Dirkers his bid in a more professional format, and present that bid at the next meeting.
Follow-up: D. Newhouse - contact Rick Black to bid on heavy snowplowing.
Follow-up: D. Newhouse - put together a proposal for the GLA by the next meeting on the next level of road maintenance work to be done, and the estimated costs.

Follow-up: D. Newhouse - contract with R. Johnson to install reflective road markers on both sides of Aries Dr. leading into the GAV, for a $200 maximum charge.
Follow-up: D. Newhouse - contact J. Alexander re "No National Forest Access" and "Dead End" signs.
Follow-up: D. Newhouse - recommend hot water ditch action on Virgo Way following Joint Committee negotiations.

4.5 Architectural Subcommittee Report. None.
Follow-up: P. Hoag - review the Community of Glastonbury Policies & Standards for Subdivisions, including Section 4.4 on Installation of Utilities for possible revision.
Follow-up: P. Hoag - recommendation for hiring a Project Reviewer and cost.
Follow-up: P. Hoag - Review and complete Kremer subdivision check list.

4.6 Complaint Committee.
Discussion: D. Kehoe, Jr. provided a draft copy of Enforcement Procedures to each Board member (see attached). There was consensus that it should be modified to remove the threat of sanctions in a first letter to an alleged violator, to use the sanctions only in follow-up letters, and to title the protocol "Complaint Procedures." Discussion arose about the role of the ombudsmen in these activities. Someone noted that many Glastonbury residents may not know about the availability of the ombudsmen, and/or the role they can play in helping to deal with complaints.
Action: J. Murphy volunteered to chair this committee. There was consensus approval.
Follow-up: D. Kehoe, Jr. - redraft the protocol and provide it to J. Murphy.
Follow-up: J. Murphy - distribute the revised protocol at the next meeting.
Follow-up: L. Matthews and M. Roach - present a written definition of "ombudsman" and the work they propose to do for the Glastonbury residents at the next meeting. If approved by the Board, it will then be posted in appropriate places.
Follow-up: J. Murphy will ask H. Brailsford if he is willing to be a member, so there will be the minimum requirement of two Board members on this committee.

4.7 Land Use Master Plan Advisory Committee Report.
Discussion: There was consensus that this committee needed to be formed as soon as possible. D. Kehoe, Jr. volunteered to chair the committee. It was noted that one does not need to be a member of the GLA to serve on this committee, and that it would be best to get members from many different perspectives. Several members said they hoped a Master Plan could be finalized by April of 1998, since this was the start of the building season. It was noted that the first responsibilities of any such committee would be to identify a process by which changes could be made to the preliminary plan, the manner in which the community at large will be involved, and to suggest members to work in the committee.
Action: M. Scoble moved, A. Field seconded that the GLA establish a committee that would report directly to the Board of Directors, for the purpose of finalizing the land use master plan. The motion passed unanimously.
Action: A. Field moved, M. Scoble seconded that D. Kehoe, Jr. be appointed chairman of the committee. The motion passed unanimously.

Follow-up: D. Kehoe, Jr. is to present a rough draft time line for completion of the master plan by the next meeting.
Follow-up: High South fire water reservoir (See 8.1).
Follow-up: P. Hoag - study guidelines for tree removal.

5. Ombudsmen Reports -- Regarding the dispute on Parcel 47 North, M. Roach reported that the Dec.1 pretrial preparation had been postponed by Judge Nels Swandel, but that he had indicated that he felt the dispute would best be settled out of court.

6. Unfinished Business --

6.1 Kremer Subdivision Application.
Follow-up: P. Hoag - review and complete check list for Kremers.

6.2 Teaching Center Land Donation. P. Wolberd noted that he had sent the response letter to E. Francis, and that the matter was now to be handled by the Joint Committee.

6.3 Charges for GLA Document Copies. Secretary Murphy recommended charging double the price it cost her to make the copies. For example, a copy of the Bylaws would cost $2.50. There was consensus approval.

6.4 Kremer Resignation Letter.
Discussion: J. Murphy read a draft of a letter she had written for P. Wolberd's signature to accept L. Kremer's resignation (see attached). W. Wunsch noted that L. Kremer had conveyed to him that she might reconsider. There was discussion as to how to facilitate this reconsideration.
Action: The letter was approved as written, but to be held until after Jan. 19, 1998.

Follow-up: W. Wunsch - verbally communicate to Linda that although the Board had formally accepted her resignation, it's members hoped she would reconsider, and that the position would be held open until Jan. 19 for her reconsideration. If she does not seek appointment at that time, the board will set up a nominating committee for the purpose of filling the position.

6.5 Alfaro Complaint re William Pitt "No Trespassing" Signs and Aggressive Dogs.
Discussion: The members agreed this was a situation for the new Complaint Committee.
Follow-up: J. Murphy - write C. Alfaro to convey that the GLA now has a committee to deal with complaints, and that his issue will now be addressed. Bring the matter to the committee.

6.6 Boyle Letter Requesting Information.
Discussion: P. Keathley read a draft response she had prepared on behalf of the GLA. The letter was approved as read (see attached).
Follow-up: P. Keathley - mail letter she drafted. Forward Boyle's letter to C. Healy to respond regarding whole parcels for sale by the developer.

6.7 **Board list.** J. Murphy handed out the list to each member at the 12-8-97 meeting.

6.8 **By-laws/Covenants Voting Discrepancies.**
Follow-up: J. Murphy and L. Hodges - draft guidelines by 1-5-98 on how GLA addressed this problem in the recent elections, and place in guidelines book.

6.9 **Protocol for Committee Membership Approval.**
Follow-up: D. Kehoe, Jr. - draft protocol by the next meeting.

7. **Tabled Business --**

7.1 **Court Ordered Community Service.** (N. Issa)
7.2 **Community Assessment Fund Reimbursement from Community Planning Fund.**
Follow-up: C. Healy - response to Kehoe draft reimbursement request memo.
7.3 **Public Access on Roads.** (P. Hoag)
7.4 **Noxious Weed Committee Formation.**

8. **New Business --**

8.1 **Gillet Subdivision / High South Fire Reservoir.**
Discussion: Lori Gillet reported to the Board that she was considering subdividing their Parcel 70 in the High South, and was concerned about the possible requirement by the county fire marshal of a fire water reservoir in the High South. She said that Jeffrey McNabb had done some draft work and estimated that a trapezoidally-shaped reservoir would initially cost between $900 and $1500. Lori said that 35,000 gallons of water were required by the fire marshall. W. Wunsch commended that 100,000 gallons were needed for a decent pond, and that Pete Story has the water rights to the creek that would be used for the reservoir (Golmeyer). He said Pete had conveyed to him that he did not object to a reservoir, but would want it filled in the beginning of the year (ex. in April) so that he would have adequate irrigation water through the summer. D. Kehoe, Sr. said he had done a fair amount of surveying work with Gerald Dubiel regarding the amount of water in Golmeyer Creek at various times of the year. L. Hodges noted that Parcels 95 and 97 were for sale, had a waterfall, would accommodate such a reservoir, and would also make a wonderful park area for the Glastonbury residents. She noted that Parcel 94 was also for sale, was much less expensive than Parcels 95 or 97, was adjacent to Golmeyer Creek, and that it also probably had adequate room for a reservoir. The need was discussed for a park advisory committee that would represent a diversity of Glastonbury landowners, including the developer, since the Church is still the largest Glastonbury landowner. It was also noted that a main task of the committee would be to study ways of funding park proposals. W. Wunsch volunteered to chair such a committee; Lori Gillet volunteered to be a member of it.
Action: P. Keathley moved, J. Murphy seconded that a High South Fire Water Reservoir Advisory Committee be formed for the for the specific purpose of bringing a proposal back to the board, and that W. Wunsch be appointed the chairman. The motion passed unanimously.

8.2 Response to County Master Plan.
Discussion: P. Wolberd reported that he understood a new state law now mandates that if a county has a planning board and planner they must have a county-wide plan. He noted that the Park County Planning Board has the authority to establish a comprehensive plan without approval from the residents. County Planner Ellen Woodbury had set December 16, 1997 as the last day for input from residents. It was clarified that if the plan is adopted, it will not have the force of law, but will allow zoning to be imposed in the future by a planning board. P. Wolberd read a letter he had drafted to the Park County Planning Board regarding the comprehensive plan (see attached) and Glastonbury's stands on various planning issues (see attached).
Action: W. Wunsch moved, P. Keathley seconded that the GLA send letter as read, on behalf of the entire GLA. The motion passed unanimously.
Follow-up: P. Wolberd - send letter with draft Glastonbury Land Use Master Plan.

8.3 Van Hulzen Subdivision.
Discussion: J. Murphy said the GLA had received a letter from L. Van Hulzen which requested a variance from the county and the Church of one year before removing the reservoir they begun on their Parcel 35 South, and that they be allowed to complete their minor subdivision in the interim (see attached).
Action: It was agreed this was a matter for the Architectural Subcommittee.
Follow-up: J. Murphy -- forward the letter to P. Hoag.
Follow-up: P. Hoag - prepare a draft response to the 35 South landowners by the next meeting.

8.4 GLA Letterhead. It was noted that letterhead was needed for the GLA. A. Field volunteered to secure a good price for the printing.
Follow-up: J. Murphy - develop letterhead and price for Board review.

8.5 Meeting Room Charges.
Discussion: P. Wolberd said that the Thomas More School was requesting a room rental fee of $10 per date of use. L. Matthews volunteered the chapel in her home in South Glastonbury free of charge. D. Newhouse offered his garage in North Glastonbury free of charge, but only after Janaury, as he still needed to install heat.
Follow-up: J. Murphy - check out the options and report back to the GLA by next meeting.

8.6 NOTICE OF CORRECTION Regarding Linda Ulrich Letter.
Discussion: P. Wolberd noted that he had received a letter from L. Ulrich in which she said she disagreed with the report in the September 27, 1997 minutes that she had changed her mind and was now in support of the restated Covenants (see attached). P. Wolberd then read a response letter he had drafted acknowledging the error (see attached).
THE SEPTEMBER 27, 1997 GLA BOARD MINUTES WERE IN ERROR REGARDING LINDA ULRICH'S POSITION ON THE RESTATED COVENANTS. LINDA OBJECTED TO THE RESTATED COVENANTS AT THE TIME OF THE VOTE AND HAS NOT CHANGED HER POSITION, CONTRARY TO THE

STATEMENT MADE IN THE SPETEMBER 27, 1997 MINUTES. SEE ALSO ATTACHED ULRICH LETTER OF NOVEMBER 24, 1997 AND THE BOARD RESPONSE LETTER OF DECEMBER 15, 1997.
Action: A. Field moved, W. Wunsch seconded that P. Wolberd's letter be sent to L. Ulrich as written. The motion passed unanimously.
Follow-up: P. Wolberd - send letter and follow-up as indicated in letter.

9. **Open Floor Comments** -- None.

10. **Next Meeting** -- The next meeting will be at 7:00 p.m. on 1-5-97.

11. **Adjournment** -- The meeting was adjourned at 10:35 pm.

Submitted by Lucia Hodges
Assistant Secretary

GLA 00184

1997-12-15_BDGNAUX.pdf

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
December 15, 1997

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

Follow-up: M. Scoble - Draft landowner letter explaining new assessment and bookkeeping system to accompany next assessment notice

Follow-up: M. Scoble - Set up petty cash fund and procedures

4.2 Finance Committee Report - Maria Scoble, Chair

Follow-up: M. Scoble - Recruit committee members

4.3 Nominating Committee Report

4.4 Road Committee Report - David Newhouse, Chair

Follow-up: W. Wunsch - Capricorn Drive letter to County by 12-1-97

Follow-up: W. Wunsch - Prepare Bodoh, et al letter by 12-1-97

Follow-up: D. Newhouse - Prepare road maintenance schedule for G. North and G. South by 12-15-97

Follow-up: W. Wunsch - Contact E. Francis re Chevy Truck/Plow ASAP

Follow-up: D. Newhouse - Obtain a bid from A. Mann, et al, for low cost snowplowing

Follow-up: D. Newhouse - Obtain R. Johnson fencing contract by 12-1-97

Follow-up: D. Newhouse - Obtain weed cutting info by 12-1-97

Follow-up: P. Wolberd - Confirm GLA/Developer 12-1-97 mtg. time for Roads Mtg. (Closed mtg.)

Follow-up: D. Newhouse - Contact J. Alexander re *NO NATIONAL FOREST ACCESS & DEAD END* signs

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
December 15, 1997

Follow-up: D. Newhouse - Recommend hot water ditch action

4.5 Architecture Subcommittee - Philip Hoag, Chair

Follow-up: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities for possible revision

Follow-up: P. Hoag - Recommendation for hiring Project Reviewer & cost

4.6 Complaint Committee -

4.7 Land Use Master Plan Committee -

Follow-up: - Establish committee

Follow-up: - Study High S. fire water reservoir need

Follow-up: - Study guidelines for Tree removal

5. Ombudsman Report

6. Unfinished Business

6.1 Kremer subdivision application

Follow-up: P. Hoag - Review and complete check list for Kremers

6.2 Teaching Center land donation

Follow-up: P. Wolberd - follow-up on E. Francis response letter by 12-1-97

6.3 What to charge for document copies?

Follow-up: J. Murphy - Recommend a guideline

6.4 Kremer Resignation Letter

Follow-up: J. Murphy - Send letter of acceptance

6.5 Alfaro Complaint re William Pitt no trespassing signs & aggressive dogs

Follow-up: D. Kehoe & A. Field - Develop complaint protocol

6.6 Boyle Letter

Follow-up: P. Keathly - Letter Response by 12-1-97

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
December 15, 1997

6.7 Board List

Follow-up: J. Murphy - Develop new board list by 12-1-97

6.8 By-Laws/Covenants voting discrepancies

Follow-up: J. Murphy & L. Hodges - Draft guidelines on how we addressed this problem in the recent elections & place in guidelines book by 12-1-97

6.9 Establish a protocol for committee membership approval

Follow-up: D. Kehoe - Draft protocol

7. Tabled Business

7.1 Court Ordered Community Service - Nadim Issa

7.2 Community Assessment Fund reimbursement from Community Planning Fund

Follow-up: C. Healy - response to Kehoe draft reimbursement request memo

7.3 Public access on roads - P. Hoag

7.4 Noxious Weed Committee Formation

8. New Business

8.1 Gillet Subdivision - Concern about the fire reservoir requirement for high south.

See also item 4.7

8.2 P. Wolberd - Response to county planner's call for comment.

8.3

8.4

8.5

8.6

9. Open Floor Comments

10. Next Meeting - Monday, 7:00 p.m., December 15, 1997, North Glastonbury

11. Adjournment

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312
Emigrant, MT 59027

December 15, 1997

Linda Ulrich
P.O. Box 235
Emigrant, MT 59027

Dear Linda,

I am in receipt of your letter of November 24, 1997, regarding the reference to you in the Board minutes of September 27, 1997. I checked with our secretary, Joan Murphy, to see if she had a copy of the letter in question. I then went back to the minutes to see if there was any reference as to who reported the information in question.

The quote in question actually said, "There was a total of 1.67 "no" votes, which came from the votes of five landowners who objected to the new Covenants. All of those objecting had written letters explaining their rationale for doing so. Linda Ullrich sent in one such letter, but afterwards changed her mind and said she would like to go on record as supporting the new Covenants."

There was no reference as to who reported the information that you had changed your mind, nor any reference to another letter. After checking with the board members who were present at that meeting, I called Eleanor Schieffelin and confirmed that she made the report based on a conversation she had with you.

In light of your letter of November 24, 1997, it would appear that Eleanor misunderstood your position on the restated covenants. Given the tone of your letter, I can clearly see that the board minutes of September 27, 1997, did not accurately represent your position on the restated covenants.

It saddens me to see you take this position, yet I respect your right to express your views. I hope you understand that your public non-endorsement of the restated covenants in no way releases you from your obligation as a landowner to abide by them.

I presented your letter to the Board for consideration at our meeting on December 15, 1997. My recommendation was for the Board to include a copy of your letter with those minutes, a copy of this letter, and a notice of correction under new business. As you know, we send copies of our minutes to each of the Teaching Centers to post. The Board accepted my recommendations and we will also mail to you a copy of the minutes of the December 15th meeting for your records.

Thank you for bringing this error to my attention. We do endeavor to report accurately at our meetings and keep an accurate account of our business.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

attachment: September 27, 1997 Board Minutes
L. Ulrich letter of November 24, 1997

Patrick

Nov 24, 97

It has come to my attention that my name was referred to in the minutes of the September 27 meeting of the Glastonbury Landowners Association.

Specifically: Item number 3.1.3

"Most of those objecting had written letters explaining their rationale for doing so. Linda Ulrich sent in one such letter, but afterwards changed her mind and sent another letter saying she would like to go on record as supporting the new covenants."

I am now publicaly stating to the Glastonbury Landowners Association and to you, as president of the group, that I did not, and still do not endorse the restated covenants for Glastonbury as adopted in August 1997. I believe them to be excessively punitive and personally restrictive as well as legally indefensible in their origin.

I am asking you to send me a copy of each letter that reputedly came from me. Please send these copies to Linda Ulrich
PO Box 235
Emigrant, Mt 59027

I am also requesting that you publicaly state to the GLA, at your next meeting, that I am not

a signer of, nor am I in favor of the new covenants, and any such statement to the contrary is erroneous.

I am also asking that this statement be posted as a correction for all to read, in your next minutes.

Thank You,

Linda L. Ulrich

Complaint Com. Protocal

Enforcement Procedures - Rough Draft

1. Complaint. Once a Director receives a complaint, they shall forward it to the Complaint Committee Chairman to be put on the agenda of the next Committee meeting for reveiw. At that meeting the Committee shall determine whether the complaint requires action on the part of the Board or should be returned for clarification or completion.

2. Investigation and Informal Resolution. On complaints that appear to require the Board's action, the Complaint Committee shall investigate the complaint and solicit a response from the alleged violator. If the approach of the Committee to rectify the situation is successful the matter is considered resolved. If the approach of the Committee is not successful, the Committee shall report their findings to the Board.

3. Notice. If the Board deems it necessary to proceed on behalf of the Landowners to rectify the situation, the Board shall serve the alleged violator with written notice describing:

A.) the nature of the alleged violation;
B.) the proposed sanction to be imposed or action to be taken by the Board;
C.) define the ten (10) day period within which the alleged violator may present a written request for a hearing or a written rebuttal to the Complaint to the Board; and
D.) a statement that the proposed sanctions or actions shall be imposed as contained in the notice unless a challenge is begun within the aforementioned ten (10) day period.

If a timely challenge is not made, the sanction stated in the notice shal be imposed or the action deemed necessary shall be started. If the violation is remedied within the ten day period, the Board may suspend the proposed sanction or action. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions by any person.

4. Hearing. If a hearing is requested within the allotted ten day period, the hearing shall be held before the Board members who are not on the Complaint Committee investigating the particular alleged violation or such impartial body as the Board may appoint. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction, proof of proper notice shall be placed in the Minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the person who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or his representative appears at the meeting. The Minutes of the meeting shall contain the results of the hearing and the sanction, if any, imposed or any action that the Board decided to take, unless a decision for action was deferred for further study.

5 Enforcemant Action. In the event that a Landowner continues to violate the Covenants, ByLaws, Rules, regulations or Community Standards, after being served a Notice by the Board and the ten day period for a hearing has elapsed, the Board may elect to enforce any such provision by suit at law to obtain injunctive relief, compliance monetary damages or any other legal remedy available.

Annette Boyle
11341 Bell Rd.
Lemont, IL 60439

Dear Annette;

Your letter of November 13th regarding property in the Paradise Valley area was given to me to answer at our regular Glastonbury Landowners Board meeting last evening.

We are always happy to hear from our members in the field who are contemplating a move to our beautiful valley and perhaps to join as a part of our Glastonbury community.

I am enclosing a copy of our latest edition of the Home Seekers magazine put out by the real estate association, of which I am a member. This will give you a pretty complete idea of what is on the market at the present time and the prices you can expect in this area. If you see anything that is of interest to you, please do not hesitate to give me a call or write or fax me and I will gather whatever information I can to pass along to you.

I have been a realtor for over 27 years, had my own business in Hawaii before joining staff of the Church and have been serving our members here in Montana since 1981. I would be pleased to be able to help you find what you are looking for in Montana and to be of service to you in any way.

The Church has land available in Glastonbury for sale and I will pass a copy of your letter along to Carla Healy for her imput and I will also include a copy of my ad for Glastonbury resales. Land for sale by the church is not available for realtors to sell but we do handle any and all resales.

Thank you for your interest in our area and I will be looking forward to hearing from you. My card is also enclosed.

Sincerely,

Peggy Keathley

Mrs. Linda Kremer
P.O. Box 241
Emigrant, MT 59027

Dear Linda,

At the November 17, 1997 meeting of the Board of Directors of the Glastonbury Landowners Association, your letter of resignation to the Board was read and regretfully accepted. At that time, the Board decided not to take any immediate action to replace you.

We thank you for your willingness to serve the community and encourage you to sit on any of the committees which are in the process of being established.

Sincerely,

Patrick Wolberd
President, Glastonbury
Landowners Association

PW:jm

November 17, 1997

TO: The Board of Directors
Glastonbury Landowners Association

FROM: Linda Kremer

I regret to say that I must resign from the Board even as we have just begun.

I had hoped that there would be more flexibility in the scheduling for our meetings. Monday night is especially difficult for me of all the possibilities that were considered. I would not be able to meet the commitment ~~that~~ with which I have been intrusted.

I am disappointed in this outcome and also trust that I can serve in other capacities for our community.

I would ask that the Board consider Nadim Issa as a replacement candidate. I feel that he carries the heart flame I would have hoped to bring to the group.

Always Victory!
In Gratitude for All Gods Gifts —

Linda Kremer

Re: Parcel 35, South Glastonbury Minor Subdivision

Dear Mr. Wolberd,

We the undersigned landowners of parcel 35 South Glastonbury agree to the following:

1.) remove the water detention dam, metal pipes and plastic from our land;
2.) restore the original slope and contours of the land;
3.) reseed the area;
4.) finish all the above within on year from signing this agreement.

We the undersigned have therefore requested the Park County Planning Board to consider removing condition number 4 from the preliminary approval conditions in order not to further delay the completion of the subdivision. TP, Inc., who has agreed to be responsible for the removal of the dam, currently does not have the funds (+/- $2,200.00) to complete the work. The undersigned declare to never fill the dam with water and to immediately remove the plastic liner, or what is left of it.

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312
Emigrant, MT 59027

December 15, 1997

Ellen Woodbury, County Planner
414 Callender
Livingston, MT 59047

Dear Ellen,

We understand that Park County Planning Board has decided to move ahead with a county comprehensive plan and has directed you to develop a proposal. The Glastonbury Landowners Association board of directors has asked me to write to you regarding our position on this matter.

Our two hundred and fifty plus membership would like to see a Park County Comprehensive Plan which incorporates the following concepts:

1. Covenants of existing landowners associations or sub-divisions will be recognized by the new county plan, not nullified.
2. Any land use master plan currently in process or already implemented in an existing development will be grandparented into the county plan.
3. Any existing land use designation by a developer or currently in process will be grandparented into the county plan.
4. Any zoning restrictions or other land use limitations proposed in the county comprehensive plan or by the planning board be required to be presented to the citizens affected by the proposal for a vote of approval in order to be implemented.

A major concern of the Glastonbury Landowners Association is that the covenant revision and land use master planning we have undertaken for the past two years could be eliminated by the development of a county comprehensive plan. Our desire is that the county plan be respectful of individual property rights and the community development we envision and have worked on for so long. We have enclosed for your information a copy of the draft Glastonbury Land Use Master Plan.

As you know from your meeting with some of our committee last summer, we hired a professional planner to assist us in this project and believe it to be well thought through and consistent with the current thinking on community development. We appreciate the helpful feedback you gave us at that time and would invite continuing input from your office.

It is important to note that this plan is still in draft form and does not completely take into consideration the new "open community" direction reflected in our restated covenants. We are in the process of appointing a new land use master plan committee under the direction of our new board and expect that committee to complete its work by the middle of 1998. Upon completion

of the land use master plan, we expect to have finalized the designation of parcels for commercial development as well as different types of residential development and density standards.

Please keep us posted on any meetings regarding the county comprehensive plan. If you have any questions, I may be reached at 333-4722 or at the address noted above.

Thank you for your consideration of our comments.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

Spring Reminders

From the Friendly Folks of the GLA

ROAD NEWS:

Two STOP signs are going up on Sirius at the Helios Drive intersection. The intersection will become a three-way stop.

The roads will be graded soon...so
A) Slow down when approaching and passing road work equipment.
B) Drive 25 mph or slower on the gravel (or it will washboard in a few hours).
C) All drivers and vehicles must have the necessary license, registration and insurance.
D) Drive on the grass to keep the dust down.
E) Most of the above ("D" is the incorrect answer).

Rites of Spring: Dogs and horses are coming out of hibernation:

Do animals have souls? We aren't sure, but we wouldn't want any pets to lose theirs, so remember - the Covenants call for man's best friend to be restrained by fence or leash and not allowed to roam free around the neighborhood. Landowners, please notify your renters of this harmonizing influence on the neighborhood.

Road etiquette and safety: When driving by pedestrians, children playing or a horse with an equestrian, for the safety of all, please slow way down and give them wide berth. Horses have been known to have a strange sense of humor and, on a slow day, will take any excuse to get spooked to the possible detriment of the rider (mass x acceleration + panic + astrological influences = detriment).

All thats green isn't gold:

The GLA will be contracting to have the road easements sprayed for knapweed this Spring and Fall. The herbicide that will be used is more effective than Tordon and doesn't have the lasting residual effect in the soil. Knapweed has been getting worse in Glastonbury and has come to the attention of Park County. The County is cracking down on landowners that are not eradicating it and can levy a $500 fine. Ouch. This is a problem that both our State law and Covenants mandate our response. Upon request, the GLA will provide landowners a list of contractors who will spray knapweed.

The GLA is fully committed to joining the County in controlling knaughty knapweed. We will notify landowners of problem areas that are not being addressed. We realize that out-of-state landowners may be unaware of an infestation on their property, since it spreads so fast. One knapweed flower can throw off 70 seeds! If no action is taken within six months, the GLA will notify the County of the problem. Don't be caught knapping!

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

January 5, 1998

1. Call to Order, Prayer -- Patrick Wolberd opened the meeting at 7:25 p.m. Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Andrew Field, Philip Hoag, Peggy Keathley, David Newhouse, Walter Wunsch. Also present was Laurel Matthews, Ombudsman. Absent: Philip Covington.

2. Reading and Disposition of Minutes -- The minutes of November 15, 1997, November 17, 1997, and December 15, 1997 were approved as corrected. The December 1, 1997 minutes will be reviewed and commented upon at the next meeting. There was consensus that whenever possible, the secretary should send out future minutes along with the agenda to the Board members. They are then to read them prior to the next meeting, and bring any proposed corrections or additions to that meeting.

3. Order of Business -- The following items were discussed out of order:

3.1 (Agenda Item 4.4) Road Committee Report.

Discussion:

⇨ W. Wunsch read the letter he had drafted to the county concerning the problems on Capricorn Dr. (see attached). The letter was approved as corrected. W. Wunsch completed his task re the Bodeaux letter.

⇨ D. Newhouse reported that both M. Dirkers and A. Mann said they had liability insurance policies which they would mail to him. He said he had also received the contract with M. Dirkers for light snowplowing. There was discussion about which roads would be plowed in which order, and consensus that it was important to determine this in advance.

⇨ Regarding the possible John Alexander "No National Forest Access" and "Dead End" signs, the Board reiterated that if John wanted such signs he would need to submit them to the Architectural Subcommittee of the GLA for approval prior to installing them.

⇨ D. Newhouse said he had also contacted R. Johnson regarding installation of reflective road markers on both sides of Aries Dr. leading into the GAV, and that R. Johnson said he felt the markers should not be placed directly along the road side since they would be in the way of snow plows. He recommended that they be placed 3-4 feet away from the edge. There was discussion about whether this would solve the original problem of people driving into the ditches in heavy snowfall, and also that it would be very difficult to install the posts now that the ground was frozen.

⇨ Regarding the water ditch on Virgo Way, H. Brailsford said the County had just cleaned out their section of the ditch. He recommended that since the Church has retained the water rights to the ditch in the section past Virgo Way, it would be good to

include this issue along with the other upcoming road negotiations with the Church. He said the clogging in the ditch causes major soil erosion of the hillside, and that in the long run it would probably be best to pipe the water down the hill from Virgo Way to the Dry Creek road.

⇨ There was further discussion about whether or not the GLA should accept the responsibility of taking care of roads that they had approved as part of a subdivision, but there was consensus to save this topic for a later date.

⇨ Regarding the next level of grading for the funds that had been approved, D. Newhouse said he would grade the section going up the hill by the dumpsters into North Glastonbury, and then spot grade North as needed.

⇨ Chairman Wolberd reminded the group that the Bylaws direct all Committees to keep minutes of their meetings.

⇨ W. Wunsch reported that the Road Committee would be meeting with the Church on January 17. He said the Road Committee wondered if the GLA should bring in a road engineer to represent the GLA's position. They felt it would be wise to consult an attorney prior to that meeting regarding the safety of certain roads and the developer's responsibility in the matter. It was clarified that for road negotiations there were basically two main questions in this regard: (1) Does the road meet the specifications of the developer? and (2) Does the road meet the safety standards that are accepted within the state? There was discussion about guard rails being a major problem when snow plowing was needed. Chairman Wolberd reminded the Road Committee that they needed to negotiate from a position of what is defendable.

Action: W. Wunsch moved, M. Scoble seconded that the Board approve Michael Dirkers' non-exclusive bid for light snowplowing at the rate of $25 per hour, under a schedule of plowing priorities to be approved by the chair of the Road Committee. The motion passed unanimously.

Action: H. Brailsford moved, W. Wunsch seconded that the GLA not install reflective road posts at this time. The motion passed unanimously.

Action: W. Wunsch moved, H. Brailsford seconded that the GLA hire the engineering firm they had contacted in Bozeman for a fee not to exceed $800, to inspect the Glastonbury roads in light of both the existing Glastonbury Specifications and Standards and any safety concerns that could present liabilities. The motion passed unanimously.

Follow-up: D. Newhouse is to find out to which official the county letter should be addressed, and report this information to W. Wunsch, who is then to send the letter.

Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations with the developer.

Follow-up: W. Wunsch - report on Joint Committee negotiations regarding the Chevy truck/plow following Joint Committee negotiations with the developer.

Follow-up: D. Newhouse - give copies of A. Mann's and M. Dirkers' liability insurance policies and written contracts to J. Murphy.

2 of 7

1-5-98

Follow-up: D. Newhouse - re-write Dirkers' plowing contract to spell out the guidelines for the specific priority of roads to be plowed, then convey them to P. Wolberd for final approval before asking Dirkers to sign. James Healy volunteered to help D. Newhouse write the guidelines and draw up a map to be attached.
Follow-up: D. Newhouse - put together a proposal for the GLA by the next meeting on the next level of road maintenance work to be done and the estimated costs, by 1-19-98.
Follow-up: D. Newhouse - convey to J. Alexander that if he wishes to post signs he should first take them to the Architectural Subcommittee for approval.
Follow-up: D. Newhouse - report on hot water ditch action on Virgo Way following Joint Committee negotiations with the developer.

4. Reports of Officers and Committees --

4.1 Treasurer's Report.
Discussion: M. Scoble reported that there was $11,816.51 in the GLA account, with no outstanding bills other than a $500 commitment to A. Mann for road work to be done. There had been no action in the planning fund since the prior meeting. She said D. Holm is ready to provide the GLA with the 1998 Assessment Notices before the next meeting. M. Scoble read a draft landowner letter to accompany the Assessment Notices, which explained the new assessment and bookkeeping system. She reported that the R. Johnson fencing invoice had been paid.
Action: The landowner letter was approved as corrected (see attached). The time-frame specified in the letter for contacting the GLA in the event of non-agreement with the assessment amount was left to the discretion of the Finance Committee.
Follow-up: M. Scoble and J. Murphy - meet with D. Holm before the next meeting, secure Assessment Notices, and prepare them for mailing.
Follow-up: J. Murphy - amend, reformat and copy landowner letter for mailing with Assessment Notices.
Follow-up: M. Scoble - write procedures for petty cash by 1-19-98.
Follow-up: M. Scoble - write procedures for items accountant needs for annual review of books at her earliest convenience.
Follow-up: P. Keathley - assist M. Scoble with documentation protocol.

4.2 Finance Committee Report.
Discussion: M. Scoble said that she had notified R. Varkevisser of his temporary appointment. Mr. Varkevisser was present at the meeting, said that he had experience with finance matters, and that he was happy to serve on this committee. P. Keathley also has experience and volunteered to be on the Committee. M. Scoble reported that the Finance Committee had met once and wished to recommend to the Board that there be personal phone contact with those landowners who were greatly in arrears with paying their assessments. She said that D. Holms' assistant had called a few landowners with very dated accounts, but that she did not feel they wished to do this on a routine basis.

1-5-98

R. Varkevisser volunteered to make some of these calls. P. Wolberd read the letter he would send to H. Krammer thanking her for her services.
Action: M. Scoble moved, A. Field seconded that P. Keathley be temporarily approved as a member of the Finance Committee until guidelines have been created for permanent approval procedures. The motion passed unanimously.
Action: There was consensus that after a reasonable period after receipt of the Assessment Notices by the landowners, R. Varkevisser be allowed to make personal calls to landowners far behind in their assessments, in order to determine possible payment schedules.

4.3 Nominating Committee Report. None.

4.4 Road Committee Report. (See Item 3.1)

4.5 Architectural Subcommittee Report.
Discussion: P. Hoag distributed two draft Glastonbury "Land Association Building Project Review Forms" (see attached). He requested that Board members read them over and give their input at the next meeting. He said there were three new subdivisions before the committee. P. Hoag said his committee recommended the following: (1) that major issues such as subdivisions be worked out in committee and then brought with recommendations to the Board for a vote; and (2) in order to expedite building the committee be allowed to approve more mundane development projects such as mudrooms, without approval of the entire Board. It was felt that if the second suggestion to be considered, the committee would need to publicize in advance their meeting times and locations, keep good minutes of all meetings, and give any landowner the opportunity to attend the committee meetings.
⇨ P. Hoag read a letter from Van Hulzen and the owners of Parcel 35 South regarding a proposal to take action on removal of their reservoir within one year (see attached).
⇨ Someone mentioned that E. Francis had suggested that it would be helpful if the GLA determine all outstanding situations that had involved the former Glastonbury Project Review Committee, in order to develop historical continuity in dealing with the landowners on these matters.

Follow-up: All Board members - read both "Land Association Building Project Review Forms" and bring any comments to the 1-19-98 meeting.
Follow-up: P. Hoag - Meet with the committee and prepare a list of suggested protocol guidelines for Board review concerning mundane development projects that might be reviewed and approved solely by the Architectural Subcommittee.
Follow-up: P. Hoag - review the "Community of Glastonbury Policies & Standards for Subdivisions," including Section 4.4 on Installation of Utilities for possible revision.
Follow-up: P. Hoag - Review and complete Kremer subdivision check list by 1-19-98.
Follow-up: Review reservoir situation and bring a recommendation to the Board regarding a response to Van Hulzen request by 1-19-98.

4 of 7

1-5-98

4.6 Complaint Committee.

Discussion: The finished complaint protocol was distributed to each member (see attached). J. Murphy reported that H. Brailsford had agreed to serve on the committee. She also said she had written the response letter to C. Alfaro, but that W. Pitt had not yet been contacted.

⇨ L. Matthews presented for the ombudsman a written definition of "ombudsman" and the work they propose to do for the Glastonbury residents (see attached). She raised the question regarding how a renter would voice a complaint, since the complaint form specified landowners and since renters have no standing with a Landowner's Association. There was discussion and consensus that in the case of a renter or a GAV member, the complainant should complete a complaint form and then try to find a landowner to submit it on their behalf. It was suggested that an Ombudsman, being a landowner, might wish to do this for the renter.

Follow-up: All members of the Board - review complaint protocol sheet and bring any comments to the 1-19-98 meeting.

Follow-up: All members of the Board - review ombudsman sheet and bring any comments to the 1-19-98 meeting.

Follow-up: J. Murphy - contact W. Pitt regarding Alfaro complaint by 1-19-98.

4.7 Land Use Master Plan Advisory Committee.

Discussion: D. Kehoe, Jr. distributed a sheet of a tentative schedule and recommended members for the committee (see attached). The Board decided target dates should be added, with a beginning date of January 15 and an ending date of June 15, 1998. One member recommended a Telephone Tree to let landowners know that anyone interested could apply for approval to be the committee, since it would be beneficial to have people with a wide variety of views. There was discussion that there needed to be some limitation on the size of the committee in order for it to be effective. There was consensus that the optimal number to serve on the committee should first be identified by the committee. Once this number was set, if the number of people who applied were greater than the maximum number to be on the committee, the names of all nominees would be brought to the Board for voting.

Follow-up: D. Kehoe, Jr. - prepare a telephone tree regarding the search for applicants for committee members, and provide it to M. Goulart for distribution before the 1-19-98 meeting.

4.8 High South Fire Water Reservoir Advisory Committee.

Follow-up: W. Wunsch - develop a proposal of alternatives for the Board to consider, including cost projections and time frame, by 2-2-98.

5. Ombudsmen Reports -- None.

6. **Unfinished Business --**

6.1 Kremer Resignation. It was reported that Linda Kremer is still reconsidering her resignation.
Follow-up: J. Murphy - Hold letter of resignation acknowledgment until 1-19-98.

6.2 Bylaws/Covenants Voting Discrepancies. L. Hodges and J. Murphy presented a memo to the Board which clarified the problem, and raised relevant questions which they suggested be brought to an attorney for resolution (see attached).
Follow-up: All Board members - review memo and bring any comments to the 1-19-98 meeting.

6.3 Protocol for Committee Membership Approval.
Discussion: D. Kehoe, Jr. presented a draft "Committee Operational Procedures" (see attached).
Follow-up: All Board members - review draft protocol and bring any comments to the 1-19-98 meeting.

6.4 Association Letterhead.
Discussion: J. Murphy presented some research she had done regarding developing customized logos, letterhead and envelopes. There was consensus that the GLA should spend the funds to acquire personalized business letterhead, in order to present the association in a more professional manner. It was felt that there was probably a volunteer in the community that would be able to create an acceptable logo, such as one of Emigrant Peak.
Follow-up: J. Murphy - call for one or two other printing estimates so that a cost comparison can be done. Call C. Healy and ask the developer if the Community of Glastonbury logo is available for use.

6.5 Possibility of School Charging Rent for Meetings.
Discussion: P. Wolberd reported that M. Lombard said she would propose to the school board at their Jan. 13 meeting that the GLA be allowed to meet rent-free for their monthly meetings. She had specified, however, that any desire to use the facilities for workshops or other special meetings would require a rental fee.
Follow-up: P. Wolberd - obtain information of board response by 1-19-98 meeting.

7. **Tabled Business --**
7.1 Court Ordered Community Service. (N. Issa)
7.2 Community Assessment Fund Reimbursement from Community Planning Fund.
Follow-up: C. Healy - response to Kehoe draft reimbursement request memo.
7.3 Public Access on Roads. (P. Hoag)
7.4 Noxious Weed Committee Formation.
7.5 Recommendation for hiring Project Reviewer and cost. (P. Hoag).

1-5-98

8. **New Business --**

8.1 Guidelines for Private Land Sales Coordination with the GLA. *(J. Murphy)* Discussion: There was consensus that although such a list might be helpful to those looking for land in Glastonbury, it was more properly under the purview of local area realtors and not something for which the GLA wished to be responsible.

9. **Open Floor Comments** -- None.

10. **Next Meeting --** The next meeting will be at 7:00 p.m. on 1-19-98 at the Thomas More School.

11. **Adjournment --** The meeting was adjourned at 10:25 pm.

Lucia Hodges

Submitted by Lucia Hodges
Assistant Secretary

1998-01-05_BDGNAUX.pdf

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
January 5, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

Follow-up: M. Scoble - Draft landowner letter explaining new assessment and bookkeeping system to accompany next assessment notice

Follow-up: M. Scoble - Write petty cash procedures by 1-5-98

Follow-up: M. Scoble - Call Doug Holme to determine what procedures need to be implemented in order for him to do annual review of books by 1-5-98

Follow-up: P. Keathley - Assist M. Scoble with documentation protocol

Follow-up: M. Scoble - Pay R. Johnson fencing invoice by 1-5-98

4.2 Finance Committee Report - Maria Scoble, Chair

Follow-up: M. Scoble - Notify Rueloff Varkevisser of temporary appointment to committee & continue to fill committee

4.3 Nominating Committee Report

4.4 Road Committee Report - David Newhouse, Chair

Follow-up: W. Wunsch - Capricorn Drive letter to County by 1-5-98

Follow-up: W. Wunsch - Prepare Bodoh, et al letter by 1-5-98

Follow-up: D. Newhouse - Prepare road maintenance schedule for G. North and G. South upon completion of negotiations

Follow-up: W. Wunsch - Report back on Chevy snowplow negotiations

Follow-up: D. Newhouse - Obtain a bid for low cost snow plowing from Michael Dirkers with liability insurance by 1-5-98

Follow-up: D. Newhouse - Obtain copy of Mann liability ins. by 1-5-98

1 of 4

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
January 5, 1998

Follow-up: D. Newhouse - Contact J. Alexander re NO NATIONAL FOREST ACCESS & DEAD END signs

Follow-up: D. Newhouse - Contract with R. Johnson to install road markers on Sirius between Aries and GAV by 1-5-98

Follow-up: D. Newhouse - Recommend hot water ditch action by Virgo upon completion of negotiations

Follow-up: D. Newhouse - Develop proposal for next level of road maintenance by 1-5-98

4.5 Architecture Subcommittee - Philip Hoag, Chair

Follow-up: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision

Follow-up: P. Hoag - Recommendation for hiring Project Reviewer & cost

Follow-up: P. Hoag - Review and complete Kremer subdivision check list

Follow-up: P. Hoag - Prepare draft response to L. Van Hulzen' reservoir request by 1-5-98

4.6 Complaint Committee - Joan Murphy, Chair

Follow-up: J. Murphy - Present finished protocol for approval by 1-5-98

Follow-up: J. Murphy - Fill committee (H. Brailsford suggested)

Follow-up: J. Murphy - Process Alfaro/Pitt complaint

Follow-up: L. Mathews/M. Roach - Draft a working definition of Ombudsman and functions by 1-5-98

4.7 Land Use Master Plan Advisory Committee - D. Kehoe, Jr., Chair

Follow-up: D. Kehoe - Staff committee

Follow-up: D. Kehoe - Develop committee protocol by 1-5-98

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
January 5, 1998

Follow-up: P. Hoag - Study guidelines for Tree removal

4.8 High South Fire Water Reservoir Advisory Committee - W. Wunsch, Chair

Follow-up: W. Wunsch - Develop a proposal of alternatives for Board to consider, including cost projections & time frame

11. Adjournment

Glastonbury Landowner's Association, Inc.
P.O. Box 312, Emigrant, MT 59027

January 12, 1998

Dear Friends and Neighbors, Glastonbury Landowners,

As the New Year unfolds its wings to embrace us in its welcome, the Glastonbury Landowners Association greets you with best wishes for a prosperous and abundant 1998!

By now you have received our Restated Declaration of Covenants. Briefly, let us review Paragraph 11.03 of Section 11 – Community Assessment, which states, in part:

"Each Landowner shall pay an annual community assessment to the Association for the uses and purposes described above. The annual assessment covers the period from January 1 to December 31 of each year. Assessment shall be made by written notice to each Landowner of the property interest being assessed. The amount of the annual assessment may be increased or decreased from year to year, at the option of the Association, based upon the amount of work to be done and the estimated or anticipated cost of labor, equipment and materials involved. The initial amount of the annual assessment for the 1997 calendar year is $240 per parcel. The amount of the annual assessment beginning January 1, 1998 shall be as follows:

a. $120 land assessment for each parcel, plus an additional $120 for each undivided tenancy-in-common interest in excess of one per parcel; plus

b. $120 dwelling assessment for each dwelling unit located on each parcel or owned in association with each undivided tenancy-in-common interest in a parcel; or

c. $240 land and dwelling combined for each condominium unit; or

d. $120 land and dwelling combined assessment for each Golden Age Village lot (whether or not each lot has a dwelling unit located on it)."

Hence, please find attached a Notice of Assessment prepared for your specific land and, if applicable, dwelling(s). You may choose to pay the yearly assessment in one payment or in four quarterly payments. We will bill you accordingly.

Each statement will also reflect whether or not you are in arrears with past assessments. Don't hesitate to write or call me if you think your balance is incorrect or if you are not able to pay the entire outstanding balance at once. We will gladly assist you to work out a satisfactory payment plan. However, regardless of your current balance, it is important that you start paying the 1998 assessments now as outlined above. Payment is due 30 days from receipt of Notice of Assessment.

Please make checks payable to the Glastonbury Landowners Association, noting what the payment applies to, and mail to Post Office Box 312, Emigrant, Montana 59027.

Also, please let us know of any change of address, phone number, etc. so that we can stay in communication with you. Moreover, we very much appreciate to learn of your thoughts and ideas and welcome your comments and recommendations.

Thank you for giving me the opportunity to joyfully serve our community in this capacity. May the Spirit of Christ ennoble us as we rally in the building of the "Gateway to the Golden Age."

Always Victory!

Maria Scoble
Treasurer

Working Definition of Ombudsman and Functions

As Applied To The Glastonbury Landowners Association

The Ombudsman (2) are elected by the members of the Landowners Association to serve Glastonbury North and South.

Definition: The Ombudsman receives and investigates questions, concerns and complaints of residents of Glastonbury who chose to express these to the individual who holds the position of ombudsman in their specified location.

All members are free at all times to contact any member of the Board of Directors or the entire Board for the above purpose. However, should an individual so chose, he/she may contact the ombudsman who serves as an intermediary and who provides an option in addressing the needs of the residents as they relate to the Landowners Association.

The ombudsman (North and South) report to the Board of Directors.

Functions

1. To serve as the representative of the residents and landowners in Glastonbury to the Board of Directors of the GLA..

2. To receive and investigate questions, concerns and complaints of residents.

3. If a resident wishes to express a complaint, he/she is asked to fill out a complaint form describing the situation to be addressed. Questions and concerns are also put in writing for purposes of clarity in addressing them.

4. Dialogues with the person(s) involved thus obtaining necessary details and clarifications.

5. The ombudsman has a "compassionate ear". He/she may make comments and give advice if appropriate and provide answers to questions. He/she will assist in the resolution of the concern or complaint if possible.

6. If a resolution is not forthcoming or is not possible with the assistance of the ombudsman, then at the request of the resident(s) for the ombudsman to act as an intermediary with the Board, he/she will present the question, concern or complaint to the Board of Directors for further investigation, deliberation and resolution.

L. U. M. P. Committee

Tentative Membership

North Glastonbury	South Glastonbury
Carla Healy	Daniel Kehoe, Jr Chairman
James Healy	Dan Kehoe
Joan Murphy	Regina Wunsch
David Newhouse	Horus Braisford

Tentative Schedule 1-15 — 6-15

1. Incorporate changes to Van Hausen document per community meetings

2. Meeting to review progress to date and remaining work to be done.

3. Hire professional planner/architect

4. Work up detailed proposal

5. A) Meet to present proposal and take input in South Glastonbury
   B) Meet to present proposal and take input in North Glastonbury

6. A) Review rough draft of proposal w GLA Board
   B) Review rough draft of proposal with CUT Executive Board
   C) Review rough draft of proposal with County Planner

7. Mail draft of proposal to Landowners

8. Present proposal at community meeting

9. Refine draft and present to North Glastonbury, South Glastonbury, and CUT Executive Board

10. Mail final draft out to Landowners.

11. (Community meeting and) vote.

interoffice
MEMORANDUM

to: GLA Board of Directors
from: Lucia Hodges and Joan Murphy
subject: Voting Discrepancies between the Glastonbury Covenants and Bylaws
date: January 4, 1998

After the first election of the GLA Board of Directors, a discrepancy between the GLA Covenants and the GLA Bylaws was noticed regarding the method of allocating votes of Glastonbury landowners. The following quotes from each document in juxtaposition help to reveal the problem. We have also listed some related questions that occurred to us. Since the issues involves corporate legalities, we would suggest consulting an attorney regarding them.

RESTATED DECLARATION OF COVENANTS

3.20 Membership Interest. A Membership Interest consists of the rights, privileges, duties and responsibilities of membership in the Association and runs with title to the property in the Community owned by every Landowner. Each of the following separated units of property, whether held by one or more than one Landowner, shall constitute a separate and distinct Membership Interest that is entitled to *one (1) vote* and with such voting and other rights and privileges and with such duties and responsibilities as are set forth herein and in the bylaws and rules of the Association:

a. A parcel;
b. An undivided *tenancy-in-common interest* in a parcel existing as of the effective date hereof, whether owned individually or in joint tenancy; and
c. A condominium unit. *(emphasis supplied)*

So if, for example, there are 4 individuals owning a parcel as tenants-in-common or as joint tenants, each individual having an interest would get 1 full vote.

BYLAWS

The Bylaws define a Membership Interest as follows:

ARTICLE IV. B. Each Membership Interest shall be as defined herein and in the Covenants...Each Membership Interest shall be entitled to one (1) vote as defined in the Covenants...An owner of an undivided interest not qualifying as a unit of property constituting a separate and distinct Membership Interest (i.e., a joint tenancy interest, or a

tenancy-in-common interest created after May 1, 1997) shall hold and exercise the entitlements of a *single Membership Interest jointly* with the other owners of the undivided interest, or individually on a *fractional basis* in proportion to his or her ownership interest." *(emphasis supplied)*

Thus, the Bylaws seem to take the position that if there were 4 members owning a parcel as tenants-in-common or as joint tenants, they would each get only a fractional vote of 25%.

The By-laws go on to explain the voting process:

> **ARTICLE V. F. Voting.** ... For purposes of tabulating the written vote and consent of the Members of the Association, it is hereby provided that:
>
> 1. Each Membership Interest is entitled to one vote;
> 2. A Member may hold more than one Membership Interest and shall have a separate vote for each such interest;
> 3. A member holding an undivided interest not qualifying as a unit of property constituting a separate and distinct Membership Interest (i.e. a joint-tenancy interest, a tenancy-in-common interest created after May 1, 1997) shall have a *fractional vote in proportion to his or her ownership interest* or interest to have one vote collectively; and
> 4. If the total number of qualifying votes equals or exceeds 51% of the total Membership Interests of the Members in good standing who cast votes at the meeting, the vote shall be effective and shall have passed.

It is clear from Article XII. D. of the Bylaws that "in the case of any conflict between the Covenants and these Bylaws, **the Covenants shall control**." Fortunately, the first annual election of the GLA Board of Directors followed the Covenants in this matter. However, the discrepancy between the Covenants and the Bylaws do raise the following questions.

QUESTIONS THAT ARISE:

1. *Since the Covenants take precedence, how important is it to amend the Bylaws in a timely manner?*

We noticed that Section 2.04 of the Covenants deals with voting methods to change the Covenants. It states "Any such vote shall be conducted in accordance with the bylaws and rules of the Association." *Does this make changing the Bylaws in a timely manner more important?*

2. *Can we wait to amend the Bylaws until the next vote of the general membership in the spring, when we will be mailing ballots for a vote on the Land Use Master Plan? If so, should there be two separate ballots in the mailing - one for the Master Plan and one for the Bylaws amendment?*

ARTICLE XII, A, "Interpretation and Amendments" refers to the manner in which the Bylaws must be amended:

> "The Board shall have the power to interpret all the provisions of these Bylaws and such interpretation shall be binding on all persons. These Bylaws and the Articles of Incorporation may be amended, repealed or altered, in whole or in part, from time to time whenever at least 51% of the Membership Interests of the Association in good standing at the time attending any Annual or Special Meeting, where such proposed action has been set forth in the call and notice of such meeting, shall have voted in favor of such amendment. Any such amendment may be proposed by the Board of Directors or by a petition signed by at least 20% of the Members."

3. No mention is made of **subdivided tracts.** *In 3.20 of the Covenants, would it be recommended to add the following subsection?*

   "d. A subdivided tract."

4. The question of how votes should be allocated to **joint tenants** is not clear in Section 3.20 of the Covenants. *Would you recommend adding a subsection (e?) regarding joint tenants to this Section? Or is it clearly implied that in the case of joint tenants, husbands and wives or any other combination of joint tenants (such as a mother and son, or a brother and sister) would each own a fractional 50% of the vote?*

5. We have some parcels where a husband and wife have owned a parcel or interest in a parcel as joint tenants, but then got divorced. *What happens to the vote allocation in such an event? Would a reasonable solution be to have separate ballots, and to tally them as fractional votes?*

6. *Would you also address the matter of* ***right of survivorship*** *in relation to joint tenancy and the vote allocation issue?*

FACSIMILE TRANSMISSION

Edward Francis
Royal Teton Ranch
P. O. Box 5000
Corwin Springs, MT 59030

RE: Request for Old Glastonbury Snowplow

Dear Edward:

This is a formal follow-up on our request to your office to acquire the old Chevy snowplow used by the Glastonbury office to service our community for light, routine snowfalls. In reference to our conversation during the December, 1996 meeting, we request that you transfer the truck and plow attachment to the Association without charge.

The truck is in need of substantial repairs, requiring a new engine and a general maintenance review together with welding repairs on the plow, which the Association would have to bear. However, we feel it is a worthwhile investment to have this piece of equipment, which can help us keep our overall snowplowing expenses to a minimum during this first critical season on our own.

Sincerely,

Walter G. Wunsch, Ad Hoc Road Committee Chairman
for Patrick Wolberd, President of the Board

Committee Operational Procedures
Rough Draft 1-5-98

1. Committee Formation. Upon authorization of the Glastonbury Landowner's Association (GLA) Board to form a committee, the committee chairman or co-chairmen shall form their committee through invitation or a request for volunteers as is deemed appropriate for that specific committee. The number of committee members is left to the discretion of the committee chairman and the chairman's ability to find staffing. The Board may augment the staffing if it finds that the committee is not performing its duty due to understaffing.
The elements that a chairman would be expected to look for in committee members would be, but not limited to:
- area of personal expertise;
- ability to devote time and energy to the committee and project at hand;
- ability to work in harmony with other committee members and respect their time, views, and work; and
- Glastonbury area representation.

2. Purpose Defined. The initial meeting of the committee, if the nature of the committee is to handle a single task, shall be to set a timetable and manner for completing the assigned task. If the nature of the committee is to perform an ongoing duty authorized by the GLA Board, the first meeting shall be to establish the procedure for carrying out the responsibility assigned to it, unless that has been previously been done in a GLA Board meeting.

3. Reporting. As is deemed necessary, due to the nature of the committee, the committee shall report to the GLA Board at its regular meetings to report findings, recommend actions or update the Board on recent activities.

The committee shall present to the GLA Board the tentative timetable and manner for completing the task for Board approval and authorization on tasks that :

A.) will have a large effect on the operation of the GLA or Glastonbury; or
B.) will have a large effect on the GLA's public image or interaction with the county, state or federal government; or
C.) by the nature of the task are required by the GLA Board.

4. Meetings. The committee shall meet as often as is necessary to complete its task within the timetable established or to effectively perform the service authorized by the Board.

5. Dissolution. The Committee may be dissolved upon discharging its task and final report to the Board or upon action of the GLA Board.

Draft Corrections on pg 4 need to be made

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

January 19, 1998

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 7:15 p.m. Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Philip Covington, Andrew Field, Philip Hoag, Linda Kremer, David Newhouse, Walter Wunsch. Also present was Laurel Matthews, Ombudsman. Absent: Peggy Keathley,

2. **Reading and Disposition of Minutes** -- The minutes of January 5, 1998 were approved as corrected. The December 1, 1997 minutes will be reviewed and commented upon at the next meeting.

3. **Order of Business** -- The following items were discussed out of order:

3.1 (Agenda Item 6.1) Kremer Resignation/Reinstatement.
Discussion: L. Kremer said she had reconsidered her resignation, and would like to ask the Board's approval for reinstatement as a South Glastonbury Board member.
Action: A. Field moved, D. Kehoe, Jr. seconded that L. Kremer be approved to fill the vacancy that had been created by her earlier resignation. The motion passed unanimously.

3.2 (Agenda Item 4.5) Architectural Subcommittee Report. P. Hoag, Chair.
Discussion: ⇨ P. Hoag distributed minutes of the first meeting of this subcommittee (see attached). He said the subcommittee recommended approval of all three subdivisions that had been pending (18 South, 33 South, and 34 South), and that all papers were in order. He also distributed a protocol sheet for the subcommittee, and an information sheet on subdivisions for landowners to use. Subdivision nomenclature was clarified for the Board -- parcels are subdivided into tracts; if tracts are subdivided, they are termed lots.
⇨ There was discussion about notifying landowners of the meetings of the subcommittee. There was consensus that each upcoming meeting of an approved committee or subcommittee should be printed in advance in the GLA Board Minutes. *(Guideline)*

⇨ There was consensus that any landowner with a subdivision proposal first submit the paperwork to the GLA Secretary, so that a record of the proposal can be made in the minutes. The Secretary should then pass on the proposal to the Chair of the Architectural Subcommittee. *(Guideline)*

⇨ There was consensus once the Board has approved of a subdivision, the paperwork be passed from the Chair of the Architectural Subcommittee to the Treasurer. Once she has calculated the new assessment fees owing, the Treasurer is to pass the paperwork on to the Secretary for record storage. She is also to relay the information to the Accountant so that the new community assessments can be charged. *(Guideline)* It was agreed that someone would need to develop a proration formula for assessment fees in newly created subdivisions.

⇨ William Smith was present in the room. He said that he had worked on the Glastonbury Project Review Committee from its inception, and that this committee had found a preliminary approval for subdivisions, in tandem with the city's preliminary approval, to be helpful when presented to the entire governing body. He said a preliminary approval by the GLA Board would be especially useful during the LUMP discussions, since there would be no county comment on such matters.

⇨ The committee was asked if they planned to physically visit any sites under consideration. The answer was "yes, if necessary." William Smith suggested that they also work in close communication with members of the Road Committee when considering development projects.

⇨ There was discussion of how new landowners would get basic information, such as the Covenants. There was consensus that although it is the responsibility of the developer of a subdivision to see that any of his purchasers receives the correct Glastonbury paperwork, the Treasurer of the GLA as a courtesy will send a copy of the Covenants and Bylaws to each new landowner at the same time the first notice of assessments is sent to that landowner. *(Guideline)*

⇨ There was discussion about new purchasers of subdivided units of land, possible controversy over back assessment fees, and how placing liens might help remedy this matter.

Action: A. Field moved, D. Kehoe, Jr. seconded that the Parcel 18 South subdivision (section 3A of the Architectural Subcommittee's 1-19-98 minutes) be approved. Ten members approved, L. Kremer abstained. The motion passed.

Action: A. Field moved, D. P. Hoag seconded that the Parcel 34 South subdivision (section 3B of the Architectural Subcommittee's 1-19-98 minutes) be approved. Ten members approved, P. Covington abstained. The motion passed.

Action: A. Field moved, P. Hoag seconded that the Parcel 33 South subdivision (section 3C of the Architectural Subcommittee's 1-19-98 minutes) be approved. The motion passed unanimously.

Action: A. Field moved, L. Kremer seconded that the name of the Parcel 44 North subdivision road, North Star Drive, be approved (section 3D of the Architectural Subcommittee's 1-19-98 minutes). The motion passed unanimously.

Action: D. Kehoe, Jr. moved, A. Field seconded that if the changes made by the subcommittee of the proposed GLA Subdivision Review Information Sheet are in the spirit and intent of the Board's discussion, the form be used prior to the next meeting in the four pending subdivision matters. The motion passed unanimously.

Action: A. Field moved, W. Wunsch seconded that the Board approve P. Hoag to notify L. Van Hulzen that no response will be given to his letter until the Subcommittee has seen the state and county documentation on the matter. The motion passed unanimously.

Follow-up: P. Hoag - revise protocol for processing subcommittee reviews by 2-2-98.

Follow-up: P. Hoag and A. Field - determine a fixed time and place for the meetings of the subcommittee, then inform the Board of the time and place of each meeting, to include details of upcoming meetings in the GLA Agenda.

Follow-up: Board - review resubmitted GLA Building Project Review Forms, protocol sheet and subdivision info sheet for comment by 2-2-98.

Follow-up: P. Hoag - review the "Community of Glastonbury Policies & Standards for Subdivisions," including Section 4.4 on Installation of Utilities for possible revision, by 2-2-98.

Follow-up: P. Wolberd - add to Agenda of next meeting P. Hoag matter re: filing liens on a parcel if community assessments are owing over an amount to be specified.

4. Reports of Officers and Committees --

4.1 Treasurer's Report. M. Scoble, Chair.

Discussion: M. Scoble reported that $5,776.85 had been received as income since the last meeting, bringing the total in the GLA account to $17,580. She said the GLA had also received $4,934.85 from the Church as the GLA's portion of fee simple upgrades. She reported that there was $128 in the Petty Cash Fund.

⇨ She presented some office bills bills to P. Wolberd for reimbursement. She also requested funds for a file cabinet. P. Wolberd suggested a source for used furniture for the cabinet.

⇨ She reported that the assessment notices had been prepared by D. Holm's office and that these along with the landowner letters were being mailed out.

⇨ M. Scoble noted that there had been a problem in determining where to mail the notice to John Hazen. Someone commented that it might be best to call Denise Hazen for the proper address, and also to send a copy of the notice to the developer.

⇨ M. Scoble said that J. Dirkers had requested a full report of the 1997 transactions on his parcel. She read a letter she had drafted to Mr. Dirkers in response; there was consensus by the Board to send the letter. + offic supplies

Action: M. Scoble moved, J. Murphy seconded that the GLA approve the purchase of a file cabinet for records. The motion passed unanimously.

Follow-up: M. Scoble - prepare a proposal for the disbursement of funds.

Follow-up: M. Scoble and J. Murphy - draft a proposal for Board approval for supplies.

Follow-up: M. Scoble - send copy of Hazen assessment notice to E. Francis.

Follow-up: M. Scoble - write procedures for petty cash by 2-2-98.

Follow-up: M. Scoble - write accounting procedures as per D. Holms by 2-16-98.

4.2 Finance Committee Report. No report.

4.3 Nominating Committee Report. No report.

4.4 Road Committee Report. D. Newhouse, Chair.

Discussion: ⇨ A. Field commented that M. Dirkers' liability insurance policy did not look commercial, and said he wondered if the coverage was adequate for snowplowing.

⇨ W. Wunsch presented a report that was done by Scott Smith of Allied Engineering in Bozeman. D. Newhouse said that had just received it that day, and no invoice had yet been received. He noted that he, W. Wunch and H. Brailsford would present the report to the developer at their 1-20-98 negotiation meeting. A. Field suggested faxing the report to the developer the next morning, in order to give it the opportunity to review it prior to the meeting.

⇨ D. Newhouse said he had approved the most recent road grading bills, and passed them on to the Treasurer.

⇨ D. Newhouse recommended that the GLA look into purchasing a sander for the roads when they are icy, since he could not locate anyone for hire with a sander. He said there were two main types, and that the price range would probably be between $2,400 and $3,400. There was discussion about the type of sanding material, how much it cost, where to stockpile it, and how to load it onto a sander.

⇨ D. Newhouse said he had referred J. Alexander to the Architectural Subcommittee for sign approval.

Action: W. Wunsch moved, M. Scoble seconded that the GLA pay for snowplowing the parking lot and driveway for the South Glastonbury Teaching Center. The motion passed unanimously.

Follow-up: D. Newhouse - fax the report by the Bozeman engineer to the developer the morning of 1-20-98. Provide invoice for the report at the 2-2-98 meeting.

Follow-up: D. Newhouse - draft a proposal by 2-2-98 regarding the cost and description of a sander, the type of material to use and its cost, where to store and load it, and who could do the work.

Follow-up: D. Newhouse - determine which county official should receive the Capricorn Drive letter, and send by 2-2-98.

Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations with the developer.

Follow-up: W. Wunsch - report on Joint Committee negotiations regarding the Chevy truck/plow following Joint Committee negotiations with the developer.

Follow-up: D. Newhouse - call M. Dirkers' to confirm that the liability insurance policy he submitted is for commercial purposes, and ask him if he will approve the GLA to call his insurance agent to see if the coverage is adequate for snowplowing. Then provide the written contract to J. Murphy.

Follow-up: D. Newhouse - re-write Dirkers' plowing contract by 2-2-98 establishing the plowing priority of roads, then convey them to P. Wolberd for final approval before asking Dirkers to sign.

Follow-up: D. Newhouse - develop the next level of road maintenance work and cost estimate by 2-2-98.

Follow-up: D. Newhouse - report on hot water ditch action on Virgo Way following Joint Committee negotiations with the developer.

4.6 Complaint Committee. J. Murphy, Chair.

Report carried over to next meeting.

Follow-up: Board - review complaint protocol sheet by 2-2-98.
Follow-up: J. Murphy - contact W. Pitt regarding Alfaro complaint by 2-2-98.

4.7 Land Use Master Plan Advisory Committee. D. Kehoe, Jr., Chair.
Report carried over to next meeting.
Follow-up: D. Kehoe, Jr. - prepare phone tree re: search for applicants for committee members, and provide it to M. Goulart for distribution before the 2-2-98 meeting.
Follow-up: Board - review committee protocol by 2-2-98.
Follow-up: P. Hoag - study guidelines for tree removal.

4.8 High South Fire Water Reservoir Advisory Committee.
Report carried over to next meeting.
Follow-up: W. Wunsch - develop a proposal of alternatives for the Board to consider, including cost projections and time frame, by 2-2-98.

5. Ombudsmen Reports -- None.
Follow-up: Board - review ombudsman sheet by 2-2-98.

6. Unfinished Business --

6.1 Kremer Resignation. (See 3.1 above).

6.2 Bylaws/Covenants Voting Discrepancies. Carried over to next meeting.
Follow-up: Board- review memo for comment on 2-2-98.

6.3 Protocol for Committee Membership Approval. Carried over to next meeting.
Follow-up: Board- review draft protocol for comment on 2-2-98.

6.4 Association Letterhead. Report carried over to next meeting.
Follow-up: J. Murphy - obtain comparative bids and check on Glastonbury logo availability by 2-2-98.

7. Tabled Business --
7.1 Court Ordered Community Service. (N. Issa)
7.2 Community Assessment Fund Reimbursement from Community Planning Fund.

GLA 00253

Follow-up: C. Healy - response to Kehoe draft reimbursement request memo.

7.3 Public Access on Roads. (P. Hoag)

7.4 Noxious Weed Committee Formation.

7.5 Recommendation for hiring Project Reviewer and cost. (P. Hoag).

7.6 Should the GLA Accept Responsibility for Maintenance of Subdivision Roads? (D. Newhouse)

8. New Business --

8.1 P. Wolberd requested moving the Architectural Subcommittee report up to 4.3 on the Agenda and the Nominating Committee report to 4.5. There was consensus to do this.

8.2 Kenley Press Release.

Discussion: Concern was expressed about the Kenley press release. It was felt that most Glastonbury landowners share a much more positive view than that which had been presented in the recent *Livingston Enterprise* article. There was consensus that as elected officials, the GLA Board was a proper vehicle for informing the press of the prevailing positive view of Glastonbury.

Action: A. Field moved, P. Hoag seconded that the GLA issue a press release to the *Livingston Enterprise, Bozeman Chronicle* and *Billings Gazette* within the following 24- 36 hours which would emphasize the positive side of the current situation in Glastonbury. The press release would include A. Field, D. Kehoe, Jr. and J. Murphy as contact persons. The motion passed unanimously.

9. Open Floor Comments -- Christopher Kelly and Hertha Lund provided a few comments about negative and positive PR in the media.

10. Next Meeting -- The next meeting will be at 7:00 p.m. on 2-2-98 at the South Glastonbury Teaching Center.

11. Adjournment -- A. Field moved, H. Brailsford seconded, that the meeting be adjourned at 10:30 pm., and that any further matters not dealt with on the agenda be carried over to the next meeting. The motion passed unanimously. The meeting was adjourned at 10:30 pm.

Board Member Reviewing Complaint _____
Signature

Attachment to Complaint Form filled on November 15, 1997 by Colon E. Alfaro

1) HISTORY OF THE PROBLEM.

Twice I have been chased and attacked by William Pitt's dog on common use land or property that belongs to The Church. The dog is a big Doberman type. The properties I was on are directly across the street from were Pitt resides. This two incident happened within the last four weeks.

Secondly, William Pitt has decided that there are non-parking zones on Common Use Land or land that belongs to others. For this, arbitrarily, he has placed NO PARKING signs all over the place.

2) DATE, TIME AND DETAILS OF YOUR COMMUNICATION FOR ATTEMPTED RESOLUTION:

Date: November 4 or 5, 1997

Time and place: Mid afternoon at the Post Office.

Details: In a non confrontational manner I introduced myself to Pitt at the Post Office. I explained to him that his dog chased me and that I did not like it. That he could not have a dog run wild like that. That he needed to restrain the dog. After going ballistic on me, Pitt told me that he knew that he dog had chased me and that he was not going to do anything about it. That here in the United States "we do things like this.... and like that....." . I knew then that trying to communicate with him was impossible. Much less , trying to find an amicable resolution to the problem. In the nut shell, he told me to go some place else. That he was not going to restrain the dog for me or anyone else. That if I wanted to go in that area I needed to go to the Forest Service Land. I have been told that he is closing a gate or doing something that denies access to that area. I have not been there since the dog incident so I do not know for certain as to what is going on.

Personally, I am not on a crusade against William Pitt. All I want is to be able to access that area which belongs to everybody without having to worry about being chased or attacked by a dog.

Regards,

Colon E. Alfaro

Glastonbury Vote Welcomes New Neighbors

January 20, 1998.

After a year and a half of extensive community involvement, hard work, and planning, the landowners of Glastonbury voted to create a new, open community model.

By an overwhelming vote of 193 to 8, landowners ratified new covenants, welcoming anyone to purchase property in their thriving community.

"It's a great new day, now that we can own our land free and clear," said long time resident Phil Hoag.

"We've made many new friends here in Park County and we're looking forward to joining them as good neighbors. It's the American way," said David Newhouse.

Residents of the 3,000 acre subdivision near Emigrant, founded in 1983 for members of Church Universal & Triumphant, held numerous meetings and workshops, forming committees to craft the covenants and bylaws which formed their new Glastonbury Landowners Association. Residents voted to open up ownership in the community to anyone seeking the rural life of the Paradise Valley. As part of this process, the Church agreed to allow landowners to convert the estate-for-years ownership, similar to a long-term lease, into fee-simple ownership of their property.

The Glastonbury Landowners Association began its work as many Montana neighborhood associations do – providing for the roads to be plowed when the snow falls. "My daughters were disappointed in how well the roads were plowed before 8am," said GLA vice president Daniel Kehoe, Jr. "They saw there was no chance of missing school. It may be a small point, but everyone is working together to make things happen."

Changes rile Glastonbury homeowners

By HEIDI HAGEMEIER
Enterprise Staff Writer

All is not harmonious in what once was the spiritual, members-only Glastonbury subdivision belonging to Church Universal and Triumphant, according to several residents.

Members of three families said Friday they are preparing to sue the New Age religious group for what they claim amounts to a breach of contract and a violation of faith.

Those families, all of whom have quit the church, want the CUT to reimburse the amount they invested in the land and want to leave the area called the "Community of Glastonbury."

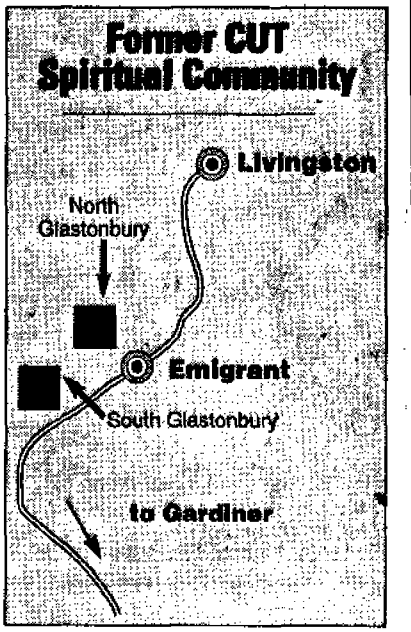
A CUT spokesman responded Friday that their claims are part of a number of church members who are resisting change in the organization.

The families are leaseholders in what were once exclusive subdivisions, North and South Glastonbury. Members could build homes on the property, but the CUT retained ownership of the land. Residents entered long-term leases for the land with the church, some for up to 99 years.

Last March, CUT officials announced they would allow non-church members to buy property outright in the Glastonbury subdivision. In addition, those in long-term leases would be allowed to gain title to the land for an additional fee.

Later in the summer, subdivision leaseholders also voted to revise the Glastonbury covenants to reflect the change.

According to Malkolm Kenley, a long-time CUT member, discontent among some members started when at least 15 people protested the moves in February 1997 under the previous, legally binding covenants. Kenley, who was part of the protest, said this complaint was



Enterprise Graphic By Dan Divens

if they were to exercise their option to gain title to the property and sell.

"I think they got us into this situation, and I think they should keep to their commitment and buy us out," said a member of one family who requested not to be identified.

Ulrich also said she believes intimidation from the CUT hierarchy played a part in the adoption of new covenants for Glastonbury.

Fear of intimidation continues, the family members contend. One woman who asked not to be identified said she fears the CUT leadership might launch "decreeing," or chanting, by the church membership against them for their criticism.

After they raised the issue with church leadership, the three families say the CUT had their properties appraised and arrived at an estimated value for the three properties of $750,000.

Kenley said the families generally found the appraisals to be fair, but that the church leadership stopped negotiating any purchase

vill remain open

laimed the Park Service insufficiently studied the effects of winter uses — especially snowmobiling — on park wildlife.

The groups and others have argued grooming snowmobile trails makes it easier for bison to leave the park in search of forage g winter.

rly 1,100 bison that wandered Montana last winter were shot pped to slaughter because of losis, which can cause miscarriages in cattle and undulant fever in humans.

No bison have been killed this winter.

There isn't evidence that closing a trail at this time would be productive, Finley said.

Bison use of groomed trails should be studied for three years, he said.

Finley said rather than close a segment of trail this winter and in the next two, the park will increase monitoring and research of bison's use of those roads and will determine later whether a closure is

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

February 2, 1998

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 7:30 p.m. when a quorum was present.

Present: Patrick Wolberd (President), Joan Murphy (Secretary), Peggy Keathley, Horus Brailsford, Philip Hoag, Linda Kremer and Walter Wunsch. Also present were Laurel Matthews and Margaret Roach, Ombudsmen.

Absent: Daniel Kehoe, Jr. (Vice President), Maria Scoble (Treasurer), Philip Covington, Andrew Field and David Newhouse.

2. **Reading and Disposition of Minutes** -- The minutes of January 19, 1998 were approved as corrected.

3. **Order of Business --** The following items were discussed out of order:

3.1 (Agenda Item 8.1) Dirkers - Assessment/Fee Simple Upgrade.

Discussion: Jerry Dirkers presented each Board member with a letter detailing his complaints and suggestions regarding his community assessment payments. The Board went through an explanation of each point of the letter. These included the following:

⇨ Regarding the first and second points of his letter, Mr. Dirkers said that he wanted the Board to waive all assessment requirements to obtaining a fee simple upgrade. P. Wolberd asked the Board if anyone wanted to make a motion for such waiver; there was no motion forthcoming.

⇨ Regarding the third point, Mr. Dirkers suggested that the Covenants be amended to clarify the terminology regarding subdivisions, i.e. the proper use of parcel, tract and lot. P. Wolberd asked the Board if anyone wanted to make a motion for such an amendment; there was no motion forthcoming. However, there was consensus that the intent of the language of the Covenants was for land be referred to as a "tract" in the event that a subdivision had occurred, and that this should be specified in the Board's guidelines. *(Guideline).*

⇨ Regarding the fourth and fifth points, there was consensus that the language of the Covenants referred to by Mr. Dirkers be reexamined prior to the next vote to change the Covenants. *(Guideline).*

4. Reports of Officers and Committees –

4.1 Treasurer's Report. M. Scoble, Chair. No report due to Treasurer's absense.

Follow-up: M. Scoble - write petty cash procedure by 2-16-98.

Follow-up: M. Scoble and P. Keathley - write accounting procedures as per D. Holms needs by 2-16-98.

Follow-up: M. Scoble - prepare a Disbursement of Funds procedure.

Follow-up: M. Scoble and J. Murphy - prepare a supplies purchase proposal.

Follow-up: M. Scoble - send copy of Hazen assessment notice to E. Francis.

4.2 Finance Committee Report. M. Scoble, Chair. No report due to Chair absense.

Follow-up: R. Varkevisser - Call some landowners re delinquent accounts as needed.

4.3 Architectural Subcommittee Report. P. Hoag, Chair.

4.3.1 Shirley Lloyd subdivision for Parcel 34 South.

Discussion: ⇨ Shirley Lloyd reported that when she had begun the subdivision process on her parcel in South Glastonbury, there had been no requirement to pay all assessments in advance for the year of the subdivision. She said that she was paid up for 1997, but that she had just been informed that the Board was establishing a new requirement, and felt it placed an unnecessary hardship upon those wishing to participate in a subdivision. She asked that the Board reconsider and only require that subdivision applicants pay in advance for the first quarter. P. Hoag recommended that the Board reconsider and require only one quarter of fees be paid in advance. One Board member mentioned that the developer needed to see that the GLA Board had approved payment of assessment fees prior to signing-off on a subdivision. There was consensus that the Secretary should make such a communication rather than the chair of a committee, since the Secretary represents the entire Board.

Action: P. Hoag moved, H. Brailsford seconded that as a requirement for approval, landowners filing for a subdivision be required to pay assessment fees only for the current quarter and for all past due amounts. The action passed unanimously. *(Guideline)*
Follow-up: J. Murphy - develop a form letter to send to the developer regarding status of assessment payments for subdivision applicants.
Follow-up: J. Murphy - give Shirley Lloyd such a letter for her subdivision by 2-3-98.

4.3.2 Van Hulzen subdivision for Parcel 36 South.

Discussion: ⇨ Lubertus Van Hulzen reported for the group that it had been determined that the **shelter entrance** on their parcel encroaches by several feet the adjacent parcel which is owned by the developer. He said that the developer had proposed an easement, and asked the Board if they would accept this proposal.
Action: There was consensus that if the developer approved of such an easement, the GLA would also approve it.
⇨ Mr. Van Hulzen said that the county was asking all taxes for the year be paid in advance, and that the new requirement by the GLA to pay all **assessment fees** in advance placed too great a financial hardship upon the parcel owners. He asked for a waiver of the current quarter's assessment fees. He also said that county officials had told him that if his group did not meet all requirements to subdivide within the next few months they would have to begin the entire process over again. He reminded that Board that his parcel had been the South Glastonbury test parcel in the Glastonbury subdivision lawsuit. There was consensus by the Board that it would be important for this parcel to become legally subdivided in a timely manner.
Action: J. Murphy moved, H. Brailsford seconded that the Board waive payment of the current quarter assessment fees for Parcel 36 South, as long as all past due amounts were paid. The action passed unanimously.
⇨ Mr. Van Hulzen next reported that the parcel owners were in agreement regarding the **removal of the reservoir** as soon as possible, however he said they had requested the county grant them approval of the subdivision before they removed the dam, since the area was filled in with snow. He presented county documentation to the Board on the subdivision, but said that he was not sure if the county would waive the reservoir removal requirement prior to subdivision.

Action: P. Hoag moved, H. Brailsford seconded that the Board agree to waive the dam removal completion before approving subdivision, if Parcel 36 South members complete the removal within one year of this date, as long as neither the Church nor Park County object to such a waiver. The motion passed unanimously.

4.3.3. Other Matters.

Discussion: A member asked how the Treasurer would know that the county had approved of a given subdivision and begin to charge the new assessments. There was consensus that the Secretary should see if the County Planner would agree to mail a self-addressed, stamped post card to her each time the county approved of a subdivision.

Follow-up: J. Murphy - contact Planner Ellen Woodbury re notifying the GLA of approved subdivisions by 2-16-98.

Follow-up: Board - review resubmitted GLA Building Project Review Forms for comment by 2-16-98.

Follow-up: P. Hoag - revise protocol for processing subcommittee decisions and approval by 2-16-98.

Follow-up: P. Hoag - review the "Community of Glastonbury Policies & Standards for Subdivisions," including Section 4.4 on Installation of Utilities, for possible revision, completion date to be determined at 2-16-98 meeting.

Follow-up: P. Hoag and A. Field - determine a fixed time and place for the meetings of the subcommittee, then inform the Board of the time and place of each meeting, to include details of upcoming meetings in the GLA Minutes.

4.4 Road Committee Report. D. Newhouse, Chair.

Discussion: ⇨ J. Murphy presented pricing information D. Newhouse had given her on one brand of sanders. One model to put on the back of a truck cost $3,800; one to pull behind a truck cost $1,600. There was consensus that more information was needed regarding cost comparisons, as well as all related information, such as the type of material to use and its cost, where to store and load it, who would do the work, etc.

⇨ J. Murphy said she had received two bills for snowplowing from M. Dirkers.

⇨ W. Wunsch reported that further negotiations with the Church and any decisions by the Church were on hold until the Road Committee put together information for work estimates on the South Glastonbury roads. He also said that according to Richard Smith, negotiations regarding land donations to the Teaching Centers were on hold pending

decisions on the Glastonbury roads, because the Church wants to see the total impact. Also, he said Richard Smith was forwarding the Teaching Center proposals for land donations to the Church's attorney for any comments she may have.

⇨ L. Kremer suggested that the Road Committee clearly define the order of the responsibilities of the snowplower hired by the GLA, and then make this order and the responsibilities known to all residents. For example, she said it needed to be made known that no private driveways would be done until after the main roads were cleared.

⇨ J. Murphy presented the liability insurance policy M. Dirkers had submitted. She said M. Dirkers had told her the policy was for commercial purposes; the policy indicated the coverage was for 100-300-100. There was consensus that this was adequate.

⇨ J. Murphy said D. Newhouse had told her that the next level of road maintenance work would be done in March. No cost estimate was given.

⇨ H. Brailsford reported that the developer will clean the Virgo Way hot water ditch.

Follow-up: H. Brailsford - draft a complete proposal by 2-16-98 regarding sanders.

Follow-up: J. Murphy - give bills from M. Dirkers to M. Scoble for payment.

Follow-up: D. Newhouse - define snowplowing order and responsibilities, and present it to the proper channels for dissemination in a telephone tree by 2-16-98.

Follow-up: D. Newhouse - provide invoice for the Bozeman engineer report by 2-16-98.

Follow-up: D. Newhouse - determine which county official should receive the Capricorn Drive letter, and send by 2-16-98.

Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations with the developer.

Follow-up: W. Wunsch - report on Joint Committee negotiations regarding the Chevy truck/plow following Joint Committee negotiations with the developer.

Follow-up: D. Newhouse - re-write Dirkers' plowing contract by 2-16-98 establishing the plowing priority of roads, then convey them to P. Wolberd for final approval before asking Dirkers to sign.

Follow-up: D. Newhouse - develop cost estimate for the next level of road maintenance work by 2-16-98.

4.5 Nominating Committee Report. No report.

4.6 Complaint Committee. J. Murphy, Chair.

Discussion: ⇨ J. Murphy said that she had contacted W. Pitt three times regarding the Alfaro complaint. William told Joan that he kept his dog restrained when he was not present, but that when he was on his property he allowed the dog to roam free, much as many other Glastonbury landowners. He said his main problem was having people roam through his property during the hunting season, trying to get to Forest Service property. Someone suggested posting a sign by the road easement to Forest Service land close to the waterfall. J. Murphy said she had talked to M. Alfaro about the situation, but that the Alfaros had recently relocated to Dayton, Ohio. One board member said that the Park County Game Warden had expressed interest in working with the GLA regarding "No Hunting" signs. Another member suggested a Hunter Signage Ad Hoc Committee, perhaps inviting W. Pitt, J. Alexander and others with a vested interest.

⇨ The discussion shifted into the need for a turn-around after Pitt's property, and/or a parking lot which would also help residents wishing to use the adjacent Common Area. There was consensus that this should be worked on after the snows had melted.

Follow-up: J. Murphy - submit a recommendation to the Board by 4-20-98 regarding the W. Pitt complaint.

Follow-up: Board - review complaint protocol sheet by 2-16-98.

Follow-up: D. Newhouse - propose High South turn-around/parking area by 4-20-98.

4.7 Land Use Master Plan Advisory Committee. D. Kehoe, Jr., Chair.

Report carried over to next meeting.

Follow-up: D. Kehoe, Jr. - prepare phone tree re: search for applicants for committee members, and implement by 2-16-98.

Follow-up: Board - review committee protocol by 2-16-98.

Follow-up: P. Hoag - study guidelines for tree removal by 2-16-98..

4.8 High South Fire Water Reservoir Advisory Committee.

Report carried over to next meeting.

Follow-up: W. Wunsch - develop a proposal of alternatives for the Board to consider, including cost projections and time frame, by 2-16-98.

5. Ombudsmen Reports -- None.

Follow-up: Board - review ombudsman sheet for comment by 2-16-98.

6. **Unfinished Business --**

6.1 Bylaws/Covenants Voting Discrepancies. Carried over to next meeting.
Follow-up: Board - review memo for comment by 2-16-98.

6.2 Protocol for Committee Membership Approval. Carried over to next meeting.
Follow-up: Board- review draft protocol for comment on 2-16-98.

6.3 Association Letterhead.
Discussion: J. Murphy reported that Montana Edge charges $23 more than Insty Prints for letterhead, but that she had heard from several sources that they tend to do better work. She recommended using Montana Edge. She passed around samples of letterhead both in color and in black and white that Laurel Matthews had created. There was consensus that although the scanned photo was nice, it probably wouldn't print or copy well in black and white, and that probably a line drawing would be preferable. There was discussion and consensus that it would be worth asking if anyone else in the community had ideas about letterhead, since if good ideas were forthcoming that the Board liked, it would save $500 in logo fees. There was still some interest in the former Community of Glastonbury logo.
Follow-up: J. Murphy and L. Matthews - draft a Telephone Tree soliciting ideas for a competition to create new GLA letterhead by 2-16-98.
Follow-up: W. Wunsch - find out if existing COG logo is available to GLA by 2-16-98.

6.4 Office Space Needs. Carried over to next meeting.

6.5 GLA Press Release.
Discussion: The comment was made that there had been no follow-up by the press since by the time of the release it was probably old news. Thus, it was noted that in the future the Board needs to be more proactive and timely in any responses or other articles. A letter to the editor was suggested as another media avenue of getting Board views through to the public.

7. **Tabled Business --**

7.1 Noxious Weed and Pine Tree Infestations Committee(s) Formation.

7.2 Should the GLA Accept Responsibility for Maintenance of Subdivision Roads? (D. Newhouse)

Action: There was consensus that the following items be deleted from Tabled Business: Court Ordered Community Service, Community Assessment Fund Reimbursement from the Community Planning Fund, Public Access on Roads, and Recommendation for Hiring Project Review and Cost.

8. **New Business --**

8.1 Assessment/Fee Simple Upgrade. (J. Dirkers) (See 3.1)

8.2 Filing Liens When Assessments of $X Owed. (P. Hoag) Carried over to next meeting.

8.3 Annual Report to Secretary of State's Office. (J. Murphy).

Discussion: J. Murphy said she had received this form from the office of our attorney, John Glover, who is the designated registered agent for the Glastonbury Landowners Association, but who had sent her the form to complete. She said John didn't charge for the service, but wondered if the Board wanted someone in the GLA to now be the registered agent.

Action: H. Brailsford moved, P. Keathley seconded that the Board keep John Glover as the GLA's registered agent. The motion passed unanimously.

Follow-up: J. Murphy - complete annual report and mail to the Secretary of State.

8.4 Gemini Road Sign. (L. Hodges)

Discussion: L. Hodges reported that the green sign denoting Gemini Road at the intersection of Gemini and Capricorn was off the post, but that the post and the Capricorn cross-piece was still present.

Action: There was consensus to delegate this item to the Road Committee.

Follow-up: D. Newhouse - report by 2-16-98 on cost to replace green Gemini Road sign at the intersection of Gemini Rd. and Capricorn Dr.

8.5 Story Road Stop Sign. (P. Hoag)

Discussion: P. Hoag reported that the entire stop sign was down at the intersection of Story Road and Sirius Drive. He said that he thought it would be a good idea to have Martin Lisota spot-weld the bolts on all Glastonbury road signs, so that they would not disappear as easily.

Action: There was consensus to replace the stop sign with a yield sign, and to delegate this item to the Road Committee.

Follow-up: D. Newhouse - report by 2-16-98 on cost to install new Yield sign at the intersection of Story Road and Sirius Drive.

9. Open Floor Comments – None.

10. Next Meeting – The next meeting will be at 7:00 p.m. on 2-16-98 at the Thomas More School in North Glastonbury.

Follow-up: J. Murphy - in addition to mailing the Agenda for 2-16-98, mail copies to all members of the documents the Board is to review at that meeting (See Items 4.3, 4.6, 5, 6.1 and 6.2), along with a note requesting that each member **read and consider** the items and be ready to discuss them by the next meeting.

11. Adjournment – The meeting was adjourned at 10:15 pm.

10. Next Meeting - Monday, 7:00 p.m., February 16, 1998, North Glastonbury

11. Adjournment

2-2-98

We the Glastonbury ~~land~~ owners association assembled do here by agree to the proposed plan submitted by L. Van Hulzen to negotiate a easement with Church Universal and Triumphant regarding the encroachment of the shelter entry way on parcel #36 which is owned by the Church.

Lily P. Hoey

Jan Murphy

2-2-98

We the Colastonbury Land Owners Association assembled agrees to waiver any requirement that the "dam" on parel #35 South Colastonbury be removed before completion of the subdivision as long as Church Universal and Triumphant and Park County do not object to such a waiver.

Kathy L. Hoag

Jean Murphy

Feb.2,1998

Glastonbury Land Owners Assoc iation,Inc.

Dear Board Members:

I thank you for the opportunity to be here and give you some of my thoughts and observations.This has been triggered by my efforts to have Parcel 29,North Glastonbury upgraded to Fee Simple status.

1. It appears to me to be highly improper for the Church to insist on payment of GLO(Glastonbury Landowners Association) assessments before granting Fee Simple status. My land purchase was with the Church and myself.There were no other parties involved.It has as much right to insist on me paying some other party(GLO) as it has to tell me to pay my phone bill,my garage bill,my Doctors bill or my Garage bill.All of these parties are outside the contract.In fact,GLO was not in existence when the property was purchased.

2. It appears to me to be highly imprpoer for GLO to ask the Church to collect assessment funds for the GLO by withholding Fee Simple Upgrading.If GLO is a separate body from the Church,then let the GLO stand on its own feet and not the Church's.

The fact that this procedure was arrived at by negotiation does not make it right or honest.This policy should be scrapped immediately.

3.Definition of terms should be established.If used improperly,such terms create confusion.For instance,item a. of the GLO letter of1-12-98 said-"$120. for each parcel.....etc."The term Parcel has long been used to designate the original areas of Certificate of Survey 615A.These are mostly 20 acre areas with some being 30 or 40 acres with some reserved land.This has been repeated times in all business dealings.The term "Lot" was used exclusively for the Golden Age Village.In the case of Parcel 29,there are 3 interested parties.So land assessment for each Parcel means each interested party would pay $ 40. only. This is a poorly worded requirement and probably does not reflect the intentions of GLO.

4.It is people,not land,that pays the bills.I think a. of the1-12-98 letter should be rewritten about as follows:

Revised a.-Each party having an interest in a Parcel is assessed $120. Thus-3 interested parties would produce $ 360. Five parties would produce $ 600.

5.Item b. of the same letter says " $ 120. dwelling assessment for each dwelling located on each parcel etc." A better wording would be-"Each dwelling owner is assessed $ 120.

6.Recognition should be given to Subdivision.In my case-Parcel 29-, there are 3 interested parties and 4 divided tracts.The notice I received for Jerome B. Dirkers from the GLO,dated 1-1-98,invoice 178 says 2 land assessments costing $ 240.

It is people,not land,that pays the assessments and in my case,I own 2 tracts.It had to be done this way to avoid a MAJOR subdivision down the road. I still have the original 11 acres and should be charged only once as an owner ,not on the basis of tracts.It may have been thought that tract and owner were the same. I believe I should be charged only once,as an owner. Here is a suggestion for revised wording.

b-2. "In the case of subdivided parcels,each owner is assessed $ 120."

7. Since all members of the GLO can vote,it is only proper for all members pay the same assessment.This of course applies to the Church with its areas of reserved land and unsold Parcels.The wording mentioned in point 4 would apply - "Each party having an interest in a Parcel is assessed $ 120. for that Parcel."

8.-Item c.of the Jan.12,1998 letter refers to $240 for land and dwelling combined for each condo unit.This may be proper but I am not sure of the definition of unit.Does unit mean the apartment like living area or does it mean the condo taken as a whole ?

9.Item d. calling for $ 120. land and dwelling combined for each GAV lot is different from Parcel charges. Parcels are charged for land plus a dwelling. In the GAV the land and dwellings are combined into one lower figure. Granted that the GAV lessee is paying the Church a monthly charge which does include an amount for road maintenance. In fact,when the NEW road was built a few years ago,the monthly charge was raised fro $80./mo. to $90. /Mo. to help pay for the New Road.Will the Church reduce the monthly lessee payment or let that stand and keep that part of the monthly payment that was used for road maintenance.In the interest of fairness,if the GAV monthly payment was used in part by the Church to maintain the roads which obligation has now been shifted to the GLO,then it seems the road maintenance part of the monthly GAV payment should accrue to the GLO.

10. It should be stated somewhere that Road maintenance does not apply to private driveways whether road repairs or snow plowing.

11. I think it should be specifically mentioned that these assessment charges do not apply to the Glastonbury chapel,or to Thomas More school and the adjacent playground.

12. It has been an irritant in the past(thru 1997) to bill one owner and not to bill all interested parties. That puts one person in the position of being stuck for the bills of others who did not pay. I inquired several times in the past and was told the computer was set up that way. There was a good **invention** several years ago. A sheet of paper or ledger sheet was very effective in identifying who owed what and how much. These ledger sheets wont die in the year 2000 as most computer very well may. I am glad the new system has now advanced to what was used years ago where everyone was fairly treated.

The reason I mention this is because I have been served with a bill for $ 188. for the 8 months of 1997 even tho I paid all my assessments in Jan. 1997. And the Club over my head is the Fee Simple procedure forcing an unjust bill upon me. Procedures like this cause people to back off and be suspicious of every proposal that comes along.

Thank you very much for the opportunity to present my views and the need for correction of my 1998 charges. I have already paid $ 120. for 1998.

Jerome B. Dirkers
Parcel 29, North Glastonbury

Glastonbury Landowners Association
GUIDLINES
January 24, 1998

1. September 27, 1997 (4.3.5) The GLA will accept a fax communication on any item but one which requires a legal filing.

2. October 6, 1997 (8.1) The GLA Secretary or her designated representative are the only individuals authorized to handle original GLA documents.

3. October 6, 1997 (3.2) When a committee head wants to send out a letter, he should prepare it to go out under the President's signature, so that one person will be aware of all correspondence that goes out under the name of the GLA.

4. October 6, 1997 (4.1.4) There will be a Petty Cash Fund of $100, to be managed by the Treasurer. The Treasurer may disburse funds up to $100 without the authorization of the Board, however any reimbursements require Board approval.

5. October 20, 1997 (4.1) The Board agreed that it was best for a Board member should open the Glastonbury mail.

6. October 20, 1997. (8.1) The Board will only request from the developer those deeds and other documents related to parcels/tracts with an active status before the Board.

7. October 20, 1997 (3.2.7) Anyone serving on the GLA Board or a GLA Committee who finds himself in a conflict of interest in a capacity in which he is serving, shall abstain from any voting on such a matter.

8. November 17, 1997 (8.7) In a closed ballot, the actual number of votes someone has received is not secret and may be relayed if requested.

9. January 19, 1998. (3.2) Each upcoming meeting of an approved committee or subcommittee should be printed in advance in the GLA Board Agenda.

10. January 19, 1998. (3.2) Any landowner with a subdivision proposal first submit the paperwork to the GLA Secretary, so that a record of the proposal can be made in the minutes. The Secretary should then pass on the proposal to the Chair of the Architectural Subcommittee.

11. January 19, 1998. (3.2) Once the Board has approved of a subdivision, the paperwork should be passed from the Chair of the Architectural Subcommittee to the Treasurer. Once she has calculated the new assessment fees owing, the Treasurer is to pass the paperwork to the Secretary for record storage. The Treasurer is also to relay the information to the Accountant so that the new community assessments can be generated.

12. January 19, 1998. (3.2) Although it is the responsibility of the developer of a subdivision to see that any of his purchasers receives the correct Glastonbury paperwork, the Treasurer of the GLA as a courtesy will send a copy of the Covenants and Bylaws to each new landowner at the same time the first notice of assessments is sent to that landowner.

13. February 2, 1998 (3.1) There was Board consensus that the intent of the language of the Covenants was for land to be referred to as a "tract" in the event that a subdivision had occurred. In the event of a future vote on the Covenants, the GLA should examine this language for inclusion, as well as verbage referred to in the fourth and fifth points of Jerry Dirkers's letter to the Board of 2-2-98.

14. February 2, 1998 (4.3.1) Landowners filing for a subdivision arerequired to pay assessment fees only for the current quarter and for all past due amounts. When these have been paid, the GLA Secretary will mail the developer a notice regarding same.

15. February 16, 1998 (3.1) The GLA will not give out the GLA mailing list to anyone.

16. February 16, 1998 (4.1) When a presiding court is involved in the partitioning of any Glastonbury parcel, the GLA Secretary should send a letter to informing them of the total past due assessments for the parcel, and noting that the GLA would require the assessments to be paid as part of any settlement.

17. February 16, 1998 (4.1) When landowners request a break-down of assessment fees prior to 1998, the GLA Treasurer should send a form letter stating that they should obtain this information from the other co-tenants of the parcel.

18. February 16, 1998 (8.3) The Board will meet every 3 weeks. If a member cannot attend he or she should notify one of the officers of this, and also give that officer or another Board member a proxy to represent them.

1998-02-16_BDGN.pdf

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

February 16, 1998

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 7:10 p.m.
Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Andrew Field, Peggy Keathley, Linda Kremer, and David Newhouse. Also present was Laurel Matthews, Ombudsman.
Absent: Philip Covington, Philip Hoag and Walter Wunsch.

2. **Reading and Disposition of Minutes** -- Secretary Murphy distributed the minuted of the Feb. 2, 1998 meeting. There was consensus that they be read by the Board prior to the next meeting, and commented upon at that time.

3. **Order of Business** -- The following items were discussed out of order:

3.1 (Agenda Item 8.2) Request for GLA Mailing List.

Discussion: J. Murphy reported that Davies Anderson had requested the GLA mailing list to use in mailing out information on the Committee for a More Perfect Union. She deferred a response to the Board. William Davis was present to explain why the Committee felt the GLA should release the mailing list. He also distributed a circular for the Committee and a cover letter. There was discussion focused on concern for landowners who might not wish their information given out, the availability of certain information in the public record, and a reasonable need to treat all those requesting lists in a similar manner.

Action: P. Keathley moved, M. Scoble seconded that the GLA establish a policy of not giving out the GLA mailing list to anyone. Seven voted in favor of the motion, L. Kremer was opposed. The motion carried. *(Guideline)*

3.2 (Agenda Item 5) Ombudsman Report.

Discussion: The 1-5-98 document prepared by the Ombudsmen about the function of their role was reviewed and discussed.

Action: L. Kremer moved, D. Kehoe, Jr. seconded to accept the document as modified. The motion passed unanimously.

4. **Reports of Officers and Committees --**

4.1 **Treasurer's Report.** M. Scoble, Chair.

Discussion: M. Scoble reported that there was $33,768 in the GLA fund, and that $15,833 had been received since the Jan. mailing. There was $108 in petty cash. She presented D. Newhouse with a snowplowing bill for signed approval.

4.1.1 Assessment Disputes. The Treasurer said that under the new Covenants, in 1998 each co-tenant was billed separately for assessment fees from the other co-tenants of a parcel. However, she said she had received complaints from some landowners stating that in past years the other co-tenants on their parcel should also have been billed. There was discussion and consensus that the GLA would not go back and bill separately for past assessments. M. Scoble said that one of the complaints involved the landowners of Parcel 47 North, and that a court was in the process of partitioning that parcel. She explained that partitioning was like drawing lines in a subdivision, only done through a legal body. Concern was expressed that the court might not know or consider that the co-tenants owed and disputed past due assessments. M. Scoble recommended that she respond to the 47 North request by providing a breakdown of who had paid what assessments, however President Wolberd said that the landowners could provide the court with such information, and that it would be best for the GLA to avoid exceptions. He recommended that the Treasurer also send a form letter along similar lines to any landowners requesting a breakdown of who on their parcel had paid or not paid past assessments. *(Guideline)*

Action: A. Field moved, P. Keathley seconded that the GLA Secretary send a letter to the presiding court involved in the partitioning of any parcel, informing them of the total past due assessments for the parcel, and noting that the GLA would require them to be paid as part of any settlement. The motion passed unanimously. *(Guideline)*

Follow-up: J. Murphy - prepare and send a letter to the prevailing court involved in the 47 North subdivision re assessments due.

Follow-up: M. Scoble - prepare a draft form letter to send to landowners requesting a break-down of assessment fees prior to 1998. Respond to the Baylors and others who have written to her.

4.1.2 Petty Cash Procedures.

Discussion: The Board discussed the petty cash procedures presented by the Finance Committee. It was clarified that any cash given to the Treasurer, as for assessments, not go into petty cash, but as a cash payment into the main GLA fund. It was also clarified that

the total of cash and receipts in the Petty Cash Fund at all times should be constant.
Action: L. Kremer moved, H. Brailsford seconded that the Board accept the Petty Cash Procedure document as amended. The motion passed unanimously.
Follow-up: M. Scoble - finalize petty cash procedure by 3-9-98 and give a copy to Secretary Murphy.

4.1.3 Committee Budgets.

Discussion: The Board discussed what sort of cap to put on bills paid by the Treasurer but not specifically pre-approved by them. It was decided that although it would be rough at first, a budget would be very helpful as a framework for paying bills, and that the chairs of committees would be the most likely ones to draw up a budget for the work allocated to their group. There was consensus that each committee chair develop a budget for their committee within the next month.
Follow-up: P. Wolberd - provide a copy of the GCPC budget proposal to D. Newhouse for use by the Road Committee.
Follow-up: M. Scoble, D. Newhouse, P. Hoag, D. Kehoe, Jr., J. Murphy - develop a budget for your respective committees by the March 30, 1998 meeting.

4.1.4 Other Items.

Discussion: P. Wolberd said he would like an invoice or receipt presented to him along with any check for signature. He also asked for a written Treasurer's report at each meeting. M. Scoble reported that she had sent the Hazen assessment notice to E. Francis.
Follow-up: P. Wolberd - provide M. Scoble with a sample Treasurer's report form.
Follow-up: M. Scoble and P. Keathley - write accounting procedures as per D. Holms needs by 3-30-98.
Follow-up: M. Scoble - prepare a Disbursement of Funds procedure by 3-9-98.
Follow-up: M. Scoble and J. Murphy - prepare a supplies purchase proposal after receipt of budgets from committee chairs.
Follow-up: M. Scoble - send copy of Hazen assessment notice directly to J. Hazen.

4.2 Finance Committee Report. M. Scoble, Chair.
Follow-up: R. Varkevisser - Call some landowners re delinquent accounts as needed after the next billing at the end of April.

4.3 Architectural Subcommittee Report. P. Hoag, Chair. No report due to Chair absence. Carry over of all items.

GLA 00290

Follow-up: J. Murphy - contact Planner Ellen Woodbury re notifying the GLA of approved subdivisions by 3-9-98.

Follow-up: Board - review resubmitted GLA Building Project Review Forms for comment by 3-9-98.

Follow-up: P. Hoag - revise protocol for processing subcommittee decisions and approval by 3-9-98.

Follow-up: P. Hoag - review the "Community of Glastonbury Policies & Standards for Subdivisions," including Section 4.4 on Installation of Utilities, for possible revision, completion date to be determined at 3-9-98 meeting.

Follow-up: J. Murphy - develop form letter to developer to notify of subdivider assessment status by 3-9-98.

Follow-up: J. Murphy - send assessment status letter re Shirley Lloyd property by 3-9-98.

4.4 Road Committee Report. D. Newhouse, Chair.

Discussion: ⇨ D. Newhouse reported that he had received the bill for the road engineer and that the cost had been around $1000. He said the negotiations with the developer were continuing, and that on Wednesday they would be presenting them with the specific amounts requested for reimbursement. He said the most costly issue was the need for 3" of new top coating, costing around $30,000.

Follow-up: D. Newhouse - provide invoice for the Bozeman engineer report to M.. Scoble by 3-9-98.

⇨ H. Brailsford presented research regarding sanders. He described one from Henderson Sanders in Bozeman costing $3,400 ($3,700 installed) that holds 1.7 yards of material. Two others he researched in Billings were over $4000. He said the Black Diamond Quarry between North and South Glastonbury sells sanding material at $5.63/yard. He said R. Johnson estimated a minimum of 1 yard each to be used on North and South, while W. Wunsch said he estimated 2 yards each as a more probable estimate. The Board discussed the need of a vehicle on which to put a sander. There was consensus that since it was the end of the season, the issue be put on hold until the next fall, but that the costs be included in the Road Committee Budget estimate.

⇨ A number of members said that the roads needed to be graded.

Action: A. Field moved, M. Scoble seconded that D. Newhouse be authorized to determine the next step of road maintenance to be done prior to the 3-9-98 meeting, for a maximum grading time of 16 hours spent by A. Mann, at a maximum cost of $1,040. The motion passed unanimously.

Follow-up: D. Newhouse - order next level of road grading by 3-9-98.

Follow-up: W. Wunsch - send the Capricorn Drive letter by 3-9-98.
Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations with the developer.
Follow-up: W. Wunsch - report on Joint Committee negotiations regarding the Chevy truck/plow following Joint Committee negotiations with the developer.
Follow-up: D. Newhouse and J. Healy - define snowplowing order and responsibilities, review with P. Wolberd, then present it to the proper channels for dissemination in a telephone tree by 3-9-98.
Follow-up: D. Newhouse - re-write Dirkers' plowing contract by 3-9-98 establishing the plowing priority of roads, then convey them to P. Wolberd for final approval before asking Dirkers to sign, by 3-9-98.
Follow-up: D. Newhouse - Call M. Dirkers' insurance agent and ask for a Certificate of Insurance naming the GLA as an additional insured, by 3-9-98.

4.5 Nominating Committee Report. No report.

4.6 Complaint Committee. J. Murphy, Chair.
Discussion: The proposed Complaint Committee document was discussed.
Action: D. Kehoe, Jr. moved, L. Kremer seconded that the Board accept the document as amended. The motion passed unanimously.
Follow-up: J. Murphy - submit a recommendation to the Board by 4-20-98 regarding the W. Pitt complaint.
Follow-up: D. Newhouse - propose High South turn-around/parking area by 4-20-98.

4.7 Land Use Master Plan Advisory Committee. D. Kehoe, Jr., Chair.
Discussion: D. Kehoe, Jr. reported that a phone tree regarding volunteers for committee members had gone out. He distributed to all present a revised committee protocol sheet dated 1-19-98.
Action: P. Keathley moved, H. Brailsford seconded that the Board approve the Committee Operational Procedures as amended. The motion passed unanimously.
Action: There was consensus that the Secretary post a list of all committee chairs and their phone numbers on the bulletin board of each Teaching Center, along with a note to the effect that anyone interested in attending meetings of any committee should contact the chair to be placed on a meeting notification list of that committee.
Follow-up: J. Murphy - place note and list of committee chairs at each T.C. by 3-9-98.

Follow-up: D. Kehoe, Jr. - redraft committee protocol by 3-9-98.
Follow-up: P. Hoag - study guidelines for tree removal by 3-9-98..

4.8 High South Fire Water Reservoir Advisory Committee.
Report carried over to next meeting.
Follow-up: W. Wunsch - develop a proposal of alternatives for the Board to consider, including cost projections and time frame, by 3-9-98.

5. Ombudsmen Reports (See 3.2 above)

6. Unfinished Business --

6.1 Bylaws/Covenants Voting Discrepancies. Carried over to next meeting.
Follow-up: Board - review memo for comment by 3-9-98.

6.2 Protocol for Committee Membership Approval. The "Committee Operational Procedures" was approved by consensus, as modified.

6.3 Association Letterhead.
Follow-up: J. Murphy and L. Matthews - draft a Telephone Tree soliciting ideas for a competition to create new GLA letterhead by 3-9-98.
Follow-up: W. Wunsch - find out if existing COG logo is available to GLA by 3-9-98.

6.4 Office Space Needs. Carried over to next meeting.

6.5 Story Road Yield Sign. D. Newhouse reported that it had been installed and cost around $25.

6.6 Annual Report to Secretary of State. Completed.

6.7 Gemini Road Sign. H. Brailsford said it had been ordered. He also said he had asked Martin Lisota to spot weld all Glastonbury signs.

7. Tabled Business --
7.1 Noxious Weed and Pine Tree Infestations Committee(s) Formation.

7.2 Should the GLA Accept Responsibility for Maintenance of Subdivision Roads? (D. Newhouse)

8. **New Business --**

8.1 Filing Liens When Assessments of $X Owed. (P. Hoag) Carried over to next meeting.

8.2 Mailing List Request. (See 3.1 above).

8.3 Three Week Meeting Cycle Proposal. (P. Wolberd).

Discussion: There was discussion that if the meetings would be less frequent, it would be best if a member who cannot attend notify one of the officers of this, and also give that officer or another Board member a proxy. *(Guideline)*

Action: P. Keathley moved, A. Field seconded that a three week meeting cycle of the GLA Board be implemented. The motion passed unanimously.

9. **Open Floor Comments** – None.

10. **Next Meeting** -- The next meeting will be at 7:00 p.m. on March 9, 1998 at the South Glastonbury Teaching Center.

11. **Adjournment --** The meeting was adjourned at 9:45 pm.

    Follow-up: J. Murphy - Include all Board Review materials in next mailing

11. Adjournment

Committee Operational Procedures
Rough Draft 1-5-98

1. Committee Formation. Upon authorization of the Glastonbury Landowner's Association (GLA) Board to form a committee, the committee chairman or co-chairmen shall form their committee through invitation or a request for volunteers as is deemed appropriate for that specific committee. The number of committee members is left to the discretion of the committee chairman and the chairman's ability to find staffing. The Board may augment the staffing if it finds that the committee is not performing its duty due to understaffing.
The elements that a chairman would be expected to look for in committee members would be, but not limited to:
- area of personal expertise;
- ability to devote time and energy to the committee and project at hand;
- ability to work in harmony with other committee members and respect their time, views, and work; and
- Glastonbury area representation.

2. Purpose Defined. The initial meeting of the committee, if the nature of the committee is to handle a single task, shall be to set a timetable and manner for completing the assigned task. If the nature of the committee is to perform an ongoing duty authorized by the GLA Board, the first meeting shall be to establish the procedure for carrying out the responsibility assigned to it, unless that has been previously been done in a GLA Board meeting.

3. Reporting. As is deemed necessary, due to the nature of the committee, the committee shall report to the GLA Board at its regular meetings to report findings, recommend actions or update the Board on recent activities.

The committee shall present to the GLA Board the tentative timetable and manner for completing the task for Board approval and authorization on tasks that :

A.) will have a large effect on the operation of the GLA or Glastonbury; or

B.) will have a large effect on the GLA's public image or interaction with the county, state or federal government; or

C.) by the nature of the task are required by the GLA Board.

4. Meetings. The committee shall meet as often as is necessary to complete its task within the timetable established or to effectively perform the service authorized by the Board.

5. Dissolution. The Committee may be dissolved upon discharging its task and final report to the Board or upon action of the GLA Board.

Glastonbury Landowners Association Meeting
Board of Directors Meeting Minutes

March 9, 1998

1. **Call to Order, Prayer** -- Patrick Wolberd opened the meeting at 7:05 p.m.

Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Philip Covington, Andrew Field, Peggy Keathley, and Walter Wunsch. Also present were Laurel Matthews and Margaret Roach, Ombudsmen.

Absent: Philip Hoag, Linda Kremer, and David Newhouse.

2. **Reading and Disposition of Minutes** -- The minutes of 2-16-98 were approved.

3. **Order of Business** -- No items were discussed out of order:

4. **Reports of Officers and Committees** --

4.1 Treasurer's Report. M. Scoble, Treasurer.

Discussion: M. Scoble reported that there was approximately $34,000 at the end of February. The Treasurer distributed a revised Petty Cash Procedures sheet, which was approved as amended. She said she had sent a copy of the Hazen assessment notice to him, and had also responded to the Baylors last request. P. Wolberd reported that he had given D. Newhouse a copy of the GCPC road budget proposal.

4.1.1 Tax Exempt Status.

Discussion: The Treasurer said our Accountant had asked if the GLA were tax exempt. Several members recalled obtaining paperwork for this process and thought that D. Kehoe, Sr. was involved, but did not recall seeing a finished document. Secretary Murphy said she had no such documentation in the GLA files.

Follow-up: M. Scoble - Call D. Kehoe, Sr. regarding his rememberance of the status of this form. Then relay info to J. Murphy for continuation of the process.

4.1.2 Baylor Letter.

Discussion: The Treasurer read to the Board a letter from the Baylors, in which they requested a record of past assessments that had been paid by each owner. The Board reiterated their former position that the co-tenants of Parcel 47 North should each bring in their own assessment payment documents to the Court for the Court's decision regarding assessment payments. Although it was recognized that the GLA did not have complete records of all past assessment payment checks, there was consensus that Secretary Murphy should include in her letter to the Court regarding the assessment amounts owing (1) check copies that the GLA did possess, and (2) a statement that a "zero balance" invoice received by a parcel co-owner prior to 1-1-98 did not mean that co-owner had actually paid their fair share of the parcel's assessments.

Follow-up: J. Murphy - prepare and send a letter to the prevailing court involved in the 47 North subdivision. Also send a copy to the Baylors and all other parcel owners.

4.1.3 Lee Letter.

Discussion: The Treasurer read to the Board a letter from Henry Lee, in which he requested continuation of the assessment fee waiver for his Parcel 64 North, since the Church had never built a road to that parcel, as promised in the original Glastonbury Information Report. There was discussion regarding R. Kalar's former letter to Henry Lee on behalf of the Church, in which the Church had granted an assessment waiver on this parcel due to lack of a road. The need to run the GLA's response by its attorney and obtain an agreement to be signed by both parties was discussed. It was also noted that this particular matter involving the unbuilt road be given special attention in the road negotiations with the Church, so that the GLA does not take on the Church's burden to build the road.

Action: M. Scoble moved, H. Brailsford seconded that Henry Lee be allowed to receive a waiver of community assessment fees on Parcel 64 North until the road was built to that parcel, so long as the waiver was consistent with the previous agreement of the developer, and upon receipt of Lee's signature of a GLA waiver agreement to be drafted by the GLA's attorney. The motion passed unanimously.

Follow-up: D. Kehoe, Jr. - call the attorney to prepare an agreement by 3-30-98.

4.1.4 Slavenas Letter.

Discussion: M. Scoble read a letter from Rasa Slavenas, who requested a more gradual increase in community assessments.

Follow-up: W. Wunsch - Call. R. Slavenas and explain the reasons why this will not be done by the GLA.

4.1.5 Other Items.

Follow-up: P. Wolberd - provide M. Scoble with a sample Treasurer's report form by 3-30-98.

Follow-up: M. Scoble and P. Keathley - write accounting procedures as per D. Holms needs by 4-20-98.

Follow-up: M. Scoble - prepare a Disbursement of Funds procedure by 3-30-98.

Follow-up: Committee Chairs - develop a committee budget by 3-30-98.

Follow-up: M. Scoble and J. Murphy - prepare a supplies purchase proposal after receipt of budgets from committee chairs.

Follow-up: J. Murphy - get back comments from M. Scoble and P. Hoag re Parcel 47 North assessments letter, finalize and send to the District Court by 3-30-98.

Follow-up: M. Scoble - prepare a draft letter to send to landowners requesting a break-down of assessment fees prior to 1998, by 3-30-98.

4.2 Finance Committee Report. M. Scoble, Chair.

Follow-up: R. Varkevisser - Call some landowners re delinquent accounts as needed after the next billing cycle in April.

4.3 Architectural Subcommittee Report. P. Hoag, Chair.

4.3.1 Resignation of Chair.

Discussion: A. Field reported in the Chair's absence. He said that P. Hoag had told him was very busy, wouldn't be able to make it to many GLA meetings, and thus could not continue to act as chair of this subcommittee. A. Field volunteered to fill the vacuum.

Action: P. Keathley moved, D. Kehoe, Jr. seconded that A. Field be elected as Chair of the Architectural Subcommittee. The motion passed unanimously.

4.3.2 Parcel 31 South Subdivision.

Discussion: A. Field reported that minutes were taken of the last meeting of this subcommittee, and would be presented to the Board by the 3-30-98 meeting. He said the main item discussed was the subdivision request by Parcel 31 South. The state DEQ, County and developer had all specified certain items in the covenants regarding this

proposed subdivision. He said the subcommittee recommended approval of the subdivision, but with the condition that the GLA inform the owners that it will never take on snow removal or maintenance of the new road on the subdivision, as it was long and quite steep.

Action: A. Field moved, D. Kehoe, Jr. seconded that the GLA accept the recommendation of the Architectural Subcommittee regarding the Parcel 31 South. The motion passed unanimously.

Follow-up: J. Murphy - give R. Varkevisser, representative of Parcel 31 South owners, a copy of the Subcommittee's minutes and ~~the GLA minutes~~ a letter indicating approval of their subdivision.

Follow-up: M. Scoble - convey to Barbara Hopkins at the Church the status of payment of the Parcel 31 South assessments, prior to the subdivision.

4.3.3 Other Items.

Discussion: J. Murphy said she had contacted County Planner Ellen Woodbury re Ellen notifying the GLA of subdivisions that had been approved. Joan is to provide Ellen with a supply of stamped post cards addressed to the GLA; Ellen has agreed to mail one to the GLA when the county had finalized a subdivision request for a Glastonbury parcel.

J. Murphy reported that the Shirley Lloyd subdivision had been finalized.

Follow-up: Board - review resubmitted GLA Building Project Review Forms for comment by 3-30-98.

Follow-up: A. Field - revise protocol for processing subcommittee decisions and approval and bring recommendations to the 3-30-98 meeting.

Follow-up: A. Field - review the "Community of Glastonbury Policies & Standards for Subdivisions," including Section 4.4 on Installation of Utilities, for possible revision by 3-30-98.

Follow-up: "J. Murphy - develop form letter to developer to notify of subdivider assessment status by 3-9-98." *This item was deleted.*

4.4 Road Committee Report. D. Newhouse, Chair.

Discussion: H. Brailsford reported for the committee in the Chair's absence. He said that the bids for road improvements were in from Archie Mann, and that the Church said they would try to meet with the GLA by next week. Also, he said the Certificate of Insurance naming the GLA as an additional insured had been received for A. Mann, and that the Dirkers one was expected in the near future.

Follow-up: H. Brailsford - give A. Mann bids for road improvements to P. Wolberd.
Follow-up: W. Wunsch - send the Capricorn Drive letter by 3-30-98.
Follow-up: D. Newhouse - prepare road maintenance schedule for G. North and G. South following Joint Committee negotiations with the developer.
Follow-up: W. Wunsch - report on Chevy truck/plow following Joint Committee negotiations with the developer.
Follow-up: D. Newhouse - re-write Dirkers' plowing contract establishing the plowing priority of roads, then convey them to P. Wolberd for final approval before asking Dirkers to sign, by 3-30-98.
Follow-up: D. Newhouse - define snowplowing order and responsibilities and who to call re private drives, review with P. Wolberd, then present it to the proper channels for dissemination in a telephone tree by 3-30-98.
Follow-up: D. Newhouse - order next level of road grading by 3-30-98.
Follow-up: D. Newhouse - propose High South turn-around/parking area near W. Pitt property by 4-20-98.

4.5 Nominating Committee Report. No report.

4.6 Complaint Committee. J. Murphy, Chair.
Discussion: J. Murphy distributed final copies of the Complaint Committee Protocol.
Follow-up: J. Murphy - submit a recommendation to the Board by 4-20-98 regarding the W. Pitt complaint.

4.7 Land Use Master Plan Advisory Committee. D. Kehoe, Jr., Chair.
Discussion:
➪ J. Murphy reported that she had placed a list of committee chairs at each Teaching Center and in the Glastonbury Herald. D. Kehoe, Jr. distributed redrafted Committee Operational Procedures, and they were approved by consensus.
➪ D. Kehoe, jr. mentioned that the circular issued by a group called The Committee for a More Perfect Union had used drawings from Michael Van Hausen that had been paid for by the GCPC in their recently published circular. He said Van Hausen had sent a letter to William Davis in response to a call from Davis, and that it seemed Van Hausen was under the impression that this group was a branch of the GLA. Van Hausen had also sent a copy to P. Wolberd for the GLA, along with four copies of a 47-page updated Land Use Master

Plan, which was expected to arrive in the mail any time. D. Kehoe said Van Hausen said the new Plan establishes links with the County's Master Land Use Plan. There was discussion regarding the fact that no Board member had given Van Hausen authorization for this next step.

➪ Regarding the circular distributed by The Committee for a More Perfect Union, P. Wolberd said many people had called him to discuss the circular, as there wereconcerns regarding the lack of financial statements or other types of financial information typically found in a company prospectus. Another member noted that each page of the circular had been copyrighted, including the pages with the drawings that had been paid for by the GCPC, the predecessor of the GLA. It was noted that there was some confusion within Glastonbury as to whether or not The Committee for a More Perfect Union was a committee of the GLA. P. Wolberd asked the Board if they felt it should send a list of questions and concerns to The Committee to give them a chance to explain their point of view. There was discussion regarding discussing the issue with the GLA attorney, to see if the GLA had an involvement in the matter.

Action: D. Kehoe, Jr. moved, P. Keathley seconded that the GLA take the matter to the GLA attorney, using questions to be written down by a committee composed of D. Kehoe, Jr., P. Wolberd and P. Keathley, in order to get his advice concerning any potential GLA liability or accountability involving The Committee for a More Perfect Union. The motion passed unanimously.

Action: A. Field moved, M. Scoble seconded that the GLA limit the attorney to 3 hours of work on this matter. The motion passed unanimously.

Follow-up: D. Kehoe, Jr., P. Wolberd and P. Keathley - write down questions and present them to the attorney, and conveying 3 hour time constraint.

Follow-up: P. Wolberd - ask Anita Wolberd to give updated LUMP from Van Hausen to J. Murphy once it is received in the mail. J. Murphy - make and deliver copies to D. Kehoe, Jr. for the commitee's review.

4.8 High South Fire Water Reservoir Advisory Committee.

Report carried over to next meeting.

Follow-up: W. Wunsch - develop a proposal of alternatives for the Board to consider, including cost projections and time frame, by 3-30-98.

5. Ombudsmen Reports. A final version of Definitions and Functions of Ombudsmen was distributed, and was approved by the Board.

6. **Unfinished Business --**

6.1 Bylaws/Covenants Voting Discrepancies. Carried over to next meeting.
Follow-up: Board - review memo for comment on 4-20-98.

6.2 Association Letterhead.
Discussion: J. Murphy reported that there had been no community response to the telephone tree soliciting letterhead ideas, but that she would put the request in the Glastonbury Herald, and would also be contacting directly certain artistically-inclined community members who might be able to help.
Follow-up: J. Murphy - contact artistic individuals re helping design GLA letterhead.
Follow-up: W. Wunsch - find out if existing COG logo is available to GLA by 3-30-98.

6.3 Office Space Needs. J. Murphy
Discussion: Mention was made that the old Glastonbury office in South Glastonbury, which is now being rented from the Church by the S.G. Teaching Center, might have space for a GLA office.
Follow-up: J. Murphy - Ask D. Kehoe, Sr. if the Teaching Center contract with the Church will allow subcontracting by other parties.

6.4 Filing Liens when Assessments Owed. Tabled. (See 7.3)

7. **Tabled Business --**

7.1 Noxious Weed and Pine Tree Infestations Committee(s) Formation.
7.2 Should the GLA Accept Responsibility for Maintenance of Subdivision Roads? (D. Newhouse)
7.3 Filing Liens when Assessments Owed. (From 6.4 above.)
7.4 Study guidelines for tree removal. (P. Hoag)

8. **New Business --**

8.1 GLA Emergency Fund. (P. Wolberd)
Discussion: P. Wolberd suggested a fund of approximately 10% of the GLA income for emergency purposes.

Follow-up: Finance Committee - consider such a fund and make recommendations at the next meeting on 3-30-98.

8.2 Community Center Development. (P. Wolberd)

Discussion: P. Wolberd said he wondered if the GLA wanted to pursue this for North Glastonbury for the upcoming building season. H. Brailsford said he felt it was premature, as no land had yet been granted by the Church. There was consensus to wait to see if and what land was granted.

8.3 Feedback Regarding Media Statements. (W. Wunsch)

Discussion: W. Wunsch said that he had been surprised by *The Livingston Enterprise* article regarding the opening of the sale of Glastonbury land to local realtors, since the Church had not notified the GLA in advance of the story, as had been requested in the past. It was agreed that the GLA should give the Church feedback that they expected advance notification of a story involving Glastonbury, in order to be prepared to deal with the ramifications of that story.

Follow-up: P. Wolberd - Call Chris Kelly and let him know that the GLA would prefer input prior to media coverage concerning Glastonbury.

9. **Open Floor Comments** – None.

10. **Next Meeting** -- The next meeting will be at 7:00 p.m. on Monday, March 30, 1998 at the Thomas More School in North Glastonbury.

