1. Discussion on building and sprinkler maintenance. Sprinklers are all functioning, and the field looks good and is receiving regular recreational use. Sprinklers will have to be blown out in October for winterizing, and the building water shut off. Keith Short has done these the past two years for \$150.00. John will contact Keith.
2. Discussion on picnic setup: Jack, Nancy and Ryan volunteered to help with picnic setup on Saturday the 13th. All will meet Saturday morning at the soccer fields to move some equipment and games to the GAV picnic site. Tim will be sending the picnic announcement this weekend.

Meeting adjourned at 9:20 am.

John Carp, CPC Chair
