Brief description of project []

Per Covenants Section 12.01 Variances, Waiver: The GLA has reserved the right to waive or grant variances to any of the provisions of the Declaration of Covenants and associated rules where, in its discretion, it believes same to be necessary and where the same will not be injurious to the rest of the Community.

Glastonbury Land Use Master Plan, 4.0 Variances: The Association Board will consider a variance from the requirements of this Master Plan when it can be shown that, because of special and unusual circumstances related to a specific piece of property, strict application of the Master Plan would cause an undue or unnecessary hardship. For a variance to be granted all criteria for granting a variance must be met (see section 4.2). In granting a variance, the Association Board may attach conditions it finds necessary to achieve compliance with the criteria set forth in this Master Plan.