11. **Adjournment** -- The meeting was adjourned at 9:45 pm.

Telephone Tree

From: GLASTONBURY LANDOWNERS ASSOCIATION
To: Glastonbury Landowners
Date: February 21, 1998

1. Beginning in March, the Board of Directors meetings will be held every three weeks. The next two meetings are scheduled for March 9, 1998 at South Glastonbury Teaching Center and March 30, 1998 at Thomas More School. Meetings are on Monday evenings at 7:00 p.m.

2. If anyone wishes to attend sub-committee meetings, please contact the following chairpersons:

Maria Scoble (333-4306)	Finance Committee
David Newhouse (333-4242)	Road Committee
Philip Hoag (333-4707)	Architectural Committee (includes subdivisions)
Joan Murphy (333-4792)	Complaint Committee
Daniel Kehoe, Jr.(333-4222	Land Use Master Plan Advisory Committee

3. The Board of Directors is looking to Glastonbury's artistic residents for assistance in creating a logo for the GLA letterhead. Those interested in participating in this project, please call Joan Murphy at 333-4792 or Laurel Matthews at 333-4565.

Complaint Committee Protocol
Adopted February 16, 1998

1. Complaint. Once a Director receives a complaint form, they shall forward it to the Complaint Committee Chairman to be put on the agenda of the next Committee meeting for review. At that meeting the Committee shall determine and investigate if necessary whether the complaint requires action on the part of the GLA Board or should be returned for clarification or completion.

2. Investigation and Informal Resolution. On complaints that appear to require the Board's action, the Complaint Committee shall investigate the complaint and solicit a response from the alleged violator. If the approach of the Committee to rectify the situation is successful the matter is considered resolved. If the approach of the Committee is not successful, the Committee shall report their findings to the Board.

3. First Notice. If the Board deems it necessary to proceed on behalf of the Landowners to rectify the situation, the Board shall send the Landowner named in the Complaint a First Notice describing:

A.) the nature of the alleged violation;
B.) the requested remedial action to be taken; and
C.) define the ten (10) day period within which the alleged violator may present to the Board a written request for a hearing or a written rebuttal regarding the Complaint.

If this Notice and subsequent actions brings about a resolution to the Complaint, the Board will send a Resolution Confirmation letter to the violator with a copy to the complainant.

4. Second Notice. If the Board finds it necessary to take stronger measures to resolve the violation described in the Complaint due to the response or lack of response of the Landowner named in the Complaint, the Board shall send the alleged violator a Second Notice that may include any of the substance of the First Notice and shall also include:

A.) the proposed sanction to be imposed or action to be taken by the Board; and
B.) a statement that the proposed sanctions or actions shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the mailing of the notice.

If a timely challenge is not made, the sanction stated in the notice shall be imposed or the action deemed necessary shall be started. If the violation is resolved within the ten day period, the Board may suspend the proposed sanction or action. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions by any person.

5. Hearing. If a hearing is requested within the allotted ten day period, the hearing shall be held before the Board members who are not on the Complaint Committee investigating that particular complaint or such impartial body as the Board may appoint. The Landowner in question shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction, proof of proper notice shall be placed in the Minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the person who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or his representative appears at the meeting. The Minutes of the meeting shall contain the results of the hearing and the sanction, if any, imposed or any action that the Board decides to take, unless a decision for action is deferred for further study.

5 Enforcement Action. In the event that a Landowner continues to violate the Covenants, ByLaws, Rules, regulations or Community Standards, after being served a Notice by the Board and the ten day period for a hearing has elapsed, the Board may elect to enforce any such provision by suit at law to obtain injunctive relief, compliance monetary damages or any other legal remedy available.

Committee Operational Procedures
Adopted February 16, 1998

1. Committee Formation. The Glastonbury Landowner's Association (GLA) Board, by its power to create committees, may create Board Committees that are authorized to act on behalf of the Board and advisory committees that perform a task and report back to the Board. All Board Committees must have at least two GLA Board members on them.

Upon authorization of the GLA Board to form a committee, the committee chairman or co-chairmen shall form the committee through invitation and/or a request for volunteers as is deemed appropriate by the Board for that specific committee. The number of committee members is left to the discretion of the committee chairman and the chairman's ability to find staffing. The Board may augment the staffing if it finds that the committee is not performing its duty due to understaffing.

The elements that a chairman would be expected to look for in committee members would be, but not limited to:

- area of personal expertise;
- ability to devote time and energy to the committee and project at hand;
- ability to work in harmony with committee members and respect their time, views, and work;
- cross-section of Glastonbury population representation.

2. Purpose Defined. The initial meeting of the committee, if the nature of the committee is to handle a single task, shall be to set a timetable and manner for completing the assigned task. If the nature of the committee is to perform an ongoing duty authorized by the GLA Board, the first meeting shall be to establish the procedure for carrying out the responsibility assigned to it, unless that has been previously been done in a GLA Board meeting.

3. Reporting. As is deemed necessary due to the nature of the committee, the committee shall report its findings, recommend actions or update the Board on recent activities at the regular GLA Board meetings.

The committee shall present to the GLA Board the tentative timetable and manner for completing the task for Board approval and authorization on tasks that :

A.) will have a significant effect on the operation of the GLA or Glastonbury; or
B.) will have an effect on the GLA's public image or interaction with the county, state or federal government; or
C.) due to the nature of the task, are required to by the GLA Board.

4. Meetings. The committee shall meet as often as is necessary to complete its task within the timetable established or to effectively perform the service authorized by the Board. All committee meetings shall be open unless otherwise approved in advance by the Board. Notice and minutes of meetings of Committees of Directors shall be as set forth in the GLA ByLaws. All committees shall keep minutes as set forth in the GLA ByLaws. Notice of any committee meeting shall be given to Landowners who request such notice.

5. Dissolution. The Committee may be dissolved upon discharging its task and delivering its final report to the Board or upon action of the GLA Board.

Glastonbury Landowners Association
Board of Directors Meeting

- Draft - Corrections on pg 5

Minutes
March 30, 1998

1. **Call to Order, Prayer** - Patrick Wolberd opened the meeting at 7:08 p.m.

Present: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Philip Hoag, Andrew Field, Peggy Keathly, Walter Wunsch and David Newhouse. Margaret Roach and Laurel Matthews, Ombudsmen, were also present.

Absent: Horus Brailsford, Linda Kremer and Philip Covington.

2. **Reading and Disposition of Minutes** - The minutes of 3-9-98 were corrected and approved.

3. **Order of Business** - The following item was discussed out of order.

3.1 (Agenda Item 8.5) Replacement of Assistant Secretary

Discussion: Joan Murphy read the letter of resignation from Lucia Hodges as Assistant Secretary. Other duties do not allow her to continue to fill this position. In her letter L. Hodges suggested that the position be a paid one since no volunteer could be found. She stated that at least seven hours of work was involved with each Board meeting.

Action: Joan Murphy moved that the GLA Board of Directors hire someone to be an Assistant Secretary, whose responsibility will be to take the minutes of the Board meetings and to transcribe those minutes, the fee for these services to be $45.00 per meeting. A. Field seconded the motion. Motion carried unanimously

.Action: Maria Scoble moved and Joan Murphy seconded the motion to have LaurelMatthews fill the position of Assistant Secretary. Motion carried unanimously. J. Murphy suggested sending a thank you letter to Lucia Hodges.

Follow-up: J. Murphy will send the letter to L. Hodges thanking her for her services.

4. Reports of Officers and Committees -

4.1 Treasurer's Report. Maria Scoble, Treasurer

M. Scoble distributed the Glastonbury Landowners Association Profit and Loss Statement for January 1 through February 28, 1998. Copy of this statement is filed herewith.

Discussion: Format of this statement was accepted by consensus. A. Field suggested the addition of a balance sheet and P. Wolberd stated a budget sheet was needed. The Board agreed that the profit and loss statement and the balance sheet should be submitted monthly and the budget sheet presented quarterly. M.Scoble stated that if everyone paid their assessments, the total would be $100,000.00.

Follow-up: M. Scoble notify D. Holm Office re additional rets for 1st quarter by 4-20-96.

Follow-up: IRS Tax Forms - M. Scoble contacted Dan Kehoe, Sr. re IRS tax forms. D. Kehoe, Sr. replied none had been filed. M. Scoble stated that D. Holm, accountant, is in the process of securing the IRS tax exempt status for the GLA.

Action: A. Field moved and M. Scoble seconded the motion to authorize Dan Kehoe, Jr. to call Melanie at the Holm Accounting Firm to answer questions about the tax exempt status, and if needed, authorize Melanie to call John Glover, Bozeman lawyer, for further information. Motion passed unanimously.

Follow-up: M.Scoble/P. Keathly - To write accounting procedures as per D. Holm accounting needs by 4-20-98.

Follow-up: M. Scoble - To prepare Disbursement of Funds procedure by 4-20-98.

Follow-up: M. Scoble/J. Murphy - To prepare a supplies purchase proposal after receipt of committee budgets by 4-20-98.

Follow-up: All Committe Chairs - To develop a committee budget by 4-20-98.

Follow-up: Letter to District Court re Parcel #47 - J. Murphy read the draft copy of the letter to be signed by the President and sent to Judge Swandel re partitioning of Parcel #47. The letter included the breakdown of the monies owed in past assessments by each tennant-in-common. P. Wolberd stated that Margaret Roach's zero balance should also

be included and it was suggested that the page from the covenants stating obligation of all landowners to pay assessments be included with the letter, as well as the photo copies of all cancelled checks available showing payments from all tennants-in-common; copies of this letter to go to all landowners involved. Court date hearing is May 28, 1998.

Action: J. Murphy moved and P. Keathly seconded the motion to send this letter as amended to Judge Swandel. Motion carried unanimously.

Follow-up: J. Murphy - Send Parcel 47 letter to Judge Swandel by 4-20-98.

Follow-up: M. Scoble presented the draft letter to be sent to landowners explaining the breakdown of assessment fees beginning in 1998, and the past due assessments that may have been billed to the primary landowner, the one responsible for the collection of each portion of the fee of each tennant-in-common.

Discussion: It was reiterated in reference to the sale of property in Glastonbury that all assessments must be paid prior to the transfer of ownership. It was suggested to include the letter explaining the Protocol for Processing Reviews with the current quarterly bill mailing due to go out shortly. P. Wolberd suggested that one message at a time be disseminated.

Action: M. Scoble moved and A. Field seconded the motion to send the letter clarifying assessments, as amended, with the next statement to landowners. Motion carried unanimously.

Follow-up: M. Scoble - Send approved letter by 4-20-98.

Follow-up: W.Wunsch called R. Slavenas and left a message on the answering machine. Voice contact was never accomplished. W. Wunsch will try again to reach this landowner and explain why the request for a more gradual assessment cannot be carried out. - Effort to be accomplished by 4-20-98.

M. Scoble stated that she had received a note from Thomas Burns representing Chalice

Well Shelter indicating that the $240.00 assessment for the Shelter was excessive.

Follow-up: A. Field will call T. Burns and explain that these assessments are what the GLA members have ratified, by 4-20-98.

4.2 Finance Committe Report. Maria Scoble, Chair.

No report.

Follow-up: R. Varkevisser - To call some of the landowners regarding delinquent accounts as needed after the next billing cycle in April, by 5-11-98.

Follow-up: M. Scoble - To develop recommendation re emergency fund by 5-11-98

4.3 Architectural Subcommitte. Andrew Field, Chair.

Follow-up: Board - Review GLA Building Project Review Forms for comment. Project is waiting for comments and write-ups; carried forward for final approval on 4-20-98.

Follow-up: Draft of Protocol for Processing Reviews by the Architectural Subcommittee of the Project Revew Committee was submitted to the GLA Board for approval. Copy of this procedure is filed herewith.

Discussion: William Smith who was present at the Board meeting asked if there was a time line indicated for completion of the review procedures, stating that at county level the time line is 35 days and at state level the time line is 65 days. A. Field said there was no time line indicated. P. Wolberd suggested adding "in a timely manner"after the second paragraph.

Action: A. Field moved and P. Hoag seconded the motion to adopt the Protocol for Processing Reviews of 3-30-98 as amended. Motion carried unanimously.

Follow-up: P. Hoag - To review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision,

4 of 11

completion date to be determined on 4-20-98.

Follow-up: J. Murphy gave R. Varkevisser, representative of Parcel 31 South owners, a copy of the subcommittee's minutes and ~~the GLA minutes~~ letter indicating approval of their subdivision.

Follow-up: M. Scoble - To convey to Barbara Hopkins, at the developer office, the status of payment of Parcel 31 South assessments prior to the subdivision.

Discussion: W. Smith, familiar with the process of subdivision of Parcel 10 North (Jack Baughman), confirmed that up-grades, including water supplies, were completed. Jack Baughman, being advised that assessments had to be paid prior to finalizing subdivision, stated he would send check immediately.

Follow-up: A. Field - Draft notice letter to Developer for secretary to send.

Action: A. Field moved and P. Hoag seconded the motion to approve subdivision of Parcel 10 North as soon as Treasurer confirms the assessments are paid through the first quarter of 1998. Motion carried unanimously.

Follow-up: J. Murphy will send letter to office of Edward Francis confirming the GLA approval as soon as Treasurer confirms payment of assessments.

4.4 Road Committee Report. David Newhouse, Chair.

Follow-up: W. Wunsch - Letter to the County about Capricorn Drive will be revised since dumpsters have been removed by the County from both North and South Glastonbury. However, County still needs to be asked to remedy problem of water collection at the bottom of hill near Hwy 89 on Capricorn; letter to be written and sent by 4-20-98.

Follow-up: D. Newhouse - Prepare road maintenance schedule for G. North and G. South upon completion of negotiations.

Follow-up: W.Wunsch - Report back on Chevy snowplow negotiations.

Follow-up: D. Newhouse - Call Dirkers insurance agent and ask for a Certificate of Insurance naming the GLA as an additional insured.

Follow-up: D. Newhouse/J. Healy - Obtain a cleaned up contract spelling out the guidelines for plowing priorities and map of roads to be plowed, from Michael Dirkers and review with P. Wolberd. The GLA needs a simply worded and typed contract written under M. Dirkers name with a certificate of insurance addressed to the President of Board. Contract needs to spell out that Dirkers is a contractor and paid by the hour; this contract to be brought to Board by 4-20-98.

Follow-up: D. Newhouse -- Define snowplowing priorities and who to call re private drives. Priorities have already been set by Board; i.e. North Glastonbury primary roads, South Glastonbury primary roads, then secondary roads, etc. This needs to be defined on paper; information to the Board by 4-20-98.

Discussion: - Subdivision Roads - D. Newhouse asked about possibility of plowing and maintaining subdivision roads. P. Wolberd responded that he interpreted subdivision roads to be "private roads", to be maintained by individual landowners; that the GLA should be careful of taking on too much responsibility for too many miles of roads, which might change liability insurance and would increase liability insurance. Owners of subdivisions can bring a written proposal to the GLA concerning their roads if they wish maintenance from the GLA; these issues then can be discussed.

(Agenda Item 8.4) Subdivison Discussion - Taken out of order

D. Newhouse asked what reaction there would be to having a subdivision of 1- acre lots; that there is a possibility of buying Parcel 19 North which could lend itself to creating 1-acre lots, with a road through it.

Discussion: D. Newhouse indicated that Ellen Woodbury was in favor of high density housing. J. Murphy stated that this probably will be regulated under the LUMP. P. Wolberd pointed out that the draft LUMP does favor cluster housing with space around

each cluster and that a developer might want to consider this arrangement instead of individual houses on 1- acre lots; the bottom line being that the LUMP has not yet been approved and that developers need to make a case with the LUMP committee.

4.4 Continued

Follow-up: D. Newhouse - Order next level of road grading

Discussion- D. Newhouse reported that he is in the process of checking the roads. The road maintenance from the post office in Emigrant to Golden Age Village (a portion of Serius) needs to be negotiated with the Ranch. P. Wolberd stated that D. Newhouse should come back to the Board when the money for maintenance is exhausted. GLA needs copy of the road negotiation report from subcommittee.

Follow-up: D.Newhouse - To provide copy to Secretary.

Follow-up: D. Newhouse - Propose High South turn-around/parking area near W. Pitt property by 4-20-98.

4.5 Nominating Committee Report. No report.

4.6 Complaint Committee. Joan Murphy, Chair.

Follow-up: J. Murphy - Submit a recommendation to the Board re W. Pitt/Alfaro complaint by 4-20-98.

4.7 Land Use Master Plan Advisory Committee. Daniel Kehoe, Jr, Chair.

Follow-up: D. Kehoe, Jr. submitted draft letters to be sent to John T. Glover, Berg Law Firm, and Davies Anderson, Chairman of Golden Age Cooperative Development Fund, re the circular of the GACD Fund, using Michael Van Hausen's illustrations, ideas, etc.

Discussion: D. Anderson sent letter to J. Murphy, which was read to the Board, encouraging discussions with the GLA Board before the Easter Conference. GLA needs

to have a written response to the questions incorporated in the draft letter dated 3-31-98. P. Wolberd stated he did not wish the GLA to appear hostile yet certain questions need clarification. He further stated that most of the community believe that the GACD is endorsed by the GLA, which, in fact, is erroneous, and that there was a great deal of misunderstanding between M. Van Hausen, the GACD and the GLA (which developed out of the GCPC); that M. Van Hausen believed that the GADC was , in reality, a focus group of the GCPC and had the endorsement of the GLA.

Action: D. Kehoe, Jr. moved and A. Field seconded the motion that the letter dated 3-31-98 to John Glover be sent as amended. Motion carried unanimously.

Action: P. Keathly moved and W. Wunsch seconded the motion that the letter of 3-31-98 to D. Anderson be sent as amended, with copies to GADC Board. Motion carried unanimously.

These letters are filed herewith.

Follow-up: P. Wolberd - P. Wolberd distributed LUMP Draft update to LUMP Chair.

Discussion: P. Wolberd suggested the LUMP Committee meet and write a letter to M. Van Hausen explaining what we can or cannot use and define time lines, this letter to be sent under the President's signature, reinforcing the fact that there is no input from the GLA. The letter should state that the price is negotiable, making a counter offer to Van Hausen for the portions we can use. If he is unwilling to negotiate then the Plan should be sent back unused.

Follow-up: D. Kehoe, Jr. will call M. Van Hausen acknowledging receipt of the material.

4.8 High South Fire Water Reservoir Advisory Committee. Walter Wunsch, Chair.

Follow-up: W. Wunsch - To develop a proposal of alternatives for Board to consider, including cost projections and time frame by 5-11-98.

5. **Ombudsmen Reports** - No Report

6. **Unfinished Business.**

6.1 By-Laws/Covenants Voting Discrepancies.

Follow-up: Board - Review memo for comments on 4-20-98.

6.2 Association Letterhead.

Discussion: J. Muphy and L. Matthews both reported there were no responses to invitations (via phone tree) to create a letterhead .

Follow-up: J. Murphy will contact some appropriate sources for the creation of the letterhead and report back on 4-20-98.

Follow-up: W. Wunsch - To find out if existing COG logo is available to GLA by 4-20-98.

6.3 Office Space Needs. J.Murphy

Follow-up: J. Murphy - To check with D. Kehoe, Sr. re office availability at new TC location by 4-20-98.

6.4 Media Statements by Church.

Follow-up: P.Wolberd - P.Wolberd contacted Chris Kelly via voice mail but did not make voice contact re coordinating media releases. - Complete contact by 4-20-98.

7. **Tabled Business**

7.1 Noxious Weed Committee Formation.

7.2 Should GLA accept responsibility for maintenance of subdivision roads? D. Newhouse - Discussed under 4.4.

7.3 Filing liens when assessments owed. - P. Hoag.

7.4 Study guidelines for tree removal. - P. Hoag.

8. New Business

8.1 Proxies - Patrick Wolberd

Discussion: P. Wolberd stated the Board should have a policy regarding proxies for Board meetings and that the number of proxies could be applied to make the quorum but that the number of proxies should not be greater than the number of people physically present.

Action: P. Keathly moved and P. Hoag seconded the motion to permit only one proxy per person present. Motion carried unanimously.

8.2 Covenant Agreement - Joan Murphy

8.3 Davies Letter (See Item 4.7) - Daniel Kehoe, Jr.

8.4 Subdivisions (See Item 4.4) - David Newhouse

8.5 Secretary Replacement (See Item 3.1) - Joan Murphy

9. Open Floor Comments - None

10. Next Meeting - The next meeting will be Monday, 7:00 p.m., April 20, 1998, at the South Glastonbury Teaching Center.

10 of 11

11. **Adjournment** - The meeting was adjourned at 10:23 p.m.

Respectfully submitted by

Laurel Matthews

Glastonbury Landowners Association, Inc.
P. O. BOX 312
EMIGRANT, MT 59027

March 31, 1998

Davies Anderson, Chairman
Golden Age Cooperative Development Fund
P.O. Box 272
Emigrant, MT 59027

Dear Davies:

In regard to your letter of March 24th to Joan Murphy, which was forwarded to me, I agree that a future meeting between representatives of the Golden Age Development Cooperative Fund and the GLA would be beneficial. The Glastonbury Landowners Association Board of Directors welcomes and supports the open forum of ideas on financial investments in the development of Glastonbury. We share your goal of sustainable community development and see that the Mondragon ideals may be worthy of studied consideration by the Landowners. We are aware of the time and work you and the members of the Fund have invested to promote these ideals. Recently Board members have received calls from Landowners with questions and concerns arising from receipt of the Descriptive Circular. Some of them were confused in thinking that the Golden Age Cooperative Development Fund was a committee or representative body of the Glastonbury Landowners Association. This concern caused us to revisit and give a more in depth study of the Descriptive Circulars provided to the members of the GLA Board.

We were disturbed by the Fund's infringement on the joint property rights shared by the Church Universal and Triumphant and the GLA by the unauthorized use and copyrighting of architectural sketches that were done for the Church's Glastonbury Comprehensive Planning Committee (GCPC). The use of this material has led to some of the confusion among Landowners regarding who the Fund represents. It is disconcerting to the GLA Board that the Fund would use the proprietary materials in the Circular without the permission of the GLA.

The Board is also concerned that the Circular excludes mention of the Glastonbury Landowners Association, most glaringly in the brief history of Glastonbury on pages 11 and 12. This leads a reader to believe that the Fund's proposed buy-out of the Church's land is the only community-wide effort toward community building in Glastonbury that is happening. This omission is further reinforced on page 15 in the mention and footnote on the Land Use Master Plan. The GCPC utilized the talents of Michael Van Hausen in a series of community meetings and in developing the initial draft of Glastonbury's Land Use Master Plan in the past. The present work on the Master Plan is proceeding under the auspices of the GLA.

Many of the questions we have fielded, and our concern, is with the large scale effort to collect funds on the basis of this Circular that is missing financial information and an explanation of the operation of the Board. As you know, the Community of Glastonbury is still recovering from financial setbacks due to the building of the shelters. Much of the need for arbitration in the various

shelters was because the shelters, built in a spirit of trust and mutual concern, lacked the necessary corporate structure and clearly delineated financial information of what people were getting for their money and who would be paid and how much and who would receive equity (or nothing) for their labor. Our experience is that a good idea progressing only on the basis of trust and mutual concern leads to financial difficulty. We are interested in the growth of Glastonbury and, while your proposed endeavors may be very worthwhile, we would like to see that the Fund does indeed have the necessary structure in place and is not repeating some of Glastonbury's past mistakes.

Because of the questions and concerns received from Landowners, we have listed questions that we can't answer. The questions we have received basically comprise three areas: clarification of the finances, the background of the Fund's Board and the operation of the Fund. Your answers will help us more fully address their questions and concerns.

1. What is the organizational structure of the cooperative association?
   May the GLA Board or any of the Landowners read the co-op's charter and ByLaws?
   Does the Board remain at its present number?
   How are the Board members added, replaced or voted upon?
   Are Fund matters only voted on by the Board or are they voted on by the entire membership of the Co-operative?
   Do members of the co-op vote to approve outside financing for capitalizing the Fund, or is that only a vote of the Fund's Board?
   Do you have a mechanism for conflict resolution in the Fund's ByLaws?
   Why was the cooperative formed in Minneapolis instead of Montana?
2. May the GLA Board or any of the Landowners see the Fund's financial statement?
   What is the financial stake of the Board members in the Fund?
   What remuneration have Board members received for their services and what are the Fund's policies on Board member remuneration?
   Has anyone received capital membership stock in return for "indispensable services for organization and start-up"? If so, who and how much?
   How much has each Board member personally invested in the Fund as a personal statement of their confidence in the project?
   Where has the investment come from to bring the project to its present maturity?
   How has the money received thus far been spent?
   May we see the business plan?
   What portion of equity or revenue-sharing does the Fund expect to take from the projects it funds, or what are the guidelines for determining this amount?
3. Is the Fund planning to become the new developer of all of Glastonbury?
   Does the Fund plan to buy all the Glastonbury parcels offered by the Church before the Land Use Master Plan is approved by the Landowners?
   If the Fund's money is tied up in real estate, where will the seed money come from for economic development?
   Why not work in concert with the current developer to provide economic incentive for businesses to buy land in Glastonbury from the Church and use the Fund's resources for economic development instead of real estate development?
   How do you envision that Mr. Van Hausen will assure that Ascension Hills is integrated into the Land Use Master Plan?
   How do you see the Fund interacting with the GLA?

Are the members of the Board members in good standing of the GLA?
Have any members of the Fund's Board had specific experience running a multimillion dollar financial institution as envisioned in the Circular?
Have any members of the Fund's Board had specific experience in real estate development?
Have any members of the Fund's Board ever filed for bankruptcy?
Of the businesses listed in the Circular for the Board members, were they successful ventures?
Who authorized the use of the Community of Glastonbury Land Use Master Plan proprietary drawings?

We look forward to clear lines of communication between the Fund's Board and the GLA Board and we thank you for your consideration of the concerns of the GLA's Board and the Landowners. With respect to the Fund's representatives making a presentation or answering questions at a regular Board meeting, we will discuss where we will go with this matter at our April 20th meeting. If you could reply to our questions before that time, we will be in a better position to determine what would be the most fruitful use of your time and ours in addressing our mutual concerns for Glastonbury.

Sincerely,
Glastonbury Landowners Association, Inc.

Patrick Wolberd

interoffice
MEMORANDUM

to: GLA Board of Directors (to be read at the 3-30-98 meeting)
from: Lucia Hodges
subject: Resignation as Assistant Secretary
date: March 21, 1998

Dear Friends,

I must report that, due to work requirements, I have resigned as Assistant Secretary of the GLA. In answer to a request for assistance, I have taken a job with the Office of the President at the Church, and hope that I can also be of service in that position.

I have very much enjoyed the company of each of you at the GLA meetings, and am glad I could have served as your Assistant Secretary for the past 6 months.

I have tried to complete my duty by finding a replacement, have had some difficulty in finding a volunteer to do so, and would like to put forth the following suggestion should you also have difficulty. I estimate that, on average, I spent about 7 hours/meeting performing this service (3 hours for the meeting itself, and 4 hours typing, routing and revising the minutes). If the GLA were to pay someone $6/hour for the service, the cost would be around $42 for 3 weeks, or $14/week. While this is not a lot of money, in the absence of a volunteer it might provide enough incentive to help you find a qualified person to do the job.

From the historical perspective which I have of the Glastonbury administrative process, I feel that, due to the efforts of each of you and many others, our community is well on its way to a stable self-government. Overlooking all the usual growing pains involved in forming any new community, I find the GLA's situation very heartening.

May God bless each of you for your service to our beloved Glastonbury, Gateway to the Golden Age!

April 13, 1998

Ms. Lucia Hodges
Emigrant, MT 59027

Dear Lucia,

At the March 30, 1998 meeting of the Board of Directors of the Glastonbury Landowners Association, your letter of resignation as Assistant Secretary was read. While we regret losing you, we do understand your reasons and we wish you well in your new assignment.

We are grateful for your many months of dedicated service to our organization and we feel fortunate to have had the benefit of your considerable talents and skills. Your generosity on our behalf will long be remembered.

Gratefully,

Joan Murphy
Secretary
Glastonbury Landowners Association

Dear John,

The GLA Board needs your advice on a situation that has arisen in Glastonbury. We are concerned with the work by a group of Glastonbury residents named the Golden Age Cooperative Development Fund. They sent the enclosed letter of last July and the more recent Descriptive Circular with its February 1st cover letter. We have the following questions regarding this situation:

1. What is the GLA's potential liability regarding this Circular since the Fund's presentation of their program includes an unauthorized use of architectural sketches that the GLA's predecessor, the Glastonbury Comprehensive Planning Committee (GCPC) authorized? The sketches were paid for with funds GCPC raised and with matching funds from the Church. Many Landowners have called the Board with questions regarding the fund assuming it is a committee or offshoot of the GLA. The Fund also used the Community of Glastonbury's copyrighted name (the Church owns the copyright) without permission.

2. Would the State of Montana consider this an investment offering based on the Circular and or/the July "Dear Friends" letter? Even though there is a prominent disclaimer on the second page, pages 17, 18, 41 and the inside back cover, our reading is that it appears to be an offer of sale. If this would be viewed by the State as an investment offering, is the Fund substantially in compliance with the applicable laws?

The basis stated on page 41 of the Circular is that as a cooperative operating as a not-for-profit organization, the Fund does not need to follow the securities rules. The Circular, however, goes to some lengths to show the various income streams and even mentions "revenue-sharing participation in community cooperative enterprises" on page 7. This could lead one to believe that the Fund, in turn, would be profitable.

3. If the Circular appears to violate Montana's securities laws, what is our legal responsibility to bring it to the proper authorities attention or be considered conspiratorially or tacitly involved?

4. Would it be best for the GLA Board to take a position on this matter or leave it alone? Should we request that the Fund issue a retraction or a disclaimer of GLA endorsement?

5. What legal responsibility does the GLA Board have to clarify its position on this matter with the Landowners or notify them of the Board's concerns?

6. What are our legal rights with regard to the proprietary sketches they plagiarized and copyrighted? Do we have legal right to send a cease and desist request on use of the sketches in future editions or publications?

The Board has asked me to get your advice on this matter and has set a cap of three hours of your time on this matter. If this is inadequate, please contact me as to what could be encompassed in that time and how soon you think you can fit this matter into your schedule. Due to the nature of the possible violations, we feel that the copyright issue is secondary to the investment issue.

A copy of the letter we sent to the Fund requesting more information is also enclosed so you can have a more detailed listing of our concerns.

My work number is 333-4947 and my home number is 333-4222. If you would like to reply by fax my home fax number is 333-4851.

Sincerely,

3-21-98

Patricia,

Would you please read the attached memo at the next meeting? Some possibilities for taking notes, ~~that~~ at that particular mtg, are

① Laurel Matthews +

② Carmel M. (lives w/ M. Roach).

Both have said they would think about it.

I've enjoyed working with you, & hopefully will be able to do so again at some point in the future.

— Lorrie Haldyk

P.S. When you find a permanent replacement, let me know & I'll transfer to her/him all my GLA duties (old minutes, format, lists, etc.).

PPSS. You can get those minutes back to me & I'll revise & get to Joan.

1998-04-20_BDGN.pdf

GLASTONBURY LANDOWNERS ASSOCIATION

Board of Directors Meeting

Minutes

April 20, 1998

1. **Call to Order, Prayer** - Patrick Wolberd opened the meeting at 7:15 p.m. in South Glastonbury TC. Peggy Keathley gave the invocation.
PRESENT: Patrick Wolberd (President), Daniel Kehoe, Jr.(Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Philip Hoag, Peggy Keathley, Linda Kremer, David Newhouse, Walter Wunsch and Andrew Field. Ombudsmen, Margaret Roach, N.Glastonbury, and Laurel Matthews, S.Glastonbury were also present.
ABSENT: Philip Covington.

2. **Reading and Disposition of Minutes** - The minutes of 3-30-98 were corrected and approved.

3. **Order of Business**

4. **Reports of Officers and Committees**

4.1 Treasurer's Report. Maria Scoble, Treasurer
Maria Scoble distributed the GLA Profit and Loss, January through April 15, 1998, and the Balance Sheet as of April 15, 1998, as well as the GLA Customer Balance Summary, all transactions as of April 15, 1998. Copies of these reports are filed herewith.
DISCUSSION: Peggy Keathley pointed out that the P&L statement showed outstanding Acounts Receivable which should be reflected on the Balance Sheet.

FOLLOW-UP: Peggy Keathley and Maria Scoble will confer with the accounting firm to remedy this error by 5-11-98.
FOLLOW-UP: M. Scoble/P.Keathley - Write accounting procedures as per D.Holm accounting needs by 5-11-98.
FOLLOW-UP: M Scoble - Distributed the Disbursement of Funds procedure. Copy of the procedure is filed herewith.
DISCISSION: After discussion, Procedure was corrected to read under No.2, "Invoice is approved by committee chair or designate requesting expenditure," etc. No. 3 became, "Treasurer verifies budget." No.5 became the last sentence of No.4, and No.7 was changed to read, "Treasurer records payment in check register." etc.
Corrected Disbursement of Funds procedure was adopted by consensus.
FOLLOW-UP: M.Scoble/J.Murphy - Prepare a supplies purchase proposal after receipt of committee budgets.
FOLLOW-UP: All Committee Chairs - Develop a committee budget by 4-20-98 - Committee chairs affirmed they would develop their budgets during the meeting.
FOLLOW-UP; J.Murphy - Sent approved letter to the District Court re Parcel 47 North as well as copies, with covenants, to each landowner.
FOLLOW-UP: M.Scoble - Send approved letter to landowners regarding the breakdown of assessment fees prior to 1998 by 5-11-98.
FOLLOW-UP: W.Wunsch - Contacted R. Slavenas and explained the reasons why the request for a more gradual assessment increase cannot happen. W.Wunsch reported that R. Slavenus complaind to the County Commissioner about Dry Creek Road.
FOLLOW-UP: A.Field left a message on Thomas Burns" answering machine explaining that the new assessments are what the GLA members ratified.

4.2 Finance Committee Report - Maria Scoble, Chair
Maria Scoble reported that the checking account had $41,895.90 balance. She proposed that a saving account be

established to earn interest for more income.
DISCUSSION: All Board members were in agreement with the proposal and after a discussion of banking procedures, it was agreed that there should be a balance of $1,000.00 kept in the checking account,with the remainder to be transferred to the savings account, electronic transfer being available within 24 hours from savings to checking account.
ACTION: M.Scoble moved, H.Brailsford seconded to open a saving account keeping $1,000.00 in the checking account. Motion passed unanimously.
FOLLOw-UP: M.Scoble - Open savings account by 5-11-98.
FOLLOW-UP: R.Varkevisser - Call some of the landowners regarding delinquent accounts as needed after the next billing cycke in April, by 5-11-98.
FOLLOW-UP: M.Scoble - Develop recommendation re emergency fund. A.Field will assist M.Scoble with this recommendation, including definition of "emergency",etc.by 5-11-98.

4.3 Architectural Subcommittee - Andrew Field, Chair
FOLLOW-UP: Board - Review GLA Building Project Review Forms for comment by 5-11-98.
FOLLOW-UP: P.Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, to be included in this, a notice to residents that subdivision must be completed within one year, or if more time required, an extension requested, otherwise all fees be re-paid, completion date of this project to be determined at 5-11-98.
FOLLOW-UP: M.Scoble - Convey to Barbara Hopkins at the Developer's office the status of payment of Parcel 31 South assessments prior to the subdivision.
FOLLOW-UP; A.Field - Draft notice letter to Deveoper re Parcel 10 North for the secretary to mail by 5-11-98.
FOLLOW-UP; J.Murphy - Sent letter to Parcel 10 North upon confirmation that the parcel assessments were paid.

ACTION: P.Hoag moved, A.Field seconded the recommendation to approve boundary change between Patricia Jones and Marian Butler (no approval by county needed) on Parcel 44 North, this change creating a 5-tract instead of a 6-tract parcel. Motion carried unanimously.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP; W.Wunsch - Send Capricorn Drive letter by 5-11-98

ACTION; W.Wunsch moved, H.Brailsford seconded to include in Capricorn Drive letter, proposal to pave Story Road from red light in Emigrant to base of Serius in North Glastonbury, and Dry Creek Road from Hwy 89 to cattle guard on Hercules in South Glastonbury. Motion carried unanimously.

ACTION; H.Brailsford moved, D. Kehoe, Jr. seconded to repair roads up to a $15,000.00 expenditure, including Capricorn North approach and other sections named in the committee report as soon as possible. Motion carried unanimously.

FOLLOW-UP: D.Newhouse - Complete approved $15,000.00 Maintenance Schedule for North and South Glastonbury upon completion of negotiations.

FOLLOW-UP: W.Wunsch - Report back on Chevy snowplow negotiations. This item has been deleted.

FOLLOW-UP: D.Newhouse - Call Dirkers insurance agent and ask for a Certificate of Insurance naming the GLA as an additional insured by 4-20-98. This Certificate has been requested but has not been received. Carry to 5-11-98.

FOLLOW-UP: D.Newhouse/J.Healy - Obtain a cleaned up contract spelling out the guidelines for plowing priorities and map of roads to be plowed from Michael Dirkers & review with P.Wolberd by 4-20-98. This item has been deleted.

FOLLOW-UP: D.Newhouse - Define snowplowing priorities & who to call re private drives, information to the Board by 4-20-98. This item has been deleted.

W.PITT PROPERTY - H.Brailsford and D.Newhouse talked with W.Pitt about the proposed turn-around and parking area in High South near W.Pitt property

GLA 00352

proposed to keep out trespassers.
DISCUSSION; It was pointed out that there are other land-owners involved in High South who need to be considered. All would need a key in order to get to their land. Gate should be locked only during hunting season. In addition, all residents in Glastonbury are entitled to access the national forests. J.Murphy pointed out that the covenants say only guests accompanied by Glastonbury landowners can use the forest reserves. She stated that the wording should be changed to include "renters". P.Hoag said the word "resident" would include everyone living in Glastonbury. P.Hoag also suggested that W.Pitt could be asked to allocate a 4 to 6-foot easement on Parcel 89 enabling people to access the forest land. H.Brailsford stated that people have access by the waterfall to get to the forest reserves.
FOLLOW-UP: Road Committee/P.Hoag - Work on comprehensive plan for area around Pitt property by 5-11-98
FOLLOW-UP:D.Newhouse - Negotiations with Ranch; H.Brailsford gave report stating report was turned in to the Church asking for $24,000 for roads, and $60,000 for topping. Church counter-proposed $23,500 with no money for topping. They also agreed to plat Aries, repair Virgo Way and problems at Henry Lee's place and Fred Morsell's place. They will expect GLA to complete all uncompleted road within one year.
ACTION: A.Field moved, P.Keathley seconded to authorize designated group (D.Newhouse,H.Brailsford,P.Wolberd) to sign negotiations with the Church and to complete agreement by May 1st. Motion carried unanimously.
FOLLOW-UP:Road Committee - Give secretary copy of agreement.
DISCUSSION: H.Brailsford and D.Newhouse, after inspecting roads in North and South Glastonbury proposed repairing 20% of roads per year, research of price of magnesium chloride,gray gravel,binder,etc.having led to this proposal.

4.5 Nominating Committee Report No report.

4.6 Complaint Committee Joan Murphy, Chair
FOLLOW-UP: J.Murphy - Coordinate with committee negotiating agreement with W.Pitt on land use and bring to closure outstanding complaint about W.Pitt's dog, reporting back to Board by 5-11-98.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe,Chair
Dan Kehoe, Jr. presented to the Board the minutes from the April 2nd meeting of the LUMP Committee, as well as the Checklist of Items for Architect to Assist,Table of Contents and the draft letter to Michael von Hausen regarding the LUMP materials sent by him to the GLA. Copies of Dan Kehoe's documents are filed herewith. Dan Kehoe submitted the LUMP Committee budget to the Treasurer, using te figure of $21,000 (matching amount from the Church).
DISCUSSION; P.Wolberd stated that a timetable is needed for each Table of Contents and that a person needs to be assigned to be responsible for each specific assignments, with June 14th as a tentative completion date for the LUMP. A.Field asked about the significance of the Lindorfer property. In answer to this, it was conjectured that the Lindorfer property will probably remain agricultural.
Dan Kehoe, Jr. stated he would conduct public meetings to gain input from North and South Glastonbury. A schedule is needed indicating parcel density,specs on housing, etc. with definition and parcel number.
LETTER FROM J.GLOVER - Letter dated April 3, 1998 was read, this letter in response to the inquiry of the GLA of March 31, 1998, regarding the Golden Age Cooperative Development Fund. Copy of this letter is filed herewith. GLA has no liability. This letter urges the GLA to make very clear that there is no relationship between the GLA and the GACD Fund, recommending that a letter be sent to all GLA members advising them of this. It was pointed out that

Davies Anderson has not yet responded to the letter sent by the GLA.

FOLLOW-UP: D.Kehoe - Draft short letter to GLA members disclaiming association with the GACD Fund by 5-11-98.

DRAFT LETTER TO M.VON HAUSEN -

DISCUSSION: After discussion, the sentence,"AT this time we do not anticipate any further use of your services," was added at the end of the first paragraph. The words "original Master Plan draft" were added after the words "Master Plan for Discussion" in the second line of the second paragraph, and "unused and uncopied" was added to the last line of the second paragraph.

ACTION: D.Kehoe moved, H.Brailsford seconded to accept the letter as amended and be authorized to send to M.von Hausen. Motion carried unanimously.

FOLLOW-UP: D.Kehoe - Sent approved Glover letter.

FOLLOW-UP: P.Wolberd - Sent approved Anderson letter.

4.8 High South Fire Water Reservoir Advisory Committee

Walter Wunsch, Chair

FOLLOW-UP: W.Wunsch - Develop a proposal of alternatives for Board to consider, including cost projections & time frame by 5-11-98.

5. Ombudsmen Report No reports.

6. Unfinished Business

6.1 By-Laws/Covenants Voting Discrepancies

FOLLOW-UP: Board - Review memo for comment on 5-11-98.

6.2 Association Letterhead

FOLLOW-UP: J.Murphy/L.Matthews - Coordinate GLA letterhead/ logo design by 5-11-98.

FOLLOW-UP: - W.Wunsch - Find out if existing COG logo is available to GLA by 5-11-98

6.3 Office Space Needs

FOLLOW-UP: J.Murphy - Will check with Dan Kehoe, Sr. re office availability when S. Glastonbury Board has made decision.

(Agenda Item 8.1)

ACTION: W.Wunsch moved,M.Scoble seconded the purchase of a fax machine for $70.00 for use by the Secretary. Motion carried unanimously.

6.4 Media Statements by Church

FOLLOW-UP: P.Wolberd - Called Chris Kelly re coordinating such releases. C.Kelly was apologetic about concerns of residents of Glastonbury re Church selling property in Glastonbury and said he would speak to Gilbert and Murray re such releases in the future.

6.5 Assistant Secretary Thank You

FOLLOW-UP: J.Murphy - Sent thank you letter to Lucia Hodges for her volunteer service.

6.6 Covenant Agreement J.Murphy

DISCUSSION: J.Murphy stated there was a form instructing people to conform to the Covenants. There will be a discussion next meeting as to whether the GLA wishes to continue using this form.

7. Tabled Business

7.1 Noxious Weed Committee Formation

7.2 Should GLA Accept Responsibility for Maintenance of Subdivision Roads - D.Newhouse

7.3 Filing Liens When Assessments Owed - P,Hoag

ACTION: A.Field moved,M.Scoble seconded to authorize up to $50.00 for P.Hoag to consult Joe Swindlehurst about filing liens on overdue assessments from $750.00 to $1,000.00. Motion carried unanimously.

FOLLOW-UP: P.Hoag - Consult with Joe Swindlehurst re liens by 5-11-98

7.4 Study Guidelines for Tree Removal - P.Hoag

8. New Business

8.1 Purchase of Fax Machine (See Item 6.3)

9. Open Floor Comments No Comments.

10. Next Meeting - Next meeting will be Monday, 7:00 p.m., May 11, 1998, at North Glastonbury.

11. Adjournment - Meeting was adjourned at 10:15 p.m.

Respectfully submitted by

Laurel M. Matthews

Dear Michael:

The Land Use Master Plan Committee of the Glastonbury Landowners Association has reviewed the additional Land Use Master Plan material that you sent to Patrick Wolberd. Since the meetings last Spring the members of the present GLA Board were involved in the process of rewriting the Covenants and the Landowners Association By-Laws. During that time several former members of the GCPC's Land Use Master Plan Subcommmittee continued working on the Master Plan. After careful review of your material, we have found that the additional material does not fulfill our requirements for the completion of the Master Plan.

Please be assured that the GLA Board is very grateful to you for your professional assistance in the preparation of the Master Plan for Discussion of March 13, 1997 and related sketches. The document we are developing carries forward the spirit of the first draft, such as cluster housing and village centers, but we are including a very specific density map and also including and expanding upon the Specifications and Standards developed by the Church's Glastonbury Review Committee. Enclosed with this letter are the four copies of the Land Use MAster Plan and the Community Design Guidelines material sent to Patrick.

With regards to the sketches, as Patrick pointed out in your phone conversation, the Golden Age Cooperative Development Fund used some of the sketches contracted for by the Church last year. Typically, the original originator of design plans and sketches retains the rights to such materials, however, in the basic agreement of April, 1996 between yourself and the Church, the ownership of such rights was held by the Church and the GCPC. We would appreciate your notifying the Fund to cease using the materials prepared for the Master Plan. I think that will help clear up some of the confusion landowners have had, thinking that the Fund was working under the auspices of the GLA.

If you have any questions please feel free to contact me. The best times is in the evenings.

With best regard,

Daniel J. Kehoe, Jr.
Master Plan Committee Chairman

RE: Golden Age Cooperative Development Fund

Gentlemen:

The purpose of this letter is to respond to the Board's questions and concerns as outlined in Dan Kehoe's letter of March 31, 1998, concerning the above-referenced topic, as Dan and I have previously discussed by phone. To be brief, I do not find that the GLA or its Board of Directors has any liability exposure with regard to the investment activities of the "Fund" stemming from the representations in the Fund's Circular.

The Fund is a private plan of investment proposed by certain members of the community as part of their individual business pursuits. These persons may be members of the Association but they are not acting in any representative capacity for the GLA. The GLA is totally unaffiliated with this operation. The fact that the long-term goals of the Fund contemplate managing and planning the Glastonbury community and yet that no mention of the GLA is made in the Fund's materials, does seem somewhat incongruous. This is not the Association's problem, however. The bottom line is that if the Fund purchases property within Glastonbury, it will be subject to the covenants and the rule of the GLA unless or until it acquires enough votes to change things.

The use of the Master Plan sketches prepared for the GCPC in the Fund materials does not "link" the Fund and the GLA, although it may have caused some confusion to those community members who had seen the same sketches used in the context of the GCPC/GLA's Master Plan. Typically, the original preparer of architectural plans and sketches retains the intellectual property rights. It appears that the Planner Mr. Michael von Hausen is a participant in the Fund and that the sketches have been used with his permission. If the Board takes strong exception to the Fund's future use of these or similar sketches, I suggest that Mr. von Hausen be contacted.

With respect to the compliance or lack thereof by the Fund with state and or federal securities laws, I would simply state that it is not the concern of the GLA. There is no duty on the part of the GLA to determine if any violations have occurred or report any suspicions to the authorities. Having said that, I will tell you that although I am not an expert in securities law, I am skeptical that the purported disclaimers of registration contained in the Fund's Circular are effective. I do note that §30-10-104(8), Montana Code Annotated, exempts securities issued by certain non-profit organizations from the state registration requirements, but only upon application for exemption and the payment of a fee to the Montana Securities Commissioner, which has apparently not occurred in this instance. Again, this is not the GLA's problem.

The Fund's goals are, to put it diplomatically, optimistic. In the event that these goals are not reached there may be some unhappy investors out there seeking redress. With this in mind, it is probably not a bad idea to clarify the total lack of any connection between the Fund and the GLA to the members of the GLA. Because the Fund has not represented that there is any such connection, it is unnecessary at this point to require any sort of retraction or disclaimer.

I suggest that a simple form letter be mailed to all GLA members advising them flatly that there is no relationship between the Fund and the Landowners Association. The letter should tactfully inform the GLA members that the Fund is no different than any other opportunity for investment, that risk is involved, and that due diligence should be exercised on each individual's part before investing any sum of money.

I hope that this letter sufficiently addresses your concerns. If not, please feel free to call with any further questions. Thank you.

Sincerely,

John T. Glover, Jr.

Rough Draft of letter to Davies Anderson to be sent in May

Thank you for your letter of April 21, 1998, in response to our letter of March 31, 1998. We appreciate you taking the time to respond. Your letter was very illuminating.

Since our letter of 3/31 we have found that the drawings by von Hausen, though similar in many respects to the ones included in the Draft Master Plan, were done after the period covered by his contract with the Church and are not covered by the contract. Your use of them is then exclusively a matter between yourselves and Mr. von Hausen.

We share your expressed commitment to open communication within the Glastonbury community and would encourage you to provide an open forum for public discussion of your project by holding a meeting for the Glastonbury community at large to hear more details about your project, ask questions and hear each others comments as well as your responses. Since our attorney has advised us to "clarify the total lack of any connection between the fund and the GLA to the members of the GLA", the GLA Board of Directors would not be in a position to provide for such a forum.

We are in agreement that the Golden Age Cooperative Development Fund is an independent activity which does not come under the auspices of nor is endorsed by the Glastonbury Landowners association, hence, we are following our attorney's advice by taking the further step of sending a letter of clarification in this regard to our membership. A copy of this letter is enclosed.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Association, Inc

March 31, 1998

Davies Anderson, Chairman
Golden Age Cooperative Development Fund
P.O. Box 272
Emigrant, MT 59027

Dear Davies

In regard to your letter of March 24th to Joan Murphy, which was forwarded to me, I agree that a future meeting between representatives of the Golden Age Development Cooperative Fund and the GLA would be beneficial. The Glastonbury Landowners Association Board of Directors welcomes and supports the open forum of ideas on financial investments in the development of Glastonbury. We share your goal of sustainable community development and see that the Mondragon ideals may be worthy of studied consideration by the Landowners. We are aware of the time and work you and the members of the Fund have invested to promote these ideals. Recently Board members have received calls from Landowners with questions and concerns arising from receipt of the Descriptive Circular. Some of them were confused in thinking that the Golden Age Cooperative Development Fund was a committee or representative body of the Glastonbury Landowners Association. This concern caused us to revisit and give a more in depth study of the Descriptive Circulars provided to the members of the GLA Board.

We were disturbed by the Fund's infringement on the joint property rights shared by the Church Universal and Triumphant and the GLA by the unauthorized use and copyrighting of architectural sketches that were done for the Church's Glastonbury Comprehensive Planning Committee (GCPC). The use of this material has led to some of the confusion among Landowners regarding who the Fund represents. It is disconcerting to the GLA Board that the Fund would use the proprietary materials in the Circular without the permission of the GLA.

The Board is also concerned that the Circular excludes mention of the Glastonbury Landowners Association, most glaringly in the brief history of Glastonbury on pages 11 and 12. This leads a reader to believe that the Fund's proposed buy-out of the Church's land is the only community-wide effort toward community building in Glastonbury that is happening. This omission is further reinforced on page 15 in the mention and footnote on the Land Use Master Plan. The GCPC utilized the talents of Michael Van Haasen in a series of community meetings and in developing the initial draft of Glastonbury's Land Use Master Plan in the past. The present work on the Master Plan is proceeding under the auspices of the GLA.

Many of the questions we have fielded, and our concern, is with the large scale effort to collect funds on the basis of this Circular that is missing financial information and an explanation of the operation of the Board. As you know, the Community of Glastonbury is still recovering from financial setbacks due to the building of the shelters. Much of the need for arbitration in the various

shelters was because the shelters, built in a spirit of trust and mutual concern, lacked the necessary corporate structure and clearly delineated financial information of what people were getting for their money and who would be paid and how much and who would receive equity (or nothing) for their labor. Our experience is that a good idea progressing only on the basis of trust and mutual concern leads to financial difficulty. We are interested in the growth of Glastonbury and, while your proposed endeavors may be very worthwhile, we would like to see that the Fund does indeed have the necessary structure in place and is not repeating some of Glastonbury's past mistakes.

Because of the questions and concerns received from Landowners, we have listed questions that we can't answer. The questions we have received basically comprise three areas: clarification of the finances, the background of the Fund's Board and the operation of the Fund. Your answers will help us more fully address their questions and concerns.

1. What is the organizational structure of the cooperative association?
   May the GLA Board or any of the Landowners read the co-op's charter and ByLaws?
   Does the Board remain at its present number?
   How are the Board members added, replaced or voted upon?
   Are Fund matters only voted on by the Board or are they voted on by the entire membership of the Co-operative?
   Do members of the co-op vote to approve outside financing for capitalizing the Fund, or is that only a vote of the Fund's Board?
   Do you have a mechanism for conflict resolution in the Fund's ByLaws?
   Why was the cooperative formed in Minneapolis instead of Montana?

2. May the GLA Board or any of the Landowners see the Fund's financial statement?
   What is the financial stake of the Board members in the Fund?
   What remuneration have Board members received for their services and what are the Fund's policies on Board member remuneration?
   Has anyone received capital membership stock in return for "indispensable services for organization and start-up"? If so, who and how much?
   How much has each Board member personally invested in the Fund as a personal statement of their confidence in the project?
   Where has the investment come from to bring the project to its present maturity?
   How has the money received thus far been spent?
   May we see the business plan?
   What portion of equity or revenue-sharing does the Fund expect to take from the projects it funds, or what are the guidelines for determining this amount?

3. Is the Fund planning to become the new developer of all of Glastonbury?
   Does the Fund plan to buy all the Glastonbury parcels offered by the Church before the Land Use Master Plan is approved by the Landowners?
   If the Fund's money is tied up in real estate, where will the seed money come from for economic development?
   Why not work in concert with the current developer to provide economic incentive for businesses to buy land in Glastonbury from the Church and use the Fund's resources for economic development instead of real estate development?
   How do you envision that Mr. Van Hausen will assure that Ascension Hills is integrated into the Land Use Master Plan?
   How do you see the Fund interacting with the GLA?

Are the members of the Board members in good standing of the GLA?
Have any members of the Fund's Board had specific experience running a multimillion dollar financial institution as envisioned in the Circular?
Have any members of the Fund's Board had specific experience in real estate development?
Have any members of the Fund's Board ever filed for bankruptcy?
Of the businesses listed in the Circular for the Board members, were they successful ventures?
Who authorized the use of the Community of Glastonbury Land Use Master Plan proprietary drawings?

We look forward to clear lines of communication between the Fund's Board and the GLA Board and we thank you for your consideration of the concerns of the GLA's Board and the Landowners. With respect to the Fund's representatives making a presentation or answering questions at a regular Board meeting, we will discuss where we will go with this matter at our April 20th meeting. If you could reply to our questions before that time, we will be in a better position to determine what would be the most fruitful use of your time and ours in addressing our mutual concerns for Glastonbury.

Sincerely,
Glastonbury Landowners Association, Inc

Re: Questions regarding the Golden Age Cooperative Development Fund

Dear Patrick

Thank you for the opportunity to communicate and clarify matters. We were not aware that the Descriptive Circular had not done its job, which was to provide the answers to basic questions about our vision for the organization.

Let us begin by addressing the initial items in your letter contained in the 2nd, 3rd and 4th paragraphs on page 1, extending to page 2.

1. Regarding the use of the drawings, we were not aware that they were the joint property of the Church Universal and Triumphant and the GLA. Michael von Hausen sent the drawings to us, first by fax, as part of a letter, and then, after learning that we had enlarged them and made them focal points in our office -- and loaned them to the GLA for a meeting with the Church Executive Board -- sent us clean copies by mail, so that we could make them available to the community (which we have done, both in the descriptive circular and as framed enlargements for the North and South Glastonbury Teaching Centers) as focuses for visualizing a developed Glastonbury.

In the same 90-minute telephone conversation in which Michael agreed to be our consultant, he (gladly) gave us his verbal permission to use the sketches in our Descriptive Circular. Our initial intent had been to use photographs of community development at Mondragon, but we reasoned that visions for our own community would be more appropriate.

We never intended to copyright Michael's work. Since the Descriptive Circular is copyrighted, the use of the sketches *as they appear in that particular context* is subject to copyright, but not the sketches themselves. The sketches were used by permission, and we probably should have said so at the point (on the inside of the front cover) where we credited them to Michael and to M A. von Hausen and Associates. We're sorry for any consternation that may have been caused by that oversight.

#5 Aquila Lane, (P.O. Box 272) Emigrant, Montana 59027
Phone and Fax: (406) 333-4579 • Fax: (406) 333-4447 • E-mail: davies@ycsi.net

2. When we began this initiative for economic development, as an ad hoc committee in the spring of 1996, the Glastonbury Landowner's Association (GLA) did not even exist.

As far as any of us could determine (besides Jerry Harris, Ed Dratz, Frank Jedd, Peggy Keathley, William Davis and Stephen Howard), ours was the only organized, ongoing effort toward economic development in the community.

Though we were divided over the question of fee simple ownership and exclusivity of the community, we realized that without the development of some sort of economic infrastructure, all such questions were moot. As people came and went from our committee, that realization remained as our guiding principle. We decided early on to put aside all concerns, complaints and opinions, and to concentrate only upon the positive aspects of a vision for economic development.

The GCPC was engaged in the Church's agenda and primarily concerned with meeting the Church's timetable. Except for assessments, economic issues were not even on the GCPC's radar screen. Neither has the GLA, then or now, addressed the issue of the development of an economic infrastructure, as far as we know.

The history of Glastonbury on pages 11 and 12 of the Descriptive Circular was a sort of "pill" we had to swallow to orient readers to our vision and purpose. Since the Descriptive Circular was intended for a far wider audience than just Keepers of the Flame, we had not wanted to mention the Church at all. We compromised by keeping the reference as brief and concise as possible.

This document is a story told from our viewpoint about *our vision* of a new paradigm for economic development for Glastonbury -- and for the world. We have always considered the GLA to be a political/administrative body, charged with the governing of the affairs of the Glastonbury landowners. We have always made it clear that we want no part of that role or responsibility (beyond voting for GLA representation -- those of us who are elegible). We did not mention the GLA in our document, just as the GLA has not mentioned us in their documents, and just as The American Cancer Society does not mention the Office of the US Surgeon General in its fund raising documents -- it is irrelevant.

We have neither sought nor desired the sponsorship of either the Church or the GLA, and do not anticipate doing so. Neither do we wish to imply or give grounds for inference -- by the mention of either the Church or the GLA -- that such a relationship exists.

Concerning the reference to The Land Use Master Plan on page 15 -- as far as we knew when the Descriptive Circular was written, the Land Use Master Plan was, in fact, in the final stages of being *completed* by Michael von Hausen.

#5 Aquila Lane, (P.O. Box 272) Emigrant, Montana 59027
Phone and Fax: (406) 333-4579 • Fax: (406) 333-9447 • E-mail: davies@ycsi.net

None of us would have dreamed that his work — and all of the time, money, effort and community input might be abandoned. And again, mention of the GLA did not seem to any of us to be relevant for that context, since the GLA has had no role that we knew of in von Hausen's work.

3 We appreciate your concern on behalf of the community about the structure and financial affairs of the Golden Age Cooperative Development Fund, and about our fiduciary responsibility.

Quoting the Descriptive Circular, page 2:

> "The **Golden Age Cooperative Development Fund** (the 'Fund') is a Minnesota Cooperative Association seeking to qualify as a cooperative association under Sub-chapter 'T' of the Internal Revenue Code. The Fund is a cooperative association operated solely for the benefit of its members."

The Fund's Articles of Incorporation (as well as those of *The Committee for a More Perfect Union*) are, of course, a matter of public record, and are available for inspection at the offices of the respective Secretaries of State. We do not wish to set the precedent of providing such documents on demand, except to members of the cooperative. But, as with the list of Glastonbury landowners, you are certainly welcome to obtain those documents for review from the appropriate offices.

The Fund's operating procedures are set forth in a draft of its proposed bylaws ("proposed" because they have not yet been formally adopted by the Board of Directors), which, though not a matter of public record, will be available for inspection by members of the cooperative as soon as the board has acted on it. It has always been our intent to provide each cooperative shareholder with a copy of the bylaws.

Regarding the long list of further questions that the GLA has fielded and feels compelled to answer, we would like to suggest that those who have questions be re-directed to us for their answers. This would save administrative time and effort for the GLA, eliminate a link in the communications chain and keep communication clearer and more direct.

Somebody had to come forward with a plan for economic development. The survival of Glastonbury depends on it. There is no economy in Glastonbury, and except for Walter Wunsch and John Fanuzzi (may God continue to prosper them) there is little economy in the Paradise Valley. But there can be, and we intend to continue to address the development of an economic infrastructure while we have life and breath. In fact, in addressing this vital need, we have discovered a grass-roots common sense, and a strong populist sentiment for economic development which could be the catalyst to make it all work as we and many others in the community have envisioned.

#5 Aquila Lane, (P.O. Box 272) Emigrant, Montana 59027
Phone and Fax: (406) 333-4579 • Fax: (406) 333-4447 • E-mail: davies@yesi.net

As for our future relationship with the GLA, we would like nothing better than to maintain open lines of communication and cooperation, and to serve the community according to the community's cooperative vision.

Thank you for your time and attention. We are yours in Christ.

Davies Anderson

1998-05-11_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting

Minutes

May 11, 1998

1. **Call to Order, Prayer** - Meeting was called to order at 7:15 p.m. by Patrick Wolberd. Meeting was held at Thomas More School, North Glastonbury. Andrew Field gave the invocation.

PRESENT: Patrick Wolberd (President), Dan Kehoe, Jr.(Vice President), Maria Scoble (Treasurer), Horus Brailsford, Andrew Field and Philip Hoag. Ombudsman Laurel Matthews was also presnt.

PRESENT BY PROXY: Peggy Keathley and Linda Kremer.

ABSENT: Joan Murphy, Philip Covington, David Newhouse, Walter Wunsch and Ombudsman Margaret Roach.

2. **Reading and Dispostion of Minutes** - The minutes of 4-2098 were approved.

3. **Order of Business**

4. **Reports of Officers and Committees**

4.1 Treasurer's Report Maria Scoble, Treasurer

M. Scoble distributed the final version of Petty Cash Procedures and Disbursement of funds procedure; copies of these documents filed herewith. M. Scoble reported that there was difficulty with the accuracy of the accounts of residents which had been processed through the D. Holm accounting firm; that as many as 30% were inaccurate.

DISCUSSION: M. Scoble suggested having Roeloff Varkevisser do the bookkeeping and

keeping the Holm firm for accounting procedures only, or doing the bookkeeping herself. Concern was expressed that the next treasurer might not be able or willing to do this. P. Wolberd suggested a letter be sent to D. Holm firm spelling out all difficulties and offered to assist M. Scoble with the problem, also setting up an appointment to meet with the accounting personnel.

ACTION: A.Field moved, Dan Kehoe, Jr. seconded to have M. Scoble and P. Wolberd work out a solution by the next meeting. Motion carried unanimously.

M. Scoble asked about the time-frame for applying late fees to those accounts which have been delinquent over a period of time.

FOLLOW-UP: M. Scoble/P. Wolberd - Work out a plan of correction with D. Holm by 6-1-98.

DISCUSSION: P. Wolberd stated that, in his view, punitive action should not be taken against those people who are working to pay off their indebtedness. It was also pointed out that the fee simple process for acquiring private title to the land will eliminate a large part of the delinquent fee problem, since all fees must be paid by those who wish to go fee simple with their land. P. Wolberd acknowledged that a procedure needs to be established re delinquent accounts.

FOLLOW-UP: M. Scoble/ R. Varkevisser - Bring proposal re delinquent accounts to the Board by 6-1-98.

FOLLOW-UP: M. Scoble/P.Keathley - Fix Profit & Loss statement error by 6-1-98.

FOLLOW-UP: M.Scoble/P. Keathley - Write accounting procedures as per D. Holm accounting needs by 6-1-98.

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets.

FOLLOW-UP: All Committee Chairs - Develop a committee budget. Two budgets have been received from the Architectural and LUMP committees. Roads and Fire Water Reservoir Committes need to submit budgets by 6-1-98.

FOLLOW-UP: M. Scoble - Sent approved letter to landowners regarding the break-down of assessment fees prior to 1998. Letter was sent with the quarterly statements.

4.2 Finance Committee Report Marie Scoble, Chair

FOLLOW-UP: R. Varkevisser - Call some of the landowners regarding delinquent accounts as needed after the current billing cycle by 6-1-98.

FOLLOW-UP: M.Scoble - Develop recommendation re emergency fund by 6-1-98.

FOLLOW-UP: M.Scoble - Opened a savings account and transferred all but $1,000 from the checking account into that account.

4.3 Architectural Subcommittee Andrew Field, Chair

A. Field reported that a current meeting of the Architectural Subcommittee was held and the minutes therefrom were filed. A. Field presented the letter to be mailed to members of the GLA, spelling out the procedures to follow in initiating construction or subdivisions. He also presented the Protocol for Processing Reviews, with accompanying forms covering "A" for construction projects, "B" for subdivisions, and "C" for mobile home placement. Copies of letter andProtocol for Processing Reviews is filed herewith. "A", "B" and "C" will be filed later.

DISCUSSION: Letter was altered to read "60 days" in the fourth bullet and the name "Jackie Robbins" was substituted for "Ellen Woodbury" under Resources for Further Information. P. Hoag expressed disagreement re sanitation bond required for construction projects. He stated that in his opinion the sanitation bond is unnecessary and too costly. By consensus it was agreed to accept the form for construction procedures with the condition that the need for a clean-up bond be determined at the discretion of the review committee, and that anyone can apply for a waiver of this bond.

ACTION: A.Field moved, H.Brailsford seconded to authorize the Project Review Committee to send the revised letter and forms, and that the Secretary be directed to mail them as soon as possible to every GLA member. Motion carried unanimously.

FOLLOW-UP: A. Field - Get letter to Secretary for mailing by 6-1-98.

ACTION: A.Field moved, P. Hoag seconded to approve subdivision of Parcel 22 North (Reed Johnson). Motion carried unanimously.

FOLLOW-UP: J.Murphy - Send appropriate letter by 6-1-98.

ACTION: A.Field moved, M.Scoble seconded to approve subdivision of Parcel 21 South (Horus Brailsford) subject to Treasurer's confirmation that all fees are paid. Motion carried unanimously.

FOLLOW-UP: J.Murphy - Send letter as soon as Treasurer confirms fees paid.

NORMA BROWN - Construction

Review committee found construction project on Parcel 44a North to be unsuitable, with unsafe, flat roof and insufficient information. Committee will ask for more information.

FOLLOW-UP: A. Field - Report back to GLA Board by 6-1-98.

FOLLOW-UP: P.Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision. This will follow along with the development of the LUMP. Completion date to be determined at 6-1-98.

FOLLOW-UP: M.Scoble - Conveyed to Barbara Hopkins at developer's office the statement showing all fees paid for subdivision of Parcel 31 South. Subdivision now completed.

FOLLOW-UP: A.Field - Draft notice letter to developer re Parcel 10 North for the Secretary to mail by 6-1-98.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: W.Wunsch - Send the Capricorn Drive, Story Road and Dry Creek Road letter by 6-1-98.

FOLLOW-UP: D.Newhouse - Complete $15,000 road maintenance schedule for Glastonbury N &S. - H. Brailsford gave road report in D. Newhouse's absence. Work is being done on the roads. 1,200 tons of top dressing has been put on various

roads. Gravel has been spread on the thinnest parts. Roads are too dry at this point and create too much dust. Gravel will not be put on Capricorn Drive until chemical is applied to the hill.

DISCUSSION: The Church did accept the offer to reimburse GLA for roads in the amount of $23,500. GLA has one year to complete road work necessary.

FOLLOW-UP: D. Newhouse - Check with Church on sign-off date for the road agreement.

THANK YOU NOTE - Thank you note was received from Ted and Linda Hanks of Black Diamond Aggregates to Horus Brailsford and residents of North and South Glastonbury, thanking all for using their company.

H. Brailsford stated that if residents wished private driveways graded. they should write a letter to him giving information and sending a check, so that the work could be done when the community roads are being repaired, thus saving money for themselves.

FOLLOW-UP: D. Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 6-1-98

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property - H. Brailsford reported that the committee talked with W. Pitt. H. Brailsford proposed that a gate with a key be erected across W. Pittt's road. Letter from J. Murphy was read endorsing plan of H. Brailsford. Letter also suggested a no tresspassing/ no hunting sign at the foot of Hercules Drive. Copy of this letter is filed herewith.

DISCUSSION: Concern was expressed that other residents would want similar gates to protect themselves from hunters and trespassers, setting a negative precedent.. Gate limits Glastonbury residents to access forest lands. It was pointed out that forest lands can be accessed near the waterfall, although this entails considerable hiking. P. Wolberd suggested a jeep trail and turn-around close to, but not at W. Pitts's property.

FOLLOW-UP: P.Hoag - Will contact Dean Kimpson and ask cost of a path or road near the waterfall and above the Pitt property for easier passage to forest access by 6-1-98.

4.5 Nominating Committee Report No report.

4.6 Complaint Committee Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Submit a recommendation to the Board re W. Pitt/Alfaro complaint by 6-1-98.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe, Jr. -D.Kehoe distributed minutes from committee meeting of 4-17-98, with attachments - copies filed herewith. D. Kehoe also submitted a draft letter to the GLA Board to be sent out to the GLA membership disclaiming endorsement of the Golden Age Cooperative Development Fund under signature of P. Wolberd, President of GLA. Also submitted was a draft letter to D. Anderson in answer to the letter from the GACD Fund dated 4-21-98. Copies of these letters are filed herewith.

ACTION: D. Kehoe moved, A. Field seconded to authorize Secretary to send the letter to the landowners and the letter to D. Anderson, as amended, as soon as possible. Motion carried unanimously.

FOLLOW-UP: J. Murphy - Send designated letters as soon as possible.

M. VON HAUSEN FAX: Dan Kehoe, Jr. distributed copies of the fax dated, 5-10-98, received from M. von Hausen in answer to the GLA letter of 4-21-98 and the telephone conversation with D. Kehoe, Jr. on 5-9-98. Copy of this fax is filed herewith. D. Kehoe reported that M. von Hausen called him on the phone after receiving the letter of 4-21-98, stating that the GLA had no more use for his services and that there is no money due from the GLA. M.von Hausen and D. Kehoe, Jr. spoke at length. Fax reflects approximately $3,000 balance to be paid, requested from the GLA.

DISCUSSION: It was pointed out that M. von Hausen did receive a call in March 1997 to stop work re the Master Plan. D. Kehoe, Jr. stated he wished to draft a letter in answer to the fax, reaffirming the position of the GLA, quoting the time-frame, and reinforcing the fact that M. von Hausen did receive a call to break off the project.

P. Wolberd added that the GLA should state that just to make sure it has not misunderstood anything, the GLA will forward his proposal to the Church for their perusal

FOLLOW-UP: D. Kehoe, Jr. - Write draft letter to M. von Hausen in answer to his fax of 5-10-98 and route material to the Church by 6-1-98.

4.8 - 7.3 No discussion.

8. New Business

8.1 Parcel #47

Michelle Ali reported that the Wintroubs had put their propane tank on her property and had also planted a tree there. Recommendation was to have M. Ali write a letter to the court while dispute of Parcel #48 is being settled; copy of letter is filed herewith.

8.2 Potential GAV Sale

Lucia Hodges reported that after talking to R. Smith and J. Hume, she was concerned that GAV might be sold. P. Wolberd suggested she talk with M. Goulart, Marjorie Lombard and with those who have a vested interest in GAV, with the idea of forming a co-op to pool resources for the purchase of GAV.

9. Open Floor Comments No comments.

10. Next Meeting - Next meeting will be 7:00 p.m., June 1, 1998, at South Glastonbury TC.

11. Adjournment - Meeting was adjourned at 10:12 p.m.

Respectfully submitted by

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
May 11, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

Follow-up: M. Scoble/P. Keathley - Fix the Profit & Loss statement error by 5-11-98

Follow-up: M. Scoble/P. Keathley - Write accounting procedures as per D. Holm accounting needs by 5-11-98

Follow-up: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets

Follow-up: All Committee Chairs - Develop a committee budget by 4-20-98

Follow-up: M. Scoble - Send approved letter to landowners regarding the break-down of assessment fees prior to 1998 by 5-11-98

4.2 Finance Committee Report - Maria Scoble, Chair

Follow-up: R. Varkevisser - Call some of the landowners regarding delinquent accounts as needed after the next billing cycle in April, by 5-11-98

Follow-up: M. Scoble - Develop recommendation re emergency fund by 5-11-98

Follow-up: M. Scoble - Open a savings account and transfer all but $1,000 into that account by 5-11-98

4.3 Architecture Subcommittee - Andrew Field, Chair

Follow-up: Board - Review GLA Building Project Review Forms for comment by 5-11-98

Follow-up: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 5-11-98

Follow-up: M. Scoble - Convey to Barbara Hopkins, at the developer office, the status of payment of Parcel 31 South assessments, prior to the subdivision

Follow-up: A. Field - Draft notice letter to Developer re Parcel 10 North for the secretary to mail by 5-11-98

4.4 Road Committee Report - David Newhouse, Chair

Follow-up: W. Wunsch - Send the Capricorn Drive, Story Road & Dry Creek Road letter by 5-11-98

Follow-up: D. Newhouse - Complete $15K road maintenance schedule for G. North and G. South by 5-11-98

Follow-up: D. Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 5-11-98

Follow-up: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property by 5-11-98

Follow-up: D. Newhouse - Give copy of negotiations proposal to secretary upon completion

4.5 Nominating Committee Report

4.6 Complaint Committee - Joan Murphy, Chair

Follow-up: J. Murphy - Submit a recommendation to the Board re W. Pitt/ Alfaro complaint by 5-11-98

4-29-98

Dan,

Your Dad faxed me a copy of the letter from the committee for a more perfect Union. I agree completely that it is an arrogant put-down and I greatly resent their use of my name as a part of the "we". I never have been, never will be a part of their "we" and I want it made very clear that I don't want my name used in any way by them or their ilk.

I am sorry to miss this meeting but know you will vote in my stead as though I was there. I hope you will insist that we not only send out a letter disclaiming any part of them, but also I would suggest that we send out a telephone tree - immediately, if not sooner.

Call me at home tonite or tomorrow, or at the office on Thurs. at 222-5203 ext. 102 if you have any questions. I leave at 6:30 A.M. on Friday and will return May 18th. Thanks for taking care of this in my absence.

OEGY

From the Desk of Mr. and Mrs. Ansara Ali

May 6, 1998

Honorable William Nels Swandal
District Judge
414 E. Callendar, P.O. Box 437
Livingston, MT 59047

Dear Judge Swandal:

We understand that the case of Baylor, Dunn, DeSantos, Roach and Lloyd vs. Wintroub, all on Parcel 47 of North Glastonbury, will be coming to trial on May 28, 1998. As part of this case, we would like to make a request for the partitioning of the land.

Jeffrey and Nancy Wintroub have three encroachments onto our property, which is Parcel 48 in North Glastonbury. These encroachments are: their propane tank, a dirt road they put illegally onto our property, and a tree. The enclosed surveyor's map details these encroachments. As part of the partitioning, we would like the Wintroubs to move their propane tank back onto their own property and in accordance with Glastonbury Covenants, and we would like the Wintroubs to remove their dirt road and reclaim our land to its natural state. In removing the road and reclaiming the land, we ask that the Wintroubs do not damage any of the trees we have planted near the property line. We will allow the Wintroubs to leave their tree on our property.

Each of these encroachments was made without our knowledge or consent. The most recent encroachment was in 1994. After being away for several months, we returned home to discover Jeffrey and Nancy Wintroub were building a road through our property during our absence. This was being done illegally and without our permission. We asked for an immediate halt to construction. And subsequently we wrote to the Wintroubs requesting that not only such incursion into our property be ceased but also that the road be removed and our land be reclaimed to its natural state at their cost. They never complied.

Jeffrey and Nancy Wintroub live on Parcel 47 where there are six homes, including their own. They have made enemies with all of their neighbors on their own parcel. Our property is Parcel 48. Over the years they have been attempting to unlawfully enter our property as well and make enemies with us, too.

Our position is clear. We are not doing any business with Jeffrey and Nancy Wintroub. And their illegal encroachment onto our property, which has caused us not only damages but sleepless nights, has to be rectified and compensated for. Their propane tank must not be on our property, and their road must not run through our property.

Respectfully yours,

Ansara and Michelle Ali

File: 98-RTR-05

Dear Dan:

RE: Completion of the GLASTONBURY
LAND USE MASTER PLAN and GUIDELINES

It was good chatting with you last night to clear up some of the confusion and misunderstandings that have occurred over the past year. Following with your suggestion, I think that it is important to document the facts around this unfortunate miscommunication. In this way, you can share these facts with the Master Plan Committee on May 11, we can both learn from the experience, and proceed to finishing the Master Plan. As you can very well understand, I was very disappointed in the content of the letter of April 21, 1998, addressed to me indicating that the Landowner's Association did not require my services anymore. I have treated the Community with respect and dedication all the way through this Master Plan process. I would like to at least help the Master Plan Committee finish the Land Use Master Plan. I would expect that I deserve at least the same respect that I have given to the Community over the past two years.

1. The Completion of the Land Use Master Plan

I took the initiative to finish the main part of the Land Use Master Plan work during January and February of 1998. Much of this work was editing the content and doing detailed work that refined the substance of the Master Plan. This process is the normal result of the review and refinement of a document. I received no communication during that time but anticipated a phone call to start up the process again, since I heard the Landowner's Association was formed in the Fall of 1997. I assumed, as before, I would have to produce in a very short period of time. You will notice that the final document is a polished version of the first one with comprehensive illustrations of the proposed Village Centers and cluster development.

I would like to specifically highlight the following in the content of the document:

a. The Refined Plans and Perspectives of the Village Centers and Cluster Development were not part of the Draft Master Plan that was completed in March of 1997. This work was completed following the submission of the Draft Master Plan. This work has not been paid for by the Church nor the Glastonbury Landowner's Association. The rights still rest with me until they are paid for. This corrects the misunderstanding described in the third paragraph of your letter of April 21,1998.

b. Master Plan Illustration

This Master Plan Illustration simply reflects the refinements discussed at the meetings that took place in March of 1997. You mentioned a specific density schedule for each lot. Your schedule could easily complement the Master Plan illustration contained in the second draft of the Master Plan. Keep in mind that the Master Plan illustration reflects the policies in the document. The schedule you describe is very site specific, and although very helpful, might not adequately describe the overall intent of the Master Plan policies. However, both of these elements could be complementary in the final document. I would have to review the material to ensure that this is the case and that there are no inconsistencies between the policies, Master Plan Illustration and the Density Schedule.

14562 16A Avenue, White Rock, British Columbia, Canada V4A 5S1
Tel. (604) 536-3990 Fax (604) 536-3995

I firmly believe that the Master Plan is simply a polished refinement of the earlier draft. To dismiss it as something else is unjustified. Naturally, refinements and additions are part of the draft review process. I welcome your "density schedule" if it fits within the other policies within the document.

2. Completion of the Community Design Guidelines
Completion of "Guidelines" were always contained within the original contractual obligation between the Church and myself. Please check the original contract. The checklist for site plan submission is something I was never aware of or somehow was lost in the volumes of paper. I did review the covenants and standards and did integrate some of these into the wording of the guidelines as appropriate.

Again, these Community Design Guidelines are tied directly to the Master Plan content. They represent the detailed intentions for guiding the actual development of the site. That is how the Walker Center in Bozeman was developed- under the guidance of guidelines such as these. Otherwise, the Community could end up with undesirable development that does not add value to the land and does not attract more investment. As with the Master Plan, the Community Design Guidelines are in draft form and can be amended accordingly. I expect and welcome these changes as part of the natural review process. You can add the other "Standards" as you wish but the Standards do not have the direct connection with the intents of the Master Plan. Without the specific Community Design Guidelines, the vision of the Village Centers, Clusters and other rural development will be hard, if not impossible, to realize. I fear that the result could very well be lower quality and fragmented development.

3. The Original Contractual Obligations with the Church
Interestingly enough, the original contract between the Church and my firm envisioned an eight month process! There is a balance of **$3,000** left in the contractual agreement (executed on April 26,1996 by the Church) which included refinements of a draft Master Plan (previously referred to as the Comprehensive Plan) and guidelines. I have attached the payments in 1996 and 1997 regarding the contract and a comparison to the original figures (Exhibit A), keeping in mind some of the content and timing of the process was modified by further mutual agreement.

OPTIONS TO PROCEED
I have given further thought to our discussion around options to proceed. In view of the above facts, please consider the following with the guidance of the rest of the Master Plan Committee:

1. Least Attractive Option (present direction)
- pay for the illustrations and Plans of the Village Centers and clusters (not part of the Draft Master Plan of March 1997; sent to Dan Kehoe Sr. and Carla Healy originally by FAX on May 15,1997)
- seek my minimal guidance in completing the Land Use Master Plan
- **cost: time to complete illustrations: 6 illustrations 14 hours @ $65 = $910**

2. Most Attractive and Fair Option (cooperative venture that builds on products to date and completes original contract with Church of April 1996)
- use the refined Master Land Use Plan (Draft of March 1998) to complete the final Master Plan
- add the "Density Schedule" to the document and make any amendments to coordinate it with the policies in the document

EXHIBIT A:

FEE ESTIMATES AND ASSOCIATED STEPS

The following estimates the schedule and costs associated with each step in the process.

		* AMOUNT PAID (to MAY, 1998)
1. Formation of Steering and Technical Committees: (March) develop and review proposal	no cost	
2. Vision and Mission: (April) total 3 days - 1 day preparation; 1 - 2 day weekend visit;	$1,500	$1,500. May/96
3. Focus Group Ideas: (May) total 3 days - 1 - 2 day weekend visit and 1 day helping prep Ideas Workbook and evaluation	$1,500	$1,500. May 21/96
4. Develop Options: (July and August) a. 5 days - 4 days workshops, presentations, and meetings: 1 day site visits and evaluation	$2,500	$2,500. July 7/96
b. 4 days- survey and options document assembly	$2,000	VISION $1,000. Sept 28/96
5. Comprehensive Plan: (Sept. and October) total 14 days - 3 days evaluate feedback and meet to discuss; 9 days to draft and assemble mission/vision, policies, inventory and analysis, complete illustrative plans, guidelines, economic action plan: 2 day final edit and meetings	$7,000	4,500. April 26/97
TOTAL PROFESSIONAL FEES	$16,500	$11,500.
** BALANCE REMAINING		$3,000.

B. EXPENSES		
- Airfare $300 x 5 trips	$1,500	$2,264.37 /96
- Miscellaneous 10% (printing, fax, mail supplies, meals, travel, etc.) - assumes no accommodation or transportation costs while in Montana (stay with Glastonbury residents)	$1,400	$589.10 /97.
TOTAL REIMBURSABLE EXPENSES	$2,900	2,853.47
* BALANCE REMAINING		$46.53

NOTES:

1. Periodic payments will be made at the end of each step for the work completed and expenses incurred.
2. A retainer of $600 will be paid before the first visit to cover advance expenses.
3. The budget for each step will not be exceeded, unless with prior authorization of the client.
4. Assume $65.00/hr. or $500.00/day based on an eight hour day. Technical Support is not part of this contract but is available on $30.00/hr. basis.

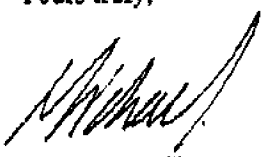
- use the Community Design Guidelines (Draft of March 1998) as a foundation and add the appropriate "Standards" as necessary to complete the document
- I review the modifications by the Community and Committee; final document still completed by Community in liaison with me
- **cost: to use drafts and build on content, review final = $3,000 (original contract balance of funds; see attachment Exhibit A for details)**

I think that the Committee can readily understand that in any of the future options, I will be required to review the final documents so I can ethically support and have my name associated with the products.

Dan, please review this letter and phone me once you have discussed the options with the Master Plan Committee. The suggestions in this letter provide my minimal requirements based on previous contractual obligations. I believe these are principle-based and reflect earlier agreements. As you can see, I want to finish the project and continue to support the Community-Building process. Anything less, would be a compromise that could result in a marginal product that does not serve the best interests of the Community of Glastonbury.

After all this time and effort it would be truly sad to see a compromise. I have so many good memories of my visits and interactions with Community members. Please extend my heartfelt apologies to the Master Plan Committee for any misunderstanding this miscommunication might have caused individuals or the group. It is truly unfortunate that my initiative could be misinterpreted this way. As we discussed, communication is the key to the success of this process, both internally and externally. I leave the proposals in your capable hands and look forward to your response.

Yours truly,



Michael von Hausen

May 12, 1998

Dear Fellow Landowner,

Greetings in the light of a beautiful Montana springtime!

With the moderate winter of 1997-98 behind us, spring has arrived in Montana. And with spring comes the beginning of our building season. The purpose of this mailing is to reacquaint you with the approval process required of anyone initiating a construction project or subdivision within the Community of Glastonbury.

In essence, the process is quite simple. Before beginning a building project of any size, landowners must submit their plans for review by the GLA to check for compliance with the covenants and impending Land Use Master Plan. This process was established by a vote of the landowners in order to protect our property values and ensure a high quality of life for all residents.

We have worked hard to make sure that the review process is as fast and as minimally burdensome as possible. The covenants have the full force of law, and should be consulted by you to avoid unnecessary delays and expense.

Enclosed you will find the forms to use when requesting review of your construction project or subdivision, as well as a copy of the protocol for processing reviews. This protocol lays out the steps required for project or subdivision review. The highlights include:

- Before beginning work, submit the appropriate forms to request review, checking the "Preliminary" box. Send them to the GLA, attention: Joan Murphy, Secretary, Box 312, Emigrant, MT 59027.
- You only need to submit the appropriate forms for your project, including the Application cover form and either: "A" for construction projects; "B" for subdivision; or "C" for mobile home placement. It's that easy!
- Within 45 days of submission, the GLA will respond. If everything in your plan is in order, you will be given permission to proceed. If there are any problems (for example, inadequate setbacks from parcel boundaries, or excessive density created by subdivision), you will be notified so that you can correct the problem. For subdivisions, simultaneous submission to the GLA and state and local authorities is recommended.
- If you have not heard back from the GLA within ~~45~~ 60 days, you can proceed with the tacit understanding that the GLA has approved your project. If you are on a tight schedule, please let us know, and we will try to expedite your review.
- Upon completion of your construction project, or, for subdivisions, after you have received state and local approvals, resubmit your application for final approval, checking the "Final" box.

We believe that, when compared to any urban area in the U.S.A., obtaining the required permissions to build in Montana is fast and easy. If you have any questions, or would like additional assistance, please consult the resources listed below, and/or the engineering/planning/legal advisors of your choice.

Also, please remember to obtain all required state and local permits, including septic, plumbing, and electrical permits, from the appropriate governmental agencies.

Resources for further information include:

Architectural Subcommittee of the Project Review Committee
Protocol for Processing Reviews

Plans submitted to the Secretary of the Landowners Association for review, in accordance with Section 6.01 of the Restated Declaration of Covenants, will be forwarded to the Architectural Subcommittee. The Secretary will have it noted in the minutes of the next GLA Board meeting which applications have been or are being forwarded to the Subcommittee. This will be the first public notice that a project is under consideration. Landowners desiring to comment upon a proposed project should submit their written comments to the chairman of the Architectural Subcommittee, or contact the chairman to be scheduled on the agenda of the Subcommittee to make comments.

Landowners must submit plans for Preliminary approval prior to beginning work. Upon completion, the application should be resubmitted for Final approval, noting any "as built" changes. Minor projects, such as tool sheds, fences, and remodels, require only a Preliminary approval.

The Subcommittee will review the plans for compliance with the Covenants and the Master Plan, when adopted. The Subcommittee recommendation will be submitted to the GLA Board for action in a timely manner. A landowner may interpret a lack of response from the GLA for 60 days after submission to the GLA Secretary to be tacit approval for the project to proceed.

The Subcommittee will prepare a recommendation for the Project Review Committee (PRC, currently composed of the Board of Directors, per section I.2 of the Bylaws). This recommendation can be:

1. Unconditional Approval. (Preliminary or Final)
2. Conditional Approval. (Preliminary or Final)
3. Disapproval.
4. Request for more information from the landowner.
5. Request full review of details by Project Review Committee.

Any member of the Subcommittee who does not agree with the recommendations of the majority may submit a minority report to the PRC.

The Subcommittee will keep minutes of its meetings, to include any decisions made.

The Subcommittee may, but is not required to, operate on a parliamentary procedure basis.

The Subcommittee will attempt to have its recommendations submitted to the GLA Secretary in time for the mailing of the Notice and Agenda of each GLA board meeting. The items being brought to the Board for final action should be specified in the Agenda, including landowner name, address, and parcel number. GLA board members or interested Landowners who would like further information on any of the items scheduled for action are requested to contact a member of the Subcommittee in advance of the GLA board meeting, to save the time of the Board.

Landowners and Board members may object to or comment upon proposed action prior to the vote. As a courtesy, it is requested that they first address their concerns to the Subcommittee, so that they can be considered as early in the process as possible.

In order for a project to be granted approval, the applying landowner must be current on payment of the Annual Assessment.

Requests for subdivision review should include copies of all necessary County and State approvals. The GLA will not give final approval for subdivision until the County and State have done so. Requests for subdivision approval should also include a list of the name, phone number, and mailing address of each owner of the newly created tracts or lots, for Association records, as well as sufficient payment to bring assessment payments current.

Rev. 5/98

Glastonbury Landowners Association

Petty Cash Procedures

The purpose of petty cash is to facility easy reimbursement of expenses made on behalf of the GLA after such expenses have been approved by the treasurer or board of directors.

1. The petty cash fund is a nominal $100.00.

2. For any payment made out of petty cash the treasurer will sign a receipt indicating the amount of payment, to whom, and the purpose of payment made. A receipt or invoice will be attached to the record the treasurer keeps of the cash transaction.

3. Payments out of petty cash shall not exceed $25.00 per reimbursement.

4. Fund to be replenished by reimbursement for amount of receipts with check signed by board member

Disbursement of Funds

1. Invoice is submitted to the treasurer.

2. Invoice is approved by committee chair or designee requesting expenditure.

3. Treasurer checks invoice and verifies budget approval.

4. Treasurer writes check for approved amount

5. Check is cosigned by board member authorized by the board of directors to sign. After the yearly election of the board of directors designated board members submit their signature on a signature card to the bank so they may cosign checks.

6. Treasurer mails signed check.

7. Treasurer enters payment in check register noting amount of payment and category of expense.

8. Treasurer files invoice.

Glastonbury Landowners Association
P. O. BOX 312
EMIGRANT, MT 59027

May XX, 1998

Dear Landowner,

The Glastonbury Landowners Association (GLA) Board of Directors has received inquiries from landowners regarding the Golden Age Cooperative Development Fund because the landowners thought the Golden Age Cooperative was a committee or representative body of the GLA. The Church's Glastonbury Comprehensive Planning Committee (GCPC) did have an economic focus group of which some of the Golden Age Cooperative's directors were members. With the Church's dissolution of the GCPC, all the subcommittees were also dissolved.

The Golden Age Cooperative has no relationship to the to the GLA. The drawings used in the Descriptive Circular done by Michael von Hausen are similar to the ones he did in the Draft Master Plan done for the Church and the GCPC. The Golden Age Cooperative is a private business enterprise that proposes an investment opportunity. There are risks involved in such an investment and the GLA Board would advise you to exercise due diligence in any such business investment.

Many prudent questions about the Golden Age Cooperative had been directed to the GLA. These questions were relayed by the GLA Board in a letter of March 31st to the Golden Age Cooperative's Board. Their letter of April 21st declined to answer the questions. Part of their response was "Regarding the long list of further questions that the GLA has fielded and feels compelled to answer, we would like to suggest that those who have questions be re-directed to us for their answers."

I hope this clears up any confusion regarding this matter.

Sincerely,
Glastonbury Landowners Association Board

Patrick Wolberd
President

Glastonbury Landowners Association
GUIDLINES
May 2, 1998

1. September 27, 1997 (4.3.5) The GLA will accept a fax communication on any item but one which requires a legal filing.

2. October 6, 1997 (8.1) The GLA Secretary or her designated representative are the only individuals authorized to handle original GLA documents.

3. October 6, 1997 (3.2) When a committee head wants to send out a letter, he should prepare it to go out under the President's signature, so that one person will be aware of all correspondence that goes out under the name of the GLA.

4. October 6, 1997 (4.1.4) There will be a Petty Cash Fund of $100, to be managed by the Treasurer. The Treasurer may disburse funds up to $100 without the authorization of the Board, however any reimbursements require Board approval.

5. October 20, 1997 (4.1) The Board agreed that it was best for a Board member should open the Glastonbury mail.

6. October 20, 1997 (8.1) The Board will only request from the developer those deeds and other documents related to parcels/tracts with an active status before the Board.

7. October 20, 1997 (3.2.7) Anyone serving on the GLA Board or a GLA Committee who finds himself in a conflict of interest in a capacity in which he is serving, shall abstain from any voting on such a matter.

8. November 17, 1997 (8.7) In a closed ballot, the actual number of votes someone has received is not secret and may be relayed if requested.

9. January 19, 1998 (3.2) Each upcoming meeting of an approved committee or subcommittee should be printed in advance in the GLA Board Agenda.

10. January 19, 1998 (3.2) Any landowner with a subdivision proposal first submit the paperwork to the GLA Secretary, so that a record of the proposal can be made in the minutes. The Secretary should then pass on the proposal to the Chair of the Architectural Subcommittee.

11. January 19, 1998 (3.2) Once the Board has approved of a subdivision, the paperwork should be passed from the Chair of the Architectural Subcommittee to the Treasurer. Once she has calculated the new assessment fees owing, the Treasurer is to pass the paperwork to the Secretary for record storage. The Treasurer is also to relay the information to the Accountant so that the new community assessments can be generated.

12. January 19, 1998 (3.2) Although it is the responsibility of the developer of a subdivision to see that any of his purchasers receives the correct Glastonbury paperwork, the Treasurer of the GLA as a courtesy will send a copy of the Covenants and Bylaws to each new landowner at the same time the first notice of assessments is sent to that landowner.

13. February 2, 1998 (3.1) There was Board consensus that the intent of the language of the Covenants was for land to be referred to as a "tract" in the event that a subdivision had occurred. In the event of a future vote on the Covenants, the GLA should examine this language for inclusion, as well as verbage referred to in the fourth and fifth points of Jerry Dirkers's letter to the Board of 2-2-98.

14. February 2, 1998 (4.3.1) Landowners filing for a subdivision arerequired to pay assessment fees only for the current quarter and for all past due amounts. When these have been paid, the GLA Secretary will mail the developer a notice regarding same.

15. February 16, 1998 (3.1) The GLA will not give out the GLA mailing list to anyone.

16. February 16, 1998 (4.1) When a presiding court is involved in the partitioning of any Glastonbury parcel, the GLA Secretary should send a letter to it informing them of the total past due assessments for the parcel, and noting that the GLA would require the assessments to be paid as part of any settlement.

17. February 16, 1998 (4.1) When landowners request a break-down of assessment fees prior to 1998, the GLA Treasurer should send a form letter stating that they should obtain this information from the other co-tenants of the parcel.

18. February 16, 1998 (8.3) The Board will meet every 3 weeks. If a member cannot attend he or she should notify one of the officers of this, and also give that officer or another Board member a proxy to represent them.

Rev. 6/98

(See reverse side of this page for instructions on completing the Application and collecting all required or recommended supplementary information)

INSTRUCTIONS

Please complete the attached supplementary information pages as are appropriate to each of the projects or proposals on the Application. If you are requesting review or approval of more than one project or proposal in any of the categories, please use a separate sheet for each one. Additional copies of these pages may be obtained from the Glastonbury Landowners Association or you may make photo copies as needed.

We request that you submit a site plan or layout of your project(s) on a 1"=200' or larger scale topographic map of the affected parcel (s).

We will assign a project number to each project or proposal when it is submitted for review, and, therefore, the Project Number blank on the top right-hand side of each supplementary information page should be left blank.

Mandatory Reviews, or suggestions given by the Glastonbury Project Review Committee or its agents, should not be construed as consulting or engineering services. You are advised to hire a consultant specializing in the type of project you are proposing.

The Glastonbury Landowners Association, the Committee, and their agents shall have no liability or obligation for any of their actions or failures to act hereunder to any person or entity. The relationship between the Committee or its agents and landowners shall be deemed to be that of independent contractors, and not that of principal and agent, trustee and beneficiary, partnership or joint venture. The Glastonbury Project Review Committee's approval—and any comments or recommendations—does not constitute an endorsement or approval of the design, engineering, safety or legality of the proposed project or any structures, and the GLA, the Committee, and all of their agents shall not be liable therefor.

DEFINITIONS

Subdivision. A subdivision shall include any division of a parcel into multiple pieces smaller than the original, a redivision, or any other treatment of a parcel which would fall under the definition of a "subdivision" under state or local laws or regulations—including recreational vehicle parks, mobile home parks, and condominium projects. Park County regulations provide that the placement of "...more than one mobile (home) on a tract of record shall be reviewed..." as a subdivision.

Variance. The GLA has reserved the right to waive or grant variances to any of the provisions of the Declaration of Covenants and associated rules where, in its discretion, it believes same to be necessary and where the same will not be injurious to the rest of the Community.

SANITATION/RECLAMATION BOND

Due to problems that have been encountered with blowing trash from construction sited, workmen visiting neighbor's homes to use their bathrooms, the failure of owners and contractors t properly clean up after construction jobs, including waste concrete piles that have been dumped in various parts of the Community (which requires a backhoe and dump truck to clean up), and land disturbed by construction not being properly reclaimed, we have found it necessary to institute a Sanitation/Reclamation Bond for each construction job. The owner or contractor of a construction project is required to submit a two hundred and fifty dollar ($250) bond with each application or group of applications covering a project.

The bond will be held by the GLA to ensure that the following requirements are met:

a. Sanitary facility such as a porta-potty is provided for workers on the job site;
b. Adequate trash containers with lids are placed and used on the job site;
c. Temporary fencing (i.e. snow fence) is installed around the perimeter of the work area to prevent debris from blowing to adjacent parcels (the fence will normally be needed only on the northern and eastern perimeters of the job site);
d. Adequate cleanup is performed on the job site and adjoining parcels, including waste concrete piles (note: a hole may be provided at the construction site for waste concrete, to be buried at the end of the job); and
e. Satisfactory reclamation of the construction site according to the published Glastonbury Reclamation Guidelines.

If at any time during the project the requirements are not met, after five days notice the Committee reserves the right to ensure these facilities are provided at the owner/contractor's expense according to the following charges:

Porta-Potty	$50.00 per month
Pumping fee	$45.00 each
Trash container w/lid	$20.00 each
Install 4' snow fencing	$50.00 per 50' length
Fence posts for snow fence	$16.00 per 50' length
Clean up waste concrete	$75.00 per hour
Reclamation work	$75.00 per hour
Top soil	$12.00 per cubic yard

The above fees will be charged to the owner or contractor as they occur and are payable within 10 days. The bond is held to insure payment and may be applied to any such charges which are unpaid. Upon completion of the project the bond will be returned to the owner or contractor, less any deductions for unpaid charges.

The Sanitation/Reclamation Bond, or a portion of it, may be waived upon written request if the owner or contractor can demonstrate that (1) a sanitation facility is already available for workers, (2) adequate trash containers are already available, or (3) that the project is of the type that little trash will be generated and/or little or no reclamation will be required.

FORM A: PROPOSED CONSTRUCTION PROJECT

Project No. _____
(Office Use Only)

Check One: ❑ Residence ❑ Agricultural Building
❑ Private Road ❑ Other (specify): _____

MAPS OR DRAWINGS REQUIRED

1. A Glastonbury Certificate of Survey Topo Map (Scale: 1" = 100'; Contour Interval = 10'), or larger scale topographic map, which shows the location of all existing and proposed improvements, public and private roads, drainage courses, wells and septic systems.

2. A detailed site drawing (on a scale of at least 1/16" = 1") showing the location of all permanent and temporary buildings, structures, roads, driveways, all utility rooms, septic tanks and drainfields, wells, cisterns, patios, decks, retaining walls, landscaping, culverts, and all watercourses including streams, draws, drainage ditches, etc. in the immediate vicinity of the proposed construction project. Include accurate dimensions showing distances between structures and other developments. (Note: a watercourse is defined by the state of Montana as an area which carries any flow of water at any time during the year. Thus, a watercourse may be dry most of the year.)

3. A design drawing of the proposed construction project on a scale of 1/4" = 1' or 1/8" = 1". Drawings should include details of the following information as is appropriate to your project: drainage around structure, foundation and structural plans, architectural plans, electrical, mechanical (heating, ventilation and air conditioning), plumbing, waste water and sewage facilities, water and food storage, fallout shelter, air ventilation and water proofing (underground structures).

Brief description of construction project _____

Total sq. ft. _____ width _____ length _____

Rev. 6/98

FORM C: PROPOSED MOBILE HOME PLACEMENT

Project No._____
(Office Use Only)

MAPS OR DRAWINGS REQUIRED

1. A Glastonbury Certificate of Survey Topo Map (Scale: 1" = 100'; Contour Interval = 10'), or larger scale topographic map, which shows the proposed location of the mobile home, roads, drainage courses, well, septic system, and any other existing or proposed improvements.

MOBILE HOME INFORMATION

Make _____ Model _____ Year _____

Dimensions _____ Total Sq. Ft. _____

Does your mobile home have a pitched roof? ❑ Yes ❑ No If no, describe your plans for retrofitting with a pitched roof (attach drawing). _____

_____

Does your mobile home have a roof overhang? ❑ Yes ❑ No If no, which of the following do you plan to add? (attach drawing). ❑ Garage ❑ Covered Carport ❑ Covered Terrace or Patio ❑ Roof Overhang If your mobile home is used, please attach several pictures of the exterior and describe its general condition.

PLACEMENT DETAILS

Number of feet from nearest stream, draw, drainage ditch, well, septic tank or drainfield _____

Average depth of pad below ground level _____

Material to be used on pad base _____

Thickness of base material _____

Are well water and septic system riser pipes to be laid before mobile home is placed? ❑ Yes ❑ No

If not, please explain condition or situation which would not enable you to place water and septic riser pipes before the mobile home is positioned. _____

_____

_____

Is pad laid out such that a mover can place mobile home on pad, disconnect and pull out? ❑ Yes ❑ No

If not, explain how you propose to position your mobile home: _____

_____

Have you reviewed the Mobile Home Specifications and Standards, and do you agree to abide by them?

❑ Yes ❑ No Describe any proposed deviations: _____

_____

_____

Have you obtained a septic system permit from the County Health Department? ❑ Yes ❑ No

❑ Copy of permit attached.

I give Maria Scoble my proxy to vote at the 5/11/98 GLA board meeting.

Linda Krema

1998-06-01_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Draft
Needs to be finalized w/edits pg 3, 4, 5

Minutes
June 1, 1998

1. **Call to Order, Prayer** - The meeting was called to order at 7:18 p.m.by Patrick Wolberd.

Meeting was held at South Glastonbury TC. Invocation was given by Dan Kehoe, Jr.

PRESENT: Patrick Wolberd (President), Dan Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Peggy Keathey, Linda Kremer, Walter Wunsch, David Newhouse, Andrew Field and Philip Hoag. Ombudsman Laurel Matthews, S. Glastonbury, was also present.

PRESENT BY PROXY: Horus Brailsford

ABSENT: Philip Covington and Ombudsman Margaret Roach, N. Glastonbury.

2. **Reading and Dispostion of Minutes** - The minutes of 5-11-98 were approved.

3. **Order of Business**

4. **Reports of Officers and Committees**

4.1 Treasurer's Report Maria Scoble, Treasurer

M. Scoble distributed the Balance Sheet as of May 31, 1998 and Profit & Loss Statement, Jan.- May 1998. Copies of these documents are filed herewith.

DISCUSSION: There was an error noted in the reporting of accounts receivable.

FOLLOW-UP: P. Wolberd, M. Scoble and P. Keathley will meet with Melanie of D. Holm accounting firm on Monday, June 8th, 9 a.m., to correct accounting procedures and reporting.

FOLLOW-UP: M. Scoble/P. Keathley - Write accounting procedures as per D. Holm accounting needs by 6-22-98.

FOLLOW-UP: M. Scoble/P. Keathley - Prepare a supplies purchase proposal after receipt of committee budgets.

FOLLOW-UP: D. Newhouse/W. Wunsch - Deveop a committee budget by 6-1-98. Road Committee and Fire Water Committee will present budgets in this meeting.

4.2 Finance Committee Report Maria Scoble, Chair

DELINQUENT ACCOUNTS: M. Scoble presented a proposal from the Finance Committee re delinquent accounts.

DISCUSSION: Various methods of collecting outstanding fees were suggested including letting collection agency handle them or placing liens on property owned. After discussion, there was consensus that liens should be placed on property owned for amounts due in current year (1998);

a. When there has been no attempt to pay fees owed by the October billing; terms of interest and liens to be printed on billing statements.
This statement should be a receipt return letter, a personal phone call to have been made one week prior to sending the statement.
Interest and penalties are stated in the covenants and must be complied with; interest to start with the date of the revised covenants or the date the account becomes overdue, whichever is more recent.

b. If at any time the amount owed is in excess of $500.

c. If property goes up for sale - a week's notice to be given before lien is filed.

FOLLOW-UP: M. Scoble - Write conditions, above stated, into draft letter for mailing to landowners by 6-22-98.

FOLLOW-UP: R. Varkevisser - Call delinquent accounts over $500 with new guide-lines by 6-22-98.

It was stated that Edward Francis has said the GLA owes the Church money from the Wintroub ~~Wintrop~~ account.

FOLLOW-UP: M. Scoble - Write letter to Church telling them to bill the GLA for the

amount owed, checking with Joyce Baylor for the exact amount of special assessments by 6-22-98.

FOLLOW-UP: M. Scoble - Send follow-up letter to Edward Francis by 6-22-98.

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 6-22-98.

4.3 Architecture Subcommittee Andrew Field, Chair

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 6-22-98

FOLLOW-UP: A. Field - Gave generic letter to Secretary to send to Developer re Parcel 10 North.

FOLLOW-UP: J. Murphy - Sent final approval letter to Reed Johnson, Parcel 22 North.

FOLLOW-UP: A. Field - Presented to Secretary final printed copies of cover letter to landowners with Protocol for Processing Reviews, plus Project Review Application, with Form A (Proposed Contruction Project). Form B (Proposed Parcel subdivision) and Form C (Proposed Mobile Home Placement); these forms to be mailed by Secretary to all landowners as soon as possible. Copies of these forms are filed herewith.

ACTION: A. Field moved, M. Scoble seconded to pay for the formating and printing of the above mentioned forms in the amount of $97 to Nancy Batden. Motion carried unanimously.

FOLLOW-UP: J. Murphy - Will send Parcel 21 letter with assessment confirmation on June 2, 1998.

FOLLOW-UP: A. Field - Report to Board re Norma Brown parcel construction.

A. Field reported proposed construction by Norma Brown was for a garage with a virtual flat roof and a wooden plank floor. What is needed is a decent view plan and gabled roof with matching siding. The project is not in keeping with committee guidelines.

DISCUSSION: P. Hoag offered to visit her and give advice as to what is needed and what will be more economical for her. D. Newhouse also offered to advise her on the

project.

ACTION: A.Field moved, P. Hoag seconded to deny present construction plans of Norma Brown. Motion carried unanimously.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Spoke with Dennis Brandon of Park County re paving Story Road, Capricorn Dr. and Dry Creek Road. D. Brandon stated that the County is too busy to handle this project at the present time. Tax money toward roads is only $40 per $1,000 collected.

DISCUSSION: Estimated cost per mile of paving is $100,000. Suggestion was made to have a power meeting with officials of businesses located in Emigrant, namely: First National Bank, Emigrant Post Office, the trailer court, St. John's Episcopal Church, Pete Story and North Glastonbury to share cost with the County of paving the 3/4 mile road through Emigrant.

FOLLOW-UP: W. Wunsch - Do an actual cost estimate of project by 6-22-98.

FOLLOW-UP: D. Newhouse - Gave Secretary estimated road budget.

DISCUSSION: D. Newhouse stated something is needed to keep topping from blowing away after being spread on roads. He said he would try anhydrous ammonia on his own driveway to test results

FOLLOW-UP: D. Newhouse - Certificate of Insurance re Dirkers plowing. D. Newhouse stated M. Dirkers is in the process of procuring Certificate of Insurance naming GLA as an additional insured.

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property by 6-22-98.

FOLLOW-UP: P. Hoag - Contacted D. Kimpson concerning foot path or road near waterfall and above Pitt property for easier passage to Forest Service. D. Kimpson will do a cost estimate at no charge. Report to Board estimated project cost by 6-22-98.

FOLLOW-UP: D. Newhouse - Check with Church on sign off date for the road agreement. P. Wolberd stated he spoke with E. Francis on phone and agreement would be forthcoming in a week or two. Report back to Board by 6-22-98

ACTION: A. Field moved, J. Murphy seconded to approve construction of garage proposed by E. Newhouse on Parcel 25 North. Motion carried unanimously.

ACTION: A. Field moved, M. Scoble seconded to give preliminary approval for subdivision of Parcel 25 North (Eric Newhouse/Maydell Goulart). Motion carried unanimously.

(Agenda Item 8.5)

ACTION: J. Murphy moved, L. Kremer seconded to renew liability insurance for roads written by Western States Insurance, located in Missoula, MT, for period of one year, in the amount of $4,583.53 premium. Motion carried unanimously.

4.5 Nominating Committee Report

J. Murphy volunteered to serve as Chairman of Nominating Committee. M. Scoble volunteered to serve on committee.

FOLLOW-UP: J. Murphy/M. Scoble - organize committee, recruit committee members, submit ballpark figure for budget, ~~and send out promotional material encouraging people to run for GLA Board by 6-22-98.~~ August

FOLLOW-UP: P. Wolberd - Call P. Covington re missing four meetings by 6-22-98.

4.6 Complaint Committee Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Submit recommendation to Board re W. Pitt/Alfaro complaint. J. Murphy stated this matter was involved with the road considerations re W. Pitt and his property. She stated, however, that she told W. Pitt he must keep his dog restrained.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

FOLLOW-UP: J. Murphy - Mailed letter to GLA members disclaiming endorsement of Golden Age Cooperative

FOLLOW-UP: D. Kehoe, Jr. - Sent letter to M. von Hausen in response to his fax of 5-10-98 and routed material to Church.

D. Kehoe stated the next LUMP committee meeting would be June 18th. All von Hausen material has been molded into the Table of Contents.

DISCUSSION: When asked when process would be finished, D. Kehoe responded vote would be ready to be taken hopefully by the end of the summer. He stated a town planner was probably not needed since GLA thrust is on parcel density and not town centers.

It was suggested to have separate meetings for North and South Glastonbury.

P. Hoag suggested multiple choice on ballots for size, density, etc. and have voting on the .spot. D. Kehoe suggested questionnaires be sent to landowners.

FOLLOW-UP: D. Kehoe - Create rough draft of plan to be brought to the Board by 7-13-98.

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch - Alternatives for Fire Water Reservoir: W. Wunsch reported that an 8-ft deep pond would cost from $7,000 to $15,000. This would be a recreational pond. Water tank could be buried and be used for reservoir, also. Tank purchased from Church would cost about $20,000. Tanks from other sources might cost from $7,000 to $9,000.

DISCUSSION: P. Hoag stated that old fuel tanks could be purchased which would serve the purpose very well for much less money, probably around $600. It was also pointed out that the County will give the hydrant and piping and that Phil Lawson of the Community Fire Dept. has said that funding can be procured.

FOLLOW-UP: W. Wunsch - Report to Board findings re funding and County participation by 6-22-98.

5. Ombudsman Report

NORTH GLASTONBURY - No report.

SOUTH GLASTONBURY - Laurel Matthews reported that a letter from Johanna Jonas was received at the office of Gilber Cleirbaut in which she ex pressed concern over personal articles in the Victory Shelter located in South Glastonbury. J. Jonas also stated concern over the monthly fees required by the shelter. Letter was referred to Ombudsman for South Glastonbury. L. Matthews contacted J. Jonas and Victory Shelter representative and was able to allay for the most part the anxiety of J. Jonas.

6.1 - 7.3 No discussion.

8. New Business

8.1 GAV Purchase, GLA as possible investor? - W. Wunsch

Chris Kelley from the Church has spoken to both residents of North and South Glastonbury and has explained that the Church is not negotiating with anyone outside the Church for the purchase of GAV. A group of residents of Glastonbury have initiated a tentative plan to purchase GAV - 10 investors with $10,000 each to create a down payment. W. Wunsch has suggested that the GLA could be one of the investors. Continue discussion to next meeting.

8.2 Johanna Jonas Letter (See Item 5)

8.3 North Glastonbury Property Donation

House in North Glastonbury owned by tennants in common has been donated to North Glastonbury. This could be used as a possible Teaching Center. P. Wolberd read a letter from North Glastonbury addressed to the Church Executive Board re the acquiring of land from the Church for the purpose of building a TC in North Glastonbury. The letter requests a meeting with the two boards in order to discuss the land issue.

8.4 Leykamm Letter

GLA has received a letter from Manfred Leykamm requesting deletion from the GLA covenants. He states the house is on the county road and therefore has no need of GLA maintenance; and that realtors have told him being under GLA covenants has lowered the value of the house which has been placed on the market for sale. Copy of this letter is filed herewith.

FOLLOW-UP: P. Wolberd - Acknowledge receipt of letter from M. Leykamm by 6-22-98.

FOLLOW-UP: D. Kehoe - Seek legal advice from Glover firm on matter and draft letter to be sent by 6-22-98.

FOLLOW-UP: J. Murphy/M. Scoble - Talk to the Leykamms after legal advice is forth-coming and before letter of official position is sent by 6-22-98.

8.5 GLA Liability Insurance (See Item 4.4)

9. Open Floor Comments No Comments.

10. Next Meeting - Monday, 7:00 p.m., June 22, 1998, North Glastonbury

11. Adjournment - Meeting was adjourned at 10:25 p.m.

Respectfully submitted by

Laurel M. Matthews

Laurel M. Matthews,

Assistant Secretary

1998-06-01_BDGNAUX.pdf

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
June 1, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

FOLLOW-UP: M. Scoble/P. Keathley - Fix the Profit & Loss statement error by 6-1-98

FOLLOW-UP: M. Scoble/P. Keathley - Write accounting procedures as per D. Holm accounting needs by 6-1-98

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets

FOLLOW-UP: D. Newhouse & W. Wunsch - Develop a committee budget by 6-1-98

4.2 Finance Committee Report - Maria Scoble, Chair

FOLLOW-UP: R. Varkevisser - Call some of the landowners regarding delinquent accounts as needed after the next billing cycle in April, by 6-1-98

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 6-1-98

FOLLOW-UP: M. Scoble/P. Wolberd - Work out a plan of correction with D. Holm by 6-1-98

4.3 Architecture Subcommittee - Andrew Field, Chair

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 6-1-98

FOLLOW-UP: A. Field - Draft notice letter to Developer re Parcel 10 North for the secretary to mail by 6-1-98

FOLLOW-UP: J. Murphy - Reed Johnson, Parcel 22, final approval letter by 6-1-98

FOLLOW-UP: A. Field - Get Construction Protocol letter to secretary to mail by 6-1-98

FOLLOW-UP: J. Murphy - Send Parcel 21 letter upon assessment confirmation

FOLLOW-UP: A. Field - Report back to Board on Norma Brown property by 6-1-98

4.4 Road Committee Report - David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Send the Capricorn Drive, Story Road & Dry Creek Road letter by 6-1-98

FOLLOW-UP: D. Newhouse - Complete $15K road maintenance schedule for G. North and G. South by 6-1-98

FOLLOW-UP: D Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 6-1-98

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property by 6-1-98

FOLLOW-UP: P. Hoag - Contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access by 6-1-98

FOLLOW-UP: D. Newhouse - Check with Church on sign off date for the road agreement by 6-1-98

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
June 1, 1998

4.5 Nominating Committee Report - Appoint Chair and start Annual Meeting/Elections preparation

4.6 Complaint Committee - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Submit a recommendation to the Board re W. Pitt/ Alfaro complaint by 6-1-98

4.7 Land Use Master Plan Advisory Committee - Dan Kehoe, Jr., Chair

FOLLOW-UP: J. Murphy - Mail letter to GLA members disclaiming endorsement of Golden Age Cooperative by 6-1-98

FOLLOW-UP: D. Kehoe - Draft Von Hoosen response to 5/10/98 FAX and route material to Church by 6-1-98

4.8 High South Fire Water Reservoir Advisory Committee - Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch - Develop a proposal of alternatives for Board to consider, including cost projections & time frame by 6-1-98

5. Ombudsman Report - Laurel Matthews (South) & Margaret Roach (North)

6. Unfinished Business

6.1 By-Laws/Covenants voting discrepancies

FOLLOW-UP: Board - Review memo for comment on 6-1-98

6.2 Association Letter Head

FOLLOW-UP: J. Murphy/L. Matthews - Coordinate GLA letterhead/logo design by 6-1-98

FOLLOW-UP: W. Wunsch - Find out if existing COG logo is available to GLA by 6-1-98

6.3 Office space needs

FOLLOW-UP: J. Murphy - Check with D. Kehoe, Sr. re office availability at new TC location by 6-1-98

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
June 1, 1998

6.4 Covenant Agreement Form Use - J. Murphy

GLA 00433

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312
Emigrant, MT 59027

May 15, 1998

Dear Landowner,

The Glastonbury Landowners Association (GLA) Board of Directors has received inquiries from landowners regarding the Golden Age Cooperative Development Fund because the landowners thought the Golden Age Cooperative was a committee or representative body of the GLA. The Church's Glastonbury Comprehensive Planning Committee (GCPC) did have an economic focus group of which some of the Golden Age Cooperative's directors were members. With the Church's dissolution of the GCPC, all the focus groups and subcommittees were also dissolved.

Many prudent questions about the Golden Age Cooperative have been directed to the GLA Board. These questions were relayed by the GLA Board in a letter of March 31st to the Golden Age Cooperative's Board. Their letter of April 21st declined to answer the questions. Part of their response was, "*Regarding the long list of further questions that the GLA has fielded and feels compelled to answer, we would like to suggest that those who have questions be re-directed to us for their answers.*" As a concerned Board with several members who are investors, we did direct a long list of questions to them and received no answers. We are nevertheless passing on their response to you.

In light of the above, the GLA Board of Directors wants to make it clear to the GLA membership that the Golden Age Cooperative has no relationship to the Glastonbury Landowners Association, nor is it endorsed by the GLA Board of Directors. The Golden Age Cooperative is a private business enterprise that proposes an investment opportunity. There are risks involved in such investments and the GLA Board would advise you to exercise due diligence in any such business investment.

I hope this clears up any confusion regarding this matter.

Sincerely,

Glastonbury Landowners Association Board
Patrick Wolberd, President

Glastonbury Landowners Association
GUIDLINES
5/18/98

1.September 27, 1997 (4.3.5) The GLA will accept a fax communication on any item but one which requires a legal filing.

2.October 6, 1997 (8.1) The GLA Secretary or her designated representative are the only individuals authorized to handle original GLA documents.

3.October 6, 1997 (3.2) When a committee head wants to send out a letter, he should prepare it to go out under the President's signature, so that one person will be aware of all correspondence that goes out under the name of the GLA.

4.October 6, 1997 (4.1.4) There will be a Petty Cash Fund of $100, to be managed by the Treasurer. The Treasurer may disburse funds up to $100 without the authorization of the Board, however any reimbursements require Board approval.

5.October 20, 1997 (4.1) The Board agreed that it was best for a Board member should open the Glastonbury mail.

6.October 20, 1997. (8.1) The Board will only request from the developer those deeds and other documents related to parcels/tracts with an active status before the Board.

7.October 20, 1997 (3.2.7) Anyone serving on the GLA Board or a GLA Committee who finds himself in a conflict of interest in a capacity in which he is serving, shall abstain from any voting on such a matter.

8.November 17, 1997 (8.7) In a closed ballot, the actual number of votes someone has received is not secret and may be relayed if requested.

9.January 19, 1998. (3.2) Each upcoming meeting of an approved committee or subcommittee should be printed in advance in the GLA Board Agenda.

10.January 19, 1998. (3.2) Any landowner with a subdivision proposal first submit the paperwork to the GLA Secretary, so that a record of the proposal can be made in the minutes. The Secretary should then pass on the proposal to the Chair of the Architectural Subcommittee.

11.January 19, 1998. (3.2) Once the Board has approved of a subdivision, the paperwork should be passed from the Chair of the Architectural Subcommittee to the Treasurer. Once she has calculated the new assessment fees owing, the Treasurer is to pass the paperwork to the Secretary for record storage. The Treasurer is also to relay the information to the Accountant so that the new community assessments can be generated.

12.January 19, 1998. (3.2) Although it is the responsibility of the developer of a subdivision to see that any of his purchasers receives the correct Glastonbury paperwork, the Treasurer of the GLA as a courtesy will send a copy of the Covenants and Bylaws to each new landowner at the same time the first notice of assessments is sent to that landowner.

13.February 2, 1998 (3.1) There was Board consensus that the intent of the language of the Covenants was for land to be referred to as a "tract" in the event that a subdivision had occurred. In the event of a future vote on the Covenants, the GLA should examine this language for inclusion, as well as verbage referred to in the fourth and fifth points of Jerry Dirkers's letter to the Board of 2-2-98.

14.February 2, 1998 (4.3.1) Landowners filing for a subdivision arerequired to pay assessment fees only for the current quarter and for all past due amounts. When these have been paid, the GLA Secretary will mail the developer a notice regarding same.

15.February 16, 1998 (3.1) The GLA will not give out the GLA mailing list to anyone.

16.February 16, 1998 (4.1) When a presiding court is involved in the partitioning of any Glastonbury parcel, the GLA Secretary should send a letter to informing them of the total past due assessments for the parcel, and noting that the GLA would require the assessments to be paid as part of any settlement.

17.February 16, 1998 (4.1) When landowners request a break-down of assessment fees prior to 1998, the GLA Treasurer should send a form letter stating that they should obtain this information from the other co-tenants of the parcel.

18.February 16, 1998 (8.3) The Board will meet every 3 weeks. If a member cannot attend he or she should notify one of the officers of this, and also give that officer or another Board member a proxy to represent them.

19.March 30, 1998 (8.1) Only one proxy per person present will be allowed at Board meeting.

Glastonbury Landowners Association
Box 312, Emigrant, MT 59027

May 27, 1998

Dear Fellow Landowner,

Greetings in the light of a beautiful Montana springtime!

With the moderate winter of 1997-98 behind us, spring has arrived in Montana. And with spring comes the beginning of our building season. The purpose of this mailing is to reacquaint you with the approval process required of anyone initiating a construction project or subdivision within the Community of Glastonbury.

In essence, the process is quite simple. Before beginning a building project of any size, landowners must submit their plans for review by the GLA to check for compliance with the covenants and impending Land Use Master Plan. This process was established by a vote of the landowners in order to protect our property values and ensure a high quality of life for all residents.

We have worked hard to make sure that the review process is as fast and as minimally burdensome as possible. The covenants have the full force of law, and should be consulted by you to avoid unnecessary delays and expense.

Enclosed you will find the forms to use when requesting review of your construction project or subdivision, as well as a copy of the protocol for processing reviews. This protocol lays out the steps required for project or subdivision review. The highlights include:

- Before beginning work, submit the appropriate forms to request review, checking the "Preliminary" box. Send them to the GLA, attention: Joan Murphy, Secretary, Box 312, Emigrant, MT 59027.
- You only need to submit the appropriate forms for your project, including the Application cover form and either: "A" for construction projects; "B" for subdivision; or "C" for mobile home placement. It's that easy!
- Within 45 days of submission, the GLA will respond. If everything in your plan is in order, you will be given permission to proceed. If there are any problems (for example, inadequate setbacks from parcel boundaries, or excessive density created by subdivision), you will be notified so that you can correct the problem. For subdivisions, simultaneous submission to the GLA and state and local authorities is recommended.
- If you have not heard back from the GLA within 60 days, you can proceed with the tacit understanding that the GLA has approved your project. If you are on a tight schedule, please let us know, and we will try to expedite your review.
- Upon completion of your construction project, or, for subdivisions, after you have received state and local approvals, resubmit your application for final approval, checking the "Final" box.

We believe that, when compared to any urban area in the U.S.A., obtaining the required permissions to build in Montana is fast and easy. If you have any questions, or would like additional assistance, please consult the resources listed below, and/or the engineering/planning/legal advisors of your choice.

(over)

Also, please remember to obtain all required state and local permits, including septic, plumbing, and electrical permits, from the appropriate governmental agencies.

28 May 1998

Patrick Wolberd
Glastonbury Landowners Association
P. O. Box 312
Emigrant, MT 59027

Dear Patrick:

This is to let you know that we want to be removed from the GLA membership ASAP.

As we live on the county road (Dry Creek Road. S) and not on a Glastonbury road, there is no need for us to pay an assesment for road maintanance. Our taxes do that.

We have been told by several real estate brokers that our property is devalued because it is in Glastonbury and it will not be as easy to sell as elsewhere, so we feel that there is a great need for us to be removed from the association.

Our property has previously been listed in my wife's name, but it has been changed to mine alone by quit claim deed as of 6 May.

We appreciate your immediate attention to this matter.

Yours truly

Manfred W. E. Leykamm

Dear Dan:

Thank you for your Fax letter of May 25,1998. It is truly unfortunate that the Glastonbury Landowners Association has made the decision not to retain my company's services. I am saddened by the decision and offended by the way it was handled. I explain this further in the letter to Gilbert Cleirbaut of May 29 which is attached for the GLA's information.

