

## **Road and Weed Committee Meeting**

December 14, 2017

**Committee Members Present:** Richard Johnson (RJ), Newman Brozovsky, Claudette Dirkers, Linda Ulrich, Ia Williams and Tim Brockett

**Committee Members Absent:** Chairman Dennis Riley, Walter Wunsch, Gerald Dubiel and Val O'Connell

**Board Member in Attendance :** Leo Keeler

**Landowner Representative Present:** Sally Muto

**Landowners in Attendance:** Donna Andersen

Meeting was called to order shortly after 7:00 PM. RJ presided due to Dennis' absence.

### **1. NG/SG Road Sign Prioritization:**

- Tim motioned that the edited list of safety signs in the allocated amount of \$1800 be used to purchase signs. Richard Johnson seconded the motion which passed unanimously.

### **2. Snow Fence Report:** Supplies ordered just after the December 4, 2017 GLA Board Meeting. The snow fence installation project in South Glastonbury (SG) is nearing completion. Snow fence installation in North Glastonbury (NG) will commence upon delivery of the materials.

What to do with old snow fencing? The consensus was to reuse any sections in good condition, while any scrap is a decision for the Board.

### **3. Reflectors on Culvert Posts:** Project completion at 50%, with Tim and Richard collaborating.

### **4. Responses From Ramp and Ansara Letters:** Tabled

### **5. Fall grading, Feathering and Mag. Chloride Progress:** SG road grading completed for the season. Remaining roads are too wet to continue further work in N/S Glastonbury until next spring. Detailed planning scheduled for January committee meeting.

6. **New List of Back-up Snowplow Drivers:** Claudette compiled this list, including phone numbers. Fred is the primary manager of snowplowing services/drivers. She suggested snowplowing coordinators/Fred meet to improve communication.
7. **Invoicing Issues:** Must be approved by Dennis as committee chair and GLA President.
8. **Aerial Maps and Snowplow Turnarounds:** Booklets handed out by Tim for snowplow drivers/coordinators. Committee consensus was that drivers turn around where safety permits.
9. **News on CUT Contract with Fred:** The contract will be given to Dennis via RJ.
10. **Draft Road Policy:** The second 30-day landowner comment period which concluded on 12/13/17, yielded a few responses. A detailed log of each comment and response kept by the Road Policy Advisory Group was suggested by Leo.
11. **Thank You Cards:** Signed cards to be sent to contractors, gravel donors and all who helped with road project in 2017. The committee will also include a photo of their members.
12. **Hercules Erosion:** Contractor Chad Standish evaluated and bid on the erosion problem in High South Glastonbury. Correction of the problem must be done after ground thaws. Additional bids to be sought.
13. **Ditch Design:** Tabled
