

Valery O'Connell – for North Glastonbury Director

Areas of Interest/Tasks

I have been a landowner in North Glastonbury since 2001 and GLA Board advisor (2008-2011). I am interested in making sure that GLA is fiscally solvent for the long run to help support the entire community; involving all landowners in decisions that affect the community; improving roads and safety; eliminating or reducing unnecessary expenditures; and improving communications for the community through continued website improvements and community events.

Select Professional Experience

Owner/President of a local technology firm and Market Analyst
Past Owner/President of a local Cellular Phone Store
Past Owner/President of a Subcontracting Business in Ca & Tx
Past MSU College Math/Business Tutor
Past Girl Scout local Troop Leader

Education

Homeschool/Montessori teacher 1997-2018
Graduate United States Naval Academy-Great Lakes, Il 1996
B.S Psychology Univ. of Texas-North Dallas 1994

August 13, 2026

Jaime Allison Rambo

I am currently retired, and have over 40 years working in management within the health care system, airlines and corporate environment.

My main goal for joining the board is to continue the path we are currently on and support incoming directors and fellow landowners while building a positive and thriving community.

Walter Wunsch Bio - GLA Director Nomination 2026

Founding board member of the GLA. As President of SPECTEC, we embody the motto our community originally adopted: "Live and work in your Community". Currently serving on the Board for 2026, I served on the initial board for 8 years and currently serve on 2 other boards, local and state wide. Longest road committee member and current 2026 Road Chair.

Helped facilitate the paving projects in NG and SG (Dry Creek). Managed the successful repair of upper Hercules after severe flooding with deep sinkholes. He would be honored to serve as Road Chair again this term given the opportunity. German educated Engineer and apprenticed /certified Tool and Die Maker. Specialist in Value Engineering and Systems Management. American educated Economist. Married for 54 years with 2 very successful children, raised in our community. I am ready to serve and return the GLA management to Law, Order and Kindness. Onward and Upward!!!