I feel it is my obligation to express my feelings to Gilbert as the Church is a major land owner in Glastonbury. It is important for the Church to know the possible implications of the GLA's actions. The way my situation was handled was not in line with the "Community Building" process currently underway, nor with the principles established as part of the Land Use Master Plan Process. It is unacceptable and unjustified to dismiss the second draft of the Master Plan (March 1998) in the manner that the GLA did. I also disagree with the current direction of the Master Plan.

My name nor company name are therefore not to be associated in any way with the final Land Use Master Plan as I will not be party to the final development or review of the document. The GLA is also not to use my illustrations completed following my last visit in March 1997 as I was not compensated for the work. This is outlined in detail in my letter of May 10,1998. I want your written assurance that my name will not be associated in any way with the final Master Plan and that the GLA will not use my illustrations in any way.

My fond memories of my visits and the spirit of the Community will always be there. I thank you for that. It is unfortunate that my affiliation has to end this way. It was your choice not mine. I am returning various inventory maps for the GLA's benefit and a book to be returned to Joan Murphy.

Yours truly,

Michael von Hausen, BLA, MLAUD, MCIP, CSLA

Dear Gilbert:

RE: GLASTONBURY'S FUTURE

As you may already know the Glastonbury Homeowners Association Board has decided not to retain my company to complete their Land Use Master Plan. I am saddened by the decision and offended by the way that the dismissal was handled. I think it is important that I share my feelings with you as the Church has a major land interest in Glastonbury. I also want to make it clear from the outset that I am writing this letter not for self recognition or gain but in the interest of Glastonbury's future. I want to make sure that you know the possible implications of the recent decision on the future of Glastonbury.

1. Completion of the Original Glastonbury Land Use Master Plan Process

The second draft of the Glastonbury Land Use Master Plan (attached dated March 1998) was dismissed as "your material does not fulfill our requirements for the completion of the Master Plan" (see attached letter of April 21,1998 from the GLA). In addition their letter of May 25,1998 says the GLA made its decision to complete the Master Plan based on their assessment on "how best to complete the Master Plan in a comprehensive, precise and timely manner."

This is inconsistent with the feedback from the Community that clearly endorsed the first draft of the Master Plan in March 1997.You will notice that the final document is primarily a polished and precise version of the first one with comprehensive illustrations of the proposed Village Centers and cluster development. To dismiss it as something else is unjustified and unacceptable. Naturally, refinements and additions are part of the draft review process. Completion of Community Design "Guidelines" (also attached dated March 1998) was referenced in the original contractual obligation between the Church and myself. These Guidelines are consistent with the policies of the Master Plan and form one the key implementation documents necessary for building the development. I have also included my letter of May 10,1998 that explains this in further detail.

2. Implications of Using a "Density Schedule"

The alternative of using a "density schedule" specific to each lot is counter to the idea of a flexible community development framework that is supportive of innovation. It is this type of "single use" zoning that has smothered innovation in many North American communities. Has the Community endorsed this idea and does it know its implications?

This "density schedule", as I understand it, is what I consider "spot zoning" that limits development rather than empowers creative development potential based on performance standards. This can be paralleled quite easily with corporate structures that suppress performance rather than provide the opportunities to have it happen. The progressive development performance standards are clearly illustrated in Appendix A of the attached Glastonbury Community Design Guidelines. A flexible foundation with clear policies and guidelines is where the original Glastonbury Master Plan and Guidelines shine.

14562 16A Avenue, White Rock, British Columbia, Canada V4A 5S1
Tel. (604) 536-3990 Fax (604) 536-3995

These documents provide a pracitical means to attain the "Gateway to the Golden Age" and a model community for the County to follow. They create a bridge between the outside and inside.

Otherwise, I fear that the Community will revert back to the old image of an inwardly-looking temporary community of mobile homes. Ultimately, without innovation, the land value will continue to stagnate or decline. The choices are the Community's not mine but the implications are great and could be unfortunately tragic if not carefully considered. If the "Density Schedule" is the choice, it should be shared and explained to the Community as a whole. It appears, although I may be mistaken, to be more of an executive decision that counters the principles of the original community-based process.

An Unfortunate Ending

I regret that I can not associate my company name with the final Land Use Master Plan since I will not be party to reviewing or refining the Plan. Please ensure that this is the case as it appears that I can not endorse the direction that the Master Plan is currently going. It is truly unfortunate that this is the case after spending twice or three times the paid hours to ensure that a quality product be produced. It is also tragic that the Glastonbury process, or at least the way I was treated, goes against the principles of the world-wide "Community Building" process that the Church is undertaking.

Nevertheless, I will always hold those fond memories of our working together and the great "Golden Age" spirit that was embraced and "out-pictured" in some of the early Community meetings. Please return the Master Plan and Guidelines to me after you have reviewed them. I wanted you to witness the quality of the products personally. Even with all that has happened, I wish them good fortune but I fear the consequence of their current direction. It do not support this direction as I outline in the attached letter to the GLA of May 29, 1998.

I wish you the best of good fortunes. You are truly doing God's work and God be with you. I write this letter out of duty to the future of Glatonbury. Communities should know what they have done so at least they may change their ways.

Sincerely,

Michael von Hausen, BLA, MLAUD, MCIP, CSLA

Glastonbury Landowners Association
Board of Directors Meeting

Minutes

June 22, 1998

1. **Call to Order, Prayer** - The meeting was called to order at 7:12 p.m. by Dan Kehoe, Jr. at Thomas More School, North Glastonbury. Invocation was given by Linda Kremer.
PRESENT: Dan Kehoe, Jr.(Vice President), Joan Murphy (Secretary). Maria Scoble (Treasurer), Linda Kremer, Peggy Keathley, Andrew Field, Philip Hoag, Horus Brailsford, and David Newhouse. Also present were Ombudsmen Margaret Roach, North Glastonbury, and Laurel Matthews, South Glastonbury.
PRESENT BY PROXY: Patrick Wolberd.
ABSENT: Philip Covington and Walter Wunsch.

2. **Reading and Disposition of Minutes** - Minutes from 6-1-98 were corrected and approved.

3. **Order of Business**

4. **Reports of Officers and Committees**

4.1 Treasurer's Report Maria Scoble, Treasurer

Maria Scoble presented the Profit & Loss Statement on an Accrual Basis for January 1 through June 11, 1998; the Balance Sheet on an Accrual Basis as of June 11, 1998; the Profit & Loss Statement on a Cash Basis for January 1 through June, 11, 1998; and the Balance Sheet on a Cash Basis as of June 11, 1998. She also presented the Glastonbury Landowners Association Annual Budget based on committee budgets given her by chairs of the respective committees. Copies of all the above documents are filed herewith. M. Scoble reported that the next billing to residents will go out in July.

M. Scoble reported on the meeting which took place June 8th with P. Wolberd, M. Scoble and Doug Holm, Accountant, concerning billing and statements for GLA. She presented a letter dated June 11, 1998 from Doug Holm summarizing the meeting and his position. Copy of this letter is filed herewith. M. Scoble pointed out that any consultation over 10 minutes would have a charge of $60.00 per hour. In general, M. Scoble reported, the June 8th meeting went well.

FOLLOW-UP: M. Scoble/ P. Keathley - Write accounting procedures as per D. Holm accounting needs by 6-22-98; Procedures were tabled.

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets by 7-13-98.

4.2 Finance Committee Report Maria Scoble, Chair

R. Varkevisser reported he has begun calling persons with delinquent accounts. He stated Michelle Ali will send $1,500 in preparation for fee-simple ownership of her property. R. Varkevisser reported that the telephone list he has is inaccurate in many cases.

FOLLOW-UP: R. Varkevisser - Write letters as follow-up to calls made by 7-13-98.

FOLLOW-UP: M. Scoble - Write cover letter for sending statements which are delinquent by 7-13-98.

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 7-13-98.

4.3 Architecture Subcommittee Andrew Field, Chair

A. Field presented the minutes from the subcommittee meeting, 2:00 p.m., 6-22-98. Copy of these minutes is filed herewith.

ACTION: A. Field moved, P. Hoag seconded to give preliminary approval of subdivision of Parcel 2 North (Lombard, Dratz, Siyan, Fredericks et al) upon receipt of assessments, with note that approval of subdivision does not constitute consideration of

contemplated future developments. Motion carried unanimously.

David Newhouse stated that in his opinion the Architectlural Subcommittee needed to be lenient in some cases in regard to timelines in order to accommodate certain building requirements; that it was not always possible to give notices of building projects to the subcommittee for them to be recorded in the minutes of the GLA meetings before projects are begun.

DISCUSSION: After lengthy discussion, it was agreed by consensus that if the request comes in 7 days before the GLA meeting, the project will appear on the agenda, which will serve as a public notice of said project. It was pointed out that if the subcommittee has not responded to a request for a project within 45 days, the project is automatically approved.

Members of the GLA Board have given Norma Brown advice and help with her proposed construction project. She now has a concrete slab for the garage, etc.

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 7-13-98.,

The Secretary received a proposal for building a home from Robert and Mary Wallace who do not as yet own property in Glastonbury. They are potential landowners on Parcel 30 North (Timmer/Whitehead) which has not been subdivided yet.

DISCUSSION: Since no permit can be granted to the Wallaces for building at this time, P. Hoag suggested they ask one of the landowners of the parcel to submit a proposal to initiate the necessary paperwork. H. Brailsford stated that Venus Way needs to be widened in order to pass subdivision requirements.

FOLLOW-UP: A. Field - Will call the Wallaces and explain the situation by 7-13-98

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Call Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's

Mobile Home Park, and the Gamble Property owners regarding developing a proposal for black topping Story Road, and cost out the project by 7-13-98. D. Newhouse reported that he had talked to Dennis Brandon about the fact that the roads are washed out by the rain almost immediately after they are graded. Roads cannot be rolled since no roller is available.

FOLLOW-UP: D. Newhouse - Ask permission from Dennis Brandon to work on the county roads, including Dry Creek Road in South Glastonbury, when Glastonbury Roads are being repaired by 7-13-98.

FOLLOW-UP: D. Newhouse - Complete $15,000 road maintenance schedule for North and South Glastonbury by 7-13-98.

FOLLOW-UP: D. Newhouse - Dirkers insurance agent Certificate of Insurance received from M. Dirkers is not acceptable as it does not show proper information and M. Dirkers as a commercial agent. D. Newhouse will contact M. Dirkers to correct this problem by 7-13-98.

WM. PITT PROPERTY AND HIGH SOUTH ACCESS TO FOREST LAND: P. Hoag reported that he contacted Dean Kimpson about land in High South near Pitt property. Dean Kimpson estimated it would take three days work with an excavator, bobcat and mini-dozer. Work would include recreational access to forest land and parking space for 20 vehicles. Cost would be $1,500. D. Kimpson stated, in his opinion, waterfall area is all right and has adequate path for access to reserved land. P. Hoag referred to the proposed gate near the Pitt property reaffirming that this would keep non-Glastonbury hunters out; that residents wishing to hunt could have access to the combination of the lock on the gate. Dan Kehoe, Jr. suggested that the property owners be polled to determine their wishes in the matter. No action was taken at this time.

CHURCH ROAD AGREEMENT: D. Newhouse reported that the Church had sent a letter offering to pay one-half of the money agreed upon ($24,325) now and one-half when the work is completed. Copy of this letter is filed herewith.

ACTION: D. Newhouse moved, J. Murphy seconded to make counter-offer to Church

asking for one-half now, 25% when work is half-done and 25% when work is finished, balance to be paid within 14 days. Motion carried unanimously.

FOLLOW-UP: D. Newhouse - Send counter-offer to Church by 7-13-98

4.5 Nominating Committee Report *Joan Murphy, Chair*

J. Murphy reported .that her committee consisted of Marie Scoble and Eleanor Schieffelin. J. Murphy is sending out a telephone tree to S. Glastonbury asking for volunteers to serve on the Nominating Committee. Budget for this committee is about $250 to $300.

ACTION: J. Murphy moved, M. Scoble seconded to have Annual Meeting, Saturday, November 14, 1998. Motion carried unanimously.

FOLLOW-UP: J. Murphy - Continue Annual Meeting/ Elections preparations and report progress by 7-13-98.

FOLLOW-UP: P. Wolberd - Called P. Covington re continued membership on Board. P. Covington sent letter of resignation sighting personal involments as the reason for resigning. Board will hold letter temporarily.

4.6 Complaint Committee Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Submit a recommendation to the Board re W. Pitt/Alfaro complaint; resolution of this complaint is tied to the considerations for proposed parking area and forest land access described in Item 4.4.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

P. Hoag read a fax from Craig Woodland addressed to Patrick Wolberd. C. Woodland is against paying $5,000 for architectural drawings for the Master Plan at this time. He lists the reasons he is against the drawings and also lists recommendations for action by the committee. Copy of this fax is filed herewith.

DISCUSSION: Concern was expressed by Board members, also, that it is not wise to

spend money on drawings when the community does not yet know what it really wants. LUMP will not be successful unless it has broad support. Community needs guidelines as to density and land use; how many homes to an acre, etc. D. Kehoe stated that the drawings would only involve village centers. J. Murphy called attention to inaccuracies in C. Woodland's fax. It was agreed by consensus to put a hold on any action regarding drawings until further input is received.

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections and time frame. H. Brailsford volunteered to investigate this project.

FOLLOW-UP: H. Brailsford - Report findings to Board by 7-13-98.

5. Ombudsmen Reports No reports.

6. Unfinished Business

6.1 - 6.4 No discussion.

6.5 Filing Liens when assessments owed - P. Hoag

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of liens for overdue assessments by 7-13-98.

6.6 GLA as a possible investor in GAV - W. Wunsch No discussion.

6.7 Leykamm Letter

FOLLOW-UP: P. Wolberd - Acknowledged receipt of letter from M. Leykamm.

FOLLOW-UP: D. Kehoe - Seek legal advice from Glover firm on matter and draft letter to be sent by 7-13-98.

FOLLOW-UP: J. Murphy/M. Scoble - Talk to Leykamms after legal advice is forthcoming and before letter of official position is sent by 7-13-98.

6.8 GLA Liability Insurance

FOLLOW-UP: J. Murphy - Payment made 6-9-98.

7. Tabled Business

7.1 - 7.3 No discussion.

8. New Business

8.1 New N. Glastonbury non-Keeper landowners Bill and Tracy Kisthart, (Bill, employee of Yellowstone Park.) John Waid, realtor, will notify GLA when deal closes and they plan to move in. P. Hoag suggested sending a welcome note and explaining paper work needed.

By consensus it was agreed that Patrick Wolberd should be Chairman of the Welcoming Committee.

8.2 Four Boards Meeting on June 25th.

ACTION: A. Field moved, H. Brailsford seconded to send P. Wolberd, D. Kehoe, Jr. and J. Murphy as representatives of the GLA Board to the June 25th meeting of the North Glastonbury, South Glastonbury, GLA and Church Boards, called to discuss parcels to be given to North Glastonbury and South Glastonbury by the Church. Motion carried unanimously.

9. Open Floor Comments No comments.

10. Next Meeting - Monday, 7:00 p.m., July 13, 1998, South Glastonbury TC.

11. Adjournment - Meeting was adjourned at 9:46 p.m.

Respectfully submitted by

Laurel M. Matthews

June 11, 1998

Glastonbury Landowners Association
%Patrick Walberg
P. O. Box 312
Emigrant, MT 59027-0312

Dear Mr. Walberg:

At our meeting on June 8, 1998, you asked that I prepare a summary of our meeting and proposals for future work over and above my original bid.

I. The first area we discussed was Billing Statements & Invoices.

A. Balance Forward - This appears to be a misunderstanding on both our parts as to what was wanted on the original billing and what subsequent billings would look like. Apparently this was previously worked out and is no longer a problem.

B. Statement "Thank you for your payment" - You would like a "Thank You" only on statements showing payment. QuickBooks is not programmed for this and you have agreed that you would prefer not to have a "Thank You" on all the statements.

C. Aging of Receivable - You would like to show the balance owed at the beginning of each year, but then show only one quarter (1/4), if not paid, added to the overdue balance every three months.

I will attempt to find a way to do this, if this is not possible, then you have asked for the total due at the beginning of each year and not show any overdue balance.

D. Statement -vs- Invoice - What you have been receiving is an invoice showing the current months transactions and a statement showing a summary of monthly transactions. We will continue to supply you with both so that you have a complete record and you have indicated that you will send out just the monthly summary statements.

II. Profit & Loss & Balance Sheets - We have been attempting to give you a balance sheet using the accrual system and then attempting to convert the Profit & Loss to cash. We agreed that from now on we will give you both cash and accrual financial statements.

III. Input Errors - Apparently there have been some input errors where amounts have been charged or credited to the wrong member. I do know that regardless of how many times we proof and check items, input errors will occur and I do apologize for any inconvenience these errors have caused you. We will attempt to devote additional effort to identifying these errors. We will continue to print a detailed transaction report for you so that your verification will be easier.

IV. As we discussed, the setting up of your members accounts was much more time consuming than I had anticipated. Apparently there were many discrepancies between the C.U.T. records and what your members actually owed. The account did require time consuming reconciliation. I do believe that most of this is now behind us and hopefully our time on this type of activity should substantially decrease.

The one area that I am concerned with is changes that are made after we have printed the billing. We will continue to provide you with a detailed transaction report along with a list of members and their balance due, after you receive and ok it we will then print the statements and invoices. If there are name changes, address changes etc., after the statements are printed, that do not result from some action on our part, such as input etc., then I propose that we handle it as follows:

1. If changes are summarized and dropped at the front desk:
   a. Flat Charge - $10.00 per change or
   b. Hourly Rate of $60.00 per hour.

2. Any necessary meetings and consultation over 10 minutes will be $60.00 per hour.

Changes generally require either credit invoices or changes to the master list, original invoice and the reprinting of invoice and statements and require 10 to 20 minutes.

I feel that changes after the statements are run can and should be completely eliminated if the all source documents are carefully prepared and reviewed, for example: (1) some members pay for one property which is owned by several land owners. We will need to identify all owners and amount on each

deposit. (2) Adjustments, credits, address changes, etc. are made to some members accounts during the month. We will need a complete list of any changes when we receive the checks and deposits. Then after input, the balance due list and transaction register will be reviewed by both of us to identify incorrect postings prior to the final run.

To avoid assessment errors, a list of all property owners and the amount of their individual assessments should be provided to us at the beginning of each year so that I will be able to compare your records to our input.

I feel the June 8, 1998 meeting was very beneficial and has resulted in a better understanding of both your needs and the problems we are encountering in getting correct and understandable statements to your members.

If you have any additional questions do not hesitate to call.

Sincerely,

Douglas H. Holm, CPA

NOTICE: THIS CONTRACT IS SUBJECT TO ARBITRATION PURSUANT TO TITLE 27, OF CHAPTER 5, MONTANA CODE ANNOTATED, THE "UNIFORM ARBITRATION ACT" OF MONTANA.

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT dated as of June ____, 1998, is made by and between CHURCH UNIVERSAL AND TRIUMPHANT, INC., a Montana nonprofit corporation (the "Church"), and GLASTONBURY LANDOWNERS ASSOCIATION, INC., a Montana nonprofit corporation (the "Association").

WHEREAS, an Assignment of Declaration of Covenants executed by the Church and the Association on June 16, 1997 specifically provided that the Association "shall not assume any uncompleted obligations of the Church or its predecessor-in-interest as of April 30, 1997, including, but not limited to, uncompleted road construction work (but not including road maintenance and improvement work)"; and

WHEREAS, the Restated Declaration of Covenants for the Community of Glastonbury (the "Glastonbury Covenants") specifies the property and road easements which are subject to the Glastonbury Covenants and which are currently under the jurisdiction of the Association; and

WHEREAS, the Association has asserted claims against the Church for uncompleted road construction work and other matters in the Community of Glastonbury; and

WHEREAS, representatives of the Church and the Association have met to discuss and agree upon the extent of the Church's obligations to complete any road construction work or other uncompleted obligations in the Community of Glastonbury; and

WHEREAS, the Church affirms that it is responsible for the cost of the original construction of the Glastonbury roads to a reasonable standard, including, where applicable, the cost of upgrading certain previously constructed roads to an adequate standard and the cost of constructing any additional platted community roads which have not yet been developed to existing parcels which have not yet been sold or offered for sale; and

WHEREAS, the Association has obtained contractor bids for the cost of upgrading previously constructed roads to an adequate standard and the parties have agreed upon the work and the costs thereof; and

WHEREAS, the Church and the Association have agreed to certain terms and conditions for the resolution of the Church's outstanding obligations pertaining to uncompleted road construction work and any other uncompleted obligations in the Community of Glastonbury, and desire to set forth such provisions herein; and

WHEREAS, the parties have also agreed that the Church is not responsible for the cost of periodic maintenance or special improvements (such as guardrails) that were intended to be funded from the proceeds of annual community assessments payable by landowners in the community;

NOW, THEREFORE, in consideration of the mutual agreements and understandings set forth herein and for the other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Church and the Association hereby agree as follows:

A. The Church will pay the liquidated cash sum of $24,325 to the Association in full satisfaction of all outstanding road construction obligations for the existing segments of the platted community roads in Glastonbury North and Glastonbury South which have been put into service, as follows:

1. One-half ($12,162.50) at the time of execution of this Settlement Agreement; and

2. The remaining balance ($12,162.50) upon completion of all road construction work itemized below:

GLA 00463

GLASTONBURY NORTH

1. Capricorn Drive/Aquarius Lane Intersection: Construct a water catch basin on the left side of the road.

2. Pisces Way: Bring the road up to standard.

3. Capricorn Drive: Construct a catch basin and install culvert in front of Fred Morsell's parcel.

4. Capricorn Drive and Aries Drive intersection. Construct a catch basin and install one culvert.

5. Capricorn Drive (across from parcel marker #215 and #217): Create proper drainage, elevate road and install culvert and catch basin.

6. Venus Way: Complete the cul-de-sac and widen the road to county standards for approximately 200 yards and install one culvert.

7. Mercury Lane: Widen the road and complete the cul-de-sac.

8. Gemini Road: Widen the road, unplug and extend the culvert and adjust the slope of the shoulder.

9. Orion Way: Complete the cul-de-sac.

10. Sirius Drive: Repair damaged culvert pipe and backfill and repair washout.

GLASTONBURY SOUTH

11. Virgo Way from Dry Creek Road to northeast end of "Brailsford Driveway": Widen the road and apply top coating.

12. Leo Lane: Complete the cul-de-sac.

13. Hercules Road/Scorpio Way intersection to Skyway Drive: Build road up along Goldmeyer Creek, and construct ditches to prevent the creek from running down the road.

GLA 00464

14. Scorpio Way: Widen road, construct ditches and remove trees.

15. Polaris Way: Install a culvert.

16. High South: Dispose of 4 slash piles from the original road construction.

B. The Church shall not be responsible to pay for the cost of any periodic maintenance or special improvements which may be needed for any of the existing Glastonbury roads, including the installation of any guardrails. The Church shall not upgrade Avalon Lane at this time, since it is only an interior parcel driveway and not a platted community road, and also since the parcel has not been subjected to the Glastonbury Covenants. Likewise, the Church does not expect the Association to maintain this road. Should the parcel be developed or subdivided in the future, the location, status and quality of the road would have to be addressed by the owner at that time in accordance with the existing standards or requirements of the Association and/or Park County.

C. Certain segments of the platted community roads in Glastonbury North and Glastonbury South have never been constructed or put into service and are not included in the costs set forth above. Similarly, the parcels to be served by these segments of road have not been sold or offered for sale by the Church and/or the parcels and roads have not been subjected to the Glastonbury Covenants. These road segments include the following:

ROAD SEGMENT	PARCELS SERVED
a Pisces Way from Parcel 41 to end	Parcel Nos. 54, 55 and 56/ Glastonbury North
b Jupiter Way from Parcel 22 to end	Reserved Land/Glastonbury North
c Gemini Road and spur road from Parcel 66 to end	Parcel Nos. 60, 63, 64, 65, 68, 69 and 70/Glastonbury North
d Virgo Way from Parcel 17 across Dry Creek (including bridge or culvert) to NE end of "Brailsford driveway"	Parcel Nos. 9 and 17/ Glastonbury South

GLA 00465

e. Chalice Well Way	Parcel Nos. 4-11 and Reserved Land/Glastonbury South
f. Cancer Road	Parcel Nos. 12-17/ Glastonbury South

Contingent upon the addition of these areas to the Glastonbury Covenants, the Church, and/or its successors and assigns as the developer, agrees to accept responsibility for the cost of the original construction of these segments of road at least to the standard of community roads as contained in the Specifications and Standards for Gravel Road Construction, Rev. 87-2 or any subsequent amendments thereto, and for the cost of providing backbone electric and telephone systems prior to selling individual parcels which are served by these roads. Once the original construction of any of these roads has been completed to the applicable standard, electric and telephone systems have been installed to any affected parcels and they have been subjected to the Glastonbury Covenants, the Association agrees to accept responsibility for the maintenance of such roads in accordance with the Glastonbury Covenants.

D. Except as set forth in "C" above, the Association agrees to accept responsibility for all of the other existing community roads within the platted or recorded easements subjected to the Glastonbury Covenants in Glastonbury North and Glastonbury South, as well as for Aries Drive and Sirius Drive in Glastonbury North (which are not within a platted or recorded easement), and to complete the work identified in "A" above within one (1) year from the date the first one-half payment is made by the Church.

E. Concerning Aries Drive and Sirius Drive in Glastonbury North, the Church agrees to revise a portion of Certificate of Survey No. 615A or to provide a new survey in the context of the comprehensive land use master plan to plat these roads as private access and public utility easements (community roads) pursuant to Section 8 of the Glastonbury Covenants.

F. The parties agree that the roads within the Golden Age Village mobile home park, including those roads referred to as Helios Way, Vesta Lane, Helios Circle and Vesta Circle, are part of the platted community roads in the Community of Glastonbury which have been subjected to the Glastonbury Covenants and that they have been constructed to an adequate standard.

G. In consideration of the payment made herein by the Church and the other terms and agreements between the parties contained herein, the Association hereby releases, acquits and discharges the Church from any and all additional claims for uncompleted road construction obligations or any other uncompleted obligations in the Community of Glastonbury which might or could be owing from the Church to the Association, except as set forth herein or in any other written agreements between the parties not relating to roads.

H. The terms of this Agreement are intended by the parties to be the final expression of their Agreement with respect to any of the Church's uncompleted obligations in the Community of Glastonbury including, but not limited to, "uncompleted road construction work" and may not be contradicted by evidence of any prior or contemporaneous agreement. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative or other legal proceeding involving this Agreement.

I. Time is of the essence as to all the terms and conditions contained in this Agreement.

J. If any provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect.

K. The validity, interpretation, enforceability and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of Montana.

L. Any controversy between the Association and the Church involving the construction or application of any of the terms, provisions or conditions of this Agreement or otherwise arising out of or related to this Agreement, shall be settled by arbitration in accordance with the then current commercial arbitration rules of the American Arbitration Association, and judgment on the award rendered by the arbitrator may be entered by any Court having jurisdiction thereof. The location of the arbitration shall be a mutually agreeable place in Park County or Gallatin County, Montana.

GLA 00467

The parties have duly executed this Agreement as of the date first hereinabove written.

June 1998

To: C.U.T. Executive Board
From: North Glastonbury Teaching Center

RE: Proposed 20 acre parcel land transfer.

At the Dec. 1, 1997 meeting of the four Boards in the Grail Room at the Ranch Kitchen it was decided that three members each from the North and South Glastonbury Teaching Centers and the Church Board would meet again to discuss the 20 acre land issue before Jan. 31, 1998. Later we were led to understand that this date was not met because of the road situation. Now that the road situation is near completion the North Glastonbury Teaching Center would like to get together with you to continue discussion on this subject. To assist in this process we are presenting the following information:

It is our perception that certain land should be set aside for future building of community facilities as the need arises and according to the dictates of the Land Use Master Plan. Such facilities could include:

a. Multi-purpose Community Center
b. Permanent Church structure
c. New school building complex

We look forward to receiving land from the Church on which we can, in the future, build a permanent church structure and community facilities to nurture the spiritual and cultural life of the community. Whatever we can do through providing facilities and services will, we feel, encourage families and others to settle or remain here in our valley. Your gift and our efforts can go far in nurturing and building community here in North Glastonbury.

The land we are interested in is in a key position in relation to Golden Age Village, a proposed low income, condominium, high density residential area and the proposed business center as indicated in the Land Use Master Plan now being finalized. While we may need interim steps for our building goals, we feel it is important to set our sights for the greater development of the community. Where we will be able to situate our future church and community facilities is a key element in setting this future vision.

Therefore we look forward to being able to meet with your board to discuss this land issue. We see it as important not only to the development of our own congregation but also to the development and growth of our beloved Church.

Respectfully,
Maydell Goulart, President NGCTC

To: The Glastonbury Landowners Association Board Members

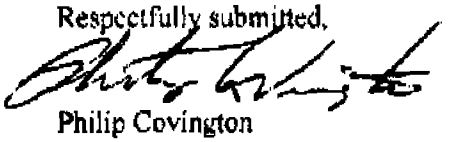
From: Philip Covington

Re: Resignation

June 22, 1998

After considerable contemplation , I've concluded that it would be best that I resign my membership effective today June 22, 1998. The reasons for my decision are many but suffice it to say, at this juncture, I feel a tremendous need to focus my energy on personal and family goals that are germain to my physical and spiritual well being. The times that I attended board meetings proved to be quite enlightening and I will miss the discussions I was privileged to witness. Nevertheless, at this point I need to consolidate my energies in one direction.
God Bless you all.

Respectfully submitted,



Philip Covington

Manfred Leykamm
P.O. Box 441
Emigrant, MT 59027

Dear Mr. Leykamm,

I am writing to acknowledge receipt of your letter of May 5, 1998. My apology for the delay in this response.

The Board discussed your letter at out last meeting and assigned this matter to one of the directors to research the covenants before we respond. Joan Murphy or Maria Scoble will be in touch with you some time after our June 22, 1998, meeting, which will be held at the North Glastonbury Chapel house. You are, of course, welcome to attend that meeting.

Thank you for your patience in this matter.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Association

cc: Joan Murphy
Maria Scoble

June 22, 1998

Dear Patrick,

Tonite at the GLA board meeting, a proposal will be offered from the Planning Committee to spend $5000 on architectural drawings for the Master Plan. I do not recommend that we take this step at this time. I voiced my concern at the committee meeting and am passing on those reasons for your consideration.

1 **Need More Bids**

The architectural drawing bids have been handled by Dan Kehoe Sr. He sent out 3 letters and received one bid back. He is recommending going with the first and only bid. This company is fairly new and doesn't have much of a track record. I would recommend at least 3 bids to compare rates and quality of work.

2 **Define the Scope of the Work**

The architectural firm gave no estimate of how long this would take. The project is open-ended. Not defining the work to be done is an open hole that all sorts of money can be poured into.

3. **Define What We Want**

We have not even defined a specific list of what we want drawings of. Once again a money hole.

4 **Budget for Planning Process**

We have $21,000 for the planning process. When this was first discussed in committee, Dan said that $10,000 should cover the drawings. I talked him down to $5,000, which I think is still too excessive. Regardless of how much the drawings cost, we have not worked out a budget for the planning process and how to allocate the $21,000.

It is too easy to spend too much money on the first perceived need and then not have enough to successfully finish the proce

5 **Rushed Process**

We have been repeatedly told by Dan that we must finish the Master Plan very quickly. Without a Master Plan the Church will not release the 2 20-acre parcels for the Teaching Centers. Dan reiterated this again at the last committee meeting.

Whether this is true or not I don't know. I don't believe that it is necessary to accept outright everything offered to us by the Church. We can negotiate for our interests too.

Dan also said that we must conclude quickly because some people want to build. Dan identifies himself as a developer. To have a developer driving a planning process and clearly expecting projects to start up at its conclusion is not healthy. Besides the obvious conflict of interest (whether these are Dan's development projects or not, it doesn't matter), this is a well known formula for disaster in a planning process. The developers are part of the whole land use process but they should not drive it. Many parties are part of this process.

The developer's focus is to make money on his investment and to develop property. This is a needed role but their focus is too narrow to run a planning process that affects a wide range of parties.

Both of these reasons given by Dan should not be allowed to put an artificial timeline on our planning process.

This process will affect Glastonbury for generations and should not be sidetracked for short-term gain.

6 **Recommendations**

I recommend that we

A. Get at least 2 more bids.
B. Get an estimate of how long it will take.
C. Ask the architect for a list of what we are getting based on what we want.
D. Develop a budget for the planing process that will allocate funds for each step of the process and will take us to the end. We, of course, are not obligated to spend the whole $21,000.

Sincerely

Craig Yrvedland

Craig Woodland
Member, Glastonbury Master Plan Committee
PO Box 999, Emigrant, MONTANA 59027

File: 98-RTR-06

Dear Craig:

RE: GLASTONBURY'S Land Use Master Plan and Design Guidelines

It was a pleasure speaking with you yesterday. Thank you for taking the initiative to contact me as a member of the Land Use Master Plan Committee. I am writing this letter to explain my feelings about how I was treated, the facts around the circumstances and the implications of recent decisions on the future of Glastonbury. I have also included nine questions that I would like answered or at least addressed to the Master Plan Committee so that they know the background and the potential impacts of their decisions. I feel it is important that Patrick Wolberd and Gilbert Cleirbaut also receive a copy of this letter. I encourage you to share with Patrick the earlier correspondence to Gilbert and the GLA that I sent to you this morning by FAX. This will provide further detail so that Patrick has a full appreciation of the facts.

As I emphasized in our telephone conversation yesterday, I feel a real sense of dissappointment and betrayal in the way my dismissal was handled. It was unjustified and unacceptable, especially since the draft Master Plan was endorsed by the majority of Community members that attended the presentation in March of 1997. The attached final Draft of the Land Use Master Plan and the Community Design Guidelines (March 1998) were refinements or necessary additions to the original Master Plan and part of the original contractual agreement with the Church. These documents represent the quality and connection to the County and State Plans necessary for approval. Completing these documents in advance of the GLA's advice was simply a matter of anticipation and directly conflicts with the GLA's assessment, in their letter of May 25 relating to my dismissal, that the GLA's decision to discontinue my services was based on "how best to complete the Master Plan in a comprehensive, precise and timely manner."

Furthermore, it is also interesting that you mentioned in our telephone conversation that the assessment of the quality of the documents that I sent to the Committee came from one person on the Committee, namely Dan Kehoe Sr., and that you nor anyone else on the Committee had the chance to personally review my documents (as I sent four copies for that purpose). This conduct goes against the "Founding Principles" of the Master Plan Process established by the Community at the meeting of April 27, 1996 (I sent these Principles to you this morning by FAX). In addition, the suggested "density schedule" concept by Dan Kehoe Sr. that we discussed has been generated by one person and has not been reviewed by the Community. Again, this addition and process is contrary to the Founding Principles of the Master Plan process.

I would request that Patrick or yourself please answer the following questions to further clarify the situation for me and to further inform the Master Plan Committee and the GLA:

14562 16A Avenue, White Rock, British Columbia, Canada V4A 5S1
Tel. (604) 536-3990 Fax (604) 536-3995

1. How does the Master Plan Committee represent the interests of the members of the GLA?

2. Should the Committee not have the responsibility to review the Master Plan and Design Guidelines documents as individuals before such an important decision is to be made as to dismiss the consultant?

3. Does the Committee know the ramifications of my dismissal in that they can not now use any of my illustrations (completed following my March 1997 visit and including perspectives of the Village Centres and the Clusters) or any of the detailed refinements in the content, policy or the Master Plan Map on page 43 and page 44?

4. Is the Committee aware that I will have withdrawn any support for the Master Plan and any association with it - my name nor company name is not to be used in any way in association with the Master Plan as I do not support the current direction and will not be able to review the final product?

5. Does the Committee know I spent 180 hours on the refinement of the Master Plan, the development of the Design Guidelines and accompanying Performance Standards that directly serve the interests of future Site Plan review of development proposals?

6. Is the Committee aware of my outstanding invoice of $5,850 respecting the Master Plan and Design Guidelines (March 1998 drafts) for work completed between March 20,1997 and March 2, 1998; and that invoice represents a 50% discount of actual fees associated with the hours spent on the project? In line with this, does the Committee realize that if it considers the hiring of another planning professional, that planner's normal obligation is to ensure that all previous invoices have been settled before commencing work?

7. Does the Committee realize that I have spent at least twice to three times the amount of time on this project over the past two years than I have billed them?

8. Do all the Committee Members know that the original Draft Master Plan (March 1997) was endorsed by the Community at the March 1997 meeting and that any additions, like the addition of the suggested "density schedule", could go against the whole principle of flexibility and innovation encouraged in the Master Plan; and that any alterations to the Master Plan would have to be endorsed by the majority of the Community with this in mind?

9. Does the Committee know that my approach using Design Guidelines has been tested at the Walker Center in Bozeman, that the product is quality design, and that the Design Guidelines provide a long term quality control framework for development under the direction of a Design Review Committee?

I believe that these questions that I have presented should be shared with the Master Plan Committee Members so that they can make an informed and collective decision about their treatment of me as a consultant to the process. As I understand from our conversation, there is a current feeling by at least a couple of the members of the Committee that they do not need a planner now. Is this a shared feeling on the Committee? I would expect not if the information above is shared with them and they realize the direct and indirect costs of their decision. I also expect that they may reconsider.

You asked me yesterday if I would consider working again for the Community of Glastonbury. I would have to consider this proposal very carefully as I have never been dealt with in such an unprofessional way in my entire consulting career. I am not taking this situation lightly as I am also concerned about the implications of the current change in direction.

Who is going to present the Master Plan and work through the approvals with the County Commissioners? More importantly, it appears that the Master Plan could essentially revert to a "Zoning Plan" and something that may not be well received, based on the recent experience that you described to me in the Big Timbers area. A "Zoning Plan" is exactly what the Community wants to stay away from as it will limit the future development potential, land value and innovation in the Community. When do we learn from our past mistakes! That is exactly why I thought the Community of Glastonbury retained my services to develop an innovative plan and an example for the County - not the same old thing that will result in the same old mobile home development! This spells disaster in my mind.

I might consider being retained again after the following conditions have been met:

1. I receive a formal apology from the Master Plan Committee outlining the reasons for the Committee's decision and a method of communication so that a situation such as this is prevented in the future.

2. Payment in advance of at least the $5,850 owed to me for the outstanding work completed (180 hours between March 20, 1997 and March 2, 1998) represented by the two draft documents: the Community of Glastonbury Master Plan, and the Community Design Guidelines (dated March 1998 and attached as exhibits).

No matter what the outcome, I consider the $5,850 an outstanding invoice (outlined in my correspondence of March 6,1998 to Patrick Wolberd concerning work between March 20,1997 and March 2, 1998) and that the Community of Glastonbury Landowners Association is obligated to pay me that amount. I would consider payment over six months a reasonable proposal.

I will leave the delivery of this message and questions for you to present to the Committee and discuss with Patrick as appropriate. I am sure there will be some sensivities associated with at least part of the information presented here, so handle the information accordingly. I believe the information is presented objectively and without bias.

It should be the responsibility of the Master Plan Committee collectively to make a more informed decision based on a more complete picture. I provide this information in the spirit of fairness and the future of Glastonbury. May God be with us.

Yours truly,

Michael von Hausen BLA, MLAUD, MCIP, CSLA
President

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
July 13, 1998

1. **Call to Order, Prayer** - The meeting was called to order at 7:23 p.m. by Patrick Wolberd, at South Glastonbury Teaching Center. Invocation was given by Joan Murphy.
PRESENT: Patrick Wolberd (President), Dan Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Horus Brailsford, Andrew Field and Peggy Keathley. Ombudsmen for North and South Glastonbury, Margaret Roach (N) and Laurel Matthews (S) were also present.
PRESENT BY PROXY: Linda Kremer and Maria Scoble.
ABSENT: Walter Wunsch, Phlip Hoag and David Newhouse.

2. **Reading and Disposition of Minutes** - Minutes from June 22, 1998 were approved.

3. **Order of Business**

8.2 Speed Bump on Sirius Drive - William Mountjoy, present at meeting, reported that he had payed someone to cut a groove, 4 inch deep by 6 inches wide, into the road surface of Sirius Dr. near his home at GAV. He did this to prevent excessive speed from vehicles approaching GAV, in concern for children, etc.
DISCUSSION: P. Wolberd stated that Sirius Dr. is platted to the GLA and GLA is responsible for its maintenance. If the speed bump is kept, signs need to be erect as a warning to approaching motorists, and that the 15 MPH sign at GAV is too close and needs to be moved back. It was pointed out that the next time the road grader is used the groove will be filled in automatically. Road committee urged looking into the matter more fully and it was suggested that W. Mountjoy help the committee in solving the problem.
FOLLOW-UP: Road Committee/ W. Mountjoy - Bring to Board suggestions for solution by 8-3-98.

8.1 M. von Hausen Letter - C. Woodland, present at meeting, reported that he had called Michael von Hausen, wanting to learn more about the LUMP. He did this as an interested resident of Glastonbury and a member of the LUMP committee. After the phone conversation, M. von Hausen sent a letter to C. Woodland relating his sentiments, with a copy to Patrick Wolberd and Gilbert Cleirbaut, President, C.U.T. Copy of this letter is filed herewith.

DISCUSSION: In answer to his complaint that he had not been treated fairly, it was again pointed out that he has not accepted the fact that he had no authorized contract to do the final work for which he billed the GLA. P.Wolberd stated that it was the Church that originally contracted for his preliminary work. J. Murphy suggested that M. von Hausen not be contacted anymore by Craig Woodland.

FOLLOW-UP: P. Wolberd - Contact Hertha Lund, legal representative of the Church, for discussion of the situation and report back by 8-3-98.

4. Reports of Officers and Committees

4.1 Treasurer's Report Maria Scoble, Treasurer No discussion.

4.2 Finance Commitee Report Maria Scoble, Chair

J. Murphy read the letter from Maria Scoble addressed to GLA members whose assessments are past due; this letter to go out with the mailing of bills in July. In the 3rd paragraph the word "forego" was changed to read "forestall". Copy of this letter is filed herewith.

ACTION: J. Murphy moved, D. Kehoe, Jr. seconded to send the letter as corrected. Motion carried unanimously.

4.2 Follow-up Items No discussion.

4.3 Architecture Subcommittee Andrew Field, Chair

NEW PROJECTS FOR REVIEW

A. Field stated the paperwork had not been completed for the new projects, but observed:

Clair Varkevisser - S. Glastonbury - Project in fine condition.

Bridgett Lewis - S. Glastonbury - Still in abeyance.

Robert & Mary Wallace (Timmer Property) - N. Glastonbury - Needs paperwork and roadwork completed.

ACTION: H. Brailsford moved, A. Field seconded to widen Venus Way (in accordance with Road Agreement) as soon as possible for subdivision to pass. Motion carried unanimously.

DISCUSSION: J. Murphy stated that James Healey was concerned that the Wallace house was not properly placed. She suggested that the Architectural Subcommittee be given help in reviewing projects by a hired, knowledgeable professional with survey skills; payment for this service to be $50 per project.

FOLLOW-UP: Architectural Committee - Research this possibility by 8-3-98.

Margaret Roach - N. Glastonbury - Property lines for subdivision have been established through Court. There is still a question of building in reference to the easement. Research on this issue will be pursued.

Final Subdivision Approval - David Newhouse - N. Glastonbury - No discussion.

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible review, completion date to be determined at 8-3-98.

FOLLOW-UP: A. Field - Made call to the Wallaces.

4.4 Road Committee David Newhouse, Chair

4.4 Follow-up Items No discussion.

ROAD AGREEMENT WITH CHURCH - P. Wolberd reported that the Road Agreement with the Church had two significant changes from the original version first set forth - these being; (A) instead of paying 100% of the money due up front, the terms would be

50% at first, and 50% when the roads were finished; and (B) The Church would consider the GAV roads to be private roads. P. Wolberd stated that these items needed to be clarified with the Church; that the Church could either pay 50%, 25%, 25% (as discussed at the last meeting) or the 100%, and the admission of the Church that the roads in GAV were platted roads to the GLA and not privately owned.
FOLLOW-UP: P. Wolberd - Get legal advice from attorney and report back to Board by 8-3-98.

4.5 Nominating Committee Joan Murphy, Chair

J. Murphy reported that she has been calling people in S. Glatonbury for volunteers to serve on the Nominating Committee. She stated she will have the draft letter to be sent out to the residents concerning the elections by the next meeting.
ACTION: J. Murphy moved, H. Brailsford seconded to have Eleanor Schieffelin and Maria Scoble, as well as herself, serve on the Nominating Committee. Motion passed unanimously.

4.6 Complaint Committee Joan Murphy, Chair

FOLLOW-UP: W. Pitt/Alfaro complaint - J. Murphy read the letter written to W. Pitt concerning the problem with his dog and C. Alfaro; also addressing the coming hunting season. In the fourth paragraph the word "encourage" was changed to read "instruct". The letter will go out with J. Murphy's signature. Copy of this letter is filed herewith. By consensus it was agreed to accept the letter as corrected and to be sent to W. Pitt.
FOLLOW-UP: P. Murphy - Sent letter to W. Pitt by 8-3-98.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

D. Kehoe, Jr. reported on the meeting with representatives of the four boards, N. and S. Glastonbury, the GLA and the Executive Committee on June 25, 1998. Parcels to be given by the Church to both N. and S. Glastonbury were discussed. If Glastonbury does

not have a LUMP approved by the membership of GLA by April 30, 1999, the Church will withdraw the money funding and the land offer. The Church is concerned about village centers, viable design plans, etc. In essence, Glastonbury must take the initiative and present a Master Plan before the Church will give the requested land. Presentation of the LUMP to the community could be by neighborhoods. There could be two LUMPs , one for N. Glastonbury and one for S. Glastonbury, which would include two village centers and two residential areas. It was suggested to present the LUMP to the GLA Board for final approval.

ACTION: D. Kehoe, Jr. moved, H. Brailsford seconded to contract Comma-Q Architecture, Inc. to prepare architectural design sketches for the Glastonbury communities, giving P. Wolberd the authority to sign the agreement after legal advice is obtained. Motion carried unanimously.

ACTION: D. Kehoe, Jr. moved, H. Brailsford seconded to allot $4,000 for drawings, preliminary maps and design, etc. to bring the LUMP up to requirements for presentation to the community, contingent upon signing agreement with Comma-Q. Motion passed unanimously.

FOLLOW-UP: P. Wolberd/ D. Kehoe, Jr. - Contact Comma-Q and sign contract as soon as possible after consulting with Glover firm..

NEXT MEETING WILL BE TARGETED FOR PRESENTING THE LUMP TO THE BOARD AT 8 p.m.

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

No discussion.

5. Ombudsman Report No report.

6. Unfinished Business

6.1 - 6.6 No discussion.

6.7 Leykamm Letter

FOLLOW-UP: D. Kehoe - Seek legal advice from Glover firm on matter and draft letter to be sent by 8-3-98.

FOLLOW-UP: J. Murphy/ M. Scoble - Talked to the Leykamms in a very cordial meeting, explaining that the covenants are for everyone's protection and that legal advice is being sought; that the GLA is trying to regulate hunters, etc. Letter will be sent to the Leykamms stating official position and telling them they have a right to petition the membership in November to change the covenants.

6.8 - 7.4 No discussion.

8. New Business

8.1 M. von Hausen Letter to Craig Woodland (See **Item 8.1** under Order of Business).

8.2 Speed Bump on Sirius Dr. (See **Item 8.2** under Order of Business).

9. Open Floor Comments No comments.

10. Next Meeting - Monday, August 3, 1998, 7 p.m., North Glastonbury.

11. Adjournment - Meeting was adjourned at 9:50 p.m.

Respectfully submitted by

Laurel M. Matthews

Laurel M. Matthews

Assistant Secretary

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
July 13, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets by 7-13-98

4.2 Finance Committee Report - Maria Scoble, Chair

FOLLOW-UP: M. Scoble/R. Varkevisser - Complete revised proposal on delinquent accounts and cover letter to members. Call some of the landowners regarding delinquent accounts, by 7-13-98

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 7-13-98

FOLLOW-UP: M. Scoble/R. Varkevisser - Write letters as follow-up to calls made by 7-13-98

4.3 Architecture Subcommittee - Andrew Field, Chair

NEW PROJECTS FOR REVIEW:

Clair Varkevisser, S. Glastonbury

Bridgett Lewis, S. Glastonbury

Robert & Mary Wallace (Timmer Property), N. Glastonbury

Margaret Roach, N. Glastonbury

FINAL SUBDIVISION APPROVAL - David Newhouse, N. Glastonbury

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 7-13-98

FOLLOW-UP: A. Field - Follow-up call to Wallaces by 7-13-98

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
July 13, 1998

4.4 Road Committee Report - David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Call Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's Mobile Home Park, and the Gambled Property owners regarding developing a proposal for black topping Story Road, and cost out the project by 7-13-98

FOLLOW-UP: D. Newhouse - Ask permission from Dennis Brandon to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired by 7-13-98

FOLLOW-UP: D. Newhouse - Complete $15K road maintenance schedule for G. North and G. South by 7-13-98

FOLLOW-UP: D Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 7-13-98

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property by 7-13-98

FOLLOW-UP: P. Hoag - Contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access and projected project cost by 7-13-98

FOLLOW-UP: D. Newhouse/P. Wolberd - Report back re Church on sign off date for the road agreement by 7-13-98

4.5 Nominating Committee Report - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress by 7-13-98

4.6 Complaint Committee - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Submit a recommendation to the Board re W. Pitt/ Alfaro complaint by 7-13-98

4.7 Land Use Master Plan Advisory Committee - Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Complete current draft of LUMP for Board review by 7-13-98

4.8 High South Fire Water Reservoir Advisory Committee - Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 7-13-98

5. Ombudsman Report - Laurel Matthews (South) & Margaret Roach (North)

6. Unfinished Business

6.1 By-Laws/Covenants voting discrepancies

FOLLOW-UP: Board - Review memo for comment on 7-13-98 [Consider moving this to nominating committee.]

6.2 Association Letter Head

FOLLOW-UP: J. Murphy/L. Matthews - Coordinate GLA letterhead/logo design by 7-13-98

FOLLOW-UP: W. Wunsch - Find out if existing COG logo is available to GLA by 7-13-98

6.3 Office space needs

FOLLOW-UP: J. Murphy - Check with D. Kehoe, Sr. re office availability at new TC location by 7-13-98 [Consider deleting.]

6.4 Covenant Agreement Form Use - J. Murphy

6.5 Filing Liens when assessments owed. - P. Hoag

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
July 13, 1998

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of liens for over due assessments by 7-13-98

6.6 GLA as a possible investor in GAV - W. Wunsch

6.7 Leykamm Letter

FOLLOW-UP: D. Kehoe - Seek legal advice from Glover firm on matter and draft letter to be sent by 7-13-98

FOLLOW-UP: J. Murphy/M. Scoble - Talk to Leykamms after legal advice is forthcoming and before letter of official position is sent by 7-13-98

6.8 Forming a welcoming Committee for new GLA Members - P. Wolberd

6.9 Four Board Meeting re Church Land donation report - P. Wolberd

7. Tabled Business

>>>>>***7.1 Noxious Weed Committee Formation*** -

7.2 Should GLA accept responsibility for maintenance of subdivision roads? - D. Newhouse

7.3 Study guidelines for Tree removal - P. Hoag

7.4 Write accounting procedures - M. Scoble/P Keathley

8. New Business

8.1 Von Hausen letter to Craig Woodland - P. Wolberd

8.2

11. Adjournment

GLASTONBURY LANDOWNERS ASSOCIATION, INC.
PO. BOX 312
EMIGRANT, MONTANA 59027

July 22, 1998

Dear Glastonbury Landowner,

As you can see from the enclosed statement, your landowner's assessment fees have become past due.

At this point, I would like to remind you that, as outlined in the Restated Declaration of Covenants for the Community of Glastonbury, non-payment of these fees shall become a continuing lien on your parcel, tract or lot. Also, a 5 percent (5%) penalty will accrue on the amount of payment due and the assessment shall bear an interest from January 1, 1998 at the rate of 1-1/2 percent (1.5%) per month, compounded monthly (See Restated Declaration of Covenants, Section 11. **Community Assessment**).

I fervently hope that we will hear from you regarding payment of your outstanding assessments in order to forego the placing of a lien on your property. Please write or call me
(406-333-4306) or Roelof Varkevisser (406-333-4614) with your payment plan within 30 days.

Sincerely,

Maria Scoble
Treasurer

July 3, 1998

Craig Woodland
P.O. Box 999
Emigrant, MT 59027

Dear Craig:

I am writing in response to your e-mail to me of June 22, 1998. Since your letter is a matter of record, We believe it is important for the response to also be part of the record even though we have discussed this matter privately.

As I had informed you at the time, I was not able to attend the Glastonbury Landowners Association (GLA) meeting that evening so I asked Philip Hoag to relate your concerns to the board. In so doing, Philip acknowledged that even though we were in agreement with the need to establish a Land Use Master Plan (LUMP) Committee budget before allocating $5,000 for architectural drawings, we were not in accord with the overall tone of your letter.

The outcome of the discussion was twofold. First, the board deferred allocating any substantial expenditure by the LUMP Committee pending the development of an overall committee budget. Second, many of the board members considered your letter inaccurate on many important points and off base regarding Dan Kehoe, Sr's involvement. I would like to further clarify these points.

I along with many other members of the board have worked with Dan since the formation of the Glastonbury Comprehensive Planning Committee (GCPC) in March, 1996. My personal experience in working with him on the regeneration of Glastonbury the past two and a half years has been very positive. There is no doubt in my mind that among the many factors that motivate any of us to engage in this kind of commitment, Dan's love for the community and his desire to see Glastonbury be the spiritual and economic success we all envision has been at the top of his list. We believe it is no more appropriate to question his motives than to question yours or mine.

This said, it is also important to address the matter of checks and balances employed in the process. No one individual has been nor will be in a position to control the process as long as most of us are willing to do our part. We must be willing to participate in the process, as I have encouraged you to do, wrestle with each other over the points we most value, surrender to the will of the majority at decision time, and move on in harmony and respect for one another and trust in the process. It might be helpful for me to highlight the history for your benefit.

The GCPC led the community, over a period of about a year and a half, through the often painful yet productive and healing process of defining our purpose and direction. Some of the meetings were attended by over 150 community members and most meetings had no less than 50-75 people present. President Cleirbaut facilitated some of the meetings and offered regular consultation. We also held smaller focus group meetings on more specific subjects of interest to those who attended. At the July, 1996, summer conference we invited Keepers of the Flame from all over the world to join us for input into the process. We sought input from absentee landowners by correspondence, and by March, 1997, we had a LUMP Draft to be distributed to the community. This draft was well received, as far as it went.

Now for the specific points of your letter:

1. **Need More Bids**

The board is aware that only one bid has been received, even though three were sought. The expectation was that a reasonable attempt be made to obtain more than one bid while at the same time not get bogged down with repeated requests for bids. The process, after all, is two and a half years in the making. The reason for sending a subcommittee of three people, Dan Kehoe, Joan Murphy, and Davies Anderson, to discuss a contract with Comma-Q architectural company was to determine if they could meet our needs or if we would have to go back through the bidding process. My understanding is that Ben Lloyd did similar follow-up architectural work on the Walker project in Bozeman, which Von Hausen also helped develop, in addition to at least three other master plans he made available for the subcommittee to review.

2. **Define the Scope of the Work**

and

3. **Define What We Want**

It is my understanding that the subcommittee developed an outline of the scope of work while meeting with Mr. Lloyd and presented it at the June 22nd meeting. The board would certainly be looking for this scope of work to be incorporated into the budget we expect to be presented at our next board meeting on July 13, 1998. I have spoken with Daniel Kehoe, Jr., committee chair, and he has assured me that the committee fully understands that we do not have a bottomless source of funding for this project and that it is not necessary to expend the entire remaining $21,000.

4. **Budget for Planning Process**

In speaking with some of the committee members, it appears that there was some confusion regarding the $5,000 and $10,000 figures. There was acknowledgment that you had raised objections which were discussed before coming up with the $5,000 request. The meeting held with the Church on June 25, 1998, regarding a land transfer to the teaching centers reaffirmed that the church leadership will be looking for more specific and concrete architectural work in order for them to sign off on the LUMP. Since the church represents about 40% of the votes of the GLA membership, theirs is an important voice for us to hear.

5. **Rushed Process**

In the two and a half years I have been immersed in this process, the last thing any of us could be described as doing is rolling over for the church and accepting their offers outright. Believe me, we have negotiated intensely and successfully on too many matters to enumerate

here. The contact teams sent to negotiate with the church on several occasions were not bashful about representing our interests and engaged in tough, fruitful negotiations.

Most of us who have been involved in this process from the beginning would agree with Dan that we need to conclude quickly. The board, in fact, asked the LUMP Committee initially to attempt to complete this project by June of this year. They found this was not realistic and, at the boards request, are attempting to complete the project in time for us to put it to a vote at our annual meeting in November.

We have been discussing plans for a community center in North Glastonbury since 1991, when I served on the Teaching Center Board. Community centers in both North and South Glastonbury, in the opinion of many of us, are a crucial piece of the puzzle of making Glastonbury a thriving economic community. The first formal discussion between the Church and Glastonbury about master planning came about in August, 1995, when Patricia Hearth, President of Glastonbury North TC, and I, Treasurer of Glastonbury North TC, met with Edward Frances and William Smith to explore Church support for the building of a community center in North Glastonbury. Edward told us that the Church would be forming a Glastonbury Planning Committee, ultimately the GCPC, and that their support for this project would be contingent upon an approved land use master plan. So you can see that this process has been at least three years in the making, and may give you some perspective on our sense of urgency.

As I mentioned above, no one person has been nor will drive this planning process if we are all doing our part (which I believe we have). The board believes it is important to have a diversity of skills and interests represented on the LUMP committee. Since the board does not share your opinion that Dan is driving the planning process, his participation on the committee is viewed as an asset rather than a conflict of interest.

As you have stated, many parties are needed to be a part of this kind of process. We believe that this is happening. We sent out telephone trees and made announcements at church services requesting interested persons to join the committee. The committee is working from many hundreds of hours of community meetings and community planner input. The board will review the committee's work and the community will provide another round of feedback and further suggestions. Finally, the Landowners Association membership will vote on the final product.

When all is said and done and if we meet our November time line, we will have committed thousands of person hours to a three year plus process, driven by the Community of Glastonbury membership under the leadership of the GCPC and the GLA. It is our sincere hope that we can put to rest the perception that any one person is controlling or driving this process for personal gain.

6. **Recommendations**

The only recommendation with which the board is not in accord, at least in concept, is the suggestion to seek more bids. I will be asking the committee to address all the other recommendations.

In closing, Craig, we want you to know that the board has encouraged community member (homeowners or not) participation on all committees. If you are still interested in

continuing your involvement with the LUMP Committee, it is important for the diversity of the committee for you to do so. It is also important for us all to remember that the task, as defined in our mission statement, is for us to be ***Love In Action*** in order for us to be successful community planners and caring neighbors. That starts right here and now in our participation on the board, committees and other community projects and interactions.

My recommendations for you are:

A. Mend your fences.
B. Seek the highest common ground.
C. Work through the existing structure.
D. Assume the best and be prepared for the worst.
E. Trust in the process.
F. Be ***Love In Action***.

It is in the spirit of community and my personal goal to be ***Love In Action*** that I write this letter to you on behalf of the Board of Directors of the Glastonbury Landowners Association, Inc. We invite you to join us in the victory that is clearly within our reach.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

July 13, 1998

Mr. William Pitt
P.O. Box 1017
Emigrant, MT 59027

Dear William,

The Board of Directors of the Glastonbury Landowners Association has reviewed Colon Alfaro's complaint of November 15, 1997 in which he claims that twice he was chased and attacked by your dog. Not having your dog restrained is in violation of Section 4.02 of the Restated Covenents for the Community of Glastonbury.

> 4.02. Landowners' Animals. Landowners desiring to raise or keep animals of any kind, including dogs and pets, must restrain them within their own land to insure that they will not trespass on other parcels or adjoining roads or land. Landowners are solely responsible to insure that none of the animals kept on their land shall harass or threaten humans, livestock or wildlife or shall cause a nuisance of any kind. ...

After reviewing the Alfaro complaint and talking with you about the situation, an attorney was consulted. Taking into consideration all the information we have gathered, the Board of Directors has come to the following decision. Until your dog is trained to stay on your property, he needs to be restrained by being fenced in, tied up or by any means you choose to restrain him. According to Section 4.02 of the Restated Covenants quoted above, your right to have animals on your property includes a responsibility to insure that they will not infringe on the rights of others by harassing or threatening them.

The Covenants are a contract we have with each other and they exist for the mutual benefit of all. In complying with them, we demonstrate our recognition of and respect for the rights of other community members. We, therefore, ~~encourage~~ request you to come into compliance with the Covenants and restrain your dog, thereby demonstrating your willingness to respect the rights of your fellow landowners as well as your own.

Last winter you expressed a concern about hunting season and non-landowner hunters having access to Forest Service Land by way of Sagittarius Skyway Road. The Board of Directors is in the process of formulating a plan for Glastonbury regarding hunting season. In addition to your comments, we have solicited the opinions and recommendations of other landowners and will present a finalized plan before hunting season begins.

Sincerely,

JUL-14-98 TUE 08:18 AM JOAN.MURPHY 406 333 4792 P.01

1998-08-03_BDGN.pdf

GLASTONBURY LANDOWNERS ASSOCIATION
Board of Directors Meeting

Minutes
August 3, 1998

1. Call to Order, Prayer – The meeting was called to order at 7:30 p.m. by Patrick Wolberd, at 123 Arcturus Drive, South Glastonbury. Invocation was given by Patrick Wolberd. PRESENT; Patrick Wolberd (President), Dan Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Andrew Field, Philip Hoag, Peggy Keathley, Linda Kremer, David Newhouse and Walter Wunsch.
ABSENT: Margaret Roach and Laurel Matthews, Ombudsmen for North and South Glastonbury.

2. Reading and Disposition of Minutes – Minutes from July 13, 1998 were approved as corrected.

3. Order of Business

4. Reports of Officers and Committees

4.1 Treasurer's Report Maria Scoble, Treasurer

M. Scoble distributed copies of the Financial Report from Doug Holm's office. At the recommendation of the Chairman, the Board agreed that copies of the Financial Report would be sent out with the Notice of the August 24, 1998 meeting and be reviewed at that meeting. Copy of the Financial Report is filed herewith. M. Scoble reported that the assessment statements were mailed out in mid-July and letters were sent to 23 landowners who are arrears $500 or more in their community assessment. Copy of letter is filed herewith. The letter stated that if the landowner did not respond within 30 days with a payment plan, a lien would be placed on their property. M. Scoble also reported that the GLA was charged $150 for statement errors made by Doug Holm's office. The explanation given for the charge was that the GLA accounts cost more to set up than their office expected in the beginning. DISCUSSION: The question was asked if the letter concerning the delinquent accounts was sent by registered mail for proof of delivery. The answer being "No," the following options were discussed as a follow-up to the letter: (1) phone the landowner to determine if the letter was received, or (2) send another letter by registered mail. The decision was made to have Roelof Varkevissser phone the landowners and keep a record of his phone calls. Because of continuing problems with the Holm's accounting firm, the Board suggested that M. Scoble look for another firm and bring a recommendation to the next meeting.

FOLLOW-UP: J. Murphy – Mail copies of Financial Report with Notice of 8/24/98 meeting.

4.2 Finance Committee Report Maria Scoble, Chair

FOLLOW-UP: R. Varkevisser – Phone landowners who are delinquent in paying community assessments to determine if they received statement and accompanying letter.
FOLLOW-UP: M. Scoble – Bring to Board recommendation for going with another accounting firm.
FOLLOW-UP: M.Scoble – Develop recommendation re emergency fund by 8/24/98.
FOLLOW-UP: W. Wunsch – Check Quick Books program to see if it has spread sheet capability.
FOLLOW-UP: M.Scoble/J. Murphy – Prepare a supplies purchase proposal after receipt of committee budgets by 8/24/98.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: W. Wunsch – Contact Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's Mobile Home Paark, and the Gamble Property owners regarding developing a proposal for black topping Story Road, and cost out project by 8/24/98.

FOLLOW-UP: David Newhouse reported he spoke with Dennis Brandon concerning permission for the GLA to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired. D. Brandon told D. Newhouse to go to the County Commissioners for their O.K. and then he would give his approval.
DISCUSSION: Question was asked if we are to be reimbursed for the road work we do on county roads? D. Newhouse suggested he make personal contact with the commissioners rather than write a letter.
FOLLOW-UP: D. Newhouse to contact County Commissioners re permission for GLA to work on Dry Creek and Story Roads.

DISCUSSION: The $15,000 road maintenance schedule was discussed and whether or not the amount allotted had been spent. M. Scoble reported that on April 20th, 1998, the Board approved spending $15,000 for grading and gravel for North and South Glastonbury and that the amount spent to date was $18,000. H. Brailsford reported a $600 overcharge on Mann Excavation bills and that, in some cases, the fee charged is for a full hour's work when the time worked was actually 10 minutes. H. Brailsford recommended that the Mann invoices be carefully check for accuracy.
ACTION: D. Newhouse moved, H. Brailsford seconded to allocate an additional $5,000 for road maintenance work to cover road work done to date over and above the original $15,000 request. Motion passed unanimously.
FOLLOW-UP: H. Brailsford (for S. Glastonbury) and D. Newhouse (for N. Glastonbury) check Mann invoices carefully for accuracy.

FOLLOW-UP: D. Newhouse – Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as a additional insured by 8/24/98.

FOLLOW-UP: D Newhouse/H.Brailsford/P.Hoag – Comprehensive plan for area near W. Pitt property.
DISCUSSION: H. Brailsford recommended GLA make a statement that there be no hunting in Glastonbury and no access to non-residents for hunting. He reported that his constituents do not want hunting in Glastonbury. D. Kehoe, Jr. suggested putting a gate on Hercules Road just beyond the Libra Road intersection and calling high south residents for their opinion about gate placement.
ACTION: H. Brailsford moved, W. Wunsch seconded that the GLA officially set a policy for N. & S. Glastonbury that there be no hunting on Glastonbury property or access through Glastonbury to Forest Service Land or other properties by non-residents, non-landowners or unaccompanied guests.
DISCUSSION: The following comments were made by Board members: How will this be enforced; suggest working with game warden; inform non-resident hunters of new policy; put up no hunting signs; put up a gate at a strategic place. Covenants state a landowner can cross another person's property to access Forest Service Land as long as it is unfenced and unposted against trespassers.
ACTION: H. Brailsford moved, W. Wunsch seconded that the Motion be revised to read: The GLA Board of Directors establish a rule that only Glastonbury residents, landowners or accompanied guests are allowed to access adjacent public or private property through Glastonbury for hunting. The motion passed unanimously.

SPEED SIGNS – H. Brailsford recommended that 25 mph speed limit signs be posted for both N. & S. Glastonbury as any speed above 25 mph creates washboards in the roads.
FOLLOW-UP – Speed signs to be an agenda item for 8/24/98

ROAD AGREEMENT WITH THE CHURCH – P. Wolberd reviewed the 2 changes the Church made from the original version first set forth and made the following recommendations: 1. That the GLA not make a counter proposal to the payment schedule for road work outlined in the road agreement (50% at first and 50% when roads are finished). 2. That item F on page 5 concerning GAV roads be deleted from the road agreement. P. Wolberd reported that he had checked with Jackie Robbins at Park County Planning office and there is no record that the GAV roads are platted. He talked, also, with Hertha Lund and asked that if the GLA lines out a portion of the road agreement and Richard Smith agrees to line it out, would that be all right. Her response was "yes."
ACTION: P.Wolberd moved and H. Brailsford seconded that P. Wolberd sign the road agreement with item F on page 5 deleted and initialed, contingent upon approval by GLA attorney, John Glover, and then mail the agreement to Richard Smith. Motion passed unanimously.
FOLLOW-UP: P.Wolberd contact John Glover and send road agreement to Richard Smith to sign off on deletion of item F on page 5.

4.3 Architecture Subcommittee Andrew Field, Chair

A. Field presented the minutes of the Architecture Subcommittee meeting of August 1, 1998. Copy filed herewith.
NEW PROJECTS FOR REVIEW: The following projects were reviewed at the 8/1/98 meeting and the subcommittee's recommendation was for the GLA Board to approve the following projects and subdivision:

Parcel 35A, N.G. Richard Johnson's Root Cellar – E. Schieffellin, landowner
Parcel 34, N.G. Timmer/Whitehead – preliminary approval of subdivision
Parcel 31 S.G. Varkevisser – Greenhouse.

The subcommittee recommended no approval for:

Parcel 34F, S.G. Bridget Lewis – needs to resubmit plans and meet requirements outlined in minutes of Architecture Subcommittee meeting of 8/1/98.
Parcel 81, S.G. Hansard/Kozlik – needs signature of landowner and foundation plans.

Parcel 47 N Margaret Roach has withdrawn plans to build a garage until a later date.

ACTION: A. Field moved and L. Kremer seconded that the GLA Board take the action outllined in the minutes of the Architecture Subcommittee meeting. Motion passed unanimously.
FOLLOW-UP: J. Murphy to notify landowners of Board's action.

FOLLOW-UP: P. Hoag – Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined by 8/24/98.

FOLLOW-UP: A. Field – Proposal to hire inspector for new project sites. Architecture Subcommittee debated the proposal and concurred that the burden is on the builder to make certain that their plans are in conformity with building requirements. The Subcommittee recommended that the GLA not hire, at the builder's expense, an inspector to review building projects and that the builder hire someone if they need assistance with their plans.

4.5 Nominating Committee Report Joan Murphy, Chair

APPOINTMENT OF NEW MEMBERS:
ACTION: J. Murphy moved and M. Scoble seconded that the GLA Board appoint Judy Anderson and Jeanne Campbell to the Nominating Committee. Motion passed unanimously.
NOMINATION FORM AND LETTER: J. Murphy distributed copies of the letter and nomination form that are to go out to each landowner. The Board reviewed the form and letter and they were approved by consensus with changes. Copies filed herewith.

FOLLOW-UP: Nominating Committee to send out nomination form and letter by 8/7/98.

4.6 Complaint Committee Joan Murphy, Chair

FOLLOW-UP: J. Murphy sent letter to William Pitt on July 15, 1998.

4.8 High South Fire Water Reservoir Advisory Committee – Water Wunsch, Chair

FOLLOW-UP: W. Wunsch/H. Brailsford – Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 8//24/98.

6. Unfinished Business

6.10 M. VON HAUSEN LETTER – (Copy attached herewith) P. Wolberd reported that he talked to Hertha Lund about the letter and would work with the Church in responding to M. Von Hausen. The letter of June 18, 1998 was addressed to Craig Woodland, with copies to Patrick Wolberd and Gilbert Cleirbaut. H. Lund had seen the correspondence in the situation, but not the original contract. P. Wolberd said he was inclined for the GLA to do a separate signed response and would talk to the GLA attorney, John Glover, regarding our position.
FOLLOW-UP: P. Wolberd to contact H. Lund and John Glover re the Von Hausen letter.

ADDITION TO COMMITTEE OPERATIONAL PROCEDURES
At this point in the meeting, D. Kehoe, Jr. recommended the insertion of a new paragraph 5 in the Procedures, changing the present paragraph 5 to 6. The new paragraph would cover resignation and removal of members which is not covered in the Bylaws or Guidelines. The new paragraph would empower the committee chairman to remove a committee member.
DISCUSSION & COMMENTS: D. Kehoe was asked to read the procedure for forming a committee as that would become a guideline for changing membership. There is a need to have a protocol for removing committee members. It is unwise to remove committee and subcommittee members without approval of GLA Board as removing a member is a serious action and could cause a political problem in the community.
P. Wolberd clarified the situation, stating that this action is related to Craig Woodland and his membership on the LUMPCOM. D. Kehoe stated that C. Woodland contacted M. Von Hausen on June 17, 1998 and gave him inaccurate information which precipitated M. Von Hausen's letter of June 18. Also, other incidences of transference of inaccurate information by C. Woodland have taken place. D. Kehoe would like to remove C. Woodland's mantle of being on the LUMPCOM because of his actions. He would still be able to attend meetings, but would not be able to act officially as a member of the committee
FURTHER DISCUSSION AND COMMENTS: In a committee setting it is important to have people who work well together in order to accomplish anything. LUMP is critical to Glastonbury. If membership personnel problems develop, let

GLA Board handle them and remove the burden from the Chairman of the Committee. The Chairman is the general in the field dealing with the immediacy of the problem and if the Board feels someone is an asset, they can put the person back on the committee. But the chairman needs empowerment to move as he sees best. The Board is sensitive to the need to conduct business and for the mechanism to work. Recommendation made that a committee chairman who is concerned about the actions of a committee member come to the Board with the situation and have it addressed at the next Board meeting. A compromise would be to suspend a committee member until the GLA Board has the opportunity to review the case. ACTION: D. Kehoe moved and H. Brailsford seconded that the new paragraph 5 in Committee Operational Procedures read as follows: **Ongoing Membership.** The committee chairman shall be responsible to replace, as necessary, members who resign and obtain Board approval for replacements at the next meeting. The chairman may suspend members for just cause. Suspended committee members may be removed or reinstated by a simple majority vote of the GLA Board at the next meeting. Motion passed unanimously.

ACTION: D. Kehoe moved and W. Wunsch seconded that the Board approve William Smith to be a member of the LUMPCOM. Motion passed unanimously.

REQUEST BY CRAIG WOODLAND: A request was made by C. Woodland to have his suspension reviewed immediately and not wait as he might not be able to be at the next GLA meeting and it is important for the committee member under suspension to be present at the meeting. Because of the presentation of the LUMP and the late hour, a decision was made to take up C. Woodland's' suspension at the 8/24/98 meeting. If he is unable to be present, then the matter would be put on the agenda for the 9/14/98 meeting.

4.7 Land Use Master Plan Advisory Committee Daniel Kehoe, Jr., Chair
Draft of LUMP presented for Board review. Copy attached herewith.

9. Open Floor Comments No comments.

10. Next Meeting – Next meeting will be at 7:00 p.m., August 24, 1998, at S. Glastonbury T.C.

11. Adjournment – Meeting was adjourned at 11:05 p.m.

Respectfully submitted by

Joan Murphy
Secretary

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
August 3, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets by 8-3-98

4.2 Finance Committee Report - Maria Scoble, Chair

FOLLOW-UP: M. Scoble/R. Varkevisser - Complete revised proposal on delinquent accounts and cover letter to members. Call some of the landowners regarding delinquent accounts, by 8-3-98

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 8-3-98

FOLLOW-UP: M. Scoble/R. Varkevisser - Write letters as follow-up to calls made by 8-3-98

4.3 Architecture Subcommittee - Andrew Field, Chair

NEW PROJECTS FOR REVIEW:

Clair Varkevisser, S. Glastonbury

Bridgett Lewis, S. Glastonbury

Robert & Mary Wallace (Timmer Property), N. Glastonbury

Margaret Roach, N. Glastonbury

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 8-3-98

FOLLOW-UP: A. Field - Research possibility of hiring a site visitor to inspect new project sites for $50 or so, by 8-3-98

4.4 Road Committee Report - David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Call Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's Mobile Home Park, and the Gambled Property owners regarding developing a proposal for black topping Story Road, and cost out the project by 8-3-98

FOLLOW-UP: D. Newhouse - Ask permission from Dennis Brandon to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired by 8-3-98

FOLLOW-UP: D. Newhouse - Complete $15K road maintenance schedule for G. North and G. South by 8-3-98

FOLLOW-UP: D Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 8-3-98

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property by 8-3-98

FOLLOW-UP: P. Hoag - Contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access and projected project cost by 8-3-98

FOLLOW-UP: P. Wolberd - Get legal advise from attorney on agreement and report back by 8-3-98

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
August 3, 1998

4.5 Nominating Committee Report - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress by 8-3-98

4.6 Complaint Committee - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Send W. Pitt letter by 8-3-98

4.7 Land Use Master Plan Advisory Committee - Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Complete current draft of LUMP for Board review by 8-3-98

FOLLOW-UP: P. Wolberd - Sign Comma-Q contract upon attorney approval.

4.8 High South Fire Water Reservoir Advisory Committee - Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 8-3-98

5. Ombudsman Report - Laurel Matthews (South) & Margaret Roach (North)

6. Unfinished Business

6.1 By-Laws/Covenants voting discrepancies

FOLLOW-UP: Board - Review memo for comment on 7-13-98 [Consider moving this to nominating committee.]

6.2 Association Letter Head

FOLLOW-UP: J. Murphy/L. Matthews - Coordinate GLA letterhead/logo design by 7-13-98

FOLLOW-UP: W. Wunsch - Find out if existing COG logo is available to GLA by 7-13-98

6.3 Office space needs

Glastonbury Landowners Association
Board of Directors Meeting
Agenda
August 3, 1998

FOLLOW-UP: J. Murphy - Check with D. Kehoe, Sr. re office availability at new TC location by 7-13-98 [Consider deleting.]

6.4 Covenant Agreement Form Use - J. Murphy

6.5 Filing Liens when assessments owed. - P. Hoag

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of liens for over due assessments by 7-13-98

6.6 GLA as a possible investor in GAV - W. Wunsch

6.7 Leykamm Letter

FOLLOW-UP: D. Kehoe - Seek legal advice from Glover firm on matter and draft letter to be sent by 8-3-98

6.8 Forming a welcoming Committee for new GLA Members - P. Wolberd

6.9 Four Board Meeting re Church Land donation report - P. Wolberd

6.10 M. Von Hausen Letter - P. Wolberd

FOLLOW-UP: P. Wolberd - Contact Hertha Lund, legal counsel for Church, re how to pursue this matter by 8-3-98.

6.11 Speed Bump on Sirius Drive - William Mountjoy

FOLLOW-UP: W. Mountjoy - Report suggestions to Board on how to deal with speed problem by 8-3-98

7. Tabled Business

>>>>>*7.1* ***Noxious Weed Committee Formation*** -

7.2 Should GLA accept responsibility for maintenance of subdivision roads? - D. Newhouse

7.3 Study guidelines for Tree removal - P. Hoag

7.4 Write accounting procedures - M. Scoble/P Keathley

PO BOX 312
EMIGRANT, MONTANA 59027

July 22, 1998

Dear Glastonbury Landowner,

As you can see from the enclosed statement, your landowner's assessment fees have become past due.

At this point, I would like to remind you that, as outlined in the Restated Declaration of Covenants for the Community of Glastonbury, non-payment of these fees shall become a continuing lien on your parcel, tract or lot. Also, a 5 percent (5%) penalty will accrue on the amount of payment due and the assessment shall bear an interest from January 1, 1998 at the rate of 1-1/2 percent (1.5%) per month, compounded monthly (See Restated Declaration of Covenants, Section 11. **Community Assessment**).

I fervently hope that we will hear from you regarding payment of your outstanding assessments in order to ~~forego~~ forestall the placing of a lien on your property. Please write or call me (406-333-4306) or Roelof Varkevisser (406-333-4614) with your payment plan within 30 days.

Sincerely,

Maria Scoble
Treasurer

M. A. VON HAUSEN & ASSOCIATES

COMMUNITY planning, design, and development consultants

June 18, 1998

Craig Woodland
Member, Glastonbury Master Plan Committee
PO Box 999, Emigrant, MONTANA 59027

File: 98-RTR-06

Dear Craig:

RE: GLASTONBURY'S Land Use Master Plan and Design Guidelines

It was a pleasure speaking with you yesterday. Thank you for taking the initiative to contact me as a member of the Land Use Master Plan Committee. I am writing this letter to explain my feelings about how I was treated, the facts around the circumstances and the implications of recent decisions on the future of Glastonbury. I have also included nine questions that I would like answered or at least addressed to the Master Plan Committee so that they know the background and the potential impacts of their decisions. I feel it is important that Patrick Wolberd and Gilbert Cleirbaut also receive a copy of this letter. I encourage you to share with Patrick the earlier correspondence to Gilbert and the GLA that I sent to you this morning by FAX. This will provide further detail so that Patrick has a full appreciation of the facts.

As I emphasized in our telephone conversation yesterday, I feel a real sense of dissappointment and betrayal in the way my dismissal was handled. It was unjustified and unacceptable, especially since the draft Master Plan was endorsed by the majority of Community members that attended the presentation in March of 1997. The attached final Draft of the Land Use Master Plan and the Community Design Guidelines (March 1998) were refinements or necessary additions to the original Master Plan and part of the original contractual agreement with the Church. These documents represent the quality and connection to the County and State Plans necessary for approval. Completing these documents in advance of the GLA's advice was simply a matter of anticipation and directly conflicts with the GLA's assessment, in their letter of May 25 relating to my dismissal, that the GLA's decision to discontinue my services was based on "how best to complete the Master Plan in a comprehensive, precise and timely manner."

Furthermore, it is also interesting that you mentioned in our telephone conversation that the assessment of the quality of the documents that I sent to the Committee came from one person on the Committee, namely Dan Kehoe Sr., and that you nor anyone else on the Committee had the chance to personally review my documents (as I sent four copies for that purpose). This conduct goes against the "Founding Principles" of the Master Plan Process established by the Community at the meeting of April 27, 1996 (I sent these Principles to you this morning by FAX). In addition, the suggested "density schedule" concept by Dan Kehoe Sr. that we discussed has been generated by one person and has not been reviewed by the Community. Again, this addition and process is contrary to the Founding Principles of the Master Plan process.

I would request that Patrick or yourself please answer the following questions to further clarify the situation for me and to further inform the Master Plan Committee and the GLA:

14562 16A Avenue, White Rock, British Columbia, Canada V4A 5S1
Tel. (604) 536-3990 Fax (604) 536-3995

1. How does the Master Plan Committee represent the interests of the members of the GLA?

2. Should the Committee not have the responsibility to review the Master Plan and Design Guidelines documents as individuals before such an important decision is to be made as to dismiss the consultant?

3. Does the Committee know the ramifications of my dismissal in that they can not now use any of my illustrations (completed following my March 1997 visit and including perspectives of the Village Centres and the Clusters) or any of the detailed refinements in the content, policy or the Master Plan Map on page 43 and page 44?

4. Is the Committee aware that I will have withdrawn any support for the Master Plan and any association with it - my name nor company name is not to be used in any way in association with the Master Plan as I do not support the current direction and will not be able to review the final product?

5. Does the Committee know I spent 180 hours on the refinement of the Master Plan, the development of the Design Guidelines and accompanying Performance Standards that directly serve the interests of future Site Plan review of development proposals?

6. Is the Committee aware of my outstanding invoice of $5,850 respecting the Master Plan and Design Guidelines (March 1998 drafts) for work completed between March 20,1997 and March 2, 1998; and that invoice represents a 50% discount of actual fees associated with the hours spent on the project? In line with this, does the Committee realize that if it considers the hiring of another planning professional, that planner's normal obligation is to ensure that all previous invoices have been settled before commencing work?

7. Does the Committee realize that I have spent at least twice to three times the amount of time on this project over the past two years than I have billed them?

8. Do all the Committee Members know that the original Draft Master Plan (March 1997) was endorsed by the Community at the March 1997 meeting and that any additions, like the addition of the suggested "density schedule", could go against the whole principle of flexibility and innovation encouraged in the Master Plan; and that any alterations to the Master Plan would have to be endorsed by the majority of the Community with this in mind?

9. Does the Committee know that my approach using Design Guidelines has been tested at the Walker Center in Bozeman, that the product is quality design, and that the Design Guidelines provide a long term quality control framework for development under the direction of a Design Review Committee?

I believe that these questions that I have presented should be shared with the Master Plan Committee Members so that they can make an informed and collective decision about their treatment of me as a consultant to the process. As I understand from our conversation, there is a current feeling by at least a couple of the members of the Committee that they do not need a planner now. Is this a shared feeling on the Committee? I would expect not if the information above is shared with them and they realize the direct and indirect costs of their decision. I also expect that they may reconsider.

You asked me yesterday if I would consider working again for the Community of Glastonbury. I would have to consider this proposal very carefully as I have never been dealt with in such an unprofessional way in my entire consulting career. I am not taking this situation lightly as I am also concerned about the implications of the current change in direction.

Who is going to present the Master Plan and work through the approvals with the County Commissioners? More importantly, it appears that the Master Plan could essentially revert to a "Zoning Plan" and something that may not be well received, based on the recent experience that you described to me in the Big Timbers area. A "Zoning Plan" is exactly what the Community wants to stay away from as it will limit the future development potential, land value and innovation in the Community. When do we learn from our past mistakes! That is exactly why I thought the Community of Glastonbury retained my services to develop an innovative plan and an example for the County - not the same old thing that will result in the same old mobile home development! This spells disaster in my mind.

I might consider being retained again after the following conditions have been met:

1. I receive a formal apology from the Master Plan Committee outlining the reasons for the Committee's decision and a method of communication so that a situation such as this is prevented in the future.

2. Payment in advance of at least the $5,850 owed to me for the outstanding work completed (180 hours between March 20, 1997 and March 2, 1998) represented by the two draft documents: the Community of Glastonbury Master Plan, and the Community Design Guidelines (dated March 1998 and attached as exhibits).

No matter what the outcome, I consider the $5,850 an outstanding invoice (outlined in my correspondence of March 6,1998 to Patrick Wolberd concerning work between March 20,1997 and March 2, 1998) and that the Community of Glastonbury Landowners Association is obligated to pay me that amount. I would consider payment over six months a reasonable proposal.

I will leave the delivery of this message and questions for you to present to the Committee and discuss with Patrick as appropriate. I am sure there will be some sensivities associated with at least part of the information presented here, so handle the information accordingly. I believe the information is presented objectively and without bias.

It should be the responsibility of the Master Plan Committee collectively to make a more informed decision based on a more complete picture. I provide this information in the spirit of fairness and the future of Glastonbury. May God be with us.

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
August 24, 1998

1. **Call to Order, Prayer** - The meeting was called to order at 7:28 p.m., by Daniel Kehoe, Jr., at the South Glastonbury Teaching Center. Invocation was given by Daniel Kehoe, Jr.
PRESENT: Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Peggy Keathley, Linda Kremer and Walter Wunsch. Laurel Matthews, Ombudsman for South Glastonbury, was also present.
PRESENT BY PROXY: Andrew Field.
ABSENT: Patrick Wolberd, Maria Scoble, Philip Hoag, David Newhouse and Horus Brailsford. Margaret Roach, Ombudsman for North Glastonbury , was absent also.

2. **Reading and Dispositon of Minutes** - Minutes from 8-4-98 were distributed and tabled.

3. **Order of Businessn**

4. **Reports of Officers and Committees**

4.1 Treasurer's Report Maria Scoble, Treasurer

J. Murphy, in Maria Scoble's absence, distributed Profit and Loss Statement (Cash Basis) for January 1 through July 22, 1998, Balance Sheet (Cash Basis) as of July 22, 1998, Profit and Loss Statement (Accrual Basis) for January 1 through July 22, 1998, and the Balance Sheet (Accrual Basis) as of July 22, 1998. Copies of these documents are filed herewith.

FOLLOW-UP: M. Scoble/ J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets by 9-14-98.

FOLLOW-UP: M. Scoble - Bring recommendation regarding accounting needs to next meeting, 9-14-98.

FOLLOW-UP: W. Wunsch - Determine if Quick Books has a budget variance report

format by 9-14-98.

4.2 Finance Committee Report Maria Scoble, Chair

FOLLOW-UP: M. Scoble - Develop a recommendation re emergency fund by 8-24-98.

DISCUSSION: J. Murphy suggested that a plan be implemented to simply put aside a certain amount of money in a savings account which could be accessed easily and withdrawn if needed. It was stated that First Security Bank in Bozeman has a rating of A minus, and American Bank in Livingston, a rating of B minus. Discussion will be continued.

FOLLOW-UP: M. Scoble/ R. Varkevisser - Make calls as follow-up to lien letters by 9-14-98.

4.3 Architecture Subcommittee Andrew Field, Chair

NEW PROJECTS FOR REVIEW

Subdivisions

Marcia McCarry, S. Glastonbury

Vivian Mason, N. Glastonbury

Constructions

David Tonkin - drilling well, S. Glastonbury

Bridget Lewis - resubmitted plans, S. Glastonbury

James Kozlik (Donald Hansard) - plans for foundation, S. Glastonbury

Dr. Brad Tidsdale - house, N. Glastonbury

R. & M. Wallace (Timmer Property) -(roads completed), N. Glastonbury

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Istallation of Utilities, for possible revision, completion date to be determined at 9-14-98.

FOLLOW-UP: J. Murphy - Notified landowners of committee action.

4.4 Road Committee Report David Newhouse, Chair

First five FOLLOW-UP items on August 24th Agenda under Road Committee were not discussed.

W. Wunsch stated that the Road Committee needed an internal meeting with its members to clarify key actions in writing in order to make all transactions transparent and all actions coordinated between North and South Glastonbury and Archie Mann, et al. He also suggested that the biddings for gravel spreading, etc. needed to be secret for best economic performanc; actions to be scheduled in writing with all members knowing ahead of time what will be happening.

FOLLOW-UP: P. Wolberd - Get legal advice from attorney on agreement and report back by 8-24-98: Letters to J. Glover and R. Smith , along with corrected copy of the Settlement Agreement with the Church were submitted. Copies of these documents are filed herewith.

FOLLOW-Up: H. Brailsford - Bring speed sign recommendation to next meeting, 9-14-98.

4.5 Nominating Committee Report Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress by 8-24-98: There have been no nominations as yet. It was agreed by consensus to hold the Annual Meeting at Emigrant Hall.

FOLLOW-UP: J. Murphy - Has sent out nomination forms and letter.

4.6 Complaint Committee Joan Murphy, Chair

There have been no complaints.

4.7 Land Use Master Plan Advisory Committee Daniel Kehoe, Jr., Chair

D. Kelhoe reported no new progress in three weeks. Meeting will be scheduled soon.

386

FOLLOW-UP: D. Kehoe - Present suspension of Craig Woodland as a committee member for Board action at 9-14-98 meeting.

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

W. Wunsch reported that Archie Mann is researching the use of a tank for reservoir purposes.

FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 9-14-98.

5. Ombudsman Report No report.

6. Unfinished Business

6.1 By-Laws/Covenants voting discrepancies

J. Murphy reported there are discrepancies between the By-Laws and the Covenants on how to count votes. J. Glover should be contacted for clarification.

FOLLOW-UP: Board - Review memo for comment on 9-14-98 {Consider moving this to Nominating Committee.}

6.2, 6.3 No discussion.

6.4 Covenant Agreement Form use

J. Muphy asked if the GLA wanted to follow the form used in the Covenants.

P. Keathley stated that the Covenants are given to new residents but no signature is required regarding them.

6.5 Filing Liens when assessments owed - P. Hoag

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of Liens for overdue asessments by 9-14-98.

6.6 GLA as a possible investor in GAV - W. Wunsch No discussion.

6.7 Leykamm Letter

Draft letter to Manfred Leykamm, under signature of P. Wolberd was submitted. Copy of this letter is filed herewith.

DISCUSSION: After discussion, it was agreed that the sentence, "It is not possible for the Board to release your property from the Covenants ," be added in the 3rd or 4th paragraph. J. Glover will be consulted as to what are the mechanics if one wants to withdraw from the Covenants. After comments from Glover, letter will go out.

FOLLOW-UP: D. Kehoe - Send letter to J. Glover by 9-14-98.

Henry Lee Letter

Draft letter to H. Lee under signature of P. Wolberd was submitted. Copy of this letter is filed herewith. Content follows Ranch policy of waiving assessment on parcel with no road accessing land since resident does pay assessment on other land owned in Glastonbury.

FOLLOW-UP: D. Kehoe - Get advice from J. Glover on letter by 9-14-98.

6.8 Form a Welcome Committee for new GLA members - J. Murphy reported that both she and P. Wolberd were planning to make social visits to new residents.

6.9 Four Board Meeting re Church Land Donation report - P. Wolberd has done this.

6.10 M. von Hausen Letter - P. Wolberd

FOLLOW-UP: P. Wolberd - Contact Hertha Lund, legal counsel for Church, and John Glover, GLA attorney re how to pursue this matter by 9-14-98.

6.11 Speed Bump on Sirius Drive - W. Mountjoy

FOLLOW-UP: W. Mountjoy - Report suggestions to Board on how to deal with speed problem by 9-14-98.

7. Tabled Business

7.1 *Noxious Weed Committee Formation*

J. Murphy stated that the whole Board may have to vote on what to do about noxious weeds on right of way along roads. Spraying must be done by licenced sprayer. Mark

Nardin charges minimum of $50 and then by area covered. Archie Mann should not plow weeds under. Weeds should be cut.
FOLLOW-UP: Board - Vote on weed policy 9-14-98.

7.2 - 8.4 No discussion.

9. Open Floor Comments

Gilbert Zimmerman stated he would like to discuss relationship between the LUMP and co-housing. It was suggested to him to attend the next LUMP committee meeting and make his presentation there.
Walter Wunsch offered his opinion that the GLA Board meetings would profit in efficiency if each Board member were given a chance to conduct the meeting; that is, each meeting be presided over by a different chairman. This would allow different styles of conducting and would also allow the leader to step back and observe and be more detached.

10. Next Meeting - Monday, 7:00 p.m., September 14, 1998, North Glastonbury.

11. Adjornment - Meeting was adjourned at 8:20 p.m.

Respectfully submitted by

Laurel M. Matthews

Glastonbury Landowners Association Board of Directors Meeting

Agenda

August 24, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
4. Reports of Officers and Committees

4.1 Treasurer Report - Maria Scoble, Treasurer

FOLLOW-UP: M. Scoble/J. Murphy - Prepare a supplies purchase proposal after receipt of committee budgets by 8-24-98

FOLLOW-UP: J. Murphy - Mail copies of financial report with notice of meeting by 8-24-98

FOLLOW-UP: M. Scoble - Bring recommendation regarding accounting needs to next meeting, 8-24-98

FOLLOW-UP: W. Wunsch - Determine if Quick Books has a budget variance report format by 8-24-98

4.2 Finance Committee Report - Maria Scoble, Chair

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund by 8-24-98

FOLLOW-UP: M. Scoble/R. Varkevisser - Make calls as follow-up to lien letters by 8-24-98

4.3 Architecture Subcommittee - Andrew Field, Chair

NEW PROJECTS FOR REVIEW:

Bridgett Lewis, S. Glastonbury

Robert & Mary Wallace (Timmer Property), N. Glastonbury

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision, completion date to be determined at 8-24-98

FOLLOW-UP: J. Murphy - Notify landowners of committee action by 8-24-98

4.4 Road Committee Report - David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Call Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's Mobile Home Park, and the Gambled Property owners regarding developing a proposal for black topping Story Road, and cost out the project by 8-24-98

FOLLOW-UP: D. Newhouse - Ask permission from Dennis Brandon to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired by 8-24-98

FOLLOW-UP: D. Newhouse - Complete new road maintenance schedule for G. North and G. South by 8-24-98

FOLLOW-UP: D Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 8-24-98

FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property and contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access and projected project cost by 8-24-98

FOLLOW-UP: P. Wolberd - Get legal advise from attorney on agreement and report back by 8-24-98

FOLLOW-UP: H. Brailsford - Bring speed sign recommendation to next meeting

4.5 Nominating Committee Report - Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress by 8-24-98

FOLLOW-UP: J. Murphy - Send out nomination form and letter by 8-7-98

4.6 Complaint Committee - Joan Murphy, Chair

4.7 Land Use Master Plan Advisory Committee - Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Present suspension of Craig Woodland as a committee member for Board action either at 8-24-98 or 9-14-98 meeting.

4.8 High South Fire Water Reservoir Advisory Committee - Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 8-24-98

5. Ombudsman Report - Laurel Matthews (South) & Margaret Roach (North)

6. Unfinished Business

6.1 By-Laws/Covenants voting discrepancies

FOLLOW-UP: Board - Review memo for comment on 7-13-98 [Consider moving this to nominating committee.]

6.2 Association Letter Head

FOLLOW-UP: J. Murphy/L. Matthews - Coordinate GLA letterhead/logo design by 7-13-98

FOLLOW-UP: W. Wunsch - Find out if existing COG logo is available to GLA by 7-13-98

11. Adjournment

Glastonbury Landowners Association, Inc.
P. O. BOX 312
EMIGRANT, MT 59027

August 24, 1998

Manfred Leykamm
P. O. Box 441
Emigrant, MT 59027

Dear Manfred:

The Glastonbury Landowners Association received your request to be removed from the Glastonbury Covenants. We have taken this matter up with area real estate agents, neighboring landowners and the GLA attorney.

The Restated Covenants that were voted on last Fall were benchmarked with other communities in the area. These Covenants are similar with what area developments are adopting. Covenants are an asset to communities since they serve to protect the landowner from uncontrolled growth, nuisances and eyesores and commercial activity and guide development on adjacent parcels. To remove your property, which is the heart of the southwest section of South Glastonbury, would remove that protection from adjacent landowners.

The point of your driveway accessing a county road and not a Glastonbury road is well taken, but we feel a minor point on two accounts. First, snowplows hired by the GLA have plowed the county road in the past, well in advance of any plows sent by the county. Second, only a portion of the GLA membership dues go to road maintenance, the rest goes to running the Association and enforcing the Covenants that help every landowners property retain it value.

We are looking forward to further improvements in Glastonbury with the adoption of the Land use Master Plan and the Royal Teton, Ltd's adoption of the plan and returning the reserved lands back into Glastonbury to create village centers and commercial centers vital for our community's growth. I thank you for your understanding of this matter and hope that our efforts to improve Glastonbury aid you in the sale of your beautiful home.

Sincerely,

Patrick Wolberd
President

August 15, 1998

John Glover, Attorney
Berg Law Firm
910 Technology Boulevard South
Bozeman, MT 59715 587-3181

Dear Mr. Glover,

Enclosed is a copy of the Settlement Agreement between the Church and the Glastonbury Landowners Association, Inc. concerning the uncompleted Glastonbury road construction work. The board of directors has asked me to have you review and comment on this before I sign it.

The GLA board of directors accepts the terms of this agreement with the exception of item F. (Golden Age Village private roads) on page five, which I have lined out and initialed as deleted. We are not in agreement with this item because there is no record that we can find defining the GAV private roads as dedicated Glastonbury roads. Our concern is that if we agree to this language, we will then be obliged to maintain these roads. I checked with Jackie Robins, at the Park County Planning Office and she could find no record of these roads being dedicated to the Community of Glastonbury. Previous to this last agreement there has never been any reference to this matter.

Please review this agreement and my cover letter for the purpose of identifying any legal problems with the wording or other red flags. Also instruct me as to the line out modification method I have used to remove item F. from the agreement. We would like to make it as expedient as possible to move ahead with a signed agreement and avoid the time consuming process of typing up a new agreement, which would then require more scrutiny by both sides.

I may be reached by phone on Tuesday through Thursday at my Billings office (656-2224) or Friday through Monday by cell phone at my Livingston office (223-2002), or at home in Emigrant (333-4722) if you have a need to discuss this matter with me. You may FAX me at my home phone (333-4722) at any time with your written comments.

Thank you for your assistance in this matter. I would like to get this back in the mail by August 15, 1998, if it is possible for you to respond within that time frame.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312
Emigrant, MT 59027

August 18, 1998

Richard Smith
Vice President Community Operations
P.O. Box 5000
Corwin Springs, MT 59030-5000

Dear Richard,

Enclosed are all three copies of the Settlement Agreement between the Church and the Glastonbury Landowners Association, Inc. concerning the uncompleted Glastonbury road construction work.

The GLA board of directors accepts the terms of this agreement with the exception of item F. (Golden Age Village private roads) on page five, which I have lined out and initialed as deleted. We are not in agreement with this item and believe that these roads belong to the property owner as does their repair and maintenance.

Upon the advise of our attorney I have also lined out the overly broad language, "...other uncompleted obligations..." found on page one, last paragraph; page two, third paragraph; and page six, paragraph G.

We believe we have reached a mutually beneficial agreement with the enclosed document, as modified, and are prepared to move ahead with the completion of this work immediately upon receipt of a signed agreement. We are hopeful the executive board will see the wisdom of such action.

Please initial the deletions noted above, addition on page six and date correction on page one, all three agreements and return one copy to me for our records.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

NOTICE: THIS CONTRACT IS SUBJECT TO ARBITRATION PURSUANT TO TITLE 27, OF CHAPTER 5, MONTANA CODE ANNOTATED, THE "UNIFORM ARBITRATION ACT" OF MONTANA.

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT dated as of ~~June~~ August 15, 1998, is made by and between CHURCH UNIVERSAL AND TRIUMPHANT, INC., a Montana nonprofit corporation (the "Church"), and GLASTONBURY LANDOWNERS ASSOCIATION, INC., a Montana nonprofit corporation (the "Association").

WHEREAS, an Assignment of Declaration of Covenants executed by the Church and the Association on June 16, 1997 specifically provided that the Association "shall not assume any uncompleted obligations of the Church or its predecessor-in-interest as of April 30, 1997, including, but not limited to, uncompleted road construction work (but not including road maintenance and improvement work)"; and

WHEREAS, the Restated Declaration of Covenants for the Community of Glastonbury (the "Glastonbury Covenants") specifies the property and road easements which are subject to the Glastonbury Covenants and which are currently under the jurisdiction of the Association; and

WHEREAS, the Association has asserted claims against the Church for uncompleted road construction work and other matters in the Community of Glastonbury; and

WHEREAS, representatives of the Church and the Association have met to discuss and agree upon the extent of the Church's obligations to complete any road construction work ~~or other uncompleted obligations~~ in the Community of Glastonbury; and

Delete Line 3rd PW

WHEREAS, the Church affirms that it is responsible for the cost of the original construction of the Glastonbury roads to a reasonable standard, including, where applicable, the cost of upgrading certain previously constructed roads to an adequate standard and the cost of constructing any additional platted community roads which have not yet been developed to existing parcels which have not yet been sold or offered for sale; and

WHEREAS, the Association has obtained contractor bids for the cost of upgrading previously constructed roads to an adequate standard and the parties have agreed upon the work and the costs thereof; and

WHEREAS, the Church and the Association have agreed to certain terms and conditions for the resolution of the Church's outstanding obligations pertaining to uncompleted road construction work ~~and any other uncompleted obligations~~ in the Community of Glastonbury, and desire to set forth such provisions herein; and

Delete Line Out PW

WHEREAS, the parties have also agreed that the Church is not responsible for the cost of periodic maintenance or special improvements (such as guardrails) that were intended to be funded from the proceeds of annual community assessments payable by landowners in the community;

NOW, THEREFORE, in consideration of the mutual agreements and understandings set forth herein and for the other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Church and the Association hereby agree as follows:

A. The Church will pay the liquidated cash sum of $24,325 to the Association in full satisfaction of all outstanding road construction obligations for the existing segments of the platted community roads in Glastonbury North and Glastonbury South which have been put into service, as follows:

1. One-half ($12,162.50) at the time of execution of this Settlement Agreement; and

2. The remaining balance ($12,162.50) upon completion of all road construction work itemized below:

GLASTONBURY NORTH

1. Capricorn Drive/Aquarius Lane Intersection: Construct a water catch basin on the left side of the road.

2. Pisces Way: Bring the road up to standard.

3. Capricorn Drive: Construct a catch basin and install culvert in front of Fred Morsell's parcel.

4. Capricorn Drive and Aries Drive intersection: Construct a catch basin and install one culvert.

5. Capricorn Drive (across from parcel marker #215 and #217): Create proper drainage, elevate road and install culvert and catch basin.

6. Venus Way: Complete the cul-de-sac and widen the road to county standards for approximately 200 yards and install one culvert.

7. Mercury Lane: Widen the road and complete the cul-de-sac.

8. Gemini Road: Widen the road, unplug and extend the culvert and adjust the slope of the shoulder.

9. Orion Way: Complete the cul-de-sac.

10. Sirius Drive: Repair damaged culvert pipe and backfill and repair washout.

GLASTONBURY SOUTH

11. Virgo Way from Dry Creek Road to northeast end of "Brailsford Driveway": Widen the road and apply top coating.

12. Leo Lane: Complete the cul-de-sac.

13. Hercules Road/Scorpio Way intersection to Skyway Drive: Build road up along Goldmeyer Creek, and construct ditches to prevent the creek from running down the road.

14. Scorpio Way: Widen road, construct ditches and remove trees.

15. Polaris Way: Install a culvert.

16. High South: Dispose of 4 slash piles from the original road construction.

B. The Church shall not be responsible to pay for the cost of any periodic maintenance or special improvements which may be needed for any of the existing Glastonbury roads, including the installation of any guardrails. The Church shall not upgrade Avalon Lane at this time, since it is only an interior parcel driveway and not a platted community road, and also since the parcel has not been subjected to the Glastonbury Covenants. Likewise, the Church does not expect the Association to maintain this road. Should the parcel be developed or subdivided in the future, the location, status and quality of the road would have to be addressed by the owner at that time in accordance with the existing standards or requirements of the Association and/or Park County.

C. Certain segments of the platted community roads in Glastonbury North and Glastonbury South have never been constructed or put into service and are not included in the costs set forth above. Similarly, the parcels to be served by these segments of road have not been sold or offered for sale by the Church and/or the parcels and roads have not been subjected to the Glastonbury Covenants. These road segments include the following:

ROAD SEGMENT	PARCELS SERVED
a. Pisces Way from Parcel 41 to end	Parcel Nos. 54, 55 and 56/ Glastonbury North
b. Jupiter Way from Parcel 22 to end	Reserved Land/Glastonbury North
c. Gemini Road and spur road from Parcel 66 to end	Parcel Nos. 60, 63, 64, 65, 68, 69 and 70/Glastonbury North
d. Virgo Way from Parcel 17 across Dry Creek (including bridge or culvert) to NE end of "Brailsford driveway"	Parcel Nos. 9 and 17/ Glastonbury South

e. Chalice Well Way	Parcel Nos. 4-11 and Reserved Land/Glastonbury South
f. Cancer Road	Parcel Nos. 12-17/ Glastonbury South

Contingent upon the addition of these areas to the Glastonbury Covenants, the Church, and/or its successors and assigns as the developer, agrees to accept responsibility for the cost of the original construction of these segments of road at least to the standard of community roads as contained in the Specifications and Standards for Gravel Road Construction, Rev. 87-2 or any subsequent amendments thereto, and for the cost of providing backbone electric and telephone systems prior to selling individual parcels which are served by these roads. Once the original construction of any of these roads has been completed to the applicable standard, electric and telephone systems have been installed to any affected parcels and they have been subjected to the Glastonbury Covenants, the Association agrees to accept responsibility for the maintenance of such roads in accordance with the Glastonbury Covenants.

D. Except as set forth in "C" above, the Association agrees to accept responsibility for all of the other existing community roads within the platted or recorded easements subjected to the Glastonbury Covenants in Glastonbury North and Glastonbury South, as well as for Aries Drive and Sirius Drive in Glastonbury North (which are not within a platted or recorded easement), and to complete the work identified in "A" above within one (1) year from the date the first one-half payment is made by the Church.

E. Concerning Aries Drive and Sirius Drive in Glastonbury North, the Church agrees to revise a portion of Certificate of Survey No. 615A or to provide a new survey in the context of the comprehensive land use master plan to plat these roads as private access and public utility easements (community roads) pursuant to Section 8 of the Glastonbury Covenants.

~~F. The parties agree that the roads within the Golden Age Village mobile home park, including those roads referred to as Helios Way, Vesta Lane, Helios Circle and Vesta Circle, are part of the platted community roads in the Community of Glastonbury which have been subjected to the Glastonbury Covenants and that they have been constructed to an adequate standard.~~

Delete section F. PW

G. In consideration of the payment made herein by the Church and the other terms and agreements between the parties contained herein, the Association hereby releases, acquits and discharges the Church from any and all additional claims for uncompleted road construction obligations ~~or any other uncompleted obligations~~ in the Community of Glastonbury which might or could be owing from the Church to the Association, except as set forth herein ~~or in any other written agreements between the parties not relating to roads.~~

Delete Line Out PW

H. The terms of this Agreement are intended by the parties to be the final expression of their Agreement with respect to any of the Church's uncompleted obligations in the Community of Glastonbury ~~including, but not limited to~~, "uncompleted road construction work" and may not be contradicted by evidence of any prior or contemporaneous agreement. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative or other legal proceeding involving this Agreement.

regarding PW

I. Time is of the essence as to all the terms and conditions contained in this Agreement.

J. If any provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect.

K. The validity, interpretation, enforceability and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of Montana.

L. Any controversy between the Association and the Church involving the construction or application of any of the terms, provisions or conditions of this Agreement or otherwise arising out of or related to this Agreement, shall be settled by arbitration in accordance with the then current commercial arbitration rules of the American Arbitration Association, and judgment on the award rendered by the arbitrator may be entered by any Court having jurisdiction thereof. The location of the arbitration shall be a mutually agreeable place in Park County or Gallatin County, Montana.

The parties have duly executed this Agreement as of the date first hereinabove written.

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
September 14, 1998

1. **Call to Order, Prayer** - The Meeting was called to order at 7:12 p.m., by Patrick Wolberd at the home of David Newhouse in North Glastonbury.

PRESENT: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Peggy Keathley, Linda Kremer, Andrew Field, Philip Hoag, Walter Wunsch and David Newhouse. Ombudsman for South Glastonbury, Laurel Matthews was also present.

PRESENT BY PROXY: Maria Scoble (Treasurer) and Horus Brailsford.

ABSENT: Ombudsman for North Glastonbury, Margaret Roach.

2. **Reading and Disposition of Minutes** - Minutes for August 3, 1998 and minutes for August 24, 1998 were approved.

3. **Order of Business**

8.2 Specific Ending Time for Meeting, Sept. 14, 1998

ACTION: D. Kehoe, Jr. moved and W. Wunsch seconded to end meeting at 9:30 p.m. Motion carried unanimously.

8.1 Fire Department Presentation - Jim Phipps

Jim Phipps of the local Fire Department reported that there was an incident in North Glastonbury's GAV in which the water supply became very low. He stated that on one specific occasion the water reservoir in GAV was almost empty; that the reservoir needs a minimum of 90,000 gallons of water in it at all times. The problem stems from the fact that the automatic control systems are not in operation and that the controls must be done manually; that a dearth of manpower exists. He stated that the problem accessing water exists over the entire county. Philip Lawson, also present from the Fire Department, stated that there is a suggestion pending before the County authority to make it

mandatory for new subdivisions to provide a dry hydrant year round, 2,500 gallons of water needed for each individual dwelling.

Request was made by the Fire Department to inform residents of Glastonbury to keep dry grass and vegetation away from houses and structures for protection from fires.

FOLLOW-UP: Board - Inform community of fire hazzards and dry foliage around building structures.

8.4 GAV

David Tonkin presented a list of potential involvement in the GAV buy out. Copy of this document is filed herewith. He stated there was a private meeting of people potentially interested in the buy out of GAV and that there was some interest expressed in the project. He expressed a desire to involve the GLA in the process. One option would be to offer shares at $5,000 or $10,000 a piece, or to assess each GLA member for a portion of the money needed. General reaction to assessing members was negative, since some residents find it difficult to pay the assessments already imposed by the Covenants. P. Hoag suggested that lots could be bought and rented.

Offer has been made for $550,000 and GAV will be sold by January 15, 1999 unless offer can be matched by October 25, 1998 by local people.

P. Wolberd suggested someone from the Board work with D. Tonkin for a creative solution. D. Tonkin's phone number and fax number is 333-4530.

D. Tonkin also suggested that GAV residents become members of the GLA.

P. Wolberd stated this would have to be presented to the GLA membership and voted upon by that body.

8.5 Motorcycles on Glastonbury Roads

W. Wunsch stated that an accident was narrowly avoided involving two motorcyles and a vehicle in Glastonbury South on Hercules Drive. Motorcyles were being driven at a speed that was unsafe. Bjorn Roxendal, with David Roxendal and Leif Chrinstian,

(the underaged boys involved in the incident on Hercules) were present to present their case. D. Roxendal and L. Christian stated that they were told on two occasions by a deputy sheriff that they should not ride their bikes on a public road since that needed bike registration and that it was permissible to ride in the Glastonburys. P. Wolberd pointed out that the deputy sheriff was not familiar with the Covenants of Glastonbury (Section 8,Item i) that state no motor vehicle shall be operated on the platted road easements in the Community except by a perosn having a valid operator's or driver's license, and that all such operations shall be in accordance with any limitations contained in the license. L. Christian presented a vehicle permit. It was unclear what authority this permit extended. There was a general concern for safety expressed by members of the Board.
ACTION: P. Keathley moved, L. Kremer seconded that the Board take up the matter of Item i of the Covenants for interpretation of what is a valid operator's or driver's license. Motion carried unanimously.
FOLLOW-UP: P. Wolberd /P. Keathley - Bring to Board recommendation on this matter by 10-5-98.

4. Reports of Officers and Committees

4.1 Treasurer Report Maria Scoble, Treasurer

There was no report. Follow-ups were not discussed.
J. Murphy distributed the Balance Sheets, Cash Basis and Accrual Basis, as of August 26, 1998, and the Profit and Loss Sheets, Cash Basis and Accrual Basis, January 1 through August 16, 1998. Copies of these documents are filed herewith
There was no discussion of these documents.

4.2 Finance Committee Report Maria Scoble, Chair

There was no discussion.

4.3 Architecture Subcommittee Andrew Field, Chair

NEW PROJECTS FOR REVIEW

Bridget Lewis, S. Glastonbury #34 E

ACTION: A. Field moved, P. Hoag seconded to recommend approval. Motion carried unamously.

R. & M. Wallace (Timmer Property), N. Glastonbury - plans for house resubmitted.

Margaret Roach, N. Glastonbury - plans for garage resubmitted.

James Kozlik/Hansard, S. Glastonbury #81 - house. Recommendation - to resubmit plans with permanent foundation and septic and electric permits.

ACTION: A. Field moved, D. Newhouse seconded to notify resident to stop work until permanent foundation, electrical permit and septic permit are approved. Motion carried unanimously.

Vivian Mason, N. Glastonbury #6 B - needs to be monitored to be sure construction concurs with regulations.

David Tonkin, S.. Glastonbury #104 - residence.

ACTION: A. Field moved, P. Hoag seconded the motion to recommend approval subject to proving visibility at end of driveway on entrance to road. Motion carried unanimously.

Marcia McCarry, S. Glastonbury #26 - subdivision. Not all conditions have been met. Approval when County recommendations are met.

Brad Tidsdale, N. Glastonbury - house

ACTION: A. Field moved, W. Wunsch seconded to recommend approval. Motion carried unanimously.

Philip Hoag, N. Glastonbury #7 - Pole barn

ACTION: A. Field moved, W. Wunsch seconded to recommend approval. Motion carried unanimously.

Eric Newhouse, N. Glastonbury, Tract 4, #25 - house.

ACTION: A. Field moved, P. Hoag seconded to recommend approval. Motion carried unanimously.

Dorothy Whitehead, N. Glastonbury #30 - toolshed.

ACTION: A. Field moved, P. Hoag seconded to recommend approval pending approved setback. Motion carried unanimously.

A. Field stated that if a resident wants a project on the agenda, he should submit it to Joan Murphy, Secretary, who puts it in the minutes and gives it to Patrick Wolberd who puts it on the agenda. This should be done one week in advance of next meeting of GLA meeting. A. Field encouraged everyone to tell friends and neighbors to submit projects before beginning them. Structures should be built 15 feet back from easement. No follow-ups were discussed.

4.4 Road Committee Report David Newhouse, Chair

CONTRACT WITH CHURCH

P. Wolberd reviewed preceding actions taken on the contract with the Church dealing with Glastonbury roads - contract signed, corrected and initialed by P. Wolberd for the GLA, along with the cover letter to Richard Smith of the Ranch. Since Richard Smith is resigning from the Ranch staff as of September 30th, Donald Knittel being the new officer in charge, contract, etc. might have to be rewritten. Hertha Lund, in conversaltion with P. Wolberd, said she would try to get W. Smith to initial agreement changes before he leaves and thus complete the transaction between the Ranch and Glastonbury on the roads.

ACTION: D. Newhouse moved, P. Keathley seconded to approve funding for four hours of road work in North Glastonbury. Motion passed unanimously.

No other follow-ups from the Road Committee Report were discussed.

4.5 Nominating Committee Report Joan Murphy, Chair

Joan Mlurphy presented a flyer created by Judy Anderson with all pertinent information about the annual meeting and election in November for the GLA. She also presented the ballots for both North and South Glastonbury with the names of candidates for election, as well as the proxy form which is unchanged from last year. These forms were approved by consensus. Copies are filed herewith. Mailing will go out to members by October 1st or 2nd.

ACTION: J. Murphy moved, P. Hoag seconded to approve the hiring of a clerical assistant for the Nominating Committee at a rate of $7 (seven dollars) per hour for up to a total of $100 (one hundred dollars). Motion carried unanimously.

FOLLOW-UP: J. Murphy/ D. Kehoe, Jr. - Check with J. Glover on voting discrepancies between the By-laws and the Covenants, and the vote required.

Joan Murphy asked if someone could help with refreshments at the annual meeting. Susan Gough was suggested as a possibility. A Board member is needed to oversee the action.

P. Wolberd suggested that after the election each member on the Board and the Ombudsmen receive a binder with the new Covenants and By-laws. All members were in agreement.

FOLLOW-UP: J. Murphy - Provide packets when new Board convenes.

4.6 Complaint Committee Joan Murphy, Chair There was no discussion.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Present suspension of Craig Woodland as committee member for Board action at 10-5-98 meeting. (Postponed by request of Craig Woodland.)

ACTION: D. Kehoe, Jr. moved, P. Keathley seconded to approve $60 (sixty dollars) invoice for road trips for architect (Comma-Q), payable to Dan Kehoe, Sr. Motion carried unanimously.

FOLLOW-UP: J. Murphy - Send invoice to Ranch by 10-5-98.

Invoice in the amount of $809.76 (eight hundred nine dollars and seventy six cents) for work by Comma-Q Architecture, Inc. was approved by P. Wolberd.

FOLLOW-UP: J. Murphy - Send invoice to Ranch by 10-5-98.

4.8 - 6.6 No discussion.

6.7 Leykamm Letter

Leykamm letter was approved by J. Glover.

FOLLOW-UP: J. Murphy - Send letter by 10-5-98.

6.8 - 7.4 No discussion.

8. New Business

8.1 Fire Department Presentation - Jim Phipps See Order of Business

8.2 Specific time ending for meeting 9-14-98 See Order of Business

8.3 Speed Control

P. Wolberd presented a Speed Control Proposal to be dicussed at a later date.

FOLLOW-UP: Board - Discuss speed control issues and determine speed limits, 10-5-98.

8.4 GAV See Order of Business

8.5 Motorcyles on Glastonbury roads See Order of Business

9. Open Floor Comments There were no comments.

10. Next Meeting - Monday, 7:00 p.m., October 5, South Glastonbury

11. Adjournment Meeting was adjourned at 9:45 p.m.

Respectfully submitted by

Laurel M. Matthews

Laurel M. Matthews

Assistant Secretary

1998-09-14_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting

Agenda

September 14, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)

SPEED CONTROL PROPOSAL ON ARIES AT THE ENTRANCE TO GAV

9-14-98

I am proposing the road committee consider the following action to address the speeding motorist problem on Sirius Drive near GAV:

1. Place a speed zone sign on Sirius Drive one hundred yards before the Sirius/Aries intersection.

2. Place a 25 mph speed limit sign on Sirius Drive fifty yards before the Sirius/Aries intersection.

3. Place a 15 mph speed limit sign on Sirius Drive halfway between the Sirius/Aries intersection and the entrance to GAV.

4. Place a children at play sign along with the existing 15 mph speed limit sign on Sirius Drive just before the GAV entrance.

5. Place a speed zone sign on Sirius Drive just past the intersection of Sirius/Taurus as one comes off Taurus on to Sirius.

6. Move the existing 15 mph speed limit sign located near the Sirius/Taurus intersection closer to the parking lot entrance by the red barn and add a children at play sign.

7. Give a written request to all Taurus Road residents and School parents and staff to comply with the speed limits noted. The Montessori Garden School and Thomas More Schools may be willing to distribute these notices to the parents.

8. Establish a 35 mph speed limit for all of Glastonbury, unless otherwise posted, and post this speed limit at all Glastonbury entrances.

9. Place on the November annual meeting a discussion of other ideas for controlling vehicle speed in Glastonbury.

Respectfully Submitted,

Patrick Wolberd

Proposal to GLA
REGARDING POTENTIAL INVOLVEMENT IN GAV BUY OUT

Vision - Second step; start of a town

GLA Involvement as a way to tie GAV and GLA together

Shares offered to individuals

GLA becomes a partner

How to accommodate outside investors

GAV residents become voting members in GLA

PROXY

September 12, 1998

I hereby give proxy to Patrick Wolberd to represent and vote for me at the next board meeting of the Glastonbury Landowners Association.

Maria Noble

Aloha!

and

Mahalo.

I give my proxy to Joan Murphy

for the GLA Board meeting on September 14, 1998,

& the next two.

Thomas Bradford

1998-10-05_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
October 5, 1998

1. **Call to Order, Prayer** - The Meeting was called to order at 7:10 p.m. by Patrick Wolberd at South Glastonbury Teaching Center. Prayer was given by P. Wolberd.
PRESENT: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Peggy Keathley, Linda Kremer and Andrew Field. Laurel Matthews, Ombudsman for South Glastonbury was also present.
PRESENT BY PROXY: Horus Brailford and Walter Wunsch.
ABSENT: David Newhouse and Margaret Roach, Ombudsman for North Glastonbury.

2. **Reading and Disposition of Minutes** - Minutes for September 14. 1998 were corrected and approved.

3. **Order of Business**

8.6 John Alexander was present at the meeting and stated that there was a prospective buyer for Parcel 65 or 70 North, and that this buyer would like to have a back road access to these parcels. This road would need to be guarded from hunters, etc. He stated he wanted the Board to be aware of the situation.

8.7 Svend Anderson was also present at the meeting and stated that Fridley Creek is dry; that a by-pass was cut by a flood two years ago and formed a natural dam cutting off the supply of water downstream. Trees will dry up if creek is not restored. This will affect Pete Story's land, also.
ACTION: P. Keathley moved, M. Scoble seconded to have Svend Anderson, assisted by John Alexander, spearhead an ad hoc group to restore Fridley Creek. Motion passed unanimously.

FOLLOW-UP: Svend Anderson - contact Sean Murphy, Pete Story, David Newhouse (for backhoe) and County for permission to dig out on Story property by 10-26-98.

4. Reports of Officers and Committees

4.1 Treasurer's Report Maria Scoble, Treasurer

There was no official report. M. Scoble stated there was approximately $68,000 in combined accounts. P. Wolberd suggested that 12-month CD's or Treasurery Bills could be researched as possible investments for the emergency fund (instead of savings account) to yield higher interest rates. Investments in CD's, etc could be staggered so that due dates would come due every three months.

FOLLOW-UP: M. Scoble - Research information on CD's, etc for higher rates re emergency fund by 10-26-98.

P. Wolberd stated that a financial report geared for laymen will be needed at the Annual Meeting; this report to include a budget. The Profit and Loss Statment could serve as a budget.

FOLLOW-UP: M. Scoble - Bring to Board a sample draft budget to be presented at the Annual Meeting by 10-26-98.

Roeloff Varkevisser presented a written proposal to do the bookkeeping for the GLA. Copy of this proposal is filed herewith.

ACTION: M. Scoble moved, A. Field seconded to accept R. Varkevisser's proposal. Motion carried unanimously.

FOLLOW-UP: M. Scoble - Tell Melanie at D. Holm firm that someone in the Community will do the bookkeeping starting at the end of the billing cycle and that D. Holm will be responsible for just the tax accounting procedure, by 10-26-98.

FOLLOW-UP: M. Scoble/ J. Murphy - Prepare supplies purchase proposal. J. Murphy stated that basic supplies included stationery and stamps. This item will be removed from the agenda.

FOLLOW-UP: W. Wunsch - It was determined that Quick Books does have a budget variance report format.

4.2 Finance Committee Report Maria Scoble, Chair

FOLLOW-UP: M. Scoble - Develop recommendation re emergency fund. This item has been covered under 4.1.

FOLLOW-UP: M. Scoble/ R. Varkevisser - Make calls as follow-up to lien letters by 10-5-98. It was reiterated that certified letters should be sent after calls have been made on delinquent accounts. This confirms what has been said. Letters should be sent even if liens have not been placed on property in question. It was suggested to send a copy of the covenants to the title company in order to catch people who are selling property in order to collect assessments.

FOLLOW-UP: J. Murphy - Send covenants to title companies stating that if assessments are not paid, liens will be filed, by 10-26-98.

4.3 Architecture Subcommittee Andrew Field, Chair

NEW PROJECTS FOR REVIEW

Margaret Roach Garage - N. Glastonbury - Will move garage within 10 ft. of house to comply with road easement setback requirements.

ACTION: A. Field moved, J. Murphy seconded to approve project as long as garage is 15 ft. from easement. Motion carried unanimously.

Bridget Lewis - S. Glastonbury - This project was approved last meeting.

Robert & Mary Wallace (Timmer Property) - N. Glastonbury - House needed to be set back - needed stakes.

ACTION: A. Field moved, M. Scoble seconded to approve building project (Wallace/ D. Whitehead). Motion carried unanimously.

Suzanne Anderson/ Webb - Parcel 47 N. Glastonbury - Proposed subdivision.

ACTION: A. Field moved, M. Scoble seconded to approve preliminay subdivision.

Motion carried unanimously.

James & Carla Healy - N. Glastonbury - Garage

ACTION: A. Field moved, D. Kehoe seconded to approved project. Motion carried unanimously.

It was reiterated that subdivisions must be passed by the GLA and that 2.0 acres is the smallest unit under the LUMP. Therefore, smaller lots need to be flagged and brought before the GLA Board for approval.

FOLLOW-UP: P. Hoag - Review the Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities, for possible revision. D. Kehoe suggested recommendations be sent to the LUMP Committee and for this item to be deleted from the agenda.

FOLLOW-UP: D. Kehoe - Call P. Hoag to coordinate by 10-26-98.

FOLLOW-UP: LUMP Committee - Follow- up on recommendations.

FOLLOW-UP: J. Murphy - Sent letter of notificaiton to J. Kozlik/Hansard regarding #81 South to stop work until necessary approvals were obtained.

FOLLOW-UP: A. Field - Call J. Kozlik and report back to Board on progress of building project by 10-26-98.

FOLLOW-UP: A. Field - V. Mason project approval subject to compliance to regulations, update on 10-26-98.

FOLLOW-UP: A. Field - M. McCarry project approval subject to compliance to regulations, update on 10-26-98.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: W. Wunsch - Call Dennis Brandon regarding the Capricorn Drive standing water problem, Pete Story, First National Bank, Emigrant Post Office, Murphy's Mobile Home Park, and the Gamble Property owners regarding developing a proposal for black topping Story Road, and cost out the project by 10-26-98.

FOLLOW-UP: D. Newhouse - Ask permission from County Commissioners (must write

to them) to work on county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired by 10-26-98.

FOLLOW-UP: D. Newhouse - Complete new road maintenance schedule for Glastonbury North and Glastonbury South by 10-26-98.

FOLLOW-UP: D. Newhouse - Follow-up with Dirkers insurance agent about sending the Certificate of Insurance naming the GLA as an additional insured by 10-26-98.

FOLLOW-UP: D. Newhouse/ H. Brailsford/ P. Hoag - Complete comprehensive plan for area near W. Pitt property and contact Dean Kimpson and ask for cost of foot path near the waterfall and above Pitt property for easier passage to Forest Service access and projected project cost and possible gate across Sagittarius Skyway.

This project was discussed at length. It was reported that H. Brailsford might sell a gate for the project for $50. D. Kehoe suggested polling residents in High South to determine if they would consider buying a gate to be placed adjacent to Libra on Hercules Drive. It was also stated that a sign is needed at the foot of Hercules indicating that the road is not open to outside hunters.

ACTION: D. Kehoe moved, L. Kremer seconded to install a gate between Pitt property and Byrd property on Sagittarius Skyway, with a sign to be installed at the foot of Hercules Drive saying, "Private Road - Locked Gate Ahead - No National Forest Access." Motion carried unanimously.

ACTION: A. Field moved, D. Kehoe seconded to allocate $500 for the purchase of the gate, grading for the turn-around and help to install gate ($100 cap for sign), work to be completed by 10-31-98. Motion carried unanimously.

FOLLOW-UP: J. Murphy - Call Ray Brown to see if present sign can be turned around and painted by 10-31-98.

ACTION: L. Kremer moved. D. Kehe seconded to authorize maximum of $3,000 for road work to be used as road committee sees fit. Motion carried unanimously.

FOLLOW-UP: P. Wolberd - Follow-up with Church re counter offer on roads.

P. Wolberd reported that road agreement had been initialed by Richard Smith before he left his position at the Ranch (all changes initialed). GLA has received one-half of the $24,000 due from the Church.

FOLLOW-UP: H. Brailsford - Bring speed sign recommendation to next meeting.

4.5 Nominating Committee Report Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress at next meeting. Ballots and letter have been sent out. Two ballots have been received. Charlie Hull will do the sound system.

FOLLOW-UP: Board - Review By-laws/Covenant discrepancies memo for comment. John Glover will reply with comments. His advice is that it is best to change the By-laws for clarity, changes to be voted on at Annual Meeting.

FOLLOW-UP: J. Murphy - Hire a clerical assistant to the committee; $7 per hour, $100 maximum cost. J. Murphy has done this.

FOLLOW-UP: J. Murphy - Provide board member packets at the first board meeting following the Annual Meeting.

FOLLOW-UP: J. Muphy - Recruit someone to coordinate refreshments at the Annual Meeting. Susan Gough will serve in this capacity.

4.6 Complaint Committee Joan Murphy, Chair

Several complaints have been received from North Glastonbury residents about the donkeys belonging to the Quarels being on the road. Covenants (6.02) say live stock or animals of any kind, including pets, shall be contained. If situation continues, county animal control may have to be called.

FOLLOW-UP: J. Murphy - Notify Quarels accordingly by 10-26-98.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Present suspension of Craig Woodland as a committee member for Board action. D. Kehoe moved and P. Keathley seconded to suspend Craig Woodland from the LUMP committee. After a discussion, because of the late hour and the minimum number of Board members being present, the motion and the second was withdrawn. Action will be taken at a later date.

D. Kehoe stated that he would like a modification of the rules directing the Board to take action by the 3rd meeting or the person will be automatically removed.

FOLLOW-UP - J. Murphy - Sent Comma-Q Architecture bill to the Ranch for payment out of the development fund. (J. Murphy reported bill paid).

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch/ H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 10-26-98.

5. Ombudsman Report There was no report.

6. Unfinished Business

6.1 Association Letterhead This item with follow-ups has been deleted.

6.2 Office Space Needs

FOLLOW-UP: J. Murphy - Check with D. Kehoe, Sr. re office space availability at new TC location. This item has been deleted.

6.3 Covenant Agreement Form Use - J. Murphy. This item has been deleted.

6.4 Filing Liens when assessments owed - P. Hoag

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of liens for overdue

assessments by 10-26-98.

6.5 GLA as possible investor in GAV - W. Wunsch This item has been deleted.

6.6 Leykamm Letter

Proposed letter to the Leykamms was sent to J. Glover for approval in which he made changes. Corrected letter was sent. Copy of this letter is filed herewith.

6.7 Forming a Welcoming Committee for new GLA members - P. Wolberd

6.8 Four Board Meeting re Church Land donation report - P. Wolberd - This item has been deleted.

6.9 M. von Hausen Letter - P. Wolberd

Draft letter to M. von Hausen, under signature of P. Wolberd, was presented by D. Kehoe for approval by Board. Letter was discussed and corrected at length. This letter and corrected copy are filed herewith. Copy of this letter and copies of file letters for explanation will be sent to Hertha Lund. Copy of letter will also be sent to G. Cleirbaut, Craig Woodland and Dan Kehoe, Sr. for information purposes.

FOLLOW-UP: D. Kehoe/ P. Wolberd - Send letter and file copies by 10-26-98.

LETTER TO G. CLEIRBAUT - Draft letter to G. Cleirbaut was presented by D. Kehoe for approval by Board; this letter as way of explaining matters concerning M. von Hausen. This letter was discussed and corrected at length. Copy of this letter and the corrected letter are filed herewith. File letters will be sent to G. Cleirbaut along with this letter. Copy of this letter will be sent to Hertha Lund.

FOLLOW-UP - D. Kehoe/ P. Wolberd - Send letter and file to G. Cleirbaut by 10-26-98.

6.10 Speed Bump on Sirius Drive - William Mountjoy

P. Wolberd presented a proposal to install a 3-way stop sign at the corner of Sirius Drive and GAV entrance. Next grading of road will remove any bump now present.

ACTION: D. Kehoe moved, P. Keathley seconded to accept proposal for the 3-way stop sign. Motion carried unanimously.

FOLLOW-UP: Not assigned.

6.11 Dry foliage around structures presents FIRE HAZARD

FOLLOW-UP: Inform communitly of need to cut fire break around all buildings. This item has been deleted.

6.12 Defining a valid operator's or driver's license

FOLLOW-UP: P. Keathley / P. Wolberd - Bring a recommendation to the Board on this matter by 10-26-98.

7. Tabled Business

7.1 NOXIOUS WEED COMMITTEE FORMATION

FOLLOW-UP: Board to develop a weed policy by 10-26-98. - J. Murphy will get feedback from County (Clay Williams), etc.

7.2 Should GLA accept responsibility for maintenance of subdivision roads - D. Newhouse.

7.3 Study guidelines for tree removal - P. Hoag

7.4 Write accounting procedures - M. Scoble/ P. Keathley

8. New Business

8.1 Fire Department Liaison Meeting - A. Field

There should be a meeting with J. Phipps, P. Lawson et al to create a comprehensive plan to bring to the Board.

8.2 Visitor Presentation Format - J. Murphy

8.3 New Homeowner Notification & Greeting Procedure - J. Murphy

J. Murphy commented that new people need to be welcomed. They need to be sent a friendly letter and then be sent a ballot. They also need to be sent a copy of the covenants.

8.4 GLA Paid Manager Consideration - J. Murphy - Discuss 10-26-98.

8.5 *How to identify new property owners* - J. Murphy

8.6 John Alexanlder - See Order of Business (**3.**)

8.7 Svend Anderson - See Order of Business (**3.**)

9. Open Floor Comments There were no comments.

10. Next Meeting

ACTION: J. Murphy moved, D. Kehoe seconded to spend $20 to have next meeting at Lisa Buford's place (Healing Wings) in Emigrant. Motion carried unanimously.

Next meeting will be Monday, 7:00 p.m., October 26, 1998 in Emigrant.

11. Adjournment - Meeting was adjourned at 10:32 p.m.

Respectfully submitted by

Re: Culvert On Aquarius Lane

Dear Mr. Newhouse:

You may recall a conversation we had about this some time ago. However, at that time there didn't seem to be a reasonable solution and so I didn't press the issue. I hope that we now do have a resolution.

Richard Mead was over here at the Bodeaux and Kenley property to determine what can be done about our private road in order to make some improvements before winter sets in.

At the same time we discussed the water problem coming down from the Jensen's. Richard suggested a culvert be put across the road to take care of that situation and, if necessary, that if we have water collecting at the bottom of our road, we would be financially responsible for that project.

If this meets with the approval of the Glastonbury Land Association that they be responsible for putting in this culvert, Richard said he would be glad to do it when he does the work on the Bodeaux and Kenley property.

If you need further clarification concerning this you may reach Richard Mead at 848 9200 ext. 3020.

Thank you for your consideration of this request.

Yours truly,

Lorraine Bodeaux

PROPOSAL

To: Glastonbury Landowners Association
From: Roelof Varkevisser
Date: September 8, 1998

Ref: A proposal for me to take over the bookkeeping for the GLA

==========

I propose to take over the responsibilities of maintaining the Glastonbury Landowners Association accounts, as bookkeeper, with duties including the following:

- Posting payments on landowners accounts
- Entering charges on landowners accounts
- Working with the treasurer to maintain accuracy of accounts
- Maintaining computer records of checking, savings & ledger account entries
- Reconciling checking and savings account bank statements
- Providing quarterly statements of each landowner's account to the Landowners Association as needed for their mailing
- Providing balance statements of each account to the GLA as requested by the treasurer
- Preparing deposits for the bank
- Preparing records for the accountant as needed for yearly tax filings

The accounting software I use is Quick Books Pro for WIN'95.

I will be working as an independent contractor and bill the GLA $12.00 per hour, on a monthly basis, for services rendered. Attending GLA Board meetings or meetings of the Financial Committee would not be billed. However, dropping off or picking up materials or making deposits at the bank will be billed as 15 minutes for each occurrence.

I look forward to taking on the job of becoming the bookkeeper for the GLA. Having been the treasurer of the Twin Pillars, Inc. shelter since the fall of 1995, I believe I can do this work quickly and efficiently.

Thank you for your consideration of my proposal.

Sincerely,

R Varkevisser

Glastonbury Landowners Association
Board of Directors
P.O. Box 312
Emigrant, MT 59027

Dear Board Member,

I am writing to encourage you to look over the follow-up items with your name on it and do what you can in the last two meetings before our annual meeting to clean up the Board's outstanding business. I would like us to turn over the GLA business to the 1998-99 Board with as few loose ends as possible.

Thank you for your assistance in this matter.

I also want you to know how much I appreciate your hard work and dedication this past year to the onerous task of getting this organization running with some semblance of order and effectiveness.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

9/30/98

TO: GLA c/o JOAN MURPHY
BOX 312
EMIGRANT, MT 59027

FROM: JAMES KOZLIK
CARETAKER
LOT #81 S.G.

Dear Joan,

In response to your letter of 9/16/98 concerning the foundation, electric and septic permits. please consider the following:

1. A septic permit is displayed on the wall of the shelter "tool room" and on file with Park County
2. The electric is registered under Leslie and/or Don Hansard. Park Electric has been up there, most recently in the spring of '98. ~~Once~~ They will put in a cable underground in the spring of '99. Currently we are using the existing power which has had a permit since '89!

over →

3. Foundation plans are as follows:
Cinder Block on cement footer or
River Rock on cement footer.
Footers, block and/or rock will
be reinforced with rebar.

1998-10-26_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
October 26, 1998

1. Call to Order, Prayer - The meeting was called to order by Patrick Wolberd at 7:20 p.m. at Healing Wings, Emigrant, MT. Prayer was offered by Peggy Keathley.
PRESENT: Patrick Wolberd (President), Dan Kehoe, Jr. (Vice President), Joan Murphy (Secretary). Maris Scoble (Treasurer). Peggy Keathley, Walter Wunsch, Andrew Field, David Newhouse, Philip Hoag and Laurel Matthews, Ombudsman (South Glastonbury).
PRESENT BY PROXY: Horus Brailsford
ABSENT: Linda Kremer and Margaret Roach, Ombudsman (North Glastonbury).

2. Reading and Disposition of Minutes - Minutes from meeting of 10-5-98 were dispensed with until next meeting.

3. Order of Business

4. Reports of Officers and Committees

4.1 Treasurer's Report Maria Scoble, Treasurer
FOLLOW-UP: M. Scoble presented copy of the Profit and Loss Statement as of Oct. 26, 1998 and draft of Glastonbury Landowners Association 1998 Budget and projected income and expenses for 1998 and 1999; these items to be presented to members at theAnnual Meeting.
DISCUSSION: All items were discussed at length, especially the projected budget for 1999. Suggestion was made to separate actual income from 1998 from that of past due assessements. Item listed as Church Compensation will appear as Road Settlement. Under expenses License & Taxes became Corporate Fee, Office Expenses becam e Office Supplies and Accounting & Banking became Professional Fees. P. Wolberd

suggested using footnotes to explain certain item such as Road Settlement, Fee Simple Upgrade and Professional Fees (anticipated legal fees). For Projected Expenses for 1999 Grading & Gravel and Water Truck became a combined item and the addition of certain items were made, ie. Sander, Weed Cycle, Fire Water and Paid Manager for 10 hours per week. Copies of these documents are filed herewith. P. Wolberd suggested having P & L Statement on a grid showing in parallel columns Catagory, Actual and Projected items for easy comparison.

FOLLOW-UP: M. Scoble/ R. Varkivisser - Prepare corrected P & L Statement for Annual Meeting and fax draft to P. Wolberd, D. Kehoe and A. Field before final printing and distribution at Annual Meeting.

4.2 Finance Committee Report Maria Scoble, Chair

FOLLOW-UP: M. Scoble - Develop recommendation for CD purchase re emergency fund. Table of rates of investments was presented from First National Bank in Emigrant.

ACTION: M. Scoble moved, A. Field seconded to switch banking to First National Bank in Emigrant utilizing Money Market SavingsTiered Rates as reflected on statement from bank (copy filed herewith); this action to be taken after elections at Annual Meeting. Motion carried unanimously.

FOLLOW-UP: M. Scoble/ R. Varkevisser - Make calls on follow-up to lien letters by 11-16-98

FOLLOW-UP: M. Scoble - Coordinate with R. Varkevisser and Doug Holm the transfer of bookkeeping duties and confirm that D. Holm will continue to prepare the taxes by 11-16-98.

FOLLOW-UP: J. Murphy - Send covenants to title companies stating if assessments are not paid liens will be filed. P. Keathley reported that she checked with Guardian Title Co. and they will monitor their closings; Security Title already does this.

FOLLOW-UP: J. Murphy - Send cover letter and copy of convenants to title companies by 11-16-98.

4.3 Architecture Subcommittee Andrew Field, Chair

NEW PROJECTS FOR REVIEW

Wolberd Subdivision - N. Glastonbury - A. Field moved, D. Kehoe seconded to approve preliminary subdivision. Motion passed unanimously.

FOLLOW-UP: J. Murphy - Sent letter of notification to J. Koslik/Hansard , #81 South to stop work until necessary approvals are obtained. Letter was received from J.Koslik stating he had permits from the shelter. A. Field stated that Randy Taylor, County Sanitarian, said the house may not be hooked up from shelter facility. House being built needs foundation plans the electric needs to be buried according to code.

FOLLOW-UP: P. Hoag - Talked to Koslik and explained situation. P.Hoad recommended A. Field follow up with Koslik.

FOLLOW-UP: A. Field - Report back progress on project by 11-16-98.

FOLLOW-UP: D. Kehoe - Coordinate the incorporation of Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities with P. Hoag by 11-16-98.

4.4 Road Committee Report David Newhouse, Chair

FOLLOW-UP: D. Newhouse - Write to County Commissioners to ask permission to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired. J. Murphy spoke with the secretary of the County Commissioners and secretary said to put it in writing so that the commisioners can have something to contemplate - t his action to take place in January 1999.

FOLLOW-UP: D. Newhouse - Complete new $3,000 road maintenance schedule for North and South Glastonbury. Road Committee will come to Board when more money is needed.

W.Wunsch suggested that each resident be provided with a map which each one could mark and present to Road Committee for assessment of repairs.

FOLLOW-UP: D. Newhouse - Presented letter from Dirkers insurance agent stating

present coverage. It was stated that the insurance had been documented.

ACTION: D. Newhouse moved, P. Hoag seconded to accept the letter as adequate insurance. Motion passed with 7 ayes and 2 abstentions.

ACTION: D. Newhouse moved, P. Keathley seconded to raise the rate of plowing for M. Dirkers to $30 per hour. Motion carried unanimously.

D. Newhouse reported that M. Dirkers wanted to send his bill directly to the Treasurer for payment immediately. Discussion reinforced that the bill cannot be paid less frequently than when the Board meets. By consensus it was agreed that the bill must come to D. Newhouse as representative of the Road Committee.

ACTION: D. Newhouse moved, M. Scoble seconded to pay the bill within 15 days after receipt after approval of work by the Road Committee. Motion passed unanimously.

FOLLOW-UP: D. Newhouse/H. Brailsford/ P. Hoag - Complete comprehensive plan for area near W. Pitt property and contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access and projected project cost and installation of a gate across Sagittarius Skyway by 10-31-98. A. Field suggested a parkway and footpath to access the National Forest. P. Wolberd commented that if a motion is to be modified, onemust give notice to all members ahead of time. Since H. Brailsford was not present and is very interested in the project, P. Hoag suggested delaying the installation of the gate (approved at the last meeting), instead putting two posts painted orange (international signal for no hunting) at the foot of Hercules Drive.

ACTION: P. Hoag moved, P. Keathley seconded to put two posts, painted orange, sized for gate installation, at the foot of Hercules. Motion carried unanimously.

ACTION: P. Hoag moved, P. Keathley seconded to put two posts, painted orange, sized for gate installation, at the base of road to John Alexander's home. Motion carried unanimously..

ACTION: D. Newhouse moved, D. Kehoe seconded to have Aaron Wolberd cut weeds

around North and South Glastonbury signs, paint out phone number on one sign, and remove Avalon Lane sign for $70. Motion carried unanimously.

J. Murphy reported Lorraine Bodeaux asked if Raoul Quintero could park two school buses in the gully which would not be visible from the road. Board agreed L. Bodeaux should ask permission from the neighbors.

FOLLOW-UP: J. Murphy - Contact L. Bodeaux and tell her Board's recommendation by 11-16-98.

FOLLOW-UP: J. Murphy - Contact Ray Brown to see about turning around present sign and painting "Private Road - Locked Gate Ahead - No National Forest Access". J. Murphy reported Ray Brown was not available for this project.

FOLLOW-UP: H. Brailford - Bring speed sign recommendation by 11-16-98.

D. Newhouse reported a new sign was needed at Capricorn and Gemini. He suggested twisting the present sign around for it to be the Gemini sign.

J. Murphy reported William Pitt has a snow plow and would like to contract with South Glastonbury for plowing. Board"s recommendation is to check with D. Newhouse periodically to see if there is a need. He should be informed he needs insurance to cover this activity.

FOLLOW-UP: D. Newhouse - Inform W. Pitt of Board's recommendation by 11-16-98.

4.5 Nominating Committee Report Joan Murphy, Chair

FOLLOW-UP: J. Murphy - Continue Annual Meeting/Elections preparation and report progress. Will need some to get to Emigrant Hall at 8:30 a.m. to set things up. W. Wunsch will monitor voting table for North Glastonbury and P. Hoag will monitor voting table for South Glastonbury. Greeters are needed - P. Keathley will be one and L. Kremer will be asked to be the other. P. Keathley will give the invocation. Neroli Duffy will be asked to give benediction.

FOLLOW-UP: J. Murphy - Presented draft Waiver of Notice of Annual Meeting (This document needed in order for discrepancies in voting between Bylaws and Covenants to

be addressed at Annual Meeting). Copy of this document is filed herewith. This waiver was accepted by consensus.

FOLLOW-UP: J. Murphy - Provide board member packets at the first board meeting following the Annual Meeting.

4.6 Complaint Committee Joan Murphy, Chair

There was no report.

4.7 Land Use Master Plan Advisory Committee Dan Kehoe, Jr., Chair

FOLLOW-UP: D. Kehoe - Present suspension of Craig Woodland as a committee member for Board action. In a six-page letter Craig Woodland has resigned from the committee.

ACTION: A. Field moved, P. Hoag seconded to send a letter of thanks for service to Craig Woodland. Motion carried unanimously.

FOLLOW-UP: J. Murphy/ D. Kehoe - Send letter by 11-16-98.

D. Kehoe reported committee will have meeting before Annual Meeting. Suggestion to use overhead projection was made. Explanation of density and usage needs to be presented. Draft copies marked "Do Not Remove" will be p rovided for residents to peruse.

4.8 High South Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame. This project dovetails with 6.7.

5. Ombudsman Report Laurel Matthews, South and Margaret Roach, North

There was no report.

6. Unfinished Business

6.1 Filing Liens when assessments owed - P. Hoag

FOLLOW-UP: P. Hoag - Contact Joe Swindlehurst regarding filing of liens for overdue assessments. P. Hoag suggested not contacting Joe Swindlehurst.

FOLLOW-UP: P. Hoag - Contact J. Glover instead by 11-16-98

6.2 Forming a Welcoming Committee for new GLA members - P. Wolberd

This will take place at a later date.

6.3 M. von Hausen letter - P. Wolberd

FOLLOW-UP: P. Wolberd/D. Kehoe - Develop letter to M. von Hausen with copies to Cleirbaut, Woodland and Kehoe, Sr., a letter to Gilbert Cleirbaut with copy to Hertha Lund. These letters have been sent with copies to appropriate recipients. There has been no response from the Church.

6.4 Speed Bump on Sirius Drive - William Mountjoy

FOLLOW-UP: Road Committee - Purchase necessary signs for Aries/Sirius intersection.

ACTION: P. Hoag moved, M. Scoble seconded to replace the stop sign at the North corner of Aries/Serius intersection with a yield sign and put 3 stop signs at the intersection of Sirius Drive and Helios Way. Motion carried unanimously.

6.5 Defining a valid operator's or driver's license

FOLLOW-UP: P. Keathley/ P. Wolberd - Bring a recommendation to the Board on this matter. Community of Glastonbury Road Rule Resolution was presented. Copy of this document is filed herewith. Inclusion of snow mobiles was discussed.

ACTION: W. Wunsch moved, D. Kehoe seconded to accept the Road Rules Resolution with insertion of the word "motorized" before the word vehicle in the second line. Motion was passed unanimously.

FOLLOW-UP: J. Murphy - Send copies of Resolution to Roxendals and Leif Christian by 11-16-98.

6.6 NOXIOUS WEED COMMITTEE Formation

FOLLOW-UP: J. Murphy - Get info from county for Board to develop policy.

6.7 Fire Department Liaison Meeting

FOLLOW-UP: A. Field - To coordinate meeting with Jim Phipps & Phil Larson regarding water reservoir requirements for fire department by 10-26-98. William Smith is working on this project trying to get a meeting together with the interested parties.

FOLLOW-UP: A. Field - Report to Board progress of project 11-16-98.

6.8 Visitor Presentation Format - J. Murphy

This will be addressed at a later date.

6.9 New Homeowner Notification & Greeting Procedure - J. Murphy

This will be discussed later.

6.10 GLA paid Manager Consideration - J. Murphy

This item will be addressed after the new Board is elected.

6.11 How to identify new property owners - J. Murphy

This item will be addressed later.

6.12 Fridley Creek is blocked again

FOLLOW-UP: Svend Anderson - Contact Sean Murphy, Pete Story, David Newhouse and County for assistance and permission to dig out the blockage by 10-26-98.

J. Murphy was in contact with S. Anderson and he is in the process of addressing the situation.

FOLLOW-UP: J. Murphy - Report progress on situation by 11-16-98.

7. Tabled Business There was no discussion.

8. New Business There was no new business.

9. Open Floor Comments There were no comments.

10. Next Meeting - Monday, 7:00 p.m., November 16, 1998 at Healing Wings, Emigrant.

11. Adjournment - Meeting was adjourned at 10:30 p.m.

Respectfully submitted by

RE: Request for Waiver of Assessment Fees

Dear Henry:

This letter is a belated response to your letter of February 5, 1998.

The Glastonbury Landowners Association is willing to waive the yearly Assessment Fee on Parcel 64, North Glastonbury in consideration that the access road to Parcel 64 has not been built by the original developer and there are no plans by the GLA to build the road in the near future. This waiver is also given with consideration of the fact that you are paying the yearly Assessment Fee on your other property in Glastonbury.

The waiver is effective January 1, 1998 and will continue until such time as a road is built across Parcel 66 to Parcel 64 or until the property is sold.

I hope this waiver is amenable to all parties and I thank you for your support of the Community of Glastonbury.

Sincerely,

Patrick Wolberd
President

COMMUNITY OF GLASTONBURY
ROAD RULE RESOLUTION

WHEREAS, a member of the Glastonbury Landowners Association, Inc. (GLA) has requested clarification as to who may drive on Glastonbury platted roads and what kind of vehicle may be driven on Glastonbury platted roads; motorized

NOW THEREFORE, it is the interpretation of the GLA, Board of Directors that the intent of the RESTATED DECLARATION OF COVENANTS FOR THE COMMUNITY OF GLASTONBURY, Section 8.01, Roads and Easements, Platted Roads Easements, Subsections e and is:

1. All operators of motor vehicles on Community of Glastonbury platted roads shall be legally licensed under the laws of the State of Montana to operate motor vehicles on public roadways;
2. All operators shall operate only motor vehicles that are allowed to legally operate on public roadways according to the laws of the State of Montana, and;
3. All such operators and adequately maintained vehicles (but not limited to) shall be properly insured, licensed, registered, and operated in accordance with the laws of the State of Montana regarding the use of public roadways.

IT IS THEREFORE RESOLVED, in accordance with the above stated Board interpretation that this interpretation shall carry the force of rule in accordance with the rule making authority of the Association and the Board of Directors in the Covenants, Section 8.01, Roads and Easements, Platted Road Easements and 10.01, Community Administration, Association's Authority and the By-Laws, Article VI, Board of Directors, Section B, 10, General Powers and Duties.

SPEED CONTROL PROPOSAL ON ARIES AT THE ENTRANCE TO GAV

9-14-98

I am proposing the road committee consider the following action to address the speeding motorist problem on Sirius Drive near GAV:

1. Place a speed zone sign on Sirius Drive one hundred yards before the Sirius/Aries intersection.

2. Place a 25 mph speed limit sign on Sirius Drive fifty yards before the Sirius/Aries intersection.

3. Place a 15 mph speed limit sign on Sirius Drive halfway between the Sirius/Aries intersection and the entrance to GAV.

4. Place a children at play sign along with the existing 15 mph speed limit sign on Sirius Drive just before the GAV entrance.

5. Place a speed zone sign on Sirius Drive just past the intersection of Sirius/Taurus as one comes off Taurus on to Sirius.

6. Move the existing 15 mph speed limit sign located near the Sirius/Taurus intersection closer to the parking lot entrance by the red barn and add a children at play sign.

7. Give a written request to all Taurus Road residents and School parents and staff to comply with the speed limits noted. The Montessori Garden School and Thomas More Schools may be willing to distribute these notices to the parents.

8. Establish a 35 mph speed limit for all of Glastonbury, unless otherwise posted, and post this speed limit at all Glastonbury entrances.

9. Place on the November annual meeting a discussion of other ideas for controlling vehicle speed in Glastonbury.

Respectfully Submitted,

Patrick Wolberd

RE: Amendment of Bylaws

Dear Joan:

As we discussed, there is an inconsistency between the Covenants and the Bylaws on the subject of owner voting. Essentially, the Bylaws attempt to provide for fractional interest voting for those undivided property interests created after May 1, 1997, whereas all undivided property interests acquired prior to that date would exercise a full membership interest vote (I believe the intent of this provision was to encourage proper subdivision to create new parcels of record). The Covenants provide that any tenancy-in-common interest, whenever created, is entitled to one full vote, however, joint ownership of a tenancy-in-common interest, as between a husband and wife for example, does not entitle those individual persons to a fractional vote. The Covenants are consistent with the scheme of assessments whereby each tenancy in common interest is charged a full assessment. In all fairness, any person or persons who are liable for a full "membership unit" of assessment should also have a full "membership unit" vote.

With that in mind, it is a relatively easy matter to amend the Bylaws at the annual meeting of owners. Article XII, A, of the Bylaws calls for approval to such an amendment by vote of 51% of the Membership Interests in good standing at an annual or special meeting duly noticed for this purpose. A copy of the proposed amendment should be enclosed with the notice of meeting. If for some reason this is not possible or is overlooked, any defect in notice can be overcome simply by having each member attending the meeting sign a waiver of notice form as enclosed. If your 51% majority sign the waiver and vote for the amendment, it passes.

I would not expect this amendment to be controversial as this is really only a matter of housekeeping. In fact, the scheme of voting under the Covenants is more "member-friendly." In any event, the Covenants control whether the amendment passes or not, and the responsible officer(s) should count votes at any meeting in accordance with the Covenants.

Enclosed is the text of the Amendment to the Bylaws. Please call with any questions. Thanks.

Sincerely,

John T. Glover, Jr.

WAIVER OF NOTICE
OF THE ANNUAL MEETING OF MEMBERS OF
GLASTONBURY LANDOWNERS ASSOCIATION, INC.

I the undersigned, being a Member of the above-referenced Association, hereby agree and consent that the Annual Meeting of Members thereof be held on the date and at the time and place stated below and hereby waive all notice of such meeting, of the items to be discussed at such meeting, and of any adjournment thereof.

Place of meeting: _____

_____

Date of meeting: _____

Time of meeting: _____

SIGNED: _____

_____ (Print name)

_____ (Address)

_____

_____

OWNER OF: _____

DATED: _____

FIRST AMENDMENT TO BYLAWS
OF
GLASTONBURY LANDOWNERS ASSOCIATION, INC.

THIS AMENDMENT is made and adopted this _____ day of _____, 1998, by the Board of Directors of the Glastonbury Landowners Association, Inc., pursuant to a 51% majority vote of the Association membership in favor of such amendment at the Annual Meeting of Members held _____, 1998.

WHEREAS, a discrepancy has been called to the Board's attention between the definition of "Membership Interest" and voting procedures in the Declaration of Covenants for the Glastonbury Community and that definition and those procedures in the Bylaws for this Association; and

WHEREAS, Article XII, D, of the Bylaws expressly provides that in such case of conflict, the Covenants shall control; and

WHEREAS, Article XII, A, of the Bylaws provides for amendment to the Bylaws upon motion by the Board and approval of a 51% majority vote of the Members in good standing;

NOW THEREFORE, for the purpose of eliminating the conflict between the Covenants and Bylaws on these issues, the following two-part amendment to the Bylaws has been proposed by the Board, voted approved by the Members, and is hereby adopted:

1. Article IV, B, of the Bylaws is hereby amended to read in its entirety as follows:

"B. **Membership and Membership Interest Run With the Land.** The rights, privileges, duties and responsibilities of membership in the Association (referred to herein as a "Membership Interest") shall be as defined herein and as in the Covenants and shall run with title to the property and any qualifying portions thereof. Each Membership Interest shall be entitled to one (1) vote as defined in the Covenants.

Each of the following separated units of property, whether held by one or more than one landowner, shall constitute a separate and distinct Membership Interest that is entitled to one vote and to all other rights, privileges, duties and responsibilities as set forth in the Covenants and in these Bylaws:

a. A parcel (as defined in Section 3.22 of the Covenants);
b. An undivided tenancy-in-common interest in a parcel existing as of the effective date of the Covenants, whether owned individually or in joint tenancy; and
c. A condominium unit.

One Member of the Association may hold and exercise the entitlements of multiple Membership Interests."

2. Article V, F, of the Bylaws is hereby amended to read in its entirety as follows:

"F. **Voting.** Each member in good standing as defined in the Covenants, or any person designated by them to act as proxy on their behalf (who need not be a Member), shall be entitled to cast the vote(s) appurtenant to the Member's Membership Interest(s) at all meetings of the Members. For purposes of tabulating the written vote and consent of the Members of the Association, it is hereby provided that:

1. Each Membership Interest is entitled to one vote;
2. A Member may hold more than one Membership Interest and shall have a separate vote for each such interest;
3. The Association shall be entitled to rely on the acts of one joint owner of a Membership Interest which shall be conclusive as to that Membership Interest and binding upon the other joint owners. In the event the Association is made aware by written notice that the joint owners of a Membership Interest cannot agree as to how the vote of the Membership Interest should be cast, the Association may, in its discretion, grant each joint owner a fractional voting interest in proportion to his or her ownership interest, or may disregard the vote of such Membership Interest entirely;
4. If the total number of qualifying votes equals or exceeds fifty-one percent (51%) of the total Membership Interests of the members in good standing who cast votes at the meeting, the vote shall be effective and shall have passed."

KNOW ALL MEN BY THESE PRESENTS, that the Board of Directors of Glastonbury Landowners Association, Inc. has duly approved the foregoing Amendment to the Bylaws of said Association, and that the same shall be attached to and made a part of such Bylaws, effective as of the date first above written.

July 3, 1998

Craig Woodland
P.O. Box 999
Emigrant, MT 59027

Dear Craig:

I am writing in response to your e-mail to me of June 22, 1998. Since your letter is a matter of record, We believe it is important for the response to also be part of the record even though we have discussed this matter privately.

As I had informed you at the time, I was not able to attend the Glastonbury Landowners Association (GLA) meeting that evening so I asked Philip Hoag to relate your concerns to the board. In so doing, Philip acknowledged that even though we were in agreement with the need to establish a Land Use Master Plan (LUMP) Committee budget before allocating $5,000 for architectural drawings, we were not in accord with the overall tone of your letter.

The outcome of the discussion was twofold. First, the board deferred allocating any substantial expenditure by the LUMP Committee pending the development of an overall committee budget. Second, many of the board members considered your letter inaccurate on many important points and off base regarding Dan Kehoe, Sr's involvement. I would like to further clarify these points.

I along with many other members of the board have worked with Dan since the formation of the Glastonbury Comprehensive Planning Committee (GCPC) in March, 1996. My personal experience in working with him on the regeneration of Glastonbury the past two and a half years has been very positive. There is no doubt in my mind that among the many factors that motivate any of us to engage in this kind of commitment, Dan's love for the community and his desire to see Glastonbury be the spiritual and economic success we all envision has been at the top of his list. We believe it is no more appropriate to question his motives than to question yours or mine.

This said, it is also important to address the matter of checks and balances employed in the process. No one individual has been nor will be in a position to control the process as long as most of us are willing to do our part. We must be willing to participate in the process, as I have encouraged you to do, wrestle with each other over the points we most value, surrender to the will of the majority at decision time, and move on in harmony and respect for one another and trust in the process. It might be helpful for me to highlight the history for your benefit.

The GCPC led the community, over a period of about a year and a half, through the often painful yet productive and healing process of defining our purpose and direction. Some of the meetings were attended by over 150 community members and most meetings had no less than 50-75 people present. President Cleirbaut facilitated some of the meetings and offered regular consultation. We also held smaller focus group meetings on more specific subjects of interest to those who attended. At the July, 1996, summer conference we invited Keepers of the Flame from all over the world to join us for input into the process. We sought input from absentee landowners by correspondence, and by March, 1997, we had a LUMP Draft to be distributed to the community. This draft was well received, as far as it went.

Now for the specific points of your letter:

1. **Need More Bids**

The board is aware that only one bid has been received, even though three were sought. The expectation was that a reasonable attempt be made to obtain more than one bid while at the same time not get bogged down with repeated requests for bids. The process, after all, is two and a half years in the making. The reason for sending a subcommittee of three people, Dan Kehoe, Joan Murphy, and Davies Anderson, to discuss a contract with Comma-Q architectural company was to determine if they could meet our needs or if we would have to go back through the bidding process. My understanding is that Ben Lloyd did similar follow-up architectural work on the Walker project in Bozeman, which Von Hausen also helped develop, in addition to at least three other master plans he made available for the subcommittee to review.

2. **Define the Scope of the Work**

and

3. **Define What We Want**

It is my understanding that the subcommittee developed an outline of the scope of work while meeting with Mr. Lloyd and presented it at the June 22nd meeting. The board would certainly be looking for this scope of work to be incorporated into the budget we expect to be presented at our next board meeting on July 13, 1998. I have spoken with Daniel Kehoe, Jr., committee chair, and he has assured me that the committee fully understands that we do not have a bottomless source of funding for this project and that it is not necessary to expend the entire remaining $21,000.

4. **Budget for Planning Process**

In speaking with some of the committee members, it appears that there was some confusion regarding the $5,000 and $10,000 figures. There was acknowledgment that you had raised objections which were discussed before coming up with the $5,000 request. The meeting held with the Church on June 25, 1998, regarding a land transfer to the teaching centers reaffirmed that the church leadership will be looking for more specific and concrete architectural work in order for them to sign off on the LUMP. Since the church represents about 40% of the votes of the GLA membership, theirs is an important voice for us to hear.

5. **Rushed Process**

In the two and a half years I have been immersed in this process, the last thing any of us could be described as doing is rolling over for the church and accepting their offers outright. Believe me, we have negotiated intensely and successfully on too many matters to enumerate

here. The contact teams sent to negotiate with the church on several occasions were not bashful about representing our interests and engaged in tough, fruitful negotiations.

Most of us who have been involved in this process from the beginning would agree with Dan that we need to conclude quickly. The board, in fact, asked the LUMP Committee initially to attempt to complete this project by June of this year. They found this was not realistic and, at the boards request, are attempting to complete the project in time for us to put it to a vote at our annual meeting in November.

We have been discussing plans for a community center in North Glastonbury since 1991, when I served on the Teaching Center Board. Community centers in both North and South Glastonbury, in the opinion of many of us, are a crucial piece of the puzzle of making Glastonbury a thriving economic community. The first formal discussion between the Church and Glastonbury about master planning came about in August, 1995, when Patricia Hearth, President of Glastonbury North TC, and I, Treasurer of Glastonbury North TC, met with Edward Frances and William Smith to explore Church support for the building of a community center in North Glastonbury. Edward told us that the Church would be forming a Glastonbury Planning Committee, ultimately the GCPC, and that their support for this project would be contingent upon an approved land use master plan. So you can see that this process has been at least three years in the making, and may give you some perspective on our sense of urgency.

As I mentioned above, no one person has been nor will drive this planning process if we are all doing our part (which I believe we have). The board believes it is important to have a diversity of skills and interests represented on the LUMP committee. Since the board does not share your opinion that Dan is driving the planning process, his participation on the committee is viewed as an asset rather than a conflict of interest.

As you have stated, many parties are needed to be a part of this kind of process. We believe that this is happening. We sent out telephone trees and made announcements at church services requesting interested persons to join the committee. The committee is working from many hundreds of hours of community meetings and community planner input. The board will review the committee's work and the community will provide another round of feedback and further suggestions. Finally, the Landowners Association membership will vote on the final product.

When all is said and done and if we meet our November time line, we will have committed thousands of person hours to a three year plus process, driven by the Community of Glastonbury membership under the leadership of the GCPC and the GLA. It is our sincere hope that we can put to rest the perception that any one person is controlling or driving this process for personal gain.

6. **Recommendations**

The only recommendation with which the board is not in accord, at least in concept, is the suggestion to seek more bids. I will be asking the committee to address all the other recommendations.

In closing, Craig, we want you to know that the board has encouraged community member (homeowners or not) participation on all committees. If you are still interested in

continuing your involvement with the LUMP Committee, it is important for the diversity of the committee for you to do so. It is also important for us all to remember that the task, as defined in our mission statement, is for us to be ***Love In Action*** in order for us to be successful community planners and caring neighbors. That starts right here and now in our participation on the board, committees and other community projects and interactions.

My recommendations for you are:

A. Mend your fences.
B. Seek the highest common ground.
C. Work through the existing structure.
D. Assume the best and be prepared for the worst.
E. Trust in the process.
F. Be ***Love In Action***.

It is in the spirit of community and my personal goal to be ***Love In Action*** that I write this letter to you on behalf of the Board of Directors of the Glastonbury Landowners Association, Inc. We invite you to join us in the victory that is clearly within our reach.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

The Lure of Planned Suburbs: No Yard Sales, Just 2 Pets

By Neal Templin
Staff Reporter of The Wall Street Journal

WOODLANDS, Texas—When Peter and Jill Addy bought a $220,000 house in this woodsy development near Houston two years ago, they got six bedrooms and 29 pages of covenants and deed restrictions.

Now, as residents of one of the nation's largest master-planned communities, the Addys can't paint their house a different color without approval, keep more than two dogs in their backyard or park a recreational vehicle there overnight. "When you first see the covenants, you think you can't even move," Mr. Addy says.

The Woodlands' covenants may be strict, but 30 miles to the south, Bass Wallace would love to have them. He lives in an exclusive Houston neighborhood with tree-lined streets and houses costing as much as $1 million. But Houston has no zoning; and as a result, a real-estate partnership was able to buy the house next to Mr. Wallace's, demolish it and start constructing a 240-seat restaurant that is seeking a license to serve liquor until 2 a.m.

The lure of ultra-strict neighborhood rules is drawing millions of Americans into master-planned communities, suburban subdivisions where virtually every aspect of land use is highly controlled. Some 10 million American families now live in them, up from six million in 1990 and just two million in 1980, according to the Community Associations Institute, an Alexandria, Va., nonprofit group.

Many master-planned communities court affluent families who move a lot. Such families are often seeking a controlled environment where it's easy to meet people. To attract them, many planned communities offer a resort-like array of recreational facilities and activities not found in a normal subdivision. For example, Celebration, Walt Disney Co.'s master-planned community near Orlando, Fla., with just 2,000 residents so far, already has an 18-hole golf course, two community pools, volleyball and basketball.

"It's like an instant community you just pop in the microwave," says Karen Danielsen, a researcher at the Urban Land Institute, a Washington think tank.

The boom is particularly big in Houston, the largest municipality in the country without zoning. A referendum to adopt zoning was narrowly defeated in 1993, but master-planned communities have stepped in to do the job. Five of the nation's 10 largest master-planned communities ring Houston, and such communities account for 30% of the area's new-home sales. The number is likely to rise to 40%, thanks to recent developments like WindRose, Gleannloch Farms and Coles Crossing, says American Metro/Study Corp., a market-research firm.

Here at the Woodlands, more than half of new homes go to people moving to Texas from out of state. To lure them, it offers 85 miles of hiking and biking trails, four golf courses and a 13,000-seat pavilion that is the summer home of the Houston symphony.

Keeping the Woodlands an oasis in sprawling suburban Houston is no small chore. The homeowners associations—which effectively govern the unincorporated community of 53,000 people—employ six "monitors," who cruise through the neighborhoods and cite close to 3,000 homeowners each year for covenant violations.

"We try not to be fussbudgets," says Margie Kremer, the head of covenant administration, as she stops her Toyota Corolla in front of a house with garbage cans still visible from the street—a Woodlands no-no.

About 50% of the violations written up by Mrs. Kremer and her staff are first reported by neighbors. A year ago, Woodlands resident Vicky Fullerton, a real estate agent, was showing a house when she noticed the house behind it had several dogs in the backyard. This violated the Woodlands' two-pet limit, and she immediately called the covenant office to report it.

"A lot of people wouldn't like that type of enforcement, and the Woodlands isn't an appropriate place for them," Ms. Fullerton says.

Not all Woodlands residents agree. Several months ago, Matt Bullard, a basketball player for the Houston Rockets who lives in a $300,000 house in the Woodlands, moved his two-year-old's play fort to the side of his house to keep her away from the backyard swimming pool. The Bullards got a letter from the homeowners association saying the fort would have to be moved or fenced in so the neighbors wouldn't see it.

But the Bullards have refused to build a fence because that would mean that Mr. Bullard's wife, Paula, couldn't keep an eye on their daughter from the kitchen. The association says it will give the Bullards a chance to appeal, but Mrs. Bullard says she and her husband will fight to keep the play fort as it is. "I like the Woodlands a lot," she says. "But there are just so many rules."

Please Turn to Page B14, Column 1

Community Control

Living by the Rules

Homeowners in the Woodlands can't do the following except in special circumstances:

- **Hold a garage sale**
- **Cut down a tree** more than six inches in diameter
- **Put a barbecue grill** in the front or side yard
- **Build a play fort** with a floor that exceeds 100 square feet
- **Keep more than two pets** or two doghouses in the backyard
- **Mount bug-zapper lights** more than six feet off the ground

Americans Flock to Planned Suburbs

Continued From Page B1

Play forts are nothing compared with the hoops Woodlands residents have to jump through to install backyard swimming pools. So when Pamela Stallones built a pool, she picked a pool company that was used to Woodlands rules and regulations. The result was a kidney-shaped pool with a six-foot waterfall that is so pretty the construction company used it in promotional literature, she says.

But it wasn't good enough for the Woodlands. "They sent us a letter saying the waterfall was too tall and it would have to be torn down immediately," Ms. Stallones says. (Pool waterfalls can't be higher than five feet without permission.) When she appealed to the development standards committee of her homeowners association and agreed to plant some shrubs, the committee finally granted her a variance.

But even some who run afoul of the covenant cops support tough enforcement. Gerald O'Connor, a 34-year-old software sales executive, got a notice ordering him to mow his lawn when he went out of town once for a month. "At first I was angry. But then I realized they had a point," he says. The association merely cracks down on the sort of behavior that leaves neighbors fuming in other communities, he says.

As for Peter and Jill Addy, though daunted at first by the deed restrictions, they rapidly became fans. "It's to protect your own interests," Mrs. Addy says. "We haven't found we wanted to do anything that we couldn't do."

As it happens, the Addys recently decided to sell their house and build another one on a bigger lot. They considered building a lakefront home on a 1.5-acre lot north of the Woodlands, but they were concerned about the lack of controls there. So they are building a $350,000 home in the Woodlands, where a waterfront home is way out of their price range. "We would have paid a lot less and had a home on the water," Mrs. Addy says. "But in two years, we might have had a dog kennel next to us."

Glastonbury Landowners Association
Special Board of Directors Meeting

Minutes
November 2, 1998

1. Call to Order, Prayer

The special meeting was called to order at 7:30 p.m. by Patrick Wolberd at the offices of Healing Wings, Emigrant.

PRESENT: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice-President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Philip Hoag, Walter Wunsch, Andrew Field, and David Newhouse, Sr.

ABSENT: Linda Kremer and Horus Brailsford.

2. Reading and Disposition of Minutes of 10-26-98 was waived.

3. Order of Business

4. Reports of Officers and Committees

4.3 Architecture Subcommittee – Andrew Field, Chair

The construction project of Mykah Carey, Parcel 42, North Glastonbury, was presented by Andrew Field, who moved to approve the project. Philip Hoag seconded the motion. Passed unanimously.

Parcel 92, South Glastonbury, owner's travel trailer is parked on Parcel 93 because of not being able to access Parcel 92. After discussion the following decision was made: If the trailer is still there in two weeks, Patrick Wolberd will contact the owners of Parcels 92 and 93 to offer assistance, if needed.

4.5 Nominating Committee Report – Joan Murphy, Chair

The agenda for the second Annual Meeting was reviewed (attached herewith).

AWARDS PROPOSAL – Patrick Wolberd presented a proposal to acknowledge the volunteer service given by the six members who leave

the Board each year. He also proposed to give appreciation awards for special service to the Association (see proposal attached herewith). Philip Hoag moved and Andrew Field seconded to accept the proposal as written. Motion passed – five in favor and three opposed.

4.7 Land Use Master Plan Advisory Committee – Daniel Kehoe, Jr., Chair

The draft L.U.M.P. was reviewed by the Board and suggestions were made regarding Sections 3.8, 3.3, 2.3.3, 2.5, 3.6, and 3.8 (see attached).

5. Next Meeting – Monday, 7:00 p.m., November 16, Healing Wings office, Emigrant.

6. Adjournment – 10:30 p.m.

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

P.O. Box 312
Emigrant, MT 59027

October 31, 1998

Craig Woodland
P.O. Box 999
Emigrant, MT 59027

Dear Craig:

I am writing in response to your letter of October 26, 1998, in which you resigned from the Land Use Master Plan Committee because of unresolved differences. The Board voted to accept your resignation and asked me to notify you accordingly.

It is unfortunate that such a letter is required because I believe the work on boards and committees in a community such as ours has a dual purpose. The obvious purpose is to accomplish the work at hand. The less obvious, yet higher purpose is for us all, individually and collectively, to work through our differences and shortcomings in order to form a stronger bond and expression of God's love through community.

The regret for me is this represents a sad witness to the fact that I personally failed to successfully assist you and the committee in resolving your differences and finding the common ground necessary to accomplish the higher purpose. There are many lessons for each of us to learn from this experience and I hope you and each committee member will join me in the self-reflective process necessary for us to grow from this experience and increasingly become *Love In Action.*

Thank you for the feedback you have given to the Glastonbury Landowners Association regarding the Land Use Master Plan. Even if your suggestions are not fully incorporated into the final document, they have become part of the consideration.

Sincerely,

Patrick Wolberd, President
Glastonbury Landowners Assoc., Inc.

cc: Land Use Master Plan Committee Members

Mr. Craig Woodland
P.O. Box 999
Emigrant, MT 59027

October 26, 1998

Glastonbury Landowners Association
P. O. Box 312
Emigrant, MT 59027

Dear President and Board,

After careful consideration and prayer I am submitting my resignation from the Land Use Master Plan Committee. I have found that my role in the committee has become so marginalized that my contributions are no longer effective.

I have noted several serious flaws in both the committee structure and procedures. These flaws can adversely affect future work of this and other committees as well as the viability of any master plan that comes out of this process.

I hope that the GLA board will receive and consider my observations that arise from several months' experience in the planning process. First I will review my committee experience, then isolate the flaws I discovered and their effects.

My Experience on the Planning Committee

I was asked to join the committee in January of this year. I brought with me almost a year and a half of experience of serving on the Church's planning committee. I was told that new people were being encouraged to join the planning process. I was new to living in Glastonbury but not to the building of our community here in Montana.

At the first meeting I attended there were about 18 people. That was the most well attended meeting I saw. I had brought with me some material from my work on the Church's planning committee. When the floor was opened to discussion I presented some of the material we had discovered about Traditional Neighborhood Planning and Design. This led to a lively discussion by many attendees that occupied most of the second half of the meeting.

At my second meeting I noticed that no mention was made of this discussion in the minutes. When I later proposed some of these ideas as a solution to a particular planning situation, I was basically told to keep quiet and "We've already heard about that stuff."

As the meetings progressed, I was angrily yelled at, called names, mocked and generally pressured and intimidated to keep my ideas to myself. I never responded in kind to this abusive behavior. I was not the only one this happened to. Others expressed to me that they were afraid to express themselves at meetings for fear of intimidation. I soon saw that a small group on the committee were advocating a strict density based zoning model for planning and were not interested in other planning ideas.

At one meeting we were discussing a budget for the committee to propose to the GLA. At the end of the discussion we were going to go on to the next topic without a clear decision being made. By now I had seen a pattern. We would have a discussion but the recorded decision would be up to the interpretation of whoever wrote the minutes. I asked for a vote on the matter. It didn't change anyone's mind but it gave a record of the decision we had made. That was the first time we had actually voted on a decision in my experience up to that point in the committee.

The budget that the committee had decided to propose was $5,000.00 for architectural work. At a later GLA board meeting that I attended the proposed figure had gone up to $17,000.00. This proposal had never gone through the committee. It had been drawn up outside the committee, bypassed discussion in the committee and had been proposed directly to the GLA.

In another discussion when I objected to only getting one bid for architectural work, I was derisively told "You can go and find you own bids." I thought that this proposal to the GLA was unwise and sent my comments on to the GLA. Later I was told that one of the members of the committee was furious at me for doing this. Another member refused to talk to me from that point on.

At the July 13th GLA meeting that I attended, the GLA pressed the committee chair for a draft report to justify a further increase in the budget. The assignment was for the committee to have a draft report in by the next GLA meeting on August 3rd. The committee chair said he would bring this back for discussion in the committee. Fortunately, a committee meeting had been previously planned to be held only three days later on the 16th.

I arrived at the meeting hall on the 16th to find it empty. Astoundingly, with all the work that had to be done to draw up a draft report, our meeting had been cancelled. I had not been notified of the cancellation.

Almost three weeks later on the eve of the GLA meeting a hastily called committee meeting was held on August 2nd . We were given an already written draft report to review. I was a committee member, yet I had no part in writing this report from our committee. I asked who had written the report. I was given a sarcastic rebuke and was never told who wrote it.

During our committee meetings we had arrived at decisions on a number of topics in the master plan. I found that many of those decisions were not in the report. Instead, only the views of the small group advocating the strict density zoning model were written into the report. Much of the meeting was spent rewriting the report to include decisions that had already been made. The meeting lasted well into the evening. It is always more difficult and time consuming to correct an already written document than to write it in the first place.

The community I saw described in the report was static and not open to growth or much variety. Many of the verbs used in the report were ones such as "preserve," which was used several times. What I was seeing was a plan for a very static retirement community. It did not encourage the growth of new families or small businesses. Rick Warren, author of the book *The Purpose Driven Church*, says there are two uses for structure: control or growth. From what I could see this report chose control over growth.

At this same meeting the chair announced that he was removing me from the committee. The stated reason was that the GLA hadn't punished me enough at a previous meeting for talking to Michael von Hausen. In my opinion the real reason was because I had different ideas about planning than the strict density zoning group. The chair was asked if he had authority to remove people. It was established that he didn't but he said that because he was chair he was assigning that authority to himself. Overruling the objections of the committee members he declared that I was no longer a member and if I had any objections I could take it up with the GLA.

The chair told me I could still attend meetings if I wished. This was a moot point. I no longer receive notices saying where the meetings are to be held and I no longer receive copies of the minutes. Not being told when and where the meetings are being held makes it difficult for me to attend them.

I attended the GLA meeting the next day to have my removal reviewed. Some committee members argued that it set a dangerous precedent to give the committee chairs authority to unilaterally remove committee members. Several restrictions were discussed but none made it into the motion. The only proviso was that the removal had to be reviewed by the board with no time limit or obligation put on it. I then asked for my removal to be reviewed by the GLA at that meeting. The committee chair then said, "No, we must move on to other business."

"Justice delayed is justice denied." This action by the GLA shocked me. To stand by and allow this railroading of a member off of a committee for very questionable reasons and then to not allow that member to even defend himself or answer the unnamed charges against him is indefensible.

Michael von Hausen

There has been much discussion about my phone call to Michael von Hausen in June. I have attended at least three meetings where it was discussed at length. I have received two lengthy letters and yesterday I have now received a third. There seems to be no end to this issue.

I would like to address repeated accusations that have been leveled against me. I contacted Michael von Hausen in good faith. I did not have a malicious agenda. I had no idea about his ongoing conflict with the GLA until I talked to him. I have only contacted him on that one occasion and have not contacted him since.

I had heard about Michael from many people. He had led the planning process before I moved to Glastonbury. I had not been given any copy of the earlier master plan he authored. In doing research on developing a master plan it seemed like a fairly logical move to contact Michael to get more information.

What I stumbled upon was an ongoing conflict between Michael and the GLA which I knew nothing about and of which I was not the author. This conflict was well underway before I discovered it.

As a follow up to my phone call, Michael sent me a rather manipulative letter which I did not appreciate. It was really a letter to the GLA under the guise of a letter to me. If he wanted to write the GLA he should have had the honesty to write the GLA directly.

The letter that was copied to me yesterday was from the GLA to Michael. Over half of it was about me and some of it was inaccurate. I had been attending meetings of the planning committee and was a committee member prior to the April20th GLA meeting where Michael's work was reviewed. The letter states that his report was reviewed by current committee members. I was a committee member. I had not reviewed his report. It was discussed at meetings that I attended but no copies of the report were passed around or otherwise made available at those meetings. I simply had to rely on the accounts of others as to what was in Michael's report.

I have been relentlessly hounded on this for months. Those who have complained the loudest were those who objected to me presenting planning ideas other than those from the strict density based zoning model. I cannot help but think that this von Hausen issue is a convenient excuse to get me off the committee for having ideas other than theirs.

Stuctural and Procedural Flaws in the Committee Process and Recommendations

1. ***Voting was rare.*** All committee decisions need to be voted on. Consensus is used in the discussion phase but the decision is determined by voting. Otherwise the decision is open to the interpretation of whoever keeps the record.

2. ***Minutes reflected the opinions of the writer.*** Every effort should be made to have the minutes be an impartial record of events, not a way to correct decisions that didn't go the way of the record keeper.

3. ***Differing ideas were discouraged and ridiculed.*** The Committee process needs to be open enough to allow a free exchange of ideas and expression of opinions.

4. ***Opinions were shouted down and mocked.*** The standard of behavior in a committee should be based on the principle of mutual respect for others. It is the responsibility of the committee chair to enforce this standard by not allowing name calling, insults, bullying, anger or ridicule to happen at committee meetings. A chair who either cannot or will not enforce this standard needs to be replaced.

5. ***Work presented to the GLA as committee work was done outside of committee.*** The GLA needs to ensure that what is presented as committee work is indeed from the committee as a whole. Reports and recommendations from the committees need to have the signatures of all the committee members on them. Minority opinions need to be allowed to be presented to the GLA without repercussions. This way the GLA can be informed about both sides of an issue.

6. ***Committee chairs can arbitrarily remove members without recourse for that member.*** There needs to be some limitations imposed on this arbitrary authority by the chair. Some of these were proposed at the 8-3-98 GLA meeting:
    1. The removal needs to be reviewed at the next GLA meeting.
    2. It is the first item on the agenda.
    3. If the removal is not dealt with at the next GLA meeting it is voided.
    4. The person removed needs to be able to answer charges against him.
    5. The charges against the person removed need to be clearly stated by the chair.

7. ***Removals from the committees were left up to the discretion of the chair and not by some objective set of criteria.*** Our country is based on the rule of law and not the rule of men. To rely exclusively on the judgement of one person with no recourse in law is to leave the committee process open to the failures we are all prone to.

8. ***Documents and information were not readily available to committee members.*** Documents, letters or reports being discussed need to be circulated at meetings. Large reports need to be given to committee members before meetings so they can read them and not have to decide on a large report cold.

The Effects of the Flaws on the Committee Process

The first effects are the restriction of new ideas, the dwindling of committee size and lack of participation. I saw committee meeting attendance dwindle from 18 to 5.

There is increasing case law where master plans that take away landowners rights without due process or fair representation can be and are being challenged in court. This can be confirmed by checking with a reputable land use attorney who is familiar with current case law. A successful challenge in court could lead to the negation of the entire master plan and a serious erosion of the GLA's authority.

Conclusion

I sincerely hope that the GLA chooses to rectify this situation. I believe if Glastonbury is to be strong and if it is to grow and prosper, members need to be treated with mutual respect and a free exchange of ideas needs to be actively encouraged.

Yours truly,

Craig Woodland

1998-11-16_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
November 16, 1998

1. Call to Order, Prayer

The meeting was called to order at 7:08 p.m. by Patrick Wolberd, at Healing Wings office, Emigrant. Invocation was given by Maria Scoble.

PRESENT: Patrick Wolberd (President), Daniel Kehoe, Jr. (Vice-President), Joan Murphy (Secretary), Maria Scoble (Treasurer), Horus Brailsford, Andrew Field, David Newhouse, Sr., Eric Newhouse, and Walter Wunsch.

ABSENT: Philip Hoag, Dan Kehoe, Sr., Linda Kremer.

Waiver of Notice – Waiver of Notice of meeting was signed by Board members.

2. Reading and Disposition of Minutes

Minutes of October 5, 1998 approved. Minutes of October 26, 1998 and November 2, 1998 to be mailed to Board members.

3. Order of Business

4.5 Amendment of Bylaws

The amendment of Articles IV, B and V, F of Bylaws, having been approved by landowners, was signed by Patrick Wolberd (see attached).

8.1 Eric Newhouse was welcomed as a new Board member.

8.2 Election of Officers

Walter Wunsch nominated and Horus Brailsford seconded the following members as officers:

Daniel Kehoe, Jr. – President

Andrew Field – Vice-President

Joan Murphy – Secretary

Maria Scoble – Treasurer

The vote was unanimous.

4. Reports of Officers and Committees

4.1 Treasurer's Report – Maria Scoble, Treasurer

Report was given at Annual Meeting (see attached).

Request by Andrew Kramer for an adjustment on his assessments. (See attached letter.) The Board discussed letter. Patrick Wolberd moved and Walter Wunsch seconded that the Treasurer clarify for Andrew what his assessments have been and advise him that there will be no adjustments on his assessments. Motion carried unanimously.

4.2 Finance Committee Report

Regarding past due assessments, Roelof Varkivisier said he will be sending registered letter to landowners who are delinquent in paying assessments to inform them that if they do not pay assessments a lien will be placed on their property. Dan Kehoe, Jr. suggested calling the landowners before sending a registered letter. Patrick Wolberd said he would like to attend the next Finance Committee Meeting.

4.3 Architectural Subcommittee Report – Andrew Field, Chairman

Andrew Field presented the request by Jean-Louis Gillet for preliminary approval of his proposed subdivision on Parcel 70, South Glastonbury. After discussion, the Board recommended that Andrew contact Jean-Louis Gillet and advise him that prior to acting upon his request, we recommend that he go to the County for approval of well and septic system and present us with an approved preliminary plan from the County. Also, he needs to know that there is a potential for a fire water reservoir requirement. Eric Newhouse offered to work with Andrew on the letter.

4.4 Road Committee Report – David Newhouse, Chair

Snow fences at South Glastonbury – Walter Wunsch moved and Horus Brailsford seconded that $1,000 maximum be allocated for snow fences and associated hardware for South Glastonbury. Passed unanimously. (Also, it was recommended to have a double fence for Hercules.)

Sander – David Newhouse moved and Horus Brailsford seconded that the Board allocate $3,945 to purchase and install a sander in a vehicle. Motion passed unanimously.

Posts with orange paint indicating no hunting have been installed at Hercules and Dry Creek intersection. David Newhouse reported that William Pitt now has a snow plow and would like to plow part of high South Glastonbury for the G.L.A. David informed William he needs insurance to do so.

Speed Bump on Sirius – David Newhouse to purchase two yield signs for intersection of Aries to Sirius and Aries and Capricorn and put up two stop signs at G.A.V.

4.6 Land Use Master Plan Advisory Committee – Daniel Kehoe, Jr., Chair

Committee will meet at end of November to work on revisions of the draft LUMP and prepare for neighborhood meetings.

4.7 Fire Water Reservoir Advisory Committee – Walter, Wunsch, Chair

A 20,000 gallon tank is available for water storage for high South Glastonbury after it is cleaned out.

5. Ombudsman Report – Regina Wunsch (South Glastonbury), Margaret Newhouse (North Glastonbury)

6. Unfinished Business

6.1 Filing liens when assessments owed – Philip Hoag, no report.

6.2 Forming a welcoming committee for new G.L.A. members and new homeowners.

Notification and greeting procedure – Patrick Wolberd and Joan Murphy agreed to present proposal at 1/11/99 meeting.

6.3 Defining a valid operator's or driver's license.

Patrick Wolberd and Joan Murphy to sign off on resolution and send copies to David Roxendal and Leif Christian parents by 12/14/98.

6.4 Noxious Weed Committee – Formation

Joan Murphy and Horus Brailsford volunteered to be Co-Chairs for the committee.

6.5 Glastonbury Landowners Association paid manager

Board members are to bring in suggestions for manager and job description.

6.6 Fridley Creek

Joan Murphy reported Svend Anderson contacted Sean Murphy and Pete Story for their permission to dig out the blockage. Both agreed but didn't want to bear any financial responsibility. Svend also talked to Donald Knittel at R.T.R. about the situation. Svend will continue to follow up.

7. Tabled Business

7.1 G.L.A. responsibility for maintenance of subdivision roads.

David Newhouse said at the present time, not a good idea to take on private roads as it would increase the financial burden of G.L.A.

8. New Business

8.2 Eric Newhouse suggested the G.L.A. consider sending out a news letter to keep landowners informed of what is happening with Glastonbury.

9. Open Floor Comments

10. **Next Meeting** – Monday, 7:00 p.m., December 14, Healing Wings.

11. **Adjournment** – 10:00 p.m.

1998-11-16_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting

Agenda

November 16, 1998

1. Call to Order, Opening Prayer (and waiver of notice if required)
2. Reading and Disposition of Minutes
3. Order of Business
   - 8.1 Welcome of new board members
   - 8.2 Election of officers and changing of the guard
4. Reports of Officers and Committees
   - 4.1 **Treasurer Report** - Maria Scoble, Treasurer
   - 4.2 **Finance Committee Report** - Maria Scoble, Chair
     FOLLOW-UP: M. Scoble/R. Varkevisser - Make calls as follow-up to lien letters by 11-16-98

     FOLLOW-UP: J. Murphy - Send covenants to title companies stating if assessments are not paid liens will be filed, by 11-16-98
   - 4.3 **Architecture Subcommittee** - Andrew Field, Chair
     NEW PROJECTS FOR REVIEW:

     FOLLOW-UP: D. Kehoe - Coordinate the incorporation of Community of Glastonbury Policies & Standards for Subdivisions including section 4.4 Installation of Utilities with P. Hoag by 11-16-98

     FOLLOW-UP: A. Field - Report to Board on J. Kozlik/Handsard #81 South project by 11-16-98
   - 4.4 **Road Committee Report** - David Newhouse, Chair
     FOLLOW-UP: D. Newhouse - Write to County Commissioners to ask permission to work on the county roads, including Dry Creek Road in South Glastonbury and Story Road in North Glastonbury when Glastonbury roads are being repaired by 1-99

     FOLLOW-UP: D. Newhouse/H. Brailsford/P. Hoag - Complete comprehensive plan for area near W. Pitt property and contact Dean Kimpson and ask for cost of a foot path or road near the waterfall and above the Pitt property for easier passage to Forest Service access and projected project cost and installation of a gate across Sagittarius Skyway, by 11-16-98

FOLLOW-UP: J. Murphy - Call Ray Brown to see about turning around present sign and painting "Private Road - Locked Gate Ahead - No National Forest Access." by 11-16-98

FOLLOW-UP: H. Brailsford - Bring speed sign recommendation by 11-16-98

4.5 **Nominating Committee Report** - Joan Murphy, Chair
FOLLOW-UP: J. Murphy - Provide board member packets at the first board meeting following the Annual Meeting, 11-16-98

4.6 **Complaint Committee** - J. Murphy, Chair

4.7 **Land Use Master Plan Advisory Committee** - Dan Kehoe, Jr., Chair
FOLLOW-UP: P. Wolberd - Send thank you to Craig Woodland for his service on the LUMP committee 11-16-98

4.8 **Fire Water Reservoir Advisory Committee** - Walter Wunsch, Chair
FOLLOW-UP: W. Wunsch/H. Brailsford - Develop a proposal of alternatives for Board to consider, including County and Fire Dept. participation, and cost projections & time frame by 10-26-98

FOLLOW-UP: A. Field - To coordinate meeting with Jim Phipps & Phil Larson regarding water reservoir requirements for fire department by 10-26-98

5. Ombudsman Report - ~~Laurel Matthews~~ Regina Wunsch (South) & ~~Margaret Roach~~ Margaret Newhouse (North)

6. Unfinished Business

6.1 **Filing Liens when assessments owed.** - P. Hoag
FOLLOW-UP: P. Hoag - Contact John Glover regarding filing of liens for over due assessments by 11-16-98

6.2 **Forming a welcoming Committee for new GLA Members and New Homeowner Notification & Greeting Procedure** - P. Wolberd/J. Murphy

6.3 **Speed Bump on Sirius Drive** - William Mountjoy/P. Wolberd
FOLLOW-UP: Road Committee - Purchase necessary signs for Aries/Sirius intersection

6.4 **Defining a valid operator's or driver's license**
FOLLOW-UP: P. Wolberd/J. Murphy - Sign off on resolution and send copy to the parties who brought the matter to the Board by 11-16-98

6.5 ***Noxious Weed Committee Formation*** -
FOLLOW-UP: J. Murphy - Get info from county for Board to develop policy

Glastonbury Landowners Association Board of Directors Meeting

Agenda

November 16, 1998

6.6 **Visitor Presentation Format** - J. Murphy

6.7 **GLA paid Manager Consideration** - J. Murphy

6.8 **How to identify new property owners** - J. Murphy

6.9 **Fridley Creek is blocked again**
FOLLOW-UP: Svend Anderson - Contact Sean Murphy, Pete Story, David Newhouse and County for assistance and permission to dig out the blockage by 11-16-98

7. Tabled Business
   7.1 **Should GLA accept responsibility for maintenance of subdivision roads?** - D. Newhouse

   7.2 **Study guidelines for Tree removal** - P. Hoag

   7.3 **Write accounting procedures** - M. Scoble/P Keathley

8. New Business
   8.1 Welcome of new board members.

   8.2 Election of officers & changing of the guard.

9. Open Floor Comments

10. Next Meeting - Monday, 7:00 p.m., December 7, 1998, Healing Wings
11. Adjournment

Total	**$123,367.12**

1.) On 1/1/98 the opening balance in our GLA checking account was $11,816.51

FIRST AMENDMENT TO BYLAWS
OF
GLASTONBURY LANDOWNERS ASSOCIATION, INC.

THIS AMENDMENT is made and adopted this 16th day of November, 1998, by the Board of Directors of the Glastonbury Landowners Association, Inc., pursuant to a 51% majority vote of the Association membership in favor of such amendment at the Annual Meeting of Members held November 14, 1998.

WHEREAS, a discrepancy has been called to the Board's attention between the definition of "Membership Interest" and voting procedures in the Declaration of Covenants for the Glastonbury Community and that definition and those procedures in the Bylaws for this Association; and

WHEREAS, Article XII, D, of the Bylaws expressly provides that in such case of conflict, the Covenants shall control; and

WHEREAS, Article XII, A, of the Bylaws provides for amendment to the Bylaws upon motion by the Board and approval of a 51% majority vote of the Members in good standing;

NOW THEREFORE, for the purpose of eliminating the conflict between the Covenants and Bylaws on these issues, the following two-part amendment to the Bylaws has been proposed by the Board, voted approved by the Members, and is hereby adopted:

1. Article IV, B, of the Bylaws is hereby amended to read in its entirety as follows:

"B. **Membership and Membership Interest Run With the Land.** The rights, privileges, duties and responsibilities of membership in the Association (referred to herein as a "Membership Interest") shall be as defined herein and as in the Covenants and shall run with title to the property and any qualifying portions thereof. Each Membership Interest shall be entitled to one (1) vote as defined in the Covenants.

Each of the following separated units of property, whether held by one or more than one landowner, shall constitute a separate and distinct Membership Interest that is entitled to one vote and to all other rights, privileges, duties and responsibilities as set forth in the Covenants and in these Bylaws:

a. A parcel (as defined in Section 3.22 of the Covenants);
b., An undivided tenancy-in-common interest in a parcel existing as of the effective date of the Covenants, whether owned individually or in joint tenancy; and
c. A condominium unit.

One Member of the Association may hold and exercise the entitlements of multiple Membership Interests."

2. Article V, F, of the Bylaws is hereby amended to read in its entirety as follows:

"F. **Voting.** Each member in good standing as defined in the Covenants, or any person designated by them to act as proxy on their behalf (who need not be a Member), shall be entitled to cast the vote(s) appurtenant to the Member's Membership Interest(s) at all meetings of the Members. For purposes of tabulating the written vote and consent of the Members of the Association, it is hereby provided that:

1. Each Membership Interest is entitled to one vote;
2. A Member may hold more than one Membership Interest and shall have a separate vote for each such interest;
3. The Association shall be entitled to rely on the acts of one joint owner of a Membership Interest which shall be conclusive as to that Membership Interest and binding upon the other joint owners. In the event the Association is made aware by written notice that the joint owners of a Membership Interest cannot agree as to how the vote of the Membership Interest should be cast, the Association may, in its discretion, grant each joint owner a fractional voting interest in proportion to his or her ownership interest, or may disregard the vote of such Membership Interest entirely;
4. If the total number of qualifying votes equals or exceeds fifty-one percent (51%) of the total Membership Interests of the members in good standing who cast votes at the meeting, the vote shall be effective and shall have passed."

KNOW ALL MEN BY THESE PRESENTS, that the Board of Directors of Glastonbury Landowners Association, Inc. has duly approved the foregoing Amendment to the Bylaws of said Association, and that the same shall be attached to and made a part of such Bylaws, effective as of the date first above written.

Patrick Wolberd, President

ATTEST:

Joan Murphy
Secretary

WAIVER OF NOTICE

MEETING OF BOARD OF DIRECTORS

OF

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

We, the undersigned, being the Board of Directors of the Glastonbury Landowners Association, Inc., a corporation organized and existing under the laws of the State of Montana, DO HEREBY WAIVE NOTICE of the time and place of a regular meeting of the said Board of Directors and of the business to be transacted, whether provided by statute or otherwise.

We designate, Monday, November 16, 1997, at 7:00 p.m., as the time and Healing Wings offices in Emigrant, Montana as the place of the meeting of said Board of Directors, the purpose of said meeting being for the transaction of such business as may be necessary or advisable for the corporation to carry on its contemplated business. And WE DO HEREBY WAIVE all the requirements of the laws of the State of Montana, both as to notice and publication thereof of the time, place and object of the meeting; and WE DO CONSENT to the transaction of such business as may come before the said meeting.

PROXY

I, Daniel J. Kehoe, Sr., hereby allow Joan "The Power" Murphy to cast my votes on all issues brought up for vote at the meeting of the Glastonbury Landowners Association (GLA) to be held on November 16, 1998.

Daniel J. Kehoe, Sr.

1998-12-14_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
December 14, 1998

1. Call to Order, Prayer

The meeting was called to order at 7:15 p.m., by Daniel Kehoe, Jr. at Healing Wings Office, Emigrant. Invocation was given by Daniel Kehoe, Jr.

PRESENT: Daniel Kehoe, Jr. (President), Maria Scoble (Treasurer), Joan Murphy (Secretary), Linda Kremer, David Newhouse, Sr., Eric Newhouse, and Patrick Wolberd. Walter Wunsch present by proxy.

ABSENT: Horus Brailsford, Andrew Field, and Philip Hoag.

2. Reading and Disposition of Minutes

Minutes of November 2, 1998 approved. Minutes of October 26, November 14, and November 16, 1998 approved with corrections.

3. Order of Business

No change made in order of business.

4. Reports of Officers and Committees

4.1 Treasurer's Report – Maria Scoble, Treasurer

Approximately $75,000 total in the bank accounts.

1) $60,000 in money market fund account
2) $5,000 in checking account
3) $10,000 in C.D.'s purchased 12-14-98

Andrew Kramer's request for adjustment on his assessments. Maria Scoble advised him there would be no adjustment made.

Josephine Stark's letter to the G.L.A. regarding Parcel #23, S.G. assessments (Green Barn) was read (see attached). Maria Scoble to write Josephine Stark acknowledging receipt of letter.

4.2 Finance Committee Report – Maria Scoble, Chair

No follow-up as yet on past due accounts.

Maria Scoble moved and Daniel Kehoe, Sr. seconded that the G.L.A. pay Cynthia Murphy $25 to type each set of Board minutes. Passed unanimously.

4.3 Architectural Subcommittee Report – Andrew Field, Chair

James Mason's request to place a mobile home on Parcel #7, N.G. for a two-year period was introduced and explained by Patrick Wolberd. The Board recommended that the Masons wait until the LUMP is approved as the wording in the plan is more favorable to their request than the present mobile home requirements. Patrick Wolberd to contact James Mason.

Kremer's subdivision #18, S.G. submitted for final approval by G.L.A.

Gillet request for approval of subdivision Parcel #70, S.G. was discussed. Daniel Kehoe, Jr. explained to the Board that the G.L.A. cannot require a ten acre minimum for subdivisions in high South Glastonbury on the sales that were transacted before the Master Plan goes into effect.

Scott and Ranttalo building projects in North Glastonbury. Architectural Subcommittee forms for construction projects have not been submitted. Eric Newhouse will follow-up with Ian Scott. Joan Murphy to send a letter to Paul Ranttalo.

4.4 Road Committee Report – David Newhouse, Sr., Chair

David Newhouse, Sr. reported that Richard Johnson purchased and installed snow fences in South Glastonbury. Cost was $570. Since the Board had approved expenditure of up to $1,000, approval was given to repair snow fences on Arcturus and install snow fences and posting around power boxes.

A sander was purchased and installed on David Newhouse's truck.

Patrick Wolberd moved and Dan Kehoe, Sr. seconded to authorize the Road Committee to pay $30 per hour for road sanding services. Passed unanimously.

The three-way stop signs at entrance to G.A.V. have not yet been installed.

Snow drifts on Dry Creek road. Patrick Wolberd moved and Dan Kehoe, Sr. seconded that the G.L.A. Board negotiate with the County to have the County purchase fencing and the G.L.A. would put up and take down the fencing seasonally. Passed Unanimously. David Newhouse to follow up with County.

William Pitt requested that if ever his snow plow is not adequate to plow his road, could he be plowed out by the G.L.A. since he has helped plow South Glastonbury roads without receiving payment for his services. The Board recommended he contact Walter Wunsch regarding his request. Patrick Wolberd moved and Dan Kehoe, Sr. seconded that David Newhouse instruct William Pitt to submit proof of insurance to the Board and he would then be accepted as a contractor to plow roads. Passed unanimously.

David Newhouse to call Walter Wunsch regarding plowing in South Glastonbury.

4.7 Land Use Master Plan Advisory Committee – Daniel Kehoe, Jr., Chair

Joan Murphy moved and Dan Kehoe, Sr. seconded that the G.L.A. pay the expenses for the printing and mailing of the LUMP and be reimbursed from the Glastonbury Special Account at a later date. Passed unanimously.

Daniel Kehoe, Jr. distributed copies of the LUMP to Board members (see attached) and reviewed changes from previous draft.

6. Unfinished Business

6.1 Philip Hoag contacted John Glover regarding filing liens when assessments are owed and is waiting for answer. (Eric Newhouse gave report.)

6.4 Defining a valid operator's or driver's license – Patrick Wolberd

Resolution completed (see attached).

6.7 G.L.A. paid manager/administrative assistant duties would include: Attending Board meetings; take and type minutes; draw up agenda for meeting; distribute notice of meetings and other material to Board members; be a liaison with County and Church; accept phone calls and mail copies of covenants, etc. when requested; check the recorder's office for new landowners. Good computer skills required. Joan Murphy to follow up.

The Board also considered having a pool of people available to review construction projects. Suggested names for this position: William Smith, Eric Newhouse, and James Healy. The G.L.A. would charge the builder a fee which would be paid to the person reviewing the project. Proposed fees: $50 for small project (home); $250 for condominiums, etc.

6.8 How to identify new property owners – Joan Murphy

Check with County Recorder's office monthly.

8. New Business

Patrick Wolberd expressed a concern that the community might polarize over the withdrawal of some members from C.U.T. and the negative response they have received from other members. Patrick Wolberd to follow up.

10. Next Meeting – Monday, January 11, 1999, Healing Wings.

11. Adjournment – 10:25 p.m.

1998-12-14_BDGNAUX.pdf

Glastonbury Landowners Association
Land Use Master Plan Committee
P. O. BOX 499
EMIGRANT, MT 59027

December 15, 1998

Dear Landowner:

Enclosed please find the preliminary draft of the Community of Glastonbury Land Use Master Plan. Members of the Master Plan committee will soon be holding a neighborhood meetings to get your suggestions and answer your questions. Please read this Master Plan carefully in preparation for your neighborhood meeting.

Our target timeline for completing the neighborhood meetings and mailing the modified draft for review is early February. A general meeting for a community review of the modified draft is planned for the third week of February. ultimately, the GLA Board plans to hold a membership meeting to vote on the Master Plan by early March.

As you review the Master Plan, you will find two major areas that conceptualize a the unifying philosophy and vision: the Residential Area; and the Village Center. These areas have different needs and slightly different philosophies governing their development. In the Residential area, we build a vision by taking into account what development is already in place and what standard to adopt to get where we want to go as a community. By establishing a standard and design for the Village Centers, we attract developers who are magnetized to our spirit and vision.

The residential density schedules, shown in Section 3.8, are based on the topography and location of the parcels. The highest density areas are those with the best road access and amount of buildable land.

The design standards for the Village Center give physical definition to the vision and philosophy of the community and maintain and improve property values. At present two designs themes have been offered: Western Contemporary in Glastonbury North and Alpine in South. Generally these design elements are already to be found in Glastonbury North and South, respectively.

The Restated Covenants adopted the original Glastonbury Process Review Committee standards until superseded by the Master Plan or rules of the GLA. The Master Plan's Section 5 is the main three standards brought up to date. Since Park County basically adopted Glastonbury's road standard, we have eliminated them from the Master Plan.

Please thoughtfully read through this document and mark it up and bring your marked up copy to the neighborhood meeting. We value everyone's insight and forethought and look forward to the neighborhood meetings. Out of town landowners may mail their marked up pages to the GLA to the above address.

On behalf of the GLA Board and the Master Plan Committee,

Daniel Kehoe, Jr.

TELEPHONE TREE

To: Residents of North and South Glastonbury
From: The Glastonbury Landowners Association

The Glastonbury Landowners Association has an opening for an Administrative Assistant for 10 hours per week, payable at $10.00 per hour. This position would include attending GLA Board meetings, taking minutes of the meetings, handling correspondence and the paper flow of the organization and would include other such reasonable duties of an Administrative Assistant. Adaptability to changing circumstances and a sense of humor is helpful. Please respond by faxing your resumé to 333-4581 or mailing it to Glastonbury Landowners Association, P.O. Box 312, Emigrant. If you would like further information, please call Joan Murphy at 333-4792.

1999

April, 20, 1999

Glastonbury Landowners Assoc.
Board of Directors
P.O. Box 312
Emigrant, MT 59027

I would like to apply for the administrative position that was announced via telephone tree this week. Since I work at home and my schedule is very flexible, I could be available on an as-needed basis. I could arrange to be available pretty much any time with minimal notice.

As you can see on the attached resume I have office and administrative experience but only minimal computer experience. I feel I could learn what is required in this area fairly quickly.

Thank you for your consideration.

Sincerely,

Eileen Alexander

R E S U M E

E I L E E N A L E X A N D E R

ADDRESS: P.O. Box 1633
Emigrant, MT 59027

Phone: (406) 333-4786

EDUCATION:
Graduated 6/60 - Alemany High, San Fernando, CA
9/60 - 6/61 - L.A. Valley College, Van Nuys, CA
8/61 - 5/63 - U.C.L.A. - Liberal Arts

WORK EXPERIENCE:

6/90 to present — SELF EMPLOYED - AGRICULTURAL

Currently I am involved in raising Dairy Goats for sale. I also raise orphan lambs on the surplus milk and make cheese for sale at our community Farmers' Market in the summer.

12/86 to 6/90 — Living in Longmont, Colorado
Not employed outside home.

9/78 to 12/86 — LOS ANGELES UNIFIED SCHOOL DISTRICT
TRANSPORTATION BRANCH

I started with the school district as a school bus driver. After a year I became an assistant Area Bus Supervisor and later an Area Bus Supervisor. Area supervisors are responsible for 30 to 50 bus routes and drivers. They maintain an area office; keep work records; make work assignments; interface with school personnel and parents and do whatever else is needed to keep the operation running smoothly. For 2 years I was a Transportation Inspector. In this position I handled complaints, made investigations and submitted a written report with recommendations for resolving the problem to the Director of Transportation. I left this position when our family moved to Colorado for my husband's job.

Prior to my employment with the school district I was occupied with raising 3 children.

Dear Glastonbury Landowner,

It has come to the attention of the Glastonbury Homeowners Association that you have knap weed growing on your property. It is the policy of the Glastonbury Homeowners Association to actively promote weed control in the community. The association pays to have the community road easements sprayed annually to control knap weed. Some property owners in the community have aggressively worked control knap weed on their properties and others have neglected the problem. It makes it very hard for those trying to control the weed if their neighbors are allowing the weed to proliferate because the seed is spread by the wind.

There is a Park County Ordinance mandating noxious weed control that includes fines for non-compliance. The Glastonbury covenants also mandate the control of noxious weeds. We would like you to have the knap weed infestations on your property sprayed by a qualified weed control person. Many residents have had good results with Dan Skattum whose phone number is 222-0983. Other licensed weed control people are listed in the yellow pages.

Please get back with us within 14 days with a plan as to when and who will be dealing with the weed problem on your property. If we do not hear from you in 14 days we will refer the problem to the County's attention for action.

We also understand that some adjoining non-Glastonbury landowners have infestations of knapp weed that are causing seed to be blown onto Glastonbury properties. This problem is out of the Homeowners jurisdiction. If you live adjacent to any such landowner we do suggest you to personally contact these landowners and encourage them to control the weeds adjacent to you. If you feel they are not responding we encourage you to refer the problem to the County for action.

Thomas Mosser
P. O. Box 12
Emigrant, MT 59027

Dear Thomas:

Thank you for your efforts towards getting Story Road paved. The GLA was not in a position to meet the time frame necessary to utilize the contract you had developed with the paving company. In our informal discussion with he other participants in the project, we understood that they were not ready to move forward either.

In the interim since our last discussion, several members of the GLA Board have met with the other funding parties and a Park County representative. In our discussion, we found that the plan the paving companies had bid on was more ambitious than either the parties or the County had envisioned. A scaled back plan was agreed upon by the parties involved. I'm not sure where the misunderstanding developed between the funding parties' intention for paving and the vision you held for the paving and various other projects. This unfortunate development led to a plan being presented that was not of the parties' original intent and left the GLA no other choice but to decline involvement on the terms presented.

Once again, on behalf of the Glastonbury Landowners Association, Inc., I thank you for the hours you have devoted to this project. I regret any miscommunications that we may have had that led to the circumstances we have experienced.

Sincerely,
Glastonbury Landowners Association, Inc.

Daniel Kehoe, Jr.
President

Glastonbury Landowners Association
Road Committee 1999/2000 Road Maintenance & Improvement Plan

The board of directors approved a proposal to participate in the cost of paving Story road in a cooperative venture involving Glastonbury Landowners Association ($15K), Church Universal and Triumphant ($15K), Park County (Roadbed widening and topping, culvert installation, and grading), First National Bank of the Rockies ($10K), Murphy Mobile Home Park ($15K), Avalon Assisted Living Facility ($15), and others ($5K). This project was completed on November 11, 1999, at a price of $75,000 plus the County's roadbed improvement.

In conjunction with the $15,000 Story road improvement, the GLA committed to a $15,000 road improvement at problem areas on Dry Creek road and other major entry arteries to South Glastonbury.

This past year the Road Committee has also been researching road surface binder products to find the longest lasting and most economical road surface treatment products to reduce washboarding, potholes and dust problems. This process has taken longer than expected. While researching and testing an alternative treatment product, we have engaged in a low cost minimal maintenance program which has resulted in the the poor quality road surface we have all been tolerating this past year. If we do not have an improved product identified before Spring, 2000, we will return to the use the magnesium chloride product used in previous years.

The plan is to start an intensive maintenance program early in Spring of 2000 treating the main arteries of North and South Glastonbury. This will involve approximately 13 miles of the 26 miles of Glastonbury roads at a cost of roughly $91,000 ($7K per mile).

The current cash in the bank is in excess of ~~$112~~ 107,000. This leaves a ~~$21~~ 30,000 buffer plus the year 2000 income to cover the necessary routine road maintenance and other expenses necessary to operate our association.

will leave about $20,000 in Contingency fee

September 28 1999

Dear Board Members,

I am writing with regard to the dangerous curve in the road by the gravel pit in North Glastonbury. Today, Frances Lichner, who works for us, was rushing home travelling east when her car rolled over at this location. She was absolutely clear that it was her own fault for speeding and blamed no one else for the accident. Some time ago, I was personally involved in a near miss while travelling east in this location and would have been the one at fault had that incident ended with a collision. I was deeply shaken, especially since my children were with me in the car. Since that time, I always exercise particular caution at this part of the road. Unfortunately, those who do not reside in Glastonbury do not have experience to rely on and they may not slow down. Furthurmore, there are a number of younger drivers who at times, drive with nothing short of recklessness. In my opinion they pose a significant danger to others on the road particularly in dangerous spots like this curve. I am also seriously concerned about the fact that often the afternoon sun is directly in a drivers eyes when traveling west by the gravel pit making it very difficult to see an approaching vehicle and react in time. I would point out that right now there is barely room to take evasive action.

Clearly I am not a road builder but it seems obvious to me that some improvements could be made. I would like to see the road widened at least so that there is room for some evasive action to be taken if necessary. Perhaps this part could be paved to eliminate the danger posed by shifting gravel. At this point in time there is not even a sign indicating that a more than ordinary danger exists. Nor is there a sign designating a speed limit here. I don't know the financial costs that would be involved to improve the road but it seems to me that a comparitively little amount of money spent now could save an enormous personal cost in someone's ruined life in the future. I believe this is a compelling enough reason to take immediate action but there are other considerations.

When Wayne helped Per tow the car away, he told me that the washboard was terrible there. I am not an attorney, but I have heard of lawsuits such as a poacher successfully suing a landowner because he fell in a hole and broke his ankle. It didn't matter that he was trespassing on private property. The court held that the landowner was liable and should not have left dangerous holes on his property because he should have known someone could hurt themselves in them! Similarly, it may not matter that someone was speeding at this location. It may be that the lack of warning of danger and even the poor condition of the road itself could make the G.L.A and consequently, all of us landowners, liable.

I feel very sad about what happened to Frances this morning. Such news makes me acutely aware of how vulnerable we human beings can be. Who has not found themselves behind the steering wheel in a hurry for some seemingly important reason at some time in their life? Fortunately for Frances, she was able to crawl out of her car and walk away, next time someone may not be quite so "lucky".

I have been concerned about this dangerous curve for some time but I didn't do anything about it. I am angry with myself that I did nothing. It took this accident for me to take the small action of writing this letter asking you to make the necessary improvements. I tend to look on the bright side, but in this case I feel that there is a high possibility that a terrible accident could happen here and frankly, it won't matter who is at fault. What will matter is that someone could be seriously hurt or even killed. It seems to me that there are more than enough reasons to correct this situation, and with the winter coming up, I would hope sooner rather that later.

Yours sincerely

Catherine Mansaw

Gastonbury Landowners Association
Board of Directors Meeting

Minutes
January 11, 1999

1. Call to Order, Prayer

The meeting was called to order at 7:12 p.m., at Healing Wings Office, Emigrant, MT, by Daniel Kehoe, Jr. Invocation was given by Laurel Matthews.

PRESENT: Daniel Kehoe, Jr. (President), Maria Scoble (Treasurer), Dan Kehoe, Sr., Eric Newhouse, Walter Wunsch, Andrew Field and Philip Hoag. Patrick Wolberd, Joan Murphy (Secretary) and Linda Kremer were present by proxy.

ABSENT: David Newhouse and Horus Brailsford.

2. Reading and Disposition of Minutes

Minutes from the December 14, 1998 meeting were approved.

3. Order of Business

4.1 and 4.2 were delayed until the arrival of Roelof Varkevisser, assistant to Treasurer.

4.3 Architectural Subcommittee Andrew Field, Chair

PROJECTS FOR REVIEW:

Construction Projects:

Lisa Buford, Parcel 40, N.G. - Discussion at a later date.

Subdivisions:

Neil Kremer, Parcel 18, S.G. - Plat needs clarification.

Susan Gough, Parcel 38, N.G. - A. Field moved, E. Newhouse seconded to approve final subdivision. Motion passed unanimously.

Fred Morsell, Parcel 24, N.G. - A. Field moved, D. Kehoe, Sr. seconded to approve preliminary subdivision with the condition that newly constructed driveway

intersect Capricorn Drive at a 90 - degree angle. Motion carried unanimously.

Patricia Harth, Parcel 24, N.G. - A. Field moved, E. Newhouse seconded the motion to approve preliminary subdivision. Motion passed unanimously.

James Mason, Parcel 7, N.G. - P. Wolberd to follow-up with J. Mason request to place mobile home on Parcel 7, N.G.

Ian Scott - E. Newhouse will follow-up regarding application forms to be filled out for contruction project.

Paul Ranttalo, Parcel 30, N. G. - A. Field moved, E. Newhouse seconded preliminary approval for building project (house). Motion carried unanimously.

James Kozlik, Parcel 81, S. G. - J. Kozlik, being present at 1-11-99 meeting, was addressed by A. Field. A. Field asked J.Kozlik to commit to getting septic system worked out with county sanitarian, burying electric cable and solid foundation completed by a certain date. J. Kozlik agreed to follow these guidelines and submit in writing to Board.

Jean Louis Gillet, Parcel 70, S.G. - Taxes are not paid. Project needs further discussion.

4.1 Order of Business -Treasurer's Report Maria Scoble, Treasurer

Profit and Loss Statement, January through December 1998, was submitted, along with the Balance Sheet dated January 6, 1999. Copies of these documents are filed herewith. M. Scoble looked into matter with Josephine Stark, Parcel 23, S. G. and stated no payments have been made.

4.2 Finance Committee Report Maria Scoble, Chair

M. Scoble moved, A.Field seconded the motion to impose liens on property whose owners owe assessments prior to 1998 and are $500.00 or more, these liens to be filed with the County. Motion carried unanimously.

4.4 Road Committee Report David Newhouse, Chair

Three-way stop signs at entrance to GAV have not been completed.

E. Newhouse reported that D. Newhouse would like W. Wunsch to handle negotiations with the County re fencing for Dry Creek Road, S.G. Richard Johnson had been asked to take pictures of the conditions of drifting snow in the past.

W. Pitt - Proof of Insurance has not been received by D. Newhouse as yet. Board needs letter from agent stating W. Pitt is covered by his insurance for plowing.

Plowing in S. G. - W. Wunsch has authority to call Archie Mann if plowing is needed in S. Glastonbury, this to be coordinated with needs in N. Glastonbury.

4.6 Complaint Committee Joan Murphy, Chair

There was no report.

4.7 Land Use Master Plan Advisory Committee Daniel Kehoe, Jr., Chair

Plan has been mailed out. S. Glastonbury is all set up for meetings. N. Glastonbury is one-third completed.

4.8 Fire Water Reservoir Advisory Committee Walter Wunsch, Chair

Discussion will take place at a later date.

4.9 Noxious Weed Committee Formation H. Brailsford/ J. Murphy, Co-Chairs

Discussion will be addressed in March 1999.

5. Ombudsman Report Margaret Newhouse, N.G./ Regina Wunsch, S.G.

There was no report.

6. through 8. There was no discussion.

9. Open Floor Comments

There were no comments.

10. Next Meeting

Next Meeting will be Monday, February 1, 1999, 7:00 p.m., Healing Wings Office, Emigrant, MT.

11. Adjournment

Meeting was adjourned at 8:44 p.m.

RE: Assessment Liens

Dear Philip:

As we discussed, enclosed is a sample lien form. This form should be completed as applicable for a given parcel and recorded with the Park County Clerk and Recorder. After recording, notice by certified mail should be given to the affected landowner(s) and to any other party with an interest in the real property (prior lienholders). Please note that accounting for parcels which have been delinquent for many years will be tedious as each delinquent assessment will bear a penalty according to its amount and will accrue interest based on its date of delinquency.

Please call with any questions or if I can be of further assistance in this regard. Thanks.

Sincerely,

John T. Glover, Jr.

Enclosure

Statement of Account:

NOTICE OF CLAIM OF LIEN

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

Claimant,

vs.

DRAFT

_____,

Owner(s) or Reputed Owner(s).

KNOW ALL PERSONS BY THESE PRESENTS:

That the undersigned, Glastonbury Landowners Association, Inc. (the "Association") does hereby claim a lien for unpaid assessments plus penalties and interest against the following-described property:

_____

_____

_____

That the title of said property now stands in the name of _____, that he/she is now the owner or reputed owner of the above-described property.

That this lien is claimed pursuant to Section 11.06 of the Restated Declaration of Covenants for the Community of Glastonbury, dated September 26, 1997, on file and of record in the office of the Clerk and Recorder for Park County, Montana. Said Section provides for the creation of a continuing lien upon any parcel subject to said Declaration of Covenants for any assessment imposed by the Association which is unpaid when due.

That the assessment(s) established by the Board of Directors of the Association for the above-described property is/are in the sum(s) of:

(a) $_____ for the year 19___, and
(b) $_____ for the year 19___, and
(c) $_____ for the year 19___. *(ETC...)*

At the time of the filing of this lien, payment was delinquent on assessment (a) for a period of _____ months, on assessment (b) for a period of _____ months, *(ETC...)* The total amount due and owing for all delinquent assessments, together with interest and penalty thereon, as provided by the Declaration of Covenants is the sum of $_____. A true and correct account of said assessments is attached hereto, marked Exhibit "A" and is incorporated herein by

this reference. Said amount is now due and owing to Claimant after allowing all credits and offsets.

WHEREFORE, Glastonbury Landowners Association, Inc. has and claims a lien upon the aforesaid property, and hereby claims the benefit of the law relating to liens pursuant to Section 71-3-102(1), Montana Code Annotated.

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
February 1, 1999

1. Call to Order, Prayer

The meeting was called to order at 7:15 p.m., at Healing Wings Office, Emigrant, MT, by Daniel Kehoe, Jr. Invocation was given by D. Kehoe, Jr.

PRESENT: Daniel Kehoe, Jr. (President), Joan Murphy (Secretary), Daniel Kehoe, Sr., Linda Kremer, Eric Newhouse, Patrick Wolberd, and Walter Wunsch. Maria Scoble was present by proxy.

ABSENT: Philip Hoag, Andrew Field, David Newhouse, Sr., and Horus Brailsford.

2. Reading and Disposition of Minutes

Minutes from the January 11, 1999 meeting were approved with an addition.

3. Order of Business

4. Reports of Officers and Committees

4.1 Treasurer's Report – Maria Scoble, Treasurer

In the absence of Maria Scoble, J. Murphy reported that the assessment invoices had been mailed on 1-11-99.

4.2 Finance Committee Report – Maria Scoble, Chair

J. Murphy reported that certified letters to landowners who have past due assessments would go out as soon as the letter is ready, probably in a week.

P. Wolberd requested that a copy of the lien letter be sent to Board members.

Not sure if this is 2/1/99 mins & pg 2-3

J. Murphy proposed that there be compensation for the four quarterly assessment mailings.

Action: W. Wunsch moved and P. Wolberd seconded that the Board compensate the mailing activity with a maximum of $40 per person for each mailing. Five votes in favor and two abstentions.

4.3 Architectural Subcommittee Report – Andrew Field, Chair

Request for preliminary approval of two subdivisions was noted:

Parcel #22 S.G. – Daniel and Patricia Costigan, et al.

Parcel #37 S.G. – Daniel Kehoe, Sr., et al.

P. Wolberd reported that he had given James Mason the Board's recommendation regarding his request to place a mobile home on Parcel #7 N.G.

Neil Kremer explained that the road into Lot B (Stuart Nelson's property) on Parcel #18 S.G. is not on the Plat because the road would then have to be brought up to County standards.

Eric Newhouse has the information regarding Ian Scott's building project and requested architectural forms be sent to him.

4.4 Road Committee Report – David Newhouse, Sr., Chair

W. Wunsch reported that snow fences for the lower portion of Dry Creek Rd. need to wait until a later date due to frozen ground.

W. Wunsch submitted a copy of a letter from W. Pitt's insurance company authorizing him to plow in South Glastonbury.

W. Wunsch informed the Board of the necessity of making the road sander available to both North and South Glastonbury.

4.5 Complaint Committee – Joan Murphy, Chair

4.7 Land Use Master Plan Advisory Committee – Daniel Kehoe, Jr., Chair

P. Wolberd moved and A. Field seconded that the Board approve the appointment of the LUMP committee members as requested. Motion carried unanimously.

4.3 Architectural Subcommittee Report – Andrew Field, Chair

Requests for preliminary approval of the subdivision of parcel #89 S.G. (William Pitt) and construction of a generator house on parcel #10 N.G. (Jack and Carla Baughman) were introduced by the secretary.

The following projects were presented by A. Field for approval:

Lisa Buford's generator house (N.G. parcel # 40)
Jack Baughman's generator house (N.G. parcel #10)

The following subdivisions were presented by A. Field for approval.

Costigan (S.G. #33) preliminary
Kehoe (S.G. #37) preliminary
Kremer (S.G. #18) final

The above projects and subdivisions were given approval.

The request for subdivision of Parcel #70, S.G. is on hold (J. L. Gillet).

4.4 Road Committee Report – David Newhouse, Sr., Chair

Snow fence on Dry Creek to be taken care of after ground thaws.

Since funds allotted for snow fences have not been used up, the board gave the Road Committee approval to repair broken snow fences and purchase fences needed in North and South Glastonbury.

D. Newhouse presented the Board with the proposal that the GLA purchase Neighborhood Watch signs for Glastonbury. D. Newhouse will research the price of the signs and bring the information to the Board.

4.7 Fire Water Reservoir Committee – Walter Wunsch, Chair

The cleaning and burial of the tank is on hold until spring thaw.

Nadim Issa addressed the Board with his concerns regarding the LUMP. There was a discussion with the following decisions:

1. D. Kehoe, Jr. and William Smith would make a flow chart outlining the remainder of the process.

2. On the next LUMP draft to the landowners the committee would strike out and underline changes in the plan.

D. Kehoe, Jr. gave a follow-up report on the neighborhood meetings and submitted changes to LUMP. (See attached)

6. Unfinished Business

6.2 Welcoming Committee – P. Wolberd/J. Murphy

P. Wolberd distributed copies of a suggested protocol for greeting new landowners to be discussed at the next meeting.

USAA # 1086 90 21
January 18, 1999

Dear Mr. Pitt:

This letter is to verify that William A Pitt Jr and his insured vehicle, 1973 Chev. are covered under his USAA policy # 10869021 for occasional snow plowing in his neighborhood. Mr. Pitt is covered under his current policy for liability as long as the usage remains occasional and if Mr. Pitt does not use any employees or if this snow plowing should become his primary business. Should you have any further questions, please feel free to contact our office at 1-800-531-8111.

Sincerely,

Nan Bronder

Fm: Joan Murphy & Patrick Wolberd
Re: New Landowners Welcoming Procedures

We would propose having two teams of welcomers, one each for South Glastonbury and North Glastonbury. Each team would consist of four members, two GLA board members and two landowners-at-large. When a new landowner moves into Glastonbury, a welcoming committee consisting of one board member and one landowner-at-large, selected from the corresponding welcoming team would make a welcoming visit within the first month. The secretary will provide each welcoming team member with a copy of the new landowner information packet containing:

a. Covenants
b. LUMP
c. Architectural Subcommittee Packet
d. GLA Board Names, Addresses & Phone Numbers

PROTOCOL

1. Within two weeks of arrival, the secretary notifies one of the welcoming team board members of the name, address and phone number of the new landowner, and mails an information packet with a cover letter stating that a welcoming committee will be calling within the next couple of weeks to arrange a visit.

2. The board member calls one of the landowners-at-large to participate in a welcoming visit.

3. The board member calls the new landowner for a convenient time to visit.

4. The welcoming committee visits the new landowner and delivers a "welcome basket" containing:

a. Montana map
b. Gift certificates or merchandise from local business
c. An abridged version of the Glastonbury Phone Directory
d. Food

5. The welcoming committee introduces themselves, greets the new landowners warmly, asks if they have any questions from the information packet, offers information of interest about the local area, invites them to the next board meeting, gives them their names and phone numbers and offers to assist in their integration into the community.

6. The welcoming committee landowner-at-large makes a follow-up call within one week to see if there is anything else needed.

7. The welcoming committee board member notifies the secretary of the completed welcome and makes a report at the next board meeting, introducing the new landowners if they attend.

2/1/99

Joan Murphy has my proxy to represent me at this meeting tonight.

Marie Scobie

1999-02-22_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
February 22, 1999

1. Call to Order, Prayer

The meeting was called to order at 7:20 p.m., at Healing Wings Office, Emigrant, MT, by Daniel Kehoe, Jr. Invocation was given by D. Kehoe, Jr.

PRESENT: Daniel Kehoe, Jr., Joan Murphy, Horus Brailsford, Andrew Field, Philip Hoag, Linda Kremer, David Newhouse, Sr., Eric Newhouse, Patrick Wolberd, Walter Wunsch.
ABSENT: Daniel Kehoe, Sr.
PRESENT BY PROXY: Maria Scoble

2. Reading and Disposition of Minutes

The minutes from the February 1, 1999 meeting were approved.

3. Order of Business

4. Reports of Officers and Committees

4.1 Treasurer's Report – Maria Scoble, Treasurer

In the absence of M. Scoble, Raelof Varkevisser distributed and reviewed the Financial Report (see attached).

The subject of purchasing CD's to earn more interest on the GLA money was brought up. P. Wolberd moved and H. Brailsford seconded that the GLA Board of Directors purchase one $5,000 CD every three months beginning April 16, 1999 for a total of three purchases.

There were two votes in favor and two opposed, with four abstentions. After a discussion the Board requested the Finance Committee to research Money Market Fund accounts, C.D.'s, gold and the availability of access to a safe deposit box at First National Bank in Emigrant.

4.2 Finance Committee Report – Maria Scoble, Chair

At the request of M. Scoble, J. Murphy reported on the status of the certified letters sent to landowners who are delinquent in assessments. The consensus of the Board was not to put a lien on Robert Sherwood's property, but to follow through on the Board's earlier decision to place liens on the other landowners property.

D. Newhouse proposed that invoices for snowplowing be sent directly to M. Scoble and she call D. Newhouse and W. Wunsch to verify the work. The consensus of the Board was to continue with the present method of having the invoices sent to D. Newhouse and W. Wunsch for their review and written verification and then forwarded to the Treasurer.

4.6 Land Use Master Plan Committee – Daniel Kehoe, Jr., Chair

Nadim Issa presented the Board with his concern regarding the possibility of giving too much control and power over landowners' property and that a future Board might abuse the power given to them. A Board member pointed out that any wrongdoing can be challenged by the landowners. (see Article VI, Sec. L of the Bylaws).

P. Hoag distributed a handout with a suggestion that the more controversial parts of the LUMP to be voted on be in the form of multiple choice (see attached for example of proposal). A discussion followed on the best way to address the concerns. P. Wolberd moved and W. Wunsch seconded that once the LUMP committee completes the neighborhood meeting process, the revised LUMP draft come back to the Board for a review and a vote. Those items not in agreement by a 2/3 majority of Board members present at the meeting be given two options on the ballot. Motion carried unanimously. D. Kehoe, Jr. said the revised LUMP would be presented at the next GLA Board meeting.

D. Kehoe, Jr. asked that the following people be appointed to a committee to meet with C.U.T. concerning the LUMP: Daniel Kehoe, Sr., Daniel Kehoe, Jr., David Newhouse, Sr., Joan Murphy and William Smith. Linda Kremer and Eric Newhouse asked to have their names included.

P. Wolberd moved and A. Field seconded that the Board approve the appointment of the LUMP committee members as requested. Motion carried unanimously. with the addition of Linda Kremer & Eric Newhouse

4.3 Architectural Subcommittee Report – Andrew Field, Chair

Requests for preliminary approval of the subdivision of parcel #89 S.G. (William Pitt) and construction of a generator house on parcel #10 N.G. (Jack and Carla Baughman) were introduced by the secretary.

The following projects were presented by A. Field for approval:

Lisa Buford's generator house (N.G. parcel # 40)
Jack Baughman's generator house (N.G. parcel #10)

The following subdivisions were presented by A. Field for approval.

Costigan (S.G. #33) preliminary
Kehoe (S.G. #37) preliminary
Kremer (S.G. #18) final

The above projects and subdivisions were given approval.

The request for subdivision of Parcel #70, S.G. is on hold (J. L. Gillet).

4.4 Road Committee Report – David Newhouse, Sr., Chair

Snow fence on Dry Creek to be taken care of after ground thaws.

Since funds allotted for snow fences have not been used up, the board gave the Road Committee approval to repair broken snow fences and purchase fences needed in North and South Glastonbury.

D. Newhouse presented the Board with the proposal that the GLA purchase Neighborhood Watch signs for Glastonbury. D. Newhouse will research the price of the signs and bring the information to the Board.

4.7 Fire Water Reservoir Committee – Walter Wunsch, Chair

The cleaning and burial of the tank is on hold until spring thaw.

6. Unfinished Business

6.1 P. Wolberd reviewed the Greeting Procedure for new landowners and moved that the Board approve it. P. Hoag seconded the motion which was unanimously approved.

6.2 GLA paid manager – to be discussed at a later date.

8. New Business

9. Open Floor Comments

Nadim Issa thanked the Board for hearing his comments and requested that our beginnings as a spiritual community be not forgotten. He requested that the LUMP be held up to the Mission/Vision statement for Glastonbury to see if it measures up to it.

10. Next Meeting

Monday, March 15, 7:00 p.m., Healing Wings Office, Emigrant, MT.

11. Adjournment

Meeting was adjourned at 9:42 p.m.

Alternative Land Use Master Plan

3.1 **General Comments**

The development of the Residential Area was previously determined only by parcel maps, the Covenants of the Community of Glastonbury and Standards adopted by the Glastonbury Project Review Committee (GPRC). Many of these parcels have been purchased and developed. The Glastonbury Landowners Association (GLA) is responsible for enforcing the Covenants in effect prior to September 30, 1997 and Standards for building work done prior to June 16, 1997, along with enforcing the Restated Covenants for building projects seeking approval after September 30, 1997. The GLA is also responsible for enforcing the Land Use Master Plan.

Following the May 28, 1993 settlement with Park County, no new tenancy-in-common interests, except between immediate family members, will be allowed in the Community of Glastonbury.

3.2 Residential Area Design Theme – Some people would like a Contemporary Western design requirement for new residential buildings, especially those residences close to the Village Center. Present structures would have to be retrofitted to include Contemporary Western design qualities so they would reinforce and harmoniously integrate with the Village Center design.

A. **There should be a theme design**
B. **There should be no theme design. People should be allowed to design their structures according to their own preference.**

3.3 **Single Detached Residential.** Some people would like to limit buildings allowed outside the Village Center to be single detached residences and their outbuildings are the only area without meeting performance criteria listed in Section 3.4 which are not also listed in Section 3.9, *Residential Design Standards.* Single residential buildings in Glastonbury have a wide latitude in their design.

Height Restriction Some people feel that their should be a height restriction of 30 feet above ground level of the predominant view of the building. The interpretation of this restriction would take into consideration how buildings are situated in the landscape and the character of the neighborhood. Houses backing up to a mitigating natural feature, such as a hillside or tall trees, may conceivably have a daylight basement, two stories and a third floor attic with dormer windows and comply with this height restriction.

A. **There should be no height restriction.**
B. **There should be a three story height restriction.**
C. **There should be a thirty foot height restriction.**

The Covenants Section 5.07 and 5.08 govern the allowance for cottage industries and light industrial. The Covenants Section 4 governs agricultural land use.

3.4.1 Duplexes: Refer to Section 5.2, *Subdivision Standards.*

1. Parking facilities
2. Access
3. Surrounding land use
4. A fire protection buffer area extending 35' from the building maintained weed/brush-free
5. Class A or B roof material (Roofing materials will be limited to only Class A in heavily wooded areas.)

3.4.2 Quadplexes: Refer to Section *5.2, Subdivision Standards.*

1. Parking facilities
2. Surrounding land use and visual impact
3. Access, impact on road usage, community services and nearby properties
4. Building design following the design criteria for the Village Center
5. Consideration of nearby neighbors
6. Landscaping provisions
7. A fire protection buffer area extending *35'* from the building maintained weed/brush-free
8. Class A roof material
9. Set back requirements: 125' in the front or from any road easement
   75' side on the side from any parcel, tract or lot boundary and
   75' back in the back from any parcel, tract or lot boundary.

3.4.3 Large Multiple-Family Residential Condominiums and Apartments: Refer to Section 5.2.

1. Parking facilities
2. Access
3. Surrounding land use and visual impact
4. Impact on road usage, community services and nearby properties
5. Building design following the design criteria for the Village Center
6. A fire protection buffer area extending 35' from the building maintained weed/brush-free
7. Class A roof material
8. Water reservoirs (if not already available) and landscaping for fire protection
9. Landscape provisions, including:
   Usage of tree and/or brush covered berms if within 150' of neighbor's building
   Mitigate view of all buildings in the project from any given location by building placement
   or with tree and/or bush covered berms
   View of parking from the platted road mitigated by berms, trees and/or the building itself
   A minimum landscape buffer 1.5 times the square footage of the footprint of the building developed and maintained around the building
10. Copy of project's homeowners' association Articles of Incorporation or Association, covenants or similar agreement showing specific provisions to assess homeowners for maintenance and responsibility of homeowners association to maintain building exterior in "like new" condition

Single family residences with an apartment are allowed in the single residential area. Bed and breakfasts will be considered under the Multiple-Family Residential criteria for duplexes listed in Section 3.5.

Some people feel that the maximum residential development on any unsubdivided parcel described in COS 616A is limited to one single family residence and one duplex guest house, both owned by the parcel owner. And thus a formal subdivision, prepared and approved in accordance with the applicable regulations of the Community of Glastonbury, Park County and Montana Department of Environmental Quality, would have to be completed by a parcel owner in order to increase residential density to the values shown in Section 3.8, *Scheduks of Residential Topographical Areas and Density.*

A. **The maximum residential development on any unsubdivided parcel described in COS 616A should be limited to one single family residence and one duplex guest house, both owned by the parcel owner.**
B. **The maximum residential development on any unsubdivided parcel described in COS 616A is should be limited to whatever state law allows.**
C. **The maximum residential development on any unsubdivided parcel described in COS 616A is limited to whatever the immediately adjacent parcel owners agree upon.**

3.4 **Multiple-Family Residential**

Some people feel that an application for multiple-family residence in Glastonbury outside the Village Center should be required by the GPRC to determine if the project meets the performance criteria listed in this Section. And that large projects in areas outside of the Village Center should be reviewed in a public hearing. Thus the GLA would mail notice of the hearing to neighboring landowners within 300 feet of any boundary of the applicant parcel and post notices in prominent areas 15 days prior to the meeting.

A. **If the GPRC determines that a proposed large project outside of the Village Center meets the performance criteria listed in this Section it would reviewed it in a public hearing.**
B. **If the GPRC determines that a proposed large project outside of the Village Center meets the performance criteria listed in this Section it would treat it like any other proposed project and review it in a scheduled board meeting without special notice.**
C. **There should be no special restriction for multiple-family residence in Glastonbury.**

Some people feel that a proposed duplexes, quadplexes or large multiple-family residential development outside the Village Center must meet the following criteria that must meet in proposing.

A. **They should have to meet these criteria.**
B. **They should only have to meet the criteria determined by state law.**

11. Building set back requirements: 200' in front or from any road easement
100' on the side from any parcel, tract or lot boundary and
75' in the back from any parcel, tract or lot boundary.
12. Central potable water supply and sewage treatment will allow more density in the project.

3.5 Mobile Homes

Prior to June 16, 1997, mobile homes were allowed in the Residential area under certain conditions. With the adoption of the Master Plan, only mobile homes less than five years old with a minimum width of 24 feet, a minimum roof overhang of 8 inches and placed on a permanent foundation will allowed to be brought into the Community of Glastonbury South. Some people feel that the economic situation that created the need for mobile homes in the community no longer exists and a continued allowance of mobile homes will destabilize the inherent worth of the existing and future housing in the residential neighborhoods. They also feel that all mobile homes not in compliance should be forced into compliance. In order to assist the owners of existing mobile homes, there are sketches provided showing how to bring the mobile homes up to standard. Refer to Section 5.1, *Standards for Mobil Homes* for requirements for mobile homes in the community.

A. The economic situation that created the need for mobile homes in the community no longer exists and they should no longer be allowance. Furthermore, all mobile homes not in compliance should be forced into compliance.

B. The economic situation that created the need for mobile homes in the community no longer exists and new installations should no longer be allowance. But existing mobile homes should not be forced into compliance.

C. The economic situation that created the need for mobile homes in the community still exists for some people and they should be allowed and that the landowners of each parcel should decide this issue.

D. The economic situation that created the need for mobile homes in the community still exists for some people and they should be allowed and that the landowners of immediately adjacent parcels should decide this issue.

Park County regulations pertaining to the installation of mobile homes provide that the placement of "...more than one mobile (home) on a tract of record shall be reviewed..." as a subdivision. Under this regulation the definition of a mobile home does not include a modular or factory-built building.

Some people feel that Glastonbury should no longer allowing any mobile homes should be as follows:

(landowners may list their parcel(s~ in this space if they do not want mobile homes on their parcels in the future)

3.7 Description of Residential Topographical Areas and Density

Some people feel that the Land Use Master Plan should determine a schedule of density for individual privately owned parcels based on topography, location of the individual parcels, access, road snow removal, fire protection, visual impact and

surrounding land use. They also feel that their unit density per acre schedule creates a framework whereby the landowners can control the growth of their neighborhood. They feel that controlled growth promotes beauty and harmony in the neighborhood and preserves the rural character of the development while encouraging sound and creative growth. They feel that the Village Centers provides for cluster development and focus the more dense growth in more suitable and accessible areas. They also feel that allowing various densities of development in the Residential Areas, the Master Plan allows a wide variety of residential development that can respond to individual and market demands.

A. **The Land Use Master Plan should determine a schedule of density for individual privately owned parcels based on topography, location of the individual parcels, access, road snow removal, fire protection, visual impact and surrounding land use.**

C. **State law and county septic system approvals should determine a schedule of density for individual privately owned parcels and the LUMP should not.**

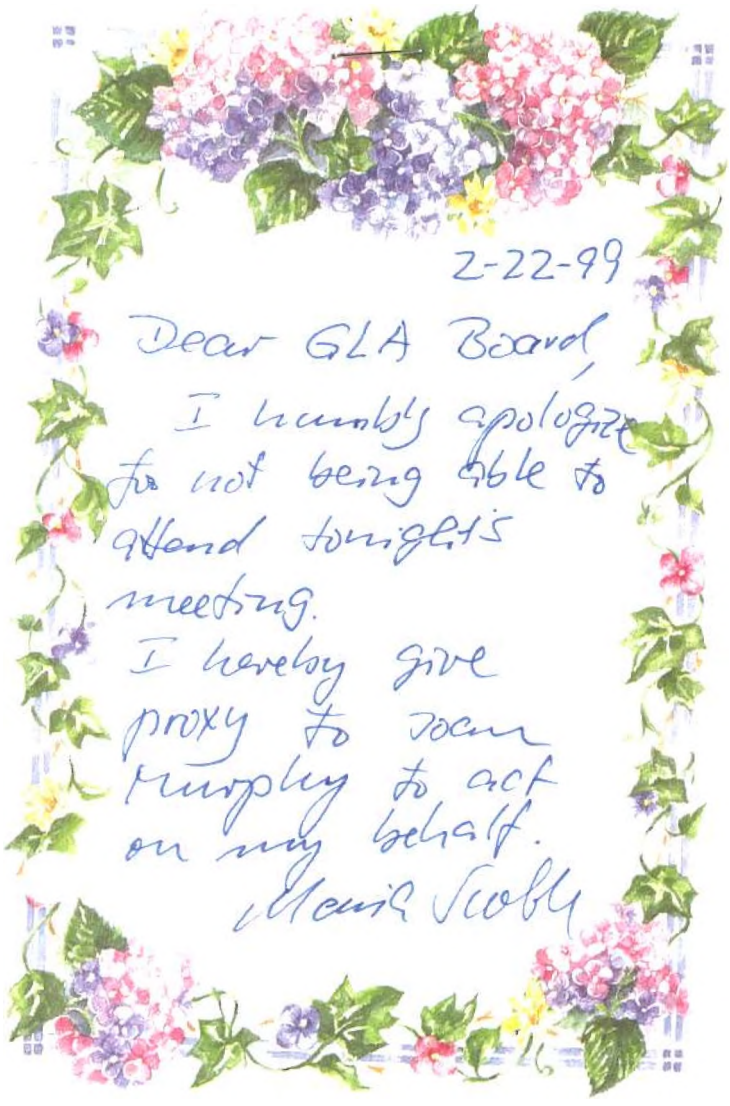
Some people feel that all of the building outside of the Village Center Area should be scheduled for single family residences, with the highest density set at 1 dwelling unit per 2 acres, which generally equals ten units per original twenty acre parcel. Cluster developments are allowed a slightly higher density of 20 homes per 20 acre parcel with the use of a central public potable water system and a public wastewater system. The limit of five houses per original parcel, that has been the *de facto* development limit of Glastonbury, was due to the largest number of tracts allowed under the States minor subdivision classification.

A. **The highest density outside of the Village Center Area should be 1 dwelling unit per 1 acre.**
B. **The highest density outside of the Village Center Area should be 1 dwelling unit per 2 acres.**
C. **The highest density outside of the Village Center Area should be 1 dwelling unit per 3 acres.**
D. **The highest density outside of the Village Center Area should be determined by whatever state law and the county septic system regulations will allow.**

The categories used in the Residential Topographical Areas and Density Schedule are as follows:

A. **Lower Plateau Area:** This is the relatively flat benchlands in the lower elevation with easy access and low to medium visual impact. Only a few parcels in the Lower Plateau area of Glastonbury South are visible from the highway, thus screening most of the developments.

AC. Lower Plateau Area in Cluster Development: This is the same area as above, but with a higher density factor due to meeting various engineering and design criteria.



2-22-99
Dear GLA Board,
I humbly apologize for not being able to attend tonight's meeting.
I hereby give proxy to Joan Murphy to act on my behalf.
Marie Scully

1999-03-15_BDGN.pdf

Glastonbury Landowners Association
Board of Directors Meeting

Minutes
March 15, 1999

1. Call to Order, Prayer

The meeting was called to order at 7:20 p.m., at Healing Wings Office, Emigrant, MT, by Daniel Kehoe, Jr. Invocation was given by Linda Kremer.

PRESENT: Daniel Kehoe, Jr., Maria Scoble, Joan Murphy, Philip Hoag, Daniel Kehoe, Sr., Linda Kremer, David Newhouse, Sr., Eric Newhouse, Patrick Wolberd, Walter Wunsch.
ABSENT: Andrew Field
PRESENT BY PROXY: Horus Brailsford

2. Reading and Disposition of Minutes

The minutes from the February 22, 1999 meeting were approved as amended.

3. Order of Business

4.7 Complaint Committee – Joan Murphy, Chair

Agenda Item 4.7 was moved up to accommodate Cheryl Upshaw who attended the meeting in order to give the Board information regarding dirt bike riding by Micah, Josh, and Chris Steinpfad in N.G.

J. Murphy presented complaints from Brad Tisdale and James and Susan Gough about off road dirt bike riding on private property by the Steinpfad boys.

Cheryl Upshaw then outlined her involvement in the situation; she had 1) witnessed the boys driving on road and off road in an irresponsible way; 2) spoken to them and to their parents, Ian and Tanya Scott, about needing licenses for the bikes and that the boys also needed to be licensed to ride motorcycles; 3) spoken to Dan Wuertz at the Sheriff's Office, who recommended that the GLA Board have their attorney send a letter to the family outlining the rules of the road when driving in Glastonbury; 4) given the family information regarding a track off Cokedale Rd. for dirt

bike riding. Cheryl reported that Dan Wuertz said if the dirt bike riding continued after notification by the attorney then bring in the Sheriff's Department.

D. Kehoe, Sr. moved and L. Kremer seconded that J. Murphy draft a letter to the Scott's for the attorney, John Glover, to revise regarding the situation. Motion passed unanimously.

4. Reports of Officers and Committees

4.1 Treasurer's Report – Maria Scoble, Treasurer

Raelof Varkevisser reviewed the financial report. (See attached.) He then reported on interest rates for money market accounts (4.8%), 12 month CD's (5.4% current rate), 182 day CD's (4.82%), 91 day CD's (4.53%), and the rates for safety deposit boxes. The current price of precious metals was also discussed.

J. Murphy requested permission to purchase a filing cabinet and shelves for GLA records and office supplies. E. Newhouse moved and D. Kehoe, Sr. seconded that up to $300 be allotted for the file cabinet and shelves. Motion passed unanimously.

4.3 GLA Paid Manager Consideration

The Board discussed hiring a manager who would take direction from the Board and be responsible to it. The manager would: follow-up on building projects; complaints; knapweed control; supervise snow removal and grading; attend committee meetings and other duties assigned by the Board. Seeking a volunteer to carry out these duties was also discussed. The final consensus was that J. Murphy would contact Jim Phipps to find out if he would be interested in the position as a volunteer.

4.4 Architecture Subcommittee – Andrew Field, Chair

Ian Scott's application for approval of home construction (Parcel #10, C N.G.) was submitted by E. Newhouse. Missing is $240 check for bond and plat identifying placement of well, septic, etc.

Jon Olsen's application for mobile home placement and basement construction was submitted (Parcel #31, W N.G.).

Harth subdivision – D. Kehoe, Sr., moved and M. Scoble seconded final approval of the Harth subdivision (Parcel #36, N.G.). Motion passed unanimously.

William Pitt Subdivision – P. Hoag moved and M. Scoble seconded to give William Pitt preliminary approval for his subdivision (Parcel #89, S.G.)

4.5 Road Committee – David Newhouse, Sr., Chair

Stop signs at GAV to be installed as soon as all signs are procured.

D. Newhouse reported Sean Murphy had approached him about paving Story Rd. Sean had been in contact with County Commissioners and the County will provide the equipment for the project. David will meet with Sean on March 16th to discuss contacting the bank, John Waid and others involved. They will get estimates from paving companies and check with County regarding maintenance of the road.

Fridley Creek – D. Newhouse will approach Sean about examining together the blockage up Fridley Creek to get a better drainage system.

4.8 Land Use Master Plan Committee – Daniel Kehoe, Jr., Chair

Revised copies of the LUMP for both N.G. and S.G. were distributed for review by the Board. J. Murphy moved and L. Kremer seconded that the GLA Board pay up front the Kinko copying bill for $226.45 and later be reimbursed from the LUMP special fund.

The following motion was made to change 4.5 Project Fees on page 29 of the Draft.: P. Hoag moved and L. Kremer seconded to remove the $50 processing fee for residential building applications. The motion passed 7 to 3.

#5,000 Bond ?

8. **New Business**

9. **Open Floor Comments**

addition to minutes under LUMP needs to be added.

10. **Next Meeting**

Monday, April 12, 7:00 p.m., Healing Wings Office, Emigrant, MT.

11. Adjournment

Meeting was adjourned at 10:30 p.m.

1999-03-15_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting
Agenda

March 15, 1999

1. Call to Order, Opening Prayer (waiver of notice if required)
2. Reading and Disposition of the Minutes
3. Order of Business
4. Report of Officers and Committees.
   - 4.1 **Treasurer's Report** - Maria Scoble
   - 4.2 **Finance Committee** - Maria Scoble, Chair
   - 4.3 GLA paid Manager Consideration
   - 4.4 **Architecture Subcommittee** - Andrew Field, Chair
     Follow-up: Ian Scott's application (Eric Newhouse)
     Follow-up: Pitt subdivision
     On hold: Parcel 70S Subdivision application
   - 4.5 **Road Committee** - David Newhouse - Chair
     Follow-up: GAV STOP signs
     Follow-up: Letter to Cty Commissioners re: permission to grade Cty roads when G'bury's graded
   - 4.6 **Noxious Weed Committee** - Joan Murphy - Chair
   - 4.7 **Complaint Committee** - Joan Murphy - Chair
     Off road bikes on easements and private property in G'bury N
   - 4.8 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair
     Follow-up: Review changes in LUMP from neighborhood meetings
5. **Ombudsman Report** - Regina Wunsch (SG) and Margaret Newhouse (NG)
6. **Unfinished Business**
7. **Tabled Business**
   - 7.1 Subdivision road Maintenance Responsibility - D. Newhouse
   - 7.2 Tree removal guideline - P. Hoag
   - 7.3 Accounting Procedures - M. Scoble
   - 7.4 **Fire Water Reservoir Committee** - Walter Wunsch, Chair
   - 7.5 Fridley Creek diversion repair - Sven Anderson
8. **New Business**
9. **Open Floor Comments**
10. Next Meeting - Monday April 5 (day after Easter) or April 9, 12?
11. Adjournment

Name of landowner Complainant(s) James M. Gough

Name of landowner(s) involved in alleged violation _____

Specific Section and Title in Covenants relating to alleged violation Sec. 5.05(b) Nuisances and Eyesores

History of the Problem Last spring - someone had driven a car or truck off-road on the West side of parcel #38. Last summer I caught Mikeah Steinfeld driving his truck in the same area. He admitted to being there before. I informed him it was private property, he had no permission or right to be there and NEVER to come back again. I told him I would inform his father, Mr. Scott, which I did. Case closed.

Have you communicated with the other landowner(s) involved in the alleged violation, and tried to resolve the situation amicably? (If not, please do so before submitting this complaint.) (YES) NO (Circle One)

~~Date, time and details of your communication for attempted resolution:~~ Last week I stopped and talked with Josh Steinfeld (?) and 2 boys riding dirt bikes near the gravel pit. One bike rider was a Steinfeld brother. I told them they probably needed permission to ride on Church property. They said they would try to get permission - so I left. I called Fran Murphy and after talking with her I went back to the gravel pit - but they were gone. Later that afternoon, the same 2 dirt bike

riders (I feel pretty sure), drove up the new drive way on the west side of panel 38. I waited and watched for them to come back down, to make sure they did not go over the hill and down the other side. They did come back down, but left the new drive way and rode on the old dirt ~~abandoned~~ driveway.
abandoned

I don't know who the bike riders were for sure, but they purposefully rode up a private (unmarked as such) driveway and "off road" before riding back down Orion Way. This frustrated me.

I give my proxy to
Don Murphy for the GLA Board
meeting of 3-15-99.

1999-04-12_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting

Minutes
April 12, 1999

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:15 PM at Healing Wings, Emigrant, MT. Opening prayer was offered by Eric Newhouse.
PRESENT: Daniel Kehoe, Jr. (president), Andrew Field (vice-president), Maria Scoble (treasurer), David Newhouse, Joan Murphy, Jim Phipps, Patrick Wolberd, Eric Newhouse, Dan Kehoe, Philip Hoag, and Linda Kremer.
ABSENT: Horus Brailsford, Walter Wunsch
Non-Board Members Present: Cheryl Upshaw, Nadim Issa, Jon Olsen and Roeloff Varkivisser.
Dan Kehoe volunteered to take the Minutes for the meeting.

2. Reading and Disposition of the Minutes: The Minutes of the March 15th meeting were approved as amended.

3. Order of Business:

4.6 Complaint Committee: Joan Murphy reported on the letter John Glover, Jr. sent to the Scotts and Steinpfads and Tanya Scott's reply. Glover said that the Board may make rules regarding dirt bikes, such as speed limits and only riding in single file, but no insurance coverage is necessary for motorcycles per State law. Cheryl Upshaw gave a follow-up report to her conversations with the Scotts. Patrick recommended that the president respond to the Scott's, acknowledging their letter and recognizing that they need not have motorbike insurance.

Resignation of the Secretary: Joan Murphy had tendered her resignation as Secretary, Chair of the Complaint Committee, Noxious Weed Committee and as a Director of the GLA. Eric Newhouse moved and Philip Hoag seconded that the Board accept Joan's resignation and approve Jim Phipps to replace Joan on the Board. The motion passed. A discussion was held as to who would like to serve as Secretary. After some discussion the position was left open. Joan's letters of resignation are attached.

4.1 Treasurer's Report: Roelof Varkevissar went over the attached financial statement in detail and reported that the liens had been filed and the letters sent to the landowners. The financial report broke out the receipts in more detail. It was requested that the Accounts Receivables be broken out into pre-1998 receivables, 1998 receivables and 1999 receivables.

Maria and Joan pointed out that the next statements were going out at the end of April and that it would be an advantageous time to send out a bulletin on various GLA matters. After discussion the Board agreed to send out a bulletin covering the following items:
- Slow down to 25 mph on freshly graded and gravely roads.
- New STOP signs going in at Helios and Sirius.
- Remind landowners to notify their tenants of the covenant covering dogs running loose.
- Slowing down for children, pedestrians, and riders on horseback.
- Slow down around roadwork equipment.
- Notification on knapweed: GLA spraying easements and advising landowners of the need to

control noxious weeds on their property per State law and the Covenants.

Daniel volunteered to type it up and send it to Joan for the mailing.

4.3 Architecture Subcommittee: Andrew reported on the application by Jon Olsen to place a mobile home on Parcel 31W in Glastonbury North and showed a picture of the mobile home. Andrew moved and Eric seconded that Jon Olsen's preliminary application for placement of a mobile home be approved. The motion passed unanimously.

Joan pointed out that she had brought the Architecture Subcommittee's files and a list of items that needed follow-up. She also noted that the files needed to be taken home by someone else. Nadim Issa volunteered to take the files and do the follow-up.

This lead to the discussion of the part-time help that the Board would hire to take over some of the duties that Joan had been doing. Following the discussion, Patrick moved and Dan Kehoe seconded that the GLA put out a notice through the usual channels that the GLA has an Administrative Assistant job available, work entailed approximately 10 hours a week at $10.00 an hour. The job requires taking of minutes, attending Board meetings, handling the correspondence and paper flow of the organization and such reasonable duties as the Board assigns from time to time. The motion passed and Joan volunteered to write up and post the notice.

4.4 Road Committee: David Newhouse reported that the two STOP signs will be in place on Sirius by Helios soon. The discussions regarding the paving of Story Road is moving forward. The County came and met with several of the affected landowners the week previous. The Murphys and the Rocky Mountain Bank expressed interest in financially contributing to the effort.

Regarding the water reservoir for fire protection in high South Glastonbury: Since money had previously been budgeted for the project, Andrew moved and Linda seconded that Walter Wunsch hire someone to oversee the installation of the Church donated tank. The motion passed.

4.5 Noxious Weed Committee: Joan reported that she will contact Mark Nardin to spray the Glastonbury roadways and easements. She noted that landowners and organizations that do not combat knapweed can be fined up to $500 by the County. Philip Hoag suggested that the knapweed paragraph on the bulletin notify landowners of an available list of knapweed spraying contractors and that the GLA would first notify the landowners of an infestation on their property and if after six months (the next spraying season) no action is taken, the GLA would notify the County of the infestation. The Board agreed with this line of action.

4.7 Master Plan Committee: Daniel reported that a copy of the 3-15-99 draft of the Master Plan for both Glastonbury North and South was sent to Murray Steinman and several copies to Donald Knittel. Another copy were in the process of being sent to Hertha Lund. Murray Steinman was sent an e-mail requesting a meeting and notifying him of the seven people who were the team designated by the Board to meet with the Church. No reply had been received to date. Daniel said that in a conversation with Hertha, she advised him to send a detailed message to Murray and Donald as they were not aware of what kind of a response was expected from the Church. Patrick reported his conversation with Murray at the recent birthday party at the Ranch.

Andrew moved and Dan seconded that a smaller team contact the Ranch made up of Patrick, Daniel and William Smith. A spirited and impassioned discussion of this motion and its

ramifications on the earlier motion to send a seven member team followed. The Board agreed that Patrick should replace Joan in her position as one of the original seven team members.

The Board discussed and spelled out that the main points to be made to the Church as follows:
- give an overview of the Master Plan,
- decouple the land grant to the teaching centers from the passage of the Master Plan,
- get a sense of the Church's time frame,
- bring new members of the Church team up-to-date with Edward Francis' original offer and the offer to put the former "reserve land" and the Lindorfer property under the Covenants if the Master Plan was approved by the Church and a majority of the landowners
- sell the Church on the idea of reinvesting and recommitting to the community process in Glastonbury, come to GLA board meetings and especially attending the next community meetings on the Master Plan.

The upshot of Andrew's motion was that the Board agreed that it needed to stay flexible in dealing with the Church, follow the Church's lead in team size and that it was important to present a unified position. The Board agreed to have Patrick call Murray and find out how many people they would like to meet with and then apprise the seven team members of the situation and poll them as to who should fill meet with the Church.

Patrick suggested that Daniel call Linda and apprise her of the Boards decision and express the Board's concern that there be resolution on the subject. Daniel agreed to follow-up with Linda.

The meeting ended at about 11:00 PM.

1999-04-12_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting
Agenda

April 12, 1999

1. Call to Order, Opening Prayer (waiver of notice if required)
2. Reading and Disposition of the Minutes
3. Order of Business

3.1 New Board Member, Jim Phipps, to replace Joan Murphy
3.2 Election of Secretary

4. Report of Officers and Committees.

4.1 **Treasurer's Report** - Maria Scoble

4.2 **Finance Committee** - Maria Scoble, Chair

4.3 **Architecture Subcommittee** - Andrew Field, Chair
Subdivision and building approvals

4.4 **Road Committee** - David Newhouse - Chair
Follow-up: GAV STOP signs
Follow-up: Letter to Cty Commissioners re: permission to grade Cty roads when G'bury's graded

4.5 **Noxious Weed Committee** -

4.6 **Complaint Committee** -
Off road bikes on easements and private property in G'bury N

4.7 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair
Follow-up: Review changes in LUMP from neighborhood meetings

5. **Ombudsman Report** - Regina Wunsch (SG) and Margaret Newhouse (NG)
6. **Unfinished Business**
7. **Tabled Business**
   7.1 Subdivision road Maintenance Responsibility - D. Newhouse
   7.2 Tree removal guideline - P. Hoag
   7.3 Accounting Procedures - M. Scoble
   7.4 **Fire Water Reservoir Committee** - Walter Wunsch, Chair
   7.5 Fridley Creek diversion repair - Sven Anderson/D. Newhouse
8. **New Business**
9. **Open Floor Comments**
10. Next Meeting -
11. Adjournment

Spring Reminders

From the Friendly Folks of the GLA

ROAD NEWS:

Two STOP signs are going up on Sirius at the Helios Drive intersection. The intersection will become a three-way stop.

The roads will be graded soon...so
A) Slow down when approaching and passing road work equipment.
B) Drive 25 mph or slower on the gravel (or it will washboard in a few hours).
C) All drivers and vehicles must have the necessary license, registration and insurance.
D) Drive on the grass to keep the dust down.
E) Most of the above ("D" is the incorrect answer).

Rites of Spring: Dogs and horses are coming out of hibernation:

Do animals have souls? We aren't sure, but we wouldn't want any pets to lose theirs, so remember - the Covenants call for man's best friend to be restrained by fence or leash and not allowed to roam free around the neighborhood. Landowners, please notify your renters of this harmonizing influence on the neighborhood.

Road etiquette and safety: When driving by pedestrians, children playing or a horse with an equestrian, for the safety of all, please slow way down and give them wide berth. Horses have been known to have a strange sense of humor and, on a slow day, will take any excuse to get spooked to the possible detriment of the rider (mass x acceleration + panic + astrological influences = detriment).

All thats green isn't gold:

The GLA will be contracting to have the road easements sprayed for knapweed this Spring and Fall. The herbicide that will be used is more effective than Tordon and doesn't have the lasting residual effect in the soil. Knapweed has been getting worse in Glastonbury and has come to the attention of Park County. The County is cracking down on landowners that are not eradicating it and can levy a $500 fine. Ouch. This is a problem that both our State law and Covenants mandate our response. Upon request, the GLA will provide landowners a list of contractors who will spray knapweed.

The GLA is fully committed to joining the County in controlling knaughty knapweed. We will notify landowners of problem areas that are not being addressed. We realize that out-of-state landowners may be unaware of an infestation on their property, since it spreads so fast. One knapweed flower can throw off 70 seeds! If no action is taken within six months, the GLA will notify the County of the problem. Don't be caught knapping!

March 17, 1999

Mr. Daniel Kehoe, Jr.
President, Glastonbury
Landowners Association
P.O. Box 312
Emigrant, Mt 59027

Dear Daniel,

This letter is to notify you of my resignation from the Board of Directors of the Glastonbury Landowners Association effective March 31, 1999. My reasons for resigning are because of my physical health and a new direction for my life.

These past three years have been rewarding for me as I served the Community and its residents. I am grateful to have been associated with the other Board members as we laid the foundation for our beloved Glastonbury. I shall miss being a part of the team, however, it is time to move on.

Sincerely yours,

Joan Murphy

RE: Motorcycle Use Within Glastenbury Subdivision

Dear Mr. Scott, Mrs. Scott and Mr. Steinpfad:

This office represents the Glastenbury Landowners Association, Inc. As you are aware, the Board of Directors of the Association has received several complaints from other landowners within the subdivision concerning the riding of motorcycles both on and off road by your sons Chris, Micah, and Josh within the subdivision. Chris, Micah, and Josh been riding their motorcycles on private property without permission (trespass) and have been operating the motorcycles on the subdivision roads in an unsafe manner. The Association has notified you of the pertinent Association regulations and provisions in the Covenants concerning such use, however, the unauthorized use has continued unabated.

A copy of the Road Rule Resolution adopted by the Association is enclosed herewith as are the applicable sections of the Covenants. Certain language is highlighted therein for your convenience.

Please be advised that if Chris, Micah and Josh continue to operate their motorcycles in violation of the Association rules, including but not limited to the Road Rule Resolution and or pursuant to the Covenants, you may be subject to the Association's enforcement letter shall constitute notice of violation of the Covenants as provided therein.

The Association also requests that you provide proof of compliance with the Road Rule Resolution by providing copies of the licensing and registration of the motorcycles, of the licenses of the

...ors, and of the liability insurance maintained on ea... cle. Please send this information either to this office o... the Association at P.O. Box 312, Emigrant, MT 59027.

...that these violations will cease immediately, and that all future operation of motorcycles or any other motorized vehicles the t... will be in accordance with the rules of the community. Thank you for your cooperation in this regard. Please feel free to contact me with any questions.

Sincere...

John T. Glover, Jr.

Glastonbury Landowners Association

Board of Directors Meeting

Minutes
May 3, 1999

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:15 PM at Healing Wings, Emigrant, MT. Opening prayer was offered by David Newhouse.
PRESENT: Daniel Kehoe, Jr. (president), Andrew Field (vice-president), Maria Scoble (treasurer), David Newhouse, Jim Phipps, Eric Newhouse, Dan Kehoe, Sr., Philip Hoag, Linda Kremer, Patrick Wolberd and Horus Brailsford.
ABSENT: Walter Wunsch
PROXY REC'D: W. Wunsch to Dan Kehoe, Sr.
Dan Kehoe volunteered to take the Minutes for the meeting.

2. Reading and Disposition of the Minutes: Maria moved and Dan Kehoe, Sr. seconded that the Minutes of the April 12th meeting be approved as amended. The motion carried unanimously.

3. Order of Business:
Daniel opened a short discussion on ground rules for the conduct of the meeting to assure that Board members giving reports weren't interrupted and that everyone was heard on any given subject. In the discussion the point was made to also call for "no" votes on the motions. The Board agreed that this method would lead to better meetings.

3.1 Executive Assistant applications: Daniel reported that four applications were received for executive assistant: Eileen Alexander, Thomas Moser, Julie Murphy and Beverly Marvin. The Board set the criteria for interviewing the applicants. Daniel and Maria volunteered to do the interviewing. The Board discussed the need to have a Secretary that is a Board member. No one was nominated or volunteered for the position.

4.7 Master Plan Committee: Patrick Wolberd reported on his phone conversation with Murray Steinman. Murray was receptive and appreciative of the call. Patrick explained that there was a team of 7 people designated by the Board to meet with the Church, discussed that the Master Plan needed to be brought to the membership and a conclusion. Murray was aware of some of the history of Glasontbury and wanted to see the community move forward. He would be getting back with Patrick the week of May 3rd. They also discussed the paving of Story Road and the ramifications on future paving of the road into South Glastonbury if the Church put money toward the Story Road paving.

8. New Business: Maria moved and Dan Sr. seconded that no GLA Board meetings be held on the 3rd or 23rd of the month due to scheduled Church services. The motion passed with three abstaining.

4.1 Treasurer's Report: There was no Treasurer's report. Maria did report that the statements with the one page informational flyer were being mailed.

4.6 Complaint Committee: Maria read a report from Joan Murphy regarding the continued use of motorcycles on Glastonbury roads in an unsafe and rude way. Joan's report is attached to these Minutes. Joan referred the calls to Nadim Issa as the new chairman of the Complaint Committee. Joan's report pointed out that the Board still has not received from Josh and Chris Steinpfad proof of licensing to drive motorcycles. A follow-up letter was needed to the Steinpfads and Scotts for the president. Daniel was to follow up with Nadim.

4.5 Noxious Weed Committee: Joan sent the attached report regarding Mark Nardin and his spraying of the Glastonbury road easements in late May.

4.3 Architecture Subcommittee: Andrew reported on the application for preliminary approval for a building on Parcel 88A in high South Glastonbury by Eric Newhouse as the contractor. Andrew moved and Philip seconded the motion to approve, noting the Sanitation Boand had been waived due to Eric Newhouse's track record of keeping his job sites run well. The motion carried with one abstaining vote.

4.4 Road Committee: David Newhouse reported that the two STOP signs were not yet in place on Sirius by Helios. Daniel brought up on behalf of William Pitt the earlier approval of a locked gate by Mr. Pitts's property in high South for which the money was already appropriated. The Boared discussed moving forward with that project in conjunction with the Newhouses working on their Parcel 88A South construction job.

The meeting ended with no further business.

Glastonbury Landowners Association

Board of Directors Meeting

Minutes
May 24, 1999

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:15 PM at Healing Wings, Emigrant, MT. Opening prayer was offered by Andrew Field.
PRESENT: Daniel Kehoe, Jr. (president), Andrew Field (vice-president), David Newhouse, Jim Phipps, Eric Newhouse, Dan Kehoe, Sr., Philip Hoag, and Patrick Wolberd.
ABSENT: Horus Brailsford, Linda Kremer, Maria Scoble, and Walter Wunsch (first half absent)
PROXY REC'D: W. Wunsch to Dan Kehoe, Sr., Maria Scoble to David Newhouse.
ALSO ATTENDING: (after 9:30 PM) Murray Steinman, Patricia Spadero-Yorwerth, Regina Wunsch
Dan Kehoe volunteered to take the Minutes for the meeting.

2. Reading and Disposition of the Minutes: The Minutes of the May 3rd meeting were unanimously approved as corrected.

3. Order of Business:

3.1 Executive Assistant applications: Daniel reported that the four applicants had not been interviewed yet. No one was nominated or volunteered for the office of Secretary. Members of the Board felt that once the administrative assistant was hired, the duties of the Secretary could better be seen and the office filled.

4.1 and 4.2 Treasurer Report/Finance Committee: There was no Treasurer Report.

4.3 Architecture Subcommittee: Andrew reported on the application for preliminary approval for the construction of a pyramid shaped artist/meditation studio on Parcel 32 North (Edward Anderson parcel owner).
MOTION: Andrew moved and Patrick seconded the motion to approve the construction application for the studio on Parcel 32 North. The motion carried unanimously.

4.7 Master Plan Committee (Part 1): Patrick Wolberd reported on his phone conversation with Murray Steinman and that Murray would be dropping by this meeting following a meeting in North Glastonbury. The Board reviewed it's position on the Master Plan and what it would response it would like to see from the Church. Besides the Master Plan proper these areas included getting the records of the Church's Glastonbury Review Committee and a discussion of the mineral and surface water rights for Glastonbury. Dan Kehoe gave a report of his meeting with Jackie Robinson of the Planning Office. Daniel handed out copies of the County's reply to William Pitt's request of a subdivision in high South Glastonbury. A copy is attached.

4.4 Road Committee: FOLLOW-UP STOP signs by GAV: David Newhouse reported that the two STOP signs would soon be in place on Sirius by Helios.
FOLLOW-UP Gate by Pitt property: David would check using the GLA gate on Parcel 56 S or the CRI gate on Parcel 70 S instead of using two gates.
Regarding Story Road paving project: Patrick reported speaking with Mike Grove, the president of the First National Bank in Emigrant. Mike has a certain amount of funds set aside to pave up to

the bank and invited a representative of the GLA to the May 28th meeting with Mike and Sean Murphy. Mike offered to finance any GLA financial assistance to the project if it was necessary for the GLA. In preparation to discuss this topic with Murray, the Board agreed to allot $15,000 to the paving of Story Road and an equal amount to help Park County fix the chronically washboard curve by Avalon Drive and the grade on Dry Creek Road by South Glastonbury. Murray and Patricia arrived at this point in the discussion. Patrick briefed Murray on the background of the paving project: That Park Count will provide the equipment, bedding material and their personnel. Sean Murphy has $15,000 in escrow with the County toward the paving. Patrick explained that paving the road would enhance the property values in North Glastonbury, which positively affect the Church's parcels that make up the former "Reserved Land" parcels. Murray said he would take the matter back to the Board and try to get a $15,000 "soft" commitment for the paving project from the Church in time for David's May 28th meeting.

4.7 Master Plan Committee (Part 2): The Board explained to Murray that the GLA needed: 1) a contact person(s), 2) Church feedback on the Master Plan and 3) a discussion with Church representatives on getting the former Glastonbury land and the Lindorfer property land put under the Restated Covenants and that the teaching centers, apart from the main Glastonbury process desired resolution of the offer of a grant of land for the teaching centers. Dan Kehoe reported his conversation with Jackie Robinson of the Park County planning office and the County's fear of the Church doing more subdivisions. The County would like to have a meeting of members of the Planning office and representatives of the GLA and the Church regarding future development in Glastonbury.

Murray explained how the Church process works and said he would be the contact person and shepherd this process through the Church channels. He asked for an educational packet explaining the history of the process and what we want specifically from the Church. Dan Kehoe said he had just prepared a historical perspective on the teaching center/Churhc negotiations and would deliver it to Murray's office the next day. Daniel said he had a file of Edward Francis' correspondence on the process of gifting lands to the two teaching centers in Glastonbury and would send those with the packet. Murray pointed out that timing would be difficult before the July class. Patrick pointed out that the pattern the GLA and its predecessor had encountered over the last three years was that before a class time was tight, after a class everyone went on vacation and that there never did seem to be a good time to address Glastonbury issues. Murray listened to the assessment and said he would do his best to move it forward as quickly as possible.

4.5 Noxious Weed Committee: No report.

4.6 Complaint Committee: No report.

The meeting ended at 10:30 PM with no further business.

Glastonbury Landowners Association
Board of Directors Meeting
Minutes
June 21, 1999

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:10 PM at Healing Wings, Emigrant, MT. Opening prayer was offered by Andrew Field.
PRESENT: Daniel Kehoe, Jr. (president), Maria Scoble (treasurer), David Newhouse, Jim Phipps, Walter Wunsch, Philip Hoag, Andrew Field, and Patrick Wolberd.
ABSENT: Horus Brailsford, Linda Kremer, Eric Newhouse, and Dan Kehoe, Sr.
PROXY REC'D: Linda Kremer to Maria Scoble.
ALSO ATTENDING: Roeloff Varkivisser, Joan Murphy
Dan Kehoe took the Minutes for the meeting.

2. Reading and Disposition of the Minutes: The Minutes of the May 24th meeting were unanimously approved as corrected.

3. Order of Business:

3.1 Executive Assistant applications: Jim Phipps and Patrick Wolberd replaced Daniel on the executive assistant interviewing team. The time for the interviewing was set for the following Monday evening.

4.1 Treasurer Report: Roeloff Varkivisser presented the attached Balance Sheet and the Income and Expenditure Report.

4.2 Finance Committee: No report.

4.3 Architecture Subcommittee: Andrew reported on the application for preliminary approval for the construction of a log home/dance studio on Parcel 56 North (Pittendorfer/Rakela parcel owner).
FOLLOW-UP: Philip Hoag would follow-up and talk to Rik to get clarifications on his application.

4.4 Road Committee: FOLLOW-UP: STOP signs by GAV: David Newhouse reported that the STOP signs are in place on Sirius by Helios.
FOLLOW-UP: Gate by Pitt property: David placed the GLA gate from Parcel 56 S by the posts in high South, but has to get the hardware to attach it to the post..
FOLLOWUP: Story Road paving project: David reported that the group paving the road will be getting competetive sealed bids that will be opened July 2nd at the First National Bank in Emigrant. He presented to the Board the attached letter/agreement from Thomas Mosser. The Board wnated clarification on what areas of hte road would receive priority if hte bids were to high and the job was scaled back, who holds the money in escrow fro the project, who is the contractor with thepaving company and why the agreement isn't with the county.
MOTION: Philip made the motionand Patrick seconded, to allot $15,000 to the paving of Story Road and intend to approve a maximum of $15,000 to help Park County fix Dry Creek Road by Glastonbury South at a future date.The motion passed unanimously.

MOTION: Patrick made the motion and Andrew seconded to have the GLA President discuss the letter/agreement with the GLA attorney with the intent to approve of the allotment of funds. The President and the attorney could work out the necessary alternate letter if necessary. The motion passed unanimously.

4.5 Noxious Weed Committee: No report.

4.6 Complaint Committee: No report.

4.7 Master Plan Committee: No report.

The meeting ended at 10:30 PM with no further business.

Glastonbury Landowners Association

Board of Directors Meeting
Minutes
July 19, 1999

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:20 PM at Healing Wings, Emigrant, MT. Opening prayer was offered by Daniel.
PRESENT: Daniel Kehoe, Jr. (president), Andrew Field, (vice president), Maria Scoble (treasurer), David Newhouse, Jim Phipps, Horus Brailsford, and Patrick Wolberd.
ABSENT: Linda Kremer, Eric Newhouse, and Dan Kehoe, Sr.
PROXY RECD: Walter Wunsch to Andrew Field, Eric Newhouse to David Newhouse.
ALSO ATTENDING: Julie (Murphy) Brennan, Joan Murphy

2. Reading and Disposition of the Minutes: Upon motion by Horus and seconded by Jim, the Minutes of the June 21st meeting were unanimously approved as corrected.

3. Order of Business:

3.1 Executive Assistant applications: Jim Phipps reported that the interviewing team met with Julie Brennan, Eileen Alexander, Thomas Moser, and Beverly Marvin. The position is tied between Julie and Beverly. Julie will be taking minutes for the July 19th meeting and Beverly to take the minutes for the August meeting. Jim notified all the applicants of the Committee's decision.

3.1 Office of Secretary: Maria Scoble asked Jim Phipps if he would fill the role of Secretary overseeing the secretarial work and filling the legal role of Secretary. Jim expressed his reservations, but agreed to be the Acting Secretary if elected. Maria moved and Andrew seconded the motion to elect Jim to the office of Acting Secretary. The motion passed unanimously.

4.0 Reports of Officers and Committees

4.1 Treasurer Report: Maria Scoble presented the attached Balance Sheet and the Income and Expenditure Report.

4.2 Finance Committee: No report.

4.3 Architecture Subcommittee: Andrew Field, chair. Andrew reported on the application for preliminary approval for the construction of a home on Parcel 37 North by Dewayne Patterson.
MOTION: Andrew moved and Horus seconded the motion to approve the project as submitted. The motion passed unanimously.

4.4 Road Committee: David Newhouse, chair.
Daniel asked David about the weed cutting in the road easement for this year. David said the tractor and cutting bar were in North Glastonbury. The Board discussed spraying the easement for noxious weeds before the cutting began for the most effective weed control.
FOLLOW-UP: David will contact Charlie Hull to see if he would operate the tractor. David would check with Wayne Mansaw to see if his trailer could be used to move the tractor to South Glastonbury.
FOLLOW-UP: Daniel would work with Joan Murphy to contact people to spray for weeds and then call David to apprise him of the situation. Daniel will contact Donald Knittle at the Ranch to see what the ranch's plans are for spraying for noxious weeds.

Daniel and David reported on the Story Road paving project. Thomas Moser sent in a letter offering to be the contractor for the job, since the County does not want to be in that position.
FOLLOW-UP: Since the Story Road paving bids were $30,000 over the budgeted amount, David will see what the cost would be without the extra paving areas.
FOLLOW-UP: David will follow-up with Archie Mann to complete the road work the GLA contracted with the Ranch to complete this year.

MOTION: David moved and Horus seconded the motion for $15,000 to be allotted to the Road Committee to test a new binder agent on heavily washboarded areas of Capricorn and Taurus in Norht Glastonbury and use a roller to get the areas fixed. The Board unanimously approved the motion contingent upon the results from David's sample test patch.

4.5 Noxious Weed Committee: No report.

4.6 Complaint Committee: No report.

4.7 Master Plan Committee: Daniel Kehoe, Jr. chair. No report.

5.0 Ombusdsman Report. No reports.

6.0 Unfinished Business.
Patrick reported on his conversation with the insurance agent and the letter from the insurance company. He recommended that the GLA stay with the current insurance coverage. The GLA's other options were self insurance or no insurance. Patrick was asked to pursue if further coverage amounts were feasible or possible.

7.0 New Business.
Maria asked about handling the payment of the executive assistant position.
FOLLOW-UP: Daniel will consult with Tom Shellenberg on this matter.

The meeting ended with no further business.

Glastonbury Landowners Asociation
Board of Directors Meeting
Minutes
8/16/99

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:12 P.M. at Healing Wings, Emigrant, MT. Opening prayer was offered by Philip Hoag.
PRESENT: Daniel Kehoe, Jr. (president),Andrew Field (vice-president), Jim Phipps (Secretary), Maria Scoble (Treasurer), Patrick Wolberd, Philip Hoag, Daniel Kehoe, Sr., Walter Wunsch.
ABSENT: Horus Brailsford, Eric Newhouse, Linda Kremer
PROXY REC'D: David Newhouse to Jim Phipps, Linda Kremer to Maria Scoble.
ALSO ATTENDING: Julie Brennan.

2. Reading and Disposition of the Minutes: The minutes of the July 19th meeting were read. There was a discussion of a discrepancy in who should call Tom Shellenberg to answer a tax question. Daniel Kehoe Jr. said that he would call.
MOTION: Patrick moved and Maria seconded that Daniel would call and ask if the Executive Assistant should be an employee or paid by contractual fee. The motion carried unanimously.

3. Order of Business

3.1 Executive Assistant applications: Jim Phipps reported that Beverly Marvin called to say that she could not make the Board meeting, due to a planned trip to Kentucky.
MOTION: Andrew Field made the motion that Julie Brennan be given the job of Executive Assistant. Maria Scoble second the motion. The motion carried unanimously.
MOTION: Andrew Field made the motion that Julie Brennan be hired on a contractual basis in an on-going basis. Maria Scoble to second the motion. Motion was carried unanimously.

4.1 and 4.2 Treasurer Report and Finance Committee: Finance Committee, no report. Treasurer's Report was presented by Maria Scoble and is attached to these minutes. Maria recommends that each committee should put together a budget for next year.

4.3 Architecture Sub-Committee: Andrew Field proposed to move on hiring a part-time Manager who would keep track of building and sub-division projects. The Board wants to see a task/job description before pursuing hiring someone. The Board discussed four or five building projects that have been started by Landowners who were not following the Covenants and sending applications to the GLA.

The Board outlined a procedure for obtaining compliance from Landowners, if Landowners do not comply with covenants:

1. First step is an explanatory letter from GLA (Daniel Kehoe, Sr. will do the letter)
2. Second step would be a letter from the GLA attorney demanding compliance of explaining that the next step is that the GLA will get a court order to enforce compliance.
3. If noncompliance still remains following the second letter, the GLA will instruct the GLA attorney to file an injunction.

MOTION: Andrew moved and Walter seconded the motion to approve a building project for a log cabin on Parcel 56N by Rik Pittendorfer and Kathleen Rakela. Motion carried unanimously.

MOTION: Daniel Kehoe, Sr., motioned to approve the building project of a root cellar on Tract 7C North by Phillip Hoag with a dome roof in between the house and road ~~with irrigation~~. Andrew Field to second the motion. The motion carried unanimously with one abstention.

4.4 Road Committee: Jim Phipps gave the Road Committee Report for David Newhouse. Jim reported that David went to High South 2 days after the gate was moved by William Pitt's parcel and the gate was missing.
ACTION ITEM: Daniel will call Landowners in high South seeking information. If the gate cannot be found the theft will be reported to the Sherrif's office.
FOLLOW-UP: Sign to high South. Daniel reported no action yet taken.
FOLLOW-UP: Charlie Hull is not interested in cutting weeds.
Walter Wunsch recommended asking Richard Johnson.

FOLLOW-UP: David Newhouse sent dirt samples to the company in Florida. They said our dirt was very fine and needed a different formula than the one they sent.
The company is researching a new formula which will work, but will be more costly.

The Story Road project is being reconsidered on a smaller scale and with 3" topping instead of 4". The project coordinators are also hoping pricing will be better in the Fall.

Patrick Wolberd said that a contractor could not find Bradford Lane since it isn't on the present N. Glastonbury map.

ACTION ITEM: Daniel Kehoe, Jr., will ask William Smith and William Irby how the GLA could get maps for North and South Glastonbury with the new private roads on them.

4.5 Noxious Weed Committee: Daniel contacted Dan Skattum for spraying knapweed, hounds tongue and thistle in the road easements and asked for him to give the GLA pricing per mile or per hour or for the whole job. Philip Hoag read the attached letter to send to landowners for noxious weed spraying. Patrick Wolberd feels the letter should go to all landowners and to be consistent with all previous requests. The Board discussed an overall approach to curbing the weeds.

MOTION: Phillip moved and Dan Kehoe Sr. seconded the motion to notify Landowners that the GLA was offering a 25% rebate of the cost of spraying for knapweed, not to exceed $50, on a Glastonbury parcel or tract if the Landowner's GLA membership is paid to date on annual assessments and signs an annual contract with a licensed sprayer dated on or before September 30, 1999. To collect the rebate Landowners must submit a copy of the paid bill and signed contract. The Board, with two abstentions voted for the motion.

ACTION ITEM: Phillip to redraft letter, run by Daniel and work with Julie Brennan to send the letter on noxious weed spraying under the title: Native Wildflower Committee!

4.6 Complaint Committee: Complaint committee unchaired at the moment. Complaint from Daniel Kehoe, Sr., regarding metal cargo containers.

MOTION: Daniel Kehoe, Sr., moved and Phillip Hoag seconded the motion that after this date metal cargo containers not be allowed to be placed in the Community of Glastonbury for any above ground uses, unless such structure meets all building set back requirements and is out of sight from all Glastonbury roads and other properties in Glastonbury or if neighbors who could see the cargo container have no objections to its placement. Motion carried unanimously.

7.4 FIRE WATER RESERVIOR: Walter Wunsch reported that by the end of August the water tank will be cleaned, placed underground and ready to use.

4.8 Nominating Committee: Daniel reported that the people suggested for chairman were too busy to take on this job. Daniel read the proposal from Joan Murphy to do what was necessary to get the nomination letter out. The board approved paying Joan Murphy $100 to write and send nomination letters to the Landowners. Phillip accepted the office of chairman of the Nominating Committee.

MOTION: Motion moved by Dan,Sr. to accept proposal. Philip seconded the motion. Motion approved unanimously.

Next meeting on September 20th at 7:00 P.M.
Meeting adjourned at 9:46 P.M.

Land Owner Covenant Complaint Form

Date 8·16·99

Name Of Land Owner Complainant: DANIEL J. KEHOE, SR.

Specific section in Covenants relating to alleged violation # 5.05, 6.01, 6.06
Regarding: METAL CARGO CONTAINERS IN GLASTONBURY

History of Problem: ON 7·15·99 HORUS BRAILSFORD told ME HE WAS SEEING ROSIE MANHEART ABOUT MOVING A CARGO CONTAINER ONTO HER PROPERTY (PARCEL 3E SOUTH). I told HORUS that it WAS NOT ALLOWED IN GLASTONBURY. HORUS SAID CARGO CONTAINERS ARE NOT MENTIONED IN THE COVENANTS. ON 7·16·99 I phoned HORUS and told him I CONSIDER THE CONTAINERS AN EYESORE IN A RESIDENTIAL COMMUNITY. HORUS SUGGESTED I WRITE UP A COMPLAINT TO THE GLASTONBURY BOARD ABOUT THE MATTER TO HAVE IT ADDRESSED SINCE (attach sheet if more space needed)
HE WAS PLANNING OTHER DELIVERIES.
Name of Landowner involved in purported violation: HORUS BRAILSFORD

Have you communicated with this landowner and tried to resolve the alleged violation? YES (If no, please do so before submitting a complaint.)

If you have attempted to communicate and resolve the problem on your own give the date and time and details of the exchange: SEE History OF THE PROBLEM ABOVE.
NOTE: THE CHURCH'S PROJECT REVIEW COMMITTEE ALLOWED STORAGE CONTAINERS DURING THE SHELTER BUILDING PERIOD IF THEY WERE USED IN CONJUNCTION WITH SHELTERS BUT NEVER FOR RESIDENTIAL USE. (attach sheet if more space needed)

Mail this completed form to Glastonbury Land owners Association, P.O. Box ___ Emigrant, MT 59027. Forms submitted with incomplete information will be returned to the complainant for completion.

5.05. Nuisances and Eyesores. Nuisances and eyesores shall not be allowed. It shall be in the Association's discretion and authority to determine what a nuisance or an eyesore is and to require removal, correction or abatement by the Landowner upon the giving of reasonable notice as provided in Section 10.02. Specifically, the following conditions shall not be allowed on parcels within the Community:

a. Abandoned trailers, mobile homes and other structures, junk (inoperative or unregistered) cars and equipment, scrap piles, brush piles, etc., in open view of platted roads and other parcels or land; and

b. Noxious odors, excessive noise or vibration, nuisances or other annoyances which, in fact, are infringing upon another's quiet use and enjoyment of his land.

SECTION 6. STRUCTURES AND IMPROVEMENTS

6.01. Association's Approval. A site plan and building plans satisfactory to the Association must be submitted by a Landowner to the Association for review and approval prior to beginning construction of any structure, the placing of any mobile home on a parcel or the carrying out of any other project for which review is required by the Master Plan, these covenants or any rule or regulation adopted in accordance therewith. The Association may retain a copy of the said plans in its files. The design of any improvement shall be safe and in accordance with this Declaration and the Master Plan. The Association shall conditionally or unconditionally approve the plans and make any recommendations deemed necessary or advisable, unless:

a. The plans are incomplete, are in violation of or are not in accordance with these covenants, the Master Plan, or any rule or regulation adopted in accordance therewith;

b. The proposed structure is, in the Association's opinion, unsafe, unsound, could pose a menace to the safety and health of other persons, or requires the assistance or input of an engineer; and/or

c. The plan or the proposed structure is unlawful in any way.

The Association's approval of any plans, together with any conditions or recommendations, shall not constitute an acceptance of any liability or an approval of the design, engineering, safety or legality of the structure or project–and the Association is hereby exempted from liability therefor.

6.06. Fallout Shelters. It is the policy of this development to recommend but not require the construction, installation or availability of a fallout shelter underneath, behind, in the basement of or within reasonable proximity to every dwelling or habitation placed upon any parcel.

GLASTONBURY LANDOWNERS ASSOCIATION
BOARD OF DIRECTORS MEETING
MINUTES
September 20, 1999

1. CALL TO ORDER, PRAYER: The meeting was called to order by Daniel Kehoe, Jr. at 7:21 P.M. at Healing Wings, Emigrant, MT. Opening prayer was offered by Daniel Kehoe, Jr.

PRESENT: Daniel Kehoe Jr.(president), Daniel Kehoe Sr., David Newhouse, Linda Kremer, Jim Phipps (secretary), Eric Newhouse, Walter Wunsch and Patrick Wolberd (arrived later).
ABSENT: Andrew Field (vice-president), Maria Scoble (treasurer).
PROXY REC'D: Jim Phipps for Maria Scoble, David Newhouse for Patrick Wolberd.
ALSO ATTENDING: Julie Brennan, Nadim Issa, Joan Murphy, Roelof Varkevisser

2. READING AND DISPOSITION OF THE MINUTES: The minutes of the August 16th meeting were read. Linda Kremer did not receive the financial report. She had some difficulty in interpreting the minutes. Motion was carried unanimously to accept the minutes.

3. ORDER OF BUSINESS
Thomas Moser will come to our meeting this evening to discuss the Story Road project.

4.1 TREASURER'S REPORT: Maria Scoble, treasurer.
Roelof presented the attached financial report. Roelof was asked to present a report including a column with last year's figures for comparison purposes.
MOTION: Daniel Sr., made the motion and David Newhouse seconded the motion that the GLA forgives pre'98 dues of $1680 owed on the Hazen's Parcel 25 South, remove lien on the Hazen property to allow it to be subdivided, and place a lien for '98 & '99 dues of $360.00 each year on the Hazen's three subdivided parcels. The vote was carried unanimously.

ACTION ITEM: Daniel has not spoken to Tom Shellenberg yet.

4.3 ARCHITECTURE SUB-COMMITTEE: No report.

4.4 ROAD COMMITTEE: David Newhouse-Chair
ACTION ITEM: Gate by W. Pitt's property.
Gate by W. Pitt's ~~gate~~ was taken. Eric Newhouse proposed to send a telephone tree. Dan said that he would do it.

ACTION ITEM: Discussion of a new sign to High South that reads "←NFS Land Access ~~and~~ NO NFS Access→". The cost of adding to the sign is $120.00.

ACTION ITEM: Story Road Project.
Presentation by Thomas Moser. Thomas read the attached letter sent to Kate Gordon as background on the project. Neroli Duffy, Ken Frazier and Murray Steinman confirmed the Church's committment to $15,000. Furthermore, the Church would agree to increase in increments if necessary.
Thomas stated that he received a letter from Mike Grove stating the bank would contribute $12,500 to the Story Road Project. JTL gave a high bid of 102K. This was an increase of $30, 000 over the original bid. The August 30, 1999 contract for paving was at $80,000 for 3" paving. From Thomas' talks with JTL he thinks the price could go up 30% more next spring.

Thomas requested a $5,000 fee which was non-negotiable. In reference to scaling back the paving project to get it within budget, Thomas said the contract with JTL and Park County were non-

negotiable. If the Board didn't like the terms of the contracts or Thomas' $5000 fee, the agreements were off and no one owed Thomas anything. Eric suggested that the next move was for the parties to get together to discuss the project. Thomas stated emphatically that what was necessary was not for the parties to get together, but for one party to move forward and put their money in the escrow account.
Thomas Moser answered questions of the Board. There was a discussion of his fee of $5000.00.Under questioning from Linda and Patrick as to when Thomas thought his work became worth $5000, Thomas said when he got the contract with JTL and the County at the end of August.

MOTION: Patrick made the motion and Walter seconded the motion that the meeting close to GLA members and have a ten minute discussion and make a decision where to go with the project. Then have the President get back to Thomas Moser no later than September 25th. The vote carried unanimously.

The Board discussed the presentation made by Thomas Moser. Daniel reported his conversations with Mike Grove and Peggy Keathley. David reported his conversation with Sean Murphy.
MOTION: Patrick to make the motion, Daniel Sr. to second the motion to make a decision where to go with Thomas Moser. To send him a letter to thank him for his effort and state that we are unable to move forward with the project. Daniel will write the leter with copies to: Sean Murphy, Peggy Keathley, Mike Grove and Murray Steinman. The vote carried unanimously.

ACTION ITEM: Material to help roads. David Newhouse-materials are on it's way. Archie Mann will go over where to go and how to start. He is on the way to completing the roadside job.

4.5 NATIVE WILDFLOWER COMMITTEE
ACTION ITEM: Daniel will contact the weed sprayer.
Richard Johnson will do the job of cutting roadside brush.

4.8 NOMINATING COMMITTEE
MOTION: Patrick moved and Walter seconded that Regina Wunsch be appointed to be a member of the Nominating Committee. Joan Murphy stated that the Covenants require 2 Board members to be on the Nominating Committee and she was aware of only one on the Committee:
Philip Hoag, Committee Chairman. Patrick stated that Maria Scoble was a member of the Committee.

4.9 FIRE WATER RESERVOIR
Walter contacted Kathleen Ramp and she has been contemplating seeking legal advice. She asked for a precise map. The property is located at Golmeyer Creek.
Walter stated we should decide if we want the property as a park for the community. We should work with Kathleen to place the tank on her property.

6. UNFINISHED BUSINESS
6.1 OFF ROAD VEHICLE DRIVING
A vehicle was driving off road across Parcel 57. The Board established the step leading up to calling the sheriff:

A. Verbal contact with the driver, by the observing Landowner
B. Letter following up conversation from GLA
C. Contact the sheriff upon another violation. by Landowner who's land was trespassed.

ACTION ITEM: Daniel to call William Pitt, re: offroad driving

6.2 ROAD MANAGER POSITION
Jim Phipps to write a job description for this position.

6.3 CONTAINERS

MOTION: Patrick made the motion and Walter to second the motion that the storage container paragraph be amended. The vote carried unanimously.
The paragraph will read as follows:

After August 16, 1999 metal cargo containers shall not be allowed to be placed in the Community of Glastonbury for any above ground uses, unless such structure meets all building setback requirements and is out of sight from all Glastonbury Road and other properties in Glastonbury. A waiver to this ruling concerning being out of sight from other Glastonbury properties is possible, if neighbors have no objection to said placement.

Adjournment: 10:19 P.M.
Next meeting set for 10/18/99.

Glastonbury Landowners Association Board of Directors Meeting
September 20, 1999

Draft Agenda (as of 8/22/99)

1. Call to Order, Opening Prayer (waiver of notice if required)
2. Reading and Disposition of the Minutes
3. Order of Business
4. Report of Officers and Committees.

   4.1 **Treasurer's Report** - Maria Scoble, Treasurer
   Action item: Insurance company re: higher coverage (P. Wolberd)
   Action Item: T. Shellenberg re: 1099 status for the position (D. Kehoe)

   4.2 **Finance Committee** - Maria Scoble, Chair
   Action Item: Presentation to the Board re: ways to allot GLA funds for maximum stewardship

   4.3 **Architecture Subcommittee** - Andrew Field, Chair
   Action Item: Parcel 56S Subdivision (Kehoe property)
   Action Item: Parcels 38S Subdivision (Kehoe property)

   4.4 **Road Committee** - David Newhouse - Chair
   Action Item: Gate by W. Pitt's property (D. Newhouse)(D. Kehoe phone calls)
   Action Item: Sign to high South (D. Kehoe)
   Action Item: Contact Archie Mann re: completion of Church road job (D. Newhouse)
   Action Item: Contact weed sprayer before roadsides are cut. (D. Kehoe)
   Action Item: Cutting roadside brush (D Newhouse)
   Action Item. Story Road project. (D. Newhouse)
   Action Item: Material to help roads (D. Newhouse)

   4.5 **Native Wildflower Committee** - new chairman needed
   Action Item: Call/email D. Knittle re: weeds on CUT parcels. (D. Kehoe)
   Action Item: Dan Skattum to spray easements and assess cost on major infestations. (D. Kehoe)
   Action Item: Kapweed control contract rebate offer letter (P. Hoag)

   4.6 **Complaint Committee** - new chairman needed
   Action item: Letter acknowledging the Scott's letter.(D. Kehoe)

   4.7 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair
   Action Item: Contact CUT re: Church's standing on Master Plan
   Action Item: Agenda items to discuss with the Church:
   -Park/recreation land to GLA in Village Centers

   4.8 **Nominating Committee**- Philip Hoag, Chair
   Action Item: Nomination letter written and mailed by Joan Murphy

   4.9 **Fire Water Reservoir Committee** - Walter Wunsch, Chair

5. **Ombudsman Report** - Regina Wunsch (SG) and Margaret Newhouse (NG)
6. **Unfinished Business**

   6.1 Fridley Creek diversion repair - Sven Anderson/D. Newhouse

7. **Tabled Business**
   7.1 Subdivision road Maintenance Responsibility (D. Newhouse/D. Kehoe)
   7.2 Tree removal guideline (P. Hoag)
   7.3 Accounting Procedures (M. Scoble)
8. **New Business**
9. **Open Floor Comments**
10. Next Meeting -

JOB DESCRIPTION
MANAGER
GLASTONBURY LANDOWNERS ASSOCIATION, INC.

The Landowners Associations Managers position is one of a facilitator to assist the landowners in enjoying the amenities of the community and of assisting the Association Directors is accomplishing the work they have been elected to do The position is not one of an enforcer or police officer however at times the Manager may be required to remind residents of the regulations that have been established in the covenants.

The Manager shall be directly responsible to the Association Directors and report to them at each of their scheduled Board meetings and at other times when required.

The Managers position will require the use of a personal car for which he/she will be reimbursed at the dollar per mile rate allowed by the IRS.

The Managers job shall be one of an Independent Contractor at a rate to be agreed upon with the Directors of the Association.

The Managers tasks will primarily be concerned with, but not limited to, the following tasks:

Road Maintenance :
Take the necessary actions to see that roads are repaired and snow removed.

Noxious Weed Control:
See that property controlled by the Landowners Association , such as roads and recreation areas are maintained free of noxious weeds, and that landowners are aware of their obligation to do the same in accordance with the covenants.

Building Permit Reviews:
Make landowners aware of their obligation to obtain an approval from the Landowners Association Architectural Review Committee prior to any construction projects. Obtain the necessary completed forms from the landowners for review by the committee and accomplish the necessary follow up and processing.

Legal Matters:
At times the Directors of the Association will deem it necessary to file legal action through the Park County offices. It will the Managers job to accomplish these tasks.

Community Facilities:
Should at any time areas be developed that are the Associations responsibility such as parks and recreation areas it shall be the Managers job to provide the services necessary to maintain and operate these facilities.

And So On:

Re: Emigrant Paving Project @ Story Road

Dear Kate:

As you know, I followed up my September 2 letter to you with a phone call last Wednesday, September 8. You referred me to Rev. Nancy Showalter, and I spoke with her briefly on Friday, September 10. I also spoke with Rev. Peggy Keathley on Friday, September 10, and she was curious to know how I became involved in this project. She was also perplexed about my fee. As a result, I thought it might be helpful for all concerned to have a copy of my correspondence file pertaining to this project, which is included herewith.

At the time of my initial letter to Mike Grove requesting First National Bank's financial participation, I considered myself an unpaid volunteer. When Mike required plans and specifications in order to make an evaluation, and offered no money to cover the expense, I myself was perplexed about the prospect of having to pay money as well as volunteer my services. Nevertheless, the drawing was sufficient to elicit a $10,000 commitment from the bank, as well as a subsequent commitment to increase funding along with others. Subsequent revisions to the plans and specifications were made at the request of Park County, which also added to the expense. The county was also unwilling to pay for these expenses.

I was also perplexed that those who stood to directly benefit most from Story Road being paved were also not coming forward to contribute their time and skills. Mike was busy expanding his bank, Peggy was busy trying to get her assisted living facility off the ground, etc. As a result, my involvement unexpectedly increased over time. It also became apparent that I was not only incurring out-of-pocket expenses, but I was also providing a valuable service; one that others were either unwilling or unable to provide. The "developer fee" reflects a fair value for the service provided.

Kate, I met briefly with Mike Grove on Wednesday, September 8, and he promised that an escrow agreement would be available early this week. And to reiterate my appeal to you of September 2, I think it would be helpful if you became familiar with the details in lieu of relying on secondhand information from others. Once again, please don't hesitate to call if you have questions. (333-4172)

Sincerely,

Thomas

Re: Emigrant Paving Project @ Story Rd.

Dear Prospective Financial Participants:

Enclosed for your review is a "Story Road Capital Improvement Contract" which has been executed by the Park County commissioners.

While not expressly stated in the agreement, Park County Planner Ellen Woodbury informed me yesterday that it is not now, nor has it ever been, the intent of the county to be a party to the asphalt paving contract which is contemplated by the agreement. And Daniel Kehoe, Jr., President of Glastonbury Landowners Association, also informed me yesterday of his preference for GLA also not to be a party to the asphalt paving contract.

If it would simplify matters, I would be willing to assume the role as "Developer" of the Emigrant paving project at Story Road and enter into the asphalt paving contract with the successful bidder. Prior to entering into such a contract, I would require an

escrow agreement with the financial participants and funds placed into an escrow account. The escrow agreement would stipulate that funds be released to the asphalt paving contractor upon written notification from Dennis Brandon, Park County Road Department Superintendent who will be overseeing the work, that the asphalt paving contractor has completed the work in accordance with the plans and specifications, revised June 18, 1999, and that Park County accepts the work.

In any event, I would like to be paid prior to commencement of the asphalt paving work $1000 for the plans and specifications prepared at the request of Mike Grove, originally dated May 10, 1999, and as revised June 9 and June 18, respectively, upon request by Park County.

With respect to the enclosed "Story Road Capital Improvement Contract," I offer the following comments:

1. Page 3, paragraph 2, line 3: Replace "Phase III," with "the asphalt paving work,"
2. Page 3, paragraph 2, lines 7 and 8: Replace "shall agree upon asphalting specifications" with "hereby agree upon the Emigrant Proposed Road Paving plans and specifications, revised June 18, 1999 by Thomas Mosser"
3. Page 3: Add paragraph "3."; "Park County agrees to install '4-Way Stop' signs at the intersection of Story Road with Counts Lane, to install 'No Parking' signs along the new asplalt paving within the town of Emigrant, and to install 15 MPH 'Speed Limit' signs within the town of Emigrant and 25 MPH 'Speed Limit' signs between First National Bank and Centennial Mobile Court.

If each of you will provide me with your comments in a similar format, I will then ask Tara Depuy, Park County Attorney, to either amend the contract and ask the commissioners to initial and date the changes, or simply re-word process the changes and date the contract. I will then recirculate the document for each of your signatures.

Sincerely,

Thomas Mosser

Subject: Glastonbury Land Use Master Plan

Dear Brothers and Sisters:

On behalf of the landowners of Glastonbury and the GLA Board of Directors, I am requesting that the Church Board consider the Glastonbury Land Use Master Plan and the Glastonbury Teaching Centers' land request as soon as possible. The adoption of a Master Plan is key to this community moving forward. Along with the landowners of Glastonbury, the Church, with lands presently covered by the Glastonbury Covenants and lands contiguous to Glastonbury presently not covered by the Covenants, has a certain amount of its future riding on a Master Plan's adoption by the Church and the Glastonbury landowners.

The adoption of a Master Plan will be an important stage in the development of Glastonbury. The Master Plan is an adjunct to the Covenants to establish a unifying vision and guidelines for Glastonbury's harmonious development. The Master Plan process started in 1996 when a building application to the Glastonbury Review Committee brought up the fact that neither the Covenants nor the Church had established a density schedule for the various parcels or guidelines for what types of buildings could be built in the various neighborhoods. The only constraints presently are people's taste and the State's limit of a forty unit building on a twenty acre parcel with adequate sewage and water facilities. The Church's Glastonbury Comprehensive Planning Committee guided and facilitated the process with the landowners and the Church resulting in the Restated Covenants adoption in September of 1997, the changeover to fee simple land ownership, the opening of the community to our brothers and sisters of all faiths, and the turning over of the community's maintenance and guidance to an elected Glastonbury Landowners Association Board.

This present version of the Master Plan has been worked out in a process of committee meetings and neighborhood meetings. In the neighborhood meetings, members of the Master Plan Committee visited the various neighborhoods to get feedback from the landowners. This method worked well since the different neighborhoods had concerns with different parts of the Master Plan, which allowed it to get a thorough airing. Following the GLA Board meeting in March of this year, the plan was marked up with the Board's edits and copies were sent to Murray Steinman, on Gilbert Cleirbaut's recommendation, Hertha Lund, and Donald Knittle, as head of Community Operations, to get the Church's feedback.

The process has been stalled since March of 1999 waiting to get the Church's feedback. I realize that part of this delay was due to my assumption that the members of the Board and the Executive Committee that had been dealing with Glastonbury over the years had briefed their successors on the situation. The Church's feedback and approval of a Master Plan is vitally important to Glastonbury's future. With the adoption of the Restated Covenants, the lands in the heart of Glastonbury North and some of the best buildable land in Glastonbury South were removed from the Covenants. In a letter of March 27th, 1997, Edward Francis noted that the reserved lands would be removed from the Covenants, but that he anticipated the Church would add these parcels and the

Lindorfer property, the farm land commanding the entrance to Glastonbury South, to the Covenants provided that the Church agrees with the Master Plan. Placing the land under the Covenants means that the land is still owned by the Church, but is placed under the same regulations that govern Glastonbury's land use.

The reserved lands were held back from the original land sales in anticipation of future use as higher density residential areas and mixed use neighborhoods (commercial and residential in the same area like the older New England towns). The Master Plan envisions that these key parcels would be used for this purpose and in their implementation, creating the physical heart of the communities. At present these lands are not being used for this purpose and this resultant inactivity is a slow strangulation on the future of Glastonbury and a serious frustration for those who have invested their time, expertise and heart's love working for the enlightened growth of Glastonbury.

In developing a building project or a community, one of the first items to be erected after the infrastructure of the roads, power and telephone is the focus of the community. This could be a chapel, community center, or swimming pool. The literature portraying Glastonbury in the beginning allowed for the possibility of the Church adding some of these elements to the community. Due to the Church's present position, this is not a realistic scenario, but it makes the Teaching Centers' land request a natural key to fulfilling Glastonbury's original vision. Lovely as they are, the present chapel in Glastonbury South is a basement and Glastonbury North's is an addition onto an old farmhouse.

At present, the children of Glastonbury have a swing set, a jungle gym and an open air half court basketball area in the way of recreational facilities in Glastonbury North and nothing in Glastonbury South. As you may recall from your youth, physical recreation facilities are a great way for the children and young adults of the community to channel their energy in healthy and constructive ways. We have children in little leagues traveling all over Park County to play their games for lack of a ball field. The flat, centrally located land in Glastonbury is in the reserve lands. Between what the teaching centers can do with their land and what the landowner's association can do with the park land in the Village Centers (presently located in the reserve lands in the Master Plan) this community would enjoy plentiful activity close to home or at least within bike riding distance.

Another positive aspect I see with the adoption of the Master Plan is a resurrection of the vision that originally drew many Glastonbury's residents to Montana, the building a spiritual community. This vision largely dissolved with the migration of residents back to the cities following the shelter building cycle. With this Master Plan we can define ourselves as a community, establish a unifying philosophy and shared vision and create a magnet for great things to happen.

The Glastonbury Landowners Association's Board is willing to meet with the Church's Board or their designated liaison to go over the Master Plan and the Church's ideas regarding this foundation stone in building the Community of Glastonbury as we have all foreseen it.

Please get back to me at your earliest convenience.

Sincerely,

Daniel Kehoe, Jr.
GLA President

GLA Board of Directors

Master Plan Proposal

Purpose: The Church Board meets with the GLA Board to review the Master Plan and work out the changes that would make the Master Plan acceptable to all parties. The implementation of the Master Plan completes the development efforts begun jointly between the Glastonbury landowners and the Church.

Summary: The Master Plan is being created to establish the standards for development of the Communities of Glastonbury North and South. The Master Plan is a necessary adjunct to the Covenants, since the Covenants are broad guidelines that do not contain the necessary detail for determining aspects of growth such as density and land usage and refer to the Master Plan for the details. The Master Plan covers five areas: Property Description, Village Center land use and building standards, Residential Area land use and building standards, Legal issues, and Exhibits.

Implementation: Following Church/GLA Board meetings, the Master Plan is rewritten to include the changes that the GLA and the Church agree upon. After this draft is mailed out to the landowners, community-wide meetings would be held for Glastonbury North and South in attendance to finalize the Master Plan. When it appears that a majority of the Landowners (including the Church) understand and approve the Master Plan, the finalized version will be mailed to each Landowner. Then a meeting and vote of the landowners will be held, which could possibly coincide with the GLA General Meeting in November if it doesn't happen before then.

Benefit to the Church: The Church would be in a better position to sell its remaining land in Glastonbury at a better price. Competent and experienced developers buy land when they are assured that the buildings to be built near theirs will enhance their property's value rather than degrade it.

Benefit to the Glastonbury: The GLA would have development guidelines to follow for approving building and subdivision projects. The development of the Village Centers would reinforce and continue building the economic base that is very necessary to the future survival of Glastonbury.

GLASTONBURY LANDOWNERS ASSOCIATION

BOARD OF DIRECTORS MEETING

MINUTES

OCTOBER 18, 1999

1. CALL TO ORDER, PRAYER: The meeting was called to order by Daniel Kehoe, Jr., at 7:19 pm at Healing Wings, Emigrant, MT. Opening prayer was offered by Linda Kremer.

PRESENT: Eric Newhouse, Daniel Kehoe, Jr.(President), Horus Brailsford, Maria Scoble (Treasurer), Walter Wunsch, Patrick Wolberd, Linda Kremer, Jim Phipps (Secretary), David Newhouse, Philip Hoag.
ABSENT: Andrew Field (Vice-President)
ALSO ATTENDING: Julie Brennan, Joan Murphy, Roelof Varkevisser.

2. READING AND DISPOSITION OF THE MINUTES: Patrick moved and Linda seconded the motion to accept the minutes as corrected. The motion passed unanimously.

3. ORDER OF BUSINESS:

4.1 TREASURER'S REPORT - The attached Income Expense Comparison report given by Roelof Varkevisser for '98 and '99.

The following comments and suggestions were made:
a. What is $31,500 regarding Story Road project.
b. There is a $3,000 differential in the GAV income for '98 and '99.
c. No change in assessments, we need to get a notice out to new landowners. They need a follow-up to find out who pays their assessment.
d. The $15,000 check from the Church and needs to be taken from "Unknown Expense" and put under Story Road Project.
e. Differential of $21,000 for land assessments between '98 and '99.
f. In '98, $28,000 was collected also includes Church funds and upgrade fees close to last years.
g. Separate out the professional fees from office expenses (office supplies, postage and copies).
h. Discussion of audit procedures of 1099.

MOTION: Maria Scoble moved and Walter Wunsch seconded the motion to establish a petty cash fund in the amount of $100 for the Executive Assistant. The motion carried unanimously.

Discussion between Maria and Patrick on the budget-they decided there is no need for changes to the budget.
The surface binder work will be tracked as a separate line item.
Patrick proposed a meeting with Maria Scoble and David Newhouse to discuss Expenditures Report. It was decided that David will give the Road Committee Report before Maria gives the Financial Report. For '99, $16,000 in assessments are due to come in.
A suggestion was made to print out a list which includes every landowner not just those who have balances.

ACTION ITEM- FOLLOW UP:
Patrick found that insurance is too costly to increase.

MOTION: Patrick made the motion and Linda Kremer seconded the motion to switch accountants from Doug Holm to Tom Shellenberg. The vote was accepted unanimously. Maria will follow-up

with the 1099's w/Tom Shellenberg at the appropriate time.

4.3 ARCHITECTURE SUB-COMMITTEE: No report . Report is put off until November 11, 1999.

4.4 ROAD COMMITTEE: Eric and David Newhouse reporting. ACTION ITEM: Gate by Pitt's. Pouring concrete this week for the gate. Gate report on Sagittarius Skyway. Gate will be locked during hunting season. Keys would be available from Eric Newhouse for North Glastonbury and Andrew Field for South Glastonbury. Keys will be numbered to keep track of them.

ACTION ITEM: Church Road Upgrade.
Archie Mann is available. Roads got widen and grating. David will go over with Archie the contract and roads to see what needs to be done.

ACTION ITEM: Weed Cutting:
David reported that Richard Johnson would cut grass and weeds in North and South Glastonbury.

ACTION ITEM: Story Road:
David Newhouse, Peggy Keathley, Mike Grove, Daniel Kehoe, Jr., Sean Murphy and Ellen Woodbury met to finalize plans with Big Sky with 3" of asphalt. Big Sky will do the paving for $69,900. The road behind Healing Wings did not have to be paved and from Hwy 89 did not need to be repaved according to the County.

ACTION ITEM: Road Material
Between meetings there was an action taken by the Board regarding Story Road. Approved unanimously was the decision to put $15,000 in escrow on behalf of the GLA and the $15,000 donation from CUT for this project and to add an additional $1,500 if necessary contingent upon a satisfactory escrow agreement being drawn up and having the attorney approve the paving agreement, maintenance agreement with Park County and the escrow agreement.

There will be a new binder on one mile of North Glastonbury Roads. David will work with Archie's crew. To apply the binder they will use a roller and water tank. Work to begin next week: top hill to bottom of Gemini, starting Wednesday 10/20.

Philip presents a letter from Catherine Mansaw. Someone rolled a car at the gravel pit. There were no injuries reported. At the location of Taurus with blind curve, children (parents, hello!) are driving too fast. Eric will talk the McCann's and the Gelderloos's regarding teens on tri-wheelers on the roads. Philip reads the letter. (See attached letter)

MOTION: Philip made the motion and Walter seconded it that we put up signs "Dangerous Curves, "15mph" for Capricorn between Aries and Gemini, Taurus between Fridley Creek and Peggy Keathley's house, and the first blind curve on Hercules Road. The vote carried unanimously.

ACTION ITEM: Julie to write thank you letter to Catherine Mansaw for Daniel's signature.

The Board to discuss the use of all terrain vehicles in Glastonbury and covenant regulations with regards to the use of motorized vehicles.
Put in swing gate by Mack; John Alexander has a trailer blocking Glastonbury Road.

MOTION: Philip made motion and Linda seconded to put a gate at the end of Gemini Road at the Alexander's property. We need to send a note to John remove regarding the gate and the barricade. The vote was carried unanimously.

4.5 NATIVE WILDFLOWER COMMITTEE: Spraying is put off until next spring.

4.8 NOMINATING COMMITTEE:
MOTION: Maria Scoble moved and Walter seconded the motion that Joan Murphy receive $100 for food, plaques (in recognition for service to the GLA Board), flowers, for the Annual Meeting.The motion carried unanimously. The Board agreed to set up the hall for the meeting. We have an agenda from last years and adding native wildflower report.
Linda Kremer and Patrick Wolberd will be greeters. Philip Hoag and Walter Wunsch will be at the voting booths.

4.7 LAND USE MASTER PLAN COMMITTEE: The Board discussed the Land Use Master Plan.

6.0 UNFINISHED BUSINESS

6.1 FRIDLEY CREEK: The creek bed was repaired.

Adjournment at 9:45 pm.

Next meeting will be on 11/11 at 7:00 pm.

Draft 2

Glastonbury Landowners Association
Board of Directors Meeting
Minutes
11/11/99

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr., and opening prayer was given by Patrick Wolberd.
PRESENT: Daniel Kehoe, Jr.(President), Maria Scoble (Treasurer), Jim Phipps (Secretary), Daniel Kehoe, Sr., Philip Hoag, Linda Kremer, Eric Newhouse, Patrick Wolberd.
ABSENT: Andrew Field (Vice President); PROXY: David Newhouse to Eric Newhouse
ALSO PRESENT: Julie Brennan, Joan Murphy, Roelof Varkevisser.

2. Reading and Disposition of the Minutes: Patrick Wolberd suggested that 4.1 a-h was too abbreviated and that the discussion needs to slow down if necessary to get the Minutes recorded properly. The follow up on action items need to make sense.
MOTION: Linda moved and Dan seconded that the minutes routinely include those matters that are motion items and action follow-up items. The motion carried unanimously.

MOTION: Maria moved and Dan Sr. seconded the motion to approved the minutes as edited. Motion carried unanimously.

3. Order of Business

4. Report of Officers and Committees
4.1 Treasurer's Report-Maria Scoble, Treasurer

MOTION: Maria made the motion and Eric seconded it that Roelof will present the Treasurer's Report at the Annual Meeting.
Patrick Wolberd proposed that the financial report in the Annual Meeting should be through an entire year--that is, January through December.

Roelof gave the attached financial report.

MOTION: Daniel Kehoe Sr., moved and Linda seconded the motion that we give an Annual Financial Report ~~beginning~~ each January ~~2000~~ to be sent out with the financial statements, comparing to the financial report of the prior year. The vote was carried unanimously.

4.2 Finance Committee-Maria Scoble, Chair. No report.

4.3 Architecture Subcommittee-Andrew Field, Chair.
Report presented by Philip Hoag. The status of all projects were discussed.

ACTION ITEM: Philip will call Gerald Dubiel to get the paperwork turned in.
Action ITEM: * Building application Parcel
MOTION: Philip motioned and Eric seconded the motion to approve 38ABCDE South Sub-division, ~~2~~ 41AB sub-division with boundary change, Johnston 22 South-modular, Gelderloos workshop, Roach shed in 47 North Glastonbury, Ian Scott home in 10 North Glastonbury, Olsen modular in 31 North Glastonbury, DeWayne Patterson ~~AYE~~, North; Buford shed on 40N, Thompson/Buford/Hull/Cook & Hardisty Sub-division at 40N, decision to return the 33 South application to Gloria Fournier for tenants in common signatures, decision to return the Jean Louis Gillette 70 South Sub-division application to get description of well/septic system placement. The vote carried unanimously.

& Boundary change

4.4 Road Committee
Road Committee report was presented to the Board by Eric Newhouse. Presented at the Annual Meeting will be the report on planned road maintenance. Patrick presented the attached Report rough draft. Daniel reported that Story Road should be finished being paved Nov ~~Their~~ 15 and passed out the attached letter he sent to Thomas Moser. He also reported on Mr. Mosers letter of Nov. ~~Thea~~ to Mike Grove.

MOTION: Eric motioned and Daniel Kehoe, Sr., seconded that we latch the gate in high South and put a sign on the gate will read " Private Road Glastonbury Landowners Only, No Trespassing". The vote carried unanimously.

ACTION ITEM: The sign to High south should be up soon and requires a $75.00 deposit.
ACTION ITEM: No report on Archive Mann.
ACTION ITEM: Road Manager. Will be acted on with the new Board.

4.8 Nominating Committee
After the Annual Meeting, the Board will meet to elect the new ~~Board members~~ officers.

4.9 Fire Water Reservoir Committee-Walter Winch, Chair
Daniel reported that he talked to William Smith and William gave an estimate of $3,200 to sand blast it and primer the water tank., sand blast it and have it painted with epoxy for $2,000 for a total of $5200. The Board rejected the cost and suggested having Richard Johnson give a quote to put the water proof coating inside and out using material on Parcel 70S.

5. Ombudsman Report-No report.

6. Unfinished Business-Daniel Kehoe, Jr., read the agenda for the Annual Meeting.

7. Tabled Business-Maria Scoble spoke with Tom Shellenberg about tax filing for contract workers. He said we file 1099 for contract work.

ACTION ITEM: Julie Brennan to call the County Recorder regarding removal of lien procedure or form and check with the post office to get pricing on printed and stamped window envelopes.

Adjournment at 9:50 p.m.

Glastonbury Landowners Association
Board of Directors Meeting
Minutes
11/29/99

Draft

1. Call to Order, Prayer: The meeting was called to order at 7:09 p.m.at Healing Wings, Emigrant , MT.
PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice President), Jim Phipps (Treasurer), David Tonkin (Secretary), Walter Wunsch, Robert Wallace, Dan Kehoe Sr, Christine Johnston, Jon Olsen, Philip Hoag, Andrew Field.
PROXY: Maria Scoble to Jim Phipps
ALSO ATTENDING: Julie Brennan (Executive Assistant), Joan Murphy, Roelof Varkevisser (Accountant), Patrick Wolberd.

2. Reading and Disposition of the Minutes:
MOTION: DT made the motion and DK Sr. seconded it to accept the minutes of 11/11/99 as amended.
The vote carried unanimously.
MOTION: DK Sr. made the motion and EN seconded it to accept the amended minutes of the Annual Meeting. The vote carried unanimously.
MOTION: DK Sr. made the motion and DT seconded it to accept the amended minutes of 11/13/99.
The vote carried unanimously.

3. Order of Business
3.2 Manager position/job description
ACTION ITEM: The decision was made to send the manager's job description with the January billing statements.

4. Report of Officers and Committees
4.1 Treasurer's Report - Jim Phipps
ACTION ITEM: We need to assign Board Members for the new signature cards. JP proposed the following Board Members: DK Jr., DT, EN, JP, WW. The proposal was approved.

There was an open floor discussion regarding what to do with the two certificates of deposits that mature Dec. 1999. DK Sr., recommended investing in a mutual fund of Federal Bonds which we can draw checks on.

MOTION: JO made the motion and DK Sr., seconded it that we purchase $20,000 in 90 day U.S. Treasury bills directly from the Federal Minnesota Reserve and place them in a safety deposit box at First National Bank in Emigrant.
The vote carried unanimously.

MOTION: AF made the motion and JO seconded it that we cash in the two CD's and place the proceeds into our savings account.
The motion carried unanimously.

4.2 Finance Committee
Roelof Varkevisser gave the financial report, see attached.

MOTION: EN made the motion and PH seconded it to have Roelof contact by phone the landowners who have an unpaid assessment balance of $1,000 or more and ask for their

willingness to pay. The vote carried unanimously.

Action Item: Every committee chair needs to submit their budget by December 15th. Jim will put together the Finance Committee budget. Also, each committee chair needs to bring their budget to the January 10th meeting.

Audits: There have been no audits before. All financial filing is done with our tax accountant.

4.3 Architecture Subcommittee - Robert Wallace/Dan Kehoe Sr. Co-Chair
RW gave a report on the various projects before the Board:

Gloria Fournier's project: DK Sr. reported that he had been talking with Gloria about her project. During the open floor discussion, it was unclear whether the land has been sub-divided or whether it was still in joint tenet ownership.

ACTION ITEM: Someone needs to go to Park County office to see who is on the deed with Gloria Fournier.

MOTION: Eric made the motion and Philip seconded it that Dan Sr., sends the letter (he read to the Board) to landowners that own the property with Gloria Fournier.
The vote carried unanimously.

Svend Anderson's project: He wants to place a HUD Manufactured mobile home on his property. He still needs Ron Wallace's signature. The mobile can't be put in place because the property needs to be sub-divided.

Gerald Dubiel's project:
PH went by the Dubiel's property and noticed construction is still proceeding without GLA approval. He will call them because we are just at the point of turning this case over to our attorney.

Mehmet Boysal's project: On Parcel 40 he wants to put two mobile homes together and cover them with roof and siding.

MOTION: Philip made the motion and Andrew seconded it that the authority to give final approval be passed to Dan Sr. and Robert.
The vote carried unanimously.

4.4 Road Committee - Eric Newhouse and David Tonkin Co-Chair
There was an open floor discussion on road conditions in South Glastonbury. There also was a discussion about hunting in Glastonbury and the John Waid and William Pitt conflict. Hank wants a letter of clarification and we need to send it to John Waid and all Glastonbury residents. ↳ Fabish Game Warden on 89 South

ACTION ITEM: DK Jr. and PH will write a letter to the game warden with carbon copy to John Waid and William Pitt.
ACTION ITEM: DT will place reflectors on the gate in high South.
ACTION ITEM: DK,Jr. will place signs at the corner of Dry Creek and Hercules Rd. indicating NFS Land access is available up Dry Creek Rd. and not up Hercules Rd. Road sign to be done by Delta Designs.

4.5 Complaint Committee - Christine Johnston
CJ stated that Simon and Chantal Hale had a complaint.

4.6 Land Use Master Plan Committee - Daniel Kehoe, Jr. Chair
No report.

4.7 Fire Water Reservoir Committee - Walter Wunsch Chair
Open floor discussion on the cost to paint the 20,000 gal. water tank for fire water reservoir at high South.The initial estamate was $5,500 to clean the tank and paint it with coal-tar epoxy. It was stated that Ray Jacobs could tar the tank, for $1,200.00. There was a discussion on the merits of both types of paint.

MOTION: The motion was made by AF, seconded by EN that the cost of tank preparation to be limited $2,000.00 and that the tank be buried in structural backfill with anodes. PH will handle the tank prep. and installation. The vote carried unanimously.

6. Unfinished Business
DK Jr., received a copy of a letter from Thomas Moser addressed to Mike Grove. DK, Jr. said that he would call Mike Grove tomorrow.

10. Next meeting and Adjournment
The next meeting will be 1/10/2000. Adjournment at 10:37 p.m.

1999-11-29_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting

M E M O R A N D U M

TO: Glastonbury Landowners Association c/o Walter Wunsch
FROM: William E. Smith, P.E.
DATE: December 6, 1999
RE: Proposal for Protective Coatings on Interior and Exterior of Glastonbury High South Water Storage Tank

Pursuant to my telephone conversation today with Walter, I wish to provide you with my perspective regarding the need to provide protective coatings on the water storage tank for high South Glastonbury.

1. The interior of the tank is bare steel. Since the interior of the tank was cleaned and surfaces were pressure washed to remove residual diesel fuel, the moisture in the air has formed a light coating of rust on the steel. In addition, where the steel has been exposed to rain, slight rusty scale has begun to form. If the tank was placed into service without an interior coating, the unprotected steel in direct contact with oxygen in the water would rust severely. Since the volume of the tank is large (15,000 gallons), water in the tank will be replenished continuously from Golmeyer Creek, the tank will be open to the atmosphere, and the fire department will remove water from time to time for training purposes, the bare steel would remain exposed almost continuously to oxygen. Other potentially corrosive properties of the water from Golmeyer Creek would combine with oxygen to seriously shorten the life of the tank.
2. The exterior of the tank was coated with a protective coating when it was originally installed. Today that coating shows serious signs of wear, and in some places rusty steel is exposed. Attempting to spot apply fresh protective coating over the old paint would result in a marginal level of protection due to the age and degree of deterioration of the existing coating. In addition, the existing coating could be a lead based paint which would be contaminating to the environment and unacceptable with today's USEPA regulations.
3. Cathodic protection, usually in the form of sacrificial anodes, is always recommended on underground storage tanks. Even tanks with adequate protective coatings in tact at the time of installation will have their reliable useful life shortened considerably if cathodic protection is not provided. However, cathodic protection in the form of sacrificial anodes does not have sufficient voltage potential to protect a tank that is not adequately protected from the corrosive properties of soil and water by good quality protective coatings.
4. The typical useful life of a properly protected underground storage tank system is estimated to be between 15 to greater than 30 years, depending upon many factors. This tank with installed with adequate protection should serve reliably for at least 20 years, if the cathodic protection voltage is monitored and maintained.

5. The Glastonbury Landowners Association is providing this tank as a reliable source of water for fire protection in a remote area of Glastonbury South. Without this water reservoir, further development in this area is prohibited by Park County and the Paradise Valley Fire Department. The GLA Board of Directors are offering to Park County, the fire department, and any future home owners allowed in this area as a result of this water supply reservoir a reliable supply of water for fire fighting purposes. Have you contemplated the liability you as a Board would face if property or lives were lost as a result of the fire department attempting to draw water from a dry tank that had failed due to corrosion?

6. The quote I received from Dan, the Sand Man of Bozeman, for sand blasting, painting with kencromic primer, and painting with two-part epoxy coatings inside and out is $5,200. This cost includes moving mobile equipment to the tank, which saves a cost to haul the tank to a shop in Bozeman or Billings. (I could not find anyone in Livingston who does this work.) A comparable quote I received from a refinisher in Billings is $5,060 if the tank is hauled to their yard. Hauling the tank anywhere will cost considerably more than $140.

Based on the overall cost of this project, the magnitude of development that will be allowed in the area as a result of this water supply, and the potential liability upon the Glastonbury Landowners Association Board in the event of the failure of this reservoir, the $5,200 for protective coatings and an additional ~$300 for cathodic protection is cheap insurance. It is my strong recommendation to you that, if you are reluctant to perform your due diligence in this matter and spend the money necessary to provide a reliable installation which has an expected life of 15 to 20 years, you should cancel the project and go no further. Even with adequate protective coatings on the tank inside and out, and cathodic protection, a routine inspection should be implemented to monitor the reservoir for reliability. This monitoring should include but not be limited to: 1) voltage of the cathodic protection system, 2) water level in the tank, 3) the rate at which the tank refills from Golmeyer Creek, 4) clarity of the water in the tank and 5) accumulation of sediments in the bottom of the tank.

If you have any questions or need any further information from me on this subject, please contact me at 333-9040. I am always please to work with you and advise you on projects beneficial to the Community of Glastonbury.

RE: Glastonbury North Parcel With Gravel Pit

Dear Donald:

Following our recent telephone conversation, the GLA will use the fill material from the gravel pit parcel on the south east corner of the Aries Drive and Capricorn Drive intersection. This material will be used to complete road work detailed in the agreement between the Church and the GLA for the GLA to complete roadwork on the Glastonbury roads to bring them up to the County standards. In return, the GLA will grade the parcel to a natural grade and reseed it.

Sincerely,

Eric Newhouse
GLA Road Committee CoChairman

cc: Hertha Lund

Glastonbury Landowners Association
Road Committee 1999/2000 Road Maintenance & Improvement Plan

The board of directors approved a proposal to participate in the cost of paving Story road in a cooperative venture involving Glastonbury Landowners Association ($15K), Church Universal and Triumphant ($15K), Park County (Roadbed widening and topping, culvert installation, and grading), First National Bank of the Rockies ($10K), Centennial Mobile Home Park ($15K), Avalon Assisted Living Facility ($15), and Episcopal Church ($1K). This project was completed on November 12, 1999, at a price of approximately $71,000 plus the County's roadbed improvement contribution. These costs are approximate, pending the final accounting of the project costs. The total project cost is actually anticipate to be less, in which case a prorated refund will be made to each participant.

In conjunction with the $15,000 Story road improvement, the GLA committed to a $15,000 road improvement project at problem areas on Dry Creek road and other major entry points to South Glastonbury.

This past year the Road Committee has also been researching road surface binder products to find the longest lasting and most economical road surface treatment products to reduce washboarding, potholes and dust problems. This process has taken longer than expected. While researching and testing an alternative treatment product, we have engaged in a low cost minimal maintenance program which has resulted in the poor quality road surface we have all been tolerating this past year. If we do not have an improved product identified before Spring, 2000, we will return to the magnesium chloride product used in previous years.

The plan is to start an intensive road upgrade program early in Spring of 2000 treating the main arteries of North and South Glastonbury. This will involve approximately 8 of the 26 miles of Glastonbury roads at a cost of roughly $56,000 ($7K per mile). This project is in addition to the South Glastonbury $15,000 Dry Creek Road Improvement project, for a total estimated Spring 2000 road improvement/upgrade expenditure of $71,000.

The current cash in the bank is slightly over $97,000. This leaves a $26,000 contingency for unexpected expenses, plus the year 2000 income to cover the necessary routine road maintenance and other expenses required to operate our association.

Current Cash Balance		$97,000
S. Glastonbury Spring 2000 Dry Creek Road Improvement	-$15,000	
Glastonbury N. & S. Spring 2000 Road Upgrade	-$56,000	
Subtotal Spring 2000 Road Improvement/Upgrade	-$71,000	-$71,000
Estimated Emergency Contingency Fund		$26,000

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

January 9, 2000

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:36 p.m., at Healing Wings, Emigrant, MT.
PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Daniel Kehoe, Sr., Philip Hoag, Christine Johnston, Andrew Field, Walter Wunsch, Maria Scobel, Jon Olsen, Robert Wallace.
ALSO ATTENDING: Julie Brennan (Executive Assistant), Joan Murphy and Paul Ranttalo

2. **Reading and Disposition of the Minutes**

The amended minutes were accepted unanimously.

3. **Order of Business**

4. **Report of Officers and Committees**

4.1 **Treasurer's Report** Jim Phipps (Treasurer)

Jim passed out the Transaction Report. The Federal Reserve is operating electronically at the interest rate of 5.5%. Refer to attached financial report for savings and checking account information.

It was announced that Roelof V. (Accountant)was doing statements at the end of this week. There was an open floor discussion on how to obtain monies owed and lien procedures.

MOTION: Eric made a motion to start a sub-committee in order to evaluate ways to collect money to present at the next meeting. The vote was carried unanimously.

4.2 **Architecture Subcommittee** Robert Wallace/Dan Kehoe, Sr. (Co-Chair)

Svend Anderson's Project: The Architecture Subcommittee met in December and approved the mobile home placement for Svend Anderson. Parcel 8 was approved prior to Park County/Church Universal and Triumphant lawsuit allowing for a second mobile home to be place on the site. Svend checked with the records at Park County.

Mehmet Boysal's Project: He is approved for a mobile home.

ACTION ITEM: Revise application form. Nancy Badten has the data files on her computer. Her phone number is 222-5507

ACTION ITEM: Send a letter to Kathie Garcia and another one to Kathleen Ulrich.

Gloria Fournier's Project: Her project is frozen and stopped until an agreement is made with the other parcel owners. There is a disagreement over what are the property lines.

Kenneth McNeally's Project: Parcel 61-B. Kenneth bought Carla Baughmen's mobile home. His $250 clean-up deposit was waived because he is just putting in a mobile home and skirting.

MOTION: Robert made a motion and Dan, Sr. seconded to approve McNeally's project upon getting more detail and to give Eric permission to approve the well placement.

David MacDonald's Project: Robert moved that Dan, Sr. be granted permission to approve the application upon detailed review. The motion passed.

4.3 **Road Committee** Eric Newhouse and David Tonkin (Co-Chair)
Eric reported that he had a conversation with Dennis Branden, of Park County, about the needs of Dry Creek Road. Eric stated that the Road Committee intends to spend $15,000 on Dry Creek Road this year for magnesium chloride and to water the road while it is being graded. He talked with Dennis about the county providing gravel from their source in Pray which has the right mixture of fines and gravel. The procedure for repairing the road will be to grade the road, re-top it with the gravel and then add magnesium chloride and water so it will compact well.

Philip proposed changing the easement of Taurus Road hill.

MOTION: Dan, Sr. moved and Andrew seconded it that David, Eric Philip and Jon develop a plan for repairing roads in Glastonbury and present it to the Board.

Eric reported that he had discussed the gravel pit in North Glastonbury with Donald Knittel. Donald agreed that GLA could use the remaining material there if we grade the site and seed it for the Church after we are done. The attached letter will be sent to Donald.

Eric opened the discussion about land that could be used for a ball field. Eric said that he plans to speak to Sean Murphy regarding putting it on his land.

4.4 **Complaint Committee** Christine Johnston (Chair)
Christine reported that there were no complaints last month.
Eric reported that William Pitt had called him to complain about the snow plowing by Jim Kelley. William Pitt issued a complaint.

4.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair) No report

4.6 Fire Water Reservoir Committee Walter Wunsch (Chair)
Walter presented a letter from William Smith that listed William's recommendations for coating the water tank. Andrew recommended that we just monitor for now. There was an open floor discussion.

MOTION: Dan, Sr. made a motion and Philip seconded that we proceed with Philip's recommendation from last month: to apply a tar type water proof coating plus installation of anodes.

Miscellaneous Items:

David reported that GLA was carbon copied on a letter from William Pitt to JW complaining about some of JW's actions. Since Pitt was not asking GLA to intercede, no action was recommended.

Paul Ranttalo attended this meeting and stated he has a back hoe and cranes and suggested that if GLA purchased a grader, he could operate it and save GLA money. The cost and liabilities of GLA owning a grader were discussed. Andrew suggested Paul submit a proposal for his doing the grading with his own grader. His phone number is 333-4672.

The meeting was adjourned at 9:50 p.m.

Our next meeting will be February 7, 2000.

2000-01-09_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting

Jan 10, 2000

Agenda

1. Call to Order, Opening Prayer (waiver of notice if required)
2. Reading and Disposition of the Minutes
3. Order of Business

3.1 Establish long term goals for the year (ideas listed below)
- Adopt Master Plan
- Implement Road maintenance program
- Building of community center/playing fields

4. Report of Officers and Committees.

4.1 **Treasurer's Report** - Jim Phipps, Treasurer

4.2 **Finance Committee** - Jim Phipps, Chair

4.3 **Architecture Subcommittee** - Robert Wallace/Dan Kehoe, Sr. Co-Chair
Followup Item: Sven Anderson mobile
Mehmet Boysal mobile home
Action Item: Letter to nonfilers (D Kehoe I & II)

4.4 **Road Committee** - Eric Newhouse - Chair
Action Item: Sign to high South (D. Kehoe)
Action Item: Contact Archie Mann re: completion of Church road job (D. Newhouse)
Snow plowing high South (by Jim Kelly's)

4.5 **Complaint Committee** - Christine Johnston

4.6 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair

4.7 **Fire Water Reservoir Committee** - Walter Wunsch, Chair
Action Item: Tank coating (P. Hoag)

5. **Ombudsman Report** - Regina Wunsch (SG) and Joan Murphy (NG)
6. **Unfinished Business**
7. **Tabled Business**
   - 7.1 Subdivision road Maintenance Responsibility (D. Kehoe)
   - 7.2 Tree removal guideline (P. Hoag)
   - 7.3 Accounting Procedures (J. Phipps)
   - 7.4 Knapweed control contract rebate offer letter (P. Hoag)
   - 7.5 Contact weed sprayer (D. Kehoe)
   - 7.6 Presentation to the Board re: ways to allot GLA funds for max stewardship (Finance Com)
8. **New Business**
   Pitt/Waid situation
9. **Open Floor Comments**
10. Next Meeting and Adjournment

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

February 7, 2000

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order at 7:10 p.m. at Healing Wings, Emigrant, MT. Opening prayer was given by Christine Johnston.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Christine Johnston, Robert Wallace, Daniel Kehoe, Sr., Andrew Field and Jon Olsen.

PROXY: Maria Scoble to Eric Newhouse

ALSO ATTENDING: Julie Brennan (Executive Assistant), Roy Johnson, Roelof and Claire Varkevisser.

2. **Reading and Disposition of the Minutes**

The motion was made by Dan, Sr. and seconded by David to accept the amended minutes. The vote carried unanimously.

3. **Order of Business**

4. **Report of Officers and Committees**

4.1 Treasurer's Report Jim Phipps (Treasurer)

The financial report was given by Roelof Varkevisser. There was an open floor discussion on owed assessments. Roelof stated that he will be calling landowners who are in a collection status.

Dan, Sr. reported his conversation with Dean Holmes on the procedure for filing a lien. Dean stated that the procedure is to fill out a lien form and pay a $5.00 fee to Park County. A lien insures that new owners will be aware of unpaid assessments because these will appear on a title report for any property that is sold. The process assures that GLA is paid back assessments. A recent case was discussed where a person who just purchased some Glastonbury property with $750 of unpaid assessments due on it and how unfriendly and difficult it will be to send him a $750 assessment bill.

MOTION: Dan, Sr. made a motion and David seconded it that liens will be filed for any unpaid assessments of $120 or more in January of each year. The vote carried unanimously.

ACTION ITEM: This year, liens of unpaid assessments will be filed by May 1, 2000. Christine will draft a letter that will be sent to all property owners about filing the liens.

4.2 Architecture Subcommittee Robert Wallace/Daniel Kehoe, Sr. (Co-Chair)

Kenneth McNeally: Robert called him and sent him a Project Application form.

David MacDonald: Robert faxed a Project Application form to David M., but David M. does not seem interested in filling out the form. Dan, Sr. recommended writing a strong letter.

Robert Wallace reported that we still need Project Application forms from Kathleen Ulrich, Kathie Garcia and Alan Maniaci.

ACTION ITEM: Christine will contact Kathie Garcia. David T. will contact Kathleen Ulrich.

4.3 Manager Position

Andrew read the task description for the manager position. Several changes were suggested. Dan, Sr. recommended that we change the title of "manager" to "facilitator." David recommended that we set up interviews. Further discussion was tabled until GLA board members could review the revised description.

4.4 Road Committee Eric Newhouse (Chair)

Eric announced that he will be out of town on business through February 17. He stated that he is working on the road report. Also, Archie Mann is looking for new road material.

An open floor discussion took place on the condition of the roads in South Glastonbury, particularly Dry Creek Road. Eric recommended that David and Dan, Jr. contact Robert Beese.

4.5 Complaint Committee Christine Johnston (Chair)

Christine said that a resident in high South Glastonbury, Mary Ann Watson, is concerned about the road conditions at a particular curve which is not protected. There is a steep ravine on the outside of the curve which does not have guard rails. Christine recommended putting up railing in that location. Jon suggested that we contact Robert Beese to investigate and use gravel to correct the problem. The item was tabled until the curve is investigated and the cost of a guard rail is obtained.

Christine spoke with Gretchen Lundberg. She said that Michael V.H. complained about the GLA. There was an open floor discussion about the complaint. Michael previously voiced the same complaint and the specifics of his concerns had been answered by GLA. No further action was taken.

4.6 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)

Dan, Jr. stated that he spoke with Murray Steinman. Murray is now working for the Church on a contract basis. Dan, Sr. noted that Murray has been very helpful in the past

by assisting GLA with the transfer of the Glastonburies from the Church to the residents. The Church has promised that it will transfer twenty acres to North and South Glastonbury Teaching Centers as well as resolve what it will do with the reserved lands of Glastonbury. Dan, Sr. suggested that he ask Murray to work with the Church and GLA to resolve these points before his present contract with the Church is completed.

MOTION: Dan, Sr. made a motion and Andrew seconded it for GLA to write a letter to the three presidents of the Church requesting that Murray continue working with GLA on these land issues. The vote carried unanimously.

5. Next Meeting and Adjournment

The meeting was adjourned at 9:57 p.m. Our next meeting will be March 6, 2000.

ACTION ITEMS:

1. Christine to draft a letter to all property owners about the new policy to file liens on unpaid assessments of $120 or more each January. The letter will explain the reasons for this action.
2. File liens by May 1, 2000 for all unpaid 1999 and previous assessments.
3. David to revise the Facilitator job position sheet.
4. David or Dan, Jr. to discuss with Robert Beese his willingness to act as GLA's road maintenance supervisor.
5. Christine will contact Kathie Garcia about the need to file a "Project Application."
6. David will contact Kathleen Ulrich about the need to file a "Project Application."
7. David to investigate the reported dangerous curve in High South Glastonbury and determine guard rail costs.

GLA 00876

GLASTONBURY LANDOWNERS ASSOCIATION
PO BOX 312
EMIGRANT, MONTANA 59027

January 28, 2000

To All Glastobury Landowners:

Subject: Transmittal of 2000 Assessment Notice, 1999 Financial Status and Update on the Association

I have attached your 2000 Glastonbury assessment notice, the 1999 year end Financial status and a few notes on the Association.

For those of you who were unable to attend our yearly meeting in November the following are the names of the Associations new officers and their assignments.

Dan Kehoe, Jr., South Glastonbury, President and Community Master Plan Chairman
Eric Newhouse, North Glastonbury, Vice President and Road Committee Chairman
Jim Phipps, North Glastonbury, Treasurer
David Tonkin, South Glastonbury, Secretary and Road Committee Co-Chair
Andrew Field, South Glastonbury, Architectural Committee member
Marie Scoble, North Glastonbury
Philip Hoag, North Glastonbury Architectural Committee member
Christine Johnston, South Glastonbury, Complaint Committee Chairman
Robert Wallace, North Glastonbury, Architectural Committee Co-Chair
Daniel Kehoe, Sr. South Glastonbury, Architectural Committee Co-Chair
Jon Olsen, North Glastonbury, Architectural committee Member
Walter Wunsch, South Glastonbury, Road Committee Member

I am sure many of you are interested in where the monies collected as assessments go. The primary expenses are those associated with the 26 miles of roads within South and North Glastonbury. Winter snow plowing is a major expense and a major resurfacing of roads is planned for this spring. The association has hired Julee Brennan as an Executive Assistant to assist in the preparation of minutes, mailings and associated administrative duties. In order to assist directors of the GLA who also work full time, we are considering a part time position for a Glastonbury Manager.

Should you have any comments or questions regarding the Association please feel free to contact any of the officers at the above address.

Sincerely,

Jim Phipps
Treasurer

2000-03-06_BDGN.pdf

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

March 6, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Daniel Kehoe, Jr., at 7:12 p.m. at Healing Wings, Emigrant, MT. Opening prayer was given by Joan Murphy.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Jon Olsen, Robert Wallace, Walter Wunsch.

PROXY: Maria Scoble to Jim Phipps.

ABSENT: Andrew Field, Christine Johnston, Dan Kehoe, Sr.

ALSO ATTENDING: Julie Brennan, Joan Murphy, Roelof Varkevisser.

2. Reading and Disposition of the Minutes

Daniel recommended that we return to the original format of using first names instead of first and last initials.

MOTION: David made a motion and Eric seconded it that the amended minutes be accepted. The vote carried unanimously.

3. Order of Business

4. Report of Officers and Committees

4.1 Treasurer's Report Jim Phipps (Treasurer)

The financial report was given by Roelof Varkevisser. Eric mentioned that the McCann's purchased land from Eric last February.

4.2 Finance Committee Jim Phipps (Treasurer)

Jim mentioned that snow plowing costs have decreased this year. Also, the lien placed on the Hazen property has been removed to allow it to be subdivided.

JOB DESCRIPTION

MOTION: Walter made a motion and David seconded it that we save the discussion on the Facilitator (formerly "Manager") job description for the next board meeting. David is to send out to the board the latest edition of the job description.

4.3 Architecture Subcommittee Robert Wallace/Daniel Kehoe, Sr. (Co-Chair)

ACTION ITEM: Robert noted that Kathleen Ulrich, Kathie Garcia, Alan Maniaci, David MacDonald and Kenneth McNeally have not submitted all of their project review papers. Julie reported that Alan's application was found. She also reported that Christine had talked to Kathie and Kathie needs another application. Julie will send a letter with the project application to Kathie Garcia. All that is needed from Ken is a final topo map showing locations of house, well, drain field, etc.

Robert recommends writing a strong letter and copy it to John Glover, our attorney.

ACTION ITEM: Robert will develop a form letter to be sent to people who have not sent in project review papers. Dan, Sr., Daniel and Eric will assist Robert with the letter.

4.4 Road Committee Eric Newhouse (Chair)

There was an open floor discussion on what road improvements would be done this year, including completing the improvements that the Church has paid for. Based on recommendations from Archie Mann, Eric suggested that we use new quarry material from Black Diamond at $4.00 per yard. This material is cheaper than the gray material they have and has fines in it. Eric stated that we should add water and magnesium chloride to the material when it is laid down and roll it after it is graded.

Continued the discussion from last month about the road in high South. The area questioned by Mary Ann Watson needs to be improved and graveled to make it safe during the winter months.

Discussed revising the road easement on one of the roads Jim Kelley developed.

David reported Robert Beese is not interested in assisting with roads during the school year, but may consider helping during the summer.

ACTION ITEM: The Road Committee will meet to discuss what road improvements it will recommend to do this year. The meeting will be held at Walter's on 3/11/00 at 9 a.m.

Daniel reported that Marcia McCarry would like the South Glastonbury entrance sign moved so she can sell a tract. Daniel recommended placing it on the other side of Aquila Road next to their place. The item was tabled until others could view the location.

4.5 Complaint Committee Christine Johnston (Chair) No report.

4.6 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)

Eric has placed single wide mobile homes and William Irby would like one as well. There was an open floor discussion on UPC vs. HUD mobile homes.

4.7 Fire Water Reservoir Committee

Roy Johnson submitted a proposal for coating the water tank for high South as follows:

Sand Blast	$ 900
2 coats epoxy	1,450
Welding & adding anodes	400
	$2,750

The outside of the tank would be coated with water proofing tar material.

MOTION: Eric made a motion and Robert seconded it to accept Roy's proposal as above. The vote carried unanimously.

5. Next Meeting and Adjournment

The meeting was adjourned at 8:50 p.m. Our next meeting will be April 5, 2000.

ACTION ITEMS:

1. David to send to board members the revised Facilitator job description.
2. Julie to send new application form to Kathie Garcia.
3. Robert, Dan, Sr., Dan, Jr. and Eric to write a standard Architectural Committee letter to be used for reminding people that have not sent in their building applications that is necessary to do so before they start building.
4. Road Committee to develop a list of road improvements for North and South Glastonbury.
5. Board to review the proposed location for the South Glastonbury entrance sign.

GLA 00889

GLASTONBURY LANDOWNERS ASSOCIATION, INC.
JOB DESCRIPTION
MANAGER

Job Title: Manager
Reports to: President of the Glastonbury Landowners Association Board
Job Status: Part time, Independent contractor
Hours per week: 10 - 20 hrs/wk
Salary Range: $10 - $15 /hr plus expenses

SUMMARY

The Glastonbury Landowners Associations (GLA) Manager position (hereinafter called Manager) is a facilitator to assist the GLA board in fulfilling its duties of road maintenance, noxious weed control, building permits and other items under its charter and to assist the landowners in enjoying the amenities of the community. The position is not meant as an enforcer or police officer. However, at times the Manager may be required to remind residents of the regulations that have been established in the GLA covenants.

The Manager will be reimbursed on an hourly basis plus expenses. The position will require the use of a personal car for which he will be reimbursed for at the IRS dollar per mile rate in effect for that year.

The Manager shall be directly responsible to the GLA Board of Directors and report to them at each of their scheduled Board meetings and at other times as required. The tasks of the Manager will primarily be concerned with, but not limited to, the following tasks as directed by the board:

- **Road maintenance:**
  Take the necessary actions to see that roads are repaired and properly maintained and keep the roads free of snow as directed by the Board.
- **Noxious Weed Control:**
  See that the Glastonbury property controlled by GLA, such as road right of ways, common lands and recreational areas are maintained free of noxious weeds, and that landowners are aware of their obligations to do the same in accordance with GLA covenants.
- **Building Permits Reviews:**
  Make landowners aware of their obligations to submit an application for construction and obtain approval from the GLA Architectural Review Committee prior to starting construction on any projects. The Managers job is to assist the board and property owner in the application process and may entail such items as obtaining completed forms from landowners, check site conditions, reporting to the Review Committee of his/her findings and provide the necessary follow-up

including conducting final inspection and obtain final sign-off of the project.

- **Legal Matters:**
  At times, the GLA Board of Directors will deem it necessary to file legal actions through Park County offices. The Manager will assist the board in accomplishing these tasks as directed.

- **Community Facilities:**
  Should at any time areas be developed that is the Associations responsibility such as parks and/or recreation areas, it will be the Managers job to assist the board in locating businesses and/or individuals and obtain bids on providing the necessary services to maintain and operate these facilities.

The position may entail assisting the Board from time to time in developing subcontracts, writing specifications, obtaining bids from potential contractors, inspecting the work of subcontractors to ensure specifications are being met and be the contact person between the board and subcontractors.

From time to time, the job description of the Manager may change to include maintenance of new areas, development of parks and/or recreational areas. Any major change in the number of hours per week required by the Manager or the scope of work will result in a review of the terms of employment by the GLA board and the Manager.

FINAL

Glastonbury Landowners Association
Board of Directors Meeting Minutes
April 5, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Daniel Kehoe, Jr., at 7:20 p.m. at Healing Wings, Emigrant, MT. Opening prayer was given by David Tonkin.

PRESENT: Daniel Kehoe, Jr. (President),Jim Phipps (Treasurer), David Tonkin (Secretary), Robert Wallace, Daniel Kehoe, Sr., Christine Johnston

PROXY: Maria Scoble to Jim Phipps.

ABSENT: Eric Newhouse (Vice-President),Andrew Field, Philip Hoag, Jon Olsen, Walter Wunsch

ALSO ATTENDING: Julie Brennan

2. Reading and Disposition of the Minutes

MOTION: Dan, Sr. made the motion to accept the minutes as presented. Robert Wallace seconded the motion. The vote carried unanimously.

3. Order of Business

3.1 Project Facilitator Position

The board decided to save this item for the next board meeting.

4. Report of Officers and Committees

4.1 Treasurer's Report Jim Phipps (Treasurer)

Jim distributed the financial report to the GLA Board of Directors.

4.2 Architecture Subcommittee Robert Wallace/Daniel Kehoe, Sr. (Co-Chair)

Robert Wallace gave a report on the cover letter to be sent to all landowners. He will send to other board members for further input.

In the project application process, it was noted that a waiver can be requested for the $250.00 cleaning deposit.

David MacDonald Project: All information is in.

4.4 Road Committee Eric Newhouse (Chair) Absent. No report was presented.

Robert met with Walter Wunsch and agreed the roads need to be rolled and watered.

Robert Beese is receptive to talking about assisting with summer road improvements.

Daniel repeated his request that the Road Committee meet and determine what improvements they recommend for North and South Glastonbury roads this summer.

John Waid proposed moving the South Glastonbury sign from its existing location on Marcia McCarry's property to the southeast corner of the property. The McCarry's agree to pay for and move the sign.
MOTION: A motion was made to accept the above proposal. The board approved it unanimously.

4.5 Complaint Committee Christine Johnston (Chair) No complaints.

4.6 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Discussed the writing and timing of a letter with points to consider and copy of resolution to the Church. Need to schedule a meeting and go over Master Plan with new board members.

4.7 Fire Water Reservoir Committee Walter Wunsch (Chair)
Roy Johnson completed the sand blasting and painting of the fire water reservoir for high South Glastonbury.

MOTION: David moved to accept the additional work and to pay for half of the $450 cost overrun by Roy Johnson. Dan, Sr. seconded the motion. Vote carried unanimously.

Daniel recommended that Andrew and Walter talk about the location for the tank.

5. New Business

a) Patrick Wolberd proposed GLA host a County presentation at Emigrant Hall re: the new jail. The cost is $75 for Emigrant Hall.

MOTION: Jim moved that the GLA rent Emigrant Hall for a meeting on the new jail. Dan, Sr. seconded the motion. The vote carried unanimously.

b) GLA received a request to donate $500 for the new Arrowhead School ball field construction. GLA will be able to put up a sign if they donate $500.

MOTION: David moved to donate $500 for Arrowhead School ball field construction. Jim seconded it. The vote carried unanimously.

c) GLA received a letter from James and Paul Trisdale requesting to withdraw from GLA.
ACTION ITEM: David Tonkin to respond to their letter.

d) Discussed the recent rash of break-ins in Glastonbury.

ACTION ITEM: Christine Johnston will call the sheriff regarding the break-in at Rosie Moonheart's.

ACTION ITEM: Philip Hoag to contact week sprayer

5. Next Meeting and Adjournment

The meeting was adjourned at 8:37 p.m. Our next meeting will be May 8, 2000.

ACTION ITEMS:

1) David to respond to letter from James and Paul Trisdale.

2) Christine Johnston will call the sheriff regarding the break-in at Rosie Moonheart's.

3) Philip Hoag to contact week sprayer.

4) Robert to send landowner cover letter to board members for input.

5) Robert to schedule meeting to go over Master Plan with new Church board members.

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

May 8, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Daniel Kehoe, Jr., at 7:12 p.m. at Healing Wings, Emigrant, MT.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), David Tonkin (Secretary), Robert Wallace, Daniel Kehoe, Sr., Christine Johnston, Andrew Field, Maria Scoble, Philip Hoag, Walter Wunsch

PROXY: Jim Phipps (Treasurer) to David Tonkin

ALSO ATTENDING: Julie Brennan, Rik Pittendorfer, Roelof and Clair Varkevisser

2. Reading and Disposition of the Minutes

MOTION: Andrew moved to accept the amended meeting minutes and Maria seconded it.

ACTION ITEM: Julie to post minutes at South Glastonbury Teaching Center and David to post them at North Glastonbury Teaching Center.

3. Order of Business

3.1 Project Facilitator Position

Discussion of Facilitator position postponed until there is a meeting with all members present.

4. Report of Officers and Committees

4.1 Treasurer's Report Jim Phipps (Treasurer)

Roelof gave the financial report. He discussed the balance sheet. The road work came in under the budget. Accounts Receivable was at $65,000. Liens have been issued.

4.2 Finance Committee No report

Dan, Sr. reported he had discussions with Barbara Hopkins of the Church's legal office.

4.3 Architecture Subcommittee Robert Wallace/Daniel Kehoe, Sr. (Co-Chair)

Robert reported on Parcel 66.

MOTION: Robert made the motion to accept the placement of a 10x40 ft. cargo contained on Parcel 66 and Philip seconded it. The vote carried unanimously.

Paul Rantallo sent in a new application to build a garage at Parcel 30E North. A condition concerning distance to the property line must be met. Robert is to write a letter to Paul to that effect.

MOTION: Motion was made by Robert to accept the Ranttalo application with the conditions that the garage meet Glastonbury setbacks conditions and the disturbed ground be re-seeded. Maria seconded it. The vote carried unanimously.

Robert stated that the David MacDonald project is complete and he has turned in all the necessary paperwork.
MOTION: Motion was made by Robert to accept the MacDonald project on Parcel North and was seconded by Andrew. The vote carried unanimously.

There was an open floor discussion with Rik Pittendorfer about his concerns over plans to develop Parcel 55 North. The discussion was centered on the legality of what was being proposed by William Smith and other parties to build houses surrounding his parcel and to build a road on the easement between Parcel 56 and 55.

Rik was advised that the road could be built, but it had to remain within the easement. The Board also mentioned that if Rik was really concerned about the proposed development, his best avenue to make sure the development follows existing guidelines is to attend the Count Planning meetings.

4.4 Road Committee Eric Newhouse (Chair)
Eric reported that roads need grading due to excessive rain damage.

Eric said magnesium chloride is the best to use. He needs to get a couple of bids and talk to the Church about easements.

The request was approved to place gravel on Mary Watson's property. Archie Mann to extend the culverts on Mary's property.

Bad corner on Taurus Road: Philip mentioned that they plan to use a roller. He will obtain an estimate for moving the road so it crosses the creek further upstream and joins Sirius Drive next to Golden Age Village.

ACTION ITEM: Dan, Jr. suggested that we look for areas to beautify and that we should consider setting up a program to clean up eye-sores and incomplete shelters.

4.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Still working on Master Plan proposal to Church.

4.5 Fire Water Reservoir Committee Walter Wunsch
There was an open floor discussion on the placement of the fire tank. Daniel to fax recommendation to Walter.
MOTION: A motion was made to Philip to fax to Walter the recommendation of placing the water tank in high South and Andrew seconded it. The vote carried unanimously.

5. Next Meeting and Adjournment

The meeting was adjourned at 9:15 p.m. Our next meeting will be June 5, 2000.

ACTION ITEMS:

1) Julie Brennan to post minutes at South Glastonbury Teaching Center and David Tonkin to post them at North Glastonbury Teaching Center.

2) Dan, Jr. suggested that we look for areas to beautify and that we should consider setting up a program to clean up eye-sores and incomplete shelters.

3) Philip to fax to Walter the recommendation of placing the water tank in high South

Glastonbury Landowners Association

Board of Directors Meeting Minutes

June 5, 2000

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Daniel Kehoe, Jr., at 7:15 p.m. at Golden Ratio, Emigrant, MT. Later on the meeting reconvened at High South.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President) present for second part of the meeting; Tonkin (Secretary), Jim Phipps (Treasurer), Robert Wallace- present for first part of meeting; Andrew Field, Philip Hoag, Dan Kehoe, Sr., Maria Scoble – present for first part of meeting; Walter Wunsch.

ABSENT: Christine Johnston

PROXY: Robert gave Dan Kehoe, Sr. his proxy for the High South portion of the meeting. Maria Scoble gave Philip Hoag her proxy for the High South Jim Phipps (Treasurer) to David Tonkin

2. **Reading and Disposition of the Minutes**

David moved to postpone reviewing the May meeting minutes until the next meeting and Walter seconded the motion. The motion was approved.

3. **Order of Business**

3.1 Project Facilitator Position

Discussion of Facilitator position tabled.

4. **Report of Officers and Committees**

4.1 Treasurer's Report: Jim Phipps, Treasurer

Jim reported that we need to upgrade our accounting procedures so that we know who the landowners are and can accurately bill assessments. Jim proposed that we change the manner in which we track landowners—individually and by parcel. He handed out a spread sheet listing each parcel and names of the current landowners and asked the board members to make any corrections that they knew of. The list was developed from information from our accountant, voting records and other sources. Jim indicated that we do not have an accurate accounting of which parcels have been subdivided and which are owned in common.

Jim said it is a problem that GLA isn't always informed when Glastonbury land is sold. We have asked title companies to inform us and they do not do so consistently. The only we can determine this is to review the county records ourselves. It was suggested that we waive three months of assessment fees when new owners report the land sale to us within ten days of the transfer.

Jim noted that we are presently charging a simple 18% interest compounded yearly on all unpaid assessments vs. the specified rate of 1 ½ % compounded monthly. He explained that our accountant is using 18% simple interest because it is easier to calculate the amount owed on late assessments. The amount of interest received is less with 18% simple interest than with the 1 ½ % compounded monthly.

MOTION: Jim Phipps moved that as a practical matter we charge 18% simple interest on past due assessments and reserve the right to return to charging 1 ½ % compounded monthly. Dan, Sr. seconded the motion. Motion passed.

Jim noted that we are charging each tenant in common $120 land assessment and a $120 house assessment for each tenant who has a home on the parcel. Marie noted this was a change made in the by-laws when GLA took over running the Glastonburies.

Jim noted that our previous CPA had failed to file a state tax return last year. Our new CPA has filed for us. In the filing, it was discovered that we had not paid our corporate licensing fee for a number of years. Jim paid the back due corporate fees.

4.2 Finance Committee: Jim Phipps, Chair
Jim presented the monthly finance report.

4.3 Architecture Subcommittee: Robert Wallace/Daniel Kehoe, Sr. (Co-Chair)

Parcel 33 North, Pouwell Gelderloos: This parcel is owned as tenants in common. All of the owners have signed the application.
MOTION: Robert moved that we approved the application for the house (it has been completed and meets our requirements) and return the $250 deposit. Philip seconded it. The motion passed.

Parcel 32 North, Kathie Garcia: Robert noted that the application is on the old building application form which contains the essential information and suggested that we accept it. This parcel is also owned as tenant in common and does not have all of the signatures of the tenants in common. The application is for a small portable home that was built by Golden Ratio. The board sent back the application to get 1) signatures from the other owners, 2) check whether set back requirements are being met, and 3) to get a site drawing.

4.4 Road Committee: Eric Newhouse, Co-Chair
No formal report was given. During the second part of the meeting it was agreed that Scorpio Road should be widened to improve safety and to give better fire fighting access to parcels 100, 101,103 and 105. It was also suggested that we complete the road items that the Church agreed to pay for a South Glastonbury by July.

4.5 Complaint Committee: Christine Johnston, Chair No report given.

4.6 Land Use Master Plan Committee: Dan Kehoe, Jr. (Chair) No report given.

4.7 Fire Water Reservoir Committee: Walter Wunsch

The meeting was reconvened at High South to review the proposed fire tank location. Reviewed five locations for the tank.

a. Location on Parcel 97 near where Golmeyer Creek crosses Hercules Road.
   *Advantages: it is next to stream, easy to refill tank, can develop a turnout for fire trucks.
   *Disadvantages: it is too close to trees, in a valley that is subject to heavy smoke, need easement from owner Parcel 97.
b. Further south on Hercules Road from first location and on opposite side of road next to Parcel 71.
   *Advantages: location is still close to stream
   *Disadvantages: too close to trees, subject to heavy smoke, need a $800 survey to determine the edge of the road easement and if there is enough room for the tank, and lack of a turn around area for the fire trucks.
c. Further south on Hercules Road next to Parcel 71 and next to rock outcrop.
   *Advantages: the site is not next to trees.
   *Disadvantages: there is a large amount of material to move to bury the bank, smoke is probably still a problem and need a $800 survey to locate the edge of the road easement.
d. Original proposed location at intersection of Hercules Road and Polaris Way next to Parcel 71.
   *Advantages: there is enough room for the tank within the road easement, the intersection gives room for fire trucks to turn around.
   *Disadvantages: it is further away from stream
e. On Polaris Way 400 to 500 feet from Hercules Road on Parcel 70.
   *Advantages: the site is open, free of smoke and trees and don't need to build a turn around area for fire trucks.
   *Disadvantages: it is too far from Gomeyer Creek. It is difficult to haul water to it.

MOTION: A motion was made to place the fire water tank approximately 20 feet north of the original location (Location "d") and one foot inside the road easement parallel with the road, buried with 3 feet of cover. The motion passed.

5. Next Meeting and Adjournment

The meeting was adjourned at 9:15 p.m.

2000-06-05_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting
June 5, 2000 Agenda

1. Call to Order, Opening Prayer (waiver of notice if required)

3. Order of Business
   3.1 Project Facilitator
4. Report of Officers and Committees.
   4.1 **Treasurer's Report** - Jim Phipps, Treasurer
   Discussion Item: Waiver of Fee
   Action Item: Letter re: liens and unpaid Fees
   4.2 **Finance Committee** - Jim Phipps, Chair
   4.3 **Architecture Subcommittee** - Robert Wallace/Dan Kehoe, Sr. Co-Chair
   Action Item: Letter to nonfilers (Wallace/Kehoe Sr. w/ Glover)
   4.4 **Road Committee** - Eric Newhouse - Chair
   Action Item: Contact Archie Mann re: completion of Church road job (E. Newhouse)
   Action Item: Purchase & placement of "15 MPH" and "Dangerous Curve" signs
   Action Item: Purchase and placement of reflectors on High South gate (D Tonkin)
   Action Item: Buy and place info sign on High South gate
   Action Item: Gate at Alexanders in North
   Action Item: Jim Kelly easement - check w/ H. Lund (D. Kehoe, Jr)
   Action Item: Contact weed sprayer (D. Kehoe, Jr)
   4.5 **Complaint Committee** - Christine Johnston
   4.6 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair
   Action Item: Overtures/letter to CUT
   Action Item: Letter to the game warden re: hunting access rules in the Covenants
   4.7 **Fire Water Reservoir Committee** - Walter Wunsch, Chair
   Action Item: Tank placement
5. **Ombudsman Report** - Regina Wunsch (SG) and Joan Murphy (NG)
6. **Unfinished Business**
7. **Tabled Business**
   7.1 Parcel Subdivision Road Maintenance (D. Kehoe)
   7.2 Tree removal guideline (P. Hoag)
   7.3 Accounting Procedures (J. Phipps)
   7.4 Knapweed control contract rebate offer letter (P. Hoag)
8. **New Business**
   8.1 Starting a Recreation Committee
   8.2 Quarterly info letter/newsletter to landowners what's been done and what's going to be done
9. **Open Floor Comments**
10. Next Meeting and Adjournment

2000-07 17_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting Minutes

July 17, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by at 7:25 p.m. by Daniel Kehoe, Jr. at Golden Ratio, Emigrant, MT. Opening prayer was given by Walter Wunsch.
PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), Andrew Field, Robert Wallace
ABSENT: Maria Scoble, Jon Olsen
PROXY: Maria Scoble to Jim Phipps, Jon Olsen to Robert Wallace
ALSO ATTENDING: Julie Brennan, Rik Pittendorfer, Kathleen Rakela, Roelof Varkevisser, William Smith.

2. Reading and Disposition of the Minutes

MOTION: Andrew made a motion and Robert seconded it to accept the corrected/amended minutes of May 8 meeting.

3. Order of Business

4. Report of Officers and Committees

4.1 Treasurer's Report: Jim Phipps, Treasurer
Discussed waiver of fee w/Eric. Roelof gave the Treasurer's Report (attached) and the board reviewed it. Jim said the bills have not been sent out for two reasons: 1) he is still tracking down more landowners and 2) waiting for approval of cover letter (attached). The board made minor adjustments to letter and approved sending it. Dan, Jr. said to put a lien on Parcel 47 South for delinquent assessments since it is in danger of a real estate tax sale.

4.2 Architecture Subcommittee: Robert Wallace/Daniel Kehoe, Sr., Co-Chair
Parcel 54 and 55 North: William Smith stated it is a 2 parcel subdivision in preliminary approval stage. The parcels are owned by the Church. William discussed his proposal for the property he hopes to purchase. Each tract will have it's own drain field, but a common well and water system.

Parcel 56 N: Rik Pittendorfer spoke regarding the easements and markers for the driveway for Parcel 56 N and his concerns on subdivisions.

William reported that the tracts will have deed restrictions regarding what can be built and that these restrictions are tighter than those of Glastonbury. He discussed the map of the wells that Rik and Kathleen brought.

54 and 55 North Subdivisions: Kathleen Rakella passed out letter on these subdivisions. (see attached)

MOTION: Robert made the motion and Eric seconded it that Parcel 54N subdivision be given preliminary approval with the Church as owner. The vote carried unanimously.

MOTION: Robert made the motion and Andrew seconded it that the preliminary approval be given to Parcel 55N subdivision with the Church as owner---pending GLA approval of Parcel 55 road placement in the easement. The vote carried unanimously.

MOTION: Robert made the motion and Andrew seconded it that the proposed subdivision of 33 S by Gloria Fournier, Anna Corcino, Simon Hale, Amanda Fonseca and Margaret Alfaro be approved. The vote carried unanimously.

MOTION: Robert moved and Eric seconded it that preliminary approval for a building project on Parcel 66 S for Michael Koltonow. The motion passed.

MOTION: Robert moved and Andrew seconded the motion that the preliminary approval of building a double wide on a permanent foundation on Tract 26 E South by Jerry Young. The motion passed unanimously.

NOXIOUS WEED CONTROL:
MOTION: Jim moved and Robert seconded the motion to notify landowners that the GLA was offering a 25% rebate of the cost of spraying for knapweed, not to exceed $50, on a Glastonbury parcel or tract if the landowner's GLA annual assessment is paid to date and the landowner signs an annual contract with a licensed sprayer dated on or before September 30, 2000. To collect the rebate, landowners must submit a copy of the paid bill and signed contract.

4.3 Road Committee: Eric Newhouse, Co-Chair
Discussion of purchased vs. hire someone to do the work of sanding the roads. Eric recommended speaking with Bruce Ganje.
ACTION ITEM: Dan, Jr. to buy sign for high South gate plus chain to hold shut.
ACTION ITEM: Jim Kelley's easement anticipated to be done before hunting season.
ACTION ITEM: Dan, Jr. to contact week sprayer.

4.4 Complaint Committee: Christine Johnston, Chair No report.

4.5 Land Use Master Plan Committee: Dan Kehoe, Jr., Chair
Waiting for response to letter sent to William Smith. William is now in charge of Royal Teton Ranch's dealing with land issues.

ACTION ITEM: Dan still needs to write letter to the Game Warden regarding hunting in Glastonbury.

4.6 Fire Water Reservoir Committee: Walter Wunsch, Chair
The water tank is in and filled with water. Need to finish landscaping.

The meeting was adjourned at 10:07 p.m. Next meeting will be August 14.

DRAFT

Gastonbury Landowners Association, Inc.
PO Box 312
Emigrant, MT 59027

July 2000

To: Glastonbury Landowners

Attached are Glastonbury assessment statements for the second quarter of this year and a few notes from the GLA Board of Directors.

Delinquent Assessments:
The majority of the Landowners are prompt at paying their yearly assessments however their are a few that are not too prompt and several that ignore the assessment all together. It has been the policy of the Board of Directors to place a lien against the property of anyone in arrears by $1,000.00 or more. This allows the money to be collected if the property changes hands, however they presently have no way of collecting arrears of less than this amount. Although the Board does not like the idea of having to take the legal action of a lien they consider it necessary to protect yours and their interests and that liens should be filed for a lesser amount. Therefore the Board has adopted a resolution to file a lien against any property with a previous years unpaid balance of $120.00 or more by the end of the first quarter of the following year. This will be implemented this year by filing of liens for any amount of $120.00 or more of unpaid 1999 assessments not paid by the end of the third quarter (November) of this year.

Noxious Weed Control
This is the time of year that we see Noxious Weeds appearing around our property. Both the Glastonbury Covenants and Park County regulations state that property owners are responsible for controlling these pesky plants. The Landowners Association takes the responsibility for controlling the growth along the Glastonbury roads. If your property has been subdivided, you filed a plan with the County on how you were going to control these plants on your property. You may want to review your plan. For those of you who need help in the control process there are professionals who will help out. Check the Classified section of your phone book. For those that make a two year contract with any of these professionals the Association will reimburse you for---- percent of the bill. For further information please contact Philip Hoag.

Mark Nardin
222-
Dan Skattum

Fire Protection
Our local firefighters would like to remind you that they can do a much better job of protecting your home if high weeds are trimmed back at least 30 feet, more if possible, from any buildings or propane tanks. Trimming weeds along your driveways and providing a turnaround area for trucks near your house would also be helpful.

Property Ownership

The number of subdivisions being created and the number of properties being sold is making it difficult for the Board to keep up with who owns what. It would be of great assistance if you would notify the Board when you subdivide regarding the new identification of the property and who owns them. Should you sell any property notifying the Board of the sale and the new owner will greatly simplify our tasks.

Sincerely:

Jim Phipps
Treasurer
Glastonbury Landowners Association

DRAFT

July 2000

MEMO

To: GLA
From: Kathleen Rakela
Re: Subdivision of parcels 54 and 55 North Glastonbury

First, I would like to say that I am not against the expansion of Glastonbury. However, I have a great concern that the expansion is done in such a way that it is not detrimental to present or future residents and that it is executed in a manor that will make Glastonbury a more beautiful and inviting place to live rather than continue in its current downward direction of unkempt trailers, abandoned cars and slum like conditions that many residents seem to ignore.

1.) Bozeman planner Andy Epple reflects, "Communities that might not be experiencing a wave of growth see no need to plan until it is too late. It seems like sometimes you almost have to have a horror story or two before you start planning." Dennis Glick, who monitors development issues for the Greater Yellowstone Coalition says " you don't have to grow that much to really muck things up here. Montana is repeating the same mistakes the other 49 states have made when we should be learning from those mistakes and not repeating them in the last best place." (Livingston Enterprise Feb 2, 1999)

Master plans for Glastonbury North and South show residential density schedules based on "topography and location" of parcels. North Glastonbury plans allow 849 subdivided parcels including Golden Age Village Mobile home lots. (~~see~~ Schedule 3.8 and map North Glastonbury) Out of these, large multi family residential condominiums, apartment buildings and duplexes are allowed on 580, which could easily make Glastonbury North a town of 10,000 people inclusive of the developments for the Village Center.

2.) Master Plans have not taken into consideration the need for water in their population density schedule. "The topographical areas and density schedule flow from the topography and location of the individual parcels. A parcel's capacity for development is also determined by access, road snow removal, fire protection, visual impact and surrounding land use." There is no mention of the fact that some of the parcels may be "dry parcels" (section 5.12 c. Restated Declaration of "Covenants) and that the "dry parcel" may "obtain ground water from the most appropriate neighboring parcel." Last summer at least one Glastonbury well that I know of, Duncan Johnson's, went dry; their neighbors, the Roxendal's, a family with seven children, had to share their well and were getting less then one gallon per minute.

Allowing a subdivision without requiring the proper knowledge of whether or not there is enough water to sustain it would be a mistake. Subdividers should prove water availability before approval.

The other consideration is whether or not there is enough water for fire prevention. Table 2 G, 3-5. (Park County Subdivision Regulations) states "a water supply of sufficient volume and water distribution system to fight fires on site shall be provided..Special standards (needed) for subdivisions proposed in areas of high fire hazard. "

These lots can be a high fire hazard in the summer months as grass fires can spread rapidly. As an example: When we were drilling a well last summer, the driller's diesel that pumps bentonite during drilling had a defective spark arrester and sparked a fire that spread twenty feet in all directions in a matter of seconds. We were however, fortunate to have his water supply right there to put it out, but it showed us how fast a fire can spread in this area during the summer months.

3.) We required a drain field of 300 feet for our septic system. Since the lots 54 and 55 are adjacent to us, chances are they would have the same rocky, sandy soil and require a similar drain field. The draft supplement of the Church Universal and Triumphant Environmental Impact Statement, 1992 showed 42 lots in Glastonbury North with Septic violations and 37 violations in Glastonbury South.

4.) The original Information Report on the Community of Glastonbury states "No environmental impact study has been prepared. No determination has been made as to the possible adverse effects the subdivision (the original 20 acres per parcel subdivision) may have upon the environment and surrounding area, if any."

Because the original environmental effects were to be minimal due to the large parcel sizes, an Environmental Impact Statement was never required when the state did it's other assessments of the Church. However, as more parcels are subdivided it may be in the best interest of present and future residents of Glastonbury for the GLA to voluntarily look into an environmental assessment.

5.) The development of Glastonburys North and South should be a major concern for all of its residents. We should seek to minimize any negative impacts. Haste to get something done, resulting in consequential environmental problems that could have been avoided with a more careful approach should be avoided.

I strongly feet that there is an attitude involved with this subdivision of "the end justifies the means." The following are quotes from William Smith and Daniel Kehoe, Sr. (Glastonbury Land Owners Association Board Member and Master Plan Committee member) given June 15 which are erroneous:

a. Smith said the land north of 55 and 56 is "state land and has limited development potential" even though he knew that to not be the case and knew it was privately owned.

b. Daniel Kehoe, SR. stated, "Glastonbury Land Owners Association are very much looking forward to people breaking up their parcels into minor subdivisions and not major subdivision... so the idea of ten or twenty thousand people being in Glastonbury someday is a bit absurd and there is nothing in any existing covenants that allows for that dense use of property."

William Smith corroborated, "The Glastonbury Land Owners Association has worked for sometime on a land use master plan that is in progress. It is not finalized yet but is certainly moving into fruition and it does anticipate the development of parcels into four or five lots so that the average density will be somewhere in the 4 acres per household range and it is not anticipated that it is going to get more dense than that."

1. **The fact is there are covenants that allow the density of population outlined in my June 15 memo to the planning board. The Restated Declaration of Covenants 2.06 states, "the Master Plan shall have the force and effect of the covenants in the regulation of land uses, development and growth in the Community, and shall be enforceable by the Association to the same extent as if set forth fully herein."**

2. **The Master Plan for Glastonbury North Schedule of Residential Topographical Areas and Density 3.8 (please see enclosure) allows for twenty nine parcels to be developed into 1.0 acre per residence subdivisions, including lots 54 and 55 (for a total of five hundred and eighty 1 acre lots), seven parcels to be subdivided into 3.3 acres per residence (a total of forty-nine 3.3 acre lots), nine parcels to be subdivided into four acre lots (a total of forty-five 4 acre lots) and fourteen parcels to be subdivided into 5 acre lots (a total of fifty-six 5.0 acre lots).**

   These figures do not include the 126 mobile home lots in Golden Age Village nor does it include the 200 acres reserved for the development of the Village Center (Glastonbury North Master Plan 2.6) which allows for eight businesses per acre, one Institutional unit per 2 acres, and eight Multiple Family units per acre. Also, this does not include the plans for subdivisions and development in the 2,613 acres of Glastonbury South.

William Smith and Daniel Kehoe, Sr., Board Member of The Glastonbury Landowners Association and Master Plan Committee Member are not unaware of these facts and purposely lied to the planning board in denying them. Smith also gave false testimony regarding fire prevention.

c. Smith admitted that the 5,000 gallon cistern proposed for the subdivision "wouldn't be enough to fight a fire." He hopes to rely on the water in Golden Age Village, however, he gave inaccurate facts regarding its distance. Smith said,"Golden Age Village (where a hydrant is available for trucks to refill) is less than a mile, a mile at most. " **However, Golden Age Village is not less than one mile away. The fact is that Golden Age Village and the hydrant is nearly two miles away. I recently clocked it on my odometer. Lots 54 and 55 are some of the furthest parcels away from the Golden Age Village.**

6. Smith gave only the rosiest picture of well water capacity in Glastonbury North saying "Most water in this area is 250 deep." He then went on to give descriptions of one common water well of 30 gal/min., four wells in the twenty+ gal/min and three in the 12-15 gal/min. range. However he didn't offer any information on the many low yielding wells or the many wells that have been drilled to no avail.

   Bridger Drilling recently drilled a 480' well that yields only 2 gallons on parcel 33. A neighbor, Paul Rantallo's well is 520' and yields only 3 1/2 gal/min. My well goes down 400' for about 5 gal/min. The MDHES SDEIS 3-41 from 1992 also contradicts Smith's rosy picture "The wells within Glastonbury North Subdivision and some adjacent wells that could be affected by development are shown in Figure 3-5. The wells are up to 800 feet deep and often have low yields." (~~See map~~)

   a. The Restated Declaration of Covenants for the Community of Glastonbury declares "Each Landowner that successfully drills a well is required to provide the Association with a report that states the location, depth, flow, quality and cost of the well. A similar report is required for drilling operations that fail to produce a well. This information will be kept in a well log by the Association for inspection by prospective purchasers and other Landowners."

      I petitioned Daniel Kehoe, JR., president of the Glastonbury Landowners Association to view this log and get information about wells that were on parcels next to lots 54 and 55 but was told William Smith had it. Later I was told the GLA does not have the well reports or a well log.

   b. The 1992 DHES SDEIS for CUT 4-34 states:

      Cumulative effects...need to be considered because other development has taken place and will probably take place...the Church mentions plans for eventually adding a community center, a general store, and related facilities. Additional development has the potential to increase soil loss due to road building and house and fallout shelter construction. It could also increase bacterial and nutrient loads to the ground water and, eventually, surface water systems. Further development in this area will result in lower ground water levels and may cause some already marginal wells to go dry. Some gradual increase in sedimentation could be expected as more home-sites are developed in the North Glastonbury Subdivision. The gradual increase of ground water withdrawal in this area will eventually cause some of the wells in the area to experience a reduction in production.

      Ground water development in the area of Glastonbury North by private individuals will have a cumulative effect on ground water availability. Many of the existing bedrock wells produce marginal amounts of water

and continued withdrawal may have observable reductions in production in wells already completed in this aquifer. These effects may also be applicable to other areas where bedrock aquifers are utilized as development progresses.

To summarize, I hope that every effort is made by the GLA to ensure that Glastonbury development will go in a positive direction and that attempts be made to beautify our community in every way possible. I hope ~~that's to~~ also ~~mean~~ that developers supply adequate water for landscaping and personal use.

7-10-00

This is to give my PROXY
FOR ALL MATTERS
to Robert Wallace for the
7-17-00 Meeting of The Glastonbury
Landowners Association.

David J Kehoe, Sr.

2000-08-14_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting Minutes

August 14, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order at 7:15 p.m. at Golden Ratio, Emigrant, MT. Opening prayer was given by Daniel Kehoe, Jr.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Daniel Kehoe, Sr., Christine Johnston, Andrew Field, Robert Wallace, Walter Wunsch.

ABSENT: Maria Scoble, Jon Olsen, Philip Hoag

PROXY: Maria Scoble to Jim Phipps, Jon Olsen to Robert Wallace

ALSO ATTENDING: Julie Brennan

2. Reading and Disposition of the Minutes

MOTION: David made the motion and Christine seconded it to accept the amended minutes. The votes carried unanimously.

3. Order of Business

3.1 Approval of Procedure for Recording Minutes

Reviewed and discussed procedures for writing minutes.

MOTION: Dan, Sr. made the motion and David seconded it to accept the amended procedure. The vote carried unanimously.

3.2 Project Facilitator: Tabled

4. Report of Officers and Committees

4.1 Treasurer's Report: Jim Phipps, Treasurer

Jim sent out all but approximately 16 statements. He discussed the statements and why they were late. Jim will speak to Barbara Hopkins about several matters.

4.2 Architecture Subcommittee: Robert Wallace/Daniel Kehoe, Sr., Co-Chair

1. The Church property where the Comptons lived is being subdivided.
2. The Hazen property has completed subdivision.

4.3 Road Committee: Eric Newhouse, Co-Chair

ACTION ITEM: Eric to contact Archie Mann re: completion of the road items that the Church agreed to pay for.

ACTION ITEM: David to purchase "15 MPH" and "Dangerous Curve" signs and have Archie put them up.

ACTION ITEM: Dan, Jr. to place sign and lock and chain.

ACTION ITEM: Dan, Jr. to contact weed sprayer for spraying the edge of the roads for knapweed in North and South Glastonbury.

The board approved hiring Jim Trisdale. He will mow the easements at $30/hour. Jim Trisdale has a tractor attachment. Due to the extreme fire conditions, the board requires that

Jim has a fire extinguisher with him while he mows. Eric Newhouse presented the attached work order to be used when contracting work out.

MOTION: David moved and Daniel, Sr. seconded that once a board member works in excess of an average of five hours on GLA business that board member can be paid $15 to $20 per hour. The board member must fill out a work order and get an approval from at least three other board members. Payee will be an independent contractor. The motion carried with one abstention.

4.4 Complaint Committee: Christine Johnston, Chair No report.

4.5 Land Use Master Plan Committee: Dan Kehoe, Jr., Chair
William Smith will make a presentation to the Church board.

4.6 Fire Water Reservoir Committee: Walter Wunsch, Chair
Landscaping around stet.
ACTION ITEM: Reflectors need to be place on the guard posts.

4.7 Nominating Committee:
The board formed a nominating committee for the November elections.
Christine Johnston and Philip Hoag will co-chair.

Next Meeting and Adjournment

The meeting was adjourned at 9 p.m. Next meeting will be September 11, 2000 at 7 p.m.

2000-08-14_BDGNAUX.pdf

Glastonbury Landowners Association Board of Directors Meeting
August 14, 2000 Agenda

1. Call to Order, Opening Prayer (waiver of notice if required)
2. Reading and Disposition of the May and June Minutes
3. Order of Business
   3.1 Approval of Procedure for Recording Minutes
   3.2 Project Facilitator
4. Report of Officers and Committees.
   4.1 **Treasurer's Report** - Jim Phipps, Treasurer
   4.2 **Finance Committee** - Jim Phipps, Chair
   4.3 **Architecture Subcommittee** - Robert Wallace/Dan Kehoe, Sr. Co-Chair
   Action Item: Letter to nonfilers (Wallace/Kehoe Sr. w/ Glover)
   4.4 **Road Committee** - Eric Newhouse - Chair
   Action Item: Contact Archie Mann re: completion of Church road job (E. Newhouse)
   Action Item: Purchase & placement of "15 MPH" and "Dangerous Curve" signs
   Action Item: Buy and place info sign on High South gate (D Kehoe, Jr)
   Action Item: Gate at Alexanders in North
   Action Item: Jim Kelly easement - check w/ H. Lund (D. Kehoe, Jr)
   Action Item: Contact weed sprayer (D. Kehoe, Jr)
   4.5 **Complaint Committee** - Christine Johnston
   4.6 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Chair
   Action Item: Letter to the game warden re: hunting access rules in the Covenants
   4.7 **Fire Water Reservoir Committee** - Walter Wunsch, Chair
   Action Item: Landscaping around tank
   4.8 **Nominating Committee** - establish committee for upcoming elections
   4.9 **Ombudsman Report** - Regina Wunsch (SG) and Joan Murphy (NG)
5. **Recreation Committee**
6. **Unfinished Business**
7. **Tabled Business**
   7.1 Parcel Subdivision Road Maintenance (D. Kehoe)
   7.2 Tree removal guideline (P. Hoag)
   7.3 Accounting Procedures (J. Phipps)
8. **New Business**
   8.1 Quarterly info letter/newsletter to landowners what's been done and what's going to be done
9. **Open Floor Comments**
10. Next Meeting and Adjournment

Agenda Item 3.1 Approved 8/14/00

Procedure For Minutes

Per an approved motion of the 11/11/99 meeting of the GLA Board of Directors, "**The Minutes routinely include those matters that are motion items and action follow-up items.**" The Minutes are not a transcript of the Board meetings, but a recording of the decisions and actions of the Board.

1. **Call To Order**. Following the recording of the call to order, list under separate lines and headings: "Present", "Absent", and "Proxy" for the Board members and "Also Attending" for any non-Board members in attendance.

2. Motions. On their own lines, record On recording motions, for the ease of reading, a consistency in recording the motion is appreciated. A concise way to begin the motions is "_(Name)__ moved and __(Name) seconded the motion ..." This allows everyone to quickly read who moved and seconded and then read the motion and the vote.

On motions from the Architectural Subcommittee/Project Review Committee, the format follows the above with the motion containing all the following pertinent information, preferably in this order: "...motion to approve the (building, preliminary or final subdivision) project application for a (house, shed, subdivision, etc.) on Parcel (or Tract) number North (or South) by (landowner's name).

All motions must have a vote reported.

The chairman of the meeting (usually the president) cannot move or second a motion and only votes in case of a tie vote. The chairman can informally get a consensus on minor issues to determine a course of action without a motion being made.

3. **Attachments to Minutes**. Where written letters, proposals or reports are presented for discussion or report, these documents (or copies) are attached to the Minutes and reported as attached in the Minutes. Whenever the Treasurer submits the Profit and Loss Report and the Balance Sheet it is attached.

4. **Action and follow-up Items**. For committees that have Action Items and Follow-up Items on the agenda, such as the Road Committee, they are reported in the Minutes on their own line with a "Follow-up" intro. This makes it easier in reviewing Minutes to checklist various items.

4. Generally using New Times Roman or a serif ("little feet") font for the Minutes makes them easier to read as each letter leads the eye to the next letter. Ariel or sans serif fonts can be used in headlines because they arrest the eyes attention and do not flow.

Sample Minutes with notes with general guidelines:

Glastonbury Landowners Association - 14 point
Board of Directors Meeting Minutes - 11 point
June 21, 1999

Body - 12 point
Margins - 1 inch
Space between sections - 4 point

1. Call to Order, Prayer: The meeting was called to order by _____. at _____ PM at _____, Emigrant, MT. Opening prayer was offered by _____.

Note: If a Board member is an officer list their title in parenthesis after their name.
PRESENT: Daniel Kehoe, Jr. (president), Andrew Field (vice-president), Maria Scoble (treasurer), Jim Phipps (secretary), David Newhouse, Walter Wunsch, Philip Hoag, and Patrick Wolberd.
ABSENT: Horus Brailsford, Linda Kremer, Eric Newhouse, and Dan Kehoe, Sr.
PROXY REC'D: Linda Kremer to Maria Scoble.
ALSO ATTENDING: Roeloff Varkivisser, Joan Murphy

2. Reading and Disposition of the Minutes: The Minutes of the _____ meeting were unanimously approved (or "approved as corrected" or "as amended" as the case may be).

3. Order of Business:

3.1 Executive Assistant applications: Jim Phipps and Patrick Wolberd replaced Daniel on the executive assistant interviewing team.
AC. Action item: The time for the interviewing was set for the following Monday evening.

4.1 Treasurer Report: Roeloff Varkivisser presented the attached Balance Sheet and the Income and Expenditure Report.

4.2 Finance Committee: No report.

4.3 Architecture Subcommittee: Andrew Field, chair. Andrew reported on the application for preliminary approval for the construction of a log home/dance studio on Parcel 56 North (Pittendorfer/Rakela parcel owner).
MOTION: Andrew moved and Philip seconded the motion that a preliminary approval for a building project application on Parcel 56 North be given to Rik Pittendorfer and Kathleen Rakela.

4.4 Road Committee: David Newhouse, chair.
FOLLOW-UP: STOP signs by GAV: David Newhouse reported that the STOP signs are in place on Sirius by Helios.
FOLLOW-UP: Gate by Pitt property: David placed the GLA gate from Parcel 56 S by the posts in high South, but has to get the hardware to attach it to the post..
MOTION: _____ made the motion, seconded by _____, to ... .The motion passed _____ (unanimously, 4 to 1, 1 abstaining).

4.5 Noxious Weed Committee: No report.

4.6 Complaint Committee: No report.

4.7 Master Plan Committee: Daniel Kehoe, Jr. chair. No report.

The meeting ended at _____ PM with no further business.

The next meeting will be _____ at __ PM.

2000-09-11_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting Minutes

September 11, 2000

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order at 7:20 p.m. at Golden Ratio, Emigrant, MT.
PRESENT: Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Daniel Kehoe, Sr., Christine Johnston, Robert Wallace, Walter Wunsch.
ABSENT: Daniel Kehoe, Jr. (President), Philip Hoag, Andrew Field, Maria Scoble, Jon Olsen
PROXY: Daniel Kehoe, Jr. to Daniel Kehoe, Sr.
ALSO ATTENDING: Julie Brennan

2. **Reading and Disposition of the Minutes**

MOTION: Dan, Sr. motioned and David seconded that we accept the amended minutes. The vote carried unanimously.

3. **Order of Business**

Discussion about how to store the minutes.
MOTION: Eric made the motion and Dan, Sr. seconded it that we compile the minutes, put them on a floppy disk and store disk in a bank in a safety deposit box. The vote carried unanimously.

4. **Report of Officers and Committees**

4.1 Treasurer's Report: Jim Phipps, Treasurer
Jim reported that Barbara Hopkins agreed to pay GLA the remaining portion of the back dues collected on the Patwell property (Parcel 25 South) that was sold and converted to fee simple. Barbara also reported that Parcel 94 South was in the process of being sold and converted to fee simple. Jim noted that the Hazen property subdivision has not been reviewed by GLA.

4.2 Architecture Subcommittee: Robert Wallace/Daniel Kehoe, Sr., Co-Chair
Parcel 71 South/Walter Wunsch: Robert reported on the application for preliminary approval of the construction of a cottage industry building.
MOTION: Robert made the motion and Dan, Sr. seconded that preliminary approval be given to Walter Wunsch's project with the following provisions:

1. The building will have a residential look.
2. The road easement along Hercules Road and Polaris Way cannot be used for parking for employees.
3. The drain field must be set back from the property lien and road easement in accordance with Glastonbury standards, etc.
4. Any changes to the plans must be in accordance with the Glastonbury standards.

The motion passed.

Parcel 30-D N: Robert presented the application to construct a green house on his parcel.
MOTION: Dan, Sr. made the motion and Christine seconded it that we approve the application for the green house.

Parcel 95 South: Eric presented xx's application for installing a doublewide mobile home. The Architecture Committee noted that the drain field and well locations need to be located in accordance with Glastonbury standards and that the grade of the road to the building location appeared to be too steep.
MOTION: Dan, Sr. made the motion and David seconded it that a phone call approval be given after receiving written material that the slope and alignment of the road meets Glastonbury standards. The vote carried unanimously.

4.3 Road Committee: Eric Newhouse, Co-Chair
Report on Action Items:

1. Eric will meet with William Smith to get him to sign off on the completion of the road work the Church agreed to pay for and release the funds held by the Church.
2. David will purchase "15 MPH" and "Dangerous Curve" signs.
3. Dan, Jr. has ordered the information sign to be placed on the high South gate.
4. The board discussed the placement of a gate on Gemini Road at the start of Alexander's property (Parcel 65) and installing a "No Hunting" sign. The board agreed to not allow the installation of a gate, but agreed to the placing of a "No Hunting' sign.

MOTION: David made the motion and Dan, Sr. seconded it to keep all Glastonbury roads open for emergency vehicles and Glastonbury residents. The motion passed unanimously.

5. Jim Kelley easement was tabled.

4.4 Complaint Committee: Christine Johnston, Chair No report.

4.5 Land Use Master Plan Committee: Dan Kehoe, Jr., Chair No report.

4.6 Fire Water Reservoir Committee: Walter Wunsch, Chair No report.

4.7 Recreation Committee No report.

Next Meeting and Adjournment
The meeting was adjourned at 9:40 p.m. Next meeting will be October 9, 2000 at 7 p.m.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

October 9, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer: The meeting was called to order by Daniel Kehoe, Jr. at 7:20 p.m. at Golden Ratio Woodworks, Emigrant, MT. Opening prayer was offered by Christine Johnston.
PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse, (Vice President), Jim Phipps (Treasurer), Philip Hoag, Christine Johnston, Andrew Field, Dan Kehoe, Sr. and Walter Wunsch
ABSENT: Maria Scoble, Jon Olsen, Robert Wallace, and David Tonkin (Secretary).
PROXY REC'D: Maria Scoble to Jim Phipps.
ALSO ATTENDING: Rudy Parker

2. Reading and Disposition of the Minutes: Upon motion by Dan and seconded by Eric, the Minutes of the September 11th meeting were unanimously approved as corrected.

3. Order of Business:

3.1 Executive Assistant applications: Julie Brennan resigned as executive assistant. The matter of hiring an assistant was tabled until the next meeting when David Tonkin could attend.

4.0 Reports of Officers and Committees

4.7 Nominating Committee: Christine Johnston & Philip Hoag, Co-Chair. Christine reported that there were only two people running for the Board in South Glastonbury and three running for the Board in North. A Board member made some phone calls to people who ran in last years election to get more candidates to run.

4.1 Treasurer Report: Jim reported on the members taking advantage of the Boards offer to help with the weed spraying. He also reported on the new system he had set up to track petty cash. Attached to these Minutes is the list Jim compiled of recent payments and deposits. He will make this list a part of the regular Treasurer's Report. Jim also requested any Board members knowing of land sales to notify him. The Board discussed ways to keep abreast of land sales.

The Board then discussed the wording of the Covenants in regard to the timing of issuance of assessments. Due to the wording the consensus of the Board is that subdivisions will be invoiced as such on the following January. this both encourages subdivisions and allows the Secretary and Treasurer more time to keep the membership rolls up to date without stalling issuance of follow-up statements during the year. The membership rolls need to be up to date by the November GLA Board elections. The Board agreed by consensus to keep all the records in Microsoft Word format, backed up onto 3.5" floppies or CD ROM if possible..

ACTION ITEM: Eric will talk to the title companies in Livingston re: Covenants and notification of land transactions.

MOTION: Phillip moved and Dan seconded the motion to appoint Andrew chair of the committee to price out and build a Glastonbury website. The website will be used to advertise Glastonbury and to post the Minutes of the meetings. The motion passed unanimously. Rudy Parker was added to the committee.

Rudy Parker gave the attached financial report.

File: MtgMins 10 09 00.doc
Approved: 11 06 00-FINAL

4.2 Finance Committee: No report.

4.3 Architecture Subcommittee: Robert Wallace and Dan Kehoe, Sr., Chair. Dan reported on the application for preliminary approval for the construction of a manufactured home on Tract 18B by Neil and Linda Kremer.
MOTION: Dan moved and Walter seconded the motion to approve the project subject to the further approval of the concrete foundation. The motion passed unanimously.

4.5 Complaint Committee: Christine Johnston, Chair.
Eric reported on the expected complaint from Kathie Garcia and Edward Anderson regarding eyesores and nuisances on their parcel due to actions of Kathleen Ullrich.

MOTION: Andrew moved and Dan seconded the motion that Daniel begin the Complaint Procedure of phone calling and writing the notification letter upon receipt of the complaint. The motion passed unanimously.

The Board then discussed the issue of unreclaimed shelter exteriors. Phillip suggested that a survey be made to list the shelters and their needs. The Board agreed.

ACTION ITEM: Survey shelters and list specific needs. (Philip Hoag?)

4.4 Road Committee: Eric Newhouse, Chair.
FOLLOW-UP ITEM: Eric went over the Church road job with William Smith and sent a letter requesting final payment to the Church.
FOLLOW-UP ITEM: Daniel reported that he put up the signs on the gate at High South and fixed the chain so that the gate could be shut, but not locked.
ACTION ITEM: Eric will contact Richard Johnson to put up the snow fences and a lockable chain or cable gate on the Dowbek property road that leads to the Story property.
ACTION ITEM: Eric will follow up with Archie Mann regarding cleaning up the gravel/weed piles along Hercules Drive in High South.

4.6 Master Plan Committee: Daniel Kehoe, Jr., Chair. Daniel reported that he gave an overview of the Master Plan with Charlotte Mizzi, the new head of Community Services at the Church.

4.8 Recreation Committee: Robert Wallace & Eric Newhouse, C-Chair. No report.

4.9 Ombudsmen Report. No reports.

5.0 Unfinished Business.

6.0 New Business.

The meeting ended with no further business. The next meeting was set for November 6, 2000.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

November 6, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Eric, 7:10 p.m., at Golden Ratio Woodworks.
PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Andrew Field, Philip Hoag, Dan Kehoe, Sr., Christine Johnston, Jon Olsen, Robert Wallace.
ABSENT: Maria Scoble
PROXIES: None
ALSO ATTENDING: William Brennan

2. Reading and Disposition of the Minutes

The September Meeting Minutes were read. Eric Newhouse moved and Robert Wallace seconded that the minutes be approved. The motion passed unanimously.

3. Order of Business

3.1 New Administrative Assistant Hiring Process: Tabled

4. Report of Officers and Committees

4.1 Treasurer's Report Jim Phipps, Treasurer
Jim handed out a list of transactions for the previous month. (see attached)

Jim reported there were some confusion regarding the assessment for Parcel 43-N owned by Sylvian and Emily Ray and William Davis. When the Church turned over its records to GLA, they indicated that William Davis owned 10% and the Rays owned 90% of the parcel and that it was held as tenancy-in-common. Our records showed that the Rays owed $2,754.26 in assessments and William Davis owed $852.79. When Eric Newhouse purchased the property this year, the title was changed to fee simple and the Ray's $2,754.26 of past due assessments (including $120 land assessments for year 2000) were paid to GLA. Upon further investigation, the title company could find no record of deeded ownership of William Davis.
MOTION: Jim Phipps moved and Dan, Sr. seconded to forgive the $852.79 past due assessments for William Davis and that he be billed for the now subdivided land held in fee simple, $120 for the land and $120 for his home on it. The motion carried unanimously.

Jim reported that North Glastonbury parcels 53, 60 and 63 are the only lots owned by the Church. Parcel 53 NG is being held in reserve and is not for sale.

Park County has sent GLA tax assessments for three parcels, one in North Glastonbury, which is for the main entry road, and parcels 96-SG and 102-SG, which are common land parcels. The total tax bill for the year is $94.

Jim reported that we sent out an assessment for parcel 64-NG, which does not have any access from Glastonbury roads. Previously the board had voted to not assess this parcel until there was access. Jim will rescind the assessment.

Jim outlined a petty cash procedure that he would like GLA to implement. (see attached) In general, it involves keeping track of the monies spent in a log similar to a check book register and must be turned in at the completion of the project.

MOTION: Jim moved and Dan, Sr. seconded to adopt the petty cash procedure. The motion passed.

Eric reported that he and Dean Holm at Guardian Title discussed ways to have our treasurer be contacted whenever there is a sale of land in Glastonbury.

4.2 Architecture Subcommittee Robert Wallace/Dan Kehoe, Sr., Co-Chair
Robert reported on the application of Bruce Ganje for Parcel 26D-SG. The application was just received and is incomplete. Robert will get the missing information before bringing it to the board.

Discussed the status of Robert Riddle's application, the revised driveway to his building site and the change from installing a mobile home to constructing a home on Parcel 95-SG. He is continuing to proceed construction without formal approval of his application. The existing application is for mobile home and a built house. The driveway appears too steep.
MOTION: Andrew moved and Walter seconded to have Philip meet with Robert Riddle to review his application and driveway and discuss ways to modify it to meet Glastonbury road standards. The motion allowed for the spending of up to $200 to hire William Smith or another engineer to assist in reviewing the driveway. The motion passed with one abstention.

ACTION ITEM: David to write a letter addressing the Board's concern and Philip will deliver it to Robert Riddle.

The Board discussed the subdivision of parcels 53-SG and 25-SG being done by the Church. They should be submitting applications for these two subdivisions.
ACTION ITEM: Robert is to write a non-conformance letter to the Church with carbon copy to William Smith regarding Parcels 53-SG and 25-SG.

4.3 Road Committee Eric Newhouse, Co-Chair
MOTION: Philip moved and Eric seconded to authorize parking in the road easement at the end of Sagittarius Skyway next to Parcel 92-SG for visitors of the common use land. The motion included placing a sign indicating the limit of parking and the direction to the common land. The motion passed.

Dan, Jr. reported that the action item to confirm the change in the road easement for Parcel 92-SG/Jim Kelly was completed.

ACTION ITEMS: The two remaining action items from the October meeting were not completed.

4.4 Complaint Committee Christine Johnston, Chair
ACTION ITEMS: E. Anderson complaint and the Shelter Reclamation Survey from the October meeting. No reports given..

4.5 Land Use Master Plan Committee Dan Kehoe, Jr., Chair
Dan presented William Smith, Operations Manager for the Church, who gave the GLA board a report on the Church's view of the 3/15/99 draft Master Plan. William reviewed the Master Plan with Edward Francis, Murry Steinman, Hertha Lund, Marion Watson, Donald Knittle and Jon Springer and these individuals looked favorably on the Master Plan, but had some concerns. William went over some of the concerns with the board. In general the Church felt comfortable with the residential portion of the Master Plans, North and South, but had some concerns with some of the wording. The Church thought the village area for North Glastonbury was close to agreement, but that the wording was too complex and rigid. The Church did not accept what was laid out for the village area in South Glastonbury.

The board and William Smith discussed various ways to proceed. They agreed that the best route to take to resolve these issues was to request a meeting in writing with the Church board and present the history of the transfer of Glastonbury to the GLA and to get feed back that the Church board has about the Master Plans.

ACTION ITEM: Dan, Jr. reported that he followed up on his action item of sending a letter to the game warden regarding hunting access rules in the Glastonbury Covenants. (see attached).

4.6 Recreation Committee Robert Wallace/Eric Newhouse, Co-Chair
Eric reported that the Church is planning to give 30 acres to North Glastonbury Teaching Center, which includes the old gravel pit provided the gravel pit is regraded and seeded. The TC is willing to give GLA the gravel pit for recreation fields if they regrade and seed it.

4.7 Nominating Committee Christine Johnston & Philip Hoag, Co-Chair
Christine reported that they have found one candidate for each vacancy in North and South Glastonbury. She reviewed the proposed agenda for the annual meeting scheduled for November 11, 2000. Jim said he would determine the number of landowners needed to be presented to have a quorum at the annual meeting.

4.8 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report.

The meeting adjourned with no further business.
The next meeting will be the GLA Annual Meeting with the landowners. It will be held in Emigrant Hall on Saturday, Nov. 11 at 10 a.m.

Mr. Jim Phipps
Treasurer
Glastonbury Landowners Association
Post Office Box 312
Emigrant, MT 59027

RE: Your October 20, 2000 Statement Concerning Parcel 43, Glastonbury North, Enclosed

Dear Jim,

The statement is in error in that it does not reflect the payment in full of all community assessments which were due and outstanding as of March 30, 2000, the date of sale of the property. Please note that the payment of all outstanding community assessments was a condition for the sale of the property by the Church.

According to the HUD-1 Statement issued by Guardian Title, Inc., 504 East Callendar Street, Livingston , Montana and a confirming telephone conversation I had today with Dean Homes, Vice President of Guardian Title who examined the records at my request, The Glastonbury Landowners Association was paid $2,634.26 on March 31, 2000 for community assessments due as of the sale date, plus $120.00 for the balance of the year 2000 for a total of $2754.26.

The $2,634.26 due the Glastonbury Landowners Association was submitted in the escrow instructions to Guardian Title by Church Universal And Triumphant President, Kathleen Gordon.

I will be happy to render payment, on receipt of an accurate statement, for assessments that will accrue to parcel 43-3 after the sale of the property and its subdivision of September 21, 2000.

Sincerely,

William N. Davis

RE: Parcel No. 43, Glastonbury North

Dear Jim:

I'm enclosing a copy of the GLA Community Assessment Statement addressed to Sylvian Ray that was provided to us for use in collection during the fee simple upgrade of Parcel No. 43, North. It does not include any assessments owed by William Davis.

Our legal advice on this matter was for the upgrade transaction to occur only between the Church and Sylvian and Emily Ray, as they were the deeded owners of record. A title search showed a Notice of Purchaser's Interest by William Davis but not as holding a deeded interest. Therefore, we did not collect an upgrade fee nor delinquent community assessments from William Davis.

I hope this explanation is adequate for your purposes. Please let me know if we can assist further.

Very truly yours,

CHURCH UNIVERSAL AND TRIUMPHANT, INC.

November 8, 2000

Mr. William Davis
P.O. Box 186
Emigrant, MT 59027

Subject: Review of your October 2000 statement.

Dear William,

The Board has reviewed the actions taken during the escrow procedures for your property completed in March of this year and come up with two significant items.

1- The $2,754.26 received by the Landowners Association was the exact amount due on the Rays assessment statement as of March 23, 2000 and had to be applied to their bill.

2- Although the Church informed the Association that you owned 10% and the Rays owned 90% of the parcel as a tenancy-in common there is no record of you having a documented legal interest in the property. Consequently the assessment for your home should have been billed to the Rays. Since they were also the only documented landowner the land assessment billed to you should never have occurred. Therefore the $852.79 presently billed to you is being canceled.

You will be billed at the rate of $240.00 per year, $120.00 for land and $120.00 for a home starting in January 2001.

Jim Phipps

Treasurer
Glastonbury Landowners Association

PETTY CASH PROCEDURE

Petty cash advances may be made to any Board member for completion of their tasks. Advances may also be made to a Program Manager or Administrative Assistant if such personnel are employed. Upon issuance of a petty cash check by the treasurer a Petty Cash Log will be provided to keep track of expenditures. Upon completion of the task the Log will be returned to the treasurer with the unspent money. Should additional money be required the original log shall be returned to the treasurer and a new log with any past balance shown on it plus the amount of additional money advanced. An attempt will be made to limit advances to no more than $100.00 however if there will be an immediate need for more than this sum the required amount will be issued.

Board of Directors Meeting Minutes

November 11, 2000

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

Following the Annual Meeting, this meeting was called to order by Dan Kehoe, Jr. in Emigrant Hall.

PRESENT: Daniel Kehoe, Jr. (President), Eric Newhouse (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Bruce Ganje, Philip Hoag, Christine Johnston, George Makris, Jon Olsen, Robert Wallace and Walter Wunsch.

ABSENT: None

ALSO ATTENDING: None

The purpose of the meeting was to elect new officers for the board: President, Vice-President, Treasurer, and Secretary.

2. Order of Business

2.1 Election of New Officers

There was a discussion regarding nomination of the officer positions.

MOTION: Robert Wallace moved and Philip Hoag seconded the motion to elect Eric Newhouse as president, George Makris as vice-president, Jim Phipps as treasurer, and David Tonkin as secretary. The motion passed unanimously.

2.2 Election of Committee Chairs

There was a discussion concerning who would replace Eric as the committee chair for the road committee.

MOTION: Dan, Jr. moved and Jon Olson seconded to have Bruce Ganje be the road committee chair with Eric providing assistance for the first several months. The motion passed.

2.3 Unfinished Business

The board discussed Robert Riddler's construction and driveway on Parcel 95-S. Philip reported on his inspection of the driveway. He stated that he did not see an effective way to improve the driveway. Portions of it may be too steep and it enters Hercules Road at a very shallow angle.

MOTION: Philip moved and Dan, Jr. seconded to have David Tonkin and William Smith inspect the road and determine its grade and possible options; then for David to contact GLA's attorney to determine if the GLA has any exposure to its steepness and its angle of entrance to Hercules Road. The motion passed.

The meeting was adjourned with no further business.

The next meeting will be Monday, December 4, 2000 at Golden Ratio Woodworks, 7 p.m.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

December 4, 2000

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer:** The meeting was called to order by Eric, 7:05 p.m., at Golden Ratio Woodworks.
   PRESENT: Eric Newhouse (President), George Makris (Vice President), Jim Phipps (Treasurer), David Tonkin (Secretary), Bruce Ganje, Philip Hoag, Dan Kehoe Jr., Christine Johnson, Jon Olson, Ian Scott
   ABSENT: Robert Wallace
   PROXIES: None
   ALSO ATTENDING: Rudy Parker, Accountant

2. **Reading and Disposition of the Minutes:**

MOTION: Dan, Jr. moved and George seconded to table the approval of the November meeting minutes until the January meeting. The motion passed unanimously.

3. **Order of Business:**

3.1 **New Administrative Assistant Hiring Process**
MOTION: Dan, Jr. moved and Jon seconded to form a search committee consisting of Jim, David and George to find an administrative assistant to replace Julie Brennan.

3.2 **Election of Committee Chairs** The board agreed to keep the previous chairs for the committees with the addition of Ian Scott being on the Recreation Committee. The committee chairs are then:

- Architectural Sub-Committee - Robert Wallace, Chair and Bruce Ganje, Co-Chair
- Road Committee – Bruce Ganje, Chair and Eric Newhouse, Co-Chair
- Compliant Committee – Christine Johnston, Chair
- Land Use Master Plan Committee – Dan Kehoe, Jr., Chair
- Recreational Committee – Eric Newhouse, Chair; Robert Wallace and Ian Scott, Co-Chair

3.3 **Phone List** The phone list was updated.

4. **Report of Officers and Committees**

4.1 **Treasurer's Report** Jim Phipps – Treasurer:
Jim handed out a list of transactions for the previous month, see attached

Rudy handed out an updated version of the financial report, see attached, and discussed it with the board. The discussion centered on outstanding assessments that have not been paid that total $24,000 with more than $16,000 past due for over 630 days. Discussed ways to collect the past due assessments. Jim noted that it is difficult in placing liens on some of the subdivided properties because we do not have revised legal descriptions that

are needed before we can place a lien on the property. Discussed calling individuals with assessments past due.
ACTION ITEM: Jim is to bring a list of individuals with past due assessments owed and the amount past due.

4.2 Architecture Subcommittee Robert Wallace/Dan Kehoe, Sr. Co-Chair
MOTION: Dan, Jr. moved and Ian seconded a motion to give preliminary approval upon Robert's and Bruce's review and approval of James Kozlik's application to construct a home on Parcel 43-5 N. Motion passed unanimously.

David reported on his and William Smith's review of Robert Riddle's driveway on Parcel 95 S. Using a hand level they found that the driveway had the following grades:

- 10 to 12 percent the first ~100-feet
- 8 to 9 percent the next ~50-feet
- 15 percent the next ~150-feet
- 17 percent the next ~150-feet
- 8 to 9 percent the next ~50-feet, and
- then the driveway grade was 8 to 12 percent the rest of the way to the building site.

The maximum grade in the Glastonbury standards is believed to be 10 percent. The road was well constructed, wide and in most locations had a drainage ditch on the inside edge. There was no obvious alternate route to lessen the grade. The road entered the main road at 20 to 30 decrees as opposed to the preferred 80 to 90 decrees. William suggested that Robert be required to (1) cut in a ditch along the road where it is missing the first 150-feet of the road, and (2) remove trees in the same stretch to improve the visibility of traffic on the main road. The board also discussed requiring Robert to install some guardrails or barriers at hairpin turns in the driveway to prevent cars from accidentally running off the road.

The board discussed actions to take regarding the situation.
ACTION ITEM: David to write a letter to GLA's attorney giving him the facts and asking him what the board's liability would be if the GLA board did not have Robert to rebuild the road.

Dan, Jr. presented two Letters of Nonconformance, one for subdivisions and the second for building construction. Dan, Jr. recommended that the board send a letter to the Church regarding their subdivision of two parcels in South Glastonbury.
ACTION ITEM: Dan, Jr. to amend the Nonconformance letter and have Robert send it to the Church.

4.3 Road Committee Bruce Ganje – Chair, Eric Newhouse – Co-Chair

Eric reported the complaints he is receiving from John Alexander about GLA not plowing the snow off the road up to his property. Eric produced a letter addressed to John discussing the snow plowing guidelines. The board agreed to send the letter.

The board discussed the blockage of Gemini Road at parcel 66 N by cars and fence. ACTION ITEM: Dan, Jr. will draft a letter addressing the situation and requesting the removal of the vehicles and fencing.

4.4 Compliant Committee Christine Johnston – Chair
Dan, Jr. presented a compliant letter from Ed Anderson and Kathie Garcia regarding unsightliness of Kathleen Ullrich property and the addition to her house.
MOTION: David moved and Philip seconded for Dan, Jr. to amend and send a letter to Kathleen Ullrich stating that she has 15 days to respond to the compliant. The motion passed unanimously.

4.5 Land Use Master Plan Committee Dan Kehoe Jr. Chair
Dan, Jr. discussed the need to review the master plan comments from the Church. The board agreed to have the past members of the Master Plan committee (Linda Kramer, Regina Wunsch, and William Davies) meet and review possible changes. The board scheduled a meeting on January 22, 2001 to review suggestions by the committee.

4.6 Recreation Committee Robert Wallace/Eric Newhouse – Co-Chair
Eric reported that North Glastonbury TC wants to work with us on the recreational center at the gravel pit.

4.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

5. New Business
Discussed the need to clean up some of the shelter sites in Glastonbury.
ACTION ITEM: Philip is to head up making a list of shelters in Glastonbury that need cleaning up.

The meeting was adjourned with no further business

The next meeting will be January 8, 2001 held at Golden Ratio Woodworks, 7 pm.

Glastonbury Landowners Association, Inc.
P. O. BOX 312
EMIGRANT, MT 59027

Letter of Nonconformance

Landowner
P. O. Box
Emigrant, MT 59027

December 4, 2000

Dear Landowner,

The GLA has received a formal complaint from your fellow parcel owners regarding Covenant violations on your property, Parcel __ Glastonbury _____, of a subdivision process not receiving the GLA's approval.

Section 9 of the REstated Covenants directs that all subdivision plans are to be submitted to the GLA for preliminary approval. No subdivision or certificate of survey or plat is of any force or effect without the GLA's approval

These Covenants, while holding a standard for you to follow, also protect you from your neighbors misusing their property. In a more positve light, by following the Covenants and getting GLA approval for your project you have at your disposal the aggregate building and development knowledge of the members of the Board. Some of the problems that have resulted from landowners not applying to the GLA before beginning their projects have resulted in incorrect distances of building from property lines or road easements, roads or driveways crossing onto neighbor's land, or health hazards of wells and septic fields too close together. As you can imagine, these problems were more costly to correct than they would have been if addressed correctly in the beginning of the project. The GLA Board likes to see every application treated in a win-win manner so that Landowners may trust that their applications are quickly addressed and treated in a positive manner.

Per Section 10.02 Enforcement of the Covenants, the Glastonbury Landowners' Association is formally directing you to file an application for subdivision and bring your subdivision into compliance with the Covenants. The Covenants allow a grace period of fifteen (15) days to bring your property into compliance. After that time, the GLA may seek injunctive relief through the Park County District Court. Court actions are expensive and the GLA is empowered to recover the legal costs of prosecuting the violations in the injunctive relief action. The GLA would rather not have to use the courts, but would rather see this matter dealt with in a more neighborly attitude.

Please address this matter immediately and provide the GLA with a subdivision application. If you need help filling out the application please feel free to contact me or any member of the Board. Our next GLA Board meeting is _____ , so please send it in time for us to review it and work out any problems prior to the meeting so that we can get approval at the meeting.

Sincerely,

Robert Wallace
Chairman, Architectural Subcommittee

Letter of Nonconformance

Landowner
P. O. Box
Emigrant, MT 59027

December 4, 2000

Dear Landowner,

The GLA has received a formal complaint from your fellow parcel owners regarding Covenant violations on your property, Parcel __ Glastonbury _____, of a building or a property improvement not receiving the GLA's approval.

Section 6.01 directs that all building plans are to be submitted to the GLA for approval before beginning construction of any structure.

These Covenants also protect you from your neighbors misusing their property. In a more positve light, by following the Covenants and getting GLA approval for your project you have at your disposal the aggregate building and development knowledge of the members of the Board. Some of the problems that have resulted from landowners not applying to the GLA before beginning their projects have resulted in incorrect distances of building from property lines or road easements, roads or driveways crossing onto neighbor's land, or health hazards of wells and septic fields too close together. As you can imagine, these problems were more costly to correct than they would have bee if addressed correctly in the beginning of the project.

As a result of people following the Covenants, the Board has helped landowners build safer buildings and save money building safer or better driveways or roadways. The GLA Board likes to see every application treated in a win-win manner so that Landowners may trust that their applications are quickly addressed and treated in a positive manner.

Per Section 10.02 Enforcement of the Covenants, the Glastonbury Landowners' Association is formally directing you to bring your property into compliance with the Covenants. The Covenants allow a grace period of fifteen (15) days to bring your property into compliance. After that time, the GLA may seek injunctive relief through the Park County District Court. Court actions are expensive and the GLA is empowered to recover the legal costs of prosecuting the violations in the injunctive relief action. The GLA would rather not have to use the courts, but would rather see this matter dealt with in a more neighborly attitude.

Please address this matter immediately and provide the GLA with a building application. If you need help filling out the application please feel free to contact me or any member of the Board. Our next GLA Board meeting is _____ , so please send it in time for us to review it and work out any problems prior to the meeting so that we can get approval at the meeting.

Sincerely,

Robert Wallace
Chairman, Architectural Subcommittee

December 4, 2000

Dear John,

Following my recent telephone conversations with you, I would like to clear up the matter of snow removal and maintenance of your road. Per the General Information Report that Royal Teton, Ltd. issued in 1983 when the Glastonbury properties were offered for sale, the road type servicing your parcel and Parcels 63 through 70 in North Glastonbury is listed as "Mountain". The Mountain designation is for roads where four wheel drive vehicles may be required for access and are third on the maintenance priority after the "residential" and "foothill" designated roads.

The GLA strives to make the community roads always accessible per the dictates of the Covenants, but we are limited by our budget and the overall demands of maintaining the roads year-round. In our efforts to balance safety, accessibility and economy, the GLA Board has set the standard of 3" of snowfall as the trigger point to mobilize snow plows. Whereas any snowfall dictates safer driving habits, snowfall less than three inches is not a hindrance to traffic and generally blows off the roads or melts within a day or two. The GLA Board feels from our past experience that the 3" level is a safe and efficient trip point for snowplowing.

If your vehicle has a hard time maneuvering on your mountain road after a light snowfall, the GLA strongly suggests that you consider a vehicle better acclimated to your driving conditions, such as a four wheel drive or even a front wheel drive vehicle. Many residents of Glastonbury have these types of vehicles because, regardless of residential, foothill or mountain road driving, they have found them to be a safer and more useable vehicle in Montana's winter weather.

I hope this gives you a better understanding of where the GLA is obligated to make our roads passable and safe and where a landowner should exercise safety measures and take personal responsibility for their mobility in Montana's climate.

Sincerely,

Eric T. Newhouse

Re: complaint re landowner Kathleen Ullrich

Date: Oct 4th, 2000

We are moving quickly toward subdivision and must complete our preparatory work within 4 months. Therefore, not only are we looking to improvements on our own properties but feel that the problem with parcel owner Kathleen Ullrich's land can no longer be ignored. We are grateful for your expedient attention to the following matters:.

Kathleen Ullrich's property:

!. Unsightly Structure: (Covenant 5.05) Kathleen's property is so unsightly that the Brand's, who are trying to sell their portion of the parcel, were told that their property was devalued $20,000 due to Kathleen's home!.

*** Her property is an eyesore and an embarrassment

*** Her property is strewn with abandoned vehicles. At last count we noticed 4 abandoned vehicles. Especially in winter her vehicles are often left on Capricorn drive at the foot of Venus Way.

There is an accumulation of junk inside and outside of her home.

*** More than a year ago, the Park County representative told Edward that she needed to remove a trailer that looked occupied at the time .

*** Nuisance, respect for the quietude of the neighbors: Kathleen currently owns 3 dogs who bark for hours without end. They run loose and have surrounded me (Kathie) once when I was walking down the road.

*** We are concerned about the structural integrity of the home and the possibility of fire hazard, especially in light of last summer's drought.

As far as we know, Kathleen never got the go ahead to continue building, but has gone ahead adding on to her home in what appears to be a haphazard fashion.. At least twice her second story blew down before it was finished! We are concerned that her home does not have an adequate foundation for three stories.

*** She has employed homeless people who sometimes arrive intoxicated. Last summer one of the men came to my (Kathie's) door trying to bum cigarettes. I do not feel safe with children with some of these characters. Furthermore, the kids in the neighborhood seem attracted to these men whose background is questionable.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

January 8, 2001

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Eric, 7:17 pm, at Golden Ratio Woodworks. Eric gave an opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice President), Jim Phipps (Treasurer), Bruce Ganje, Philip Hoag, Dan Kehoe, Jr., Jon Olson, Robert Wallace, and Walter Wunsch

ABSENT: Christine Johnson, David Tonkin

PROXIES: Christine Johnson to Jon Olson, David Tonkin to Jim Phipps

ALSO ATTENDING: Rudy Parker (Accountant) and Vito Sinopoli (Operates a road sander).

2. Reading and Disposition of the Minutes

Meeting minutes for December were reviewed. November minutes were not reviewed.
MOTION: Dan Kehoe, Jr. moved and George seconded to accept the December minutes as written. The motion passed unanimously.

3. Report of Officers and Committees

3.1 Treasurer's Report Jim Phipps (Treasurer)

Rudy handed out the year end financial report for Year 2000, a balance sheet for January 8, 2001 and a list of outstanding assessments. (see attached) Rudy answered questions about the reports.

Jim handed out a list of transactions for the previous month and a list of incorrect or unknown addresses. (see attached) Jim asked board members to help find correct addresses.

Jim stated that he is doing groundwork to prepare liens for outstanding assessments. This will require some work at the courthouse to determine the identification of recent subdivisions in Glastonbury. He also plans to talk with our attorney about the liens. Jim was unable to estimate the number of hours this would take and asked the board for prior approval to charge GLA for the extra hours. The board gave approval with the stipulation that he keeps track of the number of hours.

3.2 Architecture Subcommittee Robert Wallace/Dan Kehoe, Sr. (Co-Chair)

Robert reported he had completed the construction of his home, and he requested refund of his $250 cleaning deposit. The board approved the request and refunded the cleaning deposit.

File: MtgMins 01 08 01.doc
Revised: 02/05/01
Amended: 02/05/01

Jim reported on Fire Water Requirements regulations the county is considering imposing on all subdivisions. The County Planning Board has developed proposed regulations that will require lots in new subdivisions to have a 2,500 gallons water reservoirs, a developed water source within 1-mile of the property, or automatic sprinkler system installed in homes plus other requirements for protection against wild fires. (see attached) The local Fire Service Area Trustees have informed the county that it does not support the proposed regulations.

Jim reported that a meeting was held January 4, 2001 at the Court House to discuss the regulations. The County Commissioners, Fire Service Area Trustees, County Fire Marshall, County Planning Board and the County Attorney's office were represented at the meeting. In the meeting, the county reported that it is suggesting the proposed regulations to avoid the county being liable if there are fires that destroy homes or buildings. The Fire Service Area Trustees were concerned that the regulations would make them liable for fire damage if they would not be able to respond to a fire in time. The trustees represent a rural volunteer fire fighting department servicing Glastonbury. The Fire Service Area Trustees suggest increasing the distance to a water source to 5 miles. The conclusion of the meeting was that the regulations would be reviewed. No date was set for the review.

Jim suggested that South Glastonbury develop a water source in Lower South that would ease objections or delays in subdivision approvals. Jim also suggested that since the water reservoir for Golden Age Village in North Glastonbury is the main water source for North Glastonbury, GLA should make a contribution to its operation. No action was taken.

The board had a lengthy discussion on this subject and the recent Planning Board's actions of lowering the maximum grades on new roads to 6 percent. The board agreed that Jim could discuss the matter with our attorney when he talked to him about the lien issue discussed above.

3.3 Road Committee Bruce Ganje/Eric Newhouse (Co-Chair)
Philip reported that he meet with JPL road contractor from Belgrade at Glastonbury to inspect 7 miles of potential Glastonbury roads GLA is considering paving. JPL will prepare an estimate to complete the work. Other contractors who could accomplish the work were discussed. If the costs look feasible, a request for bids and a statement of work would be prepared and sent to potential contractors.

Eric introduced Vito Sinapoli, who has been hired to sand roads in North and South Glastonbury. The board reviewed who would be authorized to call Vito and request

sanding of roads. Walter would be authorized for South Glastonbury with Bruce as his second if Walter should be out of town. The board decided that it would be more efficient to have one loading facility to fill Vito's truck with sand located in North Glastonbury instead of having two (i.e. one in North and one in South Glastonbury).

3.4 **Complaint Committee** Christine Johnston (Chair)
No report.

3.5 **Land Use Master Plan Committee** Dan Kehoe, Jr. (Chair)
No report.

3.6 **Recreation Committee** Robert Wallace/Eric Newhouse (Co-Chair)
Eric reported that the Church will be giving 30 acres, including the gravel pit, to North Glastonbury Teaching Center. He reported it is possible that the Church will not want the gravel pit to be used as a recreation area. The committee is following up with meetings with the Church.

3.7 **Ombudsman Report** Regina Wunsch (South Glastonbury) and Joan Murphy (North Glastonbury) No report

The meeting was adjourned at 9:13 pm with no further business

The next meeting will be February 5, 2001 held at Golden Ratio Woodworks, 7 pm.

PARK COUNTY
RURAL FIRE COUNCIL
414 E. Callendar, Livingston, MT 59047
406-222-4100

revised October 6, 1998

RURAL FIRE COUNCIL SUBDIVISION CHECKLIST

ROADS

1. Roads shall follow the guidelines as determined under VI. GENERAL DESIGN AND IMPROVEMENT STANDARDS – D. STREETS AND ROADS of the Park County Subdivision Regulations.

WATER SUPPLY

A water supply of sufficient volume, and ~~water~~ distribution system to fight fires shall be provided. There are a couple of options for water supply. You need only meet one of these options. The key element is how important this is to providing fire protection to the end user during all types of weather.

1. 2,500 gallon water supply per lot on site is recommended. This can also be a developed water source to meet the needs of the entire subdivision. The water supply, whether it be individual or shared, needs to be accessible by the Fire Department with an approved hydrant system and maintained by the property owners.

2. A developed water source within a reasonable distance of the subdivision. A recommended reasonable distance is approximately 1 mile from a developed water source. This distance may vary depending on road design, adequacy of water source, type of fuels (forest growth) determining the fire hazard, and number of lots available. This would need to maintain a minimum flow of 250 Gallons Per Minute (G.P.M.) for 20 minutes. In areas of high wildfire hazard or in a major subdivision, developers may be asked to meet 250 G.P.M. for 2 hours. Accessibility and an approved hydrant system will be needed to maintain these flows and will be required to be maintained by the property owners.

3. An automatic fire sprinkler system meeting the requirements of NFPA 13D. A letter of certification will be submitted to the Fire District upon completion of each dwelling. The system will be maintained by the property owners.

HOME & PROPERTY

Due to the nature of wild fire danger in rural areas of the County there are 2 classifications of hazard through out the County. Either High fire hazard or Medium fire hazard areas. High fire hazard areas include heads of draws, excessive slopes, dense forest growth, or other hazardous wild fire components.

1. In High fire hazard areas, as determined by the local fire authority, Class A roofs will be required on all buildings as defined under the Montana State Department of Justice Fire & Investigation Bureau and Montana Department of Natural Resources & Conservation Fire Bureau "Fire Protection Guidelines for Wildland Residential Interface Development". Class A or B roofs can be used in Medium fire hazard areas.

2. Vegetation reduction will be to the standards as defined under the Montana State Department of Justice Fire & Investigation Bureau and Montana Department of Natural Resources & Conservation Fire Bureau "Fire Protection Guidelines for Wildland Residential Interface Development".

3. The road will need to be named and signed according to the Park County Rural Addressing system.

REFERENCE MATERIAL

FINAL
Glastonbury Landowners Association
Board of Directors Meeting Minutes
February 5, 2001
CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
The meeting was called to order by Eric, 7:30 pm, at Golden Ratio Woodworks. David gave an opening prayer.
PRESENT: Eric Newhouse (President), Jim Phipps (Treasurer), David Tonkin (Secretary), Philip Hoag, Christine Johnson, Dan Kehoe Jr., Robert Wallace, and Walter Wunsch
ABSENT: George Makris, Bruce Ganje, Jon Olson, Ian Scott
PROXIES: Bruce Ganje to Eric Newhouse
ALSO ATTENDING: None

2. **Reading and Disposition of the Minutes**
Reviewed the meeting minutes for November 2000 and January 2001.
MOTION: Dan, Jr. moved and Jim seconded to accept the November 6, 2000 minutes as written. The motion passed unanimously.
MOTION: Dan, Jr. moved and Christine seconded to accept the November 11, 2000 Annual and Board meeting minutes as corrected. The motion passed unanimously.
MOTION: Dan, Jr. moved and Philip seconded to accept the January 8, 2001 meeting minutes as corrected. The motion passed unanimously.

3. **Report of Officers and Committees**

3.1 **Treasurer's Report** Jim Phipps (Treasurer)
Jim discussed the missing addresses in the GLA's database that lists parcels in Glastonbury and asked board members for any assistance in obtaining correct addresses. He handed out a revised list of property owners. He presented the balance sheet and a list of transactions for January 2001. (see attached)

3.2 **Architecture Subcommittee** Robert Wallace (Chair)
Robert presented James Kozlik's application for building a home on Parcel 43-5 N. The permit does not have a topographical map.
MOTION: Robert moved and Dan, Jr. seconded to approve James Kozlik's application to construct a home on Parcel 43-5 N. The motion passed.

3.3 **Road Committee** Bruce Ganje/Eric Newhouse (Co-Chair)
ACTION ITEM: Purchase and placement of signs on Hercules Road--this item was put on hold.

ACTION ITEM: Sign at Alexander's Parcel in North--board agreed to place a sign indicating the road was a private road with no National Forest Service access.

File: MtgMins 02 05 01 FINAL.doc
Revised: 2/26/01, 3/11/01
Amended: 3/05/01

ACTION ITEM: Paving of Roads--Eric presented a letter from JTL Group, Inc. offering preliminary paving prices to pave approximately 5.5 to 6.5 miles of Glastonbury roads. The letter gave two options: (1) to pave Sirius Dr. between Story and Aries, Capricorn Dr between Gemini and the bridge at Old Yellowstone Trail Creek Rd., Aries Dr. between Sirius and Capricorn in North Glastonbury and Dry Creek Rd. from Highway 89 to Hercules Rd. in South Glastonbury for a total of 5.55 miles and (2) Sirius Dr. between Aries and Helios at Golden Age Village (GAV), Taurus Rd. between Sirius and Hilarion Way, Yellowstone Trail Creek Rd. between the bridge to Highway 89, Gemini Rd. from Capricorn approximately 0.2 miles north in North Glastonbury and Arcturus Dr. between Dry Creek Rd. and Leo in South Glastonbury for a total of 1 mile. The prices were based on 24-foot wide 3-inches thick asphalt pavement. The prices include only the costs to pave the roads. They do not include costs of grading, compacting or adding subgrade or application of a prime coat to adhere the paving to the subgrade. The prices for the two options are $587,000 and $103,000. Discussed ways to pay for paving of the roads including Rural Development Loans and forming a Local Improvement District, LID.
MOTION: Philip moved and Dan Jr. seconded a motion to send the letter to GLA's attorney to get his option on the types of funding available to GLA. The motion passed. Assigned George Makris to further investigate the funding options.

3.4 Complaint Committee Christine Johnston (Chair)
ACTION ITEM: E. Anderson complaint re. K. Ullrich--Dan reported that he sent a letter to Kathleen. Eric reported that he received a phone call from Kathleen re. the letter GLA sent. Eric will meet with Kathleen to discuss items listed in complaint letter.

ACTION ITEM: Shelter reclamation survey – Tabled

Eric presented a complaint letter from Peter and Caroline Graafland on Parcel 26-B N. The letter complains that the McCann's and Gelderloos' children are driving ATVs on Glastonbury roads and private driveways at excessive speeds.
MOTION: Philip moved and Dan, Jr. seconded a motion for Christine to (1) write a letter to the Graaflands indicating that GLA is responding to their complaint letter, (2) write a letter to the McCanns indicating GLA has received a formal complaint about their children driving ATVs at excessive speeds on Glastonbury roads and indicating that both the driver and the vehicles are required to be licensed by the state before they can legally drive on the roads, (3) write a letter to North Glastonbury Teaching Center indicating that GLA has received a complaint about the McCann's children, who live on property they own, are driving ATVs at excessive speeds and include a copy of the complaint letter. The motion passed unanimously.

File: MtgMins 02 05 01.doc
Revised: 2/26/01, 3/11/01
Amended: 3/05/01

3.5 Land Use Master Plan Committee Dan Kehoe Jr. (Chair)
Dan Jr. handed out copies of the draft Glastonbury's Declaration of Covenants with William Smith's comments highlighted. The board voted to meet Friday, March 2 at 7 p.m. at Golden Ratio Woodworks to discuss William's comments on the Covenants.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair)
Eric reported that Jim Tarpey sent a letter to the Church Universal and Triumphant Board suggesting that the Church donate 20 acres from North and South Glastonbury to GLA (in addition to the 20 acres transferred to the TCs) for recreation purposes.

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

4. Other Business

4.1 Weed Control
Philip reported that he talked with Clay Williams from Park County about weed control in North and South Glastonbury. Philip will draft a letter to Mr. Williams about GLA's weed control program. He will be taking a tour of both North and South Glastonbury to locate areas where more control is needed.

The meeting was adjourned at 9:20 p.m. with no further business

The next meeting will be held March 5, 2001 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS
- David to send out copies of the corrected Annual Meeting Minutes to landowners.
- Ordering and placement of "Private Road" sign to Alexander's parcel in North Glastonbury.
- Send letter to GLA's attorney re. paving of Glastonbury roads.
- George to investigate methods of funding paving of roads.
- Christine to write letters regarding Graafland's official complaint letter.
- Philip to draft letter to Clay Williams at Park County re. GLA noxious weed program.

GLA 01009

Memo To: GLA Board & MP Committee Memebers
From: Daniel Kehoe, Jr.
MP Committee Chair
Date: January 28, 2001

In order to bring everyone up to date on the Master Plan discussions and in preparation for the joint MP Committee/GLA Board MP meeting, I have copied the MPs for North and South with William Smith's notes for your study. These notes reflect William's different discussions with Edward Francis, the CUT Board and a CUT committee that was studying the MP.

I'm also enclosing copies of a letter to Patrick Wolberd and the GCPC, the GLA's forerunner, and several CUT letters to and from the GLA. The first letter has underlines and notes that are not for editorial purposes, it was the only copy I have. I'm looking for a clean copy. These letters are good timelines of the promises and agreements from which the GLA Board has been acting in good faith regarding our steps to mold a MP in keeping with the Church's original intent for the parcels removed from or never brought into the Glastonbury Covenants.

On November 6th of last year, William reported the thinking of the Church Board in regards to the Master Plan to the GLA Board. On the positive side, the Church could see putting the former reserved lands of Glastonbury North into the MP. On the downside, they acted as if they had not seen any of these previous letters from the Church and did not appear to be willing to put either the Lindorfer property or the 20 some parcels in low Glastonbury South under the Covenants. I feel that when the Church Board becomes aware of Glastonbury's history they will act in a more honorable and good faith way towards fulfilling the promises of the past.

For the GLA's part, I think one simple, however large scale, change that the GLA makes is to place the parcels across the creek in low South back into residential designation similar to the adjacent parcels (5 tracts from 20 acre parcels). This would move it out of Village Center designation and back into its original residential designation. Any cluster building or schools (large ones that is) that would be planned in that area would be done with waiver requests on a case by case basis.

The GLA's next Board meeting is February 5th. While we won't have time to go over the MP, we will be able to line up a date for a Master Plan meeting. The most likely dates are Feb 8th or 9th (Thur & Fri) or the following Thursday or Friday (15th or 16th). Please get back to me by email (DanKehoe2@aol.com) or at the Board meeting as to which date will be best. Friday would probably be best since it isn't followed by a workday.

2001-03-05_BDGN.pdf

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

March 5, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:10 p.m., at Golden Ratio Woodworks. Eric gave the opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice-Present), Jim Phipps (Treasurer), David Tonkin (Secretary), Bruce Ganje, Christine Johnston, Dan Kehoe, Jr., Jon Olson, Ian Scott, Robert Wallace, and Walter Wunsch

ABSENT: Philip Hoag

PROXIES: Philip Hoag to Eric Newhouse

ALSO ATTENDING: Rudy Parker (Bookkeeper), Davies Anderson (Master Plan Committee Member), Pedro Pinardo

2. **Reading and Disposition of the Minutes**

Reviewed the meeting minutes for February.

MOTION: Dan, Jr. moved and Bruce seconded to accept the February 5, 2001 minutes as amended. The motion passed unanimously.

3. **Report of Officers and Committees**

3.1 **Treasurer's Report** Jim Phipps (Treasurer)

Rudy presented the balance sheet for March 2001. He noted that out of the $94,357 in accounts receivable, $54,000 is for the year 2001 assessments, $12,000 is for year 2000 assessments and the rest, $28,000, is for assessments for previous years. The board discussed imposing new liens to include interest. It was noted that interests are automatically included. Jim is planning to talk with our attorney about the details of filing liens on properties where assessments have not been paid.

3.2 **Architecture Subcommittee** Robert Wallace (Chair)

Robert presented a letter from Phil Lawson regarding installation of fire reservoir tank in South Glastonbury. Discussed the issue of the County Planning Department requiring individuals to follow requirements that have not been formally approved by the county. Jim reported that the fire reservoir issue is going before the County Board this week and there is a bill before the state legislature that addresses some of our concerns. It appears that the Planning Board is trying to have a no growth policy.

MOTION: George moved and Ian seconded for Eric, George, Dan Jr., and Jim (if available) to talk with our attorney regarding the Planning Commission's restrictive requirements for subdivisions, get his advice on how best to proceed and ask him if we should start a petition in Paradise Valley on the restrictive mandates of the Planning Commission to help resolve the issue. Motion passed.

File: MtgMins 03 05 01.doc
Revised: 3/29/01
Amended: 4/2/01 (as corrected) -FINAL

Robert presented Dan Sr.'s subdivision on Lot 1E, Parcel 37 S to subdivide the lot into three lots. Parcel 37 S had been subdivided before into five lots. The subdivision is still a minor subdivision (a parcel can be subdivided twice and be classified a minor subdivision if each subdivision divides the land into five or less lots) and meets the Master Plan requirements of a minimum of 2 acres per lot.
MOTION: Robert moved and Bruce seconded to accept the subdivision as proposed. The motion passed with one abstention.

3.3 Road Committee Bruce Ganje (Chair) Eric Newhouse (Co-Chair)
Eric introduced Pedro Pinardo's proposal to extend Hesperus Lane south through his Parcel 32 S along the western boundary with Parcel 31 S and 30 S, across the Lindorfer property owned by the Church and intersecting Dry Creek Road. This road would provide a second entrance to Arcturus Drive and a shorter route to parcels 28 S to 47 S. Padro would be willing to grant a 60-foot easement for the road. The board recommended Pedro to (1) get an estimate for the proposed road, (2) talk with the neighbors to determine if they support the action, (3) think about who will pay for the road, maintain it and own it, and (4) return to the board with a proposal.

Eric proposed that GLA purchase a grader. The board reviewed previous discussions on this option. Ian suggested that GLA put out a request to four contractors for yearly bids with specifications and requirements for specific pieces of equipment for the road maintenance work. For ease in administrating, Eric suggested that bids be broken down into various sections of roads that are normally graded one at a time. The board agreed to Ian's proposal.
MOTION: George moved and Dan, Jr. seconded for Bruce and Ian to share chairmanship of the Road Committee with Eric and Walter as members of the Committee. Bruce and Walter would oversee North Glastonbury and Ian and Eric overseeing North Glastonbury. The motion passed.
Because of Ian's and Bruce's positions on the Road Committee, the board agreed to add Ian and Bruce to the list of board members allowed to sign checks.

ACTION ITEM: Purchase and placement of signs on Hercules Road - Tabled
ACTION ITEM: Ordering and placement of sign at Alexander's Parcel in North - Tabled

3.4 Complaint Committee Christine Johnston (Chair)
Christine reported her conversation with the parties involved with Graafland's complaint re: ATVs and presented three letters addressing the issue. (see attached) The board approved sending the letters.

Eric reported on Philips and his meeting concerning Kathleen Ulrich property. They found that Kathleen's sense of cleaning up is to move material behind the house. Her property is filled

File: MtgMins 03 05 01.doc
Revised: 3/29/01
Amended: 4/2/01 (as corrected) -FINAL

with old cars and junk and the second story addition to her house is still half built and reportedly has fallen down several times. Eric noted that GLA has received complaints about the unkempt state of her property for many years.
MOTION: Dan Jr. moved and Christine seconded to talk with our attorney about taking legal action against Kathleen. The motion passed with one abstention.

ACTION ITEM: Shelter reclamation survey – Tabled

3.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Dan Jr. reported on the Master Plan Committee's recommendation to focus on including the village center areas in the Master Plan and to leave working out the details of some of William Smith's comments until later. Last year, William Smith submitted some comments on the Master Plan to GLA and spoke of the Church Universal and Triumphant Board's desire to delete the village center areas and some of the reserve land from the Master Plan. Dan reported that the Master Plan Committee thought that deleting the village areas from the Master Plan would be a fundamental change from what was agreed upon by Edward Francis and the Church previously, and that it would significantly affect the value of the Glastonburys. Dan presented a letter to the Church for approval. (see attached) It was suggested allow board members to wait until Wednesday evening to make comments on the proposed letter.
MOTION: George moved and David seconded to approve the letter (as modified through comments received by Dan Jr.) on Wednesday, March 7th. The motion passed.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair)
Robert reported his conversation with the Elders of Church Universal and Triumphant. He presented a letter that he proposed we send to the presidents of the Church regarding the Church donating land to GLA for recreational purposes. The board agreed that the letter should be a personal letter from Robert.

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

4. Other Business

4.1 Weed Control No report

The meeting was adjourned at 9:30 p.m. with no further business.

The next meeting will be held April 2, 2001 at Golden Ratio Woodworks, 7 p.m.

File: MtgMins 03 05 01.doc
Revised: 3/29/01
Amended: 4/2/01 (as corrected) -FINAL

NEW ACTION ITEMS

- David to send out copies of the corrected Annual Meeting Minutes to landowners.
- Eric, George, Dan Jr. to meet with attorney to discuss 1) Kathleen Ulrich's situation and 2) the actions of the Planning Commission.
- Jim to meet with attorney to discuss filing liens.
- Dan Jr. to send letter to Church re: Master Plan.
- Christine to send letters re: Graafland's complaint.

Re: Notification of Complaint Filed

Dear Pieter and Caroline,

Thank you for taking the time to communicate your concerns regarding the use of All Terrain Vehicles on Glastonbury land. The Glastonbury Landowners Association has jurisdiction on Glastonbury roads, but does not have jurisdiction on the roads or driveways on private property. I checked with Park County in reference to their laws for the use of ATV vehicles. The vehicles and driver must be licenced and the vehicle must be registered and then they can be used on both paved and unpaved roads. They can be used on Park Service roads without either being licensed or registered.. I have included the letters to both the Macann family and the Gelderloos family. I have spoken to both families and they are willing to comply with the following restrictions for the use of All Terrain Vehicles which we have indicated:

1) the vehicles must be licenced and registered
2) the driver must be licensed
3) the rules of the road must be followed (speed limits, stop signs etc.)
4) ATV vehicles may not be used on private property without owners permission

I did speak with Mrs. Wortelboer. She said there may have been a misunderstanding, because she did not actually see an incidence with the ATV vehicles, she only saw them near the location of the high voltage electrical transformer. Nonetheless, after speaking with both families, I do believe their will be compliance. If you find there are any further disturbances in this regard, please feel free to contact me.

Sincerely,

Christine Johnston

Michael and Janice McCann
P.O. Box 983
Emigrant, Montana 59027

Dear Michael and Janice,

I am sending you the letter the Glastonbury Landowners Association received which I spoke with you about in our phone conversation on February 26. In our conversation, you agreed to speak with you boys regarding their use of all terrain vehicles and the formal complaint which has been made by the Graaflands. Although the Glastonbury Landowners Association does not regulate the issues of the All Terrain Vehicles on private property, we do regulate the Glastonbury roads and therefore ask that only licenced drivers use the vehicles within the posted speed limits and abide by all other rules of the road and that the vehicles are licenced and registered. You stated that you agreed with these conditions and would address with your sons not using the vehicles on private property other than your own.

Thank you for your willing cooperation in this matter.

Sincerely,

Christine Johnston

Letter of Nonconformance

William Smith
Church Universal and Triumphant
P. O. Box 5000
Corwin Springs, MT 59030

March 5, 2001

Dear William,

The GLA is concerned that four of Church Universal and Triumphant subdivisions - on Parcels 25 and 53 of Glastonbury South and Parcels 53 and 54 in Glastonbury North - have not been sent to the GLA for approval. Several GLA Board members have spoken with you in August of last year requesting the application paperwork, but we still have not seen any applications yet.

Section 9 of the Restated Covenants directs that all subdivision plans are to be submitted to the GLA for preliminary approval and that no subdivision or certificate of survey or plat is of any force or effect without the GLA's approval of the subdivision.

Per Section 10.02 Enforcement of the Covenants, the Glastonbury Landowners' Association is formally requesting that the Church file an application for these subdivisions and bring these subdivisions into compliance with the Covenants. The Covenants allow a grace period of fifteen (15) days to bring the property into compliance. Failing to come to an amicable adherence to the Covenants by landowners, the GLA's only recourse is to seek injunctive relief through the Park County District Court. Court actions are expensive and the GLA would rather not have to use the courts, but would rather see this matter dealt with in a more neighborly attitude.

Please address this matter immediately and provide the GLA with a subdivision application. Our next GLA Board meeting is April 2nd, so please send it in time for us to review it prior to the meeting so that we can approve it at the meeting.

Sincerely,

Robert Wallace
Chairman, Architectural Subcommittee

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

April 2, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:20 pm, at Golden Ratio Woodworks. Robert Wallace gave the opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice-Present), Jim Phipps (Treasurer), Bruce Ganje, Dan Kehoe, Jr., Ian Scott, Robert Wallace and Walter Wunsch

ABSENT: Philip Hoag, David Tonkin (Secretary), Christine Johnston

PROXY: David Tonkin to Jim Phipps

ALSO ATTENDING: Rudy Parker (Bookkeeper), Rosie Moonheart

2. **Reading and Disposition of the Minutes**

MOTION: Dan Kehoe, Jr. made the motion that the minutes of the last meeting be approved as corrected. This was seconded by George Makris. The motion passed unanimously.

3. **Report of Officers and Committees**

3.1 Treasurer's Report: Jim Phipps (Treasurer)

Rudy Parker reviewed GLA financial status. Jim Phipps suggested that we invest a sum of $40,000 in 90-day CDs if there would be no immediate need of cash. This resulted in a review of road maintenance activities to be conducted soon. It was determined that there would be no requirement for large amounts of cash within the next 90 days and approval was given to purchase the CDs.

3.2 Architecture Committee: Rosie Moonheart presented her plans to build a chicken coop on her property and was asking approval to proceed. This was discussed and the following motion was made.

MOTION: The proposed hen house is approved on South Glastonbury 35D following the landowner first obtaining approval of the neighbors. This was seconded by Robert Wallace and approved unanimously.

The Church has not submitted subdivision plans to the Architecture Committee for approval prior to proceeding with subdividing some of their property within Glastonbury. Eric has discussed this with both William Smith and Jim Tarpey. Last month Robert Wallace sent a letter to the Church requesting that they submit plans to the GLA for approval. We have not yet received a response.

3.3 Road Committee Report: There was a discussion as to what we should be doing to maintain and improve the community roads, including using mag chloride, oiling, asphalt, etc. It was decided that we will compose a letter to the landowners asking if they would be agreeable to paying an additional assessment to pave some portions of the roads. George Makris will compose the letter.

3.4 Complaint Committee: Kathleen Ullrich Property: Eric reported on the discussions he had with our attorney as to what we can do legally--within the requirements of the Glastonbury Covenants--to enforce the cleanup of her property. He is to inform us of the options open to us after his review. Eric has informed Kathleen that she should submit a construction plan for her continued development, but he has not hear back from her.

3.5 Land Use Master Plan Committee: No report.

3.6 Recreation Committee: No report.

3.7 Ombudsman Report: No report.

The meeting adjourned at 9:34 p.m.

The next meeting will be held May 9, 2001 at Golden Ratio Woodworks, 7 p.m .

Glastonbury Landowners Association

Board of Directors Meeting Minutes

May 9, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:15 pm, at Golden Ratio Woodworks. Bruce gave the opening prayer.

PRESENT: Eric Newhouse (President), Jim Phipps (Treasurer), David Tonkin (Secretary), Bruce Ganje, Philip Hoag, Dan Keyhoe Jr., Robert Wallace

ABSENT: George Makris, Christine Johnston, Jon Olson, Ian Scott, and Walter Wunsch

PROXIES: George Makris to Dan Keyhoe

ALSO ATTENDING: None

2. **Reading and Disposition of the Minutes:**

The April meeting minutes were distributed. Approval of the minutes was tabled

3. **Report of Officers and Committees**

3.1 **Treasurer's Report** Jim Phipps (Treasurer)

Jim reported that he bought two treasurer bonds worth $40,000. He rented a safe deposit box in which to place them. He also was able to obtain legal descriptions for the subdivisions in Glastonbury in preparation to file liens. The board discussed the problems of filing liens on properties owned as tenancy-in-common. The liens will have to be against all individuals who own the property even if only one of the individuals is in arrears on their assessments. Jim reported that he received payment from an individual who owed a significant amount on unpaid back assessments.

3.2 **Architecture Subcommittee** Robert Wallace (Chair)

Jim presented an agreement with George Makris (owner of Parcel 20-S), Paradise Valley Volunteer Fire Department, Glastonbury and Park County stating that if GLA installs a 10,000 gallon reservoir on Parcel 20 S, it will satisfy Park County's Planning Board's restrictions on subdivisions in South Glastonbury.

MOTION: Dan Jr. moved and Robert seconded to accept the document and to authorize Eric to get the parties to sign the agreement and invest up to $2,500 for the construction of the reservoir. The motion passed.

Robert presented before the board five subdivisions for GLA approval. The subdivisions were for:

- Preliminary approval of subdividing Parcel 42-N.
- Final approval of subdividing Parcel 25-S pending final inspection.
- Preliminary approval of subdividing Parcel 64-S.
- Final approval of subdividing Parcel 43-S.
- Final approval of subdividing Parcel 53-S.

It was agreed to approve the subdivisions as presented pending full payment of all assessments. Dan Jr. noted that with final approval of Parcel 25-S subdivision, we need to file a lien on Hazen's property for unpaid back assessments.

3.3 Road Committee Bruce Ganje (Chair), Eric Newhouse (Co-Chair)
Eric reported that he recently talked with John Alexander. The board agreed to write a letter to John that he cannot block Glastonbury roads.

3.4 Complaint Committee Christine Johnston (Chair)
Eric reported on his inspection of Kathleen Ullrich's progress in cleaning up her property. Some progress has been made but not nearly enough to constitute compliance. The board decided to write up a detailed list of what is in non-compliance and send it to Kathleen Ullrich.

Eric reported on William Pitt's nuisance compliant against Robert Riddle for riding a snowmobile in front of William's house on Sagittarius Skyway. The board agreed that riding snowmobiles cannot be banned in high South Glastonbury because the roads up there are considered mountain roads that may not be plowed in the winter. Philip suggested that we write a letter to William Pitt stating (1) we cannot restrict use of normal snowmobile riding in high South because we do not guarantee the roads will be plowed, and (2) Pitt cannot obstruct passage of others on any Glastonbury roads, including Sagittarius Skyway.

3.5 Land Use Master Plan Committee Dan Kehoe Jr. (Chair)
Discussed the need to file an injunction against the Church from selling any of the restricted land they own which is listed as part of the village areas of both North and South Glastonbury in the original documentation for Glastonbury and letters from the Church.

MOTION: Dan Jr. moved and Philip seconded to find an attorney who can file an injunction against the Church, get an opinion on the issue, obtain a cost estimate and then contact everyone on the board to determine if we should file the injunction. The motion passed. Dan Jr. will follow through with the motion.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair) No report

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

4. Other Business

4.1 Weed Control Philip Hoag reported that he met with Clay Williams of Park County and toured North Glastonbury. Based on the tour, he and Clay developed a list of parcels where noxious

weeds need to be controlled in North Glastonbury. Clay will be sending a letter to the owners of these properties stating that they need to address the weed problem. Dan Jr. will ask if Dan Sr. is willing to tour South Glastonbury with Clay Williams and develop a list of parcels in South Glastonbury that have a weed control problem.

MOTION: Jim moved and Philip seconded to extend the weed control support program another year. The motion passed.

Philip agreed to take over the management of the program.

The board agreed to contract out the spraying of Glastonbury roads for noxious weeds.

The meeting was adjourned at 9:20 p.m. with no further business

The next meeting will be held June 4, 2001 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS

- Eric will review the water reservoir agreement with George Makris and sign it.
- Write a letter to John Alexander stating he cannot block Glastonbury roads.
- Write a letter to William Pitt regarding his compliant.
- Dan Jr. will follow through on approved injunction items.
- Dan Jr. will ask if Dan Sr. will follow up on weed control tour.
- Philip will contract for weed spraying.

Glastonbury Landowners Association, Inc.
PO BOX 312
EMIGRANT, MT 59027

AGREEMENT REGARDING INSTALLATION OF 10,000 GALLON POND ON TRACT 20-A, SOUTH GLASTONBURY

This agreement is to establish consensus with all listed below that a 10,000 gallon pond on Tract 20-A, South Glastonbury, belonging to George Makris will meet the needs of a water supply for the Paradise Valley Fire Department's use in controlling fires on all tracts in Lower South Glastonbury.

Furthermore, once all parties sign this agreement the Glastonbury Landowners Association (GLA) will pay for this installation and organize the contract to do the work, but it must be accepted that the Paradise Valley Fire Service Area will reimburse the GLA for 50% of the final bill. This pond will include a dry hydrant and conform to the Paradise Valley Fire Department's specifications for access and ability to hook to their water trucks and fire trucks to this hydrant. Expences subsequent to the initial installation will be the responsibility of the GLA.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

June 9, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:15 pm, at Golden Ratio Woodworks. Dan, Jr. gave the opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice-President), Jim Phipps (Treasurer), David Tonkin (Secretary), Bruce Ganje, Philip Hoag, Dan Keyhoe Jr., Ian Scott, Robert Wallace, Walter Wunsch

ABSENT: Christine Johnston, Jon Olson

PROXIES: Jon Olson to Robert Wallace

ALSO ATTENDING: None

2. **Reading and Disposition of the Minutes**

MOTION: Dan, Jr. moved and Robert seconded approval of the April meeting minutes. The motion passed.

MOTION: Dan, Jr. moved and George seconded to approve the May meeting minutes as written. The motion passed.

Reviewed the June 5, 2001 meeting minutes for the special road meeting. Need to have a "Notice of Meeting" waiver signed by all not in attendance of this meeting to document the requirement of notice was waived.

MOTION: Dan, Jr. moved and Robert seconded to approve the June 5, 2001 meeting minutes as amended. The motion passed.

3. **Report of Officers and Committees**

3.1 **Treasurer's Report** Jim Phipps (Treasurer)

Jim suggested that we should be paying John Fanuzzi for use of his building at Golden Ratio (GLA board meetings) and maybe should credit this against his back assessments.

MOTION: Dan, Jr. moved and Philip seconded to pay John Fanuzzi up to $30 for the use of a room in his building for GLA's meetings and apply it to his outstanding assessments. The motion passed. Eric will talk to John about this.

Jim said he is planning to start filing liens on properties with unpaid assessments of over $1,000. There are several like this where the property is held as joint-tenancy-in-common. It was agreed that in these cases, the lien needs to be filed against all tenants even if only one of the tenants was delinquent in their assessments.

MOTION: Philip moved and Bruce seconded to give Jim (1) the right to submit to a collection company any grossly delinquent assessments (one who refuses GLA's mail or there has been no attempt to pay their assessment in the last 2 years and (2) is required to submit to a collection company if they have not made any payments in 3 years. The motion passed.

MOTION: David moved and George seconded that we file liens on any property with delinquent assessments and is for sale. Motion failed.

File: MtgMins 06 09 01.doc
Revised: 8/6/01
Amended: 8/18/01

MOTION: Bruce moved and David seconded that GLA send 1 month prior to submitting an account to a collection company a final bill notice to the owner of the property that is stamped in red "Final Notice" on the envelope. The motion passed.

3.2 Architecture Subcommittee Robert Wallace (Chair)
Robert agreed to check on the road being built in high South Glastonbury

The board agreed for Robert or Eric to write a letter to Park County commissioners stating that according to our covenants any subdivision approved by them that has *not* been approved by GLA is null and void.

MOTION: Dan Jr. moved and Philip seconded to move the water reservoir further down Virgo Way. Motion passed.

3.3 Road Committee Bruce Ganje (Chair), Eric Newhouse (Co-Chair)
Discussed how to finance paving approximately 4.6 miles of Glastonbury roads and that GLA would have to level out the vertical alignment and make any horizontal changes to Dry Creek Road if we wanted these improvements before it is paved.

The board reviewed the motion from the June 5 meeting to pave 2.6 miles of roads in North Glastonbury and provide an equal sum of money to pave South Glastonbury roads. The board agreed to pursue paving 4.6 miles of roads.

3.4 Complaint Committee Christine Johnston (Chair)
The board discussed Kathleen Ullrich's situation. The board agreed it was time to have the county remove her car that she has parked at the bottom of North Glastonbury north entrance. Discussed lack of significant change to the cleaning up of her property.

3.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Regarding filing an injunction against the Church to prevent them from selling any of the restricted land they own that is listed as part of the village areas of both North and South Glastonbury in the original documentation for Glastonbury and letters from the Church: Dan, Jr. reported that our attorney is not the best person to file injunctions and we should look for another attorney to handle it.

MOTION: Dan, Jr. moved and David seconded to contract an attorney and pay him up to $1,500 to file injunctions against the Church regarding the reserved land they have promised to make a part of the Glastonbury's village centers and against Kathleen Ullrich to allow us to hire someone to clean up her property. The motion passed.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair)
Eric reported the progress made in having the Church donate some land to GLA for recreational uses.

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

4. Other Business

4.1 Weed Control No report

4.2 Secretarial Help The board discussed using Michelle Strykert as office help to assist Jim in filing liens and assist in taking meeting minutes.
MOTION: David moved and Ian seconded to hire Michelle at $12 per hour as an independent contractor for this position. The motion passed with one abstention.

The meeting was adjourned at 10:35 p.m. with no further business

The next meeting will be held July 9, 2001 at Golden Ratio Woodworks, 7 pm.

NEW ACTION ITEMS

- Eric will talk with John Fanuzzi about paying him for GLA's use of a room to hold Board meetings.
- Robert to check on the construction of a private road in high South Glastonbury.
- Robert or Eric to write a letter to Park County informing them that any subdivisions approved by them are null and void unless they are first approved by GLA.
- Dan, Jr. to file injunctions against the Church and Kathleen Ullrich.
- David to hire Michelle Strykert as office help.

FINAL

Glastonbury Landowners Association

Board of Directors Meeting Minutes

August 6, 2001

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Eric, 7:30 p.m., at Golden Ratio Woodworks. Eric gave the opening prayer.

PRESENT: Eric Newhouse (President), Jim Phipps (Treasurer), David Tonkin (Secretary), Philip Hoag, Christine Johnston, Dan Keyhoe, Jr., Ian Scott

ABSENT: Bruce Ganje, George Makris (Vice President), Jon Olson, Robert Wallace and Walter Wunsch

PROXIES: Bruce Ganje to Eric Newhouse, George Makris to Dan Kehoe, Jr.

ALSO ATTENDING: None

2. Reading and Disposition of the Minutes

MOTION: Philip moved and Christine seconded to approve the June 9, 2001 meeting minutes as amended. The motion passed.

3. Report of Officers and Committees

3.1 Treasurer's Report Jim Phipps (Treasurer)

Jim handed out balance sheet and list of transactions for June and July, 2001. (see attached)

3.2 Architecture Subcommittee Robert Wallace (Chair)

Discussed plans to construct the fire pond required by the county. Discussed authorizing Eric to dig the pond at $50/hour. It was agreed this was too hasty of an action without knowing what kinds of soil conditions exist at the site. Discussed potential weed problems in an open pond. Agreed to authorize Eric to dig a test pit and report back to the board on his findings.

3.3 Road Committee Bruce Ganje (Chair), Eric Newhouse (Co-Chair)

Discussed finances of the paving job. Jensen's paving bill was $288,000, including $8,000 for hauling gravel; Archie Mann's bill was $15,000 for South Glastonbury prep work and approximately $2,400 for prepping North Glastonbury. Discussed Patrick O'Hare's bill for renting his sheepsfoot roller. The bill included hourly cost for the roller, mobilization and demobilization cost and cost to assemble the roller. The board agreed to pay the bill except for the charges for assembling the sheepsfoot. These charges were considered unreasonable. Total cost for the paving was approximately $305,000. Our loan is for $250,000; GLA is paying the rest (approximately $55,000). The Church is paying 1% of the loan yearly for the term of the loan. Eric reported that the County is considering paying us for hauling the gravel (it was really their job to haul the gravel but our time frame prevented them from doing so). The County has verbally agreed to maintain the paving on Dry Creek Road. Discussed writing a letter to the County confirming this. It was suggested to wait writing this letter until the issue of the county paying for the hauling of the gravel is resolved. Reportedly the County is looking into doing some touch-up work on Dry Creek Rd.

File: MtgMins 08 06 01
Revised: 08/18/01
Amended: 9/15/01

Eric submitted two cell phone bills (June and July) which had $354 and $200 of charges beyond his normal 600-minute paid for charges.
MOTION: Philip moved and Ian seconded for GLA to pay these excess charges in Eric's cell phone bills.

Michelle Strykert is expected to send in a bill for her work on the emergency GLA meeting approving the spending of money on paving the roads.

Jim reported that he worked out with the bank to make payments on the loan on a quarterly basis. The Church will be paying their 1 % of the loan on a yearly basis.
MOTION: Jim moved and Dan, Jr. seconded to approve making quarterly loan payments. Motion passed.

The bank is requesting three individuals to be co-signers for the loan. Two private individuals from North Glastonbury have agreed to be two of the co-signers. Ian was to be third, but he is not sure he can do it. The board agreed to try and have just two co-signers. The bank wants the GLA president and the treasurer to sign the loan for GLA.
MOTION: Philip moved and Ian seconded to authorize Eric and Jim to finish the negotiations for the loan and sign it. The motion passed.

The bank wants a list of the landowners so they can mail out a sales flyer. Jim objected to giving the list and noted we have not done so for the Church. There are individuals who want to keep their names off of such lists. It was agreed that we could include flyers from the bank if they would like to give them to us for our next major mailing.

3.4 Complaint Committee Christine Johnston (Chair) No Report

3.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Dan, Jr. reported that he contacted attorney Chris Williams about filing an injunction against the Church. Chris said the wording in the letters that Edward Francis and others from the Church used (regarding restricted land was to be for the village areas of both North and South Glastonbury) is too vague to file an injunction. Dan will work on a letter to the Church with copies to the Church board members and Elders addressing our concerns.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair)
Eric presented the warrantee deed from the Church for 20 acres in North Glastonbury deeded to GLA for recreational purposes. Ian reported that he received approximately $3,000 in donations to pay for the first part of the development of the land. The first items that need to be completed are to drill a well and build a soccer field.

MOTION: Dan, Jr. moved and Ian seconded to open a bank account under the name "Paradise Valley Recreation Center" (PVRC) to deposit the donated money for the recreation committee with the authorized signatures for the account to be Eric Newhouse, Ian Scott, Robert Wallace and Jim Phipps. There was a discussion about whether there should be a separate account and whether the land committee should be separate from GLA. Eric reported they are talking to individuals outside of Glastonbury and the name "Glastonbury" would hinder donations from some individuals. It was agreed the name would be temporary until further discussion. The motion passed.

Discussed the need to have liability insurance for the recreation facilities. The insurance should cover people playing volleyball, soccer and baseball to start.

3.7 Ombudsman Report Regina Wunsch (SG) Margaret Glenn (NG) No report

4. Other Business

4.1 Election Committee
MOTION: Dan, Jr. moved and Ian seconded for Christine Johnson and Philip Hoag to be on the election committee. The motion passed.

4.2 Weed Control
Eric reported that he purchased a tractor and mower that can be used to cut the weeds along the edges of Glastonbury roads.

The meeting was adjourned at 9:30 p.m. with no further business.

The next meeting will be held September 10, 2001 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS

- Eric will dig an inspection pit where the new fire fighting pond will be constructed to check on soil conditions.
- Eric and Jim will finish negotiating the loan with the bank and sign it.
- Dan, Jr. will write letter to Church regarding the village areas.
- Jim will start a new account with the bank for developing the recreation land.
- David to hire Michelle Strykert as office help.

I did check the packet I received from you to see if pages were stuck together, but no luck. I don't have the 2000 officer/director list or the affidavit. Sorry. I will look forward to getting the financial statement in a day or so. Thanks.

John- Please check your mail again. The package I mailed to you had a list of Officers for both 2000 and 2001. It also contained the package submitted to the State for forming a nonprofit corporation.

The financial statement was mailed this morning.

Jim

Jim - Received your mailing. Can you provide me with a similar list of the officers and directors for 2000?

Also, by way of a checklist, I still need a current financial statement for the Association and a copy of the affidavit, if any, submitted to the MT Dept. of Revenue (If you cannot find any such affidavit let me know and I will have Eric sign another one). I need the last two documents in order to get the Tax Clearance Certificate from the Dept. of Revenue which I need in order to file the Reinstement Application with the Secretary of State. Chicken and egg thing and alot of red tape, you see.

Thanks.

Message: RE: Resolution

Dan - I hope you can read my handwritten notes. If not, call. These changes are really housekeeping in nature and more style over substance.

The 147 who did not attend the meeting or mail in a vote were "absent." Any members who attended but did not vote either way "abstained." There is a difference. There is no need to mention the number of members who were absent since it can be calculated by the number of votes cast at the meeting. I had thought to eliminate the reference to the 147 abstaining, but then changed my mind; the Resolution should show that zero abstained.

Glad you got it worked out.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

September 10, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:15 p.m., at Golden Ratio Woodworks. Bruce gave the opening prayer.

PRESENT: Eric Newhouse (President), Jim Phipps (Treasurer), David Tonkin (Secretary), Philip Hoag, Christine Johnston, Dan Kehoe, Jr., Ian Scott, Walter Wunsch

ABSENT: George Makris (Vice-President), Jon Olson

PROXIES: George Makris to Dan Kehoe, Jr.

ALSO ATTENDING: Svend Anderson, Mary Boudreau, Pouwell Gelderloos, Arlene Hoag, Charlotte Mizzi, Elizabeth Thorpe, Cheryl Upshaw and Uri Dowbenko.

2. **Reading and Disposition of the Minutes**

MOTION: Jim moved that we read meeting minutes at the meetings rather than send them out before each meeting. The board discussed this option and decided not to act on the motion. David read the August meeting minutes.

MOTION: Dan moved and Bruce seconded to approve the August meeting minutes as amended. The motion passed.

3. **Report of Officers and Committees**

3.1 Treasurer's Report Jim Phipps (Treasurer)

Jim passed out two handouts: "Transactions - August 1 Through September 6, 2001" and "GLA Balance Sheet, as of Sept. 8, 2001." (see attached) He reported that the paving figure on page 2 of the Balance Sheet may not include everything related to paving and that some items may be located under other categories.

Jim reported that he opened an account for the recreation committee and deposited the donations that we have received. He said he believed GLA needed to create a set of bylaws for the committee. The board agreed to send out thank you letters to those who had made contributions.

Jim reported that the loan for the paving was a 15-year $250,000 loan at 8.5% interest. The quarterly payments are $7,556.32. If we desire, we can change our quarterly payments to yearly. The interest is on the unpaid balance and we can prepay the loan with no prepayment penalties.

Jim said he will be taking a vacation that will extend past the next meeting date. He gave Walter GLA's checkbook and Eric our mailbox key so he can pick up our mail. He requested any checks we receive in the mail and copies of the checks we write be given to our bookkeeper by the end of the month so he can update our balance sheets.

MOTION: Jim moved to throw out the ballots from the special Landowners Meeting for voting on the loan to pave our roads. Dan, Jr. moved to amend the motion to keep the ballots for a minimum of one year unless legally notified otherwise. Bruce seconded the amended motion. The amended motion passed.

3.2 **Architecture Subcommittee** Robert Wallace (Chair)
Robert presented Pouwell Gelderloos' subdivision of parcel 7B in North Glastonbury for preliminary approval. The proposal is to subdivide the parcel into three lots approximately 1.3, 1.47 and 1.6 acres. Robert noted that the master plan calls for minimum parcel size of 2 acres. He also noted the Master Plan has not been approved and that the plan allows for waivers.

Pouwell presented his plan to the meeting stating he has worked with the federal Rural Development Agency and has developed specifications and general plot plans under their guidance. His plan is to build one home on each parcel. He presented a picture of the type of a home he hopes to build on the new parcels.

Eric read into the record Janet Jensen's (owner of parcel 6B-4) fax opposing the proposed subdivision. (see attached) Svend Anderson (parcel 8), Mary Boudreau(6B-1), Arlene Hoag (7C), Charlotte Mizzi and Elizabeth Thorpe (6B-3) and other near-by landowners also expressed opposition to the subdivision. The objections were (1) lot sizes--three lots versus two lots, (2) additional traffic on Taurus Road, (3) potential groundwater problems, and (4) setting precedent of accepting smaller parcel sizes than called for in the Master Plan. Arlene noted that their well was running dry. It was suggested that Patrick Woldberd (7B) may be planning to subdivide his land.

The board discussed what the Glastonbury Covenants say about minimum lot sizes and read into the record sections 9.03, 9.07, 3.7.1 and 3.7.2 from the G. Covenants. Robert noted that even though the Master Plan prohibits singlewide mobile homes, the board has approved several singlewide trailers.

MOTION: Philip moved and Christine seconded to contact our attorney and have him review our Covenants to determine (1) if the 2-acre minimum parcel size listed in the Master Plan which has not been ratified should be followed (2) how much weight comments from neighboring parcels should have in making a decision whether to accept the preliminary subdivision plan, and (3) what problems are there for the board to invoke the minimum 2-acre limit in the Master Plan when a landowner is subdividing land into lots less than 2 acres. The motion passed. Eric is to discuss this with our attorney.

Eric suggested that we ask the Church to sign over the mining rights they have on the Glastonbury lands into a Conservancy Trust to protect us from running into the same problems the Jackson Creek development (near Livingston) is having with the owner of the mineral rights (not the landowners) selling them to a coal gas firm who is now planning to drill for gas there.

3.3 Road Committee Bruce Ganje (Chair), Eric Newhouse (Co-Chair)
Eric reported that since Walter reported that there was a previous agreement to pay O'Hare the cost to prepare the roller for use, GLA paid the bill in full.

Eric reported that he has not been able to dig the test pit at the pond in lower South Glastonbury. He also reported he received a $3,500 bid to build the pone from Chad Standish.
MOTION: David moved that we accept the Chad Standish $3,500 offer to construct the fire fighting pond in low South Glastonbury. Dan, Jr. amended the motion to allow Eric and David to spend up to $500 to modify the design to include a plastic liner depending on results of a test pit constructed in the area of the pond. Robert seconded the amended motion. The amended motion passed.

Walter is to check the previous meeting minutes regarding the use of snowmobiles on Glastonbury roads

3.4 Complaint Committee Christine Johnston (Chair)
Eric submitted a letter from William Pitt requesting his property be removed from the GLA.
MOTION: Dan, Jr. moved and Philip seconded to not accept William's request and for David to write him a letter so stating. The motion passed.

Eric presented a letter from John and Pat Brettschneider (parcel 80S) requesting the cleanup of of large pieces of equipment on parcel 81S.
MOTION: Philip moved and Ian seconded for Christine to write a letter to the Brettschneiders indicating we have received their letter and the action we will take.

3.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair)
Dan, Jr. reported that he and George Makris are working on a letter to the Church regarding the restricted lands. They expect to have the letter ready this month.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair) No Report

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG) No report

File: MtgMins 09 10 01.doc
Revised: 8/18/01
Amended: 10/1/01

4. Other Business

4.1 Election Committee No report

4.2 Weed Control No Report

The meeting was adjourned at 10:00 pm with no further business

The next meeting will be held October 1, 2001 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS

- David is to send out thank you letters to those who donated money to the Recreation Committee.
- Eric is to ask our attorney for his opinions concerning our obligations to follow the Master Plan's minimum parcel size standards in subdivisions.
- Eric and David to (1) inspect the soil near the new fire-fighting pond and determine if a pond liner is needed or not and (2) direct Standish to construct the pond.
- David is to write a letter to William Pitt.
- Christine Johnston to write a letter and work on resolving Brettschneider's complaint.
- Dan, Jr. to write letter to Church regarding the village areas.
- David to hire someone for office help.
- Walter to check previous meeting minutes for a resolution regarding use of snowmobiles on Glastonbury roads.

NOTICE OF PUBLIC HEARING

The Park County Planning Board will hold a public hearing at 1:30 PM, Thursday September 20th, 2001 in the Community Room in the City County Building at 414 East Callender Street, Livingston, MT.

The reason for the public hearing is to consider a subdivision application.

The application was submitted by Pouwel and Marian Gelderloos. They are proposing splitting a 4.375 acre lot into three lots. The parcel is located in the NW 1/4 section 32, T5S R8E. The parcel accessed from Bradford Way in North Glastonbury. The parcel is described as Tract 7-B, Subdivision 306 as filed in the Park County Clerk and Recorders Office.

This notice is sent to landowners who own property within 300 feet of the proposed subdivision using addresses supplied by the applicant

Both written and oral testimony will be considered at the public meeting. For further information, please contact Jackie Robbins at the County Planning Office, during the afternoon, at 222-4144.

Re: NW 1/4 section 32, T5S R8E

To All the above and other Board Members of GLA:

I am writing to you as a homeowner in North Glastonbury adjacent to the lands proposed to be split therein, the application of which was submitted by Pouwel and Marian Gelderloos. I have been notified by the Park County Planning Office that a public hearing will be held at 1:30 on September 20 in Livingston in connection with the above, a copy of which I am attaching hereto.

At the Glastonbury Landowners Association Meeting which will be held Monday evening, Sept. 10 @ 7 p.m. at The Golden Ratio, please present my position as follows:

I am vigorously objecting to this proposal being accepted because I believe this will be a first in Glastonbury for such small parcels of land to be subdivided and the density will be too great to maintain the uniformity, harmony and beauty of the surrounding land. This proposal is also inconsistent with the Master Plan of the Community in which only certain areas were designated for greater density and which would effectively alter the character of the Community.

We moved to Glastonbury to escape crowding and population density. We did not expect to find it occurring in North Glastonbury in defiance of the Master Plan which was considered quite sometime ago. Why should this same situation be rehashed once again? We are diligent in improving our land and property; however this is now a base deception upon the residents of Glastonbury and our property.

I am asking the Board to reject the above application for sub-divisions. If we are not now astute as to how we handle this assessment of our liberties and rights, we will lose in the end and this will be a catalyst for other developers and persons to seize the opportunities for development who have no real concern for our Community, but only monetary gain.

Respectfully submitted, Janet Jensen and family

Re: Introduction and issues

Hello:

We are pleased to be the new owners of Lot #80 in Glastonbury South. My wife and I have already made the first improvements by employing Harold Marchington to build us an access road to our intended home site.

We will be unable to begin actual home construction for certain years. However; we do wish to make other additional improvements such as a water well as our pocketbooks will permit.

This brings up a point of concern that you are most certainly aware of. There are several pieces of large construction equipment on lot #81. These have sat unattended, unused, and unmoved since our original visit-to-purchase last February. There is also other construction material including a large steel culvert, and a bunch of debris that can be fairly characterized as "junk". It is an obvious "eyesore". I am enclosing a photograph taken from our intended home site. This "junk" detracts from our view, and diminishes the value and character of our investment. If it is left to remain, it will detract from the quiet enjoyment of our property. I believe that it is at present unwise of us to engage in any additional land improvements until this trash issue has been resolved

5.04 "Refuse shall not be allowed to accumulate"
5.05 "eyesores shall not be allowed"
5.05a "junk cars, or equipment, scrap piles in open view of other parcels... ...."

I would say that the crane, bulldozer, culvert, other construction equipment, and assorted trash qualifies as "junk" under the Declaration Of Covenants.

10.01 grants the Association the right to enforce all regulations. We therefore petition the Landowners Association to please request that the violations be corrected, and the "eyesores" be removed by the land owner of lot #81 within some sane and reasonable time frame as outlined under 10.02.

On another note; our records at "closing" do not seem to indicate an escrow of pro rated land owners fees for the time frame of April 2000 through the end of the year. Nor do we have an indication of how these fees are to be paid in the future. Please tell us how the Landowner Association fees are to be [illegible]

do not wish to be in arrears.

We look forward to being good neighbors, and hope to have good relations with the Land Owners Association.

Thank you

I give my proxy for the August & September GLA meeting to Daniel Kehoe Jr.

Subj: **O'Hare Construction invoice and proper meeting notices**
Date: 8/23/2001 9:01:10 PM Mountain Daylight Time
[redacted]m: spectec@wtp.net (SpecTec)
[redacted]mbganje@aol.com ('Bruce Ganje'), christine_e_johnston@yahoo.com ('Christine Johnston'), DanKehoe2@aol.com ('Daniel Kehoe, Jr.'), CDTonkin@aol.com ('David Tonkin'), enewhouse@mcn.net ('Eric Newhouse'), gcmakris@yahoo.com ('George Makris'), Scotsman@mca.net ('Ian Scott'), AJP@mcn.net ('Jim Phipps'), vondir@prodigy.net ('Jon Olsen'), yrpub@wtp.com ('Philip Hoag'), eaglemac@imt.net ('Robert Wallace'), Wunsch@mcn.net ('Walter Wunsch')

Dear Board Members:

This week I received a call from O'Hare Construction in regards to non payment for the work performed on Dry Creek Road in preparation for pavement. I learned from Jim Phipps that you discussed this matter at your last meeting and feel that the charges on O'Hare's bill are high. On first impressions I felt likewise; however when I review similar invoices with various contractors, I found it very difficult to assess these and hard to contest.

In defense of the integrity and honor of O'Hare Construction, I can only say that he agreed to help us out at a moment when no other source was available within two hours notice. He charged exactly the standard equipment and labor rates per his unsuccessful bid on the Dry Creek preparatory project. In view of the circumstances, he could have required a higher rate or he could have refused to help us. Eric, Philip and myself were all in agreement that this was a key piece of equipment which would have a significant positive affect on the quality and longevity of the pavement.

[redacted]In view of these circumstances, it is my recommendation that we [redacted]kly pay this bill. I also like to repeat what I have told Eric a month ago, that in view of Archie Mann's outstanding performance on the Dry Creek Project, we do not penalize him for not providing the proper rolling equipment which he was required per contract. Or at least if the Board wishes to penalize him for that, he only be charged half.

As an important side note, I would also like to request that we return to conducting regularly scheduled and announced meetings as required per bylaws with written agenda. I did not receive notice of the August meeting until it was already half an hour in session. This is especially concerning since I requested almost two weeks prior to that of Eric to conduct a meeting as soon as possible so we could bring closure to the pavement project.

Respectfully,

Walter Wunsch

FINAL
Glastonbury Landowners Association
Board of Directors Meeting Minutes
October 1, 2001
CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Eric, 7:15 p.m, at Golden Ratio Woodworks. Christine gave the opening prayer.
PRESENT: Eric Newhouse (President), George Makris (Vice-President), David Tonkin (Secretary), Philip Hoag, Christine Johnston, Dan Keyhoe, Jr., Jon Olson, Ian Scott
ABSENT: Jim Phipps (Treasurer), Walter Wunsch
PROXIES: Walter Wunsch gave David Tonkin his proxy
ALSO ATTENDING: Regina Wunsch, Svend Anderson, Pouwell Gelderloos, Charlotte Mizzi, Elizabeth Thorpe, and Cheryl Upshaw

2. Reading and Disposition of the Minutes

MOTION: Dan, Jr. moved and Christine seconded to approve the amended September meeting minutes. The motion passed.

Eric indicated Janet Naclerio is moving here and looking for a secretarial job. Her number is 717-432-8044

3. Report of Officers and Committees

3.1 Treasurer's Report Jim Phipps (Treasurer) No Report

3.2 Architecture Subcommittee Robert Wallace (Chair)

William Smith submitted his subdivision for final approval. Eric read into the minutes William's letter requesting approval of the subdivision. Eric to check previous minutes.

Pouwell Gelderloos presented his proposed subdivision and noted that it meets the average minimum acreage size of 2 acres. Dan, Jr. noted the 2 acres average minimum was per 20-acre parcel and not just for a subdivision. 7-B (N6)

Eric read into the minutes our attorney's letter answering questions about the legality of reviewing a parcel against the Draft Master Plan and how much weight to give to comments from neighbors. (see attached)

Eric read into the minutes his letter that he sent to Pouwell Gelderloos. (see attached)

MOTION: Philip moved and David seconded to make null and void the the letter Eric sent to Pouwell, dated September 19, 2001. The motion passed.

File: MtgMins 10 01 01.doc
Revised: 08/30/01
Amended: 11/30/01

Cheryl reported that Ron Wallace, owner of Parcel 8 N: (1) wanted to know about the gate along North Fork of Fridley Creek for the 20-foot creek bank access easement, (2) agreed to allow people to travel the creek easement, but wanted to prevent dogs from having access, (3) wanted children to not trespass on his land to the spring on his property from the creek easement, (4) wanted to prevent people walking across his property to gain access to the creek easement, (5) wondered who carries the liability of someone who injurs himself walking along the creek easement, and (6) does not want individuals to camp, build forts or campfires along the creek in the easement. It was noted that landowners must post "No Trespassing" signs and/or fence their property to prevent people from walking across it, and that Ron cannot dictate what other property owners do on their property in the creek easement.

Charlotte Mizzi voiced her objection to the proposed subdivision because of increase traffic problems on Taurus Road in the form of traffic noise and the increase wash boarding of the gravel road. She disagrees with utilizing the 2 acre average density to judge the proposed subdivision.

Elizabeth Thorpe objected to the proposed subdivision because it was not in accordance with the Master Plan.

MOTION: David moved and Christine seconded to hold a special meeting of GLA board members only on October 11, 2001 to review and vote on the proposed subdivision and to report back with the results of the vote to the parties involved. The motion passed.

Eric read into the minutes Section 9.07 of the Covenants which discusses the GLA Board's right to set density standards.

MOTION: Philip moved and Dan, Jr. seconded GLA to consider establishing interim density standards similar to Schedule 3.8 of the Draft Master Plan with a minimum acre size and provisions for handling variances for future subdivisions. The motion passed.

Dan, Jr. suggested we approve the Master Plan in two phases: one for the land outside of the village centers and one for the village centers.

The board discussed the water reservoir in South Glastonbury. They agreed to install a liner and have Philip oversee its completion.

3.3 Road Committee Bruce Ganje/Ian Scott (Co-Chair) No report

3.4 Complaint Committee Christine Johnston (Chair) See ombudsman report

3.5 Land Use Master Plan Committee Dan Kehoe, Jr. (Chair) No report

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair) No Report

3.7 Ombudsman Report Regina Wunsch (SG) Joan Murphy (NG)
Regina reported a problem between the Watsons (Parcel S 88-A) and William Pitt (Parcel S 89) regarding the gate at high South Glastonbury and has talked with both parties in the last month. (see attached) Regina suggested GLA (1) notify all landowners in writing as to when the subject gate is to remain open and when it is to be closed, (2) notify residents that parking in the road easement is not allowed and there is parking available at the end of Sagittarius Skyway, (3) repair the gate and latch on the subject gate, (4) have someone on the Board other than Eric respond to any complaints between the Watsons and William Pitt to prevent any feeling of bias.

Eric read the Watson's letter into the minutes. (see attached)

MOTION: Philip moved and Ian seconded for the secretary to write a letter to William Pitt requesting that he stop harassing individuals who have a legal right to be in high South Glastonbury, including property owners in Glastonbury and their guests, service and emergency vehicles, real estate representatives, etc. or a restraining order will be sought against him. The motion passed.

MOTION: Philip moved and Dan, Jr. seconded to install a post to be used to lock open the gate. The motion passed.

The board agreed to write a letter to Glastonbury residents and landowners stating (1) the subject gate will remain open during the year except during the general big game, rifle-hunting season (starting October 23, 2001) excluding bow and late seasons (and ending November 25, 2001) and when it will be closed--but not locked and (2) parking is not allowed on Glastonbury road easements except in special locations such as the end of Sagittarius Skyway.

4. Other Business

4.1 Election Committee No report

4.2 Weed Control No Report

The meeting was adjourned at 10:30 p.m. with no further business.

The next meeting will be held October 11, 2001 at Golden Ratio Woodworks, 7 p.m.

File: MtgMins 10 01 01.doc

OMBUDSMAN REPORT—SOUTH GLASTONBURY
10/1/01

RE: WILLIAM PITT AND MARIAN AND DAVID WATSON

9/21/01

William Pitt reported that the gate in high South has been left open on numerous occasions and parts of the latch taken off several times. He said he had been closing the gate because hunters were coming up to check out where to hunt when the season begins. The gate was being left open and there is a danger of the gate swinging into the windshield of cars when it is not closed properly. Someone again tried to dismantle part of the latch. He's been repairing it, but is running out of parts. He thought that the Watsons were the ones leaving the gate open and dismantling the latch.

He said Eric called him and threatened to tear out the gate with his backhoe. He thinks the Watsons complained to Eric and Eric is siding with the Watsons, because Eric and members of his family built the Watson's house.

He said the gate has been very effective in keeping non-resident hunters out of high South.

9/23/01

The Watsons said they are not dismantling the latch and have been closing the gate most of the time, but thought August was too early to close it. When they bought their property they were told by David and Eric Newhouse they would have to close the gate during the general hunting season—mid October to Thanksgiving. They were willing to close the gate for that time period, but not earlier, because it was a nuisance to have to do it. They said the gate seemed to be very effective in keeping out unwanted hunters last year and saw no reason to close it earlier. They thought the GLA closed the gate in August and complained to Eric about it.

When they moved in the gate did not have a latch, the latch appeared later. They thought William Pitt put it up and were upset he did not notify them. They said the latch was

hard to open and two fire trucks, the FedEx man, their window washers and other visitors couldn't open it and turned back thinking the gate was locked.

They mentioned that a cement truck had accidentally dribbled some cement on William Pitt's easement when doing cement work for them. William Pitt had left a not too friendly message on their machine telling them to clean it up. Marian started to remove the cement, but hurt her back. When she went back later after her back had recovered, William Pitt had removed the cement and thrown the pieces unto the Watson's property.

9/25/01

I notified William Pitt that the Watsons were not dismantling the latch and they were only willing to close the gate during the general hunting season, as required by the GLA when they bought the property.

He said that he was never explicitly told by the GLA when the gate was to be closed and that it was only during the general hunting season. He said that Dan Kehoe Jr. put the latch on the gate.

He brought up that when the Watsons had cement work done, they had the cement truck dump its excess cement on his easement. When he complained to them they did not have anyone clean it up and he had to remove it himself. I explained that the Watsons thought it was an accident and tried to clean it up. He said there was still a big chunk that he couldn't move near the culvert. He was not sure whether it would cause drainage problems.

He stated he was concerned about hunters parking on the road easements and the GLA doing nothing about it. I told him he could report those parking on his easement for trespassing. Those parking on neighboring easements he could advise that it was against the covenants and report them to the GLA, if they did not move. He did not think the GLA would notify the offenders that parking in the easements was a violation of the covenants.

9/26/01

I updated Marian Watson that William said he wasn't told the gate was to be closed only during general hunting season. She said she didn't believe him. She agreed that a written notification to all current and future landowners affected by the gate would be helpful. She also would like 1) to see landowners notified that they should not park on the road easements, but at the end of the road where parking space was available, and 2) the GLA to take the gate off of its hinges after the general hunting season and attach it when the hunting season begins, so no one can close it at other times in the year.

I told Marian that William Pitt had brought up the cement issue and stated the truck had purposely dumped its excess cement on his property. He didn't hear from them and thought they weren't cleaning it up. I told Marian that I told informed him that she thought it was an accident and tried to clean it up. I advised her about the large chunk of cement near the culvert and that it might cause drainage problems. She said she would look for it and have Warren Newhouse, who was coming up to do some work for her that day, remove it.

RECOMMENDATIONS:

1) Notify all landowners affected by the gate in writing when the gate is to be closed and that it is to remain open at all other times. Give a copy of the notice to all new landowners with their building application forms.
2) Notify residents that parking on road easements is not allowed and parking is available at the end of the road on the common use land.
3) Inspect the latch on the gate to see if something can be done to make it more obvious how to open it. Otherwise remove it and secure the gate in a different manner so it doesn't swing open by itself.
4) If the Watsons have a complaint regarding anything involving William Pitt, have a Board member other than Eric, anyone he is working with or anyone else who has worked on the Watson's house respond to it. Then no claims of bias can be made. Also do not have Walter respond to it, since William Pitt works for him. William

PIETER AND CAROLINE GRAAFLAND
#1605-8610 Jasper Ave, Edmonton, AB, T5H 3S5, Canada
Ph: 780 420-6873, e-mail: caropiet@telusplanet.net

Edmonton, AB, September 24, 2001

To: GLA Board and Master Plan Committee
Mr. Eric Newhouse, President
Emigrant, MT, USA

Dear Sir,

We received word that your Board is planning to put in place by resolution a new, far stretching, requirement to restrict the minimum size of a lot in North Glastonbury to 2 acres.

We as owners of Lot 26 B strongly oppose to this procedure.

1. In the Land Use Master Plan, as defined a few years ago, it was agreed that the minimum lot size in Glastonbury of two acres was based on the average of the original size of the parcel. That meant that we, as owners of a 20-acre original lot, theoretically could subdivide to max. 10 home sides. We now have 5 lots and are in the process to increase that to 7 (still one less than stated in our original plan as mentioned in our January 22, 1999 letter to you, which was never been answered). With 7 lots the average lot size on lot 26, based on the original lot size of 20 acres, will than be 2.85 acres. This is still 42% above your minimum requirement of 2 acres.
2. The Master Land Use Plan has never come into effect. But this, in our opinion, does not give you any reason and/or authority to change this plan and the agreements already in place by sole resolution of your Board. This is a very important matter and should be voted on by the complete membership.
3. In our opinion your proposal is also an example of bad planning. You will make the total planning process for many of your members much more rigid and inflexible. There is no reason that a lot of, for example 1.5 acres, is not feasible and not acceptable for county and state authorities. Much depends on the individual situations. Further, in North Glastonbury there are already 11 lots of less than 2 acres. It is, in our opinion, unfair to cut of other members from having this possibility.
4. We would advice you to put in effect the Master Land Use Plan as soon as possible and let the membership vote on it. By doing so the uncertain situation which exits now will come to an end and we as members will be freed from changes and new requirements all the time (please see our letter of Jan 22, 1999).
5. We would strongly advice you not to embark on the same way as the Mother church is now on, namely to cut off the membership in partaking in the decision making process. In the Aquarium Age policies like "Father Knows Best (i.e. important decisions by resolutions of the Board) are totally outdated and not tolerable any more. We trust to receive the final Master Land Use Plan soon, including a ballot sheet.

You're Sincerely,

Caroline Graafland.

Pieter and Caroline Graafland

FINAL
Glastonbury Landowners Association
Board of Directors Meeting Minutes
November 5, 2001
CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by Eric, 7.15 p.m., at Golden Ratio Woodworks. David Tonkin gave the opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice President), David Tonkin (Secretary), Christine Johnston, Jim Phipps, Robert Wallace, Ian Scott, Jon Olson, Walter Wunsch, Daniel Kehoe, Jr., Rudy Parker, Bruce Ganje, Philip Hoag.

ABSENT: None

PROXIES: None

ALSO ATTENDING: Pouwell Gelderloos, Penelope Price (secretary).

2. Reading and Disposition of the Minutes

MOTION: Dan Jr. moved and Ian seconded to approve the amended October 1, 2001 and the October 11th, 2001 special meeting minutes. The motion passed.

3. Report of Officers and Committees

3.1 Treasurer's Report Jim Phipps (Treasurer)

Rudy Parker reviewed the Balance Sheet. (see attached) Rudy notified the board that he would be unable to keep the books after January 1, 2002, but that Clare Parker, Rudy's wife, would be able to continue in his place.

Jim Phipps presented the board with a list of untraceable Glastonbury landowners. See attached.

ACTION: Jim is looking for somebody to take on the job of picking up and distributing GLA mail.

Eric has the key to the safety deposit box.

3.2 Architecture Subcommittee Robert Wallace (Chair)

Pouwell Gelderloos was present at the meeting to participate in the ongoing discussion about development at the Subdivision of Tract 7-B North.
Eric read Berg, Lilly & Tollefsen letter regarding Glastonbury subdivision. (see attached letter)

File: MtgMins 11 05 01.doc
Revised: 12 02 01
Amended: 12 03 01

MOTION: Ian Scott moved and Robert Wallace seconded the motion for the GLA to accept the variance made by Park County Planning Dept. for a 40 ft. right-of- way.
Motion passed, 6 in favor, 3 against, 2 abstentions.

MOTION: David moved and Walter seconded to abandon the October 11, 2001 motion provision that we are not giving approval to the Gelderloos subdivision until legal council is obtained regarding this issue before final approval or disapproval of this subdivision. Motion passed unanimously.

Philip Hoag read Mason letter to the board regarding original intent of the subdivision road was for a single-family dwelling. Daniel Kehoe read to the board from the Glastonbury Covenants stating that it was the responsibility of the GLA to protect the original intent of the landowners.

Pouwell reported to the board that he had a letter of approval from Park County for access to his subdivision. He had contacted the Wolberds about access through their property. They had offered to sell him 2 acres of their land for $5,000. Pouwell was not in favor of this option.

Eric noted that there were legal ramifications if the board favored either party in their voting. It was decided that this discussion should continue at a future meeting. A recommendation was made to Philip and Pouwell to seek professional arbitration in this matter.

3.3 Road Committee Ian Scott/Bruce Ganje (Co-Chair)

The board discussed how to address the issue of balancing the funds spent between North and South Glastonbury on paving the roads this summer. George Makris said there was a legal obligation to do this as it was written into the form used for voting during the special landowners meeting in June 2001 that discussed whether to pave or not to pave the roads. A recent spending of funds on the South Glastonbury reservoir was discussed as possibly offsetting the imbalance. The assessments for North are 281 and for South 256. Only a 25 assessment difference.
ACTION: Philip Hoag will suggest road projects for South to balance out the expenditure of monies between North and South Glastonbury.

Philip reported on the progress of the Reservoir in South Glastonbury.
ACTION: Robert Wallace will get a valve for the pump.

3.4 Complaint Committee Christine Johnston

Secretary has written letters regarding gate in High South and these will be sent out to South Glastonbury residents.

3.5 Land Use Master Plan Committee Daniel Kehoe, Jr. (Chair)
The board discussed the Glastonbury Master Plan.
ACTION: Dan is working on a letter to Church Headquarters to arrange a meeting to discuss village centers becoming part of the Master Plan.

MOTION: David Tonkin moved and George Makris seconded to hire a Title Company to find out who owns the mineral rights. Motion passed unanimously. Eric will get involved in this issue.
ACTION: Daniel Kehoe will find a suitable Title Company.

3.6 Recreation Committee Robert Wallace/Eric Newhouse (Co-Chair)

ACTION: Draw up by-laws for the Recreation Committee.

ACTION: The Recreation Committee will meet and report back to the GLA Board after holding a Recreation Committee meeting.

The Board discussed the Recreation Committee having a separate account.

3.7 Ombudsman Report Regina Wunsch (SG) and Margaret Newhouse (NG). No report.

Other Business:

4.1 Election Committee
George Makris will chair the Annual Meeting at the Emigrant Hall. Eric apologized for being absent.
Christine noted that proxy votes had been given by members to the entire GLA board. The wording on the letter sent to members would have to be reviewed so that this would not happen in future. Christine asked if the Teaching Centers could vote. The T.C. boards would have to apply to become part of the GLA. There was no time to do this before the upcoming election.

4.2 Weed Control No report

The meeting adjourned at 11:00 p.m. with no further business.

The next meeting will be the annual meeting held in Emigrant Hall at 10 a.m., November 10, 2001.

RE: Glastonbury Subdivision

Dear Commissioners:

This office represents the Glastonbury Landowners Association, Inc. At the request of the Board of Directors of the Association I would like to bring to your attention an important issue regarding Park County's approval of further subdivisions within the community of Glastonbury in the Emigrant area. The Restated Declaration of Covenants for the Community of Glastonbury have been legally adopted and are on file and of record with the Park County Clerk and Recorder at Roll 124, Page 548, as Document No. 262163. The Covenants are legally effective and enforceable. Section 9 of the Covenants deals with further subdivision within the community, and authorizes and empowers the Association to review and approve or disapprove any proposed subdivision of lots within the Community of Glastonbury on the basis of certain objective standards. All Glastonbury lot owners are required to submit all such proposals for subdivision to the Association.

Occasionally, a lot owner who fears that his or her subdivision proposal may not receive favorable treatment from the Association bypasses this required procedure and submits an application directly to the County, or submits such an application before the Association's review process is complete. In an effort to avoid such end runs and the possible ensuing litigation which could result from County approval of a subdivision without corresponding Association approval under the Covenants, the Association requests that the Park County Commissioners and the Park County Planning Office keep this precondition in mind when evaluating subdivision applications pertaining to properties within the Glastonbury community. Your cooperation in this regard will be much appreciated.

In this connection, a subdivision application has been submitted to the County by Pouwel Gelderloos for Parcel # 7B that was recently approved by the Park County subdivision committee and granted a variance on the 60 foot easement requirement. Please be advised that the Glastonbury Landowners Association has not given any approval to this proposed subdivision and takes the position that without its written approval, such subdivision, even if given final approval by the County, is prohibited under the Covenants and voidable as a breach thereof.

Thank you for your consideration of the Association's concerns in this regard as noted in this letter. Please feel free to call this office with any questions.

Sincerely,

John T. Glover, Jr.

FINAL

Glastonbury Landowners Association

Special Board of Directors Meeting Minutes

November 12, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by Eric, 7:35 p.m/, at Golden Ratio Woodworks. David Tonkin gave the opening prayer.

PRESENT: Eric Newhouse (President), George Makris (Vice-President), Jim Phipps (Out-Going Treasurer), David Tonkin (Secretary), Cynthia Dodge-Blocker, Philip Hoag, Dan Kehoe, Jr., Charlotte Mizzi, Jon Olson, Ian Scott, Walter Wunsch

ABSENT: None

PROXIES: None

ALSO ATTENDING: Pouwell Gelderloos, William Smith, and Elizabeth Thorpe.

2. **Order of Business**

2.1 **Election of Officers** Eric started the GLA election process for the officers by passing around a sheet of paper for people to sign up for the office of their choosing.

- David Tonkin was elected President.
- Robert Wallace was elected Vice-President.
- Cynthia Dodge-Blocker was elected Treasurer.
- Philip Hoag was elected Secretary (provided a secretary was hired to take the meeting minutes and do the secretarial duties).

David took over the chair for the meeting after being voted into office.

2.2 **Election of Committee Chairs** The following committee chairs were filled:

- Architecture Subcommittee – Robert Wallace and Bruce Ganje were elected to co-chair this committee with Jon Olson as a committee member.
- Road Subcommittee – Bruce Ganje and Philip Hoag were elected to co-chair this
- sub committee with Eric Newhouse, Charlotte Mizzi and Walter Wunsch as committee members.
- Complaint Committee – Charlotte Mizzi was elected to chair this committee.
- Land Use Master Plan Committee – Dan Kehoe, Jr. and Eric Newhouse were elected to co-chair this committee with Charlotte Mizzi, Cynthia Dodge-Blocker, Jon Olson, Pouwell Gelderloos, and Elizabeth Thorpe as members.
- Recreation Committee – Eric Newhouse was elected as chair with Pouwell Glederloos, Charlotte Mizzi, Ian Scott and Robert Wallace as committee members.
- Weed Committee – Philip Hoag and Bruce Ganje were elected as co-chairs with Jon Olson as a committee member.
- Web site committee – George Makris was elected as chair.

File: MtgMins 11 12 01.doc
Revised: 11/16/01
Amended: 12/6/01

Walter read into the minutes Regina Wunsch's memo regarding the election of ombudsman. (see attached) The board agreed that Regina, and not Paula Kehoe, was the elected ombudsman for South Glastonbury and that the board should determine if any of the write-in candidates for North Glastonbury wanted the position.

3. Reports of Officers and Committees

3.1 Treasurer's Report Jim Phipps (out-going Treasurer)
Jim brought up some miscellaneous matters necessary to transfer his duties to the new treasurer.

The board decided David, Cynthia, Eric, Dan, Jr., Walter and Robert would be authorized to sign checks for GLA. The decision of who would be able to sign the checks for the Recreation Committee was tabled until that committee could meet and make a recommendation to the GLA Board.

The board decided that David and Eric would be board members that are authorized to have keys for GLA's safe deposit box.

Cynthia will pick up mail in GLA's post office box.

David's database for Glastonbury parcels will be used as the master list.

Jim will meet with Cynthia to transfer the Treasurer's files.

3.2 Architecture Subcommittee Robert Wallace (Chair)
Robert presented a number of proposals for building on and subdividing parcels.

William Smith's subdivisions of parcels 42 N, 54 N and 55 N were presented for final approval. William asked for a developer variance so he would not have to pay the $120 land assessment for the new subdivided tracts until they are sold. He would continue to pay the $120 dollar land assessment fee for each parcel and a $120 home assessment on the tract that has his home on it.

MOTION: Dan, Jr. moved and Philip seconded to give final approval for the subdivisions. The motion carried.

ACTION ITEM: Ask our attorney "If GLA should accept the suggested developer's variance, would GLA then be required to pay previous developers who were not granted the variance?"

FINAL

Glastonbury Landowners Association

Special Board of Directors Meeting Minutes

November 12, 2001

CONFIDENTIAL – DO NOT COPY

MOTION: Robert moved and Ian seconded to give final approval for subdividing parcels 36 S and 40 S with the proviso that the road easements in the subdivided lands would be expanded to 60 feet to meet the county's new standards. The motion passed with one abstention.

MOTION: Robert moved and Bruce seconded to give preliminary approval of subdividing tract 26-B N. The motion carried.

MOTION: Robert moved and Jon seconded to give preliminary approval of a 5 lot minor subdivision of tract 42-B S with the proviso to expand the road easement in the tract to 60 feet. The motion carried.

MOTION: Robert moved and Bruce seconded to give preliminary approval for subdividing parcel 12 N with the proviso to expand the road easement to 60 feet. The motion carried.

MOTION: Robert moved and Bruce seconded to approve a preliminary site plan for arcel 108 S. The motion carried.

MOTION: Robert moved and Jon seconded to give final approval of the construction on parcel 71 S. The motion carried.

MOTION: Robert moved and Ian seconded to approve construction of the driveway to the home site on parcel 83 S. The motion carried.

Eric read into the minutes a letter from GLA's attorney regarding Pouwell's proposed subdivision. (see attached) Philip presented letters from the Hoags, Masons and Mark's Arc that the road easement into tract 7-B N was intended only for a single-family residence. Philip said the easement was originally intended to be 20 or 30 feet wide instead of the 40 foot easement used by the surveying firm who created the original subdivision. William Smith read into the minutes a letter from James Bennett (original owner of tract 7-B N) stating no objections were expressed against future subdivisions of tract 7-B N by the other owners of parcel 7 N when it was being divided into tracts. (see attached) The main issue is the location of the easement into tract 7-B and the fact that it runs right in front of Philip Hoag's house. Discussed options to move the easement to the other side of tract 7-C. William Smith noted that Patrick Wolberd is planning to subdivide his tract 7-A.
MOTION: Ian moved and Walter seconded to give preliminary approval of Pouwell's proposed subdivision of tract 7-B into three lots. The motion carried with six in favor, three against and two abstentions.

The meeting was adjourned at 11:45 pm with no further business
The next meeting will be held December 3, 2001 at Golden Ratio Woodworks, 7 p.m.

Memorandum

To: GLA Board of Directors

From: Regina M. Wunsch

Date: 11/12/2001

Re: Ombudsman election results

I would like to rescind my agreement to the suggestion made by Board member George Makris at the GLA meeting on Saturday, Nov. 9, to be co-ombudsman with Paula Kehoe. I believe, that upholding this agreement under the given circumstances is not proper.

When George announced the ombudsman election results I had the impression from his comments and his subsequently offering her the position that Paula Kehoe had been elected by write-in voters. When George suggested we work as a committee after Paula declined the position, I agreed to because I believe it is important that the person serving has the mandate of as many members as possible, even though only one person has availed himself of the ombudsman service in the last two years, and the value of the position is mainly symbolic,

After the meeting when I was leaving the Hall, I learned from George that I had actually been elected as ombudsman and he thought he had announced it. Since Paula was still there I apprised her of George's comments and that I thought he had announced her for the position. She said, she was rather confused by the whole thing, too. Judy Anderson also thought George had announced Paula as the ombudsman.

When at home Walter told me he too believed Paula was the ombudsman, I thought I must have misunderstood George. As I could see no reason for him to offer her the position, if she had not been elected, I decided to call Maydell Goulart who counted the South Glastonbury votes, to clarify who won. She confirmed I had indeed gotten the majority vote. Before I could thank her for the information she added that Paula had been written in by the Church for its 19 votes and then gotten 3 additional votes.

Although I was only interested in and had only requested information regarding the final outcome of the vote, inadvertently finding out the number and breakdown of Paula's votes helped me in my reflections and decision about this confusing situation. I never thought about the Church vote, because I was under the

impression that the Church had the policy of waiting till the elections were over and having its large block votes added to the candidates elected by the community, so it would not inadvertently skew or override the community vote. I assumed, Paula had been written in by the majority of community members.

As my agreement to be co-ombudsman was based on the assumptions that Paula not only won, but that she also had a substantial community mandate, and on my belief that it is important that the ombudsman have the mandate of as many community members as possible—even if it is a mainly symbolic position-- I do not feel it is proper under these circumstances to uphold it. Therefore, I request that the GLA Board clarify the election results with Paula, as there appears to be confusion about the outcome, and the ensuing misunderstandings that arose from George's publicly offering her a position that she was not elected to.

I would like to recommend that in the future the Board adhere to their procedure and protocol when announcing election results and refrain from personal comments that detract from relating the outcome and create unnecessary confusion. I agree that keeping election meetings light and friendly makes people more willing to attend them and creates a better community atmosphere. But I do not think it is appropriate to go so far as to publicly offer candidates positions they do not have enough votes for and basically broker "job-sharing" with the elected candidate, if they decline. What would have happened, if Paula had agreed to accept the position when George first offered it?

I am certain this was done totally unintentionally and I do not harbor any ill feelings toward George, my concern is for the credibility of the institutions and by-laws of this community. I think we must keep in mind in our actions and decisions that the GLA is a legal entity and all elected officials represent that entity. If this community is to prosper and grow, I believe we must adopt a more professional attitude and behavior at official events and about the processes and offices of the GLA. Otherwise, I feel, there will be no community respect either for these offices, processes and events or for the rules and regulations made by the officers of the GLA and set forth by the by-laws and those in the covenants. I do not mean that we should turn into sticklers about rules and proverbial bureaucrats and become humorless at official and non-official functions or get puffed up about holding an office, but that we should not discount the events, processes, and offices legally required by our by-laws and covenants and ignore standard business practices in our attempts to keep the meetings and interactions friendly and interesting.

Furthermore, I would like to request that the Board void the votes placed for me for North Glastonbury ombudsman. It is the intent of the position of ombudsman that each of our two communities has a person from their respective community to turn to. There are no official provisions for the event that one of the communities has no one stepping forward for election. I agree that in this event it would be good, if the ombudsman from the other community would make himself available to both

communities. But, I believe, in order to put the other candidate up for actual election as was done at the election meeting, a vote should have been taken. A vote should also have been taken about how to deal with the write-ins from all the faxed- and mailed-in votes. As this was not done, I believe it would best serve Glastonbury-- if all of the write-ins decline the position-- to advise North Glastonbury residents when the election results are publicized, that there were no residents to fill the position, but the South Glastonbury ombudsman would be available for both communities. This way the intent of the spontaneous decision at the meeting—to not leave North Glastonbury without an ombudsman—would be met, but without possibly violating our by-laws in doing so.

Daniel J. Kehoe

Subject: Subdivision

Dan - I see that the Board finds itself between a rock and a hard place (welcome to the politics of subdivision) as between the subdivider and the NIMBY's. Whether you have a Master Plan in place or not, this is a problem that will likely reoccur as more landowners attempt the further development of their lots, however, at present the Board's problem is exacerbated by the lack of a democratically approved objective standard (the Master Plan) on which to hang its reasons for or against the pending subdivision application. I am unclear as to whether the Board Board has or has not formally adopted set of objective interim development guidelines to serve until the Master Plan is completed. I think not.

In any event, it is my opinion that a decision must be rendered by the Board one way or the other. I do not think you should pass the buck. Your proposed resolution, although admirable in its attempt to find a "peaceful" solution, will likely be viewed by the applicant as a delay tactic, tantamount to a denial, and there is no guarantee that the process will result in a solution that all parties are happy with. I think that it is questionable under the Covenants that the Board has the authority or right to act as mediator or impose this sort of negotiation upon other other parties in this circumstance. I also think it is doubtful as to whether you want to invite a piecemeal master planning process as to Tract 7, which could serve as a precedent for other parties to argue for a similar stopgap measure. If you are reasonably convinced that the Board will be sued either way, then bottom line, the trick is to determine the most defensible decision that you can render based upon the standards at hand - and let the cards fall where they may. A creative solution may only increase your liability exposure from one side or the other.

With that in mind, it appears to me that density should be a non-issue. The Master Plan is not a governing instrument at present. It is not in effect, and to forecast that other landowners will somehow be prejudiced in the future by today's approval of the pending application by virtue of the terms of a Master Plan then in effect (which looks like today's draft), is not a proper calculus. Too many if's.

I do not understand the widening of the road easement by the subdivider from 25' to 40' to satisfy the new County standard. How was the subdivider able to accomplish this if the easement affects/crosses land owned by others (the shelter tract)? Who gave permission for the widening? Assuming though that the subdivider had the authority to widen the easement route, if the engineering is faulty such that the platted roadway encroaches upon an existing septic field, then it must be redrawn. This should be brought to the attention of the County, and this is the sort of objective problem that would justify the Board issuing a conditional denial of the subdivision application until this problem is fixed. I think you need to determine whether this problem actually exists or not.

I would not worry that this subdivision runs afoul of 9.03 as a degradation of lot standards. If the subdivision has met County standards and been approved, then I fail to see how anyone has an argument under this very general provision of the Covenants.

In conclusion, unless there is a legitimate concern as to the location of the driveway easement which would justify your putting a final decision on hold, I think you (the Board) have more to worry about if you (a) delay a final decision by throwing a planning process onto the parties, or (b) deny the subdivision largely on the basis of the draft Master Plan, than if you approve the subdivision on the basis that it meets all applicable County standards and there are no other GLA development standards (Master Plan or otherwise) presently in place which are not met (disgruntled neighbors notwithstanding). To put it another way, I am of the opinion that it you deny the subdivision, the developer has better arguments against the Board than do any aggrieved neighbors if you approve it. The aggreived neighbors, although more numerous, are legally the lesser of two evils.

Please feel free to call for further discussion, or if I am missing some bit of information. Thank you.

JTG

November 12, 2001

To Whom it May Concern,
When finalizing the Parcel 7 subdivision covenants of North Glastonbury I brought up the concept of dividing my parcel further in the future. I did not have the intentions to do so at that time, but wanted to have my options open. What our group said was that I would have to bear the full financial responsibility if I were to do so because of the possible EIS for a major subdivision. There was no objection to the concept.

I believe the intent of our subdivision was to create the least amount of restrictions possible. We were already under State, County, Glastonbury Land Owner Association and individual stipulations of the subdivision itself.

Sincerely,

James Bennett

Board of Directors Meeting Minutes

December 3, 2001

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David, 7:25 p.m., at Golden Ratio Woodworks. Dan, Jr. gave the opening prayer.

   PRESENT: David Tonkin (President), Robert Wallace (Vice President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Bruce Ganje, Daniel Kehoe, Jr., Charlotte Mizzi, Eric Newhouse
   ABSENT: Jon Olson, Ian Scott, Walter Wunsch
   PROXIES: Ian Scott to Eric Newhouse
   ALSO ATTENDING: Rudy Parker, Clare Parker, Richard Mead

2. **Reading and Disposition of the Minutes**

   MOTION: Eric moved and Dan, Jr. seconded to approve the amended November 5, 2001 meeting minutes. The motion passed.

   MOTION: Charlotte moved and Dan, Jr. seconded to approve the amended November 12, 2001 special meeting minutes. The motion passed.

3. **General Business**

   3.1 Lending Meeting Minutes to Prospective Buyers
   Handed out lists of annual meeting dates and a revised phone list of the board members. David reported he plans to send a letter out to Glastonbury landowners announcing election results, the status of the gate in high South, reminding everyone of the need for architect review and to list goals.

   3.2 North Glastonbury-Ombudsman
   David announced that Richard Johnson, the next write-in candidate, agreed to be the North Glastonbury ombudsman.

   3.3 Goal Setting
   David asked the board land committees think about GLA goals for the coming year. We will discuss goals at next meeting.

   3.4 Budget
   David asked the board and committees to develop budgets for the coming year.

4. **Report of Officers and Committees**

   4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
   Rudy Parker reviewed the Balance Sheet. (see attached) He agreed to remove the listing of the Paradise Valley Recreation Center Funds on the balance sheet. These funds are in a different account.

   Cynthia handed out bank signature sheets for new board members.

File: Backup of MtgMins 12 03 01.wbk
Drafts: 4/19/02;4/30/02-FINAL
Approved: 5/6/02

4.2 Architecture Subcommittee: Robert Wallace, Chair
Eric reported that the water reservoir is now operational.

4.3 Road Committee: Ian Scott/ Bruce Ganje, Co-Chair
Philip introduced Richard Mead to give the board some recommendations about plowing roads in Glastonbury. It used to be his job to plow the roads in Glastonbury. Richard recommended mowing the weeds along side of the roads at the end of the summer to prevent snow drifting on to the roads. The board discussed buying a ¾ - 1 ton pickup for sanding the roads as well as the cost of maintaining the truck and insurance.

MOTION: Eric moved and Charlotte seconded that GLA write a letter to Ed Schilling, County Commissioners, asking County to pay for GLA loading gravel and prepping Dry Creek Road for paving. The motion passed.

4.4 Complaint Committee: Christine Johnston, Chair. No report.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr. , Chair. No report.

4.6 Recreation Committee: Robert Wallace/Eric Newhouse, Co-Chair. No report.

4.7 Ombudsman Report: Regina Wunsch (SG) and Margaret Newhouse (NG). No report.

The meeting adjourned at 9:30 p.m. with no further business. The next meeting will be January 7, 2002.

NEW ACTION ITEMS: NONE

CONFIDENTIAL – DO NOT COPY

It appears that there were no minutes taken for this meeting.

2002-03-04_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting Minutes

March 4, 2002

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin,7:10 p.m., at Golden Ratio Woodworks.
   PRESENT: David Tonkin (President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Bruce Ganje, Daniel Kehoe, Jr., George Makris, Charlotte Mizzi, Eric Newhouse, Jon Olsen, Ian Scot, Walter Wunsch.
   ABSENT: Robert Wallace (Vice-President)
   PROXIES:
   ALSO ATTENDING: Denise Orr (GLA secretary), Daniel Woodriff, Al and Julie Vinci

2. **Reading and Disposition of the Minutes**
   December 3, 2001 and February 4, 2002 minutes were not read and still need to be approved

3. **General Business**
   3.1 Goal Setting Update: David reviewed GLA Goals, dated 2/4/02.
   The goal to have web site running by April 2000 was approved.
   ACTION ITEM: Copy of goal list to be sent to GLA Board with April meeting agenda.

   3.2 Budget Report:
   ACTION ITEM: David will send a copy of budget to Board Members for review. Goal is to finalize budget at next GLA Board Meeting,
   ACTION ITEM: Ian and Bruce to review budget report to confirm if it is realistic.

4. **Report of Officers and Committees**

   4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
   Cynthia presented (1) GLA Balance Sheet as of March 4, 2002 and (2) Transactions to Date. To cover our loan payment, Cynthia arranged with the bank an automatic transfer from our savings accounts to our checking account if needed. Clare Parker gave Cynthia a list of people up through 12/01 who are delinquent.

   4.2 Architecture Subcommittee: Robert Wallace, Co-Chair Was Not Present
   John Waid's subdivision proposal (from last meeting, Feb. 2002) was discussed. Discussed safety issues of the proposed driveway entering Dry Creek Road.
   ACTION ITEM: Bruce will have John Waid walk him through the proposed driveway entrance.

   Charlotte received a call from William Smith inquiring why approval for subdivision of Parcel B (Peter Graafland) hasn't been received.
   ACTION ITEM: Charlotte will investigate.

File: MtgMins 03 04 02.doc
Draft(s); 3/11/02; 3/20/02; 4/29/02-FINAL
Approved: 5/6/02

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair
Snow plowing of private driveways and private roads was discussed.
ACTION ITEM: Road Committee will develop a snow plowing proposal by end of May 2002 so a plan can be made for next winter.
ACTION ITEM: Eric to call Glover for suggestions to address the issue re: hiring independent contractors or others to plow. A list of people who do snowplowing and their fees will be compiled and should be included in our next mailing to landowners.

Discussed bent yield sign in North Glastonbury at Sirius and Story roads, options to replace it and complaints about near accidents occurring at the intersection. Final decision about sign was not made.

Discussed Tom Berry using Glastonbury roads to get to his home instead of Peter Story's road and if he should be asked to contribute toward road maintenance, etc.
MOTION: Dan, Jr. moved that we write a letter to Tom Berry asking him if he would like to purchase an easement for a one time price of $1,500 or contribute $120/yr toward upkeep of road. George seconded motion.
Dan, Jr. amended the motion that Tom Berry only be invited to pay $120 annual fee toward the road based on the price landowners pay annually per subdivided lot and not offer easement. George seconded this motion. The motion passed.
ACTION ITEM: Philip will call Tom Berry to explain above.

4.4 Complaint Committee: Charlotte Mizzi, Chair
COMPLAINT: Ian has witnessed and heard complaints about boys in a black Toyota driving fast and going off the road in GAV, etc.
ACTION ITEM: Charlotte to investigate and get names of violators. Charlotte to contact or write letter to parents regarding trespassing on private land.

COMPLAINT: Charlotte presented 1/14/02 letter from Kathleen Rakela and Rik Pittendorfer complaining about a black dog belonging to Paul Knoop living at 81 Capricorn Drive, Parcel 47 A.
ACTION ITEM: Charlotte will write Knoop a letter to clearly state and explain the specific GLA Covenants regarding animals. If Knoop won't cooperate and isn't a landowner, she will write to landowner.

COMPLAINT: Bruce mentioned 2 dogs in S. Glastonbury that chase elk and deer, etc.
ACTION ITEM: Bruce to call Michael Campbell to determine owners of 2 dogs

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr., Co-Chair

File: MtgMins 03 04 02.doc
Draft(s); 3/11/02; 3/20/02; 4/29/02-FINAL
Approved: 5/6/02

1) Dan reported on the meeting with Church Universal & Triumphant regarding the Land Use Master Plan. Meeting attendees: Daniel Kehoe, David Tonkin, Eric Newhouse and Charlotte Mizzi from GLA; Judith Filbert and William from the Church. All agreed meeting went well. The major points covered in GLA's letter to Church were reviewed at the meeting. Dan reviewed the following points with GLA:

- Disposition of funds previously raised for Master Plan: Church will confirm amount of funds and will match the funds.
- CUT's mineral rights in Glastonbury: Church has no problem about mineral rights issue and conservancy trust idea. Water rights and thermal rights are considered mineral rights. CUT owns water rights and will confirm exactly which ones they own. GLA agreed to file water rights on the stream that we're using to fill the fire reservoir in South Glastonbury.
- Next step for GLA and the Church is to determine their vision of the village centers. The Church said they have to be careful about not violating I.R.S. Code 501C3.

2) Dan presented Glastonbury Community Standards document (Section 6 lifted out of GLA Master Plan) so standards can be easily changed by the board. Discussed clause on pg. 9, 2.10, stating we have adopted Park County standards and these will take president over ours. ACTION ITEM: Board members should review and submit to Dan their comments on new Standards.

4.6 Recreation Committee: Eric Newhouse, Chair
Eric reported Recreation Committee has met and agreed to the relocation of recreation land. He is researching prices to make ready a soccer field by this Fall. Eric said Park County is thrilled about this space and all home games will be scheduled on this field.
ACTION ITEM: Ian will bring plans for layout of field to next meeting.

4.7 Web Site Committee: George Makris, Chair
George reported on the progress of GLA web site and discussed various fees and web features with the board. He thought that the cost to develop the web site should not exceed $300 and around $100/month to maintain. He passed out a sheet with possible information that could appear on web site and asked for suggestions. (see attached)
ACTION ITEM: George to research cost of putting GLA database, using a password, on the site.

MOTION: George moved/Dan seconded to use 3 names for GLA web site: (1) glastonburymontana.com (2) glastonburymt.com and (3) gla.com. ($15 per name each/yr.) Motion passed.

ACTION ITEM: Dan will provide Bylaws and Covenants (on PDF) for George to put on the web site. He will also try to find location of electronic copies of GLA Board meeting minutes

File: MtgMins 03 04 02.doc
Draft(s); 3/11/02; 3/20/02; 4/29/02-FINAL
Approved: 5/6/02

from year 2000.

Discussed putting GLA Board meeting minutes on the web site or just on a CD.

4.8 Ombudsman Report - Regina Wunsch, Not in attendance. No report.

5. Other Business

5.1 General:
Daniel Woodriff spoke briefly to appeal to Board to demonstrate "heart love" and "helpfulness in dealing with each other" so that we will be a loving community.

Introduced Al and Julie Vinci, new owners of Lot 22-B SG.

6. Next Meeting and Adjournment
The meeting adjourned at 9:45 p.m. The next meeting will be held April 8 at 7 p.m. at Golden Ratio Woodworks.

NEW ACTION ITEMS:

ACTION ITEM: Copy of goal list to be sent to GLA Board with April meeting agenda.

ACTION ITEM: David will send a copy of budget to Board Members for review. Goal is to finalize budget at next GLA Board Meeting (4/8/02).

ACTION ITEM: Ian and Bruce to review budget report to confirm if it is realistic.

ACTION ITEM: Bruce will have John Waid walk him through the proposed driveway entrance.

ACTION ITEM: Charlotte will investigate why approval for subdivision of Parcel B (Peter Graafland) hasn't been received.

ACTION ITEM: Road Committee will develop a snow plowing proposal by end of May 2002 so a plan can be made for next winter.

ACTION ITEM: Eric to call Glover for suggestions to address the issue re: hiring independent contractors or others to plow. A list of people who do snowplowing and their fees will be compiled and should be included in our next mailing to landowners.

ACTION ITEM: Philip will call Tom Berry to invited to pay $120 annual fee toward the road based on the price landowners pay annually per subdivided lot and not offer easement.

Glastonbury Landbwners Association

Board of Directors Meeting Minutes

April 8, 2002

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin at p.m, at Golden Ratio Woodworks. Charlotte gave the opening prayer.
   PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Cynthia Dodge-Blocker (Treasurer), Bruce Ganje, Daniel Kehoe, Jr., George Makris, Charlotte Mizzi, Eric Newhouse (present for part of meeting), Ian Scot, Walter Wunsch
   ABSENT: Philip Hoag (Secretary), Jon Olsen
   PROXIES: Jon Olsen to Charlotte Mizzi; Philip Hoag and Eric Newhouse to Ian Scott
   ALSO ATTENDING: Denise Orr (GLA secretary), Dan Kehoe, Sr., John Waid

2. **Reading and Disposition of the Minutes**
   March 4, 2002 Minutes were given to each board member to review by next meeting.

3. **General Business**
   3.1 Lending Meeting Minutes to Propective Buyers
   Discussed a recent request of a prospective buyer who wants copies of GLA meeting minutes, specifically for years 2000 and 2001. Discussed format of minutes and concerns about confidentiality, including names associated with complaints.

   MOTION: Ian motioned and Robert seconded that GLA release GLA 2001 meeting minutes to a prospective buyer who has at least put down earnest money and who is in the process of closing a sale. There will be a fee to be determined based on cost of copying and Denise's time to prepare.
   AMENDMENT TO MOTION: Walter motioned and Ian seconded that borrower of minutes be required to sign a confidentiality non-disclosure agreement. And, if they are do not end up buying land, minutes must be returned. Amendment passed. Motion carried.

   In further discussion, the board agreed we could include "year end" financial statement with the above minutes. Consensus concluded that we send hard copy of minutes to prospective buyers.

4. **Report of Officers and Committees**

   4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
   Cynthia passed out Expenses/Transactions to date to board members. (see attached)

   4.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair

   Parcel 28, SG: John Waid requested approval for 5 lot subdivision of Parcel 28 in South Glastonbury and passed out a map. Discussed and reviewed application.

File: MtgMins 04 08 02 Final.doc
Draft(s): 04/20/02;4/29/02;4/30/02-Final
Approved: 05 06 02-Final
Amended:

MOTION: Ian motioned and Bruce seconded to approve the subdivision of Parcel 28 in South Glastonbury based on information as explained by John with road easements, etc. Motion carried with one abstention.
John Waid agreed to include platted drain fields on the above map and to install a culvert under the private road servicing the subdivision where it connects to Arcturus Road.

Board discussed that in future we may want to require culverts based on the County's requirements.

Tract 22-D, NG: Jan & Raya Johansson's request for preliminary approval to build home beside their single-wide on 22-D. Single-wide is their current home and will be used as an office. Robert noted Johannsons were pre-approved to build.
MOTION: George moved and Robert seconded to approve Johansson's request on condition they put in a second septic system and receive County's approval in writing. Motion passed.

Tract 53-D, SG: Henry & Joan Follman's request for final approval of road into their premises.
MOTION: Robert motioned and Ian seconded the motion for Robert and Walter to 1) look at Tract 53-D to determine whether to approve the road, and 2) to inform board at next meeting if approved. Motion passed.

Discussed the need for the secretary (Denise) to receive copies of architectural review plans at each GLA Board of Directors meeting.

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair
Eric reported that recently the County told him it wants GLA to repair Dry Creek Road paving crack and then it will chip seal rest of the road. Eric suggested to County that it also chip seal NG in exchange for the expense GLA incurred on Dry Creek Road in summer 2001.
MOTION: Dan, Jr. motioned and Charlotte seconded to give the Road Committee (Eric, Bruce, Philip, Ian and Walter) the authority to develop a plan on how to approach the County Commissioners regarding the Dry Creek Road, including the possibility of chip sealing North Glastonbury roads, and also proceed with the repair at a $3,500 maximum cap. Motion passed.

Letter to Park County Commissioners: David read draft of letter from GLA to Park County Commissioners requesting reimbursement of preparation expenses GLA incurred for Dry Creek Road paving project in the summer of 2001. (see attached)
MOTION: Walter motioned and Ian seconded that the above letter to Park County Commissioners be sent as is. The motion carried with one abstention.

File: MtgMins 04 08 02 Final.doc
Draft(s): 04/20/02;4/29/02;4/30/02-Final
Approved: 05 06 02-Final
Amended:

Request for GLA to extend Arcturus Drive: Dan Kehoe, Sr. passed out a memo to board explaining above extension request. (see attached) Board discussed the issue at length. MOTION: George moved to accept Dan, Sr.'s request. No one seconded it. The matter was dropped.

ACTION ITEM: Letter to William Pitt regarding high South gate status report. Letter was sent 3/15/02. (see attached).

ACTION ITEM: Discuss driving ATV's and snowmobiles on GLA roads. First need to: 1) find GLA minutes and motions in which snowmobiles, RTVs, etc. on Glastonbury roads has been discussed, and 2) find memo that gave information about this subject to landowners in '97.

ACTION ITEM: Yield sign on Story Road. Ian will straighten.

ACTION ITEM: Philip Hoag's contact with Tom Berry. (No report)

Charlotte reported that GAV residents asked if GLA would replace stop sign with yield sign. The board agreed to replace the sign. Discussed missing road signs.

Cynthia reported that her husband, Dan Blocker, offered to paint and maintain South Glastonbury entrance sign if GLA would pay for materials.
MOTION: Dan motioned and Charlotte seconded to pay Dan for painting materials and to maintain South Glastonbury entrance sign. Motion passed.

Board discussed forming a committee to research information to be added to existing Glastonbury entrance signs or to be placed on new ones.

David reported that GLA bought a copy of County Subdivisions Rules, which includes road standards.

4.4 Complaint Committee: Charlotte Mizzi, Chair

ACTION ITEM: **John Brettschneider:** Complaint about his construction material. No report

ACTION ITEM: **Black Toyota:** Ian reported it was no longer an issue since the car was totaled in an accident.

ACTION ITEM: **Kathleen Rakela/Rick Pittendorfer's Complaint about Knoop Dog:**

File: MtgMins 04 08 02 Final.doc
Draft(s): 04/20/02;4/29/02;4/30/02-Final
Approved: 05 06 02-Final
Amended:

Charlotte sent letter to Paul Knoop and copied to Kathleen and Rick. (see attached)

ACTION ITEM: **Complaint about Two Dogs in South Glastonbury:** No action yet.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr./Eric Newhouse, Co-Chair
Dan, Jr. reported that on April 15, GLA members will meet with Judith Filbert and her assistant, William Smith, both representing the Church, to explain our approach to the Master Plan in relation to the village centers. Judith & William will then present this information to Church board.

ACTION ITEM: Review "Master Plan Standards" document. Action tabled until next meeting.

Snow Fencing on Private Property: Briefly discussed snow fencing on private property.

4.6 Recreation Committee: Eric Newhouse, Chair
David reported that the Church board approved the land swap for the recreation area.

Ian reported on the progress made on building the soccer field.

4.6 Web Site Committee: George Makris, Chair
George passed out several versions of picture that could appear on our web site and everyone agreed that the lighter picture should be used. Daniel noted that Covenants and Bylaws as PDF are too large to be put on GLA web site. There was a discussion about creating a password for Glastonbury landowner's to use to access GLA web site.

4.9 Ombudsman Report: Regina Wunsch (SG) No report.

5. Other Business
5.1 Charlotte proposed spring clean-up in North and South Glastonbury (one weekend for each.) It was discussed and board was in favor.

6. The meeting adjourned at 10:10 p.m. The next meeting will be held on May 6, 2002, 7 p.m. at Golden Ratio Woodworks.

NEW ACTION ITEMS (See next page)

File: MtgMins 04 08 02 Final.doc
Draft(s): 04/20/02;4/29/02;4/30/02-Final
Approved: 05 06 02-Final
Amended:

NEW ACTION ITEMS

ACTION ITEM: Dan, Jr. and Robert will revise Architectural Application/Approval form.

ACTION ITEM: The Road Committee will develop a plan on how to approach the County Commissioners regarding the Dry Creek Road, including the possibility of chip sealing North Glastonbury roads, and also proceed with the repair at a $3,500 maximum cap.

ACTION ITEM: Robert and Walter to 1) look at Henry & Joan Follman's Tract 53-D to determine whether to approve the road, and 2) to inform board at next meeting if approved.

ACTION ITEM: Cynthia will look for a replacement for missing Gemini sign.

ACTION ITEM: Replace GAV Stop sign with North Glastonbury Yield sign at the south end.

ACTION ITEM: Charlotte to handle complaint about John Brettschnieder's construction material.

ACTION ITEM: Charlotte as Chair with Ian, Bruce and Dan will come together as a committee to gather information (e.g. speed limit, regulations) that could be added on to entrance signs to North and South Glastonbury or to additional signs and will present findings at our next meeting.

ACTION ITEM: Charlotte will organize North and South Glastonbury clean-up weekends in May and possibly June. She will price green roll-offs for non-hazardous materials and put flyer together.

ACTION ITEM: Recreation Committee will present a plan for the new recreational area to the GLA Board.

ACTION ITEM: Denise to 1) find GLA minutes and motions in which snowmobiles, RTVs, etc. on Glastonbury roads has been discussed, and 2) find memo that gave information about this subject to landowners in '97.

Glastonbury Landowners Association

Goals

April 1, 2002

1. Become more user-friendly
2. Ratify the Master Plan - **July 2002**
3. Install soccer field in Glastonbury new recreation area - **Fall 2002**
4. Complete a budget for GLA – **March 2002**
5. Upgrade the review process to make it more effective and consistent. Also up grade our filing system of approved projects.
6. Resolve the snow removal and sanding problems
7. Make a list of desired road projects and develop priorities for them
8. Hire a secretary - **March 1, 2002 [Done]**
9. File liens on parcels with outstanding assessments **July 2002**
10. Have web site running - **April 2002**

Paul Knoop
P.O. Box 978
Emigrant, MT 59027

Re: Unrestrained Dog

Dear Mr. Knoop,

The Glastonbury Landowners Association received a written complaint and several verbal complaints regarding your dog. Your dog has been roaming all over North Glastonbury trespassing on other peoples property. The complainant has reported this to you and nothing has been resloved. This has become a nuisance to other dog owners claiming that food left for their dog is eaten up by your dog. One Board member had the same experience. I can also personally attest of seeing a black dog roaming around North Glastonbury.

According to Glastonbury Declaration of Covenants, Section 4.02, Landowners' Animals.

> *Landowners desiring to raise or keep animals of any kind, including dogs and pets, must restrain them within their own land to insure that they will not trespass on other parcels or adjoining roads or land. Landowners are solely responsible to insure that none of the animals kept on their land shall harass or threaten humans, livestock or wildlife or shall cause a nuisance of any kind. .....*

Please consider this a ten day notice to resolve the complaint made. Should a second notice be needed to resolve the violation described in the complaint above due to a lack of response the Board may take stronger action with the proper authorities.

We hope that this situation is remedied to the satisfaction of all concerned parties. For a peaceful and healthy community, I remain,

Sincerely,

Charlotte Mizzi
Complaint Committee

cc: GLA Board

Submitted at 4/8/02 mtg

MEMO

To: Glastonbury Landowners Assoc.
From: Dan Kehoe, Sr.
Subject: Extension of Arcturus Drive, S. Glastonbury

This is to Request the GLA cover the cost of Extending Arcturus Drive by approximately 860 L.F. at an Estimated Cost of $10,600.00.

The Road Extension will soon, hopefully, service 3 of my lots on Parcel 37 and 5 lots of Robert Wallace. Robert Wallace has already begun work on this Road Extension, and he has estimated that $10,600 would cover the cost if constructed 24 feet wide as the other Glastonbury Roads.

Attachments:
1. Page 1 of the Bylaws, Article II, B.
2. Page 5 of the Bylaws, Article VI, B,2.
3. Page 17 of the Covenants, Article 8.01, d.
4. Proposed Road Extension Highlighted on Site Plan.

Bottom Line: The proposed Road Extension will serve 3 Kehoe Lots and 5 Wallace lots.
GLA income from 8 Vacant Lots @ $120.00 = $960. per Yr.
GLA income from 8 occupied Lots @ $240.00 = $1,920. per Yr.

BYLAWS

OF

GLASTONBURY LANDOWNERS ASSOCIATION, INC.

ARTICLE I

NAME AND LOCATION

A. **Name.** The name of the Corporation is GLASTONBURY LANDOWNERS ASSOCIATION, INC. (hereinafter referred to as the "Association").

B. **Principal Office.** The principal office of the Association in the State of Montana is located at 123 Arcturus Drive, Emigrant, Montana 59027 and the mailing address is Post Office Box 312, Emigrant, Montana 59027. The Association may have such other offices, within or without the State of Montana, as its Board of Directors may designate or as the Association's business may require.

C. **Registered Office and Registered Agent.** The address of the initial registered office and the name of the initial registered agent required by the laws of the State of Montana shall be as set forth in the Articles of Incorporation. The registered agent and the address of the registered office may be changed from time to time by the Board of Directors.

ARTICLE II

OBJECTS

A. **Landowners Association.** These Bylaws are adopted in order to establish a landowners association (or community association) pursuant to the Declaration of Covenants for the Community of Glastonbury, recorded in the Office of the Park County Clerk and Recorder on December 16, 1982 in Roll 41, pages 1042-1078, as Document No. 173158, together with all additions and amendments thereto (hereinafter referred to as the "Covenants"), and pursuant to the nonprofit corporation statutes of the State of Montana.

B. **Purposes.** The purposes of the corporation are as set forth in the Articles of Incorporation, and more specifically as follows:

To provide for the management, administration, maintenance, preservation and control of the parcels, roads and common properties within the real estate development commonly known as the "Community of Glastonbury" in Park County, Montana, including that property which is subject to and burdened by the Covenants (hereinafter referred to as the "Property"), and to promote the health, safety and welfare of the landowners and residents within the above-described Property.

ARTICLE VI

BOARD OF DIRECTORS

A. **Number and Qualifications.** The affairs of the Association shall be governed by a Board of Directors. The Initial Directors shall be those Members of the Association appointed by the Incorporator identified in the Articles of Incorporation. Thereafter, the Board shall have an even number of positions available to be filled at election. Initially, this number shall be twelve (12). The actual number of Directors shall be those who have been nominated and elected to office from time to time as provided herein; however, the number of Directors shall not be reduced to fewer than four (4), nor increased to more than twelve (12). Of the twelve positions available on the Board of Directors, up to six positions shall be elected from Glastonbury North and up to six positions shall be elected from Glastonbury South, respectively, on separate ballots from among two separate groups of qualifying candidates.

B. **General Powers and Duties.** The business and affairs of the Association shall be managed by the Board of Directors. Such Directors shall in all cases act as a Board which shall have the powers and duties necessary for the administration of the affairs of the Association and may do all such acts or things as are not by law or by the Covenants, Bylaws or Articles of Incorporation directed to be exercised and done by the Members. The Board shall be regularly convened and shall act by majority vote of those members present at a meeting, unless provided otherwise herein or in the Articles of Incorporation. Such powers and duties of the Board shall include, but not be limited to, the following:

1. Conduct, manage and control the affairs and business of the Association;

2. Make capital expenditures, enter into contracts and agreements, and provide the services and functions as are necessary to operate and maintain the Property and carry out the business of the Association, provided, however, that the following capital expenditures, contracts and agreements shall be approved by the Members as provided in Article V, paragraph F, of these Bylaws:

   a. Individual contracts and agreements with a term in excess of five (5) years;

   b. The sum of all capital expenditures in any given fiscal year totaling more than thirty percent (30%) of the Associations' average annual operating budget for the preceding three (3) years; and

   c. Mortgaging, encumbering or otherwise disposing of any real property of the Association;

3. Fix, levy, collect and enforce the payment of common charges and assessments to Members required to carry out the duties and obligations of the Association, including, without limitation, the operation and maintenance of the community common property and roads;

4. Issue quarterly statements of account on the assessments and take necessary and appropriate action to collect assessments from Members and

SECTION 8. ROADS AND EASEMENTS

8.01. Platted Road Easements. The platted road easements are those which are shown on the Certificates of Survey of the Community and generally labeled as "private access and public utility easement." These are private easements for access, utilities and a road system in the Community. A perpetual and exclusive easement and right-of-way is hereby reserved upon, across, over and under the real property shown on Certificates of Survey of the Community and labeled as "private access and public utility easement," for the use and benefit of the Association and Landowners, for the following uses and purposes and subject to the following terms and conditions:

a. The Association and all of the Landowners and their guests have the right to use any of the platted road easements opened by the Association and upon which developed roads and/or trails have been placed;

b. Use of the platted road easements is limited to motorized and nonmotorized vehicular traffic, pedestrian and equestrian traffic, livestock, public utilities, ditches and canals, pipelines, landscaping, fencing, roads, trails, and such other uses and purposes as shall be engaged in or permitted from time to time by the Association or as are otherwise contemplated by these covenants;

c. The Association intends to maintain a private road system within the platted road easements for vehicular access to the various parcels within the Community. Initial construction by the developer(s) was intended to be to a basic gravel and dirt consistency. The Association may designate and define different qualities or levels of road construction and maintenance within the Community (such as residential roads, foothill roads, mountain roads, etc.) according to its limited ability to deal with such conditions as topography, terrain, elevation, native soil and materials, slope, grade, easement location, parcel location, drainage, climate, weather, snow, ice and mud, and limited resources and equipment. The quality, quantity and/or level of road construction and maintenance may be upgraded by the Association at any time. The Association shall have the exclusive discretion and option to give permanent names to any or all of the roads and streets in the Community;

d. Some of the platted road easements on the Certificates of Survey of the Community come to cul-de-sacs and then extend to an exterior Community boundary and terminate. The cul-de-sacs are the intended termination points of the initial road construction program. However, the extensions to Community boundary lines are being reserved for possible future road extensions or additions to the Community, access to other areas, road loops, efficient utility access, etc., and are included within all of the terms and conditions hereof. The Association may elect to open these easements and construct roads upon them at any time in the future;

e. The Association shall from time to time make, alter and enforce rules of health, safety, convenience and conduct on the platted road easements, including, but not limited

Notice Of Meeting of Board of Directors

Glastonbury Landowners Association

Board of Directors Meeting Minutes

May 6, 2002

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
The meeting was called to order by David Tonkin at 7: 25 p.m., at Golden Ratio Woodworks. Charlotte Mizzi gave the opening prayer.
PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Philip Hoag (Secretary), Bruce Ganje, Charlotte Mizzi, Eric Newhouse, Jon Olsen, Walter Wunsch
ABSENT: Cynthia Dodge-Blocker (Treasurer), Daniel Kehoe, Jr., George Makris, Ian Scott
PROXIES:
ALSO ATTENDING: Denise Orr (GLA secretary), Claire Parker (Accountant)

2. **Reading and Disposition of Minutes**
February 4, 2002 Minutes: Tabled until next meeting.

MOTION: Eric moved and Charlotte seconded to approve Dec. 3, 2001 and March 4, 2002 meeting minutes and to approve as amended the April 7, 2002 meeting minutes. The motion passed unanimously.

3. **General Business**
3.1 Finalize Budgets
This was done at last meeting. Claire to put budget on monthly accounting sheet.

3.2 Land Switch of Parcel 16-B NG in place of Parcel 21 NG. (Land to be used for recreational purposes.)
MOTION: Bruce moved and Robert seconded that GLA will deed back Parcel 21 North to the Church as they deed over Parcel 16-B to GLA. David Tonkin has the right to sign the necessary papers to accomplish this exchange with the understanding that the same criteria used in the Parcel 21 deed will be used in Parcel 16-B.

4. **Report of Officers and Committees**
4.1 Treasurer's Report – Cynthia Dodge-Blocker, Treasurer. No report.
Denise passed out copies of "Transactions to Date as of May 6, 2002" on Cynthia's behalf.
Claire Parker passed out GLA Balance Sheet as of May 7, 2002.

4.2 Architecture Subcommittee - Robert Wallace, Co-chair
ACTION ITEM: Finalize Architectural Review forms. Forms need completion.

Discussed problems involved with landowners starting a building project (driveway/house/ septic systems) without submitting an application review form to GLA Board and receiving their approval.
MOTION: Philip moved and Walter seconded that GLA Board will: 1) File with the Title Companies and Clerk Recorder the GLA Architectural Review form which any buyer of Glastonbury land will automatically receive when their title is processed. 2) Revise the

File: MtgMins 05 06 02
Draft(s); 5/16/02, 5/22/02, 5/23/02
Amended: 6/3/02-FINAL

architectural review form to state that the GLA Board reserves the right to impose an engineering review fee (if needed) and to impose a $250 penalty fee to landowners who start a project before their application is reviewed and approved. 3) Create a sign/notice to post on the property of a landowner where construction has started without the owner submitting an application to GLA Board and/or receiving approval. The motion carried unanimously.

Tract 32-B NG/Gerald Dubiel. Preliminary approval request: residence double wide.
MOTION: Robert moved and Walter seconded that Robert and Eric need to check out the double wide and have the authority to grant preliminary approval. The motion carried unanimously.

Track 70-A SG/ Jean Louis & Lori Gillet. Preliminary approval request: residence/septic system.
MOTION: Robert moved and Walter seconded to give preliminary approval to the Gillet's request to build a log cabin residence and septic system on Tract 70-A SG. The motion carried unanimously.

Parcel 53-E SG / Bob & Anne Cragg. Preliminary approval request: home, drainfield and road.
MOTION: Robert moved and Bruce seconded to give preliminary approval for Cragg's home, drainfield and road on 53-E SG. The motion carried unanimously.

Lot 69 SG/Carl Anderson. Carl has already begun to build a driveway but has not submitted an application form or received GLA approval for his driveway. Carl has been informed about this requirement.
MOTION: Philip moved and Jon seconded that Robert will call Carl and advise him not to continue building until he submits a review application form for his driveway and receives GLA approval. Robert may also place a sign on Carl's property informing him of the same.

4.3 Road Committee – Bruce Ganje & Ian Scott – Co-chair
ACTION ITEM: Extending width of Dry Creek Road and County chip sealing: Eric widened Dry Creek Road.
ACTION ITEM: Locate Gemini Road sign: Not discussed.
ACTION ITEM: Replacing Stop sign at GAV: Not discussed.

4.4 Complaint Committee – Charlotte Mizzi - Chair
John Bretthschneider Complaint re: Parcel #81.
Charlotte presented draft of letter to be sent to Don Hansard (property owner of Parcel #81 SG) in response to John Brettschneider's complaint about shelter stockpile of heavy equipment on his property. The Board suggested some edits and all were in favor of sending letter with amendments.

Everett Johnston Complaint Re: Parcel 60 SG shelter mess and a house on Parcel 59.
MOTION: Philip moved and Robert seconded that Charlotte send letter to Everett (as dictated by Philip and read to GLA Board) and copy to John Fanuzzi (who owns the house on Parcel 59). The motion passed unanimously

Christy Dhieux-Bray, Parcel 10-D NG, Complaint Re: Hani Cannon's Tent on Creek Easement.
Charlotte to call Christy informing her that she is landowner, and per Glastonbury Covenants, she can ask Hani to exit, and if Hani doesn't comply, Christy can call sheriff.

Kathleen (Ulrich) Woodriff: Long History of Property EyeSore and Building Violations
MOTION: Philip moved and Robert seconded that Charlotte send letter (as dictated by Philip) to Kathleen, cc'd to County, as final notice to clean up her property and submit building applications by June 12 or GLA will turn situation over to our attorney to file injunctive relief to District Court. Robert to check out Kathleen's property before letter is sent. The motion passed unanimously.

4.5 Land Use Master Plan Committee - Daniel Kehoe, Jr., Co-chair. No report
Report on meetings with the Church: Tabled until next meeting.

4.6 Recreation Committee - Eric Newhouse, Co-Chair
ACTION ITEM: Present plan for recreation land. Tabled until next meeting.

4.7 Web Site – George Makris: No report.

4.8 Ombudsman Report - Regina Wunsch (SG) & Richard Johnson (NG)

5. Other Business

5.1 Clean-up Weekend (May 18th & 19th) – Charlotte Mizzi
Charlotte reported that we can get roll offs for $300 (round trip) delivered to wherever we want @ $4/day. The board agreed to fund the project. Robert will see if he can get children involved.

5.2 Travel Trailer Parked on Arcturus Road, Parcel 53 E SG.
Discussed the occupied travel trailer parked on Parcel 53 E SG and whether the Covenants allow for it. The board agreed to post a note on the travel trailer regarding this issue.
ACTION ITEM: David to work w/Bruce to compose note to be left on door of travel trailer on Parcel 53 E, SG.

File: MtgMins 05 06 02
Draft(s); 5/16/02; 5/22/02; 5/23/02
Amended: 6/3/02-FINAL

6. Next Meeting and Adjournment

The meeting was adjourned at 10:20 p.m. with no further business.
The next meeting will be held June 3, 2002 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS:

ACTION ITEM: Robert/Architectural Committee to revise architectural review form to include engineering fee and penalty, etc.

ACTION ITEM: Eric to talk to Dean at Guardian Title and County Recorder about filing architectural review form. (See number 4.2 above)

ACTION ITEM: Bruce to create a notice to post on property where construction has started and no application form has been submitted and/or approved.

ACTION ITEM: Robert and Eric to check out Gerald Dubiel's double wide on Tract 32-B NG and, if satisfactory, grant preliminary approval to Gerald.

ACTION ITEM: Robert to call Carl Anderson/Lot 69 SG to advise him not to continue building until he submits a review application form for his driveway and receives GLA approval. Robert may also place a sign on Carl's property informing him of the same.

ACTION ITEM: Denise to call Bob or Ann Cragg and ask who were the former renters that bought land at Glastonbury and Parcel # of the land they bought, etc.

ACTION ITEMS: In response to John Brettschneider's complaint, Charlotte will send letter to Don Hansard a copy to John Brettschneider.

ACTION ITEM: In response to Everett Johnston's complaint, Charlotte will send letter to Everett Johnston and copy to John Fanuzzi.

ACTION ITEMS: Robert to check out Kathleen Woodriff property and inform Charlotte if still an eyesore or if it has been cleaned up, etc. Next, Charlotte to write to Kathleen (cc'd to County) as discussed in 4.4 above.

ACTION ITEM: Charlotte to call Christy Dhieux-Bray re: tent on her property.

ACTION ITEM: Bruce to talk to John Fanuzzi and find out who bought the house that was on Parcel 59 property and remind him that he needs to submit an application before moving house.

ACTION: Walter to scan "Road Specifications Standards for Gravel Road Construction"

File: MtgMins 05 06 02
Draft(s); 5/16/02; 5/22/02; 5/23/02
Amended: 6/3/02-FINAL

document (dated 9/12/00) and forward to Denise to make copies for David, Architectural Committee and Files.

ACTION ITEM: David to work w/Bruce to compose note to be left on door of travel trailer on Parcel 53 E, SG.

PREVIOUS ACTION ITEMS TO BE COMPLETED:

ACTION ITEM: Charlotte to report on committee research re: modification of GLA entrance signs.

ACTION ITEM: Robert and Walter to 1) Look at Henry and Joan Follman's Tract 53-D, SG to determine whether to approve the road and 2) inform board at next meeting if approved.

ACTION ITEM: February 4, 2002 meeting minutes to be submitted and approved.

ACTION ITEM: Cynthia to locate Gemini Road sign.

ACTION ITEM: Road Committee: Replace Stop sign at GAV.

ACTION ITEM: Eric to present plan for recreation land at next meeting.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

June 3, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by David Tonkin at 7:20 p.m., at Golden Ratio Woodworks. George gave the opening prayer.
PRESENT: David Tonkin (President), , Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Bruce Ganje, Daniel Kehoe, Jr., George Makris, Charlotte Mizzi, Eric Newhouse, Jon Olsen, Ian Scott, Walter Wunsch
ABSENT: Robert Wallace (Vice-President)
PROXIES: Ian Scott for Robert Wallace
ALSO ATTENDING: Denise Orr (GLA secretary)

2. Reading and Disposition of the Minutes

- February 4, 2002: Tabled.

MOTION: George moved and Cynthia seconded to approve May 6 minutes as amended. Motion carried.
MOTION: Ian moved and Charlotte seconded to approve May 23 minutes. Motion carried.

3. General Business

3.1 Changes to Covenants

Tabled until next meeting when Dan, Jr. will bring suggestions.

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Clare Parker passed out Balance Sheet & Income/Expense Comparison Jan-May 2002. Board asked Clare to list on Balance Sheet accounts receivable on two separate lines--for current year and for previous years.

Cynthia passed out Transactions for GLA 5/29/02.

4.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair
ACTION ITEM: Finalize Architectural Review forms
Copies of various Architectural Review forms were passed out and discussed.

MOTION: Philip moved and Charlotte seconded to authorize Dan, Eric, Robert, Bruce and Walter to refine and finalize Architectural Review forms. Motion passed.

ACTION ITEM: Add engineering fee and penalty to Architectural Review form.
Dan reported that the courts will not enforce fines from landowners associations.
MOTION: Dan motioned and Philip seconded that GLA will not add engineering fee and penalty to architectural forms. Motion passed.
ACTION ITEM: Report of Eric's discussion with the county re: filing project review forms. Tabled

File: MtgMins 06 03 02
Draft(s):; 6/6/02., 7/09/02
Amended: 7/15/02 FINAL

until next meeting.

ACTION ITEM: Creation of Notice Sign to be used when construction started without owner submitting an application. Partially completed.
Dan, Jr. passed out 2 form letters for Architectural Sub-Committee to send to landowners when necessary: 1) Letter of Construction Nonconformance and 2) Letter of Subdivision Nonconformance.

ACTION ITEM: Approval of road on Tract 53-D (SG): Walter reported that he and Robert are undecided about approval for various reasons.
MOTION: Philip moved and Charlotte seconded to: 1) send letter to owner stating Tract 53-D SG driveway cannot be approved as it does not meet with GLA standards as listed in Table 4 of Driveway Standards (quote standards) and that Architectural Sub-Committee will be happy to meet and talk about possible solutions to bring driveway up to standard, and 2) Bruce to call owner to explain that grade is too steep and that GLA will be sending above letter. (Bruce will also estimate the grade, etc.) Motion passed.

ACTION ITEM: Approval of double wide on Tract 32-B (NG)/Gerald Dubiel. Tabled until application is reviewed.

ACTION ITEM: Find out from the Craig's what parcel number his renters bought. In process.

ACTION ITEM: Report on modifying Entrance signs. No report. Tabled until next meeting.

ACTION ITEM: Bruce to find out name of person who purchased house on 59 (SG): Tabled. Bruce to get address of owner (works at DW Burns) from John Waid.

Parcel 38 1-E SG/Vito & Terri Sinopoli: request for final approval of residence.
MOTION: Ian motioned and Walter seconded to give final approval of Parcel 38 1-E SG house construction. Motion carried.

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair
ACTION ITEM: Locate Gemini road sign. Not found.
ACTION ITEM: Replacing Stop sign at GAV with Yield Sign. No yield sign found.
Discussed need to replace signs for Pisces Way, Gemini Road, Scorpio Way, Libra Drive and acquire Yield sign. Eric recommended contacting Cheryl John at County Rural Addressing.

ACTION ITEM: Scan in road standards – **Done**

4.4 Complaint Committee: Charlotte Mizzi, Chair
ACTION ITEM: John Brettshneider complaint re: Parcel 81. **Done.**

File: MtgMins 06 03 02
Draft(s):; 6/6/02., 7/09/02
Amended: 7/15/02 FINAL

ACTION ITEM: Everett Johnston complaint letter re: Parcel 60. **Done**.

COMPLAINT: Everett Johnston wrote to Charlotte again to complain that the trash on Oudendijk/Lot 60 is still there (after 30 day notice) as well the abandoned house. Discussed Charlotte writing to Alex Oudendijk (Parcel 60 owner/lives in Holland) informing him of Everett Johnston's complaint about trash on his property and cc'ing Orlando Johnson who is legal guardian of Parcel 60 property. Eric also reported that Everett Johnston told him that he drilled unsuccessfully on his property and that dowser has advised that there is no other water on his property. He asked Eric to ask GLA if he could drill on neighbor's property.

ACTION ITEM: Call Christy Dhieux-Bray re: tent complaint. Not done.

ACTION ITEM: Parcel 32/ Kathleen (Ulrich) Woodriff inspection and complaint letter. Done.

Charlotte reported Kathleen (Ulrich) Woodriff called her and stated she received above 5/6/02 letter and does not know what she needs to do. Charlotte to meet with her.
MOTION: Philip moved and Charlotte seconded that if Kathleen Woodriff has not taken action in response to GLA's 5/6/02 letter by 6/10/02 that Philip hire Joseph Swindlehurst, real estate attorney, to handle this issue. Motion passed unanimously.

ACTION ITEM: Note to people living in travel trailer on Tract 53-E (SG). Tabled.

COMPLAINT: Charlotte Mizzi reported that she has received complaints from nine Glastonbury landowners regarding "eyesore" statues facing Pisces Way, reportedly placed there by Kathleen Rakela and Rik Pittendorfer who live on Parcel 56 N. Board reviewed pictures and discussed statue issue.

MOTION: Philip motioned and Walter seconded to send copies of pictures and letters of complaint about Rakela/Pittendorfer statues to Joseph Swindlehurst to advise GLA what action it can take. Motion passed.

MOTION: Based on Section 5.05 of Glastonbury Covenants, Bruce motioned and Walter seconded that GLA Board declares Rakela/Pittendorfer statues are an eyesore. Motion passed unanimously.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr./Eric Newhouse, Co-Chair
David reported that Judith was on vacation and plans to present GLA Master Plan proposal to Church Board in next few weeks.

File: MtgMins 06 03 02
Draft(s):; 6/6/02., 7/09/02
Amended: 7/15/02 FINAL

Dan reported that Karen Anderson of Sage Title said it appears that everyone who has a title to land in Glastonbury also has title to mineral rights. However, to be sure this is the case, Karen estimated that she will need 10 days of research @ $40/hour = $3,000.
MOTION: Dan moved and Bruce seconded that we authorize $3,000 for Karen Anderson to pursue determining who has mineral rights in Glastonbury.
Amendment: Charlotte moved and Dan seconded that we will ask the Church to share this expense.
Amendment: Eric moved and Dan seconded if Church doesn't want to share above expense then GLA will wait and decide about hiring Karen after we have the Church's written confirmation as to what they intend to do with the mineral rights. The motion with amendments passed.

4.6 Recreation Committee: Eric Newhouse, Chair
ACTION ITEM: Present plan for recreation land. Eric briefly reported plans and that land was doused and well location spotted. Eric to bring copy of plans to next meeting.

4.7 Web Site Committee: George Makris, Chair
Clare reported GLA website is close to being done and that she has to determine what host to use. George stated site should be completed by end of month. George to e-mail board with website address.

4.8 Weed Committee: Philip Hoag. No report.

4.9 Ombudsman Report: Regina Wunsch (SG) Joan Murphy (NG) No report.

5. Other Business
Jon Olsen will be moving to Sacramento and gave notice of his resignation from GLA Board. The last meeting he will attend will be 7/15/02. GLA Board will need to elect someone to his position.

6. Next Meeting and Adjournment
The meeting was adjourned at 10:20 p.m. with no further business. The next meeting will be held July 15, 2002 at Golden Ratio Woodworks, 7 p.m.

ACTION ITEMS: (Placement in Minutes Referenced on left)

3.1 Dan, Jr. to bring suggestions of changes to Covenants to next meeting.

4.2 Dan, Eric, Robert, Bruce and Walter to refine and finalize Architectural Review forms.

4.2 Denise to send letter to owner of Tract 53-D SG re: disapproval of driveway.

4.2 Bruce to estimate grade of Tract 53-D SG driveway and call owner.

4.2 Denise to send GLA approval letter to Sinopoli (Parcel 38 1-E SG).

4.3 Denise to order signs for Pisces Way, Gemini Road, Scorpio Way, Libra Drive and Yield sign.

4.4 Charlotte to write to Alex Oudendijk/Parcel 60 owner.

4.4 Charlotte to send Kathleen Woodriff copies of letters GLA previously sent to Kathleen.

4.4 Hire Joseph Swindlehurst to handle Kathleen Woodriff issue if she doesn't take action by 6/10.

4.4 Philip to contact Swindlehurst about complaints re: Rakela/Pittendorfer statues.

4.4 David to talk to Judith about Church sharing expense for mineral rights research, etc.

Re: Parcel 32
North Glastonbury

Dear Kathleen,

Please be advised that on behalf of the Glastonbury Landowners Association, we are giving you final notice that your property has to be cleaned up and applications and plans need to be submitted for your construction project to the GLA. If we do not find you in complete compliance by June 12, 2002 we will turn the situation over to our attorney to file injuctive relief with district court. You will be responsible for all legal fees.

For your information the GLA is sponsoring a 'Spring Clean-up' scheduled for May 18th and 19th. A roll-off will be staged at the parking area near GAV.

For a peaceful, beautiful and healthy community, I remain,

Sincerely,

CM

Charlotte Mizzi

Re: Lot 81, South Glastonbury
Emigrant , Montana

Dear Mr. Hansard,

The Glastonbury Landowners Association received a written complaint regarding the condition of your property on parcel 81. There is heavy equipment and debris that needs to be removed from your property. Christine Johnson, the prior complaint officer for GLA sent you a letter and she stated that you would clean up your property this spring. I am writing again to remind you of your commitment to remove all heavy equipment and cleanup all unsightly debris from your property.

According to Glastonbury Declaration of Covenants, Section 5.05, Nuisances and Eyesores. Nuisances and eyesores shall not be allowed. It shall be in the Association's discretion and authority to determine what a nuisance or an eyesore is and to require removal, correction or abatement by the Landowner upon the giving reasonable notice as provided in Section 10.02. Specifically, the following conditions shall not be allowed on parcel within the Community:

> *(a) Abandoned trailers, mobile homes and other structures, junk (inoperative or unregistered) cars and equipment, scrap piles, brush piles, etc., in open view of platted roads and other parcels or land:.....*

Since we are in the spring season please consider this a ten day notice to resolve the complaint. This is a second notice. I expect a written response regarding when and how parcel 81 is going to be cleaned up. Should you need references for someone to remove equipment or clean up please do not hesitate to contact me. My phone number is (day) 406-848-9510, (night) 406-333-9593.

We hope that this situation is remedied to the satisfaction of all concerned. For a peaceful, beautiful and healthy community, I remain,

Sincerely,

Charlotte Mizzi
Complaint Committee

Board of Directors Meeting Minutes

July 15, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by David Tonkin at 7:20 p.m., at Golden Ratio Woodworks. Robert gave the opening prayer.

PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Daniel Kehoe, Jr., Jon Olsen and Walter Wunsch

ABSENT: Bruce Ganje, George Makris, Charlotte Mizzi, Eric Newhouse, Ian Scott

PROXIES: Cynthia Blocker (attended ½ of meeting) to Philip Hoag, George Makris to Dan Kehoe, Jr., Eric Newhouse to Robert Wallace

ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Accountant), John Waid, Mike Bournarzian.

2. Reading and Disposition of the Minutes General Business

February 4, 2002. Tabled

MOTION: Walter moved and Dan, Jr. seconded to approve the June 3, 2002 meeting minutes with last page correction. Motion carried.

3. General Business

Changes to Covenants. Not discussed.

4. Report of Officers and Committees

4. 1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer

Cynthia passed out "Transactions to Date May-June 30, 2002." (attached)

Clare passed out "Balance Sheet for 6/15/2002." (attached)

4.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair

ACTION ITEM – Review Architectural forms.

Dan passed out revised forms which have been simplified and include new additions. Forms can be used as is until formally approved at next meeting.

John Waid representing buyers of Parcel 90. John passed out copies of questions/requests from a couple making an offer to buy Parcel 90. (See attached) Buyers asking GLA Board: status of road placement between Parcel 90 and 91 and Parcel 90's timber status. Buyer's also requesting copies of various documents. Discussion. John to pick up copies of Covenants and By-Laws from County. Denise to give Master Plan Draft to John. GLA Board to review Covenants and status of timber and review and accept new road location by the Church at next meeting. Buyers requesting response by August. 8.

ACTION ITEM – Report of Eric's discussion with the county re: Filing review forms. No report.

ACTION ITEM – Send letter re: approval of road on Tract 53-D (SG). Pending.

File: MtgMins 07 15 02
Draft(s): 7/24/02, 7/31/02-FINAL
Amended: 8/5/02

ACTION ITEM – Approval of double wide on Tract 32-B, NG/Gerald Dubiel.
MOTION: Robert moved and Philip seconded to approve Tract 32-B,NG/Gerald Dubiel's application for construction of residence. Motion carried.

ACTION ITEM – Ask Bob or Ann Craig what parcel number their renters bought. Pending.

ACTION ITEM – Report on modifying Entrance signs. Pending.

ACTION ITEM – Bruce to find out name of person who purchased house on 59/SG. No longer necessary as house was dismantled.

Tract 43-4 NG/Mike and Wendy Bournarzian: Application to approve construction of residence, septic system, well and driveway.
MOTION: Walter moved and Robert seconded to approve Tract 43-4 NG/Mike and Wendy Bournarzian's application for construction of residence, septic system, well, driveway on condition GLA receives check for $250 Sanitation bond. Motion carried.

Tract 1-C NG/Michael & Janice McCann: Application to approve construction of residence, well and septic system.
MOTION: Robert motioned and Philip seconded to approve Tract 1-C/ Michael & Janice McCann's application for construction of residence, well and septic system on the condition that a 1) $250 check for Sanitation bond is submitted to GLA and 2) a snow fence is put up during construction. Motion carried.

79 SG/Rick Spallone: Application to approve construction of residence, driveway and property improvements.
MOTION: Robert moved and Dan seconded to approve 79 SG/Rick Spallone's application for construction of residence, driveway and property improvements on condition that 1) $250 check for Sanitation bond is submitted to GLA and 2) that Walter and David must approve drawings. Motion carried.

Tract 69 SG/Carl Anderson: Application to approve construction of residence and garage.
MOTION: Robert moved and Philip seconded to approve Tract 69/Carl Anderson's application for construction of residence and garage on the condition that a 240 ft. site distance clearance on driveway is provided, meaning that vehicles on driveway intersection can be seen by cars on road 240 ft. in either direction. This will require all obstructions, such as tree branches or brush, be thinned or removed as necessary. This action should be completed no later than 30 days from receipt of application approval form at which time driveway will be inspected. Motion carried.

File: MtgMins 07 15 02
Draft(s): 7/24/02, 7/31/02-FINAL
Amended: 8/5/02

Parcel 59 SG/Everett Johnston: Application to approve construction of residence.
MOTION: Philip moved and Dan seconded to approve 59 SG/Everett Johnston's application for construction of residence after Robert and Bruce check out set back drawings and approve them. Motion carried. (David has faxed copy.)

Parcel 33 NG/David and Roxanne Duke: Application for approval of construction of addition to their residence and a garage. Review of application included discussion relating to Roger Zeman's lawsuit. Robert stated that Roger Zeman signed an agreement with the Duke's regarding the placement of the drain field within 10 feet of the property line.
MOTION: Robert motioned and Dan seconded to approve Parcel 33 NG/David and Roxanne Duke's application for construction of addition to their residence and a garage under the conditions that 1) a check for $250 Sanitation bond is submitted to GLA and 2) this approval does not constitute approval of the driveway across Parcel 34. Motion carried.

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair

ACTION ITEM – Order road signs. Denise ordered signs that were delivered to Ian Scott.

ACTION ITEM – Replacing stop sign at GAV. No report.

Walter reported there is a mowing attachment that can be rented at ABC Rental in Bozeman for $14/hr.and a machine for $253/day. Discussion included spraying and mowing Glastonbury weeds.

4.4 Complaint Committee: Charlotte Mizzi, Chair
ACTION ITEM – Everett Johnston complaint letter re: Oudendijk property. Discussion re: giving Oudendijk 30-day notice to clean up property. Denise to contact Charlotte (on vacation) to determine if she sent a second letter to Orlando Johnson re: Oudendijk's property. Philip suggested GLA 1) ask Orlando to give GLA a written response with plan of how property will be cleaned up, and 2) when Orlando's response is received, write a follow up letter to Everett that would include our original letter to Orlando/Oudendijk, Orlando's response and our comments. Also discussed that GLA should request that exposed shelter pipes on Oudendijk property be painted a neutral color.

ACTION ITEM – Call Christy Dhieux-Bray re. tent complaint. No report.

ACTION ITEM – Note to people living in travel trailer on Tract 53-E (SG). Not done.

ACTION ITEM – Parcel 56 NG Statue Complaint. Philip reported that Joseph Swindlehurst recommended we get affidavits before taking any action. Philip noted that we have not received a formal complaint and has recommended that the Smith's submit a formal complaint.

ACTION ITEM – Kathleen Woodriff inspection. No report.
Jon reported that a large truck and 2 tents filled with what appears to be junk have recently appeared outside Kathleen's home. Check/a Charlotte on status of Kathleen's inspection.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr./Eric Newhouse, Co-Chair. No report.
ACTION ITEM – David's report on Church paying ½ cost of reviewing mineral rights.
David reported that he submitted GLA's request to Church and it is still under review.

Dan, Jr. reported on Karen Johnson's proposed contract re: researching Glastonbury mineral rights. Discussion. David briefly reviewed contract with Board and suggested that if we hire Karen that she be asked to inform us if and when she would go beyond her quoted estimate.
MOTION: As a modification to June 3, 2002 GLA Board of Director Meeting Minutes, Section 4.5, Philip motioned and Dan, Jr. seconded that 1) GLA inform Church that we are prepared to spend $3,000-4,000 to research Glastonbury mineral rights and 2) that before we begin this research we request that the Church confirms that once this research is completed that the Church will transfer to the GLA all the mineral rights that they own within North and South Glastonbury to be held in a conservancy trust never to be developed (excluding geothermal rights for residential use).

4.6 Recreation Committee: Eric Newhouse, Chair
ACTION ITEM – Present plan for recreation land. No report.

Philip asked if GLA would be interested in developing fire pond on Virgo Way/ SG into a community swimming pool. After discussing construction costs, safety and insurance/liability issues, the matter was dropped.

4.7 Web Site Committee: George Makris, Chair. No report.

4.8 Weed Committee: Philip Hoag. No report.

4.9 Ombudsman Report: Regina Wunsch (SG) Richard Johnson(NG) No report.

5. Other Business

5.1 Web Site. No report.

6. Next Meeting and Adjournment
The meeting was adjourned at 10:05 p.m. with no further business. The next meeting will be held August 5, 2002 at Golden Ratio Woodworks, 7 p.m.

File: MtgMins 07 15 02
Draft(s): 7/24/02, 7/31/02-FINAL
Amended: 8/5/02

NEW ACTION ITEMS:

AR40802.1 Board to review revised Architectural forms at home and approve 8/5/02 meeting.

AR71502.1 Board to review Covenants and determine response to Parcel 90 buyer's questions at 8/5/02 meeting.

AR71502.2 Denise to give Master Plan Draft to John Waid.

AR71502. 3 David/Walter to check out drawings/approve for 79 SG/Rich Spallone application.

AR71502.4 Bruce/Robert to check out/approve set back drawings for 59 SG/Everett Johnston.

AR71502.5 Denise to send architectural approval forms to applicants listed in 4.3, as appropriate.

RC51502.1 David to check out sickle mower to see if it will fit his tractor.

RC71502.2 Denise to order 2 new signs "Slow to 15 miles an hour" for Capricorn and Gemini roads. Contact Ian for additional signs to order.

CP71502.1 Denise to contact Charlotte re: follow up on complaints concerning Oudendijk and Woodriff.

MP71502.1 Contact or send letter to Church regarding mineral rights.

GLA 01190

John Waid 333-4358

FINANCING CONDITIONS AND OBLIGATIONS:

BUYER'S REPRESENTATION OF FUNDS: Buyer represents that they have sufficient funds for the down payment and closing costs to close this sale in accordance with this Agreement and are not relying upon any contingent source of such funds unless otherwise expressly set forth herein.

TIME FOR COMPLETION: If third party financing of the type specified herein is required by the terms of this Agreement (includes assumptions, contracts for deed, and lender financing), the closing shall occur on the date specified or as soon thereafter as financing is completed, but no later than N/A days after the stated closing date.

LOAN APPLICATION: If Buyer fails to make written application for financing and pay to the lender any required fees, apply for assumption of an existing loan or contract, or initiate any action required for completion of a contract for deed by 5:00 P.M. (Mountain Time) (date) N/A Buyer will be in breech of this Agreement and Seller can exercise Seller's remedies under this Agreement.

APPRAISAL PROVISION: Property must appraise for at least ($ N/A).
If the property does not appraise for at least the specified amount, the transaction is terminated and earnest money returned to the Buyer unless the Buyer elects to proceed with the transaction without regard to appraised value. Written notice of Buyer's election to proceed shall be given to Seller or Seller's Broker/Salesperson within N/A days of Buyer or Buyer's Broker/Salesperson receiving notice of appraised value.

CONTINGENCIES: The contingencies listed below or on attached addenda shall be deemed to have been released, waived, or satisfied, and the transaction shall continue to closing, unless, by the date specified for each contingency, the party requesting that contingency has notified the other party or the other party's Broker/Salesperson in writing that the contingency is not released, waived, or satisfied. If a party has notified the other party prior to the release date that a contingency is not released, waived, or satisfied, the transaction is terminated, and the earnest money will be returned to the Buyer, unless the parties negotiate other terms or provisions.

TITLE CONTINGENCY: This offer is contingent upon Buyer's receipt and approval (to Buyer's satisfaction) of the preliminary title commitment. Release Date: 5 business days from Buyer's or Buyers representative's receipt of preliminary title commitment.

PROPERTY INVESTIGATION: This offer is contingent upon Buyer's independent investigation of the following conditions relating to the property, including but not limited to; covenants, zoning, access, easements, well depths, septic and sanitation restrictions, surveys or other means of establishing the corners and boundaries, special improvement districts, restrictions affecting use, special building requirements, future assessments, utility hook up and installation costs, environmental hazards, or anything else Buyer deems appropriate.
Release Date: July 19, 2002

and such conditions being satisfactory to Buyers

This offer is contingent upon Seller obtaing an agreement from owners of Parcel 92 for Buyers to purchase (at a price acceptable to Buyers) that portion of Parcel 92 that lies between the current community access road and the current boundary between Parcel 92 and Parcel 90 ("Portion") or, at Buyers option, Seller obtaining an agreement from said owners of Parcel 92 to grant Buyers an easement across Portion at a location thereon and price acceptable to Buyers.
Release Date: August 8, 2002

(1) This offer is contingent upon Seller providing to Buyers evidence satisfactory to Buyers that the current community access road on Parcel 92 is subject to the terms and conditions set forth in Section 8.01 of the Restated Declaration of Covenants for the Community of Glastonbury made effective as of September 26, 1997.
Release Date: August 8, 2002

(2) **ADDITIONAL PROVISIONS:** On or before August 8, 2002, Seller shall provide Buyers with certified copies of all documents currently in effect relating to the use or development of Parcel 90, and all access roads and all common use land in Glastonbury South, and to the organization and governance of Glastonbury Landowners' Association, Inc., including without limitation, (a) Declaration of Covenants; (b) Master Plan; (c) Rules and Regulations promulgated by said Association; (d) evaluations of timber status of Parcel 90; and (e) By-Laws and Articles of Incorporation of said Association. Seller agrees to make every reasonable effort to satisfy the contingencies set forth in lines 92-101 above and to provide Buyers evidence of such efforts.

Board of Directors Meeting Minutes

August 5, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Opening Prayer

The meeting was called to order by David Tonkin at 7:30 p.m., at Golden Ratio Woodworks. Walter gave the opening prayer.
PRESENT: David Tonkin (President), Cynthia Dodge-Blocker (Treasurer), Daniel Kehoe, Jr., Walter Wunsch, Bruce Ganje, Charlotte Mizzi, Eric Newhouse.
ABSENT: Robert Wallace (Vice-President), Philip Hoag (Secretary), George Makris, Ian Scott
PROXIES: Robert to Ian, Ian to Eric, Philip to Eric.
ALSO ATTENDING: Denise Orr (GLA secretary), Kenneth and Bethanie Green

2. Reading and Disposition of Minutes

February 4, 2002: Tabled.

MOTION: Walter moved and Dan seconded to approve7-15-02 Meeting Minutes. Motion carried with one abstention.

3. General Business

Changes to Covenants: Discussion was tabled.

David reported that GLA received a letter (see attached) from Attorney's Badassin & Associates on behalf of Michael Koltonow requesting Section 5.12 of the GLA Covenants be amended to address 3 issues: 1) If a person owns a dry parcel that is to be subdivided from an original parcel, does the holder of a wet parcel have to provide well water to the entire dry parcel subdivision? 2) Can water be used to irrigate or water stock to the detriment of the owner of the wet parcel? 3) A wet parcel owner should not have to supply more than two un-subdivided parcels with an easement to drill, and that drilling should be done with some type of compensation. Discussion was postponed until changes to Covenants are discussed in future.

4. Report of Officers and Committees.

Treasurer's Report – Cynthia Dodge-Blocker, Treasurer
On behalf of Clare, Cynthia handed out GLA Balance Sheet as of 7/31/02.

Cynthia's job of collecting mail from GLA post box and related mail duties was passed to Denise. Walter will lend Xerox machine to Denise to use for GLA secretarial projects.

Draft(s); 8 08 02; 8 17 02;8/24/02; 09 09 02 -FINAL
Approved: 11 04 02

5. Architecture Subcommittee - Robert Wallace, Co-chair

ACTION ITEM – Approve architectural forms.
David passed out revised architectural application forms with suggested changes. Board reviewed & discussed.
MOTION: Charlotte moved and Cynthia seconded to approve additional changes to revised architectural forms with understanding that they can be revised in the future as needed. Motion carried with three abstentions.

David passed out revised Review Action forms with suggested changes. He also suggested an additional "condition" be added to read: "Approved with Condition that disturbed lands be reseeded" in both boxes.
MOTION: Charlotte moved and Walter seconded to approve the revised Review Action Form to include the clause "Approved with Condition that disturbed land be reseeded after construction" in both boxes. Motion carried.

Parcel 48 (20 acres) NG Minor Subdivision Proposal/Kenneth & Bethanie Green. The Greens presented subdivision proposal which they have worked on with William Smith. Board reviewed and discussion various aspects of proposal.
MOTION: Eric moved and Walter seconded that we give preliminary approved of Parcel 48 NG subdivision with the following conditions: We approve the proposed road on Subdivision 48 North Glastonbury as a 40 ft. road & utility easement that runs between the 2 existing wells and services Tract 48 C, D & E will be sufficient to serve these three parcels. The motion carried.
MOTION: Eric moved and Bruce seconded that we approve the subdivision of 48 North Glastonbury with the condition that proper easements and variances are obtained for the drain fields and utilities easements, including the 40 ft. road easement. The motion carried.

Bethanie Green (real estate agent for Century 21 in Livingston) reported that potential buyers of Glastonbury land become "discouraged" by the length of the Glastonbury Covenant document. Board discussed that in the last 2 years there has been an increase in buyers of GLA land.

ACTION ITEM – Report of Eric's discussion with County re: filing project review application forms. Tabled.

ACTION ITEM – **Approval of road on Tract 53-D SG/Henry & Joan M. Follman.** Denise to send letter per June 3 meeting motion. Bruce to call the Follmans.

ACTION ITEM – **Approval of double wide on Tract 32-B (NG)/Gerald Dubiel.** Pending based on missing paperwork. (Robert or Ian)

File: MtgMins 08 05 02 Final.doc
Draft(s); 8 08 02; 8 17 02;8/24/02; 09 09 02 -FINAL
Approved: 11 04 02

ACTION ITEM – **Requests/questions from Prospective Buyers of Parcel 90/SG**
GLA to approve revised location of Sagittarius Skyway. (see plat map)
MOTION: Walter moved and Dan seconded to approve to accept the revised road location of Sagittarius Skyway. Motion carried.
Determine whether Board wants to evaluate whether Parcel 90 is "moderately" or "heavily timbered.
David read Covenants 5.10 re: conditions of cutting or sale of timber.
MOTION: Eric moved and Dan seconded to classify Parcel 90 as "moderately" timbered. Motion carried.

ACTION ITEM – Send Master Plan to John Waid. Done.

ACTION ITEM – **David/Walter to check out/approve drawings for 79 SG/Rich Spallone application**. David reported project has been approved.

ACTION ITEM – **Bruce/Robert to check out/approve set back drawings for 59 SG/Everett Johnston application.**
MOTION: Eric motioned and Bruce seconded to approve 59 SG/Everett Johnston application for construction. Motion carried.

53-A SG/Kathy Raven. David presented application. Preliminary approval not given due to inadequate information. Bruce to call Kathy to tell her that we need a site map with correct/legible setbacks concerning property boundaries, building plans/specs, etc. Bruce to give Application Form "A" to Kathy to complete.

38-D NG/James Gough request to install a culvert.
MOTION: Eric moved and Walter seconded to approve 38-D NG/James Gough's request to install a culvert. Motion carried.

4.3 Road Committee – Bruce Ganje & Ian Scott– Co-chair

ACTION ITEM – Order road signs. In process

ACTION ITEM – Installation of road signs. Done.

ACTION ITEM – Replacing stop sign at GAV.

ACTION ITEM – Intersection of Sirius Road and Story Road. Not discussed.

File: MtgMins 08 05 02 Final.doc
Draft(s); 8 08 02; 8 17 02;8/24/02; 09 09 02 -FINAL
Approved: 11 04 02

4.4 Complaint Committee – Charlotte Mizzi – Chair

COMPLAINT: **Nicola Woywitka 8/4/02 Letter--** Notice/complaint about noxious weeds in South Glastonbury. Discussion included that South has been sprayed and that Nicola will need to take her complaint to County.

ACTION ITEM – **Everett Johnston complaint letter re: Parcel 60.** Charlotte to handle. Bruce reported that Johnston has requested documentation as to what is being done regarding his complaint. Denise to E-mail Bruce all copies of meeting minutes pertaining to Everett Johnston's complaint.
Charlotte to send second letter to Oudendijk (include information from 6/3 and 7/15 meeting notes) and cc to Orlando Johnson (who has power of attorney over Oudendijk property) and Everett Johnston. Charlotte also to find out if George has talked to Orlando and determine what action Orlando or Oudendijk's have taken.

ACTION ITEM – **Call Christy Dhieux-Bray re: tent complaint.** David called Christy to inform her that it is her responsibility to handle issue, but that he would also talk to tent owner and explain the rules.

ACTION ITEM – **Kathleen Woodriff inspection.** Charlotte reported that Kathleen's property looks neater. Discussion also included that it appears that junky material that was outside her home is now hidden inside a tent, but has not been removed as GLA requested. Charlotte to follow up and determine current status of Kathleen's property and if she has complied with GLA Board request. It was also discussed that Kathleen has also not yet applied for building permit.

ACTION ITEM – **Note to people living in travel trailer on Tract 53-E (SG).** No report.

ACTION ITEM – **Status report of Rakela-Pitendorfer/Parcel 56 NG statue issue.** David reviewed advise that our attorney, Joseph Swindlehurst, has given to us. GLA will not take any action until it receives a formal complaint.

4.5 Land Use Master Plan Committee - Daniel Kehoe, Jr., Co-chair
ACTION ITEM – David to report on Church agreeing to transfer mineral rights. Report is pending discussion with Judith Filbert from the Church.

4.6 Recreation Committee - Eric Newhouse, Co-Chair
ACTION ITEM – Present plan for recreation land. Eric to submit at next meeting.

4.7 Ombudsman Report - Regina Wunsch (SG) & Richard Johnson (NG) No report.

MEMORANDUM

To: GLA Board
From: David Tonkin
Date: August 27, 2002
Re: Meeting Minutes

We have highlighted items listed on the agenda and minutes where you have an action to accomplish for this meeting.

To cut down on the amount of time for our meetings, I suggest that we individually read the minutes before the meeting so we do not have to spend the time at the meeting.

P.S. Note the new date for the next meeting. Also, check your email. There are a number of important items there

2002-09-09_BDGN.pdf

Glastonbury Landowners Association

Board of Directors Meeting Minutes

September 9, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by David Tonkin at 7:25 p.m., at Golden Ratio Woodworks. Cynthia gave the opening prayer.

PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Daniel Kehoe, Jr., Walter Wunsch, Charlotte Mizzi, Ian Scott
ABSENT: Bruce Ganje, George Makris, Eric Newhouse
PROXIES: George Makris to Dan Kehoe, Jr.
ALSO ATTENDING: Denise Orr (GLA secretary), Claire Parker (Accountant) & Orlando Johnson.

2. Reading and Disposition of the Minutes General Business

February 4, 2002. Tabled

MOTION: Philip moved and Cynthia seconded to approve the Aug. 5, 2002 meeting minutes as written. Motion carried.

3. General Business

3.1 Changes to Covenants. Tabled.

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer

1. The Board reviewed "GLA Transactions to Date July & August 2002" and "Balance Sheet As of Sept. 9, 2002" passed out by Cynthia and Claire.

2. Cynthia began discussion re: filing liens on properties where assessments are past due. She handed out: " Delinquent Assessment Payment-Final Notice" letter-- Notice of Claim of Lien; "Liens Prepared" by Jim Phipps/2001; Customer Balances as of July 31, 2002; a list of lien questions posed by Jim Phipps; and a list of "What is Needed to Process a Lien" by Jim Phipps.

Delinquent Assessment Payment-Final Notice: proposed letter

Board discussed giving 10% off assessment fees if overdue fee is paid (in one lump sum?)
MOTION: Dan motioned and Philip seconded to include in the "Delinquent Assessment Payment-Final Notice" letter that a *10% discount would be given if balance owed was paid within 2 months, and we would need to hear from owner in next 30 days.* Motion carried.
MOTION: Robert motioned and Dan seconded an amendment to above motion that the *10% discount only be given to those owing $1,000 and above.* Motion carried.

Board discussed that assessments could be completely lost to GLA if it doesn't file liens on properties up for sale or in foreclosure.

File: MtgMins 09 09 02 Final.doc
Approved: 10 7 02
Amended: 09 24 02- final

From above motions were developed 2 letters
Letter to those owing less than $1,000
Letter to those owing $1,000 and above

"Liens Prepared" (Compiled by Jim Phipps in 2001/no specific date)
Board discussed we need to research if liens on this list are still in effect or have been released, etc.

"Customer Balances as of July 31, 2002." Includes list of 69 names of property owners who owe in excess of $240--grand total of $66,835.07. Board reviewed list and discussed corrections and research needed on specific property owners.

"Questions" and Answers Re: Liens.
Jim Phipps documented these from 2001 GLA Board meeting.

"What is needed to Process a Lien" (2001 research by Jim Phipps)
Cynthia did recent research to justify $50 Penalty Fee: (a) County Recorders Office confirmed cost to file lien=$5 & to release it =$5 (b) Certified mailing w/return receipt=$4.42 and (c) Remaining balance of penalty fee is covered by cost of secretarial labor, including research, filing and mailing, etc.

Board reviewed other important factors to consider when filing a lien:
a) Check procedure (per 2001 meeting notes) re: final notice will be stamped in red on bill and sent with letter notification.
b) Confirm the "legal name" of property owner and if it is the same name on GLA database.
c) Determine if there are other liens on property. If there is another lien, GLA is put in 2nd lien position.
d) Determine if GLA previously released and/or filed liens on the property
e) Order of handling lien research/notification project: 1rst--handle liens on properties for sale or in foreclosure 2nd—those owing $1000 and above, and 3rd--those owing smaller amounts.

4.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair

1. ACTION ITEM – Review Architectural forms. Done. Board suggested adding a notice to each form that applicant must submit an application and receive approval before starting construction.

2. ACTION ITEM – Report of Eric's discussion with the county re: Filing review forms. No report.

3. ACTION ITEM – Send letter re: approval of **road on Tract 53-D (SG)/Henry Follman**. Done. Follman responded to letter by talking to Bruce. David to ask Bruce to talk to Follman about road being too steep (Driveway Standards/Table 4, pg. 7). Robert & Bruce to meet w/Follman to advise on what can be done.

File: MtgMins 09 09 02 Final.doc
Approved: 10 7 02
Amended: 09 24 02- final

4. ACTION ITEM – Find missing papers and send Approval Notice re. double-wide on Tract 32-B (NG) Dubiel. Owner to forward a copy of his application to Denise.

5. ACTION ITEM – Send Approval Notice for Subdivision of Parcel 48 (NG), Green. Done

6. ACTION ITEM – Send Approval Notice for Tract 38 (NG), Gough. Done.

7. ACTION ITEM – Send Approval Notice for Parcel 79 (SG), Spallone. Done.

8. ACTION ITEM – Send Approval Notice for Parcel 59 (SG), Johnston. Done.

9. ACTION ITEM - Inform John Wade of Board decision re. Parcel 90 (SG). Done.

10. ACTION ITEM – Call Raven re. setbacks on Tract 53-D (SG) on application. No report and no applications received. Send disapproval notice. Check w/Bruce.

11. ACTION ITEM – Report on new Entrance signs. No report. Charlotte & Ian to research and propose content and design of sign and submit to Board.

12. ACTION ITEM – **Carl Anderson/Letter from his attorney, Robert Jovick** (see attached) David reported that GLA received a letter from Carl's attorney that claimed GLA singled out Anderson and that our requests for sight distance were inconsistent with other driveways in the area, etc. Using a map David reviewed site distances of Carl's driveway and a number of other roads and driveways in the area. David to write a letter to Carl's attorney stating GLA will reduce site distance equal to the sight distance based on curvature of road and it will recommend removal of 2 or 3 trees and removing limbs of other trees to gain the required sight distance.

13. **IanScott/10-C (NG) Small Cabin** Added to agenda (See attached email, dated 7/7/02)
The Board discussed Ian's cabin proposal.
MOTION: Robert motioned and Walter seconded to accept Ian Scott's proposal to build a small cabin on his 10-C (NG) property and to waive the sanitation bond. Motion carried.
ACTION ITEM: Arch Subcommittee: Contact Ian re approval.

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair

1. ACTION ITEM – Order road signs. Denise passed out a list of potential signs to be ordered for N & S Glastonbury w/price estimated. Denise to research sign post expense. Budget for signs & posts needs to be determined and approved at a future date.

2. ACTION ITEM – Replacing Stop sign at GAV w/Yield Sign. Replacing Yield sign w/Stop sign in N. Glastonbury at bottom of Sirius Road. Not completed. Ian to ask Dan Blocker to put them up.

File: MtgMins 09 09 02 Final.doc
Approved: 10 7 02
Amended: 09 24 02- final

Cynthia to also ask Dan to trim out sapsucker branches on corner of bottom of Sirius.

3. ACTION ITEM – Intersection of Sirius and Story roads.

4. ACTION ITEM- David to get mower. David got 4 ft. wide mower and has started to mowing edges of road—but delayed due to problems w/mower. Plans to mow all of roads, including soccer field, next week.

4.4 Complaint Committee: Charlotte Mizzi, Chair

1. ACTION ITEM – **Everett Johnston complaint letters/emails re: Parcel 60**
The Board reviewed a letter that David proposed be sent to Everett Johnston in response to Johnston's August 21, 2002 letter. David and Orlando Johnson (who has power of attorney for owners of Parcel 60) reviewed clean-up already accomplished. Orlando reviewed that certain actions of John Waid leaving a snowplow on Parcel 60 & John Fanuzzi dumping and burning a home on Parcel 60 have contributed to clean-up problem. GLA suggested that Orlando contact Fanuzzi and ask him to clean up the left over debris.
MOTION: Charlotte motioned and Cynthia seconded that David's proposed letter to Everett Johnston with amendment to include history of clean-up to date, be sent to E. Johnston in response to his August 21st letter and cc to Alexander Oudendijk (Parcel 60 owner), Orlando Johnson and Phil and Carol Hanifan. Motion passed.

2. COMPLAINT: **Phil and Carol Hanifan (Owners of Parcel 61, SG) 8/27/02 Complaint Letter Re: Eyesores on Parcel 60 and other nearby properties.** Board discussed Hanifan's letter.
MOTION: Robert motioned and Cynthia seconded that Charlotte send a response to the Hanifans and enclose a copy of the letter David will send to E. Johnston in response to his Aug. 21, 2002 letter re: Parcel 60. Letter should include that Hanifans need to a) send GLA a detailed list of eyesore materials that they can see on Parcel 60 and b) contact the other neighbors and list complaints about eyesores on their properties as well. Denise to draft letter. Motion carried

3. ACTION ITEM: **Brettschneider Complaint Re: Parcel 81, SG/Donald Hansard.** Two letters have been written to D. Hansard; the second letter gave 10 day notice asking for written response. GLA has received no response as of this date.
MOTION: Philip motioned and Charlotte seconded that we turn the Hansard issue over to our attorney, Joseph Swindlehurst, to file injunctive relief. We should instruct our attorney to file after October 6 (when Mercury is no longer retrograde). Notify Hansard of our action. Motion carried.

4. ACTION ITEM – **Complaint Re: Kathleen Ulrich/Woodriff/Parcel 32, NG**
David reported that Kathleen has put up three 10x20 ft. tents, filled them with a lot of stuff and there is still stuff around the property. Charlotte has written letters and has personally visited Kathleen about this matter. Eric reported that he has visited and talked to Kathleen about submitting building plans

recently and over the years. Nothing has been done with the building and no building plans have been submitted to GLA. Board has concerns about workmanship, roof trusses that are bent/uneven, house

sitting on top of adobe brick structure, questionable floor structure & bearings, unfinished building. MOTION: Philip motioned and Charlotte seconded to hand over the Kathleen Woodriff issue to our attorney, Joseph Swindlehurst, to file injunctive relief concerning 1) the eyesores around Kathleen's home and 2) the structure of her home. We need to provide attorney w/ Covenant references that empower the Board to act on these issues plus a chronological history of complaints against Kathleen. We should instruct our attorney to file after October 6 (when Mercury goes retrograde). Motion carried.

5. ACTION ITEM – Charlotte to respond to **Nicola Woywitka 8/4/02 Complaint Letter Re: Knapweed on Private Property**. Charlotte didn't have copy of letter. Denise to forward a copy to her to handle.

6. ACTION ITEM - **Kathleen Rakela-8/23/02 Complaint Letter Re: Weeds**
Walter to handle response to Kathleen. Letter to include that GLA has contracted people to spray weeds on sides of roads and we have weed control programs & incentives, including Park County's incentive to control weeds in North Glastonbury.

7. ACTION ITEM – Note to people living in travel trailer on Tract 53-E (SG). Problem resolved. Home being built.

8. ACTION ITEM – **Parcel 56 NG Statue Complaint**. No "formal" complaint has been submitted yet.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr. /Eric Newhouse, Co-Chair. No report

ACTION ITEM – David report on mineral rights. No report.

4.6 Recreation Committee: Eric Newhouse, Chair
ACTION ITEM – Present plan for recreation land. Not discussed.

4.7 Web Site Committee: George Makris, Chair. David reminded everyone that website is up. Website name is: GLA-MT.ORG Acrobat Reader is required to read website. Website needs link to download Acrobat Reader. Discussed putting meeting minutes on website and potential problems.

4.8 Weed Committee: Philip Hoag.
Cynthia reported that Nicola Woywitka has received information from the County about knapweed and thinks GLA should send this information yearly to Glastonbury landowners to keep them informed. David reported that Philip reviews the weed situation at each GLA Annual Meeting. Philip suggested

that representatives from N & S Glastonbury identify names of property owners that have weeds and turn names over to GLA. Then GLA could turn names into the County weed control people. County will then notify owners to comply w/weed regulations.

4.9 Ombudsman Report: Regina Wunsch (SG) Richard Johnson (NG) No report.

5. Other Business

Election Committee: David reported that we have sent out a letter re: November GLA Board elections. (See attached) We need a Board member who is not on a committee and won't be running in November) to be chairman of Election Committee. Chairman solicits people to help him/her call around looking for candidates and also helps supervise elections/ballots at annual meeting. Secretary (Denise) handles all mailings and paperwork, etc.

6. Next Meeting and Adjournment

The meeting was adjourned at 9:45 p.m. with no further business. The next meeting will be held October 7, 2002 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS

TR90902.2 Denise to work w/Cynthia on liens: research, preparing lists, writing letters and filing.

AR90902.1 Dan to add to top of architectural application form that landowner's are required to complete application form and receive GLA approval before construction.

AR90902.3 David to ask Bruce to talk to Follman about road being too steep (Driveway Standards--Table 4, page 7). Robert and Bruce to meet w/Follman to advise him as to what can be done.

AR90902.11 Charlotte & Ian to research and propose content and design of sign and submit to Board.

AR90902.12 David to respond to letter from Carl Anderson's attorney, Robert Jovick.

RD90902.1 Denise to research cost of sign posts & poles and submit to Board.

RD90902.2 Ian to contact Dan Blocker to replacing Stop sign at GAV w/Yield Sign & replacing Yield sign w/Stop sign in N. Glastonbury at bottom of Sirius Road.

RD90902.3 Cynthia to ask Dan Blocker to trim sapsucker branches-corner of Sirius & Story roads.

RD90902.4 David to mow roads, including soccer field.

File: MtgMins 09 09 02 Final.doc
Approved: 10 7 02
Amended: 09 24 02- final

CP90902.1 Denise to send letter to Everett Johnston in response to Everett's August 21st letter & cc to Alexander Oudendijk (Parcel 60 owner), Orlando Johnson and Phil and Carol Hanifan. Done.

CP90902.2 Denise to draft letter to the Hannifans (from Charlotte) with enclosure of a copy of the letter David's letter to Everett. Johnston.

CP90902 After clean-up of Parcel 60 shelter site is completed--send follow up letter to E. Johnston. stating that GLA feels that exemplary efforts have been made to clean up Parcel 60 shelter, etc.

CP90902 Denise & Charlotte to review complaint procedures & submit to Board for posting on our website.

CP90902 To complete GLA records on Parcel 60 complaint, Charlotte to write Orlando Johnson asking him to confirm *in writing* that since his phone conversation from a GLA board member in early June, he is in the process of cleaning up Parcel 60 and date he plans to have it completed.

CP00902.3 Give our attorney information on Brettschneider complaint re: Hansard/Parcel 81 (SG) issue to file injunctive relief.

CP90902.4 Denise to prepare chronological history of Kathleen Ulrich/Woodriff property eyesore & construction application noncompliance. Send information to our attorney to file injunctive relief. Notify Kathleen of this action.

CP90902.5 Charlotte to write to Nicola Woywitka in response to her 8/4/02 letter re napweeds on private land.

CP90902.6 Walter to draft letter to Kathleen Rakela re: her weed complaint and e-mail draft to Board for input before sending it to her.

GLA 01234

Glastonbury Landowners Association, Inc.
P.O. Box 312, Emigrant, MT 59027

September 3, 2002

Dear Friends and Neighbors, Glastonbury Landowners,

Greetings from the heart of Paradise Valley!

As our beautiful Montana summer begins to fade, the Glastonbury Landowners Association (GLA) is planning the sixth Annual Glastonbury Landowners Meeting and election of Board of Directors and Ombudsmen. Our meeting and election will be held at Emigrant Hall on Saturday, November 16, 2002 from 10:00 a.m. to 1:00 p.m.

This letter is notification that the period for filing of candidates is open until October 5, 2002. Members (Glastonbury landowners) may nominate themselves and/or other Members to serve on the Board or as an Ombudsman.

In considering yourself or another as a potential candidate, you will want to take into account important factors such as the ability to attend monthly meetings in person and eligibility--as explained on the enclosed Nomination Form. Please review these factors with individuals you would like to nominate, and ask if they are willing to run for election before sending in your nomination.

To give candidates an opportunity to communicate their qualifications to Members, we ask each one to mail to the Nomination Committee (at the above address) a paragraph that gives a brief description of his/her eligibility, qualifications and interest in serving on the Board. This information can be written on the back of the enclosed nomination form. Please remember to ask potential candidates to mail in this information as well. Prior to the November elections, the biographies of candidates will be included in another mailing that will notify Members of our Annual Meeting and provide mail-in ballots.

If there has been any change in the ownership of your property, we would appreciate your contacting us at the above address to inform us about the transfer of ownership, including the name, address and telephone number of the new owner. This will assist us in keeping our records up-to-date and insure that every Member is notified about our November 16 meeting and future announcements.

Thank you for your continuing support of the Glastonbury Landowners Association.

Sincerely yours,

Denise M. Orr
Secretary to the GLA Board

Enclosure

NOMINATION FORM FOR BOARD OF DIRECTORS OF THE GLASTONBURY LANDOWNERS ASSOCIATION 2002

The Bylaws of the Glastonbury Landowners Association, Inc., Article VI, Subsection C, state in part: "NOMINATION OF DIRECTORS. Prior to each annual meeting, the Board shall prescribe the opening date and closing date of a reasonable filing period in which every Member in good standing* who has a bone fide interest in serving as a Director may file as a candidate for any position to be filled by votes of the Membership Interests. The closing date shall allow time for the ballots to be mailed with the notice of the Annual Meeting to the Members. The Board shall also establish such other Rules as it deems appropriate to conduct the nomination of Directors in a fair, efficient and cost-effective manner... Nominations shall also be permitted from the floor at the Annual Meeting. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes."

Article X, Subsection C of the Bylaws states in part: "NOMINATION OF OMBUDSMAN. Concurrent with the opening date and the closing date of the filing period for election to the Board of Directors any Member in good standing may file as a candidate for the Ombudsman position. Candidates for the Ombudsman position in Glastonbury North must reside in Glastonbury North and candidates for the Ombudsman position in Glastonbury South must reside in Glastonbury South at the time of their election..."

*A Member in good standing is one who is current in the payment of assessments and is not in violation of the Covenants.

This year, South Glastonbury landowners will be electing three new Directors for two-year terms. North Glastonbury landowners will also be electing three new Directors for two-year terms plus one new Director for a one-year term--to complete Jon Olsen's term. (Jon recently moved out of state and served 1 year of his 2-year term.) Each Glastonbury will also elect 1 Ombudsman for a 1-year term.

You may nominate candidates from North or South Glastonbury, even though at election time you may vote only for the candidates from the Community in which you own land.

The following Directors are currently serving two-year terms and are not eligible for Nomination: David Tonkin, Dan Kehoe, Jr. and Cynthia Dodge-Blocker (South Glastonbury) and Robert Wallace and Charlotte Mizzi (North Glastonbury).

Those Directors completing terms of office and, therefore, are eligible for nomination: Walter Wunsch, Bruce Ganje and George Makris (South Glastonbury) and Philip Hoag, Eric Newhouse and Ian Scott (North Glastonbury).

Please use the reverse side of this form for writing the paragraph stating your qualifications to serve as a Director or Ombudsman.

Name of Nominee	Address	Phone	Lot No.	N or S
(Director)				
(Ombudsman)				

Please mail or fax your Nomination forms so that they are received no later than October 5, 2002.

Subject: small cabin approval

No time

Log cabin Sauna.jpg (25 KB)

To the board,

I would like a vote via email to approve a small cabin I am building on my land. It will be used as a sauna and spare room. Attached is a rough hand drawing. The cabin is visible from nowhere, and is at least 40' from the nearest property line. I intend to dig a large hole, fill it with gravel and a 50gallon drum, (maybe I could it from parcel 60) to use as a french drain. Please send any comments and a Yeah or Nay.

Thank you

Ian

(1) (2)

Motion Robert & Walter accept. Bond waived

October 7, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by David Tonkin at 7:20 p.m., at Golden Ratio Woodworks. Ian gave the opening prayer.
PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Bruce Ganje, Charlotte Mizzi, Eric Newhouse, Ian Scott
ABSENT: Daniel Kehoe, Jr., George Makris, Walter Wunsch
PROXIES: Walter Wunsch to Cynthia Blocker
ALSO ATTENDING: Regina Wunsch (Ombudsman), Denise Orr (GLA secretary), Clare Parker (Accountant), Gary and Nancy Olsen (3938 US Hwy 89 S)

2. Reading and Disposition of the Minutes General Business

September 9, 2002 Meeting Minutes
MOTION: Charlotte moved and Cynthia seconded to approve the September 9, 2002 meeting minutes as amended. Motion carried.

3. General Business

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Cynthia passed out "Transactions to Date-September in Check Book 2002."
Claire passed out "Balance Sheet as of 10/7/02" & "Income & Expense Budge Overview" January 1 through October 7, 2002."

Board questioned why budget amounts were odd amounts instead of even amounts.

ACTION ITEM – Liens. Cynthia passed out list of 19 liens filed 10/07/02 on landowners with delinquent assessments of $1,000 or more. Also passed out 2 form letters (attached). The first was sent to the 19 landowners who had liens filed on their property and the second will be sent to those w/delinquent assessments under $1,000.
Letter #1-- Notification that a lien has been filed and a 10% discount offered if paid within 10 days. Board reviewed letter and compared it to the 9/9/02 Board motion giving people in this category 30 days to respond and 2 months to pay.
MOTION: Philip motioned and Robert seconded to change the terms of Letter #1 as voted on in 9/9/02 meeting as follows: Cynthia has the authority to extend the 10 day 10% discount period that ends on 10/18/02 to 11/16/02 midnight. This means that Cynthia can offer this extension to anyone who received Letter #1 (10/07/02), and contacts her about their delinquent assessment dues. Motion carried.
Letter #2--To be sent to those with delinquent assessments from $240 to $999.00. Includes warning that lien will be filed if GLA doesn't receive payment of assessments in arrears.
MOTION: Eric motioned and Robert seconded to change Letter #2 to read that a) people can pay their assessments within 30 days and, b) if someone contacts Cynthia within that 30 days and needs more time to pay, Cynthia has the authority to extend to them an additional 30 days. Motion carried.

Amended:

4.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair
ACTION ITEM – Finalize Architectural forms. No report.

ACTION ITEM – Road on Tract 53-D (SG) / Henry & Joan Follman. Meeting with Follman has not taken place although phone discussions have taken place. Board discussed history of problems with Follman's driveway application and actions to be taken.

ACTION ITEM – Tract 32-B Construction (NG) / Dubiel. Find missing papers and send Approval Notice. Application has been requested, but not received.

ACTION ITEM – Tract 53-A (NG), Catherine Raven. Send Disapproval Notice for home construction. Not sent.

ACTION ITEM – Report on new Entrance signs. Tabled.

ACTION ITEM – Report on cost of signs. Tabled.

ACTION ITEM – Parcel 69 (SG) / Carl Anderson. Respond to letter from Carl Anderson's attorney Robert Jovick. Philip reported that he wrote to Robert Jovick informing him that GLA would review letter at 10/7/02 meeting and response would be sent by 10/10/02. David read a draft of proposed letter of response to Jovick. Board approved draft should be sent with the following additions: 1) GLA appreciates that Mr. Anderson brought up the issue that there are other driveways in violation of safety standards 2) GLA Board wants to make sure that all driveways are safe. 3) In next 30 days similar letters as sent to Mr. Anderson will be sent to owners of lots who have similar violations with their driveways.

Lot 53-D (SG) / Henry & Joan Follman Building Application
Board reviewed Follman's cabin application, including driveway problems and disapproved his application. Bruce reported that Harold Marshington, who built the road, told Bruce that he agreed that the road was pretty steep and that the Follman's knew this as well. In the application, Follman indicated he had paid the $250 Sanitary Bond that GLA has no record of receiving.

Lot 35-D (SG) / Joe and Lorraine Swift Building Letter
A letter asking for approval of Greenhouse (to be attached to the back of their existing residence of 8 ft. x 35 ft.) was presented to the board.
MOTION: Philip motioned and Eric seconded to approve construction of greenhouse on Lot 35-D (SG)/Joe and Lorraine Swift. Motion carried.

Parcel 46 (NG) / Robert Jensen: Building Application
MOTION: Eric motioned and Philip seconded to give preliminary approval to Robert Jensen/Parcel 46, (NG) application for construction of 2-car garage and workshop providing it is a minimum of 55 ft.

File: MtgMins 10 07 02 Final.doc
Draft(s); 10/09/02; 10/11/02; 10/25/02-FINAL
Amended:

feet from the centerline of Aquarius Dr and 25 ft. from all other property lines. Motion carried.

Tract 36 & 40 (SG) / Robert Wallace: Final Approval of Minor Subdivision Application.
Robert stated the subdivision was approved by the State.
MOTION: Philip moved and Eric seconded final approval of Parcel 36 & 40 (SG)/Robert Wallace minor subdivision. Motion carried.

Robert requested (on application form) to pay only one land assessment fee on his undeveloped tracts until they sell—similar to what was granted to William Smith previously this year. Need clarification as to whether this was made a policy or was a waiver to an individual.

Parcel 36-E (SG) / Robert Wallace: Building Application
$250 bond submitted. Robert will send copy of maps to Denise.
MOTION: Philip moved and Ian seconded to approve house construction on Parcel 36-E (SG)/Robert Wallace. Motion carried.

Tract 5-C (NG) / Valerie O'Connell
Philip & Ian reported that Valerie O'Connell is planning to install a mobile home without project approval. An architectural application was given to her. Ian reported a well has been dug and that he thinks O'Connell believes her plans have been approved. Board discussed whether her mobile home meets GLA mobile home standards.
David read excerpts re: mobile home standards from Covenants, Draft Master Plan and Community Standards. Philip reported Valerie told him she planned to have her mobile home for a couple of years while she built house. Board discussed ways they could grant Valerie a variance.
MOTION: Philip motioned and Bruce seconded to revise and adopt mobile home standards as listed under Mobile Home Standards in "Community Standards 2-10-2002 Draft" to include that mobile home should: 1) be no older than 10 years old, 2) be a minimum width of 24 feet, 3) have pitch shingled roof 4) have wood siding or simulated wood siding 5) have a foundation that includes stripped footing and 6) is recessed into the ground. Up-to-date Standards should always be included with Covenants when distributed. Motion carried.

4.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair

ACTION ITEM – Report on cost of road signs. Tabled.

ACTION ITEM – Replacing stop sign at GAV and at intersection of Sirius and Story Road.
Short discussion re: problem of removing the "Stop" sign on Helios Way as one is leaving GAV (a private road) onto Sirius Dr (a platted GLA road) and replace it with "Yield" sign. Philip proposed that the two "Yield" signs (currently on Sirius Dr where Helios Way "T's" into Sirius) should be replaced with "15 miles an hour school zone" signs and that the "Stop" signs on Helios should remain.

ACTION ITEM – Dan Blocker to trim undergrowth at Intersection of Sirius and Story Road

File: MtgMins 10 07 02 Final.doc
Draft(s); 10/09/02; 10/11/02; 10/25/02-FINAL
Amended:

Not done.

ACTION ITEM – Mow edges of roads and recreation field. Not completed.

Gary and Nancy Olsen / Arcturus Rd. (SG): Gary and Nancy attended meeting to request that their private road be snowplowed first thing weekdays mornings as Gary drives a Arrowhead School bus and has to be on road at 6:30 a.m. Eric reported that Dry Creek is a county road and the County has previously considered Dry Creek a low priority and is not been able to plow all its roads in one morning. Discussion included the suggestion to contact County Commissioners and Sarah at Arrowhead School about the problem and elevating the priority of plowing Dry Creek Rd since Gary is driving a school bus. Various suggestions were made to assist the Olsen's with their situation, including putting up snow fences and using chains. Gary also stated he may have to park his car down the road and walk to it. GLA is concerned about guaranteeing the road to Gary's home will be plowed by 6:30 a.m. when he needs to leave for work. Also, discussed snow plowing and sanding options for this winter season.

Construction of Road Above Gemini (NG): Discussed the possibility that the Church may be subdividing the land near the new road that William Smith is working on and if the subdivision is going on—the road to it - will need to be widened.

Damaged North Glastonbury Road Guardrail: Philip reported an accident occurred on Capricorn Dr at the north entrance to North Glastonbury, which badly damaged the guard rail. It will need to be repaired. Philip and the Highway Patrol investigated this matter, but the person who hit the rail hasn't been found. Philip and Dean Kimpson propose that instead of paying high fees to hire guardrail contractors from Billings that they handle the repair.

4.4 Complaint Committee -- Charlotte Mizzi, Chair

ACTION ITEM –Nicola Woywitka compliant letter of 8/4/02. Charlotte to write letter. Not completed.

ACTION ITEM – Parcel 81 (SG)/Donald Hansard. Request attorney to file for injunctive relief. Not done. Charlotte had left a second phone message for Donald over a week ago and he did not return her call. Per 9/9/02 meeting motion, send issue to our attorney.

ACTION ITEM – Parcel 32 (NG)/ Kathleen Ulrich/Woodriff. Make chronological list of complaint history and request attorney to file for injunctive relief. Not done.

ACTION ITEM – Kathleen Rakela re: noxious weeds. Walter to write letter. No report.

ACTION ITEM – Everett Johnston / Parcel 59 complaint Letters/E-Mails Re: Eyesores on Parcel 60. Done.

ACTION ITEM - Phil and Carol Hanifan / Parcel 61 (SG) complaint Letter Re: Eyesores on Parcel 60 and other nearby properties. Done.

William/Cheryl Smith Formal Complaint (10/7/02) Re: Rakela/Pittendorfer Statues. GLA received formal complaint on 10/7/02.
MOTION: Philip motioned and Charlotte seconded to send letter to Rakela/Pittendorfer that informs them that GLA Board has received a formal complaint regarding the statues and the Board has determined that the statues are eyesores. Site sections 5.05 and 10.02 in Covenant. State that we are giving notice that within 10 days the statues need to be removed or placed somewhere else on their property where they are not visible from any adjoining properties or Glastonbury platted roads and that GLA will need to hear back within 10 days from date of letter. If GLA does not hear back within 10-day period, we will have no other choice but to turn this issue over to our attorney to file for injunctive relief. Send letter certified/return receipt requested. Motion carried.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr./Eric Newhouse, Co-Chair. No report.

ACTION ITEM – David to report on mineral rights. No report.

4.6 Recreation Committee: Eric Newhouse, Chair.
ACTION ITEM – Present plan for recreation land. No report.
Eric said that he wants to get weeds mowed prior to grading for the soccer field.

4.7 Web Site Committee: George Makris, Chair. No report

4.8 Weed Committee: Philip Hoag. No report.

4.9 Ombudsman Report: Richard Johnson (NG) Regina Wunsch (SG).
Regina reported she was told about a heated argument between 2 landowners in SG (including physical threats) and that it affected others around them. She advised GLA that such arguments might be prevented if we send all the basic rules of Glastonbury to new landowners and remind all landowners of these rules. Board agreed that this action is important and would review her suggestions.

4.10 Election Committee
Charlotte Mizzi was selected to be Chair Person for Election Committee
Elections will be held at GLA Annual Meeting on Saturday, Nov. 16, 2002 at Emigrant Hall from 10 a.m. to 1 p.m. Denise reported: Philip and Walter *will be* running again; Rick Spallone, Eric Newhouse, Philip Hoag and Ian Scott have been nominated; and Eric, Ian, George and Bruce *will not be* running. Eric said he would nominate James Kozlik if James is interested.

5. Other Business
MOTION: Eric motioned and Philip seconded to approve Denise Orr as an authorized signer on

GLA's safe deposit box. Motion carried.

6. Next Meeting and Adjournment
The meeting was adjourned at 10:10 p.m. with no further business. The next meeting will be held November 4, 2002 at Golden Ratio Woodworks, 7 p.m.

NEW ACTION ITEMS:

TR100702.1 David to research original budget amounts and contact Clare. **Done**

TR100702.2 Denise to research meeting minutes to determine names & lien status of landowners that GLA filed liens against in past years **(Done)**; research & document GLA policy re: filing liens in Feb. of each year, on delinquent assessments of over $240+ - copies to David & Cynthia **(Started)**.

TR100702.3 Denise to work w/Cynthia on next group of lien letters. **Started**

AR100702.1 Bruce to contact Follman and make apt. for Bruce, Robert, David and William Smith to meet with him to review problem points/questions re: driveway. David to call William Smith and request that he attend meeting. Bruce to ask Follman for cancelled check/proof of $250 bond payment.

AR100702.2 Robert and Denise to research if we have a driveway application that Follman said he submitted in 3/02. **Done; not found**

AR100702.3 Denise to send disapproval form to Follman. **Done**

AR100702.4 Denise to get construction application from Dubiel.

AR100702.5 Denise to send disapproval notice to Catherine Raven. **Done**

AR100702. 6 Bruce to call Catherine Raven to request she submit completed project application forms.

AR100702.7 Denise to research GLA Meeting Minutes (March 2002) re: granting approval to pay separate assessment fees on undeveloped lots in a subdivision until they sell. **Done**

AR100702.8 Add revisions on mobile home standards as adopted by Board on 10/07/02.

AR100702.9 Send Valerie O'Connell mobile home application and adopted mobile home standards, etc. Call her to advise her about GLA concerns and possible waiver.

AR100702.10 Denise to send project approval forms to the Swifts, R. Jensen and R. Wallace. **Done**

File: MtgMins 10 07 02 Final.doc
Draft(s); 10/09/02; 10/11/02; 10/25/02-FINAL
Amended:

AR100702.11 Send letter of response to Jovick/Anderson. **Done**

AR100702.12 Send letters to homeowners in high South Glastonbury not meeting sight distance standards

RD100702.1 Eric to contact County Commissioners and Sarah at Arrowhead School to facilitate dialogue between them about Olsen snowplowing issue.

RD100702.2 Bruce to talk to Norm re: snow plowing roads by 6:30 a.m.

RD100702.3 Contact Archie Mann and ask if he would be interested in plowing this winter and that GLA would reimburse him $100 for County plowing permit. **Done**

RD100702.4 Ian to contact John Cameron to ask if: 1) he is interested in sanding roads and 2) he wants to sell building.

RD100702.5 Eric and Bruce to research various options for sanding roads & storing sand and bring proposal w/cost estimate to next 11/08 meeting. Then present at annual meeting on 11/16.

RD100702.6 Philip to supervise repair of damaged guardrail on Capricorn Dr,

CP100702.1 Eric to give Denise complaint history file re: Kathleen Ulrich/Woodriff issue so she complete history file for attorney.

CP100702.2 Send complaint file on Parcel 81 (SG)/Donald Hansard file to our attorney to file injunctive relief.

CP100702.3 In response to William/Cheryl Smith Formal Complaint--Send letter to Rakela/Pittendorfer re: statues.

EL100702.1 Denise to contact James Kozlik, Rick Spallone & PhilipHoag. Prepare & mail election letter & absentee ballots. **Done**

Glastonbury Landowners Association, Inc.
P.O. Box 312, Emigrant, Montana 59027

September 16, 2002

Mr. and Mrs. Phil Hanifan
1355 Donna Court
Garnerville, Nevada 89460

Dear Phil and Carol,

I am writing to respond to your letter of August 27 in which you expressed your concerns about Lot 60 in South Glastonbury and another neighboring property that you did not specifically identify. I would also like to take this opportunity on behalf of the Board of the Glastonbury Landowners Association (GLA) to welcome you to our community.

We have been aware of the problem with the debris on Lot 60 for several months and we have been working with Orlando Johnson to facilitate the clean up. Please see the enclosed letter to Mr. Everett Johnston to bring you up-to-date with the current status of that issue. Furthermore, as your letter was not specific regarding the offending items that can be seen from your property, we would appreciate receiving a list of those items as soon as possible. With that list we can then make sure the owner of Parcel 60, South Glastonbury, takes care of them.

Regarding the "junk cars" on the property to the northeast of your land: it is the policy of GLA to request that neighbors first try to work out their complaints with one another before asking the GLA Board to step in. If you are unable to determine the name and address of the property owner to the northeast of your property, please feel free to contact Denise Orr (our part-time secretary) at 406-333-9553 or at denisemorr@msn.com. Tell Denise the property "parcel number" and she will be happy to provide you with the owner's name and address.

The Board shares your concerns about the unsightly debris that you have reported on your neighbor's land. We hope that that you will be able to resolve this issue with these neighbors in the near future. However, if you are unable to reach resolution after a reasonable period of time, we welcome you to contact us about this complaint once again.

Sincerely,

Charlotte Mizzi

David Tonkin, Knapweed Committee
Glastonbury Landowners Association, Inc.
P.O. Box 312
Emigrant, MT 59027

Dear David and the Knapweed Committee:

Re: Community-making

Thirteen years ago I moved from a city to the Paradise Valley. The city was composed of neighborhoods and each neighborhood had a name. My neighborhood was called Windsor Park. In addition to houses, in it were a bank, a drugstore, two restaurants, a grocery store, two beauty salons, two churches, a school, a community hall, a playground, a park, and a skating rink.

Like most neighborhoods, it had a board of directors who met regularly to attend to the community's particular needs. For example, since Windsor Park was situated across the street from a university, the board always had to be alert to moves by the university trying to buy up Windsor Park property. If the university ever succeeded in encroaching on Windsor Park, all residents would have experienced decreased land value.

A newsletter, "Windsor Park News", arrived in the mail every few weeks. It kept the neighbors in touch with the community activities and concerns. One knew who the board of directors were and learned about the community's projects, problems, accomplishments of community members, etc. The newsletter was supported by advertisements submitted by members.

In the Paradise Valley, we have a neighborhood named Glastonbury, which is assisted by a board of directors. While some residents have been in Glastonbury fifteen years or more, many are newcomers who have little interaction with their neighbors and have little sense of how being part of Glastonbury can benefit them.

A starting place is needed to draw people together. I suggest that that place, strange as it may seem, is knapweed. Knapweed as a common experience to all landowners can encourage landowners to work together at less cost to control the weed, maintain their land value, show consideration for the environment and, at the same time, raise funds for the building of the Recreation Center intended for the benefit of all GLA members.

I hope you will consider the enclosed document as a small start in community-making. We need to look out for one another, and we need to develop a genuine concern for how our lifestyle affects those who share this neighborhood with us.

Yours truly,

Nicola Woywitka

Glastonbury Landowners Association

Board of Directors Meeting Minutes

November 4, 2002

CONFIDENTIAL – DO NOT COPY

1. Call to Order, Prayer

The meeting was called to order by David Tonkin at 7:25 p.m., at Golden Ratio Woodworks. Cynthia gave the opening prayer.
PRESENT: David Tonkin (President), Cynthia Dodge-Blocker (Treasurer), Daniel Kehoe, Jr., Bruce Ganje, Charlotte Mizzi, Ian Scott, Walter Wunsch
ABSENT: Philip Hoag, George Makris, Eric Newhouse, and Robert Wallace
PROXIES: Philip Hoag and Robert Wallace to Ian Scott
ALSO ATTENDING: Clare Parker (Accountant), Henry Follman

2. Reading and Disposition of the Minutes General Business

October 7, 2002 Meeting Minutes
MOTION: Charlotte moved and Cynthia seconded to approve the October 7, 2002 meeting minutes as written. Motion carried.

3. Report of Officers and Committees

3.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Cynthia passed out Transactions to Date-October in Check Book 2002, Balance Sheet as of 10/7/02 and Income & Expense Budge Overview January 1 through November 4, 2002. Cynthia noted that the budget listed in the second column of the Income & Expense Budget Overview sheets might be a prorated value of the budget. They are still checking.

ACTION ITEM – Research GLA Liens Policy. Still researching lien policy

ACTION ITEM – Liens. Cynthia passed out Final Notice letter of Delinquent Assessment and 30 day notice of filing a lien along with Payment Plan Agreement and 30 Day Extension contract for those asking for it. She also passed out list of outstanding assessments "Updated Final Notice-Less Than $944" dated 10-24-02. On this list, the final notice letter has been sent to those landowners that are listed in blue or have been checked in green.

3.2 Architecture Subcommittee: Robert Wallace/Bruce Ganje, Co-Chair

ACTION ITEM – Finalize Architectural forms. Tabled

ACTION ITEM – Report on new Entrance Signs. Tabled

ACTION ITEM – Road on Tract 53-D (SG) / Henry & Joan Follman. Mr. Henry Follman was at the meeting. David reported that he and Bruce had surveyed the driveway and found the first half to be at 14% grade and the second half at 18% grade. The overall grade is 16%. He also reported that if the building site had been placed where shown on the subdivision drawing the grade would have been 10 – 12%. The board discussed with Mr. Follman his options including moving his driveway so it ties in with the subdivision road above him. Mr. Follman is going to review his options.

ACTION ITEM – Find missing papers and send Approval Notice Re: Tract 32-B Construction (NG) Dubiel. The missing papers have not been found and a new application has been requested, but not received.

File: MtgMins 11 04 02.doc
Draft(s); 11 14 02- FINAL
Approved: 12 02 02

ACTION ITEM – Add revisions to mobile home standards. Not done.

ACTION ITEM – Send mobile home standards to Valerie O'Connell / Tract 5-C (NG). David reported that the sale for the property has not closed and Ms. O'Connell does not own it.

ACTION ITEM – Sight distance letters. The letter is in the process of being finished and sent out.

ACTION ITEM – Granting Robert Wallace "Developer Assessment Relief." David reported that the board had not granted assessment relief to William Smith earlier this year. Instead the Board had decided to discuss this with our attorney and has not done so to date. The board discussed the pros and cons for the relief and that we are not a bank. David suggested that we look into the costs of granting the relief. Points discussed included being consistent in our application of any assessment relief, developer pays all when he sells a lot and pays only 50% of the land assessment for the new lots.

Tract 53-A (SG) / Catherine Raven
Bruce reported that he meet with Catherine and presented her application for her home construction.
MOTION: Bruce moved and Dan seconded to approve Catherine Raven's application for her home and a waiver for the sanitation bond and a waiver allowing her 4' x 6' shed to encroach into the setback allowance. Motion carried.

Tract 37-1B (SG) / Pamela May Building Application
Bruce presented Pamela May's application to pave her driveway.
MOTION: Bruce moved and Ian seconded to approve pavement of driveway. Motion carried.

Tract 30-E (NG) / Paul Ranttalo
Ian reported that Paul had moved a trailer from Tract 7-B to his land. He moved it across Jon Olsen's and the Strykert's driveway without permission and without submitting a building application. Paul reported that he is going to use it as an office until he builds a garage/office in the next several years.
MOTION: Ian moved and Charlotte seconded to write a letter to Paul requesting that he submit an application for the trailer. Motion carried.

Parcel 66 (NG) / John Alexander
Discussed the home John Alexander is constructing on his parcel. No building application has been received. Charlotte mentioned he had talked to her about an application over a month ago. The board agreed to call him and request an application is submitted before he continues construction.

3.3 Road Committee: Bruce Ganje/Eric Newhouse, Co-Chair

ACTION ITEM – Report on cost of signs. David presented Ian's list of road signs and their cost to the board. The board discussed the list of signs and added two warning signs for the curve at the top of the hill on Capricorn Dr, the north entrance to North Glastonbury.

MOTION: Ian moved and Dan seconded to purchase the signs and pressure treated wood posts and contract out for them to be installed. Motion carried.

ACTION ITEM – Mow edges of roads and recreation field. David reported he completed some of the mowing but had to stop because of problems with the tractor. He may be able to finish later this month.

ACTION ITEM – Replacing stop sign at GAV and at intersection of Sirius and Story Road. Not done; work to be done under Action Item above on costs of signs.

ACTION ITEM – Dan Blocker to trim undergrowth at Intersection of Sirius and Story Road
Not done.

ACTION ITEM – Snow Plowing. David reported on results of meeting with Philip, Ian and Bruce and himself last week. The group recommended that GLA snow plowers not be used to plow private roads and driveways at this time. They also proposed that GLA use deicers instead of sand because of costs. Using sand would cost the GLA approximately $25,000 for a building, bobcat and the sand whereas the cost of equipment to de-ice the roads would be around $7,500 to $10,000 for purchasing the Volunteer fire department's old tanker truck, putting a second hand plow on it, and getting an old 10,000-gallon tank (several used ones around) to hold the mag-chloride de-icing solution. From the meeting, Bruce was to confirm the details of Bozeman using de-icers. Bruce reported his discussion with Bozeman's road department superintendent who said they rely primarily on sand and use de-icers before the storms to help melt the snows as it hits the road. The superintendent noted that the de-icers create black ice below 0 degrees. The board decided to use sand instead of de-icers.
MOTION: Dan moved and Ian seconded to ask the Church if we can use the old gravel pit in South Glastonbury and that GLA purchase a plow, a second hand bobcat (or contract one out), sand and salt to mix with the sand. The motion carried.

ACTION ITEM – Contact Park County and Arrowhead School. No report

ACTION ITEM – Repair of Capricorn Dr guard rail. No report

Others Using Glastonbury Roads
The board discussed the fact that Scott and Lydia Matthews, Walt Goodman and Tom Berry who live adjacent to North Glastonbury use our roads because of their proximity to them--instead of Story Road which is their legal access.
MOTION: Ian moved and Dan seconded that GLA write letters to Scott, Walt and Tom inviting them to participate in using Glastonbury roads and pay our annual road assessment of $120. If they did not do so, GLA would block their access to Glastonbury roads. The motion carried.

Per Norell Automobiles:
Ian reported that Per Norell is parking his old cars at the base of the north entrance road to North Glastonbury and that he allegedly is doing this to detract people from moving into Glastonbury.
MOTION: Ian moved and Dan seconded to write a letter to Per Norell requesting he stop parking his old cars at the base of the north entrance of North Glastonbury. Motion carried.

3.3 Complaint Committee -- Charlotte Mizzi, Chair

ACTION ITEM – Charlotte to send letter to Nicola Woywitka. Completed?

ACTION ITEM – Request attorney to file for injunctive relief on Parcel 81 (SG)/Donald Hansard. Not completed.

ACTION ITEM – Make chronological list of complaint history and request attorney to file for injunctive relief on Parcel 32 (NG)/ Kathleen Ulrich/Woodriff. Not completed.

ACTION ITEM – Walter to write letter to Kathleen Rakela re: noxious weeds. Not done.

ACTION ITEM – Send letter to Rakela/Pittendorfer re. statues. Not completed.

3.4 Land Use Master Plan Committee: Daniel Kehoe, Jr./Eric Newhouse, Co-Chair.

ACTION ITEM – David to report on mineral rights. David reported that the Church is not comfortable with agreeing to place mineral rights into a conservancy trust. Judith Filbert agreed to review a letter from GLA outlining their reasons for putting the mineral rights into a trust.

The board discussed the need to proceed with ratifying the Master Plan for the residential area ASAP.

3.5 Recreation Committee: Eric Newhouse, Chair.
ACTION ITEM – Present plan for recreation land. No report.

3.6 Web Site Committee: George Makris, Chair. No report

3.7 Weed Committee: Philip Hoag. No report.

3.8 Ombudsman Report: Richard Johnson (NG) Regina Wunsch (SG). No report

3.9 Election Committee Charlotte Mizzi, Chair
David reported on the status of the election and the candidates running. He passed out a draft of the annual meeting and the board decided to include a report by the complaint committee. Reviewed items to be discussed at the annual meeting. Reviewed plans for meeting, refreshments and duties of the Secretary and Treasurer. The board determined by vote whom they would cast votes for if landowners gave the board their proxies.

4. Other Business

5. Next Meeting and Adjournment
The meeting was adjourned at 10:02 p.m. with no further business. The next meeting is the annual meeting to be held November 16, 2002 at Emigrant Hall, 10 a.m.

NEW ACTION ITEMS:

AR110402.1 – Send approval notice. **Done**

AR110402.2 – Send approval notice **Done**

AR110402.3 – Send letter to Mr. Ranttalo requesting submittal of building application for the trailer

AR110402.4 – Request from John Alexander building application for home he is constructing

RD110402.1 – Purchase signs, posts and install

RD110402.2 – Ask the Church if we can use the gravel pit in SG to store sand for sanding this winter

RD110402.3 – Locate and purchase snow plow and bobcat

RD110402.4 – Write letter to Mr. Matthews, Goodman and Berry inviting them to participate in annual road assessment for use of our roads

RD110402.5 – Write letter to Per Norell asking him to stop parking his used vehicles at the bottom of north entrance to NG

MP110402.1 – Write letter to Church re. mineral rights

Glastonbury Landowners Association
Board of Directors Meeting Agenda
November 4, 2002

1. **Call to Order, Opening Prayer**

2. **Reading and Disposition of Minutes**
   - October 7, 2002

3. **Report of Officers and Committees.**

3.1 **Treasurer's Report** – Cynthia Dodge-Blocker, Treasurer
ACTION ITEM – Research GLA Liens Policy
ACTION ITEM – Report on liens and letters

3.2 **Architecture Subcommittee** - Robert Wallace, Co-chair
ACTION ITEM – Finalize Architectural forms
ACTION ITEM – Report on new Entrance signs
ACTION ITEM – Meet with Follman re. driveway grade on Tract 53-D (SG)
ACTION ITEM – Find missing papers and send Approval Notice re. double wide on Tract 32-B (NG) Dubiel
ACTION ITEM - Add revisions to mobile home standards
ACTION ITEM - Send mobile home standards to Valerie O'Connell Tract 5-C (NG)
ACTION ITEM – Send letters to homeowners in high South Glastonbury not meeting sight distance standards
ACTION ITEM – Review granting developer relief from payment of land assessment until lots sell

3.3 **Road Committee** – Bruce Ganje & Ian Scott– Co-chair
ACTION ITEM – Report on cost of road signs
ACTION ITEM – Mow edges of roads
ACTION ITEM – Replacing signs at GAV and at intersection of Sirius and Story Rd
ACTION ITEM – Trim undergrowth at Intersection of Sirius and Story Rd
ACTION ITEM – Snow plowing: 1) Plowing by 6:30 am, 2) Sanding vs. De-icier Plans & the equipment needed and its costs, 3) Plowing of private roads/driveways
ACTION ITEM – Contact Park County and Arrowhead School
ACTION ITEM – Repair of Capricorn Dr guardrail

3.4 **Complaint Committee** – Charlotte Mizzi - Chair
ACTION ITEM – Charlotte sent letter to Woywitka
ACTION ITEM – Request attorney to file for injunctive relief on Parcel 81 (SG), Handard
ACTION ITEM – Make chronological list and request attorney to file for injunctive relief on Parcel 32 (NG) Woodriff
ACTION ITEM - Walter to write letter to Kathleen Rakela re. noxious weeds
ACTION ITEM – Send letter to Rakela/Pittendorfer re. statues

3.5 **Land Use Master Plan Committee** - Daniel Kehoe, Jr., Co-chair
ACTION ITEM – David report on mineral rights

3.6 **Recreation Committee** - Eric Newhouse, Co-Chair
ACTION ITEM – Present plans for recreation land

3.7 **Web Site Committee: George Makris, Chair**

3.8 **Weed Committee: Philip Hoag, Chair**

File: MtgAgenda110402.doc

3.9 **Election Committee**
Report on election status
Decide Board's vote on issues/candidates
Review Plans for Annual Meeting

3.10 **Ombudsman Report** - Regina Wunsch (SG) & Richard Johnson (NG)
Review Ragina's suggested memo/letter to landowners

4. **Other Business**

5. **Next Meeting and Adjournment**

RESEARCH ON OLD LIEN LIST
RECEIVED FROM
RUDY PARKER
10-18-2002

(Where possible I printed copies of Liens and Releases for our files.)

1.John Hazen-**Lien 4147 Filed** 6-10-99 $6,713.55, **Released** 3-1-2000-$6,713.55.

2.Louis Difo-**Lien Filed** 4-07-99 $1,558.20, **Lien Filed** 10-07-2002 $1,809.83.

3. Joan T. Patwell **Lien 4138 Filed** 4-07-99 $1,878.00, **Released** 4-11-2000 $1,998.00.

4. Carlos J. Jahen-No records of Liens filed ever.

5. Deanna Campbell-No records of Liens filed ever. There is no Deed or Mortgage showing she owns the property 51- NG. Only filed is a Notice of Purchaser's Interest, Notice of Right of First Refusal, Notice of Purchase Option all in June of 1987. It appears to me that the Church still owns this property. The Church is listed as owning this currently.

6. Dr. & Mrs. William Holder-**Lien Filed** 4-7-99 $2,058.00, Lien Filed 10-07-02 $1,947.92.

7. Sylvian R. Ray- **Lien 4137 Filed** 4-07-99 $1,978.00, **Released** 3-28-00 $2,196.90.

8. Barry & Victoria Peterson- No record of any Liens ever.

Subject: Final Notice of Delinquent Assessment Payment and 30 Day Notice of Filing Lien

Dear Sirs,

Unfortunately, Glastonbury Landowner's Association has not heard from you regarding payment of outstanding assessments on your South Glastonbury Parcel 21-E property. We request that you send payment of $567.98 by November 28th or we will have no other choice but to place a lien with the Park County Recorder in the amount of $617.98 against your property. The amount of the lien includes $567.98 in past due assessment fees plus a $50.00 penalty to cover the costs involved with filing the lien.

If an additional 30 days is required for you to pay your delinquent assessments in full or if you need to work out a payment plan, please call me at 406-333-9677 before November 28th. I will be available to take your call most evenings, Monday through Friday, from 6 pm - 9 pm (Mountain Time). Please understand that a 30-day extension or payment plan may only be granted if you speak to me on the phone before November 28th. We will also require a signed extension agreement or payment plan.

We regret that we may be forced to file a lien on your property in order to collect the outstanding Glastonbury Landowners Assessment fees. We sincerely hope that this matter can be resolved in the very near future.

Sincerely,

Treasurer

P.S. For your clarification: a lien is a legal document that is registered with the Clerk Recorders office when a debt has been incurred and not paid. It does not force anyone to sell his or her property. The lien will stay attached to the property until the debt is paid in full. If and when you sell or transfer your property, the title will not change hands until this debt is paid. When the debt is paid in full, GLA will release your lien by filing a "Release of Lien" at the Clerk Recorders office. Unfortunately, if you allow the lien to "sit" without paying your bill, you will continue to be charged 18% per year interest on the balance that is owed and the balance owed will increase as time passes by.

Enclosure: Invoice-Final Notice

Treasurer signature: _____ _____
Date

Note: A LATE FEE AND MONTHLY INTEREST IS CHARGED TO ALL LATE ASSESSMENTS. Per Section 11.06 of the Covenants late fee and interest rates are 5% and 1.5% per month compounded monthly, respectively. For example: if you do not pay your assessment one year after it is due, you will be charged a $12.00 (5%) late fee and $45.36 in interests (1.5% interest per month) on assessment of $240.00.

WHAT IS A LIEN? For your clarification:

A lien is a legal document that is registered with Park County Clerk Recorders office when a debt has been incurred and not paid. It does not force anyone to sell his or her property. The lien will stay attached to the property until the debt is paid in full. If and when you sell or transfer your property, the title will not change hands until this debt is paid. When the debt is paid in full, GLA will release your lien by filing a "Release of Lien" at the Clerk Recorders office. Unfortunately, if you allow the lien to sit without paying your bill, you will continue to be charged 1.5% per month, compounded monthly, interest on the balance that is owed. Over time, the balance can increase significantly.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

December 2, 2002

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin at 7:20 p.m., at Golden Ratio Woodworks. Robert gave the opening prayer.
   PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Cynthia Dodge-Blocker (Treasurer), Philip Hoag (Secretary), Janet Naclerio, Pamela May, James Trisdale (JT)
   ABSENT: Daniel Kehoe, Jr., James Kozlik, Orlando Johnson, Charlotte Mizzi
   PROXIES: James Kozlik to Philip Hoag
   ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Accountant)

2. **Reading and Disposition of the Minutes General Business**
   November 4, 2002 Meeting Minutes
   MOTION: Robert motioned and Cynthia seconded to approve the November 4, 2002 meeting minutes as written. Motion carried.

3 **General Business**

3.1 Report on who should be the SG Ombudsman: Tabled.

3.2 Temporary Filling of Committee Chairs

David stated that Committee positions need to be filled at least on a temporary basis so that we can handle the various issues involved with each committee. The following board members volunteered to fill Committee Chairs until the board votes on these positions.

Architecture Subcommittee: Robert Wallace
Road Committee: James Trisdale and David Tonkin
Complaint Committee: Charlotte Mizzi
Land Use Master Plan Committee: Dan Kehoe, Jr.

3.3 Review Procedures and Existing Projects/Action Items

<u>David reviewed projects in process and that need to be completed</u>

1) File remaining liens filed ASAP.
2) Keeping database current and updated
3) Document procedures and finalize forms for liens, architectural reviews, subdivisions, elections, liens, etc.
4) Finish Master Plan
5) Make a plan for recreational area
6) Improve GLA Web Page. (Ask Clare to correct misspelling of Glastonbury on GLA web page)
7) Define GLA Goals for 2003
8) Philip proposed that GLA should have a goal to clean up shelters in Glastonbury. He suggested that we write to landowners and tell them they need to submit a cleanup plan.

File: MtgMins 12 02 02.doc
Draft(s); 12 27 02 01 10 03-final
Approved 01 02 03
Amended: 01 10 03

David asked each board member to do the following before January meeting: a): read Covenants, think about what goals you think GLA should have for 2003, and c) talk to other Glastonbury landowners about their thoughts on issues.

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Cynthia passed out "Transactions to Date November 2002" and Clare passed out "Balance Sheet as of December 2, 2002" and "Income & Expense Budget Overview January 1 through December 2, 2002" for Board to review. (attached)
Board asked Clare to determine how much GLA has collected on assessments since October.
On the Balance Sheet we should include the liabilities and assets of our paving (Price paid for pavement was $306,000 less depreciation)

ACTION ITEM: Research GLA Liens Policy. **Done.** Information needs to be combined into one document.

ACTION ITEM: Update on Liens. Cynthia passed out samples of Release and Satisfaction of Lien. (attached)

Board discussed ideas to help get realtors and title companies to inform us of land sales. One idea was that GLA inform realtors/title companies/brokers that we will offer free advertising (including listings of properties) to them on our website as long as they inform us of sales they close in Glastonbury. If they should fail to inform us of a sale, we would discontinue this service. Board agreed that this was a good idea if the website could be developed in this way and acknowledged it would require additional management on the website. Edward will work with Clare to determine how the above ideas might work on our website.

4.2 Architecture Subcommittee: Robert Wallace-Co-Chair

ACTION ITEM: Finalize architectural forms. **Done.** David to e-mail updated forms to Denise.

ACTION ITEM: Report on new entrance signs. Tabled.

ACTION ITEM: Status of letter to Mr. Ranttalo re: mobile home. Not done.

ACTION ITEM: Status of building application from Mr. John Alexander. No response from Alexander.
MOTION: Philip motioned and Robert seconded that we write letter to John Alexander informing him that he needs to submit a Project Review Application form for his new home on Parcel 66

File: MtgMins 12 02 02.doc
Draft(s); 12 27 02 01 10 03-final
Approved 01 02 03
Amended: 01 10 03

(NG) within 15 days and if GLA doesn't hear from him in 15 days, we will take legal action and file for injunctive relief. Motion carried

ACTION ITEM: Status of revisions to mobile home standards. Not done.

ACTION ITEM: Status of letters to homeowners in high SG whose driveways do not meet sight distance standards. Not done.

ACTION ITEM: Review granting developer relief from payment of land assessment for newly created lots until lots sell: Tabled.

Parcel 18, Parcel 56 & 3 acres of Parcel 55 (SG)/Neil & Linda Kremer "Boundary Change" Application:
MOTION: Robert moved and Philip seconded to approve to Kremer's application to combine Parcel 18 with Tract B of Parcel 56 with 3 acres of Parcel 55(SG) lots into one 27.855 acre parcel. AMENDMENT TO MOTION: Cynthia moved and JT seconded to include in Robert's motion the provision that the lien we have on Parcel 55 (SG)/Leykam is still valid. Robert's motion carried. (**Note:** On 12/14/02, Cynthia confirmed that on 10/7/02 GLA did place a lien on Parcel 55 (SG) and it is still in effect.)

Road Committee: James Trisdale & David Tonkin, Co-Chair (Temporary)

ACTION ITEM: Status on purchasing road signs. Signs have been ordered and additional order will be added.

ACTION ITEM: Status of replacing signs at GAV and at intersection of Sirius and Story Road. Not done

ACTION ITEM: Status of trimming undergrowth at intersection of Sirius and Story roads. Not done.

ACTION ITEM: Status of purchasing snowplow and bobcat. Not completed. David has a snowplow catalogue and will determine which plow to purchase. Will also look into finding someone's truck that snowplow can be connected to on at least a 2-year contract basis. JT said he would rent his bobcat to GLA. David will place an order for sand and look further into the truck issue with JT.

File: MtgMins 12 02 02.doc
Draft(s); 12 27 02 01 10 03-final
Approved 01 02 03
Amended: 01 10 03

ACTION ITEM: Status report on using gravel pit on Arturus (SG) to store sand for winter. GLA has received approval to use SG gravel pit.

ACTION ITEM: Status report on repair of approximately 30 feet of guard rail on Capricorn. Philip has contacted OMO Construction (from Billings, but currently working in Emigrant) to replace the guard rail at $10-11 per foot. David reported additional guardrail is needed in SG as well.

ACTION ITEM: Status report on letter to Matthews, Goodman & Barry in North Glastonbury to pay annual $120 assessment fee. Not done. DO to write and give to PH for signature.

ACTION ITEM: Status of letter to Per Norrel re: cars. Not done.

ACTION ITEM: (added to agenda) Status of moving 2 yield signs near the school and corral. Not done.

New Road-Caspari Way
David reported that Park County agreed to the name "Caspari Way" for the new road that the Church built. David reported that William Smith suggested to replace the name of Gemini Road starting from the point where John Alexander's old home is on Parcel 66 NG and extending to the left up to Parcel 68 and 69. William said that landowners on the new road approved the name. The Board agreed to the change. David will inform William and Church regarding GLA board agreeing to Caspari Way.

MOTION: Philip motioned and JT seconded that GLA write a letter to the Church requesting the Church to:
a) Remember to submit plans for all roads and subdivisions prior to construction
b) Plans be submitted to GLA for approval on the new road by the Parcel 66 NG in 15 days, and
c) GLA will require a minimum of 550 ft. of guard rail installed on the new road.
A courtesy call to the Church should be made after the letter is written. Motion carried.

David will measure and determine if Caspari Way meets the standards for a 2-lane road.

Winter snowplowing and road maintenance. David and JT will work together to determine how we will get snowplowing done in North and South Glastonbury. JT to call Wayne Mansaw (333-4122) and Michael Dirkers (333-4732) for NG roads; Archie Mann's employee (222-1642) for SG roads.

File: MtgMins 12 02 02.doc
Draft(s); 12 27 02 01 10 03-final
Approved 01 02 03
Amended: 01 10 03

4.4 Complaint Committee: Charlotte Mizzi, Chair

ACTION ITEM: Status of letter to Woywitka. **Done**

ACTION ITEM: Status of request of our attorney to file for injunctive relief on Hansard/Parcel 81, (SG). In progress.

ACTION ITEM: Status of chronological list and request attorney to file for injunctive relief on Parcel 32 (NG). In progress.

ACTION ITEM: Status of letter to Kathleen Rakela re: noxious weeds. Not done. DO to give letter to PH for response.

ACTION ITEM: Status of letter to Rakela/Pittendorder re: statues. Letter is done, but waiting for photographs. Robert will take photos.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr. Chair. No report.

ACTION ITEM: Status of mineral rights letter to Church. DT to complete. Not done.

4.6 Recreation Committee: No Committee Chair assigned.

ACTION ITEM: Present plans for recreation land. No report. Janet to request plans from Eric.

4.7 Web Site Committee: No Committee Chair assigned. No report.

4.8 Weed Committee: Philip Hoag

Cynthia passed out to each board member a packet of extensive material on knapweed and weed control, etc.

4.9 Ombudsman Report: _____(SG) Richard Johnson (NG) No report.

5. Other Business

Leak in Reservoir: Philip reported that a leak had developed in our reservoir that trickles into some landowner's driveways and becomes ice. He suggested that a temporary solution of using a short piece of culvert to drain the water out across the road into the field for under $400.
MOTION: Philip motioned and Robert seconded to hire Dean Kimpson to install a culvert to divert water from our leaking reservoir that is creating ice on a neighbor's property. Motion carried

File: MtgMins 12 02 02.doc
Draft(s): 12 27 02 01 10 03-final
Approved 01 02 03
Amended: 01 10 03

6. Next Meeting and Adjournment

The meeting was adjourned at 9:20 p.m. with no further business. The next meeting will be held on January 13, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

TR120202.1 Clare to determine how much GLA has collected on assessments since October.

TR120202.2 Include liabilities and assets of paving roads under "Liabilities" and "Equity" columns on the Balance Sheet.

TR120202.3 Edward to work with Claire to determine how the realtor ad ideas might work on our website.

AR120202.1 Write letter to John Alexander. **Done.**

AR120202.2 Write letter to Church regarding Caspari Way. **Done.**

AR120202.3 Courtesy call to the Church after letter is written. **Done.**

AR120202.4 David to measure and determine if Caspari Way meets the standards for a 2-lane road.

AR120202.5 Denise to send project application approval to Kremer re: Boundary Change."

RD120202.1 David to measure proposed guard rail lengths in SG and tell Philip amount needed. **Done.**

RDR0202.2 David to confirm Caspari Way meets 2 –lane road standards.

RD120202.3 JT to set up people to plow Glastonbury roads. **Done.**

RD120202.4 David to place an order for sand and look further into the truck issue. **Done.**

RC120202 Janet to request recreation plans from Eric.

OB120202 Philip to hire Dean Kimpson to install a culvert to divert water from our leaking reservoir that is creating ice on a neighbor's property.

Board of Directors Meeting Minutes

January 13, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin at 7:15 p.m., at Golden Ratio Woodworks. Orlando Johnson gave the opening prayer.
   PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Philip Hoag, Daniel Kehoe, Jr., Charlotte Mizzi, James Kozlik, Orlando Johnson, Pamela May and James Trisdale (JT)
   ABSENT: Cynthia Blocker (Treasurer)
   PROXIES: Cynthia Blocker to Pamela May
   ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Bookkeeper)

2. **Reading and Disposition of the Minutes General Business**
   November 16, 2002 Special Meeting
   MOTION: Janet motioned and James seconded to approve 11/16/02 special meeting minutes. Motion carried.

   December 2, 2002 Meeting
   MOTION: Pamela motioned and JT seconded to approve 12/02/02 meeting minutes with corrections. Motion carried.

3 **General Business**

3.1 Hand out board phone list and list of 2003 Board meetings. Done

3.2 Report on SG Ombudsman: David reported that he has contacted people from South Glastonbury, who were "write ins" on the 11/16/02 election ballots, to ask if they would like to fill role of SG Ombudsman. He is waiting to hear back.

3.3 Election of Officers
MOTION: Orlando motioned and Charlotte seconded to approve the following board members to fill GLA officer positions in 2003: David Tonkin-President, Robert Wallace-Vice President, Cynthia Blocker-Treasurer, Janet Naclerio-Secretary. Motion carried.

3.4 Election of Committee Chairs
Board members volunteered to fill the following committee chairs as follows:
Architecture Sub-committee: Robert Wallace & James Kozlik (Co-Chair) & Pamela May
Road Committee: Philip Hoag and James Trisdale (Co-chair)
Complaint Committee: Charlotte Mizzi and Pamela May (Co-chair)
Land Use Master Plan Committee: Dan Kehoe, Jr. (Chair), Orlando Johnson, Charlotte Mizzi and Pamela May
Weed Committee: Philip Hoag and James Trisdale

Committees continued on next page

File: MtgMins 01 13 03.doc
Draft(s); 01 25 03; 01 27 03; 2 03 03-FINAL
Approved and Amended: 2 03 03

Recreational Committee: Janet Naclerio, Edward Anderson, Robert Wallace (Chair); Orlando Johnson
Web Site Committee: Edward Anderson
Clean-up Committee: Philip Hoag and Charlotte Mizzi (Co-chair)

MOTION: Edward motioned and Charlotte seconded to form a "Clean-Up Committee" that is separate from the Architectural Committee. Motioned carried.

MOTION: Charlotte motioned and Robert seconded that committees with more than 2 people should elect a committee chair(s) when they next meet and report their vote to board. Motion carried.

3.5 Development of Goals

David reviewed goals for GLA
MOTION: Dan, Jr. motioned and Charlotte seconded to approve the following GLA goals with timelines.
1a) Finish documenting forms and procedures for liens, complaints, treasurer, elections, architectural review, etc. Complete by 8/1/03.
1b) Standardize architectural standards. Complete by 4/8/03 board meeting.
2) Finalize Master Plan. Phase 1: Residential Area only. Complete by approx. 7/21/03.
3) Develop Recreational Land. Phase 1: Install well & sprinkler system, plant field, "rough out" a parking area and develop an overall plan. Complete by 5/1/03.
4) Improve website page to include ads for realtors. Complete by 7/1/03
5) Clean Up Shelter Sites. Complete by October 31, 2003 .
Motion carried.

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer

Pamela passed out "Transactions to Date-Nov. & Dec. 30 2002" on behalf of Cynthia.
Clare passed out "Balance Sheet As of December 31, 2002" and "Income & Expense Overview: January through December 2002"

ACTION ITEM – Update on liens
Pamela passed out "January 13, 2003 Report by Cynthia Blocker, Treasurer" which includes an update on liens paid off, a schedule of liens to be filed in January 2003 and information re: Campbell lien.

David reported that he met with Cynthia, Claire and Rudy to discuss and develop standards for the accounting/treasurer duties and that these will be presented to the board in the near future.

File: MtgMins 01 13 03.doc
Draft(s); 01 25 03; 01 27 03; 2 03 03-FINAL
Approved and Amended: 2 03 03

4.1.1 Status on Campbell Lien
Board discussed lien and reviewed Cynthia's note about this issue on her January 13 Report. (see attached).
MOTION: Philip motioned and Robert seconded to file a lien for the total amount owed on Parcel 51 (NG). Orlando motioned and JT seconded to amend this motion to read that GLA should delay filing the lien on Parcel 51 NG until the board can review Cynthia's verbal input, including any legal reason as to why the lien shouldn't be filed. Motion carried with one abstention from Pamela.

4.1.2 Present Initial Year 2003 Budget. Budget will be presented at February meeting. New budget to be included in upcoming letter to landowners.

4.2 Architecture Subcommittee: Robert Wallace and James Kozlik, Co-Chair
William Smith for Church Universal & Triumphant/Final Approval Request for Road Construction of Caspari Way to serve Parcels 60, 63, 64 & 66 NG/12-26-02.
MOTION: Philip motioned and Orlando Johnson seconded to respond to Richard Smith's/Church Universal & Triumphant's road construction application for Caspari Way as follows: 1) GLA cannot evaluate your construction plans for Caspari Way until you submit the complete specifications of the road, including the slope and the length of the embankments on the downhill slope of the road. Please return your plans within 15 days.
2) Please submit within 15 days, the locations and plans for guard rails to meet county/state standards
3) We also require that you immediately place a barricade and a sign stating "UNAPPROVED AND UNSAFE FOR ACCESS. KEEP OUT" (wording to be minimum of 3 inches high) at the point where the new road starts. Motion carried unanimously.

ACTION ITEM – Status of letter to Mr. Ranttalo re. mobile home. Letter was sent to Rantallo, and no response was received from Rantallo.
MOTION: Charlotte motioned and James K. seconded that GLA should send letter to Rantallo stating that GLA will seek injunctive relief if he doesn't submit a GLA application for his mobile home. Motion carried.

ACTION ITEM – Status of building application from John Alexander.
GLA sent letter to Alexander requesting submittal of building application for his new home on Parcel 66, NG. GLA received Alexander's application. Board reviewed application.
MOTION: Philip Hoag motioned and Robert Wallace seconded that GLA inform Alexander that his building application is approved on the condition that he submits a plan within 15 days for the clean-up and removal of eyesores on his property, including 1) 2 metal sided mobile homes 2) unlicensed vehicles and a school bus, 3) scrap piles, tires and other debris and 4) goat barn. Include reference from the Restated Declaration of Covenants for the Community of Glastonbury, Section 10.02 and Section 5.05, Nuisances and Eyesores; "Nuisances and

eyesores shall not be allowed..."

ACTION ITEM - Status of revisions to mobile home standards. Tabled.

ACTION ITEM – Status of letters to 3 homeowners in high SG whose driveways do not meet sight distance standards. **Done.**

4.3 Road Committee: Philip Hoag and James Trisdale, Co-Chair

ACTION ITEM – Status report on purchasing road signs **Done**

ACTION ITEM – Status of replacing signs at GAV and at intersection of Sirius and Story Road. **Done**

ACTION ITEM – Status of trimming undergrowth at Intersection of Sirius and Story Rd **Done**

ACTION ITEM – Status on purchasing snow plow and bobcat. David reported that a '94 pickup truck for our sander was purchased along with 24 yards of salted sand.

ACTION ITEM – Status on repair of Capricorn Drive guardrail & washout. Not started; waiting for contractor.

ACTION ITEM – Status report on letters to Mr. Matthew, Goodman and Berry re: road assessments. **Done.** Berry sent in $120 assessment fee. No response from Matthew. Denise to follow-up.

ACTION ITEM – Status of Caspari Way road. (See Architecture Subcommittee above.)

ACTION ITEM – Report on Caspari Way road meeting 2-lane road standards (see Architecture Subcommittee above.)

4.4 Complaint Committee: Charlotte Mizzi, Chair

ACTION ITEM – Status of letter from GLA requesting cleanup of Parcel 81(NG) or GLA will file for injunctive relief. GLA sent letter to Hansard regarding clean up of Parcel 81 (NG) and has not received response from Hansard. Our certified letter to him was not received as far as we know because certification was invalid due to P.O. mistake. The same letter was sent by first class mail and was "probably" received since it hasn't been returned. David to review issue w/attorney.

ACTION ITEM – Status of chronological lists of GLA letters to Woodriff re: Parcel 32 (NG) cleanup and status of requesting attorney to file for injunctive relief on Parcel 32

(NG)/Woodriff. List completed and GLA sent letter to Woodriff via certified and first class mail in December 2002. Woodriff didn't accept our certified letter but probably received first class mail letter as it has not been returned to GLA. David reported that Woodriff believes Charlotte approved the clean-up of her property. Charlotte reported that this was not the case and that she told Woodriff that the work on her home was "a good beginning". Board discussed whether GLA should send another letter to Woodriff to confirm that the clean-up around her home is not approved and must be completed; and the addition to her home is considered unsafe and that she must submit a building application for that structure. David to review issue with attorney.

ACTION ITEM – Status of letter to Kathleen Rakela re. noxious weeds. Done. Philip wrote letter that he said can be used as a form letter. See attached.

ACTION ITEM – Status of letter to Rakela/Pittendorfer re. statues. Done. David reported that he received two letters from Rakela in response to GLA letter of December 17. He passed out draft of his response to her for board to review. David to discuss issue with attorney. The board agreed that it would be preferable to try and resolve this issue ourselves.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr. Chair. No report.

4.6 Recreational Committee: Janet Naclerio, Edward Anderson, Robert Wallace and Orlando Johnson . No report.

ACTION ITEM – Present plans for recreation land. Tabled.

4.7 Web Site Committee: Edward Anderson, Chair.

ACTION ITEM – Report on converting web site so it will handle advertisements. Tabled.

4.8 Weed Committee: James Trisdale and Philip Hoag, Co-Chair

4.9 Ombudsman Report: (SG) Richard Johnson (NG). No report.

5. Other Business

ACTION ITEM – Status of installing culvert at SG water reservoir. Not done. Philip to follow-up with Archie Mann.

David mentioned that the area around the reservoir needs to be seeded.

File: MtgMins 01 13 03.doc
Draft(s); 01 25 03; 01 27 03; 2 03 03-FINAL
Approved and Amended: 2 03 03

6. Next Meeting and Adjournment

The meeting was adjourned at 10:30 p.m. with no further business. The next meeting will be held February 3, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

GB0113033.5 Dan Jr., David and JT to review GLA Standards and present their proposals for revision to board at a future date.

AR0113034.2 Project Application forms/letters to W. Smith (cc'd to Judith Filbert, David, Philip, Robert and J. Alexander) Rantallo and J. Alexander. Done

CP0113034.4 Write to Hansard and Rakela.

OB011303.5 Philip to follow up w/Archie Mann re installing culvert in SG.

File: MtgMins 01 13 03.doc

Weise, Roger	SG-47	$893.22
TOTAL		**$7,153.74**

Includes the $50.00 filing fee for each.

Campbell, Deanna SG 51 the property is actually in the Churches name. I can not file at this time on Deanna Campbell as the property is not in her name. Under normal circumstance what this is called is a repossession, however there are some very complex issues here. I hope to have more information for you by next months meeting. The Church has been presented with the GLA assessments that are due on this piece of property.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

February 3, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by David Tonkin at 7:25 p.m., at Golden Ratio Woodworks. Cynthia gave the opening prayer.
PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Blocker (Treasurer), Philip Hoag, Daniel Kehoe, Jr., Charlotte Mizzi, James Kozlik, Pamela May and James Trisdale (JT)
ABSENT: Orlando Johnson. At approximately 10:00 p.m. Pamela and Dan left meeting.
PROXIES: Pamela to Cynthia; Dan to JT
ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Accountant), Brian Trisler, Kathleen Rakela, Rik Pitendorfer and an unidentified woman who had came with Kathleen.

2. **Reading and Disposition of the Minutes General Business**
   - January 13, 2003

MOTION: Charlotte motioned and James K. seconded to approve 1/13/03 meeting minutes as amended. Motion carried.

3 **General Business**

3.1 Selection of Committee Chairs

Janet reported that the Recreation Committee elected Robert Wallace as their chair

Denise reported that she received E-mail votes from each member of GLA Board to elect Richard Allen as Ombudsman for South Glastonbury in 2003.

3.2 GLA Standards/Procedures, status reports.

David reported ultimate goal is to develop a GLA Policies and Procedures manual that will contain information concerning responsibilities and procedures for each GLA board member and function, etc.

3.2.1. Architectural Standards. No report.

3.2.2. Treasurer Standards/Procedures. David reported that he had two meetings with Cynthia and Clare to determine standards/procedures and a draft of these will be presented at a future meeting.

3.2.3. Elections Procedures. Denise to complete by next meeting.

3.2.4 Sign Standards

Board discussed that no specific sign standards for Glastonbury have ever been adopted; they reviewed a variety of sign standards that they felt should be adopted a.s.a.p.
MOTION: Philip motioned and JT seconded that the following sign standards should be be compiled by Denise & David and then E-mailed to the GLA board to review:
1) All signs shall be commercially produced or professionally lettered and kept in good repair,
2) All signs, including "No Trespassing," "Private Property," and "Posted" should be less than 2x3 ft,
3) All "No Trespassing," "Private Property" and "Posted" signs should be posted no closer than 50 feet apart,
4) Landowners must submit an application to the GLA Board and receive approval prior to posting sign(s) in the following instances:
a) When sign is business or advertising related, excluding Real Estate and For Sale signs
b) When landowner is planning to post more than 2 (two) Real Estate or For Sale signs
c) When sign size exceeds 2x3 feet
5) Realtors must collect their signs within 30-days after sale of property
6) Property Ownership Designated Signs (PODS), such as owner(s) name, property name, or greetings that are done in "good taste" are permitted. PODS signs larger than 1x2 ft. shall be professionally lettered and signs smaller than 1x2 ft. or of a temporary nature may printed by hand.
7) Temporary signs such as advertising of garage sales or other similar activity are allowed and may be hand-made or hand printed provided they are removed within 7 days of the event.
...After the Board reviews, edits and finalizes the above proposed sign standards, it will adopt them as new sign standards for Glastonbury landowners who post signs on their property.
Motion carried.

4. Report of Officers and Committees

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Cynthia passed out and reviewed a) "Average Income over last three Years" 2/3/03, b) "Transactions to Date January 2003, In Check Book 02-03-2003," c) sample letter: "Final Notice of Delinquent Assessment Payment and Notice of Claim of Lien," and d) GLA "Check Request" form—to be submitted when requesting money for purchasing an item. (attached)

Clare passed out GLA "Balance Sheet as of February 2, 2003" and "Income & Expense Budget Overview, January 1 – February 4, 2003." It was noted that figures on pg. 2 "Income, C. Late Fees/Finance Charges" need to be corrected. David also pointed out that on pg. 2, the Budget column is the prorated amount for the year, in this case 2/12ths of the yearly budget.

Cynthia reported that she has updated Bank of Rockies with new GLA officers names so that they can access account information. This needs to be done each year when new boards are elected.
MOTION: Cynthia motioned and JT seconded that GLA offer a 10% discount on liens that we file

on properties when the total amount of the lien is paid within 60 days. Motion carried.
Note: Cynthia noted that when people take advantage of this one-time 10—for those 60 days, there will be no interest charged.
Charlotte proposed that we create budget "codes" for items on Budget.

ACTION ITEM – Update on liens.

4.1.1 Status on Campbell Lien/Parcel 51 (NG).
David reviewed lien issue and his 1/10/03 E-mail memo to GLA board about it. (attached) He explained that since the Church actually owns the land, the amount owed to GLA has changed and may be closer to $2,400. Cynthia noted that when Campbell's land was transferred to Church ownership, that the Church's finance department wasn't notified and therefore, it kept billing Campbell for assessments. Based on this new information, the Board discussed that GLA should clarify the actual amount owed. Cynthia also reported that the issue should be resolved in 30-90 days and GLA should receive payment at that time.
MOTION: JT motioned and Philip seconded to give Cynthia 90 days to resolve the Campbell/Church issue. Motion carried.
MOTION: Philip motioned and Robert seconded to correct GLA invoicing on Campbell/Church lien by forgiving the amount owed on assessments prior to September 1997--when the management of Glastonbury land and the amount due assessment information was transferred to the GLA. Motion carried.

4.1.2 Present Initial Year 2003 Budget Goals
David passed out "Proposed 2003 Budget," and Board proposed revisions. David noted the "Gift and donations" category is new--it is to tithe to non-profit organization(s); Board suggested the following budget changes:
a) Weed control: double the proposed amount,
b) Recreation Area: must be $5,000
c) Guard rails: check to see if expense will be covered in money that Church owes us,
d) Increase Master Plan budget to $2,500 to cover copying and mailing expenses.
e) Petty cash category may be removed.

4.2 Architecture Subcommittee: Robert Wallace/James Kozlik, Co-Chair

ACTION ITEM – Status of Caspari Way road. David reported we have received approval to name the new road "Caspari Way" from all but one of the landowners who are contiguous to the road. He also reported that GLA hasn't received a response from W. Smith to our January 23, 2003 letter and response to his project application for Caspari Way. Robert noted he spoke to Smith and invited him to come to GLA meeting to present his side of the issue.

Board agreed to write a letter to Judith Filbert to inform her that GLA has not received response

from William Smith to our January 23, 2003 that requests further road specifications for Caspari Way and which directs him to immediately place a barricade across Caspari road with a sign warning people that the road has not been approved and is unsafe for access. Remind Judith that if an accident occurs on this road, the Church may be liable because the GLA has already issued a written and verbal warning to both William and her and that GLA has clearly stated that it has not approved the road. Inform her if the barricade and sign are not put up in the next couple of days, the GLA will hire someone to do this and bill the Church for the expense.

ACTION ITEM – Status of Mr. Ranttalo's mobile home application
James Trisler 31-E (NG), who is Rantallo's neighbor, asked the Board about the status of a complaint he made to his realtor concerning Rantallo's mobile home and the junk around it. He also reported that Rantallo told him that he plans to keep his mobile home for a year. James wanted to know the GLA Board's position about the mobile home. David told James that GLA had not received his complaint from the realtor. He explained that GLA has not approved Rantallo's mobile home application. He also reviewed the GLA complaint procedures with James.

The board reviewed Rantallo's application for his mobile home and agreed that it was not complete or acceptable. It was noted that there is no clause in the Covenants that allows a person to use a mobile home for 1 year to build a construction office, but there is a clause that refers to having a mobile home to live in while a home is being constructed. The board noted that Rantallo's mobile home is not up to Glastonbury mobile home standards. Robert also confirmed that the mobile home and the junk around it is an eyesore.

MOTION: Philip Hoag motioned and Robert Wallace seconded to reject Rantallo's application for his mobile home which Rantallo wrote was a "temporary construction office only to be moved within 1 year as per the Covenants." GLA to write Rantallo and inform him that his application is not approved, that there is no clause in the Covenants allowing construction trailers on site, that his mobile home does not meet Glastonbury standards and that it must be removed in 30 days. Motion carried unanimously.

ACTION ITEM – Status of John Alexander's clean-up plan. David reported his conversation with Alexander about his property and that he needs to submit a written clean-up plan and a waiver to keep his mobile home. Alexander informed David that the bus was no longer on John's property, and it belonged to Jerome Tweedy, who moved it to a nearby property. Board agreed that GLA should write to Jerome Tweedy and give him 30 days to remove his abandoned bus or to submit a plan to remove it.

ACTION ITEM - Status of revisions to mobile home standards. No report.

ACTION ITEM – Status of sight distance for driveways in high SG. No report.

4.2 Road Committee: James Trisdale/Philip Hoag, Co-Chair

ACTION ITEM – Status report on receiving purchased road signs. Denise reported that the signs should be arriving within a week or two.

ACTION ITEM – Status on repair of Capricorn Drive. guardrail & washout. No report.

ACTION ITEM – Status report on Mr. Matthew's and Goodman's response to GLA letter re. use of GLA roads. Denise reported we have received no response.

4.3 Complaint Committee: Charlotte Mizzi/Pamela May, Co-Chair

ACTION ITEM – Status of Complaint re:Rakela statues. Kathleen Rakela and her husband, Rik Pittendorfer, came to the meeting. They informed the board that Kathleen, not Rik, was the owner of the property and the statues. They presented their side of the story about the statues and compared the statues with other famous works of art. David informed Rakela that the complaint about their statues was no longer an issue for the GLA board to handle since the statues had been vandalized and destroyed.

During Rakela's presentation, the board made the following motion.
MOTION: Philip Hoag motioned and Robert Wallace seconded that the GLA Board of Directors condemns the act of vandalism on any property, including the vandalism of the statues on Kathleen Rakela's property and that it does not support this type of action. Motion carried with one abstention from Cynthia Blocker.

ACTION ITEM – Status of cleanup of Parcel 81 (SG)/ Hansard. David reported that GLA wrote to Hansard asking him to submit a written plan for clean-up of Parcel 81. Hansard wrote back and reported that he has been in the process of cleaning up the property for the last 3-4 months. David recently inspected Parcel 81 and reported there has been some change and that it appears that Hansard is in the process of cleaning up. He reported that GLA has written another letter to Hansard requesting that he send a plan for the clean-up of his parcel, listing dates.

ACTION ITEM – Status of Parcel 32 (NG)/Woodriff. David reported that we have received no response from Woodriff to our December 2002 letter. He proposed that we get pictures of the problem areas on her property; then ask if she would like to meet with the GLA board about her situation. If Woodriff doesn't want to meet, GLA will then hand the situation over to our attorney. Board agreed with David's proposal.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr. (Chair), Orlando Johnson, Charlotte Mizzi & Pamela May. No report.

4.6 Recreation Committee: Robert Wallace, (Chair), Edward Anderson, Orlando Johnson, Janet Naclerio.

Robert reported that the Committee met January 20, 2003 and accomplished the following:

- Voted Robert Wallace as Committee Chair
- Formed subcommittees of Treasurer, Construction, Master Plan, Fund-raising, Youth Club, Web Site and Advertising
- Ian obtained an electrical contract
- Set the following goals for 2003: build a soccer field—to do that we have contacted 2 well drillers; build pump house-Powel Gelderloos said he would build; create underground irrigation system; and plant grass. Committee needs approximately $10,000 to accomplish this. (ie. $5,000 from GLA and $5,000 from previously received donations to the Recreation Committee).

Robert passed around 2002 pictures of preliminary plans for recreation area.

4.7 Web Site Committee: Edward Anderson, Chair. No report.

4.8 Weed Committee: James Trisdale/Philip Hoag, Co-Chair. No report.

4.9 Ombudsman Report: Richard Allen (SG) Richard Johnson (NG) No reports.

5. Other Business

6. Next Meeting and Adjournment

The meeting was adjourned at 10:45 p.m. with no further business. The next meeting will be held March 3, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

GB020303	a) Board to approve proposed sign standards by e-mail. b) Send copy of sign standards and a sign application to Kathleen Rakela.
TR020303	Revise the budget proposal; send to board prior to March 3 meeting.
AR030303	Write letters to Judith Filbert, Rantallo, Alexander and Tweedy.
CP020303.1	Write the complainant (Brettschneider), about the status of clean-up on Parcel 81.
CP02030.2	Take pictures of the problem areas on Woodriff property; ask Woodriff if she would like to meet with the GLA board about her situation.

Glastonbury Landowners Association

Board of Directors Meeting Agenda

February 3, 2003

1. **Call to Order, Opening Prayer**

2. **Reading and Disposition of Minutes**

3. **General Business**
   - 3.1 Selection of Committee Chairs
   - 3.2 GLA Standards/Procedures, status reports
     - 3.2.1. Architectural Standards
     - 3.2.2. Treasurer Standards/Procedures
     - 3.2.3. Elections Procedures

4. **Report of Officers and Committees.**
   - 4.1 **Treasurer's Report** – Cynthia Dodge-Blocker, Treasurer
     - ACTION ITEM – Update on liens
     - 4.1.1 Status on Campbell Lien
     - 4.1.2 Present Initial Year 2003 Budget Goals

   - 4.2 **Architecture Subcommittee** - Robert Wallace - Co-chair
     - ACTION ITEM – Status of Caspari Way road
     - ACTION ITEM – Status of Mr. Ranttalo's mobile home application
     - ACTION ITEM – Status of John Alexander's clean-up plan
     - ACTION ITEM - Status of revisions to mobile home standards
     - ACTION ITEM – Status of sight distance for driveways in high SG

   - 4.3 **Road Committee** – Philip Hoag and JT Trisdale - Co-Chair
     - ACTION ITEM – Status report on receiving purchased road signs
     - ACTION ITEM – Status on repair of Capricorn Dr. guardrail & washout
     - ACTION ITEM – Status report on Mr. Matthew's and Goodman's response to GLA letter re. use of GLA roads

   - 4.4 **Complaint Committee** – Charlotte Mizzi - Chair
     - ACTION ITEM – Status of Rakela/Pittendorfer re. statues
     - ACTION ITEM – Status of cleanup of Parcel 81 (SG), Hansard
     - ACTION ITEM – Status of Parcel 32 (NG), Woodriff

   - 4.5 **Land Use Master Plan Committee** - Daniel Kehoe, Jr. - Chair; Orlando J., Charlotte M. & Pamela M.

   - 4.6 **Recreation Committee** – Edward A., Orlando J., Janet N., Robert W.
     - ACTION ITEM – Present plans for recreation land

   - 4.7 **Web Site Committee:** Edward Anderson - Chair
     - ACTION ITEM – Report on converting web site so it will handle advertisements

   - 4.8 **Weed Committee:** Philip Hoag and JT Trisdale - Co-Chair

   - **4.9 Ombudsman Report** – Richard Allen (SG) & Richard Johnson (NG)

5. **Other Business**
   - ACTION ITEM – Status of installing culvert at SG water reservoir

6. **Next Meeting and Adjournment**

Glastonbury Landowners Association

Board of Directors Meeting Minutes

March 3, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by David Tonkin at 7:25 p.m., at Golden Ratio Woodworks. Cynthia gave the opening prayer.
PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Blocker (Treasurer), Daniel Kehoe, Jr., James Kozlik, Pamela May, Charlotte Mizzi and James Trisdale (JT)
ABSENT: Philip Hoag, Orlando Johnson
PROXIES:
ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Accountant)

2. **Reading and Disposition of the Minutes General Business**

- February 3, 2003

MOTION: Charlotte motioned and Pamela seconded to approve the February 3, 2003 meeting minutes as written. Motion carried.

3. **General Business**

3.1 GLA Standards/Procedures, status reports

3.1.1. Treasurer Standards/Procedures: In process.

3.1.2 Election Procedures: Denise presented rough draft to David to review.

3.1.3 Sign Standards: David reported that he and Dan worked on the Proposed Sign Standards as stated in the 2/3/03 Board Motion. He passed out a draft of the proposed sign standards and reviewed revisions and additions that had been made. Other members of the Board suggested and agreed upon additional changes to the draft.
MOTION: Dan motioned and Charlotte seconded to approve the Proposed Sign Standards as amended. Motion carried.

New Secretarial Procedure: David suggested and the Board agreed that the list of New Action Items from GLA Meetings be e-mailed to Board on the first Monday following each board meeting.

David told Board that at the next meeting he would like to show a 20 minute video concerning how to have effective meetings.

4. **Report of Officers and Committees**

4.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer
Cynthia passed out "Checkbook Transactions for GLA February 2003."
Clare passed out "Balance Sheet As of March 3, 2003" and "Income & Expense Budget Overview, Feb. 1 – Mar. 3, 2003." It was noted that 2nd page of Income & Expense does not have totals.

File: MtgMins 03 03 03.doc
Draft(s); 3 10 03; 3 24 03; 3 31 03; 4 04 03-FINAL
Approved and Amended: 4 04 03

Cynthia reported to the Board the inconvenience of needing to have 2 signatures on GLA checks and proposed that only 1 signature be required for checks under $500.
MOTION: Cynthia Blocker motioned and James Trisdale seconded that GLA require only one authorized signature on checks written for amounts below $500. Two authorized signatures will still be required for checks written for amounts of $500 or more. Motion carried.

ACTION ITEM – Update on Liens. Cynthia passed out "List of Delinquent Accounts under $500.00" and "New Motion to Consider Regarding Lien Process and Procedures, (To supercede all previous motions and procedures), March 3, 2003." Cynthia proposed that the Board approve a trigger dollar amount on delinquent assessments that would start the lien process. Board discussed this subject at length.
MOTION: Cynthia motioned and Dan seconded that the trigger dollar amount that starts the lien process on delinquent assessments will be $250. Motion carried.
Amendment to the above motion: Whenever GLA notices that a property is for sale, the GLA Treasurer may file a lien on delinquent assessments less than $250. Motion carried.

Pamela proposed that landowners will be motivated to pay their assessments on time (i.e. January 31 of each year) if they received a discount when doing so.
MOTION: Pamela motioned and James K. seconded to give landowners a 5% discount on the amount of yearly assessments due when landowners pay their full assessments by January 31 of each year. Motion carried.

4.1.1 Status on Campbell Lien. Cynthia reported that past due assessments for Campbell lien have been paid and the issue is resolved.
David reported that although a parcel may have a lien on it, the parcel can still be subdivided. The full lien can then be placed on the subdivided lots and be paid when the first lot of that subdivision is sold.

4.1.2 Revised Year 2003 Budget. David passed out "Revised 2003 Budget" and discussed with the Board.
MOTION: James K. motioned and Charlotte seconded to approve "Revised 2003 Budget." Motion carried.

4.2 Architecture Subcommittee - Robert Wallace/James Kozlik, Co-chair

ACTION ITEM – Status of Caspari Way road. (NG).
a) David reported that William Smith met last week at the site and discussed drainage, the warning signs and guardrails; William and he are in agreement about putting up guardrails. William will look into using the cable guardrail system, which is for slower speeds and is less expensive. Board agreed that GLA should put up a warning sign on Caspari Way since W. Smith has not done so.

File: MtgMins 03 03 03.doc
Draft(s); 3 10 03; 3 24 03; 3 31 03; 4 04 03-FINAL
Approved and Amended: 4 04 03

b) David reported that Robert received a letter, dated 2/14/03, from the Church's attorney, Thad Huse, regarding "Caspari Way Safety Issues." He passed around a draft of his response to that letter, and the Board agreed that he should send it as written.

ACTION ITEM – Status of Mr. Ranttalo's mobile home application. GLA has received no response from Ranttalo regarding GLA's response to his application.

ACTION ITEM – Status of John Alexander's clean up plan. Denise reported that the GLA project applications, including waiver form, were sent to Alexander and that GLA has not received his response.

ACTION ITEM -- Status of revisions to mobile home standards. No report.

ACTION ITEM – Status of sight distance for driveways in high SG. No report. David commented that we need to resend some of the letters we originally sent to landowners in high SG.

Parcel 51 (NG) Subdivision /Deanna Campbell & Church Universal & Triumphant: The Board discussed the subdivision and was concerned about the utility easement running right next to a house.
MOTION: Charlotte moved and JT seconded to approve Parcel 51 (NG) Subdivision/Deanna Campbell & Church Universal and Triumphant with the condition that either GLA receives a good reason for the existing location of the utility easement or we (GLA) recommend that the easement be moved to within the subdivision road easement. Motion carried

Lot 2A (NG)/Marjorie Lombard Steel Building Project: The building is a 2-story shop/garage of galvanized steel Quonset hut type building on a concrete slab. Board discussed that the building's appearance may be a problem for various reasons. Review of her project was tabled.
MOTION: JT moved and James K. seconded that Dan talk to M. Lombard about special roof, shrubbery, neighbor's input about building, etc. Dan to report back at next meeting Motion carried.

4.3 Road Committee: Philip Hoag/James Trisdale (JT), Co-Chair

ACTION ITEM – Status on repair of Capricorn Drive guard rail & washout. Not completed. Repair is not expected until the end of March. JT reported that the rail has been damaged again.

Janet reported that the same area near the damaged guard rail on Capricorn Drive can be very icy and dangerous. Board discussed temporary solutions.
MOTION: Janet motioned and James K. seconded to immediately install a temporary guard cable and warning/caution signs on the Capricorn Drive-North entrance road for safety reasons. Motion carried.

File: MtgMins 03 03 03.doc
Draft(s); 3 10 03; 3 24 03; 3 31 03; 4 04 03-FINAL
Approved and Amended: 4 04 03

ACTION ITEM – Status report on Mr. Matthew's and Goodman's response to GLA letter re. use of GLA roads. Tabled.

4.4 Complaint Committee: Charlotte Mizzi/Pamela May, Chair
ACTION ITEM – Status of K. Rakela Statue Issue. David reported that he received a postcard from Kathleen requesting GLA send a) attachments on the Smith's formal complaint about her statues (specifically neighbor's petitions and letters from Real Estate agents), b) the sign standards for Glastonbury and, c) a formal complaint form.
David reported that our attorney advised that we do not send Rakela the attachments to the Smith's complaint as the GLA Board is not taking any action on this complaint.
MOTION: Janet motioned and Dan seconded to send a letter to Rakela enclosing the sign standards, sign application and formal complaint form and stating that, on the advice of our attorney, we will not be forwarding the attachments to the Smith's complaint. Motion carried.

ACTION ITEM – Status of cleanup of Parcel 81 (SG)/ D. Hansard. No response yet to our request that he submit a plan as to when he will complete the clean up.

ACTION ITEM – Status of Parcel 32 (NG)/K. Woodriff. GLA received a letter from Kathleen today stating that a) she is lining up help to put up a roof , b) she has bought materials for roof, c) her contractor gave building plans to Eric Newhouse and he gave them to GLA secretary. Kathleen's letter did not address GLA's request in our Dec. 19, 2002 letter to her.

Board discussed possibly writing another letter to Woodriff. David proposed that Kathleen needs to clean up her area based on what the neighbor's believe is acceptable. JT reported 2 weeks ago he saw power lines leading from Woodriff's home to the tents she placed outside her home; he also sited personal belongings and duffle bags around tents which may indicate people are living in the tents. David & JT agreed to inspect tents and power lines and speak to Kathleen before we send another letter to her.

4.5 Land Use Master Plan Committee: Daniel Kehoe, Jr., Chair; Orlando Johnson., Charlotte Mizzi, Pamela May. No report.

4.6 Recreation Committee: Robert Wallace, Chair; Edward Anderson, Orlando Johnson & Janet Naclerio. No report.

ACTION ITEM – Present plans for recreation land. Tabled.

4.7 Web Site Committee: Edward Anderson, Chair. No report.
ACTION ITEM – Report on converting web site so it will handle advertisements. Tabled.

4.8 Weed Committee: James Trisdale /Philip Hoag, Co-Chair. No report.

File: MtgMins 03 03 03.doc
Draft(s); 3 10 03; 3 24 03; 3 31 03; 4 04 03-FINAL
Approved and Amended: 4 04 03

4.9 Ombudsman Report: Richard Allen(SG) Richard Johnson(NG) No reports.

5. Other Business.

ACTION ITEM – Status of installing culvert at SG water reservoir. No report.

6. Next Meeting and Adjournment

The meeting was adjourned at 10:15 p.m. with no further business. The next meeting will be held on April 7, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

GB030303.1 Denise to E-mail New Action Items to Board one week following each Board meeting.

GB030303.2 Bring TV/VCR to April meeting

GB030303.3 Chairs of GLA committees to bring a draft of their committee's responsibilities to April meeting.

TR030303.1 Clare to submit completed February "Balance Sheet" and "Income & Expense Budget Overview" reports to Cynthia and David. In the future, these reports probably should list data up through the end of the previous month, rather than data up to the day of the board meeting.

TR030303.2 Denise to send our bank the Board motion re: new policy regarding one signature for checks below $500.

AR030303.1a Cynthia to make sign for Caspari Way. Dan Blocker to post.

AR030303.1b David to send letter (as amended) to Thad Huse.

AR030303. 2 David to call J. Alexander

AR030303.3 At appropriate time, notify landowners of 5% discount on the amount of yearly assessments due when they pay their full assessments by January 31 of each year.

AR030303.4 Denise to send approval form w/stipulations to William Smith and Church re:

3/1/03

NEW MOTION TO CONSIDER
REGARDING LIEN
PROCESS AND PROCEDURES
(To supercede all previous motions and procedures)
March 3, 2003

Motion to make the trigger dollar amount that starts the lien process on delinquent assessments be $250.00 as of January 1st.

Beginning January 2004 if payment of assessments is paid by January 31st in full landowner can take a 5% discount.

Motion passed 3/3/03

Process includes:

3.2.1 1) Addresses and ownership confirmed-starts with first list prepared Oct 31st.

3.2.2 2) Reminder Notice mailed and payment plan is offered. Sent by mid-November. (Form-reminder of Delinquent Assessments.doc)

3.2.1 3) If a landowner owes more than $50.00 in assessments, a Special half/payment plan is offered to allow people to vote. Half due at elections and balance due by March 31st of following year. Must be signed. (Form-Agreement to pay half-voting purposes.doc)

3.2.1 4) December 1st of each year a courtesy letter indicating that penalties and interest will be charged after January 1st. **"Have you forgotten" notice. Letter to be developed as yet.**

3.2.2 5) Final Notice of Delinquent Assessment Payment and 60 day notice of filing lien.-an extension agreement or payment plan offered. Property owner must contact treasurer. Sent as soon as possible after January 15th. Process took about 60 days to file liens after this second notice. Enclose a copy of statement from bookkeeper. (form-Final Notice-60 Day Notice of Filing Lien.doc)

3.2.2 6) Final Notice of Delinquent Assessment Payment and Notice of Claim of Lien-letter offers 10% discount if paid within 60 days. (Form-Lien Letter, Notice of Claim of Lien.doc)

3.2.3 7) If payment is received send thank you letter and notice of Lien Release coming within 30 days.(Form-Release of Lien)

3.2.2 8) File lien release within 30 days of payment. Mail copy to landowner.

Other Procedures that have been standardized

3.2.1 9) We will send out invoices 5 times per year. January 15th, April 1st, July 1st, October 1st and December 1st. Due date for each quarterly payment will be the last day of the Month-Jan 31st, April 30th, July 31st, and Oct. 31st. December 1st will be a **reminder notice** (yet to be developed) instead of a statement with the FYI notice.

C:\Documents and Settings\cblocker\Local Settings\Temporary Internet Files\OLK10\NEW MOTION TO CONSIDER-lien procedures.doc

3.2.1 10) Final due date for all assessments on quarterly or monthly basis is October 31st of a given year. (Grace period between October 31st and January 1st.)

3.2.1 11) We will not longer add other flyers to memos with the Statements as it has caused the invoice to go out late.

3.2.1 12) Penalties and interest will be applied to the accounts that have not paid previous years assessments on January 10th mailed on the 15th of January.

3.2.1 13) We affirmed that assessments are due January 31st, unless the owner pays on the four equal payment plan basis and we will accept monthly payments even though they are not mentioned as an option in the covenants.

3.3.0 14) We will receive a report from the Parkers showing how the individual parcels are assessed to compared with our database yearly or twice yearly.

3.3.0 15) Make all subdivisions and final architectural applications copied not only for the file, but to cc Clare Parker as a normal practice and procedure.

3.3.0 16) Clare will print for the Treasurer monthly a Customer Contact list with the amounts owing.

3.1.2 17) Parkers will provide GLA with a disk or floppy of the database once per year. December 31st of any given year was the date chosen to do this. GLA will keep in the safety deposit box. Parkers weekly save the database off site for protection of the information as a normal practice.

3.3.0 18) Clare Parker to provide the Income & Expense Statement for Tax purposes as soon as possible after December 31st. Needed for Tom Shellenberg to prepare tax statements for Federal and State.

3.1.2 19) At the end of each year Treasurer to turn over all paid invoices and bank statements to secretary.

3.2.1 20) Verified that GLA can legally charge 1.5% interest compounded monthly. We are charging 18% interest compounded yearly at this current time. Difference is only about 1% between compounded monthly or yearly.

Glastonbury Landowners Association

Board of Directors Meeting Minutes

April 7, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin at 7:25 p.m., at Golden Ratio Woodworks. James Kozlik gave the opening prayer.
   PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Dodge-Blocker (Treasurer), Daniel Kehoe, Jr., Charlotte Mizzi, James Kozlik, and Orlando Johnson
   ABSENT: Edward Anderson, Philip Hoag, Pamela May, James Trisdale (JT)
   PROXIES: Edward Anderson to Robert Wallace, Pamela May to Cynthia Blocker
   ALSO ATTENDING: Denise Orr (GLA secretary), Marjorie Lombard (landowner)

2. **Reading and Disposition of the Minutes General Business**
   March 3, 2003
   MOTION: Dan, Jr. motioned and Charlotte seconded to approve the 3/3/03 meeting minutes as amended. Motion carried.

3. **General Business**

   3.1 GLA Standards/Procedures, status reports. David reported that he met with Janet and Denise to draft secretarial standards/procedures. Denise is finalizing election standards.

4. **Report of Officers and Committees**

Charlotte suggested that we change the order of meeting agenda items—i.e. after the Treasurer's report, first discuss Old Business items and second discuss New Business items, which would include new items that are brought to the meeting.

4.1 Treasurer's Report – Cynthia Dodge-Blocker, Treasurer

Cynthia passed out "Check Book Transactions for March 2003," "Balance Sheet as of 3/31/03" and "Income and Expense Budget Overview, March 2003."

Board discussed that the cost of snowplowing is over-budget. Cynthia to research.

ACTION ITEM – Update on liens. Cynthia reported no liens have been filed in the past month. She passed out "Cost of Filing a Single Lien" (attached), which itemizes GLA's $50 lien charge to a variety of expenses involved with the cost of filing one lien. GLA actually spends $50.70 each time it files a lien

4.2 Architecture Subcommittee - Robert Wallace, Co-chair

ACTION ITEM – Status of Caspari Way road. David reported that the warning sign on Caspari Way is set up at the wrong location.

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

ACTION ITEM – Status of Paul Rantallo's mobile home application. The Board discussed that the mobile home has not been removed.

MOTION: Charlotte moved and Cynthia seconded to send a letter to Paul informing him that his mobile home must be removed within 30 days or GLA will seek injunctive action and a court order. Reminder that he needs permission from his neighbor(s) before he moves his trailer across their land and that he will be responsible for repairing any damages this move may cause. Motion carried.

ACTION ITEM - Parcel 3A (NG)/M. Lombard, Steel Building. Dan, Jr. reported he had discussed the Board's concern about her proposed building. Marjorie and the Board discussed other potential locations, etc. Marjorie informed the Board that she decided not to go forward with this project and for the time being was withdrawing her building application.

ACTION ITEM - Status of the mobile home on Parcel 5 (NG)/Daniel & Valerie O'Connell. Board discussed that Philip told owners last year that the home was not approved and needs to be removed.

MOTION: James Kozlik motioned and Orlando seconded that we write to Daniel & Valerie O'Connell and inform them that they need to move their mobile home off of Parcel 5 (NG) within 30 days. Motion carried.

ACTION ITEM – Status of John Alexander's clean up plan. David was not able to reach John. Denise to call John.

ACTION ITEM - Jerome Tweedy bus on or near John Alexander's land. Board discussed that J. Tweedy has not removed his abandoned bus within the 30 days we previously gave to him in our letter of 2/10/03. Board agreed that we should write to him again and inform him that if he doesn't remove it, we will contact the County to remove it.

ACTION ITEM – Status of Parcel 51 (NG) Subdivision. David reported William Smith responded to GLA's conditional approval of the subdivision by informing him that the easement in question was an existing easement for power and telephone lines. David informed William that GLA therefore approved the subdivision and sent a written final approval to William, the Church and cc'd the County.

Buried Culvert on Venus Way: Charlotte reported a safety issue--David Otis told her that the culvert below the reservoir (which contains 200,000 gallons of water) between 63 & 37 (NG) has been covered or taken out. Board discussed the safety issues involved and that P. Rantallo may be responsible for this action.

MOTION: Charlotte motioned and Robert seconded to send P. Rantallo a letter asking if he covered the culvert or if he has removed it. Inform Paul that if this is the case, a) Paul is responsible for putting the culvert back within 30 days, b) he should submit a plan as to how and when he will handle this,

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

c) until the culvert is repaired, he is responsible for any damage that may occur to other landowner's property and the road. Motion carried.

Lot 6-B1 (NG)/Audra Christopher, Chicken Coup with Yard.
MOTION: Dan, Jr. motioned and Robert seconded to accept the plans for the Lot 6-B1 (NG)/Audra Christopher shed.

Lot 10-D (NG)/Christin Dhieux-Bray, Garden Shed/Chicken Coop.
James K. reported that the Architectural Subcommittee approved the shed and gave Christin verbal approval. Still need to send written approval.

4.3 Road Committee – Philip Hoag and JT Trisdale, Co-Chair

ACTION ITEM – Status on repair of Capricorn Dr guardrail & washout. Temporary repair to guardrail done. Still waiting for contractor to complete.

ACTION ITEM – Status report on Mr. Matthew's and Goodman's response to GLA letter re. use of GLA roads. Denise reported she received the new address for the Matthew's and that a new letter will be sent to them. We have received no response from Goodman. Board agreed Philip should call Goodman about this matter.

Virgo Way, SG: - David reported problem on Virgo Way that occurs each spring. The reason for the problem is that the spring under a part of the road thaws out and softens the road making it dangerous. The solution is to dig up the road, put in gravel and drain water from under road, but this is not currently in our budget. James to contact Eric Newhouse to get a bid and to contact David.

4.4 Complaint Committee – Charlotte Mizzi – Chair

ACTION ITEM – Status of Rakela re. statue issue. David reported that Rakela has asked to receive attachments to the Smith's formal complaint. On advice from our attorney we declined; David sent a letter of response on 3/23/03.

ACTION ITEM – Status of cleanup of Parcel 81 (SG)/Hansard. Denise reported that we have received no response from Hansard re: clean-up plan details. Denise presented a draft of a new letter to Hansard and David, Janet and James K. agreed that it should be sent.

ACTION ITEM – Status of Parcel 32 (NG)/ K. Woodriff. David reported that he and Pamela visited Kathleen in her home on 3/24/03 and he spoke with her on the phone on 4/4/03. He passed out and reviewed with the Board his 3/24/03 memo and his 4/4/03 letter to Kathleen that recounted what he had told her in the meeting and phone conversation—the bottom line being that Kathleen must submit a cleanup plan and an architectural building application within 10 days of the 3/24/03 memo or

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

submit a request for a 30-day extension. David reported that Kathleen has not responded within the requested 10 days. The Board agreed that if GLA receives no response from her in the next few days, t we should hand the matter over to our attorney.

Kathleen Rakela Complaint re: William Smith's Real Estate Signs. David passed out copies of the complaint. Board discussed.
MOTION: James Kozlik motioned and Janet seconded that GLA should write William Smith regarding the formal complaint from Rakela and a) enclose copy of complaint b) include the GLA Sign Standards document, c) include a GLA sign application and request that he complete it and submit to the GLA. Send separate letter to Rakela that includes a copy of our letter to Smith and a cover letter explaining that GLA cannot, however, handle the portion of her complaint about the sign that is on county property because it is out of our jurisdiction. Motion carried.

4.5 Land Use Master Plan Committee - Daniel Kehoe, Jr., Co-chair. No report. Daniel reported that his committee would have meeting (Charlotte's home, April 28, 7 pm) concerning the revision of the Master Plan and then present their proposal to the Board.

4.6 Recreation Committee – Robert Wallace – Chair

ACTION ITEM – Present plans for recreation land.
Robert reported that a master plan will be presented to the board at the May meeting. He also reported that a representative from Home Depot, who budgets money for donations, came to a recent committee meeting and gave suggestions as to how the committee could acquire donations. Robert reported the progress on the soccer field: a well, pump and piping are being purchased for wholesale prices and local residents are donating free labor. Robert stated that the committee may be short $1,400 to proceed with installing an irrigation system.
MOTION: Charlotte motioned and Dan, Jr. seconded to approve that GLA could loan the Recreational Committee $1,400 for installing an irrigation system, if needed. This loan would need to be repaid to the GLA in 6 months with no interest. Motion carried.

4.7 Web Site Committee - Edward Anderson, Chair
OLD ACTION ITEM – Report on converting web site so it will handle advertisements. No report.
David reviewed a number of items that he will ask the Website Committee to research and decide upon.

4.8 Weed Committee: James Trisdale /Philip Hoag, Co-Chair. No report.

4.9 Ombudsman Report: Richard Allen(SG) Richard Johnson(NG) No reports.

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

4.10 Clean-Up Committee: Charlotte Mizzi/Philip Hoag, Co-Chair.
Charlotte proposed and the Board agreed to have Spring Clean-Up Days (where we bring in green roll offs) on May 17 & 18 in North Glastonbury and on May 24, 25 & possibly 26 in South Glastonbury.

5. Other Business

NEW ACTION ITEM—Status of installing culvert at SG fire pond/reservoir. Done. However. There is water flowing off top of pond and culvert and going on to other landowners' property. Board discussed landscaping and safety issues re: pond.

6. Next Meeting and Adjournment
The meeting was adjourned at 10:15 p.m. with no further business. The next meeting will be held on May 5, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

GB040703 David to meet with Architectural Subcommittee and Weed Committee to discuss the standards/procedures for each committee.

TR040703 Cynthia to research if some of the costs of sanding and driving the truck have been mistakenly placed under "snowplowing" instead of "sanding." Also will check if there are some costs listed under "snowplowing" that should be listed under road grading. **Done**

AR040703.1 Denise to send letter to P. Rantallo regarding the removal of his mobile home. **Done.**

AR040703.2 Denise to send letter to P Rantallo regarding the covered culvert issue. **Done.**

AR040703.3 Denise to send letter to O'Connel's regarding the removal of their mobile home. **Done.**

AR040703.4 Denise to call J. Alexander regarding his clean-up plan. **Done.**

AR040703.5 Denise to draft letter to J. Tweedy regarding the removal of his bus. **Done.**

AR040703.6 Denise to send shed approvals to A. Christopher and C. Dhieux-Bray. **Done.**

RD040803.1 Dan Blocker to move sign on Gemini Rd. to proper location on Caspari Way. Also report if there is a Caspari Way sign posted.

RD040703.2 JT to be on location with contractor when guardrail is repaired on Capricorn. Save cable and chain, etc.

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

RD040703.3 David and JT to determine where other guardrails are needed in Glastonbury.

RD040703.4 Philip to call Mr. Goodman about his response to December letter re: use of GLA roads.

RD040703.5 James K. to call Eric N. about bid to repair SG road that becomes soggy during the spring thaw; also ask Eric to call David for details.

CP040703.1 Denise to send final draft of letter (for Charlotte to sign) to Hansard. **(Done.)**

CP040703.2 David to bring K. Woodriff complaint issue to attorney.

CP040703.3 Denise to draft letter (for Charlotte to sign) to W. Smith re: Rakela sign complaint and cc to Rakela. Draft a separate letter to Rakela. **Done.**

WB040703.1 David to give Edward a list of website items to research. Also ask him about placing GLA database on secure website

WB040803.2 Dan to talk to Edward concerning the GLA website.

CU040703 Charlotte to organize Spring Clean-Up Days in NG & SG.

OB040703.1 Orlando to talk to a real estate company in Bozeman (with specialized liability insurance) about SG fire pond safety issue (i.e. putting up a 6 ft. chain-link fence around pond, a "No Trespassing" sign and a rope ladder inside the reservoir).

OB040803.2 David to talk to attorney about his recommendation about SG fire pond safety issue (i.e. putting up a 6 ft. chain-link fence around pond, a "No Trespassing" sign and a rope ladder inside the reservoir).

OB040803.3 David to talk to JT and Dan Blocker about lowering outlet of SG fire pond and landscaping. Also ask Dan to call fishery to ask recommendations for the type of fish we should put in pond. **Done.**

OB040703.4 Cynthia to inform Kistharts that we are investigating SG fire pond issue. **Done.**

File: MtgMins 04 07 03 .doc
Draft(s); 4/15/03; 4/22/03; 4/29/03; 5/5/03
Approved and Amended: 5/5/03 - FINAL

Glastonbury Landowners Association, Inc.

P.O. Box 312, Emigrant, MT 59027

Sign Standards

1) All signs shall be commercially produced or professionally lettered, worded in "good taste" as solely determined by the Board of Glastonbury Landowners Association (no profanity or obscene language) and kept in good repair.

2) All signs, excluding "No Trespassing," "Private Property," "No Hunting" and "Posted" shall be less than 2x3 ft. "No Trespassing," "Private Property," "No Hunting," and "Posted" signs shall be no larger than 14- by 16-inches

3) Minimum distance between postings of "No Trespassing," "Private Property," "No Hunting" and "Posted" signs is 50 feet apart

4) Landowners must submit an application to the GLA Board and receive approval prior to posting sign(s) in the following instances:

a) When sign is business or advertising related, excluding Real Estate and For Sale signs

b) When landowner is planning to post more than 2 (two) Real Estate or For Sale signs

c) When sign size exceeds 2x3 feet

d) Traffic warning signs such as Beware of Dog, Children at Play, Horses, etc. Such signs shall be commercially made.

5) Realtors must collect their signs within 30-days after sale of property

6) Property Ownership Designated Signs (PODS) are signs of a personal nature such as owner(s) name, property name, or greeting that are done in "good taste" are permitted. PODS signs larger than 1- by 2-feet shall be professionally lettered. Signs smaller than 1- by 2-feet or of a temporary nature may printed by hand.

7) All signs must be posted out of the road easement, in a location that will not affect traffic safety or block road visibility and no closer than 5-feet from the road surface. No permanent sign may be posted on property other than ones personal property unless written permission has been obtained, a copy is sent to the GLA Board and is keep on file until the sign is removed.

8) Placement of all traffic signs shall be done under the authority of Glastonbury Landowners Association Board.

9) Temporary signs such as advertising of garage sales, announcements of an event or other similar activity are allowed and may be hand printed or made provided they are removed after 3 days of the event. Temporary signs may be only posted on lands where permission has been granted by the landowner. Signs in road easements, such as attached to street signs need the permission of GLA.

10) Applications for sign placements on property owned by a landowner other than the applicant shall also have the landowner's signature on the application.

Board of Directors Meeting Minutes

May 5, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**
   The meeting was called to order by David Tonkin at 7:10 p.m., at Golden Ratio Woodworks. The meeting officially opened at 7:40 p.m. after video. Edward gave the opening prayer.
   PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Blocker (Treasurer), Daniel Kehoe, Jr., Charlotte Mizzi, James Kozlik, Orlando Johnson and Pamela May.
   ABSENT: James Trisdale, Philip Hoag PROXIES: None.
   ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Bookkeeper)

2. **Reading and Disposition of the Minutes General Business**
   MOTION: Charlotte motioned and Pamela seconded to approve the April 7, 2003 meeting minutes as amended. Motion carried.

3. **General Business**
   3.1 Old Business. None
   3.2 New Business
   3.2.1. Video about how to conduct a successful meeting.

4. **Report of Officers and Committees.**
   4.1 Treasurer's Report – Cynthia Dodge-Blocker, Treasurer
   4.1.1. Old Business
   William Smith Subdivision/Waiver Issue: Cynthia researched this issue. She reported that William Smith told her that when the GLA approved his subdivision in 2001, he requested a waiver on paying assessments on the lots he planned to sell and not develop. William stated he was told that the GLA granted him "a 2-year moratorium" on paying these assessments. Cynthia explained that our accountant was never informed about the subdivision and therefore did not bill William for the subdivided lots. Dan was on the Board in 2001 and stated the Board did not give final approval to Smith regarding this issue.

   The Board agreed that the GLA should a) ask William to send, in writing, his reasons for requesting a contractor's waiver; and b) invite him to our June meeting to present his side of the issue to the Board in person, if he chooses.

   The Board discussed that the GLA may want to allow landowners to postpone payment on each subdivided for-sale parcel until the parcel is sold. Assessment fee would not be waived, but would accumulate over time and be paid when a parcel is sold and could be taken out at the real estate settlement. Board to review at June meeting.

   ACTION ITEM: Sanding/Snow Plowing costs: Cynthia reported that the sanding/snow plowing costs recorded on the "April 2003 Income & Expense Report" is accurate.

   4.1.2. New Business.

File: Mtgmins 05 05 03.doc
Draft(s): 5/12/03; 5/21/03; 5/28/03; 6/2/03-FINAL
Amended: 6/2/03

Cynthia passed out "Check Book Transactions for April 2003," "Balance Sheet as of 4/30/03," "Income and Expense Budget Overview, April 2003," "List of Delinquent Accounts under $500" and "2003 List of Delinquent Assessments Over $250.00."

4.2 Architecture Subcommittee - Robert Wallace, Co-chair

4.2.1. Old Business

ACTION ITEM – Status of Caspari Way road. David reported that the GLA received a second letter from the Church attorney that offered to share the guard rail cost with the the GLA. David will review this issue and get back to the GLA Board. Pamela also reported that the County approved the name of "Caspari Way."

ACTION ITEM – Status of Mr. Ranttalo's mobile home application. Letter was sent.

ACTION ITEM – Status of John Alexander's clean-up plan. Denise reported that John was waiting to receive special forms from the GLA for his clean-up plan. She presented a draft of a clean-up form that could be sent to John.
MOTION: Dan motioned and Robert seconded to send the draft clean-up form and a waiver form to Alexander. Motion carried.

4.2.2. New Business

104 (SG) Driveway Site Distance Waiver Request/David Tonkin: David presented his request for the sight distance to the right of his driveway to be reduced to 150 feet. Board reviewed details
MOTION: Daniel motioned and James K. seconded to approve David Tonkin's request for the sight distance to the right of his driveway to be reduced to 150 feet. Motion carried.

4.3 Road Committee – Philip Hoag and JT Trisdale, Co-Chair

4.3.1. Old Business

ACTION ITEM – Status of repair of the Capricorn Drive guard rail & washout. David reported that the guard rail is still pending contractor's repair and that the washout problem needs to be handled. Incomplete.

ACTION ITEM – Status report on Mr. Matthew's and Mr. Goodman's response to GLA letter re: use of GLA roads. Denise reported letter to Matthews was Done. Will check with Philip about follow-up call with Goodman.

ACTION ITEM – Installation of signs. David to talk to Dan Blocker.

ACTION ITEM – Location of new guard rails. David reported that he and JT made a list of needed guard rails and will present at June meeting.

ACTION ITEM – Cost of repairing VirgoWay. Waiting for bid from Eric.

File: Mtgmins 05 05 03.doc
Draft(s): 5/12/03; 5/21/03; 5/28/03; 6/2/03-FINAL
Amended: 6/2/03

4.3.2. New Business
Board discussed speed limits required for Hercules Road due to frequent curves and blind spots
MOTION: Dan motioned and James K. seconded that there should be a sign at the bottom of Hercules road that reads "25 mph speed limit. 15 mph on curves". Motion carried.

4.4 Complaint Committee – Charlotte Mizzi - Chair
4.4.1. Old Business
ACTION ITEM – Status of Parcel 32 (NG) Woodriff. David reviewed the main points in his letter re: Woodriff is being sent to Swindlehurst this coming week.

ACTION ITEM – Status of sign complaint by Rakela. Charlotte presented a sign application from William Smith; the Board reviewed application and agreed the sign meets the GLA standards.
MOTION: Dan moved and James K. seconded to approve William Smith's sign application Motion carried.

ACTION ITEM – Status of Exposing Culvert under Venus Way. Tabled.

4.4.2. New Business.
Jerome Tweedy's Abandoned Bus: Charlotte presented letter from Jerome that stated his plans to move his bus by the end of May.

4.5 Land Use Master Plan Committee - Daniel Kehoe, Jr., Co-chair.
4.5.1 Old Business. None.

4.5.2 New Business. None.
ACTION ITEM – Report on Master Plan (MP) meeting. Dan reported that (2 or 3?) people attended a recent meeting to work on the MP. The Standards were lifted out of the MP which shortens it to 26 pages. Dan to send Standards to David.

4.6 Recreation Committee – Robert Wallace - Chair
4.6.1 Old Business
ACTION ITEM – Present plans for recreation land. Robert passed out yellow map of Phase 1 of plans for the proposed recreational area.

David reported that our attorney, John Glover, is drafting Bylaws for PVRC and will complete draft in 2 weeks for a fee of $500.

MOTION: Dan motioned and Robert seconded to approve Phase 1 of the Recreational Master Plan as shown on yellow map. Motion carried.

File: Mtgmins 05 05 03.doc
Draft(s): 5/12/03; 5/21/03; 5/28/03; 6/2/03-FINAL
Amended: 6/2/03

4.6.2 New Business

Fund Raising Meeting: Robert passed out PVRC letter that included an invitation to ribbon cutting ceremony at the PVRC site and fundraising campaign on 5/9/03. Board reviewed and agreed that the letter's statement, "donations are tax deductible," should be deleted until non-profit status application for PVRC is completed.

4.7 Web Site Committee - Edward Anderson, Chair

4.7.1 Old Business

ACTION ITEM – Report on converting web site so it will handle advertisements
Edward passed out a picture of GLA-MT.ORG website page and Board suggested changes/edits, including deleting Draft Master Plan and adding Standards. Edward responded to a list of questions that David posed in a memo regarding putting Real Estate ads on website. Board discussed criteria for realtors placing ads and keeping them on our website, including stipulation that they must inform GLA when they sell Glastonbury homes or property and pay a monthly or quarterly fee for their ads.

4.7.2 New Business. None.

4.8 Weed Committee - Philip Hoag and JT Trisdale, Co-Chair.

4.8.1 Old Business. None.

4.8.2 New Business. None

4.9 Clean-up Committee - Philip Hoag & Charlotte Mizzi, Co-Chair.

4.9.1 Old Business: May Clean-Up Days-Charlotte reported that she was having difficulty renting green roll offs for the dates originally planned and may have to choose alternate dates.

4.9.2 New Business. None.

4.9 Ombudsman Report – Richard Allen (SG) & Richard Johnson (NG). No report.

5. Other Business

5.1 Fire Reservoir.

5.1.1 Old Business

ACTION ITEM – Status of landscaping, lowering outlet, adding fish, adding a fence, obtaining attorney's and insurance people's opinion on need. David reported that the outlet of the reservoir had been lowered. David and Orlando to do further research on remaining issues.

5.1.2 New Business. None.

6. Next Meeting and Adjournment

The meeting was adjourned at 10:00 p.m. with no further business. The next meeting will be held June 2, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

File: Mtgmins 05 05 03.doc
Draft(s): 5/12/03; 5/21/03; 5/28/03; 6/2/03-FINAL
Amended: 6/2/03

NEW ACTION ITEMS:

Glastonbury Landowners Association

Board of Directors Meeting Minutes

June 2, 2003

CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Prayer**

The meeting was called to order by David Tonkin at 7:15 p.m., at Golden Ratio Woodworks. Charlotte gave the opening prayer.

PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Blocker (Treasurer), Edward Anderson, Philip Hoag, Daniel Kehoe, Jr., Orlando Johnson, Pamela May, Charlotte Mizzi and James Trisdale (JT)

ABSENT: James Kozlik.

PROXIES:

ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (GLA bookkeeper), Susan Gough (NG landowner), Fred Morsell (NG landowner)

2. **Reading and Disposition of the Minutes General Business**

MOTION: Dan motioned and Charlotte seconded to approve 5/05/03 meeting minutes with amendment. Motion carried.

3. **Report of Officers and Committees**

3.1 Treasurer's Report: Cynthia Dodge-Blocker, Treasurer

Cynthia passed out "Balance Sheet as of May 31, 2003" and "GLA Income & Expense Overview from January through May 2003."

3.1.1 Old Business--None.

3.1.2 New Business.

David reported that Denise Diehl, SG landowner, contacted him requesting that the GLA Board forgive her 2002 assessments ($299 delinquent) due to hardships she experienced in 2002. Cynthia offered Diehl a payment plan of small payments per month which Diehl declined to sign. Pamela suggested that the Board create a policy and criteria of how they will review similar cases in the future. Board discussed various options of how to handle Diehl's request.

MOTION: Cynthia motioned and Philip seconded that within one week Diehl should sign a monthly payment plan (made up of small affordable payments of $5/month in 2003, $20/month in 2004 and $40/month in 2005) for 2002 assessments. If Diehl decides not to sign a payment plan, GLA will file a lien against her property to insure repayment if her land is sold. Motion carried.

3.2 Architecture Subcommittee: Robert Wallace/James Kozlik, Co-Chair

3.2.1 Old Business

ACTION ITEM: Status of Caspari Way Road.

David passed out a letter, dated April 7, 2003, from Church's attorney, Thad A. Huse "Re: Caspari Way through Parcels 60, 63, 64 and 66 NG-Safety Issues." Board reviewed various details of the letter and agreed that GLA should hire a civil engineer to provide an

File: MtgMins 06 02 03.doc
Draft(s): 6/30/03-FINAL
Approved: 9 08 03

expert opinion on behalf of GLA. Ultimately GLA will have our lawyer respond to Thuse's letter. JT will obtain an engineer and document his findings and opinion.

ACTION ITEM – Status of Mr. Ranttalo's mobile home application
Board reviewed 5/28/03 letter from Rantallo to James Kozlik re: mobile home. Robert reported that Rantallo indicated to him that he would be moving his trailer. Robert will ask him the moving date.

ACTION ITEM – Status of John Alexander's clean up plan. GLA received a letter from John, dated 6/3/03, regarding his clean-up plans. Denise to Xerox & send letter to Board to review and discuss at next meeting.

ACTION ITEM – Construction Waiver: William Smith's opinion & attorney's opinion. William was not contacted. Tabled.

3.2.2 New Business. None.

3.3 Road Committee: Philip Hoag/James Trisdale, Co-Chair

3.3.1 Old Business
ACTION ITEM – Status on repair of Capricorn Drive guard rail & washout.
Philip will call OMA Construction in Billings to follow up on guard rail.

ACTION ITEM – Status report on Mr. Matthew's and Goodman's use of GLA roads.
Philip reported that a) Goodman told him he wasn't using the roads, and b) it appears that Matthews is no longer using our roads. Item completed.

ACTION ITEM – Installation of signs. Tabled.

ACTION ITEM – Speed limit signs on Hercules Road. David showed samples of signs we can use and Denise will order.

ACTION ITEM – Location of new guardrails. Tabled.

ACTION ITEM – Cost of repairing Virgo Way. Tabled.

ACTION ITEM – Update of Road Standards. No report. Copy of Standards on CD to be made for Board to review.

3.3.2 **New Business.** None.

3.4 Complaint Committee: Charlotte Mizzi/Pamela May, Chair

File: MtgMins 06 02 03.doc
Draft(s): 6/30/03-FINAL
Approved: 9 08 03

3.4.1 Old Business
ACTION ITEM – Status of Parcel 32 (NG) Woodriff. David reported that a letter was sent to our attorney and we are waiting for a response.

ACTION ITEM – Status of sign complaint by Rakela. Completed.

ACTION ITEM – Status of Exposing Culvert under Venus Way.
MOTION: Charlotte motioned and Robert seconded to write to Paul Rantallo regarding the culvert that acts as overflow to the water tank, etc, Janet to draft letter stating that the culvert has been covered over by Rantallo's new driveway and needs to be corrected. Motion carried.

3.4.2 New Business. None.

3.5 Land Use Master Plan Committee: Daniel Kehoe, Jr., Chair; Orlando Johnson. Charlotte Mizzi, Pamela May. No report.

3.6 Recreation Committee: Robert Wallace, Chair; Edward Anderson & Janet Naclerio.
3.6.1 Old Business
ACTION ITEM – Report on new Bylaws. David reported that our attorney is still working on drawing up incorporation papers.

3.6.2 New Business.

3.6.2.1 Landowner's Concerns About Recreation Area
NG landowner's Susan Gough and Fred Morsell came to the meeting to address some questions and concerns that they and other landowners developed after reviewing the PVRC fundraising letter, dated May 2003.

David, Robert and Charlotte reviewed the history of the Recreation land to the present and covered the following major points:

- As of this date, the PVRC has not incorporated nor has it been formed formally except through the GLA Board. Our attorney is in the process of preparing the incorporation papers. The GLA Board is considering whether it should be a 501-C3 or a non-profit organization.
- The GLA Board's intent has been to have the PVRC as a separate organization and have our attorney model the incorporation papers after the GLA'S Bylaws and Covenants. The GLA Board would then lease the recreation land to the PVRC. In a lease, the GLA will be able to define the requirements that the leasers would have to meet.
- The GLA Board has agreed there should be a minimum of two GLA Board members serving on the PVRC Board.

File: MtgMins 06 02 03.doc
Draft(s): 6/30/03-FINAL
Approved: 9 08 03

- The PVRC Board is required to submit construction plans to the GLA Board for its approval and has followed this requirement.
- In the Recreation Land "Parkland Dedication Agreement," the Church designated "the recreation land for soccer field, baseball fields, playground and other recreational and sport activities designated by the GLA for the benefit of the residents of Glastonbury and the surrounding Emigrant area."
- When approving a subdivision, Park County has the authority to reserve certain parts of the land as recreation areas or park land reserve.
- Before the parkland agreement was completed, the Church sent a letter to all Glastonbury residents advising them of the recreation land soccer field plan and a comment period was given.
- In the last two annual GLA Board meetings, the PVRC has been discussed.
- The name "Paradise Valley Recreation Center" was chosen for the purpose of including people outside of the Glastonbury community.
- The most recent work done on the land includes de-rocking the fields to prepare for seeding and putting in approximately 5000 feet of underground sprinkler system. Park Electric will install power this week. The Committee is in the process of interacting with the State about bathroom plans.

Summary of Susan Gough's and Fred Morsell's questions/concerns and the response of individual members of the GLA Board.

- Susan: She was concerned as to how the PVRC Board was being formed and the extent of influence non-Glastonbury landowners would have on it.
  Charlotte: Expressed that she has had similar concerns, specifically about what laws the PVRC Board would operate under, how the PVRC Board would be appointed and where they would come from. The GLA Board is also interested in these matters.

- Fred: Had concerns as to plans for liability insurance for GLA, landowners or PVRC in the event of an accident or lawsuit.
  Philip: The GLA Board has discussed the insurance issue and plans to choose an insurance program that would cover such events.

- Fred: Questioned whether the cost of PVRC insurance has an impact on the Glastonbury assessment fees?
  Robert: No. The insurance costs will be paid by donations.

- Susan: After learning of the depth of the fundraising outside of the community, she stated her concern that the people who commit "big money" to this project may expect to have a lot of say in the future use of the land. She also noted that she has not seen a master plan for the recreation area yet.

Robert: About 80% of the donations for this project have come from people outside the Glastonbury community because most of them have children who play soccer who believe that their financial donations will ultimately pay off for their families. (i.e.: Hank Fabish has put in an irrigation system that is worth approximately $14,000, and has refused reimbursement for this expense, including gas, and asks nothing in return for his donation.)

- Susan: Inquired why PVRC could not be a separate arm of GLA and decide the master plan of the recreation land.
  David: The GLA Board created the PVRC apart from GLA with the understanding it would be beneficial obtaining financial aid; bridge the gap between our community and the community outside of Glastonbury; and for insurance reasons.
  Janet: The PVRC is accountable to the GLA Board and the GLA must approve all major decisions. At PVRC meetings, the GLA Board members who are on the PVRC Committee represent the GLA and look out for the GLA's best interest.
  Dan: Commented that what people invest in, they also don't destroy. He suggested that perhaps the PVRC could be set up on a membership basis requiring a membership fee.

- Susan: Stated that a number of landowners requested that she ask the GLA Board if there are any issues concerning the PVRC on which the community at large needs to vote.
  David: He will research that question and get an answer to Susan before any final decisions are made so people can voice an opinion.
  Janet: Stated the PVRC is planning to send out a survey requesting input from the landowners. Plans for a soccer field were previously stated in the deed, therefore the PVRC Board moved forward and acted upon them so the field would be functional for the next soccer season. The remaining use of the land will require the vote of the landowners.
  Dan: Over the years, one of the greatest concerns in the Glastonbury community has been that we haven't built any recreational facilities for the children.
  Robert: The PVRC Committee currently consists of 80% Glastonbury landowners and a few people outside of Glastonbury.

- Susan and Fred: Both commented that they were happy that the soccer field was being constructed for the children. They expressed their satisfaction with the GLA Board's answers to their main questions and concerns about the formation of the PVRC Board, the process of how the PVRC will function, communication and liability, etc.

3.6.2. 2 Choosing the type of organization the PVRC will be.

David passed around a letter from attorney Jeremy Jon leFeber, dated 6/2/03, describing

the basic requirements for recognition as a charitable tax exempt organization and the application process for such recognition. Research will be done to determine the advantages and disadvantages of being a tax deductible organization vs. a non- profit organization, etc.

3.6.2.3 Adding Recreation Land, Parcel 16A, to the Glastonbury Covenants
MOTION: Dan motioned and Robert seconded that the GLA should add and subject Parcel 16-A of Certificate of Survey 1729 to all of the Glastonbury Restated Covenants as Common Use Land and that the GLA will execute and record an instrument in writing with the Park County Clerk and Recorder's Office to that effect. Motion carried.

3.7 Web Site Committee: Edward Anderson, Chair

3.7.1 Old Business
ACTION ITEM—Status of website. David reported that research is still being done regarding a database of landowner addresses to be available to the Board. The database will limit editing privileges to certain Board members, the hired secretary and bookkeeper.
Board discussed various information to be put on the website and who should provide it. It unanimously agreed not to put financial reports on the website.

ACTION ITEM-Review draft letter to Realtors introducing our website. In process.

3.8 Weed Committee: James Trisdale /Philip Hoag, Co-Chair. No report.

3.9 Ombudsman Report: Richard Allen (SG) Richard Johnson (NG). No reports.

4. Other Business
Orlando requested the Board to discuss shelter insurance issues be added to our July agenda.

5. Next Meeting and Adjournment
The meeting was adjourned at 10:05 p.m. with no further business. The next meeting will be held July 14, 2003 at Golden Ratio Woodworks Cafeteria, 7 p.m.

NEW ACTION ITEMS:

TR0602033.1.2 Cynthia to contact Denise Diehl re: assessment payment plan.

AR0602033.2.1.1 JT to find engineer to inspect Caspari Way and document his findings & opinion.

File: MtgMins 06 02 03.doc
Draft(s): 6/30/03-FINAL
Approved: 9 08 03

AR0602933.2.1.2 Philip and Dan to list responses to various details in Thuse's letter re. Caspari Way and send to David.

AR0602933.2.1.3 Draft a letter to our attorney re: Caspari Way to review at July meeting.

AR0603033.2.1.4 Robert to contact Paul Rantallo about moving date of his trailer.

AR0603033.2.1.5 Janet to draft letter to Paul Rantallo re: culvert.

AR0603033.2.1.6 Denise to send copy of John Alexander's 5/28/03 letter to Board to review at July meeting

RD0603033.3.1.1 Philip to call OMA Construction about repair of Capricorn Dr. guardrail & washout.

RD0603033.3.1.2 Denise to order signs for Hercules Road.

RD0603033.3.1.3 Dan to send Denise electronic copies on CD of all Glastonbury standards.

RD0603033.3.1.4 Denise to send Board road standards.

CP06033.4.1 Janet to draft letter to Rantallo re: culvert.

RC0603033.1 David to research if there are any issues concerning the PVRC that the GLA landowners need to vote on.

RC0603033.2 Recreation Committee to review letter from attorney Jeremy Jon leFeber, dated 6/2/03, describing the basic requirements for PVRC to be recognizing charitable tax exempt organization.

RC 0603033.3 Dan and Robert to research issues regarding 501C-3 vs. another kind of 501 public charitable organization or private foundation

RC 0603033.4 Cynthia to execute and record an instrument in writing with the Park County Clerk and Recorder's Office that states GLA has added Parcel 16A of Certificate of Survey 1729 to all of the Glastonbury Restated Covenants as Common Use Land.

WB0603033.1 Denise to send complaint form to Edward for website.

WB0603033.2 Dan to find updated maps for website.

File: MtgMins 06 02 03.doc
Draft(s): 6/30/03-FINAL
Approved: 9 08 03

WB0603033.3	Janet & Denise to determine schedule of events for website (i.e. monthly meetings, annual meetings, soccer games, clean-up days, etc.)
WB0603033.4	Robert & Janet to provide PVRC information for website.
OB0603034	David to add shelter insurance issues discussion to July 14 agenda.

Cynthia Blocker
P.O. Box 312
Emigrant, MT 59027-0312

Dear Cynthia,

My father is Davies Anderson. He suffered a (second) stroke last July which left him incapacitated and I have been managing his affairs since. I enclose payment for the 2003 fee. I realize it is late and that you have a penalty structure in place. Due to the hardship of his situation I would like to request that you waive the penalty fees for this year. Not only is he no longer able to work, but he has mounting medical bills due to the need for 24 hour care and rehabilitation treatment and a huge amount of credit card debt. He has very limited resources so I have been paying essential things for him. Due to the overwhelming nature of this situation, I have not even been able to think about paying this bill until now.

I will endeavor to pay the 2004 bill on time. To help me do that, I would appreciate it if you would mail it in care of me at the address above.

Sincerely,

Robert J. McMillen, POA

Board of Directors Meeting Minutes

July 15, 2003

CONFIDENTIAL – DO NOT COPY

Not official meeting as quorum was not met.

DRAFT

Glastonbury Landowners Association

Informal Meeting NOT AN OFFICIAL BOARD MEETING

Meeting Minutes

July 14, 2003

CONFIDENTIAL – DO NOT COPY

1. Call to Order

The meeting was called to order by Janet Naclerio at 7:30 p.m., at Golden Ratio Woodworks.
PRESENT: Janet Naclerio (Secretary), Cynthia Dodge-Blocker (Treasurer), Charlotte Mizzi, Orlando Johnson and Edward Anderson.
ABSENT: David Tonkin (President), Robert Wallace (Vice-President), Philip Hoag, Daniel Kehoe, Jr., James Kozlik, Pamela May and James Trisdale (JT).
ALSO ATTENDING: Denise Orr (GLA secretary), Carl Anderson (SG landowner) and his nephew (not a landowner), Rick Spallone (SG landowner) and Everett and Mary Johnston (SG landowners).

2. Summary of Meeting

Janet stated that the Board member quorum required for holding a "formal" meeting had not been met, but that the attending Board would hold an "informal meeting" with the guest landowners giving them an opportunity to discuss their questions and concerns. Janet stated that meeting minutes would be taken and reviewed by the GLA Board at the August meeting. Board members and landowners introduced themselves. The following summarizes the major questions and concerns that the landowners discussed with the Board.

a) Master Plan

Carl and Everett: Both expressed their concerns regarding the potential of over-development in Glastonbury and wanted to know the status of the Master Plan.
Board: *1) Stated they have mutual concerns regarding the protection of Glastonbury from over-development. 2) Reviewed some of the history of the Board's work on the Master Plan and their efforts to complete it. 3) Explained that when the final draft of the Master Plan is drawn up, it will be sent to all landowners for comment and a meeting will be held for the landowners to vote their approval or disapproval. There are no specific dates for completing the above. Charlotte will send Everett a copy of the current draft of the Master Plan.*

Everett: Questioned whether it has ever been considered to make North and South Glastonbury separate and have separate Boards, etc.
Board: *Not aware if this has ever been proposed. The landowners in South and North are equally represented on the GLA Board of Directors and it is beneficial to have South and North united, etc.*

b) Everett Johnston's Complaint: Non-Response from Board to Phone Calls & E-mails, etc.

Everett: Stated that the Board doesn't answer his phone calls or e-mail and specifically named Dan Kehoe and David Tonkin.
Board: *Agreed that Board should respond to phone calls & e-mails.* ***Janet:*** *Asked visiting landowners to contact her or Denise with their concerns if they don't receive a satisfactory response from Board members. Janet and Denise will then follow- up on their behalf.*

File: MtgMins 07 14 03 Informal.doc
Draft(s): 7/20/03; 7/28/03
Amended:

c) Everett Johnston's Letter to Board re: Potential Recreational Development Plans by Orlando Johnson

Everett: Expressed his concern that Orlando was planning to develop multiple recreational units in South Glastonbury; was unhappy that his letter to the Board regarding this had not been answered.
Board: *No one on the Board has received an application from Orlando or has heard about such a plan. At this time and throughout meeting, some of the Board members explained the multi-level responsibilities and extensive nature of the tasks that they, as volunteers, handle on an ongoing basis.*
Orlando: *Stated he doesn't have plans to develop recreational units. He commented that Everett concluded that he had this plan based on a real estate agent's comment about extensive water pressure on his land. Orlando also rebutted various accusations Everett had made about him in his letter.*
Denise: *Commented that David Tonkin told her several weeks ago that Everett had voiced the above concern to him over the phone and David told him that the GLA Board had not seen any project application from Orlando for recreational units and that none had been approved in the past.*
Everett: Acknowledged the conversation with David Tonkin, and stated he expected a written response from GLA.

d) South Glastonbury Road Safety and Potential Paving

Carl: Asked how often do the roads get graded since Hercules Road has not been graded since the last snow. **Rick:** Commented that the South Glastonbury roads are dangerous, especially wash board and sharp corners on Hercules Road. **Mary and Everett:** Stated that recently in the a.m. they were walking their dog and were almost hit by a fast driver, going to Spec Tec, coming around the corner. They reported this to Walter Wunsch who was very helpful and apologetic.
Board: *The roads are graded when there is a good rain and sometimes grading lasts a short time, especially when people drive fast after the grading. Board stated that Philip or JT will respond to this concern. Denise reported that the Board voted to put up speed limit/curve signs on Hercules.*

Rick: Is there any plan to pave more roads (eg. Hercules) in South Glastonbury?
Board: *No plans at this time. Reviewed history of how the paving occurred in NG & SG and that in the future more paving "may" occur if the Association can meet the expense, etc.*

3) Adjournment: The meeting was adjourned at 8:45 p.m. with no further business.

NEW ACTION ITEMS:
2a) Charlotte to send copy of most current Master Plan Draft to Everett Johnston.
2d) Letter from Philip and/or JT to Carl, Everett and Rick regarding road grading and safety issues.

Glastonbury Landowners Association, Inc.
Board of Directors Meeting Minutes
August 4, 2003
CONFIDENTIAL – DO NOT COPY

1. **Call to Order, Opening Prayer**

The meeting was called to order by David Tonkin at 7:15 p.m., at Golden Ratio Woodworks. Janet gave the opening prayer.
PRESENT: David Tonkin (President), Robert Wallace (Vice-President), Janet Naclerio (Secretary), Cynthia Dodge-Blocker (Treasurer), Charlotte Mizzi, Pamela May and James Trisdale (JT), Edward Anderson
ABSENT: Philip Hoag, Daniel Kehoe, Jr., James Kozlik, Orlando Johnson
PROXIES: Pamela May to Cynthia Blocker (after 9 p.m.)
ALSO ATTENDING: Denise Orr (GLA secretary), Clare Parker (Bookkeeper)

2. Reading and Disposition of Minutes
Approve June 2, 2003 Meeting Minutes. Tabled. Board will vote by e-mail.

David reported that the Board of Directors meeting on the evening of 7/14/03 was unofficial due to insufficient quorum. (see minutes attached)

3. General Business

3.1 New Business

Select Election Committee Chair: Board agreed that Pamela would be an excellent person to head this committee. David will ask Pamela if she would be willing to take this position.

Proposed Rattlenake Hunt: Janet reported that Eric Newhouse advised her that a SG landowner requested the Board to consider conducting a rattlesnake hunt. Brief discussion. Tabled.

Correspondence Procedures: Janet reminded the Board to follow our secretarial procedures concerning correspondence and the need to make copies for our files. All correspondence (with the exception of the correspondence that the Treasurer and accountant normally handle in the course of their duties) needs to be reviewed by the Secretary to make sure it matches our standards and is not in conflict with other correspondence. (2) Carbon copies of all written correspondence (letters, e-mail and faxes) should be sent to our secretary for our files. (3) All significant communication (via phone, personal meetings, etc.) that a Board member has with a landowner or other individuals concerning GLA matters should be documented, dated and forwarded to the secretary to file in GLA files.

4. Report of Officers and Committees

4.1 Treasurer's Report – Cynthia Dodge-Blocker, Treasurer

Cynthia passed out (1) "Checkbook transactions for June 2003 for GLA Account"; (2) "GLA Balance Sheet As of June 30, 2003"; (3) "GLA Income and Expense Budget Overview, January through June 2003"; (4) "Checkbook Transactions for GLA Account –July 2003"; (5) "GLA 08/02/03 Treasurer's Report" re: accounts receivable and liens filed; (6) "GLA Treasurer's Update 7-

File: MtgMins 08 04 03 rev
Draft(s): 8/11/03, 8/18/03, 8/29/03-Final
Amended:

23-03" re: liens prepared and filed; and (7) "Delinquent Accounts Making Payments, 8/2/03."

Cynthia reported that GLA Balance Sheet for July wasn't available because Clare's computer was down.

4.1.1. Old Business
ACTION ITEM: Denise Diehl. Cynthia reported that Denise paid her assessment fees.

4.1.2. New Business. None.

4.2 Architecture Subcommittee Report - Robert Wallace, Co-chair
4.2.1 Old Business
ACTION ITEM – Status of Caspari Way road.

Engineers Report. JT checked with his source and found they would not take on our small project. JT and David will measure the grade and research names of other engineers.

List of Responses to Thuse's Letter. Board discussed the issue.
MOTION: Robert motioned and JT seconded the following:
(1) That the GLA agrees to pay half of the guardrail expenses for Caspari Way Road *provided* the Church pays the $15,000 it owes to GLA for the Master Plan; the Church may deduct its half of the guardrail expense from that $15,000;and
(2) JT and David will inspect Caspari Way. GLA will then write to the Church regarding their findings and, if appropriate, based on their findings, the letter will include the following: (a) the GLA will offer the above payment proposal providing the cross slope is corrected. This offer doesn't indicate that the Board accepts responsibility for the Caspari Way road; and (b) The GLA Board would like to remind Mr. Smith and the Church that, according to the Covenants, a landowner must submit to the GLA a formal project application for the construction of a road or building *prior* to construction. This procedure was not followed for construction of Caspari Way. The road application was submitted to the GLA only after GLA requested it and at a point when the road was nearly completed. The GLA Board requires that this procedure be followed in the future. Motion carried with one abstention from Charlotte Mizzi.

ACTION ITEM – Determine date when Paul Rantalo is to remove his mobile home. Not completed.

ACTION ITEM – Status of John Alexander's Waiver request. Board reviewed " 2003 Plan for Clean-up and Removal of Eyesores on Parcel 66 (NG)" of 5/28/03 from John Alexander and Ronda Coffey. Board agreed to Board agreed that Charlotte, JT and David will meet with John to inspect his property and work out the details of the cleanup on his property. Board also agreed to respond to John's clean up plan as follows:
(1) Response to John's request for a waiver to retain his 2 mobile homes and goat barn (Item numbers 1 and 5 in John's plan): The GLA will accept his request to retain these structures (a) only if he applies a fresh coat of paint to them and tidies up around them as much as possible; and (b) only until such time that GLA receives a complaint from his neighbors. (2) Response to John's plan to sell unlicensed vehicles (Item number 2 in John's plan): The dates given are not acceptable. Inform John that he is being given a 60-day notice to remove them. Suggest to him that he can donate them to charity and maybe get a tax write-off. (3) Response to John's plan to clean up/remove scrap piles, tires and miscellaneous debris by October 2003 (Item numbers 3, 4 & 6 in John's plan): Board approved these dates. (4) Response to the issue concerning Jerome Tweedy's school bus that John states he is not responsible for (Item 7 in John's plan): Board accepted this is not John's responsibility and discussed the need to confirm if Jerome has moved his bus. (5) Response to issue that the uprooted trees (Item number 8 in John's plan) were most likely the responsibility of the Church, etc.: Board accepted the uprooted trees are the responsibility of the Church.

ACTION ITEM: Removal of O'Connel trailer. It was reported the trailer had not been removed after a verbal warning from Philip Hoag and the 4/30/03 letter from Charlotte Mizzi which gave the O'Connels 60 days to remove the trailer. The Board agreed that David should call the O'Connels one more time. Needs letter.

Mobile Home Standards: Discussed the revisions to the Mobile Home Standards.
MOTION: Charlotte motioned and Robert seconded to amend the 10/7/02 Adopted Mobile Home Standards with amendments made at 8/4/03 GLA Board of Directors Meeting. Motion carried.

4.2.2 New Business
Lot 88-B (SG)/John Hunsaker – Log Cabin & Garage
Robert reported that he inspected Hunsaker's property lines and the lines appear to be correct.
MOTION: Robert motioned and Edward seconded to grant preliminary approval to John & Marceann Hunsaker's application for a log cabin & garage on Lot 88-B (SG) with the conditions that the disturbed land be reseeded after construction. Motion carried.

Lot 32-A (NG)/Edward Anderson – Steel Building Shed & 2 Circular Sheds
Board discussed details of the proposed corrugated metal sheds. Edward stated they were secluded and would not be visible to any neighbors on platted roads.
MOTION: Robert motioned and Cynthia seconded to grant preliminary approval to Edward Anderson, for a steel building shed and 2 circular sheds on Lot 32-A (NG) with the following conditions: (1) The necessary electrical permit is obtained prior to electrical work starting; (2) the disturbed land be reseeded after construction; and (3) the $250 Sanitation/Reclamation Bond is received by the GLA. Motion carried with one abstention from Edward Anderson.

Lot 32-A (SG)/Pedro Pinardo – Residence Construction
MOTION: Robert motioned and JT seconded to grant preliminary approval to Pedro Pinardo's construction of a home on Lot 32-A (SG) with the following conditions: (1) The necessary septic permit is obtained prior to septic system construction; (2) The necessary electrical permit is obtained prior to electrical work starting; and 3) the disturbed land be reseeded after construction. Motion carried

Lot 53-D (SG)/Henry Follman – Driveway Review.
David reported that Mr. Follman has continued to use his driveway although the Board disapproved it and it wasn't repaired according to the Board's suggestions. (See 8/20/02 letter from GLA to Mr. Follman) David will check with our attorney concerning setting a precident with Follman's driveway – i.e. disapproving a driveway while allowing the construction of a home.
MOTION: Robert motioned and JT seconded that a letter be written to Henry Follman, Lot 53-D (SG), stating that the GLA disapproved his driveway road in August and October of 2002 on the basis that it was too steep. In the meantime, we are granting approval for him to continue building his home. Motion carried.

Lot 36-C (SG)/Wallace –Residence and Driveway
MOTION: Pamela motioned and Charlotte seconded to grant preliminary approval of Robert Wallace's residence and driveway application on Lot 36-C (SG) on the conditions that: (1) The necessary septic permit is obtained prior to septic system construction; and (2) the disturbed land be reseeded after construction. Motion carried with one abstention from Robert.

Trailer Parked on Arcturus: Robert reported that there is a trailer parked on Arcturus.

Lot 89 (SG)/James Kozlik's house/trailer. David reported that the Kozlik's trailer is supposed to be moved and an application needs to be submitted.

4.3 Road Committee Report – Philip Hoag and JT Trisdale, Co-Chair

4.3.1 Old Business

ACTION ITEM – Status on repair of Capricorn Drive guardrail & washout. No report. JT to investigate repair of used guardrail material.

ACTION ITEM – Signs

Putting up Signs—Signs are being installed.

Purchasing signs for Hercules Road -- Denise reported they have been ordered.

ACTION ITEM – Send CD's of all standards to Denise. David gave Standards on CD to Denise.

4.3.2 New Business

Logging Trucks in SG: JT reported his concerns about the many logging trucks he has recently observed traveling in South Glastonbury.

4.4 Complaint Committee Report – Charlotte Mizzi – Chair

4.4.1 Old Business

ACTION ITEM – Status of Parcel 32 (NG) Woodriff. David reported that this issue was currently being handled by our lawyer.

ACTION ITEM – Draft/mail letter to Rantallo Re: Exposing Culvert. Done.

ACTION ITEM – Status of Brettschneider Complaint re: Parcel 81 (SG). Janet reported that we had e-mailed a response to Brettschneider regarding his recent e-mail complaints of June & July 2003 concerning the eyesores on Parcel 81. David reported that Brettschneider talked to David on the phone and told him that GLA should disregard his last e-mail. Board agreed that: (a) David should request James Kozlik to call Hansard and ask for a written commitment that lists the dates for his clean-up, and (b) After James speaks to Hansard, we should again write to Brettschneider and include a hard copy of our last e-mail to him, a current progress report on the clean up status of Parcel 81 and any new information that we receive from James concerning what he has learned from Hansard..

4.4.2 New Business

ACTION ITEM –Lot 59/50 SG Complaint. No report.

ACTION ITEM –Complaint from Rakela via Mark Hartwig, atty. Not completed. David read a draft of our response to Hartwig's letter. Board agreed on a few changes to the letter before sending to Hartwig.

Complaint about Safety Issues on Caspari Way and Gemini Road:
Page 2 of 5/28/2003 letter from John Alexander and Ronda Coffey regarding safety issues on Caspari Way and Gemini Road -and- attached letter of 1/16/97 from Kathleen Alexander [John's former wife] to the Royal Teton Ranch about safety issues on Gemini Road. Board discussed and agreed to respond as follows: We have received your concerns and complaints about the safety of the Gemini Road and Caspari Way and we are looking into the issues you have listed.

4.5 Land Use Master Plan Committee Report - Daniel Kehoe, Jr., Co-chair

4.5.1 Old Business

ACTION ITEM – Submit proposed changes to Covenants and Bylaws. In progress.

4.5.2 New Business. None.

4.6 Recreation Committee Report – Robert Wallace – Chair

4.6.1 Old Business

ACTION ITEM – Legal Formation of PVRC . Tabled.

ACTION ITEM: Filing Parcel 16-A to be a part of Glastonbury. Not completed.

4.6.2 New Business.

Fundraising: Janet presented an avenue of fundraising that the local soccer players could use to raise money for the soccer field bathroom and parking lot. The Board agreed that: (1) the Board doesn't have to approve methods of fundraising; (2) the PVRC should research and know if it needs insurance for those who go door to door to fundraise; and (3) the PVRC should carefully instruct fundraisers to request donations and receive responses in a respectful manner.

4.7 Web Site Committee Report - Edward Anderson, Chair

4.7.1 Old Business

ACTION ITEM – Status of web site. Tabled.

ACTION ITEM – Review Draft letter to Realtors introducing our Website. Tabled.

ACTION ITEM: - Sending Edward Documents for Placement on Website

Edward stated documents should be sent to Clare to post.

(a) Complaint form. Not done.
(b) Maps. No report
(c) Schedule of Events. **Done.**
(d) PVRC Description. Not done.

ACTION ITEM: - Approval of placing GLA Database on web site
Cost would be approximately $1,000. David requested that Edward research which database should be used.

4.7.2 New Business. None.

4.8 Weed Committee Report - Philip Hoag and JT Trisdale, Co-Chair
4.8.1 Old Business: None.

4.8.2 New Business
Knapweed Spraying: JT reported that we hired a new company to spray the platted road in SG & NG and this was recently done. Reminder: GLA needs to submit our bill to the State for a refund next Spring.

Knapweed: Charlotte reported that she received a report that there was knapweed on Golden Eagle Road, an unplatted road.

4.9 Clean-up Committee Report - Philip Hoag & Charlotte Mizzi, Co-Chair. Tabled.

4.10 Ombudsman Report – Richard Allen (SG) & Richard Johnson (NG). No reports.

5. Other Business
5.1 Fire Reservoir Report.
5.1.1 Old Business
ACTION ITEM – Status of landscaping, adding fish, adding a fence.
David to e-mail the Board a report on the current status of the above.

5.1.2 New Business. None.

5.1 Shelter Insurance. No report.

6. Next Meeting and Adjournment
The meeting was adjourned at 11:00 p.m. with no further business. The next meeting will be held on September 8, 2003 at Golden Ratio Woodworks Cafeteria, at 7 p.m.

NEW ACTION ITEMS:

MN080403 Denise to e-mail Board asking them to vote on approving 6/4/03 meeting minutes.

GB080403 David to contact Pamela about Election Chairperson position. **Done.**

TR080403 Cynthia to send July Balance Sheet to David. **Done.**

AR080403.1 David to research finding engineer to evaluate Caspari Way.

AR080403.2 JT & David to inspect Caspari Way.

AR080403.3 Janet to draft letter to Church after above two action items are completed for Caspari Way

AR080403.4 Robert to ask Paul Rantallo date of removing trailer.

AR 080403.5 Charlotte, JT & David to inspect John Alexander's area. Also note if J. Tweedy's bus is still there.

AR080403.6 Denise to draft letter to John Alexander.

AR080403.7 David to call O'Connel's to request commitment to remove trailer.

AR080403.8 Denise to send architectural approval forms to John Hunsaker, Edward Anderson, Pedro Pinardo and Robert Wallace. **Done.**

AR080403.9 David to check with attorney about Henry Follman issue. Then Janet to write letter to Follman.

AR080403.10 Pamela to research trailer parked on Arcturus.

AR080403.11 Denise to edit 10/07/02 Adopted Mobile Home Standards and e-mail to David. **Done.**

RD080403.1 JT to investigate repair and purchasing of used guardrail on Capricorn.

RD080403.2 JT to research check on logging trucks recently observed in SG

CP080403.1 David to ask James to call Hansard. Then Denise to draft follow- up letter to Brettschneider.

CP080403.2 Janet to revise response letter to Rakela's attorney, Mark Hartwig, and send.

CP080403.3 Denise to ask Dan for latest version of MP and then send to E. Johnston.

File: MtgMins 08 04 03 rev
Draft(s): 8/11/03, 8/18/03, 8/29/03-Final
Amended:

RC080403.1 Denise to send Cynthia the past Motion regarding filing Parcel 16-A. Cynthia to file it with County Records.

RC080403.2 PVRC Committee to research our insurance liability for fundraisers and y instruct fundraiser participants to respectful and polite when requesting donations.

WB080403.1 David to e-mail report on the current status of the web site to all Board members

WB080403.2 Denise to input Complaint form and e-mail to Clare for website.

WB080403.3 Edward to research which database to use (i.e. user friendly and compatible with relatively easy to use by Board members).

FR080403 David to e-mail the Board a report on the status of landscaping, adding fish, adding a fence, etc.
